

Cotton Count Nears 80,000 Bale Mark

Record after record is falling as Mitchell County's cotton harvest continues. The year 1979 will be recorded as the most productive in the history of the county.

The average cotton harvest figures for this year indicate more than one and one-half bales to the acre have been produced on the 75,420 acres planted, County Extension Agent Bob Benson announced.

"This is an unheard figure for dryland cotton," he said.

Cotton markets are holding between 52-58 cents per pound. The average bale of cotton weighs 500 pounds and if the harvest reaches the anticipated 80,000 bales

are producers will receive \$22,000,000 for the sale of that cotton.

Not included in this figure is the sale of cottonseed which Benson averaged at \$45.90 per bale. This brings in an additional \$3,722,000.

Previous to this year, the record high cotton bale count stood at 67,000 bales.

The cost of producing the 67,000 bales was less than it is now but the market price was also less. Therefore, the profit margin was also affected.

"I think this year's production figures are attributable at least in part to the fact that more farmers fertilized their crops this year than ever before," Benson noted.

"We experienced a dry, cold winter which reduced the population of boll weevils.

"After a hot dry summer dried-out pasture lands, grasshoppers moved into the edge of the cottonfields, but caused minimum damage," he said.

Using production cost figures from 1978, Benson estimated about \$60.69 per bale for seed, fertilizer and other variable costs. He estimated the cost of ginning and stripping to be about \$4.80 per bale.

The additional cost of machinery and land was estimated to be about \$114.06.

This brings the total cost of producing one

bale of cotton to about \$239.55. Multiply this times 80,000 bales and the total cost of production county wide is \$19,164,000.

This leaves a profit figure of \$6,558,000 county wide.

Area gins reports 82,350 bales of cotton harvested as of Friday afternoon, of which 76,275 bales were produced in the county.

Buford Gin reported 7,039 bales ginned and 397 bales on the yard and cotton still coming in.

China Grove Co-Op reports 9,650 bales ginned and 2,500. (About one-half that figure, 6,075 bales, is estimated to be produced in Mitchell County). The gin noted that producers were still bringing in cotton but the rate had slowed down.

Colorado Gin reported 3,928 bales of cotton ginned and 292 bales on the yard. They estimate about 500 additional bales will be ginned there before harvest is completed.

Farmers' Gin report-

ed 5,811 bales ginned and 299 bales on the yard. They indicated producers were still hauling cotton to the gin.

Lorraine Co-Op reported 14,557 bales of cotton ginned with 4,113 bales on the yard. They indicated the harvest has slowed down.

Mitchell County Gin reported an all time high bale count with 10,942 bales ginned and 500 on the yard and cotton still coming in. The high record previously was 8,000.

Manager Dub Marchant stated a total of 12,000 bales of cotton were anticipated to be ginned before the season is over.

Westbrook Gin reported 8,687 bales of cotton ginned and 630 bales on the yard. They report producers are still hauling and are operating on a full time schedule.

Producers Co-Op reported 12,005 bales ginned and 1,000 bales on the yard. They indicated producers are still bringing cotton in.

AREA GINS CONTINUE to pour out cotton bales with production records being broken in several gins. Mitchell County Gin has baled more than 10,000 bales this year and an anticipated figure of 12,000 bales before the harvest is completed. The previous high bale count was 8,000 bales, according to Dub Marchant, gin manager.

Hunter To Seek Election Again

Paul Hunter announced his candidacy for re-election to the office of County Commissioner Precinct Three Thursday.

In his announcement, Hunter stated, "I wish to thank you for the confidence you have placed in me in the past nine years and to express my appreciation for the co-

operation I have had from you, the people of Mitchell County."

"In my evaluation of the job of a commissioner, the most important aspect of the job is that of decision making. I have tried very hard, always, to make my decisions based on the best interests of the entire county and upon good, sound business practices," he said.

During Hunter's nine years as commissioner, he has been instrumental in instituting the existing program of investment of county monies in interest bearing bonds, which has been effectively preventing a tax increase.

Concession to larger trucks, which allow for movement of twice as much material at half the manpower and fuel consumption, has also been effected during Hunter's tenure of office.

