105 EXPELLED

USSR Denies Spy Charges

LONDON (AP) — The Russians reacted angrily Saturday to charges they were operating a massive spy network in Britain as Foreign Secretary Sir Alec Douglas-Home flew to the United Nations and an almost certain confrontation with Soviet Foreign Minister Andrei A. Gromyko.

Sir Alec claims Gromyko ignored his protests that led up to the expulsion Friday of 105 Soviet diplomats and other officials, based on documents the Foreign Office said came from a senior agent of the KGB, the Soviet secret police, who defected to London.

Smiling, Sir Alec refused to go further with newsmen at London airport on the charge that the officer "brought with him certain information and documents, including plans for infiltration or agents for the

purpose of sabotage."

British officials said the Soviet underground activities ranged from trying to sabotage the British-French supersonic airliner Concorde to exploiting the crisis in Northern Ireland.

In Moscow, a Soviet Foreign Ministry spokesman said he was "personally surprised and indignant" but the official news agency Tass went further and charged the British Foreign Office with "the fabrication of deliberately false accusations."

The mystery man—dubbed by the British press as Comrade X—went over to the West weeks or months ago. He is now under heavy guard in the English countryside.

Authoritative sources said the Soviet Embassy made a request to interview the agent shortly after his defection, but he snubbed them.

President Nixon, Japan's Emperor To Meet Today

WASHINGTON (AP) — President Nixon combines historic airport diplomacy in Alaska—with Japan's Emperor Hirohito—and campaign-style touring this weekend on a four-state trek.

Accompanied by Mrs. Nixon, the President plans to visit Montana, Oregon, Washington and Alaska.

Nixon's first stop, in Montana, typifies "nonpolitical" activities presidents favor during the months before presidential campaigns.

With Senate Democratic leader Mike Mansfield of that state on hand to lend a bipartisan aura, the President and First Lady will make a helicopter tour of Glacier National Park before setting down at partly-built Libby Dam for an "inspection."

Late Saturday, Nixon will talk informally to newspaper and broadcast executives from Northwestern states at a Portland hotel.

The trip, which will end back (See NIXON, Page 2)

Texas House Speaker Reported To Quit Job

Sources Say Decision Will Be Known Today

By THE ASSOCIATED PRESS

Reliable political sources in widely separated parts of Texas reported Saturday that Gus Mutscher, indicted in Austin Thursday, will vacate the Texas House speakership — perhaps Sunday.

The crisis came Friday night when about 40 House members met—and one source said two of those gathering in a guarded Dallas motel brought with them assurances from Mutscher that he will quit the speakership.

The Longview News and Journal reported that Mutscher wished to wait about a week to quit, but the conferees in Dallas insisted that he resign immediately.

Mutscher, holding one of the two most powerful offices in Texas because of the speakers' control of legislation, did not plan to announce any plans Saturday, it appeared late in the day.

Rush McGinty, Mutscher's top aide and a man who was indicted with the speaker, said no announcement was planned Saturday. He and Mutscher let their secretaries go home at noon and the speaker headed for the Texas-Texas Tech football game in Austin.

A stream of House members poured into and out of Mutscher's office during the morning. About 12 members visited him individually and he met with one group of five.

The Dallas meeting was the third of essentially the same group of House members after

the speaker figured prominently in investigations of the stock-bank loan scandals. One session was at Dallas and the other at Kerrville.

Mutscher's actual indictment added to the intensity of the crisis. The Austin grand jury indicted Mutscher, McGinty and Speaker Pro Tem Tommy Shannon on charges of bribery.

The grand jury contended that the three accepted loans from Houston promoter Frank W. Sharp in return for helping pass banking legislation Sharp wanted.

Sharp is under three-year suspended prison sentence after he pleaded guilty to two charges involving stocks and loans involving his bank and his National Bankers Life Insurance Co.

The Longview News and Journal said the three-hour Dallas meeting resulted in selection of a list of three representatives from which Mutscher is to name his successor. These were listed as John Poerner of Hondo, Grant Jones of Abilene and McKissick of Dallas.

The Dallas Times Herald said the list was longer and included additionally the names of Joe Goldman of Dallas, D. R. Uher of Bay City, Don Cavness of Austin, Bill Clayton of Springlake, Charlie Jungmichel of La-Grange, R. B. McAllister of Lubbock and Tati Santiesteban of El Paso.

"He may pick one of these and he may not," said a source, "but he's got to pick somebody."

11 COUNTS RETURNED

Former Policeman, Six Others Indicted

Former Pampa police officer Danny K. Honeycutt, 1713 Coffee, was among seven persons indicted during the Friday session of the Gray County grand jury.

Honeycutt was charged with the 1970 burglary of the Hideaway Lounge, 412 E. Craven. The first move against Honeycutt came July 23 when he was dismissed after he admitted being implicated in

activities unbecoming an officer. No charges were filed at that time.

He was formally charged with the burglary Aug. 31 and freed on \$2,000 bond.

Honeycutt joined the police department, first, July 16, 1967. He resigned Jan. 29, 1968 to move to California. About mid-year, he was employed by the Pampa water department and joined the police force again Sept. 1, 1968. He was promoted to sergeant May 1, 1969.

Other indictments were returned against Terry Gene Ward, possession of Narcotic paraphernalia; James Michael Brantley, burglary; Keith Wayne Bennett, burglary; Virgil Wallin Jr., forgery and brothers David and Earl Kerr, burglary; three counts and jailbreak; one count.

District Attorney Guy Hardin, Shamrock, indicated there would be other actions announced Monday.

Sunny Weather Due To Remain Over Panhandle

Sunshine returned to the Panhandle Saturday after overcast skies for a week during which the sun was completely blacked out.

The rains moved on and the day was ideal for Saturday football and practically all outdoor activities except picnics and lawn mowing.

The ground still was too wet for pitching horseshoes or cutting the grass.

The weather forecasters indicated more fair weather and sunny skies in the cards for today.

After being in the 40s for three or four days, temperatures in Pampa and over the rest of the Panhandle moved into the mid-70s Saturday. They were expected to go even higher today.

Pampa's rainfall for September had moved to the five-inch mark when the rain let up Friday night.

It brought the year's total precipitation here to approximately 16.35 inches.

UNITED FUND SUNDAY — Pastors in Pampa churches will broadcast the United Fund message to their congregations today. Shown in the photo are the Rev. Martin Hager, head of the Ministerial Division for the 1971 Fund, with 13-year-old Scott White, 2014 Charles, of Boy Scout Troop 14, and 8-year-old Laurie Hampton, 1616 Fir, of Brownie Troop 79, representing two of the nine agencies supported by the United Fund. (Staff Photo)

Local School Board Represented At Meet

John Gikas, Pampa school board member, is attending the Texas Association of School Boards at San Antonio. He is the duly authorized voting member of the organization from the local panel.

Each school board is granted one voting member plus one at large from the district. This post is filled by Jack Allen, Perryton, who is also attending the meeting.

Retired Justice Black Dies Peacefully At 85

WASHINGTON (AP) — With tributes to his 34 trend-shaping years on the Supreme Court still echoing across America, former Justice Hugo L. Black died peacefully early Saturday.

Death came little more than a week after his retirement from the court, an event which prompted the outpouring of praise for a legal career that found its bedrock in the Bill of Rights.

A spokesman at Bethesda Naval Hospital said the 85-year-old jurist died at 1 a.m. of the effects of a stroke and inflammation of the arteries.

Black will be buried with simple honors at Arlington National Cemetery at 3 p.m. Tuesday, an hour after services at the Episcopal Washington Cathedral.

Black's death came while a longtime colleague, and frequent opponent, on the high bench lay in grave condition at another Washington hospital, Justice John M. Harlan, a leader of the court's conservatives, retired a few days after Black, and it was disclosed later that he is suffering from cancer.

Black, a Clay County, Ala., shopkeeper's son, had been a country lawyer, a member of the Ku Klux Klan, a county prosecutor, New Deal senator and a shaper of American Law.

He carried with him a thumb-worn copy of the Constitution and an unshakable belief that the Founding Fathers understood the English language,

that they meant what they said.

His belief in constitutional absolutes led him to landmark opinions and to his most controversial decision—that banning government-sponsored prayer in the schools.

Black intended only to ban prayer written and imposed by government, saying, "It is no part of the business of government to compose official prayers for any group of the American people to recite."

But this apparently did little to dampen the outcry that followed.

Most recently he made clear his position in concurring with the majority to allow publication of the Pentagon Papers.

President Nixon found that Black brought to the court "a mind that was brilliant and a character that was earnest and strong."

The man Nixon called "this noble American" was born Feb. 27, 1886, the youngest of a family of eight. He earned his law degree in 1906 and began to impress those with influence.

After World War I service, he returned to prosper in private practice in Birmingham. He joined the Klan in 1923 and quit it in 1925 to make his successful campaign for the Senate where he supported much of the New Deal legislation proposed by President Franklin D. Roosevelt.

His Klan membership caused controversy when he was nominated for the U.S. Supreme Court. (See BLACK, Page 2)

U.S. Jury Convicts Top Legal Official Of New Orleans

NEW ORLEANS (AP) — Louisiana Atty. Gen. Jack Gremlion was convicted by a federal jury Saturday on five counts of perjury.

The conviction stemmed from a federal grand jury indictment which said he lied under oath in 1968 when he said he did not own stock and did not have an economic interest in Louisiana Loan and Thrift Corp.

The case went to the jury at 1:25 p.m. Saturday after attorneys made final pleas.

Defense attorney F. Irvin Dymond told the six men and six women in his concluding arguments that the government spread a cloud of doubt over Gremlion without proving a single charge against him.

Edward Barnes, attorney for the U. S. Justice Department, argued that the government had produced abundant evidence to show that Gremlion had lied to the federal grand jury about his financial connections with Louisiana Loan and Thrift.

Gremlion was charged with five counts of perjury in connection with the grand jury testimony. He faces a maximum penalty of five years in prison and \$2,000 fine on each count. Earlier he was acquitted on charges of fraud and conspiracy in connection with the now-defunct firm.

City Budget And Tax Ordinances Up For Approval

An ordinance setting Pampa's operational budget for fiscal 1971-72 at \$2,196,562 will be up for approval of the City Commission at Tuesday morning's meeting in City Hall.

Another ordinance renewing the current city tax rate at \$1.72 per \$100 of assessed property valuation also will be considered.

It is expected if a full attendance of commissioners is on hand at the Tuesday session both ordinances will be passed as emergency legislation.

The city's new fiscal year will start next Friday, Oct. 1. Commissioners will be asked to approve a full year's payment of approximately \$25,000 as Pampa's share of operation and maintenance costs of the Canadian River Municipal Water Authority.

Another item on the agenda, in addition to several routine matters, will be the appointment of two new members to the city's Planning and Zoning Commission.

U.S. Against Dollar Devaluation And Removal Of Import Surtax

WASHINGTON (AP)—The International Monetary Fund's top official Saturday urged devaluation of the dollar to clear the way for world agreement on money-exchange rates. The United States wants such an agreement but thus far has declined to devalue the dollar.

Keynoting the annual IMF meeting, managing director Pierre-Paul Schweitzer suggested also an expanded use for "paper gold" or Special Drawing Rights as a reserve asset on which the value of other currencies would be based.

Schweitzer said at a news conference that the "present situation cannot possibly lead to a satisfactory system of exchange rates."

He referred to President Nixon's decision to cut the dollar loose from its tie with gold and impose a 10 per cent charge on imports.

The managing director thus placed much of the burden for resolving the international monetary impasse on the United States, saying he does not expect a solution without a "U.S. contribution."

By that, he said he meant a dollar devaluation in terms of its relationship with gold and Special Drawing Rights, the medium of exchange created in 1969 to provide more reserves for payments between countries.

The United States has rejected devaluing and, instead, President Nixon has said the import surcharge will remain until total reform of the monetary system is achieved.

"I would hate to see a situation where the surcharge would remain in effect for a year or so," Schweitzer said.

He suggested a three-step plan for solving the crisis,

starting with a realignment of currency values and defining them in terms of both gold and "paper gold."

The first stage would also include the surcharge removal.

The second stage would include negotiations to improve position and the third would focus on proposals for international monetary reform.

Schweitzer said the annual IMF session probably would result in agreement that the situation is urgent and on the stages and procedures that would lead to a lasting solution.

Although U.S. officials are doubtful that this week's meeting will do the job, they will press for some permanent reform and reshaping of the world's monetary system.

Behind the facade of the ceremonial setting, finance ministers of the U.S. major trading partners are expected to bar-

gain for devaluation of the dollar and removal of the Nixon-imposed 10 per cent temporary import surcharge.

But the Nixon administration is resisting both, holding fast against the dollar devaluation through raising the price of gold and pledging to keep the surcharge in effect until the monetary system is overhauled.

U.S. officials say they are doubtful the basic reform they are seeking in the system will take place at the week-long meeting, although the session could turn into the launching pad for such an overhaul.

The IMF is supposed to be watchdog of the international monetary system of fixed currency exchange rates shaped a quarter-century ago at Bretton Woods, N.H. But that system has been crumbling in recent years as the U.S. balance-of-

EXHIBIT AT BORGER SHOW

Third Grade 'Rock Hounds' Find Hobby Helps Them With Other School Studies

By TEX DEWESE

"Rock hounds" at B.M. Baker school, under the guidance of Mrs. Aubrey Jones, third grade teacher, have assembled an unusual classroom display of rocks that will be on exhibition at the Canadian River Gem and Mineral Society's eleventh annual Rock Show in Borger Oct. 2 and 3.

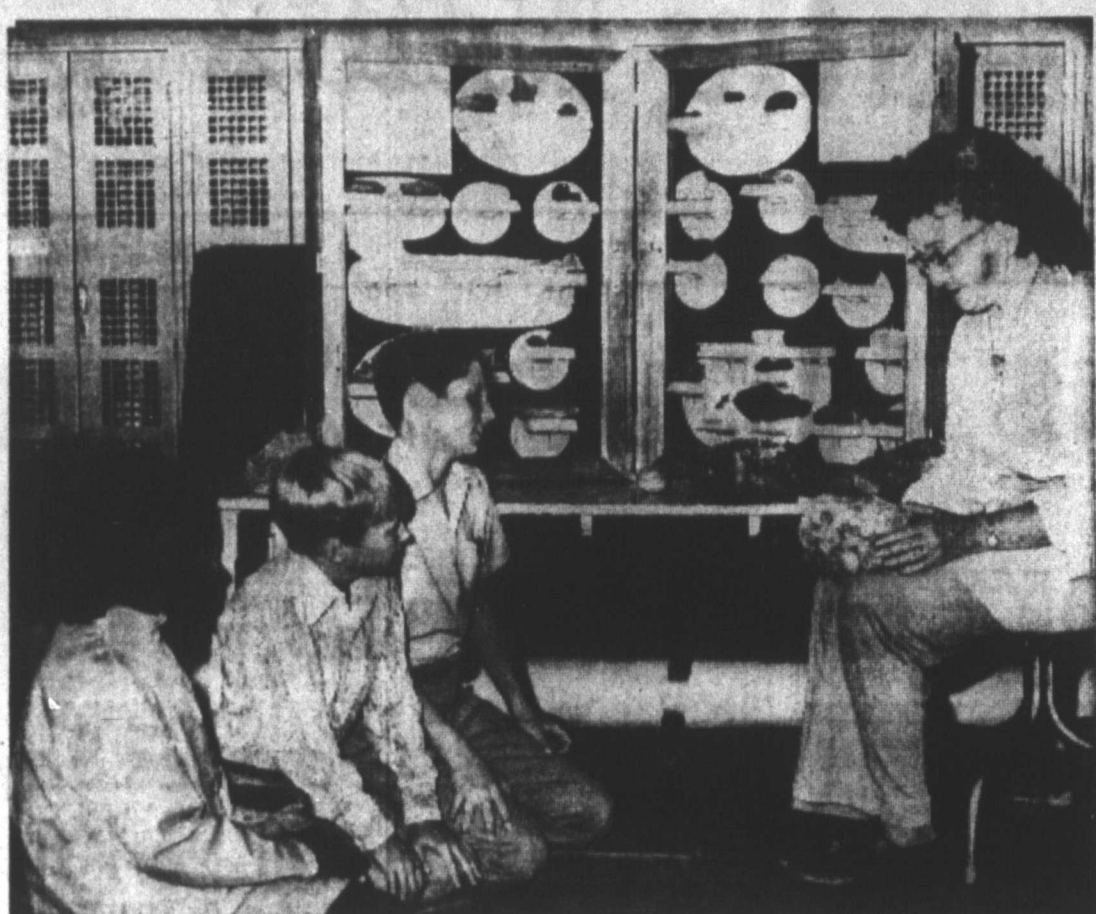

Mrs. Jones, a dedicated rock and mineral collector herself, as interested third grade students at Baker School for the past five or six years and her pupils kept up interest until now the hobby has spread through the fourth, fifth and sixth grades at the school.

Teachers have found that collection of and student research on rocks and the interest that goes along with it have caused Baker pupils to be better students on their academic subjects. "From this study," Mrs. Jones said, "the children are taught to do independent thinking and research and from these concepts go on to independent reading on their own."

Mrs. Jones says interest in this phase of science can lead to many fascinating hobbies and even to a trade for a livelihood because there are so many related fields.

The third grade teacher points out to her students that the inter-relationship of rocks to the insaur age is an unending study in research.

"Most Rocks" said Mrs. Jones, "were formed during the insaur age and just as many more were formed during volcanic eruptions which left rocks of melted lava. "Reading writing, history, social studies, spelling, English and math all are correlated with rock formations research."

THE STUDY OF ROCKS — Three fifth grade pupils at B. M. Baker School listen as Mrs. Aubrey Jones explains the formation of a rock in the display which will be shown at the Canadian River Rock & Gem Society Show in Borger next weekend. Left to right the interested youngsters are Donna Hunnicutt, 12; Tommy Gray and Wayne Barkley, each 11 years old.

Mrs. Jones said her pupils of past years continued their rock studies much into advanced grades — all the result of the little nucleus started in her third grade classroom.

She added that currently sixth graders at Baker School are developing the geological eras of the earth's history under the tutelage of Mrs. Vera Mae Eubanks and Mrs. Kay Hood, sixth grade teachers.

Mrs. Jones says she also has received much help from Mrs.

Hal Boynton Jr., now a sixth grade teacher at Lamar School. The teachers are encouraging pupils in the third through sixth grades to attend the rock show next Saturday and Sunday at the Bonavista Cafeteria, four miles west of Borger on SH 136.

Hours for the show on Saturday will be from 9 a.m. to 10 p.m. and on Sunday from 12 noon to 6 p.m.

Ollie Winegar, show chairman, says there will be special exhibits, lapidary demon-

strations, individual exhibits from dealers from three states, refreshment concessions and a National Parks Service tour of the Alabaster Monument area on both days.

A grand door prize, a YAG pendant, for which the stone was cut and set in gold by Pampa's Mayor Milo Carlson, stone collector and lapidary.

Winegar said there will be a meeting of the Rollin Rock Club Sunday morning at the show area.

Marshal Killed And 2 Brothers Hurt In Shootout

WASHINGTON (AP) — A deputy U.S. marshal was killed in a gunfight outside a church after the stepbrother of a prisoner he was guarding pulled a gun at the funeral of the prisoner, authorities said.

Both brothers were wounded but managed to commandeer a passing car and lead police on a high-speed chase through city streets before they were captured two miles from the scene, authorities said.

Screaming mourners dived under pews as the two made their escape from the church.

"It was something like you see in the movies," said Mrs. Willie Christy, secretary of the Florida Avenue Baptist Church.

The Rev. Robert L. Rollins told police the mourners were just getting ready to view the remains when there was a lot of running around in the back of the packed church.

"I looked up and three or four people had their hands up," Rollins said. "One man was standing, waving a gun at them."

DOWN THE DRAIN . . . ALMOST — This compact car driven by James Terry, 22, 2107 N. Faulkner, skidded on the pavement, went off the highway on the north side, veered back across and came to rest as pictured here. The mishap occurred two miles west of White Deer. Terry was examined and released at Highland General Hospital. Trooper Phil Altman, Texas Department of Public Safety is making his investigation. (Staff Photo)

Surtax . . .

(Continued From Page 1) payments position floundered heavily into deficit, weakening the value of the dollar and draining the nation's gold supplies.

The system cracked on Aug. 15 when Nixon, faced with a record balance-of-payments deficit and the lowest gold supply in 33 years, cut the dollar loose from its tie with gold to let it find its own value in relation with other world currencies. He also slapped on the 10 per cent import surcharge.

In London two weeks ago, Treasury Secretary John B. Connally stunned the ministers by saying the United States wants a \$13 billion turnaround in its balance-of-payments position, a figure that would convert a big deficit into a small surplus. He implied the import surcharge would remain until that happens.

European finance ministers countered by passing for a devaluation of the dollar to go with revaluation of their own currencies as a result of Nixon's Aug. 15 decision to halt the use of gold to settle the United States' payments deficit.

The keystone of the international monetary system had been the dollar and its tie with gold, priced at \$35 an ounce, before Nixon acted. All other currencies had been linked to the dollar's value for exchange purposes and were allowed to fluctuate one percent up or down from the set value under international rules.

"Paper gold," known officially as Special Drawing Rights or SDRs, is being touted by some economists as a replacement for gold in the international monetary arena. The amount of SDRs held by a country would be based on the strength of its economy. In addition, all currencies, including the dollar, could be stated in terms of SDRs.

Gray County Justices Attend A&M 'Short Course' At Lubbock

Gray County Justices of the Peace E.L. Anderson and G.L. "Nat" Luncford are in Lubbock for a 40-hour "short course" offered by the Police Training Division of Texas A&M Extension Engineering Service.

