Area Teachers Plan Retirement

Some familiar faces will be missed among Knox County teachers this fall. Four local faculty members will take their places within the ranks of the area's retired persons.

High School English teacher, Barbara Ratliff, locked her classroom door for the last time at the comple-

tion of the 1987-88 school term, ending a teaching career that began 38 years ago.

Mrs. Ratliff began her career in January of 1950 as English teacher for Goree High School. Her students knew her then as Miss Alman-

Goree, she organized girls' basketball and the football pep squad. She married W.O. Ratliff in 1952, but returned to Goree in the fall of 1956 after the birth of her children, Becky Jane and Barry Don.

Mrs. Ratliff joined the Munday faculty in 1960, and organized a girls' physical education program in the spring semester of 1961. In addition to her duties as freshman-sophomore English teacher, Mrs. Ratliff coached tennis until the mid-seventies; taught journalism, world geography, and health; and following Mr. Bardwell's retirement in 1962, she sponsored the yearbook, *The Mogul*, until 1979.

Born and reared in the Sunset community in Knox County, Mrs. Ratliff graduated from Sunset High School and McMurry College, where she received her bachelor of science degree in physical education with a minor in English. She received her masters degree from Abilene Christian College and other graduate work was completed from Hardin-Simmons University, North Texas State University, and Texas Woman's University. She is a member of the National Council of Teachers of English, Texas Joint Council of Teachers of English, the Abilene branch of the American Association of University Women, and a life member of the Texas State Teachers' Association.

When asked why she had made her decision to retire at this time, Mrs. Ratliff replied, "There comes that time when one feels the time has come for change, and I believe this is that time for me. I have always felt that one should retire before he becomes tired or runs out of interest in what he does. I hope I have done that."

Mrs. Ratliff feels that education has changed in many ways since she first began her teaching career. She believes that the curriculum is much broader now and the student's requirements are greater. She expressed the opinion that Munday has 'some fantastic young people -- ones we can point to with pride.'

Mrs. Ratliff believes that the staff of Munday ISD is superior, and the working arrangements ideal. She asserts that her association with the Munday faculty has been some of the most rewarding years that anyone could want.

"To say that I will miss teaching--the students and faculty--is to understate the case," she said.

HENRY DANCER

Dancer Named Knox Sheriff

Munday police chief Henry Dancer was appointed Knox County sheriff by the commissioners court at their regular meeting Monday morning. Dancer was elected sheriff in the March 8 election and will fill out the remainder of the term of current sheriff Gene Nix, who has resigned effective July 24. Dancer will be sworn in as sheriff on July 25.

Dancer was hired by the city of Munday as patrolman in the spring of 1985 and became chief of police that summer. His wife, Barbara, is the Video Station manager.

The Munday City Council was to meet Tuesday night after the Courier went to press, and a discussion of Dancer's replacement as police chief was planned. A few applications for the job have already been received.

Drivers License Changes Announced

There will be fewer opportunities for residents in the Munday area to obtain driving licenses beginning August 1. Department of Public Safety officer, James Dunlap, will be available for drivers' examinations only on Fridays from 9 a.m. to 12 noon and from 1-4 p.m. at the Munday City Hall.

Dunlap will be on duty for driving examinations in the Knox County Aging Services Center in Knox City on the first, third and fifth Wednesdays of each month.

Rain Pleas Heard; Area Gets Soaking

Cotton farmers are jubilant and vegetable growers are relieved it didn't happen earlier and ruin a larger portion of the crop, but it's a well-known fact that you can't please all of the people all of the time!

A slow front moved into the Knox County area during the weekend, bringing with it varying amounts of rainfall in different spots, but just about every area received at least some rain. Amounts ranged from .9 to 3 1/2 inches of moisture.

One cotton producer called it a "million dollar rain." Most of the area cotton, although somewhat revived after last week's showers, was in a critical stage of needing more moisture, and that received during the weekend should last for a while, so farmers can breathe a little easier for a time.

On the other hand, producers of potatoes and onions who were not finished with their harvest operations incurred heavy damage which may

mean sizeable reductions in their profits. Larry Smith of TXS Vegetable Producers said his business only lacked a few hours harvesting cucumbers when the rains came, but he feels fortunate to have been able to get back into the fields after only an 18-hour delay. Smith said he will finish harvesting cucumbers this week, will begin planting cabbage next week and will plant cucumbers for the fall crop soon afterwards.

The verdict is still out on cantaloupes, but those which were close to being ripe will probably be ruined. Heavy rain turns a ripe cantaloupe to mush, according to a grower, and some of this area's crop was nearly ready to harvest. Green cantaloupes, he said, may not be harmed.

Munday weather observer Goodson Sellers measured 2.36 inches of rain in his government gauge, and east of Munday apparently got the heaviest rainfall. Rhineland received two and a half inches, and a strip of land south of the Tharp community, which has missed nearly all the rain showers scattered in the area throughout the spring and summer, only reported .9 of an inch.

Wheat Management Seminar To Be Held In Benjamin

A wheat management seminar will be held on Tuesday, July 19 at 8 p.m. at the Knox County Courthouse in Benjamin. The seminar will be sponsored by the Production Credit Association of Munday and the Knox County Crops Committee.

Topics to be included are discussion of high potential wheat forage varieties. Al Alexander and Nelson Adams, District 3 Extension specialist, will present the program.

In addition, Pat Trotter and Lane Burtz of Frito Lay will present information concerning canolla, which is an oilseed crop. Trotter and Burtz will discuss production techniques, seed supply sources, harvesting techniques and marketing sources.

Members of the Knox County Crops Committee are Charles Escobar, Larry Smith, Maynard Moore, Bobby Sosolik, Greg Clonts, Gerard Kuehler, Bob Cude, Dale Bloxham, Macky Yates and Royce Miller.

County Man Plead Guilty In Court

Several cases were heard in district court held July 6 in Benjamin. District Judge David Hajek presided, with District Attorney Tom Schrandt representing the prosecution.

Roy Lerma and Henry Lerma, both of Knox City, pled guilty to charges of possession of marijuana and were each placed on probation for one year with fines of \$2,000.

Benny Robinson pled guilty to a charge of burglary of a vehicle and was assessed a five-year probated sentence along with a fine of \$2,000. He was also ordered to pay restitution to the victims in the amount of \$539.

