Growers Donate Over $20,000 To Screwworm Fight

Crockett Ranchers Doing Their Part To Promote Project

Solicitation among Crockett county ranchers for funds in support of the project to eliminate the screwworm fly from the Southwest continued this week and an additional $5,000 had been contributed during the week to bring the total for this county to date to more than $20,000.

The local countywide drive, pushed by a committee headed by Wayne West as chairman and Joe Tom Davidson as vice chairman, is part of a campaign in which backers of the atomic age attack on the screwworm fly are seeking to raise $3,000,000 among livestock producers to be matched with state and federal funds to carry out the large scale distribution of blow flies which have been made sterile by irradiation as a means of finally exterminating the fly and saving livestock raisers of the Southwest millions in losses each year from screwworms.

Money being collected here is to be held in escrow in the Ozona National Bank until such time as sufficient backing is exhibted by other parts of the country to assure that the project will be carried out, at which time it will be turned over to the Animal Health Foundation, a statewide committee created to receive funds for promoting livestock health projects.

During the past week solicitors for the fund have reported additional contributions which raised the total, reported last week at more than $15,000 to a present total of more than $20,000.

Additional rancher contributors announced during the week included Bissett & Hemphill, W. R. Bissett, Joe B. Blakeney, Brooks Ranch Co., Hugh Childress, Jr., Early Baggett, L. A. Harris, Armond Hoover, Bud Hoover, Billy Hoover, B. B. Ingham, Jr. Demp Jones, Ralph Jones, Rob Miller, Marshall Montgomery, Mrs. Ashby McMullan, Austin Millspaugh, Virgil Powell, Bill Seahorn, J. D. Strauss, Frank Childress, Joe McMullan, Joe B. Mayer, Mrs. B. B. Ingham, Sr., Peery Holmsley, John Lee Henderson, Basil Dunlap, Mrs. Ray Dunlap, Bill Black, Charlie Black, Boyd Clayton and Clayton Ranch Co.

Latest tabulation of contributions showed a total of 103 ranchmen of this county contributing and the total at mid week stood at $21,873.20.

Ozona Women Flyers To Fly In Dallas Race

Mrs. Pat Barbee and Mrs. Mildred Goodson, Ozona women flyers, are entered in the Dallas Doll Derby, an efficiency airplane race, scheduled for October 28 and sponsored by the Dallas unit of the Women's National Aeronautical Association.

The race will be flown from Addison Airport, Dallas, to Okmulgee, Okla. and return. The Ozona entries are sponsored by Dick Henderson of Skyriders, Inc., of Ozona, and Roy Neal, West-Tex Aircraft, Lubbock, Texas.

Mrs. Barbee and Mrs. Goodson last Saturday were hostesses at a barbecue dinner served at the Midland Airport honoring members of the Midland Chapter of the "99'. One plane flew in from Big Spring and two were from Mid-Spring and two were rfom Midland. Attending were Velma Lee Copeland, Mr. and Mrs. Bob Currie, Barbara Speed and Art Blue, all from Midland, Benita Sligar from Goldsmith, Lilith Lurting and Ann Bynum from Big Spring and Esther Wright drove over from Big Lake.

Tom Green Judge Speaker At PTA Meet Mon. Night

Judge Edd Keyes Will Speak On Education Of Today's Youth

Judge Edd Keyes, of San Angelo, Tom Green county judge and former athletic coach of San Angelo Junior College, will be the guest speaker when the Ozona Parent-Teachers Association meets for its October session Monday night, Oct. 16, in the high school auditorium.

Judge Keyes will speak on the moral and spiritual education of today's youth. A cordial invitation is extended by the PTA leadership to everybody in Ozona to attend the meeting and to hear Judge Keyes. Especially urged to attend are the youth of Ozona, Mrs. S. E. Carnes, program vice president, emphasized in announcing the meeting details.

Judge Keyes received his education at Baylor University, After graduation he served as coach at San Angelo Junior College. Later he returned to Baylor for additional work. At the completion of this phase of study he came back to San Angelo and served as county attorney. In 1957 he was elected county judge and has served in this capacity since that date.

Judge Keyes is not only active in civic and community affairs. He is a member of the First Baptist Church where he serves as a deacon. For several years he has been a popular teacher in the Senior High Department of the Sunday School.

Fire Dept. Needs Money To Finance HCFA Convention Here Sat.

Ozona's efficient Volunteer Fire Department is going to play host to other firemen of the area at the semi-annual convention here Saturday of the Hill Country Firemen's Association — and the department needs money to finance its hosting.

There'll be some registration fees but these won't pay for the barbecue supper to be served the visitors and the dance to be staged Saturday night at the country club and the other incidental expenses

The Fire Department needs $500 to $700 to finance the convention and the people of Ozona whose property they protect day in and day out by taking training and being ready to answer fire calls will be anxious to see that they have the money it takes to play host. Nobody in the department has the time to go out and take up a collecion — let's just put what it takes in the bank. What's contributed more than needed for the convention can be left there to provide some entertainment for department down the line. Hand a contribution to any fireman, leave it at the bank or send it to the Stockman.

Ozona Dog Is Winner At Odessa Show; To Be Shown In San Antonio

Dan Cole, Ozona dog fancier, has another one of his prize Beagles on the way to a championship as a result of his showing in the West Texas Kennel Club show at Odessa last week.

