Sen. A. R. Schwartz Takes Action on Insurance

Sen. A. R. Schwartz has notified the Rockport Pilot of the following action he has taken to fight exorbitant windstorm insurance rates.

In a letter he stated: "The enclosed resolution which I authored was adopted unanimously by the Senate March 29. Now my Coastal Zone Committee will be able to conduct meaningful hearings on this vital issue and bring about rate

reductions in the pool as well as other property coverage. "Please excuse my hasty note but we are rushing to end this Special Session."

Thank you,
A. R. Schwartz

The resolution states:

WHEREAS, In 1971 the Legislature of the State of Texas recognized the critical need for adequate windstorm insurance

coverage in the Coastal Zone by enacting Senate Bill 31, the Texas Catastrophe Property Insurance Act; and

WHEREAS, The Act authorized creation of a windstorm catastrophe pool for high-risk property; and

WHEREAS, The possibility of property damage from hurricane force winds led the State Board of Insurance to permit pool rates and conditions other than manual rates and ordinary conditions for the first tier of counties in the coastal zone; and

WHEREAS, Cancellations of existing policies by insurance companies and refusals to write coverage of ordinary risks at manual rates have stimulated protests by thousands of citizens of the coastal zone who can only obtain property insurance at high risk pool rates; and

WHEREAS, These protests have led to two public hearings called by the State Board of Insurance, which ordered a reform of the pool rate structure and agreed that the pool was never intended to cover all property in coastal counties; and

WHEREAS, Many similar protests have been received by the State Interim Coastal Study Committee and are still being received; and

WHEREAS, The Interim Coastal Zone Study Committee is a proper forum to investigate citizens' complaints regarding the availability of insurance at reasonable rates for property owners in the coastal zone; and

WHEREAS, The availability of property insurance at reasonable rates is an important factor in the continued growth and economic stability of the coastal zone; now, therefore, be it

RESOLVED, That the Senate of the State of Texas directs the Senate Interim Coastal Zone Study Committee to conduct hearings concerning the operation of the windstorm catastrophe pool in the coastal zone, and be it further

RESOLVED, That the Interim Coastal Zone Study Committee shall co-operate with the State Board of Insurance in attempting to find a reasonable solution to the problem of high insurance rates in the coastal zone.

Final P.T.L. Meeting April 10

The Parents and Teachers League of the Rockport Elementary School will hold its final meeting of the school year Monday, April 10, at the school auditorium. The meeting will begin at 7:30.

The results of the P.T.L. rummage sale will be reported and progress toward air-conditioning the library will be discussed. Progress reports will be given on the rest of the resolutions that the P.T.L. passed at the first of the school year.

Four members of the board of directors retire from office automatically at the end of the school term. An election will be held at this meeting to select four new members for the board.

Student art work done in the P.T.L. Rockport Art Association sponsored Art-In-School program will be displayed in the main hall of the school building the night of the meeting.

All parents of students are urged to attend this meeting of the P.T.L. The review of progress to date and the selection of new officers are both important to the future of the P.T.L.

Baptist Choir To Present Cantata

The Choir of the First Baptist Church will present the Easter Cantata, "The Glory of Easter" by John W. Peterson on Sunday morning at the 11:00 service. Solos in the Cantata will be sung by Jenell Stewart, Eddie Bradley, Larry Stewart, Linda Bradley, David Fake, and Jackie Hattenback. The community is cordially invited to attend the presentation.

CITY ELECTION WINNERS — Victorious in the election April 1 were (left to right) Murray McMillan, alderman, Ward 2; Walter S. Falk, Jr., mayor; and Joe "Pepe" Zambrano, alderman, Ward 1.

Horse Show On April 16

The Aransas County Riding Association will hold a Spring Horse Show April 16, starting time 10 a.m. There will be 29 events, with first places receiving 50 pounds of feed and rosettes, and grand prizes of High Point Rider receiving 1,000 pounds of feed and High Point Horse receiving 1,000 pounds of feed.

Events include 1971 registered fillies, colts and 1971 grade colts, 1969 and 1970 registered stallions, registered mares and registered geldings, 1969 and 1970 grade mares, geldings and 1968 and before registered stallions, registered mares, and registered geldings, 1968 and before grade mares, and grade geldings.

There will be a tiny tot halter class for children 8 years and younger. Riding events include Jr. and Sr. Western Pleasure, Jr. and Sr. Reining, Jr. and Sr. Trail Class, open poles, open figure 8 barrels, stump race, and key hold race.

Jrs. are 14 years and under, Sr. 15 years and over. All events are \$2.00 except Tiny Tot, which is \$1.00. Papers are required on registered horses. Three roping events are break-away, ribbon roping and the down roping. Roping events are \$3.00.

For more information or early registration contact Linda Ayers, in Corpus Christi, Texas, a/c 512-853-6139 or contestants may mail their entry fee along with a list of events to be entered to Aransas County Riding Association, P. O. Box 871, Rockport, Texas 78382. Entries must be mailed before April 12, or contestants may register before 10:00 a.m., April 16. The arena is located on Highway 35 North.

MAN INJURED AT CAR WASH

Leonard Brakke, 63, of northern Minnesota, was injured Monday in a freak accident at the Robo-Wash on Highway 35 North. He suffered two fractured ribs, bruises and lacerations and is recuperating in a hospital. It was reported that Brakke drove into the car wash stall, got out of the car and apparently was pinned against his auto when the cleaning brushes started operating.

CANCER CRUSADE — Solicitations for the business section of the American Cancer Society began April 3rd. Pictured are the members of the business section who will be contacting local merchants during the drive.

Left to right standing are Wayne Smith, Bill Janeczek, Reverend Paul Bohot. Seated left to right are Jim Fowler, Billy Harper and Sam Simpson. On the committee but not in the picture are Eddie Ratliff and H. C. Underwood.

Hearing On Insurance Is Set For April 17

As a result of a recent meeting of residents of this area with State Senator A. R. Schwartz of Galveston and Representative Leroy J. Wieting of Portland on the windstorm insurance problem, the Texas State Board of Insurance has agreed to hold a public hearing in Rockport April 17. Time and place of the hearing will be announced later.

Larry Teaver, chairman of the insurance board, has agreed to the hearing at which specific problems of this area will be aired with the hope that rules governing the so-called catastrophe windstorm insurance pool will be changed. As now

established, several of these rules are considered arbitrary and highly discriminatory against property owners in Aransas County and adjacent areas.

In preparation for the hearing, petitions signed by individuals and resolutions passed by organizations demanding windstorm insurance relief are being prepared. In addition, forms will be available on which individual property owners may list their specific problems, covering inability to obtain insurance or exorbitant rates being demanded for coverage. This material will be presented to the

Insurance Board.

It is planned to have a committee representing Aransas County, Rockport, and other business, professional and civic leaders organize local participation in the Rockport hearing.

Possibility of some relief for this area also was seen in action of the state senate during the recent special session of the legislature directing its interim coastal zone study committee to hold additional public hearings concerning operations of the insurance pool.

Two public hearings already have been held on this problem, the most recent one February 14 in Austin. Apparently the promised Rockport hearing will be the third in the series.

Following the Austin hearing in February, the State Insurance Board ordered a number of changes in the rules, several of them beneficial to Coastal area residents.

However, one rule which has aroused strong protest in the Aransas County area requires that all buildings located within 2,500 feet of coastal bay waters be charged premiums which are three times the normal rate for windstorm insurance. The only exception is for buildings situated at least 20 feet above mean sea level or behind a seawall.

This so-called "beach" area includes all of the business sections of Rockport and Fulton, as well as most of the residential areas. In all this zone in Aransas County there is only one small spot where the elevation meets the 20-foot minimum requirement, and there is no seawall in this area.

Suggested resolutions and petitions as well as forms for listing individual windstorm insurance problems will be available at City Hall.

Representatives of local organizations are urged to pick up resolution forms, and individuals who are willing to circulate petitions are asked to get them as promptly as possible. It also is hoped that scores of individuals will complete the forms describing their insurance problems. It is felt that the names of hundreds of local property owners on these instruments will impress members of the State Insurance Board with the need for changing present rules.

Rotarians Hear Talk on Navy

A plea for more general public support of the U. S. Navy's recruiting efforts was made at a luncheon meeting of Rotary Club March 29 at Corky's restaurant.

Chief Petty Officer Ronald Robertson of the Corpus Christi recruiting office described the many changes which have taken place in the Navy in recent years and told of educational opportunities it offers. He asserted that a three-year tour in the Navy provided more specialized knowledge in a specific field than a four-year college course.

Chief Robertson started old time Navy men in his audience who remembered getting \$21 a month by stating that today's Navy recruit draws \$288 a month take-home pay.

As an example of progress in the modern Navy, Robertson said the under-water cruising range of a nuclear powered submarine is limited only by its capacity to carry food for its crew. Otherwise, it could remain submerged and underway indefinitely.

Petty Officer Don Jacobs showed a color motion picture of life in the Navy with special emphasis on opportunities for technical education in scores of different fields. Jacobs is recruiter for the Rockport area and is available each Friday at the V.F.W. Hall.

One Man Killed, Two Injured In Construction Accident Here

One man was killed and two others were injured Monday when a crane struck a high voltage line near a construction site.

Eleuterio Lopez, 52, of 2539 Nogales in Corpus Christi, was dead on arrival at an Aransas Pass hospital about 2 p.m. Monday.

The accident occurred at a sewage line excavation site. The three men, all employees of Heldenfels Brothers Contractors of Corpus Christi, were standing in a ditch when the crane was lowered. The men apparently touched some metal being lifted from the ditch by the crane as the machine's upper end touched a high voltage line.

The accident took place at Market and Ann Streets where a sewer line is being relocated for a street-widening project.

