UNITED FUND DRIVE NOW UNDER WAY

The annual campaign of the Aransas County United Fund is now in progress and all residents of the county are urged to give generously so the goal of \$13,200 will be reached.

The funds will be allocated in the following manner:

American Red Cross, \$2,500; Aransas County Emergency Corps, \$500; Aransas County Youth Council, \$500; Boy Scouts, \$2,800; Coastal Bend Association for Mental Health, \$150; Coastal Bend Council on Alcoholism, \$50; Family Counseling Service, \$200; Girl Scouts, Palsano Council, \$1,800, local \$1,500; Medical Research Foundation of Texas, \$100; Salvation Army, \$1,600; Texas Rehabilitation Hospital, Gonzales, \$500; Texas United Community Services, \$125; United Service Organization (USO), \$125; drive and office expense, \$800; and subsequent year's drive, \$150.

The Rev. Cecil H. Lang, Jr., United Fund President, said this year's campaign for funds will be conducted entirely by mail, except for the schools which will handle their own collection from school district personnel.

Bill Janacek, campaign chairman, urged all residents of Aransas County to give generously to make the drive a success.

"Your fair share gift is needed to combat community problems that affect all of us," Janacek emphasized. "Please if you don't do it, it won't get done the United Way."

Artmobile Here Oct. 28 - Nov. 2

The South Texas Artmobile will return to Rockport, Oct. 28 with Exhibition III—"Mexico: Art through the Ages".

Sponsored by the Dougherty Carr Arts Foundation of Corpus Christi, the exhibit includes paintings and sculpture from Indian, Colonial and Modern periods. The Indian period includes work from Olmec, Nayarit, Tarascan, Totonac and Teotihuacan cultures. The Colonial period features all religious art. Lithographs in the Modern Period are by Rufino Tamayo and David Alfaro Siqueiros. Other paintings and sculpture are also featured in this period.

The exhibit is on loan from the Department of Cultural Affairs of the Republic of Mexico. Mrs. George Spikes of Beeville, Mrs. O. C. Hamilton, Jr., Mr. and Mrs. Hartwell Kennard of McAllen are also exhibiting paintings and sculpture in the exhibit.

The Artmobile will travel throughout South Texas to a 20 county area as far as Victoria to the East, Karnes City to the North, Laredo to the West and the Rio Grande Valley to the South. It will stay in each town approximately one week where special visits by schools, college groups, civic clubs, and organizations will be pre-scheduled. The gallery will also be open to the general public during certain times.

The Artmobile will be parked at Rockport Art Ass'n. Gallery -105 South Austin from Oct. 28 to Nov. 2nd. The gallery will be open to school children and the public free of charge from 9-12 noon, 1-5 p.m. and 7-9 p.m.

Hostesses and sponsors in Rockport will be Rockport Art Ass'n., The Lamar Women's Club, and The Allegro Club.

Two More Join Tourist Ass'n.

Bob Eschberger (Johnson's Drug Store), and the Basin Auto Center have joined the Rockport-Fulton Tourist Association.

Members voted to hold a Slogan contest. Entries should be sent to P. O. Box 1055 before November 15th. Winner will be announced in the Pilot and receive \$10.00 cash prize.

Signs will be distributed this week to present members and should be displayed in a prominent place. Advertising will be used to increase business for members where the blue sign is displayed.

Meetings are held each week, Tuesday, at 8:30 p.m.

Pirates Play Ingleside Friday

This week the Rockport-Fulton Pirates play the Mustangs of Ingleside in Ingleside at 8:00 Friday night.

The Pirates will enter the game after two fine games against district foes Mathis and Woodsboro, gaining a win and a tie; whereas, Ingleside will go into the contest with district losses to Woodsboro and Callallen.

The records are usually discounted when these two rivals take to the field. Come early and support the Pirates in their quest of the District 30-AA title.

EIGHTY NAMES ON PETIT JURY LIST

The names of 80 persons were on the list of petit jurors drawn by the Jury Commissioners for the regular term of 156th District Court to be presided over by District Judge Joe Wade of Beeville.

Following are the names: Fay O. Colesworth, Mrs. H. E. White, Mrs. Denver Agler, Lucille Compton, Mrs. James H. Reynolds, Mrs. J. E. Anderson, Mrs. James L. Duroess, Mrs. James B. Jackson, Mrs. Billy Hutchison, W. G. Garrett, Jesse W. Schumacher, C. R. Tillison, Sr., Mrs. William C. Gaskin, Mrs. L. D. Gillespie, Mrs. Robert Aleman, Mrs. Franklin D. Rowe, Richard J. Kinney, Sr., Mrs. Eva Henderson, Gertrude V. Morris.

Gloria L. McFarlin, V. F. Harrison, James P. Wade, Mrs. John A. Deaver, Alex Longoria, Mrs. Ray R. Longino, Enrique Salazar, D. C. Myers, Mrs. Eugene Horton, Mrs. G. C. Mullinax, James A. Haynes, Guy W. Barber, Mrs. George R. West, Roy Raynes, Mrs. Karne Flores, Ruth S. Hoover, Haskel Williamson, Jr.

Mrs. Johnny Wright, Grace Srtiano, A. E. Srelau, Mrs. Robert R. Harbison, Mrs. Sam Mundine, Lorna G. Sontag, Winona B. Christopher, Mrs. B. F. Deason, M. E. Wilson, Mrs. Lee H. Miller, James W. Eagan, Mrs. Julio Pena, Dowell King, Stephen Atwood, David Meador, Mrs. H. R. Kline, Donald A. Vandell, Mrs. Anthony DeRocco, Annie Cox, Mrs. H. D. Price, Samuel E. Crosby, Jr., Mrs. Estle A. Turner, Jodie R. Essary, Glenn S. Lauer.

Mrs. Loyd W. Hight, Mrs. W. A. Mills, P. D. Anders, James B. Brown, William C. Gaskin, Ben T. Fagile, Mrs. Antonio M. Rodriguez, F. P. Schuettgen, Sandra Bloch Crettz, Rojerio Rameriz Rivera, L. Paul Hendrick, Mrs. William N. Spears, III, Mrs. Joyce C. Hanzlik, R. W. Landrum, Loyd W. Hight, Mrs. G. L. Cody, Mrs. Henry Ray Williams, Harvey O'Rourke, Mrs. Berry Smith and Innocencio S. Cruz.

Riding Ass'n Trail Ride

The Aransas County Riding Association urges all members to pack up the family, load your horses, and head for the annual membership overnight trail ride, October 30-31st.

All members will assemble two miles below Port Aransas at 1:00 p.m. Saturday. Members will bring their own food and make arrangements for food and water for their horses.

Sunday morning, riders will ride back toward Port Aransas and disperse around noon. For more information contact Kenny Keller, trail boss, or D. M. Meador.

Junior High Plays Ingleside

The 7th and 8th grades split games with Woodsboro last Thursday with the 7th losing 12 to 0 and the 8th winning 20 to 0. This leaves the 7th grade with an 0-2 district mark and the 8th grade with a 1-1.

Both teams will travel to Ingleside tonight for their third district game. The Ponies 7th grade is undefeated in district while their 8th grade is 1-1. Game time is 5:30 for the 7th and 6:30 for the 8th.

Shrimpers Net Ancient Anchor

STRANGE CATCH — Capt. Felipe Rodriguez, Emilio Gussman and Catarino Rodriguez (left to right) pose with the old anchor they netted.

Rotarians Hear Talk on Youth

Parental love, discipline and understanding are the important factors in solving many of today's teenage problems, according to Rev. Paul Bohot, pastor of Peace Lutheran Church, who spoke at Rotary Club's weekly luncheon meeting October 20 at Corky's restaurant.

His subject was "Youth and Change, What Can I Do?" He said that today's youth in the 14 to 21 year-old bracket is seeking some sort of adjustment, some clear understanding of his personal role in society.

"He is not satisfied with things as they are and he wants change. Rebellion is an expression of this need, yet young people actually need and want some sort of authority if only as a point of reference, something to push and pull against," Bohot declared.

Schools and churches never can carry the main responsibility for educating young people. Parents must be the

Troop 281 Court of Honor

On October 4, Boy Scout Troop 281 held a Court of Honor with the following scouts receiving their new ranks:

Tenderfoot: Brett Shanon, Richard Manniott, John Weyer, Jackie Mundine, Eric Gonzalez, Robert Jackson and Robert Ramos.

2nd Class: Howard Weyer.

1st Class: Bob Smith, Scott Hillier, Dolph Hillier, Johnny Washburn, Mike Vermillion and Mike Jackson.

Star: Wade Evans.

Life: John Sprigg, Bill Smith and Jeff Little.

Merit Badges were awarded to scouts, Wade Evans, Scott Gills, Alvin Griffin, Scott Hillier, Dolph Hillier, Mike Jackson, Jeff Little, David Mundine, Bill Smith, John Sprigg, Mike Vermillion and Johnny Washburn.

