

### W. T. Hamilton Funeral Held on Wednesday

A long-time resident of the county, William Travis Hamilton, 90, died at the home of a daughter, at 118 West Crockett street about 2:40 a. m. Tuesday. Mr. Hamilton had been in failing health for over a year. He was a retired farmer.

Funeral rites were conducted yesterday afternoon at 3 o'clock in the First Baptist Church in Floydada, of which he was a member. Husband of a granddaughter, Rev. Clifford Potts pastor of the Whiteface Baptist Church, officiated, assisted by the Rev. Ed B. Bowles. Interment was in Floydada cemetery under the direction of Harmon Funeral Home.

Pallbearers were Edell DuBois, Lindsey Graham, Charlie Bedford, Lorin Leibfried, Clarence Guffee, and A. C. Rainer.

Mr. Hamilton was born March 8, 1870 in McMinnville, Tenn. He was married to the former Rachel S. Hornbuckle, who died Sept. 14, 1946 in Floydada.

The Hamilton family came to Texas in 1883 and to Floyd County in 1918. Mr. Hamilton had been bedfast for several weeks.

Survivors include a son, Thurmon T. Hamilton, who is tax assessor and collector in Floyd County; a daughter, Mrs. Prudie Mae Wall of Floydada; four grandchildren; five step great grandchildren; three brothers, Joe Hamilton, Sherman, Tex., Claud Hamilton, California, and Leo Hamilton, address unknown; one sister, Mrs. Anna Grizzell of Honey Grove, Tex.

FALL IS HERE and a familiar sight in Floydada and throughout the cotton country of the south plains is the arrival of field hands from South Texas. Pictured here is a crew boss Salome Solis of Edinburg, Texas, along with members of his family and others in the crew. Solis says he has been making the trip north with the opening of the cotton bolls for the past 20 seasons. This year he will be working in the South Plains community of Floyd County. Area farmers and merchants look with favor on the fall influx of migrant workers who make quick work of the harvest and put retail stores to buzzing with activity.

### Reorganization of Baptist Forces Slated Saturday

A re-alignment of Baptist forces of this section will take place at Quitaque next Thursday when the Floyd Baptist Association will hold its final session.

At that time three of the member churches will join the Staked Plains Baptist Association and the remaining 23 will become members of the Caprock Baptist Association, with congregations in the five counties of Floyd, Crosby, Motley, Dickens and Briscoe listed in the new affiliation.

Lockney, Aiken and Lone Star are the three churches which will become members of the Staked Plains Baptist Association.

Nine churches in Dickens County will become members of the Caprock Association when the reorganization is completed, bringing the total number of churches in the association to 32.

Thursday's session will be the 44th in the Floyd Association's long history. It was organized during the dark days of the first world war.

Rev. Gene Hawkins, Matador, is moderator of Floyd Baptist Association and Bob Moore clerk.

Floyd County churches which will be members of the new association are Cedar Hill, Floydada, First, Floydada Calvary, McCay, Friendship, Lakeview, Dougherty, South Plains, Sand Hill.

Briscoe churches in the new association will be Quitaque and Silverton.

Crosby County churches in the new alignment will be Mt. Blanca, Pansy, Crosbyton, Ralls First, Ralls Bethel, Caprock, Cone.

Motley County churches will be Whiteflat, Matador, Plomot, Northfield, Roaring Springs.

The nine Dickens County churches are Afton, Bethel, Dry Lake, Dickens, Friendship, Spur First, Spur Steel Hill, Watson and Trinity.

Survivors include his wife; four children; a brother, O. J. Moore of McDade and a sister, Mrs. E. E. Boethe of Lubbock.

### Mitchell Slates Field Tour Today

R. C. Mitchell, producer of duce for distribution over the Mitchell Hybrid Milo planting seed will hold his first field tour for the general public Thursday, September 29 beginning at 2:30 p. m. at his farm at Lockney.

Mr. Mitchell said he will show some field tests on several varieties of hybrids which he will produce for distribution over the area.

Also his seed production fields will be shown and a question and answer period relative to seed production practices will be held during the tour.

Another interesting feature will be a demonstration plot showing the effects of withholding water for a time from milo during the growing season for the purpose of holding down height of stalk without materially reducing the yield.

Mitchell's farm is located 5 miles south and 1 mile west of Lockney on Farm Road 378.

Refreshments will be served after the short tour, and everyone interested is invited to attend.

### Hollis B. Moore Died Saturday; Rites At Bowie

Word was received here Saturday telling of the death of a former resident of the city, Hollis B. Moore, 58, of Arlington, Mr. Moore died Saturday with rites, being held Monday afternoon near Bowie, Tex.

Mr. Moore was in the drug business in Floydada in the late 1920's. He came to the county as a youngster with his parents. At the time of his death he was a pharmaceutical salesman in the South Plains area and called on local drug stores in Floydada.

The deceased was a brother of the late Louie F. Moore, former Lubbock County clerk, and the late Frank L. Moore, former business man and county judge of Floyd County.

Survivors include his wife; four children; a brother, O. J. Moore of McDade and a sister, Mrs. E. E. Boethe of Lubbock.

# FEW HARVEST HANDS FIND FIELDS READY

### COTTON MAN WILL TALK DEFOLIATION TO YOUNG FARMERS

The Young Farmers Association of Floydada at their meeting Monday night will hear a discussion on defoliation and harvesting of cotton. The meeting will be held in the bag room at Floydada High School beginning at 8 o'clock.

Carl Brock, program chairman for October, announces that Emmett Holcamp, of Lubbock Experiment Station, will be the speaker.

The meeting will be held in the bag room at Floydada High School beginning at 8 o'clock.

This should be a program of interest to farmers of our area, said Gene Bloys, who added that all persons interested in the problem of defoliation and harvesting or in joining the Young Farmers Association are invited to attend.

### Moisture And Cool Weather Slow Opening

Not more than 15 crews were in Floyd County cotton fields yesterday only two or three of these sizable, and not more than 300 bales of the 115,000-bale crop has been gathered. Impatient farm operators see the bolls in their tremendous crops open in leisurely fashion.

This The Hesperian learned yesterday morning in a hurried survey of the situation.

At this date, and assuming good weather, real harvest is not likely to get underway before the 10th of October. This is the considered opinion of the talent in the ginning trade.

The stalks have been continuing to load up and even late cotton is showing up well now. But the difference between a crop that catches a late freeze and one that catches an early freeze would be several thousand bales.

The Texas Employment Commission, which put Chas. O. Spence to work in Floydada Monday morning to help get worker placement, is estimating the crop at 100,000 bales, with not more than 5 per cent of the bolls open.

Plains Cotton Growers has a higher estimate for the county putting the figure at 115,000 bales. County Agent Cecil Lewis is confident the total production in the county will exceed 100,000 bales. The crop is really a good one, he says.

The Hesperian knows of only two cotton growers who have as many as 20 bales out of the fields and ginned.

Apparently most activity is around Floydada and South Plains, although several other gins have handled their first bales.

Last Friday night's cold front triggered a bit of hail in three small areas in the county. One of these was northwest of Aiken, another around Campbell and the other southward from Dougherty. The damage in these areas was not extensive, say our informants.

What crews are out this week are getting afternoon pulling only. The cotton is green and considerable moisture is in the ground. Dew has been noted every morning.

Partial rainfall has dotted the county in the past 10 days and lower than normal temperatures have prevailed in night hours. Fields that gave indications of opening fast two weeks ago have slowed down materially. Bolls are not cracking open as expected.

Widely varying conditions prevail as to ground moisture. Most all parts of the county have good soil moisture. Generous rainfall has made wheat ground preparation and sowing ideal in more than half of the county. But other parts do not have ample top moisture to get a stand of wheat.

Maize Harvest Continues  
Maize harvesting, which began 30 days ago, is continuing intermittently. Many acres have been harvested. Damp nights have slowed operations down. Harvesting will continue past the frost date, whatever that may be.

A MOUNTAIN OF CALICHE is being used in the reconstruction of Highway 62 from Floydada to the Crosby County line. This week-end scene indicates how a big shovel is used to load out an unending line of dumptrucks to take material to the road bed. Strain Bros. of San Angelo have the contract for the 10.8 miles of roadway at a price of \$664,241.05. (Staff photo and engraving)

### Whirlwinds Meet Post Antelopes On Wester Field Friday Night

The Floydada Whirlwinds will se he plays a fine inside line their greens for the first time home on Wester Field this week. Antelopes on Friday night. Game time is 8:00 p. m. and a big crowd is expected for the contest.

Added highlights will be the performance of the bands of the two schools as they bring music and half time shows.

The Post team is coached by Vernard Alexander who is in his second year with the Garza County school. This season his Antelopes have played an extremely rough schedule and have not won a game so far. The Antelopes were dropped by Ralls, Colorado City, Spur and Ballinger on successive weekends.

The Post team started a building program last year and their efforts appeared to be bearing fruit. This year they started the season with some 30 or more boys out for practice. Included in this list were 11 lettermen from last year's team.

This year's rough schedule coupled with the young inexperienced squad has started the Antelope season in a dismal way, but they are hungry and if they catch a team with their guard down the Post boys will be ready to try and balance the books.

Post has been led this fall by Jimmy Minor, a 160-pound full back who runs well, and on defense Schacht, Robertson Trade Places On ASC Committee

Henry Schacht of Lockney and J. B. Robertson of Allmon have swapped jobs on the Floyd County Agricultural Stabilization and Conservation County Committee as a result of the vote in the convention of community chairmen held this week.

Schacht was named chairman of the committee. He was vice chairman last year. Robertson is vice chairman. He was chairman last year.

The third member of the board is John B. Smitherman, of Floydada who succeeds Shirley W. Irwin of Fairview.

J. K. West of South Plains was named first alternate member and Ned Bradley of Antelope second alternate.

### DOLLAR DAYS AND BARGAIN DAYS, TOO

Floydada merchants blast off this weekend with an assortment of dollar days, triple dollar days, Beall Ringers, and store-wide clearance sales aimed at giving the shopper some big days in local stores.

Dry goods stores and food stores lead the way in bargain days in this week's Hesperian. Miladtes Shoppe is holding a store-wide clearance sale, Beall Brothers are starting their annual October Beall Ringer, The Fair Store is having a triple dollar day, Hale's is staging dollar day, Hagood's triple dollar day.

Floydada food stores are also joining in the bargain fun with big food values. This week Piggy-Wiggly, Powells, Hull & McBrien, Star Cash and Western have ad copy in the Hesperian. Wester is following the dollar theme with volume items offered.

So all in all it will be a big opportunity for the wise home maker to shop Floydada stores second alternate.

## Floydada Merchants At Their Jobs

**BUSINESS BUILDER.** One of the enterprising young business men who is helping to broaden the demand for Floydada products is Emory Cox, shown above, re-doing a tractor tire in the shop at OK Welders. (Staff photo and engraving)

Emory Cox, assistant manager at OK Rubber Welders, is a long time resident of the plains country. Cox came to Floydada from the Farmer community in Crosby County in 1934 and has lived here since that time.

He and wife, Ivy, have three children. They are sons, Leonard five years old, and Kenneth 2 months old, and daughter Karan two years old. The Coxes are members of the Calvary Baptist Church in Floydada.

On the job at OK Welders our merchant of the week is engaged in tire sales both new and used and in recapping, tire repair and road and field service. OK Welders offer the nationally known General and Star tires along with several other brands of auto truck and tractor tires. He has been with the firm since 1952. At present time the staff at OK numbers some four members.

Off the job Cox has a number of interesting hobbies. Until recently he had a reputation as a opossum hunter and usually kept several dogs. Now he has taken to toy fox terriers and raises these and fighting roosters in his spare time.

Cox is popular with the callers at OK Welders as he always has a grin and a good word to go with the service offered.

## Rain Squall Causes Truck-Auto Crash

Three Floydada women escaped serious injury early Friday morning as their car went out of control and hit a truck shortly after a hard driving rain had struck the city.

The women were Girlie Campbell, Georgia Lee Bryant and Ovella Stephens, all occupants of a 1952 Cadillac belonging to Mrs. Bryant and driven by Mrs. Campbell.

The accident occurred in front of the King Tractor Co., Lockney Highway, when the Cadillac car swerved out of control after hitting a water puddle, and struck a legally parked truck trailer on the opposite side of the street.

The truck, Chevrolet cab-over-engine, belonged to C. A. Washburn of Belton, and was occupied by Jim Bagley and Roy Hickmon, both of Belton. Both men were asleep at the time of the collision.

They were enroute to New Mexico with a load of cedar posts and decided to pull over and sleep during the storm.

Investigating officers said the car coming into the town, south skidded 80 feet before striking the truck against the front and left portion of the vehicle. The car was also smashed along the driver's side.