Lopez was a native of Cuero, but had lived in Corpus Christi most of his life. He had been employed by Heldenfels for 20 years. Lopez was a member of Holy Family Catholic Church. Survivors include his wife, Ofelia; three sons, Jesus, Noe and Jose Gerardo Lopez; a brother, Anacleto Lopez; and two sisters, Mrs. Loretta Anzaldua and Mrs. Soledad Hinojosa, all of Corpus Christi.

State Appointment For Mrs. Cabaniss

Mrs. Weldon Cabaniss is one of six consumer representatives appointed to the State Health Advisory Council by Governor Preston Smith for a three-year term.

The State Health Advisory Council is a State health planning council for the Texas State Health Planning Agency. This agency is within the Governor's Office of Comprehensive Health Planning.

Federal funding for creation of such a state health planning agency in all states was provided in Federal Public Law 89-749, in 1966. Texas, under the leadership of Governor Smith, in 1969, established the state's health planning agency. The governor is the agency's chief health planning officer. State and federal funds are used to finance this agency's services.

Federal Public Law states that an appointed council or committee composed of more than 50% consumer representatives should advise the agency. Appointments announced were made to fill the consumer places on the Texas State Health Advisory Council.

Jr. High District Track Meet Apr. 8

The 30AA Junior High district track meet will be held here Saturday, April 8. The preliminaries in all field events will begin at 9:00 a.m. with the running preliminaries scheduled at 10:15 a.m. The finals will start at 1:00 p.m.

There will be a seventh grade division and an eighth grade division. Teams entered are Calallen, Woodsboro, Ingleside, Mathis, and George West. Calallen is the favorite to win the 8th grade division and Ingleside is the favorite to win the 7th grade division. There is no admission charge.

Dr. Stephens Is Honored

Dr. A. Ray Stephens of the North Texas State University history faculty has been elected to the executive council of the Texas State Historical Association, the oldest learned society in Texas, founded in 1897.

The executive council is the policy-making group for the association, which is aimed at furthering interest in Texas history through the publication of books, its own journal -- The Southwestern Historical Quarterly and The Texas Historian, a quarterly periodical with Texas history articles by high school students.

Dr. Stephens presented a research paper entitled "A Century of Aransas, 1871-1971" at the recent annual meeting of the TSHA in Fort Worth on March 11. In his paper he surveyed the county's century-long heritage.

The author based his account on official records, organizational histories, interviews, personal reminiscences of knowledgeable persons, and the files of newspapers, particularly the Rockport Pilot. "I am indebted to my many friends in Aransas County for their generosity and hospitality," Dr. Stephens said.

Absentee Voting Begins April 17

Absentee voting for the May 6 Democratic primary election will begin April 17 and end May 2. Ballots may be obtained at the office of County Clerk Ruby Hart in the Courthouse.

Candidates for county races include:

For District Clerk: Agnes A. "Tony" Harden, unopposed.

For County Attorney: David McCarthy and Ellis L. Clark. For Sheriff: Robert Hewes, Joe Earl Hunt and Charles F. Cosby.

For County Clerk: Ruby Hart. For County Commissioner, Precinct 1: Mickey Casterline, Raulie L. Irwin, Dr. H. F. Elliot, Ernie T. Eller, Milton (Cotton) Mundine, Manuel Betancourt and William Charles Gaskin.

For County Commissioner, Precinct 3: Raymond Owens and R. M. (Bob) Hill.

For Constable, Precinct 1 and I-A: Dowell King, Ken McGary and Donald R. Beard.

Constable, Precinct 2: John H. Ray, Jr. and Loyl Towler.

Constable, Precinct 3: I. E. "Buddy" McLester.

Large Turnout For School Election

What is believed to be a record turnout of voters cast their ballots in the School Board election last Saturday. A total of 859 votes were recorded.

The results were as follows: Mrs. Jan Wendell, 603, and Gary D. Smith, 483, in their unopposed race as three-year members from the Rockport area.

Ottie Mundine, with 549 votes, defeated Dr. J. Martin Shaw, who received 263, for a three-year term from the Fulton area.

Jimmy Hunt, with 409 votes, was elected to serve out the unexpired one-year term of Dr. H. F. Elliot, who resigned to run for county commissioner, Precinct 1.

Hunt defeated three other candidates: Blas Ramirez, who received 327 votes; Gene Howland, 70; and Mrs. Therese M. McCarthy, 39.

Cancer Society— (Continued from Page One)

chance of being saved. "The diagnostic test for colon and rectal cancer is called a procto and we ask that every adult include it in his or her annual physical checkup after the age of 40," Mr. Janeczek said.

He added, "Women of all ages should learn to do self-examination to safeguard themselves against breast cancer. The ACS has easy-to-follow instructions for the asking."

In the field of cancer prevention the ACS will continue its all-out attack on cigarette smoking. "If we could eliminate this habit an enormous number of lives could be saved. Last year alone 64,000 men and women died of lung cancer and we can expect that figure to rise. We will continue to educate the public about the dangers of cigarettes."

The Crusade's life-saving leaflet this year concentrates on the Pap test.

"It's entitled 'Take Time Out for Life,' that's essentially what we are asking the people to do in the 1970's—safeguard themselves against cancer."

Everyone in Rockport is being asked to support the ACS to make the great goal "We Want to Wipe Out Cancer in Your Lifetime" a reality.

Savings Bond Sales Total \$6,218

February sales of Series E and H United States Savings Bonds in Aransas County totaled \$1,432, according to County Bond Chairman Fred Bracht. Sales for the two-month period were \$6,218 -- 10 per cent of the 1972 goal.

Texas sales during the month amounted to \$19,273,003 compared to \$17,302,962 during February 1971 -- an increase of 11 per cent. Sales for the first two months totaled \$38,638,596 for 19 per cent of the yearly sales goal of \$202.3 million.

National sales during February were \$537 million, 24.5 per cent above 1971 sales of \$431 million. The first two month sales totaled \$1,058 million, 22.9 per cent above a year earlier. Exchanges of Series E for Series H Bonds amounting to \$55 million were reported for the first two months of 1972 -- 32 per cent above the \$42 million exchanged during 1971.

Visiting in the Jerre Ledbetter home over the holidays were Mr. and Mrs. Mike Hill of San Antonio and Mr. and Mrs. Duane Scheumack, Jr., and Julaine of Houston.

Promoted At First National

Appointment of Mrs. Robbie W. Andrew as an assistant cashier of First National Bank effective April 1 was announced Tuesday by James H. Sorenson, Jr., bank president. The

bank's other assistant cashier is Miss Elsie Hawes. Mrs. Margaret Touchstone is cashier.

Mrs. Andrew joined the bank's staff in September, 1969. Her principal assignment at present is operator of a proof machine. This rather sophisticated machine is used to keep track of all bookkeeping operations and to correct any possible errors before accounts are posted.

Mrs. Andrew was born in Rockport and is a graduate of Aransas County High School—now Rockport-Fulton High. She also attended Lamar State College of Technology in Beaumont, Texas.

She lives on Ivy Lane, Peninsula Oaks. She has two children, Stacy, age 9 and Derek, age 5. She is a member of St. Peter's Episcopal Church.

April 6th

The United States declared war against Germany April 6th in 1917 and changed the course of the world as a result. Germany had announced in February she would sink all ships destined for the ports of her enemies. They had long blockaded German ports. Sinkings of American ships which followed influenced President Woodrow Wilson into declaring war.

The year 1917 was otherwise decisive. Russia surrendered to Germany. The U-boat campaign was thus a final bid to end and win the war, as was the last, great German offensive in 1918. But U.S. manpower, moral encouragement and supplies so strengthened the western front by the spring of 1918 that the German push failed. When the offensive was checked, German military leaders lost their nerve and told the Kaiser to sue for peace. Then mutiny occurred in several places and the Kaiser fled the country. Germany collapsed.

The Allies then wrote a peace at Versailles which did not adhere to Wilson's famed fourteen points, the basis on which Germany surrendered, sowing the seeds for World War II, as Lloyd George said prophetically in 1919. The price of the Russian surrender for Germany had been bringing Lenin from Switzerland and exile to Russia, establishing communism in a major country for the first time!

U.S. entrance into the First World War checked Germany's dream of empire and greatness, but the price of the war was also communism, a greater force than that which had been checked.

New VA Pension and Death and Indemnity Compensation Laws

The Veterans Administration has pointed out that parents drawing benefits based on service-connected deaths of veterans and servicemen qualify for the first time for \$55 monthly aid and attendance payments, according to P. J. Mims, VA Regional Director.

Mims said 19,100 parents became eligible January 1 for the additional allowances authorized by PL 92-197.

The new law allows VA to pay the \$55 benefit to parents on death compensation and dependency and indemnity compensation rolls if their physical con-

ditions require regular assistance from others.

Specifically, Mims explained, a beneficiary must be a patient in a nursing home, helpless or blind, or so nearly helpless or blind as to need regular aid and attendance of another person.

Another provision of PL 92-197 granted increased monthly payments January 1 to 186,000 widows, 53,000 children and 66,000 parents of veterans who died of service-connected causes.

Dependent parents who want more details on aid and attendance payments were urged to contact their nearest VA office or local veterans service organization representative.

February Drop In Unemployment For Vietnam Era Veterans

The February drop in unemployment for Vietnam era veterans to 7.4 percent, the lowest figure in more than a year, was hailed today as a "real breakthrough" by P. J. Mims, Director of the Houston Veterans Administration Regional Office.

The latest Department of Labor seasonally adjusted statistics show a drop in unemployment for veterans 20 - 29 years of age from 8.5 percent in January to the 7.4 percent mark in February.

In addition to the overall decline in the age 20-29 veterans bracket, Mims cited as particularly noteworthy the major drop in unemployment for veterans age 20 - 24 from 12.3 percent to 9.7 percent and the narrowing of the gap in unemployment figures between veterans and non-veterans in the same 20 - 29 age range.

