"Wheeler, town of friendship and pride."

10 Years Later

When the ambulance service was in the planning stage in 1976, it was estimated there had been about 70 calls per year. Ten since starting the service, June 1, 1976, 2,150 calls have been answered. Resulting in over 10,000 hours volunteered to

patient care.

800 transfers have been made. 90% of these have been to various Amarillo hospitals. Our longest transfer in 1986 was to Kerrville, TX. to bring a patient back to her residence in Hemphill County.

Our current active members are: Louis Stas EMT—P, M.K. Christner

EMT, Lee Hibler EMT, Mark Frankenberg EMT, Joel Finsterwald EMT, Mark Gill EMT, Frankie Jackson EMT, Dwight Tipps EMT—P, Lyndon Loyd ECA, Pam Hibler ECA, Kyndal Murray ECA, and Jon Sullivan ECA.

Other members are: Tommie Puryear ECA, Mimi Boedeker EMT, Pat Hudson EMT, Novelene Loyd

ECA, and Virginia DeBose EMT.

Heart attacks and associated heart disease are America's number one killer. Coronary artery diseases take the lives of more than 650,000 Americans each year. In our area 45% of our calls deal with cardiac patients. One in four heart attack deaths occur before the age of 65. Almost 50% of those who suffer a myocardial infarction (heart attack) die within the first hour. This is why we push for CPR training in our local school systems, as well as public training. If you do not know CPR and the Heimlich Maneuver, please take the time to learn. 10% of all heart attack victims could be saved if enough people cared. DO YOU CARE ENOUGH?

TAKING THE OATH: The Wheeler County officials elected to office in the general election in November took the "oath of office" on Thursday morning, January 1, in the county courtroom of the Wheeler County Courthouse. The oath for the county officials was administered by District

Paul Topper, District Clerk; Margaret Dorman, County Clerk, and Jerrie Moore, County Treasurer. A reception was held in the commissioners courtroom following the "swearing in" ceremonies. (Photo by Shamrock Texas)

1987 FED HEIFER PROGRAM BEGINS

By Joe Don King

The 1987 Panhandle Fed Heifer Program will get underway when the heifers are weighed in on Saturday, January 24.

The Panhandle Fed Heifer Program was organized in 1984 by a group of Wheeler County men to give 4-H and FFA members experience in commercial cattle feeding, according to Van Baize, program chairman. Three other counties have become involved in the program since the beginning.

Participants in the program select two heifers and then feed the heifers for 130 days. At the end of the feeding period, the heifers are evaluated on

hoof, slaughtered, and then the carcasses evaluated. Placings are based on feed conversion, rate of gain, cost of gain, and carcass quality. The feeders also complete a record book and take a test which are graded and figured in on the final placing.

This year, the feeding period will begin on January 24. The heifers will be weighed and processed. A check-weight will be taken about halfway through the feeding period.

Heifers from all counties involved will be exhibited in Amarillo on June 4. At this time, they will be evaluated and a champion live pen named. Then they will be slaughtered and the carcasses will be evaluated and placed. The final activity will be an awards banquet held later in June.

Todd Baize was the feeder of the Champion Pen of Heifers in 1986. He fed two Chianina cross heifers bred by the Britt Ranch. Todd also had the highest average daily gain, champion live pen, and champion carcass, and tied for the high score and record and test. Other winners from Wheeler County included Kaleb Meek, who had the lowest cost of gain, and Andy King, who tied for the high score on the record book and test.

Several agri-business firms have supported the program with donations of products and money.

Anyone interested in feeding heifers, getting animals into the program, or being a sponsor, may contact Van Baize at the First National Bank in Wheeler, Don King in the county Extension office, or the vocational agriculture teacher in their community for more information.

By Joe Don King

A lamb showmanship clinic for 4-H and FFA members has been scheduled for Sunday, January 11, at 2:30 p.m. in the Wheeler County Show Barn according to Terry McCasland, Wheeler Vocational Agricultural teacher.

The clinic is primarily for those who have not shown lambs before, but, any lamb exhibitor in the county is welcome.

R. Murphy On Honor Roll

Frank Phillips College announces the Dean's Honor Roll for Fall 1986.

In order for a student to be placed on the Dean's Honor Roll, he/she must complete at least 12 semester hours and achieve a grade point average of 3.00.

Rose M. Murphy made the Dean's Honor Roll at Frank Phillips College. Her mother is Minerva Jones of Wheeler.

Dogs Dogs Dogs

The dog population in Wheeler has exploded. The number of strays is climbing. If you have a pet, please keep it in a fenced yard or pen. If you do not want it, do not turn it out on the streets. Some of these dogs are dangerous. We have had complaints of biting dogs. We have people walking for health reasons and the dogs are a serious threat. Also it is dangerous for children playing.

First, let me say "Thank You" to Bill Howe at the "Shamrock Texan" for sharing his pictures with me of the 'swearing in' ceremonies. I was there, but the light was not right and the pictures were not the best.

The first of the year meant retirement for several of our citizens. It's a little scary; I used to think a person, who retired, was old. For some reason, the people who retire and those who celebrate their 50th Wedding Anniversaries are younger than they used to be.

