GOVERNMENT CHECKS BEGIN POURING IN

Semi-Annual Singers To Meet Saturday

Klondike Will Be Scene Of Two Day Singing Conclave

Many Out Of County Visitors Will Attend

Announcement was made this week of the semi-annual gathering of the Dawson County Semi-Annual Singing Convention at Klondike Saturday night and Sunday.

The meeting will be called at 7:30 Saturday night, at which time several special singing numbers will be given, as well as congregational singing. Officers for the new season will also be chosen Saturday.

Sunday morning session will begin at 10:30 and singing will last all day, with a basket dinner at noon.

There will be a large number of special quartet, duet and solo numbers from some of the best singers in West Texas. Information has been received from Big Spring, Lubbock and other West Texas cities to the effect that delegations from these towns will be present for his big gathering.

Singers and those who enjoy good singing are especially urged to bring their basket and attend this gathering. Klondike is expecting one of the largest crowds in her history for this big event.

G. C. Clift, well known Dawson County singer, says that this will possibly be the largest singing convention in Dawson County this year and he predicts some of the finest singing ever heard here next Saturday and Sunday.

McIlroy's Clinic Offers Examination Free To Sufferers

McIlroy's Chiropractic Health Clinic are offering a free clinic to the people of this territory Thursday, Friday and Saturday of this week.

They have with them a highly trained technician who will assist in diagnosing difficult cases.

They are also using for the first time in Texas, the Ellis machine, which measures disease and the severity of infections. All tests are made visible to the patient.

This clinic is free and the general public is invited to take advantage of it, by calling the office for appointment. The free clinic will close Saturday night.

Miss Myrtle Reed made a business trip to Lubbock, Saturday.

QUAKER OATS USING COURIER ADVERTISING

The Quaker Oats program of advertising for this territory is again being placed in the Courier. This advertising, which was carried for the first time last year, was then carried in this paper and the results obtained caused this large company to again choose the Courier as their medium of delivering their message to the people of this territory.

They are offering a beautiful "Betty Lou" spoon in their ad this week, which may be secured at the Courier office by complying with the conditions outlined in the ad in another place in this paper.

Look up their ad and get one or more of these spoons. They are really unique, carrying a likeness of the imaginary character, Betty Lou, on the handle. They are of good quality and the kiddies of your family would be proud to own one of them.

YATES TO HOLD 3-DAY COOKING DEMONSTRATION

Miss Madeline Klepper who will conduct the three-day cooking school at the Yates Hardware beginning next Tuesday, is not only an expert cook with years of experience, but she is specially and highly trained in food combinations looking to health, and in short cuts and economies that appeal to every woman.

Miss Klepper's wide experience has included being special representative for the Chambers Gas Range Co. Incidentally, the Chamber's Range is now handled by the Yates Hardware and on one Miss Klepper will demonstrate cooking and meal preparation.

The school will open at 2 o'clock each afternoon. There are no charges, fees (Continued on Back Page)

Co. Dickie's Band Coming To Collins Dry Goods Monday

Announcement is made this week that Col. Dickie's Cowtown Band from Fort Worth will be in Lamesa next Monday, April 17th at Collins Dry Goods Store.

Many in Dawson County will recall previous visits by this colorful aggregation and will want to hear their music and entertainment program again. Present plans call for their being at Collins all day next Monday and the people of this section are invited to be at the store and hear them.

Jobe and Earnest Have Complete Stock

The Jobe and Earnest Furniture Company of this city carry one of the most complete furniture stocks in this section.

They feature the very newest in styles and designs. They have on the road now, which is due to arrive within the next few days, a shipment of the very newest furniture the market offers.

They are located on the south side of the square and only a few months ago found it necessary to enlarge their building to care for their growing business.

Your attention is called to their ad in this issue of the Courier.

Cattle From Many Points Expected For Second Annual Dairy Day Show Friday

Courier Will Issue Special Edition On Opening New Paved Road To Seminole

Next week the Courier will publish a special edition with a two-fold purpose. First to commemorate the completion and opening of Highway Fifteen between Lamesa and Seminole and second heralding the opening of the West Texas-New Mexico Baseball League season.

For the past several weeks the staff of the Courier has been laying plans and doing preliminary work on this edition and several thousand extra copies of the paper will be printed.

The edition will carry pictures of many of Gaines County's leading

citizens, as well as pictures of the principal buildings in Seminole. A special effort is being made to carry complete write-ups of each individual who has had a part in the securing of this road. In this connection there will also be many pictures of Lamesa people who have been active in road work in this county.

Present plans call for the opening of the West Texas-New Mexico Baseball League season in Lamesa with the Lobos playing host to the Abilene Apaches, Tuesday, April 25. (Continued on Back Page)

Park And Grandstand Are Complete And Lobos Are Holding Workouts Daily

Among The Younger Set

PHOTOS BY ASH STUDIO

This week the Courier is happy to present as the supreme ruler of the Younger Set in Dawson County, this smiling youngster. He is G. W. Daniels, son of Mr. and Mrs. George Daniels of Lamesa. He was born January 16th, 1933. He has brown eyes and brown hair. His hobby is going to school.

With the grandstand practically completed, and workmen busy this week installing the bleacher section, Lamesa will be ready when the opening cry of play ball is heard on Tuesday, April 25th.

The boxes in the grandstand were completed Wednesday of this week and it is planned that the bleacher section be finished by the week end.

The grandstand proper has a seating capacity of approximately 900, while the boxes will accommodate enough more to bring the total to over a thousand. This does not include the bleachers.

PURCHASE LIGHTS

At a meeting of the board of directors of the Lamesa Baseball Club last night, an order was placed with the Westinghouse Electric Company for lighting equipment for the park here.

Eighty lights of fifteen hundred watts will be used, giving a total of 120,000 watts.

This will give the Lamesa park the best lighted field in the West Texas-New Mexico League, according to officials of the club.

ers, which will seat several hundred more and if the crowds justify, more bleachers will be built.

Manager Jodie Tate has been taking his charges through their paces each afternoon and is rapidly whipping them up. (Continued on Back Page)

Plans are all complete for the opening of Dawson County's Second Annual Dairy Day here Friday of this week.

The show will be held at the Fair Grounds and is scheduled to get under way at 10 a. m. Entries in the various events will be received up until 9 or 9:30 according to B. J. Baskin, Dawson County Agent, who is in charge of the event.

Word has been received from Scurry County that entrants from there and Borden county will be here for the show, and reports from dairy breeders over this county indicate that more than fifty head of dairy cattle will be shown. It is pointed out that an animal does not have to be registered to take part in his event, and that entrants are no placed but classified.

E. R. Eudaly, head of the Extension Service Dairy Department, G. J. Gibson, assistant, D. T. Simons, Field man for the American Jersey Cattle Club, Miss Jennie Camp, Food Specialist of the Extension Service, J. D. Pruitt, District Agent, and Miss Ruth Thompson, District Home Demonstration Agent, are among the out of town visitors who (Continued on Back Page)

Joint Celebration Planned By Lamesa And Seminole Soon

Completion of Paving Reason For Event

Plans were worked out at Seminole Wednesday afternoon for a joint celebration between Lamesa and Seminole commemorating the linking of the two cities by a paved road.

A. G. Bearden, Maurice Lamphere, P. L. Alexander, and W. L. Marr visited in the Gaines County capitol Wednesday, meeting with leaders there to work out the details of the meeting which will be sponsored by both towns.

The meeting will be held in Seminole Wednesday, April 26, beginning at 10:30 a. m.

Present plans call for a large caravan of cars from Lamesa, headed by the Lamesa High School band, which will furnish music for the occasion.

Although complete details have not as yet been worked out for the program several eminent speakers are expected and invitations have been sent out to State Highway officials to attend, and it is hoped that at least a part of these will accept.

More details of the program will be given in next week's paper when the Courier will issue a special edition, carrying a large number of pictures of civic leaders of both Seminole and Lamesa.

Total Will Reach Over \$600,000.00 When All Received

One Hundred Thirty-One Thousand Received

Six hundred and thirty one checks, representing \$139,000 have been received this week by farmers of Dawson County, according to information released from the County Agent's office.

This is the first of a total of \$610,000 which will be paid the farmers of the county at this time.

