RELATIONS BROKEN OFF

VON BERNSTORFF GIVEN PASSPORTS AND GERARD IS ORDERED TO RETURN HOME FROM BERLIN

WILSON TO ADDRESS CONGRESS AT TWO O'CLOCK THIS AFTERNOON

By Associated Press.

Washington, Feb. 3.—The United States this morning severed diplomatic relations with Germany.

Count Von Bernstorff, German ambassador, has been handed his pass ports and James W. Gerard, ambassador at Berlin, has been ordered home.

President Wilson will address a joint session of Congress at two o'clock this afternoon, giving full details of the break.

The breaking off of relations with Germany following the receipt of the note of Wednesday, declaring for unrestricted submarine warfare, does not necessarily mean war between the United States and Germany, but brings the relations between the two countries to an extremely critical point.

The next step in the developments will probably be disclosed when President Wilson addresses Congress this afternoon.

COTTON EXCHANGE PROBE IS ORDERED

Senate Favors Investigation to See if Methods Are in Restraint of Trade

By Associated Press.

Washington, Feb. 3.—The Senate today passed the resolution of Senator Smith of South Carolina, directing the attorney general to investigate buying and selling operations of the New York cotton exchange to ascertain if the methods employed were in restraint of trade. There was no debate.

GERMANS WEAR WHITE OVERALLS IN NEW ATTACK

By Associated Press.

Petrograd, Feb. 2.—German troops dressed in white overalls yesterday broke through the Russian first line positions at Foietzina, southwest of Brezany, says the official statement of the war department today. The Russians however, launched a counter attack and drove the Teutons back to their own entrenchments.

HOUSE ADOPTS RESOLUTION OF CONFIDENCE IN WILSON

Austin, Tex., Feb. 2.—A resolution ordering an expression of the confidence of the Texas legislature in the ability of President Wilson in the impending crisis and assuring him that Texas stands behind him in everything, was adopted by the House of representatives Thursday. A single dissenting vote was registered. O'Brien moved to table the resolution, but was cried down.

LITTLE ACTIVITIES ON WAR FRONTS

INDICATIONS OF IMPORTANT DEVELOPMENTS IN WEST ARE GIVEN

ARTILLERY IS BUSY

Raiding and Aerial Operations of Importance Reported Few Changes on Fronts

This Associated Press summary of the war operations is follow-

While developments from the German naval conference are pending military operations are on a small scale and command limited interest. Signs of probably important happenings on the Franco-Belgian front are not wanting however. The artillery duel is constantly growing in intensity and is becoming at times, all along the line, notable in the British front northern France.

German airplanes have been doing considerable scouting work in this section. Berlin mentions the today in reporting the destruction of various important points of German ammunition depots and the British front where the next offensive movement in the west may be forseen shortly is expected.

In the Somme region artillery also is both indicating operations of more than ordinary importance as indicated in official bulletins.

On the Russian, Roumanian and Macedonian fronts there have been comparatively few happenings of importance. The German war office reports no changes in any of these war areas.

London, Feb. 2.—A Copenhagen dispatch to the Times says that the Nederveiting has temporarily suspended by the Danish war insurance office. The United shipping Company has ordered ships in English ports to leave before Sunday if possible.

LITTLE ACTIVITIES SENATE TO VOTE ON WAR FRONTS ON VETO MONDAY

IMMEDIATE CONSIDERATION OF IMMIGRATION BILL IS BLOCKED TODAY

MAJORITY IN HOUSE

President's Disapproval of Literacy Test Overruled There By Vote of 285 to 106

Washington, Feb. 2.—Immediate consideration of the immigration bill was blocked in the senate today by Senator Reed of Missouri. An agreement was reached to vote on the passage of the bill at 4 p. m. next Monday.

In the house there was 285 to 106 vote to override the president's veto of the measure which provides a literacy test for immigrants.

AMERICANS HURRY HOME FROM ABROAD

London, Feb. 2.—The German note has resulted in a rush of Americans to procure passage to New York on the first available boat. Large numbers who expected to sail within a fortnight have decided to leave Saturday and before noon all the first class accommodations on the steamers were booked.

Anti Japanese Legislation Withdrawn During Crisis

By Associated Press.