A guilty plea was also turned in by Wayne Clark, who was charged with sexual abuse of a child. He was put on probation for 10 years, given a \$2,000 fine and ordered to submit to counseling.

Defendants arraigned before the district judge were Stacy James, two counts of criminal mischief; Greg Donaldson, burglary of a building; Steve Oudems, attempted murder; and Gary Hamilton, two counts of criminal mischief.

Ladies Auxiliary Meets

Seven members of the Ladies Auxiliary of the Munday Volunteer Fire Department met Thursday evening in the home of Buford and Cheryl Berryhill. Refreshments were served after the business meeting.

Winner of the door prize was Bea Carden.

Moguls Rated Second In Pre-Season Grid Poll

With almost two months left before a new football season begins, strategists and sportswriters are already predicting which teams will be Texas grid kings for 1988. *Dave Campbell's Texas Football* magazine hit the stands last week with his yearly picks, and the Munday Moguls are rated number two in Class A this year.

Bartlett, a previously AA school located between Temple and Austin, got the nod for the top slot in Class A, having been runnerup in its district last year before dropping down a classification. Both Munday and Knox City won state championships the first year after being lowered from Class AA to Class A, and Texas Football writer David Barron is predicting the newest move to produce another new champion.

But Munday, with 18 returning lettermen from the 1987 semifinalist team which went 13-1, is right behind, and Barron says Munday "looks like the main mogul in Region II." He notes the loss of "all-everything" back Anthony Stinnett but offsets that with the return of coach Jim Edwards, who guided the 1984 Moguls to the state title.

Players to watch for on this year's Munday team are linemen Doug Tidwell and Lowell Hutchens and quarterback Marc Andrade, accord-

ing to Barron. He mentions the sophomores who are expected to contribute to the team's success, led by twins Terry and Perry Collier. Chad Bordovsky, Donald Edington and Kent Sanders are also predicted to help lead the team.

Munday is picked first in District 9-A, with Paducah in the runner-up spot. Other teams in the newly realigned district are, in order of Texas Football's predicted finish, Knox City, Spur, Motley County, Chillicothe, Crowell and Valley.

Other teams listed in the state Class A top ten are Bremond, defending champion Wheeler, Cross Plains, Maud, Flatonia, White Deer, Paradise and Ladonia Fannendel.

USDA Commodities To Be Distributed

The Aspermont Small Business Development Center will distribute USDA surplus commodities in Knox County on Tuesday, July 19, at the following times and locations:

Knox City City Hall, 8:30-10 a.m.; Truscott Community Center, 9-9:30 a.m.; Knox County Courthouse in Benjamin, 9:30-10:30 a.m.; Gilliland school building, 9:45-10:15 a.m.; Vera Community Center, 10:45-11:15 a.m.; Munday Community Center, 1:30-2:30 p.m.; and Goree Community Center, 3-4 p.m.

Persons presenting themselves to receive commodities must have eligibility identification and should bring large grocery sacks to hold the commodity items.

Area Little League Playoffs Underway

Seymour defeated Munday by a score of 7-4 in the first area playoff game in Seymour Monday night. Seymour was to meet Knox City for the second game of the double elimination tournament at 7 p.m. in Seymour on Tuesday, July 12. The losing team of the Seymour/Knox City contest will play Munday at 7 p.m. on Wednesday, July 13 in Seymour.

Games will continue Thursday night and possibly Friday night.

The District Little League tournament will begin at 6 p.m. on Monday, July 18 at Putnam Field in Munday. This will involve all area teams in District 6.

Daniel Ramirez, president of the Little League Association, reports that hamburgers will be served throughout the week and everyone is cordially invited to come to Munday to enjoy America's No. 1 sport.

Golf Scramble Planned

Golfers are invited to Lake Creek Golf Club Sunday, July 17, for a three-partner scramble. Action will begin at 1 p.m.

KNOX COUNTY SHERIFF Gene Nix, right, was honored with a farewell reception Monday at the assembly room of the courthouse. Nix has resigned from his job to take a position with the Baylor University Department of Public Safety in Waco. He received a plaque from county judge David N. Perdue citing his years of service to Knox County law enforcement. Commissioners, courthouse and sheriff's department personnel and other law enforcement officers were present for the reception.

Information Needed For Cemetery List

The survey of grave sites in the Johnson Memorial Cemetery has been completed, according to cemetery chairman, M.L. Wiggins. This survey includes a map showing the location of the grave along with the area number, the row and lot number and the family name.

Biographical information is needed for each person buried in the cemetery. The information will be compiled in a book of cemetery listings and can be revised if needed.

Forms for this information can be found at the Chamber of Commerce office, the City Hall or the office of Mr. Wiggins. A reproduction of the form is printed on page 8.

The cemetery association feels that completion of this survey will be beneficial in helping family members locate graves of their deceased. Please return completed forms to M.L. Wiggins, Box 8, Munday, Texas 76371-0008.

Knox Prairie Co-op Presents Dividends

Members of Knox Prairie Co-op gathered Monday morning for their annual stockholders meeting. Cotton dividends were paid and the audit report was given by Jeff Gregg of Seymour.

Don Bowman was elected to the board of directors of the co-op, and Garon Tidwell's term expired. Newly named officers are Byron Gass, president; Mark Reed, vice-president; and Dan Offutt, secretary.

Munday

The Munday Lions Club will be meeting at 12 noon every Tuesday in the Munday Community Center. Anyone interested in attending or joining this organization should inform a present member.

Norman Anderson is in charge of the program for the July 19 meeting.

The next Lion's Club event is the highway cleanup project at 7 p.m. on July 19. All members of the Lion's Club are requested to participate.

Brazos Electric Power Co-op, TU Electric Agree To Settle

Brazos Electric Power Cooperative has announced an agreement with TU Electric intended to settle litigation related to the Comanche Peak nuclear plant.

Under the agreement, TU Electric will purchase Brazos Electric Power's 3.8 percent interest in the Comanche Peak plant and related nuclear fuel and transmission facilities. TU Electric will make Brazos Electric Power's loan payments on the project.

"We are very pleased with this agreement which we value at approximately \$229 million in today's dollars," said Richard E. McCaskill, executive vice president and general manager of Brazos Electric Power. "Its long-term effect on our rates and power supply structure should benefit our consumers," he said.

