ANSWERLINE

Q. I keep hearing and reading
"apparent low bidder" in
reference to the bids
submitted for the prison water
line. I thought a "low bid"
was just that-the low bid.

A. It is referred to as
apparent low bidder because
the engineering firm has to
examine the bids to make
sure they strictly meet all the
requirements in the bid
package. They have to check
specifications and a number
of other factors to make sure
"apples are not being
compared to oranges."

Sunday, November 22, 1992

Vol. 87 No. 94 Pub. No. 122800

It's roundball time...

Basketball is in full swing throughout Mitchell County and last Tuesday, Colorado City and Loraine met in Wolf Gym. Loraine won the boy's game, 73-48 with Alvin Crawford scoring 21 points for the winners. David Castillo tossed in a game high 24 for the Wolves. The Lady Wolves prevailed over Loraine by a score of 68-18.

This week, Westbrook will entertain Rule with varsity games while Loraine travels to Water Valley Tuesday.

The Wolves will travel to Forsan Tuesday night also. Colorado Middle School teams will be in Sweetwater Monday while Loraine's junior high plays in Ira. Westbrook junior high will host Hermleigh also.

Colorado City's Jason Lynch (#23) goes up between Loraine's Michael Moore (#20) and Fabian Alvarez (#25)

Susan Lentz (#34) puts in two points for Colorado City as Loraine's Kamie Lamb defends

Thanksgiving dinner

Final preparations underway

Final preparations are being made for the Community Thanksgiving Dinner sponsored by the Community Mission and Christian Temple. The dinner is scheduled for Thanksgiving Day from 11 a.m. until 1 p.m. at the Medallion Room of Lone Wolf Electric Co-Op.

"What we want folks to realize is that this dinner is for any person who wants to come," according to mission director Bob McNeal. "This is our way of thanking this community for the great support they have given to us."

McNeal also stressed that anyone needing either a ride to the dinner or a meal delivered to a shut-in needs only to contact the sponsors of the dinner. McNeal added, "they can contact us here at the mission or call Pat or Patti Savage over at Christian Temple." The mission telephone number is 728-5067 and Christian Temple's number is 729-5944.

The community response, according to McNeal, has been excellent. "We've had people and business that we never thought of that have given their support," McNeal stated. "Without the support of the community, this would have never been able to take place." However, McNeal did say that the work is far from over. "I don't want it to sound like we can all sit back and just let the day come, because I can still say that we could use donations of hams, turkeys, and desserts."

Pat Savage, pastor of Christian Temple, put out a plea for volunteer workers for the event. "I know that many people are going to be tied up during the day on Thanksgiving," Savage said, "but

we could use many people to help us set up the Medallion Room on Wednesday." The volunteers will be setting up for the dinner beginning at 3:30 p.m. on Wednesday. "We also have the responsibility for cleaning up after the dinner is over, so if anyone wants to come out after their families meal, they are welcome to join us after 1 o'clock on Thanksgiving Day."

The effort is going to be boosted by the can food drives that were concluded this weekend. The can goods were all collected from Kelley elementary and Hutchinson school this past Friday and the Boy Scouts held their annual can collection on Saturday.

Thanksgiving service
set for Sunday

The Mitchell County Ministerial Alliance will hold their annual Thanksgiving Service Sunday, Nov. 22 at the First Baptist Church here in Colorado City.

The services will begin at 7 p.m. The community choir rehearsal will be at 6:30 p.m.

Speaker for the event will be Pat Savage of the Christian Temple Church.

Brett Footer of the First Baptist Church will lead the singing.

There will be time for fellowship after the services are concluded in the Fellowship Hall.

Holiday deadlines

Advertising and news deadlines for the Thursday, Nov. 26 edition of the Record will be moved up one day due to the Thanksgiving holiday.

All items need to be in by 5 p.m. Monday, Nov. 23 in order to be included in the weekday edition.

The paper will be printed early Tuesday evening and be distributed Wednesday.

Mitchell County commissioners are scheduled to award bids on the water and sewer project to the prison site when they meet in a called session Tuesday at 9 a.m.

Last week, the commissioners opened the bids for the project and were quite happy with the results as they came in way under projections-over \$200,000 less.