Salem, Oregon, Feb. 2.—Oregon's anti-alien land bill was withdrawn from the Legislature today by Senator R. Wilbur, democrat, who introduced it because, as he said, he did not want to handicap President Wilson with possible Japanese complications during the present international crisis.

OUTLOOK FAVORS IRRIGATION BILL

UNEXPECTED OPPOSITION REMOVED. MR. KEMP RETURNS FROM AUSTIN TODAY

LOOKS FOR PASSAGE

Plans For Establishment of Cotton Stalk Paper Factory Are Now Under Way

Smooth sailing seems to be ahead for the Tillotson resolution in legislature at Austin, and it is considered certain to pass, according to J. A. Kemp, who returned today from the state capital.

Mr. Kemp's return was delayed by sudden opposition to the measure from an unexpected source, and he remained in Austin until had been cleared up. This opposition developed to the irrigation feature of the measure, which is the part in which Wichita Falls is interested. However, the opposition was found to have been due large to misunderstanding and was cleared up without great difficulty.

Mr. Kemp gave further attention to the cotton stalk paper proposition while in Austin. Plans have been completed for establishing a mill at Waco; it has not been established as yet that the proposition is commercially feasible, and it is not likely that it will be extensively developed until it is entirely past the experimental stage.

TEXAS OWES $17,000 ON CAMPAIGN FUND

To the Democrats of Texas:

Have just received notice from W. W. Marsh, national democratic treasurer, New York that Texas has contributed $7,000 since the election, leaving Texas still due $13,000 as $20,000 was allotted to Texas to make up the deficit, $1000 to each electoral vote.

Mr. Marsh further says we are very much pressed for this money, he says Texas did so well before the election that I cannot make myself believe it will fail to come up to full expectations in this situation.

Judge Poindexter and I have spent several months work and a great many others have given much time at their own expense raising this money.

What I find now is that those who are not getting direct benefits think those who are should raise this deficit.

At Denton, Dallas, Austin, Pilot Point, Weatherford, Cisco, Labor, Cleburne, Hillsboro, Terrell and other places, the postmasters voluntarily gave ten per cent and more of one year's salary, this shows a fine spirit and is a splendid example of appreciation for a great president.

Of the $7000 paid on the deficit the city of Houston paid $2000 in one week, Austin sent in $500 a few days ago.

The papers by printing our appeals for funds free of charge deserve a good share of the credit for the fine showing Texas has made.

We wish to call attention to the democrat of Texas in the $13,000 still needed and call upon good democrats at every postoffice and crossroads in Texas to immediately send what they can direct to national democratic headquarters, New York.

R. BONAR RIDGEWAY, Chairman Texas Finance Committee.

PLAN MONOGRAMS FOR FOOTBALL TEAM

To Be Presented to High School Players Next Thursday. Rev. N. F. Grafton to Speak.

Rev. N. F. Grafton has been elected to make the presentation of the monograms "W F" to the letter men of the football team at the reception to be held in their honor Friday evening, Feb. 9. The entertainment is being planned by the Athletic Association and the program will contain several novel features.

Each class and the faculty will be expected to give a special stunt and musical numbers will be given by the high school orchestra and by the faculty quartet and the boys quartet as well. Talks will be made by B. E. McGlammery, general director of athletics in the high school and by Coach King and Captain Harris of the football team and Miss Genevieve Mudd of the Athletic Association's executive council will tell "Who's Who On the Football Team." Refreshments will be served following the presentation of the monograms.

PRAISE FOR LOYALTY OF GERMAN NOT WELCOMED

While coming up from Fort Worth on the Denver sleeper last night J. A. Kemp of this city and several other passengers were discussing the latest developments in the German submarine situation. In the party was a man who was native and recent naturalized German and he took part in the conversation, apparently being in entire sympathy with the president. One of the party took occasion to express pleasure that a German should take such a view, which sentiment there in this country do not. The German did not resent the forgiving parts in the conversation and very highly excused himself and went to bed, leaving the others to do a little wondering.

The Highest Tone Quality

At the Panama-Pacific International Exposition, the Sonora won the leadership in competition with every type of instrument. This letter will convince the doubters:

Panama-Pacific Exposition,
San Francisco, Calif.
Feb. 8, 1916.