Reports said the women left the scene to seek first aid at their homes but realizing they were occupants in the truck. The driver and his assistant said they thought lightning had struck their vehicle until they saw the car as it was leaving. Neither man was injured and the Floydada women sustained only minor bruises, one requiring X-rays to determine

If there were serious injuries. The truck received some \$600 damages and extensive damages was reported on the Bryant car

Miss Zula Mae Parkey, 94, sister of D. J. Parkey of Floydada, died in her home at Olton Friday. Funeral rites were conducted Saturday in the First Baptist Church at Olton with burial in Littlefield Memorial Park. Miss Parkey died after suffering a stroke.

She had been a resident of Olton for five years, moving there from Hart Camp community.

Survivors include four brothers, D. J. of Floydada, W. C. of Bull Head, Ariz., C. J. of Mangum, Okla., and E. E. of Portales, N. Mex.; three sisters, Miss Virginia Parkey, Olton, Mrs. C. E. Hukil Clovis, N. Mex., and Mrs. Bill Hurst of Oklahoma City.

## CRANSTON OGDEN'S OUTFIT DOING FIELD EXERCISES IN OCCUPIED GERMANY

GRAFENWOHR, GERMANY (AP) — Army PFC Cranston R. Ogden, son of Mr. and Mrs. Ray Ogden, 617 W. Jackson, Floydada, Tex., is participating with other personnel from the 3d Armored Division in a field training exercise in Grafenwohr, Germany. The six-week exercise is scheduled to be concluded Oct. 1.

Some 15,000 troops and more than 1,000 tanks and armored personnel carriers will maneuver over the rough and hilly terrain of the training area. Grafenwohr is the largest training area available to NATO forces in Europe.

Ogden, a driver in Headquarters Battery of the division's 6th Artillery in Gelnhausen, entered the Army in July 1959 and completed basic combat training at Fort Ord, Calif.

The 24-year-old soldier is a 1954 graduate of Floydada High School.

W. T. Hamilton Funeral Held on Wednesday

A long-time resident of the county, William Travis Hamilton, 90, died at the home of a daughter...

Funeral rites were conducted yesterday afternoon at 3 o'clock in the First Baptist Church in Floydada...

Pallbearers were Edell DuBois, Lindsey Graham, Charlie Bedford, Lorin Leibfried, Clarence Guffee, and A. C. Rainer.

Mr. Hamilton was born March 8, 1870 in McMinnville, Tenn. He was married to the former Rachel S. Hornbuckle, who died Sept. 14, 1946 in Floydada.

The Hamilton family came to Texas in 1883 and to Floyd County in 1918. Mr. Hamilton had been bedfast for several weeks.

Survivors include a son, Thurmon T. Hamilton, who is tax assessor and collector in Floyd County; a daughter, Mrs. Prudence Mae Wall of Floydada; four grandchildren; five step great grandchildren; three brothers: Joe Hamilton, Sherman, Tex.; Claud Hamilton, California; and Leo Hamilton, address unknown; one sister, Mrs. Anna Grizzell of Honey Grove, Tex.

FALL IS HERE and a familiar sight in Floydada and throughout the cotton country of the south plains is the arrival of field hands from South Texas...

AT QUITAQUE MEETING

Reorganization of Baptist Forces Slated Saturday

A re-alignment of Baptist forces of this section will take place at Quitaque next Thursday when the Floyd Baptist Association will hold its final session.

At that time three of the member churches will join the Staked Plains Baptist Association and the remaining 23 will become members of the Caprock Baptist Association...

Lockney, Aiken and Lone Star are the three churches which will become members of the Staked Plains Baptist Association.

Nine churches in Dickens County will become members of the Caprock Association when the reorganization is completed, bringing the total number of churches in the association to 32.

Thursday's session will be the 44th in the Floyd Association's long history. It was organized during the dark days of the first world war.

Rev. Gene Hawkins, Matador, is moderator of Floyd Baptist Association and Bob Moore clerk.

Floyd County churches which will be members of the new association are Cedar Hill, Floydada, First, Floydada Calvary, McCoy Friendship, Lakeview, Dougherty South Plains, Sand Hill.

Briscoe churches in the new association will be Quitaque and Silverton. Crosby County churches in the new alignment will be Mt. Blanco, Pansy, Crosbyton, Ralls First, Ralls Bethel, Caprock, Cone.

Motley County churches will be the Whitefield, Matador, Plomot, Northfield, Roaring Springs. The nine Dickens County churches are Afton, Bethel, Dry Lake, Dickens, Friendship, Spur First, Spur Steel Hill, Watson and Trinity.

Mitchell Slates Field Tour Today

R. C. Mitchell, producer of Mitchell Hybrid Milo planting seed will hold his first field tour for the general public Thursday September 29 beginning at 2:30 p. m. at his farm at Lockney.

Mr. Mitchell said he will show some field tests on several varieties of hybrids which he will produce for distribution over the area.

Another interesting feature will be a demonstration plot showing the effects of withholding water for a time from milo during the growing season for the purpose of holding down height of stalk without materially reducing the yield.

Mitchell's farm is located 5 miles south and 1 mile west of Lockney on Farm Road 378.

Refreshments will be served after the short tour, and everyone interested is invited to attend.

Hollis B. Moore Died Saturday; Rites At Bowie

Word was received here Saturday telling of the death of a former resident of the city, Hollis B. Moore, 58, of Arlington. Mr. Moore died Saturday with rites being held Monday afternoon near Bowie, Tex.

Mr. Moore was in the drug business in Floydada in the late 1920's. He came to the county as a youngster with his parents. At the time of his death he was a pharmaceutical salesman in the South Plains area and called on local drug stores in Floydada.

The deceased was a brother of the late Louie F. Moore, former Lubbock County clerk, and the late Frank L. Moore, former business man and county judge of Floyd County.

Survivors include his wife; four children; a brother, O. J. Moore of McDade and a sister, Mrs. E. E. Boothe of Lubbock.

SCS Election In Zone Two

Election to fill the post of supervisor for Zone 2 of the Floyd County Soil Conservation District will be held at South Plains school auditorium Tuesday night of next week when the land owners of the zone gather at 8 o'clock to name a successor for Cecil Purcell, whose term is expiring.

In addition to the election proceedings colored slides showing conservation work being carried out in the county will be thrown on the screen.

Joe McEntire, work unit conservationist with the district, will be among those who attend.

Eligibles to take part in the election are those who own land in Zone 2.

DOLLAR DAYS AND BARGAIN DAYS. TOO

Floydada merchants blast off this weekend with an assortment of dollar days, triple dollar days, Beall Ringers, and store-wide clearance sales aimed at giving the shopper some big days in local stores.

Dry goods stores and food stores lead the way in bargain days in this week's Hesperian. Miladys Shoppe is holding a store-wide clearance sale. Beall Brothers are starting their annual October Beall Ringer. The Fair Store is having a triple dollar day. Hale's is staging dollar day. Hagood's triple dollar day.

Floydada food stores are also joining in the bargain fun with big food values. This week Pig Wiggly, Powells, Hall & McBrien, Star Cash and Westler's have ad copy in the Hesperian. Westler is following the dollar theme with volume items offered.

So all in all it will be a big opportunity for the wise home maker to shop Floydada stores second alternate.

FEW HARVEST HANDS FIND FIELDS READY

COTTON MAN WILL TALK DEFOLIATION TO YOUNG FARMERS

The Young Farmers Association Emmett Holcamp, of Lubbock, said Gene Bloys, who added that Monday night will hear a discussion on defoliation and harvesting. The meeting will be held in the evening room at Floydada High School beginning at 8 o'clock.

Carl Brock, program chairman for October, announces that this should be a program of interest to farmers of our area.

all persons interested in the problems of defoliation and harvesting or in joining the Young Farmers Association are invited to attend.

Moisture And Cool Weather Slow Opennig

Not more than 15 crews were in Floyd County cotton fields yesterday only two or three of these sizable, and not more than 300 bales of the 115,000-bale crop has been gathered. Impatient farm operators see the bolts in their tremendous crops open in leisurely fashion.

This The Hesperian learned yesterday morning in a hurried survey of the situation. At this date, and assuming good weather, real harvest is not likely to get underway before the 10th of October. This is the considered opinion of the talent in the ginning trade.

The stalks have been continuing to load up and even late cotton is showing up well now. But the difference between a crop that catches a late freeze and one that catches an early freeze would be several thousand bales.

The Texas Employment Commission, which put Chas. O. Spence to work in Floydada Monday morning to help get worker placement, is estimating the crop at 100,000 bales, with not more than 5 per cent of the bolls open. Plains Cotton Growers has a higher estimate for the county putting the figure at 115,000 bales.

County Agent Cecil Lewis is confident the total production in the county will exceed 100,000 bales. The crop is really a good one, he says.

The Hesperian knows of only two cotton growers who have as many as 200 bales out of the fields and ginned.

Apparently most activity is around Floydada and South Plains, although several other gins have handled their first bales.

Last Friday night's cold front triggered a bit of hail in three small areas in the county. One of these was northwest of Aiken, another around Campbell and the other southward from Dougherty. The damage in these areas was not extensive, say our informants.

What crews are out this week are getting afternoon pulling only. The cotton is green and considerable moisture is in the ground. Dew has been noted every morning.

Partial rainfall has dotted the county in the past 10 days and lower than normal temperatures have prevailed in night hours. Fields that gave indications of opening fast two weeks ago have slowed down materially. Bolls are not cracking open as expected.

Widely varying conditions prevail as to ground moisture. Most all parts of the county have good subsoil moisture. Generous rainfall has made warm ground preparation and sowing ideal in more than half of the county. But other parts do not have ample top moisture to get a stand of wheat.

Maize Harvest Continues

Maize harvesting, which began 30 days ago, is continuing intermittently. Many acres have been harvested. Damp nights have slowed operations down. Harvesting will continue past the frost date, whatever that may be.

A MOUNTAIN OF CALICHE is being used in the reconstruction of Highway 62 from Floydada to the Crosby County line. This week-end scene indicates how a big shovel is used to load out an unending line of dumptrucks to take material to the road bed. Strain Bros. of San Angelo have the contract for the 10.8 miles of roadway at a price of \$664,241.05. (Staff photo and engraving)

Whirlwinds Meet Post Antelopes On Wester Field Friday Night

The Floydada Whirlwinds will be home on Wester Field this week when they play host to the Post Antelopes on Friday night. Game time is 8:00 p. m. and a big crowd is expected for the contest.

Added highlights will be the performance of the bands of the two schools as they bring music and half time shows.

The Post team is coached by Vernard Alexander who is in his second year with the Garza County school. This season his Antelopes have played an extremely rough schedule and have not won a game so far. The Antelopes were dropped by Ralls, Colorado City, Spur and Ballinger on successive weekends.

The Post team started a building program last year and their efforts appeared to be bearing fruit. This year they started the season with some 30 or more boys out for practice. Included in this list were 11 lettermen from last year's team.

This year's rough schedule coupled with the young inexperienced squad has started the Antelopes season in a dismal way, but they are hungry and if they catch a team with their guard down the Post boys will be ready to try and balance the books.

Post has been led this fall by Jimmy Minor, a 160-pound full back who runs well, and on defense Schacht, Robertson Trade Places On ASC Committee

Henry Schacht of Lockney and J. B. Robertson of Almon have swapped jobs on the Floyd County Agricultural Stabilization and Conservation County Committee as a result of the vote in the convention of community chairmen held this week.

Schacht was named chairman of the committee. He was vice chairman last year. Robertson is John B. Smitherman of Floyd who succeeds Shirley W. Irwin of Fairview.

J. K. West of South Plains was named first alternate member and Ned Bradley of Antelopes second alternate.

he plays a fine inside line backer position. His team mates are of almost equal weight with the Winds but may be slightly lighter in some positions.

The Antelopes usually run the T or winged T formation offense and like the seven diamond defense with Minor in the middle.

The Whirlwind coaches are expecting Post to do a lot of passing. Early Tuesday it appeared that the Floydada team might be in better condition than in past weeks. Kenneth Mankins may be ready for action soon and Charles Christian could be ready if his ankle comes around.

For the most part the Floydada team came out of the tough Dimmitt game in pretty good condition. Probable starting lineups appear on another page of this week's Hesperian.

Coaches Tyer and Curry are hoping the "Winds will not let down after being up for the Dimmitt game and expect an easy win from Post. This could set them up for an upset Friday night.

The Post team will be wearing gold with black trim and the Winds will suit out this week in

their greens for the first time. The Floydada-Freshmen and Post team play Lockney here tonight with the first game starting at 6:00 o'clock.