He noted that unemployment among non-veterans age 20 - 29 was 7.0 percent in February, essentially the same as in January and most of 1971, and that although non-veterans age 20 - 24 have generally had a much lower unemployment rate than veterans the big drop for younger veterans in February erased most of the difference.

Mims said the President's Jobs for Veterans Campaign, spearheaded by the National Committee chaired by James Oates, by the Department of Labor and the National Alliance of Businessmen, has increasingly focused the attention of America's employers on the job needs of returning Vietnam era veterans. Governor Preston J. Smith of Texas has formed a statewide committee to deal with the problem, and newspapers and radio and television outlets the nation over have supported the campaign

Internal Revenue Service News

Monday, April 17, is fast approaching for those taxpayers who have yet to file their Federal income tax returns for 1971.

R. L. Phinney, District Director of Internal Revenue for southern Texas, urges taxpayers to avoid the last minute rush - to make every effort to prepare and file their own returns now! "Many taxpayers prepare and file their own returns by following the instructions, but a qualified tax specialist is a sound investment for complex tax problems," Phinney said.

Phinney reminded taxpayers to mail their tax returns in the special envelope provided, or address them to: Internal Revenue Service Center, 3651 South Interregional Highway, Austin, Texas 78740.

as have major veterans organizations, he added.

Mims said the VA itself now employs some 13,000 Vietnam era veterans, and has operated or co-sponsored more than 100 job fairs in recent years.

He noted that VA's G.I. Bill on-the-job training program has grown from 18,629 veterans trainees in Fiscal Year 1968 to an estimated total of 156,000 veterans job training during the current fiscal year. He anticipated further expansion of the program in view of the President's request to Congress for a 48 percent boost in VA training allowances paid to veterans, and a recent VA drive that has opened up about 40,000 more job training opportunities for veterans in thousands of business establishments.

VA expects total G. I. Bill enrollment during the current fiscal year to number two million veterans up nearly 500,000 over last year. Last year's enrollment, in turns, was up 36 percent over 1970, 70 percent over 1969, and 240 percent over 1966.

Observe 40th Anniversary

Mr. and Mrs. Clarence C. Rivers celebrated their 40th wedding anniversary Sunday, April 2. They were married April 2, 1932 by the Methodist minister Rev. J. Troy Hickman here in Rockport.

Last Sunday afternoon their daughters, Mrs. Shirlee Falgout and Mrs. Meceal Casterline, honored them with a bar-be-que. Family and guests present were Mr. and Mrs. Ernie Falgout, Billy and Jody Manning, Mr. and Mrs. Mickey Casterline, Lisa, Troy and Laura; Mrs. Laura Stephens, Mr. and Mrs. Calvin Seals and Debbie of Aransas Pass, Mr. and Mrs. Reagan Lee, Mrs. Joe Harris and Mrs. Cecil Carroll.

Mrs. Rivers remembered that their marriage license was issued by John C. Herring and when Mr. Rivers started to pay for the license Herring refused saying "you don't owe me anything but 40 years of happiness."

Use empty milk cartons to freeze individual servings of fruit. Place several layers of wax paper between servings.

An Open Letter To The People Of Texas

Dear Voter:

I'm a candidate for attorney general of Texas because I believe it's time for a change in the office.

Crawford Martin is seeking a fourth term. It's the first time in the history of Texas an attorney general is running for a fourth term. Campaigns should be run on the issues and I don't like to inject personalities and personal relationships into a political campaign. But, the relationship between Frank Sharp and Atty. Gen. Crawford Martin cannot be swept under the rug.

The new book about the Texas stock fraud scandal, "Under a Cloud," tells about that relationship. On page 128 the book says:

"Atty. Gen. Crawford Martin... got some free newspaper publicity when it was revealed in October, 1971, that he received a 'stock tip' from Frank Sharp—while Martin and his family were Sharp's ranch guests late in 1969 and again at Sharp's Houston office early in 1970."

"Sharp was trying personally to sell National Bankers Life stock to Martin, although the attorney general said that Sharp never mentioned the possibility of Sharps-town Bank loans to buy the stock. "Martin said that he turned the stock offer down because it would have cost too much, because NBL was in 'shaky' condition, and because he did not buy 'speculative' stocks."

"He did not comment on the ethical aspects of a state official's accepting a stock tip of that sort—perhaps, because Martin, as attorney general, had ruled in favor of Sharp on a key legal issue about Sharps-town State Bank only two and one half years before Sharp made the stock offer to Martin."

"Martin's ruling had the effect of increasing the bank's capitalization dramatically and thus its ability to make large loans, ultimately giving Sharp the financial resources he used in the manipulations charged by the SEC."

As you know, hundreds of Texans lost their life savings because of Sharp's stock manipulations and it probably wouldn't have happened but for Atty. Gen. Martin's legal opinion.

Don't you agree, it's time for a change in the office of attorney general of Texas?

Just so you'll know what you'd be changing to, I'd like to tell you a little about John Hill. I'm a native Texan, grew up in Wink and Kilgore, was national debate champion at Kilgore Junior College and graduated from the University of Texas Law School. I served in the Navy during World War II, practiced law (much of the time in courtrooms) in Houston, and was secretary of state from 1966 to 1968.

I certainly would appreciate your support. It is time for a change.

John Hill

P.S. If you want to help in our campaign, please write John Hill, 408 Brown Building, Austin, Texas 78701 or call 512-474-1991.

Happy Homemaking

By BARBARA BAKER

After ironing curtains, hang them, temporarily, on a skirt rack, where they will stay neat and wrinkle-free until needed.

If you have two or three belts to iron, lay them all on the ironing board at one time and one ironing will do it.

Replace six feet of your clothesline with a piece of

chain. Here all drip-dry garments can be hung on hangers with no worry about the hangers sliding along the line or falling off on windy days.

When ironing a blouse with lace or tucks on the front, lay the garment on a turkish towel with the lace or tucked side down, then iron on the wrong side.

We Reserve the Right to Limit Quantities

From left to right are Capt. John Woods, commander of the South Texas area of Texas Rangers, Capt. Bill Wilson, second in command of the Rangers in the State of Texas, and Douglas Ratcliff, executive director of the Sandollar Hotel Resort Spa, who visited recently in the Gold Room at the Sandollar.

What causes the damage when a tornado strikes a farm or village or city? Is it the force of the wind as it hits structures in its path? Most often, the greatest damage wrought by a tornado comes from the low pressure inside the funnel, not the strength of the winds that roar around the vortex. A tornado like a hurricane, is a low pressure disturbance, on a very small scale.

When this funnel touches the earth—it's always suspended from a cloud—the winds in the circular edges can cause destruction and blow down signs, wires, trees and sometimes even buildings. But, usually, the sudden change of pressure explodes buildings wrecked by tornadoes.

For, inside the funnel, air pressure is very low, so low that when the funnel sits down on a house, for example, surrounding it, there is not sufficient time for the high pressure inside the house to dissipate normally. When a sort of vacuum occurs outside (perhaps with windows and doors closed), the high-pressure air inside the house literally bursts out, sometimes taking windows and doors and walls down in the process.

Eller Candidate For Commissioner

Erie T. Eller, is a candidate for Aransas County Commissioner, Precinct 1 and 1A, in the May 6 Primary.

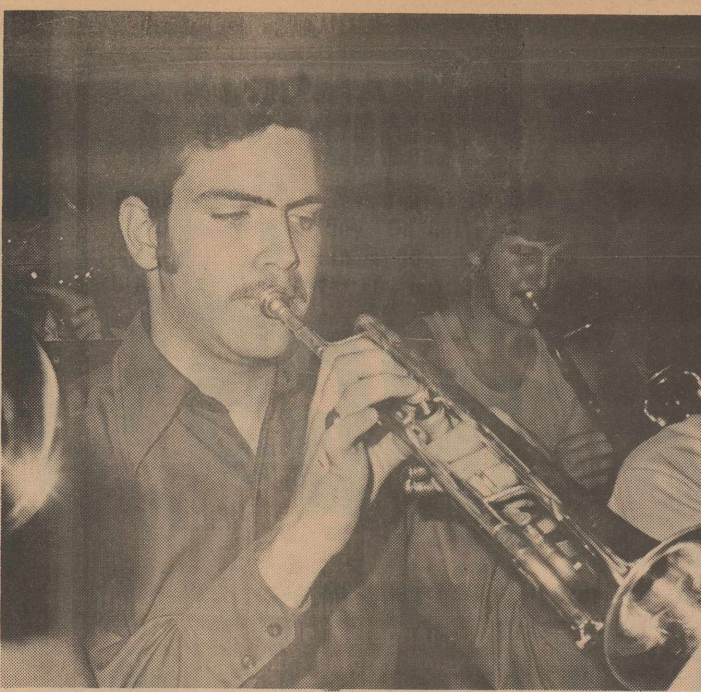

Erie served four years in the U. S. Navy Seabees during World War II of which twelve months were spent in the Aleutian Islands and twenty six months in the southwest Pacific. This duty consisted mainly of the building of roads and air base facilities.

He is a member of Veterans of Foreign Wars, Stewart-Wendell Post #3904 and Masonic Lodge, Rockport Lodge #323.

Erie's wife, the former Jane Little has lived in Aransas County all her life and has been teaching in the Aransas County all her life and has past twenty years. Jane is presently teaching in Live Oak Elementary school on Farm Road 881.

Erie and Jane Eller have three daughters, all of whom graduated from Aransas County (Rockport-Fulton) high school. Carla, the oldest, is residing in Los Angeles, California. Sue and her husband, Les C. Sorenson live here in Aransas County. Linda, the youngest, and her husband, Wayne Flenniken also live in Aransas County.