Cole's South Springs Rocket was major winner in the 13-inch Beagle class at the Odessa show and came home with a string o fribbons and trophy. Mr. Cole has a champion dog in his kennel here and Rocket gives promise of adding another to his string.

The dog was a major winner in a recent large show at Kansas City and is entered in the San Antonio show set for October 22.

Need For Education Stressed By School Head In Talk To PTA

The South Elementary P. T. A. met at South Elemetnary Monday night with 58 members present for the regular monthly meeting.

Luis Martinez presided over the meeting in the absence of the Chapter President Mrs. Carmen Reina, and following the reading of the minutes and the room count, presented L. B. T. Sikes to the group as the evening's speaker.

Superintendent of Schools Sikes told the group that the need for education was never greater than it is today and that the aim being so vigerously pursued at South-Elementary, as well as others, was to equip the children so that they may obtain a high school education, and if practical go on to college and equip themselves for life.

Mr. Sikes pointed out that even though there is much talk of the need for engineers, chemists, and the like, there is none the less just as great a demand for people with good educations to do the many jobs which are provided by the American way of life, and that conversely there is less and less need for the uneducated in todays complex society.

Parents, not schools, must instill the desire to go to school and impress upon the youngsters the need for education today, Sikes said.

Following the meeting coffee and cookies were served to the group.

Sonora Broncos To Open District For Lions Friday

Unbeaten Sonora Team Heavily Favored In Contest Here

By Enrie Boyd

The Ozona Lions will be seeking to snap a three-game losing streak and start off district play with a victory Friday night when they meet the undefeated Sonora Broncos at Lion Stadium. Kickoff time will be at 7.30.

The largest crowd of the season is expected as the Lions, who have won 2 and lost 4, tangle with the heavily favored Sonora team which has won 6 and lost none.

The Ozona Radar Base Personnel will be honored during the game for its contribution to Ozona and Crockett County.

Since its establishment four miles east of town several years ago, the Air Force through its personnel has become an important part of Ozona in its schools, churches, and business activities.

Following last week's loss to Sanderson the Lions requested a workout Saturday and all week pep rallies, climaxed by a bonfire and rally slated tonight, have pitched the Lions toward seeking revenge for last year's 26 to 6 loss and getting the district season opened with a win.

The Lions, who have been hobbled by injuries since the meeting with Stanton here three weeks ago, hope to be in the best shape since that meeing when the game starts Friday night. Hal Long's knee and Pete Montgomery's back both seem to be getting along well.

The invading Broncos downed Rankin 21 to 20 last week, the same team which routed the Lions 32 to 16 here two weeks ago. Rankin is the only team the two have played, however, as Sonora has engaged in a somewhat lighter schedule than have the Lions.

The undefeated Broncos, who finished in a three way tie for last year's title with the Lions and with the Eldorado Eagles, will be led by star quarterback Primo Gonzales, who is described by Ozona scouts as being the best quarterback to play in this part of the country in several years.

The Broncos will have size, depth, and experience, on the Lions but it is expected that the Lions will be up for one of their better efforts of the season and the game could turn into a real battle without causing any raised eyebrows among those who have watched the two teams play down through the years.

If the Lions are to stay in the game, however, these must be a marked improvement in its pass defense. The Lions, who have been relatively sharp in that department in recent years have been very poor in pass protection this season. Sonora, with Gonzales at the controls will throw, and do so quite well. Unless the Lions do a better job of covering receivers than they have been doing recently the game could turn into a rout.

Nancy Friend For Miss Mohair Boomed By Lions Club Drive

Ozona Lions Club is launching this week a ticket selling campaign for donations to a fund to help Miss Nancy Friend of Ozona become Miss Mohair of 1962.

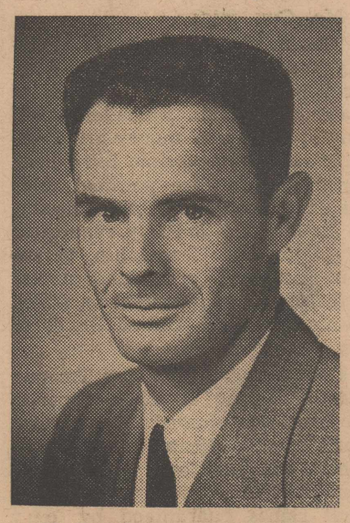

One of three nominees for the honor, Miss Friend is waging a campaign throughout the Angora goat producing region under sponsorship of the Ozona Lions Club. Interested ranchmen have donated a number of quality Angora goats which are being offered as raffle prizes in the contributions campaign. Winners of the contest will be announced at the Ozona-Sonora football game here Friday

Each $1 cash donation counts one vote for Miss Friend, the money to be used by the Angora Goat Raisers Association to outfit the queen and to finance her appearances during the year in which she will reign as Miss Mohair.

Sanderson Drubs Lions To Avenge Defeats Of Past

26-6 Victory Pleases Backers Of Fine '61 Eagle Club

By Ernie Boyd

A capacity crowd turned out last Friday night in Sanderson, sensing an opportunity for the Sanderson Eagles to at last win one over the Ozona Lions, and the crowd went home happy, as the Eagles walloped the Lions 26 to 6.

