Lynx Shake Rattlers & Roll Past Stinnett

The Spearman Lynx and the Stinnett Rattlers played to a full house at Lynx stadium last night, with the Lynx winning the game 20-7. Darren Goodheart scored the Lynx first touchdown in the first quarter on a 1 yard run. The TD was set up on a fumble recovery by Byron Sutterfield onthe 5 yard line.This was all of the scoring inthe first half.

Stinnett came back in the third stanza to tie the score on a 1 yard run by TommyGibson. MarkDaltons kick was good.

Dennis Randall broke loose inthe third period to ramble 82 yards for a TD and Underwood added the extra point to give the Lynx a 14-7 lead.

Ross Donahue sneaked in the final score for the Lynx and the try for extra point was blocked as the game ended 20-7 in favor of the Lynx.

It was band night at Lynx stadium and both the high school band and the Jr.High band performed. Their performance matched the Lynx in skill and entertainment at halfime.

The game was played under ideal weather conditions. Highlights of the game included a fumble recovery by Byron Sutterfield that set up the first TD along with David Turner. In the final quarter,Darren Goodheart sacked the Stinnett quarterback 3 times for a total of 30 yards.About 10 yards each time.

Spearman plays Sunray next Friday night at Sunray.

The Texas Society to Prevent Blindness and the Spearman Lions Club will co-sponsor a free glaucoma screening for area residents. The event will be held at the first United Methodist Church, 407 South Haney, on Monday, September 27, from 3-7 p.m.

Glaucoma has overtaken every other eye disease as the leading cause of blindness in this country. An estimated 54,000 people are blinded by glaucoma each year, and some 300,000 new cases begin on their destructive course.

The good news is that glaucoma is a treatable disease that can be halted in its progress. "That is why we are conducting a Glaucoma alert--an awareness and detection project," says Berl Buchanan, President of the Spearman Lions Club.

Glaucoma rarely sends out early warning signals but usually progresses without pain or other symptoms for 10 years or more, before the affected person is promped to get an eye examination.

Common chronic glaucoma occurs when normal fluid circulation in the front of the eye is blocked. The fluid backlogs and presses against the retina at the back of the eye, damaging its blood supply and destroying its nerve cells and fibers.

These "little deaths" in the retina mean small areas of vision loss, usually affecting side vision first. The vision loss is irreversible. In its most advanced stages, glaucoma closes in on central vision and destroys the optic nerve. The result is total blindness.

"Since it is so easily overlooked, glaucoma must be sought out, periodically, through eye pressure checks and, for diagnosis, more extensive eye exams," says Patti Devitt, Panhandle Branch Coordinator.

The glaucoma patient is offered not cure, but control according to the Society. The disease can usually be managed with prescription eyedrops or other medication. But that medication must be used regularly, on schedule.

TSPB considers all adults over 35 at risk for glaucoma, with the risk increasing with age. There are an estimated 102,000 Texans with the disease and 50,000 of those do not know it. Yet less than one percent of the age group at risk is routinely checked for glaucoma.

The Texas Society to Prevent Blindness is an affiliate of the National Society to Prevent Blindness, which was established in 1908.

Jan's: a new idea in fs fashions

There is a new way to dress in style and dress in season . . .

Jan's!

This style shop of nearly new clothes opened at 10 a.m., Saturday and stayed with the crowd until 7 p.m.

Located in a sunshine bright mobile home across from M & M Grocery--at the end of a sidewalk as new and spotless as the shop itself--Jan's displays clothing in excellent style and condition that has been scrupulously cleaned and pressed and inspected for snags and blemishes before going on the hangers at this new style shop.

These are garments accepted on consignment from ladies and children who are unable to realize full value from them due to weight gain or weight loss or, in the case of children, the outgrowth of age. Now, instead of discarding them or losing them in musty storage closets, they are available fashion-fresh for your wardrobe and that of your children.

Jan's will carry shoes, bags and other accessories as well as a new line of smart items for your home from things for beds to window decor.

It will be the high point of your shopping day when you visit this newest idea for ready-to-wear at this newest business in Spearman.

--And speaking of shopping days, Jan's will be open from 1 to 5 p.m., Sunday and from 10 a.m. to 7 p.m. Tuesday through Saturday.

See Jan today . . . across from M & M Grocery.

Harris Spelling Bee director

Amarillo, Tx.--Roy Harris, superintendent of Morse schools, has been named to serve as Hansford County's Spelling Bee director for 1983.

The National Spelling Bee is sponsored nationally by the Scripps-Howard Newspapers and in the area by the Amarillo Globe-News and West Texas State University, Canyon.

Gene Parker, director of placement at the university, and bee coordinator, announces the continuation of the educational program for the 35th year for public and parochial school students.

Rules, established by the national sponsors, say that no student who will be older than 16 by June 1 of 1983, or in a grade higher than the eighth, will be allowed to enter, beginning at the classroom level.

Each director will set the date for his respective elimination even and report the winner(s) to the newspaper no later than April 9, 1983.

The district contest to be held in Amarillo on April 30, 1983, will include champs from a 45-county, four-state area. The Bee will be in the afternoon, beginning at 1:30 p.m. in the auditorium of Stephen F. Austin guests of the sponsors on April 30 and will be given special recognition. It is not unusual for a Junior County winner to also claim the Senior County championship.