Mr. Pat Smith was Master of Ceremonies for the court of honor assisted by Scout Master Mr. Otis Mundine and Assistant Scout Masters Mr. Dick Stafford and Mr. W. J. Sprigg.

Troop 281 is sponsored by the First Methodist Church of Rockport and at present has 30 boys registered with the troop. The troop has several camping trips planned including an over-night camp-out at the Gollad State Park. Any boy who is 11 years old and interested in joining the troop should contact one of the Scoutmasters.

HONOR ROLL

The following students' names were omitted from the Rockport-Fulton High School honor roll list:

Julie Bright, Gary Leach, Frank Casterline, Debra Shiley, Bill Mills, Agnes Brock, Gracie Tamez, and Marla Pattilo.

United Fund Aids Girl Scouts

This is the second in a series of articles on agencies that will benefit from the United Fund Campaign which is now in progress here.

Girl Scouting in Aransas County is currently serving about 100 girls with 12 adults. There are two Brownie Troops for girls in the 2nd and 3rd grades, one Junior Troop for 4th, 5th and 6th graders, and a Cadette Troop for the 7th, 8th and 9th grade girls.

Leaders attend training courses and organizational meetings with the Palsano Council. The Council also provides the summer camp at Lake Mathis that girls may register to attend. A Day Camp is provided by the local organization as well as numerous joint activities for all of the girls from this area.

The Girl Scout House provides the girls with a place to meet and the necessary equipment for activities in the arts, the out-of-doors, the home and the international areas of study. The Little House is currently suffering severely from the ravages of age, wind and rain, but with the help of these funds, the girls hope to remedy this problem. The grounds are ideal for the local camping activities and give the girls plenty of practice area before they go elsewhere.

Girls participate in many local projects including area clean-ups, can collecting, flag ceremonies, caroling for the Christmas programs, helping in local drives by "stuffing" envelopes or putting out collection cans etc., as well as giving gifts to the children in several hospitals in the South Texas area.

The troops also participate in many inter-council activities with girls from other towns in South Texas.

Services Held For Hugh Morrison

Hugh Morrison, 66, died Saturday in a Corpus Christi hospital after a short illness.

Morrison had lived here since 1938. He was owner of the Sportsman's Center. He served for 15 years as harbor master here, was a former member of the Aransas County school board and one of its past presidents. He was Aransas County parole officer for 10 years.

Morrison was a founder of the Aransas County Youth Council and a former Boy Scout commissioner. He was a member of the First Presbyterian Church 33 years. He was a former member of the Chamber of Commerce board and a charter member of the Rockport Rotary Club.

Funeral services were held Sunday in the First Presbyterian Church. Burial was in Rockport Cemetery under the direction of the Marshall Funeral Home of Rockport.

Survivors include his wife, Dorothy; three sons, Eddie Morrison of Austin, Hugh Morrison of El Paso and Bob Morrison of Portland; one daughter, Mrs. Marilyn Buchholz of Portland; two brothers, Paul Morrison of Rockport and Don Morrison of New Mexico; and nine grandchildren.

Fire Destroys Mobile Home

The mobile home of Mr. and Mrs. Donald Brooks, located in the trailer park off of FM 881, just west of the city limits, was completely destroyed by fire Saturday afternoon.

Mr. and Mrs. Brooks were at home when the fire broke out, but it spread so quickly that they had no chance to save anything.

The Rockport Volunteer Fire Department arrived soon after the fire was reported, but the blaze raged throughout the home in minutes. It was reported that an electrical short in the ceiling caused the fire.

The City Hall will be closed Friday, Oct. 29 for the Sewer Revenue Bond Issue election.

Sewer Revenue Bond Issue Election Oct. 29

All qualified voters of the City of Rockport are urged to vote in favor of the issuance of \$120,000 in sewer revenue bonds to make it possible to expand the present sewage treatment plant to serve more people.

The election will be held Friday, Oct. 29 at the City Hall, with voting from 8 a.m. to 7 p.m.

The \$120,000 will represent approximately 45 per cent of the cost of this urgently needed project, and a Federal grant will provide the remainder of the funds, or 55 per cent. Total cost of the project will be about \$265,000.

City officials point out that with successful passage of the bond issue election, there will NOT be any increase in taxes. Further, it is explained that the additional users of the expanded sewage treatment facilities will help pay off the cost by paying use fees.

Due to expansion of the collection system to serve more citizens of the City of Rockport, and a continuing growth of sewer customers within the service area of the sewer system, the flow to the City Treatment Plant has reached near design capacity of the present unit and therefore it is necessary to implement the overall flow for the treatment plant and proceed with the expansion of the plant capacity from 500,000 gallons per day to 1,000,000 gallons per day.

Conservation Ass'n. Report on Dredging

M. W. Cochran, secretary of the Rockport Conservation Association, this week made the following statement:

"The Directors of the Rockport Conservation Association authorize written objection against dredging to the U. S. Engineers in Galveston, when permits are requested to drill for oil or gas in the Bays of Aransas County. The objection is not against drilling, but against using dredges in these Bays unless the silty dredge waste is deposited and confined on land areas, in order to protect the seafood nursery areas from damaging siltation.

"The Engineers then hold up the permit to see if a satisfactory procedure which will not damage the nursery areas can be worked out with the State Parks and Wildlife District 5 office here in Rockport.

"This organization reports excellent cooperation from most of the oil companies in finding a satisfactory solution. For example, the Pennzoil Producing Co., who requested permit No. 8659 in the Redfish Bay area--have to dredge a channel to get the drilling barge in. This company has agreed to pipe the dredge discharge underneath the Intracoastal Cut off Canal and deposit the waste mud and silt on the low land between Highway 35 and the Intercoastal Canal, to save the Redfish Bay nursery seafood areas from any damage due to their operations.

"Other companies such as Humble Oil and Refining Co. are spending hundreds of thousands of dollars to clean up some of their present methods of disposal of their waste products in order to protect the Bays in this County."

The proposed expansion is composed of the following improvements:

- a. 500,000 gallons per day of aeration and mixing unit
- b. No additional clarifier capacity
- c. Additional chlorine contact chambers.
- d. No additional chlorination equipment
- e. One additional blower to be added to the two (2) existing blowers

f. An enlarged lift station for lifting the waste water into the treatment plant

g. Additional sludge (solid waste) handling facilities.

With the expansion outlined, the treatment plant will be double the size of the present facility and a major portion of this capacity is available for future system growth.

All phases of the City's growth affect the sewer system. Additional tourists and tourists facilities produce additional waste water and the upgrading of the sanitary sewer system for existing customers. The continuing steady rate of growth will provide increased waste water flows.

Due to the fact that the City's economy is based strongly on its surrounding bays and water oriented activities, the Rockport City Council feels that better waste water treatment is necessary and that adequate advanced planning is necessary to see that adequate plant capacity is constructed and will be ready for operation as the flow increases.

The City Council has filed an application for a Federal grant for the construction of the plant expansion. The grant will pay for 55% of the cost of the facility, the remaining 45% has to be paid for from local funds. The grant application has been reviewed and accepted and the Revenue Bond Issue now being presented to you will provide the funds for the City's 45% of the construction cost.

Upon completion of the anticipated sewer plant expansion, the City of Rockport's sewer plant will be valued at \$1,250,000 being one of the most efficient in the Coastal Bend area.

Juvenile Whooper Sighted at Refuge; Crane Total at 21

AUSTWELL--The first young whooping crane of the fall migration has been reported at the Aransas Wildlife Refuge, along with six more adult cranes, bringing the total to 21.

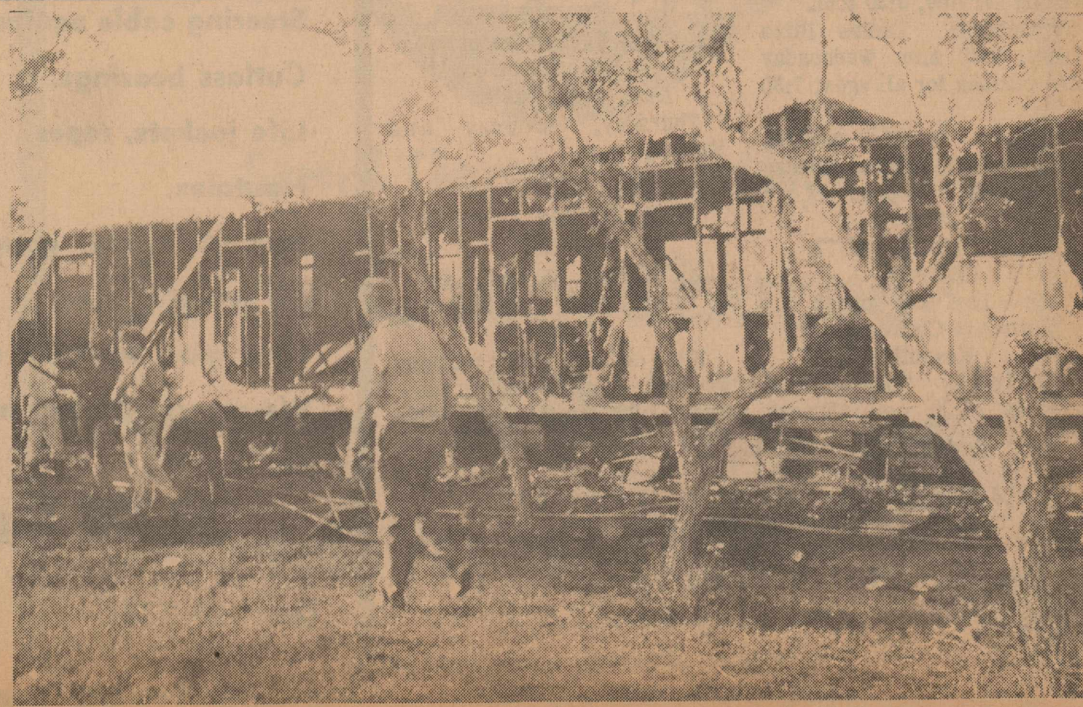

The seven additional birds arrived some time during the weekend according to a refuge spokesman.