"Sonora Phonograph Corp.,
"New York, N. Y.

Gentlemen:—

I beg to inform you that the only jury which heard and tested all the phonographs at the Panama-Pacific Exposition recommended that the Sonora be given a marking for tone quality higher than that given to any other phonograph or talking machine.

(Signed)
"O. H. FERNBACH,
"Sec. International Awards System."

But far better than anything that can be told prospective buyers, is the Sonora itself. The Sonora is a better Phonograph than any other at similar price and this is conclusively proven when its playing qualities are compared with others. The Sonora is its own best salesman.

START WORK SOON ON NASH BUILDING

One Story Building is to Be Erected for New Hardware House Here

Work will start shortly on the building for the Nash Hardware company, the Fort Worth concern which recently announced its intention of establishing a branch house in this city. The building will be located at the corner of Twelfth and Ohio and will be 50x70 feet in dimensions, one story in height with a wharf next to the Valley tracks. The cost will be about $6000. Taylor Brothers have the building contract. The building will be ready for occupancy as soon as the building is completed, probably by March 1.

CITY'S NEW SEWER LINE IS NEARING COMPLETION

Completion of the sewer line started about Christmas which, by carrying the mouth of the sewer system about 3,000 feet down stream averted a threatened law suit against the city and a breach of which coming off between Lake and Seymour streets will serve the negro section, will take place in the next few days according to L. C. Hinckley, city engineer. The line is about two and a half miles long and cost in the neighborhood of $6,000.

"REQUEST" TENANTS TO OPPOSE BONDS

Landlords Make a Practice of Influencing Votes According to One Farmer

That absentee landlords of Wichita county make a practice of "requesting" their tenants to vote against bond issues and higher taxes, is the statement of a Wichita county tenant farmer who read The Times of Monday, in the farm tenantry report of Clarendon, where one tenant farmer said his landlord threatened to raise his rent if a bond issue carried.

"Every time there is a bond issue election or a special school tax election or anything like that, the farmer said, 'I know of several tenants who gets letters from the landlords, saying that if the bond issue tax carried it might be necessary to increase the rent. You know what a tenant farmer is going to do in a case like that. He may not want to, but it's a case of bread and butter with him. All those landlords don't live in Wichita Falls, the man continued, 'one I know of lives in Wichita Falls, but I won't give any names. There's a man in my neighborhood who had to step on the court house floor one day when he was on a jury and he was approached by a landlord who wanted to talk to him saying that if he had to use a car he'd probably have to charge more rent. He didn't say for it (I don't mind so much in a case like that, but when it's a special tax for the purpose of building a decent school for your children I like to see, so maybe they can get something extra) meant farmers of the area. It's a little tactics a man does not like to see and I'd become a tenant farmer in another county than to."

SLIGHTLY WARMER TODAY, NORTHER LESS IN EVIDENCE

A few degrees warmer temperature was provided for Wichitans today, the temperature being thirteen this morning as compared with eleven Thursday morning. The absence of the stiff wind of yesterday made the cold much less noticeable and the forenoon's sunshine brought the mercury climbing steadily upward slightly above the freezing point. Slightly warmer weather is promised for tomorrow.

Whimsies.

Let others pen their tragic tales,
Convulse the world with laughter's gales;
Leave me a little space to hymn
When I so choose, some passing whim.

Who makes his reader roar with glee
Strains hard at plausibility;
The tragedies are built by art,
But whims spring full blown from the heart.

Away with those who make us cry,
Who raise guffaws that pain the sky;
The smile, the chuckle, soft and low
These give the soul its mosmy glow.

BRAKEMAN HELD HELPLESS, HIT BY FREIGHT ENGINE

Catching his foot in a spring frog while trying to effect the coupling of two freight cars at Electra last night at 6:20, Frank C. Burwell, brakeman on the Denver local freight from Quanah had his foot severed just above the ankle. Burwell exercised rare presence of mind in throwing his body to the side of the track as he felt the frog spring back and catch his foot, this act saving him from being ground to pieces beneath the car. Conductor Ben Lee and Engineer J. E. Collins who were in charge of the train endeavored to bring it to a stop when they saw Burwell's predicament, but too late to prevent the forward trucks of the car from passing over the trapped man's leg. Burwell is in the general hospital.