Jeane Bartlett is bee editor for the Amarillo Globe-News. Junior High School, 1808 Wimberly.

In Amarillo all of the champs will be vying for a trip to Washington, D.C. for June, beginning on the 6th, plus other numberous gifts from the sponsors.

Once again the Amarillo Globe-News is making available the study book, "Words of the Champions" for 40 cents. The newly designed book, containing in excess of 3,000 words, plus 550 new ones over last year, is available to any principal, superintendent or contestant. The book is not available by mail in the City of Amarillo and the City of Canyon. Orders should be addressed to the Spelling Bee Editor, Amarillo Globe-News, Box 2091, Amarillo, Texas 79166.

The 1981 and 1982 regional winners came from Clovis, N.M., representing Curry County. Jason Trobaugh competed in the national bee in 1981 and Chris Russell in 1982. Chris finished in 32nd place, among 112 national finalists.

The district sponsors also promote a Junior Bee for students in the sixth and lower grades. These county winners will be invited to Amarillo as

Happy 54th

Idella

Faye's Daze

The only thing I have to say about today (Thursday) that it is too beautiful to be inside working. I love the fall of the year in this country. I may be rushing that statement just a bit since this is the first day of fall.

I was thankful for the rain last weekend, I'm sure getting tired of watering my yard, and also after getting my August water bill, I was afraid to turn the tap on.

***

I was all excited about a visit from my granddaughter and her mommy and daddy this weekend, but as it turns out that they can't come. I did get a promise for a visit in about three weeks or so, though. Maybe I can hold out that long.

***

I am not particularly a women's libber but found this item and thought you might enjoy it.

Teachers' rights and priviledges have progressed considerably throughout the years. In the year 1915, teachers (women) had a set list of rules they were to abide by when teaching school. Consider yourself very fortunate to be a teacher in modern times. Below is a list for the teacher of 1915:

You will not marry during the term of your contract.

You must be home between the hours of 8 p.m. and 6 a.m. unless attending shcool functions.

You may not loiter downtown in any of the ice cream stores.

You may not travel beyond the city limits unless you have the permission of the Chairman of the Board.

You may not ride in a carriage or automobile with any man unless he is your father or brother.

You may not smoke cigarettes.

You may not dress in bright colors.

You must wear at least two petticoats.

Your dresses must not be any shorter than two inches above the ankle.

To keep the school neat and clean, you must:

sweep the floor at least once daily.

scrub the floor at least once a week with hot, soapy water.

clean the blackboards at least once a day.

start a fire at 7 a.m. so the room will be warm by 8 a.m.

An elderly woman on her afternoon stroll noticed a small boy trying to reach a doorbell. She walked over, rang the bell for the lad and asked, "What now, young man?"

The boy looked up at her in amazement and shouted, "Run like heck!" before he turned and fled.

Bridge Club Meets

Mrs. Gertrude Archer was hostess for the Bid-A-Bit Bridge Club Thursday in her home.

Enjoying a delicious dinner and bridge were members, Mabel Jameson, Thelma Scott, Nina Hefner, Faye Lynch, Verna Gail Keim, two guests, Rosalee Butt and Jane Meek and the hostess.

Nina Hefner had high score and Gertrude Archer had second high.

The next meeting will be Sept. 30 in the home of Carrie Marie Berry.

Lamberson-to-Rusk passes lead to Panhandle victory

PANHANDLE — Panhandle's Todd Lamberson and Stacy Rusk teamed up for two touchdown passes last night here and in the process, assured the hosts of a successful homecoming.

The Panthers, behind the two scoring flips of 47 and 8 yards from quarterback Lamberson to junior halfback Rusk, made the difference in a 14-6 victory over Gruver.

The win kept Panhandle's record perfect at 4-0, while Gruver dropped to 0-3.

Gruver	0	0	6	0	6
Panhandle	0	7	7	0	14

Panhandle's TDs came in the second and third periods to make it 14-0.

Gruver's Rod Been ran 3 yards in the third period to cut the deficit to the final margin, and neither team could score thereafter.

Rusk led the hosts with 161 rushing yards on 20 carries, and caught the two passes for 55 more yards.

Ochiltree County Sponsoring Health Fair

The Ochiltree County Extension Homemakers Council and the Ochiltree County Chamber of Commerce are sponsoring an area Health Fair on Tuesday, September 28 from 11:00 A.M. to 5:00 P.M. The Health Fair will be located in the gym of the YMCA at 1201 S.W. 15th Street in Perryton.

The purpose of the Health Fair is to promote preventive medicine through health-screenings and to provide health education material to the public.

The Texas Department of Health along with area health agencies and organizations will be conducting free health screenings along with free literature throughout the day.