"I have lived in Aransas County most of my life, therefore, I feel I understand the problems and needs of Aransas County. For example, the need for better roads and more important, the need for better drainage and the need for a good strong county government. I am old enough to understand the importance of cooperation among all the people of Aransas County. I am young enough to be progressive," Eller said.

Gary Howard To Play Here

Gary Howard of the Howard Payne College Symphony Band of Brownwood, Texas rehearses in preparation for a performance at the First Baptist Church of Rockport on April 9

at 7:00 p.m. as part of their 1,500 mile tour of Texas and Mexico.

The 55-member band presents secular concerts for high school audiences and sacred music for church groups. Various soloists are featured with the group

in their program which includes all types of music in both the secular and sacred categories. The group, members of which represent many parts of the United States, traveled over 4,000 miles last year performing for audiences in two states and will present concerts in eight German cities this May. Gary is the son of Mr. and Mrs. Ben Howard of Rockport.

DRAFT BOARD NEWS

A&M Honors Jerry Fischer

Jerry L. Fischer of Rockport has been cited at Texas A&M University for outstanding contributions to Memorial Student Center Council and Directorate programs for 1971-72.

He received an Appreciation Award for work with the Camera Committee, one of 15 providing Texas A&M students with cultural, social, entertainment and hobby opportunities.

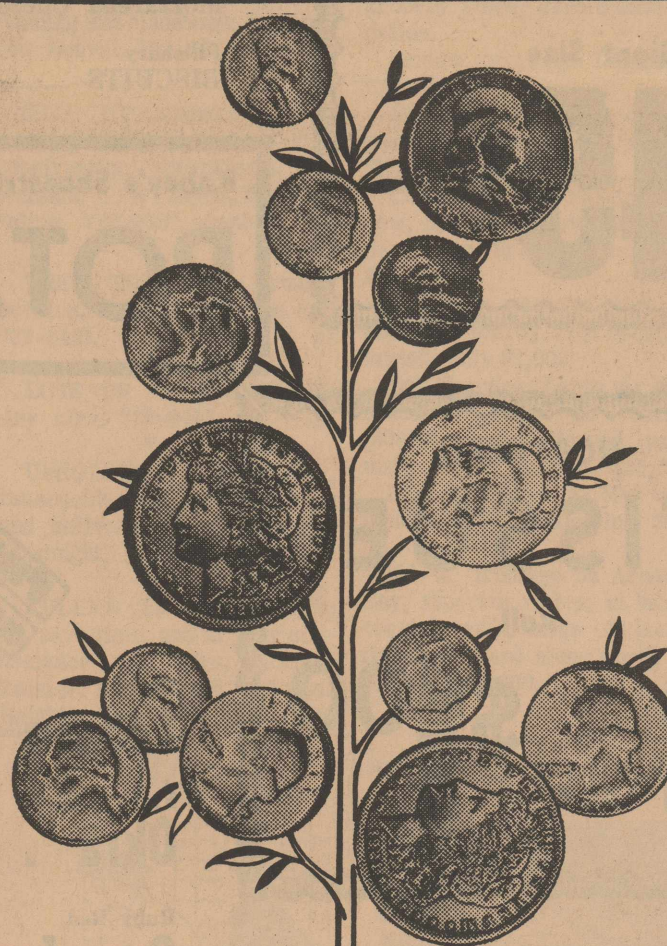

Directorate committees include Aggie Cinema, Basement Coffee House, Black Awareness, Camera, Contemporary Arts, Great Issues, Host and Fashion, Leadership, New Tradition Singers, Political Forum, Radio, Recreation, Student Conference on National Affairs (SCONA), Town Hall and Travel.

Appreciation Award recipients were announced at the annual MSC Awards Banquet.

Fischer is the son of Mr. and Mrs. Elroy Peters, 625 King St., and a graduate of Cuero High School. He is a junior zoology major at Texas A&M.

Bank News

Elsewhere in this issue of The Pilot there appears a legal notice stating that The First National Bank of Rockport proposes to change the location of its banking premises from 1114 Main Street to 1 Broadway Plaza with its present mailing address, Post Office Box 1237, Rockport, remaining unchanged.

This official notice of the proposed change of location is required by federal regulations governing operation of national banks, according to James H. Sorenson, Jr., president. "Of course, there will be no

change of address or location until our new bank building is completed many months from now," Sorenson said, adding that the architects, Morgan Spear Associates of Corpus Christi, are at work on plans and specifications for the new \$500,000 bank building.

P. E. O. NEWS

Mrs. Howard Montgomery will be hostess for Chapter EO of P.E.O. on Tuesday, April 11 at 1 p.m. Mrs. M. H. McKlensey is the storekeeper for a Country Store.

Short Takes

Snail's Pace

A snail is capable of traveling as much as three inches in a minute, although it is able to move only a fraction of an inch at a time.

Famed Midget

Until his early teens, Gen. Tom Thumb, the most famous midget in history, was only 25 inches tall. Later he grew to be 40 inches tall and to weigh 70 pounds.

Low Water

Badwater Pool is the lowest body of water in the western hemisphere. It lies 280 feet below sea level in California's Death Valley.

C of C Happenings

The Chamber of Commerce welcomes two new members: Kylewilde Motel, Mr. and Mrs. Walter Howell, and Mary Lou Bait Stand owned and operated by Mr. and Mrs. John G. Woody, Jr., and Mr. and Mrs. Henry Dittmore.

The April luncheon meeting of the Board of Directors of the Chamber of Commerce will be held Tuesday noon, April 11 in the Key Allegro Restaurant.

Really!

"For my insomnia, the doctor advises me to lie at the very edge of the bed." "What's the idea?" "Thinks I may drop off, I suppose."

THE WORLD OF ENTERTAINMENT

WHAT'S UP, DOC?

"What's Up Doc?" teams Ryan O'Neal and Barbra Streisand. Director Peter Bagdanovich has produced a bang-up, top comedy with clever lines, double takes and slow stares.

To be a good comedy, the viewers must feel the events are happening for the first time before their eyes. This one contains all the ingredients for success.

It's setting is San Francisco. It stars an absent-minded professor (Ryan O'Neal) and a mad-cap girl (Barbra Streisand) who remembers all courses taken in the five or more universities she attended. It has it's mix-ups—four identical red plaid suitcases, stolen Top Secret documents, diamonds and other rib-tickling situations.

Characterizations by Kenneth Mars, Austin Pendleton, Liam Dunn and Madeline Kahn are due much praise.

The secret of enjoyment of "What's Up Doc?" is catching the clever lines. Older viewers will be reminded of comedies of the 1940's. The best line of the film is Ryan O'Neal's last line, "That's the dumbest thing I've ever heard."

Rated "G—all ages admitted."

CUB SCOUT PACK 49 NEWS

On Monday night, March 27, Cub Scouts filled the Live Oak School cafeteria with their real live pets, and exhibited some very fine hobbies, that made the Pet and Hobby Show a delight to everyone.

The program opened with Den 6 posting the Colors and leading the Pledge of Allegiance. After singing America, all present were led in prayer by Cub Scout Jay Maley.

Cubmaster Bill Harper introduced committee chairman Bill Janacek from the Rotary Club, who was a judge of the Pet Show.

In graduation ceremony, Scoutmaster Melvin Mills received Lionel Varga into Troop 280.

During the past few weeks the dens have held turtle races to find a den champion to compete for Pack champ. The four den champs were: Jody Sanford, den 2; Speedy Johnston, den 3; Gary Freasier, den 4; Mark Setterbo, den 6. After a great race by all the contestants, Speedy Johnston came in first and Mark Setterbo second. Mr. Johnston and Mr. Janacek raced the wooden turtles and Mr. Janacek came in first.

There were many winners in the Pet and Hobby Show. All of the pets were just great and this is how they were judged:

Dogs: First place, Timmy Butcher and Danny Brooks; second place, Jeff Jordan, Shane Harper, David Kublak, Jay Maley, Bryan Evans, John Gravell and Clay Evans.

Other Pets: First place rabbits, Pat & Steve Frizzell. Fish, Chris Kublak. Chicken & rooster, Bradley Reininger. Dove, Speedy Johnston. Mice, Lionel Varga. Cat, Mark Setterbo. Crawfish, Thomas Rinald. Parakeet, Earl Harris.

Hobbies: The boys had all kinds of collections and crafts that were very good. This is how they were judged:

First Place: Jackie Dobson, Jody Sanford and Chad Baird.

Second Place: Jim Eaton, Eddie Lane, Loyd Dobson, Beaver Laird, Carlos Lopez and Bubba Scott.

The numerous awards and advancements indicate that the cubs were busy this past month, being helped by their parents and den mother. We would remind the parents that the cubscout has to be accompanied to the Pack Meetings by the parents or guardians or they cannot come and receive the awards they have worked so hard to get. The basic meaning of this program is "Family togetherness" and we know you will want to be there

to cheer your cub on to higher goals.

The awards and advancements included: Bob Cat: Jody Sanford, Jeff Jordan, Jessie Scott, Jim Eaton, Loyd Dobson, Speedy Johnston, Beaver Laird, Thomas Rinald, Jackie Dobson.

Chad Baird, Wolf Badge and gold arrow point.

Kenneth Butcher, one gold and two silver arrow points and wolf badge.

Timothy Butcher, Wolf

Badge, Steve Frizzell, Wolf Badge and gold arrow point.

Bradley Reininger, Bear Badge, gold and two silver arrow points.

Kenneth Butcher, 2 year pin. Timothy Butcher, 1 year pin. Earl Harris, 1 year pin.

Penguins use their wings for swimming.

WHAT DO YOU THINK?

Do you think six county-owned tractors with mowers and drivers are required to mow two 8 to 10 foot strips of weeds along a 3/4 mile county road?

This is just one example of the waste involved in individual precinct management as opposed to county-wide control and use of equipment. I think it is time to push for economy in our Aransas County government.