I had to go the gymnasium Tuesday to watch the youngest play basketball. The girls in Jennifer's class and those of the fifth grade are divided into teams and play ball for 5 minutes

Local Nurse Needs

Financial Assistance

A local nurse needs orthopedic surgery. Violet Knight LVN, needs an operation to repair fractures to her lower leg. This is a necessity if she is to have a chance to recover the use of her leg and return to work. The leg is in a cast but, the bones have slipped and will not heal properly. Also without surgery Violet could possibly develop osteomyelitis and increase the risk of osteoarthritis. Violet has worked at Parkview Hospital for 14 years. She was born and raised in Wheeler. Violet also was an EMT and served on the volunteer ambulance service for three years. She does not have any insurance and unless she can receive some help, will not be able to have her surgery. The Wheeler Ambulance Service has established an account at the First National Bank in Wheeler, in her name. Also an account has been opened in her name at the First State Bank in Mobeetie. Donations can be left at the Wheeler Time's office or mailed to the Wheeler Ambulance Service, % M.K. Christner, P.O. Box 474, Wheeler, TX. 79096.

To the Editor
The Wheeler Times

Dear Editor,

I understand we will have a new administrator at Parkview Hospital. Mr. Hyatt may be returning to Wheeler Care Center. We now have two doctors at Parkview Hospital that don't smoke.

The Surgeon General reported in December '86, a few days ago, that passive smoke does cause a 30% chance of cancers in the lungs, heart, liver and other organs. Also in unborn children. The law will be updated I understand soon. He also stated you cannot ventilate the smoke out properly - which we already know.

The mayor, council, board, administrator, doctors, nurses, and employees - we all have permitted or allowed this filth in our hospital and care center. There has been many deaths from the use of tobacco, cigarette smoking; it is abuse. Then you wonder why these public officials and employees are allowed to continue this deadly hazard. (Including Texas Dept. of 4801 health). Not only drugs, aids epidemic, and the New Age Movement - this world has fallen into the biggest trap known to man. We spent millions of dollars fighting pornography and turned right around and legalized it. It is being taught in schools, (sex education), churches, T.V., radio, the news media. Seems like every one wants to be called Dr. so and so, or write a book on how to raise a family. Looks like the Bible is fading away (what happened to baptizing?) Since we legalized porno, all we talk about is sex; abortion - killing babies, children by the millions; divorces; drugs of all kinds.

Now ministers and others can be heard on the radio and T.V. 24 hours a day talking in lewd and explicit manner. One minister said you borrow Satan music and try to inject in into sacred songs. Also one said the devil is in control - looks like they are both right. We hold the Bible on one hand and a curse Jesus on the other; use slang words, kid, little devil, dickens, bastard, and so on, holding a cigarette and a shot of alcohol or other drugs. Yes, I am guilty of some of these things. And I also know there are millions of people across this universe that same as the people right here in this is fighting for the sick and dying; begging for CLEAN AIR in our hospitals and care centers.

We will continue to fight this health hazard. I would be glad to talk with anyone or groups on this matter. Come walk with me in Zero to 110 degree weather then we will know each other, as I have said before.

Sweetwater News

Mrs. Joe Flowers

The world made it thru 1986 all in one piece. Since we have found out our government was playing footsie with some of our worst enemies, most of us are surprised. Sure looked doubtless a few times. Right now, it seems, we are sort of leaderless. No one knows who is in charge. The president is still saying "Cut taxes, increase spending and balance the budget." But how?

Remember the good old days of just a few years back when most everyone had a job and even a bank to put their check in. Unemployment isn't confined to OK. A cousin in Colorado said she survived a 30% cut in personnel but her husband's job was erased. Have a friend in TX who has been being told he was over qualified. Now they tell him he's too old (38), they aren't hiring anyone over 32.

If the first twelve days of January are a true forecast of the weather, we will have a very mild winter. Looks like the fruit is going to put out and get killed. You know there will be a freeze between now and May.

What's Up Doc?

Measles

Question:
There have been a couple of cases of measles in my community. My 10 month old child doesn't get her vaccination for several months. She was exposed three days ago. Is there anything I can do to keep her from contracting measles?

Answer:
Indeed, there is some action that may be taken to prevent your child from getting measles.

A small dose of Gamma Globulin will allow the child to develop a mild case of measles. During the disease, they will develop some degree of immunity protecting them until they do receive their vaccinations.

A large dose of Gamma Globulin will totally prevent the occurrence of measles for a short period of time. The child will still need to receive their vaccination at fifteen months.

The key to both of the above methods is to immediately report the exposure to your doctor. The Gamma Globulin must be given within FIVE days of exposure. There is indeed an easy way to prevent measles if exposure is reported to your doctor immediately. There is no need for worry if the vaccination has already been given.

Visiting Bertha Coffey the Saturday night after Christmas were we three Mr. and Mrs. Johnny Reed, Rebecca Hogue, Mique Snelgrooves and Rhonda Blanchard. Found out Jack Jones was in the hospital was the reason they didn't come. Talked to Betty Friday and found they were back from Amarillo.