The screenings that will be provided include diabetes, blood pressure, urinalysis, glaucoma, and hearing. In addition to the screenings, the following will have educational exhibits:

American Cancer Society, American Red Cross, American Heart Association, Harrington Cancer Research and Treatment Center, High Plains Epilepsy Association, Kidney Foundation of West Texas, La Leche League, Lion's Hi-Plains Eye Bank, Northwest Texas Hospital School of Nursing, National Multiple Clerosis Society, Ochiltree General Hospital, Panhandle Home Health Agency, Perryton Family Services Center, Perryton Satellite Work and Training Center, Perryton Planned Parenthood, Shriners, Social Security, Texas Society, and the Ochiltree County Extension Homemaker's Council. The following divisions of the Texas Department of Health involved include: nursing, emergency medical services, veterinary public health, environmental and consumer health education, dental health, long term care, general health education, and SSI/disabled children's program.

The screenings and literature are all free. Plus qualified personnel from the various agencies will be available to visit with and ask questions.

All age groups are encouraged to participate. However, minors will need parental permission for any of the screenings to be performed on them.

For anyone needing transportation during the Health Fair, you can call 435-3831 and someone will be made available to see that you are picked up and taken home.

Home Fruit & Nut Varieties For County

Variety selection is one of the most important steps in successful fruit growing. A variety may perform in one area of Texas and be a complete failure in our county. For this reason, your extension office has prepared a list of varieties that have demonstrated satisfactory perfromance for several years. Many of the older varieties such as 'ELBERTA' peach, 'BARTLET' pear, or 'STUART' pecan are not recommended for this area.

Fruit trees do not grow 'true' from seed. Instead, they are budded or grafted onto a suitable rootstock is just as important as the recommedned variety.

Know the Weather

How big is the eye of a hurricane? Is it true that the eye is sometimes completely clear while for hundreds of miles on each side the sky is filled with clouds?

The eye of a hurricane is never more than a few miles, usually less than five. It's true that sometimes in the middle of the great storm--in the eye, so to speak--the sky overhead will suddenly appear blue.

Winds will calm down and for a few minutes a strange stillness will descend--with roaring winds just a few miles distant in all directions. This is the very center of the circular motion of the winds (counterclockwise), the hub of a great blowing circle.

The lull soon ends and when the winds return--they are from the opposite direction--and often just as strong as before.

Some people once believed that shooting arrows under a fruit tree would cause the fruit to fall off the tree just as the arrows fell.

Lynx Band Clinics

The Lynx Band will have several upcoming clinics in the month of October. They include a percussion clinic, a music clinic and a marching clinic.

The percussion clinic will be on Saturday, October 2, all morning long, beginning at 8:30 and extending until about 4:30 p.m. with a small lunch break in between. The clinic will stress the important aspect of ensemble sound, and concentrate on improving the execution of the ensemble.

The music clinic will be Monday night, October 18, and will begin at 6:30 p.m. The clinician for the event will be Mr. Fred Pankratz of Canadian. Mr. Pankratz has built two bands into sweepstakes winners, first at Miami and most recently at Canadian. He will concentrate solely on the music as it relates to the total show performance.

The marching clinic will be Monday night, October 25, and will also begin at 6:30 p.m. Mr. Kent Jordan, from Booker will serve as clinician. Mr. Jordan also has a Sweepstakes winner at Booker and has placed as high as fourth place in the State Marching contest. Much of Mr. Jordan's clinic will be directed toward improving the marching and manuevering and general effect of the bands performance.

These clinics, plus a flag festival and clinic, to be announced at a later date, should provide for a strong bid at the UIL contest for the Lynx Band.

Buy or renew magazines

The high school choir is selling magazines until Monday Sept. 27, 1982. This money will go to the choir so they can go on their annual tour. Last year they went to Houston, Galveston , & Six Flags. This year they are trying to go to Belgium. Since that will cost so much money, Mr. Angel and his choir need your support.

GOOD LUCK CHOIR!!!

Use Fluoride

A one-minute fluoride rinse of one's teeth, once a week, can help considerably to prevent tooth decay.

That's the word from the National Institute for Dental Research, which advises schools and health departments to institute this practice, especially in areas where fluoride is not yet added to drinking water.

Dentists and doctors can now prescribe pills to be added to drinking water. Most toothpastes contain flouride, which helps.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION
NOVEMBER 2, 1982

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for a construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment repealing the state property tax."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 62 as amended by Senate Joint Resolution 10 proposes a constitutional amendment that would eliminate the $80,000,000 ceiling on state welfare aid during any fiscal year.

The amendment would set the state welfare spending limit at $160,000,000 for the 1982-1983 biennium.

The amendment further provides that, for each subsequent biennium, the maximum amount spent for state welfare shall not exceed one percent of the state budget.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 77 proposes a constitutional amendment that would authorize the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the Legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the successor to the auditor's functions.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee counties."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

AVISO PUBLICO

Breves Declaraciones Explicativas De Las

ENMIENDAS CONSTITUCIONALES

PROPUESTAS
ELECCION GENERAL
2 DE NOVIEMBRE DE 1982

PROPOSICION NUMERO 1 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 1 propone una enmienda constitucional que prohiba cualquier impuesto estatal por avalúo. Los recibos de impuestos estatales por avalúo anteriormente autorizados que son cobrados después de la fecha efectiva de la propuesta enmienda a esta sección serán depositados al crédito del fondo general del condado que cobra los impuestos y pueden ser gastados para los fines del condado. Los impuestos que son cobrados antes de esa fecha serán distribuídos por la Legislatura entre las instituciones educativas que son elegibles para recibir esos fondos bajo ley previa. La propuesta enmienda también revoca una sección de la Constitución que impone un impuesto por avalúo para un fondo para la construcción de 17 colegios y universidades estatales.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que revoca el impuesto estatal sobre la propiedad."