This was the second aerial check made by the refuge since the first four cranes arrived Oct. 20. Another check will be made Friday.

About 60 of the rare birds are expected this year. This would be an increase of four over last year.

From a low of 14 birds in 1915, the whoopers have slowly increased under protection by both the United States and Canada.

The cranes leave the spring and summer nesting grounds in Northwest Territory, Canada, in the fall and return to Canada in April.

The Kinsey Report

At every meeting of the Business and Professional Women's Club, someone reads "The Collect," an inspiring outline for living a good life. Written by Mary Stewart, it goes like this: Keep us, oh God, from pettiness, let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face--without self-pity and without prejudice.

May we never be hasty in judgment and always generous. Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward and unafraid.

Grant that we may realize it is the little things that create differences, that in the big things of life we are as one.

Any may we strive to touch and to know the great common human heart of us all, and oh, Lord God, let us not forget to be kind!

Pirates Earn Tie In Great Comeback

By Bob Crawford
Trailing with six minutes remaining in the game, the Pirates of Rockport-Fulton put together a 66-yard drive to a touchdown and then scored the two point conversion to tie No. 7 ranked Woodsboro at Eagle Stadium last Friday night.

Quarterback Craig Thornton engineered the 17-play drive, keeping the ball on the ground, calling on Sam Morgan 8 times and Glyn Lndrum, Mark Wright, Clay Gillis, and himself to carry the load.

"Sudden" Sam Morgan plunged over from the one-foot line on fourth down to bring the Pirates within two points of the Eagles. Thornton then took the football and rolled out and patiently waited until he spotted tight end Clay Gillis in the back of the end zone, and the ball was true to the mark, giving the Pirates a 14-14 tie.

The tie will be recorded as such unless both the Pirates and the Eagles win the remainder of their district games, at which time a tie for the district lead would exist. The Pirates by virtue of having more first downs (15 to 9) would be awarded the right to represent the district in the playoffs. Both teams had two

penetrations, the first step to determine a winner. All of this would be for naught if the teams lose games, or do not beat the current district leader George West.

The Pirates forced the Eagles to fumble a punt to set up their first score after the Eagles had taken the lead on a 31-yard run by super Leonard Avery. Thornton then hit Oscar Pina for the TD on a 9-yard scoring pass. The Pirates failed to convert, putting them behind by 7-6. The Pirates had two successful conversions called back before failing on the third try.

As usual, the Pirate defense was outstanding. The team as a defense has allowed a total of 53 points in six games, and only 19 of those points in the first half. Clay Gillis and Travis Bailey were outstanding defensive leaders in the game, with Gillis being named as a candidate for "Lineman of the Week" by the Corpus Christi Caller. The Pirates forced the Eagles to fumble three times during the game with Clifford Mixon coming up with two loose footballs and Gillis recovered the other stray pigskin.

The Pirate defensive secondary did an outstanding job also, allowing Avery to complete only one pass for seven yards in the game--the secondary being made up of Steve Arispe, John Vick, and Mark Wright.

"Sudden" Sam lead the Pirate offense with 77 yards in 28 tries. Landrum added 59 yards in 17 carries. Thornton completed 7 of 15 passes, including the big two pointer.

Junior Varsity Beats Woodsboro

The Rockport-Fulton Junior Varsity made it two-in-a-row with their win over district opponent Woodsboro by a 14-6 score in the game last week.

Once again the offense was provided by Rickey McLester and Fidel Herrera as the Pirates rolled up 250 yards rushing. McLester was the top ground gainer with 144 yards in 21 carries, followed by Herrera with 107 yards in 16 carries.

The Pirates took the lead early in the first quarter and were never behind, although Woodsboro was able to mount some serious threats.

The fine Pirate defense was led by Ruben Estrada and Danny Cox who seemed to be all over the field.

The victory brings the Pirates' record to 2-0 in district play as they enter the game with Ingleside this week.

LUNCHROOM MENUS

The following lunchroom menus will be offered in the schools next week:

Monday, Nov. 1: Barbecued beef on buns, seasoned black-eyed peas, head lettuce-1000 Island dressing, banana cake and milk.

Tuesday, Nov. 2: Swiss steaks, gravy, mashed potatoes, carrot salad, bread-butter, apricot cobbler and milk.

Wednesday, Nov. 3: Broiled beef sausage, boiled pinto beans, cole slaw, cornbread-butter, fruit crisp and milk.

Thursday, Nov. 4: Braised beef with noodles, buttered English peas, fresh vegetable relishes, bread-butter, Boston cream pie and milk.

Friday, Nov. 5: Baked ham, scalloped potatoes, fruit salad, hot rolls-butter, ice cream and milk.

Note: These menus are subject to change without notice, depending upon availability and delivery of foods.

Rotarians Hear Talk—

(Continued from Page 1)

principal teachers. What a child learns at home, especially during his first six years, really shapes his life, according to Bohot.

He also warned parents against trying to be "pals" with their children. It can't be done, he asserted, because parents cannot return to teenage attitudes and standards.

"Teenagers need their own world and we as parents must not attempt to infringe on it," Bohot said. "We need to be ourselves and meet our adult responsibilities to our children."

Bohot decried the often-heard expression from parents: "Now, when I was your age". "Actually, you never were his age", Bohot said. "Youth's experiences, attitudes and standards today are far different from those of the previous generation, or any other generation."

He admitted that drug abuse is a major problem with young people, although it always has existed in some form. He sees it as an escape mechanism just as the Jesus Freak is a new trend in that direction. Some young people are now saying that drugs don't work so they are giving Jesus a chance.

Bohot pointed out that earlier generations looked upon hard work as honorable and rewarding, while many of today's teenagers see no point in it. Most of their needs and desires have been met without working for them, so why work.

Many of today's youth problems he blames on permissiveness which has been a way of life in the rearing of too many children. However, he

added that it was only one of the factors involved.

"The problems of youth is something that has to do with all of us personally. We have helped to shape things whose results we do not like. Now we must participate in their solution if we are to meet our responsibilities to today's teenagers", Bohot said.

Capt. Steirly Rozzell Graduates From Army Law School

Captain Steirly R. Rozzell of this city, was one of 72 students graduated today from the 61st Basic Class at The Judge Advocate General's School, U. S. Army, at Charlottesville, Virginia, on the grounds of the University of Virginia.

The graduates received their diplomas upon completion of an extensive eight-week course which provided them with an introduction into the many aspects of military legal practice, including military justice, military affairs, procurement law and international law. Completion of the course prepares the

lawyer for any one of many interesting and challenging assignments in the Judge Advocate General's Corps.

The Judge Advocate General's School has been rated by American Bar Association inspectors as having one of the most outstanding specialized graduate level programs in law to be found in America and it is on the list of approved law schools.

Following graduation, Captain Rozzell is assigned to Fort Sam Houston, Texas, where he will put into practice all of his prior training as a member of this unique law firm with its worldwide practice.

Great Bear Lake, Northwest Territories, covers 11,200 square miles.

Church of Christ

Question: Is this teaching true: Once saved, always saved?

Answer: Here is a catchword that would emphasize one truth by ignoring another. And the result is an untruth. That Christ is able to keep the Christian is a blessed Scriptural teaching. But to ignore the possibility to commit spiritual suicide, is to ignore New Testament truth. See: Gal. 5:4; Heb. 6:4-6:

We are to walk in the light of His word; 1 John 1:6, 7. "If we say that we have fellowship with Him, and walk in darkness, we lie, and do not the truth".

There is blessed eternal assurance for that one who is walking in the revealed light of His word.

15-3A against zoning

Representatives of District 15-3A, which grew to 10 teams after the University Interscholastic League announced the new alignments for the 1972-73 seasons, met yesterday at Tuloso-Midway High School and decided to play a nine game district schedule instead of splitting into zones.