Larry Harrell, the area's leading scorer, was the big gun in the home teams' attack. He scored three of the team's four touchdowns, all of its extra points, and passed for the other score from the 10

The stellar Sanderson back did not run wild, however, as he carried the ball 27 times to accumulate 113 yards rushing and had it not been for some rather costly mistakes by the Lions the score would not have been so one-sided.

Ozona fans got all their cheering done in the first period when the Lions took the kickoff, and with Richard Vargas and Brent Moore along with quarterback Phil Carnes spearheading the offensive work, moved 55 yards to score from the one with Moore plunging over on fourth down.

After the first effort the Lions were not able to make any sustained move with the ball, and seemed doomed for a real plastering until the defense stiffened at the half, and limited the Sanderson team to one score, in the last two periods, set up by a 3 yard punt, plus a dubious 15 yard penalty.

Sanderson moved 52 yards with the Lions kick after the first score to go ahead 8 to 6 and from then on to the half the Lions were apparently incapable of defending themselves.

The first Sanderson drive with Harrell carrying on almost every play, moved to the Ozona 10 yard line in just four downs but then Penn Baggett broke through to spill Harrell for a loss, and the whole left side of the line swarmed on him as he picked up the two yards lost on the last play. One more effort at the line saw the Sanderson team fail to gain, and then with fourth down coming up Harell ran to his left, stopped and

Firemen Gather Here Saturday For Convention

Jack Cox, GOP Gubernatorial Prospect, To Address Session

Volunteer firemen from 17 area towns are expected to be here Saturday of this week, October 14, for the semi-annual convention of the Hill Country Firemen' Association which will get under way with registration starting at 8:30 a. m. at the fire station and continuing a day full of activities to end with a dance at the country club Saturday night.

The opening convention session will be at the high school auditorium, with Claude Montya, president of the host Ozona Fire Department, presiding for the opening. The invocation will be by Rev. Morris Bratton, chaplain of the Ozona department, and the address of welcome will be given by County Judge Houston Smith.

Response will be by HCFA President N. D. Waggoner of Winters, who will preside over the business session of the convention scheduled to get under way at 10 a. m.

Featuring the convention's morning session will be an address by Jack Cox, Breckenridge attorney who ran strong as a conservative Democrat for governor of Texas in the last Democratic primary and who recently announced he could no longer go along with the "too liberal" Democratic party and announced himself as available to work for the Republican party in Texas. Mr. Cox, who has a tremendous following among conservative thinking Texans in both the Democratic and Republican parties, is looked upon as likely candidate for governor on the Republican ticket, thus offering a refuge for Texas voters who are disgusted with the fiscal mess in Texas which necessitated a sales tax to get the state out of "deep debt" growing out of years of unbroken Demo rule.

Visiting ladies will be entertained at a luncheon at noon at El Sombrero cafe, while the men will have to shift for themselves for the noon meal but all will be guests of the Ozona Fire Department at a barbecue supper at 6 p. m. at the Junior High school. A dance at the country club starting at 8:30 will wind up the semi-annual session.

The afternoon convention session will begin at 1:30 p. m. with memorial services conducted by Sam Coffey of Junction, Association chaplain. Final reports of the resolutions committee and the racing committee will be heard at that time also. The convention will adjourn at 3 p. m. for the annual races.

Racing events, in which handsome trophies will be awarded to individual and team winners, include a 6-man pumper race, ladies pumper race, 3-man hose race, 1-man hose race, ladies nozzle race, water polo for men and women's teams, and a prize for the most man miles traveled to get

DOG POISONERS TAKE LONG CHANCES

A careless dog poisoner (and all dog poisoners are careless) could have had the life of a small Ozona child to his discredit last week had circumstances been a little altered.

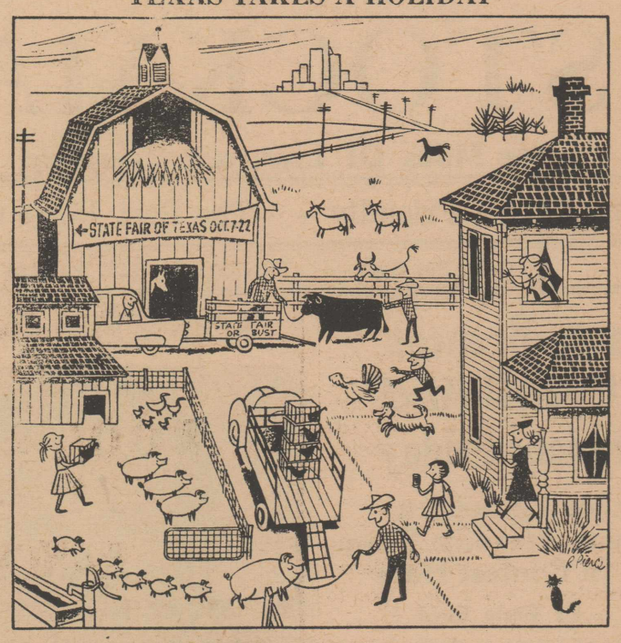

Several dogs in the southwest area of town, in the teacher housing addition particularly where there are a number of small children, died violently of poison strewed in the vicinity by someone who apparently didn't think of the ghastly possibility of poisoning a child or didn't care.