Scores Last Friday

### Club Council Reports Given At Meeting

The Floyd County Home Demonstration Council met Saturday for their first fall session. The meeting was called to order by the chairman, Mrs. E. G. No. 141.

Attending were the officers, eighteen members and the agent with nine clubs represented. The treasurer reported \$425.03 in funds to date.

Good reports were given by club presidents. Several clubs reported winning ribbons at the fair. Chairman of the Consumer Education Committee, Mrs. Arlon Miller, gave a report from a recent issue of "The Ladies Home Journal" by Dr. Speck, "What Are We Doing to Our Children?"

There were five 4-H leaders who attended the Leadership Training Meeting at Ceta Canyon. — Mr. and Mrs. Lynn Miller, Sand Hill, Mr. and Mrs. Bob Hopper, Harmony, Mrs. Tom Porter, Phyllis Roggendorff and the assistant county agent.

Mrs. Lynn Miller, Mrs. Hollis McLain, Mrs. Tom Porter were judges at Plainview last week at the 4-H fair. The boys and girls exhibited crafts, fresh vegetables, foods and arts.

Miss Roggendorff gave a training on "Election of Officers." She reported a nominating committee does make the election run more smoothly; however, members may be nominated from the floor. In choosing one should consider who will serve the club well in each office, she said.

She said that the annual reports from the committees are due by October 10. These are of based on which recommendations were carried out from the Council recommendations. Please

send these reports of each club committee to the Council chairman of that committee. The year book committee of each club sends to the chairman of council year book. This will give each chairman time to compile their reports.

The president of each club will give their annual report in the next meeting. These include the activities of the club on the recommendations from Council that were carried out.

A nominating committee was named. These are Mrs. Allan Gross, chairman, Mrs. Glenn Pool, Mrs. Arlon Miller.

The reports of the T H D A delegates were given. These were by Mrs. A. H. Kreis, Mrs. O. G. Mayfield and Mrs. John Shipley, who attended the state meeting at Brownsville last week. Sterley will have exhibit in October.

Attending Saturday's meeting from Dougherty was Mrs. G. W. Smith, Mrs. Mac Ward, Mrs. A. H. Kreis, and Mrs. Robert Ward. Harmony; Mrs. Truman Dunna, Mrs. Glenn Pool, and Mrs. Allan Gross.

34th Convention THDA The Fort Brown Memorial Center at Brownsville was the setting for the 34th annual convention of the Texas Home Demonstration Association which opened Sept. 14 and continued until Friday, Sept. 16.

General assembly on Wednesday morning officially opened the event with programs followed by

a noon luncheon and workshops in the afternoon. The women attending were also entertained with dinners and addressed from well known speakers.

On Thursday morning an election of officers was held with Mrs. Milton McGehee of Wayside, Tex., elected as THDA president. Other officers installed in ceremonies Thursday night along with Mrs. McGehee were Mrs. George Hackney Jr., of Greenville, vice president at large; Mrs. C. R. Berkley of Odessa, secretary; and Mrs. Clarence Davis of Quanah, treasurer.

Some 900 women from the 12 Districts in Texas attended the convention. District 3 and District 10. Three districts lacking only one county being 100 percent were Districts 1, 2, 3, 4, 7, 8, and 9.

Representing Floyd County at the convention were Mrs. A. H. Kreis, Mrs. O. G. Mayfield and Mrs. John Shipley.

So. Plains News

By Mrs. Murray Julian

SOUTH PLAINS, Sept. 26—This Monday there are low clouds, misty rain, and 46 degree weather and most of the community have gone to Lubbock to spend the day at the opening of the 43rd Panhandle South Plains Fair.

All schools were dismissed for the day, and everyone is taking advantage of the holiday.

Eighty-four attended Sunday morning Baptist Church services here even though many were absent due to the school holiday this Monday. Everyone please remember Training Union time Sunday night has been changed to six o'clock. Don Marble was baptized in Sunday night baptismal services, with around fifty present. The Bible Survey program, which Rev. J. H. Gillispie will teach, will resume Tuesday night, Oct. 4, at the church.

Mr. and Mrs. Frank McClure and granddaughter, D'Ann of Crosbyton, accompanied by Mrs. Carl Smith of Floydada, left last Monday for Houston, where they spent the week visiting their son the Donald McClures and three children and the Bruce Foster family, son of Mrs. Smith. They came home this Monday night.

Mrs. Bryan Karr visited in Lockney Monday with her parents Mr. and Mrs. H. S. Calahan Sr. Bryan has been confined to his home over the weekend with illness.

Mr. and Mrs. Sylvain Kinnibrugh, Marilyn and Beth, left Friday afternoon for Altus, Okla., where they stayed until Sunday evening at Lake Altus with her sister, Mr. and Mrs. W. H. Simmons and Ronnie of Truscott. The wind blew so hard all the time they were there, they were not able to be out in boats, however.

Mr. and Mrs. Chester Hidalgo and boys spent Sunday evening visiting with Mr. and Mrs. Philip Smitherman and boys.

Mr. and Mrs. Hub Austin and Gary of Borger came Saturday to spend the night with his sister, Mr. and Mrs. Sim Reeves. Other evening guests Saturday were

their sister, Mr. and Mrs. Walter Wilson of Fairview.

Mr. and Mrs. Ernest Smitherman are expecting his father, P. M. Smitherman home this week from Edmonton, Alberta, Canada, where he has been spending the summer with his daughter, the J. Fred Cox family. They left Canada this Monday flying here by private plane.

Mrs. Hansel Sanders is working at the Upton Grocery during the fall rush. Mrs. Harry Hartman helped them out there the past two weeks.

Mr. and Mrs. Wendell Johnson and children were among those from here who went to Lubbock this Monday to spend the day at the South Plains Fair.

Youth Meeting at Church Sunday Youth of the church met at the Baptist Church Sunday afternoon at 5:30 and stayed through church time with Rev. John Gillispie speaking to them on "How to Study the Bible." Refreshments of cake, cookies, and punch brought by Mrs. Roy Bledsoe and Mrs. Grigsby Milton were served by Mrs. Arby Mulder, their leader, to Yvonne Karr, Sue Wilson, Barbara Milton, Jimmie Pritchett, Frank Jones, Nathan Mulder, Bruce Julian, Mike Wood, Bill Bledsoe and Gary Wilson.

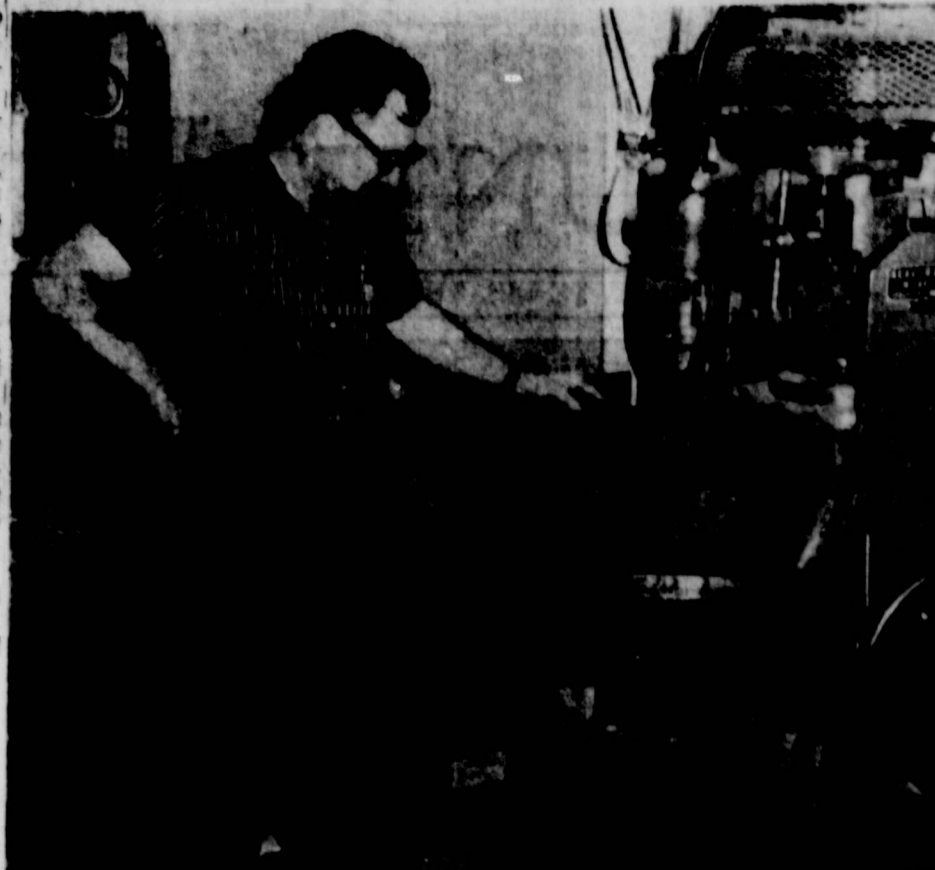

Mr. and Mrs. Terry Julian and Dee of Roscoe and Mr. and Mrs. Kendis Julian of Canyon came Friday evening to spend the week end with their parents, Mr. and Mrs. Murray Julian and Bruce. The occasion was the birthday, Sunday, of Murray Julian. They attended the Dimmitt-Floydada football game Friday night at Dimmitt and Sunday the Kendis Julians visited her folks, Mr. and Mrs. P. I. Roberts of Floydada.

Mr. and Mrs. George Weast returned Wednesday from Durango, Colo. Friday they went to Ruidoso, N. Mex., to spend the weekend at their cabin. They were accompanied by Mrs. Skeet Thornton. Sunday as they returned home they had dinner and afternoon in Roswell with friends, Mr. and Mrs. Bud Goldston.

Mr. and Mrs. R. H. Adams Allan and Larry went to Leveland Thursday to meet her brother, Mr. and Mrs. Cecil Helms of McCamery. Sunday they went over to Mulshoe to spend the day with another brother, Mr. and Mrs. Fred Helms and family.

Among those from here who went to the Floydada-Dimmitt game Friday night at Dimmitt were Mr. and Mrs. Grigsby Mil-

### FLOYDADA MERCHANTS AT THEIR JOBS

TED ALLEN, busy auto repair man in Floydada, is pictured here operating a head milling machine at his north Main Street Shop. Allen is well known over the trade territory in the automotive field.

★ ☆ ★ Ted Allen is no new comer in the auto repair business. He first served in that capacity in Floydada starting in 1936 and was here until 1952 before going to Nebraska and later to Ralls.

He returned to Floydada in 1959 at the 107 north Main Street stand and has been there since that time.

Mr. Allen is a family man. He and wife Lola have four children. They are Dona now in school in Oklahoma City, Teddy, a senior in FHS, Jerry a freshman in FHS, and Betty a second grader.

The Allens live in a new home on 714 West Missouri Street.

Ted told your reporter he did not have any hobbies but likes baseball and football. His favorite sport is baseball. Allen is a member of the First Baptist Church where he is a Sunday school teacher and is also a member of Floydada Rotary Club.

Ted Allen Auto Service now has a staff of five. They include beside Ted, Dean Ogden and Waldo Ogden (both of whom came to Floydada from Ralls and are buying homes here). Bunk Peos who is well known locally and Ted's son Teddy who is a part time employee of the firm.

Among the services offered to the public are day and night wrecker service, general automotive repair, transmission service, irrigation engine repair, tune ups safety inspection station, head milling, block re boring, sleeve installation, valve seat installation, brake drums turned down and a number of automotive repair services.

Mr. and Mrs. Ernest Smitherman are expecting his father, P. M. Smitherman home this week from Edmonton, Alberta, Canada, where he has been spending the summer with his daughter, the J. Fred Cox family. They left Canada this Monday flying here by private plane.

Mrs. Hansel Sanders is working at the Upton Grocery during the fall rush. Mrs. Harry Hartman helped them out there the past two weeks.

Mr. and Mrs. Wendell Johnson and children were among those from here who went to Lubbock this Monday to spend the day at the South Plains Fair.

Youth Meeting at Church Sunday Youth of the church met at the Baptist Church Sunday afternoon at 5:30 and stayed through church time with Rev. John Gillispie speaking to them on "How to Study the Bible." Refreshments of cake, cookies, and punch brought by Mrs. Roy Bledsoe and Mrs. Grigsby Milton were served by Mrs. Arby Mulder, their leader, to Yvonne Karr, Sue Wilson, Barbara Milton, Jimmie Pritchett, Frank Jones, Nathan Mulder, Bruce Julian, Mike Wood, Bill Bledsoe and Gary Wilson.

