VOLUME 41 — OLTON, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 3, 1966 — NUMBER 40

AT DIMMITT FRIDAY NIGHT

Mustang Win Is Must To Stay In Title Run

Olton travels to Dimmitt at 3-2, and to complicate matters two other loop squads, Abernathy ,and Floydada also own identical marks.

Memphis, meanwhile, sits atop the standings with a 4-1 record.

If the Mustangs stay in contention by downing the Bobcats, they'll have their work cut out.

Dimmitt is rated by many as the best team in the district right now, and the Olton coaching staff agrees.

"They're big, strong and fast," said coach Buddy Sharp, who scouted the Dimmitt team.

Coach Don Beck said, "They are definitely the toughest defensive opponent we've played, including Hereford."

The Bobcats have allowed opponents only 27 points in the first five district games, and Beck said injuries to Dimmitt's starting quarterback and fullback had contributed to the Bobcats early season losses.

The Dimmitt team dropped their first two district games by a total of eight points, losing to Hale Center, 7-6, and dropping an encounter with Memphis, 7-0.

But since then the Bobcat team has trounced Lockney 26-7, walloped Friona 35-6, and coasted by Abernathy, 19-0.

Two senior lettermen seem to be the big worries for the Mustang offensive unit. Mike Bruegel, a 200-pound-plus standout, and John Howell, a 190-pound Bobcat, both have given opponents nightmares this year.

A 170-pound sophomore halfback, David Land, appears to be the Bobcat's big threat on the offensive unit.

Coach Beck anticipates few changes in the Olton lineup for the contest, but said fullback Benny Akin and end Jim Huckabee are still on the highly doubtful list due to injuries earlier in the season.

Olton's efforts will be further hampered by the loss of Ricky Smith. Smith, a 148 pound fullback, suffered a knee injury this week, and will miss the rest of the season.

Fite Edges Field In Football Guess

Five entries tied for first place this week in the Enterprise football contest, and the tie-breaking game really went through a workout to find a winner.

Dr. Lynn Fite was the first place winner, picking 12 games correctly, and guessing the Olton-Lockney final score as 16-7 only two points off.

Elmo Bryant took the second place prize, picking Olton by a 21-7 margin, while T. J. Roberson was third with the same number of correct picks and a guess of 20-13 on the Olton-Lockney game.

Bub Holt and Steve Lee finished just out of the money. Both picked 12 games correctly, but Holt picked the Olton game 23-13, and Lee had it 28-16.

Fite picks up $5, Bryant gets $3 and Roberson wins $2.

In the season Cotton Bowl contest, Jerry Mathis of Farwell kept his lead with 86 correct games, but Charles Didway of Post and Steve Lee moved within two games of Mathis with 84 totals.

Carl McClure dropped from a second place tie last week to fourth with 83 correct picks, while Howard Hall and Waldo Baxter both have 80 correct.

Standings of the top 40 are on the sports page.

Lamb County's Incomes Are Up

The income gains that residents of Lamb County have chalked up in the last few years have carried many local families into new and higher brackets.

With the majority of people earning more than they did before, the upward movement has been almost general.

Families who had been in the $4,000 to $7,000 bracket may now be found in the $7,000 to $10,000 group. Their former spots have been occupied, in turn, by those who have moved up from the $2,500 to $4,000 category.

The facts and figures are brought out in a copyrighted study, made by Sales Management, to determine how the population is divided in terms of income brackets. Every section of the country is covered in the breakdown.

What was sought was a better financial picture of each community than is afforded by what is called its "average income."

It is made up of a small number of families with big incomes counterbalancing a larger number that have very low incomes, or are earnings more evenly divided?

The figures for Lamb County show that no less than 48.6 percent of the households had disposable cash incomes of $4,000 or more after payment of their taxes.

This represented a considerable increase over the proportion in that income position three years ago. At that time, based on a similar study, there were 41.3 percent with such earnings.

The rate of gain, 17.7 per cent, was better than that of the United States as a whole, 10.0 percent, and the 13.7 percent in the West South Central States.

The study also shows the number of local households at various other income levels.

It lists 681 of them with net incomes of $7,000 to $10,000, 1,821 in the $4,000 to $7,000 bracket and 1,390 with net earnings between $2,500 and $4,000. The rest are in the over $10,000 or under $2,500 categories.

Hand in hand with the general improvement in family finances, locally and in other parts of the country, has been a rise in the cost of living. The gains have been out-pacing the price rises, however, so that there has been a net improvement in purchasing power.

Ginnings: 950 Bales

The fledgling cotton ginning season was getting little cooperation from the weather in getting off the ground this week.

A light rain early Tuesday morning slowed pulling operations throughout the area.

But despite the slowdown, area gins reported approximately the same number of bales ginned as last year at the same time.

Six gins in the area, including Circle and Hart Camp, reported 950 bales ginned early Wednesday.

At the same time last year, the same gins had reported approximately 1,000 bales through the saws.

Nearly all ginners said the Tuesday moisture had slowed pulling. Most said only a trickle of cotton came in Tuesday, and the cotton that did come in was brought in late in the day.

Two Meetings Set For Farmers

Two meetings of interest of farmers throughout the Olton and Hart Camp areas have been scheduled for Monday and Tuesday night of next week.

Topics of the meetings will be "Plant Food and Soil Fertility."

Specialists in all phases of farm chemicals and fertilizers will be on hand at each meeting for question-answer sessions.

The first meeting is Monday night at 7 o'clock at Olton Farm Supply.

Second session is Tuesday night at 7 o'clock at Hart Camp Grain Co.

Refreshments will be served at both meetings.

Red Cross Meet

The Lamb County Chapter American National Red Cross Board will meet on Nov. 4, at 4 p. m. in the Red Cross Office located in the basement of the courthouse in Littlefield.

Swine Sale Tops $12,000

A record $12,300 worth of pigs went across the auction block Saturday in the annual Swine Breeders Association sale in Olton.

The total is more than $1,800 above last year's sale.

The grand champion barrow was sold by Lanny Tucker of Hart, president of the association and vocational agriculture teacher in Hart.

The group sold 308 head for an average price of approximately $40. Last year's average price was $28 per animal.

Tucker also had the highest selling animal in the sale. It brought $162.50.

Buyers for the event came from the surrounding area, South Texas, New Mexico, Colorado and Oklahoma.

Band Calendar

Deadline for ordering band calendars has been set for Monday afternoon at 4 p. m.

Anyone wishing listings on the calendar may contact Mrs. Gilbert Roberson or Leslie Ross, band director.

Birthday and anniversary listings are $2 per family.

Tom Smith Hurt In Farm Mishap

Tom Smith, Olton fire chief and farmer, is expected to be released from High Plains Hospital in Hale Center today after he was injured in a farm accident last Thursday.

According to Mrs. Smith, he was working around a tractor on their farm northwest of Olton when his foot was caught in a power lift, pinning him to the tractor.

R. H. Keeter, who farms the Smith place, heard his calls, and helped free Smith.

Mrs. Smith said he had two bones in his foot broken, one in two places.

She said doctors were keeping him in the hospital to guard against infection in a cut on his foot, which also occurred as a result of the accident.

Election Spotlight On Senate, Congress

16 Amendments To Be Decided

Olton voters go to the polls next Tuesday with amendments to the state constitution holding down more interest than most office races.

Two national office races seem to hold the most interest, with Republican Bob Price going against Democrat Dee Miller for the 18 Congressional District house seat, and Republican John Tower taking on Democrat Waggoner Carr in the state race for U. S. Senate.

Other top state officials are not expected to have serious opposition in the race.

Among the 16 amendments to be voted on, three seem to be drawing the most attention.

Amendment one would, if passed, provide that land farmed by an individual could not be taxed for ad valorem taxes other than on its value as farm land alone.

Amendment Seven would repeal the state constitutional provision which requires a poll tax as a requirement for voting. If passed, the amendment would also provide for annual registration of voters.

The third major amendment is No. 11. If passed, this amendment would authorize issuing $200 million in bonds by the Texas Water Development Board, if the state legislature approved the issuance by a two-thirds vote.

The amendment would also expand the uses for which the money may go.

Voting in Olton will be at the Junior High School Gym, and will be from 8 a. m. to 7 p. m.

Other amendments to be voted on are as follows:

Amendment Two-- Authorizes the creation of airport authorities composed of one or more counties.

Amendment Three-- Withdraws Arlington State College from participation in the permanent university fund.

Amendment Four -- Increases the permissible term of office for directors of conservation and reclamation districts from two to six years and validates present statutory terms of such officials.

