**MILESTONE AWARD** for 35 years of service was recently awarded the Col-Tex Federal Credit Union. Pictured here inspecting the award are Joyce Tolle, treasurer and H. P. Ball, president of the local credit union. Oct. 1 marked the 35th anniversary of the Col-Tex Federal Credit Union. It was originally chartered in 1939 with initial membership of 12 shareholders and assets of $65. The credit union now boasts 1,218 members and assets of approximately $990,000.

# Voters Turn Down Charter, Liquor

Mitchell County and Precinct Three voters turned out to vote "NO" Tuesday on the proposed new state constitution and on a proposition to legalize sale of alcoholic beverages for off premises consumption in Precinct Three.

A total of 695 voters turned out Tuesday to vote on the alcohol issue in Precinct Three, narrowly defeating the issue 379 to 316, not counting absentee.

**In absentee balloting on the issue, 23 voted against and 20 for, making the total vote count on the sale of alcoholic beverages in Precinct Three for off-premises consumption 402 against and 336 for.**

In the state constitutional election, there was a total of 1,486 votes cast including 51 absentees, about a 30 to 33 per cent turnout of registered voters in Mitchell County.

There was a total of 690 votes in Precinct Three on the state constitution and 796 in other voting boxes in the county.

The eight propositions on the ballot for the new state constitution were voted down in Mitchell County by an average of a 6 to 1 margin, about the same as the vote went state wide.

Here is how many voters turned out at each voting box in Mitchell County: 51 absentees; 356 in Precinct 1; 107 in Precinct 2; 690 in Precinct 3; 203 in Precinct 4; 34 in Precinct 5; 45 in Precinct 7.

Here is how each proposed constitutional amendment fared in Mitchell County. None of the eight propositions passed or even came close to passing in any of the Mitchell County boxes.

--Proposition 1 revising the separation of powers, legislative and executive provisions, 1,225 against, 208 for.

--Proposition 2 revising the judiciary, 1,206 against, 210 for.

--Proposition 3 revising voting and election provisions, 1,206 against, 218 for.

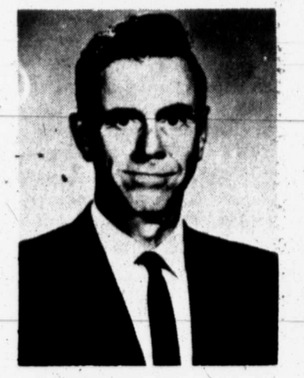

--Proposition 4 revising the education provisions 1,182 against, 243 for.

--Proposition 5 revising state finance, 1,206 against, 219 for.

--Proposition 6 revising local government provisions, 1,191 against, 231 for.

--Proposition 7 revising general provisions, 1,205 against, 209 for.

--Proposition 8 revising mode of amending constitution, 1,199 against, 212 for.

**TRACTOR** maintenance specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M, Norman K. Waggoner, will instruct the four-day course Nov. 10-13 at Colorado High School vocational ag building. Course fee is $5 each.

## Dollar Days

Colorado City merchants who are sponsoring Dollar Days sales bargains Thursday, Friday and Saturday include the following:

Marshall's Sewing Center, Mode O'Day, Landau's, Anthony's, Ramage Appliance, Eddie's Pharmacy and E-Z Way Superette.

# 4 p.m. Nov. 22 Set For Visit By Santa

Directors of the Colorado City Chamber of Commerce met for a regular monthly business meeting Monday night in the Chamber offices in the Civic Center, discussing a number of past events and planning for the up-coming Christmas-On-Parade set for Nov. 22 in the Civic Center.

Nelda Garrett, director representative of the Chamber's Cultural Affairs Committee, said that the October Occasion was financially successful, the donations and concessions bringing in enough money to pay expenses of advertising the event.

Chamber of Commerce executive vice president Sefton Pickens said that letters from Marietta College in Marietta, Ohio, the Howard County 4-H Club in Big Spring and the Farmer's Branch Bicentennial Commission in Farmer's Branch near Dallas have come to the Chamber, requesting information about how the event was organized. Each of the letters stated that news of the success of the Colorado City October Occasion had come to the writers and they wished help in planning such an event for their towns.