Mr. and Mrs. Terry Julian and Dee of Roscoe and Mr. and Mrs. Kendis Julian of Canyon came Friday evening to spend the week end with their parents, Mr. and Mrs. Murray Julian and Bruce. The occasion was the birthday, Sunday, of Murray Julian. They attended the Dimmitt-Floydada football game Friday night at Dimmitt and Sunday the Kendis Julians visited her folks, Mr. and Mrs. P. I. Roberts of Floydada.

Mr. and Mrs. George Weast returned Wednesday from Durango, Colo. Friday they went to Ruidoso, N. Mex., to spend the weekend at their cabin. They were accompanied by Mrs. Skeet Thornton. Sunday as they returned home they had dinner and afternoon in Roswell with friends, Mr. and Mrs. Bud Goldston.

Mr. and Mrs. R. H. Adams Allan and Larry went to Leveland Thursday to meet her brother, Mr. and Mrs. Cecil Helms of McCamery. Sunday they went over to Mulshoe to spend the day with another brother, Mr. and Mrs. Fred Helms and family.

Among those from here who went to the Floydada-Dimmitt game Friday night at Dimmitt were Mr. and Mrs. Grigsby Mil-

ton and girls who visited before the football game with Mr. and Mrs. E. L. Morrison and Gary who moved from our vicinity in June. The Morrisons have moved into their lovely new home.

Mr. and Mrs. Raymond Upton and Jimmie spent Sunday in Amarillo where they visited their daughter, Mr. and Mrs. Karl Craig and girls, and spent some time at the Rona warehouse. Their son, the Ronnie Uptons, also from Amarillo had spent Friday night with them, and then had gone to work in Floydada this Monday at the Perry Bros. store.

House guests in the home of Mr. and Mrs. H. L. Marble the past week have been Mr. and Mrs. F. Y. Faulkner of Beaumont, who spent on Thursday an "edgy" feeling.

Mr. and Mrs. Fred Fortenberry accompanied by his mother, Mrs. John Fortenberry and his sister Mr. and Mrs. Garland Tucker of Cedar Hill, left here Friday for New Mexico and many points in Colorado. They planned to be in Denver Sunday to visit relatives. They also will spend some time

in the mountains which are exceptionally beautiful this time of year, with the leaves in all their fall colors, especially the quaking aspens, which turn yellow, red and orange.

Callers in the home of Mr. and Mrs. E. W. Newton who visited Mrs. Leonard Moore and baby Debra this Monday were Mrs. Sylvain Kinnibrugh and Mrs. Shelties by Calahan. Luncheon guests with Mrs. Moore this Monday was Mrs. Dora Newton and Cecil Lockney. Mrs. Newton went back to work in Floydada this Monday at the Perry Bros. store.

**Homemaking Hints**  
BY Phyllis Roggendorff  
County Home

**Correct Ironing Temperature Important For New Fabrics**  
Today's fabrics include so many different fibers, blends of fibers and finishes that homemakers are often puzzled about temperatures suitable for the different ones.

The best general rule when passing blends of fabrics is to set the iron so that it is suited to the fiber requiring the lowest damp cloth and dry iron, the moisture in the cloth reduces the temperature.

Because the synthetic call for lower temperatures, blended fabrics of synthetic and natural fibers complicate the pressing problem. In the case of wool blends they may be pressed successfully with a steam iron or with a dry iron and a damp pressing cloth. Cotton blends are a different story. Combinations of cotton and synthetics can be a difficult problem because cotton will not press smooth at a low temperature, yet many synthetics are damaged at high temperatures. One answer to this problem is to check each garment individually by ironing on a sample of the fabric or on an inconspicuous place like the edge of a wide seam.

MISS NANCY EARLE SHAFFER

Jimmy Collins  
Wichita Falls  
Miss To Wed

The engagement and forthcoming marriage of Miss Nancy Earle Shaffer to Mr. James Franklin Collins of Floydada, is being announced by her parents, Mr. and Mrs. Thomas D. Shaffer, Jr., of Wichita Falls, Mr. and Mrs. E. M. Collins, Floydada, are parents of the prospective bridegroom. Wedding vows will be exchanged by the couple in the Church of the Good Shepherd - Episcopal, Wichita Falls, at noon, December 22. Officiating minister will be the Rev. Claude A. Beesley. Miss Shaffer is a graduate of Wichita Falls school with the class of 1959 and was presented as a Junior Forum Debutante. She attended Texas Technological college and was a member of the Delta Delta Sorority. At the present time Miss Shaffer is employed by the American Trust Life Insurance Company in Wichita Falls. Her fiancé graduated from Floydada High School in 1955 and attended Hardin Simmons University for two years. He will graduate from Texas Tech in January, 1961, with a degree in business administration. Mr. Collins is a member of Kappa Sigma Fraternity.

Women with no children in public school forget what September means in homes where there are some. We arrived early for a committee meeting in one of these the other day: "Nine A. M. is bad enough," we apologized, "without our showing up ten minutes ahead of time." The hostess seemed relaxed and cheerful. "Oh, I'm ready. No problem - with the children back in school. In fact," she sighed, as she poured the coffee, "it's perfectly wonderful!" It all came back to us as she spoke; those hectic summers with teenage house guests; breakfast on the installment plan; the incessant ringing of the telephone, one hundred and one demands a day on Mother's time. She picks up, washes up, packs camp clothes, fills picnic baskets, mends tears and sews on buttons - all of this between car trips to chauffeur her own and the neighbors' kids to and fro. Real privacy doesn't exist. A half hour's solitude is rare, and always subject to interruption. Even doting mothers can get enough of this in three months. It takes them back to the years when the children were babies and parenthood consumed 24 hours a day - precious years to look back on, but so exhausting while they last! With growing youngsters, the demands are different, but no less frequent. After three months of vacation chaos, it's little wonder that mothers find peace and order "perfectly wonderful" for a part of the day.

Wesley Girls Class

## Powell Wed. Sept. 18, Couple To Make Abernathy Home

A simple but impressive ceremony united in marriage Miss Melba Jo Ramsey and John Oliver Jacobs at 3 o'clock, Sunday afternoon, Sept. 18.

The Rev. Charles Lutrick, pastor of the First Methodist Church in Floydada, read the double ring vows in Willson Chapel.

Parents of the couple are Mr. and Mrs. Sherwood Ramsey of Harmony community, and Mr. and Mrs. Claude Jacobs of Hale Center.

The newly-weds were honored Saturday night with a reception in the home of the bride's parents, upon their return after a wedding trip to New Mexico.

Mrs. Glenn Pool registered guests from a small polished table, accented above on the wall by white satin ribbon bearing the names, "Melba Jo and Johnny".

Hanging streamers bore the couple's wedding date and a crocheted cloth, made by the bride's grandmother, Mrs. M. D. Ramsey, graced the table, as did an arrangement of white dahlias.

The three tiered wedding cake, made by Mrs. Pool was decorated with pink frosted roses and served along with punch from crystal appointments by Mrs. Leon Williams and Mrs. Elmer Dean Williams.

Pink tapers enhanced the cake which was placed on a reflecting mirror in the center of the reception table, laid with a white imported linen cloth.

Assisting with hospitality were Mrs. Pool, Mrs. Leon and Mrs. Elmer Dean Williams, Mrs. Chloa Williams, Mrs. Bob Hopper, Mrs. Wesley Carr, Mrs. Zani Scott and Mrs. Marvin Smith.

Mr. and Mrs. Jacobs are residing in Abernathy where he is employed by Phillips 66 Service Station.

The bride is a graduate of Petersburg High school with the class of 1959 and attended West Texas State one year.

MRS. JIMMY POWELL

## DOUBLE RING VOWS UNITE MISS LEE, JIMMY POWELL

First Methodist Church was the scene of a double ring wedding ceremony read at 6:30 p. m. Saturday for Miss Bok Shin Lee and Jimmy Powell of Dougherty.

The Rev. Tilden B. Armstrong of Andrews, performed the ceremony. Miss Lana Davis played traditional music and accompanied Mrs. David Battey Jr. soloist.

The bride, escorted to the altar by L. T. Hickerson, wore an original gown of peau de soie. Her finger tip veil of white net descended from a tiara studded with sequins. She carried a bridal bouquet of red rose buds and forget-me-nots carried on a white ribbon.

Miss Pat Hickerson of Floydada attended the bride as maid of honor. Her street length dress was of pink organdy. Vickie Johnson served as candlelighter and Judy Johnson was flower girl. They were also dressed in pink.

Best man was Edward Wester, of Floydada. Nathan Johnson served as candlelighter and Brent Wester was ring-bearer. Ushers were Kenneth Bain Jr. and Randall King, both of Floydada.

A reception was held in Fellowship Hall following the ceremony. Assisting in the house party were Mrs. Edward Wester, Lorr Leibfried, Fred Cardinal, Emmitt Hinson, Howard Gregory and Guy Ginn.

For traveling, the bride chose a wool jersey purple sheath with black accessories.

She finished high school in Korea, studied for two years at McMurry and also attended American University in Washington, D. C. She spent several months in Floydada living in the home of Mr. and Mrs. L. T. Hickerson.

Mr. Powell graduated from Floydada High School and attended Texas University, North Texas State Teachers College at Denton and graduated from Texas Western at El Paso.

After a wedding trip to Ridoso, N. Mex., the couple will be at home in Dougherty, where Mr. Powell is associated with his father in a retail grocery and hardware store.

## Service Guild Program Deals With Evangelism

Mrs. P. A. Denison entertained the Wesleyan Service Guild in her home Monday evening.

The president, Mrs. John McKinney, Jr., distributed the new yearbook and conducted a brief business meeting.

The devotional was given by Mrs. E. E. Hinson.

Mrs. W. O. Baker, leader, assisted by Mrs. L. F. Martin, Mrs. W. L. Leibfried, Mrs. G. L. Bryant and Mrs. P. A. Denison, presented a program dealing with the evangelistic methods used in reaching and teaching women and girls by missionaries and "Bible women".

Mrs. J. W. Adams gave an introduction to the study, "Into all the World Together".

Those present were Mesdames John McKinney Jr., H. D. Bloodworth, G. L. Bryant, Olye Jordan, J. W. Adams, E. E. Hinson, W. L. Leibfried, Charles Lutrick, W. O. Baker, M. L. Solomon, L. F. Martin, W. E. Kendrick, Miss Lynn Olson and Mrs. P. A. Denison.

The next meeting will be October 10 with Mrs. W. L. Leibfried.

## Teacher is Hostess To Honor Departing SS Class Member

Mrs. L. Fulton, teacher for the Pastors Helpers Sunday School class of the First Methodist Church, entertained with a coffee in her home last Wednesday in honor of Mrs. Mable Mize, who has departed to live for the winter months with her children in Kansas.

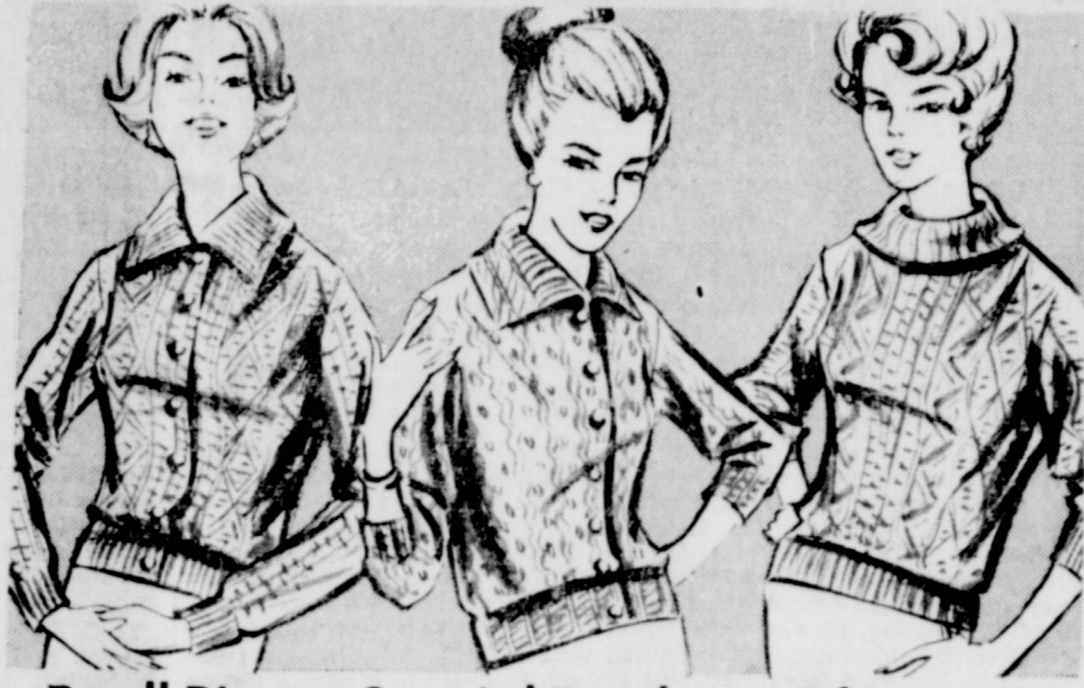

Lovely refreshments were served to Mrs. W. R. Jahnke, O. B. Olson, Mary Finley, W. E. Walker, Addie Thaggard, J. E. Laughlin, Will Snell, the honoree, and special guests, Mrs. J. V. Hollingsworth of Amarillo, Mrs. Libbe Henry, Mrs. W. W. Trapp, and Mrs. Charles Lutrick.