The district lost Robstown to 27-4A but gained both Calallen and Rockport and there was some talk of having two five-member zones with the winners meeting for the district. But after some discussion, the coaches, principals and athletic directors decided to

simply make a new round-robin schedule by a random draw.

Thus the district competition will begin on Sept. 22 and be completed Nov. 17. All teams will play all other teams in the district and will have one non-district game which can be played on either Sept. 8 or Sept. 15.

The problems of having only one non-district opponent were far less than the problems of zoning the district the coaches agreed. If the district had been zoned, there would have been only four district contests for each school and scheduling six non-district

games would have been all but impossible.

The representatives play to meet at a later date to decide how scheduling during the basketball season will be handled.

Next fall's district schedule will be:

District Schedule
Sept. 22-Taft at Sinton; West Oso at Flour Bluff; Bishop at Aransas Pass; Tuloso-Midway at Rockport; Gregory-Portland at Calallen;
Sept. 29-Calallen at Taft; Rockport at Gregory-Portland; Aransas Pass at Tuloso-Midway; Flour Bluff at Bishop; Sinton at West Oso.
Oct. 6-Taft at West Oso; Bishop at Sinton; Tuloso-Midway at Flour Bluff; Gregory-Portland at Aransas Pass; Calallen at Rockport.
Oct. 13-Taft at Aransas Pass; Flour Bluff at Rockport; Sinton at Calallen; West Oso at Gregory-Portland; Bishop at Tuloso-Midway.
Oct. 20-Tuloso-Midway at Taft; Gregory-Portland at Bishop; Calallen at West Oso; Rockport at Aransas Pass at Flour Bluff.
Oct. 27-Taft at Rockport; Aransas Pass at Calallen; Flour Bluff at Gregory-Portland; Sinton at Tuloso-Midway; West Oso at Bishop.
Nov. 3-Bishop at Taft; Tuloso-Midway at West Oso; Gregory-Portland at Sinton; Calallen at Flour Bluff; Rockport at Aransas Pass.
Nov. 10-Taft at Flour Bluff; Sinton at Aransas Pass; West Oso at Rockport; Bishop at Calallen; Tuloso-Midway at Gregory-Portland.
Nov. 17-Gregory-Portland at Taft; Calallen at Tuloso-Midway; Rockport at Bishop; Aransas Pass at West Oso; Flour Bluff at Sinton.

Local Car Once Owned by a Duke

Tom Shults, formerly of Fort Worth who now lives at Key Allegro, has a car which causes heads to turn and people to ask, "What is it?"

It is a right-hand drive 1955 Bentley Silver Cloud once owned by the 13th Duke of Bedford of England.

The car had changed hands several times before Shults bought it a little over a year ago in London for \$1,800 and had it shipped to the United States. When new, it cost about \$26,000.

For the benefit of those who don't happen to be car buffs, a Bentley is a Rolls-Royce in every detail except the radiator shell.

It used to be said that people who bought Bentleys wanted the quality and excellence of a Rolls-Royce but they didn't want to appear ostentatious.

The car, which has over 148,000 miles on it, runs smoothly and quietly. Shults says it has been trouble-free. Finished with fine leather upholstery, the car still has fold-away tea service tables and makeup mirrors in the back.

For those people who always ask, "What kind of gas mileage do you get?", Shults gets about 10 miles per gallon. His Bentley has a six-cylinder engine.

B&PW Holds Bosses Night

The Business and Professional Women's Club held its annual "Bosses Night" dinner meeting Monday night at Sea Gun Sports Inn, with 61 persons attending.

Mrs. Penny Baldwin, president, presided, and Mrs. Virginia Shivers, world affairs chairman, introduced the speaker, Mrs. June Mokrzycki of Beeville, a world traveler, nurse and a person who has devoted much of her life to helping handicapped children throughout the world.

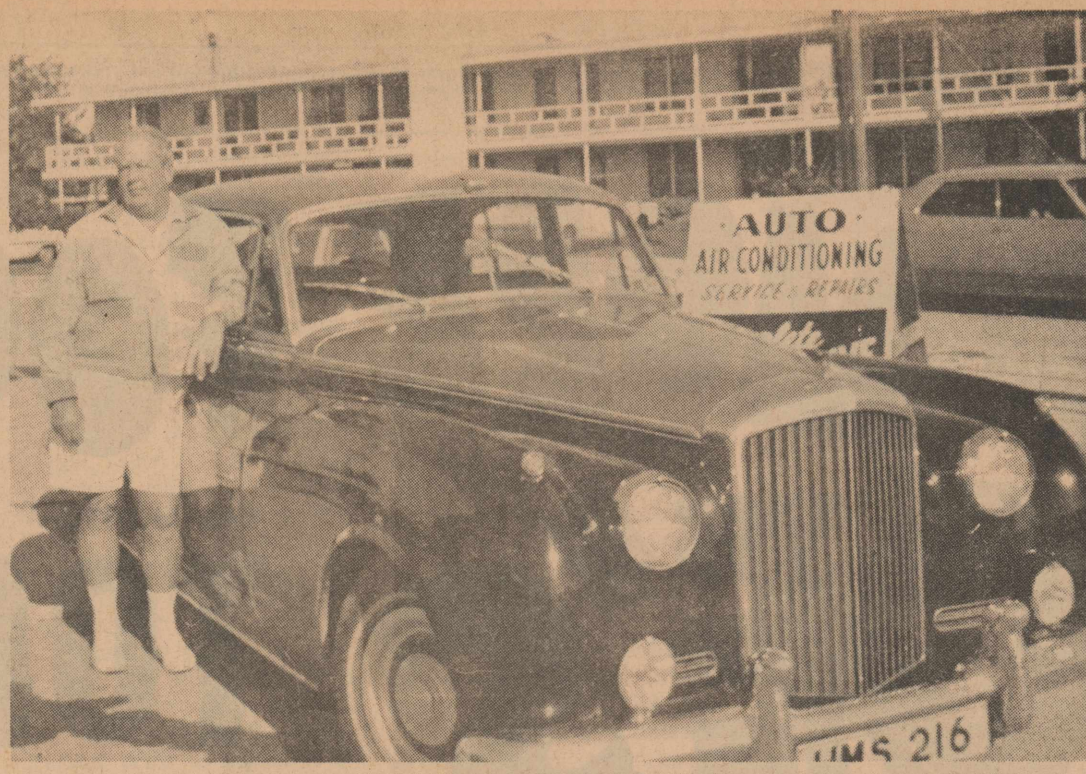

The late President John F. Kennedy sent Mrs. Mokrzycki to Guam to establish a special school for mentally retarded children. When she opened the school, three children were enrolled; two years later there were 186; and last year, 480 youngsters were receiving special help and instruction.

The Beeville lady also worked actively helping mentally retarded children in Saigon and in Thailand.

In her travels throughout the world when her husband was in the armed service, Mrs. Mokrzycki worked with needy children in 21 foreign countries, was wounded by shrapnel while in Italy and was decorated by three kings and two queens.

Looking much younger than her 70 years, the lady is now taking special courses at the University of Texas "to learn more and continue to be of service."

And those who attended the B&PW dinner would add, "To keep young."

C of C Happenings

Beginning Nov. 1st, the Chamber of Commerce is starting a new service for its membership: the preparation and distribution of a monthly calendar of coming events, such as lodge meetings, game nights, etc., which will be of interest to many winter tourists.

To make the calendar complete, the Chamber asks local organizations planning special events to call the C of C (729-6445) so that these events will be included in the calendar.

R. L. Eckman provided refreshments last week for the Chamber of Commerce hospitality for visitors, and Lynn Motel provided the refreshments this week.

The following news bulletin was sent to all members of the Chamber of Commerce this week:

NEW "COMING EVENTS BULLETIN" - The Chamber has prepared and mailed out a listing of local events for November which will be of interest to tourists. The listing includes when and where meetings will be held by such organizations as Rotary, Rockport and Fulton Lions, Masonic Lodge, Eastern Star, Rebekah Lodge, etc., and when and where bingo game nights are scheduled. These "coming events" schedules were mailed to motels, mobile home parks, marinas and wash-aterias for posting on bulletin boards. This will be a monthly project. Any other C of C member desiring to receive this schedule is asked to call the Chamber office.

ADVERTISING IN NORTHERN NEWSPAPERS - Attractive ads have been prepared by your Public Relations Committee, illustrating and describing the attractions of the area for

winter visitors interested in vacationing here or moving here. The ads will appear in the Minneapolis Tribune and Des Moines Register in Sunday travel editions in November. Combined paid circulation of these two newspapers exceeds 1,000,000. Our ads are "keyed" so we can check the number of inquiries we receive as a result of these ads.

READY TO LISTEN - An eye-catcher in the Port Lavaca-Calhoun County newsletter was: **PROBLEMS ADMITTED FREE WHEN ACCOMPANIED BY AN ADULT SOLUTION** - We are ready to listen to your problems and/or suggestion - but are you ready to offer an adult solution and then be willing to help get the job done?