SCOUTS AND GIRLS TO MEET TONIGHT

Ceremonial and Kangaroo Court to be Feature of Open Session at Church

A Campfire Girls' ceremonial and a kangaroo court conducted by the Bay Scouts' patrol under conduct of Harrison Bachman will be among the features offered to entertain the public at the open meeting of Scouts and Campfire Girls tonight in the basement of the First Methodist church.

The Scouts will try one Dudley Ross on a charge of insanity and it is said an elaborate defense and prosecution has been arranged. This is the regular monthly open meeting of the two organizations.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Thedford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whittaker, of this place, "with sick headache, and stomach trouble.

Ten years ago a friend told me to try Thedford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

OFFICERS' VIGIL RESULTS IN MORE SPEEDING CASES

Tomorrow morning will see another jury trial on a charge of speeding in the police court, one of a number of speeding cases filed by Officers Mark Ashford and George Gilham, after a wintry vigil between Scott and Lamar on Tenth at a late hour last night, demanding a trial by jury. Two others caught at the same time paid $5 fines, one of the drivers, when he was told that he was making 22 miles an hour remarking that he thought he was going faster than that. Eight more were arraigned, $5 being assessed against seven and one case being passed.

A RAW, SORE THROAT

Eases Quickly When You Apply a Little Musterole

And Musterole is not blister like the old-fashioned mustard plaster. Just rub it on the throat, chest or back, and as the skin reddens, it penetrates to the sore, tight wall of muscle, loosens the congestion and draws out the soreness and pain.

Musterole is a clean white ointment made with oil of mustard. It gives instant relief for sore throat, bronchitis, asthma, croup, stiff neck, pneumonia, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bites, colds on the chest (it often prevents pneumonia). Nothing like Musterole for croupy children. Keep it handy for instant use.

Wichita Falls, Texas, Feb. 2, 1917.

Reading that the subject "died without the aid of a physician" prompted Judd Mortimer Lewis to observe that this can still be done but that the instances are rare.

"Anyway be it said to the credit of our lawmakers, no bill has been introduced which seeks to regulate the length of skirts and the heighth of boots,' remarks the Denison Herald, adding, "All of which leads to the conclusion there are some fields of legislation that a Texas lawmaker will not explore."

England already had a small portion of the seas fenced off with mines and her other restrictions and marked, "Private Property, Keep Off." Now comes Germany and sticks up "Verboten" signs over all the rest of the seas.

Grocers and dealers who are seeking contracts for next fall's supplies are finding that the prices are still higher than the high level of today. Many who had made orders are failing to get them confirmed, indicating manufacturers and jobbers are having their troubles also. With a practical assurance that everything raised on the farm will command a high price at least for another year it is the part of wisdom for every farmer to increase his production to the highest point possible, at the same time raising as much as he can of what his family consumes at home.

The speech of the German Chancellor a few days ago confesses that it was through no regard for international law or through deference to the United States that Germany restricted her submarine warfare. The chancellor told the Reichstag that when Germany gave her assurances to the United States the time was not ripe for pushing of unrestricted operations on the seas, in the judgment of the German authorities this time has now arrived and the assurances previously given to the United States will now be disregarded.

It cannot be questioned that President Wilson had a legal right to promote Dr. Grayson over the heads of other men in the navy. He also had precedent for doing so. When Roosevelt promoted personal favorites over the heads of worthy men, that was just Ike Roosevelt and nobody thought much about it. For Wilson to do this is not like Wilson, and therefore Dr. Grayson's promotion has aroused a stir. Dr. Grayson is known as a splendid man, but it is not claimed that he has such fitness as would warrant his being promoted over the heads of older and perhaps abler men. Mr. Wilson has done something in the promotion of Dr. Grayson that his warmest friends will hope he does not repeat.

SHORT SESSION OF COUNCIL IS HELD

Action on Junkdealers Ordinance Is Delayed—Cemetery Contract Is Given Approval

While the council expressed approval of the junk and second hand dealers ordinance as drawn up by City Attorney Horace Nutt and read at the council last night, action was deferred pending the outcome of legislation introduced in the legislature by Senator Lattimore which regulates the same subject. In case this bill as finally passed doesn't provide the desired regulation the council will pass the junk ordinance at once under a suspension of the rules.