PROPOSICION NUMERO 2 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 62 tal como fue enmendada por Resolución Conjunta del Senado 10 propone una enmienda constitucional que elimine el límite de $80,000,000 de asistencia pública estatal durante cualquier año fiscal.

La enmienda establecería el límite de gastos de asistencia pública estatal a $160,000,000 para el bienio 1982-1983.

Además la enmienda provee que para cada bienio subsiguiente la cantidad máxima que se pueda gastar en asistencia pública no será en exceso de 1% del presupuesto estatal.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que autoriza a la Legislatura proveer asistencia por el proceso de asignación a necesitados y establecer un límite sobre los pagos para niños dependientes necesitados de un por ciento del presupuesto estatal."

PROPOSICION NUMERO 3 EN LA BOLETA

Resolución Conjunta del Senado 8 propone una enmienda constitucional que exencione de la imposición de impuestos la maquinaria y el equipo que se usan en la producción de productos agrícolas y ganaderos. No se impondría límites de dólares y la exención se aplicaría a las sociedades anónimas y colectivas tanto como a las familias y los individuos.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que exenciona los implementos de producción agrícola (maquinaria y equipo agricultural) de la imposición de impuestos por avalúo."

PROPOSICION NUMERO 4 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 77 propone una enmienda constitucional que autorice a la Legislatura establecer un límite de cuatro años para los plazos de los miembros de las juntas de ciertos distritos de agua y distritos de conservación y reclamación.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional que autoriza a la Legislatura proveer plazos de no más de cuatro años para los miembros de las juntas gobernantes de ciertos distritos de agua y distritos de conservación y reclamación."

PROPOSICION NUMERO 5 EN LA BOLETA

Resolución Conjunta No. 119 de la Cámara de Representantes propone una enmienda constitucional que autorice a los condados de Tarrant y Bee celebrar elecciones en los dos condados para anular por mayoría el oficio de tesorero del condado.

Si se anula el oficio de tesorero del condado, se cederán los deberes, poderes y funciones de dicho oficio al auditor del condado o al sucesor de las funciones del auditor.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional que anula el oficio de tesorero del condado en los condados de Tarrant y Bee."

PROPOSICION NUMERO 6 EN LA BOLETA

Resolución Conjunta del Senado 6 propone una enmienda constitucional que aumente el límite de la tarifa constitucional de interés en los bonos generales estatales de obligación de 6% a 12%. Sin embargo, el nuevo límite de 12% no se aplica a bonos emitidos de la Junta de Terrenos para Veteranos.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que aumenta la tarifa máxima de interés que se permite en los bonos generales estatales de obligación a un promedio ponderado de 12% de interés annual."

JV Lynx Win "Homecoming Game"...

'Devastate' JV Tigers

The Spearman Jr. Varsity Lynx just "overpowered" the powerful house of the Guymon JV Tigers. The JV Lynx played in front of a big crowd and demonstrated just why they are the team of the future. They played with outstanding ability to win any kind of game. The JV Lynx' running attack was superb, with long 3rd down situations being a "sinch" when Luis "Lulu" Nava, Paul Lopez, Karl Bynum or even Mack McLain ran the ball. The Offensive Line did an excellent job, while the Defensive line would not let the Tigers move more than a yard or so, if lucky, on their running downs. If **you** missed this game, then **you** missed an excellent-ly well played game by **all** the JV Lynx. The final score was 14 - 0, with the JV Lynx winning the game.

Now the JV Lynx and Tigers had met before, in a scrimmage which Guymon won by a touchdown. Well, the JV Lynx were ready for the Tigers' reverse plays, passing plays and especially their running plays. It is hard to try and describe how the JV Lynx played without just saying that they played terrific. They could have beaten the Champs of the JV teams if they had played them Thursday, Sept. 23. Their Coach, John Roller, had to have been proud of his Lynx. With the humidity as high as it was, made some of the Lynx get muscle cramps--when muscles get into knots, such as "Navy Knots"--which was the only thing that stopped the Lynx Locomotive, because the Tigers couldn't do a thing to stop them.

The JV Lynx Captains were #70, Kevin Slaten and #50, Israel "Kimo" De La Rosa. Both are Juniors and are excellent players. The JV Lynx got to kick off, with Steve Burke #71, doing the honors. Steve has a good "boot" for kick-offs and PAT's--Point After Touchdowns. The guys on Defense, starting were "Kimo" De La Rosa, #50; Pat Tucker, #11; Larry "Hank" Hagerman, #63; Paul Lopez, #30; Luis Nava, #33; Kevin Slaten, #70--all Juniors, Brian Paul, #12, Steve Burke, #71, Mack McLain, #40, Karl Bynum, #44--all Sophomores. As a matter of fact, there are 9 Juniors, 15 Sophomores and 12 Freshman on the Jr. Varsity Lynx Squad. So you can see how much of a "mixture" Coach Roller has to make a "winning" combination from. On the Starting Offensive Lineup, there are 6 Sophomores and 5 Juniors with 1 Junior trading with a Sophomore in the backfield. The Sophomores are Teddy Vela, #61, Steve Burke, #71, Karl Bynum, #44; Bob Cook, #81, Damon Herndon, #52, and Brian Paul, #12, the starting Quarterback. The Juniors include "Kimo" De La Rosa, #50, Jeff Graves, #80, Paul Lopez, #30, Luis Nava, #33, and Kevin Slaten, #70. Luis would trade off with Mack McLain, #40, a Sophomore, in the back field all thru the game. Both did an excellent job and both scored a touchdown.