Amendment Five -- Authorizes the legislature to provide for a system of retirement, disability and death benefits for County officials, employees and others.

Amendment Six-- Provides for payment of assistance to survivors of law enforcement officers, custodial personnel of the Texas Department of Corrections and full-paid firemen who suffer violent death in the course of performance of their duties.

Amendment Seven-- (listed above)

Amendment Eight -- Authorizes the legislature to enact laws permitting persons to vote for state officers and for president and vice president of the U. S. without having fulfilled residence requirements to vote for these officers, as well as permitting former residents of Texas who have moved out of state within the last 24 months to vote absentee for president and vice-president.

Amendment Nine -- Increases to five the number of judges on the Texas Court of Criminal Appeals and lengthens the term of that court.

Amendment Ten--Provides that taxes for bonds previously voted in any independent school or junior college district shall not be abbrogated, cancelled or invalidated by any change in boundaries, and authorizes the continuance of the levy after such change without further election.

Amendment Eleven-- (see above)

Amendment Twelve -- Provides that hospital districts may vote to dissolve if they wish.

Amendment Thirteen-Authorizes the legislature to provide for consolidating the functions of government in a county having 1.2 million or more inhabitants, and to provide for intergovernmental contracts between political subdivisions of the county.

Amendment Fourteen -- Allows members of the armed forces to vote in Texas upon satisfying the residence requirement applicable to Texans in general.

Amendment Fifteen--Authorizes the channeling of funds from private and federal sources through the state for uses by privately-owned or local agencies in establishing and equipping facilities to assist the handicapped in becoming gainfully employed.

Amendment Sixteen--Would have both state senators and representatives take office on January 10, following the November election of the previous year.

SHADES OF THE GREAT PUMPKIN--Craig DeBerry makes his rounds Halloween night in Olton followed by a friendly neighborhood pooch. Youthful goblins turned out in force, but the dog wasn't trick-or-treating. He was just out for a walk.

SIGN UP FRIDAY, SATURDAY

You Could Win Prizes In Olton Harvest Event

Cotton and grain fields around Olton won't be the only place for harvesting Friday and Saturday.

Olton merchants are staging their Fall Harvest Festival of Values on the two days, and everyone, including the kids and their pets, will get in on the activity.

A pet parade is set to start at 2:30 p. m. Saturday, with cash prizes going to the smallest, largest and craziest dressed pet.

Besides offering special values during the two-day event, local merchants will also offer seven gift certificates, which may be turned in at any C-CA member for merchandise.

Grand prize will be a $50 gift certificate, second prize will be $25 and five $5 certificates will be awarded.

Award winners will be picked at a drawing at 4:00 p. m. following the pet parade.

Persons may register for the prizes at any Olton chamber member's business all day Friday and Saturday up until the Pet Parade begins.

Girl Scout Troop 12 is getting into the act by selling tickets for a Thanksgiving turkey, which will be given away in a drawing Saturday.

Boxes for the drawings should be brought to the square by 4 p. m. Stores having individual drawings should have their boxes there by 3:30 p. m.

Fund Drive Set

Girl Scout Fund Drive will get under way with a coffee at the Ideal Cafe Tuesday Nov. 8 at 9 a. m.

All leaders are urged to attend.

Adult Education To Begin Monday

Three adult education courses will be off and running next week in Olton after organizational meetings were completed Monday and Tuesday.

Typing and bookkeeping classes will begin Monday at 7 p. m., to be followed Tuesday with a Spanish class at the same hour.

Approximately 36 persons were present at the Monday night meeting to organize the typing and bookkeeping classes, and about 28 more attended the second meeting Tuesday.

Since the turnout was so large for bookkeeping and typing, it was decided to divide the group into two classes, one for bookkeeping by itself, and another for typing.

Olton School Supt. Ray Schultz emphasized that if anyone was interested in taking any of the courses but could not attend the meetings this week, he or she was still welcome to join the classes for their first sessions next week.

Mrs. Amos Walden will teach the typing class and Ray Murphy will handle the Spanish teaching chores. No teacher has been picked for the bookkeeping class.

The first courses will run for 10 weeks and will cost each person $11. There will be a typewriter rental fee of approximately $2 for the typewriting class, and a small charge will be made for workbooks in the bookkeeping section.

Classes in all three subjects will last approximately two-and-a-half hours each week.

The Olton Chamber of Commerce and Agriculture is sponsoring the courses, with the Olton School System furnishing the facilities.

Thanksgiving Dinner Slated

The annual Thanksgiving dinner sponsored by the Olton Women's Clubs has been scheduled for Friday, Nov. 11, in the school cafeteria, from 5 to 7:30 p. m.

A buffet style dinner will be served and one may eat as much as they like. The menu consists of turkey and dressing, green beans, creamed potatoes, cranberry salad, cherry cobbler, coffee and milk.

Tickets are on sale now and may be purchased from any member of the women's clubs of Olton, for $1.50 and 75¢.

Zogi Review Is Called Off

The Zogi Review, slated for a second run Saturday in Olton, has been cancelled.

Olton School students viewed the magic show Wednesday morning. Lion Boss Charles Polk made the announcement of the cancellation Wednesday. The Lions were to sponsor the Saturday show.

Beef Cattle Short Course Monday

A beef production short course for Adult farmers will be held under the sponsorship of the Olton High School Vocational Agriculture Dept. according to Ray Schultz, Supt., and Max Malone and Jon Scott, teachers of vocational agriculture at Olton High School.

W. W. (Bill) Holtzapple, Beef Production Specialist with the Vocational Agriculture Division of the Texas Education Agency and the Dept. of Animal Science at Texas A&M University will be the instructor for the course. He is headquartered at Texas A&M University.

Holtzapple is a graduate of Texas A&M. He majored in agricultural education with much of his work done in livestock production.

Upon graduation he taught vocational agriculture at Hearne, Texas, for one year, and he served as County Agriculture Agent for nine years in San Augustine County. This is his third year with the Specialist Program.

Holtzapple has had much experience in working with beef cattle and operated his own farm with beef cattle and poultry as the main enterprises.

He has worked with commercial and registered breeders in that area and has carried on a very active education program in beef cattle production.

The short course at Olton is scheduled to begin Nov. 7 at 7:30 p.m. in the vocational agriculture building.

During the dates the short course is in progress, Mr. Holtzapple will be available to assist cattlemen with individual problems and to provide on-the-farm instruction, according to Max Malone and Jon Scott.

Cattlemen interested in attending the short course should write or call Ray Schultz. An entry fee of $2.00 will be charged.

Beef production short course certificates will be presented to each cattleman who attends all the training sessions.

CROP Collects Almost $200

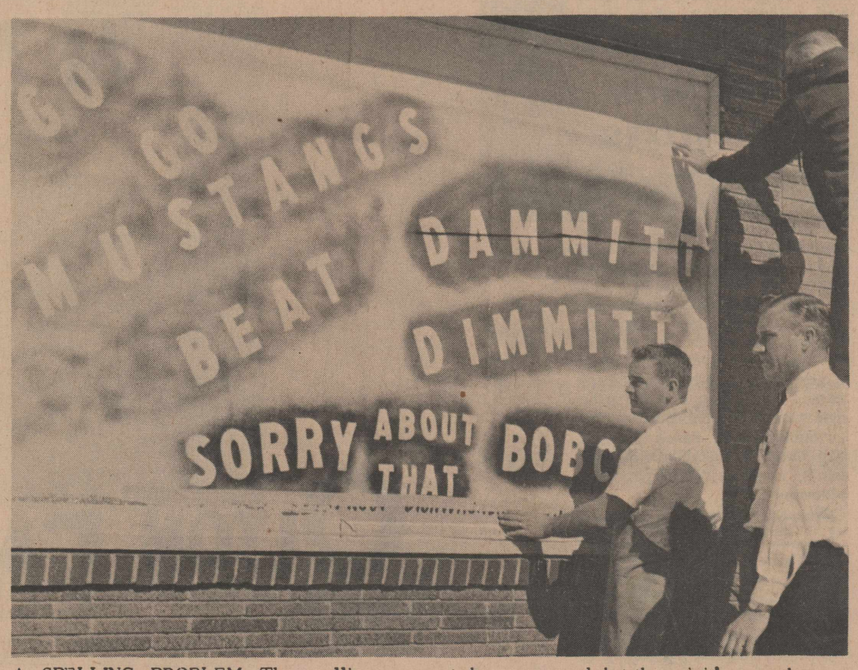

The Rev. Tommy Nelson of Olton First Methodist Church said CROP trick-or-treaters collected $192.50 during a drive Monday night.