Junior Gordon, Hersel Anderson, and Royce Roberts are home from the hospital. Clyde Nichols was sent to OKC, Grace Barham broke her hip and has had surgery at Amarillo.

Funeral services were Saturday for Mrs. Coleman Summers. When I was small they had a store at Texola. They had no children and he always made over me. Called me his little girl friend. One time I was sick and he sent me a big sack of apples and oranges. In an age when you only had oranges on Christmas that, was really something.

Ruby Nix reports they had one long

week of parties. On Christmas Day, Patricia and Ronnie Phennig, Chris and Kodi, Ronnie's mother, Mr. and Mrs. Olan Nabors had dinner with them. One day the Nabors entertained all the Nabors kin at Elk. Then there was a big Howell get together and Christmas tree at Sayre.

Speed Batchelor told me that he and Grace spent the Holidays at Guymon with the Gibson sons and their families. Had a good time.

Must tell you I was already a reformed character before I read Erma's column about the woman who saved boxes. I'd already cleaned out two closets of boxes and sacks I'd saved for hard times. Only 6 more to go.

We gathered ole Five String up and went to Alfalfa Jamboree. There were 8 guitars, piano, and bass for him to flirt with so he really had a good time. This is a regular event on first Saturday night at the Odd Fellow Lodge.

MTV gave away 100 acres up by Shamrock. Winner was an Alabama Lady who might move out. The anti-nuclear folks have bought 20 acres up by Pantex plant are establishing a permanent protest base. As you know, Pantex gives the finishing touches to all US nuclear weapons.

Casey and Karla Paxton have taken over to Cheyenne Star. They have lived over 4 years in Cheyenne. Came from Mangum. Been quite a few years since Joe Redden, owner then, came down and asked me to write the news. Reimers have had it some dozen

years.
Hear the Sayre Journal is to be a weekly since they have a new owner. I remember when no one thought they could live without the Sayre Daily. Called it the Sayre headache in fun. If you didn't have the money, the agent would take a hen, a dish, old battery, or whatever.

I received this cake recipe from Wanda Simmons of Panhandle a little late but you will want to clip for next year. It was in her new cookbook.

CHRISTMAS RUM CAKE

First sample rum to be sure of quality. Good, isn't it? Get out bowl, cups, and mixer. Check rum again. Beat one cup of butter in fluffy bowl. Add 1 tsp. of sugar. Beat, then test rum again. Add 2 eggs, and 2 cups fruit. Beat well. If fruit hangs in mixer, pry out with screw driver. Check rum again. Sift in 3 cups of baking powder, add pinch of rum, tsp. of soda, 1 cup of pepper. Maybe that was salt.

Don't fret, tate the rum again. Zowie?! Sift in half pint of butter milk, fold in chopped lemon juice and strained nuts. Shamble rum again. Add tablespoon of shrawn sugar or whatever color. Mix. Grease oven and turn on cake pan to 350 degrees. Pour mixture in to oven. Oops where didya put the mop? On second thought, third and fourth, forget the oven, check the rum and go to bed. Happy cooking.

Carolyn and Kenneth Newell and baby went to Shawnee to have Christmas with his folks.

Tere Gordon has been home past three weeks from SWOSU with her folks Mike and June. Also there was sister Jacky Morrow. They all spent Christmas at Erick with their mother Lula Wright.

Bonnie McGuire was a hospital patient following a bad fall. Home now.

Mr. and Mrs. Bob Thompson, Michelle and Robert, Lucille Thompson spent the holiday at Skellytown with Lori's mother Eva Holloway. It was a sad time for them as Mr. Holloway (Dan) died on Dec. 11. Michelle is home from OCU and doing well there. Lucille visited Francis Thompson and others while there Lori is helping out in the tax office at Sayre.

Dwana and Darrell Davis, Twila Sutton of Weatherford, Zuma Sutton and Hubert McMullan had Christmas with Mr. and Mrs. Billy Sutton.

Had a nice present last week. We were listening to CH 7 tell about the search for seven who care. David looked real serious and said "Mama, I ought to write them that you are one of the seven." Wasn't that a nice thing?

Mr. and Mrs. Elec Atchley hosted an after Christmas get together. Present were Mr. and Mrs. Wayford Smith of Shamrock, Leta and Neil Blevins and boys, Tulsa, Cynthia, Jeff and David from Amarillo, Mr. and Mrs. Roger Atchley, Clay and Chad, Mr. and Mrs. Dorman Morsemand and family, Moore. Mr. and Mrs. Larry Atchley and family of Grapevine. Mr. and Mrs. Y.C. Fuchs, and Crystal, Mr. and Mrs. James Keathley, and girls. They gave Beulah and Elec a Microwave oven.

It cost OU \$688,000 (admitted) to take 612 people to the Orange Bowl. Got a feeling us poor taxpayers will pay for it. Seems they took a nine day vacation while it was on the house. Guess we really showed those folks in Florida how the cabbage ate the cow. Have a good 1987.