In addition to providing orientation with latest practices and developments, the course satisfies the statutory requirement for peace justices who have not served two four-year terms or are not certified attorneys.

Instructors will be leading authorities from the fields of legal education, law enforcement and judicial professions.

Financed by a grant from the Texas Criminal Justice Council, the course is presented in cooperation with the Panhandle Region Planning Council.

Registration begins this afternoon at the Red Raider Inn, Lubbock.

CoC Schedules Buffet Luncheon For Members

The first membership luncheon of the Fall season is scheduled by The Pampa Chamber of Commerce Monday noon in the Starlight Room of Coronado Inn.

Mickey Black, manager of the local office of the Soil Conservation Service, will be the speaker.

Black will discuss the Red Deer Creek and McClellan Creek watershed projects with an explanatory rundown on their progress.

The buffet luncheon meeting will be open to members and anyone interested in the soil conservation topic.

Pampa Knights Meet With Amarillo Lodge

Six members of Pampa Lodge 480, Knights of Pythias, attended a dinner and lodge meeting Thursday night with Amarillo Lodge 470 at the lodge hall.

Knight A.L. Anderson was in charge of the dinner and Larry Harr, chancellor commander, presided at the lodge meeting. Plans were discussed for a district meeting at Childress, Oct. 21.

Members present from Pampa were Ray Barnard, "Peg" Whittle, Wm. B. "A" Neel, Gary Clark, Randy Phillips and B.B. Altman, Jr.

Speaker . . .

(Continued From Page 1) quoted Rep. Santiesteban as agreeing that he will quit the speakership, adding, "The word is that Gus is going to need all the time he can get to defend himself."

The Dallas News said Rep. Bill Healy of Paducah was at the meeting. He was one of those who profited in the stock deals.

Sources agreed that Mutscher will retain his House seat and will seek re-election to it, but that he will not run for a third term as Speaker.

The Times Herald said most of the 40 had pledged their support to Mutscher in his earlier plans to run for a third term as speaker. This was before the scandals broke.

One of those at the meeting said the names submitted to Mutscher for selection of a successor were "people who were not considered to be Mutscher's top lieutenants."

The agreement was that the interim speaker would not run for the speakership in the next legislative session which meets in 1973.

The Longview newspaper said that two of Mutscher's close friends, Jungmichel and Rep. John Traeger of Seguin, stopped by the speaker's office about 3 p.m. Friday en route to the Dallas meeting.

They brought assurances to the meeting that Mutscher would accept the group's decision and would name an interim speaker immediately.

About 50 were invited to the meeting, apparently called by Rep. Jim Nugent of Kerrville, but Friday night's bad weather prevented some from attending.

The Dallas News said Rep. Carl Parker of Port Arthur said the session was called because it is "a crucial time for the State of Texas."

On The Record

FRIDAY Admissions

- Robert Eugene Swanson, 813 Campbell.
- Baby Girl Kidwell, 600 Bradley Drive.
- Mrs. Jo Bailey, 1828 N. Dwight.
- Mrs. Millie Shouse, 608 Baby Boy Shouse, 608 Denver.

- Doyle Finstad, Panhandle.
- Dismissals**
- John Mackie, Pampa.
- Mrs. Lettie Smith, 2216 N. Wells.
- James S. Hoskins, Skellytown.

U.S. Jets Continue Bombing N. Viet

SAIGON (AP) — American fighter-bombers struck for a fifth straight day in North Vietnam Saturday while enemy forces stepped up shelling attacks in South Vietnam.

The allied commands reported 13 rocket and mortar barrages against U.S. and South Vietnamese units and bases, including shelling of two air bases and a South Vietnamese task force headquarters at Da Nang in the north.

All the barrages were light, and no casualties or major damage were reported.

The air strike in North Vietnam was carried out by two F4 Phantom jets against two anti-aircraft sites near the Mu Gia Pass Saturday morning, the U.S. Command said.

The pass, 75 miles north of the demilitarized zone, dividing the Vietnam, is a mountain gateway through which North Vietnam funnels men and war supplies into the Ho Chi Minh Trail in eastern Laos for South Vietnam and Cambodia.

Most Colleges, Universities In Texas Make Enrollment Gains Despite Higher Tuition

By JOE SCHULZ
Associated Press Writer

College and university enrollment spiraled upward in Texas this fall with several schools gaining a record number of students despite higher tuition, a tighter economy and the military draft.

While larger schools generally made enrollment gains, junior colleges and smaller four-year schools had a better percentage of student growth.

A few institutions showed enrollment declines. Most administrators at these schools blamed increased tuition and the economy.

However, earlier expressed fears by some educators that higher tuition would radically

reduce enrollment were dispelled by a count of students.

State college basic tuition jumped from \$50 last year to \$60 per semester. Still greater increases occurred in student activity fees.

The increases raised the average fee per semester to over \$110, excluding books and housing.

Junior colleges in metropolitan areas showed big enrollment gains this fall, apparently attracting students who may have gone in earlier years to four-year schools distant from their homes.

The Dallas County Junior College District, with three schools, had an enrollment surge of more than 4,000. A total of 12,292 students were in the system last fall. That figure climbed to 16,591 this year.

Other substantial gains came at some four-year schools near metropolitan areas. Southwest Texas State at San Marcos, between Austin and San Antonio, showed an enrollment increase from 9,852 last year to 11,280 this fall.

North Texas State, 35 miles from Dallas, posted an all-time record of 15,572 students, but that figure indicated a leveling

off from previous years of substantial enrollment growth.

Fall semester enrollment at Texas Woman's University, also in Denton, was up 7.7 per cent to 5,789. A spokesman said TWU posted an enrollment increase for the 18th consecutive fall session.

The University of Texas at Arlington was one of the few large schools which showed an enrollment decline, from 14,115 last fall to 13,565.

A spokesman said the decrease was the sharpest in the school's 77-year history. School officials attributed the decrease to "the tight economic situation, large enrollment gains in the Dallas and Fort Worth junior college systems, and a new tuition and fees schedule which almost doubled costs for part-time students."

Enrollment at West Texas State fell from 7,905 to 7,351. A school official blamed the drop, in part, on fewer area high school graduates, tight money and more young persons attending junior colleges and vocational schools.

Registrar Glenn Doolittle of San Antonio Junior College, which showed an increase from 15,671 to 16,753 students, said

with tighter money now, "a lot of students that would be going away are staying home their first two years of college."

The University of Texas at Austin, largest school in the state, experienced more growth from 39,000 last fall to 39,504 this year.

The Austin campus could have 80,000 students by 1980, educators say. Several plans are in effect to control enrollment, including selected admission of top high school graduates.

Sul Ross State at Alpine showed an increase to a record 2,587. Dr. Norman McNeil, university president, said the increase could be attributed partially to the addition of an Air Force ROTC detachment and creation of a police administration department.

While East Texas State at Commerce gained only 81 students for a fall enrollment of 8,801, more than one-fourth of the student body was working on higher degrees.

Here are the fall enrollment figures as supplied by Texas school authorities. Some of the figures are estimates pending full auditing. Because schools count attendance in different manners, the figures are not always exactly comparable. The fall 1971 figure is listed first, the 1970 fall total second.

Abilene Christian 3,304 and 3,314.
Hardin-Simmons 1,686 and 1,728.
McMurry 1,580 and 1,544.

Texas Tech 21,312 and 20,048.
Lubbock Christian 2,136 and 1,904.
Paris Junior 1,140, about a 25 per cent increase.

Bransworth Junior 1,690 and 1,290.
Sam Houston State 10,626 and 10,024.
East Texas State 8,801 and 8,720.
Graves County 2,859 and 2,513.
Cooke County 2,888 and 1,361.
Baylor 1,040 and 840.
James Connally 2,977 and 2,200.
North Texas State 15,572 and 15,030.
Texas A&M 14,775 and 14,316.
West Texas State 7,351 and 7,905.
Temple Junior 1,205 and 1,012.
Mary Hardin-Baylor 761 and 743.
Central Texas 4,034 and 3,215.
Pan American 6,219 and 5,045.
Texas Southern 1,833 and 1,498.
Navarro Junior 1,122 and 1,105.
San Antonio Junior 16,735 and 15,671.
St. Mary's 4,000 and 4,200.
Trinity 2,812 and 2,883.
Incarnate Word 1,529 and 1,321.
Det. Mar 8,330 and 8,052.
University of Corpus Christi 565 and 613.
University of Texas-Arlington 13,565 and 14,115.
Tarrant County Junior 12,360 and 10,915.
University of Houston 26,531 and 25,582.
Rice 3,128 and 3,100.
Texas Southern 6,172 and 5,485.
Houston Baptist 1,126 and 1,142.
University of St. Thomas 1,775 and 1,305.
San Jacinto 7,240 and 7,487.
Dominican College 313 and 388.
South Texas Junior 4,334 and 4,397.
University of Texas Biomedical 1,140 and 1,001.
University of Texas Dental 567 and 547.
University of Texas Medical-Houston 45 and 0, first year.

Tyler Junior 3,881 and 3,892.
Texas College 508 and 540.
O'Neale College 2,828 and 2,505.
Midland College 1,085 and 787.
University of Texas-Austin 39,504 and 39,000.

Texas Woman's 5,789, about a 8 per cent increase.
Sul Ross 2,587 and 2,587.
Texas A&I 8,488 and 7,817.
Southern Methodist 9,932 and 10,136.

Stephen F. Austin 9,976 and 9,814.
Dallas County Junior 16,591 and 12,292.
University of Dallas 1,400 and 1,359.
Austin College 1,145 and 1,102.
University of Texas-El Paso 11,419 and 1,041.
Tarleton State 3,811 and 2,974.

Southwest Texas State 11,280 and 9,852.
Howard College 1,075 and 1,174.
Howard Payne 1,391 and 1,387.
Our Lady of the Lake 2,064 and 1,969.
University of Texas Medical School, San Antonio 388 and 397.
St. Philip's Junior College 3,044 and 2,218.

President Okays Hotline Accords With Moscow

WASHINGTON (AP) — President Nixon today announced formal approval of two agreements with the Soviet Union aimed at modernizing the Washington-Moscow hotline and reducing the risk of accidental nuclear war.

The White House said the agreements will go into effect next Thursday when Secretary of State William P. Rogers and Soviet Foreign Minister Andrei A. Gromyko sign them at a State Department ceremony.

North Texas State, 35 miles from Dallas, posted an all-time record of 15,572 students, but that figure indicated a leveling

TOM JONES
... sales award winner

The second award in a week to go to a Zales store manager came with announcement that Tom Jones, manager of the company's downtown Pampa store was given top diamond sales honor at a recent meeting of firm managers in Dallas.

Jones has been with Zales two and a half years and received a diamond Z tie-tac and plaque for diamond sales and marketing during his first year as a store manager.

A native of Blairsville, Pa., Jones resides at 1912 N. Wells with his wife Marsha and two children Tommy, four, and Johnny, 17 months.

THE BIG STORE CORONADO CENTER

SKELLY OFFICIALS INSPECT SERVICE UNIT — From the left, B. R. "Bud" Nunn, Skelly district manager; Chester Darnell, supt., Kingmill plant; C. W. "Moon" Mullins, supt., Schafer plant; C. E. "Punchy" Dehls, supt., Crawford plant and A. G. "Salty" Garrett supt., Watkins plant, check out the new mobile relief valve service unit just put into action by Lee-Tex Valve, Inc., Pampa. The men were among many inspecting the truck. Skelly has made no decision to use the service as yet.

ON-THE-SPOT TEST, SERVICE

Mobile Relief Valve Service Inaugurated

A mobile relief valve service designed to drastically cut "down" time has been inaugurated by Lee-Tex Valve, Inc., Pampa.

The unit, specially designed and built by Freuhaut, is equipped with an overhead crane, 13-inch lathe, nitrogen testing equipment, "lapping" equipment with black light inspection, 44-cubic foot per minute air compressor and impact tools.

With this set-up, the company is able to test safety valves up to 5,000 pounds per square inch, resetting or performing complete repairs on the spot. The entire valve service operation is state certified.

Thus the \$10-thousand unit is one of the first of its kind to offer the local petrochemical

industry short-notice valve testing and repair.

HOT SPRINGS, Ark. (AP) — In a will admitted to probate here, Charles W. Osborne leaves \$50,000 in U.S. Savings Bonds to the U.S. Treasury Department.

Osborne, who died last week, was buried Monday.

He had lived in a rooming house here for 12 years and neighbors knew little about his background. They said he lived frugally.

After his death, a fellow roomer, acting according to instructions Osborne had left, delivered a package to the FBI office.

Company Gives Two Pampans Service Awards

MIDLAND — F.N. King and A.G. Beuselink, Pampa, were among 11 employees of Cities Service Oil Company presented watches in recognition of 30 years service Thursday night.

The "distinguished service" awards were made by John E. Meyer, Tulsa, Cities Service vice president, natural gas liquids division, at a dinner for the honorees, their wives and company representatives from the Tulsa and Midland offices. Scene of the affair was the Midland Petroleum Club.

The 11 are among 94 company employees recognized this year for three decades of service.

Cost Breakthrough Only Shortage Cure

HOUTON, Tex. (AP) — An oil executive says there must be a major breakthrough in methods and cost if the industry is to find sufficient oil and gas to meet demand.

Wayne E. Glenn, president of the Western Hemisphere Petroleum division of Continental Oil Co., says such a breakthrough requires greater communication and greater cooperation among all segments of the industry.

Glenn suggests such cooperation range from a freer exchange of information to industry sponsored recruitment and training.

He added that the technical challenge in searching for new reserves will be formidable.

Glenn suggests the American Association of Oil Well Drilling Contractors and the American Petroleum Institute form a joint committee or task force to take

a fresh, new look at ways in which greater cooperation and communication can be brought about legally and logically.

"I include exploration, production and drilling personnel," he said. "The time is ripe."

Glenn is confident new domestic supplies will be discovered but believes demand for oil and gas is increasing so rapidly the nation must become more dependent on foreign sources.

Glenn said success in bringing forth substantial new supplies of oil and gas will be providing the lifeblood the nation will need to survive and prosper for the remainder of this century and beyond.

Five years ago, U.S. Air Force jets struck a main rail line linking Communist China and the North Vietnamese capital of Hanoi.

Petroleum Still \$36-Million-Plus Business In Gray County Economy

Petroleum production pumped \$36,564,976 into the economy of Gray County in 1970. Of this amount \$8,340,492 was annual payroll to 952 county residents directly employed by the oil and gas industry.

In addition, county economy received the stimulation from \$4,570,612 in royalty payments to landowners and others with mineral interests.

Gray is one of 187 Texas counties with petroleum production valued more than \$125,000 and ranks 42 among all oil production counties in value of petroleum produced. Some 7,752,370 barrels of crude were valued at \$25,982,821 while 75,220,242 cubic feet of natural gas were valued at \$10,982,155.

From this, state government reaped \$1,176,810 in production taxes on crude oil and \$823,662 on natural gas.

One carbon black plant, one petrochemical plant and seven natural-gasoline processing plants with 260-million cubic feet capacity daily contribute further to Gray County economy.

NEW YORK (AP) — The world Publishing Co. has signed a contract for the memoirs of Gen. Reinhard Gehlen, the former West German intelligence chief.

The contract, which became known Friday, gives the company world rights to the memoirs outside Germany for a reported \$500,000.

Give yourself ELECTRIC Heating

We'll give you an ELECTRIC Dishwasher

HEAT-N-CLEAN

In the Electric Climate...

■ Put clean electric heating in your single family residence and we'll give you an electric dishwasher to clean your dishes. You may choose either a built-in model or the convertible in your choice of colors — Dark Copper, Avocado, Harvest Gold, or White. We'll deliver it to your door and you take care of the installation as you see fit.

■ To qualify for this "most wanted" appliance, the dishwasher, you need only be a customer of Southwestern Public Service Company and put permanently installed, whole-house electric heating in your present or new home with installation beginning not later than December 1, 1971, when the offer expires.

■ Call us this week for complete information on the desirability of comfort electric heating. Don't miss out on the opportunity to receive an electric dishwasher free of extra cost!

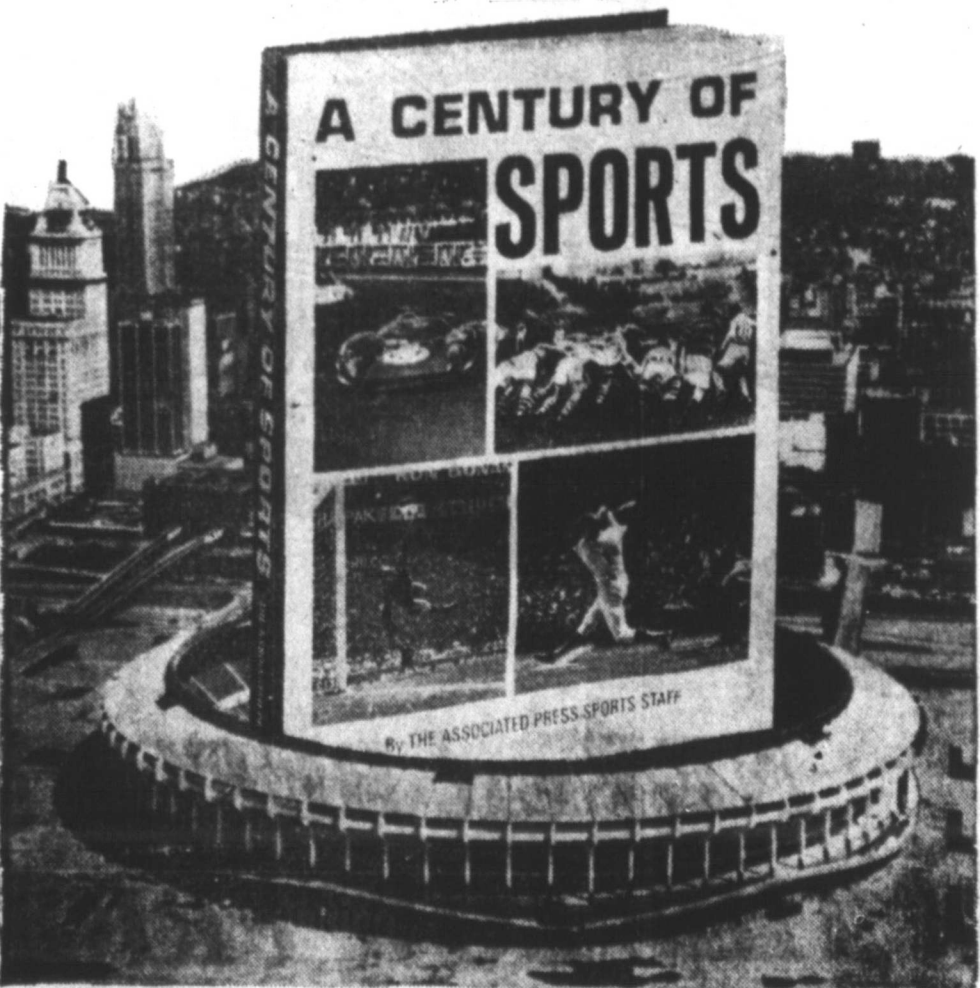

■ Enjoy clean living in the electric climate.

Call US...This Week!

P.S.
If you already have a dishwasher — don't despair. We have a substitute you'll like.

A Sports Book with Enough Thrills And Excitement to Fill a Stadium!

Only the sports staff of the Associated Press could deliver the quality and scope found in this one block-buster of a volume. More than 450 pages cover the origin and evolution of every major sport to its present time. Scores of photographs, many in color, help to illuminate the personalities and events that have graced the field of sports for the past one hundred years. This is a sports fan's dream, no matter what his favorite may be, it's a

ten-dollar book value, available to you now through this newspaper for the low, bargain price of \$5.95. Order one for

yourself and one for that special sports buff on top of your gift list. Just fill out the enclosed coupon and mail it today!

Agriculturally Speaking

By FOSTER WHALEY

My rain gauge shows we have received four and one-half inches of rain during the recent wet spell.

Some wheat was planted before the rain but most of it is to be planted yet. Irrigation wells are cut off and will be for some time to come. Most of the rain has been the ground-soaker type. It is the type rain it takes to rebuild badly needed subsoil moisture. It will finish out all the 1971 Milo crop. It will start grass next spring. The only way it could have been better was to receive half of the rain near the end of August and half now. Wheat pasture will be delayed since most of it is to be planted. For abundant wheat pasture for fall, wheat should be up by not later than September 15 to 20. Earlier is better, but, Mother Nature didn't see it this way.

While most farmers and farm organizations were aroused over the Federal regulations that had to do with truck driving, the State Legislature passed a lighting and brake law that will have a far more reaching effect. This new law is scheduled to go into effect on January 1, 1972. Practically every stock trailer, boat trailer, horse trailer, and various other types in the state will have to be re-worked completely. In many cases brakes will have to be added or the trailer abandoned if my interpretation of these regulations are correct. Here are only a few of the changes made by the new law. Up until 1971 only one tail light was required. Beginning with January 1, 1972 two will be required. They must be as widely spaced as possible and mounted fifteen to twenty-two inches high. If a license plate is required, there must be a white light mounted over the

plate, when head lights are used on the towing vehicle. This must be legible fifty feet from the rear.

There must be two rear-mounted red reflectors. If the vehicle is over eighty inches in width, there must be a one amber reflector mounted on each side to the front. There must be a red reflector mounted on each side near the rear.

STOP LIGHTS

There must be two activated with foot or service brake after January 1, 1972.

CLEARANCE LIGHTS

If vehicle is over eighty inches in width there must be one mounted on each side in front and one on each side at rear.

There are other lighting requirements that pertain to eighty-inch-wide trailers. There must be electric turn signals and flashing lights. Most of the standard fourteen foot or two-horse trailers are over eighty inches in width. So this will catch everybody.