Nelson, who organized the project, said approximately 75 Olton youths participated in the inter-denominational drive.

CROP, the Christian Rural Overseas Program, is sponsored by the Church World Service organization, and money from the project goes to feed and clothe needy persons throughout the world.

Local churches participating in the fund drive included First Methodist Church, First Baptist Church, Cumberland Presbyterian and the Church of the Nazarene.

Nelson expressed appreciation to the young persons participating in the drive, and said, "I would also like to thank the people of the community for contributing so generously."

A SPELLING PROBLEM--The spelling may not be very good, but the spirit's sure there as Leroy Powers, James Brown and L. H. McAdams put this sign on the bulletin board outside Piggly Wiggly in Olton. The Mustangs travel to Dimmitt to take on the Bobcats Friday night.

Important Election Looms

Tuesday's general election looms as one of the most important voting days ever to occur in a so-called "off-year" when the presidential race is not on the ballot.

Political observers, viewing the light turn-out in the Spring primaries, are justifiably alarmed about the prospects of a small vote.

Their concern is mirrored by statistics. Since 1936, the average turn-out in a non-presidential election has been a dismal 33.4 per cent of the eligible voters.

This should not be the case this year.

Next Tuesday, the fate of 16 Congressional Amendments will be determined by you.

Next Tuesday, a spirited U. S. Senate race will end--a race in which your vote must last six years.

Next Tuesday, all of our State Senators will be selected - due to re-districting.

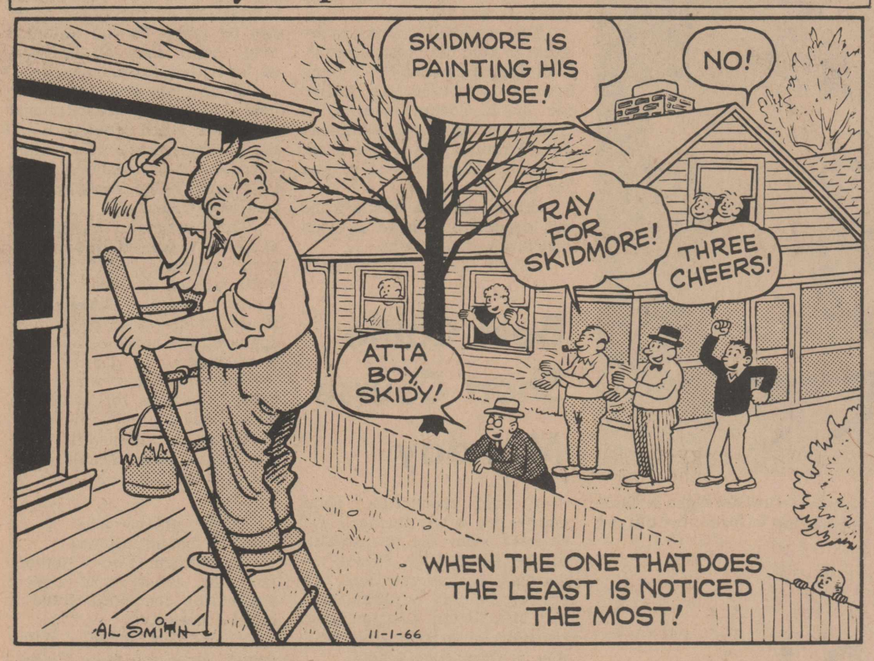

And next Tuesday, voters will determine their county's strength at the 1968 State political conventions. This fact too often is overlooked. As the election law now stands, our county will have one vote at the state political convention for every 300 votes cast in the governor's race. A heavy turn-out of voters Tuesday will give us a stronger voice two years from now.

Your vote is yours alone; no one else can cast it for you. If you don't use it, it is lost. Your voice in the future conduct of our state and nation is muffled.

Take time Tuesday to vote.

And, if you are going to be out of the county Tuesday, remember that Friday, Nov. 4, is the last day you can cast your absentee vote.

Ask Amy

BY AMY ADAMS

MARRIAGE IS NO ESCAPE

Dear Amy:

I'm eighteen years old and have been married for two years. I have a daughter 8 months old. I live in a nice house and have all the things a young married woman would want.

But I don't love my husband and I don't think I ever did. I married him because I had to get away from my family (I ran away from home once and I didn't want to do it again) and since my family liked my husband, I saw marriage to him as an escape from them.

My husband is a good provider. I don't want to live with him, but I think my daughter is more important than myself. When I was a child, my parents split up and I had to live with one, then the other, so I know what my daughter would have to face. I know I would have no trouble getting a divorce. My husband doesn't beat me but he is very inconsiderate and he tried to shoot me once. I'm afraid to get a divorce because I would have no place to go and I don't want to deprive my daughter of the things I didn't have.

Should I stick it out?

Nervous

Dear Nervous:

Your marriage is more than slightly sick. Any girl who uses marriage as an escape can expect to be disappointed. It's no use crying over spilt milk. Get the help of a marriage counselor and take your husband with you . . . without the six-shooter. He could use some advice, too.

* * *

Dear Amy:

I am 14 years old. I have a girlfriend who is about 13. We are going steady . . . so she says. All we do is talk on the phone every night. We never do anything, just talk. Should I let this girl go and start going out with other girls?

Freddie

Dear Freddie:

Your girl sounds like a live wire! Don't sever the connection. You never know when the number might come in handy!

* * *

Dear Amy:

I would appreciate your advice on the following matter. I am 15 and Catholic; my girlfriend is 15 and Jewish. This is where the problem arises. Her mother objects to me taking her out. We are both sensible teenagers and appreciate each other's company. It's not that we are going to get married, so I can't understand her mother's attitude towards me.

Dan

Dear Dan:

Dating outside one's religion, in itself, is not serious . . . however, dating outside one's religion could lead to marriage outside one's religion. And that's where the problem comes in. Many families frown upon inter-marriages, especially those with strong religious affiliations, simply because of the differences of "heritage".

I'm sure that the girl's parents hold nothing against you personally. They want their daughter eventually to marry a boy of their own religion so that her marriage would have a better chance for success and happiness. And dating boys out of her religion would not lead to this end.

* * *

Dear Amy:

I am only 11 years old so I hope you understand my writing. Last week when I was in bed, my mother and father had a fight. They thought I was asleep but I heard every word.

They are having money trouble. My father told my mother to put me up for adoption so there would be one less mouth to feed. My mother got mad when he said that and they had a real battle.

I asked my teacher what adoption was and she told me. I feel awful bad because my father doesn't want me. There are five other children in our family.

He didn't really mean it, did he, Amy?

Jackie

Dear Jackie:

No, son. Your father was upset. When parents are troubled, they say things they don't mean. Help him to help himself by giving him all your love and affection.

* * *

PERSONAL TO "Boy Problems":

No one should ever be "forced" to see a boy, let alone every night. You think YOU have problems! Your mother is worse off!!

MRS. BENNY T. DICKSON JR.

Recipe Of The Week

Mrs. Benny T. Dickson Jr., a native of Maine, brings us the recipes this week.

The Dicksons are parents of three children, Debra, 6, and John and Jack, 3-year-old twins, (who inspired one of the recipes submitted this week.)

Dickson has farmed here in the Olton area about seven years.

Hobbies Mrs. Dickson enjoys include sewing, cooking and swimming. The family enjoys sight-seeing trips.

NEW ENGLAND CLAM CHOWDER

Finely chop one small onion. Quarter and slice three large potatoes. Cover with water and cook until tender. Add one 7 1/2 ounce can of minced clams. Bring to a boil, then lower heat and add one cup of milk and 1 tbsp. butter. Salt and pepper to taste. Serves four.

CHOCOLATE COCONUT BARS

Preheat oven to 375

Melt 3 tbsp. margarine in 9x13 cake pan.

Add 1 1/2 cups graham cracker crumbs. Work in margarine with a fork and press evenly over bottom of pan.

Sprinkle next three ingredients evenly in order given.
1-12 oz. pkg. chocolate chips
1 cup pecans
1 can southern style coconut

Next pour 1 can Eagle Brand milk evenly over top. Bake for 20 min. at 375.

ORANGE SLICE CAKE

Preheat oven to 350

1 cup sugar
1/2 cup butter or margarine
2 eggs
2 cups flour
5/6 cup buttermilk
1/2 tsp. soda
1/2 tsp. vanilla
4 oz. chopped dates
1/2 cup chopped nuts
1/2 lb. candy orange slices, cut up

Cream sugar and butter, add egg and beat until smooth. Add soda to buttermilk and add milk and flour alternately to first mixture. Add other ingredients in order given.