TU Electric will pay the cooperative \$19 million for nuclear fuel, \$15.3 million for litigation costs, \$2.5 million for the transmission facilities, and \$322,000 for other expenses as part of the \$229 million settlement.

Brazos Electric Power received about \$22 million upon signing the agreement. At a closing anticipated for March 1989, the cooperative expects to receive another \$15 to \$16 million. TU Electric will then begin making the cooperative's loan payments as part of the \$229 million settlement.

ments on the project to the Federal Financing Bank (FFB).

The agreement will require the approval of the Rural Electrification Administration, which guarantees Brazos Electric Power's FFB debt, the National Rural Utilities Cooperative Finance Corporation, the Texas Public Utility Commission, and the Nuclear Regulatory Commission.

Brazos Electric Power is based in Waco. It provides wholesale electric power to 20 member cooperatives, seven municipal electric systems and Texas A&M University. These systems serve 233,000 consumers in a 66-county area of central and north Texas.

Moorhouse Services Held In Benjamin

Sue Moorhouse, 42, died Sunday, July 10, at her Moorhouse Ranch home near Benjamin after a long illness. Funeral services were at 4 p.m. Tuesday, July 12, at the Benjamin Memorial Building with Rev. K.E. Woolley, retired pastor of the Benjamin Baptist Church, and Rev. Willard Moody officiating. Burial was on the Moorhouse Ranch under direction of Smith Funeral Home of Knox City.

Born September 21, 1945, in Sweetwater, she graduated from Sweetwater High School in 1963 and received a degree from Sul Ross College in Alpine in 1967. She married Tom Moorhouse August 5, 1967, in Sweetwater and was a homemaker and active in ranching. Featured in Texas Monthly magazine as a Texas cowgirl, she competed in the annual ranch roundup in Wichita Falls and helped the Moorhouse Ranch win the championship in 1982. She was a Methodist and attended the First Christian Church in Benjamin.

Survivors include her husband; one son, Jed of the home; one daughter, Jody of the home; her parents, Harrison D. and Jean Horne of Sweetwater; and a sister, Kelly Dupnick of Springfield, Va.

Retirement

(Continued from Page 1)

derstate my feelings," Mrs. Ratliff concluded, "but I am looking forward to retirement—to being able to travel, golf, read, or just not have to watch the calendar or the clock."

School counselor, LaRue Reeves has announced her retirement from her 26 years of serving the Knox/Haskell area. Reared in Gilliland, Mrs. Reeves received her homemaker degree from North Texas State University and began teaching in Rochester, where she taught homemaking for two years.

After returning to college and completing a degree in elementary education, Mrs. Reeves obtained a masters degree in counseling from Hardin-Simmons University. She has taught first, second, and third grades in Gilliland and Munday.

When her own sons were in high school, Mrs. Reeves saw a need for a school counselor and began a career in counseling that has spanned more than 18 years. She has counseled all grade levels, helped students plan their curriculums, and planned schedules with superintendents.

Mrs. Reeves expressed a belief that more emphasis is placed on testing now than in previous years, but she feels that schools in this area provide the essential elements required for students to master the necessary tests, and also to prepare them for college.

Mrs. Reeves stated that, even though she is not of retirement age,

she feels that now is the time for her to retire. She is looking forward to sleeping late on cold days, becoming more involved in hobbies and pursuing her interests in genealogy.

"I am thankful for my experiences of working with fine teachers and administrators," Mrs. Reeves commented, "and, most of all, I will miss working with all those precious children. I loved them all."

Mrs. Reeves and her husband, Arnold, moved to Munday from Gilliland in 1974. Their sons, Dwight, Randy, and Lyndle, attended Munday schools. Mr. and Mrs. Reeves have four grandchildren.

Mrs. Dorothy Myers and Mrs. Frances Cypert will also be retiring this year, but they are out of town this week and were unavailable for comment. They will be interviewed at a later date.

Visitors in the home of Mr. and Mrs. Nolan Phillips on July 4 were Mrs. Irene Carmichael, Lenora Carmichael, Mr. and Mrs. John Etheridge, Miss Helen Phillips, Ray Hunter, Mr. and Mrs. Otis Spann and Mrs. Lala Morgan. They all enjoyed an outdoor cookout in the back yard, which was decorated with red, white and blue streamers and little flags. Pictures were taken and patriotic songs sung before moving inside for dessert of homemade ice cream, cake and pie.

Irene and daughter Lenora Carmichael returned home to Antioch, California by plane on Tuesday, July 5. Mr. and Mrs. John Etheridge left Wednesday morning for their home in Newman, California.

DON'T LINE DRY WHITES
Now that summer's here you may want to hang out some white clothes to line dry. However, the International Fabric Care Institute doesn't recommend this procedure because most white fabrics contain optical brighteners. Many brighteners are unstable to sunlight, and a few hours in the sun can cause drastic and permanent yellowing. The yellowing has been known to develop in as little as 30-60 minutes when a garment is exposed to direct sunlight.

BOYS IN HOME EC CLASSES BELIEVE IN SHARING HOUSEWORK
Most teenage boys with some home management training say that both males and females should do

household tasks.

HOUSEHOLD PRODUCTS ADD TO INDOOR POLLUTION
Many of the chemicals in household cleaners, solvents, sprays and pesticides are toxic and known to reduce indoor air quality.

An average home may contain dozens of aerosol products, for example, and these products often contain methylene chloride, which is a recognized animal carcinogen that may present a cancer risk to humans.

The paradichlorobenzene found in moth ball crystals and some air fresheners is also a suspected carcinogen.

Personal care products, paints, lacquers and varnishes generate chlorinated compounds, acetone, ammonia and benzene. Yet the health risks associated with exposure to these and many other chemicals have not been determined.

At the same time, a concern with saving energy means that many homes are "tighter" than ever. By caulking, insulating, and adding energy-saving features we are holding possible sources of pollution inside our homes as well.

To improve air quality indoors, try to identify, eliminate, exhaust or dilute possible harmful substances. Whenever you work with household chemicals, increase the air mix by opening windows and doors. Eliminate spray-can aerosols from use in your home or turn on vents when you do use them.

REMODELING ON THE RISE
According to the National Association of the Remodeling Industry, there are more than 80 million single-family homes in the U.S. Sixty percent of those are over 15 years old and will require some remodeling in the next few years.