No brakes required on any farm trailer if gross weight does not exceed 10,000 pounds but the speed of the vehicle must not exceed thirty miles per hour if the gross weight exceeds four thousand pounds.

It appears to me there's going to be a lot of squawking if this law is enforced. There is going to be a lot of money made in the lights, reflector, wiring, and brake business for some one over the state.

The Gray-Roberts County Farm Bureau Convention will be held Saturday, October 2, 1971 at 7:30 p.m. in the County Barn, Recreation Park. A barbecue will be served by the Pampa Shriners at a nominal fee. The Honorable Max Sherman, State Senator will be the speaker.

Panhandle Water

By FELIX W. RYALS

Ralph Nader, called by many a typical eastern seaboard parasite, released the summation of a "so-called" expert study on the California State Water Project during the last 10 days of August, 1971.

The members of the Water, Inc. tour group from Texas, Oklahoma, and New Mexico who were in California to study the California Water Project discovered that Nader had committed a colossal blunder in attacking the California Water Project.

The California water authorities did not have to defend themselves as all of the major newspapers of Los Angeles, San Francisco, Sacramento, Stockton, Fresno and other major cities literally tore young Nader apart. They published his attacks on their front pages in detail, and then riddled him on both the front and editorial pages.

Nader has been very successful in setting himself in another non-needed occupation. The nation just simply does not need another parasite organization living off the rest of the country. Nader's organization is making use of

the same gimmick as other parasite organizations of the eastern seaboard. These organizations have one cry: "Send money to us and we will save the country".

The Sacramento Union in its Monday, August 23, 1971 "Publishers' Corner" caption stated "Nader's Waders in Deep Water". We quote a portion of the column:

"It has become increasingly evident that 'Nader's Raiders,' never having built anything nor done anything constructive, actually are out to make nothing—except headlines.

"In their venture into this state, which is bigger than most nations of the world, they have truly gotten in over their heads. In fact perhaps there is now an appropriate new name for the group which might well be called:

"NADER'S WADERS — who, like little children not yet ready for the deep water, dip their toes and make a lot of noise. In their incredibly superficial 'report' they have demonstrated that they have gone in only up to the ankle in a subject which has proved to be too deep for better prepared and bigger men than they.

SEEKS MORE BEEF PER ACRE — Joe Franklin, left, discusses range management with Doug Sellers, range specialist with the Soil Conservation Service. Franklin plans a four-pasture planned grazing system soon.

Rotational Grazing Ups Beef Per Acre

Deferred rotational or planned grazing systems are becoming more important in the minds of ranchers according to Phil Richey, range conservationist with the Soil Conservation Service at Pampa. Planned grazing systems can greatly help to make a successful management program which is essential.

There are several ways to set up a grazing system. With two pastures and one herd involved, the cattle are rotated between pastures every four months. While one pasture is grazed four months the other pasture is rested the same period of time. This system is usually superior to yearlong grazing but is probably the least profitable of the three systems mentioned.

A three-pasture system using one herd is becoming quite popular. Where the one herd is rotated between three pastures so as to graze each pasture three months and rest it six months. Also, the grazing and rest period come at a different season each year. The beauty of this system is that in three years every pasture receives 24 months rest while running the same amount of cattle that the three pastures would run if they were stocked individually on a yearlong basis.

The four pasture system using three herds is probably the best of the systems but requires more fences and labor. The cattle are split into three herds and placed into three pastures leaving the fourth pasture vacant. The three stocked pastures are grazed four months and then the rested pasture receives a herd and another pasture is rested. Only one herd needs to be moved once every four months. Again, each pasture is rested at a different season each year. Each pasture is grazed 12 months and rest 4 months every 16 months.

There are several advantages. Increased net profits from \$110. \$118. per cow have been reported from ranchers and experiment stations. This is due to more utilization of less desirable grasses and increased stocking rates because of range improvement. A bigger calf

crop and heavier calves can be expected, resulting in more beef per acre.

A number of ranchers in Gray County have plans for grazing systems, adds Richey. Among these are Harvey Huggins, Bill Gething, Johnson Ranch, Creed Lamb, Joe Franklin and others. Anyone interested in more specific information on planning grazing systems should contact the Soil Conservation Service office, Gray County Courthouse Annex.

4-H Corner

The Jaycees conducted their livestock show Sept. 10 at the County Barns posting \$30 prize money, tickets to their carnival and ribbons for all contestants.

Eleven calves were shown at halter with Hank Jordan's Charlois-Angus cross steer winning the show. Reserve steer was the Charlois-Herford cross of Charlie Bowers.

October is close and that means time to pick up barrows for the January, February and March shows. Information is available at the office concerning various sales where pigs are available. We will be going to sales, too, to pick up pigs. Those planning show pigs should contact the office.

The county council met Sept. 11, at the Agriculture Annex to elect new officers. Selected were Doris Carlton, chairman; Joe Richardson, vice chairman for boys; Melinda Spearman, vice chairman for girls and Cindy Youngblood, secretary.

The district 4-H council elected officers Sept. 18, with Johnny Davis, Canadian, defeating Cindy Youngblood for post of chairman.

The district council booth was also constructed that Saturday. The adult leaders association will meet at 7:30 p.m. Tuesday at the courthouse annex. All adult leaders should be present for this session when some very important business will be discussed.

PAMPA, TEXAS / 65th YEAR / PAMPA DAILY NEWS / 3

Three County Field Research Demonstrations Begin Sept. 28

Results from field research demonstrations in Wheeler, Hall and Collingsworth counties will be presented at a series of meetings September 28-30. Night programs and daytime field tours will show results of work being done in the Northwest Texas Demonstration Program begun in 1956.

Activities will begin with a free barbecue at 7 p.m. on Sept. 28 in the Kelton School Gym. The program will concentrate on the results of demonstrations with Ermo Weeping Lovegrass. A question and answer period will conclude the program. Participants will include a rancher, an economist, a soil conservationist, a local rancher and Dwane L. Scott, a farm demonstration assistant for the program.

The emphasis the next day will be on Hall County and a variety of crop and fertility studies. Dryland and irrigated cotton, along with fertility projects and grain sorghum varieties, will highlight the program, scheduled for 9 a.m. at the county courthouse in Memphis.

Program speakers will include a range specialist, agronomist, entomologist, economist and a soil chemist. A lunch will be served.

The last part of the annual event is at Wellington, Sept. 30. A tour will begin at 9:30 a.m. at the county courthouse. Busses will take visitors to minimum tillage cotton plots where tests are being conducted in cooperation with the U.S.D.A. research station at Bushland. Wilt-tolerant cotton and the accompanying nematode problem will also come under discussion. Aphid-tolerant alfalfa and new grasses that are being tested for cold-hardiness and forage quality will round out the program. The tour is slated to end at noon with a free barbecue.

SAN QUENTIN, Calif. (AP) — Willard Arthur Winhoven, at 1 the oldest inhabitant of San Quentin's Death Row, died Friday after a heart attack, the prison reported.

He had been in and out of the prison hospital several times since 1968, officials said.

Winhoven was convicted of being the triggerman in the holdup of a bank messenger in Los Angeles on July 19, 1960. He was charged with killing one man and wounding four.

NEW YORK (AP) — Maria Vesica, a vice president of Airwick Industries, Inc., has been elected the first woman president of the International Executives Association, a 55-year-old world trade organization.

Her election was announced Friday by the association, which has five women among its 500 members.

Mrs. Vesica, who began her career in international business after World War II, has served as secretary of the association for the past seven years.

HARVESTERS DEMOLISH PERRYTON

FIGHTING TO THE GOAL LINE—Fighting to the goal line is junior halfback Richard McCampbell as Bill Harrell, number 40, and Steve Gobin, number 85, close in to make the stop in the Harvester Stadium Friday night. (Staff Photo)

Rangers Fall Before Fierce Pampa Attack

By RICKEY WRIGHT
Staff Writer

Romp a Ranger seemed to be the phrase used in the Harvesters vs the Perryton Rangers game Friday night, and that is what they did as Pampa held a 42-6 victory in the face of Perryton as the ending buzzer sounded.

Sophomore halfback Steve Mathis fought his way from their 22 yard line and was brought down about 6 inches from the goal line. Here Mathis was given the ball to try to finish what he had started. Perryton's defensive line was alert and stopped him with no gain. Next junior halfback Richard McCampbell tried his hand and found himself in the money as he put Pampa on the score board. The extra point kick was attempted also by McCampbell which was wide to the left, setting the tally at 6-0 for the first quarter.

The second time period held prizes for both teams as Richard McCampbell spotted triple option to change the score. The 34 yards on the conversion kick was attempted, this time by senior quarterback Dale Ammons. The conversion was good and the count was 13-0, which wasn't bound to stay that way long.

Perryton placed their only mark of the game as senior quarterback Tom Slaughter found senior safety end Steve Gobin in the open. The conversion was made and the Rangers had a 44 yard touchdown under their belt. The conversion was unsuccessful, making the score 13-6.

Steve Mathis showed his "stuff" as he made an average doing run. He broke several tackles and pulled one Ranger two yards before the Perryton player released his death grip on Mathis' jersey, this allowed "Super soph" his well earned touchdown from 59 yards out. Dale Ammons' extra points allowed Pampa team an easy rest at half time, knowing the tally was 20-6.

In the third period of play, senior halfback Johnny Roth broke his way from the 13 yard marker to the one foot line. There Roth, given the ball gutted it over to pay dirt. Richard McCampbell kicked the conversion, putting Perryton even further under the Harvesters wake of a score.

Lee, in the third quarter

senior fullback Darrell Nipp skipped over the goal from one yard out. The move on was made good by the steady foot of Richard McCampbell. The only touch down completed by either team in the fourth quarter was charged in by senior halfback Bob Owen after snagging a Rex Musgrave pass from a long 61 yards out. The extra point attempt was a little surprising to Perryton and Pampa fans. Mike Reddell walked the ball over the line from the holder position.

"We played a good ball game," said head coach Swede Lee. "We had some weak points, primarily the passing game, but this can be worked out."

When asked about outstanding play, Lee replied, "Outstanding, effort wise, would have to be the whole team. We coaches were proud of the effort this can be worked out."

"Some players that had extra special effort defensively were: Al Ferguson with 16 tackles and assists, Billy Lemons with 13 tackles and assists, Jessie Hunnicutt having 11 assists, Tibby Rogers with 11 assists, Terry Braddock having 9 tackles and assists, Ed Townsend with 9 assists, and Marc Hudson having 11 assists."

Coach Lee went on to say, "Boys who gave extra special effort offensively were Dale Ammons, who averaged 7.5 yards per carry and helped the backs get a good night. Steve Mathis, averaging 17 yards a carry, Richard McCampbell having 10.7 yards per carry average, and Johnny Roth with 6.5 yards per carry."

When asked why he started Rick Musgrave instead of Dale Ammons at quarterback, he replied, "This year we have two good quarterbacks and I felt Musgrave needed to play. There is a great advantage in having two quarterbacks. You can play one if the other is injured without any intense worry."

Coach Lee illustrated this advantage Friday night as Rick Musgrave resprained his ankle early in the game. He sent Ammons in to lead the Harvesters to several scores. Later, as Musgrave was feeling better he interchanged throughout the game.

"The field didn't get torn up too badly," added the Swede. "It should be ready for the Lawton game next Friday night."

Texas Rips Tech Open With Donnie Wigginton's Tactics

AUSTIN, Tex. (AP) — Tiny Donnie Wigginton, an obscure quarterback in his first starting role, maneuvered third ranked

Texas to a 28-0 Southwest Conference victory over Texas Tech Saturday before 77,639 fans—largest crowd in Southwest history.

The 5 foot 8 inch, 167 pounds Wigginton, a fifth year red shirt, stepped into the shoes of injured Eddie Phillips and scored touchdowns on runs of 11 and 6 yards.

While not flawless, Wigginton was effective and took the Longhorns on two other short touchdowns, drives climaxed by Johnny Callison's five-yard run and Don Burris' four-yard jaunt.

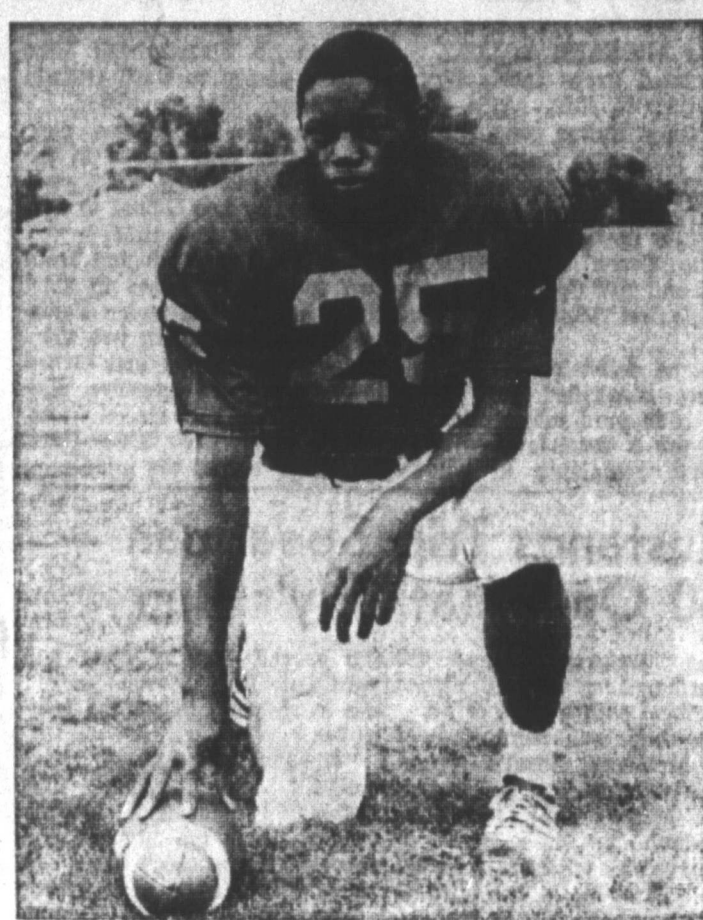

The salty Longhorn defense intercepted four Texas Tech passes and recovered two fumbles as Texas captured its 21st consecutive SWC victory.

Tech, which used quarterbacks Charles Napper, Jimmy Carmichael, and Joe Barnes in desperate attempt to get its offense untracked, drove to the Texas four-yard line in the fourth quarter for its deepest penetration.

The previous largest crowd for a college football game in the Southwest was 76,204 in the Cotton Bowl for the 1953 Texas Oklahoma game.

Phillips, who quarterbacked the Longhorns in their opening victory over UCLA last week, was suffering from a severe sprain in his right toe and did not play a down.

After a jittery start in which he fumbled the ball on Texas' first series, Wigginton winged the defending SWC champions 48 yards in two plays for a touchdown after a 20-yard punt by Tech Johnny Odom.

SUPER SOPH—Steve Mathis, playing his first year of High School football has made inroads into the Harvester strategy for the remainder of the season. Mathis was a decisive factor in this week's defeat of the Perryton Rangers, 42 to 6. (Staff Photo)

Arkansas Destroyed By Tulsa 21 To 20

FAYETTEVILLE, Ark. (AP) — Tulsa's Todd Starks threw three touchdown passes in the fourth quarter, the third one a 21-yarder to Larry Frey, as the underdog Hurricanes upset seventh ranked Arkansas 21-20.

The Razorbacks, a four touchdown favorite, led 20-0 in the first half and appeared to have the situation well in hand until Starks got a hot hand.

Tulsa had momentum on its side after Starks tossed a 23-yard scoring pass to Dave Stewart, and two minutes later hit Pearson for nine yards and another score. Starks completed 24 of 43 passes for 257 yards, all but 72 yards in the second half.

Tulsa drove 87 yards for its winning touchdown, Starks completed three big passes in the

live, two of them to Pearson for a total of 49 yards. Starks' 22 yard pass to tight end Jim Butler salvaged a third and 24 situation and Frey got the first down with a yard to spare at the Arkansas six.

After a major penalty, Starks lobbed the ball to Frey on a screen pass. Frey followed his blockers in to the end zone with 3:46 left in the game. Sam Henry kicked the deciding point.

The victory was Tulsa's first over Arkansas since 1957. Arkansas fullback Skipper DeBorde scored twice for the Razorbacks and quarterback Joe Ferguson threw a nine yard pass to Mark Hollingsworth for the other score. Randy Hawn sealed Arkansas' defeat when he intercepted a Ferguson pass on his knee at the Tulsa 15 with 1:15 left to play.

Auburn Shatters Tennessee, 10-9

KNOXVILLE, Tenn. (AP) — Pat Sullivan, shackled by a stubborn Tennessee defense most of the game, drove Auburn 86 yards in the final six minutes Saturday as the fourth-ranked Tigers defeated ninth-ranked Tennessee 10-9 in a regionally televised Southeastern Conference football game.

Sullivan, a Heisman Trophy contender, hit on four straight passes in the drive, covering 75 yards to set up Harry Unger's 5-yard touchdown run with 2:44 left in the game.

Gardner Jett, who kicked a 28-yard field goal in the second period, then added the game-winning extra point.

Trotline Tag Law Not Confusing

AUSTIN — A new regulation requiring trotlines placed in public waters to be tagged with the name and address of the owner and the date the line was placed in the water need not be confusing, according to Leo Lewis, fisheries staff assistant for the Texas Parks and Wildlife Department.

Many fishermen use an aluminum or brass plate steel die stamped with the necessary information. They work well except for having to stamp out new ones if the line is taken from the water and later set again.

One of the best markers for temporary or permanent use is a white piece of plastic cut from a laundry bleach bottle and marked with a laundry marking pen. The plastic is as durable as the line itself and the ink stands up to the salinity of the water very well.

Wildcat's Claw Felt By Follett Panthers

The Canadian Wildcats continued in their winning ways by downing the Follett Panthers 41 to 12 in a Friday game.

The Wildcats gained 395 yards in their offensive battle against the Follett team behind the running of Steve Carter.

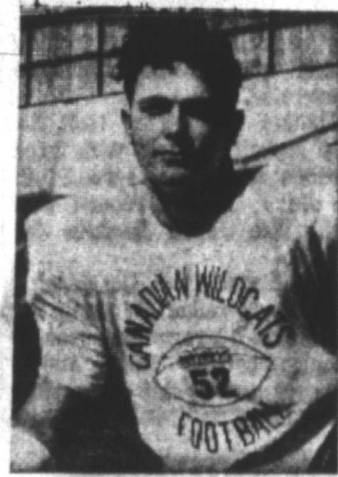

According to head coach, Jack Hawthorne, "There was no passing by either team due to the wet conditions on the field. We are hurting after looking at the films Saturday morning as the Panthers gained 271 yards against us."

"We had a major setback on our injury list this morning as Jerry Don Davis is down with an injured ankle and knee. We still don't know how long it will be before he will recover as the doctor hasn't finished with him."

Davis was a starting tackle and guard for the Wildcats.

When questioned about outstanding players during Friday's game, coach Hawthorne said, "We have about three that should be given special honors. They are:

"Archie Trimble with 141 yards rushing and two touchdowns. One of his TD rambles was for three yards and the other for eleven.

STEVE CARTER

"Steve Carter had 161 yards against Follett and scored two TD's on a 5 yard carry and on a 65 yard trap play through the middle of the Follett defense. Carter also had a two point conversion to his credit and an extra point kick for a total of 17 points."

"Larry Booker came through with 72 yards rushing and a four yard TD effort."

"Along with Booker," Hawthorne continued, "was Keith Popham who scored on a two yard quarterback sneak on a fourth and two situation."

PAMPA DAILY NEW 7 PAMPA, TEXAS 65th YEAR Sunday, September 26, 1971

Nebraska Raps A&M 34 To 7 In Omaha

LINCOLN, Neb. (AP) — Nebraska drew on the "big play" yesterday, including touchdown runs of 98 and 95 yards, as the top-ranked Cornhuskers rolled to a 34-7 intercollegiate football victory over the unranked Aggies of Texas A&M.

Shifty Johnny Rodgers returned the second half kickoff 98 yards for the day's third Husker touchdown and defensive safety Bill Kosch returned an intercepted pass 95 yards in the fourth period.

Texas A & M countered with a dazzler of its own on Hugh McElroy's 94-yard kickoff return in the game's closing minutes.

The game ran to 22 the Nebraska string of games without defeat and left A & M with a 1-2 mark for the season.

A 67-yard sideline run by junior fullback Bill Olds put Nebraska on the scoreboard first in

the closing seconds of the first quarter.

A one-yard sneak by Jerry Tagge boosted Nebraska's lead to 13-0 at the intermission.

Rodgers, after his long distance kickoff runback, scored again in the same third quarter on a 32-yard pass from Tagge.

Nebraska fumbles in the early going and a stiff Aggie defense helped keep the Huskers in check but A & M was unable to get its offense in gear into the late stages, after sophomore quarterback Mark Green had taken over for an injured Lex James.

A sparkling 51-yard punt return by Hugh McElroy put A & M on Nebraska's 14 late in the first half but a fumble two plays later nullified that threat.

Again late in the game, the Aggies reached Nebraska's 10 but Kosch's pass interception and 95-yard run squelched that threat.

White Deer Bucks Victorious

Hudgins Leads Team

By STEVE BOHLANDER
Sports Editor

On wet, cold, muddy ground the White Deer Bucks caged the Panhandle Panthers 39 to nothing Friday night in White Deer.

The Bucks were led in their attack by Pat Hudgins who drew first blood in the game with a 57 yard pass play from quarterback Rick Hoskins.

Hoskins kicked the extra point giving the Bucks a 7-0 lead early in the first quarter.