Though a dog or dogs may be a nuisance to someone, even a danger to his property, that fact does not justify taking a chance at killing a child just to destroy the dog. Some mothers and fathers in that and in other parts of Ozona DO care and should a child die from eating poison intended for a dog, there most likely would be a more thorough search for the poisoner than has been the case when family pets perished. We hate to think of the consequences.

Mr. and Mrs. Dub Reeves and Chris were in El Paso Friday and Saturday to attend a funeral for Mr. Reeves' uncle, C. R. Vail.

TEXAS TAKES A HOLIDAY

NOT JUST TEXAS PROBLEM

Jack Cox, a promiment Texas oil man and life-long conservative Democrat, and who may turn up as a Republican gubernatorial candidate, has announced his defection to the GOP, in terms that may touch off a stampede among oLne Star Democrats of Jeffersonian views.

Mr. Cox said:

"For over a decade, loyal, thinking Texans who value their political independence, the rights of states, the sound financial handling of taxpayers' money and Constitutional government have been faced with a dire political dilema: the customary blind loyalty to the Democratic Party, regardless of platform or leadership, versus the historical and fundamental principles of government on which Texas and these United States of America were founded."

Castigating the "Harry Truman - Adlai-Walter Reuther - Eleanor Roosevelt-dominated Democratic party" as "dedicated to a course which can lead only to the destruction of the basic poliitcal and civil rights guaranteed by our Constitution," Mr. Cox concluded:

"It should not be a question of party loyalty. Rather it is a question of an individual citizen being loyal to the basic principles of government in which he believes and then determining the established political party in which and through which these basic principles of government — and a way of life — can be put into operation in an orderly and successful manner."

And while disturbed Democrates in Texas are thinking this over — so might the millions of others in 49 other states. Whether he's a New York Democrat or an Oregon Democrat or Kansas Democrat he knows perfectly well what Mr. Jefferson would think of the present goings-on.

Thadd Tabb converted a very hard and unusual split,4-7-9-10.

Difficulties in getting General Motors workers back to work after their strike issues appeared to have been settled and the impasse at Ford at this writing — suggest that our great national unions may come unstuck unless internal discipline is considerably improved.

In the United Auto Workers organization especially, the tail appears to be waggng the dog, since President Reuther proposed to Ford that bargaining over national issues be postponed while local differences involving relief and wash-up time, coveralls and gloves, parking lot arrangements etc., are settled at 47 plants.

If and when a national union has lost its capacity to control its members, its usefulness to the workers, to management and the economy will have become doubtful.

Sanderson Wins —

(Continued from Page One)

threw to his right to O. D. Gray for the score.

Harrell then raced into the end zone for two more points and the roof fell in .

Ozona took the kickoff and could not gain as two first down passes were missed. A short kick put the Eagles in busines on their own 32 yard line and from there they drove easily for the second score. Harrell was the big gun in the drive but Susano Munoz delivered some crippling blows to the Lions, with two key runs for first downs when it appeared the Lions might hold.

Harrell ended the drive by scoring from the 4 yard line but the effort to kick the goal failed.

The third Eagle score came with just 10 seconds left in the half when the play started, and came following a fumble which gave the Eagles the ball deep in Ozona territory.

Following the half the play of Robert Cox, Darrell Rasberry, Penn Baggett, Hal Long, and Pete Montgomery, who sat out most of the first half, pretty well checked the Eagle attack as they managed to score only once in the final two periods but the Lions offense garnered only 17 yards both rushing and passing and never was able to move the ball out of its own territory.

The Lions did not have many bright spots about which to boast when the game was over, as the ball carriers split rather evenly the yardage gained for the night, and the defense played spasmodically at best.

Phil Carnes was the leading ball carrier for the Lions with 33 yards was closely followed by Richard Vargas with 31 and Brent Moore with 30. Carl Montgomery had 29 and Pete Montgomery, who was used offense sparingly, had 21.

In first downs the Lions had 10 to Sanderson's 15 and gained 150 yards on total offense to Sanderson's 209.

In the air neither team was very impressive as Ozona passed 10 times completed 1 and had two intercepted. Sanderson did some better throwing in 6, completing 2 for 23 yards, but getting two intercepted.

Garden Club Meeting Studies Roses, Peonies

Ozona Garden Club members met Monday in the home of Mrs. Alice Baker, with Mrs. Tom Clegg as assistant hostess.

Mrs. John Childress, vice president, presided in the absence of the president. The Club voted to send the National Garden Magazine to the Junior Sprouts, a junior garden club recently organized, and pay their State dues. There are fourteen members of the new club with Mrs. Cecil Hubbard as sponsor.

The club also voted to give $10 to the Christmas park lighting fund and $20 for the bronze plaque to be placed on the Texas Garden Club headquarters building.

Mrs. Paul Perner was program leader for the day. Mrs. N. W. Graham spoke on "Why I Am a Horticulturist," Mrs. Charles Williams, Jr., discussed "When and How to Prune Roses," and Mrs. Evart White spoke on "Modern Peonies." Many beautiful specimens were displayed.

Others attending were Mmes. W. T. Bradbury, Ira Carson, Joe Clayton, Bert Couch, Floyd Henderson, Ralph Jones, Jess Marley, J. B. Miller, Bailey Post, Mahlon Robertson, Lloyd Sherrill, Glenn Sutton, Sherman Taylor, O. D. West and Jess Hall. Guests were Mrs. Jake Short and Mrs. W. E. West.