Hunter resides with his wife, Dortha, at 163 East 22nd St. They have one son, Glen. See SEEK Page 5

Chamber's Quest For Leader Ends

Ms. Starr Greenblatt, 31, Thursday night was hired to be manager and executive vice president of the Colorado City Area Chamber of Commerce.

The Chamber board of directors in a special meeting voted unanimously to hire Ms. Greenblatt, a native of Lenoir City, Tenn., who now serves as assistant manager of the Weatherford, Tex., Chamber of Commerce.

She will attend the Colorado City Chamber's Banquet Thursday and will officially assume her duties here Feb. 4.

The executive committee of the Chamber interviewed Ms. Greenblatt last Saturday, Jan. 5, and she was interviewed by all members of the board, including incoming and outgoing directors Monday night.

At that time, the board voted to hire Ms. Greenblatt, pending a

The Annual Colorado City Area Chamber of Commerce and Agriculture Banquet will begin at 7 p.m. Thursday in the Civic Center.

Tickets are on sale now and may be purchased from any Chamber Director or from the Chamber of Commerce Office for \$10 a person anytime before noon Wednesday.

Bob Reilly will serve as master of ceremonies for the banquet and James Jolly will be guest speaker.

Jolly, who is billed as a humorist extraordinary notes, "I learned early in life that laughter is very precious and it should be shared with everyone around you."

As an after dinner speaker, Jolly has a widely diversified background from which to draw interesting stories

and spin humorous tales.

He was born on a ranch near Paducah during the depression years.

"I suppose I was no different from every other farmer's youngster. I could hardly wait for Saturday to come around. We never missed the Saturday afternoon movies. I always left the theater trying to talk and walk like the heroes on the screen," he recalled.

"Musical instruments not only provide entertainment for me and my family, but have provided a part of my income," Jolly said.

"In recent years, I have entertained and taught music commercially," he noted.

Special awards for outstanding members of the community will be presented during the banquet. These will include: Business & Professional Women's Woman of the Year; Jaycees' Distinguished Service Award; Chamber of Commerce's Outstanding Citizen of the Year Award and Chamber of Commerce Farm Family of the Year.

In addition, there will be a special presentation.

New officers will be installed during the af-

Chamber Review Featured

A special feature in the Thursday edition of the RECORD is the Business Review and Forecast Progress report.

This brochure brings an up to date look at the many new businesses in Mitchell County, as well as renovations, repairs and expansion of several well established businesses.

Special highlight of the report is a recap of the past ten years in the county. Reminiscence with news stories that hit the front pages over the years and watch the progress, problems and growth of Mitchell County pass in review.

Special events and celebrations occurring within the county are recalled and upcoming events are forecast.

Chamber activities and members are detailed by this special report.

FmHA Housing Fund Takes A Drastic Cut

Due to a national program proposed by National Farmers Home Administrator Gordon Cavanaugh, local FmHA funding has been cut drastically.

FmHA Supervisor David Marion announced Friday that the 1979 funding policy implemented on a percentage of rural sub-standard housing needs and based on a population po-

verty level priority has left the 19 county West Central Texas District, of which Mitchell County is a part with \$1,973,911 for the remainder of the fiscal year which ends September 30.

Total allocations for the state equal \$78 million.

Mitchell County is allocated only \$59,217 (3 percent) of those funds

for low income loans.

Marion noted that through his special efforts \$4,150 has been allocated for use in repair loans. These loans are made at one percent interest rate.

For moderate income families only six percent (\$37,208) of the WCT allocation of \$620,135 is designated for Mitchell County. Marion noted that the loan on a single house averages \$30,000. Therefore, only one unit may be financed and that amount has already been spent.

"I encourage persons who need loans from FmHA to contact the office and make application, although limited funds are available. If people don't apply the government feels the need does not exist," he said.

Marion noted that the new program had been instituted because about a year ago Cavanaugh told his staff and the world at large that "FmHA will target its resources to the maximum extent possible toward assisting disadvantaged people and distressed communities."

Data was compiled from 1970 census figures with an attempt made to update figures.

"Rural areas are being cut short of even our present needs for active applications. Every

Logsdon Tosses Hat Into Ring

Paul H. Logsdon announced his intentions to run for election to the office of County Commissioner Precinct One Friday.

Logsdon, who served as Maintenance Foreman for the Texas Highway Department for 33 years, spent 19 of those years in Mitchell County. He retired this past year.