The Bucks never seemed to slow down or show mercy against the luckless Panthers in the 39-0 slaughter as the backfield efforts of Kim Slagle, Jerry Urbanyck, Hoskins and Hudgins kept the Panthers shell shocked.

Playing in a light mist the Panthers seemed to have problems with their ball control as they only managed to gain 59 yards against the state rated White Deer team.

Listed in the latest polls as number four in state the Bucks proved why to all doubters in their defeat of the Panthers.

According to coach J.T. Hill, "We don't look as good as I had hoped we would but when you consider the weather and

playing conditions I guess we played a good game."

"Trantham was out most of the game because he has been complaining of a sore throat and cold. He should be ready for McLean this coming Friday."

"This is the best team we have had in years," according to Hill, "as we already look and play 100 per cent better than we were last year at the same time."

"Our injury list is empty except for the usual amount of minor aches and pains with a few players suffering bruises. Other than that we are in good physical and mental condition."

The Bucks jumped ahead 19 to nothing at half time with Terry Sargent scoring on a 12 yard end around run and another Hudgins-Hoskins combination in the second quarter.

The third quarter found Panhandle giving the Bucks a rough time limiting them to one touchdown by Kim Slagle on a 38 yard pass play by Hoskins. The score at the end of the third quarter of play was White Deer 26, Panhandle nothing.

The icing on the cake fell in

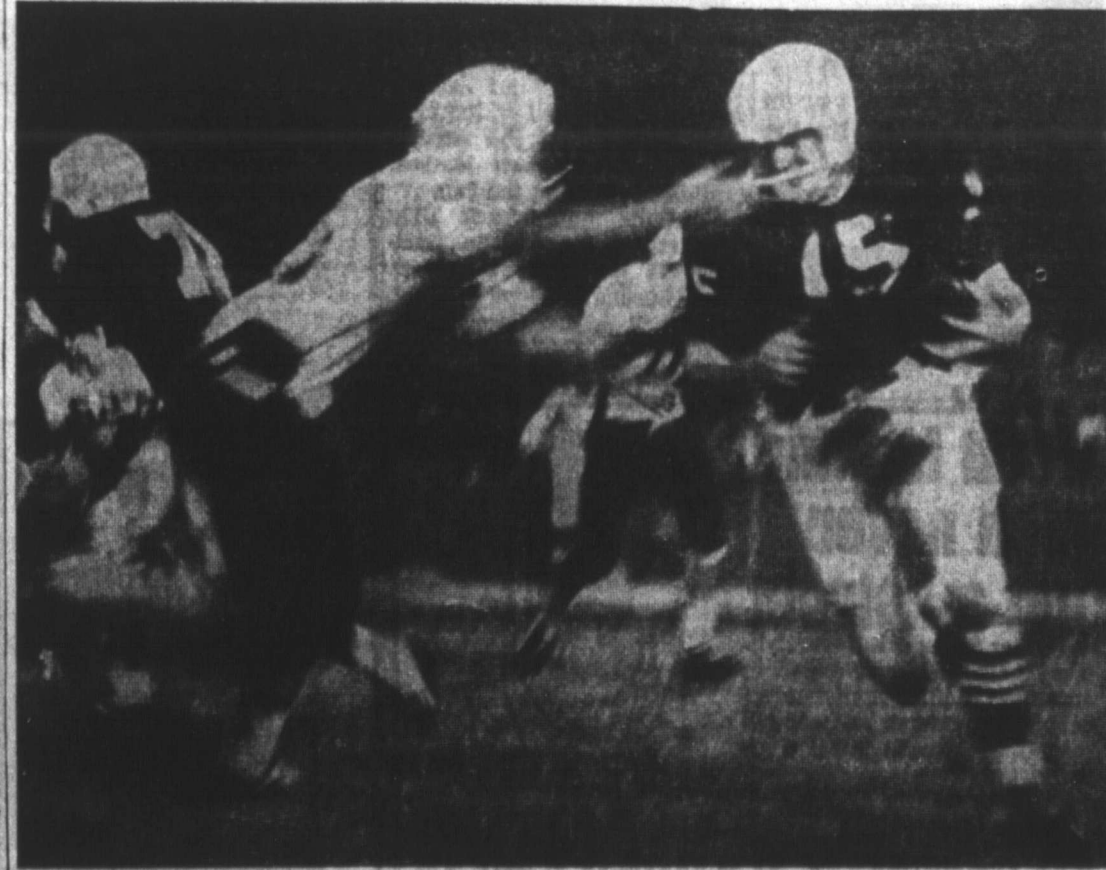

the fourth quarter as the Bucks jumped to an early TD on a 3 yard touchdown dive by Jerry Urbanyck.

came on a Panhandle drive

The final TD of the game deep into White Deer territory only to end with fleet footed Hudgins picking off the Panther pass and a return of 95 yards

for the Bucks third win of the season.

Tulane Swept Under By Baylor Owls 14 To 11

By MICHAEL A. LUTZ
Associated Press Sports Writer
HOUSTON, Tex. (AP)—Tight end Gary Butler caught a 48-yard touchdown pass and Gilbert King set up another with a 15-yard punt return to lead Rice to a 14-11 upset victory over the Tulane Green Wave Saturday night and give Coach Bill Peterson his first victory over Owl head coach.

Mustangs Trip Spearman 7-0 On Weatherly's Run

The Mustangs bucked the Spearman Linx as they slipped past them with a score of 7-0. The ball was dominated by the Mustangs though Spearman's defense and the muddy field bogged the scoring of Wheeler.

Tide Floods In Florida, 28-0

CAINEVILLE, Fla. (AP)—Johnny Musso slammed for four touchdowns Saturday as Alabama pulverized Florida 28-0 to elevate Paul "Bear" Bryant to the fifth winningest coach in history.

The eighth-ranked Tide converted two interceptions and a Florida fumble into three quick Musso scores and a crowd of 61,832 sat stunned as Alabama rolled up a 24-0 halftime cushion.

The relentless Tide drove 69 yards with the second half kickoff and Musso sailed in again from the five to make it 31-0. Musso finished with 96 yards in 26 carries.

Alabama 10 14 7 7—38
Florida 0 0 0 0—0

Orioles Top Cleveland

CLEVELAND (AP)—Tom Shopy's third hit of the game drove in Chico Salmon with the winning run in the 11th inning as the Baltimore Orioles topped the Cleveland Indians 6-4 Saturday.

Salmon reached on an error, moved up on a wild pitch and scored on Shopy's hit. Then Merv Rettenmund's third hit scored Shopy.

The Orioles rallied to tie the score with three runs in the fifth inning. Shopy doubled one home and the other two scored on Rettenmund's single. Singles by Shopy, Rettenmund and Ellie Hendricks gave the Orioles their first run in the fourth.

Hague Belts Two For Cardinal Win

ST. LOUIS (AP)—Joe Hague belted a two-out, two-run triple in the sixth inning, leading the St. Louis Cardinals to an 8-6 victory over the Montreal Expos Saturday.

Hague's game-winning hit followed singles by Matty Alou and Ted Sizemore off Montreal's Jim Britton.

The Cardinals got to Carl Morton for three runs in the first, highlighted by Sizemore's run-scoring triple.

John Strohmayr was nailed for two unearned Cardinal runs in the third.

The Expos' Edwin Sosa Jerry Reuss in the fifth on a two-run homer by Stan Swanson and singles by Ron Woods, Rusty Staub and Bob Bailey.

Notre Dame Over Purdue, 8 To 7

LAFAYETTE, Ind. (AP)—Second-ranked Notre Dame gambled for a 2-point conversion after turning a fumble into its only touchdown with 2:58 left in the game as the Irish slipped by Purdue, 8-7, in a steady rain here Saturday.

The Irish, desperately fighting to get onto the scoreboard, saw what appeared to be their last hope die with 4:58 left when quarterback Pat Steenberg fumbled a center snap at the 18-yard line and Boilermaker safety Chuck Piebes recovered.

the margin. Quarterback Mike Walker passed to Basil Godwin for the two point conversion.

Defense-minded Tulane picked off two Rice passes in the first half and used a 23 yard field goal by Lee Gibson to take a 3-0 lead at half time.

But the Owls, stinging from two consecutive losses to start their first season under Peterson, caught fire with two third quarter touchdowns and turned in some stellar defensive play in holding back the Green Wave.

Rice quarterback Bruce Gadd hit Butler across the middle on

the second quarter from one yard out. Dale Stevens kicked the extra point to set the tally at 7-0.

"Wheeler had several good drives," said coach Jim Bateman "In the first quarter we got inside the 10 yard line several times but failed to score. They have a good team."

Outstanding players pointed out by coach Bateman were Ronnie Hills defensive end "who made several big plays," Dale Stevens halfback also "did some good running for the Mustangs."

Next week Wheeler will face Groom on Groom soil Friday night at 8 p.m.

"They've got a good club said Coach Bateman. "They always pose a problem, especially when they are on their field."

Colorado Busts

Ohio State, 20-14

SPTS P8 COLORADO 1-18-2 COLUMBUS, Ohio (AP)—Cliff Branch returned a punt 69 yards for a touchdown and 10th-ranked Colorado stopped No. 6 Ohio State three times inside the 10-yard line Saturday to hand the Buckeyes a 20-14 college football defeat.

The Buffaloes' victory, the Big Eight's 17th straight over No. 6 Ten teams, snapped a 19-game home winning streak for the Buckeyes.

Ken Johnson, whose quarterback options baffled Ohio State all afternoon, dashed 6 and the 39 yards for touchdowns as Colorado reeled off its third successive victory.

UCLA Dumboed By Michigan, 38-0, In Ann Arbor

ANN ARBOR, Mich. (AP)—Fourth ranked Michigan jumped to a 17-0 first quarter lead and Tom Darden returned an interception 92 yards for a touchdown in the final period as the Wolverines romped to a 38-0 college football victory over UCLA Saturday.

Darden's sprint came after a scoreless third quarter.

The Wolverines quick lead came as they took advantage of several Bruin mistakes.

Running backs Fritz Seyferth and Ed Shuttlesworth scored touchdowns on one-yard plunges in a three-minute span and two minutes after Shuttlesworth's score, Dana Coin booted a 31-yard field goal.

Dallas Golfer Takes Lead In PGA Meet

FORT WORTH (AP)—Dallas tour veteran Jacky Cupit will be after his fourth straight Northern Texas Section PGA golf championship here in the annual 72-hole tournament starting Thursday at Diamond Oaks Country Club.

Cupit's path will be barred by such tour performers as Gay Brewer, Miller Barber, Bruce Campton, Bill Garrett, Roy Pace and Don January.

This year's \$10,000 sectional championship again will pay \$1,300 to the winner. Cupit has won the title all three years the Northern Texas Section has operated after a division of the old Texas section. Ross Collins of Dallas Athletic Club Country Club was second last year.

A pro-am will launch the week's activity Tuesday. Official practice rounds will be played Wednesday with the 72-hole medal start starting Thursday and ending Sunday.

the first series in the third quarter and the husky tight end bounced off one defender and scooted to the end zone for a 7-3 Rice lead.

Moments later King returned a Tulane punt 35 yards to the Green Wave 25. A 13 yard penalty against Tulane gave the Owls a first down on the 12 yard line.

On the fifth play fullback Stahle Vincent, who led all rushers with 159 yards on 28 carries, leaped over the middle two yards for the touchdown. The Green Wave's famed Bullard's Bandits intercepted four Rice passes but only Hebert's field length run aided the Green Wave.

REL Teams Split Wins

Robert E. Lee ninth grade rebels and the eighth grade Wolverines played a game this last week. The Rebels slipped past the Stanton Junior High ninth with a score of 12-0, but the Wolverines lost by a slim margin of two points as Borger South popped out a score of 8-6.

The scorers for the Rebels were Chuck Quarles as he took the kick-off at the very first of the game for a 75-yard touchdown. No other scoring was made in the first or second periods of play.

"We played pretty well considering the muddy condition of the playing field," commented Coach Dennis Pasley.

Next week the Rebels will have an open date with no game scheduled.

Colorado Busts

Miami Scalps Lobos In Eight Man Game

The Miami Warriors set the Yarbrough Lobos to howling as they scalped them with a 46-14 victory for Miami.

The warriors dominated the ball with 332 total yards rushing and 168 yards passing.

Outstanding Warriors chosen by the coaching staff were Jim McCuistion offensive guard, Joe Bill Seuhls halfback, and David Faulkner quarterback.

"Jim did a fine job of blocking," said head coach Harold McCreasy, "as did Joe Bill Seuhls scoring three touchdowns for us. David Faulkner had a good night both offensively and defensively. Offensively he threw a couple of fine passes for touchdowns."

"We mixed it up quite a bit, playing both the first and second team through out the game," added coach McCreasy. "In fact the two touchdowns Yarbrough made, they scored them against our second team."

Craig Baily was the first to score as he received a toss from David Faulkner in the first quarter from 3 yards out. The two point conversion was hammered in by Joe Bill Seuhls.

The next TD was also scored in the first period of play by Craig Baily from six yards out and the extra point attempt was unsuccessful.

David Falkner connected with Timmy Fatheree for a 5 yard pass for another TD. Once again the extra point attempt

failed. The tally read 20-0 at the end of the first quarter.

The Faulkner-Fatheree combination came through again as the conversion failed.

Miami scored once again as quarterback David Faulkner keeps the ball and scoots in from five yards out. The conversion failed.

Yarbrough finally got on the board with a 50 yard run with one second left in the half. Tyler Sinning missed the extra point for the Lobos and the half ended.

The third quarter showed Yarbrough with another touchdown as J.R. Fosdick took over a pass from the 20 yard line. The Lobos made the extra point conversion run successful making their score 14, which is how it remained.

Lefors Downs Turkey Turks

Playing on home grounds the Lefors Pirates had smooth sailing in defeating the Turkey Turks 20 to nothing Friday night.

The Pirates were led in their efforts by Mike Robbins and David White. Robbins scoring on two TD plunges of one yard and 20 yards was assisted in the victory on a two yard victory leap by White.

Lefors jumped to an early lead in the first quarter only to bog down until the final period. Then Robbins and White added 14 points to the Pirate tally.

SCORE BY QUARTERS
Lefors 6 0 14—20
Turkey 0 0 0—0

SMU Shattered By Missouri's 24 To 12 Win

COLUMBIA, Mo. (AP)—Chuck Roper fired two touchdowns and passes and the Missouri defense made a shambles of Southern Methodist's flying wishbone Saturday as the Tigers scored a 24-12 decision over the Mustangs of the Southwest Conference for their first victory of this football season.

The Big Eight Conference team now is 1-2. SMU is 0-2.

Roper flipped a 20-yard pass to John Kelsey for the first touchdown on Missouri's initial play from scrimmage and found Charles McMurtry with a 27-yarder for six more points in the third quarter.

A 34-yard pass from Roper to Otto Nichols put the ball on the SMU one earlier in the third period, and Don Johnson piled over the middle for the touchdown. Greg Hill converted three times and connected on a 20-yard field goal.

The Tigers led at the half, 10-6.

SMU, which had been unable to make any concentrated offensive assault, finally got a break in the dwindling first half when Louis Scott returned a punt 38 yards to the Missouri 19. After a Missouri holding penalty put the ball on the four, Alvin Maxson got the remaining distance in two slashes, crashing over from the two.

Substitute quarterback Billy Weatherford moved the Mustangs 65 yards on two pass down, hurling a 14-yard payoff strike to T. J. Hutchinson in the third quarter. SMU was held to a minus eight yards rushing.

Pros Have Tough Tests For Rookie Quarterbacks

By ED SCHUYLER JR.
Associated Press Sports Writer
Quarterbacks Jim Plunkett and Archie Manning, who went to the head of the rookie class in their pro debuts, are in for tough tests again Sunday in the National Football League.

Plunkett and the New England Patriots will play hosts to the Detroit Lions who are coming off a tough loss to Minnesota.

Manning and the New Orleans Saints will be at home against the San Francisco 49ers who are coming off an upset loss to Atlanta.

Plunkett, the Heisman Trophy winner from Stanford who threw two touchdowns last Sunday in 20-6 upset of Oakland, will need good protection again to pull the Patriots past the defensively tough Lions. New England's pass protection was so good against Oakland that he was not once thrown for a loss.

Detroit will be looking to get its offense in gear and might get some help from the New England secondary where there will be two new safeties—Rickie Harris and Tom Janik for injured Clarence Scott and Don Webb. The Lions went scoreless in the second half of their 16-13 defeat by Minnesota.

Manning, who passed for one touchdown and scored from one yard away on the final play in 24-20 defeat of defensive-minded Los Angeles, again will be facing a good defensive club in San Francisco.

On the other hand, the 49ers will be counting on a sharper performance from quarterback John Brodie who threw four interceptions in a 20-17 loss to Atlanta.

In other Sunday games Cleveland is at Baltimore, Chicago Minnesota, Washington at the New York Giants, Oakland at San Diego, Cincinnati at Pittsburgh, Atlanta at Los Angeles, Dallas at Philadelphia, Miami at Buffalo, Denver vs. Green Bay at Milwaukee and Kansas City at Houston.

The New York Jets are at St. Louis Monday night in a nationally televised game, ABC, 9 p.m., EDT, Norm Bulaich, who rushed for a club record 198 yards in the 22-0 victory over

the Jets, is expected to play for Baltimore despite an ankle injury. Cleveland will again count on Leroy Kelly's running to complement Bill Nelsen's passing.

Chicago will need a much better offense than it displayed in edging Pittsburgh 17-15 if it is to hold its own against the Vikings who began rolling behind quarterback Gary Cuozzo in second half against Detroit. Gale Sayers is expected to be at running back for Chicago.

The Giants, who needed lots of breaks to outlast Green Bay 42-40, will be trying for a consistent offense against Washington which intercepted four passes and recovered three fumbles in beating St. Louis 24-17.

San Diego should have momentum for Oakland after coming back in the second half last week to beat Kansas City 21-14. The Chargers also will count on the passing of John Hadl while Oakland will need a good performance from quarterback Daryle Lamonica.

Cincinnati might need another top passing performance from Virgil Carter against Pittsburgh which held Chicago in check. The Steelers must correct the mistakes which cost them against the Bears.

Atlanta will at least have incentive against Los Angeles. The Falcons' best showing

against the Rams in 10 meetings has been a 10-10 tie. Rams quarterback Roman Gabriel will be playing with banged-up ribs.

The Philadelphia defense which suffered in a 37-14 loss to Cincinnati figures to have a long afternoon against Dallas which scored 49 points against Buffalo. The Dallas defense also figures to improve after yielding a surprising 37 points to Buffalo.

Miami will have to get its offense, sparked by Bob Griese's passing and the running of Larry Czonka and Jim Kiick, going against Buffalo and will have to stop the passing of the Bills' Dennis Shaw who hit for 353 yards against Dallas.

Don Horn, who passed for a Denver touchdown in 10-10 tie with Miami, should be keyed up against his old Green Bay mates. The Packers will have to hold on to the ball, something they had trouble doing against the Giants.

Len Dawson, shut out on touchdown passes against San Diego, should welcome Houston's pass defense which was poor in a 31-0 loss to Cleveland. The Oilers offense wasn't much better.

Another team looking for an offense will be the Jets. St. Louis is still trying to decide whether Jim Hart or Pete Beathard is the No. 1 quarterback.

Tough Washington Huskies Dehorn TCU 'Frogs', 44-26

SEATTLE (AP)—In a game that saw scoring kickoff returns of 99 and 94 yards in the first 28 seconds of the second half, Washington's Huskies prevailed for a 44-26 victory Saturday in an intercollegiate football match with Texas Christian University.

Flanker Jim Krieg took the TCU kickoff 99 yards with three seconds gone in the second half to set a school record and make the score Huskies 26, TCU 6.

Fred Touncey took the ensuing Washington kickoff 94 yards for the Horned Frogs and Ronnie Peoples caught Steve Judy's pass for a two-point conversion.

Quarterback Sonny Sixkiller, Krieg and defensive back Bill Cahill were standouts for the victors. Krieg also caught a 44-yard pass from Sixkiller for another Washington touchdown. A 51-yard Sixkiller to Tom Scott pass set up the final Husky score. Cahill had punt returns of 24, 52 and 46 yards—the latter scoring a touchdown nullified by a penalty.

Judy broke the TCU career pass completion record of 270, which was held by Sammy Baugh, early in the fourth quarter when he hit Touncey for seven yards.

Stauback Will Start In Cowboy Vs. Eagles Game

PHILADELPHIA (AP)—The new-look Philadelphia Eagles try to shake off the sting of defeat in a brand-new stadium Sunday when they meet a Dallas team that has beaten them the last seven times.

"We hope we'll do better," says Coach Jerry Williams. "It's a statement that could cover several situations—better than the 37-14 shellacking by

Cincinnati in last week's National Football League opener and, perhaps, better enough to end the string of losses to the Cowboys that began in 1967.

"Will you win?" Williams was asked.

"We don't answer questions like that," the coach replied, a little testily.

"Do you plan any surprises for Dallas?"

"We don't answer questions like that either."

A sellout crowd of 65,358 will be on hand in the new \$50 million Veterans Stadium, including a record 59,000 season-ticket holders who hope a 4-2 exhibition mark is a harbinger of improvement over last year's 3-10-1 finish.

Georgia Plows Clemson Tigers 28 to 0 With Second Half Spurt

CLEMSON, S.C. (AP)—Proud Georgia, its offense sputtering early in the game, flashed to life in the second half Saturday to plow under the Clemson Tigers 28-0.

The Bulldogs, the nation's 14th ranked football team, managed only three first downs in the first half and got their only score when sophomore Don Golden intercepted a Clemson pass and raced 71 yards to the end zone.

In the second half, near-perfect punting by Georgia's Jimmy Shiner gave the Bulldogs the field position they needed to set up two third-quarter touchdowns.