STOP taking the purity of water for granted

Now there is a better way that removes the chemicals and pollutants, leaving you with water that is so pure and fresh-tasting. It even makes your cooking taste better, drinks taste better.

HOW THE R.O. SYSTEM WORKS

Q. What happens to the impurities trapped by the membrane inside the unit?
A. They are forced down the drain by the rinse water. This running water helps keep the membrane flushed so it lasts much longer than a filter, and shuts off when the storage tank is full, so you save on water.

Q. How often should the R.O. element be changed?
A. It should last three to five years depending on the quality of your water supply. A simple test will reveal its performance.

Q. How is the fresh, pure water stored?
A. The processed water is collected in a 3 1/2 gallon tank under the sink or up to 25 feet away if space is scarce. The tank utilizes pressure to pump out the fresh water. The water is always available using a special tap mounted on the sink.

Q. What contaminants are typically found in ordinary tap water?
A. Even supposedly "treated" water can contain as much as 700 parts per million of dissolved solids.

By Mrs. Gladene Green

Our small community was saddened once again on Sunday when word came of the death of Sue Moorhouse. Sue died at her home Sunday morning after several months illness. My personal sympathy to Tom, Jed and Jodi, to Sue's parents and to the rest of her relatives and friends who loved and admired her so much. Funeral services were held Tuesday.

Also J.D. Brown received word of the death of his brother, Ed Earl Brown of Dumas died Friday in an Amarillo hospital. Funeral services were held Monday in Dumas with graveside rites in Benjamin on Tuesday. Our sympathy also to J.D. and Annie and the rest of Ed Earl's family.

NEW RESIDENTS

We are proud to have some new people living in our town. Tim and Darlene Jones and their children, James, 7, Jonathan, 6, Teresa, 5 and Amanda, 4½ months, have moved into the Virginia Griffith home. Tim is employed by Benjamin Fertilizer and the family attends the Baptist Church.

We welcome these folks and hope they enjoy living in our town.

SHOWER HONORS COUPLE

Julie Martin, bride-elect of Troy Pratt, was honored Sunday with a pre-nuptial tea at the Memorial Building.

Receiving guests with the bride-elect was Barbara Pratt, the prospective groom's mother.

Cookies, punch, nuts and mints were served from a table covered with a white lace tablecloth complemented with a centerpiece of rose and white silk flowers and a miniature bride and groom. Appointments were silver and crystal.

The hostess gift to the young couple was a set of cookware.

Hostesses were Janice Tolson, Jane Gideon, Linda Griffith, Sue Oxford, Susan Emerson, Cathye Williams, Jo Etta Cartwright, Nancy McGreger, Louise Hertel, Bertha Driver and Jan Pollock.

The young couple will be married August 14.

HERE AND THERE

Virginia Griffith spent the 4th of July weekend with relatives and friends in Austin.

Judie Whitten and family spent a weekend in Canyon recently and attended the play "Texas". Rhonda Whitten and Kristen Simmons, who had been attending a basketball camp at West Texas State University, returned home with them.

Kenneth and Mary Isbell of Enid, Okla. spent the 4th of July weekend with his mother, Leola Isbell, and his sister and family, the Don Hertels.

Weekend guests of Nora Hertel were Rose Ellen Albus of Lubbock and Karen Herd and Nathan of San Angelo.

The Dennis Dukes returned home Thursday after a 10-day vacation trip to Colorado.

Henry Rogers was in Dallas Sunday on business.

James, Cheryl, James Harvey and Christa Tomlinson have returned to Tyler to make their home. The Tomlinsons regretted having to

Sales Of MSU Grid Tickets Are Brisk

Tickets for Midwestern State University's first football season in 32 years have been going fast, according to Steve Holland, director of athletics.

Holland said that as of July 1, more than 1,600 tickets had been sold or assigned, and orders were still coming in at a rapid pace.

"Except for a few single seats here and there, the center section on the west side of Memorial Stadium is completely full between the 40-yard lines, and we are beginning to fill up the other reserved sections as well," he said.

Holland indicated that many good seats remain between the 30 and 40-yard lines, but that he expects them to fill up quickly if orders continue at the same pace they have over the past two weeks.

MSU will open its season on Saturday, September 3, at 7:30 p.m. with a home game against Howard Payne University at Memorial Stadium.

The Indians will play five home games, and season tickets are \$20 for all five games. The cost of single-game reserved seats will be \$5 while general admission will be \$4 for adults and \$3 for non-MSU students and military.

Season tickets are on sale each weekday from 8 a.m. to 5 p.m. in the MSU Athletic Office, Room 114, in D.L. Ligon Coliseum.

They can also be ordered by mail or by calling the MSU Athletics Office at 692-1332.

Struck also visited Earlene recently and Earlene attended the Nichols family reunion at the Bomarton school a couple of weeks ago.

Willie Cunningham of San Antonio is visiting her mom, Ozelle Kilgore, and her brother, Galen Kilgore, this week.

Beckie and Cody Taylor and Brandi Crawford of Munday spent the weekend with Gladene Green.

James and Jimmie Klutts spent the 4th of July weekend with relatives in the Leonard area. Jimmie's mother returned to her home in Leonard after several days visit here.

Dee Powers was a recent guest in the home of Leroy and Gloria West.

He Is Alive!

by Rev. Wayne Varnell,
First Baptist Church, Goree

There are some people meeting all across our area who ought to cause us to think. These people are inspired by the Supernatural Being with power beyond our ability to comprehend. They are teaching a doctrine which radically changes the way most people live. They are loyal to Someone who claimed that He was not of this world.

These people are called Christians. They plan on meeting again this week. Many have built places of worship as if they planned on stay-

ing in the area as long as possible. It is reported that a lot of them are teaching their children and grandchildren about their God, that they read the Bible for themselves on a daily basis, and that they pray with confidence to their Lord.