So now everything was set, with the starting JV Lynx Defense "overwhelming" the Guymon JV Tigers' running attack. There were plenty of turnovers on both sides. The first one was against the JV Lynx with Brian Paul throwing an interception to a Guymon Defensive Back. When this happened, the JV Tigers were on the move. Their big back made an "intial" touchdown, but someone of his teammates was "Offsides"--meaning took off before the ball was snapped and this brought the ball back. This was that little "something" that the JV Lynx needed on their side, and the Defense started pulling together and stopped the JV Tigers from doing a thing. Then it was Guymon's turn "cough" up the football and #80, Jeff Graves recovered. There was lots of hitting going on from both sides. The Lynx coughed the ball up after 3 plays, then the JV Lynx came right back with a big hit and made the JV Tigers lose the ball on a fumble again--this was back-to-back fumbles. The first quarter ended with the score standing at 0-0.

Now it seemed like the game would be a Defensive battle, with no Offense at all. The JV Lynx drove the ball down to the JV Tigers 22, but there was a holding call and the JV Lynx had to be moved back 10 more yards, putting the ball at the 32 of the JV Tigers. It was now 2nd down and 20 yards to go for a first and 12 for a touchdown. Mack McLain came in with a draw play called from the bench. With the whole front line blocking, Vela, Burke, Herndon Slaten and De La Rosa, McLain went in for a long touchdown, 32 yarder. It was an excellent run by Mack, and excellent job blocking and opening the whole for Mack by Teddy, Steve, Damon, Kevin and "Kimo". This put the JV Lynx ahead 6-0. The JV Lynx did not go for the 2-point conversion, but rather tried for the Extra-point kick, Steve Burke, was back, the snapper was Teddy Vela. the snap was good, the hold was good and to make it final, the kick was good. The score with 6:18 left in the first half was 7 to 0. When the JV Lynx would not get first downs, and it was 4th and long, Steve Burke came in and punted doing a very fine job. The half ended 7-0, in favor of the JV Lynx.

When the second half started, the game was back to how the beginning of the game had started with fumbles lost and recovered. Good hits from the Defense of both teams. The hitting was superb from both sides. The JV Lynx could not get going, exactly like they wanted, and then they fumbled with the JV Tigers recovering. The JV Tigers could not budge from where they started, and they, too fumbled with Steve Burke recovering for the JV Lynx. The JV Lynx almost lost two main men, on a sweep play. Luis "Lulu" Nava did an excellent sweeping to the left and getting 10 big yards, but it seemed like he twisted his knee, his blocker, "Kimo" De La Rosa was in pain out-of-bounds in the sidelines. Both were OK, after just have cramped up muscles. All in the stands sighed with relief as "Lulu" and "Kimo" walked off their cramps. The 3rd quarter ended with the score staying at 7-0. In the 4th quarter neither team could do a thing, in the beginning. The JV Tigers' punter was being rushed so much that if he kicked the ball 13 yards, it was with pure luck. Steve Burke was doing a fine job punting. As a matter of fact, he punted the ball 40 yards and put the JV Tigers in a hole on their own 7 yard line. The JV Tigers started moving. They knew that they had to pass more times than they ran, mainly because their running backs could not get a yard, so their quarterback started "tossing" the ball. He was doing a fine job. Well, after they got a 23 yard pass play completed, he "tossed" the ball again, but this time good ole Pat Tucker, #11, a Junior, grabbed the ball from mid-air and got himself an interception. This set up with JV Lynx' final score. The ball was at the JV Lynx 34 yard line. It was 3rd and 4 yards. What it seemed was that the JV Lynx were going to go up the middle to set Steve Burke up for a Field Goal, but with the blocking up front of Teddy Vela, Steve Burke, "Kimo" De La Rosa, Damon Herndon, Kevin Slaten, Bob Cook, Jeff Graves, Karl Bynum, Luis Nava went up the middle, thru the heart of the Guymon JV Tigers' Defense, and made a touchdown. Excellent job by the line, and an excellent job by "Lulu" Nava, who made the Touchdown. Steve Burke was up to try for his second PAT of the night. The snap was good, the hold was good and once again, to make it 1-2-3 equals 1 point, the boot was good and the JV Lynx were ahead with a score of 14 to 0. There were 28 seconds left in the game.

This time Jeff Vanlandingham, kicked the ball off after the touchdown and the JV Tigers' runner, did an excellent job running the ball almost for a touchdown, with Gary Blackburn making an excellent saving tackle on the runner. The JV Tigers tried desperately, but in vain, for a touchdown pass, which was knocked down. The final score was 14-0.