Gifts for the McKnight Sanatorium Christmas gift shop must be in by October 15. The box to receive gifts is at the Foxworth-Galbraith Lumber Co. store. All Garden Club members are urged to get their gift packages to the box this week.

AIR INTAKE — One Hand Blower
WATER PROOFING — PRC 611 Sealing Compound

"This Regional Office has evaluated your 10 foot and 15 foot long, underground, metal family fallout shelter design. This evaluation was based on the attenuation of radioactive fallout only and, if constructed according to the above referred design, will provide almost absolute protection. This is the highest of three grades used by OCD in classifying family fallout shelters."

From Letter of August 29, 1961

Sincerely,

James A. Johnston

SHAME, SHAME ON CENTRAL HIGH — BUT WHAT ABOUT OZONA, TEXAS

Are you guilty of not showing respect for the national anthem at football games? Most of us are. Not only at local, but also at out-of-town games are we guilty of this act.

People are forgetting to stand up while it is being played. Some men do not take their hats off; some women are still chatting with their neighbors; some students are still selling hot dogs, pops, and gum while the national anthem is being played; some children do not understand the significance of the national anthem, so it is up to older people to impress upon them the reverance we feel for the song and for our country.

People should be more respectful to the national anthem, so for this week's good deed, be more respectful of the playing of our National Anthem.

———oOo———

CHRISTIAN NAMES LOST AS FELLOW STUDENTS RENAME YOU

Nicknames have become very popular around OHS.

Many of them are take-offs from the original names such as Gul-Lindu, Tabcat, Razzle - Dazzle, Beaver, Charlie Brown, Patty Lou, Birdie, Dragon, Bug, Pablo, Merm, Sam, Jaybird and Pancho.

Some of these nicknames are exaggerated qualities of the students. Such as noisy, Mother Hen, Pinky, Hook, Splinter, Bunion, Lil Itch, Ratchet, Packrat, Blondie, Hebrew, Santa Anna, and Dobin are good examples.

Scooter, Harry and Charlie Kyper are nicknames caused by unknown reasons.

How many of these sound familiar to you?

FRESHMEN TO TAKE APTITUDE TESTS MONDAY

(F. A. C. T.- Flanagan Aptitude Classification Test, will be given to the freshman class of O H. S. on Monday and Tuesday. Oct. 16-17. The test will take all day Monday and half of Tuesday. The days of this test may be subject to change.

FACT has been developed to help schools identify students who are gifted in various vocational fields; and to help students establish future educational and vocational plans. This test provides aptitude scores for 19 job tests, and may be used to identify each student's aptitude for 37 occupational areas. These 37 areas come under nine major divisions. These are: College careers in: Science, Medicine, Social Sciences, Business and Commerce, Arts, Business, Agriculture, and Skilled Trades.

A booklet is given to each student so that he may figure his own scores in the various occupational fields. A cut off level is marked so the student will know if he will be good in a certain field or not; however, these tests do not mean that you definitely will or will not be good in a certain field.

SCHEDULED FOR TONIGHT BONFIRE AND SNAKE DANCE

Tonight a bonfire will be held at the south end of the football field.

Those wishing to participate in the snake dance from high school to the football field will meet at the high school a little before 8 p. m. The dance will be led by the cheerleaders.

Each class is trying to win the five dollars offered by the cheerleaders for furnishing the most boxes for the fire. The boxes will be judged Thursday afternoon by Miss Powers and the cheerleaders. The winner will be announced at the bonfire.

The winner of the spirit sign contest sponsored by the student council will be announced Friday during the pep-rally.

———oOo———

OZONA-SONORA-JUNCTION MEMBERS OF 8-A 15 YEARS

Once again the time for district football games has arrived, bringing to mind some interesting facts about the district in which Ozona will participate.

O. H. S. competes in District 8-A in football competition. Presently active in this district are the following schools: Ozona, Sonora, Junction, Big Lake, and Eldorado.

Ozona has been in the district for 15 years, or since becoming a class 'A' school in 1946. Sonora and Junction have been members for the same length of time os Ozona. Except for two years, 58 and 59, when the school dropped to a class 'B' rating, Eldorado has been a member of District 8-A for nearly as long as Ozona. Big Lake has been in the district for four years now.

Two past participants in District 8-A are Mason and Menard. Mason participated from 1941-1946. Menard was a member until two years ago, when the school dropped to a class 'B' rating.

Last year Ozona was not fortunate enough to win district championship; but this year with renewed spirit and drive, who knows. Perhaps the victory will be won!

———oOo———

STUDENT COUNCIL SPONSORS POST-GAME PARTY IN CAFETERIA

The student council will sponsor a dance and get-together after the Sonora game at the North Elementary Cafeteria.

Music will be provided by records.

Refrshments will be served by the council, and Mr. Pelto, student council sponsor, will be chaperone.

Everyone is invited.

———oOo———

JUNIOR MUMS TO BE DELIVERED For SONORA GAME

The juniors have been selling mums for the Ozona-Sonora football game October 3. These mums cost $1.50 for a plain one or $2.00 for one with a number on them. They are bronze colored with purple and gold ribbons on them.