My record during 20 years as a Trustee of the Aransas County Independent School District shows that I have insisted on receiving value for every tax dollar spent.

With your support in the May 6th Primary Election I will serve as your Commissioner from Precinct 1 (and 1A) and insist that the Aransas County Government give you a dollar's value for a tax dollar spent.

Dr. H. F. Elliot

The candidate who has the governmental experience in Aransas County and is willing to spend the time to serve you.

(Political Ad Paid for by Dr. H. F. Elliot)

OUTDOORS IN TEXAS

BY VERN SANFORD

A marvelous lake that fishermen can really enjoy is Lake Livingston. It's that beautiful body of water in Southeast Texas, between Huntsville and Livingston. It was built by the Trinity River Authority and the city of Houston about five years ago and is now full to overflowing.

Thousands of bass, crappie and catfish were planted in this new impoundment. Some of the bass now are of jumbo size.

Lake Livingston is located in a fertile area, where much of the brush has been left standing. Water runoff has been sufficient to provide a great deal of nutrition and frogs and crayfish are plentiful. All this adds to the food supply of the fish—which means quicker growth.

Lake Livingston, like all the other recently built East Texas lakes, has a great deal of brush. Engineers removed brush only in the main channel, which might some day be used for barge traffic on the Trinity River. In fact, Lake Livingston dam is the first to be built on that stream to provide for locks in anticipation of the river becoming navigable in the years ahead.

A good portion of the land adjacent to the lake is in private ownership. Unfortunately public access was not provided by the builders, although numerous recreational areas had been projected. But as soon as the lake was formed, land prices got out of range. Later, however, private developers began to move in and there

still may be enough good sites left for recreational purposes.

Also, there is a large island in the lower end of the lake being developed for recreation and recreational housing. Already numerous mobile home sites have been constructed.

Both Livingston and Huntsville have ample motel accommodations only a few miles from the lake. There are numerous places where bank fishing is convenient. Also several good launching ramps are available to those who trailer in their boats.

Physically, Lake Livingston is about three-fourths the size of Sam Rayburn Lake, which is but a few miles away. Characteristics of Lake Livingston are similar to Rayburn . . . lots of adjacent timberland and big stands of pine and hardwood.

So far Lake Livingston has been free of pollution, despite the fact that two big metropolitan cities are located upstream on the Trinity River. Perhaps with the present drive against pollution, Lake Livingston waters may be kept clean. What will happen when and if the stream is made navigable is another question.

Information on the lake may be obtained by writing either the Livingston or the Huntsville Chamber of Commerce . . . or to the newspapers—the Enterprise at Livingston or the Item at Huntsville.

If you want a big week-end of fishing, give serious thought to this fine new body of water.

The Alamo in San Antonio was built about 1722 and consisted of a chapel, convent yard, hospital building, and a plaza, surrounded by a wall.

Retail Firms Under \$100,000 Are Exempt

The Cost of Living Council has publicly announced that small retail firms with annual sales of less than \$100,000 are exempt from all price controls according to R. L. Phinney, Internal Revenue Service District Director for southern Texas.

Additionally, the Cost of Living Council also has announced that retail firms with annual sales in the \$100,000 to \$200,000 category are exempted from the posting requirement. However, he explained that the \$100,000 to \$200,000 firms are still required to furnish base prices if requested by customers. The Cost of Living Council, according to Phinney, has explained that the exemption of the small retail firm will not result in the decontrol of prices in these firms. Competition is very keen in the retail sector and the small stores are subject to a price discipline which is imposed by the chain stores and larger independents which serve the same market.

It is estimated by the Price Commission that the retail firms under the \$100,000 category account for 75 percent of all retail firms in the country and produce 15 percent of the total sales. Phinney urged the small retailers to comply with the spirit and intent of the Economic Stabilization Program and hold the line on price increases.

He reminded the public that all retailers with annual sales over \$200,000 are required to prominently post the lawful base-prices of those 40 items in each department that had the highest dollar volume of sales

Historical Data

Here is a continuation of the minutes of the Civic Improvement League, an organization for the betterment of the community, founded by a group of ladies in 1909:

The Civic Improvement League held a regular meeting April 7, 1910. The minutes were read; approved and duly complimented - all of which was appreciated by the secretary. A letter from Mr. Ragsdale was read in which he said although the present location for the Epworth League was not all that could be desired, still it was thought best to remain in Corpus Christi for the present. In the event of a change Rockport would be considered.

Mrs. Hoopes reported that she and the secretary had called upon Mr. Downing, and submitted to him the plan of locating the annual meeting of the Press Association. Mr. Downing expressed himself favorably and promised to take the matter under advisement, he would let the League know in a few days what he could do. \$10.00 received from our new manager on rent was turned over to the treasurer. Also \$7.00 on studio rent.

Mr. Lightowers wrote we could expect him on or about the 14th. Some newspaper clippings about the new railroad were read.

Pharmacy Topics

By
SHELLEY ROATEN

German measles booster shots two years after the initial injection don't appear to give added protection, concludes a U. S. Public Health Service research team.

A Canadian psychologist has devised a way to measure intelligence by merely flashing light in a subject's eyes.

In laboratory tests on animals, deadly rattlesnake venom was found to prevent dangerous blood clots.

Lung cancer kills five times as many women who are heavy smokers as non-smoking women.

Popeye notwithstanding, eating spinach doesn't give instant energy. The energy boost from the iron in spinach would require weeks or months to take effect.

When your doctor prescribes the best, we do the rest, at

Roaten's

the pharmacy with the "bedside manner."

A letter of inquiry was read from Dr. Bowman of Memphis Tenn.

The secretary reported that an invitation had been extended to the Civic League to attend the meeting of the Farmers' Institute at the courthouse Saturday afternoon, 2 o'clock.

Mrs. Bracht reported that Dr. McMullen wished to become an honorary member of the League and had paid \$1.00. She had also collected \$1.00 on Mr. Dye's membership. 30 dues were collected - total receipts \$2.30.

A motion was made and carried that honorary members hereafter pay \$1.00 per year dues.

An advertising committee consisting of Miss Friend, Mrs. Harwell, and Mrs. Hoopes was appointed to see about getting out illustrated envelopes.

There being no further business the meeting adjourned.

Gertrude B. Greive,
Rec. Sec'y.

The Civic Improvement League met at the City Hall April 21, 1910.

The minutes of the previous meeting were read and approved.

Mr. Clevinger presented an original pencil drawing of Southwest Texas which could be used for advertising in various ways but is especially adapted to the back of an envelope. The advertising committee will take it under consideration. \$40.00 had been received and

turned over to the treasurer, which with \$10.00 already received paid the 1st month's rent of the pavilion to our new manager Mr. Wm. Lightower - month beginning April 15 to May 15.

Mrs. Hoopes reported the final payment on the pavilion chairs which amounted to \$51.60 - \$11.00 was also paid on Mr. Willis' account.

It was decided to ask City Council to pay for lumber to build pagoda in the Beach Park.

A considerable amount of literature had been received by the cor. sec., Mrs. Alexander Bailey from the Okorrgaard Concert Party which was put aside for future reference.

Dr. Bailey reported that he had written Mr. Holland about the property near the Oak Shore Club House and inquired if it would answer the purpose of the Press Club Association, if not, what would he suggest?

Also that Mr. M. C. Rooke contemplated running a passenger boat for pleasure excursions and would charge at the rate of 25¢ an hour for each person. About 20 people could be accommodated at a time.

The necessity of drawing attention of the City Council to fast auto driving and riding bicycles on sidewalks was again emphasized. Also improve sanitary conditions by having covered receptacles for garbage.

Mrs. Greive paid 50¢ dues. There being no further business the meeting adjourned.

Gertrude B. Greive
Rec. Sec'y.

THANKS

I would like to take this opportunity to Thank YOU, the voters of the Aransas County Independent School District, for your support in our April one election. As your trustee, I will serve to the best of my ability.

TAXPAYERS ASK IRS

Q: I sold my home last December at a \$5,000 profit. Do I have to report this as income when I file my 1971 return?

A: Not if, within one year before or after the sale, you buy and occupy another residence that costs as much or more than the sales price of the old residence. Additional time is allowed if you construct the new residence or you were on active duty in the U. S. Armed Forces. In such a case, the tax is postponed, not forgiven. Any gain not taxed in the year you sell your old residence is subtracted from the cost of the new residence giving you a lower basis to be used in the event of a later disposition. If you sell the new residence in a later year, and again replace it, under similar circumstances, any tax on the gain you realize may continue to be postponed.

Q: I won a new car last year in a radio contest. Do I have to pay tax on this prize?

A: Yes. Prizes and awards you receive in goods or services must be included in income at their fair market value.

Q: I paid my daughter's medical insurance premiums last year. Do I include these premiums in the amount of support I furnished her when figuring out whether or not I can claim her as a dependent?

A: Yes. You may include as an item of support medical insurance premiums you paid, as well as other expenditures you made for her medical and dental care. However, the benefits received from medical insurance policies are not included in support.

Q: After four years of attending college full-time and working part-time to help pay for it, I graduated last year and took a full-time job. Can I use income averaging to reduce my tax?

A: Before you can consider income averaging, a basic requirement is that you must have furnished 50 percent or more of your own support during each of the four years prior to 1971. IRS Publication 506, "Computing Your Tax Under the Income Averaging Method," explains all the details of income averaging. It's available free at your local IRS office.

Msgr. Harold F. Palmer (left) pastor of Sacred Heart Catholic Church, and Bishop Thomas J. Drury of the Diocese of Corpus Christi are shown as they and eleven other area clergymen were guests of the men of the parish at a luncheon Tuesday afternoon at the Reef Club. Msgr. Palmer celebrated his 40 years as a priest with a Mass at which Bishop Drury was the principal celebrant that morning.