Shiner gave Clemson the ball at the Tigers one-yard line early in the third period but a poor Clemson punt returned it to Georgia at the Clemson 32. Four plays later quarterback Andy Johnson scored from the one.

Oilers-Chiefs Tangle In Astrodome Today

HOUSTON, Tex. (AP)—The Houston Oilers and Kansas City Chiefs, both derailed in their season openers last week, tangle in the Astrodome Sunday in the regular season home debut for new Oiler head coach Ed Hughes.

The Oilers were completely throttled by Cleveland 31-0 after Hughes had said the Oilers would win the American Conference Central Division title.

Coach Hank Stram's Chiefs bowed in the second half for a 21-14 loss to San Diego after leading in the first half.

Hughes said his prediction had nothing to do with the big loss. "We didn't underestimate them," Hughes said. "I can't explain what happened. We were just flat. Would you like me to tell them they're going to finish fourth?"

Hughes said he would start his veteran quarterback Charley Johnson. Johnson hit nine of 19 passes against the Browns and was replaced in the second half by Rookie Lyn Dickey, who hit eight of 20.

Dan Pastorini, the Oilers other prize rookie quarterback, will be in charge of punting, since Hughes waived last year's punter, Spike Jones.

Quarterback Len Dawson will be directing Stram's multiple offense and he'll have help from former University of Houston star Warren McVea and Ed Podolak, who scored once each against the Chargers.

Jerry Strum, an 11-year veteran, will replace Walt Suggs at center for the Oilers. Suggs went out with a knee injury last week.

Hughes said his reason for pulling Johnson against the Browns was a matter of age. "We were behind and having to pass," Hughes said. "Dickey is younger and I felt he might be able to side step the rush better."

Hughes also will look for a better pass rush, which had shown signs of life during the pre-season, was flat against the Browns.

Kickoff is at 2 p.m. EDT.

Sen. Fred Harris Announces Candidacy For Nomination

WASHINGTON (AP) — Sen. Fred R. Harris of Oklahoma announced Friday his candidacy for the Democratic presidential nomination, saying he will "try to turn this country around before it's too late."

"I've served in the Senate for seven years and I haven't had the kind of impact on the country that I'd like to have," Harris, 40, told a news conference.

His wife, LaDonna, and their three children were with him as he announced formally the candidacy that has been obvious for two months.

At this stage, only one other Democrat has formally announced for the presidential nomination, Sen. George McGovern of South Dakota. He and Harris both are liberals.

Harris said the early presidential primaries, particularly the March 14 Florida one, will

be crucial to his candidacy. He conceded that if he doesn't do well in the early season balloting, fund-raising will become a problem.

He said he doesn't know how much the campaign will cost but now has enough money in his campaign treasury to get started. "We can see our way into the first primary or so," Harris said.

Harris, a former Democratic national chairman, said he does not know which primary elections he will enter, but is not now ruling out any of the 26 states on the 1972 primary calendar.

"I don't know about New Hampshire yet," he said. "My present thought is that I might not go into New Hampshire."

Annual Round-Up For WTRC Center To Open Monday

ABILENE—Monday, Sept. 27, is a red-letter day for patients of the West Texas Rehabilitation Center in Abilene and for ranchers and stockmen from all over the state. It marks the date of the 12th annual Cattlemen's Round-up for Crippled Children.

The cattle sale will begin at 1 p.m. at Ranchers' and Farmers' Livestock Auction on East Highway 80 in Abilene.

The Round-up, founded by the late Conda Wylie of Old Fort Chadbourne, is the financial lifeblood of the Center. Mr. Wylie, a pioneer in Angus-Charolais cross-breeding, began the Round-up with a gift of some 30 head of Angus, given to WTRC executive director Shelley Smith with the instructions, "see if you can use these to help the Center."

'Diary Of Adam And Eve' Show To Be Staged At Robert Lee Oct. 4

"Today I named the flyers, crawlers, swimmers, growlers and hoppers. Further note: There are creatures here of every conceivable kind, but I, Adam, am the sole and single man."

But then there was Eve, and that's when the trouble started. Mark Twain's special genius was his infectious humor—a humor that came from his penetrating insights into the foibles and follies of human nature. He turns on this unique talent full force in "The Diary of Adam and Eve" as he

Hospital Clergyman

DALLAS (AP) — The Rev. Herman Cook, the new chaplain at Parkland Memorial Hospital, says that a clergyman at a hospital is like a barber at Army boot camp.

"You've got an awful lot to work with. And you really get to know human nature under crisis," he said.

Part of his job is consoling relatives of victims, or becoming a "mourning partner." He got a quick initiation for his work during his first Saturday night "on call."

"We must have had 10 DOA's (dead on arrival cases)," he said. "The worst was a wreck with three young men killed."

examines his first encounter with woman.

Pampa residents will have the opportunity of watching the nation's most active repertory theatre group in performance when the Alpha-Omega Players present "The Diary of Adam and Eve," adapted from the short story by Mark Twain, on October 4 at Lee auditorium.

The play is being sponsored by the theater division of the Pampa Fine Arts Association.

The Alpha-Omega Players is a young company, established in the summer of 1967. In the past three years, they have staged some 1,500 performances for large and small groups in churches, schools, and military bases, covering over 400,000 miles in their travels to 45 of the 50 states.

This fully staged production, with music by the composers of "Fiddler on the Roof," was first presented on Broadway in 1966, with Barbara Harris, Alan Alda, and Larry Blyden in the leading roles. The talented young actors of the Alpha-Omega players intersperse laughter with moments of reflection, joy with sadness, respect with satire in this evening designed for the entire family.

Ticket information may be obtained from Mrs. Jack Miller at 665-5148, Mrs. Calvin Lacy at 665-1951 or 669-2009.

ADAM AND EVE — Shown are two members of the Alpha-Omega Players, a touring repertory company, as they appear in Mark Twain's "The Diary of Adam and Eve," to be presented in Pampa Oct. 4, in the auditorium of Robert E. Lee Junior High School. Sponsoring group is Pampa's Fine Arts Association.

Expensive Trip

PARIS (AP) — Passenger trains are still very much alive in France, and so are those luxurious private railways cars seen today mostly in old western movies.

Straight Dope

LEONARDTOWN, Md. (AP) — Neil P. Myerberg, an assistant state's attorney in St. Mary's County, has been fired for telling a newspaperman he favored legalization of marijuana.

A Long Phase Out

AUCKLAND, New Zealand (AP)—New life has been put in to the coffin-making industry here. The Australian duty of 20 per cent on import of New Zealand coffins is to be phased out in eight years.

Sunday, September 26, 1971

Debra Sue Elms, Tommy Jack Davis Repeat Vows During Home Service

Miss Debra Sue Elms of Franklin, La., recently of Pampa, and Tommy Jack Davis of Pampa, were united in marriage at 7:30 p.m. Sept. 3, in the Martin Rhodes home in Amarillo.

The bride is the daughter of Mr. and Mrs. Donald F. Elms of Franklin, La., former Pampans. The bridegroom is the son of Mr. and Mrs. Thomas J. Davis, 1514 N. Faulkner.

Rev. C.E. McDowell, grandfather of the bride, officiated for the single-ring service. Decorations for the ceremony included arrangements of pink roses and pink candles.

THE BRIDE

Given in marriage by her father, the bride wore a street-length gown of white crepe and lace. The empire bodice of imported lace was styled with a Victorian neckline and short lace sleeves. The gown was made by the bride's mother.

Her three-quarter length veil of illusion fell from a petal tiara embroidered with pearls. She carried a bouquet of pink roses and baby's breath, with long streamers tied in love knots.

ATTENDANTS

Mrs. Clessie Cates of Pampa served as matron of honor. She wore a pink linen dress, styled with an empire waistline, with the neckline and sleeves trimmed with lace. Her bouquet was of long-stemmed pink roses and baby's breath.

Miss Daphne Elms, sister of the bride, was ringbearer. Greg Davis, brother of the bridegroom, served as best man.

RECEPTION

For the reception that followed the ceremony, the serving table was centered with the bride's bouquet. The four-tiered wedding cake was of Amarillo served the cake.

MRS. TOMMY JACK DAVIS
... nee Debra Sue Elms

Guests were registered by Miss Glenna Hudgins of Pampa separated by swans.

bowl, and Miss Sharon Bruce Sherry Rhodese of Amarillo. For the wedding trip, the bride wore a mint green dress. Her corsage was of pink rosebuds and baby's breath.

The couple is at home at 1601 S. Jackson, No. 34, Amarillo.

AFFILIATIONS

The bride is a 1971 graduate of Pampa High School, where she was a member of the all-region concert choir for two years.

The bridegroom, who attended Panhandle State College, is now serving with the National Guard. He is employed by W.H. Cobb Clothiers.

PRE-NUPTIAL EVENTS

Pre-nuptial events included a shower in the Flame Room of Pioneer Natural Gas company. Hostesses were Mrs. Ricki Cates, Mrs. Floyd Vaughn, Miss Glenna Hudgins, Miss Mary Washington, and Miss Sharon Bruce.

Another shower was hosted by Mmes. James Bolin, Murel Edwards, Roy Lowe, Tony Timmons, R.D. Thomas, Fred Fussell, and Miss Vella Hooper.

Out-of-town guests included Mr. and Mrs. Walter Elms of Phillips; and Misses Mary and Ann Washington, both of Canyon.

7 p.m. — B&PW Club, City Club Room, City Hall.

District President Visits VFW Ladies

The Ladies Auxiliary to the Veterans of Foreign Wars met

Tuesday evening in the V.F.W. Hall for a business and social hour.

Mrs. Dalia Orlds, district nine president made her official visit to Pampa Auxiliary. She was accompanied by Mrs. Sammy Collins, District nine patriotic instructor.

Mrs. John Horst, president conducted the business meeting and introduced Mrs. Orlds from Amarillo.

Mrs. Orlds stated that all members should take part in Auxiliary work, and being active makes a pleasant community. All activities conducted by the Auxiliary, such as helping in all community projects would be accredited to the Auxiliary. She commended the Pampa auxiliary for having so many members with current dues cards.

Members voted to pay 25 cents per member to the Veterans Hospital in Amarillo.

Mrs. Georgia Mack, Poppy chairman, needs all available members to sell poppies Oct. 20, 22 and 23rd of October it was announced. All money accrued from poppy sales are used to help needy veterans.

Mrs. Carl Wright gave a report on Veterans Day activities to be held at Memory gardens with a parade of flags. It was also announced that Sept. 26th is Gold Star Mothers Day. Every member was asked to fly her flag.

Plans were completed for a fund-raising Halloween party, to be held Oct. 30 in the VFW hall for families and friends of the Ladies Auxiliary and VFW Post 1657.

Members present were Mmes. Jack Boyd, J.W. Dart, Elsie Gee, Clyde Gray, John Horst, Jess Hatcher, Anna Hutchens, William Leonard, Ted Malone, C.D. Malone, Georgia Mack, Tony Smith, Harley Smith, A.L. Walling, Chester Williams and Carl Wright.

Saum-Harris Vows Exchanged In Cisco

Miss Susan Elizabeth Saum and C.E. Harris were married at 4 p.m. September 25, in the home of the bride's Grandfather, W. M. Isenhower, in Cisco, Texas.

Parents of the couple are Mr. and Mrs. Harold E. Saum of Houston, formerly of Pampa, and Mr. and Mrs. C. A. Harris of Fort Worth.

Given in marriage by her father, the bride was attended by her sister Miss Gerry Saum of San Antonio as maid of honor and her cousin Miss Carla Isenhower of Fort Worth.

Donald Harris of Fort Worth served his brother as best man and Hal Saum of Lubbock, brother of the bride, was usher. Flower girl was Miss Rhonda Harris of Denver, Colo., and ringbearer was Shawn Chambers of Haskell.

The couple will reside at 6158 West Ken Caryl Place, Denver, Colo.

Kim Gilbert Becomes Bride Of Gary Wayne Brummett

Miss Kim Leigh Gilbert became the bride of Gary Wayne Brummett at 7:30 p.m. Sept. 11, in the chapel of the First United Methodist Church. Dr. Lloyd Hamilton officiated for the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Charles D. Gilbert Jr., 1101 S. Farley. Parents of the bridegroom are Mr. and Mrs. Lloyd R. Brummett, 708 N. Sumner.

THE BRIDE

Given in marriage by her father, the bride wore a gown of white silk organza and Alencon lace. The lace bodice was styled with a scalloped neckline and semi-capped sleeves, which were embroidered with seed pearls. The floor-length skirt of organza, high-lighted with panels of lace, extended into a butterfly train.

Her shoulder-length veil of illusion was bordered with Alencon lace. She carried a white Bible topped with a bouquet of white mums and gladioli.

The bride carried out the tradition of something old, new, borrowed and blue.

ATTENDANTS

Miss Donna Dunn served as maid of honor. Bridesmaids were Miss Cara Tilwell and Miss Deborah Clark.

All were attired in floor-length gowns of purple polyester crepe, trimmed with pearls. They wore purple ribbons in their hair, and their bouquets were of long-stemmed gladioli; Melinda Romines was flower girl, and Tony Lyle was ringbearer.

Steve Haynes served as best man. Groomsmen were Doyle Johnson of Plainview and Claude Combs of Pampa. Ushers were Gay Haynes and Lonnie Ward.

THE CEREMONY

The couple was married before a setting of a large urn arrangement of gladioli and seven-branched candelabra. The chancel rail was decorated with salal foliage and lighted tapers. Pews were marked with white satin bows.

Mrs. Harris Brinson, organist, played the traditional wedding marches, "The Lord's Prayer," and "The Wedding Procession."

A reception was held in the church parlor following the ceremony. The bride's table was centered with a memory candle and the bride's bouquet. Greenery encircled the punch bowl and the cake.

The three-tiered cake, decorated with pink roses, was topped with a miniature musical bride and bridegroom.

Miss Annette Di Cosimo

presided at the punch bowl, and Miss Terry Newton served the cake. Guests were registered by Mrs. Kevin Romines.

For the wedding trip to Amarillo, the bride wore a black and white suit with white accessories. Her corsage was of gladioli from her bridal bouquet.

The couple will be at home at 253 La Fiesta Lane, Siesta Plaza, Canyon.

AFFILIATIONS

The bride was graduated from Pampa High School in 1971 and plans to attend the Atlantic Airline School in January.

The bridegroom, a 1969 graduate of Pampa High School, is a junior student at West Texas State University, Canyon, where he is a member of Lambda Chi Alpha fraternity.

PRE-NUPTIAL EVENTS

Pre-nuptial events included a shower in the home of Mr. and Mrs. Maurice Newton. Hostesses were Miss Terry Newton and Miss Della Chambliss. Another shower was held in the home of Mr. and Mrs. Jim Freeman. Hostesses were Mmes. Toni Cole, Aline Keel, Cathy Brownlee and Sue Hardin.

A kitchen shower and pouncing was given in the Zion Lutheran Church. Hostesses were Jan Lyle, Ruth Jones, Mary Stroble, Sherill Grady, Sue Clark, Vesta Thomas, Cassie Richter, Carol Heinrich, Donnie Ziebach, Dorothy Brinson and Cathy Hammer.

OUT-OF-TOWN GUESTS

Out-of-town guests included

MRS. GARY WAYNE BRUMMETT
... nee Kim Leigh Gilbert

Dr. and Mrs. Gray Hornback, Mr. and Mrs. Raymond Koentz, all of Pierce City, Mo.; Mr. and Mrs. Frank Turbett, Mr. and Mrs. Toby Turbett, Leann and Dan, Mr. and Mrs. Eddie Fox, Renee and Janet, all of Fritch; Mrs. C.D. Gilbert Sr., Mr. and Mrs. Edwin Eaton, all of

Borger; Mr. and Mrs. T.D. Gilbert of Dallas; Mrs. Thelma Freeman and Mrs. Katie Buchanan, both of White Deer; Mr. and Mrs. J.A. Pickle of Moorhead, Iowa; Mr. and Mrs. T.B. Meaker, Mr. and Mrs. G.A. Latta, Mr. and Mrs. D.H. Brummett, all of Tulsa, Okla.

Garden Club Hears Talk On Problem Of Littering

"Litter is a people problem" is the theme adopted by Mrs. J. R. Spearman, litterbug chairman of the Pampa Garden Club and speaker at the club's recent meeting.

"In preserving our environment and conserving our resources, everyone needs to become involved," emphasized the speaker. "That individual can help by preventing top soil erosion, recycling newspapers and containers of glass and tin, planting trees to increase the oxygen supply, using white tissues instead of colored, which contain polluting dyes, and by picking up litter."

In citing some statistics, Mrs. Spearman said that each individual provides more than five pounds of waste per day. This totals into some alarming national statistics yearly, including some 55 billion cans, 23 million bottles and 7 1/2 million television sets. As a result, dumpgrounds grow, and more land is wasted. In Texas 41

square miles, 7 feet deep, are lost yearly to dumpgrounds.

Plastic containers are a major problem, said the speaker, because there is no way to recycle them, and when burned, they emit hydrochloric acid. Another problem, litter along the highways, not only produces ugliness, but clean-up costs average 25 cents per bottle.

A "Blueprint for Action," presentation of club goals for the year, was introduced by the president, Mrs. Lee Harrah. Goals of the civic beautification committee, reported by Mrs. Thelma Bray, chairman, include plans for landscaping the Horace Mann and Baker School courtyards, research for a sculpture project for the downtown Pampa park, a park improvement program for the Carver area, and a sitting garden for the Casa Del Nursing Center. Five teams of members were judges in the recent "Most Beautiful Yard Contest" in Pampa.

Crafts Talk Given To Bluebonnet Club

The Bluebonnet Home Demonstration Club met recently in the home of Mrs. J.W. Dart, president.

The meeting opened with the club prayer and minutes from previous meeting was read and approved. Reports were made by Mrs. Clyde Gray, council delegate.

The program, given by Mrs. Jimmy Clifton was on making candle holders and ashtrays out of clay flower pots, then painting them different colors to match your own decor.

Several topics were discussed and it was voted to have needlepoint instructions at a later meeting.

Mrs. Anna Eckroat, Mrs. Jack Boyd and Mrs. Harry Muns Jr. were welcomed as new members.

Next meeting will be held with Mrs. Mildred Prince at Southwestern Public Service on Festive Foods, Oct. 7 at 9:30 a.m. Refreshments were served. Present were Mmes. Jack Boyd, Jimmy Clifton, Anna Eckroat, J. W. Dart, Clyde Gray, Harry Muns, Sr. Harry Muns, Jr., Alta McAlrath, Tony Smith, J.N. Thompson and E. O. Wyley. Guests were Mrs. Anna Hutchens and Mrs. E.M. Templin.

Mrs. James F. Malone, chairman of the "People and Their Environment Committee," announced that 27 volumes of a series of books on conservation and environmental education for all grades, had been contributed to the Pampa Independent School district. The club goal is 74 books for this school year.

A Christmas flower show is scheduled for December 2, with Mrs. Joe Curtis as chairman. A second Junior Garden Club is to be organized this fall.

Other committee chairmen introduced, included Mrs. W.E. Abernathy, awards; Mrs. Georgia Mack, courtesy; Mrs. Carlos Grissom, finance; Mrs. W.R. Campbell, horticulture; Mrs. Milo Carlson, junior garden clubs; Mrs. Holly Gray, library; Mrs. W.E. Abernathy, membership; Mrs. Thelma Bray, program; Mrs. Wallace Birkes, publicity; Mrs. A.J. Mitchell, scrapbook; photography; Mrs. N.C. Jordan, telephone; Mrs. A.B. Cross, therapy; Mrs. James F. Malone, yearbook.

Hostesses for the meeting were Mrs. Abernathy and Mrs. Bray.

To Be Married

Mr. and Mrs. J. L. Etheredge, 1100 W. McCulloch, announce the engagement and approaching marriage of their daughter, Barbara, to Ronald Cunningham, son of Mr. and Mrs. Les Cunningham of Dumas. Vows will be exchanged in the Central Baptist Church Dec. 4. The bride-elect, a 1970 graduate of Pampa High School, attended Pampa College of Hairdressing. She is presently employed by a local beauty salon. The prospective bridegroom is a 1969 graduate of Dumas High School and a graduate of the United Electronic Institute of Dallas.

Roxanne Lusk, Todd Wassell Marry During Chapel Service

Marriage vows were exchanged at 5 p.m. Sept. 1, in the chapel of the First Christian Church by Miss Roxanne Lusk and Todd Steven Wassell.

The bride is the daughter of Mr. and Mrs. Shelton E. Lusk, 313-Jean. Parents of the bridegroom are Mr. and Mrs. L.C. Wassell, east of city.

THE CEREMONY

The couple was married before an archway decorated with greenery and bells, and flanked by basket arrangements of orchid gladioli and purple asters.

Rev. Ralph Palmer, Church pastor, officiated for the double-ring ceremony.

THE BRIDE

The bride was attired in a white street-length dress of dacton knit, styled with dacton lace sleeve. Her shoes were white, and she carried a white bride's Bible, topped with an orchid.

For something old, she wore a lavalier belonging to her great-grandmother; and for something new, she wore a charm bracelet, a gift from the bridegroom. Something borrowed was the bride's Bible which belongs to the bridegroom's mother. Something blue was a St. Christopher medal. The bride's mother had worn the lavalier at her wedding, and the bridegroom's mother had worn the St. Christopher medal at her wedding. The bride placed a penny in her shoe.

MOTHERS

For the wedding the bride's mother wore a blue dress of dacton double knit, with white accessories. Her corsage was a white orchid.

The bridegroom's mother was attired in a champagne-colored dress of dacton gaberdine, with bone accessories. Her corsage was a cymbidium orchid.

Each of the three grandmothers present wore a corsage of white feathered carnations.