The juniors have sold about 300 mums. They will be delivered the Friday afternoon of the game Friday night by the juniors.

The profits from these mums goes to the junior class to be used to pay for the Junior-Senior Banquet which the juniors will give for the seniors near the close of this school year.

———oOo———

THE LINES MAKE THE COLUMN

On the road between Ozona and Sanderson it looked as though a traveling circus was on the move. The band bus broke down on its route Friday moring and as a result half of the band went to the game in cars.

The buses must have all gone on a strike Friday. The football boys were forced to abandon their bus when the generator went out at Blackstone's ranch. It was pretty crowded in the car the cheerleaders were in with 5 extra football boys.

After the game Friday night the boys asked for an extra practice Saturday morning. Looks like they are really out to get the Broncos Friday night.

The senior class has ordered an abundance of O. H. S. beanies to be sold at the P. T. A. carnival this year.

Did the town look deserted Saturday night? The M. Y. F. sponsored a hayride and quite a few of the O. H. S. students attended. The group met at the Methodist Church and from there went to Robin's ranch.

Have you seen the new F. F. A. jackets? Nice, aren't they, boys?

Patty, Herbie, Freida Kay, and Robin all went to Devils River on a fishing trip this week-end.

Tommy, Paul, and Frank went to Everett's ranch this past week-end.

Jim Doran and two friends were home from Ft. Sill this week-end. Mr. and Mrs. Lewis Doran, Kathy, and Judy met the group in San Angelo.

Peggy and Jay went to San Angelo this week-end, also. They went to see Exodus.

———oOo———

ANNUAL STAFF ORGANIZES FOR '61-'62

The Annual Staff met for the first time this year. October 2. They discussed the various activities for the coming year and various things that would help to make the "62" annual different from previous years.

They discussed the idea of having special "Work sessions" during the year so as to eliminate the many days spent working after school is out in the summer.

At the meeting, Miss North annouced that she had picked Janet North as her editor for this year and Gracie Chandler as her assistant editor.

Herbie Noelke will be this year's experienced photographer with aid from Leroy Dragoo and Brad Harris.

At the staff meetings the veteran members elected several new members which they picked from senior and junior girls. The reason for this is that the staff was becoming so large that they didn't want to elect any more new members than were needed. The new members elected are Vicki Carroll, Jayne Cole, Becky Cullins, Marian Ross, Helen McCaleb, Marty Burt, Pauline Maness, Brad Harris, and Leroy Dragoo.

The following people have been on the staff for either one, two, or three years: Janet North, Gracie Chandler, Beverly Alford, Don Nell Carnes, Betty Baggett, Janet Mason, Judy Black, Peggy Harvick, Glenda Friend, Charlotte Johnigan, Jan Pridemore, Pam Perner, Kathy Doran, Patty Henry, Robin Jones, Arlene Gotcher, Jann Smith, and Cheryl Clayton.

The Annual Staff is responsible for the elections of many "honor" positions in O. H. S. The "most popular" election is one of these and it was announced that it is to be held in the very near future.

Miss North also announced that for the first time in five or six years, the Annual Staff cleared over $100 on their over all expenses for annuals. In the past the School Board as had to pay from $200 to $300 to get the Annual Staff out of the red.

FRESHMEN LEARN LIBRARY PROCEDURES

The "Fish" have one more wrinkle on their cerebrums since Miss North has lectured to them on the procedures of the libary. This is done every year to the new freshmen. She talks to each class for two periods, informing them of the general arrangement of the library, how books are classified, and how to find them. She also tells them how to use the card catalogue, the Reader's Guide, the reference collection, and other information which will be useful to them.

This is a state requirement for all Freshmen.

———oOo———

BLACKSTONES ENTERTAIN RETURNING OZONA FANS

Last Friday night Mr. and Mrs. Nip Blackstone and George had refreshments for the Ozona fans coming from the Sanderson football game. There was a bonfire ond a table set up with lighted lanterns beside the road. They served hot chocolate, coffee, hard candies and doughnuts. The party featured a very efefctive surprise in the form of a "hot seat." This was a chair with hot coals under it.