Mrs. Fulton was assisted in serving by her daughter, Loretta.

## Lockney Exes Home Coming October 14

Ex-students of Lockney High school will hold their homecoming on Oct. 14, their first since 1935.

Plans already made final call for registration to get underway at 10 a. m. at the high school auditorium with general assembly being called at 1:30 p. m.

Class and group meeting will be held in the afternoon at 3 o'clock. At 5 o'clock a barbecue will be served in the high school cafeteria.

Climaxing the day's events will be the Lockney Longhorn and Floydada Whirlwind football game which starts at 8 p. m. on Michell-Zimmerman field.

At 10 o'clock exes will gather at the American Legion home for social activities.

Dale Baine and family of Amarillo were recent visitors to Floydada guests of his mother, Mrs. W. E. Sims.

ELECTRIC COOP. INC.  
by NANCY MORCKEL  
Home Economist

Melvin Henry, Manager, attended the 7th Annual National Electric Farm Power Conference last week presented by The Inter-Industry Farm Electric Utilization Council, Inc., at the Kentucky Hotel, in Louisville, Ky.

This National Electric Farm Power Conference was attended by personnel from utility companies, municipalities, electric cooperatives, manufacturers of electrical equipment and others. This meeting was planned to discuss common problems and to try to devise ways and means for making a better world in which to live.

Among outstanding speakers of the program were: David A. Hamill, REA Administrator and Colorado Rancher; Robert S. Crist, West Penn. Power Co. Greensburg, Pa.; Naomi D. Shank, Extension Specialist, Iowa State University, Representative of EEI (Edison Electric Institute), NEI (National Electrical Manufacturers Association), and many others.

There was an exhibit section featuring appliances and equipment of tomorrow.

There was a special ladies program which included a tour of GE's Appliance Park and Monogram Hall showing "Kitchens of Tomorrow".

Mr. and Mrs. Shorty Neff and Aubrey spent this weekend in Lubbock with his sister and her family — The Paul Woodys.

Mr. and Mrs. Edd Neff and Gayle and Mr. and Mrs. Lee Neff spent the weekend in Hamlin, Texas, with relatives, Mr. and Mrs. O. C. Ford and family.

Lois and Harvey Reynolds of Dalou were guests Sunday at the home of Mr. and Mrs. Carl Lewis.

Mr. and Mrs. Lawrence Stovall, Terry and Larry and Mrs. R. M. Stovall of Plainview, attended the funeral of Mrs. Stovall's mother, Mrs. J. T. McDonald at Waco last weekend.

A. W. James is back on the job after a week's vacation.

Mr. and Mrs. Harold Massey of Levelland spent the weekend with Mr. and Mrs. Wayne Collins and daughters. Mr. Massey is Mrs. Collins' brother.

Mr. and Mrs. W. O. Baker spent the weekend in Lubbock with Mr. and Mrs. Billy Keith Baker and Mike and Mr. and Mrs. Don Webster and Carrie Jill.

Pat Hickerson spent the weekend with her parents, Mr. and Mrs. Pete Hickerson. She is attending McMurry College, at Abilene.

Mr. and Mrs. Tom Hutchins, David and Dale spent the weekend in Amarillo with her parents. Mr. and Mrs. F. L. Campbell and her sister, Mrs. J. H. Courtney and Mr. Courtney. Another sister, Mrs. Alton Landrum and her daughters of Childress were visitors on Sunday.

Mrs. John Lett of Alvin, Okla. is spending this week with her granddaughter and family, Mr. and Mrs. Bob Norrell and children.

The Irick Home Demonstration Club met last Thursday afternoon at the home of Mrs. Walter Tasek. The program was a skit on "Salad Demonstration".

Nowhere in the world do salads play so important a part in daily meals as in America. And nowhere else are salads used in such a variety of types and kinds, at such a variety of occasions.

The nutritive value of salads is high because of the foods which are high in minerals, vitamins and proteins customarily used in making them.

Also, the care taken to serve salads cool and crisp helps in refreshing the palate.

Thursday afternoon the Mount Blanco Home Demonstration Club met in the home of Mrs. Gene Brown for their regular meeting. A freezer demonstration was given for the group, also a discussion of relishes and pickles nice to make at this time while the ingredients are in plentiful supply, was enjoyed by those present.

Friday a "One-Dish Dinner" meal demonstration was given for the White Flat Home Demonstration Club at the home of Mrs. Fred Bourland in Matador. Also some timely "Freezer Tips" and a discussion of Work Simplification for the busy homemaker.

A buffet luncheon was served at noon. Each lady brought a dish for the meal.

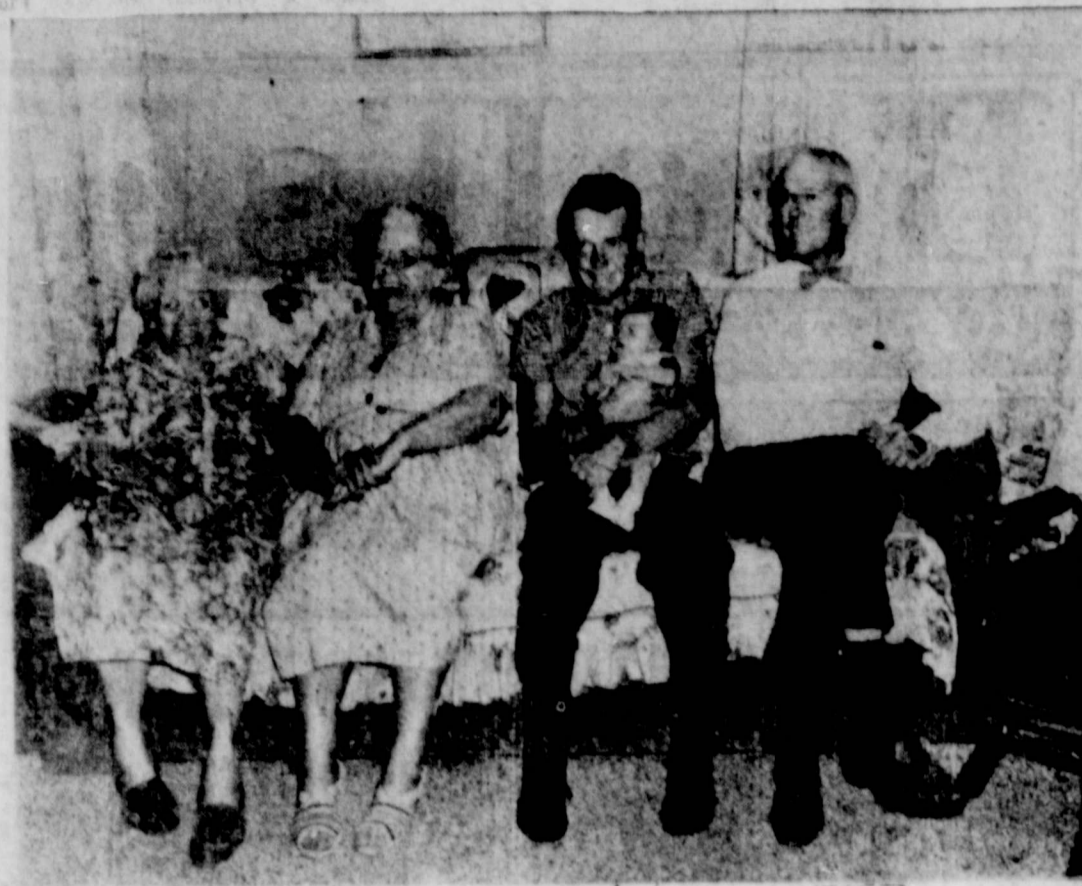

D. B. Lancaster, Manager, Bailey County Electric Cooperative, Inc. at Miles, and five members of the Board of Directors, Ross Brock, Chester Setliff, Joe Harbin, R. L. Davis and C. G. Dameron were Lighthouse visitors last Saturday.

Brad Hagood was a Friday night visitor in our home.

Mr. and Mrs. Dan Hagood, Brad, Janie and Kelly Ann, and Mr. and Mrs. John Buchanan were dinner guests in our home on Sunday.

Have you tried making some watermelon rind preserves this fall? If you haven't and would like a recipe that really makes delicious ones here is Mrs. J. H. Tribble's recipe:

**Watermelon Rind Preserves**  
10 pounds watermelon rind  
9 pounds sugar  
8 cups water  
4 cups crushed pineapple  
Trim green and pink from rind and cut into cubes.  
Soak rind over night in lime water (2 tablespoons lime).  
Drain, rinse well, cover with cold water and cool until tender (not soft).  
Make a syrup of sugar and water, add rind and let boil

**CELEBRATING A BIRTHDAY.** Mrs. G. M. Bullard, many years a resident of Floyd County, had a birthday this week. A large number gathered at her home in Floydada Sunday to observe the event, five generations of the family being represented. In this group, Mrs. Bullard, the great great grandmother is on the extreme left. Next is the great grandmother, Mrs. J. L. Landrum of Tucumcari, N. Mex. On the right is the grandfather, Roy Landrum of Friona. The father is Joel Landrum, also of Friona, and in his arms the representative of the fifth generation, Joel Brian Landrum. (Staff photo and engraving)

until syrup is thick and rind is transparent. (this may be cooked in oven to prevent splattering and having to stir it)

Just before it is done add pineapple and let finish cooking. Put into sterilized jars and seal hot or remove from heat and let set overnight, then seal and store.

**Something To Think About:** Money may be the huck of many things, but not the kernel. It brings you food, but not appetite; medicine, but not health; acquaintances, but not friends; joy, but not peace or happiness.

## Sand Hill News

By Mrs. James Jeffress  
SAND HILL, Sept. 26 — Every one is wondering just how long it will be several weeks yet. But with the nip in the air the past few nights you can tell that fall is just about here. A few have been pulling a little cotton this week. Reports say Kirk Slater has hands in the fields. The maize cutting has been going pretty slow because of the dampness. Wheat sowing continues this week.

The Junior Sunday School class enjoyed a skating party at Plainview Friday night with several of the older ones enjoying skating. They had a terrible time getting there in the hail storm that came moving across the country. After Tasek the program was a skit on "Salad Demonstration" at the home of Mr. and Mrs. J. R. Turner and family at Providence where their teacher Mrs. Darrell Mayo and Mrs. Turner served refreshments of cakes, coffee and cookies to Jimmy and Timmy Jeffress, Beverly, Stanley and Steve Pierce, Elaine Starkey David and Kenny Bloys and Kay and Carmon Turner. Others attending were Mr. and Mrs. Tom Pierce, Mr. and Mrs. Gene Bloys, Mr. and Mrs. Darrell Mayo, Mr. and Mrs. Bill Stringer and Mr. and Mrs. J. R. Turner of Providence.

have to be ready by the next meeting.

Mr. and Mrs. W. R. Billington spent Sunday at Happy visiting in the home of their daughter, Mr. and Mrs. Russ Yandell and family.

Mr. and Mrs. Jim Holmes had as their guests Saturday night Mr. and Mrs. John Holmes from Erie and Mr. and Mrs. H. F. Jackson.

## Capada Features Big Comedy Hit Opening Tonight

"Who Was That Lady?" the Anark-George Sidney comedy starring Tony Curtis, Dean Martin and Janet Leigh has its local premiere at the Capada Theatre. Co-starring in the Columbia Pictures' release are James Whitmore, John McIntire and Barbara Nichols; it opens tonight, Sept. 29.

Tony Curtis, "so superb a comedian in 'Some Like It Hot' and 'Operation Petticoat,'" again steps out in a farcical part as the handsome chemistry professor whose romantic misstep is the reason TV writer Dean Martin dreams up a wildly imaginative explanation.

The management at Capada recommends this show as one of the features of the month.

## YOUR COUNTY AGENTS

By John Schlitter, Assistant County Agent

The local fair season is almost over. Agricultural products from our county fair scored very high at the Tri State Fair at Amarillo and many of the products composed the Floyd County Agricultural booth at the South Plains Fair at Lubbock.

Oscar and Lary Golden of Aikch entered 5 head of Angus cattle in the South Plains Fair. Mrs. A. H. Kreis, Billy Don Colston, Junior Simpson, and B. A. Robertson won numerous awards on their agricultural products at the South Plains Fair Monday.