"We are expecting more checks to arrive daily," said Joe M. Peterson, Tuesday. "These checks are mailed to our office just as they are made out and are sent in the order in which forms have been received."

The average for the checks received amounts to a little more than \$220 each.

Ground Is Broken On Higginbotham Funeral Home Here

Expect To Complete Within Three Months

The contract for excavation work on the new Higginbotham Funeral Home was let this week and actual work has been started. The general building contract will be let within the next few days and it is hoped to have the structure ready for occupancy within the next ninety days.

Site for the new structure is at the corner of North Third and Austin Streets. It will face the corner.

Architects drawings for the new building reveal a beautiful three-story structure, which when completed will be an asset to Lamesa and the surrounding territory.

The first floor, or sub-basement will house the preparation room, casket sales room, storage and air-conditioning plant.

The main floor will have a beautiful chapel with a seating capacity of about three hundred, reception rooms, two slumber rooms, parlor and business offices. The third or top floor will have two apartments wherein members of the staff will live.

There will be a six-car garage, with sheltered driveways. When the building is completed, the grounds are to be landscaped.

In announcing the starting of the construction on this new building, the management stated that they were building not only to take care of today's needs, but for the future as well. When completed they will be adequately prepared to take care of the business in a town several times the size of Lamesa.

Marion Key of Texas University, Austin, spent the Easter holidays here with his parents, Mr. and Mrs. V. O. Key.

Lamesa CCC Will Hold Open House

"We are expecting the biggest celebration ever held at the Lamesa CCC Camp" . . . this is the prediction made by camp officials as final plans for the "open house" program to be held Saturday, April 15, were announced. A large crowd is expected to attend the celebration commemorating the 6th anniversary of the creation of the CCC. Mr. Vestal, the Camp Superintendent, stated that transportation would be available at 9:30 a. m. to conduct a large number of visitors on a tour of the farms in this vicinity where enrollees and farmers are demonstrating conservation methods.

The afternoon program will begin at 2:30 p. m. with a concert by the Lamesa High School Band. The enrollees will act as guides and conduct visitors through the various buildings of the Company.

A slight change in the original plans was necessary when the Hon. G. H. Nelson, State Senator, sends his regrets that it will be impossible for him to be in this part of the country on the 15th. However, the program will be complete with addresses by Lt. Leonard W. Cronin, CCC Chaplain, Judge W. M. Yates, County Judge of Dawson County, and Louis B. Reed, District

Judge. Everyone will be given an opportunity to inspect the Camp, and refreshments will be served in the Mess Hall.

Some of the buildings open to the public will be the Mess Hall and Kitchen; Welfare Building; Infirmary; School Building; and SCS building.

The most popular place in the Camp is the mess hall where the finest government inspected food is prepared by enrollee cooks and served to the men daily. The kitchen is equipped with a steam sterilizer, large ranges, and the most up-to-date equipment for the preparation of foods. Statistics prove

that during the past six years, every enrollee gains an average of seven pounds in weight while in the CCC.

Another building in which the enrollees take pride contains the recreation hall and reading room. More than one thousand volumes of the best books including fiction, biography, science and art are available for the use of the men. Latest issues of forty-five leading magazines are on the shelves of a magazine rack that was built in the Camp woodwork shop. Polished hardwood floors, knotty pine walls, and upholstered furniture make this a com- (Continued on Back Page)

CHICKEN OWNERS WARNED

The City Marshal is warning all people in Lamesa who have chickens to be sure and keep them penned. Several complaints have come to the City Office recently concerning chickens running at large and destroying gardens and flowers. All owners of chickens must conform to these regulations, as the neighbors who have gardens and flowers are entitled to protection. Everyone must cooperate in this matter.

Rural Correspondence

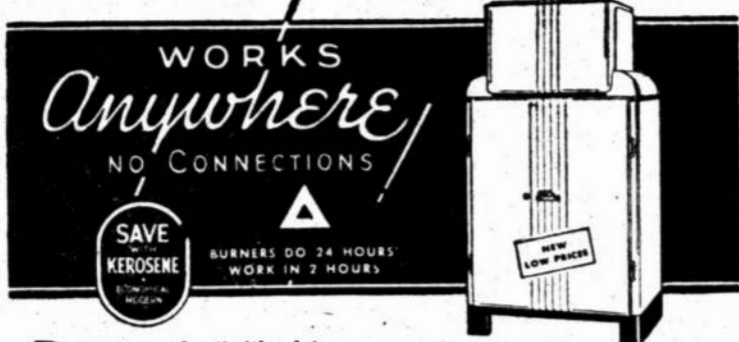

MIDWAY

Sunday school and B. Y. P. U. were well attended Sunday and Sunday night.

Mr. and Mrs. Charlie Mullins and children visited Mrs. Mullins, cousin Charley Akey of Big Spring, Sunday.

Mr. and Mrs. Roy Love, Ronnie Jo Ballard, Donnallita Love and Cleve Riddle spent the week end visiting in Ft. Davis and Monahans.

THE WORLD'S MOST ECONOMICAL REFRIGERATOR

DOES your family like dainty frozen desserts? Ice cold drinks? Can you keep meats fresh from one week end to the other? The butter you make—can you keep it firm and fresh till you're ready to use it or sell it? All those things are possible with a Superfex Refrigerator, and no matter where you live this is one convenience you can have—modern refrigeration.

And Superfex gives it in its most economical form. Superfex has no outside connections and no moving parts to wear or get out of order. All it requires is the heat from a little kerosene. The burners are lit only about two hours for 24 hours of continuous refrigeration. No continuous flame. Made by Perfection Stove Company.

Drop us a postcard or telephone for further information or a demonstration in your kitchen, without obligation.

Giant 32-Volt Wincharger, Batteries - 3 years to pay

See Us First and Save!

We trade for cows, hogs, feed, or anything of value.

We now have the New 1939 Superfex in stock on display at Eason Grocery, Sparenberg.

A. F. Monthey

Sparenberg, Texas

Mr. and Mrs. Simmons and children of Santa Anna visited her sister, Mrs. Curtis Woodward, Saturday evening. Ferris Nowell who is attending A. C. C. spent several days last week with his parents, Mr. and Mrs. S. O. Nowell. Mr. Cash of Pioneer is visiting his cousin, Mrs. H. P. Bullion. Several of the young folks enjoyed a forty-two party in the home of Mr. and Mrs. Bill Love, Friday night.

LIBERTY

Our Pre-Easter revival wasn't attended so well. Those who failed to attend missed some fine sermons.

Elwanda Wallas spent the week end with her grandmother, Mrs. Anna Davis of Lamesa.

Mrs. Callaway and son Bowen visited Mrs. Callaway's daughter, Mrs. Montgomery of Gaines County, Sunday.

Mrs. Hayden Barron and sons visited Mrs. Holly Woods of McCarty, Sunday.

Liberty school had a picnic and an Easter Egg hunt at S. R. Barr's ranch, about thirteen miles north of town Friday. Everyone reported a fine time.

Mrs. C. S. Davis and children visited Mrs. L. T. Tate of Lamesa, Saturday.

Mr. and Mrs. Bob Johnson and daughter, Mr. and Mrs. Johnson and son and Billie Joe Bedwell visited Mr. and Mrs. Arnold Bedwell, Sunday.

Edwin and Harwin Easterwood, students at Tech, Lubbock, spent the Easter holidays here with their parents, Mr. and Mrs. H. E. Easterwood.

Mrs. W. P. Davis, Maurice Davis and Mrs. Fred Hubbard attended the Methodist District Conference at Crosbyton Monday.

Mr. and Mrs. Cliff Hubbard and children visited Mr. and Mrs. Joe Hubbard, Sunday.

SHUMAKE

Audrey Whitmire

There was a large attendance at church, Sunday morning. Rev. Chester Guinn of Lamesa delivered a very interesting sermon.

Mrs. Ralph Mullins and children of the Flower Grove community were visitors at church, Sunday.

Mr. and Mrs. J. T. Weaver, Howard Wright and Mervin Tennyson spent the week end visiting relatives in Eastland county.

Mr. and Mrs. Granville Truitt and children visited Mr. and Mrs. Spraggin of Lamesa, Saturday night.