So now, Coach Roller's JV Lynx are going to get ready for the tough ole Dalhart JV Golden Wolves. The JV Lynx cut the "verocious" JV Tigers down to a pulp, now they will be trying to get themselves some good ole Texas-style "Wolf-Chili". This game will be played at Lynx Stadium, beginning at 6:30 September 30, Thursday night. Y'all try and make it.

By the way, this was the JV Lynx' "Homecoming Game" and they played with the pride and joy, that all play for their "Homecoming" Game.

7th & 8th Lynx Lose to Guymon

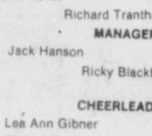

The 7th & 8th Grade Lynx traveled to Guymon to play the 7th & 8th grade Tigers. The Tigers had the better end of the bargain winning both games, 22 - 0, and 29 - 0, respectively.

The 7th Lynx score against Guymon was 22 - 0. The 7th Lynx found out just how tough the 7th Guymon Tigers are. Coach Rutherford is getting his team ready for the game against the 7th grade Dalhart Little Golden Wolves. This game is scheduled for Thursday, September 30, at Dalhart. This will be a tough game for the 7th Lynx. They are ready for a win, and a win over the 7th grade Dalhart team would be fine with the 7th Lynx.

The 8th grade Lynx score against Guymon was 29-0. It was a tough game, and the 8th Lynx could not do what they wanted to against Guymon. Now Coach Rutherford is getting the 8th grade Lynx ready for the 8th grade Dalhart Little Golden Wolves. This will be another tough game for the 8th Lynx, and are ready for a win. They would love to defeat the 8th grade Dalhart Little Wolves. The game is scheduled for Thursday, September 30.

The 7th grade game will begin at 5:00 p.m. and the 8th grade game will begin at 6:30 p.m. Try and make it down to Dalhart and cheer on the 7th and 8th grade Lynx.

Strake Talk

CRIME: IT'S THE *VICTIMS* WHO ARE LOCKED UP

I want to talk to you this week about an issue that troubles me greatly and which I know is of great concern to Texans. It seems that whenever I have spoken about crime in the past 12 months I have gotten a strong and troubled response. No matter where I am—Jewett, Roma or Dalhart—people tell me they are angry and afraid about crime in our state.

This anger and fear concerns me for two reasons. First, because this kind of anger and fear serves as a sort of "jail" for innocent people. They are the ones locked in their homes at night while criminals go free. The second reason I am concerned is because unless something is done to stop the crime epidemic, people will be ripe for the kind of politician who will play on citizens' fears. The result could be that Texans lose their liberty in return for their "safety". In that sense, the crime problem is like a cancer gnawing at democracy.

The incumbent Lt. Governor's response to the crime issue has been shameful. While he has been in office the crime rate has risen 131%. He has done nothing to attack crime in a substantial way. In fact, he has fought stronger anti-crime measures. He openly opposed the new wiretapping law designed to catch drug dealers. He openly opposed the Governor's anti-crime package by putting it in a legislative committee run by a hostile Senator, who promptly bottled it up. Much of the package passed anyway and now Mr. Hobby has the gall to go around the state taking credit for it!

His sympathies in the fight against crime are evident. Not long ago he allowed the American Civil Liberties Union (ACLU) to hold a fundraiser in his Houston mansion and he proudly defends it. The ACLU has consistently opposed laws that would make it easier to deal with the crime problem.

I think such two-faced maneuvering is disgraceful. It is obvious that if we are going to attack the crime problem, if we are ever going to give law officers, judges and prison guards the tools they need to make us safer, Bill Hobby will have to go.

If you have thoughts about this, I'd like to hear from you. Please write me at 1213 W. 34th, Austin, 78705.

Flu Hope

The New England Journal of Medicine reports two drugs offer new hope in the fight against influenza. The drugs are amantadine, now available with a brand name, and rimantadine, still experimental.

Both have been tested at the University of Vermont and found effective in preventing infection from type A influenza, which includes Hong Kong and Russian flu varieties. These are the most common types of influenze.

An official at the National Institute of Allergy and Infectious Diseases in Washington confirms that the Vermont research project demonstrates the two drugs can protect most Americans against the most common type of flu.

Town and Country Extension Homemakers Club Meet

The Town & Country Extension Homemakers Club met September 21st in Pat Cudd's home. President Cora Queener called the meeting to order. Debi Rogers gave a devotion. The minutes of the last meeting were read and approved. Dixie Smith stated that everyone owes dues. There was one communication: a Thank-You from Connie Steger.

Under Old Business, everyone was reminded of our Bake Sale September 22nd at Gordon's & Thriftway. A work schedule was passed around. Also, the dates to clean the Club Room were set for September 27th at 9:30 a.m. and October 25th at 1:30 p.m. A list was also passed around for members to sign up for a day.

Under New Business, it was decided to have some type of a Harvest Festival Social in either October or November. Lynna Renner, in charge of Recreation will plan it with the help of Delinda McLaughlin, Sammye Ghering and Denise Harbour.

Dixie Smith and either Joan Brown or Lynna Renner will go to the program leadership for Gift Wrapping for our October meeting.

Cora said that Rural Homemaker's Day will be October 21st in Amarillo. Janie Kunselman will go with her.