The Floyd County 4-H club will exhibit 23 barrows, 9 lambs, and one steer at the State Fair of Texas at Dallas.

4-H club members who are taking animals to the State Fair, remember to bring your animals in to Dr. Theodorus Oct. 1 for their health certificates at 9:30 on Saturday morning. Also other details must be planned for our stay at Dallas.

The officers are Warren Mitchell president, Beverly Jeff Day plan to be in Floydada for press secretary, Norma Hollinsome, with Mr. Wright returns secretary and Bobby Hollinsome turning home within the next few council delegate. These books days.

## Meeting To Discuss Organizing 4-H Club In Floydada

By John Schlitter

There will be a special meeting Tuesday night, October 4 in the Council room on the second floor of the Court House to organize a Floydada Community 4-H club. It will be at 7:30.

We want to encourage everyone interested in 4-H club work to attend this meeting and assist our youngsters to lay the ground work for a Floydada club.

All young people between the ages of 9-20 who are interested in the program of 4-H club work are urged to attend and bring their parents.

The County Extension Agents, Phyllis Roggenbort, John Schlitter, and Cecil Lewis will explain 4-H club work to those in attendance, who will then decide if there is enough interest to start a club here in Floydada.

Attend the meeting Tuesday night to learn of the purpose of 4-H club work.

**FLBA Meeting Elects Same Directors**

Menard Field of Floydada and Carroll Garrison of Silverton were elected members of the board of directors of the Federal Land Bank Association in their annual stockholders meeting here Saturday afternoon.

About 60 members from the three and a half county area were present.

Other than the election of the directors the formal reports on fiscal affairs of the association were given.

Area served by the association since its reorganization are Floyd, Riscoe and Motley Counties and a portion of Hall.

Hold-over directors are Raymond Rucker of Lockney, Tat Jones of Floydada, Edgar Lee and John Irwin of Matador and F. A. Ham of Turkey.

Jake B. Watson is secretary treasurer of the association.

At the close of the meeting door prizes were distributed.

**Flash Fire Threat To Watson Home**

Extensive fire damage resulted Tuesday afternoon to the den in the home of Mr. and Mrs. Preston Watson following a flash fire. Also lost in the fire were drapes and winter clothing.

The fire occurred about 3:45 shortly after Mrs. Watson had lit a double wall heater. Reports from the local fire station said there was evidently an accumulation of gas in the heater causing the flash fire. Mrs. Watson was able to get out of the way in time to escape burns. However she had trouble in reaching the phone to call firemen. The phone was within a few feet of the fire.

A barkalounger chair in front of the wall heater was destroyed as were drapes and winter clothing placed in the chair. Mr. Watson said they were in preparation of having the house repaired and Mrs. Watson had taken the drapes down in the den and placed them in the chair. She had just gotten the winter clothing out of storage and placed them in the chair also, to take to the cleaners.

Other damage resulted to carpeting and wood interior in the den with some smoke and heat damage to the living room.

Prior to the fire the Watson family were already under a strain upon receiving a call earlier in the day that Mrs. Watson's father, A. M. Hunt of Goldswaite, was not expected to live.

**Accounting Firm Moving Office To New Location**

Newell Burk of the certified public accountants firm of Bolinger, Segars & Burk, is announcing some changes in his office which are to take place by the weekend.

Miss LaJuana Womack, who has been with the company since its location here July 1, 1959, has taken a position with the First National Bank in Floydada as a posting clerk. Replacing her will be Mrs. Don Pemberton of Floydada, who will assist Mr. Burk as receptionist, bookkeeper and secretary.

Bolinger Segars and Burk will be in their new office at III South 5th in the former location of the Sherrill Barber Shop by Friday. The firm will be ready to transact business by Monday after moving in over the weekend, Mr. Burk said.

**McADOO, AFTON CHURCHES TO OBSERVE WORLD-WIDE COMMUNION SUNDAY**

Next Sunday morning McAdoo and Afton Methodists will join millions of Christians throughout the world in observance of World-wide Communion Sunday.

The sermon will be based on that theme; an offering will be taken; and the climax of the worship will be made in the observance of the Lord's Supper. Time for the evening service at McAdoo has been changed from 6:30 to 6:00. This will be followed by the MYF and children's choir practice.

Melvin R. Mathis is pastor of the two churches.

**Communism Is Major Threat Says Formby**

Biggest challenge facing the American people is keeping the nation strong and keeping communism from taking over America. Marshall Formby said in a speech before an inter-city meeting of the Floydada and Lockney Clubs in Floydada Wednesday afternoon.

"We do have internal problems," Formby said, "such as farm prices, inflation and high taxes, but even if we solve all our internal problems and lose our country to Communism, we are done for, all is lost."

Mayor Jesse Cox of Lockney, program chairman for the day presented the speaker. Members of the two clubs filled the Colonial House dining room where the joint meeting was held.

Formby said that this year was a good time for Americans to search their souls, and to determine just what we want and where we want to go. He warned against being over-confident

# October-Long Beall Ringer Days Planned

Beall's Department Stores will stage their 37th annual October Beall Ringer month during the entire month of October according to Louis Anderson, manager of the Floydada Beall's store.

Plans for the month-long Beall Ringer promotion starting in November of last year when Beall's staff of buyers started coming to the nation's and world's markets to bring to Beall's customers the best money-saving values to be found anywhere, Anderson said.

"Every item to be featured is a special buy at special prices and will only be offered at these prices during the month of October and will revert back to original price at the end of the promotion," Anderson said.

"Beall Ringer Month was conceived by Beall's to express their appreciation of their customers' faith, support, loyalty and friendship through the past 37 years and Beall's pledge to continue to offer them fine quality merchandise for less money as they have done in the past," Anderson continued.

This year has seen the outright purchase of three stores located at Brownfield, Littlefield, and Del Rio. New stores were constructed and opened at Levelland and Brownwood to swell the Beall Company's total of stores to 47.

he needs a law he believed there should be such a law.  
A lot of the money spent on catching and punishing law breakers might be saved, the attorney general suggested, if more were spent on prevention of crime.

Texas District and County Attorneys Association presented Wilson a life membership plaque during their meeting here in recognition of his "leadership in law enforcement." Earlier this year Wilson was named top state attorney general in the nation by the National Attorney Generals' organization.

### HIGHWAY PATROL OPENINGS

Applications to fill 120 openings in the State Highway Patrol will be taken by the Department of Public Safety through Oct. 1.

Applicants must be high school graduates or the equivalent and must pass a field service examination to be given in 16 different Texas towns. After acceptance, the prospective patrolmen will receive 16 weeks training at the Law Enforcement Academy in Austin.

Application forms may be obtained from any DPS field office or by writing DPS Headquarters, P. O. Box 4087, Austin.

### DRIVER ED PLAN TOLD

Driver education in Texas public schools might be financed on a cooperative state-local plan similar to that used for the pre-school program for non-English speaking children.

This proposal was discussed in a recent speech by Brad H. Smith, director of the Governor's Highway Safety Commission. Driver education tied in with the public school system is one of the goals numerous safety groups have pushed toward for some time.

Smith noted that a local school system may secure state funds for teaching non-English speaking pre-schoolers if it puts up

The 1961 Ford Galaxie Club Victoria, a new model in the Ford line that will be introduced to the public on September 29, features crisp, new styling that has been honored by an international fashion authority in Rome for its "functional expression of classic beauty." The new Fords are nearly four inches shorter and two inches narrower for greater maneuverability, and introduce 30,000-mile lubrication. Other engineering features include self-adjusting brakes, double-wrapped aluminum muffler, longer-lasting bright trim and underbody parts, and a 4,000-mile oil change interval. A new optional 390-cubic-inch high performance engine also is available.

some local funds also.

"Since these plans seemed to work," Smith said, "we are looking at their success for possible application to the driver education program."

Smith noted that a special study committee of the State Board of Education had reported favorably on the idea of driver education and recommended a cooperative local-state effort.

### OIL FLOW CUT

Texas Railroad Commission set the October oil allowable at 2,630,577 barrels a day on an eight-day producing pattern.

It will be the sixth straight month production has been limited to eight days. Since the production will be spread over 30 days in October compared to 26 in September, the daily allowable drops by 47,644 barrels a day.

Despite the continued low allowable, Texas independent oilmen were taking a brighter view at the Commission hearing. For months they have spoken gloomily, even desperately, of a glut in Texas crude. At this hearing buyers spoke of a shortage of Texas crude, and a spokesman for independents said, "We are not as worried as we have been."

### POLIO DOWN, HEPATITIS UP

Good news in the polio field but a growing problem in infectious hepatitis is reported by the State Health Department.

For the first half of the year polio cases were down to 27, compared to 101 for the same period last year. But 1,191 cases of infectious hepatitis were reported compared to five-year average of 966.

Control of hepatitis is complicated by the fact that (1) the virus has never been isolated, (2) exactly how it spreads from person to person is not known, and (3) no specific treatment is available.

Isolation of the patient and extremely careful sanitation measures for those who come in contact with him are usually recommended.

### AUTO INSURANCE RATES DISCUSSED

Proposals for changing Texas' auto insurance rates have brought forth new discussions on the subject by the State Insurance Board, insurance companies, and those who opposed the law in the first place.

Most of the several hundred insurance men present at the Texas Insurance Board hearings said they favor the merit rating plan. However, many stated that they felt that some changes definitely were needed.

One group, the Texas Association of Mutual Insurance Agents, headed by James K. Rubie of San Antonio, reported that while they originally opposed the plan they now favor it.

But State Senator Grady Hazlewood of Amarillo, who fought the proposal from its inception, still considers the plan a "monstrosity" when it places such a penalty on a man for going 22 miles an hour in a 20-mile zone.

Hazlewood favors strengthening the penalties against persons convicted of hit-and-run driving, drunken driving, and assault with a motor vehicle.

"As it is," says Hazlewood, "we are just rewarding a bunch of uncaught drivers."

Penn Jackson, chairman of the Board, says that it is uncertain when the Board will decide on new rates.

### Fairview News

By Mrs. Clyde Bagwell

FAIRVIEW, Sept. 26 — Fall began officially Friday, and this Monday morning has the weather to prove it.

A large number of acres of wheat was sown last week and some were combining maize and cutting bundle feed.

About one-half inch of rain fell out in the community last week. And at this writing it is raining a light drizzle.

**EDITORIAL VIEWS AND COMMENTARY**

**Blast Them Sparrows.** Plains gardeners who have seen their gardens consumed by English sparrows will know how to sympathize, to some extent at least, with a man who has a maize crop adjacent to a grove of trees where sparrows can headquarter. Sparrows can clean up a big little field about as fast as it gets into the dough. When the bottom maize seed get into the dough stage the bird scouts spot the field at once. As they begin their greedy neighbors from all over, as well as cousins, aunts, uncles and in-laws, crowd-in. By the time the last grain on a stalk is at its prime stage for the appetite of the birds the head has been about denuded. Mr. Farmer has a fine crop of empty heads as a result. Not many fields are done that way but once in awhile one is. Nobody yet has learned anything that can be done about it.

**Speaking of Birds.** Some local hunters are of the opinion that the reason the doves disappeared from the country a day or two after the season opened is due to the fact there was not enough grain on the ground in maize fields. Doves do not feed on standing grain. They go for it after it has shattered out from the head on to the ground. But the Game and Fish Commission doesn't give that reason. They say the North Zone of Texas dove scarcity is due to the fact the doves have not started south from Oklahoma, Nebraska, Arkansas, and Kansas. The first touch of zip in the air will send them south. To get where they are going they will have to cross Texas. This means, presumably, that the birds which hatched and raised here have already gone where they are going. Those local shootists are to bang away at are due yet to arrive in the country.

**On Second Thought:** It is nice to be assured that something is coming down from the north that it will not be illegal to shoot at. We suggest the Fish and Game Commission add New York Times journalists to the list and the publisher of Life.

**Barron's Weekly** reports the steel mills running at half capacity, a considerable reversal from 18 months ago. If this situation continues it will give the steel people something to think about and ample time to think about it. In some quarters it is claimed the steel people, labor and management, are paying the price of their folly of over-taxing the public. If this be true then their Buy U. S. America campaign is not likely to net them much gain. No doubt about it, the public has been buying in Belgium, Germany, Japan, anywhere to get on a competitive market.

**We Rise To Suggest.** The street markers on Floydada street curbs do not look bad at all. Neatly done they would be much help to strangers in the city. In fact, they would tell a good many people who live here what street they live on. Also they have one advantage of the markers on standards. They can be read as one drives at night, and can be read more readily than the others in day time. One of the arguments in favor of the curb markers is economy. If the standards are decided upon it will call for another assault on the light

department's funds. The Hesperian feels we already are having too many emergency demands on that department, that money needs to be conserved to meet real emergencies or to be used to retire debt.