Bake in lightly greased angel food pan at 350 until cake rises. Lower heat to 275 and bake until tooth pick comes out clean. (About 2 hours.)

GLAZE ICING

5/6 cup orange juice
(2 tsp. orange rind if available)
1 cup sugar

Boil for a few minutes until sugar melts. Pour over cake in pan while hot. Leave in pan and place in refrigerator overnight. Loosen sides and center with knife and turn out onto cake plate. Keep covered with foil or saran wrap and this cake will remain moist and fresh for days. (Any kind of orange juice, frozen, canned or premixed Tang may be used in glaze.

CAKE RECIPE FOR ALL MOTHERS OF SMALL CHILDREN

Light oven, get out bowl, spoons, and ingredients. Grease pan, crack nuts. Remove 18 blocks and 7 toy autos from kitchen table.

Measure 2 cups flour; remove John's hands from flour; wash flour off him. Measure one more cup of flour to replace flour on floor.

Put flour, baking powder and salt in sifter. Get dustpan and brush up peices of bowl which Jack knocked on floor. Get another bowl. Answer door.

Return to kitchen. Remove John's hands from bowl. Wash John. Get out egg. Answer phone. Return. Clean up broken egg. Take out greased pan. Remove 1/2 inch salt from pan. Look for Jack. Get another Pan and grease it. Answer phone.

Return to kitchen and look for John and Jack. Remove their hands from pan and find 1/2 inch layer of nutshells in it. Head for John and Jack who flee knocking bowl off table.

Wash kitchen floor. Wash table. Wash walls. Wash dishes. Call the baker. Lie down.

'67 CHEVROLET

Impala Super Sport Coupe—a clean new sweep in roof lines.

Now that you've seen all the daring new things our stylists did, get in and sample some of the safest, soundest ideas on the road!

What you feel is as new as what you see—thanks to all the fresh thinking that's gone into the way it rides, steers, stops and looks after your safety.

It's got a remarkable new road feel—beginning with a ride so hushed and gentle you'll feel like calling this the '67 Shhhevrolet. The steering is as much as 10% easier. And you'll find the stopping smoother, too.

We put safety features on top of safety features. For example, an energy-absorbing steering wheel atop the new GM-developed energy-absorbing steering column. A dual master cylinder brake system with warning light. And seat belts front and rear with pushbutton buckles. All standard, to be sure.

And there's a new SS 427 performance package—complete with 385-hp Turbo-Jet V8 and flat-cornering suspension. You can order it for either the Impala Super Sport Coupe or Convertible.

Of course, there are all sorts of new custom features you can add, too, such as tape or FM stereo. But if you find so much that's new a bit too much to remember—drop down to your dealer's and take a drive. It'll all become unforgettable.

BY SANDEE GREGORY AND JANE ANN DUNCAN

The annual Halloween Carnival was quite a success considering the amount of money that was made by the various booths-especially the Senior class style and talent show!

There were the usual cake and pie walks, a wax museum, a spook house, concession stand, a variety booth, a fortune teller, fishing and ball throwing booth at the carnival.

Our foreign exchange student, Emma Porio, has written about their Halloween celebration in the Phillipines for us.

Halloween in the Philippines

Halloween celebration in my country may sound weird and odd to a foreigner but to a native it is just a part of the many superstitious traditions.

This occasion is not celebrated corresponding to the time of U. S. celebration. Halloween is celebrated on the night of "All Souls Day" in the Philippines on November 2 every year after "All Saints Day." "All Saints Day" and "All Souls Day" is just like the Memorial Day here, when you bring flowers to the cemetery for the tombs of your dead relatives and friends.

On the night of November 2 is "All Souls Day". Festive foods, usually the favorites of the dead ancestors, are placed on the altar or sanctuary of the home. Religious candles are lighted to illumine the altar. When everything is ready, the head of the house leads the prayer. The climax of the ceremony is when he or she starts calling the names of the dead relatives and ancestors and invite them to eat the sumptous foods prepared for them on the altar. While the souls are said to be eating, the host always addresses them as if they are living, telling them to eat what they want and feel at home.

This ritual is called "kalag-kalag" in the Cebuano dialect or "nangangaluluwa" in Tagalog. It is usually observed by the old people in the country and highlands.

Stacy Pendergrass and Kenneth Johnson have been named outstanding Mustangs of the Week in the game against Lockney. For the third time Kenneth Johnson has been the best offensive player in a game and Stacy Pendergrass was outstanding in his efforts against the Longhorns Friday night.

Congratulations to the Harris-MacArthur Hawaiian twins for winning the biggest hand at the hilarious Senior show !!!

Certainly, we all realize the importance of time and how that single four-letter word rules our lives and colors our very existence. But have you thought how often we use or hear the word in our everyday conversation and passing comments?

We arise in the morning to "It's TIME to get up!" A little later we're likely to ask, "What TIME is it?"- - -Then our mother's call, "It's breakfast TIME!"

For the next hour before TIME to leave for school, we punctuate our activity with the TIME -worn question, "What TIME is it?" to any family member available as we rush around combing our hair, gathering up books and homework, straightening our rooms. Over and over throughout the day, there's "I haven't TIME to do that . . . . It's TIME for class . . . Do you have TIME to help me? . . . . How much TIME will it take?. . We're running out of TIME. . .. If I have the TIME, I will. . ."

Oh well, we haven't the TIME to continue the subject and you don't have the TIME to read it, so . . . . .

If your doorbell hasn't rung yet and you haven't been asked to subscribe or renew a magazine order, well, you are really unlucky. The juniors are selling magazine subscriptions again this year and they have really been ringing doorbells like mad for about the past two weeks. If a junior has not contacted you and you would like to subscribe to a particular magazine, get in touch with Jane Ann Duncan or Steve Spain and they will give you any information needed.

Well, who wants to be called a head hunter or a stallion? You ask anyone on the football team and they'll tell you-- the MUSTANGS!! And they are for this week: stallion, Kenneth Johnson; head hunters, Stacy Pendergrass and Doel Cordero. Let's see if we can add some to that list next week, Mustangs!

BEAT DIMMITT

For his leadership in our pep-rallys and his support that he has shown for our Mustangs, Maurice Green was voted to receive the OHS Spirit Stick last week. So far, Maurice has been the only boy to get the stick and we think he really deserves it!

The FTA District Convention is this Saturday so if you are a FTA member go if you can. Those who haven't been before should make a real effort to go, because you will really miss something if you don't!

ALL FOR FUN

When Plato said, "There is a time and place for everything," he really meant, "Son, if you don't stop flirting with that girl, I'll disown you!"

Glenn Loveless: What is the date, sir?

Mr. Walden: Never mind the date. The examination is more important.

Glenn: Well, sir, I want to have something right on my paper.!

Do you know what a "hair-watcher" is?

Worth passing on: Have you noticed that the person with a chip on his shoulder has a lot more hard wood in his head?

Mrs. Holladay to Mrs. Campbell, "This theme is pointless. The only thing to remember of it is the identity of the student who wrote it!

Said Karen Lewis to Brenda Ellis, "My mother has been talking for two straight days."

"What is she talking about?"

"She didn't say!"

LAX PARENTS

Worse retribution
Couldn't be thought up,
Than making them live with
Children they've brought up.

VISIT IN WICHITA FALLS

Mrs. H. A. Hysinger visited in Wichita Falls this past week with Mrs. Grady Green and in Holiday with her daughter, Mrs. Helen Lee.

SHORT SNORTS

State Building Commission announced plans to expand the State Capitol area eastward several blocks to Waller Creek. Property will be beautified and used for recreation purposes until needed for building.

OSU, Raiders Evenly Matched

Think Oklahoma State and Texas Tech haven't been well-matched over the years?

Take, for example, the last six games played in Lubbock, site of the Nov. 5 night clash. There's not one point difference between the two schools after totaling up the points tallied in those six contests.

Texas Tech won last year by three points, 17-14, and Oklahome State took a three-pointer, 9-6, in 1942. In between have been a pair of 14-7 decisions, in OSU's favor in 1944, and in Tech's in 1946. Also, there have been two 13-13 ties here, in 1954 and 1956.

Over the years, in the series beginning with Tech's 14-0 victory here in 1935, the margin is 8-5-3 in Tech's favor. Most of the games have been close, although Bob Fenimore and Company trampled the Raiders 46-6 in 1945. Tech's biggest margin came in 1955, with a 24-6 victory.

VISIT ELLISES

Mr. and Mrs. Paul Ellis of Amarillo spent Saturday in the home of his parents, Mr. and Mrs. R. V. Ellis.