Christmas Party At Mobeetie Jail Museum

The Mobeetie Jail Museum, Open House Christmas Party, was a very pleasant evening of visiting, getting together and singing Christmas Carols. A nice crowd came and the evening was spent with Toni Wilson leading the singing and Doris Finsterwald at the piano. We were very happy that Henry Johnston was able to come and join in by playing the piano in his very capable manner. Other songs were sung by the group while Henry played awhile. Doris played most of the time for the singing, and different ones took the lead.

Some came to view the museum while the crowd enjoyed eating cookies, candy, tea, coffee and hot chocolate. There was also delicious hot cider brought by Louise Hogan. All the members brought cookies, candies and materials for the drinks that Toni Wilson prepared for serving. All the members brought gifts to Gene and Toni and Beth Wilson as a special thank you, of appreciation to them for the exceptional way they have served as caretakers of the Museum for the past year. They are very helpful members for the Mobeetie Community and fine citizens to have in our county. All are very proud that they chose to move to Mobeetie to make their home. We love them. They really had the museum beautifully decorated for Christmas and all who wish to see it still have time as the decorations will remain up until after New Year.

The large green tree furnished by Chuck and Louise Hogan was placed in front of the Museum and covered with lights that gives a Christmasy look to the museum the inside has been beautifully decorated with two trees and other trimmings all around, Toni, Gene and Mrs. House really did a fine job decorating the place even tho it was hard work. We want to especially thank the many friends who gave or loaned us the many lights and decorations they made us have a really nice Christmas spirit and fun. Those attending the party were: Louise and Chuck Hogan, Jap, Alice and grandson Mark Bailey, Jack and Doris Finsterwald, Henry Johnston and Mr. and Mrs. House, Austin Caldwell, Claude and Ina Mae Brotherton, Bob Galmor, Laura Eubanks, Gene and Toni Wilson, Mrs. Turnbow, Nellie Horton and Sallie Harris.

The cream of tartar you use when beating egg whites comes from grapes. It is deposited on the sides of wine casks during the fermentation of grapes into wine.

1 Timothy 6 and 6, 7 & 8.

But godliness with contentment is great gain. For we brought nothing in to this world, and it is certain we can carry nothing out.

And having food and raiment let us be there with content.

Another sunny Monday morning with a great big frost and a cold south wind makes us know that cold of winter is really here. There is so many sick in the community, we trust that all the sick will soon be well and up and about right away.

At the beginning of this New Year as I look back over the old year of things that have come and gone forever, we can't call back time, but I think could I have done something to of made life a little easier for someone else or said something to have encouraged some one of even prayed an extra prayer for them when they needed help that only the Lord could give. And to my mind goes back to the very sad time of losing a dear brother to death so sudden, and to the happy occasion of the wedding of my youngest granddaughter with a wonderful young man and also the happy announcement that a little great granddaughter was born to my oldest grandson and his wife. Sad times and happy and good times come to us all, that is all apart of life, and God can help us through them all, I trust the Lord will help us all to do more for him in this New Year ahead.

Some I didn't get a hold of about their holiday visitors so will try to get them in this week.

Doris Newsom's Christmas Eve visitors were Mr. and Mrs. Leslie Newsom and John Glen from Odessa, Texas, Mr. and Mrs. John Welch, Letitia and Jeremy from Amarillo and Mr. and Mrs. Stanley Swires, Jaelyn and Pat from Reydon and Mr. and Mrs. Tim Raff from Cheyenne, OK. The day after Christmas they all went to Stanley and Vivian's for a Christmas dinner, John and Dorothy and family went home that afternoon. Leslie and his family left on Saturday morning on their way home.

Doris Newsom, Edith Donaldson, Ruben and Edna May, were New Year's supper guest in the home of George and Avis Parker's and they also played 88 while there. They got a early start celebrating Avis's birthday which was the day after New Years.

Dinner guest in Ona Black's home were Thursia Pondexter and Nellie Long Sunday from Cheyenne, Oka.

SaRita Boydston spent several days this past week in Parkview Hospital at Wheeler with pneumonia, but hopes to be home in a day or two.

Louise Boydston is in the Shamrock General Hospital where she had surgery last Friday for the removal of a kidney stone. She is on the mend now.

Art and Wynette Dahlgren and boys from Altus, Okla. spent the past weekend in the home of Ronnie and Ruth Chadwick.

Cindy Burrus, Tiffany and Bret from Canyon spent from Wednesday through Friday with Kenneth and Peggy Chandler, Jana and Bridgett Chandler from Wheeler were Thursday night guest with them also.

Becky Zybach is in the hospital at Wheeler with this stomach virus that so many are having. Her daughter Christy is also sick with it but is at home, missed church Sunday and also school today.

Clyde and Minnie Bell Vinson left Sunday going to Corpus Christi, Texas to attend the funeral of step granddaughter. Red and Anna Dukes also left Sunday night after church going there. Sorry to hear about their loss.

Dick and Cletus Green took their son Roy to the airport at Amarillo Sunday to catch a plane back to Camp Bullis where he is stationed. They also visited Ronnie and Wanda Chapman awhile in Amarillo.