**While Curb Markers,** it must be admitted, are not usable in all parts of the city because curbs are not available at corners to put them on, this kind of a program would be a thousand per cent better than what we have now; which through the years, has been allowed to depreciate into nothing. Also the standards would bring on disputes. Spites are fun but they don't build towns, and Floydada sorely needs to concentrate on building.

**Dollars For Democrats.** Democratic voters who would like to see the Kennedy-Johnson ticket win the November election should back their party with funds to carry on the campaign. How much the country would need to raise we have not been advised. With us it is somewhat of a negative matter. We could be enthusiastic over a ticket headed by Mr. Johnson, we are not happy with a Democratic platform, dictated as we think, largely by Chester Bowles and Walter Reuther. But on the other hand, the Republican platform was the result of a mighty effort to out-promise the Democrats, and moreover whoever heard of anything that Mr. Nixon espoused being good for Texas?

As of this writing, the "feel" of the political atmosphere, gives the Nixon-Lodge candidacy three to two the best of it in Floyd County. There is some prejudice, as always, in the matter of Mr. Kennedy's religion. Because he is a Catholic he is going to lose a good many votes. Then there are others who believe the Catholics believe the Pope should rule. They discount Mr. Kennedy's assurance on this point. They are willing to risk four more years on a Republican in the presidency on this account. It is our belief a republican administration has never been good for Texas in modern times, probably never in history in fact. The Texas voter should think on these things.

**New Industries** need to be brought into town, and those who are interested in this phase of the town's growth should keep two things in mind: (1) new industry is going to look as much at the opportunities for abundant living, for places and ways to have fun, sports, amusements, pleasant and profitable ways of using spare time; (2) while seeking new enterprises the citizenship should be sure they are doing all they can to maintain those we already have, to see that they prosper, and that the new enterprises we seek are not duplicates of some we already have that would be endangered.

Once in awhile, occasionally, we are reminded as by last Friday night's hail streaks, it can and does hail on the high plains in September. There was some turbulence as hot and cold air clashed in the skyways.

Undertake not what you cannot perform but be careful to keep your promise.—Washington.

**Toastmaster Speakers Vie For Trophy**

An interesting program was presented Thursday night during a meeting of the Floydada Toastmasters Club. Members met at the Colonial House for supper at 7 o'clock, regular meeting time. The program was presented in absence of the president, Aldine Williams. Ralph Mardis was in charge of the program and Ralph Cogdell was toastmaster.

Ned Bradley served as general critic and Sam Puckett brought the news cast. The table topic was presented by Dennis Dempsey.

Speakers on the program were Clay Henry who chose as his subject, "Its not what you do but the way you do it". Ralph Mardis spoke on "Trouble in The Red School House", and J. W. Reue talked on the County Library. Mr. Henry won the trophy for most improved speaker.

Members are still needed in the Toastmasters Club, the roster now stands with 15 active members and at least that many more would be welcome. The club meets each Thursday night at 7 o'clock for supper and meetings. Interested persons may get in touch with the president or other officers.

The program tonight will have Kenneth Bain as toastmaster, Ned Bradley, table topic, L. A. Marshall, general critic and J. W. Reue, news cast.

Speakers will be Dennis Dempsey, Glen Jarnagin, Sam Puckett, and Jimmy Wilson.

have already shown proclivities for Breckenridge, four are religious, one Masonic, one educational, and the balance generally on the fence, and probably will remain there.

Thus we have for Breckenridge forty-four; for Sam Houston eleven; for Bell and Everett two; uncommitted, twenty-four. Total eighty-one.

We have omitted some three or four which, from the fact that we have not seen them for two months past, we presume have dried up. —TELEGRAPH.

Houston, Thursday, Sept. 19, 1961

Cotton-recipes light, and transactions too small to be worthy of note.

No very material change has yet taken place in our Market. It will be seen, however, that some few articles have advanced owing to the scarcity.

Bacon Sides—ribbed we quote at 14 per 14½c. Clear 15 per 15½c. Bacon Shoulders—are worth 1, 20c.

Hams—sugar cured, 17 per 18c. India 19c.

Beef—none quoted. Butter—goshen, 34 per 35c.

## 1961 Chevrolet Trucks Feature Proved Design

Continuation of the highly successful suspension system introduced last year, moderate front style changes, and refinements in chassis and cabs mark the 1961 Chevrolet truck line. Proved by one full year of customer use, the suspension features independent front springing with torsion bars and rear coil or variable rate springs. Cab improvements include a smaller floor tunnel in some models for increased leg and foot room, and an optional six-inch thick foam rubber seat.

our prairies, Sixth, in operating a mammoth mowing machine, now building for it. And seventh, in so arranging the engine that it is as readily applicable to all kinds of farm and plantation work as any of the portable steam engines now made expressly for that purpose, so as to gun cotton, do grinding, thrashing, saw lumber, draw water &c.

The machine now building is intended to cut a swath seven feet wide; will plow from ten to thirty two acres per day, depending wholly on the condition of the ground and the depth at which it is to be worked; will weigh several tons; and the Colonel thinks he can furnish them at from \$5000 to \$8000.

## Minister Tells Jr. High About Life In Africa

By Nancy Jetton and Jan Alexander

On Sept. 12 Mr. Henry Ewing, minister of the City Park Church of Christ, brought an assembly to Floydada Junior High school, of his life in Africa.

Mr. Ewing and his family had lived there for nine years before coming to Floydada. They lived at Bulawayo, a city in Southern Rhodesia not too far from the African Bush. Mr. Ewing told us that Bulawayo is not too far from Victoria Falls.

Mostly the African roads are pretty good, but one might meet wild animals on them.

When Mr. Ewing was in Africa he preached at the Church of Christ and supervised over eight African schools. Sometimes he went by motorcycle to preach to the Africans in the bush. He speaks the Sendebele language.

He also told us that he went over some country that no human had ever walked over before, and concluded he wished someday to go back to Africa.

## Electric Sparks Ignite Gasoline, Injure Farmer

Leslie Nixon sustained painful burns in a farm accident last week on Wednesday but is reported to be doing nicely at this time.

The Floyd County farmer who lives in the Campbell community was using an electric drill in his work shop when the accident happened. A quarter of a barrel of gasoline ignited by sparks from the drill exploded throwing burning fuel about. Nixon received slight burns on his face and deeper burns on the right ear and hand.

He was brought into town by his wife following the accident for treatment at Peoples Hospital and was released. His bandages were removed Friday.

## USING SURFACE-TO-AIR MISSILES IN EXERCISES

SAN CLEMENTE ISLAND Calif. (FHTNC) — Thomas W. Davis, seaman, USN, son of Mr. and Mrs. Hubert M. Davis of Lockney, Tex., serving aboard the dock landing ship USS Belle Grove, is taking part in a joint Navy-Marine Corps amphibious training exercise at San Clemente Island, Calif.

The operation, known as "Long haul", is designed to provide training in combat logistical support of forward bases and to test air support and air defense techniques.

The latest Marine surface-to-air missiles are being employed as well as helicopter landing teams from an aircraft carrier.

## FORMER RESIDENTS PAY BRIEF VISIT TO COUNTY

Visiting since last mid-week until Tuesday in Floydada were Mr. and Mrs. Will Fairrey of Rio Osa, Calif., former residents of this county. Mr. and Mrs. Fairrey were house guests of her brother L. A. Marshall and family and spent some time visiting old acquaintances.

While residing in Floyd County Mr. Fairrey was a farmer and in the real estate business. He has farming interests in Rio Osa which keeps him busy with fruit and vegetable crops.

Dr. and Mrs. H. C. Mitchell of Waco are in Canyon this week where they are visiting Mr. and Mrs. Lovell L. Jones. The couple were houseguests over the week end of their daughter, Mrs. Tom Herne and husband in Lubbock and will be in Floydada the latter part of this week to visit a niece Mrs. Lane Decker and family before departing for home.

Mr. and Mrs. Wynfred Black and family of Eldorado, Okla., were in Floydada over the week end to spend some time with his ill father and mother, Mr. and Mrs. Clay Black.

## New Features Of Chevrolet Truck Models

Refinements in the highly successful chassis design introduced a year ago, further expansion of models, and styling identification changes mark the Chevrolet truck line for 1961.

New car features for 1961 emphasize a lower and narrower floor tunnel on most light-duty models for improved foot and leg room with the 3-speed or Powerglide transmission. New optional equipment includes a windshield wiper-washer combination with 2-speed electric wipers, and a comfort package which includes a six-in. foam rubber seat and special body insulation.

Suburban models also feature improved comfort for second and third seat passengers as a result of seat modifications giving more foot room and more third seat headroom.

New 4-Wheel Drive Models Included in the 1961 line are three new 4-wheel drive models for light-duty, maximum traction application. The 127-inch wheel-

base ½-ton vehicles are available as cab-chassis, wide-box pickup and conventional box pickup models rated from 4900 to 5600 pounds gross vehicle weight.

All Chevrolet 4-wheel drive units for 1961 feature a new 10-inch diameter clutch, standard 3-speed transmission, and 7.10 x 15-inch tires on the ½-ton models. They are equipped, they meet the majority of light-duty, maximum traction requirements.

The 261 cubic inch and 283 cubic inch engine cylinder heads have been improved for heavy-duty service by increasing the chrome content of the metal. This change in specifications results in a less ductile material, improving valve seat durability.

## Attend Wellington Rites for Friend; Former Neighbor

Travis P. Collins and his sister, Miss Ruth, were among the friends of the Wiley family who attended the last rites in Wellington last Thursday afternoon for R. D. (Dick) Wiley.

Mr. Wiley, 64, died in St. Anthony's Hospital at Wellington Tuesday morning.

Burial was in West Wellington Cemetery, following rites held at 2 o'clock at Wellington First Baptist Church.

# HERE! '61 CHEVY TRUCKS

WITH WORK-PROVED INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more . . . the latest editions of the haulers that scrapped the I-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades!

With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel lift and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

WORTH MORE BECAUSE THEY WORK MORE!

### Winds Take Hard Fought Game From Dimmitt 6 - 0

The Floydada Whirlwinds tookles Christian was hurt as scrimmage got underway and he was replaced by Ray Walker at a halfback slot.

The Winds were able to gain the Dimmitt 44 and were forced to punt with Teague booting to Gene Bradley on the Bobcat 20. He ran back to the 30 where he was downed.

Dimmitt made one first down and then was forced to punt from their 47, with the ball being taken by Marler on the 15 from which point he returned it seven yards to the 22. Floydada was held cold this time and Teague punted from his 25 to Donnie Nelson on the Dimmitt 45 and they were penalized back to the 36 for clipping.

Before the Bobcats could gain the midfield stripe Coffee fumbled and Floydada recovered on the 36. The Whirlwinds then began to drive hard and Stovall soon picked up a first on Dimmitt 18. A pass play to Walker went to the 11 and he was jarred lose from the ball with Dimmitt recovering at that point.

As the second quarter opened Dimmitt had the ball deep in their own end of the field. They gained their own 35 before punting and then kicked to Marler on the 'Winds 30. This time an interception stopped Floydada at the Dimmitt 44. The host team could not move and punted to the Whirlwinds 25 yard line where Floydada took over.

Fifty Yard Punt  
 The Whirlwind attack bogged down and Teague punted from his 22 to Dimmitt's Gene Bradley at that point.

ley on the Bobcat 40 and he ran it back to the 47. The Bobcats were held and Coffee punted from his 46 dead on the Whirlwind 3. Floydada rode the hard charges of the line and Van Stovall as they ran the ball from danger but a penalty put them back in trouble and Teague punted from his 10 to Coffee at midfield.

Mr. C ran it back to the Floydada 33 and things were looking black. Dimmitt had gained inside the 20 but with time running out Coffee dropped a pass on the last play of the second period to end the threat.

Opening the third period Dimmitt came out like a house afire and Coffee slashed and plowed in a drive that carried from the Bobcat 24 to the Floydada 3.

At that point the Coffee was getting a little low on caffeine and the Whirlwinds great defense refused to yield as the 'Winds took over on their own 3.

Floydada fell short of first down yardage deep in their own end of the field, but confident of their defensive ability they gambled on fourth down and held on to the ball driving up field.

As the fourth period opened Floydada held the ball 3rd and 1 on their own 38 but soon after Coffee intercepted on the Dimmitt 8 to stop a Floydada drive.

When Floydada stopped Coffee at the Whirlwind three yard line the locals had lined up in a gap possession of the ball was short however as Coffee fumbled at the 'Winds 45 and Stovall recovered put the stop to the big full back.