Don Wilford of Big Spring and Troy Jones of the Soash community visited in the Tennyson home, Sunday.

Mrs. Friday entertained the young folks with a party Friday night.

Mr. and Mrs. D. T. Hogg visited her parents, Mr. and Mrs. R. D. Goff of the Mullins community over the week end.

UNION

Edna Pounds

Betty Lee Borland spent Wednesday night with Lucille Cates.

Mrs. F. M. Swafford spent Monday with Mr. and Mrs. Grady Tolbert.

Lou Ella Gandy spent Sunday night with Marjory and Jewel Tapp.

The program at the school house Thursday and Friday nights were enjoyed by a large crowd.

The play "Two Days To Marry In" will be presented on Friday night, April 14. Everybody is invited.

Rev. and Mrs. Clarence Stephens of Ropes visited relatives and friends here during the Easter holidays and also attended church at Higginbotham Friday night.

Mrs. John Stanford of Goldsboro is visiting her parents, Mr. and Mrs. W. A. House.

We are sorry to say that Mrs. Eugene Ham is on the sick list this week. We wish for her a speedy recovery.

Several from this community attended church at Higginbotham Sunday night.

Those visiting Mr. and Mrs. M. M. Debnam and enjoying the birthday party for Mr. Dolph Pounds, Sunday, were Mr. and Mrs. Pete Hubbard, Mr. and Mrs. W. A. Lewis, Dolph Pounds of Lubbock, Mr. and Mrs. Logan Cozart, Mr. and Mrs. Tobble Lee Smith, and Mr. and Mrs. J. W. Pounds and family.

Edna Pounds spent Friday night in the home of Mr. and Mrs. Luther Preston.

Weldon Preston spent the week end with his parents, Mr. and Mrs. Luther Preston.

Mrs. J. W. Pounds returned home with her son from Lubbock, Sunday night, for a short visit and will go to Pampa before returning home.

Miss Baker and Miss Lorine McMillin attended Sunday school and church at Higginbotham, Sunday night.

RECOVERING FROM ILLNESS

The many friends of Mrs. W. B. Bursleson will be glad to learn that she is again at home following a serious illness in a local hospital. She is well on the road to recovery, according to her husband. The large number of beautiful bouquets sent to her are significant of the high esteem in which she is held. She is the mother of Dr. J. D. Bursleson and Mrs. Elwin Kutch.

Dr. R. F. Nix is in Fort Worth this week transacting business.

HANCOCK

Mary Bob Harrell

F. M. McLendon and Armand Hale, school trustees who were elected recently have qualified and assumed their duties. Mr. McLendon has served on the school board a number of years, and Mr. Hale filled the vacancy made when W. R. Miller declined to serve longer.

K. Stephens, president of the board, in a speech at the April Fool's Day picnic, stated that another teacher had been added to the school faculty for the next term and that ten instead of nine grades would be offered. The new teacher will be Mr. Vanis Miller

of Seymour. Ralph Ranson was re-elected as principal, and Mrs. Ralph Ranson and Mary Bob Harrell were re-elected to fill the intermediate and primary places.

Easter visitors in the community were numerous. Mr. and Mrs. Fred Bell had as their guests Mrs. Bell's mother and father and sisters from Roby. The guests were Mr. and Mrs. W. P. Campbell and daughters, Inell, Mrs. Leo Freeman, and Mrs. Burl Cunningham and children.

Mr. and Mrs. L. E. Houston entertained their daughter, Mrs. Archie Turnbull and Mr. Turnbull of Roby and Roy Medley of Stanton. Guests in the W. F. Lisenbee home

included Mr. and Mrs. Adlee Ramsey and children of Morton, Bessie Lisenbee of Hobbs, Willie Lisenbee of Seagraves, Mrs. John Dudley of Lamesa, and Mr. and Mrs. Hassie Lisenbee and Mr. and Mrs. Page Nelson.

Mr. and Mrs. Bert Stephens' guests were Mr. and Mrs. Wilmer Stephens of O'Donnell, Mr. and Mrs. G. M. Jones, Mr. and Mrs. K. Stephens, Mr. and Mrs. George Fillpot, and children, Mr. and Mrs. Herman Buchanan, Mrs. John Nelson and son, and Lois Stephens.

Mr. and Mrs. Jack Fisher, Mrs. Julia Chapman and son Glenn went to Lubbock, Sunday.

Edith Finch of Roby visited Mr. and Mrs. Tommy Hamilton, Saturday. She also visited in the Earl Houston home.

Word has been received here that the home of Mr. and Mrs. Wilmer Stephens of O'Donnell barely escaped being destroyed by fire last week when a clothes closet caught fire. The contents of the closet were badly damaged. Mr. and Mrs. Stephens are former residents of this community.

Mr. and Mrs. Sam Hodge and Mrs. H. G. Phillips of Weaver have returned from Temple where Mrs. Phillips received medical treatment.

M. C. Dobbs of Rock Springs, who with his family, lived here a number of years, has been a business visitor here the past week.

Mrs. Hassie Lisenbee stayed last week with her mother, Mrs. H. G. Phillips of Weaver.

Mr. and Mrs. Oscar McLendon visited in the Mutt Gilliam home at O. K. Sunday.

Mr. and Mrs. Jessie Gillispie of Harmony visited Mrs. Jack Meares, Monday.

Mr. and Mrs. Jack Meares and family visited her parents, Mr. and Mrs. L. E. Spencer of Seminole, Easter.

Mr. and Mrs. Ralph Ranson were guests of his parents, Mr. and Mrs. J. M. Ranson, of McCarty, Sunday.

Those visiting Mr. and Mrs. C. R. Gary and family, Sunday were Mr. and Mrs. Luther Preston and Weldon Preston, Lee Roy Bird, Johnnie Lewis, Lols Cozart, Opal Jack, Mary Brown, and Panny Lee Jones.

Mr. and Mrs. W. E. Archer and son were overnight guests of Mr. and Mrs. Otis Archer, Monday night.

Mrs. J. W. Pounds left for Pampa Tuesday as a delegate from the Higginbotham Missionary Society to the annual conference for the Womens Missionary Council. She will make a

report at our next meeting which will be April 19.

Washington, D. C.—Senator Tom Connally of Texas introduced an amendment to the Agricultural Appropriation Bill to provide an additional \$60,000,000 for use of the Secretary of Agriculture under Section 32 of An Act to Amend the AAA, approved August 24, 1935. Section 32 was originally adopted through an amendment offered by Senator Connally in 1935.

"To secure provision toward parity payments I strongly favor the adoption of an amendment in the Senate for \$250,000,000 for such parity payments.

"I have also offered an amendment to increase the funds available under Section 32 in the amount of \$60,000,000. Section 32 is that provision which allows the Secretary of Agriculture to employ 30 per cent of all customs revenues for farm benefits and for handling surplus agricultural products.

\$60,000,000 Asked For Farm Program

Washington, D. Seminole Road Is Completed And Now Opened To Traffic

Highway Fifteen Now Surfaced To Seminole

The paving on Highway Fifteen is now completed between Lamesa and Seminole and has been opened to traffic.

The final work was completed this week and the barriers were removed and the first vehicle moved along over a paved road for the first time connecting Seminole with Lamesa.

A dream of many years of road minded citizens of both cities, will be climaxed by a gigantic cooperative celebration, plans and date for which are being worked out this week and if available will be given in another place in this paper.

This stretch of road has always been one that was hard to maintain and keep passable, and in bad weather it was impossible to keep it where it could be traveled.

With thousands of people from Gaines County and on into New Mexico doing at least a part of their trading in Lamesa, this road will mean a great deal to them in time, as well as money saved.

This also marks another gap completed in the long sought paved road from Fort Worth through to El Paso. It is understood that the paving from Seminole west to the state line will be included in the state highway program in 1939, and it is hoped by road enthusiasts in this area that this road will be finished before the year closes.

In Scurry County, which remains one of the longest unpaved gaps in the entire road, right-of-way has been secured and it is understood that when this is completed, actual work on the road will be started immediately thereafter.