Ferguson Enterprises had the apparent low bid for materials with a price of \$279,406.85. Rhode Construction of Midland bid \$178,742.52 on proposal A for the installation and \$217,113.30 for proposal B. Proposal A is for installation of the lines from the north water tower to the site and proposal B includes the installation on to the water treatment plant.

Jack's Roadboring was the apparent low bidder for the jack and bore phase of the project.

Engineers with Parkhill, Smith and Cooper are currently analyzing the bids-making sure all bid requirements have been met before formally awarding the contracts.

Gary Harris of the engineering firm said "it was a very positive bidding atmosphere and a very competitive bid."

A complete list of the bidders is shown in the graphic illustration on this page.

In other business, the court will consider budget amendments, hear an audit report from Joe Morren,

discuss participation in the 1993 performance awards program and hear a request from Joan Beach for a

new typewriter.

They will also discuss a maintenance contract for the Lanier

recording equipment and have an executive session on the possible purchase of property.

Day Care, Head Start looking for locations here in Colorado City

Whether the Head Start Program and a new day-care facility opens here or not is still up in limbo, but parties are trying to get these two programs started again.

The city-owned building which housed the Mitchell County Day Care Center and the Head Start program is being looked at by two different groups.

Gladys Gerst, executive director of the People for Progress program in Sweetwater has met with city officials and discussed her possible lease of the building for the Head Start program. Her group provided funding for the Head Start before it-and the day care center-was closed last Sunday by a vote of the center's board due to financial problems.

Individuals who operate centers in Sweetwater, Snyder and Big Spring toured the facility Thursday to explore the feasibility of using the existing building. They too would have to meet the scrutiny of the city. Indications from these

other communities seem to show they run first-class operations.

On page two of this issue is a survey form one can use to indicate to these people whether or not the interest is here to open up a new day care center.

In a related matter, the attorney for Betty Casares said Thursday that he is waiting for papers from the Secretary of State indicating the Mitchell County Community Action Program has officially been dissolved before he takes any possible action.

Gilbert Rodriguez has represented Casares since she was terminated from her position of some 10 years with the day care program here. In a meeting last week, he indicated a lawsuit was possible against the board but he said "until we hear from the state, we won't do anything."

Also, parents who used the day care facilities before they closed here are urged to contact the Child Care Management Services as soon as possible at 1-800-542-4045.

Christmas in April sets guidelines

The Mitchell County "Christmas in April" has set a tentative goal of 5 houses to be renovated with another 10 to 12 to be repaired. The action came during a meeting of the local committee Tuesday evening, according to Jan Lemons, temporary chairman.

Some 20 persons attending the meeting set the following guidelines; Minimum age for assisting will be 12 years old, although children 10 to 12 years of age will be allowed to help when accompanied by their parents. Children under 10 may assist with child care. Waivers will need to be signed by parents of juveniles.

Mrs. Lemons estimates as

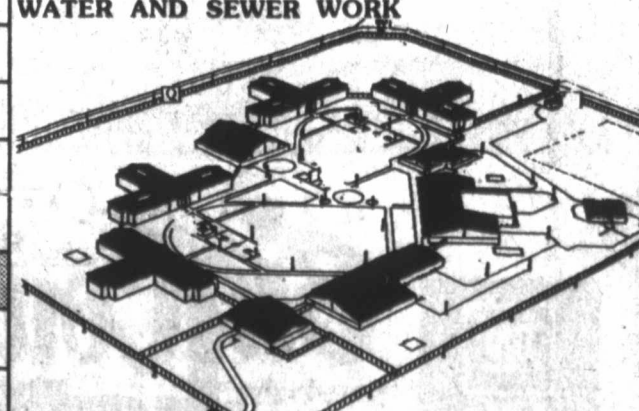

many as 400 persons may be involved in the one day project. "Christmas in April" is always the last Saturday in April, which this year will be April 24, 1993.

In the near future, applications for volunteers and homeowners needing work on their homes will be available at locations in Colorado City, Westbrook, and Loraine.

"We know we will not be able to work on all the houses submitted," Mrs. Lemons said, "however, we do have a committee chaired by Bertie Kidd who will be evaluating the needs of each applicant." To be eligible,

CHRISTMAS

homeowners must have homes within the city limits of each town.

Persons wishing to donate funds to "Christmas in April" should contact Don Jones at City National Bank at 728-5221 or Reverend Earl Shelton at 728-2278. Also, in-kind donations are needed such as screens, paint brushes, extra lumber, doors, etc. Mrs. Lemons

said the committee intends to buy all materials locally.