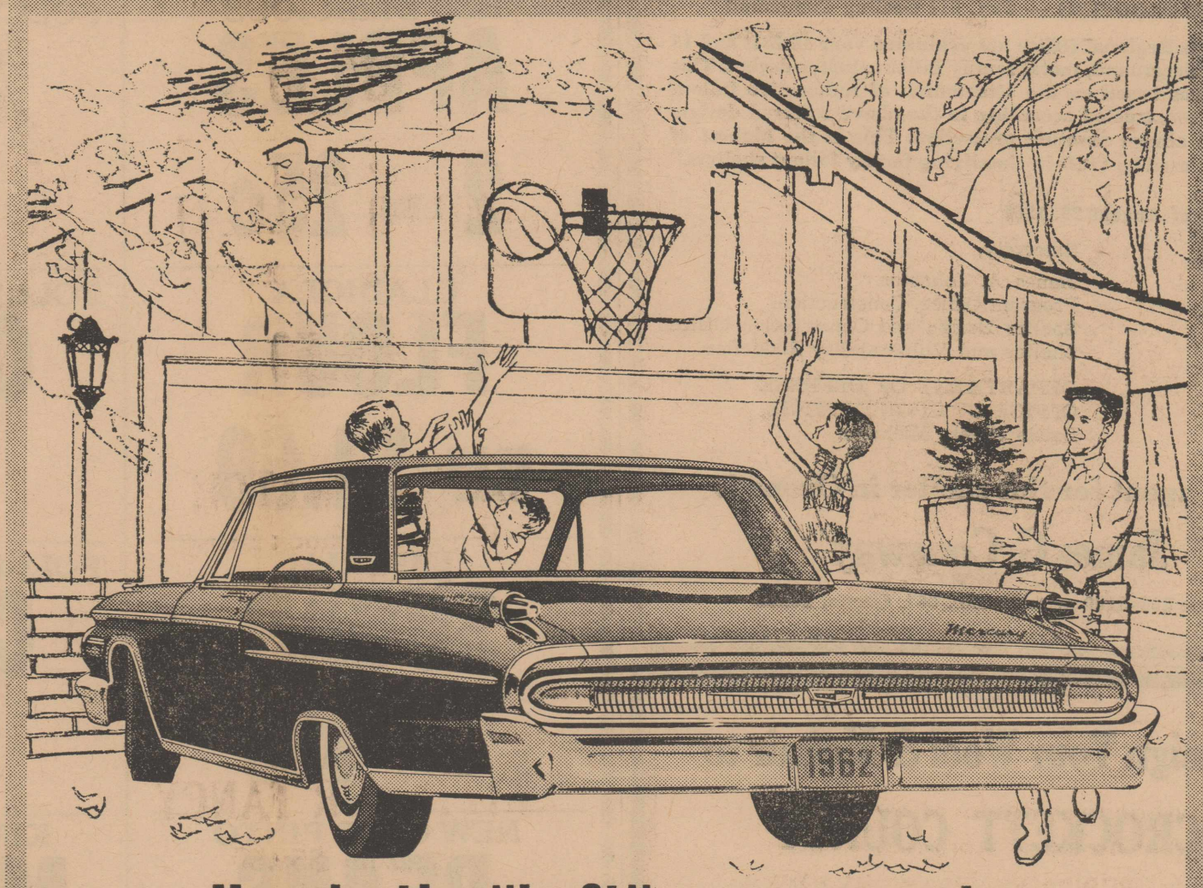

Everyone appreciated the efforts and thoughtfulness of Mr. and Mrs. Blackstone and George.

1962 MERCURY MONTEREY
The best-looking buy for the big-car man

Here's the "heft" a man wants... the leg-room a family needs

GET THE QUALITY EXTRAS THAT MAKE THE DIFFERENCE. This brawny car stands out like a man among the boys. For greater stability, there's extra weight and a longer wheelbase (120") than in other cars in its price class. Extra room inside for the family, extra room in the 30.7-cu.-ft. trunk for the luggage. It's a 6-passenger car, without qualification.

MERCURY'S TOP-OF-THE-LINE LUXURY CAR gives you a smoother ride than any car in or near its price range, thanks to exclusive Cushion-Link Suspension. It's a quiet ride, too. There's noise-deadening insulation all around you—260 sq. ft. of it. You ride in quiet luxury.

EXTRA QUALITY ALL AROUND...needs service only twice a year at 6,000- to 30,000-mile intervals. Go 6,000 miles before oil changes or minor lubrication, 30,000 miles between major lubrications. New anti-rust, anti-freeze coolant is good for 2 years or 30,000 miles. Brakes are self-adjusting. Other features add savings on the upkeep of body and engine. All this within the popular-price range!

See for yourself...soon...at your Mercury dealer's.

3 GOOD GAS HEATERS for sale. 110 Avenue I. 28-2tp

Greater choice as

Chevrolet Offers 3 Lines for 1962

The wide range of choices Chevrolet dealers will offer for 1962 is hinted in this three-car photograph. Pictured to compare over-all length are (top to bottom) the 180-inch Corvair 4-Door Sedan; the 183-inch Chevy II 4-Door Sedan, and the Impala Sport Sedan which measures 209.6 inches. They are representative of 32 passenger car models which Chevrolet dealers will start displaying September 29. The new Chevy II's bow in on the same date as other Chevrolet-built cars.

The Junior 11 and 12 year age group has chosen June Cooper Auxiliary to be their name, recognizing the inspiration and dedication of Mrs. Bob Cooper, whose husband is superintendent of Nintah Children's Home in Utah. Dr. Kathleen Jones Auxiliary is the name chosen the Junior 9 and 10 year age group. Mrs. Bob Turner, Mrs. C. E. Dover and Mrs. George Glynn are counselors for these auxliliaries.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Oct. 31, 1932

Harry J. Friend, Jr., young Crocket county ranchman, died Tuesday afternoon at the home of his parents here following an attack of pneumonia. Young Friend became ill last Thursday and was brought to Ozona from the ranch. An attack of flu developed into pneumonia.

— news reel —

Miss Mary B. Vaughan, daughter of Mr. and Mrs. H. P. Vaughan, and Phillip Lee Childress, son of Mr. and Mrs. Lee Childress, surprised their friends here Thursday afternoon when they arrived on a bus with the announcement of their marriage the day before in Dalals.