Ronnie and Sue Watson went to Tulsa Wednesday to meet Tina and bring her back. She had spent about a week with her grandmother and other relatives in Missouri enjoyed having Rheann and Leesa to spend the night.

Jay David Downs has been visiting his dad, Bob Downs.

Jo Beth Bates visited her Dad in the hospital. He is doing fine now since surgery. She spent Christmas with her mother at Canyon.

Friday supper guests at Roy Meadows home were Eddie and Leta Meadows and Amy and Laura.

Briscoe will be hosts to Wheeler H.S. teams next Monday, January 12, starting with a boys J.V. game at 5:00 p.m. Allison H.S. will come to Briscoe Friday night January 16, at 7:00 p.m. for homecoming game.

Visiting Patty Jo Shelly and Robert Hall over the holidays were LeRoy and Tammy Parker and Devin. Tammy is Robert's sister.

New Year's Eve guests at the Larry Nelson home were Bubbles and Cathy Harrison and Brad and Chad, Tammy and Jimmy Maddoux and Jennifer and David and Rita Pearson and Dallas and Lindsey.

Cecil and Jean Meadows were back from visiting Donna and Jerry Hawkins and Brandi and Tiffany at LaPorte. Was a sad trip. Little Tiffany was real sick and partially paralyzed; will have to have more surgery soon. Jean will fly back down Sunday to be there and help out. Tiffany was born with Spina Bifida and has had lots of problems, and lots of triumphs. A real sweet little doll. Pray for her.

Sami Garrison visited her parents at Bovina and also other friends over the holidays.

The Briscoe High School tournament was very well attended over the weekend. Players and fans from Allison, Mobeetie, Kelton, Samnorwood, Miami, Higgins, Lefors and Briscoe played hard to win. Briscoe boys won first, over Kelton 72 to 68. Kelton girls won first in a close game over Samnorwood, 37 to 34. Briscoe girls won third over Miami 48 to 46. This is the first time that a Briscoe boys team has won first in a tournament in a long time. We are proud of you boys and girls, too. Coach Ron Van Vranken is doing a great job with them and is a fine man with a wonderful family. They had a victory party at their home after the game for the high school kids.

Sunday dinner guests at the home of Roy and Lois Meadows were Aaron and Claudetta Laverty and Claude, and Caaron and Mike and Brenda Johnson and Amanda and Allison.

Nice to see Lajuana Puryear at the tournament Thursday night. She had had Mildred Treadwell and granddaughter, Lee Ann Risley, and Mona Guinn and her mother, Nettie Luttrell for New Year's Day lunch.

Mary Ann Ingram from Denton was a weekend visitor to Lisa and Tim Bennett, boys and Eldon Van Hooser. She is Lisa and Eldon's mother and got to see Eldon play basketball.

Nice to see Lorri Bristow and Justin back. They enjoyed visiting Lorri's parents and brothers at Big Spring and other friends over the holidays.

Bess and Frank Crownover came Thursday and visited the Charles Crownover family and took Boyce, Jodie, Londa and Terri to visit until Saturday at Claude.

Briscoe Homecoming will be January 16. They will play Allison.

Nice to have Jack and Pat Morgan and Chad back. They visited Norman and Mary Morgan and Pat's sister at Houston. Also Pat saw doctors at Houston. They seem to think all her problems and hurting are caused by staples inside after her gall bladder surgery in the spring. Now flesh has grown around them so it would be very hard to remove them.

Pat Graham and her mother from Durham went to California and visited Pat's daughter and husband and children and had a great time Christmas.

Alicia Hefley from Buena Vista, Colorado, spent a few days with Bill and Lisa Hefley and saw other relatives and friends. Good to see her Thursday night at the tournament

with Roy and Lois Meadows. Lindsey Fillingim visited with Alicia one day and they rode horses.

Saturday Phyllis Hefley's sister, Patsy and Donald Stinnett and two grandchildren from Colorado came to visit the Hefley's and stayed till Tuesday.

Everyone thinks of changing humanity. No one thinks of changing himself. Tolstoy.

Coach and Debbie Van Vranken were hosts to the Briscoe High School kids for a New Year's Eve Party at their home. Tom and Alice Bell Helton visited Adell McNeil and Bonnie Hogan in Pampa Friday.

Briscoe High School went to Shamrock Tuesday night with most of parents and lots of grandparents and other fans to encourage them. The girls played real hard but lost 58 to 68. They were hampered by having Tina Watson gone and the Shamrock boys were much taller. Shamrock boys weren't extra tall, but were hitting everything they shot at, nearly. The first half the referees called almost no fouls on them, even tho our boys were being hit and pushed around. Our boys played hard and got pretty close, but lost 68 to 80. We missed Chad Morgan. In girls scoring, Leslie Meadows made 19, Kristi Hefley, 12, Christy Zybach, 11, Amy Shields 9, Lisa Hickman, 2, if I didn't miss any. In boys scoring Robert Hall 24, John Shields 14, Sam Watson, 12, Larry Trimble 8, Shawn Zybach, 6, Ben Meadows 2, Eldon Van Hooser 3, if I didn't miss any.