Miss Garrett also announced the next cultural program for Nov. 20 in the Charles C. Thompson Room of City National Bank annex. The program is still being planned, she said.

J. O. Dockrey, director representative and chairman of the Aviation Committee, reported that restroom facilities will be built soon at the city-county airport. Need for such restroom facilities has long been one of the improvements cited by the Chamber for construction at the airport.

In a meeting of persons who worked at the Mitchell County Fair this year, held just prior to the Chamber meeting, workers went on record as recommending that entires be made Wednesday afternoon instead of Thursday morning as in previous fairs. Workers thought this would give additional time for organizing exhibits before judging and opening to the public. The Fair traditionally has accepted entries Thursday morning, they were arranged and then judged before the 5 p.m. opening to the public.

Discussion of the Christmas-On-Parade took up the remainder of the meeting, Pickens said.

He said that response has been good as requests for booths have been coming into the Chamber office.

Merchants will display Christmas items from 10 a.m. until 5 p.m. Saturday, November 22. No sales will be made that day, he said, as it is a means of advertising gift items and for making people aware of what is available from local merchants for their Christmas gift-shopping list.

Santa Claus will come to the Civic Center about 4 p.m. during the display.

The first of four Saturday afternoon drawings will follow the Saturday after the Christmas-On-Parade, Pickens pointed out. Prizes of $100, $50 and $25 will be awarded in the drawings. Tickets will be given by sponsoring merchants, dumped into a gigantic hopper and the winning numbers drawn. Ticket holders have until the Wednesday following the drawing to claim their prizes.

A nominating committee of Bob Chalker, S. L. (Mac) Morris and Ray Anne Carlock will nominate five persons to fill director posts being vacated by Chalker, Mrs. Carlock, Eddie Mitchell, Murrell Blassingame and Nelda Garrett.

Pickens said that ballots will be mailed out Dec. 1 and must be returned by Dec. 10. Ballots will have a space for voting for the five nominees or for five other names to be written in, he said.

## Finds Bobcat

An unusual call comes in to the police dispatcher occasionally and Tuesday morning an exceptionally different call was made by Doyle Kiker, partner in Kiker-Seale Funeral Home in Colorado City.

The nature of Kiker's call was to report finding a pet bobcat outside the funeral home Tuesday morning.

He said the wildcat was definitely someone's pet as it is tame. Anyone losing a bobcat may contact Kiker at the funeral home.

## Mail-out Awaits Notice

County Tax Assessor-Collector C. G. (Skeet) Harkins says that the mail-out re-registration forms which were supposed to be sent out to Mitchell County voters following Tuesday's election will not be sent until he receives further notice from the attorney general's office.

Reason for the delay, Harkins said, is a lawsuit filed in Grayson County claiming that the re-registration is un-Constitutional.

A massive statewide campaign to purge voter lists of names of voters who have moved or otherwise become ineligible will be delayed until further notice, the Mitchell County tax assessor-collector said.

His office received a letter from Texas Attorney General John Hill last week informing clerks not to mail out the re-registration forms until further notice, he said.

## City, County Get Share Of Taxes

The city of Colorado City and Mitchell County have received remittance from the office of State Comptroller Bob Bullock for their share of the $2.7 million state tax on mixed drinks collected for the third quarter, July-Sept., 1975.

The city's share, 15 per cent of $1,425.59, amounted to $213.84.

The county's payment was for $290.96, representing 15 per cent of $1,939.72 in tax revenue.

The share to cities is 15 per cent of the total tax collected in each city and the 15 per cent to the counties represents tax revenues for drinks sold outside any city's limits. The remaining 70 per cent, $6.5 million for this quarter, goes to the state general revenue fund.

The tax is 10 per cent on all gross receipts.

Bullock said this quarter's total local share was up slightly from the second quarter's $2.5 million paid out. The $9.2 million total tax receipts for the third quarter represented the eighteenth consecutive quarter that the total tax receipts increased.

The collection of the tax is administered by the Texas Alcoholic Beverage Commission.