ATTEND INAUGURATION

Mr. and Mrs. Basil Sherman attended the inauguration of the new Tech president, Grover Murray. They attended the reception and tea, also as official guests.

VISIT ELLISES

Mrs. Arnold Reed and Susan of Sudan spent Sunday afternoon with Mr. and Mrs. R. V. Ellis.

Halfway 4-H Holds Meeting

The Halfway Community 4-H Club met Oct. 28 at the community center with Linda McEachern, vice-president, presiding. J. Carroll Criswell led the group in the pledge to the American flag. Leta Kay Goree led the 4-H pledge and motto. Diane Palmer was song leader for the opening exercise.

Welcome was extended visitors Mrs. Doylene Meadors and Miss Marcheta Wood, Extension agents; Mrs. J. W. Holloway, Henry Hooper, and Steve Hooper.

New members were Sheila Jacobs, Diane Parker, Betty Ann Hart, and Rhonda Pinkerton.

Reports on the county council meeting and State Fair honor awards banquet held in Dallas was given by Alice Baumgardner. An exhibit was set up in the First National Bank of Plainview to observe National 4-H week.

Linda McEachern of sr. high and Rebecca Baumgardner of jr. high made talks over the speaker system at school about 4-H work to encourage membership.

Leta Kay Criswell represented the Halfway Club as princess at the cotton carnival in Plainview.

Sue Church was named chairman of the nominating committee for 1967 officers. Others on the committee are Don Paul Bell, Linda McEachern, and Rebecca Baumgardner.

Program for the evening was given by Mrs. Nona McPherson on "Art Appreciation" showing different technique and media used. She exhibited some of her own paintings.

Recreation was led by Diane Palmer followed by refreshments served by the W. T. McEacherns and Emmett Palmers.

CARD OF THANKS

To the many friends who so kindly expressed their sympathy which helped us bear our great bereavement of the departure of our dear dad, we wish to express our most sincere thanks. Also for the many prayers, flowers, memorials and other acts of kindness. Words are inadequate, but may the Lord's blessing rest on each and every one of you.

Mrs. Juanita Thomas and family.
Mr. and Mrs. Dean Miller and family.
Mr. and Mrs. Jerry Dennis and family.

First Screwworm Case Reported

The first screwworm case in Lamb County for 1966 has been confirmed, Agricultural Agent Buddy Logsdon reported today.

Fall screwworm outbreaks continued for the sixth consecutive week when 38 Texas counties had 123 confirmed cases. This brings the past six weeks total to 679, the largest number of cases reported since 1963.

Livestock producers in the county are urged to continue their animal inspection activities and to collect and mail specimen worm samples to the Screwworm Eradication Laboratory at Mission, Texas. Collect specimens from all wounds found on livestock and wildlife.

Vials for sending in the specimens may be obtained from the County Agent's office.

When specimens have been confirmed as screwworms, the area or ranch will be treated or "hot-spotted" with sterile flies as soon as possible. Area will not be "hot spotted" until the specimens have been confirmed.

Counties along the Rio Grande River are receiving routine aerial sterile fly drops and "hot-spotting" is being carried out to the full capabilities of eradication program personnel.

COUSINS REUNITE

Mrs. H. A. Hysinger met four cousins at Vernon last week for a few days of fishing and visiting. The group met at Lake Kemp at the cabin of Mr. and Mrs. Chaney of Vernon. Others attending were Mr. and Mrs. Ren Hensen, Los Fresno; Mr. and Mrs. Bill Emil, Amarillo; Mr. and Mrs. W. T. Ross, Flomot; and Ruby Reinhardt, Crowell.

CARD OF THANKS

We wish to thank friends, doctors and nurses for each act of kindness shown while Mr. Graham was in the hospital.

KITCHEN KORNER
By Lela Gallion

It's November already, doesn't the year roll around fast. We will be thinking of pretty and good salads to serve with the holiday season just ahead. Here are two very pretty ones.

PINEAPPLE IN EMERALD WREATH

2 packages lime-flavored gelatin
2 cups hot water
Dash salt
3 No. 1 flat cans pineapple slices
3 tablespoons lemon juice
1 1/2 cups green seedless grapes

Dissolve gelatin in hot water; add salt. Drain pineapple, reserving syrup. Add lemon juice to pineapple syrup, then add enough cold water to make 2 cups. Add syrup mixture to gelatin and chill till partially set. Arrange pineapple slices on edge, two together at 6 intervals around 6 1/2 cup ring mold. Place grapes between pineapple dividers. Pour gelatin over fruit. Chill till firm.

If the pineapple slices extend above gelatin, trim befor unmolding.

ROSY FRUIT MOLDS WITH CHEESE

1 No. 2 can sliced pineapple
1 1-pound can(2cups) fruit cocktail
1 package raspberry-flavored gelatin
3 tablespoons lemon juice, fresh, frozen or canned
1/4 teaspoon almond extract
* * * *
1 3-ounce package cream cheese
8 walnut halves

Drain pineapple and fruit cocktail; reserve syrups. Add enough water to mixed syrups to make 2 cups. Heat 1 cup of liquid to boiling; pour over gelatin and stir till dissolved. Add remaining liquid, lemon juice, and almond extract; chill till partially set.

Cut cream cheese in 8 squares. Form each square into ball, around a walnut half. Place cheese balls in bottom of individual molds. Stir fruit cocktail into gelatin mixture. Pour over cheese balls. Chill till firm. Unmold on pineapple slices. Makes 8 servings.

And it is just the season for a good hot Pizza.

PIZZA

Dough:
1 cake yeast
1 c. hot water
1 1/2 tsp. salt
1/4 c. lukewarm water
2 Tbsp. butter
3 1/2 c. unsifted flour

Topping:
1/2 lb. ground beef
1 clove garlic
2 Tbsp. Worcestershire sauce
dash pepper
1/2 lb. pork sausage
2 6-oz. cans tomato paste
1/2 lb. Cheddar cheese
1/2 tsp. salt
Parmesan cheese

These days of rising prices make us so much more conscious of the price we pay for our food and I have overheard it said that at times a checker will not give you the specials when they are on. Having been a checker for 18 years, I would like to say that many times I have made mistakes. When you get your paper this week, look at a one or two page ad and read all the specials on this ad for no more than one hour and then get some one to ask you the prices and see how many you remember correctly as that is approximately how long a checker gets to see the speicals before starting to check you out.

After checking 30 or so items at the regular price for weeks on end, it is very hard to not make a mistake and, also, remember it does not make the checker a penny more to charge the before-special price. I have never worked for a store manager who has ever asked me to not give specials or over charge.

So please have patience and "kindly" draw the checkers' attention to the mistake immediately and they will appreciate it so much.

HAM AND LIMA CASSEROLE

1-15 oz. can of limas
1/2 c. bread crumbs
3/4 t. mustard
1/2 t. black pepper
1/2 t. horseradish(optional)
1 t. salt
1 can of cream of mushroom soup
3 t. melted butter
1 cup leftover han ground or chopped fine

Combine all ingredients except ham. Butter a baking dish, put ham in the bottom and cover with the lima mixture, dot with butter and bake 20 minutes at 350 degrees.

By Mrs. C. D. Tanner

Jerry LaFrance was honored with a birthday dinner Sunday, Oct. 30, by his parents, Mr. and Mrs. Earnest LaFrance. Guests attending the dinner were Mr. and Mrs. Bill Pierson, Deborah, Sammy, and Cynthia of Petersburg; Mr. and Mrs. Dewey Hukill, Kregg and Kelli of Lubbock; Mr. and Mrs. John King, Chuck Mann, and Darlene Seago of Plainview; Barbara Latasiewicz, and Jack LaFrance.

Jack LaFrance was a patient in the Plainview Hospital Tuesday and Wednesday with the flu.

Sherrill Alexander of Lubbock visited his parents, Mr. and Mrs. L. M. Alexander, the past weekend.

Mr. and Mrs. Derwood Copeland visited her niece in a Dallas hospital last week. The child was a victim of bad burns.

Guests in the Tom Bostick home Sunday were S. H. Holley of Halfway and his sister Miss Myrtle Holley. Monday night guests were Mr. and Mrs. T. B. Cox of Hart.

Wednesday and Thursday guests of Mr. and Mrs. Dwight Lewis were his sisters, Mrs. L. H. Moore and Mrs. Pearl Mayes from Temple.

Mr. and Mrs. Charlie T. Burrus of Lubbock visited her parents, Mr. and Mrs. Tom Witten, Monday night and Tuesday.

Miss Billie Ann Beasley is visiting friends in Lubbock.