In Borden County work is going rapidly forward on the west side of the county, from Gail west to the Dawson County line, and the paving of the east end of the road should be started after the west end is finished. There yet remains a short gap in Fisher county and it is understood that the Commissioner's Court as well as other citizens of Roby are doing all they can to speed the completion of this section.

PLANTING IS STARTED HERE

It is reported that some of the fruit in Dawson county was killed by the extremely cold snap which visited this section last Thursday night. Estimates as to the amount of damage done, vary from only a small amount to seventy-five per cent. Time alone can tell just how much the damage really is.

The accompanying moisture, which measured in some sections of the county as much as one inch, will give many farmers enough moisture to begin their planting and many farmers have already started. F. M. McLendon, of the Hancock community, reported about one inch of rain and began planting cotton Wednesday. Cicero Arnett who lives near Arvana had about one inch and began planting Monday. Many others from over a wide area in the county are busy this week putting seed in the ground.

Another cool snap arrived Tuesday night, although the thermometer never reached the freezing point. Wednesday morning the air was crisp with a strong east wind. But as the day wore on the thermometer rose and the afternoon was decidedly warmer.

New Cleaners Are Ready For Business

One of the newest additions to the business life of Lamesa is the Cash and Carry Dry Cleaners, located in the Scott building, one-half block south of the City Hall.

This place is operated by Jimmie Newsome, who has had ten years experience in the dry cleaning business and is thoroughly familiar with all phases of the work. He specializes in ladies silk and knit dresses, as well as all kinds of men's wearing apparel.

See their ad elsewhere in this issue of the Courier.

VISIT IN MISSISSIPPI

Mr. and Mrs. J. T. Broughton left Lamesa last Friday for an extended visit with friends and relatives in Mississippi. They expect to be gone about a month. While away they will visit his brother in Biloxi.

Twenty Planes To Visit Lamesa For Sunday Breakfast

Neighboring Towns Will Send Planes

Should you hear a flock of airplanes roar over Lamesa in the early hours of Sunday morning, do not become alarmed. It is not the legions of Hitler coming, neither will it be the forces of Mussolini, but a friendly visit from airmen of neighboring cities.

According to word received in Lamesa this week there will be something near twenty planes to visit the local airport for early breakfast Sunday morning. Word comes from Lubbock that that city will have about fifteen planes, while others are expected from Big Spring, Midland and Odessa, to bring the total to twenty or more.

This is a goodwill visit and the purpose of such is to help stimulate interest in aviation in this city, according to Dr. J. D. Burleson, local enthusiast.

It is hoped that the interest created will cause something to be done relative to the procuring of permanent grounds for an airport and improvement. Many towns in this section are building new airports, and it is pointed out by those interested in flying that Lamesa should fall in line and secure a permanent place for this purpose.

BURNS GROCERY CELEBRATING ANNIVERSARY

Burns Grocery of this city are this week celebrating their tenth anniversary in business in Lamesa.

In 1929 Mr. Burns came here from Oklahoma and purchased the grocery business of Odus Williams on the east side of the square. He operated the store on the east side for seven years.

Three years ago he moved his store to the north side of the square in the building he now occupies on the northeast corner of the square.

Aubie Burns, son of J. E. Burns, is associated with his father in the operation of the business. Mrs. Burns also assists her husband in the store.

When Mr. Burns arrived in Lamesa one of the first things he did was to purchase a home. He later built a new home on the property and is renting the old home place out. His son completed only last Christmas a new home near that of his father.

In celebrating their anniversary they are offering some rare values for next Friday and Saturday and are this week carrying a large advertisement in this issue of the Courier. Your attention is called to the specials.

For Saturday they will have a factory demonstrator with Uncle William line of canned goods, as well as a representative of a large cracker company.

J. C. Penney Co. Redecorates Store

Painters have been busy this week at the J. C. Penney Company store in Lamesa. All walls and woodwork on the inside of the building have been completely repainted, which adds a great deal to the light, as well as the appearance of the store.

All woodwork on the front has also been refinished.

Photo Enlargement For Only 39 Cents Is Courier Offer

Attention is again called to the extraordinary offer being made by the Courier on natural color enlargements from your snapshots for the remarkably low price of 39c each.

This offer is made to all subscribers. When you subscribe, either as a new or renewal, you will be presented with a coupon which will entitle you to take advantage of this exceptional offer.

On the back of the coupon is a questionnaire as to color of eyes, hair, etc., and the finished photo comes back to you in beautiful natural color, with an imitation leather folder. This enlargement and folder would cost you as much as \$3.50 most anywhere.

If you are not already a subscriber, or if your time is out or nearly so, better drop in the office and take advantage of this liberal offer. You get the Courier which comes to you each week with from twelve to sixteen pages, carrying the news of Lamesa and Dawson county, as well as the best values from the merchants, and on top of all that you get this valuable coupon. These coupons may be used anytime and you do not pay the thirty-nine cents until you decide to send in the picture for enlargement.

You will find a sample of this high-class enlargement together with the beautiful folder on display in the Courier office.

Miss Kathleen Webb, student at Tech spent the Easter holidays here visiting with her parents, Mr. and Mrs. W. T. Webb.

PROFITS BY READING COURIER

"I surely do like your paper. I receive very useful information from it, and also save on my grocery bill. I also found a nice oil stove through your advertising recently."

Thus a letter received by the Courier this week from an O'Donnell woman, bears out the fact that Courier advertising pays, not only the advertiser, but the subscriber as well.

This lady lives about eighteen miles from Lamesa and yet she is able to save many times the cost of her subscription by shopping the Courier ads.

HOME DAMAGED IN SATURDAY CONFLAGRATION

Fire of undetermined origin practically destroyed the home of Mr. and Mrs. Victor Crawley on North First street, Saturday afternoon.

When the blaze was discovered, it had gained much headway and when the Fire Department arrived it was a billowing mass of flames and smoke. Except for a marvelous job of fire fighting by the local department, the building and furnishings would have been a total loss, and possibly damage done to surrounding property.

Lamesa is indeed fortunate in having such an efficient organization. Under the capable leadership of Weldon Lindsey, added to the new equipment which the city has recently installed, it gives Lamesa one of the most efficient volunteer organizations in West Texas.

Although Lamesa has been penalized by the Fire Insurance Commission, it was the result of the serious cotton warehouse fires of last year and is no reflection on the fire fighting ability of the local company.

LOBOES PLAY ODESSA TEAM THERE SUNDAY

The Lamesa Loboos will journey to Odessa Sunday to engage the strong semi-pro team of that city in a baseball game.

This will be the second game of the season for the locals and from all advance information the Odessa team is everything but a pushover. They have been winning consistently from teams in the West Texas-New Mexico League and they are expected to make the Loboos extend themselves to their limit if they win.

A large crowd of local fans are expected to accompany the team on their visit there.

Manager Tate has been pushing his team in daily workouts at Fair Park and expects to have a formidable team to present in this Sunday's game.

Nelson Williams of Lubbock spent the week end here visiting with friends and relatives.

LAST FRIDAY ROTARY CLUB LADIES NIGHT

The Lamesa Rotarians, their wives, and visitors from out of town and in town met at the Somers Hotel last Friday evening for a Ladies' Night banquet and a special program arranged for the occasion.

Following the splendid meal, C. A. Hollingsworth, chairman of the program committee, was called upon to introduce the speaker of the evening. He very ably presented Dr. R. E. Beddoe of Wuchow, China. Dr. Beddoe is a medical missionary to China, has spent twenty-nine years in that place and is manager of the Stout Memorial Hospital in Wuchow. He is past president of the Wuchow Rotary Club and has experienced much activity in Rotary work.

His talk dealt principally with conditions in China, socially and economically, and especially in the results of the war between China and Japan. He described an air attack by the Japs in which his own hospital was bombarded and partly damaged, resulting in loss of two lives. Mr. Beddoe is very optimistic over the possible outcome of the Chinese situation and is very sympathetic in their problems.

Guests present were besides wives of Rotarians: Mr. and Mrs. W. H. Collins, Mr. and Mrs. D. W. Ogletree, Mr. and Mrs. G. E. Esmond, Mrs. Roscoe Holton, Dr. and Mrs. R. F. Nix, Mr. and Mrs. Fred Sanders, Reeves Coates and L. P. Smallin, president-elect and secretary-elect respectively of the new Seminole club.