## 3-4 Record For Loraine Junior High

Loraine Junior High football team had their last outing of the season against Robert Lee last Thursday and they lost by a score of 26-0.

The loss gave the team a 3 wins-4 losses record for the season, Coach Ken Lightfoot said. He thought the team played well against most of their opponents, saying they were playing against bigger teams in most cases.

The eighth graders, who will be Freshmen next year, should add speed to the Bulldogs attack, Lightfoot said. They are: David Finley, Tino Galvan, Junior Martinez, Mark Cornutt, Tommy Darnell, James and Jeffrey Wooddell, Eddie Lujan, David Barrera, Casey Merket and Tommy Mosher.

**OPENING SOON** at 273 Walnut in Colorado City is a new eating place, The Silver Horseshoe Eatery. Pictured here are, from left, Dub Wooddell, Mary Lou Costabile and Ed Newton, who will operate the city's newest business establishment. Pit cooked barbeque plate lunches and sandwiches will be featured on the menu and Newton says that special nights, by reservation only, are set a couple of nights a week, featuring barbeque and entertainment on the player piano and organ.

## Wolves To Face Ranked Bearcats

Colorado City's Wolves will travel to Ballinger Friday to take on the Ballinger Bearcats, the No. 2 ranked team in the state in AA football.

The undefeated Bearcats have one of the biggest teams, if not the biggest, the Wolves will be playing all year, said Colorado High Athletic Director Mike Farda.

They have three good backs, all big, running out of the wishbone set with dead-T plays. The fullback is 6-foot 4-inches and weighs 225 pounds.

On the line, the Bearcats have tackles weighing 255 and 230 pounds and they use these big tackles to run right at you, said Farda.

Ballinger has a real solid team, Farda added.

The Wolves have had good workouts this week, the coach said, and they are ready to play.

The only problem is that the flu bug was hit which kept a number of players away from workouts and will weaken them some for the game, Farda noted.

## Team In Finals Today

Colorado City's volleyball team will compete in Ballinger at noon today (Thursday) for the District 6-AA volleyball crown.

The Colorado City girls earned the right to advance to the finals in the double elimination tourney by defeating Stamford 15-4 and 15-0 and Ballinger 15-4 and 15-5 in the first day of the tournament yesterday (Wednesday) in Hamlin.

The game in Ballinger today will be played against Ballinger.

## Today's Games

A full schedule of games is set with Ballinger opponents today, the Junior Varsity and Freshman teams to play at Wolf Stadium and 7th and 8th grade teams travelling to Ballinger.

Game times are as follows:

--Freshman vs. Ballinger, 6 p.m. here.

--Junior Varsity vs. Ballinger, 7:30 here.

--7th grade vs. Ballinger, 6 p.m. there.

--8th grade vs. Ballinger, 7:30 there.

## Public Apology To Winters

Contributions from interested persons who wish to help pay for a quarter-page apology to the Winters Band which will be printed in the Winters Enterprise are being accepted at City National Bank.

Purpose of the apology is to make known to the band students, school and people of Winters the regrets that Colorado City Wolves supporters feel about the regrettable egg-throwing incident last Friday night at Wolves Stadium when four Winters Band students were pelted with eggs as they stood in the end zone of the field following their performance.

The persons who threw those eggs escaped, although Police Chief Jesse Browning gave chase to two people who ran out the northwest gate and he was unable to identify them.

The Winters busses were also covered with thrown eggs, one while it was parked at the field house and later as the busses left town with a police escort eggs were again thrown at the busses.

To apologize publicly to the Winters band, school and supporters is the purpose of the ad and any interested person may make contributions.

Nov. 1 & 2

## Short Course Starts Monday

A tractor maintenance short course for adult farmers and ranchers will be held Nov. 10-13 under the sponsorship of the Colorado High School Vocational Agriculture Department, according to Lloyd McKee, superintendent, and Frank Brownfield, teacher of vocational agriculture.

The four-day course will be taught by Norman K. Waggoner, tractor maintenance specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M University.

Times for the course are 7:30 to 10 p.m. in the vocational agriculture building at the high school. A registration fee of $5 is the only charge.