Lamar Fireman's Auxiliary Meets

The Lamar Volunteer Firemen's Auxiliary began their monthly meeting April 3 by welcoming a new member, Mrs. Jessie James.

The Auxiliary will join the firemen April 6 at the fire house for a demonstration of the resuscitator. Mel Pittman of the Howe Fire Apparatus Company will instruct the group.

Marie Maxwell and Jewel Greeson, hostesses for the month, used the lighter vein of the Easter season - bunnies. The white and pink cake was not only attractive but delicious. The members present were: Billie Blackshire, Odessa Brown, Mary Clark, Jewel Greeson, Jennie Heldenfels, Pat Heldenfels, Marguerite House, Betty Latham, Elizabeth McKinsey, Agnes Roberts.

Going In Reverse

"I wasn't doing forty miles an hour," protested the motorist. "Nor thirty, nor even twenty."

"Here, steady now," interrupted the magistrate, "or you'll be backing into something!"

To the Voters of Ward 1:

I want to thank you for your kindness in last Saturday's election.

Let's Put Government Into Hands We Can Depend On

When scandal rocks our state government, as it has for more than a year, it is time for Texans to take the reins of government and place them once again into the hands of an honest, capable man. This is a time when Texans need a man to believe in. A man like Dolph Briscoe. His successful experience in business and agriculture, his work in government to provide farm-to-market roads and to eliminate the screwworm have proven him a man Texans can depend on when solutions are needed. His unquestioned reputation for honesty and integrity stand him head-and-shoulders above his opponents. Never has Texas been offered such unacceptable candidates for the office of governor. And never has Texas so urgently needed a man like Dolph Briscoe. May 6, elect Dolph Briscoe governor.

Elect DOLPH BRISCOE Governor

A MAN TEXANS CAN BELIEVE IN.

LITTLE LEAGUE COMMISSIONERS

The Aransas County Baseball Association has elected five Little League commissioners for the coming season. They are president Charles Smith, secretary Bobby Landrum, treasurer Jack McDavid, head scorekeeper Jim Adams and head grounds-keeper C. C. Crabb.

CITY OFFICIALS RE-ELECTED

The following three incumbents were re-elected to city posts: Herman Johnson, mayor; Jimmy Hunt, councilman, Precinct 1; and Earnest Harrist, councilman, Precinct 2.

SACRED HEART SCHOOL RECEIVES FLAG

Members of the V.F.W. and the Auxiliary presented an American flag to Sacred Heart School in colorful ceremonies. Chester Johnson, junior vice commander of District 6, V.F.W., was the principal speaker.

The flag was presented by Mrs. H. C. Mullinax, president of the auxiliary. In accepting it, the Rt. Rev. Msgr. Gerald J. O'Doherty, pastor of Sacred Heart Catholic Church, expressed appreciation and gave an inspiring talk on patriotism.

After the blessing of the flag by Msgr. O'Doherty, the flag was raised while Darrell Lichte of the Aransas County High School band played "Call to Colors" on his bugle.

PIRATE GOLFERS FINISH SECOND

The four-man golf team of Aransas County High School finished second in the district U.I.L. golf tournament at Sinton. Members of the team, who were accompanied by E. G. Brooks, were Andy Everett, Gary Tuer, Joe Hugenberg and Chester Brumley. Tuer and Everett were fifth and sixth low medalists. The Calallen team won first prize.

PERSONALS:

Mr. and Mrs. Clarence Gaffney of Glenwood, Minn., are the new managers of the Idylwild Motel.

Mrs. Travis Smith and children from Baytown spent the weekend with Mrs. Somer Smith and Mrs. Henry Ballou.

Mr. and Mrs. Robert Holt of San Antonio visited with Mr. and Mrs. W. A. Mueller over the weekend.

From The Pilot Files — 20 Years Ago

TRAVIS BAILEY ELECTED MAYOR

Travis Bailey was elected mayor. No one had filed for the office and Bailey received 124 of the 200 votes cast. He has been mayor the past four years.

Two unopposed aldermen, James Hunt from Ward 1 and Dick Picton from Ward 2 were re-elected.

PERSONALS:

Miss Thelda Jean Haynes, who has been employed in Houston, is at home with her parents, Mr. and Mrs. John Haynes.

Miss Lillie Fahr returned from San Antonio where she had been receiving medical treatment for a month.

Mrs. J. W. Nunez of Lake Charles, La., visited Mr. and Mrs. Clarence Rivers and family.

Julius Ivy is in the Aransas Pass Hospital following an appendectomy.

Jimmy Simmons, Lola L. Bonner and Dean Turner from Texas A&I spoke to local high school seniors, telling them of the advantages found at A&I and encouraging the youths to get a college education.

H. C. Floyd returned from a two-week trip to Michigan where he had gone as a result of his brother-in-law's death.

Ernest Tackette is confined to his home with a lame back and is not able to work or fish. The latter worries him as he says the fish are biting on the flats up the beach.

Layton Brundrett went to Houston to visit his brother, Elmo Brundrett and wife.

V.F.W. ELECTS OFFICERS

Stewart-Wendell Post No. 3904, Veterans of Foreign Wars, elected the following officers:

Commander, Marion McElveen; senior vice commander, Eddie Simmons; junior vice commander, Richard Hapner; quarter-master, Oliver Brundrett; judge advocate, Clark Wren; post chaplain, Arlie O. Burton; trustee, Charles Garrett.

WAGLEY LUMBER CO., INC.

Highway 35 at Market — 729-2604

Miss Cynthia Kinsey, daughter of Mr. and Mrs. J. D. Kinsey, of Farmington, New Mexico has been chosen as one of the members of the State of New Mexico High School Choir. The 60-voice choir will travel to Europe, August 13 - 27 for a concert tour in conjunction with the New Mexico High School Band. The tour will include performances in Brussels, Holland and Germany, concluding with an appearance at the opening of the summer Olympics in Munich. The New Mexico choir will be the only choir present with 15 bands appearing.

Miss Kinsey was chosen as a choir member from an audition with Dr. Eph Ehly, choral coordinator at the University of New Mexico. She is the granddaughter of Mr. and Mrs. E. J. Johnson and Mrs. I. E. Alleman of Rockport. Mr. and Mrs. Kinsey will accompany the group as sponsors for the tour.

MRS. HAYNES DIES

Mrs. B. W. (Evelyn) Haynes, 47, of Scottsdale, Arizona died March 23 following a long illness.

Funeral was March 25 at St. Daniels Catholic Church, Burial was at Green Acres in Scottsdale.

A native of Taylor County, Mrs. Haynes moved to Arizona in 1955. Survivors are her husband; three daughters, Mrs. Delores Baldwin, Mrs. Virginia Estrada and Mrs. Sylvia Jones, all of Phoenix, Arizona; one son, Darrell Haynes of Phoenix; nine grandchildren; three sisters, Mrs. Cleo Smith of Rockport, Mrs. R. L. Holloway and Mrs. M. S. Phillips of Abilene; six brothers, A. W. Beyer, Hempstead, Texas; George Beyer of Dallas; Lee Beyer, Abilene; Ermin Beyer of Clyde; Jake Beyer of Midland and Eugene Beyer of Edmonda, Washington.

Mrs. Marion Jeffers announces the engagement of her daughter, Miss Jill Ann, to Earl D. Davidson, Dallas, son of Mrs. D. W. Davidson of Montgomery, Ala.

They plan to be married July 8 in Grand Prairie at the Turnpike Church of Christ.

Jill is a 1965 graduate of Rockport-Fulton High School and has a bachelor's degree from Texas A&I University. She is now living in Irving, where she has been teaching fourth grade for three years.

Golf News

Busch, Mrs. Leonard Hensley, Wilson and Son, Sarah Belle Smith, Mr. and Mrs. R. N. Weekley.

A hamster lives from two to three years.

WHEREAS, the President of the United States by direction of an Act of Congress has proclaimed April as Cancer Control Month and

WHEREAS, the Governor of Texas declared April as Texas Cancer Control Month and

WHEREAS, Cancer will strike more than 50 million Americans now living if present rates prevail, and

WHEREAS, it is known that at least one out of two of every cancer patients could be saved if more people saw their physicians for early detection, diagnosis, and treatment and

WHEREAS, results of research alone can save in the future all cancer patients, and

WHEREAS, to win the final victory over cancer the American Cancer Society must intensify its efforts to bring life-saving facts to the public to improve the care of the cancer patient and to accelerate its research program

THEREFORE, I, as Judge of Aransas County, do hereby designate the month of April, 1972 as

CANCER CONTROL MONTH

and urge all citizens to observe and participate through increased support of the American Cancer Society and by learning the facts about cancer that are vital to personal protection from this disease.

In official recognition whereof, I hereby affix my signature this 6 day of April, 1972
s/ JOHN D. WENDELL

MRS. CASTERLINE DIES

Mrs. Leonard Casterline, 59, a longtime resident here, died at 3 p.m. Saturday in a Kerrville hospital after a short illness.

Mr. and Mrs. Casterline retired to Kerrville six months ago. She had lived here for 21 years and was a retired bookkeeper for Rockcrete Co. of Rockport. She was a member of the Baptist Church.

Funeral services were held Monday in Marshall Funeral Chapel in Aransas Pass with burial in Rockport Cemetery.

Survivors include her husband; two sons, Gene Springs of Dallas and Eddie Springs of San Pablo, Calif.; one daughter, Mrs. Edric Deason; one brother, Pete Shell of Siminole, Okla.; and four grandchildren.

Pallbearers were Elva Mullinax, Raymond Owens, L. E. Casterline, Mickey Casterline, Leo Prophet, and Dudley Prophet.

LEGAL NOTICE

NOTICE OF CHANGE OF ADDRESS

In compliance with federal regulations, office of the Comptroller of the Currency, Department of the Treasury, the following information is published.