Heading up the adult volunteers is Kent Womack while Carrie Perkins is in charge of student workers.

The deadline for persons to submit applications for homes to be worked on is January 31, 1993. Anyone knowing of a home that

might possibly need work can contact Bertie Kidd at 728-5701 between 8:00 a.m. and 12 Noon, Monday through Friday.

"The response to "Christmas in April" has been tremendous," Mrs. Lemons concluded. "We have very high hopes for the project this first year. We hope everyone in Mitchell County will get involved."

ORDINANCE NO: 92-13

AN ORDINANCE GRANTING TO LONE STAR GAS COMPANY, A DIVISION OF ENSERCH CORPORATION, A CORPORATION, ITS SUCCESSORS AND ASSIGNS, A FRANCHISE TO FURNISH AND SUPPLY GAS TO THE GENERAL PUBLIC IN THE CITY OF COLORADO CITY, MITCHELL COUNTY, TEXAS, FOR THE TRANSPORTING, DELIVERY, SALE, AND DISTRIBUTION OF GAS IN, OUT OF, AND THROUGH SAID MUNICIPALITY FOR ALL PURPOSES; PROVIDING FOR THE PAYMENT OF A FEE OR CHARGE FOR THE USE OF THE STREETS, ALLEYS, AND PUBLIC WAYS; AND PROVIDING THAT IT SHALL BE IN LIEU OF OTHER FEES AND CHARGES, EXCEPTING AD VALOREM TAXES; AND REPEALING ALL PREVIOUS GAS FRANCHISE ORDINANCES.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF COLORADO CITY, TEXAS:

SECTION 1: That the City of Colorado City, Texas, hereinafter called "City," hereby grants to Lone Star Gas Company, a Division of ENSERCH CORPORATION, hereinafter called "Company," its successors and assigns, consent to use and occupy the present and future streets, alleys, highways, public places, public thoroughfares, and grounds of City for the purpose of laying, maintaining, constructing, operating, and replacing therein and thereon pipelines and all other appurtenant equipment needed and necessary to deliver gas in, out of, and through said City and to sell gas to persons, firms, and corporations, including all the general public, within the City corporate limits, said consent being granted for a term of twenty-five (25) years from and after the effective date of this ordinance.

SECTION 2: Company shall lay, maintain, construct, operate, and replace its pipes, mains, laterals, and other equipment so as to interfere as little as possible with traffic and shall promptly clean up and restore to approximate original condition all thoroughfares and other surfaces which it may disturb. The location of all mains, pipes, laterals, and other appurtenant equipment shall be fixed under the supervision of the City or an authorized agent appointed by said City.

When the Company is required to relocate its mains, laterals, and other facilities to accommodate construction, and the relocation is the result of construction or improvement to the Federal-Aid System (or any successor thereto), and Company is eligible for reimbursement for its costs and expenses incurred as a result of such construction and improvement from the Federal Government, the County Government, or the State of Texas, as permitted by law pursuant to any reimbursement program, and City requests reimbursement for costs and expenses incurred as a result of such construction or improvement, Company costs and expenses shall be included within any such application for reimbursement, provided that Company submits the appropriate documentation to City prior to such application. City shall make a reasonable effort to provide sufficient notice to the Company to allow the submittal of appropriate cost information to the City.

SECTION 3: Company shall defend, indemnify and save whole and harmless the City and all of its officers, agents, and employees from any and all claims for injury or damage to persons or property, including the failure to comply with or the violation of any environmental law or regulation, occasioned by, or arising out of the construction, maintenance, existence, operation, or repair of the gas transmission or distribution system or by the conduct of Company's business in the City, when the injury is caused, or alleged to have been caused, wholly or in part, by any act, omission, negligence, or misconduct of Company or any of its officers, agents, employees or contractors or by any person for whose act, omission, negligence, or misconduct Company is legally responsible.

SECTION 4: In addition to the rates charged for gas supplied, Company may make and enforce reasonable charges, rules and regulations for service rendered in the conduct of its business including a charge for services rendered in the inauguration of natural gas service, and may require, before furnishing service, the execution of a contract therefor. Company shall have the right to contract with each customer with reference to the installation of, and payment for, any and all of the gas piping from the connection thereof with the Company's main in the streets or alleys to and throughout the customer's premises. Company shall own, operate and maintain all service lines, which are defined as the supply lines extending from the Company's main to the customer's meter where gas is measured by Company. The customer shall own, operate, and maintain all yard lines and house piping. Yard lines are defined as the underground supply lines extending from the point of connection with Company's customer meter to the point of connection with customer's house piping.