RECEPTION

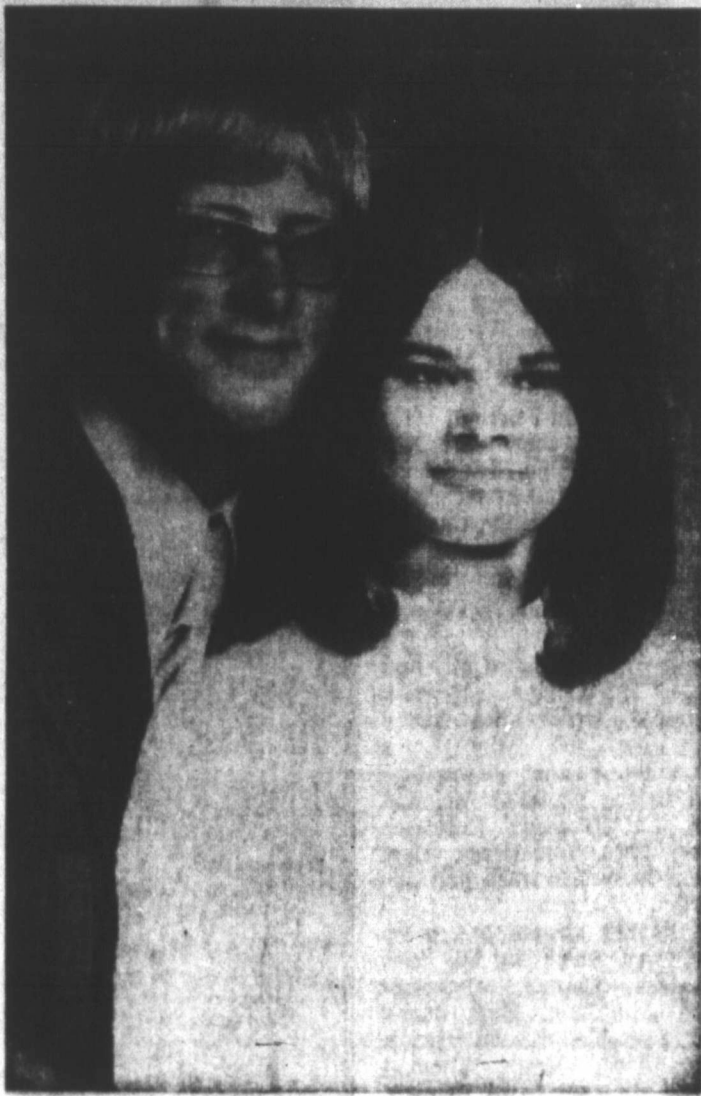

Following the ceremony, a reception was held in the church parlor, with Mrs. Kent Hicks as hostess. The table was decorated with an arrangement of purple asters and orchid gladioli, and gold candelabra with purple tapers. The three-tiered wedding cake, decorated in white and orchid, was topped with a wedding bell.

Miss Karen Huff presided at the punch bowl, and Miss Jeanette Lusk, sister of the bride, served the cake. Guests were registered by Miss Shelly Cogdell.

For the wedding trip to Oklahoma City, Okla., the bride wore the orchid from her bridal bouquet as her corsage.

The couple will reside in Arlington, where the bridegroom is attending dental technician college.

PRE-NUPTIAL EVENTS
Pre-nuptial events included a shower in the parlor of the First Christian Church. Hostesses were Mrs. Skip Montgomery, Mrs. Mmes. Skip Montgomery, Hal McCray, Lester Attaway.

MR. AND MRS. TODD STEVEN WASSELL

W.F. Taylor, Ned Pryor and Carl Patchin.
OUT-OF-TOWN GUESTS:
Out-of-town guests included Mr. and Mrs. M.O. Harrison of Wichita Falls, grandparents of the bride; Mrs. John R. Wassell of Higgins, grandmother of the bridegroom; and Mr. and Mrs. Roy Clark of Perkins, Okla., grandparents of the bridegroom.

Alpha Delta Pi Alumnae Chapter Given Talk On Paris By Miss Martha Patillo

Pampa alumnae of Alpha Delta Pi, social sorority, held their first meeting of the club year in the home of Mrs. Glen Larson, 1208 Williston, recently. During the business session, it was announced that the group will present engraved silver cups to the Delta Lambda chapter at West Texas State University, Canyon, honoring the recent initiation of Miss Jo Forsha and Miss Johnnie Norris.

Mrs. Thelma Bray announced reservations are being taken for the Pampa Panhellenic Council installation banquet, slated for Coronado Inn. She reported Mrs. Fred Neslage, retiring council president, is in charge of the program.

Mrs. Alta Lane spoke to the group on philanthropy, stating she had already started her personal efforts along this line. Calendar yearbooks, prepared by Mrs. Henry Gruver before moving to Charleston, E.V., were distributed.

Miss Martha Patillo presented the program on her summer visit to Paris, France, and surrounding points of interest.

She stated that she had spent six weeks studying in Paris and spent the remainder of her visit there touring museums. Some spots visited were The Hague, the Netherlands, Brussels, Normandy, the Chatelet, Notre Dame Cathedral, and the Eiffel Tower. She pointed out that she hopes to work in Paris sometime soon.

Attending were Mmes. Thelma Bray, David Holt, Frank Schaffer, Sue Greene, Bruce Pratt, Fred Neslage, McHenry Lane, Jim Birdsell, and Miss Pattillo.

Long and Skinny

Sweaters are long and skinny, whether scooped-neck or V-neck revealing a colorful shirt beneath or turtle-necks striped in the latest fall colors.

Hooded Romance

Hooded coats for the romantic evening look also prove functional for the cold, wet, snowy days that lie ahead.

Dear Abby

By Abigail Van Buren

DEAR ABBY: Can you help me? I cry easily, and once I get going, I can't control myself. My son is getting married soon and I don't want to start crying.

Sermons in church make me cry. By mistake I went to a graduation mass and didn't know anybody graduating, but I cried just as if one of my kids was graduating.

And when I go to a wedding, the minute I step inside the church I start to cry, and I cry all the way thru the reception. At funerals and wakes nobody cries but me. A couple of times I went to funerals with my friends and I hardly knew the deceased, but I cried so hard everyone thought I was a relative.

In school here a parent-teacher conference is necessary even if your child has no problem, so while the teacher was telling me good things about my child I started crying. Now they don't even ask me to come to school for conferences.

I went to a doctor six years ago about this, after listening to me for half an hour he said, "So everyone knows you're a crier. Just don't let it bother you. Think this way, you will never have an ulcer or a nervous breakdown because you express your emotions."

Can you give me any advice, Abby?

CRIES A LOT

DEAR ABBY: I can't give you any better advice than the doctor gave you. Take it.

DEAR ABBY: Ellen, my 8-year-old daughter, was recently released from the hospital and confined to her bed, so I asked my regular sitter to come over while I did some shopping and errands.

When the sitter arrived, I noticed she had her needlepoint with her. Before I left, I instructed the sitter to read to Ellen and then play some quiet games with her.

When I returned home, the sitter was working on her needlepoint and Ellen was practically in tears, watching television.

After the sitter left, Ellen told me the sitter didn't read to her at all — she had played only one game with her, and then told her to watch television because she wanted to work on her needlepoint.

This really burned me. Abby exactly what is a sitter supposed to do?

ELLEN'S MOTHER

DEAR MOTHER: She's supposed to sit — unless she's asked to do something more and has agreed to do it.

DEAR ABBY: My mother, my married sister and my best friend who is married all tell me no matter how well a woman treats a man, or how good the man is, he will be

unfaithful to his wife or girl friend sooner or later.

They say it is something every woman must accept, and know how to deal with. Is this true, Abby?

Maybe I'm too idealistic, but it is hard for me to believe all men are too shallow to carry on a pure relationship with only one woman. I am engaged to be married soon, and absolute faithfulness means a great deal to me. So, if what they say is true, how should it be dealt with?

HAS FAITH

DEAR HAS: They are wrong. And don't worry about how to deal with a problem until it's a reality.

DEAR ABBY: If a person eating at a restaurant slips an ashtray with the name of the restaurant into his pocket as a souvenir, is it considered stealing?

I have heard some restaurant owners consider it a compliment, and it's a good way of advertising. Is this true?

DIXFIELD, ME.

DEAR DIXFIELD: When one takes something that belongs to someone else it is stealing. The kind of compliments and advertising you suggest costs restaurants millions of dollars every year. If you want a souvenir, offer to buy it. They'll probably give it to you.

Do It Yourself

The clothes this year are expensive and not very new. The look is just a somewhat updated version of the college look of the '50s. So if you're one of those who fought the mid last year and are tired of fashion dictum, get out the old sewing machine and pattern book and do it yourself. If you're going along with the "new" look, maybe you can sidestep the expense of a new wardrobe by taking out those old pleated skirts from a few years back and those blazers to fit right in with the fashion scene.

Rev. Martin Hager Talks To Altrusans

Since the "hot line," providing 24-hour service for distressed people, was started, 1300 calls have been received making an average of 10 calls per day, it was reported by Rev. Martin Hager as he presented a program for the Altrusa Club on the Pampa Suicide prevention and drug alert programs.

According to Rev. Hager, we "become aware when we are involved." To help young girls, Genesis House has been opened. Genesis House can accommodate seven girls and will be a "real home surrounded by real people with real girls going to a real school." It is for girls 13 to 17, and the purpose is to help these girls solve their problems so they can return to their families, he explained.

Rev. Hager stated we need to develop tolerance for people with mental problems and to teach our children to understand. The school can help by following up on drop outs, being alert to their needs, and treating students as individuals as possible, he pointed out.

Mrs. M.Q. Wilson presented Rev. Hager a check from Altrusa to help with the suicide alert and drug prevention programs. Mrs. Wilson is the Club's Community service chairman.

Dinner Meet Held By DMFAuxiliary

The DMF Auxiliary, Cities Service gas, met recently in Furr's Cafeteria, with Mrs. Dick Brown presiding.

It was announced the October party will be at 6:30 p.m. Oct. 19, in the home of Mrs. Ed Niemi, with Mrs. Leon Brown as co-hostess.

The door prize was awarded to Mrs. Dave Kerns. Mrs. Jim Samples was welcomed as a new member. Hostesses were Mrs. Frank Holman and Mrs. Leon Brown.

Attending were Mmes. C.D. Anderson, Glen Giblin, David Budd, Jim Samples, Bob Brandon, Irene Paxson, Ed Wiens, Jack Becker, Dick Brown, Ruth Mesneak, Ray Sutton, Charles Tate, Dave Kerns, Leos Brown, Judge Gambill, Frank Holman and Homer Kessinger.

PRESENTS CHECK — Mrs. M. Q. Wilson, chairman of the community service committee of the Pampa Altrusa Club, is shown presenting Rev. Martin Hager with a check from the club for use in Pampa's suicide prevention and drug alert programs, which have been spearheaded by Rev. Hager. (Staff Photo)

Mrs. Fischer Gives Patriotic Program

A program entitled, "This Land of Ours," was presented by Mrs. Joe Fischer at the recent meeting of the Preceptor Chi chapter of Beta Sigma Phi, in the home of Mrs. George P. Massie, 1816 N. Christy.

Mrs. Fischer brought out facts about the discovery of America, our form of government and some of the inventions that have made this country great.

Refreshments were served during the social period. Members present were Mmes.

Whipped Gel

The new whipped-gel face color is extremely sheer going along with the transparent color look. Yet it's not greasy so you younger girls with oily skin don't have to worry about the shine.

Richerson-Ledbetter Vows Are Repeated

WHEELER (Special)—Miss Sally Richerson of Wheeler and Gail Ledbetter of Kelton were married recently in the First Baptist Church in Wheeler with the Rev. Frank Matthews, former Kelton Methodist pastor and now of Dalhart, performing the ceremony.

The bride is the daughter, of Mrs. Paul Topper and the late Red Richerson. Mr. Ledbetter is the son of Mrs. Ruth Ledbetter and the late Elmer Ledbetter.

The bride, given in marriage by her stepfather, Paul Topper, wore a formal-length gown of nylon organza and Venice lace embroidered with seed pearls. She wore a picture hat outlined with white daisies and carried a cascade bouquet of white sweetheart roses.

ATTENDANTS
Matron of honor was her sister, Mrs. Sue Stiles. Maid of honor was Miss Sibyl Richerson and bridesmaids were Miss Sherry Richerson, sister of the bride, and Miss Deborah Lamb. They were attired in floor-length yellow gowns, designed with empire waistlines and long sleeves. They wore picture hats to match their dresses and carried wicker baskets filled with yellow and pink daisies.

Steve Simmons served as best man. Dave Britt, Frankie Rogers and Neal Bennett were groomsmen. Ushers were Buddy Wood, Kent Daughtry and Eddie Matthews.

Paul David Topper, Jr., brother of the bride, was ringbearer, carrying the rings on a yellow satin pillow edged with lace. Lacy Buckingham, niece of the bridegroom, was flower girl. She carried a

wicker basket of yellow and pink daisies.

Candles were lighted by Mike Lee and Lawana Ford, niece of the bridegroom.

CEREMONY

The ceremony was performed before an altar decorated with baskets of white gladioli and three candelabra.

Wedding music was played by Mrs. H.L. Lee. Songs "More" and "My Own True Love" were sung by Miss Dixie DeArmet and Miss Cynthia Manning, with Miss Cheryl Cole as pianist.

County Agent Talks To Progressive Club

The "ups and downs of hems" was the program presented by Miss Jimmie Lou Wainwright, county home demonstration agent, at the meeting of the Progressive HD Club in the home of Mrs. Lazetta Grant, 1430 Williston.

Each member brought a "white elephant" gift for games that were played during the social period.

Refreshments of coffee and cheese cake were served. Hostess gift was won by Mrs. D.A. Rife.

Next meeting will be at 9:30 a.m. Oct. 5, in the Reddi Room of Southwestern Public Service company.

Attending were Mmes. B.F. Dorman, Lazetta Grant, E.A. Revard, Herb Peeples, D.A. Rife, E.P. Templin and E.L. Trumm. Mrs. E.C. Golden was a guest.

Badge Ritual Given To New Members

Phi Epsilon Beta chapter of Beta Sigma Phi presented the Ritual of the Badge to Mrs. Randy Haralson and Mrs. Charles Cooley in a candlelight ceremony in the Reddi Room of Southwestern Public Service Company.

During the business session, Mrs. Wilbur Walls, was elected chapter sweetheart for 1971-72.

During the social hour, refreshments were served. Hostesses were Mrs. Steven Dewey and Miss Judith Kitto.

Members attending were Mmes. Richard Dorman, Wilbur Walls, Randy Haralson, Tommy Jochev, Charles Cooley, John Hoke, Bob Lowrance, Steven Dewey, Ronnie Thrasher; and Miss Judith Kitto.

Rush Party Given By ESA Chapter

A progressive dinner highlighted the recent rush party of the Kappa Alpha chapter of Epsilon Sigma International.

Hostesses for the event were Mrs. James Frazier, first course; Mrs. Robert Rose, second course; Mrs. Irvin Hungerford, third course; Mrs. Fern Berry, fourth course.

Guests attending were Mmes. Maxine Dunham, Buster Grayson, Alvin Bicknell, Charles Browder, Danny Hagggett and Ray Floyd.

Members attending were Mmes. Hunter Chisum, Jerry Dennis, Horace Henley, Glenn McConnell, Joe Miller, Joel Plunk, Tommy Sells, Norman Sublett and Jerry Thompson.

Next meeting will be at 8 p.m. Oct. 7, in the Flame Room of Pioneer Natural Gas Company.

POLLY'S POINTERS Use Button Cushion As Embroidery Center

DEAR POLLY — When hemming a skirt or dress by hand, place a cushion on your lap and have finer work that is easier to do.

When doing embroidery work, try using a corduroy cushion, preferably one with a large button in the center. This center holds the thimble and small scissors, all the different colors of floss needed are placed at one corner, a skein of floss divided for work on another corner and there is space left for the unusable short ends. The floss sticks to the corduroy and is kept orderly. When work is stopped for the time being the material being worked on stays on top.

M.B.L.

Polly's Problem

DEAR POLLY — I was recently given a cowhide leather Bible cover but it has an overwhelming musty odor. Is there anything that will eliminate this?

EVELYN

DEAR POLLY — My Pet Peeve is the neglect of the small woman in the 30-to-50 age group who has a good figure, looks younger than her age, wants to dress stylishly without having to wear the very young and juvenile or hippie fashions she finds in size 8. I find so many of the clothes in small sizes are faddish and not suited to us forgotten ones. I wish we could see more publications frequently featuring the "typical" woman and how that they, too, can look stylish and lovely and be suitably dressed — not too young-looking and not too matronly.

SARA

DEAR POLLY — All Mrs. S.A.C. has to do to solve her problem with the metal bathroom stool is to remove all the paint and then sand with fine sandpaper. At an auto supply store, buy a small can of body primer and spray this on the stool. It dries very fast, then she can apply the paint of her choice. This works well for me.

EDWARD

DEAR POLLY — To make an extra dirty clothes "hamper," use a pillowcase held to two coat hangers by six clothespins, three on each hanger. The pins stay in place better if you first crochet around the hangers.

MRS. R. E. P.

DEAR GIRLS! When a house plant needs support to hold it up, a wire coat hanger works well. Hold hook, pull hanger out 'til straight as possible with two wires close together, then bend the hood so it is at a right angle. Stick end in dirt and catch hook around the stalk that needs support.

POLLY

Cooking Is Fun

By CECILY BROWNSTONE
AP Food Editor
SUPPER FOR FOUR
PHYLL'S VEAL PATTIES WITH GREEN PEAS

A delicious dish that's suitable for diet-watchers.

1 egg
1/4 cup water
1/4 teaspoon salt
1/2 teaspoon pepper
2 teaspoons instant onion
1/2 cup soft bread crumbs, packed
1 pound ground veal
2 tablespoons salad oil
1 chicken bouillon cube dissolved in 1/2 cup boiling water
2 tablespoons dry sherry
1 package (10 ounces) frozen green peas, cooked and drained

In a medium mixing bowl beat egg slightly with 1/4 cup water; add salt, pepper, onion and crumbs and mix well; add veal and mix thoroughly. Shape into 2 small meat patties—mixture will be soft. Roll patties in flour. In a 10-inch skillet heat oil; add patties and cook over moderate heat until golden brown on both sides. Add bouillon and cover; simmer until veal is cooked through and most of the bouillon has evaporated. Remove patties to hot serving platter; keep warm. Add sherry to skillet and stir over low heat with wooden spoon to get up drippings. Add peas and reheat; pour over patties. Makes 4 servings.

WASHINGTON (AP) — Even the President's wife is wary about crime.

When reporters counted up 30 diamonds in a sunburst gold pin given Pat Nixon at the christening of the guided missile frigate USS California Wednesday, she laughingly said:

"Don't print that—I'll be robbed."

their first child, has been born to Crown Prince Harald and Princess Sonja.

Sonja, a commoner whom the crown prince married three years ago, gave birth to the child Wednesday.

The crown prince and his wife are both in their 30s.

PLAN FOR CONFERENCE — Shown planning for the District 9 conference of the Business and Professional Women's Clubs, Inc., to be held at the Coronado Inn Oct. 9 and 10, are, left to right, Mrs. T. F. Teel, Pampa president; Mrs. Earl H. Eaton and Mrs. H. F. McDonald, conference co-chairmen. The 12 clubs to be represented are Amarillo, Borger, Lubbock, Dumas, Lockney, Caprock (Lubbock), Panhandle, Perryton, Plainview, Shamrock, Tulia and Pampa. (Staff Photo)

INVITATIONAL COFFEE — Shown talking to prospective member, Mrs. Everett Luke, right, at the Junior Service League invitational coffee at the Pampa Country Club are, Mrs. Bill W. Dunn, left, league secretary; and Mrs. E. M. Dunigan, center, league president. (Staff Photo)

Home Fashions

NEW YORK (ED) — Home fashion textiles are more exciting today than at any time in recent history — what with colorful, dramatic upholstery fabrics, draperies, and printed carpeting, a newcomer on the scene, is expected to wield great influence in home fashions in the next several years.

How are carpets printed? Two systems are currently used: screen printing and Stalwart printing. In the latter, sponges are arranged on the rollers in the shape of the design to be repeated. The use of sponges, rather than direct contact with engraved rollers, permits greater penetration of the dye along the entire depth of the fiber pile and keeps fiber damage to a minimum. As in fabric printing, the size of the design repeat is limited by the circumference of the rollers.

The other method for printing carpets is large-scale screen printing. Enormous screens, as large as four feet wide and fifteen feet long, permit a huge pattern repeat.

Most carpets currently used for printing are made of nylon, although some polyester, acrylic, and polypropylene printed carpets are available. Nylon is more prevalent because it accepts dyes more readily than other man-made fibers. However, polyester's availability in staple or cut pile constructions makes it a suitable carpet fiber. Celanese and other fiber producers are developing deep-dye variants to include in their polyester families.

Dyes are fixed onto printed carpets with atmospheric steaming. This causes the color to diffuse evenly throughout the fibers, but the color on the surface still has a tendency to rub off. The heat subsequently used to cure the latex backing applied to printed carpets helps overcome this problem.

For Lounging

Be pretty and feminine in this elegant hostess costume; or for variety, make a dress or gown from the same pattern. By using different fabrics, you can build a sew-smart wardrobe.

Consult the Fashion Coordinator included in each Young Original Pattern for color, fabric and accessory suggestions.

B-158 with Photo-Guide is in Sizes 7 to 15 (bust 31-37. Size 9, 32 bust... 4 1/2 yards of 45-inch fabric).