V. Z. Rogers, vice president of the local club, presided in the absence of President Lamar Forrest, who was out of town. About 80 members, wives and guests were present.

Large Egg Brought To Courier Office

Mr. and Mrs. J. B. Roberts of the Welch community, brought a monstrous egg to the Courier office Saturday afternoon, which had been gathered the afternoon before on the Roberts farm.

The egg measured 7 inches in circumference the small way and 9 inches the large way. The shell which had been cracked along the top, showed a perfect egg on the inside, which was of about normal size.

The egg was laid by a White Leghorn according to Mr. Roberts. It was much larger than the average turkey egg and more the size of a goose egg.

Pierces Remodel Apartment Here

Mr. and Mrs. Joe Pierce are this week remodeling and refinishing one of their apartments on North Travis Street.

They own two duplex apartment houses in this area, comprising four lovely apartments and with the remodeling of this one, they will be in tip-top shape.

Besides these apartments, the Pierces own a lovely home on the same street, just north of the duplexes. They are

owners and operators of Pierce's Toggery, ladies and children's ready-to-wear store in Lamesa.

Miss Mattie Moore spent the week end in Lubbock visiting with friends and relatives.

CENTRAL HOME DEMONSTRATION CLUB NOTICE

The Central Home Demonstration Club will meet in the home of Mrs. Justie Walls at 2:30 o'clock, Thursday afternoon, April 20th.

Mr. and Mrs. C. A. Ham of Dallas spent the week end here visiting in the home of Mr. and Mrs. A. H. Gaines. Ray Johnson and Sam Cates attended a business meeting of the Magnolia Petroleum Co., at Lubbock Wednesday.

Frances Crawley Is Honored By Apex Union Tuesday

The regular meeting of the Apex Union of the First Baptist Church was held Tuesday evening at the church. A short business session was held, after which a treasure hunt was enjoyed by the group. At the conclusion of the treasure hunt the group returned to the church where Miss Frances Crawley, whose home burned Saturday afternoon, was presented with many lovely and useful gifts.

Those attending were Miss Edna Bedwell, Maulee Bedwell, Eunice Gaines, Theran Dugger, Edith Harris, Willie Dale Bedwell, Jewel Gaines, William Dugger, Arthur Lee Morrow, Hershel Sanders, Jimmie Crumley, John T. Sanders, Brunson, Mattie Moore, Frances Crawley, Billie Stander, Aubrey Boswell, and Buzz Mosely.

Johnnie Robinson Is Honored On 78th Birthday

Johnnie Robinson, a pioneer of Lamesa and Dawson County, was honored Easter Sunday with a birthday dinner on his 78th birthday, at his home on South Fourth Street.

Those attending were Mr. and Mrs. N. E. Bartlett and daughter, Mary Frances, Mrs. O. L. Harp and daughter Corine, Mr. and Mrs. M. E. Robinson, Mr. and Mrs. W. O. Robinson, Mr. and Mrs. Curtis Stafford and Barbara Gene, Mrs. E. L. Robinson and Mr. and Mrs. Johnnie Robinson.

Members Of The OES Attend Slaton Chapter

Members of the OES attended the Memorial Services of the Slaton Chapter Tuesday evening. Those attending were Mr. and Mrs. Dell Barron, Mrs. R. J. Boardman, Mrs. M. E. Boren, Mrs. Roy Hoback, Mrs. C. E. Ault, Mrs. Frank Barkhurst, Mrs. Cleve Austin, Mrs. Roy Speck, Mrs. Walter Jones, and Miss Ethel Barron.

Shirley Dun Blair Honored On 3rd Birthday

Mrs. Welton Blair honored her three year old daughter, Shirley Dun, with a birthday dinner Sunday.

Various games were enjoyed during the afternoon.

Those attending were Mr. and Mrs. Oscar Furlow, Clyde Wyatt, Lance Furlow, H. E. Blair, Abe H. Furlow, and A. B. and Rudolph Furlow, Laverne Johnson, Cleon Blair, Dorothy Mae Blair, Louise Welch of Lubbock, Jo Ann Bullard, Katherine Furlow, Mary Frances Wyatt, Barbara Ann Furlow, Carol Allen Bird and the honoree, Shirley Dun Blair.

Homemaker's Club Enjoys Hobo Stew

The Future Homemakers Club enjoyed a hobo stew last Wednesday evening at the City Park.

The girls and their sponsors, Mrs. R. H. Huddleston and Miss Florence Griffith, met at the high school and hiked to the park where each hobo contributed his can of vegetables into the potluck supper.

Much fun was derived from the games which followed the meal. Hostesses for the occasion were Marjorie Dean, Wanda Lee Henderson, Ardene Drennan, Naomi Ford, Geraldine Gilbert, Lavelle Gabel, Margaret Davis, Eva Gay Theredred, Marie Franks, Helen Gordon, Lloyola Thompson.

Mrs. Loyd Mitchell Hostess to Thursday Bridge Club

On last Thursday afternoon Mrs. Loyd Mitchell was hostess to members and guests of the Thursday Bridge club at the home of Mrs. Tom Burnside on South Third Street.

Games of bridge were enjoyed during the afternoon with Mrs. C. L. Schmidt being awarded high score and Mrs. Ross Edward Jones winner of the slam prize.

At the conclusion of the games pie and coffee were served to Mesdames Ben Allen, Sidney Randal, Connelly Baldwin, Maurice Lamphere, Robert Koger, Elwin Kutch, George Mac Yates, Ralph Fry, C. L. Schmidt, Ross Edward Jones, Stanley Wilkes, and the hostess, Mrs. Mitchell.

CARD OF THANKS

We wish to thank our many friends and neighbors for their beautiful deeds of love and sympathy since the loss of our home. Especially do we want to thank the fire boys for their courageous efforts to save our home.

Mr. and Mrs. Victor Crawley and family.

Mr. and Mrs. W. B. Collins, Mr. and Mrs. Walter Collins and Dick Collins attended the wedding of Miss Mercedes Libby and Bill Collins at Lubbock, Wednesday at noon.

Courier In Demand By Lamesa People

Each week when the Courier is printed scores of extra copies are printed to take care of the demands of people who call for copies, either to use, or send to friends elsewhere.

For the past several weeks there has been such a demand for these papers that it has seemed almost impossible to print enough extras to supply the demand.

This is proof of the fact that the Courier is read by the people of the area for the news of Lamesa and Dawson County.

Each week also sees many new names added to the ever increasing subscription list.

You will find, if you are not a regular reader, that each week the Courier brings you from twelve to sixteen to twenty pages filled with the news events of the city and county, as well as scores of shipping values which will pay for the subscription many times over in savings.

ANDY'S CREAM PARLOR OPENED

Andy's Ice Cream Inn, which is the newest manufacturing firm in Lamesa, has opened their doors for business in the J. T. Broughton building on North First Street. Felix and Andy Gilcrease, owners, are offering some real specials for the opening.

They will manufacture their own ice cream and will feature giant frozen malts. Your attention is called to their ad in this issue.

Unusual Egg Shown At Courier Office

James M. Brown, who lives just east of Lamesa, brought a very odd shaped egg to the Courier office last week. It was about twice as long as the ordinary egg, with the big end showing a decided wrinkle in the shell. Mr. Brown also has a perfect moccasin, which was knocked from the head of a Jersey cow and is part of the horn.

Lindsey Repaints Building Front

M. C. Lindsey is this week having painters refinish the front of his building on the west side of the square.

The building houses the offices of M. C. Lindsey and Son, and the Cavern Cafe.

Negro Team Issues Appeal To Sports

An appeal is being made by the Colored Baseball team in Lamesa this week for the support of the fans. Ruben Jones, newly selected manager, has had many years experience in the management of colored semi-pro teams, and himself has played a great deal of baseball.

He was on the Dallas Black team at the same time that Manager Jodie Tate, Lobo manager, was on the roster of the Dallas Steers.

The new name of the Lamesa Cap-rockers has been selected. New uniforms have been received and the team is working out each afternoon. They expect to play some of the outstanding colored teams of this section and are timing their schedule so that it will not interfere with the Lobos in any way. When the league team is at home they plan to be away and when the leaguers take to the road they expect to play in Lamesa.