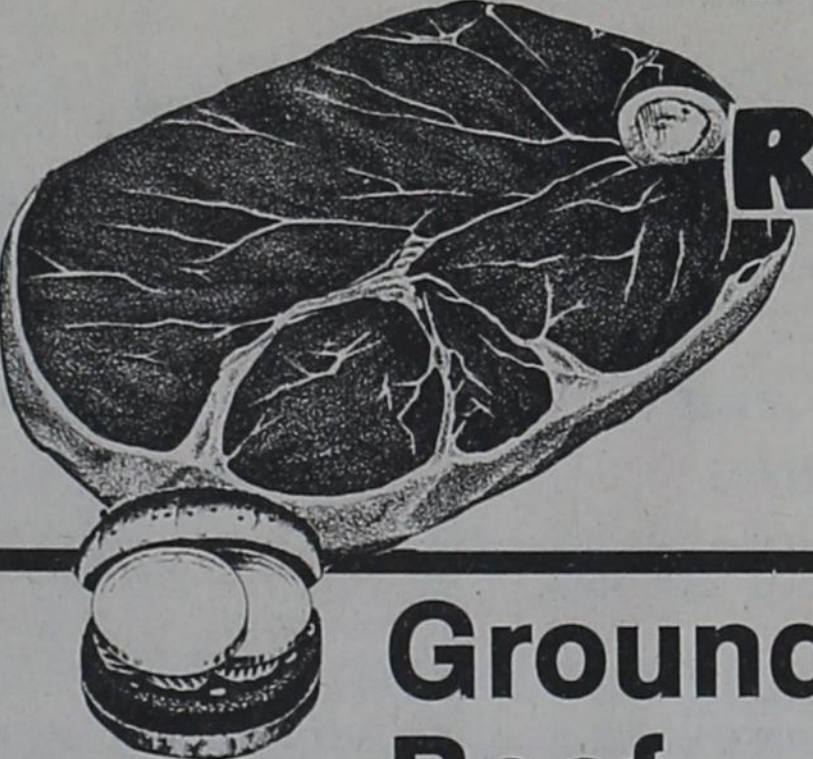

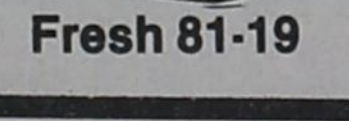

I think that every concerned citizen, if not already doing so, should attend these places of worship on a regular basis until they find out just what these Christians are teaching about life and about everlasting life through Jesus Christ. Jesus said

The Munday Courier, Thursday, July 14, 1988, Page 3
about Himself: "I am the way, the truth, and the life. No man comes to the Father except through Me." John 14:6.

★ Weinert News ★

By Mrs. Myrtle Pheister

On Sunday night, July 10, we listened with joy to the concert given by the Weinert "bull-frogs"! As you know, there must be an inch of rain before they croak at all, and lo, we had 2.4 inches of rain by Monday morning! We received another inch later.

Since money is always being given for research on various topics and things, I would like to know - Where do the frogs stay during a drought? How can they tell when an inch of rain has fallen during a storm?

Our sick ones are improved. Eddie Sanders is happy about his back treatment; the doctor put him to sleep and put his back into place, and Eddie reports he feels better than he has in forty years.

Bertie Alexander is at home, but must have special care. Her loving children are providing it at this time. They have all been here for a while: Dorothy Finn of Clovis, N.M.; Faye Crawford and Sue Alexander of San Antonio; Audra and Bob Schindler of Abilene; Evelyn Ellington of Muleshoe; J.C. and Peggy Alexander of Veneta, Oregon; Roy and Merle Alexander of Lubbock; a grandson, Ricky Crawford of San Antonio; and of course the local children, Herschel and Merle Alexander of Weinert.

Angie Castillo enjoyed a very special birthday celebration last week, as her son, Rueben, took her and her husband for a visit in Denton with some of Angie's brothers and sisters there.

They were accompanied on the trip by Lucas and Brad, Felix, Aaron and Andy.

Erma Liles has returned from a 10-day vacation to parts of Missouri, Arkansas, and Louisiana. She was accompanied by good friends, Mr. and Mrs. Paris Barton of Haskell. Paris attended his high school reunion at Frank Clay, Mo., while there.

Erma reports the places they went were so dry and hot it was like returning to the Garden of Eden to return to Weinert. Visits with friends and the Barton's relatives on the way were all enjoyable.

Erma is facing cataract surgery on her right eye on Wednesday. We pray for a speedy and complete recovery for her.

Mr. and Mrs. Donnie Crump, Mrs. Hal Guess, Mitch Mayfield and Shanna Murphy have returned from a week's stay at Bible camp at Glorieta, N.M.

Marvin and Myrtle Pheister with Marcus, accompanied their daughter, Mr. and Mrs. F.D. Williams of Harlingen and granddaughter, Mrs. Eugene Pollostro with Emily, of Phoenix, Arizona, to Amarillo on July 4 where they made a tour of the Palo Duro Canyon area, and attended the musical

pageant "Texas." A special 4th of July fireworks display following the program was magnificent.

The Williams went on to Eagle Nest, N.M. for a cool vacation before returning to their home in the Rio Grande valley.

Alton and Mildred Sanders had their family for the 4th of July celebration: Terry and Beth Sanders, with David and Kerri of Hamlin and Jerry and Joyce Sanders, with Amanda and Jeremy, of Merkel.

Jeremy spent the week with his grandparents last week, and Kerri is their special guest this week.

Recent guests in the home of Clyde and Otie Mayfield were her daughter and son-in-law, Mr. and Mrs. George Cunningham of Ransom Canyon.

Tammy Offutt of Wichita Falls with her friend, Brent Proffitt, are spending a few days with her grandparents, Mr. and Mrs. Bud Offutt, and Mr. and Mrs. Eddie Sanders and other relatives.

Taylor Wade has returned home with his parents, Mr. and Mrs. Ricky Wade of Abilene, after a week's visit with his grandparents, Mr. and Mrs. Toby Yates. The Wades were in Arlington attending a coaching clinic there.

The Weinert graduating class of 1958 flew from Dallas on Monday, July 11, bound for a special class reunion in Jamaica. Details of the trip will be given later.

Larry and Linda Sanders and children, Robert and Lynette, of Los Alamos, N.M. were in town for a visit with his parents, R.S. and Betty Sanders.

Robert and Lynette stayed for a longer visit, and will spend some time in Paint Creek with their other grandparents, Mr. and Mrs. Bill Griffith.

Jennifer Pollostro and Emily of Phoenix, Arizona left on Tuesday for Harlingen after spending the week in Weinert with her grandparents, the Marvin Pheisters.

Other guests in the Pheister home were their children, Lola and F.D. Williams of Harlingen, David and Peggy Pheister and Greg of Round Rock, Jonathan Pheister, son of Bryan and Rose, of Austin, Wayne and Linda Pheister with Missy of Avoca.