Send \$1.25 for this smart Young Original pattern designed for women who sew. Write (Pampa News) Box 438, Midtown Station, New York, N.Y. 10018. Print full name, address with zip code, pattern number and size.

Help

EDITOR'S NOTE: This column is a public service feature designed to notify Pampans and area residents of individuals or non-profit organizations needing volunteer aid. Any one needing items published in this column may contact Jane Kadingo, women's editor, at 669-2525 before 3 p.m. each Wednesday.

Mrs. Frank Shotwell, Red Cross secretary, is in need of volunteer help with the swim period for the exceptional children, to be held from 1 a.m. until noon, each Wednesday, at the Pampa Youth Center.

Anyone who can donate an hour of her time should contact Mrs. Shotwell at the Red Cross office.

The Pampa High School drama department is in need of old clothes and old furniture to use in its productions. Anyone having items to donate are asked to call Mrs. Calvin Lacy at the high school.

The Girl Scout uniform exchange is in need of used Brownie, Junior, Cadette or Senior uniforms to be used by girls who are unable to buy a new one. Uniforms may be brought to be sold for a nominal sum; they may be brought to exchange for another one; or they may be donated to be given to girls without one.

Anyone having a used uniform is asked to take it to Mrs. Carroll Jones at the S&J Mart, 600 E. Frederic.

SAN FRANCISCO (AP) — Sen. Fred R. Harris, D-Okla., a potential presidential candidate, says a black man could be elected vice president in 1972.

"Anybody who is qualified can be elected president or vice president," Harris said Friday on a swing through California to gauge support for a possible presidential campaign.

Harris was questioned at a news conference about a statement by Sen. Edmund S. Muskie, D-Maine, earlier in Los Angeles that he didn't think he could be elected president with a black running-mate.

Harris said he will announce next week, after "another swing around the country," whether he will seek the Democratic presidential nomination.

VIENNA, Austria (AP) — Soviet cellist and conductor Mstislav Rostropovich, who had to cancel appearances in the West allegedly for supporting dissident writer Alexander Solzhenitsyn, will conduct the Bolshoi Theater at guest performances in the Vienna State Opera next month.

The official list of arts made public Wednesday showed Rostropovich will conduct the Bolshoi on three occasions starting Oct. 7.

crinkly, wrinkly patent... all softness and shine

ENGAGED

Mr. and Mrs. William B. Oler, 733 Bradley Drive, announce the engagement and approaching marriage of their daughter, Sandy Lynn, of Perryton, to Ernest Huddleston of Goodwell, Okla. Parents of the bridegroom are Mr. and Mrs. I. E. Huddleston of Goodwell. The wedding is scheduled for January 22, 1972, in the chapel of the First United Methodist Church of Pampa. The bride-elect, a 1968 graduate of Pampa High School, attended Frank Phillips Junior College, Borger. She is employed as an IBM operator at Ochiltree General Hospital, Perryton. The prospective bridegroom, a 1968 graduate of Beaver High School, Beaver, Okla., is employed by O. B. Adams Drilling Company in Texhoma, Okla.

Organic Care

The rage for organic products goes further than food for the stomach. Many manufacturers have developed complete skin-care collections made of organic herbs. These products include cleansers, make-up removers, moisturizers and shampoos.

Quilted Skirts

Quilted skirts make glamorous hostess gowns, especially with added feminine touches — a ruffled chiffon blouse and soft velvet choker to top it off.

Your Horoscope

SUNDAY, SEPT. 26
Your birthday today. Your year ahead is indicated as good, with favorable breaks and chances to cash in on your attainments self-improvement programs and here and there an assist from your friends who now tend to multiply. Today's natives may say little to express their deep sympathy. They usually see both sides of a question but cannot be turned aside from their convictions.

ARIES (March 21-April 19): Minding your own business quietly becomes an art for this complex Sunday. If you have any legitimate excuse to spend it away from your accustomed place, do so.

TAURUS (April 20-May 20): Favorable developments promised for today take forms other than expected, continue just as good.

GEMINI (May 21-June 20): Rushing doesn't produce any progress. Be deliberate and think what you're doing. Give yourself time to review plans.

CANCER (June 21-July 21): Social activity holds more long-term benefits than nearly any commercial enterprise.

LEO (July 22-Aug. 22): Allow matters to go along in already set grooves this Sunday. Breaking pace, sudden rushes avail nothing.

VIRGO (Aug. 23-Sept. 22): Intuition leads the way — loud and clear. Let go, pray and permit your environment to effect a balance.

LIBRA (Sept. 23-Oct. 22): Pursue external existence, leaving technical and petty considerations for a time when you are not so free to move.

SCORPIO (Oct. 23-Nov. 21): Be right to its harsh end and get done with it.

SAGITTARIUS (Nov. 22-Dec. 21): Keep your statements simple and to the point, but by all means make them — and quite loudly.

CAPRICORN (Dec. 22-Jan. 19): Streamline all proceedings; discard the obsolete and useless. There's little time for diversion.

AQUARIUS (Jan. 20-Feb. 18): Deviations from regular practices, changes of schedules create confusion through. Hold to established good work habits.

PISCES (Feb. 19-March 20): Haste makes waste and sometimes accident. The more leisurely, sensible approach produces a sounder result. Hidden obstacles should be assumed and dealt with strong love of home.

MONDAY, SEPT. 27
Your birthday today. The main stream this year is on your ability to organize around a minimum of resources, and to keep matters simple. Relations with your main (and your public image as well) seem to require constant attention. Today's natives have intense, usually little challenged, personal energy and a strong love of home.

ARIES (March 21-April 19): Pursuing your own healthy self-interest helps keep the peace. It's the side issue that stir excitement.

TAURUS (April 20-May 20): First things first — pay as little attention to peeling events as possible. There will be plenty of time to review later.

GEMINI (May 21-June 20): Early morning is late enough to make corrections, change of course — if you still can. Defer any final decisions.

CANCER (June 21-July 21): Take the time to look over what others do, particularly any active competitors. Your own projects will fare better.

LEO (July 22-Aug. 22): Be easy in your dealings especially with younger people. You haven't got the whole story. Forgive rudeness and temperance.

VIRGO (Aug. 23-Sept. 22): All you can accept of what you thought you wanted of responsibility happens now. Draw a line; limit your burden to reality.

LIBRA (Sept. 23-Oct. 22): Gently done it where long-standing issues are reopened. You've been there deep problems before and can do better this time. Evening hours promise deep rewards in study, creative thought.

SCORPIO (Oct. 23-Nov. 21): Property and possessions attract attention, changing values are suggested — accept nothing on the basis of today's estimates. Sleep over any doubts.

SAGITTARIUS (Nov. 22-Dec. 21): Anything you offend within may reach is not quite the best approach. If nothing better offers, stay with yesterday's formula.

CAPRICORN (Dec. 22-Jan. 19): Make no pledges; accept no added responsibility yet. Your deeper intuition needs time and space to resolve issues.

AQUARIUS (Jan. 20-Feb. 18): Tension tends to rise but shouldn't be allowed to upset your rhythm of steady routine. New starts and new ideas may be needed.

PISCES (Feb. 19-March 20): Go along with the tide, expecting no great advances, giving up nothing beyond personal commitments.

Homespun Outfits

Turn on the fall colors in your wardrobe. Homespun material is inexpensive and colorful. So make an outfit that looks like an original tapestry.

Chubbies

A fashionable cover-up for the cooler evenings which lie ahead is the curly or furry little jackets called chubbies. These jackets look great with pants or the mid.

Bold patterns and bright hues spell out the new fashion trend in men's underwear. The boxer shorts and matching athletic shirt (left) shown over leotards and tights for dramatic effect, are done in a red, white and blue stripe on nylon tricot. With the veritable rainbow of colors seen in the fashion underwear for men, so-called basic white bursts forth as yet another fashion shade. Worn over leotards and tights (right) is a V-neck T-shirt to top matching briefs done in a small, all-over mesh pattern for added fashion appeal and comfort. These designs are from the thoroughbred group by Jockey Menswear.

Men Threaten Women's Lib With Glorified, Colored Undies

By HELEN HENNESSY
NEA Women's Editor

NEW YORK (NEA)—In the beginning there was but one fashion item — the fig leaf. It's incredible that today's giant lingerie industry had so humble a beginning.

It's unfair, too, that MAN'S first fashion effort was the start of a trend that eventually gave the female psyche a decided advantage over that of the male. Yet it did.

The fig leaf evolved into a more substantial single garment after the Garden of Eden episode. It was probably cold outside. And eventually the single garment became underwear.

Men topped it with finery but let it remain drab in itself. But women learned quickly the delicious psychological lift that can come from slipping into attractive lingerie, splashed with colorful patterns and trimmed with frills.

Well, it's been many a moon since Adam ate the apple but finally a leading marketer of men's underwear, and sport—"that certain feeling" that that men, too, are entitled to "that certain feeling" that comes from wearing something attractive under their street garb. And now men's fashion in America is exploding from inside out.

Jockey Menswear is now in the business of glorifying male underpinnings. There are boxers and briefs, some teamed with matching T-shirts and athletic shirts in woven cotton and polyester blends, in fisherman's net and even in nylon tricot—a fiber previously reserved for the delight of the delicate dame. Is women's lib threatened already?

Even so-called "basic white" is now but one of a long list of fashion colors in the male undergarment.

Shorts and shirts are done in myriad colors, patterns and silhouettes—some with tops and bottoms color-coordinated. And

it's not just American men who will experience the joy of donning sexy underwear.

Reuben Torres, a Paris designer, said, "A good man's briefs (or did he mean a man's good briefs) should not have to be hidden under pants. These should look fine on the patio and at poolside, too." So Reuben produced a line in Paris of pop-patterned surfers and—now get this, girls—minibriefs in flesh-colored tricot. So the traveling American male need not be shy about wearing his under-finery in Paris. He will find well under-dressed chaps there, too.

How is the whole idea going over with the consumer? According to J.H. Wyss, president of Jockey Menswear, there seems to be a communication gap between husbands and wives on the question of fashion undergarments for men.

"When exposed to fashion underwear, most women say they like it but they don't think their men will wear it," said Mr. Wyss. "However, when asked, most men indicate they'd love to try it but don't think their wives would ever dream of buying it for them." Wyss pointed out the seriousness of this dilemma by stating that 80 per cent of the men's undergarments purchased are bought by women.

Look Elegant

For evenings out, the casual look is a thing of the past. Now it's the more elegant formal look, the revival of the cocktail dress, the bare back and plunging neckline.

Protein Needed

A diet high in protein is essential for healthy, shiny hair. Since hair is made up mainly of protein, foods with high-grade protein (meat, fish, cheese, eggs, milk) are essential for luxurious growth.

Well, if Adam and Eve can ever get together on this issue and stop this in terms of "funny undies," there may be a day when the majority of men will know the meaning of "that certain feeling" underneath it all that women have known for years.

Phi Sigma Alpha Has Founders Day Event

Texas Delta Alpha chapter of Phi Sigma Alpha met Monday evening in the home of Mrs. Lonnie R. Kenney.

Mrs. Fred Symonds, president, conducted a short business meeting during which reports were made by Mrs. Marvin Sillyman, treasurer, and Mrs. Hugh Peeples, yearbook chairman.

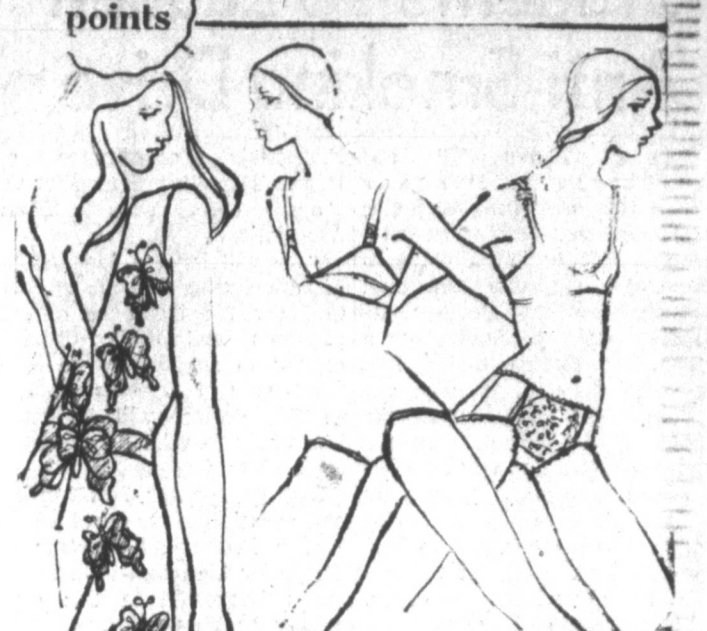

Following the business meeting, Mrs. Harry Cook presented the annual Founders Day program. In addition to the special message from International, Mrs. Cook read selections on friendship, wisdom and courage, and the three guiding principles of Phi Sigma Alpha.

Other members attending were Mmes. B. F. Dorman, Melton Webb, Curt Griffin, and Bernard Organ.

No More Bags

White shadow added beneath the eye to cover tired bags and lines should not be applied to the whole area underneath, but only over the dark patris in the inner corner of the eye.

Underneath It All!

NEW YORK (ED)—Fashion definitely goes beneath the surface, especially today. Fabrics are physically and visually soft, flowing and clingy. Sheer wool voiles, knits and light wool jerseys for day demand that special attention be given to your undergarments. Body stockings are of utmost importance when wearing a clingy mid skirt and top and particularly with hot pants. For the softer look, bras should be soft — no hard lines or seams. Lingerie has also taken on new at-home dimensions. With ordinary evenings at home into special events. For more fashion information, write for your free booklet, "Fashions Called Lingerie" and "Girdles and Bras," Union Label Dept., P. O. 27, Seventh Avenue, New York, N.Y. 10001.

LOS ANGELES (AP) — Entertainment George Jessel has asked Superior Court for permission to reduce support payments for his 9-year-old daughter.

Jessel, 73, acknowledged paternity in a settlement made shortly after the girl's birth and agreed to \$500 monthly payments to the mother, JoAnn Tyler, 37.

But his attorney said Wednesday that Jessel no longer works steadily, has had financial setbacks and wants the payments cut to \$150 a month. Miss Tyler said Jessel has a sizable income.

Senior Center

By MRS. D.B. JAMESON
Guest Reporter

Fifty-two senior citizens participated in an afternoon of games and visiting Thursday in Columbus Hall.

Door Prizes were awarded to Mrs. E.E. Garland and Peter Marak.

Serving refreshments were Mmes. R.W. McPhillips Jr., John McGuire, Lee Brown, Don Knutson, James Scott, James Gray, Leon Taylor and Newt Secrest, all members of the Opti-Mrs. Club.

Sponsoring Altrusans present

were Mmes. Louise Sewell, Lora Dunn, Geneva Tidwell, Olive Hills, Gertrude Barber and D.B. Jameson.

Mrs. Bertha Gates is visiting her sister in Cansey, N.M.

Mrs. Myrtle Smith is ill. Mr. and Mrs. George Phillips of Red Limes, Calif., have been visiting Mr. and Mrs. Lee Meadows.

Mrs. Myrtle Cates' daughter and husband, Mr. and Mrs. Ralph Fritman of Concord, Calif., visited in Pampa last week.

Senior Center will meet next Thursday in Columbus Hall.

WORLD ALMANAC FACTS

The Young Men's Christian Association (YMCA) sponsors programs including housing facilities, vocational guidance, sports and recreation. The World Almanac notes that the YMCA, which is represented in about 83 countries, was founded in London in 1844 and was organized in Boston in 1851.

Spark Family Meal With Oriental Soup

By AILEEN CLAIRE
NEA Food Editor

Interest in Chinese-style foods continues to spread. A favorite of many young and not-so-young devotees of local Chinese restaurants is Egg Drop Soup. This is exotic sounding, pleases the appetite and can be made easily at home. Another soup appetizer everyone will enjoy is a combination of chicken broth and tomato juice, Rosy Chicken Soup.

EGG DROP SOUP
1 can (10½ ounces) condensed chicken broth
1 soup can water
1 tablespoon chopped

green onion
1 egg, slightly beaten
In saucepan, combine broth, water and green onion. Heat to boiling. Pour egg slowly into soup, stirring constantly. Simmer a few minutes. Makes 2 to 3 servings.

ROSY CHICKEN SOUP
1 can (10½ ounces) condensed chicken broth
½ soup can tomato juice
½ soup can water
1 teaspoon chopped chives
In saucepan, combine all ingredients. Heat. Stir now and then. Makes 2 to 3 servings.

Longer Lashes
To get the full effect of mascara, powder the lashes first. This will provide a dry base on which the color can

dry more quickly. The powder base will also make the lashes look thicker and longer. Apply more than one coat in order to get a thick, fringed look.

Students To Launch 'Anti-Smoking Drive'

Pampa's Junior TB and Respiratory Disease Association, consisting of junior high students, will work with youth volunteers in a drive to reduce cigarette smoking. Planning for the October activities will be made at a meeting in Pampa Junior High cafeteria at 4 p.m. Monday.

Pam Allen, president of the Junior TB group, said the anti-smoking activities are designed to educate youngsters to the dangers of becoming addicted to tobacco, and to help smokers kick the habit through a community withdrawal clinic.

"Emphysema Day will be held Oct. 5," said Mrs. Dave Finkelshtein, coordinator of Pampa's health program for the Top of Texas TB and Respiratory Disease Association.

"We will have a large group of enthusiastic students working to lower the incidence of emphysema and other diseases related to smoking," she said, "and we feel students working on this project will be much less likely to take up the habit themselves, later on."

Student sponsor Bill Mackey and association president Lillian Jordan invited all students on the junior high and high school levels interested in this community health project to attend the Monday afternoon meeting.

Our Men In Service

DENNIS L. MADDAN
Technical Sergeant Dennis L. Maddan is a member of the Air Reserve Personnel Center (ARPC) in Denver, which has earned the U.S. Air Force Outstanding Unit Award.

Sergeant Maddan, son of Mrs. Loreita M. Dickinson, 1928 N. Christy, is a personnel technician in the award winning organization. He will wear a distinctive service ribbon to mark his affiliation with the center.

ARPC personnel were cited for providing outstanding service to Air Force Reserve and Air National Guard members nationwide from July 1, 1969 through May 1, 1971.

The center, called the "Manpower Bank of the Air Force," maintains the records and manages the careers of more than a half-million reservists. With its computer system, the center has the capability to provide almost instant data on reserve personnel in the event of a national crisis calling for mobilization of reserve forces.

Before his current assignment at the center, Sergeant Maddan served with the 606th Aircraft Control and Warning Squadron at Doberberg Air Station, Germany.

The sergeant, a 1958 graduate of White Deer High School, attended the University of Texas. His wife is the former Hazel M. Wragg from England.

JOHN L. TRIPPLEHORN
Army First Lieutenant John L. Triplehorn, son of Mr. and Mrs. James C. Triplehorn, 1616 Charles, recently was assigned to the 1099th transportation company. He is now serving as a platoon leader near Binh Thuy, Vietnam.

Lt. Triplehorn entered the

Army in May 1970 and was last stationed at Ft. Hood, Tex.

A 1964 graduate of Pampa High School, he received his B.S. degree in 1970 from the university of Arkansas.

FRANK H. PETERS
Army Private Frank H. Peters, 17, son of Frank J. Peters, White Deer, recently completed eight weeks of basic training at the U.S. Army training center, infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid and Army history and traditions.

JERRY W. BEESON
Army Private Jerry W. Beeson, 20, son of Mrs. Wanda Beeson, Shattuck, Okla., recently completed eight weeks of advanced individual training at the U.S. Army Armor Center, Ft. Knox, Ky.

During the training, students learn the duties of a tank crewman, including the firing of the tank's armament and small weapons. They also receive instruction in field radio operation, map reading and tank maintenance and repair.

Pvt. Beeson entered the army in March of this year and completed basic training at Ft. Ord, Calif.

He attended Shattuck High School, and was a driver with C.D. Corner trucking company, Pine Bluff, Ark., before entering the army.

WAYNE THOMAS
Marine Pvt. Wayne R. Thomas, son of Mrs. Virginia McCarter of 1238 S. Farley, was graduated from basic training at the Marine Corps Recruit Depot, San Diego.

The Worry Clinic

By DR. GEORGE W. CRANE

Bob offers a grudging compliment to this column, but he at least is a scientist and admits facts. Alas, many clergymen and choir directors still try to force the wrong church music on the faithful congregations that are paying the bills. So check this case against last Wednesday's column.

CASE R-572: Bob W., aged 35, is Minister of Music in a large church. "Dr. Crane," he mused, "for many years you have accused us professional choir directors and clergymen of poor psychology in the choice of music."

"Well, we have often criticized you at our clerical meetings. But I guess I might as well make my personal apology. For in a recent issue of the United Church Herald, a survey was reported. Laymen were asked to name their favorite hymns. Then the clergy and professional musicians were also polled. And what a difference!

"For the clergymen didn't seem to want hymns about Jesus while the laymen rated them tops!"

"Thus, the ministers didn't cast any votes for 'What a Friend We Have in Jesus' nor for 'In the Garden.'"

"As you have often warned, we church leaders may need to make consumer surveys, as it were, and pay closer attention to the parishioners in the pews. 'This apology on my part is difficult to make, Dr. Crane, but I guess I might as well face the music!'"

CHURCH MUSIC

Musicians, much like editors, physicians and many industrialists, often think their likes and dislikes are a true yardstick for laymen.

Not so! When people come to church, they are NOT primarily concerned with the melodic "pyrotechnics" of a fancy choir or chorus.

For the latter's choral lyrics are often unintelligible to the congregation.

And the tune is usually unfamiliar, so no resurrected emotions of mother and childhood idealism occur.

Yet the real psychological purpose of church music is to bring back childhood memories of mother and the religious idealism typical of our teenage years!