Waggoner will be available to assist farmers with individual tractor problems and to provide on-the-farm instruction during the dates the short course is in progress.

A native of Michigan, Waggoner received his B.S. degree in Agricultural Education from Michigan State University in 1942 and his Master's degree in Ag Economics in 1943 from the same institution.

He taught vocational agriculture in central Michigan for five years and since 1951 has been associated with Ford Motor Co. in several capacities in the Tractor and Implement Division.

## Adults Fined

Four adults charged with disorderly conduct as a result of egg throwing in the city Friday night signed bond cards following their arrest, a process which Police Chief Jesse Browning says speeds up the bond and fine procedure for misdemeanor offenses.

The cards are an official plea of guilty and the amount paid is held as forfeiture of the bond, amounting to the same thing as a fine.

Paying amounts of $27.50 each were the following:

--James Wendell Hale, 21, of 206 Manuel in the city.

--Freddy Alfredo Espinoza, 17, of 1043 Elm St.

--Allan Pharris, 18, Rt. 1, Box 234.

--Billy Roy Williamson, 18, Rt. 1, Box 183.

Four juveniles arrested for the same offense were released to the custody of their parents.

## Students Get Monday Off

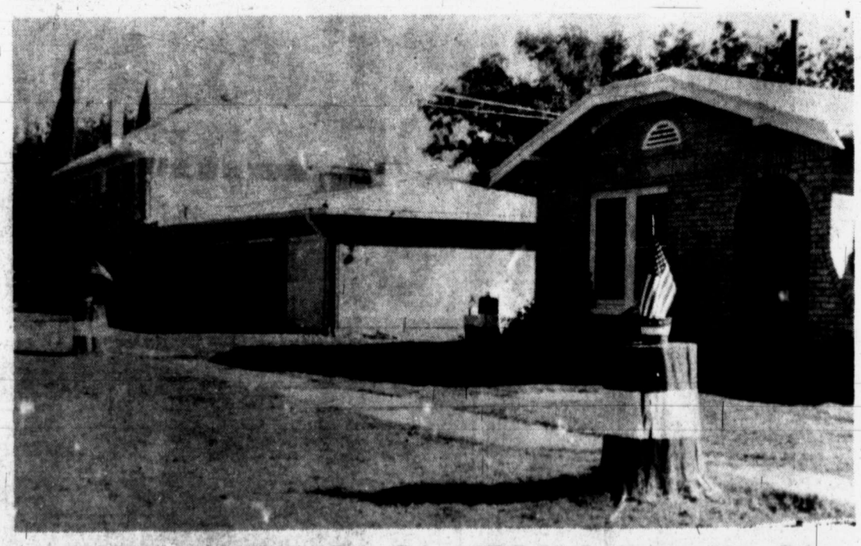

Both Colorado City and Loraine students will get a holiday Monday as teachers spend the day in record keeping following conclusion of the first trimester Friday.

Students spent the week in testing and will have Monday in which to recuperate, wondering how their grades will come out.

## Pep Rally 3:15 Friday

The Wolves Pep Rally, originally set for 8:30 a.m. Friday, has been changed to Friday afternoon.

The Pep Rally will begin at 3:15 at the Wolves Field House and will send the football team on its way to Ballinger about 3:44 p.m., according to high school principal Bill Everett.

**BICENTENNIAL PROJECT** of Elmer Rainey, 417 E. 9th St., is pictured here. Rainey painted three tree stumps left in his yard red, white & blue and atop the stumps put United States flags in flower pots also painted in patriotic colors with gold stars. Rainey said he intended to also use Texas flags but was unable to obtain them locally.

# Happy Days

*By Ann Randle Davis*

I still haven't got an answer—is it Colorado City or are people extra nice when you're in need everywhere?

Had an unusual experience Halloween night. An important part of my house went.

It may sound worse than it actually was. The important part was the garage door and there I was with the car inside and no way to get it out.

Son Randle and Wayne Blackard-a nice sophomore in high school were the first ones to come to my rescue.

No, I take it back, a young couple who had been taking their kids trick or treating came to my rescue first. They checked to see if they could help and to see if I was all right.