Mayor Pritain reported for himself and Dr. Reed of the formal entering into a contract with Charles W. Hughes for the improvement work at the Riverside cemetery. The time limit set in the contract was 30 days. Last nights session was an extremely short one and taken up for the most part with routine business. The session lasted less than an hour. Those present were: Mayor Britain and Aldermen Richolt, Gardner, Bradley, Lea and Reed; Horace Nutt, city attorney; V. G. Skeen, city clerk; A. J. Humphries, chief of police and J. L. McCabe, fire chief, were in attendance.

NATIONAL BANK OF COMMERCE PLACES CLOCKS

The National Bank of Commerce has placed ten Western Union clocks in prominent places about town for the convenience of the general public. These clocks always have the correct time being regulated every fifteen minutes by the Western Union's time service. The clocks bear an appropriate advertisement of the bank.

3863 POLL TAXES IS COUNTY'S TOTAL

Several City Precincts Show Decline From Last Year—Unofficial Figures Compiled

An unofficial tabulation of Wichita county's poll tax payments, completed today, indicates a loss in the voting strength of the city precincts, the decrease of 99 from last year's showing being caused largely by smaller payments in the five precincts of which the city is a part. The total this year is 3863.

Six boxes showed decreases, five showed gains and two were exactly the same as last year. The figures are not necessarily final, as a later checking may disclose some slight discrepancies.

The five city boxes had 2505 polls this year as compared with 2645 last year. Two of these boxes take in considerable stretches of territory outside the city limits, Burkburnett recorded an increase while Iowa Park and Electra declined. The assessor's office will be open until the 20th when the poll tax books will close and may hold off for the road bonds, was at the Clara Cox which has 78 this year as compared with only 45 last year. The record for four years, by precincts follows:

Prec	1916	1915	1914	1913
City hall	519	541	465	496

CITY TAX COLLECTIONS FOR JANUARY INCREASE

During the month of January a total of $11,164.12 in taxes came for the city of Wichita Falls and for the Wichita Falls independent school district was taken in at the window by City Tax Collector Harry Robertson and his assistants, a gain of $2,197.80 over the same period for the previous year. Of this amount $8,211.32 were for the city taxes and $2,952.80 for the school district. Last year the tax collections during January were $6,347.45 for the city and $2,202.87 for the schools.

WINDMILL MATTER NOT YET SETTLED

Factory Owners and Committee Still Negotiating With Ball Brothers Today

Another day passed today with no definite agreement reached by the Chamber of Commerce committee and the stockholders of the Atlas Windmill Company regarding the location of their factory in this city. The delay is caused by the failure of Ball brothers to submit figures for the lease of their bottle factort property for temporary quarters for the windmill factory.

A search of the city seems to have confirmed those going into the matter that the Ball Brothers property is the most suitable building available, and its lease for temporary quarters will be necessary before a definite agreement can be reached. While at first Ball Brothers declined to lease the property in question, but submitted a proposition to sell, in a later wire, after an urgent message asking for a reconsideration of their decision, they asked the Chamber of Commerce for the suppression of one of the alternative offers, one for buying all of the bottle factory property, one for leasing all of it, another for the purchase of that part wanted for the windmill factory and a fourth for the lease of the part wanted. Negotiations are at present held pending the receipt of a reply to a third message sent by the Chamber of Commerce asking Ball Brothers to name the figures themselves.

The arrival of A. E. Robertson of Mineral Wells and C. W. Hazlewood of San Antonio has not changed the status of the negotiations they seem merely going over what was Mr. Hunnicutt with the proposition submitted by the Chamber of Commerce. In case the Ball Brothers building can be leased as a reasonable basis it seems likely that an agreement for the location of a factory here will be reached at once. In addition to the offer of the building until the company would begin in position to build its own plant, a two acre site will be offered. While it is probable that Messrs. Hazlewood and Robertson will want some stock sold in this city as a further incentive this will not be up to the Chamber of Commerce but to private individuals.