Our birthday people this week include Miss Beatrice Weinert of Houston, an ex-resident, who will be celebrating her 80th birthday on July 17. A party will be hosted in her honor by her nieces and nephews, and Harlan and Jimmy Weinert will be hosts and will be in attendance at the party.

Others observing birthdays this week are Pedro Perez, Dusty Yates, Corrina and Carolina Jimenez.

Fourth of July guests in the home of Sandra Nichols and Bernice and Raymon Mathison were Mac and Doralee Turner of San Antonio and Don McIntire of Corpus Christi.

The group enjoyed an outing on the Mathison farm, riding 4-wheelers, shooting skeets and cooking out in the cool part of the day.

PHEMISTER REUNION

The descendants of Virgil and Ida Pheister met at the Classic Inn on July 9 and 10 for their annual family reunion.

Sixty-two guests registered, representing all nine of the children of the Pheister family, with Phoenix, Arizona, being the farthest away.

All the original children are still living, and all were present except one. Alma Terrell of San Antonio was unable to attend because of ill health.

Those present were Carlos and Ozell of Sweetwater, Marvin and Myrtle of Weinert, Helen Boykin of Weinert, Edith Davis of Haskell, Retith and Coy Keahley of Rule, Roy and Leta Pheister of Munday, Jenell and Emmett McCoy of Wichita Falls, Hugh and Norma Pheister of Montague.

There were three states and 18 Texas cities represented by the four generations that gathered for the event. Mr. and Mrs. Clyde Terrell of Abilene have hosted the reunion for the past five years, and they were given a standing ovation at the business meeting held on Sunday.

Sunday worship services were held in the meeting room at the Inn, with Raymond Boykin in charge of the song service and Jimmy Terrell bringing the message.

Other events were the annual domino games, singing, eating and visiting.

Mildred and Tommy Perry of San Antonio will host the reunion next year, with date and place to be announced later.

The family has two missionary families of whom they are especially proud, who could not be present. Mr. and Mrs. Kenneth Terrell and Jonathan, son of Jimmy and Brenda Terrell, are at a mission field in Nebraska.

Wimon and Rosalinda Walker, with Martin and Marcella, daughter of Lola Sue Williams of Harlingen, are at Shakawe, Botswana, Africa.

Mrs. Jimmy Hackney and Talanda of Fort Worth are spending a few days with her parents, the D.I. Whites. Tolanda is attending the Haskell singing school this week.

Mr. and Mrs. Roy Pheister are hosting their daughter, Ann Glasscock of San Angelo this week while Ann's children are attending the Haskell singing school. They are commuting each day, and include Jimmy, LaDonna, Billy, Johnny, Rusty and Amanda. The children helped with the devotional at the Munday Nursing Center on Sunday afternoon, at which time Roy brought the lesson.

The Weinert homecoming committee met recently to make plans for the 1988 homecoming to be held the first Saturday in October, the regular meeting time.

Mary Nell Raynes Coltharp of Seymour is the president of the committee, with Hal Guess as vice-president, and Sue Hager Stewart as secretary.

They are requesting new addresses of all ex-residents. This has never been a high school reunion, but a Weinert homecoming, and all residents and "ex-Weinertites" are expected and welcomed.

We hope to see you there!
Have a nice day!

The Lord's Corner

by Dr. Pete Bradfield, pastor
First Baptist Church

Robert McCartney of Stoneboro, PA, knows the cement-mixing business inside and out. He crawled inside a rotating cement mixer to clean it out when he accidentally hit the clutch lever that starts and stops the mixing. This threw it into gear. When he began spinning, he wrapped his arms through a mixing paddle on the inside and hung there for two hours until someone came by and heard his cries for help.

For many people life is like that cement mixer. They find themselves trapped in a round of activities that are not merely boring but harmful. They cry for help, but no one seems to care. Thank God, Jesus Christ came to save us from the boredom and captivity of life without God.

See you next week, and remember: The really happy person is the one who can enjoy the scenery when he has to take a detour.

Senior Citizens Sing, Plan Party

The Munday Senior Citizens met July 7 for their regular monthly meeting with Grace Hutchinson presiding. Opening prayer was given by Euris Reid, and the entire group recited the Pledge of Allegiance and sang "America".

After a welcome given by the president, the secretary read the June minutes and, in the absence of the treasurer, the treasurer's report. Both were approved.

Since many of the members are planning August vacations, Maggie Gaines moved that the Senior Citizens not meet in August. Seconded by Ruby Roden, the motion passed. The organization will host the August 17 birthday party at the Munday Nursing Center, and plans were made for this event. Grace Hutchinson, Lala Morgan, Euris Reid and Virginia Cary are to provide cakes, and punch will be furnished by Eunice Raynes, Louise Amerson, Frankie Ponder, Maggie Gaines, Jo Strickland and Ruby Roden.

The new songbooks have arrived, and the group sang several songs from them with Maggie Gaines, Ella Gresham and Clyde Yost leading and Eunice Raynes at the piano. The remainder of the morning was spent playing bingo.

Grace for the noon meal was given by Lala Morgan, and a delicious covered dish lunch was enjoyed by everyone. A period of fellowship followed.

Game nights for the month are July 14 and 28, and July 21 is singing night. All the events begin at 7 p.m.

The next meeting will be held at 10:30 a.m. September 1, and any senior citizen is welcome to attend.

Birthdays And Anniversaries

July 14 - Brent Selzer and Tyler Thompson; Howard and Helen Scheffler.

July 15 - Michelle Howry; Mr. and Mrs. Larry Thompson.

July 16 - Keith Wilde and Bryan Latham; Ray and Tracee Herring.

July 17 - Lelah Shumate, Tamara McGaughey, Johnny Melton and Marty Navarrette.

July 18 - Gerald and Gayle Morgan.

July 19 - Greg and Joan Myers.

July 20 - Karen Lankford and Cindy Hardin.

SURPRISED FISHERMEN: Lowry Wilson, left, and his grandson, Jeremy Wilson, were shocked Sunday when they pulled this big catfish off a two-year-old trotline hook at Miller Creek Reservoir. Jeremy said they had baited some newer hooks the day before, but when they stopped to check on them found the fish on an old neglected hook. The catch weighed in at 50 pounds.