Cora also said that there will be a Blazer Workshop at the Kaleidoscope taught by Karen Haruff. We need to sign up now if we want to take it.

Cora reminded us that our Personal Projects are due by October 31st.

The Veteran's Day program is scheduled for November 11th. Delinda McLaughlin is in charge of it this year.

Delinda stated that we will meet with the Commissioners October 11th.

A list for prospective members was passed around. Pennye Ralston is in charge of working on a Membership Drive.

Cora reminded us to make something to sell at the Membership Tea Bazaar. She also said the Council will meet September 28th.

Our election of officers was held and they are as follows:

President: Peggy Winegarner; Vice-President: Debi Rogers; Secretary: Denise Harbour; Treasurer: Pennye Ralston.

Peggy Winegarner, Debi Rogers & Denise Harbor were nominated for President. Peggy was elected. The other officers were voted in by acclamation. We also selected a Council Delegate-Sammye Ghering. Alternate is Debi Rogers.

Denise, Delinda & Pennye gave us some of the highlights of the State Convention.

Our next meeting will be held at Cora Queener's home, 16 S. James.

Spearman Lynx Defeat Gruver 59-57 in Thriller

Spearman's rapidly improving Lynx gave their new coach Allen Simpson a yo-yo and a victory over the Gruver Greyhounds Tuesday night for Christmas presents.

The yo-yo was shaped like a basketball and the victory over Gruver was a heart-stopping 59-57 last-minute shoot-out.

Fouls proved the undoing for the Greyhounds as they entertained the Lynx in the Gruver gym. They Hounds committed 23 miscues and most of them came in the last halp. Both Bennie Wilson and Ronnie Laxson fouled out.

Gruver led until the fourth quarter when Spearman tied the score, then the lead changed several times until Spearman took a four point lead in the last 30 seconds.

Free shots made the difference in the closing minute as Carl Close, Carroll Day and Charles Shieldknight hit from the charity line to tie the game and give the Lynx the four point advantage they needed.

Spearman scored on 19 of 35 free shots and Gruver could cash in on only 9 of 24 gift shots.

With 30 seconds left in the game, Spearman went ahead four points and Gruver rushed down the floor to score with about 15 seconds left.

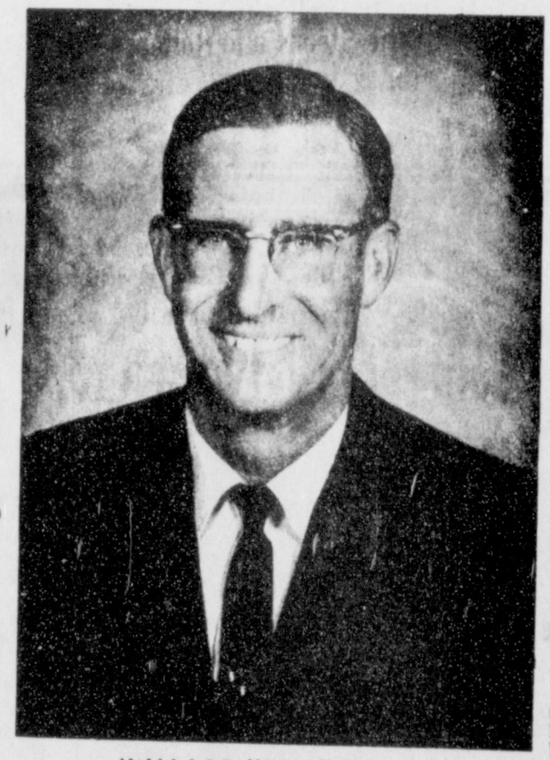

Gruver put on the press, but the Lynx were able to get the ball across the midcourt line. There Gruver tied the ball with six seconds left on the clock. Shieldknight got the tip for Spearman, but the Lynx fumbled the ball around until Shieldknight ended up with it again. As he got the ball he was fouled.

He missed his free shot, but there was only four seconds left. The Hounds rushed the ball down court and Jerry Hart put up a long shot as the horn sounded, it missed and Spearman had its first basketball wi over the Greyhounds in many years.

Shieldknight led the scoring with 19 points. Close had 13, Day had 10, Gary Faries and Benny McCullough had six each and Mike Hendrick had 5.

Steve Butts had 17 for Gruver Bennie Wilson had 14, Ronnie Laxson 11, Jerry Hart 7, Mike Blankenship 6 and Ken Jones 2.

Willard Davis Announces Candidacy

WILLARD "BILL" DAVIS

Willard "Bill" Davis has declared his intention to run as a democratic candidate for the office of County Clerk of Court, for Hansford County.

Davis has been a resident of Hansford County since 1922. He attended school in Spearman and upon graduating from Spearman High School, entered the service station business.

Willard, who is well known in this county, has sent three of his children through all the grades of the Spearman School System.

He is currently operating "Bill's" Fina Station at the intersection of Kenneth and Collard in Spearman, however, the better part of his years in the gas and oil business were spent in the Shamrock Station at 5th and Kenneth.

With the exception of four years service with the United States Post Office in Spearman, Willard has devoted all his time to the service station business.

Willard "Bill" Davis, who resides at 1002 S. Townsend in Spearman, stated that he feels perfectly capable of manning the post of County Clerk efficiently and, if elected, intends to devote his full time to carrying out the duties of the office.