TRAVEL EDITOR COMING - We have been informed that Roger Swanson, travel editor of the KANSAS CITY STAR, will visit here to do an article on our region. The Chamber will help him in every way possible

and see to it that his visit is an enjoyable one.

FIRST TIME FOR EVERYTHING - We have been asked to do quite a few unusual things at the Chamber office but we received a request last week for a bottle of bay water. I hope the word doesn't get out that we are sending salt water through the mail. If that bottle of water gets broken on its way to Iowa, there may be some wet mail and postmen.

FISHING TOURNAMENT - Again we want to remind you about our fishing contest to be held from Dec. 1 to March 1, 1972.

Following Chairman Hugh Morrison's untimely death, Max Grobe has agreed to be chairman with the help of Harry Wilson, Billy B. Dunlop, Jim Causey and John Kinsey.

We do need more prizes. Please call and let us know what you wish to contribute for the prize list.

SIGN AT SHOPPING CENTER -

Golden Age Elects Officers

The Golden Age Club held the regular monthly meeting in United Methodist Fellowship Hall October 19th. Plans for the rest of 1971 were completed. The next meeting will be Nov. 16 with Mr. and Mrs. John Reese as host and hostess. The December meeting was changed to December 7 instead of the regular 3rd Tuesday to avoid conflict with other activities that week and to make possible a pot luck supper. Everyone is asked to bring one dish of food. Visitors are always welcome, and a special invitation is extended to winter guests.

The following slate of officers was reelected: President - Mrs. Jack Horton; Vice President - Mrs. Elsie Wilder; Secretary - Treasurer - Mrs. Wm. F. Riser.

Following the business session there was a social hour and games. Mrs. Leonard Hensley and Mrs. Wilfred McCoy were hostesses.

A million automobiles were produced in one year for the first time in 1916.

Air Conditioned Mail for humid beings. (Tourist Talk).

GUEST REGISTER - We have a register for our winter visitors and we would like to have all of them drop by and sign our guest book and put where they are staying. This register has come in handy many times in locating people for their relatives or friends. Please remind all the visitors you come in contact with to be sure and come by the Chamber office and sign our guest register.

A PINT of example is worth a gallon of advice! (Tourist Talk).

See you next month!

Pharmacy Topics

By
SHELLEY ROATEN

An old remedy for nosebleed was to bathe the feet in hot water and drink a pint of cayenne pepper tea at the same time. It was something to sneeze at!

A Stanford University doctor says that overuse of sleeping pills may eventually interfere with sleep, rather than induce it.

Men who survive heart attacks have a better than four-to-one chance of returning to work in less than a year, according to a survey made in Tokyo.

Non-prescription medications used to treat warts should be applied carefully, and as indicated on the label.

Poor posture is said to be the most prevalent problem in physical fitness among young people, especially girls.

When your doctor prescribed the best, we do the rest, at

Roaten's
the pharmacy with the "bed-side manner."

Brownie Troop 431 celebrated its troop birthday, investiture and gave three girls year membership stars on Oct. 14.

The girls invested were: Gwendolyn James, Dana James, Ruby Jordan, Deanna Garcia, Christine Maley, Sherry Miley, Shari Simpson, Cindy Schexnider, Tammy Stephens, Debra Underwood, Angela Warren, Carol Witt, Cheryl Witt, Tammy Bagley, Regina Miller, Sheryl Wells, Elizabeth Villa, Stephanie Hattenbach and Kerry White.

Girls receiving year membership stars were Connie Flores, Donna Garcia and Kathleen Tillison.

Birthday cake, nuts and mints were served to the girls and their parents.

Ladies of 1909 Continue Their Improvement Work

The Civic Improvement League met at the usual time and place Nov. 11, 1909.

The minutes of the previous meeting were read and approved.

Not being able to secure a team the weed cutter had not been put on trial and Mr. Stevenson would not allow the League to pay transportation from Corpus Christi as he thought it might not fill all requirements. He reported that all money had been collected for attachments to the chemical engine which were now en route. Ten men had signified their willingness to join the fire company.

Mr. R. P. Bracht reported he

had not the facilities for making the fence post moulds and advised a correspondence with Houston dealers. A motion was made and carried that Dr. Bailey be authorized to order posts at reasonable rates and have them sent on at earliest convenience.

Mrs. Neopes had been offered 150 or 200 privet sprouts for hedges in the park.

Mr. Branch sent word he was too busy getting out his new paper to attend the meeting, but would submit advertising matter later.

The recording secretary had written Mr. Nenion but received no answer.

Mrs. Kearwell said an agent from Fort Worth had been here looking up the prospect of sinking an artesian well, and it was thought advisable to get in touch with him.

The subject of the seal wall was again brought up and those present agreed that as certain parts of the water front are getting dangerous from the encroachment of the bay, the property owners must be frequently reminded of the fact. R. P. Bracht was appointed chairman of a committee of his own selection to ascertain what could be done.

Mr. McVeigh, the newly arrived harness maker was pre-

sent and said he was well pleased with our town and would be ready for business next week.

Mr. Charles T. Neff of Tucson, Arizona, was present and in a neat attire before the League, congratulated the ladies on their achievements in civic improvement.

He thought the time had come when we should drop the motto "Watch Rockport grow," and substitute "Make Rockport grow."

His opinion was that our locality for a great city could not be excelled in point of climate, health, fullness, beauty of scenery and many other natural advantages. Our greatest need was to have proper accommodations for the travelling public in better hotels with good water and sewer systems. Several excellent ideas were presented about hotels, both old and new, which will doubtless be acted upon. Mr. Neff requested to be made an honorary member. Mr. S. A. Clevenger also became an honorary member.

Receipts \$2.40. There being no further business the meeting adjourned. Gertrude B. Grewe Rec. Sec'y.

This is a continuation of the story of the work of the Civic Improvement League, an organization formed by a group of

ladies here on Sept. 2, 1909. The historical data--in the form of minutes of the League--was turned over to Emory M. Spencer who gave it to Dr. A. Ray Stephens to form a part of the History of Aransas County, 1871-1971, by Dr. Stephens.

On account of the coolness of the weather and no fire in the City Hall the Civic League meeting Nov. 18 was not largely attended.

However, the usual enthusiasm prevailed, and after the minutes were read and approved plans were laid for a systematic course of advertising. In view of the approaching auction sale of land at Aransas Pass which will bring a great many visitors to the coast country, it was thought advisable to be prepared with descriptive data in the way of circulars, maps, etc., for general distribution. Miss Friend, Miss Taylor, Mr. Klevenger and Mr. Branch were added to the advertising committee.

Mr. Frank Spark's name was enrolled as an honorary member.

The editors of both papers being too busy to be present had requested a full report of the meeting. The recording secretary took pleasure in complying with same.

The chairmen of the various committees not being present, there were no reports.

The meeting adjourned at an early hour. Gertrude B. Grewe, Rec. Sec'y.

The Civic Improvement League meeting on Thanksgiving night demonstrated that the members, collectively and individually, had much to be thankful for. So important was this meeting considered that several members refused invitations to an elegant dinner party in order not to delay the business that was pending.

The minutes were read and approved.

The president, Mrs. Hoopes, explained the situation regarding the renting of the pavilion and the difficulties likely to be encountered. At a previous meeting the corresponding secretary, Mrs. Bailey, had been requested to write Mr. Kenyon about securing the property and two letters were read in answer to same. The president had wired acceptance of the terms agreed upon when Mr. Kenyon was here, and one of the letters was to her, elaborating upon his offer with some corrections. The gist of the letters was that the League could have

The Rockport Pilot

Thursday, Oct. 28, 1971

PAGE FIVE

the use of the pavilion for one year at \$30 per month and he would put two coats of paint on the outside, that the studio was to be regarded as a donation to the League for the same price.

As the chairs and benches had been removed from the pavilion by Mr. Kezield, the president and secretary on advice of many of the business men, canvassed a portion of the town and secured subscriptions enough to justify sending an order for 200 folding chairs at \$7.00 per dozen. The action of the officers was unanimously approved.

Dr. Bailey, the chairman of the park committee, was absent, but a recent letter received by him from a Houston firm was referred to by the president as stating a rather high rate for fence posts by the time they were delivered, and some discussion followed as to whether it would not be better to use

cedar or cypress posts. Mr. Stevenson said Mr. Young had a turning lathe that could be utilized in ornamentation without much expense. No action was taken.

Mr. Klupenger, representing the advertising committee, reported that the new circulars would cost \$8.00 for the first thousand, and \$3.00 for subsequent orders. With maps, cuts, and descriptive matters 5,000 could be obtained for \$25.00. The committee was authorized to have the work completed as soon as possible. The name of C. W. Hall was added to the advertising committee.

Mrs. A. L. Bracht reported \$21.60 in the treasury. Receipts

of this evening 50¢ dues.

The ladies of the club agreed to meet at the pavilion Friday afternoon, examine the premises and note necessary changes.