A meeting of the industrial committee of the Chamber of Commerce this morning, after a discussion of the whole proposition adjourned awaiting a reply from Ball Brothers in regard to the lease.

Market Report.

Fort Worth Livestock.

Fort Worth, Tex., Feb. 2.—Cattle receipts 5200, slow and steady; steers $6.50 to $8.25; hog receipts none, fifteen cents lower, bulk $10.25 to $10.75. Sheep receipts none, nominal; lambs $12.50 to $13.50.

Chicago Grain.

Chicago, Feb. 2. After a cautious start today the wheat market influenced by unusual parcels, showed a good rate advance. Opening quotations ranged from 1 1-4 cents declining to two cents advance with May at 1.62 to 1.62¼ and July at 1.42 to 1.42½. The close was unsettled at 1.60 3-4 to 1.61 with May at 1.47 1-8 to 2 3-8 for July with the market as a whole 2½ off to 2 1-8 up as compared with yesterday's finish. Corn closed nervous at 1-4 cent decline to 1-8 up compared with the close yesterday.

New York Cotton.

New York, Feb. 2. While still very nervous and unsettled the cotton market was much less active than yesterday and excitement seemed to be subsiding. The opening was heavy at an advance of fifteen points on March but generally managed to sell 25 to 34 points below last night's close during the first few minutes. Cotton closed unsettled March 12.90; May 13.05; July 13.20; October 12.75; December 12.80.

AUTOMOBILE TAX MEASURE KILLED

Representative Greenwood Wires that Measure Opposed Here is Out of Way

The legislature measure which would have imposed a gross receipts tax of one per cent on automobile dealers has been put out of the way at Austin, according to a message received by the Chamber of Commerce today from Representative E. B. Greenwood, which said:

"Have just killed house bill 317 in committee. It is dead and dead."

This measure would have cost Wichita Falls automobile dealers $8000 to $10,000 in 1916. Opposition to it was urged by the Chamber of Commerce.

Mr. Greenwood has gotten well acquainted at Austin and has made many friends among his fellow legislators, it is learned here. His friends here have been warned not to expect the gratuitous efforts from him, but they are informed that he is strictly on the job so far as all matters concerning his district are concerned. Legislators with speech making propensities are not always the ones that get results, it is said, and Mr. Greenwood's efforts will be directed along more useful lines.

BASEBALL CLUB OFFICERS ARE TO ARRIVE SATURDAY

A. P. Timme, president of the Milwaukee baseball club, will reach Wichita Falls tomorrow afternoon, with his manager to consider Wichita Falls proposition for establishing a spring training camp here. Mr. Timme was expected today but was delayed.

Governor Signs Measure Which Will Put Stop to All Shipments of Liquor

By Associated Press.

Nashville, Tenn., Feb. 2.—Governor Tom C. Rye today signed the Shields dry bill which puts an end to all shipments of liquor as beverage into the state after March 1. Between today and March 1 individuals may order one gallon for personal or family use.

MUCH LIQUOR LOST AT DRYDALE TODAY

Missouri Border Town Scene of Fire Which Destroys Wholesale Houses

By Associated Press.

Leavenworth, Kan., Feb. 2. Thousands of gallons of whiskey, beer, wines and other liquors were lost today in the destruction by fire of four wholesale liquor houses at Drydale, Mo., a small village on the Missouri river across from here. The village which is composed practically entirely of saloons and wholesale liquor houses is without fire fighting apparatus.

Selection of a jury for the trial of John Carston, under indictment for embezzlement, was begun in the Thirtieth district court this afternoon. Carston is charged with appropriating the proceeds from the sale of broom corn from a Clay county farm belonging to I. Kemmner of which he was in charge, and is being defended by S. Heyser and B. D. Sartin.

J. S. Staton and Miss Emma Ward of Newcastle were united in marriage this morning, Justice of the Peace J. P. Jones officiating.

VOTE NEXT MONDAY ON FEDERAL COURT

Wichita Falls Bill to Come up In Washington, at That Time, Telegrams Say

The Wichita Falls federal court bill will come up for action in the House at Washington next Monday, according to telegraphic advices received yesterday by Judge Scurry from Congressman Garner of the Texas delegation. It had been thought that the matter would come up last Monday, but it evidently was not reached. Bills of this character can come up only on "unanimous consent" days, which are every Monday in the House.