Mr. and Mrs. J. S. Bell visited their sons and wives, Mr. and Mrs. Sammy Bell and Mr. and Mrs. Rodney Bell, in Lubbock Sunday. Sammy and Rodney are students at Texas Tech.

Approximately 20 young people from the Halfway Baptist and Methodist Churches were entertained with a Halloween party at the Halfway community center Saturday night.

Mr. and Mrs. Hubert Kayler, Mr. and Mrs. Wayne Sistrunk, Mr. and Mrs. Arthur Morris, and Mr. and Mrs. Freddie Bell directed the games and chaperoned the group.

Mr. and Mrs. Bill Conners of Dallas were weekend guests of their daughter and her family, Mr. and Mrs. Hubert Kayler and Paul Douglas.

Visitors in the Benny T. Dickson, Jr. home Sunday were Mr. and Mrs. R. O. Dickson of Earth.

Mr. and Mrs. Sam Roden Jr. and Vonda of Plainview were recent visitors of her parents, Mr. and Mrs. Ershel Johnson. Mrs. Roden also visited with Mrs. Judy Shives and Dawn of Dallas who was visiting her parents, Mr. and Mrs. Roland Green.

A girl scout troop from Plainview visited the R. H. Allen, Jr. home Tuesday. They are collecting information on "How the Plains Developed". They are using the Allen home as one of the landmarks.

The Westside Community Club met with Mrs. Gladys Copeland, hostess, Oct. 27.

Games were enjoyed by Mmes. Evangelynn Coleman, Frances Leathers, Vina Burgess, Nellie Ruth Roberts, Erma Lee Cox, Fannie Clark, Murdell Shipley, Norma Jo Griffith, Tommie Clark, Lucille Copeland, and Gladys Copeland. Children present were Barbara Leathers and Terry Griffith.

The group planned a family Thanksgiving supper for Nov. 22 at the O. R. C.

Next meeting will be held in the home of Mrs. Evangelynn Coleman.

John Hugh and Elaine Pinkerton of Texas Tech visited their parents, Mr. and Mrs. H. O. Pinkerton, for the weekend.

Sunday Mr. and Mrs. C. D. Tanner and Russell were guests of Tanner's sisters, Mr. and Mrs. Clayton Bond and Mr. and Mrs. James Monk, in Flomot.

Mrs. Eddie Pruitt is in the hospital at Hale Center as the result of an automobile accident. Her car was hit in the rear as she was turning on to Farm Road 2284. Her two boys were with her but were uninjured.

Sunday Mr. and Mrs. Billy Griffith, Teresa, Billy Wayne and Terry attended the races at Lubbock.

Mr. and Mrs. Derwood Copeland were in Oklahoma City Tuesday and Wednesday returning home by way of Weatherford, Okla. where his mother, Mrs. Cassie Copeland, had been visiting. She returned home with them.

JH Teams Win Pair

Olton Junior High teams downed a pair of Littlefield Junior High teams in action here Tuesday.

The seventh graders ran passed the Littlefield group by 26-8, while the eighth graders sneaked by in their contest, 12-6.

Leon Daniels and Danny Harris both picked up a pair of touchdowns for Olton in the seventh grade encounter, and Alonzo Springer added the extras on a run.

In the eighth grade game, Carlos Talamantez scored the first touchdown to make the score 6-0 in the first quarter, but Littlefield came back on the following kickoff for a touchdown runback to tie the game.

Gary Durham finally broke the tie with a two-yard run to give the Ponies the contest.

Louis Jiminez was a standout for Olton in the seventh grade tilt, while Emily Marquez, Greg Smith and Lynn Gullett were all defensive bulwarks for the eighth graders.

A team for a better Texas for you!

Governor John Connally and Attorney General Waggoner Carr have worked together for 4 years to give Texas and YOU a better state and better opportunities.

As a United States Senator in Washington, Waggoner Carr will co-operate with Governor Connally to work for better education, more jobs, benefits for our elderly, and better prices for our farmers, ranchers and dairymen. He will do what is right for Texas!

FOOTBALL CONTEST

The teams that are playing in this week's contest games are listed in each of the ads on this page. Each team is numbered, 1 through 28.

Use the handy entry form at the lower right hand corner of the page and circle the numbers of the teams you predict to win. Print the scores you predict in the tiebreaker game in the spaces provided.

Each week's entry must be turned in to one of the merchants sponsoring the contest. Contestants are given a week to prepare and turn in their entries.

Sponsoring merchants may accept mailed entries but none mailed directly to the Enterprise will be accepted. All late entries will be discarded.

In case of ties,a coin will be flipped to determine the winners.

Each week the number of games predicted correctly will count toward each contestant's season total. The person picking the most games correctly for the entire season will receive the grand prize. The person with the second highest total will receive the second grand prize. In the event of a tie on the season total, a coin will be flipped to determine the winner.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted scores will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

Two Teams Fall

Olton's B-team game with the Plainview B-squad was cancelled last Thursday.

The junior varsity then combined with the freshman squad to take on the Plainview Red Pups, and were defeated, 6-0.

Next action for both teams is slated today when Abernathy sends a pair of teams to Olton.

The freshman game will get underway at 5:30 p. m., followed by the junior varsity game at 7:30 p. m.

Mathis Still Leads Picks

Jerry Mathis of Farwell kept up his Enterprise football contest lead, but a pair of challengers each knocked off a game from his top total.

Mathis had 10 correct picks to move his season total to 86, while Charles Didway of Post remained in second with 11 correct choices for an 84 total.

Steve Lee moved up from fourth with 12 correct guesses to tie with Didway at 84.

Carl McClure dropped from second to fourth in the contest with an 83 total, while Howard Hall and Waldo Baxter are both tied with an even 80.

Five Fight For Crown

After the dust settled Friday night , five teams in District 3-AA were still in contention for the loop crown.

Memphis continued to run one game ahead of the pack by dropping Floydada, 13-12.

Floydada had been tied with Memphis for the lead before the contest. Meanwhile, another team tied for first with Memphis last week for the top spot, Abernathy, dropped their second loop contest to Dimmitt, 18-0.

The win by Dimmitt, coupled with Olton's win over Lockney, left four teams bunched in the second place spot.

In the only other district contest, Hale Center edged by Friona, 10-7, to even both teams mark at 2-3.

In action this Friday, front-running Memphis takes on Hale Center, Friona tries Abernathy, Floydada meets Lockney, and Olton is matched against Dimmitt.

FIRST OLTON TOUCHDOWN--Steve Spain crosses the goalline as Bobby Turner gives his own signal for the touchdown. The play came late in the first quarter against Lockney and gave the Mustangs a 6-0 lead.

FINAL PUNT RETURN--Olton halfback Kenneth Johnson chugs for an 11-yard punt return in the Lockney game with less than two minutes to go in the game. At this point the Mustangs trailed, 7-6. Helping with a block for Johnson is Ricky Smith, who was injured this week and will miss the rest of the season.

Mustangs Sneak By Lockney To Stay In District Race

An exchange of fumbles and a two-yard dash by Bobby Turner kept Olton's Mustang football team in the thick of the 3-AA district race Friday night.

The fumble exchange came with less than two minutes to go in the tight defensive contest, and gave the Ponies a 14-7 win over a offense-begrudging Lockney Longhorn team.

Steve Spain started the scoring for Olton with a 2 1/2 yard dive in the first quarter, and the Mustangs took a 6-0 lead into the dressing room at the half. But it was a different squad of Longhorns that came out after the rest period.

A short kick by Longhorn Jim Kropp caught the Olton squad napping on the opening boot of the third period, and Lockney halfback Jerry Huley fell on the ball at the Olton 30.

From there, it took the Longhorns just nine plays to cover the distance to the goal line, with quarterback Bobby Webster covering the final yard on a plunge.

Big tackle Larry McCain added the extra point on a wobbley boot, and it was Olton's turn to play catch-up.

There the score stayed until there was only 1:04 left in the contest and Turner slammed through for the winning touchdown.

To add a little icing to the Olton scoring cake, halfback Kenneth Johnson ran for a pair of extras.

The Mustangs picked up their first touchdown late in the first quarter, the second time they had had the ball.

A fine tackle by end Jim Smith dropped Lockney quarterback Tommy Ball on his own 27 when Ball had dropped back to pass.

Johnson returned the following punt from the Olton 35 to the Lockney 48.

Dale DeBerry advanced the ball another nine yards, and Spain picked up another six for a first down on the Lockney 33.

Johnson immediately added another first down by taking the ball to the 22.

Spain added another three yards to the Mustang offense, and Johnson likewise added three more.