Tuesday night was agreed upon as a suitable time to invite the gentlemen to cooperate in a general cleaning.

The advisability of securing an efficient manager for the pavilion was discussed and applications for the position will be considered. Also applications for the bathing privileges and refreshment stands.

Mrs. W. R. McCown was present and gave her name as a prospective member.

There being no further business, the meeting adjourned.

"A BUY FROM SECURITY — IS A BUY OF SECURITY"

Art Guild Gatherings

By
JAN WENDELL

On Thursday, October 28, Dr. Eleanor Valentine will begin teaching watercolor classes in the Rockport Art Ass'n. Gallery at 105 S. Austin St. The classes will be in the afternoon from 1 until 5 and the tuition will be \$1.00 per hour.

Dr. Valentine, a recently retired pathologist, and her husband have maintained a home in the winter months in Rockport for many years. Dr. Valentine has studied with Edgar Whitney, John Pike, Robert E. Wood, Bud Biggs, Bogomir Bogdanovich and many other of the most prominent U. S. watercolorists. She has taken innumerable prizes at shows—one being First Place at the 1968 Texas State Fair. She has been accepted and is a member of the Southwestern Watercolor Society, the Texas Watercolor Society and the Texas Fine Arts Society. Her classes in the Gallery will continue on Thursdays until next summer. Dr. Valentine is also a member of the Rockport Art Ass'n. and the members feel very fortunate to have her teaching this year. The classes are open to all interested artists, not just members of the Ass'n.

The Ass'n. was represented at the Victoria Nazareth Academy Fall Festival and Art Show with 5 artists out of a

total of 25 showing. The show was on October 20 from 5 to 9 p.m.

The Artmobile of South Texas will again be in Rockport this year from October 28 to November 2. The hours will be from 9 to 12, 1 to 5 and 7 to 9 p.m. The Artmobile will be open to the public free of charge and will be located along side the Art Ass'n. Gallery. See another part of the Rockport Pilot for a full explanation of what is to be seen this year.

RUMMAGE SALE

The Episcopal Women have set Thursday afternoon and Friday, November 4th and 5th as the date for their fall rummage sale.

Anyone wishing to donate items may leave them at the Parish Hall of the Church, corner Live Oak and Mimosa, or call Bessie Johnson, Chairman 729-5687, Mary Godwin, Co-Chairman at 729-2777, or Dorothea Montgomery, President 729-2164.

The money made from sales of items supports the mission work of the church women. Items left over are distributed for use of a mission in the Valley.

MENTAL HEALTH MATTERS

Bertram S. Brown, M.D.
Director
National Institute of Mental Health

YEAR OF THE CHILD

Some have called this "The Year of the Child" because of the attention that should be paid to the health and welfare of our Nation's young.

Certainly, we at the National Institute of Mental Health have made our No. 1 priority the matter of promoting the mental health of children and preventing, treating, and rehabilitating from mental illness.

To this end, we have been working hard with all kinds of organizations and with staff specially charged to study and recommend sound activities for child mental health. We believe that this is going to pay off in new and improved services for children which eventually will be seen in every community in the land.

A number of exciting concepts and recommendations have been made which should aid toward this goal.

The theme has emerged that services for children should be designed around the child in a family context as a community member and not in isolation. Along with this goes new emphasis on and the development of services for children in the pre-school area, which can head off illness and promote mental health.

A new activity being urged is the implementation of several demonstration projects in the field of child advocacy. Advocacy is a voice for children leading to improved research, training, and services for the mental health of children.

It is the planned development of national, state, and local programs aimed at support for better mental health information, education, treatment, and rehabilitation services for children, their families, and for society as a whole.

Most importantly, child advo-

Question And Answers to Veterans Benefits

Q: My husband, a World War II veteran, passed away recently. Is he eligible for a headstone?

A: Yes. Any deceased veteran of wartime or peacetime service whose past period of service was terminated honorably is eligible for this benefit.

Q: I draw VA compensation, and would like to know whether I can have payments on my VA insurance loan deducted from this compensation?

A: Yes. If you wish to use this method of repaying your insurance loan, get VA Form 29-888 from your nearest VA office, complete it, and forward it to the VA office to which you pay your insurance premiums.

Q: I am a Vietnam veteran interested in training under the G. I. Bill, but am not sure what courses I should take. Can VA assist me?

A: Yes. If you are eligible for training under the G. I. Bill, you may receive vocational counseling, without cost, at your nearest VA office. A counselor will help you to better understand your interests, aptitudes, and abilities, and provide information on occupations you might want to consider.

Oil News

Continental Oil Co. has worked over the No. 13 St. Charles Company for an absolute open flow of 2,730 Mcf of gas a day. Gas-condensate ratio was 77,266-1 and liquid gravity was 49.4 degrees. On test through adjustable choke the well flowed 870 Mcf with 4,790 pounds wellhead pressure. Shut-in pressure was 5,708 pounds.

The Aransas County Black-jack Field Well, located 8.5 miles south-southwest of Austwell, produces from perforations at 10,260-84 feet. The well was bottomed at 11,275 feet and plugged back to 10,286 feet.

cacy means translating rhetoric into action. Advocacy cannot come to mean just noise. Advocacy means bringing together everyone, from professional workers to citizens, to act for the mental health of children. Community health agencies and mental health associations are among the essential partners of this effort.

Miss Shirley Clark, Dan Oliver Exchange Vows

Miss Shirley Ann Clark and Dan T. Oliver were married October 16 in the First Baptist Church with Rev. Charles Fake officiating before an altar decked with two candelabra and baskets of white gladioli.

Parents of the bride are Mr. and Mrs. Steve E. Clark, and the groom is the son of Mr. and Mrs. Manuel J. Oliver.

Given in marriage by her father, the bride wore an A-line satin gown with an empire bodice. The bodice was encrusted with beads and pearls that accented the neckline. A bow at center front, long bishop sleeves ended in deep cuffs. The circular chapel length train fell from the back of bodice. Her veil of illusion was held by a satin dior bow in white. She carried a bouquet of white carnations centered with an orchid.

Miss Linda Clark, sister of the bride, was maid of honor. Bridesmaids were Marie Clark, cousin of the bride, and Dee Ann King. The flower girl was Nancy Hesskew, cousin of the bride.

The bridesmaids' dresses were formal empire gowns of pink satin, overlaid with hot pink chiffon, and a bodice of pink velvet, with sleeves made of chiffon. They wore pink bows in their hair, and each carried a bouquet of pink carnations. The flower girl's dress was of light pink satin, overlaid with pink nylon. The bodice front was overlaid with rows of lace, with a white bow in her hair. Her bouquet was a basket with pink carnations.

Best man was Bill Oliver, brother of the groom. Grooms-men were Richard McMakin and Floyd Clark, brother of the bride. Ushers were Charles Cruser and Ricky Roe. Russell Wagster was ring bearer, cousin of the bride.

The bride's mother wore a turquoise double knit dress with black suede accessories and white carnation corsage. The groom's mother wore a pale lavender polyester crepe, with matching nylon net coat and matching accessories and a white carnation corsage.

The nuptial music was played by Mrs. Norman McLead at the organ. Rev. Charles Fake sang the Lord's Prayer at the close of the ceremony.

The reception was held in the fellowship hall of the First Baptist Church. The bride's table was laid with white lace over white satin and a candelabra arrangement of pink carnations on one end and punch bowl on the other and centered with a four-tiered wedding cake, which was served by Mrs. William Clark, aunt of the bride, and Mrs. Oscar Bauer. The pink lemonade was served by Miss Brenda Hawes.

The groom's table was laid in beige lace over beige satin which held a single candelabra, with fern, and a German chocolate cake, which was surrounded by pink mints and mixed nuts. Serving at the groom's table was Miss Betty Bauer. Coffee

was served by Mrs. Robert Oliver.

Following a honeymoon trip to McAllen, and surrounding areas including Mexico, the newly-weds will reside in Rockport where Mr. Oliver is employed with Jerry's Dairy Queen Incorporated, as manager of Rockport-Fulton Dairy Queen, under supervision of Richard Cox of Victoria. Mrs. Oliver is employed at Wagley Lumber Co. of Rockport.

Shirley Clark Is Honored

Shirley Clark, bride-elect of Dan T. Oliver, entertained her bridesmaids with a steak supper in her home Oct. 13.

Guests in attendance were Linda Clark, sister of the bride, Dee Ann King, Mrs. Manuel Oliver, mother of the groom, Mrs. Steve Clark, the bride's mother, and Miss Brenda Hawes.

Following the supper, rice bags were made and Miss Clark gave her gifts of white gloves and crystal bud vases to her bridesmaids.

Library News

A report from the Aransas County Public Library shows October to be a very busy month. There have been 42 new library cards issued, and about 1000 people have visited the library, and over 1000 books have been circulated. Many new books have been received recently.

Memorials have been given by Mr. and Mrs. Max Keller, Mr. and Mrs. Fred A. Bracht, Ed J. Frazer, Jr., Mark Todd McGlathery, Mr. and Mrs. Raymond Owens, and Mr. and Mrs. P. M. Winkler.