The First National Bank of Rockport, presently located at 114 Main Street, Rockport, Texas, with its mailing address Post Office Box 1237, Rockport, Texas, proposes to change its location to #1 Broadway Plaza, Rockport, Texas, with its mailing address remaining Post Office Box 1237, Rockport, Texas, 78382. Application for this change was filed March 31, 1972, with the Regional Administrator of National Banks, Eleventh National Bank Region, 1401 Elm Street, Suite 4500, Dallas, Texas 75202.

Signed:

James H. Sorenson, Jr., President, The First National Bank of Rockport c3

LEGAL NOTICE

NOTICE OF OPPORTUNITY FOR PUBLIC HEARING

It is the intention of the Commissioners' Court of Aransas County located in the Court-house, Rockport, Texas, with assistance of federal and state governments, to extend the NW/SE runway from its present length of 4500' to 5400', extend the parallel taxiway, construct additional aircraft parking and install taxiway lights, all on the Aransas County Airport.

Any person may request that an open public hearing be held to consider the effect of the economic, social and environmental aspects of this airport improvement and whether it is in harmony with the urban planning of this community.

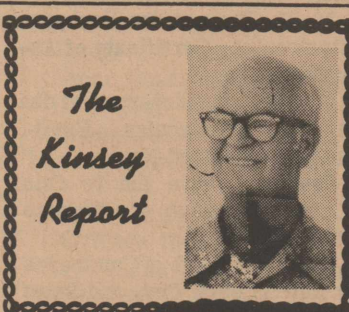

The request must be in writing and delivered to the County Judge's office within fourteen (14) days of the date of this announcement and the Commissioners' Court will hold a hearing and announce the date of such hearing.

Signed:

John D. Wendell, County Judge Aransas County, Texas c3

SCOUT NEWS

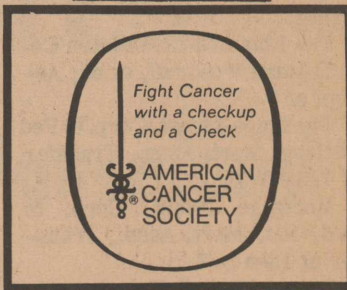

The leaders of Pack 49 and 340 will have a joint meeting to plan the annual track and field meet for some time in April. This is something all of the boys look forward to each year. It is for the entire family and we can use all the help we can get from the dads and sometime the mothers. One mother filled in for a boy in a two-legged race at a track meet a few years ago. Let's all make plans to attend this year.

Many strange things happen during political campaigns. One of the most ironical happenings in connection with last week's city and school board elections concerned attorney Bill Bloch. Bill planned and made arrangements for two large political ads in last week's Pilot. One was in behalf of Joe "Pepe" Zambrano, candidate for reelection as city alderman from Ward 1, and the other was in behalf of Blas Ramirez, a candidate for the School Board. Each ad contained a long list

of names of persons who endorsed the two candidates. These names had been signed by the individuals. About 10 of the signatures were scrawled in such a manner that the Pilot was unable to decipher them. Consequently, they did not appear among the supporters of the two candidates.

You guessed it. One of the names omitted was Bill Bloch. Bill signs his name in such scrawly fashion that it looks as though it was signed by a pigeon with ink on his beak--while flying.

NOTICE

This Is to Thank the Voters of Ward 2 For Their Support.

Sincerely,

William C. "Bill" McNickle

(Political Ad Paid for by William C. Bill McNickle) p3

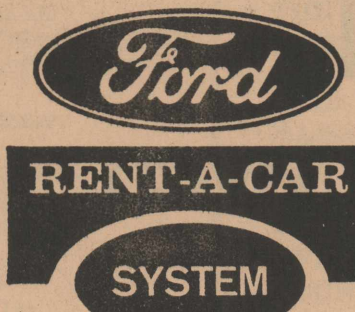

Dean Neugent would like to talk to you

Legal leniency is the greatest cause of crime. Our criminal Justice System permits delay that has reached scandalous proportions. The time lapse between indictment, trial, sentencing and final appeals can amount to several years.

Time to Change...

TIME TO STOP DESTROYING THE ROOTS OF VALUABLE LIVE OAK TREES, HUNDREDS OF YEARS OLD, IN FULTON, WHEN DIGGING A ROAD DITCH TO THE BAY ON TRAYLOR ST. WHERE 15 FEET OF 12 INCH PIPE, AND ON HENDERSON ST. WHERE 70 FEET OF 18 INCH PIPE COULD SAVE THESE VALUABLE TREES. IT IS PROBABLE THAT AN ENGINEERING STUDY TO LOCATE THE BEST ROUTE COULD HAVE AVOIDED DAMAGING THESE IRREPLACABLE TREES ON HENDERSON ST.

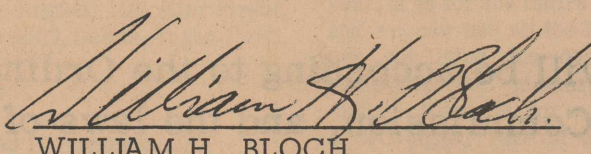

IT IS TIME TO STOP FILLING ROAD DITCHES AND BY SO DOING RAISE THE WATER TABLE ON THE LOTS WHERE SEPTIC TANKS ARE NECESSARY.

IT IS TIME THAT THE COUNTY COMMISSIONERS JOIN IN THE EFFORT TO STOP THE POLLUTION OF THE BAYS IN ARANSAS COUNTY.

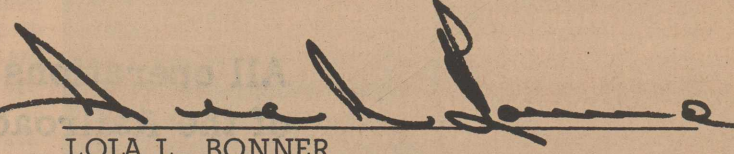

IT IS TIME TO CHANGE FROM DESTRUCTION TO PRESERVATION OF THE VALUABLE, NATURAL AND UNIQUE RESOURCES IN ARANSAS COUNTY. RESOURCES WHICH GENERATIONS TO COME CAN ENJOY IF PROTECTED BY COUNTY OFFICIALS NOW.

(Paid Political Ad Paid for by M. W. Cochran)

We, the undersigned practicing members of the ARANSAS COUNTY BAR ASSOCIATION, endorse ELLIS L. CLARK in his candidacy for County Attorney of Aransas County,

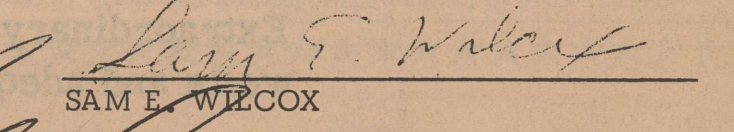

WILLIAM H. BLOCH

TO THE RESIDENTS OF THE CITY OF ROCKPORT

I am trying to put together a block of acreage within the Townsite of Rockport having in mind the drilling of a test well for oil and gas. It will be necessary for me to have the cooperation of almost everyone who owns land within my area of interest, which is about 300 acres in the Doughty and Mathis Division and about 300 acres in the Smith and Wood Division. In 1947 Atlantic took leases on most of the townsite but no well was ever drilled. Since then many operators have considered doing what I am trying to do, but the cost was too high and the work too much for any of them to do it. Before definitely deciding to do this job, I have conferred with the owners of multiple lots in the area, The First National Bank, Modern Abstract and Title Company, all of the governmental agencies and all of the churches, all of whom have promised to cooperate; so, now I am asking you to cooperate. The cost of putting together a 600-acre drilling block within the City of Rockport will be from four to five times higher than the cost of one outside.

All of the leases will be non-development leases, that is the surface of the property leased for oil and gas purposes cannot be used for any purposes of the oil and gas lease without first obtaining the permission IN WRITING of the Lessor. The lease will be for a five-year paid-up term.

All operations will be according to the Ordinances of the City of Rockport, the Rules of the Railroad Commission, and the laws of the State of Texas, and furthermore, we shall take into consideration the wishes of the Environmentalists and the Ecologists. Extraordinary care and precaution will be taken in connection with the drilling of the wells and adequate insurance will be carried for the protection of the property owners.

My area of interest does not take in Little Bay Shores, Shadyside, Shady Oaks, Hotel Reserve and the northern part of the Smith and Wood Division. However, if oil or gas is found, it stands to reason that the lands outside my area of interest will become prospective.

The drilling of wells in search of oil and gas within incorporated cities is a common thing. Kelly Bell drilled such a well in Corpus Christi at the intersection of Port Avenue and Leopard Street at the site of a former drive-in and this well is now producing oil and gas at the rate of more than \$1,000.00 a day. Several years ago Occidental Oil Company drilled a well in down-town Los Angeles, California.

I have been asked, "Can I sell my property if I have an oil and gas lease on the property?" The answer definitely is "Yes". Furthermore, since there is a good chance of the test well producing, the chances are that you will want to reserve all or part of your mineral estate.

Free notary service on these oil and gas leases is available at the following places: At my office, 814 Market Street; Mrs. Louie Hill, First National Bank; Hillis Dominguez, 817 North Pearl Street; Modern Abstract and Title Company, 500 Market Street; and Juanita Wagley, Sipe Real Estate, Market Street and Highway #35.

The cash bonuses paid for the leases in my area of interest will amount to more than \$50,000.00 which will help the economy locally, and if production is found, it will create additional tax values which are needed by the City of Rockport, Aransas County and the School District.

So I am soliciting the support and cooperation of every one of you whether you own land or not for this is an instance where

THERE IS EVERY REASON FOR EXECUTING THESE LEASES,

AND THERE IS NO REASON WHY SUCH LEASES SHOULD NOT BE EXECUTED.