—news reel—

Dalton Brown, charged with theft of an automobile belonging to Dan Wills two years ago, pleaded guilty before District Judge Joe G. Montague here Monday and was sentenced to two years in the penitentiary.

—news reel—

J. O. Secrest has found a bill fold containing a small amount of money. There is no name in the wallet and Mr. Secrest is anxious to find the owner. But he doesn't promise to return it to the owner "with no questions asked." In fact, if the owner shows up he is due to be asked several questions — number one being what was he doing around J. O. Secrest's chicken house. The bill fold was found in Secrest's chicken house doorway.

—news reel—

Acting under the state law which became effective Sept. 17, whereby the state takes over all outstanding road bond indebtedness of counties, the Crockett County Commissioners Court last Thursday passed an order requiring payment and cancellation of $190,000 worth of the $375,000 road bonds voted in this county to meet state and federal funds for highway construction.

· news reel —

The second surprise marriage of of the week became known here last night when Mr. and Mrs. E. A. Deland received a telegram from their daughter, Miss Margaret Deland, announcing her marriage to J. P. Pogue of Ozona which occurred in Carlsbad, N. M. Wednesday afternoon.

-ws reel—

More than 500 pounds of meat have been canned in the two days operation under the canning program sponsored by the Crockett County Red Cross chapter to meet demands for charity relief during the coming winter.

—news reel—

A committee representing the Ozona Lions Club and the charity organizations of the city this week made application for $2,500 from relief funds of the Reconstruction Finance Corporation for relief of unemployment in this city during the remaining two and a half months of the year. Under terms of the federal relief act, all moneys must be used in payment for labor. The local committee plans to the the funds to gravel streets in Ozona employing every available idle man in the county in this work.

—news reel—

Mr. and Mrs. Joe T. Davidson and Chas. E. Davidson, Jr., have returned from Dallas where they took the Davidson show herd of Hereford cattle to the State Fair of Texas.

—news reel—

A demonstration of the inoculation method for preventing soremouth in sheep and goats will be given in Ozona sometime next month under direction of veterinarians from the Ranch Experiment station near Sonora. A series of meetings throughout West Texas is planned as a means of acquainting ranchmen with methods for controlling this disease.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — Final legal details were bulldozed from the path of the biggest state water project in Texas History. Reason — to pave the way for ground-breaking ceremonies Thursday near the site of Toledo Bend Reservoir on the Sabine River.

State Board of Water Engineers, Texas Water Development Board and the Attorney General's office worked overtime in order to approve the project — from engineering, fiscal and legal standpoints.

Sabine River Authorities in both Texas and Louisiana are 50-50 partners in the Toledo Bend Dam to be constructed near Newton, Texas. It may cost as much as $60,000,000. Original estimate back in 1957, was $54,000,000.

No federal aid was sought.

Louisiana put up $15,000,000 in tax money. Texas is lending the SRA of Texas $15,000,000. Rest will be borrowed from private investors.

This giant hydroelectric project will provide power for utility companies in Texas and Louisiana to market. It will supply Calssieu Parish, La., and Orange County, Texas, with water for domestic and municipal use, irrigation and industries.

Lost Land? Land Commissioner Jerry Sadler dropped a bombshell in the laps of the Austin City Council.

In checking records at the Land Office, where all Texas land titles originate, he found no evidence of a patent or sale of Lots 6 and 7 of Block 135 of the original City of Austin.

Sadler referred the matter to the Attorney General, noting that these two lots hold one of Austin's water plants. Capitol wags were quick to ask if Sadler was trying to cut the city's water off.

State Deficit Grows — Texas is still waiting for the full impact of the new sales tax. Meanwhile, the deficit in the general revenue fund increases. Latest report shows a hike in the fund-shortage of $20,500,000 in a period of 11 days.

With the mailing of first installment on this year's state aid to the school districts, the new total deficit is $76,811,173 according to State Treasurer Jesse James.

First sales tax payments from retailers are due October 31.

Clubs Sponsor Gifts To McKnight Hospital For Patient Giving

Under sponsorship of the Ozona Woman's Forum, Ozona Woman's Club, the Woman's League and Ozona Garden Club, Ozonans are contributing gifts to be sent to the McKnight State Tuberculosis Hospital at Carlsbad for use by patients there as gifts to their friends and families.

A box has been placed at the Foxworth-Galbraith Lumber Co. to receive gifts by Ozonans and everybody is invited to share in this worthwhile enterprise. The gift box will be closed October 15 and prompt action is urged for those who wish to give.

Patients at the hospital who are confined to the hospital area, many of them bed patients, many of them unable to give present of any sort at Christmas time to children, wives, husbands or family, are privileges to pick from donated gifts those which they wish to give as their own present at Christmas. Inauguration of the gift shop at the Sanatorium has reduced the desertion rate at Christmas time from 40 percent to around 11 percent, authorities report. Knowledge that their families will have gifts from them at Christmas time is a tremendous boost for inmates.

Gifts contributed to the gift shop by organizations and individuals are nventoried and catalogued and offered to patients by a corps of volunteer workers. Those patients who are physically able to do so, come to the gift shop but those too ill to leave heir beds shop from carts of gifts wheeled to their bedside by the volunteers. After a patient's choice is made, the gifts are wrapped, tagged and mailed for Christmas giving.