Logsdon and his wife, Louise, reside at 961 East 15th. They have one son, Glenn and one granddaughter, Sandi Lyn of Odessa.

Logsdon attended East Texas State Teachers College and Howard County Junior College where he studied Business Administration.

He served four and one-half years in the United States Air Force Aviation Engineers.

He is a 32nd Degree Mason Scottish Rites.

Shriner and President of the Mitchell County Shrine Club.

Logsdon and his wife attend the Calvary Baptist Church.

"I will devote my full time to this position if I am elected. I will always make myself available to the citizens of Mitchell County," Logsdon said.

Town Talk

by MAC MCKINNON

Next Sunday's Super Bowl doesn't seem to hold a lot of interest for me and many others without the Cowboys as participants. I kept hoping the Oilers would make it but that dream went down the drain last week.

On the surface, it would seem that the game will not even be a contest. But that was what I thought when the Oilers faced San Diego without Earl Campbell, Dan Pastorini and Ken Burroughs. That was also what I believed when the Cowboys played Los Angeles.

So, as the cliché goes, anything can happen in sports and on any given weekend, any team can upset another. However, I just don't believe that'll be true when the Steelers get through with the Rams.

I had the opportunity to see two new movies over the holidays, both of which have received considerable publicity.

One was the long awaited "Star Trek-The Movie." It left a lot to be desired as there was a lot of confusion for the viewer. It seemed they attempted to capture too much of the grandeur of space and it just didn't come off.

"The Black Hole," was another space odyssey that premiered during the holidays and this was a show that was entertaining. There was a lot of information as well as theory and speculation about the "Black Holes" in space and it proved to be intriguing. It was very well presented and well worth seeing.

A local bit of history was brought to my attention the other day. It was an event that occurred almost 30 years ago, in July 1950. That was the arrival of Hercules, the first artificially bred calf in Mitchell County.

The calf and the mother, Sue, belonged to Ed Roach of the Payne Community and the event occurred July 3, 1950. That marked the beginning of a new era in the cattle industry.

As many readers have probably noticed on the masthead, the Colorado City Record is now in its 75th year, the second oldest business institution in Mitchell County. The oldest is City National Bank, now in its 80th year.

During those 75 years, the Record has had five publishers. During those years, many adversities have had to be overcome and those adversities seem to be never ending.

Some of the current ones are the high price of

Meadows, Walls Wed In Baptist Church In Loraine

Miss Mary Catherine Meadows and James L. Walls (Jimmy) were married in a double ring ceremony at 7 p.m. Saturday in the sanctuary of the First Baptist Church in Loraine. The Rev. Jon Randles officiated, assisted by Rev. Luke Smith.

The bride is the daughter of Mr. and Mrs. Hubert P. Meadows of Loraine and Mr. and Mrs. Nova E. Walls are the parents of the groom.

Ronnie Shaw of Dallas sang, "Treasures," "That's The Way" and "God, A Woman and A Man" and was accompanied by Robbie Barrett and Betty Sue Litzler. Organist, Mrs. Alta Miles played the nuptial music.

Decorating the altar was a double candelabra forming an arch in the center, flanked by two baskets of gladiolas, carnations and mums with two candelabras accented with bows, greenery, flowers and votive candles.

Escorted down the aisle and presented in marriage by her father, the bride wore a full length gown of silk organza over taffeta with long pleated sleeves. The high neckline was accented with venetian lace and the bodice and hem were also accented with venetian lace and seed pearls. The dress swept into a chapel length train. Her veil of illusion was attached to a tiara of venetian lace and seed pearls.

She carried a colonial nosegay featuring roses and carnations made of silk centered by orchids in white, cranberry and turquoise with venetian lace.

Mrs. Marla Davis of Pecos, sister of the bride, was the matron of honor. She wore a high waisted, floor length gown of quana knit with a deep ruffle of lace, which formed the bodice and small accordsian pleats formed the skirt.

Bridesmaids were Mrs. Sandy McCoy and Mrs. Rita McCoy, sisters of the groom, both of Indiana and Gayle Grant of Abilene. They wore dresses alternating in turquoise and cranberry.

Mark Folser of Hamlin, served as bestman and groomsmen were James Meadows, brother of the bride, Keith Kucifer of Dumas and Terry Biggs of Granbury. The groomsmen also served as ushers.