Judge Scurry also received a letter from Congressman Rayburn promising to give his attention to the matter and assist in its passage. With this support, it is believed here that the bill, which already has passed the Senate, will go through at this session without further delay.

NAME REPRESENTATIVES FOR SCOUT COUNCIL TODAY

W. L. Robertson, J. W. Pond, W. R. Ferguson and Dr. Wade H. Walker have been designated as representatives of the Chamber of Commerce in the organization of the Scout Council, recently undertaken by Rev. H. F. Draper of the First M. E. Church.

The folowing marriage licenses were issued today: J. S. Statum and Miss Emma Ward, A. B. Humphrey and Miss Winnie McCracken.

Fish and Oyster Notice

Owing to the increase of our Wholesale Business we are compelled to discontinue delivering retail orders after February 1st, 1917.

However, we will allow to all responsible grocery men and butchers, who have delivery cars running to all parts of the city daily, a commission for handling our fish and oysters for their customers.

When you order FISH or OYSTERS from your merchant or butcher ask for the TEXAS SEA FOOD COMPANY goods, which have stood the test in Wichita Falls for over 3 years, with a guarantee of fresh stock or your money back.

On this principle we have built a business that will compare favorably with any business of its kind in the state.

AMERICAN SHIP SUNK BY GERMANS

ACT THAT MAY MEAN WAR HAS BEEN PERPETRATED

London, Feb. 3.--The Americansteamer Housatonic has been sunk by a German submarine. Information received here says the Housatonic was sunk near the Scilly Islands. The Housatonic sailed from Galveston on Jan. 6, and from Newport Newportnews Jan. 16 for London. Sha was formerly the American Hamburg line steamer, Georgia, and American registry was granted to her in April 1916. The vessel cleared Galveston, Texas, carrying 144,200 bushels of wheat.

Wilson In Address to Congress at 2 P. M. Tells Why Relations Were Broken Off

By Associated Press

Washington, Feb. 3.—The president spoke as follows:

"Gentlemen of the Congress: The imperial German government on January 31 announced to this government and to the other neutral nations that on and after the first day of February it would adopt a policy, with regard to the use of submarines against all shipping seeking to pass through certain designated areas of the high seas, to which it is clearly my duty to call your attention.

"Let me remind the Congress on the eighth of April last, in view of the sinking on the 24th of March of the cross channel passenger steamer Sussex by a German submarine, without warning, and the consequent loss of several citizens of the United States who were passengers aboard her. This government addressed a note to the imperial German government in which it made the following declaration:

"If it is still the purpose of the imperial German government to prosecute relentless and indiscriminate warfare against vessels of commerce by use of submarines without regard to what the government of the United States must consider the sacred and indisputable rights of international law and the universally recognized dictates of humanity, the government of the United States is at last forced to the conclusion that there is but one course it can pursue. Unless the imperial government should now immediately declare in effect an abandonment of its present methods of submarine warfare against passenger and freight carrying vessels, the government of the United States can have no choice but to sever diplomatic relations with the German empire altogether."

"In reply to this declaration, the imperial German government gave this government the following assurances:

"The German government is prepared to ge its utmost to confine tae operations of war, for the rest of its duration, to the fighting forces of belligerents, thereby also insuring the freedom of the seas a principle upon which the German government believes now, as before, to be in agreement with the government of the United States. The German government guided by this idea, notifies the government of the United States that the German naval forces have received the following order:

"In accordance with the general principles of visit and search and destruction of merchant vessels recognized by international law such vessels both within and without the area declared a naval war zone, shall not be sunk without warning and without saving human lives unless these ships attempt to escape or offer resistance.

"But, it also is neutrals cannot expect that Germany, forced to fight for her existence, shall for the sake of neutral interests restrict the use of an effective weapon, if her enemy is permitted to continue to apply at will methods of warfare violating the principles of international law. Such a demand would be incompatible with the character of neutrality, and the German government is convinced that the government of the United States does not think of making such a demand, knowing that the government of the United States has repeatedly declared that it is determined to restore the principle of the freedom of the seas from whatever quarter it has been violated.