Sunday dinner guests at our house were Ray and Pat Hudson and Cheryl, David and Rita Pearson, and Gaye Hale and Elizabeth and Sarah and Shawn Everett, who is spending a few days with us while J.P. is in High Plains Hospital at Amarillo for tests. Martha is with him.

Briscoe High School went to Shamrock Tuesday night with most of parents and lots of grandparents and other fans to encourage them. The girls played real hard but lost 58 to 68. They were hampered by having Tina Watson gone and the Shamrock boys were much taller. Shamrock boys weren't extra tall, but were hitting everything they shot at, nearly. The first half the referees called almost no fouls on them, even tho our boys were being hit and pushed around. Our boys played hard and got pretty close, but lost 68 to 80. We missed Chad Morgan. In girls scoring, Leslie Meadows made 19, Kristi Hefley, 12, Christy Zybach, 11, Amy Shields 9, Lisa Hickman, 2, if I didn't miss any. In boys scoring Robert Hall 24, John Shields 14, Sam Watson, 12, Larry Trimble 8, Shawn Zybach, 6, Ben Meadows 2, Eldon Van Hooser 3, if I didn't miss any.

GTE NEWS

General Telephone customers with questions about charges shown on the AT&T-Communications portion of their General Telephone monthly statements will call a new toll-free number effective with their January bills.

Jerry West, Memphis operations manager for General Telephone, said the new AT&T number will be shown beginning in January at the top of the page(s) listing AT&T long-distance calls and services billed by General Telephone.

He added that customers with questions about calls or services shown on the General Telephone portion of their bills will continue to call the General Telephone number shown on the statement.

"The only change for customers will be that they call the AT&T number when they have questions concerning AT&T services, West said.

GTE personnel will be available to answer customer questions about non-AT&T long-distance charges appearing on the GTE bill.

Briscoe News
By Vetola Parker

January 1, 1987, we will have to get used to writing that 87—hope everyone has made a lot of resolutions and try to keep. Mine are getting less and less.

Yesterday, 31st, my brother and sister, N. F. Young, Jr., Harmon and Daphne Barry came down. I called Jr. to come down to see George and Tolene Clark before they fled. But George decided to go on to Perryton and see his mother, Eva Clark, in Rest home up there Tuesday. They started home Tuesday. Seemed they just got here. They came Friday, 26th. Wish we lived closer. We had not seen them since in February during Michael's funeral.

Hoyle Helton came in afternoon. Our country still has sun shine. A rather nice, for holidays, the kids could get outside.

George and Tolene and Annette were starting for home this January 1, from Donna Smith in Perryton, his siter, Debby, went on to Dumas yesterday afternoon to spend the night with Ted and Pauline Parker before going on home today.

Linda Kelly ate dinner with Mattie Jackson Wednesday. Mattie called Hazel Helton. She had a stroke, she is going to her son's, David, close to Arizona line. Hazel lives in Plainview. Linda teaches at Gallop, New Mexico.

Sad news came to us, Mrs. Grace (Bud) Eislend had a bad stroke and is in the Gunter Hospital. Mr. Bud Eislend is in resthome there. How sad.

Word is Jane Hall took a sore throat and cold. The doctor would not perform her surgery Tuesday.

Paul Hathaway visited us Sunday afternoon.

Colie, Harmon and N. F. went over and helped Doc put a big tire on a tractor.

Essie Finsterwald, Donald, Charles, Marie and David Wright went to Don and Mona Reynolds in Amarillo for Christmas Day. They picked up the boy, Carl Moreland, (maybe spelling it wrong.)—He is from a children's home in Amarillo. Had him with them.

Sunday the church of Christ people went to the Care Center and sang. Marie and David took Carl back to the home Sunday afternoon. I talked to Charles Friday. Essie had gone to Wheeler. Charles said Eldon Walser came home with them Sunday from church. Charles said he ate a lot of peas yesterday, the first of January. Well, I ate peas yesterday and the day before. I think I ate my part of the blackeyed peas in 1986—but I still like them. Half of my blood may be pea juice. I know a lot of little kids that don't know what peas and okra, etc are.

This Friday morning is rather cold, yesterday afternoon, I turned all fires out; it was so hot in this house this morn when I woke, I could see my breath. So I get up, build a big fire in wood stove and saved our butane or propane now while it's cold. Clouding up like could snow, that wind is out of the south and does this south room get cold. We have torn into the walls; all insulation in there is tar paper—put there by Mr. Archie Dillon in 1922. So the tar paper is old and crumbly now; but still a pretty stout built house; will last many more years if a tornado don't get it.

I hope everyone lived over the holiday excitement and eats and all the visiting—that's what gave me a lift to see all my kids and part of my grand kids, most all of my grand kids.

When Eunice Edwards got home from Wayne and Joyce Edward's, Marie Brown came and stayed till Wednesday.

Eunice went and got her hair fixed

and got some groceries. It rained and sleeted.

Eunice said Pearl Williams is doing real good. She don't have to go back to the doctor for check up for six months. Now that is wonderful.

Sammie Atherton visited her this afternoon, Friday.