Deborah Caffey of California and Grover Pinson of Corpus Christi served as candlelighters.

In the house party for the reception, which followed in the church fellowship hall were Jana Stuard, Kim Compton, Karen Tartt, Billie Ruth Tartt and Shirley Clifton.

The bride's table was covered in white taffeta accented in bows and silk roses with a silver service. The groom's table was covered with a turquoise cloth overlaid in lace. Coffee and fruit cake were served.

Karen Tartt of Loraine registered guests.

When the couple left for their honeymoon to San Antonio, the bride wore a three piece burgundy suit with a blouse in the brides chosen colors.

The couple plan to make Louisville, Ky. their home.

The bride graduated from Loraine High School in 1977 and has attended Hardin-Simmons University in Abilene and Texas Woman's University in Denton. She will be attending the University of Louisville, Ky. The groom graduated from Charlestown High in Charlestown, Ind. and has attended Purdue University in West Lafayette, Ind. and graduated from Hardin-Simmons University in May of 1979. He will attend Southern Baptist Theological Seminary in Louisville.

Out of town guests included Mr. and Mrs. Forrest Meadows of San Angelo, Mrs. C.R. Crippliver of Ft. Worth, Mr. and Mrs. Ferrel Coston of Haskell, Mr. and Mrs. John Sherwood of Dallas and Mr. and Mrs. Tony Davis of Pecos.

Also Mr. and Mrs. Steve Meadows of Austin, Mr. and Mrs. Curtis Davis, Mr. and Mrs. H.C. McDermott, Mr. and Mrs. John Grant, Mrs. Rosa Grant and Mr. and Mrs. Carl Reeder, all of Abilene.

ASKS, From Page 1
longtime Congressman Omar Barleson of Anson.
He serves on the House Agriculture Committee and was recently named to the House Small Business Committee.
Stenholm is a native of Jones County, grad-

uated from Tarleton State University in 1959 and received his Bachelor of Science Degree from Texas Tech University. He earned his Master of Science Degree in Agriculture Education at Texas Tech.
"We are grateful for the encouragement and

help given by all of our good friends. We know our roots here in Texas soil will continue to provide the strength and determination to use all of our energies in service to the people of the 17th District," Stenholm and his wife, Cindy noted.

Stenholm added that the elimination of deficit spending is a primary goal and emphasized his intentions "To continue to do all that is possible to cut any un-

necessary federal spending."
"The true test of a good Congressman is knowing where to cut, knowing what is unnecessary fat and what is real muscle. In the case of national defense, we are dealing with the backbone of our country," he emphasized.

therford where she worked almost two years for KZEE radio before entering the Chamber of Commerce field.
During her time with the Weatherford Chamber, the budget has been increased from slightly more than \$20,000 to more than \$40,000. In addition, some 140 new

members were signed up in a membership drive.
In the Weatherford Chamber part of her abilities included:
-Assisting executive director and board of directors in program of work development.
-Supervising all committee arrangements, follow-through and research.
-Membership development which included retention, recruitment and drives.
-Responsible for writing news releases, for newspaper and radio, concerning Chamber programs and activities.

--Responsible for monthly newsletter.
-Representing the Chamber at public meetings and various functions when the director was not available.
--Responding to chamber inquiries in regard to community betterment programs.
She is a Baptist and a member of the Business & Professional Women's Club in Weatherford where she has served as newsletter chairperson and co-chairperson of the National Business Women's Week Committee.
She has two children, Dena, 8 and Eric, 6.

an important part of the job," he said.
"For a number of years, I worked with the highway department on a zero based budget. (This is a budget where given amounts are not established for particular items but an overall total figure is made known.)"

"I did not believe in wasting the taxpayers money then and I don't believe in wasting it now," he stated.

effort is being made by myself and the district to impress this need on the state office," Marion said.

"Monies are moving to target areas in south and east Texas because that is where greater concentration of minorities live," he said.

"Farm programs are not currently affected

by these allocations, however, I am afraid the handwriting is on the wall and these will be cut next," Marion noted.

"Part of the reason this county received such a low percentage is due to the success of the FmHA program in this area over the past 12 years," he said.