SECTION 5: Company shall not be required to extend mains on any street more than one hundred feet (100') for any one customer of gas; provided that no extension of mains is required if the customer will not use gas for space heating and water heating, or the equivalent load, at a minimum.

SECTION 6: Company shall be entitled to require from each and every customer of gas, before gas service is commenced, a deposit in an amount calculated pursuant to the Company's Quality of Service Rules as may be in effect during the term of this franchise. Said deposit shall be retained and refunded in accordance with such Quality of Service Rules and shall bear interest, as provided in Tex. Rev. Civ. Stat. Ann. art. 1440a as it may be amended from time to time. Company shall be entitled to apply said deposit, with accrued interest, to any indebtedness owed Company by the customer making the deposit.

SECTION 7: The rights, privileges, and franchises granted by this ordinance are not to be considered exclusive, and City hereby expressly reserves the right to grant, at any time, like privileges, rights, and franchises as it may see fit to any other person or corporation for the purpose of furnishing gas for light, heat, and power to and for City and the inhabitants thereof. Provided, however, City shall not grant more favorable conditions, including franchise fee, to any other gas utility franchisees than are herein granted to Company.

SECTION 8: Company, its successors and assigns, agrees to pay and City agrees to accept, on or before the 1st day of April, 1994, and on or before the same day of each succeeding year during the life of this franchise, the last payment being made on the 1st day of April, 2018, a sum of money which shall be equivalent to three percent (3%) of the gross receipts received by Company from the sale of gas to its residential and commercial customers within the corporate limits of said City (expressly excluding governmental accounts and receipts derived from sales to all other classes of customers in said City) during the preceding calendar year, which annual payment shall be for the rights and privileges herein granted to Company, including expressly, without limitation, the right to use the streets, alleys, and public ways of said City. The initial payment for the rights and privileges herein provided shall be for the period January 1 through December 31, 1994, and each succeeding payment shall be for the period January 1 through December 31 of the respective year in which the payment is made. And it is also expressly agreed that the aforesaid annual payment shall be in lieu of any and all other and additional occupation taxes, charges, levies, fees, and rentals of whatsoever kind and character which City may now impose or hereafter levy and collect, excepting only the usual general or special ad valorem taxes which City is authorized to levy and impose upon real and personal property. Should City not have the legal power to agree that the payment of the foregoing sums of money shall be in lieu of taxes, licenses, fees, street or alley rentals or charges, easement or franchise taxes or charges aforesaid, then City agrees that it will apply so much of said sums of money paid as may be necessary to satisfy Company's obligations, if any, to pay any such taxes, licenses, charges, fees, rentals, easement or franchise taxes or charges.

Receipts from sales to governmental accounts shall include all those receipts derived from the sale of gas to Federal, State, County or City Governments or branches and subdivisions thereof, school districts or other similar districts, it being the intention to include within the term "governmental accounts" all tax-supported institutions owned or operated directly or indirectly by said governments or branches or subdivisions thereof, such as schools, colleges, hospitals, eleemosynary institutions, army or training camps, airports, courthouses, city hall or other institutions of like or similar kind and character.

In order to determine the gross receipts received by Company from the sale of gas to residential and commercial customers within the corporate limits of City, Company agrees that on the same date that payments are made, as provided in the preceding paragraph of this Section 8, it will file with the City Secretary a sworn report showing the gross receipts received from the sale of gas to its residential and commercial customers within said corporate limits during the calendar year preceding the date of payment. City may, if it sees fit, have the books and records of Company examined by a representative of said City to ascertain the correctness of the sworn reports agreed to be filed herein.

SECTION 9: When this franchise ordinance shall have become effective, all previous ordinances of said City granting franchises for gas distribution purposes which were held by Company shall be automatically cancelled and annulled, and shall be of no further force and effect.

SECTION 10: In order to accept this franchise, Company must file its written acceptance of this franchise ordinance within sixty (60) days after its final passage and approval by said City. If this franchise ordinance is not accepted by Company within sixty (60) days, the franchise ordinance shall be rendered null and void. Company shall pay all costs of publication of this franchise as required by the Colorado City Charter.