Henry H. Wagner

NOTICE

TO THE REAL AND TRUE OWNERS, WHETHER HEREINAFTER NAMED OR CORRECTLY NAMED OR NOT, OR PROPERTY ABUTTING UPON

MARKET STREET FROM HIGHWAY 35 EAST TO CHURCH STREET WITHIN THE LIMITS HEREINAFTER DESCRIBED

IN THE CITY OF ROCKPORT, TEXAS, AND TO ALL OWNING OR CLAIMING ANY SUCH ABUTTING PROPERTY, OR ANY INTERESTS THEREIN, AND TO ALL INTERESTED IN ANY OF THE PROCEEDINGS, CONTRACTS OR OTHER MATTERS HEREINAFTER MENTIONED.

Notice is hereby given to the real and true owners, whether hereinafter named or correctly named or not, of property abutting upon Market Street and sundry other streets within the limits herein defined, in the City of Rockport, Texas, and all persons owning or claiming any such abutting property, or any interest therein, and to all others claiming or interested in any of said property, or in any of the proceedings, contracts and matters herein mentioned, that:

The City Council of the City of Rockport, Texas, by duly enacted Ordinance dated March 7, 1972, has determined the necessity for, and ordered the permanent improvement of, the following described streets within the following limits, in the City of Rockport, Texas, to wit:

Unit No. 1 - Market Street from Highway 35 East to Church Street

By said Ordinance, the City Council of the City of Rockport has ordered each and all of said streets, within the limits indicated, to be improved by excavating, grading and paving the same by the installation of drainage facilities and by constructing curbs and gutters, where adequate curbs and gutters are not now in place, together with other drains, incidentals and appurtenances thereto; said improvements to be as provided for in the plans and specifications therefor prepared by the State Highway Department and heretofore approved and adopted by said City Council, all of said improvements to be done and constructed in the manner and of the materials as provided for in said plans and specifications and the Contract covering the construction of said improvements heretofore awarded to Heldenfels Brothers, Contractor, by said State Highway Department for and on behalf of the City of Rockport or its duly authorized agent, which contract is dated March 13, 1972, and approved and authorized by Resolution enacted by said City Council on March 21, 1972, which said plans and specifications and Contract are hereby expressly referred to for a more detailed description of said improvements, and are on file in the office of the City Secretary of the City of Rockport, Texas.

That said City Council has caused the City Secretary to prepare and file the herein-after set out estimates of the costs of such improvements and has heretofore by duly enacted Ordinance dated March 21, 1972, determined the necessity of levying assessments for a portion of the costs of the construction of said improvements against the property abutting upon said streets within the limits above defined, and the real and true owners thereof, and did adopt and determine the hereinafter set out proposed apportionment of the costs of said improvements between said City and the said abutting property, and the real and true owners thereof, and that the portion of said costs proposed to be assessed against the said abutting property, and the real and true owners thereof, will be in accordance with the FRONT-FOOT RULE or PLAN and did further adopt the following proposed rates and estimates of said costs in reference to and for each of said streets within the limits above defined and indicated in the following schedule by the Unit Nos. of said streets, to wit:

ESTIMATED COST OF IMPROVEMENTS MARKET STREET - HIGHWAY 35 EAST TO CHURCH STREET

The estimated total cost of all improvements with the amounts per front foot proposed to be assessed against the abutting property and the real and true owners thereof, are as follows:

4-H News

Over 160 4-H horses from six counties competed Saturday in San Patricio County's Coastal Bend Area 4-H Horse Show in Sinton. Participants came from Jim Wells, Nueces, Aransas, Bee, Refugio and San Patricio Counties.

Jeff Hunt, Bee County 4-H'er exhibited the first place registered aged gelding Billy Jingle which was then made Grand Champion Gelding. Jeff also won the Showmanship, tied for second in the reining which accumulated him enough points to win the high point award. Debbie Lewis, Nueces County, won the registered geldings, under 5 years with Badger Bud who was made Reserve Champion Gelding.

Larry Hoelscher, Jim Wells County won the registered mares 5 years and older with Tlo's Rosita, Grand Champion Mare and first in the Western Pleasure. Valeri Crites, also from Nueces County, showed the Reserve Champion Mare, Jessie Pet.

Chuck Sutton, Nueces County, won the reining on Honey Bee, who was also 1st in the grade mares under 5 years old and

Thursday, April 6, 1972

2nd in the showmanship.

Winning the Pole Bending was Julie Moody, Jim Wells County on Bugs. The Cloverleaf Barrel Race was won by Gail Fox, Nueces County riding Josie.

Other class winners included Charles Carpenter, Jim Wells County, showing Lassie in the fillies class. Alan McNabb, Aransas County won class two colts with Rip's Hired Hand. Chuck Sutton, Nueces County, won the registered mares under 5 years with Brady's Girl. Belinda Wheat, Nueces County, won the grade mares 5 years and older with Princess.

Kathleen Campbell, San Patricio County, won the Pony class mares with J A C Comanche Princess. Donna Pitzer, San Patricio County won the aged grade geldings class with Bill Cody. Winning the grade geldings under 5 years old was Joker Jack Che, shown by Donna Perriraz, Nueces County. The Pony Gelding class was won by Mighty Mouse, shown by Joy Herrmann, Nueces County.

Doins' at The Dunes.

By Roberta Hensley

Since our reporter went to Kansas I will try to keep up with the happenings.

On Wednesday Mr. and Mrs. Donald Doolittle left for Griswold, Iowa.

Mr. and Mrs. H. T. Van Meter have returned to Fairmont, Minnesota.

Mr. and Mrs. John Reese will spend the next four months in Chula Vista, California.

Mr. and Mrs. Roscoe Hornsby have returned from a vacation to Laredo, a view of the Cactus Gardens. While in Alpine a side trip was taken to Big Bend National Park.

At the usual fun filled covered dish dinner, special guests were Mr. and Mrs. Gaylord Elge and Mr. and Mrs. Ocie Trimble, from Cedar Rapids, Iowa. They are friends of Mr. and Mrs. Harold Scott. Twenty-six played games.

Several had their children as

guests for Easter weekend.

Mr. and Mrs. Don Daut had Mr. and Mrs. Wayne and children from Princeton, Texas.

Mr. and Mrs. Cameron Kerran came from Oklahoma City to see Mr. and Mrs. Charlie Harter.

Mr. and Mrs. Marvin Bowman of San Antonio were guests of Mr. and Mrs. Roscoe Hornsby.

Mrs. Roberta Hensley returned from a week's visit in San Antonio.

Mr. and Mrs. John Smith braved the crowds on Padre Island Sunday.

HAWAIIAN FRUIT SHERBET

3 bananas, mashed
1 1/2 cups skim milk
1 can frozen lemon concentrate

Combine all ingredients and pour into refrigerator tray. Place in freezer compartment. Stir every 30 minutes until mushy, about two hours. Freeze until firm. Makes four servings.

Above total cost to property owners is based on \$3.75 per front foot.

The total estimated cost of said improvements proposed to be paid by the City of Rockport, Texas is Thirty Thousand Nine Hundred Fifty-Three Dollars and Seventy-Five Cents (\$30,953.75).

A hearing will be given and held by and before the City Council of the City of Rockport, Texas, on the 18th day of April, 1972, at 7:00 P.M. o'clock in the City Council Chamber of the City Hall of the City of Rockport, Texas, to the real and true owners, whether named or correctly named herein or not, of all property abutting upon said streets within the limits above defined, and to all persons owning or claiming any such abutting property, or interest therein, and to all others owning, claiming or interested in said abutting property or any of the proceedings, contracts or matters and things herein mentioned or incident to said improvements or contract herein described.

At said time and place all such persons, firms, corporations and estates, and their agents and attorneys, shall have the right to appear and be heard and offer testimony as to the said assessments, and to the amount thereof, proposed to be assessed against said abutting property, and the real and true owners thereof, the lien and charge of personal liability to secure payment of said assessments, the special benefits to accrue to each such abutting property and the owner of owners thereof by virtue of said improvements, if any, or concerning any error, invalidity, irregularity or deficiency, in any proceeding or contract in reference to said improvements, and said proposed assessments, and concerning any other matter or things as to which hearing is a constitutional prerequisite to the validity of said assessments, proceedings and improvements and on which they are entitled to a hearing under the Constitution and laws of the State of Texas and the proceedings of the City Council of the City of Rockport, Texas.

Following such hearing, assessments will be levied against each and every parcel of property abutting upon said streets, within the limits above defined, and the real and true owners thereof, for that portion of the costs of said improvements determined by said City Council to be payable by such abutting properties, and the real and true owners thereof, and said assessments shall be and constitute a first and prior lien upon said abutting property, from the date said improvements were ordered by said City Council and shall be a personal liability and charge against the real and true owners thereof, as of said date, whether such property be described or correctly described, or such real and true owners be named, or correctly named, in such proceedings or not, and no error or mistake or discrepancy in the name of such owner or owners or in describing said property in this notice or in any of said proceedings with reference to said improvements, shall invalidate any assessment or certificate issued in evidence thereof, but nevertheless, each parcel of property abutting upon said streets, and the real and true owner or owners thereof, shall be charged with, and be liable for, said assessment which shall be valid whether or not such owner or owners be named or correctly named, or such property be described or correctly described, all as provided for under the Acts of the 40th Legislature of the State of Texas, First Called Session Chapter 106, commonly known as Article 1105-b, Revised Civil Statutes of Texas, as amended, and as adopted by the City of Rockport, Texas under which said improvements, proceedings and assessments are being constructed, performed and levied.

Of all said matters and things, all owning or claiming any such abutting property or any interest therein, as well as all others in anywise interested or affected by the things and matters herein mentioned, will take notice.

DONE by order of the City Council of the City of Rockport, Texas, this the 21st day of March, 1972.

ATTEST:

S/ Delmar R. Hiller

DELMAR R. HILLER, Mayor

S/ Herman C. Johnson

HERMAN C. JOHNSON, City Secretary.