OFFUTT REUNION

The Offutt family reunion was held last Friday through Sunday at Lake Granbury. Those attending were Mr. and Mrs. Lonnie Offutt, Mr. and Mrs. Dan Offutt, Angie, April and Dent, Mr. and Mrs. George Offutt and Brian of Lubbock, Brad Offutt and a friend, Amy, of ACU, Dr. and Mrs. Frank Eggleston of Houston and Mr. and Mrs. Joe Offutt, Aaron and Jacob of Arlington. Camille Eggleston of Texas A&M was unable to attend.

HOSPITAL NOTES

Mrs. Audrey Cooke returned home last Tuesday after undergoing surgery and receiving medical treatment for several days at the Cleburne Hospital.

Mrs. Lorene Hunt is convalescing at home after undergoing surgery in the Bethania Hospital in Wichita Falls.

REVIVAL

Evangelist Bob Meadows, of Corpus Christi, held a four-day revival at the First Baptist Church of Goree. Rev. Meadows served as church pastor for 35 years before he began his evangelistic career. Mr. and Mrs. Randy McLeland, music directors from the First Baptist Church in Haskell, were in charge of the music. There were four additions to the church by letter, one by baptism, and one profession of faith during the revival.

PEEK REUNION HELD

Children and grandchildren of the late Jeff and Alice Peek of Goree met in Spearman, Texas on July 2 and 3 for a family reunion. There were 27 family members present. Children attending were: Ora Peek Lane of Megargel, Effie Peek Neighbors of Goree, Dimple Peek Jetton of Spearman and John T. Peek of Solano Beach, Calif. One son, Herbert Peek of Oregon, was unable to attend.

Other relatives attending were William Lane, Megargel; Sharon Lane, Bridgeport; Doris Lyard, Maryland; Mrs. Virgel (Bessie) Peek and son, Wayne and Evelyn Peek of Humble; Johnny, Jane, Kathy and Robert Peek, Garland; Vickie Peek, Los Angeles, Calif.; Jet Peek and Sandy Stetson, Albuquerque, N.M.; Randy and Debbie Peek and Ryan, Kansas City, Kansas; Michael, Tudy and Betsy Peek Sedalia, Colo.; and Burt, Lynelle, Lynette and Kevin Williams, Spearman.

Friends attending were Ethel Ellsworth and Ruby Riley of Spearman.

Everyone reported a good time and is looking forward to the reunion in Goree next year.

JONES REUNION HELD

Descendents of the late John and Emma Jones of Goree met at Lake Texhoma during the Fourth of July week for their annual family reunion. Forty family members attended the reunion.

A boys' Youth Camp will be held at Lueders August 1 through 4. This is for the 4th, 5th and 6th grade students. Any boy interested in attending this camp should contact Rev. Wayne Varnell, pastor of the First Baptist Church in Goree.

GRANDSON RECEIVES HONORS

Keith Bell of Midland, 15-year-old grandson of Mr. and Mrs. Riley Bell, received word from Congress that he had won top honors for his essay entitled "Just Say No To Drugs". His name was posted in the Book of Congressional Records in Washington, D.C. He was the youngest person ever to receive this honor.

Mr. and Mrs. Barton Carl have returned from a two week vacation tour of Wisconsin and Michigan.

FALL GARDENING TIME IS HERE

Many gardens are now being harvested of vegetables and as the older plants are declining in yields, now might be a good time to expend the plants to your compost pile and

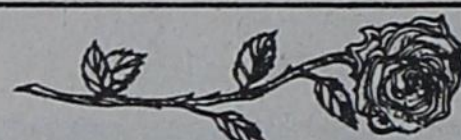

begin your fall garden.

Oscar Mangis and I were talking about dates to begin planting fall gardens. I provided him with a fall planting guide from a gardening magazine. This guide is shown below.

FALL PLANTING GUIDE

Vegetable	Seed/25 ft.	Yield/25 ft.	Planting Date
Beans, snap	1/8 lb.	5-7 lbs. (shelled)	Aug. 1
Beans, lima	1/8 lb.	5-7 (shelled)	July 25
Beets	1/4 oz.	15-25	Sept. 1
Carrots	1/8 oz.	150 carrots	Aug. 15
Chard, Swiss	1/2 oz.	12-20 lbs.	Aug. 15
Collards	1/16 oz.	25-37 lbs.	Aug. 15

SSI Changes Are Effective In July

Recent legislation has made a number of changes in the supplemental security income (SSI) program that can help people with little income and resources, according to Frances Braden, Social Security representative in Vernon.

"One of the changes makes it easier for people to get emergency help and to move in and out of institutions without losing SSI payments," Braden said.

As of July 1, 1988, recipients who enter certain institutions for temporary stays of up to three months may continue to receive their full payments. These institutions are public medical treatment facilities and public or private facilities which receive Medicaid payments on behalf of the SSI recipient. Under prior law, people in these situations were ineligible for SSI or would receive only a personal needs allowance.

Another provision increases the personal needs allowance for an SSI recipient in a medical institution where Medicaid pays half or more of the care from \$25 to \$30 a month. It was also effective July 1, 1988.

People who have questions about these changes should be sure to call the Social Security office located at 1701 Cumberland in Vernon. "We can respond to their questions on the phone or send them more details," Braden said. The telephone number is 817-552-9346.

Have a nice day!

Drought To Impact Meat, Poultry And Produce Prices

Drought-driven increases in feed grain prices will eventually have an impact on consumer costs for meat, poultry, some produce and canned goods, according to specialists with the Texas Agricultural Extension Service at Texas A&M University.

"Food shoppers probably won't see higher meat prices until late this summer," said Dr. Dick Edwards, an agricultural economist. "The first indication of rising prices is usually fewer and fewer sales on meat, or slight discounts only on the less expensive cuts such as chuck and hamburger. During mid-summer consumers should find attractive meat prices and sales as farmers continue to sell off their stock," said the economist.

Extension Service poultry marketing specialist Dr. David Mellor said shoppers will find a similar situation with poultry.

"Consumers can expect a three to six month lapse before poultry prices rise because most poultry producers locked in grain prices on the futures market months ago. But the drought will eventually have a heavy impact on poultry since 60-65 percent of the price the farmer receives goes to feed. "With the large supply of poultry and especially eggs on the market now, consumers can expect low prices and more specials throughout the summer."