The next morning called to see if one of the lumber yards could come to my assistance, but they were full and running over.

However, the nice gentleman I talked to said he would come after lunch and help me and, sure as shootin', he came and fixed it for me and it works like a charm.

I told him you couldn't get this done everywhere and he agreed they would have told me I'd just have to wait!

The nice gentleman who came to my aid was Bim Carlock who, as we all know, works at Higginbotham-Bartlett Lumber Company and who's wonderful (to say nothing of pretty wife Raye Anne, is always smiling and helpful at the bank.)

The Wolves football team and their devoted coach, Mike Farda, really made us all proud Friday night. The fact that it was so close, doubled the thrill of winning!

Also, what a beautiful half-time performance by our band. Surely wish everyone of you had been there to see it all.

Speaking of the band, wish I could have been in San Angelo this year like I was last year to see them march in the parade.

Saw Kack Price (Mrs. Fred McClelland) several times lately and she's still my friendly Kack...have also seen the very nice Mrs. Chlorine Stewart numerous times...on numerous occasions have had the pleasure of seeing our lovable Mary Lou (Mrs. L. D.) Maines either coming or going and her nice husband also.

Had a nice but short visit with Mrs. Kirk Taylor. She is so very talented besides being nice. As we all know, she hails from Loraine.

Got to sit close to Mr. and Mrs. Emmett (Rita) Banks, Jr., at the Halloween Carnival. Saw many of you like, C. C. (Mike) Burt at the cash register in the food concession and Mac McKinnon peddling the cotton candy. They were both spiffily dressed for the occasion.

Another one of our hard working citizens who has been seen lately various places is Mary Lee Moore... have seen our John Tom Merritt also a number of times—once he was driving his cute red "bug" down the street...also got to see our pretty Paula (Mrs. Gary) Baker, headed up the street.

Had a nice, short visit over the telephone with Mrs. Nola Ezell who lives across the street from me. Her son, William, and his wife, Karen, and their two good looking boys have visited her several times of late.

Made the short trek to Jeanne Manufacturing the other day and they were all costumed for a Halloween Party which was to be held later in the day.

They had a delicious looking cake and the office looked like Christmas what with all the pretty packages for the employees who had had a birthday in October. This is a place of which we should all be justly proud.

# Middle School Chatter

The girls in intramurals are playing a volleyball tournament among themselves. The tournament started last week, and there is one more match to be completed.

The first place play off was played at 2:30 Friday in front of the student body. This match was between the Dynomites and the Wildcats. In the first game the Dynomites edged by the Wildcats with a score of 18 to 16.

The second game was quite a bit more exciting. Brenda Smith from the Dynomites team, made several spikes for her team. Opposing Brenda was Janice Ridge. She also made quite a few good spikes. The Wildcats won 16 to 14.

As it was nearly time to go we had to play a short ten point play-off game. The Wildcats won that game and the match with the score 10 to 6. Here are the results of the tournament:

1st Wildcats, 2nd Dynomites, 3rd Tigers, 4th Comets, 5th Superstars.

There was also a big side attraction by some of our football boys. Doug Neff, Kirk Williams, Chuck Claxton and Steve Schauwecker were cheerleaders for the Dynomites. Leading yells for the Wildcats were Ty Roach, Scott Cawthron, Ricky Ornelas and Todd Shaw. At times they almost stole the show! ! !

Colorado Middle School had their next to the last pep rally last Thursday. Most everybody was yelling. The cheerleaders, the Jamborees, the band and the football boys were yelling the loudest.

The eighth graders won the spirit stick again this week. They really yelled. The cheerleaders, the Jamborees, and a pretty big crowd all yelled at the game that night.

Jamboree officers for the year are: president, Terri Muncrief, vice president, Mary Holder and secretary, Cindy Geiger. Our mascot is Tracy Burnam.

The 7th grade Wolves played a tremendous game at home last Thursday against Winters and won 12 to 0. The first time the two teams played Winters won 41-0. We have improved!

Jay Green made both touchdowns. The defense did a good job.