Improving Lynx To Meet Dalhart

Spearman's improving Lynx catch a real toughie this week when they meet the Dalhart Wolves in Dalhart at 8 p.m. Friday night.

The Wolves are undefeated in season play, but had a narrow 6-0 squeaker with Panhandle three weeks ago.

Spearman scouts report that the Wolves are not overpowering in size. They have only one man in the starting defensive line-up that is over 190 pounds, but quarterback Steve Parr at 140 is the smallest starter.

The Wolves are quick, aggressive and have speed, the scouts report. They have lots of football experience and make few mental mistakes.

Lynx coach Larry Anthony says all three of the Dalhart backs, Don Harr, Gary Moore or Stanley Moore are outstanding runners and Parr is a good passer.

The Lynx are in their best physical shape since the beginning of the season. Only one player who suited up last week is still on the doubtful list. Fullback Hal Shufeldt still has his arm in a cast and it is doubtful if he will see action.

As of Tuesday afternoon the rest of the squad was in good shape with most of the earlier injuries about mended.

Dalhart runs from the Wing-T with lots of power sweeps and traps in the middle of the line. They put plenty of blockers, backs and pulling linemen, in front of the ball carrier.

Parr and wingback Stanley Moore both throw the ball.

Halfback Don Hart is a very dangerous runner on kick-off and punt returns. The Wolves have been very successful in getting good field positions on punts and kick-offs.

Last week the Wolves beat Stratford 27-7. They have also defeated Guymon, Okla., Panhandle and Stinnet. They are 2-0 in district.

Spearman is 2-2 for the season, having beaten Sunray and Stinnett and losing to Shamrock and Panhandle. The Lynx are 1-2 in district.

Probably offensive starters for Spearman will be Mike Hendrick and Mike Davis at ends, Monte Lusby and Richard Booth at tackles, Joe Hutchison and James Lemons at guards, Tim Fisher at center, Charles Shieldknight will be at quarterback with Donlain Whitefield, Bobby Smith and Jim Brown at the other backfield slots.

LAST MOVE

Cates Men's and Boys Have Grand Opening

Opening new businesses and new locations are old stuff for Floyd (Slim) and Mary Cates, but the opening last week-end for their Cates Men's and Boys Wear is the last one for them.

Cates recently bought the Russell building in the 200 block of Main and moved his clothing store across the street into the remodeled building. The grand opening in the new location was Thursday, Friday and Saturday.

"This is my last move," he said, "I'm going to finish up right here."

It all started more than 33 years ago when Cates opened his first business with a free load of ice.

He was 17 years old and lived in Booker. Booker did not have an ice house. Cates talked an ice dealer in Shattuck, Okla., into putting up a portable ice house in Booker and letting Cates have a load of ice.

"He gave me the first load of ice and I had to pay for the rest I sold." Laughing at the recollection, Cates said, "I kept just enough money to pay for the next load of ice and spent all the rest I made.

Slim and Mary Cates were married when both were teenagers. He was 19 and she was 17. That was the year the pair began their business career in Spearman. It has lasted for 33 years.

They started with Slim's father in Cates and Son grocery located where the Cattlemen's Steakhouse is now. The building has been enlarged since then.

After 10 years in the grocery business, Cates opened up B&C Equipment Co. in the location where B&B Sales is now located. After being in the equipment company for 10 years he went back into the grocery business and had Cates Super Market for two years in the location where Ideal Food is now located. The firm was sold to Ideal and they later razed the old building and built their present building.

After the grocery business Cates was in B&C Pumps where the present Cates Grocery is located for two years. He still owns part of the business.

Seven years ago Slim and Mary opened Cates Men's and Boys' Wear on Main street. Since opening their store, they have been joined by Bill Partridge, their son-in-law, who worked in men's clothing stores in Amarillo while in college and after graduation.

Slim and Mary have worked together in every business they have operated. They both agree that they like the clothing business better than any of their other ventures.

Their new location is much larger than their old store and has entrances on Main and also on Davis streets.

"We are real proud of this new location," Slim says, "And, we think we will stay right here for a long time."

The store owner says his wife has always been a big help in whatever business he has operated. "In fact, Mary is my best business asset."

Morse Wins At Show

Two Morse 4-H boys won some top honors in the Junior Heifer division of the Southwestern Fat Stock Show in Fort Worth last weekend.

Wade Parks and Alva Henderson showed animals that placed first, third, fourth, seventh and tenth in their classes at the show.

Earl Henderson took the boys to Fort Worth Saturday and they showed their animals Sunday. They returned home Monday.

The boys will be showing in Houston and San Antonio.

Miss Crawford Enroute to Base

Miss Kathy Crawford was home over the weekend enroute to her new base station with United Airlines in Denver.

Miss Crawford is a stewardess for United Airlines and has been based in Miami, Fla.

She is a graduate of Spearman High School and West Texas State University. She is the daughter of Mr. and Mrs. Cecil Crawford.

BUSINESS PARTNERS--Mr. and Mrs. Slim Cates discuss the 33 years they have been in business in Spearman during the grand opening held last weekend at the new location of their Men's and Boys' Wear Store.