According to Edwards, the produce counter may be the first place

shoppers notice the effects of the drought.

"Now should be the start of the summer vegetable season from the midwest, but consumers aren't going to see the abundance of produce that usually prompts sales and falling prices as the season progresses," he said.

"We've already seen this effect with Texas watermelons, cantalopes and peaches. There's no shortage, but prices aren't falling as you would expect during the height of the summer."

Since the upper midwest is the source of many vegetables for canning, such as sweet peas, Edwards said consumers will also see higher prices on some canned goods next winter.

While prices are still low this summer, consumers may want to stock their home freezers.

"If you do buy meat in bulk, protect it with moisture-vapor proof freezer wrap, freezer containers and tape so you have a good quality product three or four months later," said Extension family economics specialist Bonnie Piernot.

"Also consider the cost of the electricity it takes to run the freezer. If, for example, the electricity for your freezer costs \$15 per month, that could offset the savings you realized by buying extra meat now," she said.

Mr. and Mrs. R.J. Trainham were in Stamford Saturday and Saturday evening to attend the rodeo.

James McGaughey of College Station visited his grandparents, Mr. and Mrs. J.H. McGaughey, and his father, Jimmy, during the weekend. Jimmy remains a patient in the Seymour hospital. Recent visitors in the McGaughey home were their daughter, Mr. and Mrs. Herman Dentler of San Antonio.

Mr. and Mrs. Hollis Gore returned home last Monday from Salinas, Calif. where they visited in the home of her sister, Mr. and Mrs. Doug Epperson. They also enjoyed a visit with Viola's other two sisters, Mrs. Leona Seehase of Oelwein, Iowa and Mr. and Mrs. Andy Johnson of Prescott, Ariz., who were visitors in the Epperson home.

Mr. and Mrs. Wayne Sutton were business visitors in Wichita Falls and Iowa Park Sunday.

Mr. and Mrs. Jim Coulston and Jonathan spent the holiday weekend with their parents, the Ferman Dows and the Carl Coulstons.

Mr. and Mrs. Travis Gore of Wichita Falls were recent visitors in the home of his brother, Mr. and Mrs. Hollis Gore.

Mr. and Mrs. Clyde Beck took Chastity and Daniel to Oklahoma City, Okla. Wednesday, where the children were met by their parents, Mr. and Mrs. Russell Beck, and returned home with them to Wichita, Kansas. The Becks accompanied their daughter, Mrs. Edward Marek and boys, of Wichita Falls on the trip.

Mr. and Mrs. Jerrell Trainham were business visitors in Wichita Falls Saturday.

Mr. and Mrs. Rex Patterson of Benjamin visited his mother, Mrs. Henry Patterson, Sunday.

Large Group Attends Kuehler Reunion

One hundred seventy-five members of the late Tony and Carrie Kuehler family met on July 9 at the Columbus Club Hall in Rhineland for a family reunion. Nine of ten surviving children were in attendance. They were: Celia Sokora, Emma Duesterhaus, R.F. Kuehler, Tillie Priblya, Ellen Franklin, Ben Kuehler, Alfred Kuehler, Larry Kuehler, and Dot Myers. A brother, Louis Kuehler, was unable to attend because of ill health.

Two sisters, Agnes Decker and Gertrude Homer, are deceased.

The day was spent visiting, reminiscing, taking pictures, and eating plenty of good food.

Children and grandchildren of the family members were given a tour of the church where all twelve children were married. They also visited the cemetery where five generations of the family are buried. One of the highlights of the day was a trip to the old farm home west of Rhineland where all the children were reared.

Visitors were present from California, Alabama, Georgia, Colorado, New Mexico and Texas.

55 Attend Moore Reunion At Goree

The family of the late Mr. and Mrs. W.L. Moore held their annual reunion July 10 at the Goree Memorial Building. The six Moore children who were present for the occasion were Jack Moore of Holliday, Johnny Moore and Billy Moore, both of Goree, Mrs. Alma Claburn of Wichita Falls and Mrs. Bobbie O'Neal and Essie Mae Moore of Seymour.

A number of grandchildren, great-grandchildren and great-great-grandchildren were also present, and some cousins and friends of the family attended as well. Everyone enjoyed a delicious meal and reported a very enjoyable day of visiting and taking pictures, and all plan to return for another reunion next year.

Others registering were Mr. and Mrs. Greg Melton and family, Mr. and Mrs. Dale Burris and Wynelle Hellums, Haskell; Mr. and Mrs. Lane Hogan and Melody, Sandra Loftis and Dustin, Mr. and Mrs. Keith Chamberlain and Mrs. Wilma Butler, Wichita Falls; Dorothy Mae Segler and Murlene Smith, Holliday; Mr. and Mrs. Jimmy Hawkins and Mr. and Mrs. Jimmie Routon, Lubbock; Randy Routon, Grand Prairie; Julie Coody, Farmers Branch;

Also, Mr. and Mrs. Robin Raynes, Weinert; Mr. and Mrs. Von Marr and Mr. and Mrs. Rhiney Redder, Munday; Mr. and Mrs. Russell Routon and daughter, Merkel; Billy Mitchell, Jo Moore, Mutt and Doris Chamberlain and Mr. and Mrs. Donnie Estes and Sheila, Goree; Mr. and Mrs. David Dalton and Derek, Mr. and Mrs. Chuck Myers and family and Nelda Mitchell, Seymour.

Weinert Extension Club Holds Meeting

Mrs. Agnes Winchester hosted the July meeting of the Weinert Home Extension Club in her home on the regular club day, Tuesday, July 5, at 2 p.m.

Seven members answered roll call by naming their favorite vegetable. Mrs. Winchester gave the devotional and used the reading "The Magic of Friendship."

Alice Yates gave the council report and told about the 4-H fashion show. She reported that Shanna Murphy won first place in her division in the competition.

Mrs. Jimmie Weinert was in charge of the program, and showed a VCR tape on family nutrition. Part of the program was devoted to showing healthy eating habits for older people.

Enjoying the delicious refreshment plate provided by the hostess were Faye Jetton, Cordie Cunningham, Laverne Mayfield, Henrietta Rueffer, Alice Yates and Jimmy Weinert.

Mrs. Henrietta Rueffer will host the August meeting on August 2. Visitors are always welcome.

Thought for the day: It isn't what you start that counts, it's what you finish!