Without such revival of our previous moral moods, we are left flat and uninspired, so the choir merely wastes an extra 5 or 10 minutes in the modern dull church hour!

And, lest you think I am wrong, look at the laymen's rating of their favorite church hymns:

- (1) "How Great Thou Art"
- (2) "The Old Rugged Cross"
- (3) "What a Friend We Have in Jesus"
- (4) "Mighty Fortress Is Our God"
- (5) "Onward Christian Soldiers"
- (6) Holy, Holy, Holy"
- (7) "In the Garden"

Earlier this week I mentioned that famous "Motivation Test" which showed 5 basic laws of Human Motivation.

One of which was this: "People are motivated by what THEY want rather than by what YOU like!"

Movie makers have long denied that fact, which is why they pooch-pooched "The Sound of Music" though it became an all-time hit with movie-goers!

Editors have even killed magazines and newspapers by reader interest and the mail input to columns, and this same error has bankrupted many great corporations!

(Always write Dr. Crane in care of The Pampa Daily News, enclosing a long stamped, addressed envelope and 25 cents to cover typing and printing costs when you send for one of his booklets.)

MARION, Ind. (AP) — Police received a report of a loud, crashing noise Wednesday night, went to a Marion elementary school, discovered an intruder and forcibly ejected the guilty party — A DEER. The animal had crashed through a plate glass window. It was taken to a nearby wooded area and released.

The Pampa Daily News

A Watchful Newspaper

EVER STRIVING FOR THE TOP O' TEXAS TO BE AN EVEN BETTER PLACE TO LIVE

Our Capsule Policy

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing. Only when man is free to control himself and all he produces, can he develop to his utmost capability.

The News believes each and every person would get more satisfaction in the long run if he were permitted to spend what he earns on a volunteer basis rather than having part of it distributed involuntarily.

A Card For 'Big Vinnie'

It is probably true that every adult, and most children, have a built-in sense of ethics, morality or fair play — no matter how twisted their standard for such "ethics" are. There even appears to be a sense of ethics or fair play among the worst of criminals, particularly the social criminals, those belonging to the Mafia or closely aligned to it. One Mafia member might have another killed for various reasons. But if the killed Mafia member has a family, his very own murderers will often help to support his wife and maybe put his kids through college. Which is clearly a case of honor among thieves.

A rather more amusing example of such "fair play" in the lives of criminals was expressed by Vincent (Big Vinnie) Teresa, a 42-year-old ex-convict, ex-swindler, ex-name-it, in testimony before an investigation subcommittee. In the August 9 issue of Newsweek, a description of one of Teresa's businesses was as follows: "Teresa set up a loan-sharking outfit in Pampa, Mass. named Piranha Co., for the man-eating tropical fish — one of which he kept in a bowl in the office. 'We wanted to be known as a tough outfit,' Teresa explained. 'and then went on to describe how threatening the fish in the

bowl was to clients who were slow in paying.

Such a ridiculously sinister figure as "Big Vinnie," one would think of as being totally amoral, sort of the "Godless" spaghetti eater.

Big Vinnie was finally put in jail when someone "he had fleeced in a crap game tipped off the cops." Newsweek goes on to describe Teresa's sense of moral outrage. Big Vinnie "directs his bitterest wrath at the conduct of his friends after he went to jail, not at the informer who put him there. It was a clear case of dishonor among thieves. 'They're a shady bunch of characters,' he told the committee. 'You can't trust them. I had \$80,000 on the street in Shylocking money that they stole. I didn't even get a Christmas card.'"

And there you have it from Big Vinnie. Like most of us, he is a man outraged at the moral fibre of his times. Which offers a genuine truism about human nature: it's always the other guy it's immoral. WE are always justified in our actions. And one could extend that truism to politicians, the government, the soldier, and just plain everyday "life. Perhaps we should all send Big Vinnie a Christmas card for reminding us of ourselves.

Weak But Accurate

Walt W. Rostow sees only more bloodshed if the U.S. gives up in Vietnam.

Rostow, under Presidents Kennedy and Johnson, was one of the chief architects of U.S. intervention.

He doesn't believe that a cessation of belligerency will contribute to nuclear peace. To the contrary he argues that "Japan and India would quickly acquire nuclear weapons and the Non-proliferation Treaty would possibly die elsewhere in the world as well."

"An America that walks away from a treaty commitment after bringing into the field a half-million of its armed forces and encouraging a small ally to fight desperately for its independence, would not be

regarded as a reliable ally on such a mortal issue as nuclear deterrence in Asia or anywhere else."

You know, he could be right. The problem with Rostow is that when he had the reins of power, he never accepted the responsibility of going where his logic said he ought to go. Obviously Rostow knew that you can't fight a victory-less war forever, supplying your own troops with one hand and sily feeding the enemy with the other. But you never heard him urging a "win" policy or the blockading of enemy ports, when he had the chance to do so effectively. Yet, even if Rostow was weak in practice, his prediction could well be accurate.

Coming To Scratch

That diamond dump of bureaucratic information has arrived from the Superintendent of Documents in Washington.

Called the "United States Government Organization Manual 1971-72," its 809 pages are loaded with vivid descriptions of agencies, commissions, departments, services, boards — dozens of them.

At three bucks a copy it's

Quick Quiz

Q—Which is the oldest synagogue existing in the United States?

A—That at Newport, R. I., dedicated in 1763. It is a national historic site.

Q—According to mythology, what horse was supposed to have predicted his master's death?

A—Xanthus, the horse of Achilles, after being scolded by the mighty Greek warrior.

Q—Can individual American citizens acquire U.S. flags that have flown over the national Capitol?

A—Yes, upon request to the constituent's congressman or senator.

Q—Which American lawn sport is known in England as "pall-mall"?

A—Pall-mall is the English equivalent of American croquet.

a terrific buy if you are interested in some of the fine points of federal administration. There are organization charts galore, a roster of everyone who is anyone in Washington and an index of organizations many of which we've never even heard of.

For example, How many readers of The News are aware that we have a Four Corners Regional Commission? Or a Lewis and Clark Trail Commission? Or an Institute of Nutrition for Central America and Panama? Or a Center for Short-Lived Phenomena?

Then there's the National Screw Thread Commission. And the Electromagnetic Radiation Effects Management Advisory Bureau. And the International Center for the Settlement of Investment Disputes. We could go on.

Bureaucratic organizations persist long after their original pertinency has diminished to the level of low priority. Rarely, does a governmental agency nominate itself as a candidate for extinction. Even for a tax payer to suggest a little pruning here and there has the aspect of giving advice to something that doesn't have the power of choice. We can only prophesy to the civil servants who are engaged in the more nearly legitimate endeavors that the cancerous growth will claim them, along with many other victims.

WASHINGTON

Nikita's Deep Fear Of Red China

By RAY CROMLEY

WASHINGTON (NEA) — There was a side of Nikita Khrushchev that has not been discussed in reports of his death.

It helps to explain his break with China and the Sino-Soviet feud.

One day when he was in power, Khrushchev, riding with an acquaintance of mine on a trip, confidentially made known his abiding personal fear of Communist China and its rulers. The fear was real and deep.

Khrushchev's feelings came out in bits and pieces, sometimes straightforwardly, sometimes haltingly. But one thing was clear in all his rambling and hesitations: Khrushchev did not trust the intentions of Peking's rulers. He worried about their growing military and industrial capacity and what they would do with that strength when it was developed.

He was not cheered by Sino-Russian history—more than a century of conflict and intrigue has marked relations between the two nations. My acquaintance got the feeling that Khrushchev looked back into history to the time when the hordes of Genghis Khan swept over Russia, destroying everything in their path.

As best my friend could translate, Khrushchev thought of the Communist Chinese as a new "Yellow Peril"—a jingoistic phrase almost forgotten today but a term that inflamed the fears of many people in the early years of this century when applied to another Asian nation.

It was Khrushchev who slammed the door on economic and nuclear aid for Communist China and withdrew the 1,390 Russian technicians aiding Peking.

If Khrushchev feared the power and intent of a strong Communist China ruled by Mao Tse-tung and his associates, it did not make sense to continue supplying nuclear technical aid and nuclear secrets to Peking, nor to continue strengthening China industrially, knowing that a vigorous industrial base would make for greater military strength.

This fear of China in turn made it necessary for Khrushchev to shift from a world policy which depended on Peking as a strong military ally. The fear undoubtedly was behind his attempts to surround and contain Chinese expansion.

The situation was worsened, of course, by the personal feud between Khrushchev and Mao. Khrushchev thought of himself (the ruler of Russia) as the world leader of communism. Mao thought of Khrushchev as an upstart. With Stalin dead, Mao believed it was right and proper that he, as one of communism's pioneers, should assume the mantle of international leadership which Stalin had worn. Neither could forgive the other for challenging his authority.

May work 20 hours on crackers and pop.

PAUL HARVEY NEWS

The Service Station Man

By PAUL HARVEY

The Service Station Man is in business for himself. That means he is allowed to work for you for less than the legal minimum wage — and no tips.

Why does he? The Service Station Man sweats year 'round; in winter shoveling, starting, towing; in summer pumping gas for pennies.

He delivers and installs air, water and a wiped-off windshield for free.

He crosses his fingers while a careless motorist flicks ashes by the gas pump.

He crosses his heart when the next carload looks like hopheads who'll rob for a fix and kill if they have to.

The Service Station Man. At prices he's trapped between the company and the pirates. The majority overpopulates the intersection in anticipation of a brighter tomorrow, gets their 2 cents no matter what, while the guy on the pump handle gets squeezed and squeezed.

And reamed by part-time grease monkeys who goof off and lose customers one at a time forever.

Or misstamp a credit card with an old roller nobody can read and guess who will pay.

The Service Station Man gets rained on, shouted at, may be shot at.

May work 20 hours on crackers and pop.

And there are four in the driveway when number five can't wait for the restroom key.

The Service Station Man. With busted knuckles from a hundred sprung tire irons, he turns the key in the door and he's through for the day.

Your Health

By Dr. Lawrence Lamb

Gonorrhea Is A Crucial Problem

Dear Dr. Lamb — I'll skip formalities because I forgot most of them over here, but I can still write my requests. I've just read a late issue of your column about gonorrhea being the No. 2 infection in the United States. Well, I feel it would be a great service if you would have an article explaining the symptoms, what they cause or do to your sexual organs, and what cures there are and what early detection and treatment will do.

Being in Vietnam for seven months, stationed just outside of Saigon, "The World's Sin Capital," I've seen a few cases of things and have broadened my life with knowledge I'd like for you to pass on to other young people.

Also, I feel this point should be one of the heaviest points stressed in sex education in schools. I would be very pleased if you passed my point of view along to people who are in charge of sex education in schools.

Dear Reader — Your idea of including information on venereal disease in sex education is right on target. With each freedom should go a little responsibility. The truth is that an informed public using mature judgment could wipe out venereal disease.

The main point I'd like to make is that anyone can go to his or her local health department (city or county, depending on local organizational structure) for a free examination and treatment for venereal disease. Lack of money is no barrier to medical attention for anyone.

Gonorrhea is spread by sexual activity. In the male, the inflammation causes burning and itching during urination. A discharge may soon follow. The creamy or yellow discharge and discomfort usually warns the man. The female may have no symptoms and no noticeable discharge, other than her normal amount of natural secretions. She can be infected and not realize it. In the male, the tubes to the testicle are involved and may become scarred, making him permanently sterile. The tubes in the female are similarly affected and may cause permanent sterility.

Gonorrhea can also cause arthritis, which is particularly difficult to treat.

The woman taking birth control pills is twice as easily infected on exposure to gonorrhea. The pills affect the normal acidity of the vagina, which helps to ward off germs.

Syphilis can cause an infection without any evident signs. A small sore may develop soon after exposure but it may be so small, or within the vagina, that it goes unnoticed. Untreated syphilis is the great imitator, causing problems similar to almost all diseases known.

Inside Washington

The Voice Is Jordan's — But The Hand Belongs To State Department

ROBERT ALLEN

UNITED NATIONS, N.Y. — The voice is the voice of Jordan, but the hand is the hand of the U.S. State Department — that is, behind the UN Security Council's consideration of the Arabs' latest demand for drastic sanctions against Israel. It's open talk in UN lounges and lobbies that the State Department covertly "aided and abetted" this menacing move against Israel in order to pressure it to agree to Secretary Rogers' secret-shrouded peace terms.

With amused cynicism, UN diplomats are explaining that startling accusation by pointing out that because of Jordan's heavy dependence on the U.S. for military and financial support, the State Department could have readily "dissuaded" Jordan from insisting that the Security Council crack down on Israel because of alleged annexation of Jerusalem and adjoining Arab lands.

As evidence of Jordan's extensive dependence on the U.S., it is being wryly noted that in recent weeks the U.S. shipped some 100 heavy M-60 tanks and a large quantity of ammunition and other military hardware to Jordan. Also that \$30 million in so-called "security supporting assistance" is earmarked for Jordan in the foreign aid authorization bill pending in Congress. The U.S. has been dishing out such funds to Jordan's military budget for years. Total U.S. military and economic aid to that country exceeds \$750 million.

But several months ago, when Jordan began clamoring for the Security Council to impose trade and military sanctions against Israel, the State Department, instead of exerting its powerful influence to induce Jordan to desist, did nothing.

Thus, UN insiders are sardonically observing, the State Department, in effect, gave Jordan the green light to pursue its highly explosive vendetta against Israel.

This secret policy is attributed directly to Secretary Rogers, who has been markedly unfavorable toward Israel throughout the nearly three years he has humbly headed the State Department.

Last year, when he opposed credits to Israel to finance the purchase of more fighter planes and other armaments, Sen. Henry Jackson (D-Wash.) sponsored a bill that went through Congress like greased lightning. This year, with Rogers again dragging his feet on more such legislation, Jackson is preparing to again put it through over his head.

Powder, Keg What happens in the UN Security Council remains to be seen.

The situation there has become particularly uncertain as a result of the renewed fighting on the Suez front.

While the 13-month-old ceasefire still held, the general backstage view was that Jordan's demand for sanctions, strongly seconded by Egypt and Syria, would be watered down to a United Nations inquiry of Arab charges that Israel was absorbing additional territory.

Israel indignantly characterizes these accusations as "frivolous" and made solely to divert world attention from Jordan's bloody internal conflict with the Palestinian guerrillas.

But with the Suez front once more inflamed, anything may happen — both there and in the Security Council.

The U.S. may have lost much of its clout both with Jordan and in the Security Council.

For domestic reasons and his tattered relations with the other Arab leaders, King Hussein may no longer be "pressurable" by the State Department. And the Security Council, for some time, has displayed a distinctly anti-Israel bias. It is definitely weighted against Israel.

The U.S. can block the imposition of sanctions by exercising its veto power. But it has never done so before — and it's highly doubtful whether Rogers will use it in behalf of Israel, in view of his underlying hostility toward it.

So the outcome is a toss-up, and from the talk in the lobbies and lounges, UN insiders won't be surprised if it's a bombshell.

Note: The word here is that Moscow is making strenuous efforts to save the life of former Egyptian Vice President Ali Sabry, now being tried with a number of other high officials for plotting to overthrow President Sadat. Sabry and most of the other conspirators were strongly pro-Soviet, but Sadat is demanding the death penalty for them.

Whether the Kremlin can save Sabry and some of the others remains to be seen. Moscow had no luck in trying to help the Sudan plotters against President Nimeri. He brushed off Russian pleas and executed a number of leading Communists.

Taiwan Defector United Nations circles are buzzing with a report that an "important" official of the Chiang Kai-shek regime defected to Peking.

According to this account, he is a Chang Shuang-chao, who is described as the "ex-confidential secretary of the Department of Finance of the Taiwan government." Apparently he and his whole family somehow got to Peking.

Where and how this defector took place is vague. It assumed the Changs got to the Red-ruled mainland from Hong Kong.

Taiwan diplomats here are declining comment on the matter.

Any woman who wants a little time to herself has only to start doing the dishes.

Today, when the frost is on the pumpkin, it's usually the pie in the deep freezer.

ABOARD USS LEXINGTON — These official U.S. Navy photographs show four Pampans and other Texas Panhandle officials as they visited the Aircraft Carrier Lexington in the Gulf of Mexico Wednesday and Thursday. In the top photo Kay Fancher, chamber of commerce president is on the left and Mayor Milo Carlson, fourth from the left. Bottom photo: E. O. Wedgeworth, chamber manager, and City Manager Mack Wofford are second and third from the right.

New Books On Shelves

A NEST OF TRAITORS — John Creasey; loyalty to the memory of a murdered comrade plunges Patrick Dwyer into a murder investigation which endangers his life.

TOM CORBETT'S STATELY GHOSTS OF ENGLAND — Diana Norman; old castles with their histories of violence, murder, and cold gloom provide a perfect setting.

SERGEANT SUTTON — Robert E. Ford; an action-packed novel of the Marines of WW II.

BLACKRAGE — William H. Grier; reveals the full dimensions of the inner conflicts and the desperation of the black man's life in America.

TRAP No. 6 — Stephen Ransome; a novel filled with surprising twists from beginning to end.

THE TAMARIND SEED — Evelyn Anthony; a dramatic story of a beautiful woman who falls in love with a Russian and finds herself trapped in a web of suspicion.

MATCH FOR A MURDERER — Dorothy Dunnett; a novel of suspense.

FORTY ACRES — Mark Day; Cesar Chavez and the farm workers.

THE GAME OF TROY — Jon Manchip White; Gabriel Sarrazin was a rich and powerful Texas and commissioned an architect to construct a life-size, underground maze for after-dinner amusement. The maze is no rich man's joke, but a deadly nightmare.

SAN DIEGO, Calif. (AP) — A peace group says more than 82 per cent of the 54,721 ballots cast in a street corner straw vote here favored keeping the Navy aircraft carrier Constellation at home. But the Navy says the vessel and its 5,000-man crew will sail for Southeast Asia Nov. 1 anyway.

The vote, held over a five-day period throughout the county with no guarantee that a person did not vote more than once, showed 45,060 ballots opposing the Constellation's departure and 9,661 favoring it, organizers said Wednesday.

ALBANY, N.Y. (AP) — Chairman Joseph Swidler kept his cool Wednesday when a bomb threat was telephoned to the Public Service Commission building in the midst of a hearing on natural gas shortages. Swidler corralled the recording stenographer and invited all parties outside to the parking lot where he resumed the hearing in balmy sunshine.

SWIM LESSONS—There are still some vacancy spots in the fall swim program for children. A schedule of all the classes offered is listed below and parents should take this opportunity now to enroll. Our classes during the school year are held after school is out in the afternoons either from 4-5 or 5-6 p.m. Classes meet only on Monday, Wednesday, Thursday and Fridays for 10 meeting dates. This would make each class last 2½ weeks.

All classes are taught by our own Red Cross water safety instructor, Ruth Carter. All classes are Red Cross lessons and are free to Center members. A pool fee of \$4.00 is charged to non-members.

4:00—Beginners
5:00—Adv. Beginners

WOMEN'S EXERCISE CLASS — The Center offers to the women a private exercise and swim class on Monday and Friday morning. The exercise classes meet in the gym at 9:30 a.m. and the instructor leads you through a recorded session.

At 10:10 a.m. you are invited to participate in an informal swim time until 11:30. No lessons are given during this time.

There is a baby sitting service available for mothers who have children at home. The charge per child for the full 2 hours is only 50 cents or only 25 cents for the exercise class. To participate you need only be a Center member in good standing.

SWIM TEAM — The Dolphin Swim Club is still working out daily from 6-7 p.m. in preparation for winter week-end meets. There is still a need for some other swimmers both boys and girls in all age groups. The club has also scheduled a swim clinic for Oct. 23 from 10-12 a.m. when Rick Hoover of the Amarillo Aquatic Club will preside. All interested swimmers are invited to attend this clinic.

JUDO CLASS—Attention boys and girls. The Center has started its new judo class and invited all who are interested to enroll. This is a class for beginners and more advanced students as well. If you have ever wanted to take judo, this is the time to start.

Classes are held each Monday and Thursday nights from 7-8:30 p.m. in the Center recreation hall. Enrollment is open to boys and men 8 years of age or older and girls 12 years of age or older. Each participant should be a Center member and will be required to pay a mat fee of 50 cents each month. Memberships are only \$5 for six months or \$8 per year.

BASKETBALL LEAGUES — The Center is trying to start the organization of the winter basketball leagues earlier this year in hopes that we might generate more response. In addition to the men's league we are trying to organize a youth league as well. This would be open to any Jr. and Sr. high group whether church, organizational, clubs or independents who are interested in basketball.

The men's basketball league will also be offered as usual and is open to all teams. Teams do not have to be from Pampa, but all surrounding towns as well. League play will begin on

are about Dec. 1. A league organizational meeting will be held on Monday night, Nov. 8 at 7:00 p.m. to draw up plans and schedules.

VOLLEYBALL LEAGUE — Central Baptist and First Baptist Churches share first place in the men's volleyball league competition now with 2-0 records. First National Bank and First Baptist No. 2 are second at 1-1 while Sharp's Motorcycle Sales and Pampa News are at 0-2.

Results this week found First Baptist No. 1 over Sharp's Motorcycle Sales 13-15, 15-3 and 15-9; First National Bank over First Baptist No. 2 15-8 and 15-11 while Central Baptist took Pampa News 15-0 and 15-0.

SAN FRANCISCO (AP) — The 24-year-old son of San Mateo County Dist. Atty. Keith Sorenson has been indicted by a federal grand jury on charges of refusing to report for induction.

The indictment returned Wednesday charges Thomas Keith Sorenson, a former senior at Brigham Young University in Provo, Utah, failed to appear for induction as ordered Nov. 12, 1970, at Oakland Induction Center.