"To this the government of the United States replied on May 4, accepting of course, the assurances given but adding:

"The government of the United States feels it necessary to state that it takes it for granted that the imperial German government does not intend to imply that the maintenance of its newly announced policy is in any way contingent upon the course or result of diplomatic negotiations between the United States and any other belligerent government, notwithstanding the fact that certain passages in the imperial German government's note of the fourth instant might appear to be susceptible of that construction. In order, however, to avoid any misunderstanding, the government of the United States notifies the imperial government that it cannot for a moment entertain, much less discuss a suggestion in that respect, by German naval authorities, that the rights of citizens of the United States upon the high seas, should in any way or in the slightest degree be made contingent upon the conduct of any other government, affecting the rights of neutrals and non-combatants. Responsibility in such matters is single not joint, absolute not relative.

"To this note on the eighth of May, the imperial German government made no reply.

"On the 31st of January, the Wednesday of the present week the German ambassador handed to the secretary of state, along with a formal note which contained the following statement:

"The imperial government therefore, does not doubt that the government of the United States will understand the situation thus forced upon Germany by her enemies' brutal methods of war, and by their determination to destroy the neutral powers, and that the government of the United States will further realize that the now openly announced intention of the entente allies, gives back to Germany the freedom of action which she reserved in her note which she addressed to the government of the United States on May 4, 1916.

"Under these circumstances, Germany will meet the illegal measures of her enemies by forcibly preventing effective February 1, 1917, in a zone around Great Britain, France, Italy and the eastern Mediterranean, all of navigation, that of neutrals included, from and to England, from and to France, etc. All ships met within the zone will be sunk.

"I think that you will agree with me that in view of this declaration which suddenly and without prior information of any kind, deliberately withdraws the solemn assurance given in the imperial government's note of the fourth of May, 1916, this government has no alternative consistent with the dignity and honor of United States but to take the course, which in its note on the 18th of April, 1916 it announced it would take in the event that the German government did not declare and effect an abandonment of the methods of submarine warfare which it was then employing and to which it now proposes again to resort.

"I have therefore, directed the secretary of state to announce to his excellency, the German ambassador, that the diplomatic relations between the United States and the German empire are severed and that the American ambassador at Berlin will immediately be withdrawn, and in accordance with this direction, to hand to his excellency his passports.

"If this inveterate confidence, on my part, in the sobriety and prudent foresight of their purpose, should unhappily prove unsound, if American ships and American lives should in fact be sacrificed by their naval commanders in heedless contravention of the just and reasonable understandings of international and the ovious dictates of humanity, I shall take the liberty of coming again before the Congress to ask that authority be given me to use any means that may be necessary for the protection of our seamen and our people in the prosecution of their peaceful and legitimate errands on the high seas. I can do nothing less. I take it for granted that all neutral governments will take the same course.

"We should not desire any hostile contact with the imperial German government. We are the sincere friends of the German people and earnestly desire to remain at peace with the government which speaks for them. We shall not believe that they are hostile to us unless and until we are obliged to believe it; and we propose nothing more than the reasonable defense of the undoubted rights of our people. We wish to serve no selfish ends. We seek merely to stand true alike in thought and in action, to the immemorial purposes of our people which I sought to express in my address to the Senate two weeks ago, seek merely to vindicate our right to liberty and justice and an unmolested life. These are the bases of peace, not war.

"God grant that we may not be challenged to defend them by acts of wilful injustice on the part of the government of Germany."

Three more speeding cases were filed in the police court Saturday morning, fines of $5 being assessed on pleas of guilty in two of them, and the other case was passed until Tuesday. The case carried over from Friday in which a jury was asked for was passed until Tuesday on request of defendant. Five drunks entered at this mornings session.

SAYS DUTCH WILL AWAIT ACTION OF WASHINGTON

London, Feb. 2—One of the largest ship brokers started on the receipt of the German note outlining her new policy today that Dutch shippers would wait 15 days "whether the United States would take quietly Germany's breach of her agreement" says an Evening News dispatch from Rotterdam.

"If nothing more than a paper protest followed," adds the dispatch "the firms would lay up their ships."

All arrangements for rationing Holland have been completed. Although it was not intended that they take effect until Feb 15 it is understood that they can be put into execution immediately.