Mass Graduation Tabooed In County

The practice of a county wide graduation for the seventh grade for the rural schools of Dawson County was voted to be discontinued Saturday at a meeting of the principals of the various schools.

Several of the schools preferred not to take part because of the distance and expense. Those who expected to participate found so few interested that it was agreed that a successful graduation could not be conducted.

Spring Session Of District Court Is Opened On Monday

The Spring Term of the District Court in Dawson County, convened on Monday morning of this week.

Judge Louis B. Reed, who will preside, convened the Grand Jury and most of the court's time has been taken up with the setting of cases for the balance of the court.

It is understood that there is a comparatively light criminal docket, with the usual number of civil cases to be heard.

Ross Boardman and Bub McDonald left Wednesday for Dallas to attend the State Ginner's Convention.

Mrs. J. I. Boren and Cecil Boren of Fluvanna spent the week end here visiting in the home of Mr. and Mrs. M. E. Boren and family.

COLLINS WILL STAGE UNIQUE CONTEST SOON

Collins Dry Goods Company of this city will next week begin a series of interesting advertisements for the women of this trade territory.

They are a series of true and false questions relative to Hummingbird Hosiery, and valuable prizes will be awarded the winners.

The woman who has worn these hose or one who knows their quality has a better chance of winning and the Collins store invites women from all over the territory to visit their store and find out about them.

Complete details of how to win and what the prizes will be may be found in next week's Courier. Watch for details.

Forty Thousand Is Paid For Licenses

For the privilege of driving their cars, trucks and commercial vehicles, citizens of Dawson County have just paid a bill of \$40,110 for highway license plates, according to information revealed this week by Buster Herndon, County Tax Assessor-Collector.

Two thousand six hundred and eighty-eight passenger car plates for 1939 have been sold, as compared with 2,693 for '38; 320 commercial plates as compared with 336 last year, and 235 farm plates in comparison with 265 in '38.

Although the total for 1939 shows less than for 1938, Mr. Herndon stated that by the time the year closes there would be a larger registration for this year than last.

He further stated that there are quite a large number of cars in the county which has not been registered as yet, and that registration was going on every day.

ATTEND ANNUAL BAPTIST CONVENTION AT WACO

The annual Baptist State Sunday School Convention was held at Waco April 11, 12, 13. The following attended the convention from the First Baptist Church, Lamesa: Rev. and Mrs. E. F. Cole, J. E. Barron, Mr. and Mrs. Owen C. Taylor, Mrs. E. R. Yates, Mrs. A. E. Jacobs, Mrs. J. M. Barron, Mrs. Lee Barron, Mrs. A. H. Merrick, Mrs. E. C. Nix, Mrs. Glenn Jones, Mrs. W. J. Beckham, Mrs. Wright Boyd, Mrs. Roy Smith, Miss Helen Norman, and Mrs. M. C. Lindsey.

Miss Mattie Phenix, the county home demonstration agent and Mrs. Fred Damron, met with the Bartlett 4-H Club girls, Tuesday, April 4th, in the R. G. Patterson home for a demonstration on the use of dress patterns. She selected colors that were suitable for the complexion.

We chose Jo Nell Thomas to go to Miss Phenix's office April 15, to help make plans for the rally on April 29.

The club members will make some small article for the next meeting which will be April 18 in the home of Mrs. M. H. White.

Estel Norris of Lubbock spent the week end here with friends.

World Famous Lecturer To Speak Here April 26

An evening of unusual and fascinating entertainment is assured those who attend the illustrated lecture to be given in the high school auditorium at eight o'clock, April 26, by Gladys Petch, lecturer and educator. Miss Petch is known as "the woman with the perfect radio voice" on two continents. She is noted for her English course which originally was broadcast from Norway and later from the principal cities throughout Europe. The Norwegian government liked Miss Petch's work so much that they accorded her official recognition and now she is known as the Norwegian "ambassador without a portfolio."

Her interesting work began quite by accident when her husband, now deceased, was professor of English language at Oslo University. She was called upon to read an English story on the air when radio was in its infancy. Her voice proved to be so perfect for radio that she was soon signed for a series of lectures during which she taught unseen thousands the English language.

Miss Petch is English born and educated, but has spent many years in Norway, returning each summer to lecture to the people of Norway on the wonders of America.

In this program, the marvelous beauty of Norway will be brought vividly to the minds of her audience when she presents these illustrated lectures on "Sunlit Norway Calls." The attractive slides and films shown were made by the famous Norwegian artist and royal photographer, Wilse, and tinted by a secret process.

The musical part of the program will include a group of Norwegian songs rendered by Elora Sronsen in native costume. A group of Norwegian piano works by celebrated Norwegian composers will be played by Charles

Gallagher, young Boston pianist. Mr. Gallagher, it will be remembered, appeared with Rose Pajdar here in the last program in this series.

FAIRVIEW

Georgia Mae Gibson

The school took off Friday for their picnic and Easter Egg hunt.

Mrs. Jewel McIver spent the week end visiting her mother at Wingate.

Mr. and Mrs. Bill Robinson, Mr. and Mrs. E. L. Robinson spent the week end in Paducah visiting friends.

Mr. and Mrs. Homer Barron, Mr. and Mrs. Carl Kelley of Semnole, Mr. and Mrs. Cleo O'Brien, Mr. and Mrs. Jim Barron, Mr. and Mrs. Ennis Stafford, and Thyra, of Dallas, visited in the Barron home, Sunday.

Mr. and Mrs. J. B. Gibson spent Sunday with Mr. and Mrs. M. B. Gibson.

Mr. and Mrs. Connie O'Brien of Hagin visited relatives in this community over the week end.

The Baptist meeting will begin April 14th. Everyone come and bring someone with you.

The Fairview Choral Club will broadcast over Big Spring station, April 16. Be sure and tune in. They also will sing at Welch every Thursday night.

Mr. and Mrs. Cecil O'Brien visited Mr. and Mrs. J. F. O'Brien, Sunday.

Mrs. Estelle Carr is visiting a few days in the J. E. Robinson home.

Mr. and Mrs. H. Holt and daughter Lillian spent Sunday with Mr. and Mrs. Jake Sealy.

Mrs. Milton Gibson received word Monday of the death of a brother who lived near Springtown. The family left to attend the funeral.

Mr. and Mrs. Jim Holden and family of Welch and Miss Gertie Bartin visit-

ed with Mr. and Mrs. Mansil Barton, Sunday.

Mrs. John Harris and daughter are spending a few days with her parents. Misses Elizabeth and Charlene Attaberry spent the week end at home.

S.C.S. NOTES

Spring is here. Pastures and range lands are becoming green and farmers and ranchers may be eager to allow their livestock to graze upon the tender, green young grass. Therein lies a grave danger for the early grazing of grasses often results in serious damage and presents an erosion hazard, according to J. G. Gould Jr., Range Examiner, of the Soil Conservation Service CCC Camp here in Lamesa.

There is a period of approximately two weeks every spring when grazing does more damage to the grass than at other times during the year. When grasses begin to grow in the spring, food supplies stored in the roots during the previous year are used. The roots are weakened until the plant has made enough leaf growth to provide its own food and to build up the roots again. Also during this period the grass usually does the stock more harm that good due to the fact that the leaves are composed largely of water and have very little food value, and since the green grass is very succulent the stock tend to run themselves down looking for enough of the new grass to fill up, ignoring more nourishing food which may be available.

Early grazing may cause the grasses to be weakened by not permitting them to build up a store of food in their roots. When grasses go into the hot summer months in a weakened condition, they are frequently killed. Also experimental results show that grasses not grazed closely in early spring usually yield more livestock food than do those closely grazed.

In Dawson County, on farms which have small pastures, probably the most practical plan to follow in handling the pasture is to remove all the stock from

it for a period of approximately two weeks in the spring just as the grass starts to make its first growth.