COLUMN, From Page 1
gasoline and newsprint. On top of that, the price of silver has also caused problems. Many people might wonder what silver has to do with publishing a newspaper. It is used in all films and photo products and in modern day newspapers, almost everything is done through a photographic process including a typesetting, so a lot of photo products are used.

As you might have read, Kodak has announced a 75 percent increase in its photo products. That comes on top of several other increases at the end of 1979 so in some case, photo products are costing two to three times more than they did in October 1979.

But those adversities are also being overcome. It's part of the challenge that makes operating a newspaper or any other business intriguing and interesting.

The Record is planning something special in observance of its 75th anniversary to take place in October. So be watching!

Sayger, McDonald Exchange Double Ring Vows Saturday

Miss Ellen Marie Sayger became the bride of Russell Blanton McDonald, Saturday, at 6 p.m. in the Oak Street Baptist Church.

The Rev. Harold Davis, pastor of the Oak Street Baptist Church, officiated during the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Robert Sayger of Colorado City. The groom is the son of Dr. and Mrs. R.L. McDonald of McGehee, Ark.

Maternal grandparents of the bride are Mrs. Sadie Troutt and the late C.C. Troutt. Paternal grandparents are Mr. and Mrs. Oliver Sayger of Brasfield, Ark. Maternal grandparents of the groom are Mrs. Fay Stone and the late R.B. Stone of McGehee, Ark. Paternal grandparents are Mrs. Dorothy McDonald and the late R.E. McDonald of El Dorado, Ark.

The bride, given in marriage by her father, wore a floor length gown of organza fashioned with a demure scoop neckline trimmed in chantilly lace. The demibelle skirt, accented with a flounce and the Victorian sleeves were accented with chantilly lace. The hemline and chapel length train were accented with Venice lace.

Her veil of illusion was attached to a camelot hat of lace. She carried a cascading bouquet of white roses accented with baby's breath and stephanotis with touches of dusty rose and burgundy ribbon.

Traditional wedding music was played by organist, Mrs. Charles Stevens of Sterling City. She also accompanied Miss Jo Ann Navarro of Los Angeles, California as she sang, "Evergreen," "The Wedding Song" and "I Take Thee, Dear."

Mrs. Nathan Hoyle, sister of the bride, served as matron of honor. She wore a floor length gown of dusty rose satina, featuring a scoop neckline with ruffles. She carried a single long-stemmed burgundy rose.

Mrs. Bill Griffin of Odessa and Mrs. Leslie Anderson of Lamesa served as bridesmaids. They wore floor length gowns of burgundy satina and each carried a single long-stemmed pink rose.

Miss Brenda Barker of Amarillo registered guests in the foyer of the church and also served as candle-lighter.

Dr. McDonald, father of the groom, was best-man and Lee McDonald, brother of the groom of Houston and Clay Sayger, brother of the bride, of Roswell, N.M. were groomsmen.

Nathan Hoyle, brother-in-law of the bride, and Clay Sayger were ushers.

Mrs. Robert Sayger, mother of the bride was dressed in a two piece street length dress of burgundy satina. Mrs. R.L. McDonald, mother of the groom, was dressed in a street length dress of dusty rose.

The wedding reception was hosted by the bride's parents in the fellowship hall of the church. The bride's table was accented by a candelabra and a three tiered cake featuring a water fall of the bride's colors. Serving at the bride's table were Mrs. Bill Ellis of Amarillo, Mrs. Clay Sayger, sister-in-law of the bride, of Roswell, N.M. and Miss Brenda Barker.

The groom's table featured a German Chocolate cake, a silver coffee service and a basket of fruit and cheese. Serving at the groom's table were the groom's sisters, Miss Keanie McDonald of Little Rock, Ark., and Miss Lynne McDonald of Washington, D.C.

The bride chose a three piece burgundy pantsuit with a matching floral print blouse for her going away outfit.

The couple will make their home in Lakewood, Colo. The groom is a Certified Public Accountant with a practice in Lakewood and offices in Rangely and Meeker, Colo. The bride will continue with her Master's degree in Speech Pathology and Language and Learning Disabilities at the University of Colorado at Denver.

CETA Finds Jobs

The Comprehensive Employment and Training Act, CETA, has found Jaye Salmon, Joel Atkins and Virgie Green jobs in Colorado City.

CETA is a most effective employment program and is a federally subsidized job development program offering employers financial incentives to hire and train new employees. CETA pays up to one half the training cost of on-the-job training.