Playing a good game on defense were Dese Vanderpool, Frank Norris, Doug Johnson, Joe Rivera, Danny Rivera, David Alvidrez, Jay Green, Kirk Evans, Carlos Olivarez, Arthur Reyes and doing a good job in the secondary was Weldon Walker.

Those doing a good job on offense were: Robert Godina, who played one of his better games; Sam Houston, Mark Piland, Ricky Alvarez, Yancy Spivey, Donald Owens, and Lesley Merket. Doing a good job running were Jay Green, Arthur Reyes and Carlos Olivarez. Quarterbacking a good game was Mark Carter.

Today the 7th grade Wolves play at Ballinger at 6.

Last Thursday the 8th grade played Winters here, winning 25-0.

The first quarter was slow, neither team scored; but the second quarter was different as Lupe Luera scored on a pass from Russell Noel.

With about 3:43 seconds left in the first half Chuck Claxton found his receiver Ken Baker in the end zone. The point after was no good. At the end of the first half the score was Wolves 13, Blizzards 0.

The Wolves came out in the second half more excited.

They received the ball on about their own forty yard line, drove down field. Bob McDonald scored on an off-G play. The extra point was no good. The third quarter ended with the score Wolves 19, Blizzards 0.

The last quarter was even better as the Wolves forced the Blizzards to punt. The Wolves received the ball, and again on a fine drive Bob McDonald scored.

The game ended with the score Wolves 25 Blizzards 0.

Follow us to Ballinger today for our last game and cheer us on to Victory as we take on a team that has not been beat in two years! !

The Colorado Middle School Stage Band has performed twice this year. We performed for the Kiwanis Club and the October Occasion. It was a real pleasure playing for both occasions. We are really enjoying stage band this year and are having a lot of fun.

The annual staff this year would like to thank all of the people who have bought annuals. We would also like to ask all the people who haven't bought an annual to please buy one from; Dee Ann Griffith, Regina Russell, Freddie Alvarez, Yolanda Gonzales, or Anne Marcom.

Art is a fun class to be in. The first six weeks we made some pinchpots and coil pots by hand. We made these out of hard clay.

This six weeks we have been pouring ceramics. After you pour the slip in the molds you have to take what ever you are doing out after it has hardened and clean the mold. Then you have to sand it, and fire it. Then you glaze it, and fire it again. We have made some pretty things.

***

There have been many things brought to the sixth grade Science class. Starfish from Baja, California, snakes, many bones and insects that have been pinned and spread.

Now we are experimenting on plants. Every class is going to grow some plants for an experiment.

We are planting the seeds in different ways to see what way they grow best. Also we are putting some in the dark and some in light to see what effect light has on them.

# Recent Garden Club Show Draws Largest Crowd Ever

Colorado City Garden Club's annual fall flower show experienced the largest crowd ever to visit such an event, this year in the Civic Center and open to the public from 4-7 p.m. last Thursday.

Refreshments of hot spiced punch and home-baked cookies were served to guests throughout visiting hours. Visitors were also present to see the "Watercolors of the Southwest" exhibit of Warren Cullar, Assistant Professor of Art at Western Texas College at Snyder.

Cullar's paintings, arranged around the perimeter of the Civic Center, featured scenes from the area, one on loan from the collection of Lillian Munday showing a scene on the San Angelo highway here.

Judges for the show, from San Angelo and Robert Lee Garden Clubs, said that horticulture exhibits were the best they have seen in flower shows throughout the area.

Some of the entries bringing praise from both judges and those who came to see the show included glycerine-treated grasses entered by Mrs. Floyd Shepherd. Mrs. Shepherd is well-known in Garden Club circles for her work with treated native materials.

The Arboreal Award, a green rosette, was presented to the berried juniper branch submitted by Mrs. S. A. Palmer. Judged to be the top entry in the container-grown plant section was a cactus grouping grown by Mrs. Bruce Johnson.

Winners in the Artistic arrangements division were as follows:

--Songs of Patriotism, 1st, Mrs. Bruce Johnson; 3rd, Naomi Elliot, arrangements entitled "America the Beautiful"; 2nd, Mrs. Katie Jackson, "This Land Is Your Land".