This date will vary from year to year according to the moisture conditions and temperature. After the grass has gotten a good start, the stock from the pasture can be turned back on it and kept there until the Sudan pasture is ready for grazing. Then by excluding the stock from the pasture during the season for Sudan, the grass is allowed to make considerable growth which will cure on the ground and furnish grazing during the fall and winter after the Sudan no longer is suitable for such use. This plan allows the

grass to store up food in its roots for the next season's growth and to remain alive where otherwise it would probably be killed out over a period of years. If the stocking is very heavy, the number of stock is large, it is generally a good idea to keep the stock off the pasture all that it is practical thus avoiding excess trampling. This is especially true on the more sandy lands.

J. W. Bryant left Monday for Austin where he is attending to business.

FRUIT WHIPS

Ruth Magee, Home Supervisor
Farm Security Administration

According to the calendar—the home building activities of the birds—and the giddiness of women's millinery—

spring's here for 1939. That means a period of change from the meal-planning angle. To suit capricious spring-time appetites the season's menus must strike a happy medium between warming winter meals and the lighter fare of summer.

Of all desserts, some of the most appropriate for spring are the fruit

whips. These pastel-tinted fluffy creations make use of egg whites, plentiful now. And they add a tinge of color as well as of flavor to the meal.

Fruit whips, are combinations of egg whites and fruit. The fruit gives to a whip its flavor; the egg whites, it's characteristic airy texture. It may be baked—then served hot or cold. Or it may be combined and served uncooked. Whipped cream is a delicious addition to an uncooked fruit whip.

But cooked or uncooked—hot or cold—the principles of combining the ingredients are the same.

First step is the preparation of the fruit. This must be ready to add to the egg whites immediately after they are beaten. For if they are allowed to stand they'll lose much of the air that has been incorporated into them by the beating.

The chief qualifications of a fruit that will make a successful whip are that it have a pronounced flavor and a pronounced color. The fruit may be fresh, canned or dry, but it cannot have too watery a consistency. Fresh fruits such as tart apples may be made into a sauce, sieved, mixed with lemon juice, and sweetened to taste before combining with the egg whites. Canned fruits may need to be sieved.

Dried fruits such as peaches, apricots, and prunes should be washed, then soaked. To get the right consistency of pulp for a whip, allow one cup of water for every half pound of dried fruit. Soak the fruit in this overnight or for a shorter time in warm water. Cook in the same water until the fruit is tender. Then sieve. There should be about one cup of fruit pulp for every half pound of fruit. Sweeten each cup of pulp with about one-half cup sugar. Heat until the sugar dissolves.

For a whip, the whites should be stiff but not dry. At this stage the foam will be shiny and will hold its shape when the beater is removed. Whites beaten beyond this stage will look dry and little flakes will fly off during the beating.

With egg whites beaten stiff and the hot fruit pulp on hand, the whip is ready to be combined. And this requires a special technique. Fruit pulp added hot to the mixture gradually over the egg whites and combine with a gentle folding motion. It takes less time to combine the two mixtures this way than when the egg whites are added to the fruit. Consequently less air is lost.

If the whip is to be baked, pour it immediately into a buttered pan. Cook in a very slow oven (225 to 250 degrees Fahrenheit) in a pan surrounded by water. About an hour of baking is right for the usual amount of whip—enough to serve 5 or 6 persons.

New Scout Leader For South Plains Council Chosen

Jack O. Stone, formerly Boy Scout Executive at Port Arthur, Texas and previously at San Angelo, Texas, assumed the Scout Executive reigns of the South Plains Council, with headquarters in Lubbock, this week.

Announcement was made by Dr. F. B. Malone, president of the council. Stone was named as Scout Executive to succeed Earl McClure, for four years Executive for the district, April 1. McClure resigned March 15 to accept the position as Deputy Regional Scout Executive with headquarters at Dallas.

Stone comes after two and a half years in the Sabine Area Council at Port Arthur as Executive, two years as assistant Executive at San Angelo and one and half years as field Executive at Oklahoma City.

He is a graduate of the University of Oklahoma, of the 39th Training School for Scout Executives at Mendham, N. J. He was presented the Eagle Scout badge, highest rank in Scouting, as a Boy Scout in Oklahoma City by Col. Charles A. Lindbergh on "Lindy's" visit.

This slow cooking allows the whole mixture to "set" as it cooks. If the temperature is too hot, the outside will harden before the center is cooked and the whip is likely to fall. A baked whip may be served hot or cold. Cold custard sauce or cream go well as accompaniment.

A whip that is to be served without cooking should not be mixed too long ahead of time. If whipped cream is used, it may be folded into the mixture after the fruit pulp and egg white combination has been allowed to cool somewhat. This should be served as soon as the whipped cream is mixed in. Some whipped cream may top the whip. Or it may be served alone, simply piled lightly into a dish, a flourishing curl of the whip on top for decoration.

Following is a good recipe for an uncooked fruit whip. Although apricots are called for, it is equally good when a cup of prune, peach, or other fruit pulp is used in place of the apricots.

Make a fruit pulp from one-half pound dried apricots. Heat with one-half cup of sugar. Fold into the stiffly beaten whites of 3 eggs containing one-fourth teaspoon of salt. Set aside to cool. Whip one cup of heavy cream. Either fold all into the apricot mixture, or fold in one part and save the rest to flavor and serve on top the pudding. Serve at once.

in that part of the country after the memorable flight across the Atlantic ocean.

As Scout Executive at Port Arthur the council membership jumped from 208 Boy Scouts and Cubs to 1204 in two years, or a gain of 30 per cent. Activities and advancements of Scouts leaped with the membership also.

First plans announced by Executive Stone include meetings with each of the ten district committees and with Scoutmaster Roundtables. Already he

has attended the Eastern District meeting, at Matador, and has several others on schedule soon. He shall make a complete canvass of the council by the end of April, Dr. Malone said.

Mr. and Mrs. W. E. Cox of Seminole spent Friday here visiting with relatives and friends.

Why We Feature Jayson Shirts

... because they are tailored in Troy, which is to shirts as Damascus is to fine swords; because they have satisfied the exacting requirements of millions of men for more than half a century; because they are as standard as sterling... never varying in quality and workmanship from the excellence on which their fame is built; because their styles are as sparkling and modern as their fabrics and construction are superior; because they embody such improvements as the Jaysonized no-starch, no-will collar, as well as a wide variety of soft collar models; because they are popularly priced; because they are guaranteed, without qualifications, not to shrink below marked size; because, in short, they meet completely all our conceptions, as retailers, as the shirts we feel most confident in offering to our customers.

Auction Sales Of Cattle Draws Big Crowds This Week

Sales Again Top The Four Hundred Mark

Last Monday saw the third regular weekly auction sale of cattle held in Lamesa by the Dawson County Auction and Commission Company.

Again large numbers of farmers and stockmen from over this section brought cattle to the sales, with a large number of buyers participating.

Over four hundred head were run through the ring Monday, bringing the total for the three weeks to well over fourteen hundred head.

From reliable sources comes the report that cattle have advanced from \$1.00 to \$5.00 per head in Dawson County since these auction sales started, thus bearing out the prediction that farmers and stockmen would benefit materially by the opening of a project of this kind in Lamesa.

From Lamesa business men comes the report that each Monday sees their business on the increase as the result of the large crowds which come to Lamesa for the sales.

Due to the fact that the season is about over for horse and mule sales, the management has discontinued these Friday sales until further notice. They will probably be reinstated sometime in the fall, and if the demand is sufficient, they will be started again anytime, according to E. E. Barron, co-owner of the company.

Cattle sales will continue to be held on each Monday beginning at eleven o'clock in the morning.

As the sales become known over a wider area, more buyers are including Lamesa in their itinerary, assuring plenty of buyers at all times with prices among the top in Texas.

NEW ARRIVAL

Word was received in Lamesa last week of the arrival of a seven pound baby boy to Mr. and Mrs. Sam Smith, former residents of this city. The little man has been christened Calvin Ezell.

Stanton Road Will Receive Seal Coat In The Near Future

Contract Will Be Let This Month On Project

Announcement was made from Austin this week, that contract would be let April 25th for the seal coat on the Stanton road from Lamesa to the Martin county line. This road was finished last year, but the final seal coat was delayed purposely.

It is understood that work on the Martin County end of this road is going forward with rapidity and it is hoped to see another paved road leading into Lamesa connecting with the Bankhead Highway at Stanton completed within a few more weeks.