We got a little mist, did not see sleet.

The 27 on Saturday, Annette Meeks family met in Amarillo at Lee and JoAnn White home. Ones there beside Lee and JoAnn were Jimmy and JoAnn Helton and children, Ida Lou Smith, Cloyd and Teresa Helton and children, Mark and Annette Meek and children.

Cloyd and family visited Mark and Annette before Christmas.

Kyle Zybach visited Kaleb Meek Friday.

Christmas Eve at Fat and Wanda Childress, their children began to come in around 4 P.M. Kathy and Melvin Hunt and children, Clyde, Jr., and Mary Jane Dukes and children, Kay and Scott Luttrell and children, Wayne and Pat Childress and Amanda and Addie Swift. They all ate supper.

Christmas Day they all went to Bob and Zodel Swift's, except Kay and Scott and children went to Elk City to see his folks. Kathy and Melvin Hunt went to Lubbock to see Melvin's daughter. Friday, Glen and Kathy Swift and children came to visit and stayed till Sunday afternoon.

Hoyle's family met at Bill and Christine Atherton's home Chirstmas. Martha and Darren Brown came up from Bristow, Okla., for the Holidays.

Many thanks for the Christmas gift from the Times office. Real good eating. We love to eat—too much.

December 27, Mac Purcell's brother, Donnie, and Darene Purcell visited on Saturday. They had their Christmas.

Mac's parents, Gene and Bobbie Purcell, visited them on January first and spent the night.

Ty Fuerguson visited Josuay last Tuesday. Thursday Mandy Ratliff visited April. Friday Lora visited Mandy Ferguson.

Mike and Melody Goad, Travis, Ja'Nae visited Dub and Ida Mae Goad January 1.

Shane visited Van Vranken in Briscoe. He is their coach. Briscoe is having a tournament this weekend. Briscoe is going for first tonight.

Shane went to Dumas to a team roping Thursday. He won second in one go-round, third on average. Hope I got this right. Talked to Shane; he talks a little fast.

Saturday morn looks nice outside. Oh that wind blew and blew, hard and cold yesterday and part of the night.

Addies grandsons were with her Saturday, Ty Swift and Shawn Hunt. Ty is 16, and Shawn is 12, a nice age. Ty has been visiting Wayne and Pat Childress since Wednesday.

Addie said it snowed in Amarillo, covered the ground. She said they all went to Clyde, Jr., and Janie's New year, except Melvin—he had to work. I may left this out.

Oden and Lois Hudson went to Ray and Pat Hudson's for Christmas. Sharon Grandstaff came down and her boy, Randy, from Germany came in. Leroy and Lavern Hudson and son, Butch, came up from Arlington. Randy and Robert were helping Oden on a project Saturday. Leroy and Lavern stayed from Friday till Sunday.

Mary Hudson was at Oden and Lois's for Christmas. At Pat and Ray's Sunday. Mary went with Leroy to Amarillo and met Butch's plane; picked him up. Mary was still little hoarse. Could not talk good yet.

Zetha and Terry Dougherty came down Sunday morning. Zetha took me to church. Terry hunted and hauled in hay. Rather cool Sunday.

Clarence and Irene Zybach visited R. L. and Rozena Zybach Sunday to help Shane celebrate his 15th birthday. They had cake and ice cream.

Ones there were Mac and Gaye

JERUSALEM, THE TEMPLE SITE

A question in the minds of a lot of people is will the temple of God by rebuilt in Jerusalem before World War 3 begins? There is very little from the bible that indicates that it will be rebuilt, there is more indication from the bible that it will not be rebuilt. The answer may be found in first Kings chapter 9 verses 1 thru 9 where God in answer to King Solomons prayer said that if his people departed from him and would not obey him that he would cut Israel off out of their land and cast the temple out of his sight, verses 7 and 8 this he did and was climaxed in 70 A.D. and should continue until the second coming of Christ. Jerusalem and the temple was destroyed in 70 A.D. because of the sins of the Jews and their rejection of Christ. They still reject Christ and as long as they do we can assume that the temple will not be rebuilt. The temple site and temple area is referred to in first Kings chapter 9 verses 7 and 8, Ezra chapter 3 verse 8 and Daniel chapter 9 verse 17 as the house of God or the temple of God even after the temple had been destroyed, it may be that the temple of God mentioned in

revelation Chapter 11 verses 1 and 2 is referring to the temple site as it is now with the altar being set up some place on the temple area and the Jews performing daily sacrifices as they are to be doing just prior to World War 3. Daniel chapter 12 verses 11 and 12, then later the false prophet the man posing as Christ will set up his headquarters on the temple site showing himself that he is God, read second Thessalonians chapter 2 verses 1 thru 12 and Mark chapter 13 verse 14. Then some place in Jerusalem the world dictator should have his headquarters, compare Daniel chapter 11 verse 45 with the holy mountain mentioned in Daniel chapter 9 verse 16 and Zechariah chapter 8 verses 1, 2 and 3. World War 3, the 1335 days of Daniel chapter 12 verses 11 and 12 can start any time with a few quick changes made on the temple site and with what is left of the old temple. What happens in the nation of Isreal means disaster for other nations including America, better wake up.