Books have been received from Mrs. O. P. Vest, Mrs. T. E. McArdle, Sr., Mrs. T. E. McArdle, Jr., Mrs. Wesley Morgan, Sue Dexter, Mary Wied, Ken Carpenter, Marie Tong, and Mary Lou Foree of Dallas.

CONGRATULATIONS

Dr. and Mrs. James Courtney of Great Bend, Kansas are the parents of a baby daughter, Carla Shedawn, born Oct. 10. Mrs. Courtney, the former Alva Henley, was music director in the elementary schools here from 1967 to 1970.

Letter to the Editor

Since Commissioner Raymond Owens appears satisfied with the present budget for controlling mosquitoes in Aransas County, and his letter in a recent issue of the Pilot questions certain facts raised by this writer, it is timely to comment further.

It is this attitude of self satisfaction that all is being done that could be done which is the basis of this County Commissioners failure to do a better job in Aransas County in two most important areas, Mosquito Control and a Workable Drainage System.

Here are some facts which should be considered objectively and not on a personality basis.

1. The County has an excellent construction and maintenance crew, but the work they do demands engineering help to establish workable grades and culvert installations, priority for work is not based on need, but on a share basis.

2. The "eye balling" practice of the past has not and cannot do the job right, as is evidenced by the many failures County wide in the drainage structures.

3. The mosquito is not only a nuisance which is denying many non-residents as well as residents, the full use of their land, but it is also a menace to the health of people and horses. It is essential to the welfare of this County that an adequate Control program be worked out. When was the last time the Commissioners went to the State Government for an increase in the tax rate for mosquito control as a health measure? Are they still satisfied that they are now doing all that can be done to control this

Important health menace?

4. The necessity for a County drainage program was demonstrated by the Hurricanes of 1961, 1967, 1970 and now 1971. Talk YES, satisfactory action NO.

5. Why is it there is plenty of money to buy shell and stack it high for future use, and no money for the essential needs to protect health and property?

There are many examples of the waste of taxpayers' money which could be discussed, but the money is spent and gone. It is more constructing to have sufficient determination now to do more, to meet today's needs adequately than to give up, not try and to continue some of the present ineffective practices.

M. W. Cochran

Happy Homemaking

By BARBARA BAKER

Instead of discarding old dish drainers, save them to use in the winter time. Place them on several thicknesses of newspaper and place wet boots in them to drain. When you want to move the boots, they will be dry and, if enough newspaper is used, there is no mess. Just roll up the paper and discard.

In winter, carry a small box of salt in your purse and put one in your husband's overcoat pocket. Sprinkle some salt in front of you on slick spots, such as slippery steps.

A common dustpan makes the best sort of shovel to use when cleaning snow off of

steps or outside stairways. Begin with the bottom step and scoop as you climb. Try this the next time it snows—it is quick, easy and efficient.

Salt rings can easily be removed from snow boots and galoshes by brushing them with vinegar and cold water.

To combat the problem of mud and snow being tracked into the house, take a one-inch-thick board one-foot square and nail pop bottle caps upside down on it, as close together as possible. Shoes are easily cleaned by scraping the soles lightly over the caps.

Who's Who at First National

A member of the staff at First National Bank since November, 1970, Joyce Hill is note and exchange teller. She operates a specialized window

set up several months ago to provide improved service for customers making payment on loans or purchasing bank drafts or travelers checks.

In addition to being a high school graduate, Mrs. Hill has taken American Institute of Banking courses. Prior to joining First National she was a bookkeeper at American State Bank in San Antonio, where she was born.

Mrs. Hill lives at 217 Ivy Lane with her husband, Gilbert H. Hill, Jr., who is a carpenter. They have two children, Richard Wayne, age 6, and April Lynn, age 2.

Mrs. Hill is a member of the First Baptist Church and is the Outreach leader for the church's married young adult group. Her hobbies are painting and sketching.

4-H News

Recreation and a barbecue highlighted the day's activities as over 50 4-H'ers and Adult Leaders met Saturday, Oct. 16 at the U. S. Army Reserve Training Center for their County 4-H Leadership Lab. 4-H'ers from across San Patricio and Aransas Counties represented eight different clubs. Represented were the San Patricio 4-H Club, Odem 4-H Club, Aransas County 4-H Club, San Pat Horse Club, Ingleside 4-H Club, St. Paul 4-H Club, Sinton 4-H Club and West Sinton 4-H Club.

Members of the planning committee included Lynn Kleschnick, Sharon Maxwell, Connie Silva, Mark Majeck, Elizabeth McCown and Mary Beth Rhule. They planned and carried out the lab with the idea in mind that leadership must be learned through active participation. Everyone was involved in group discussions and decision making, followed by oral reporting before the entire lab. Recreation followed the barbecue lunch. Active and involved 4-H'ers almost lost track of the time and when to go home.

REBEKAH LODGE NEWS

Noble grand Bonnie Clobberants presided at the Rebekah Lodge meeting Oct. 21. The lodge voted to recommend Vera Douglas for district deputy and Bonnie Clobberants for lodge deputy for 1972.

Erma Clobberants won the flower fund prize. The members enjoyed cake and lemonade served by the noble grand after lodge. Pearl Wright and Georgia Haynes were not able to attend lodge. Lawrence McLester is still seriously ill.

THE WAGE-PRICE FREEZE

Questions and Answers

Internal Revenue Service

This column of questions and answers on the Wage and Price Freeze is provided by the U. S. Internal Revenue Service and is published as a public service. The column answers questions most frequently asked about the Wage and Price Freeze announced August 15 by President Nixon.

Q: During the first week of August, my union reached agreement with my employer on a new contract giving me a wage increase. However, the agreement has yet to go into effect. Can I still get the additional wages?

A: The new rate can be paid if labor and management had reached an agreement and work was performed or wages accrued prior to August 15 at the new wage rate.

Q: Does the Internal Revenue Service have any publications giving information on the freeze?

A: Yes. Copies of "The Wage-Price Freeze: Some Questions and Answers" can be obtained without charge by contacting your local IRS office. The booklet is also available at many post offices throughout the country and from the 10 Emergency Preparedness Regional Offices.

Q: My apartment lease specifically provides for me to pay for any increases in property taxes. Can my landlord now raise rent on the basis of a property tax increase?

A: No. This is not permitted during the freeze.

Q: My employer hired me on a probationary basis. The established practice of the company is to increase wage rates at the end of the probationary period. My probationary period ends in two weeks. Can I still

receive a wage increase?

A: Yes. The probationary period is similar to an apprenticeship or learners' program and the wage increase may be granted if the probationary period for the job does not exceed three months.

Q: Can landlord evict a tenant for refusing to pay a rent increase during the freeze?

A: No. A landlord is in violation of the freeze if he attempts to evict a tenant for refusal to pay rent in excess of the ceiling rent applicable to his rental apartment or house.

A tenant threatened with eviction over an increase in rent during the freeze should immediately consult the Internal Revenue Service. The IRS has 360 offices throughout the country to investigate complaints and provide information about the freeze.

Q: Does the price freeze mean an end of special sales or reductions in prices?

A: No. The freeze simply sets a ceiling. Normal clearance sales and price reductions can take place.

Q: Are advance ticket sales for sporting events occurring during the freeze covered by the President's order?

A: Yes.

Q: Can insurance rates be increased during the freeze?

A: No. The freeze applies to insurance rates. However, if a rate increase was announced before August 15 and a substantial number of transactions occurred at the increased rate, the increase becomes the established rate. No additional rate increases are permitted during the freeze.

FOX FOR FALL is the message of this creation by Frank Olive of New York. A silver fox scarf is matched with a toque.

LEGAL NOTICE

ORDINANCE NO. 285

AN ORDINANCE CLOSING AND ABANDONING A PORTION OF A PLATTED STREET WITHIN THE CITY LIMITS OF THE CITY OF ROCKPORT, TEXAS

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKPORT, TEXAS in lawful session on the date shown below as follows:

Section 1: That portion of Old Broadway being a part of a city street or city right-of-way in the City of Rockport and which was formerly opened to the public but is not now being used by the public as a street and is not now opened as a street, and which is located on the easternmost side of Block K, Hotel Reserve Addition, of the Smith and Wood Division of the City of Rockport, as originally shown by maps of record in Volume E, pages 272-273, of the Deed Records of Aransas County, and in Volume 1, page 11, of the Map and Plat Records, Aransas County, Texas, and is further located immediately west of and abutting the western right-of-way line of present State Highway 35 as such Highway 35 parallels said Hotel Reserve Block K, and is further described as being a strip of land 14.15 ft. on the north running 171.0 ft. to the south and 18.15 ft. on the south, and same is permanently closed as a public street and as a public right-of-way and is abandoned as a public street and public right-of-way since same is no longer needed nor used for such purposes.