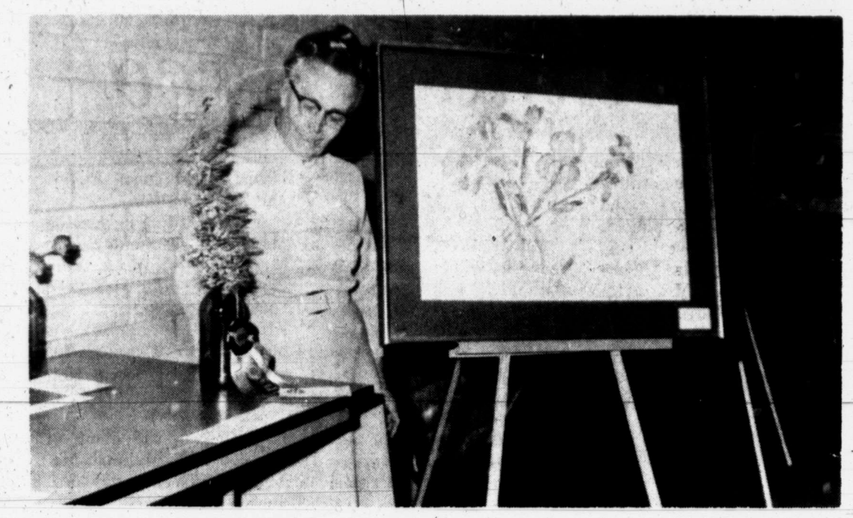

--Songs of Praise to God, 1st, Mrs. Bruce Johnson and 3rd, Mrs. Earl Brown, "How Great Thou Art"; 2nd, Mrs. John Bell, "O Little Town of Bethlehem".

--Songs of the West, 1st, Mrs. Roy Davis Coles and 3rd, Mrs. Bruce Johnson, "Wagon Wheels"; 3rd, Mrs. Robert Chambers, "Home On the Range".

--Songs of the South, 1st, Mrs. Bruce Johnson, "Basin Street Blues"; 2nd, Mrs. Robert Garner, "My Old Kentucky Home"; 3rd, Naomi Elliot, "Dixie".

--Songs of Broadway, 1st, Mrs. S. A. Palmer, "Hello Dolly"; 2nd, Mrs. Lynn Halbert, "Oklahoma"; 3rd, Mrs. E. M. Owen, "I Could Have Danced All Night".

--Songs of Wee Folks, 1st, Mrs. Vina Gayler, "Farmer in the Dell"; 2nd, Mrs. Lynn Halbert, "Rain, Rain, Go Away"; 3rd, Mrs. Bruce Johnson, "Mary, Mary, Quite Contrary".

ARBOREAL AWARD WINNER in the annual flower show of the Colorado City Garden Club was Mrs. Sims A. Palmer. Her award winning entry was a berried juniper branch, displayed above with the top award in horticulture, a green rosette. Beside Mrs. Palmer is one of the Southwestern watercolors exhibited during the show by Warren Cullar, Assistant Professor of Art at Western Texas College in Snyder.

These simple tools can help you save energy.

If your home doesn't have good insulation, you're wasting a lot of energy.

But you can do something about it. By installing proper insulation and weatherstripping, you can lock the heat out in the summer and hold it in during the winter.

And that means you'll be using electricity for air conditioning or heating much more efficiently.

You can check your attic insulation with a ruler. If the insulation is less than six inches thick, you may need to add more.

To check the weatherstripping around exterior doors, have someone shine a flashlight around the edges of each closed door. If you can see light, you may have to add new or replace worn weatherstripping.

Saving electric energy takes very little energy on your part, but it's worth the effort.

# Texas Taxe$

By BOB BULLOCK, State Comptroller

Austin--There is frequently confusion among retail merchants about the use of sales tax Exemption Certificates and Resale Certificates.

A Resale Certificate can be used only by a person or business holding a valid sales tax permit and buying an otherwise taxable item from another person or business holding a sales tax permit.

An example of this might be a small auto repair shop buying parts from a large store or distributor who does both wholesale and retail business. The auto repair shop -- which would have a sales tax permit -- would give the distributor a Resale Certificate and not pay sales tax on the parts purchased.