Here & There

By Laura Guthrie
As far as I know, the New Year came in quietly. I have asked several of my contemporaries about Ringin in the New Year, and they, like myself, had gone to bed and let time pass and 1987 came in quietly.

But New Year's Day was different. About 19 people, each carrying a covered dish, marched into the lovely home of Jess and Curtis Moore, about noon. We were all so glad to see each other. After greeting, the food was spread on the table. Of course there was the traditional Black-eyed peas, and to go with that, okra, Mexican corn bread, hot rolls and all of the other vegetables, salads and desserts

that our local women can produce. In the afternoon dominoes, 88 and Bridge was enjoyed. Jess kept the TV tuned to football games, just so we could know the scores. In mid afternoon he (Jess) passed out about 10 gallons of popcorn in three different flavors. Such a good day!

Those joining the host and the hostess that day were: Leon and Vea Fillingim, Earl and Leola Farris, Harold and Mae Nash, Cliff and Pauline Hefley, Eli and Helen Sabbe, Vida Brown, Mary Wofford, Reba Wofford, Mary Finsterwald, Grace Pettit, Opal Davidson, Elva Wood, Hestell Killingsworth and myself.

I had a short chat with our recently retired Hospital Administrator on his last day of official duty. Charles Hix has been a Wheeler resident for over 50 yrs. He says he can remember buying movie tickets from me for 13

cents. I remember that also. Part of the time the ticket was 11 cents.

Charles has been with the hospital for most of the years since it's opening in 1964. He has taken his job seriously and served well and faithfully. He deserves credit and good wishes from the community and surrounding area. Certainly he has my good wishes for his retiring years. He will be living in Amarillo to be near his son, Allen.

Elva Wood is my "tried and true" news reporter. She is a bit late about her Holiday guests, but we are glad to know she had her daughter and husband, Mr. and Mrs. Lanny Atchley from Lefors and her grandchildren Judd and Katina Atchley and Carlene Britten of Groom.

Elva Wood attended a wedding in Amarillo last Friday. The bride and groom are Rosemary Revious and David Hendrix. Rosemary is the

daughter of Mr. and Mrs. Lonnie Kenney of Wheeler. Elva spent the night in Amarillo with relatives, Mr. and Mrs. Earl Wallace.

Then on Tuesday Elva went to

Airman Roy K. Greene, son of retired Marine Corps Gunnery Sgt. Richard K. and Cletus E. Greene of Allison, Texas, has graduated from the U.S. Air Force security police specialist course at Lackland Air Force Base, Texas.

Graduates of the course studied systems security operations, tactics and weapons training and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Canadian to attend the funeral of Mr. Clarence Hughes of Fritch. Until recently the Hughes had been Elva's neighbors. Theida Austin is a sister-in-law of Mr. Hughes.

Mary Mitchell and her cousin, Marge Cerrelli went to Tulsa, Okla., on Tuesday to take Mary's father, Jake Duncan, home. He had been here with the Mitchell's for a holiday visit. Mary and Marge will visit other relatives in Tulsa.

Violet Knight who had the misfortune of breaking her leg while visiting during the Holidays is at home, but is having problems. Sorry, Violet, hope your luck changes soon.

Grandchildren Melinda and Tim Whorton spent Sunday and Monday with me. Tim did a lot of hard work on my sewer system, which has been needing repair for a long time. His parents, Mr. and Mrs. Clyde Whorton

of Dumas, made a short visit with us on Sunday afternoon.

"Times" Needs Baby Pictures

"The Wheeler Times" needs pictures of your child or grandchild to run in their advertisement.

Here is an opportunity to show everybody how cute those 'kids' are. There is no charge; all we need is a studio picture (individual, bilfold to 5x7). Please include child's name, age at the time the picture was taken, and parent's name and address. The child's grandparents can be named if the list is not too long.

Chat From Page 1 during the halftime of regular games. Brackets are made out and after several games a winner will be decided. Jennifer's team, "Jana's Jammers", only made one basket; the opponents, "Tropical Shades", made two baskets. All of the players did an excellent job. I had to marvel at the ability of Jana Velasquez and Angie Martin; when they got the ball and started down the court, they didn't poke around. I don't remember if their mothers played ball.

Jennifer's basketball talents will have to be developed, because she didn't inherit any from either of her parents.

-cwe- Mary K. Christner brought in the report for the Ambulance Service. The figures are surprising. Read over these numbers and let it soak in. That is quite a record.

We as members of the Wheeler Volunteer Ambulance Service appreciate the commissioners, Parkview Hospital and the hospital board, the doctors, the nursing staff and a large number of Wheeler county citizens. Each have had a part in the building of the ambulance service. The service is supported by the county; supplies are furnished by the hospital; the doctors and nurses help with support and advise, and the public continues to give us support and had donated an untold amount of money for special equipment.

-cwe- Roxey Hanks was in the have her paper sent to Amarillo. She has moved to be closer to her son; the address is Amarillo, but she says she lives in the country.