Then Turner took the ball to the Lockney eight-yard line for a first and goal.

Turner picked up another five, and Spain added the final three yards for the touchdown.

A pass by Charles McClain for the extras fell incomplete.

On Lockney's scoring drive, quarterback Webster advanced the ball from the Olton 30 to the 23, where halfback Ball took over and picked up a first down at the Olton 19.

A blitz by Turner dropped Webster at the 26 on the next down, and a pass attempt by Webster fell incomplete.

Then, with a third and 17 facing the Lockney squad, Webster rifled a completed pass to Jim Kropp at the 10-yard line and Kropp ran to the Olton one before being downed by safety Charles McClain.

Guard Doel Cordero and McClain stopped Jim Stansell for no gain on the next play, but Webster added the final yard on second down, and McCain added his extra point for the go-ahead margin.

District hopes began to grow dimmer and dimmer for Olton until only five minutes were left in the final stanza.

At that point Johnson pounced on a Lockney fumble and the Mustangs took over on the Lockney 17.

Johnny Lewis advanced the ball two yards and Spain added three more before a red-dogging Lockney line dropped DeBerry for a four-yard loss.

On the fourth down try from the 15, Bobby Turner took the snap to hold for what seemingly would be a field goal effort.

But Turner instead stood up and handed off to McClain who got to the 11-yard line before being downed short of the first.

An inspired Olton line wouldn't budge, however, and after three tries, Lockney found itself six yards further back than they had started.

A short punt went to the Lockney 35 and Johnson once again gave the Mustangs a good chance at the elusive goal stripe on the Lockney 24.

Olton quickly improved on its position when Charles McClain lofted a 21-yard pass to Joe Luera at the Lockney 3-yard line.

Hope turned to despair only a play later when a fumble gave Lockney the ball.

But the Longhorns returned the favor on the next play when Stacy Pendergrass jumped on a loose pighide at the Lockney two, and Turner went in for the game winning score.

Steve Spain was the offense leader for the Mustangs, picking up 63 yards in 16 carries, while DeBerry was only a short distance behind with 58 yards in 12 carries.

McClain completed two of four passing attempts for 25 yards, and Kenneth Moss picked up one interception for four yards.

Bobby Turner punted four times for a 31.5 yard average, but two kicks went into the end zone to knock 40 yards off his total for the night.

Standouts Named

Defensive end Stacy Pendergrass, and offensive halfback Kenneth Johnson were picked as Mustangs of the week after the Olton coaching staff reviewed films of the Olton win over Lockney.

Johnson picked up 22 yards on six carries and picked up a Lockney fumble to lead the Olton offensive effort.

Pendergrass was consistently a thorn in the Lockney offense's side, and set up the winning Olton touchdown by covering a Lockney fumble on the Lockney two-yard line with less than two minutes to go.

Doel Cordero was also singled out for his defensive efforts.

Johnson received a "Stallion" award for his offensive efforts, while Pendergrass and Cordero were given "Headhunter" trophies for their defensive work.

TEXAS IS ON THE MOVE!

In virtually every field of endeavor, our state has made dramatic progress the past four years under the strong leadership of Governor John Connally. His administration's bold, yet sensible programs have helped provide new opportunity and a better way of life for all our people.

IMPROVED EDUCATION — Since 1963, state investment in higher education has doubled, and faculty salaries have increased 40%. State support of local public schools have increased 44% in four years, including a $100 million teacher pay raise enacted in 1965. Technical and vocational training programs have been vastly increased; junior college enrollment doubled during the current bi-ennium. Special literacy programs for migrant workers and their children have been expanded. A college student loan fund of $85 million has been established. And a special Governor's Committee on Public Education currently is studying all facets of elementary and secondary education.

WATER RESOURCES DEVELOPMENT — Long range planning and development have been given top priority. $100 million in bonds have been issued for development of needed storage facilities; authorization has been granted to expand this program to $200 million for the next two years.

CONCERN FOR THE AGED AND NEEDY — Since 1963, assistance to our elderly has been increased 27%. The Governor's Committee on Aging is continually working for the benefit of our senior citizens.

OUTDOOR RECREATION — More than $2 million has been invested in improving ten of our most attractive state parks during the past two years to provide additional recreational facilities.

INDUSTRIAL EXPANSION — A record 855 new industrial plants have been established the past three years, moving Texas into second place in the nation in industrial expansion.
Last year, more than 23,000 new jobs were created in manufacturing alone — the best year ever for the Texas labor force.

INCREASED TOURISM — More than 12 million tourists visited Texas last year, adding more than $900 million to the state's economy, and creating 140,000 new jobs. The state's tourist advertising program has been sharply expanded.

MENTAL HEALTH AND MENTAL RETARDATION — New emphasis on prevention of mental illness and mental retardation has been achieved through establishment of new community centers, replacing the former practice of "warehousing" patients. Investment for research into causes of mental disorders has doubled the past four years.

BETTER HIGHWAY TRANSPORTATION — Texas has more farm-to-market roads than any other state — more than 35,134 miles. We lead the nation in construction of interstate highways, at a cost 40% below the nation's average.

COMBAT AIR AND WATER POLLUTION — New legislation for public health, "The Clear Air Act of Texas," provides state action to combat air pollution. Similar vigorous action has been initiated to control pollution of Texas streams, bays and estuaries.

NEW CULTURAL GROWTH — The Fine Arts Commission was established in 1965 to nurture the cultural enrichment of Texans. The state's cultural heritage will be preserved and portrayed in the state's pavilion at HemisFair '68 in San Antonio.

BUSINESSLIKE ADMINISTRATION — With unprecedented teamwork, our state government has operated responsibly and efficiently. The Legislature has finished its work on time in each session. Following a pay-as-you-go policy, we have maintained a healthy surplus in the general revenue fund without curtailing essential services.

HEALTHY, GROWING ECONOMY — Business activity rose 11% last year, as Texas continues one of the brightest growth areas. Employment and income are at an all-time high, unemployment at an all-time low. Despite increased responsibilities, our state government costs only $168.78 a year per citizen, fourth lowest in the nation. No broad-based tax has been enacted the past four years. Texas still has no personal income or payroll tax, no corporate income tax, and is one of few remaining states with a limited sales tax of 2%.

LET'S KEEP THIS KIND OF PROGRESS AND PROSPERITY FOR TEXAS! HELP GIVE AN OVERWHELMING MANDATE FOR THE VISIONARY LEADERSHIP OF DEMOCRATIC GOVERNOR JOHN CONNALLY AT THE POLLS NOVEMBER 8TH!

RE-ELECT GOVERNOR JOHN CONNALLY FOR A GREATER TEXAS!

P-TA Slates Meet For Tonight

P-TA will meet tonight, in the school cafeteria for a program on "Extending Education Through Travel".

Guest speaker, Harold Dean Carson will show slides and tell of his recent tour of Europe.

The meeting will begin at 7:30 p. m. and all parents and teachers are invited to attend.

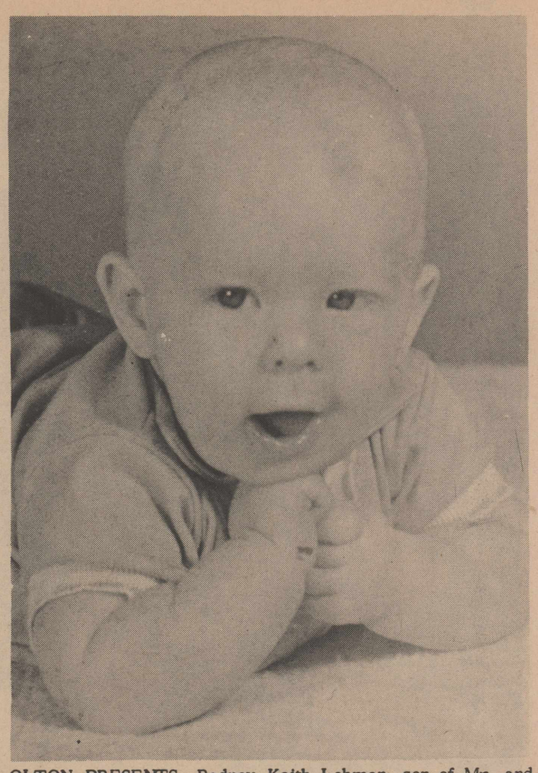

A film will be shown for the smaller children during the program.

Little Damage On Halloween

The ghosts and goblins prowled Monday night in Olton, but they didn't cause any damage to local property.

Police chief Emmett Burrows said " five or six" fire hydrants were turned on by older ghosts, but the Olton Volunteer Department turned them off shortly afterwards.