#### Drive Gets Pay Dirt

Floydada then drove in with a mixture of runs and passes from the T and wing back formations and soon owned the ball inside the Dimmitt 10. Teague ran the last yards to score and Floydada held a 6 - 0 lead.

Stovall almost made the running conversion but was stopped short of pay dirt as the clock was all but run out of time.

On the following kickoff the short on sides kick was touched by a Dimmitt lineman and recovered by Don Switzer for Floydada on the Bobcat 43. Time ran out as the Winds ran the ball into the line for short gains.

Seeing most of the action for Floydada were Rodney Teague, Van Stovall, Richard Marler, Ray Walker, Teddy Allen, Charles Christian, Pat Ginn, Frank Barrow, Don Davis, Melvin Lloyd, Eddie Parks, Joe Lee Dunn, Max Campbell, Melvin Green, Larry Orman, Jerry Powell, Don Switzer, David Crawford, and Darryl Lindsey.

Tremendous defensive pressure was put on the inside linemen and middle backers in the game and it was these boys whose performance turned the tide for Floydada.

# Two Students Enrolled From Out Of State

Coming to FHS from Baltimore, Maryland, is Sarah Jo Burkhardt, who attended school in Paraguay her last three years.

Sarah's likes are Spanish, French, barbecue, shrimp, Kim Novak, Yves Montand, "Gone With the Wind", Jaguars, MG's Chevrolts, blue, gold, "The Great Pretender," and "Ciao Ciao Bambina".

Her dislikes are rain, history, housework, snakes, and spiders.

Photography, sketching, and stamp collecting are her pastimes.

While attending in Paraguay, she was in the Centenario Club, Centro Cultural, and the Tennis Club.

Sarah's first impression of FHS is that it seems very new and modern.

Sarah takes English IV, study hall, civics, driving, and Typing I.

Betty Washburn, a freshman, comes from Lovington, N. Mex. Boys, cars, movies, and riding around are her likes, and stack-up people and work are her dislikes.

As a pastime, she likes to go horseback riding.

Barbara, a while in Lovington received two awards for neatness.

She is taking study hall, home economics, English I, driving, physical education, Algebra I, and Speech I.

Barbara said, "I was rather scared and confused when I first entered FHS."

# 170 Covered By Insurance

(By Kay Asher)

Out of FHS' 343 students, 170 have been covered by insurance under the Old Security Life Insurance.

Benefits may be received in case of accidental death, dismemberment, and loss of sight.

For \$3, a student can be insured when participating in school activities. "Round the Clock" coverage, costing \$10, is in effect 24 hours a day, year round. Bus drivers and cafeteria workers are insured for \$15.

"It's a good thing if the students will report their accidents and send in their insurance forms," said Principal A. E. Baker.

# PE Girls Sport New Gym Suits

Girls physical education classes in FHS are wearing brand new one-piece green gym suits purchased from E. R. Moore Company.

Incoming freshmen are required to buy new suits priced at \$3.50 each. Floydada Junior High School has adopted the same suits so that incoming freshmen will not have to buy new suits.

Approximately fifty FHS girls have bought suits.

The PE classes have been studying corrective exercises during this six weeks. Soccer, basketball, volleyball, recreational leadership, and softball will be covered during the remaining five six weeks' periods.

"This year's classes are the largest I've ever had," says Mrs. J. L. Dalton, instructor.

# Did You Know?

There are 179 AA schools competing in football in Texas. Texas has the most grid squads, 914 in the Union.

Floydada Whirlwinds were tied for second with Hamlin in AA team ratings last week. Denver City was No. 1 according to the Lubbock Paper.

Bodney Teague was No. 13 in points made.

Sept. 1, T. Graves was in Lubbock Thursday of last week to an administrative meeting.

Margaret Moss is Rotary Sweetheart.

A monument with "Home of the Whirlwinds" inscribed on it for the front of the building will be made possible by last year's senior class.

Aggies killed a beef recently. Eddie Parks is Junior Rotarian for September.

Friday was Tag Day. Home room committees prepared tags for each homeroom.

Eighteen per cent of all chiropractors are women.

The Floydada Chapter of FFA may be the only remaining school in Texas with an original chapter.

O. W. Lewis took an accounting course by correspondence from West Texas State this summer.

Bobby Fuston withdrew from school.

Mrs. Sharon Young, FHS home teacher last year, is teaching in Ralls High School.

Floyd Murry, former FHS coach, is coaching in Plainview Junior High.

New stop signs are up. Observe them.

A new victory flag is being made. Several think it should be green this time.

## School Dismisses; Band Joins In Parade Contest On Monday

The Floydada Band competed only bands and no floats. Last year for cash prizes along with 29 other year there were 24 bands competing in the annual Parade Contest on Monday. School was Whitaker, band director.

The parade was very unusual this year because there were outstanding band directors stood on the balcony of the Pioneer Hotel as the bands passed in review.

Cash prizes totaling \$6,000 were awarded the first and second place winners in each of the four classes (B, A, AA, AAA). First prize got \$100 and second \$50.

FHS won first in 1957 and 1958. In 1959, Abernathy took first; Denver City, second; and Floydada, third in AA competition.

After the band returned to the bus, the members were free for an afternoon at the fairgrounds along with many other Floydada students.

Any West Texas or Eastern New Mexico school band was invited to participate in the parade, according to D. O. Wiley, chairman.

Results this year were unknown at the time of publication.

Each Student Council homeroom representative appointed several persons to plan and prepare the tags.

HELEN FOSTER

## Foster Leads NHS, Editing School Annual

(By Elaine Anderson)

Helen Fay Foster is probably one of the busiest seniors as she has the double duties of being president of the Baker National Honor Society and editor of the 1968-69 yearbook.

All four years Helen has maintained a 94 average, one of the highest in her class, and she has received Departmental Recognition every year.

Helen is 17 years of age and has attended Floydada schools 11 years. Born Jan 6, 1943, she is now 5 feet 2 inches tall with brown eyes and brown hair, and she weighs 110.

This year she is taking American history, shorthand, civics, chemistry, and English IV.

Her list of activities and honors is long and varied. In her freshman year, these included chorus, TALA, Departmental Recognition, and FHS.

Added to the list her sophomore year were class favorite, most dependable, thespian, class vice president, student council, FFA, TALA, and Departmental Recognition.

Last year Helen was a very active leader as TALA president, FFA secretary, NHS secretary, and she received Departmental Recognition. She was also chosen as the first runner-up in the "Miss Floydada Parent."

At press time the winner was not known. Last year Glenda Morgan, junior, received the title.

The sweetheart will be presented a jacket and a bracelet on her winning. She will also represent the local chapter at the District Banquet and be its guest at the annual Floyd County Fat Stock Show.

Helen's favorite pastime is reading and sewing. When asked why she simply replied, "No reason just do."

Subjects she likes most are shorthand because it is interesting and entertaining and civics because it, too, is interesting.

Like its Italian friend, her favorite movie stars are James Stewart and Sandra Dee.

To fulfill her life's ambition of becoming a teacher, she will further her education at Texas Tech.

## Linda Waller Substitutes For Dalton

Mrs. Beth Dalton, English I and girls' physical education instructor, is in the Lockney Hospital after an appendectomy Sept. 19.

Mrs. J. E. Waller, the former Linda Clark and 1956 FHS graduate, is substituting for Mrs. Dalton until her return sometime in October.

Mrs. Waller received her B.S. degree in Elementary Education at West Texas State College along with her husband in June.

J. E. plans to enter service soon. Linda plans to begin teaching wherever J. E. is stationed. After service he will also enter the teaching profession.

While in FHS, Linda was a very active and popular student. Her activities and honors included FFA 1, 2, 4; Chorus 1; Reporter 1; Declaration 1; FFA Sweetheart nominee; Office Assistant 2, 4; Cheerleader 1, 2; Head Cheerleader; 4; Student Council 4; Annual Staff 4; Class Reporter 1; Class Vice President 2; Class Treasurer 4; and Homecoming Queen, 4.

## Test Week Is Coming Up!

Next week is six weeks' test week in F. H. S.

The test counts one-third of final grades for the grading period.

Passing mark for each course is C-. Average grade is C plus. A is excellent, B above average, D and F failing. There are exemptions from mid-term or final exams.

Each student is graded on effort and co-operation on the report cards. Absences and tardies are indicated.

They're cool, they're colossal (the craziest)—Melvin Lloyd and Janet Boren; Hope Roberson and Kenneth Jones.

I just now bumped it, and how I did groan! Why on earth do they call it "The funny bone"?

Which do you like best in the WHIRL—the chuckle shoot or the brain's page?

Albert Hernandez and Bill Hicks both in mad haste left the typing room with their bookstands before noon. They both came running back with said bookstands.

Only 86 more days until Saint, nik comes!

Like wow! I've had it! The pad is the place and now there's space so I deduct that I'll have to try it.

Like Cha, cha — Ronnie Ogle, junior, is the top feature of the noon hour playing the piano and singing. He's hip at the imitations.

I don't gossip. I just pass news on to those who do.

All you groovy dads keep in mind how to fog from the assembly tomorrow — seniors first, and freshmen LAST!

Susie Renee did kookie foot maneuvering in English IV.

Shorthand has caused Helena Whitfill to become a kleptomaniac. Sherlene, next time she won't admit it!

Khrushchev bugs me! Down with Castro!

Meimda Goen wails to the jive of Rickshaw Nelson.

"I Goofers" are Susie Badgett, Barbara Gilly, Jerome Pumberston, James Elza, Sara Holmes was bugged about carrying that piece of 8-pound leather around because she didn't lift her 800.

Sue Leather Express bandsters. George Patton is adrift at collecting. Any donations?

Darlene Cranford has a new grease job.

Verna Pate doesn't need an attic—as long as she has a purse.

Welcome to the pad Norman Goen, Wanda Vick, and the Bellas!

Bring your henchmen and we'll have a blast.

Your good buddy, Clyde.

## 225 Students Buy Annuals

Approximately 225 students have purchased the 1968 WHIRL-WIND annual, according to Helen Foster, editor.

Last day to buy a yearbook was Friday. The price this year is \$4.50, which is 50 cents lower than last year.

For those who will buy the annual in May, the price will be \$5.00.

Tiny Copeland, Mary Grace Dunn, Jan Dempsey, Sara Holmes, Lynda Thurston, Carolyn Moore, and Charles Christian took subscriptions this year.

## Aggie Sweet Contest Ends

After a week's campaigning for penny votes, the ag boys selected their choice for the 1968 FFA Sweetheart.

Nominees for the honor this year were Nita Cage, junior; Janice Trapp, sophomore; Lana Davis, freshman; and LaJuan Rimmer, sophomore.

At press time the winner was not known. Last year Glenda Morgan, junior, received the title.

The sweetheart will be presented a jacket and a bracelet on her winning. She will also represent the local chapter at the District Banquet and be its guest at the annual Floyd County Fat Stock Show.

## FHA Projects Are Outlined

Selling Christmas cards and corsages will be one of the year's projects for the 70 FHS Future Homemakers of America this year.

Future plans include a field trip to a style show and demonstrations to be given by Mrs. Nancy Morckel.

Officers for the local chapter for 1968-69 are as follows: Carolyn Moore, president; Melinda Barker, vice-president; Margaret Nash, secretary; Janet Boren, treasurer; Hope Robertson, reporter; Mary Dunn, parliamentarian; Nita Cage, historian; Mary Copeland, song leader; and Margaret Moss, pianist.

Program chairman for the first meeting were Mary Dunn and Janet Boren who led the group in some getting acquainted games. Future programs on the agenda are a Good Will Program and an Anti-litter Program.

The requirement for being a member is at least one year in home economics, freshmen must be taking it.

Freddie Morren, Pat Tucker and Typing II students prepared the handbooks.

Refreshments of punch and cookies were served to 106 girls attending the meeting. President Carolyn Moore presided.

He pointed out that parents wish the same for their children as do the teachers, and that there should be close cooperation between the two.

Mr. Nicholson also said he felt a child should be allowed to learn to face frustration so that he will be able to grow into a mature adult.

When we fail to teach our children these things then we are doing them a great injustice, he continued.

Room 1-B taught by Mrs. Stewart, won the room count by having more parents present for the meeting.

Membership drive continues. The membership drive will continue until October 15.

Earlier in the week Mrs. David Lewis, membership chairman, reported 246 memberships have been sold.

The room that has the largest number of memberships will receive a \$5.00 cash award so every parent is urged to join also subscribe to the Texas Parent Teachers Magazine.

Mrs. Lewis reported Mrs. Margaret Springer's room in first place; Mrs. Ruby Orman, second place, Miss Verna Meredith, third place.

The next meeting will be October 12.