SECTION 11: This ordinance shall become effective on June 1, 1993, provided that this ordinance is finally passed and approved prior to April 1, 1993, and that Company accepts this franchise ordinance within sixty days after its final passage and approval by said City. If this ordinance is finally passed and approved after April 1, 1993, this ordinance shall become effective sixty days after the date of final passage and approval of this ordinance provided that Company accepts this franchise ordinance within sixty days after its final passage and approval by said City.

LETTERS TO THE EDITOR

Dear Sheriff,

On the morning of November 5, 1992, I was eastbound on Interstate 20 traveling to Sweetwater, as I do every Monday thru Friday. I was passing thru the small town of Loraine when I noticed in my rear view mirror a police car coming up from behind me at an extremely high rate of speed. This patrol car, which turned out to be a Ward County Sheriff's Department car, did not have his lights or siren on but he still passed me like I was sitting still. I can only assume that the

two officers in the car were on some sort of emergency but had forgotten to turn on their warning lights. Or the lights were defective and the officers were not aware of this. Or, sadly I might say the officers believe that they are above the law that they swore to uphold. What really got my dander up is later that day at about 3:45 p.m. the same car passed me again at almost the same spot, this time going west bound. The chocolate brown patrol car this time had three passengers instead of two. So I guess they finally caught whoever they were

chasing earlier that morning, but again they passed me like I was sitting still. The speed limit on this section of I-20 is 65 miles per hour, not the 75 to 85 miles of hour that the patrol car was traveling. Why, may I ask, if this was not an emergency, was the Ward County Sheriff's patrol car clearly breaking the speed limit?

Sir, I'm not singling out you or your department, because this is not the first time I have seen police cars from many Police Departments, Sheriff Departments, and even the Texas Department of

Public Safety, traveling down I-20 and other highways at a higher rate of speed than was posted.

When these officers blatantly break the law and it is not only seen but shoved in the face of the public, the respect for the law is damaged. Why should we follow the law if the police are going to break it.

"Police Business," this excuse is used by these law breaking officers every time they are asked about traveling cross country at many miles per hour over the speed limit. Well "Police Business"

traveling to pickup a prisoner, to transfer a prisoner to the TDC, or going to the local coffee shop. Unless it is an emergency situation, these officers are law breakers just like any one else who chooses to break the law. Only they believe they are above the law.

Sincerely,
Warren Lee Zant

WORLD WAR ONE VETERAN SPEAKS TO ROTARY: Louis Elliott spoke to the Colorado City Rotary Club last week about his experiences in the first World War. During this Veteran's Day meeting, Elliott spoke about the time he spent in the service and his early days in Colorado City. He was mustered into the Army in Sweetwater and then went to El Paso for basic training. He said he was making \$30 a month as a private. Tim Lelek (left), president of the club and David Montgomery, program chairman express their appreciation to Elliott for making the talk.

Bulldogs end season

by: Coach Bob Loy

The Loraine Varsity Football Team ended their 1992 season at the hands of the Wellman Wildcats by the score of 53-6. Wellman is a fine ball team and they are a seasoned team having been together since their Sophomore year.

We would have liked to continue to the next level of competition but the Bulldogs are very proud of their accomplishment of finishing 2nd in District and being in the play-offs. This is what all teams strive for when the season begins to be a play-off contender.

This year's team loses the experience of Adam Madrid, David Mitchell, Jason Shy and Artie Pineda. The Loraine team has 13 returning lettermen for next season. Loraine's offensive and defensive teams both finished the season in 2nd place in District 6A.

These are the final stats for the 1992 Football season: Leading tacklers were: David Mitchell, 171; Jason Shy, 97; Steve Gutierrez, 88; Craig Finley, 67; Arthur Garcia, 59; Dwayne Starlings, 37; Artie Pineda, 34; James Lopez, 33; Jesse Rico, 28 and Kyle Baumann. Passing: David Mitchell, 502 yards, 12 TD's. Leading rushers were: Arthur Garcia, 1822 yards, 24 TD's; Aunray Crawford, 740 yards, 16 TD's and Dwayne Starlings, 573 yards; 7 TD's. Leading receiver was: James Lopez, 794 yards, 5 TD's.