Section 2: The abutting landowners shall have such rights as are generally recognized by law to abutting landowners on an abandonment of a portion of a street.

Section 3: The City of Rockport retains the right to use said above described strip for the purpose of public utilities, public utility lines and public service lines if any exist within, on or under said strip, or if any be placed in, on or under said strip in the future.

Section 4: The fact that the said strip out of Block K, said Hotel Reserve Addition, being 14.15 ft. on the north, 171.0 ft. long and 18.15 ft. on the south, is abandoned and closed as a public street shall be published in full one time in the official newspaper of the City of Rockport, Texas, and shall be in full force and effect from and after such publication.

The foregoing Ordinance was regularly adopted this 19th day of October, 1971.

APPROVED:

Delmar R. Hiller, Mayor

ATTEST:

Herman C. Johnson, City Secretary

LEGAL NOTICE

ORDINANCE NO. 284

AN ORDINANCE CLOSING AND ABANDONING A PORTION OF A PLATTED STREET WITHIN THE CITY LIMITS OF THE CITY OF ROCKPORT, TEXAS.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKPORT, TEXAS:

Section 1. A portion of a platted (but unimproved and not being used for municipal purposes) street within the City of Rockport, Texas, to-wit:

a) Maple Street bounded on West by acreage in the T. T. Williamson Survey No. 221, bounded on the East by Omohundro Street, bounded on the North by Block 313, and bounded on the South by Block 305, Smith and Wood Division; and same is hereby closed and abandoned for all purposes.

Section 2. The portion of street hereby closed and abandoned is further identified by the attached plat, which plat is made a part of this ordinance for all pertinent purposes, the portion of street hereby closed and abandoned being shaded in red.

Section 3. The portion of Maple Street closed by this ordinance will be zoned R-1 Residential; the same zoning being in Block 313 and Block 305.

Section 4. This ordinance shall be published in full one time in the official newspaper of the City of Rockport, Texas and shall be in full force and effect from and after such publication.

PASSED AND APPROVED this 19th day of OCTOBER, 1971.

Delmar R. Hiller, Mayor
City of Rockport, Texas
ATTEST:
Herman C. Johnson, City Secretary, City of Rockport, Texas.

Letter to the Editor

Eulogy to a Friend:

Saturday morning, 1:10 a.m.

Hugh Morrison passed away. His life was one of "doing for others," and of personal pride in his children and their accomplishments.

He will be remembered well. As a neighbor, he has been a friend and one who would take time to help his fellow man. In time of need, he would be one who would always step forward.

We will miss him terribly. No longer will he face the East and watch the sunrise, or close up his shop as the daylight hours ended. He never did any complaining about problems that came his way, and he had placed his fate, completely, in the hands of his God.

This morning before dawn I heard his refrigeration equipment running still. Somehow, I had expected it to stop.

Goodbye Hugh. Until we meet again, I will remain

Your good friend,
Carl Duckworth

LEGAL NOTICE

NOTICE OF INTENTION TO ISSUE TIME WARRANTS

It is the intention of the Commissioners Court to authorize issuance on November 30, 1971, of Road and Bridge Time Warrants in payment of 300 Hydro-Scopic Hydraulic Excavator not to exceed \$16,824.28 bearing interest at the rate of not to exceed 5% per annum and maturing serially with the maximum date November 30, 1973.

The Commissioners Court reserves the right to waive formalities.

John D. Wendell,
County Judge c33

FULTON LIONS NEWS

The Fulton Lions Club prematurely opened their garage sale Monday for the Don Brooks.

The Brooks family lost their mobile home and personal effects by fire Saturday on Hwy. 881. The Lions Club did this as

a service at no charge. They have so much merchandise for this sale it didn't make a dent in it.

Do You Remember?

From The Pilot Files — 10 Years Ago

AREA DEVELOPMENT COMMITTEE APPOINTED

County Judge John D. Wendell appointed an area development committee of seven men and two women to deal with problems arising from the tremendous growth of this county and region and to act as an advisory committee on planning essential public works projects.

Named to the committee were Emory M. Spencer, James H. Sorenson, Jr., Dick Picton, Mayor Herman Johnson, Weldon Cabaniss, L. E. Casterline, Floyd Rouquette, Mrs. Everal West and Mrs. Robert Johnson.

CEMETERY ASSOCIATION MEETS

The quarterly meeting of the Rockport Cemetery Association was held at the home of Misses Vivian and Velma Picton, with Mrs. W. B. Allen presiding. Mrs. C. R. Gibson was welcomed as a new member. A nominating committee was named which included Mrs. S. F. Jackson, Mrs. Carolyn C. Hooper and Mrs. Mabel Bryant.

V. F. W. INSTALLS NEW MEMBERS

At a meeting of Stewart-Wendell Post 3904, Veterans of Foreign Wars, two new members—Lauriano Falcon and Louis Solis—were installed by Chester Johnson, judge advocate general.

Details of the Nov. 11 Armistice Day flag displays were discussed and Dr. Leonard Goldman was appointed flag captain.

COUNCIL AWARDS CONTRACT

The City Council awarded a contract for a new pickup truck to Atzenhoffer Chevrolet Company of Victoria. The Council also set the tax levy for the coming year at \$1.50 with 45 cents going to street maintenance, 20 cents debt service on the street improvement bonds issued when Loop 70 was built through the city, and 85 cents to the city's general fund.

Pvt. Joe L. Dominguez, son of Mr. and Mrs. Willie P. Dominguez, has completed his Air Force basic airman indoctrination course at Lackland Air Force Base.

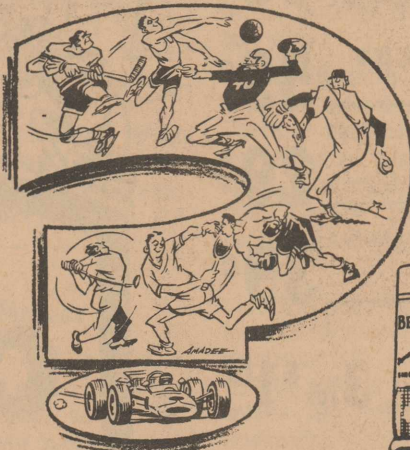

Lt. Harris Pollard left for Fort George Meade, Maryland, where he will be stationed.

Mrs. Harry Taylor left to visit her mother, Mrs. Jennie Gunter, at Fort Smith, Ark.

Mr. and Mrs. R. B. Sipe visited Mr. and Mrs. Burl Wagley in Houston and attended the Hardin Simmons--University of Houston football game.

John Robert Barber returned from Fort Votr, Virginia, with his discharge from the Army. He was in the reserves and was called into active service soon after the war started in Korea.

Jim Beam Sports Quiz

Q. Who holds the record for throwing the most touchdown passes in a single season?

A. The one-and-only Y. A. Tittle. As New York Giant player Number 14, he completed 36 of the big ones in 1963. And that's a record that ought to be around for quite a while.

Tags Trace Monarchs' Trail

Don't be surprised if some of those pretty, golden brown butterflyed in your yard this fall have numbers on their wings.

The Monarch butterfly has been passing through here for the past several weeks in its annual migration to Mexico and Central America to escape the cold of winter.

The University of Toronto has had 200 persons in the United States and Canada tagging the Monarch to study its migration.

Mrs. Dorothy Yeager of Pearsall, who comes to Corpus Christi in the fall and spring each year for the Monarch's migration, was there this weekend tagging butterflies.

"The Zoology Department of the University of Toronto has us stick tiny, white, numbered tags with gummed backings on the butterfly wings," said Mrs. Yeager.

"Sometimes 30-40 of the butterflies will roost at night on one plant and they're easy to catch with a net," she said. Mrs. Yeager has tagged 2,000 of the Monarchs passing through Pearsall in recent weeks.

The Monarch migration traces a long path each year from northern states and Canada down to Central America in the fall and back again in the spring.

"I wish we could find someone in this area to help tag the butterflies. We don't know how long they live or how far they fly."

"I have kept them alive for six weeks in a cage by feeding them honey and water, but I don't know how long they live in the wild," she said.

The longest recorded flight of a Monarch, she said, was of one found in Mexico that had flown 1,870 miles from Canada.

Now she raises 6,000 Monarchs and releases them every year. A diorama display of the Monarch made by her will go on display soon at the Witte Museum in San Antonio, she said.

--Caller-Times.

Cemetery Ass'n Holds Meeting

The Rockport Cemetery Association met on October 25. There were ten members present, and one guest, Blas Ramirez.

The meeting opened with the Lord's Prayer. The minutes of the previous meeting were read and approved. The treasurer's report was read and approved.

Mrs. W. B. Allen, president, stated there had been 42 funerals this year with burials in

the Rockport Cemetery. She stated that several water hydrants had been broken by cars, and that there would be installed cement posts to protect them.

It was decided that all meetings would be held at 3 p.m. in the future. The association will meet again on January 24, 1972.

Consumer demand for beef has increased steadily since 1950 when the average person ate about 63 pounds as compared to 114 pounds in 1970.