Burrows said two fires were set on Halloween, but both were bales of hay and neither did any damage. One was set in front of Consumers on Main Street, and another in front of the Dairy Mart.

OLTON PRESENTS--Rodney Keith Lehman, son of Mr. and Mrs. Ray Lehman. Maternal grandparents are Mr. and Mrs. Guy Martin of Olton and paternal grandparents are Mr. and Mrs. W. H. Lehman of Vernon. Great grandfather is G. H. Lehman of Vernon and maternal great grandmother is Mrs. L. H. Marshall of Bovina.

Rural Accidents Told In County

The Texas Highway Patrol investigated 15 accidents on rural highways in Lamb County during the month of September, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area.

These crashes resulted in no deaths, six persons injured, and an estimated property damage of $14,860.00.

The rural traffic accident summary for this county during the first nine months of 1966 shows a total of 85 accidents resulting in two persons killed, 47 persons injured, and an estimated property damage of $56,970.00.

From past experience, the month of October signals the increase of traffic accidents in Texas due to shorter days and longer nights. The increased hours of darkness will hide dangers otherwise visible during the daylight hours.

The Sergeant listed some factors why driving is more hazardous at nighttime than in daytime.

(1) Reduced road visibility prevents drivers from seeing hazards.

(2) It has been longer since most drivers have slept and the resulting fatigue increases perception reaction time.

(3) More drinking drivers will be met.

(4) It is easier for drivers to become confused in traffic and to panic.

These factors in varying degrees coupled with high speed cause accidents that would not occur in daytime.

ROAD REVENUE HIGH--Texas Highway Department has been informed that Texas is expected to reap $456,000,000 in State highway-user tax revenues this year.

This would make Texas third among the 50 states in road revenue. California is expected to take in $941,000,000 in 1966. New York's income will hit $497,000,000.

Road-user taxes include state fuel and vehicle registration taxes, but not toll fees or parking-meter money.

Basketball Clinic Set At Wayland

Eight outstanding girls basketball teams, including two Texas state championship teams, are featured at the Ninth Annual Hutcherson Flying Queens Basketball Clinic, Nov. 12.

One of the largest of its type in the country, the clinic, held at Plainview High School Gymnasium, is largely devoted to the teaching of fundamentals and basic basketball skills to high school teams, Queens coach Harley Redin said.

Beginning at 4 p. m. with a clash between Tulia and Spearman, the highlighted games include Floydada and Quitaque at 5:30, Friona and Springlake at 7 p. m. and concluding with Dimmitt and Roosevelt at 8:30.

Registration for the entire clinic begins at 8 a. m. Redin said. Over 1,000 girls are expected from the Texas, New Mexico and Oklahoma area.

The morning and early afternoon sessions will be devoted to the teaching of fundamentals by the nationally ranked Hutcherson Flying Queens of Wayland College and coach Redin. Lectures and demonstrations will be presented by outstanding high school coaches and their teams.

Redin said that tuition for each school attending the clinic is $10 for the entire team. Those students and coaches whose teams are registered for the clinic will be admitted to the four games free of additional charges. All others must purchase tickets at the game for $1. Tickets may be purchased at the registration desk throughout the day.

Reservations and information may be obtained from Harley Redin, athletic director, Wayland College, Plainview, Texas, 79072.

Memo To GRAIN GROWERS.....

TIDE'S Fall Plow-Down Program Will Make You Money !

Tide's Fall plow-down program is designed to make you money:

1. Fall plow-down spreads your work load . . . reduces time, labor and equipment requirements at planting time.
2. Fall plow-down insures against uncertain Spring weather . . . gives you two opportunities to apply a complete fertilizer program. (Fall and Spring)
3. Fall plow-down aids in decomposing stalks and builds up soil nutrients.

Basic suppliers say demand for Spring fertilizer will exceed the supply of raw materials and hopper cars. As soon as possible after harvest, shred your stalks and apply Tide's Prescription-Blend fertilizer and start your Fall plow-down program.

PRESCRIPTION MIX FERTILIZER
Tide takes soil samples from your land, free of charge to determine exactly what your soil needs. Then your fertilizer is mixed from high analysis raw materials to fit your exact requirements. Because it is made "on order", your fertilizer is fresh, dry, and free-flowing.

ECONOMICAL
With "prescription-mix", you buy only the nitrogen, phosphate, and potash your soil tests show you need. Storage is no problem, as Tide's TiltBox, holding 14,000 pounds, provides air-tight delivery and storage at the end of the row.

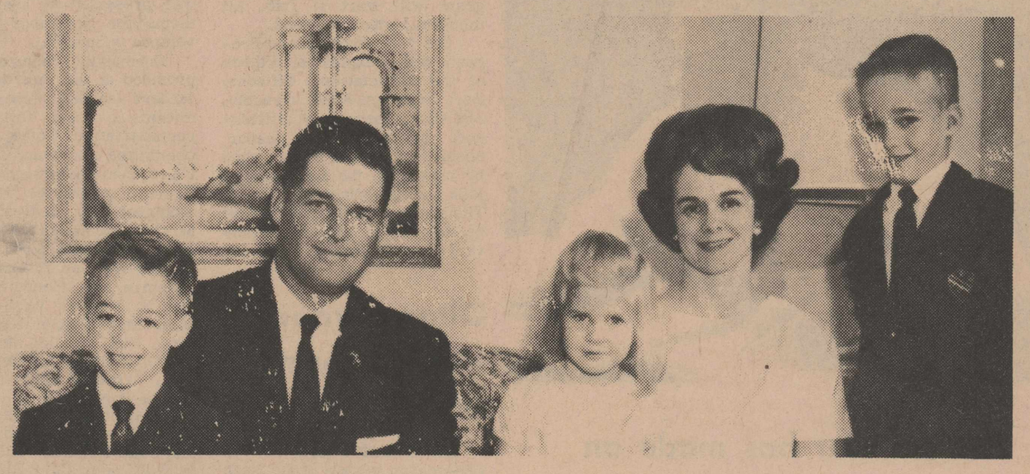

TIDE SERVICES
Tide grower services and products are planned to save time and labor . . . help take the guess-work out of farming. Agricultural Consultants, free soil tests, and Tide's custom designed, weather proof, delivery and storage equipment, cut your production costs.

TRY TIDE . . . . . you'll be glad you did.

PRICE IS RIGHT
FOR U.S. CONGRESS

BOB PRICE... *the family man*

Bob Price is a man whose interests are centered around his family. It's his desire to help create a better America for his children that led Bob Price into seeking the office of Representative to Congress. Bob and his wife Marty, along with their children, Janice, Carl and Grant, are a family we can be proud to send to Washington.

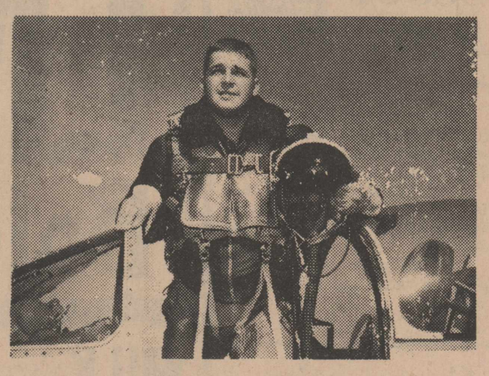

BOB PRICE...
wants to stop inflation

Food, clothing and house payments must be paid out of take home pay after taxes. Inflation makes this more and more difficult for every family in the Panhandle. As a man operating his own business, Bob Price knows the effect of inflation on earnings.

BOB PRICE
a man known for his vital interest in water

Bob Price's family started ranching in the Panhandle in 1907. Following in his father's footsteps as a businessman and rancher, Bob Price knows that we must use greater water conservation to raise food and to attract new industry to the Panhandle. City and County alike are concerned with this problem. Bob Price has the knowledge and experience to plan ahead for our future water needs.

BOB PRICE...
knows about war... he's been there

As a jet pilot, Bob Price experienced first hand the effects of war on the young men of today. This knowledge acts as a guideline to decision in regards to foreign policy. Experience is a valuable teacher.

BOB PRICE... *keeps in touch*

Over the past 2 years, Bob Price has talked to citizens of every county in this district. He has learned the problems facing us today and has the experience to work toward their solutions. Bob Price owes no debt to any single group and can give all of you representation in our nation's capital.

VOTE FOR BOB PRICE FOR U.S. HOUSE OF REPRESENTATIVES

*Yes, you can vote for BOB PRICE regardless of your choice of other candidates. A split vote ticket is a legal ballot and will be counted.