Handled in Snyder by the West Central Texas Council of Governments, CETA or Manpower is divided into several different programs. Salmon, Atkins and Green are affected by Title VII, on-the-job training.

Jaye Salmon, 18, works as a parts clerk for Anderson Motor Company; Joel Atkins, 26, serves as a radial drill press set-up operator and a metal cut-off saw operator for Browne Brothers Agricultural Manufacturing and Virgie Green, 26, works as a layout former in advertising makeup for the Colorado City Record.

Several West Texas employers, large and small, have already used CETA.

To find out how CETA can be good for your business, write CETA, 3610 College, Snyder, Texas, 79549.

What Is Replacement Cost Insurance On Your Home?

In most cases, homeowners are fully protected against partial losses. However, in the case of losses of significant size, they must be sure to have maintained their coverage at 80 per cent of current replacement cost to collect the maximum amounts permitted under their policy. This means no depreciation will be taken on the house in case of a loss.

Rising cost, inflation or other factors can leave you short of this 80 per cent minimum. You could be disappointed to discover that you are not covered to the extent you thought.

Your independent agent will be happy to discuss this subject with you.

Ground School Meeting Friday

An organizational meeting will be held Friday at 7:30 p.m. in the home of Frank Deregi-bus, instructor, at 970 E. 13th, for interested persons in ground school. This is a school to prepare a person for the pilot's license test. Commission.

There will be approximately 20 to 22 classes and you will be required to take at least four classes. The first classes will be to familiarize you with the plane, beginning with parts of a plane, how it flies and instrumental effectiveness. These are the basics for flying.

Ranne Dies In Midland

Mrs. Gertrude Ranne, 81, of Midland, died Sunday in a Midland Hospital after suffering an apparent heart attack.

Services were Tuesday in the Calvary Baptist Church of Midland with the Rev. Glenn Shoemaker, pastor, and the Rev. Bob Manning of Westbrook, officiating. Burial was in the Resthaven Memorial Park directed by New-nie W. Ellis Funeral Home.

Born July 23, 1898, in Madison County, she spent her early life in Bell County. She married G.C. Ranne in Georgetown in 1919. They lived in Killeen and later moved to Wichita Falls. In 1927, they moved to Midland. Her husband preceded her in death in 1974. She was a member of the Baptist Church.

Survivors include a son, Charles Ranne of Westbrook; a daughter, Mrs. Leeman Jones of Midland; a brother, Ruben Fain of Gatesville; six grandchildren and nine great-grandchildren.

Grandsons were pall-bearers: Eddie Ranne of Lewisville; Royce Feaster of Lufkin; Kenneth Golden of Colorado City; Mike Jones of Midland; Tom Jones of Stephenville and Marvin Jones of San Angelo.

Any interested persons should attend the meeting. The meeting is to determine the cost of the school and this will be determined by the number of students.

Commissioners To Hear Texas Health Officials

Attorney Carl Forester of the Texas Department of Health will appear before County Commissioners Court Monday at 1 p.m. in the Courthouse.

Commissioners have requested this appearance in order to further discuss the possible pollution problem at county lakes.

Several annual orders will be passed during the meeting.

An order stating that county officials will be compensated on a salary basis rather than a fee basis will be passed.

Judge Bill Carter noted this was the standard practice effective across the state.

An order setting salaries for all county employees and elected officials will be considered.

Holiday periods for the coming year will be

considered and set during the meeting.

Members for a Grievance Committee for 1980 will be appointed during the meeting. Persons must have served on the Grand Jury in 1979 in order to be eligible for the committee post.

Duties of the committee

are to join county officials in hearing any salary grievance from elected officials. This is a ten member committee including county officials.

Mrs. H. Jene Steakley will present the annual report from Mitchell County Historical Commission.

Colorado School Board Schedules Two Executive Sessions For Monday's Meet

The Colorado School Board will face a lengthy agenda including two executive sessions when they meet at 7 p.m. in the administration building Monday night.

The first executive

session will concern what further action to take with an eighth grade student who was suspended at the Dec. 11 meeting. His suspension is due to end at Monday night's session. He has been under a doc-

tor's care during the past month.

At the December meeting, Superintendent Charlie Useton declined to make a comment on the reason the student was suspended from school.