The repair shop would then sell the parts to its customers, charging them the sales tax and remitting it to the state. The distributor, meanwhile, would use the Resale Certificate to prove to the state why that amount of his sales weren't taxed.

The Comptroller's Department has a suggested form for the Resale Certificate and usable copies are usually available at business houses which deal in both wholesale and retail. The important line on the form is the sales tax permit number of the buyer.

Persons dealing in both wholesale and retail should never let a customer sign a Resale Certificate unless the customer can provide his sales tax permit number.

An Exemption Certificate is for use only by organizations whose tax-exempt status is authorized by law. These are usually religious, educational and charitable groups and all public agencies. For instance, this year the Legislature added recognized Bicentennial organizations to the list of groups who are exempt from paying the sales tax on items they purchase for their own use.

The Exemption Certificate, too, is only a suggested form. There is no such thing as an exemption number.

The way it works is simply that when an authorized person from the exempt organization makes an otherwise taxable purchase, that person signs a statement saying the group is exempt. If the retail merchant making the sale has any doubt about the organization's status he may ask for proof.

Many exempt organizations ask the Comptroller's Department for a letter certifying their exempt status. The law doesn't require this but we are happy to provide it.

The retailer then uses the Exemption Certificate to show why that portion of his sales weren't taxed.

Generally a retailer is considered by us to be in compliance with the law if he accepts an Exemption Certificate in good faith -- that is, he believes the purchaser is an exempt organization. Obviously in the case of public agencies such as school districts and local governments, there is no question.

Merchants accepting either Resale Certificates or Exemption Certificates should be very careful to keep these records.

## Boosters See Game Film

Coach Mel Gierhart gave a scouting report on Ballinger at the Tuesday meeting of the Wolves Boosters in the high school cafeteria.

Volleyball team members were introduced by Coach Susan Anderson to over 40 members and guests present.

Announcement of the Pep Rally for the Ballinger send-off was made by CHS principal Bill Everett. The time for the Pep Rally will be 3:15 at Wolves Field House.

Game film of the previous week's win over Winters was a featured attraction of the meeting.

## Wildcats Lose Two

Westbrook Wildcats lost their last two games, one Saturday night to Abilene Christian High School by 63-58 and Tuesday night to Hawley, 69-59.

Wildcat coach Dale Byrd says the Wildcats played good ball in both games, losing to stronger teams in their pre-district grooming, getting ready for district play.

The ACHS team won their first game by a much wider margin than in this last contest as with one minute to go in the game, the Wildcats pulled ahead with a one-point lead but lost the subsequent rebound and fell behind.

Scoring were Bobby Matlock, 27; Glenn Rich, 13; Daryl Rich, 12; Steve Rollins, 3 and Jim Anderson, 2.

Tuesday's game was not a good effort for the Wildcats in the first half, the coach said, but they came back and outscored Hawley in the last half, never overcoming the 37-21 half-time point deficit.

Scoring were Bobby Matlock, 21; Daryl Rich, 17; Glenn Rich, 14; Bobby Moody, 4 and Jim Anderson, 3.

The Wildcats will have a lay-off until Nov. 14 as Byrd said they were unable to schedule games until then. They take on Garden City in games starting at 6:30 in Westbrook.

## Ex-Resident Charged With Forgery

An ex-Mitchell County resident, Fred Walker, 26, formerly of Colorado City, has been charged in Abilene in what police said was a scheme involving leak-proofing roofs.

Felony charges of forgery by alteration were filed Tuesday in Abilene against Walker.

The Taylor County charges say Walker changed a $105 check given him by Jim Gibson, 63, of 2801 Pine, Abilene, to make it read $405 and it was cashed for $405.

Investigation is still underway in connection with the roof coating job.

## Bulldogs Travel To Hawley

Loraine Bulldogs coach Ken Lightfoot says the team's next opponents, Hawley, are "a tough, physical team as they like to take the ball and run over you with it."

The Hawley game will be the next to last game for the Bulldogs as they travel to Hawley for the 7:30 p.m. kickoff Friday.