The other executive session will concern Useton's contract.

In other matters, the board will hear a presentation from four fifth grade teachers. This is a policy which has been in operating for several months in which various members of the faculty come before the board to discuss their objectives for their students as well as any problems they might be having.

The fifth grade teachers are Martha Anderson, Nell Holman, Dortha Hunter and Teresa Wright.

Margaret Bishop will be appointed at Monday

night's meeting to fill the S.C.E. Math teaching position for grades six through eight. The position has been vacant since the beginning of school. Ms. Bishop previously taught in the Colorado School System from 1972 through 1978.

Useton will ask permission of the board to take bids on paving projects at the Colorado Middle School parking lot and at the Colorado School Administration Building parking lot.

The board will also at the meeting consider installing two heaters in the Wallace Center Gym and will consider a request from the Senior Citizens to lower the ceiling in the dining room. This latter renovation project would make the dining room more easily heated and cooled. The citizens will provide the money for the project themselves.

Critics Defeat Officials

The Coaches' Critics had a triumphant win over the Grandstand Officials with the final score of 13-0. Bill Jordan led the scoring when he received a pass from Gene Banks in the second quarter making the score 6-0. The extra point was missed and the score remained 6-0 until the third quarter when Bill Everett ran one yard to make the second touchdown. This brought the score 12-0 and Dobbie Williams kicked the extra point making the final score of 13-0.

Coach James Shoemaker said, "the players played exceptionally well considering they have had three practice days before the game."

Proceeds for the game went to the Optimist Club.

Band Students Are Named To Bands

Two Colorado High School Band members, Blake Hardegree and Mike Rogers, were named to the all-region band at the all-region band tryouts at McMurry College in Abilene Saturday. Some 130 students were named to the band.

Hardegree, who plays the tuba, also qualified for the all-area band and will go to Lubbock next Saturday to tryout for the all-state band.

In addition to Hardegree and Rogers, 11 other band members have also been named to the all-district band. They are Karla Joiner, alto saxophone; Marjori Maddox, bassoon; Elma Torrez, French horn; Melissa Gorham, Genia Guelker, Beth Howell and Tanya Sorrells, clarinet; Kirk Williams, trumpet; Jeff Byrd and Billy Gilstrap, trombone and Tracy Womack, tuba.

The Colorado boys' and girls' varsity basketball squads dropped two road contests to Ballinger Friday night.

The Colorado girls had a good outing against Ballinger as they dropped a five point 53-48 decision. The Wolves were behind 17-7 after the first quarter but outscored the Bearcats during the last three frames.

Ballinger led 29-21 at halftime and 46-35 after

the third quarter. Colorado outscored Ballinger 13-7 in the final frame to cut the final margin to five points.

Anne Marcom led Colorado with 14 points. Karla Herm had seven while Brenda Smith, Kim Feaster and Jessica Randle and six points each and Sherri Useton had four, Angie Neff had three and Trace Gassiot had two.

The Colorado varsity boys lost their game to Ballinger 65-52.

Charles Jackson led the Wolves with 17 points. He was followed by Russell with 10, Victor Jackson with eight, Chuck Claxton with seven, Jay Green with four and Doug Johnson, Scott Cawthron and Steve Feathers with two points each.

The Wolves are now 2-2 in the first half of District 6-AA action.

The Colorado eighth grade boys' squad dropped a 48-38 decision to Midland Trinity Thursday.

Ben Gonzales led the Wolves with 12 points, Jardy Powell had nine and Dennis Rivera and Larry Hamilton had eight each.

Don Randle and Doug Chitsey led the Colorado seventh grade boys with 16 points and 14 points respectively against Midland Trinity Thursday and the Wolves went on to a 46-34 win.

Billy Jackson and Armando Rivera chipped in with six points each.

There's An Energy Saving Censible Water Heater For You Gas Or Electric

The smart water heater that really makes sense in these times of critical energy supplies. BOTH GAS and ELECTRIC models pass the stringent energy conservation standards for energy consuming appliances set forth by H.U.D. and A.S.H.R.A.E.

By combining thicker denser insulation with a higher efficiency heat transfer capability, Censible is designed for maximum fuel economy. But best of all, the value-packed Censible is priced right! The 5 years Censible is ideal for the new energy efficient homes.