TRUSTEES FOR COUNTY NAMED

The Commissioner's Court announced the results of the local and county trustee elections of the county, Monday following the completion of the official canvass.

On the county board of trustees there was only one change. F. L. Grissom of the Shumake community replaced J. W. Coleman of Ackerly from Precinct 1. Clay Randolph of the Five Mile community will continue to represent the county at large, and O. E. Witte will retain his place from Precinct 2. John C. Barron of Precinct 3 and W. J. Matthews of Precinct 4 did not stand for election.

The results of the local trustee elections as announced, will bring few changes in the majority of the schools. The new trustees are listed below by districts:

Mt. Olive—Beachy Barron.

O. K.—Alto Barnes, W. E. Walls, A. B. Clark.

Dawson Rural High—Cecil Cole, J. F. O'Brien, O. H. Sires, W. H. Ray, K. C. Preston, J. H. Davison, J. A. Green.

Sunset—Ed Knox.

Bartlett—F. A. Youngblood.

Munger—R. A. Pounds, Roy Smith, E. J. Emfinger.

Grandview—O. R. Bearden, Carlos Chile.

Klondike—Joe Smith, Joe McNew, Cecil O'Brien, Earl Rogers, Clyde Edmonson, Lee Batson, Floyd Spencer.

Harmony—J. M. Crouch, F. E. Gieg-horn.

Hancock—Armon Hale, F. M. Mc-Lendon.

Shumake—Sid Stanfield, E. C. Ma-haney, W. L. Lauderdale, W. A. Ten-nyson, D. I. Hogg, F. M. Whitmire, Buster Grissom.

Woody—U. R. Middleton.

Union—A. J. Horn, M. M. Debnam, C. R. Crow, L. W. Borland, O. W. Neil, H. M. White, John B. Webster.

Sparenberg—Otto Reithmeyer, Rus-sell Davis.

Mullins—Percy Peterson.

Liberty—D. V. Wade.

Five Mile—W. H. Scott, L. N. Pillion, T. R. McNeely, L. W. Vardeman.

McCarty—Jesse McCasland, John Hugh Middleton.

Ackerly—F. F. Green, Jimmie Belt.

Key—R. H. Strickland, F. E. Towns, Roy Trullitt.

BASEBALL—

(Continued from Page 1)

ping a team into shape. It is understood that many of the players who will represent Lamesa have played under Tate before and from all indications he should have a first division club, even though this is the first year for Lamesa to be represented in the League.

With a field of some thirty-three rookies, proven men, etc., to choose from, he has been very busy going through the process of elimination to bring his squad down to the required number when the season officially opens.

Abilene, also a newcomer to the league, but by no means new to league

CHOSEN QUEEN

MILDRED WILSON
Pictured above is Miss Mildred Wilson, daughter of Mr. and Mrs. Wm. A. Wilson, formerly of Lamesa. Miss Wilson was recently chosen as queen of the Sulphur Springs High school. She was elected by popular vote. Many in Lamesa will recall her as she attended school here for a number of years.

baseball, is scheduled to meet the Lobos in the opening tilt.

It is understood that a plan is being launched to close all the business firms in Lamesa for the opening game Tuesday afternoon, April 25th, but nothing definite in this direction has as yet been reported.

YATES—

(Continued from Page 1)
or obligations of any kind, and every-one in the city and this territory is invited.

The event will be held in the store. The entire west side of the store is being arranged to handle the crowd. Miss Klepper will not only tell in her chatty informal way how to plan and prepare meals, but she will give short cuts in serving them, and other hints that are invaluable to the busy housewife.

She will not only demonstrate how to get the most out of a range in economies and saving of time, but she will also demonstrate best possible use of an Electrolux, of a Mixmaster and of all other kitchen appliances. In short, she will explain how a kitchen can be used to best possible advantage with whatever equipment it contains, and she will give pointers on what equipment to select in event the kitchen is still to be furnished, or is to be refurnished.

DAIRY—

(Continued from Page 1)

will take part in the show.

The Dawson County Home Demonstration Council will serve dinner on the grounds for a nominal charge, with proceeds going into their treasury to be used to pay the ways of club women to A. & M. as well as other club expenses.

The program for the day is given below:

1. Classes will be shown as follows:
A. Females: (1) 3 years and over, (2) 2 years and under, and yearlings in milk (3) 1 year and under 2, (4) Calves, 6 months and under 1 year.

B. Bulls: (1) 2 years and over (2) 1 year and under. No bull allowed in show ring unless he has a ring in his nose. Ages will be as of the date of

the show. Class for bulls with three daughters in show—based on quality of daughters as well as the bull.

2. Awards: For females and bulls: (a) Class A, blue ribbon (b) Class B, red ribbon. (c) Class C, white ribbon (d) Class D, no ribbon. Best female, purple rosette.

3. Dairy Products Exhibit. Entries received up to 9 a. m. April 14. Two identical samples of each product to be submitted. Farm butter prepared for market wrapped in butter parchment, cheese, cottage, processed cottage and Neufchatel may be exhibited in one-half pint glazed cartons. Milk, sweet milk to be displayed in quart bottles, capped with cardboard top and covered with parchment paper, using a rubber band to hold it in place.

4. Awards: Class A, blue ribbon; Class B, red ribbon; Class C, white ribbon, Class D, no ribbon.

SPECIAL—

(Continued from Page One)
To help to stimulate interest in the national pastime in Lamesa, a large section of the paper will be devoted to this. It is hoped to have some pictures of the players who will represent Lamesa in the league, as well as a write-up of each individual.

If this edition is the success it should be, the Courier must have the cooperation of a great many people in Lamesa. All data on the baseball club, as well as the history of the game in Lamesa will be reviewed.

Here is a fine opportunity for the merchants of Lamesa to build some good will with their neighbors to the west and at the same time lend their support and cooperation to Lamesa's first professional baseball club.

The staff of the Courier will naturally be very busy and the cooperation of those who desire ads in this special is especially asked. The turning in of your copy as early as possible will not only be greatly appreciated, but will assure you of a better set-up and location on your ad.

CCC—

(Continued from Page 1)

fortable and attractive place for enrollees to profitably enjoy leisure time.

Visitors will be interested in the educational facilities of the Company. Recently, "Happy Days," the national weekly newspaper of the CCC, published in Washington, D. C., featured years and eight months of the camp, as having a "school program among the top raters in the 8th Corps Area."

The school building contains four rooms, a photography dark room, and a woodworking shop. The educational program includes elementary, high school and college courses. Although no illiterates are enrolled with the Company at present, many men have learned to read and write during the three years and eight months of the camp. All the men attend classes during their leisure time, and the average daily membership is one hundred and forty men.

Dr. Ralph W. Jenks, the Camp Physician, is assigned to protect the health of the enrollees. A Camp Infirmary, is maintained, and enrollees who feel indisposed are examined daily. Recently, the interior of the building was refur-

shed with wainscoted walls and oak floors; it is probably the most attractive infirmary in the North Texas district.

The buildings and equipment of the Soil Conservation Service will be included in the inspection. Pictures, models and demonstrations will show scientific methods of farm engineering and cultivation practices being applied to the farm lands of Dawson and surrounding counties. The garages and truck sheds house equipment which is maintained and kept in repair by enrollees themselves, under the super-

vision of Mr. Bryan Middlebrook, the Camp Mechanic.

It has been rated as the best in the region by safety experts and inspecting officials.

The Lamesa Camp, located here to serve the people of Dawson and surrounding counties, provides a home and employment for West Texas boys. The Camp personnel extends a hearty and welcome invitation to everyone to take advantage of this special day commemorating the events of April, 1933, when the first CCC Camp in the United States was established.

VISIT OUR DAIRY

Lamesa Lobos Win Opening Game From Seagraves Sunday

Sandstorm Cause Of Many Costly Errors

In the first exhibition game of the season the Lamesa Lobos defeated a strong semi-pro organization from Sea-

graves Sunday afternoon, by a score of 6 to 3.

The Oilers opened the game by scoring two runs in the first half of the opening inning, which was promptly equalled when the Lobos came to bat. The game was a hotly contested affair despite the inclement weather caused by a howling sandstorm, which at times practically obscured the playing grounds. Although there were many errors committed on both sides, this was as expected as it was the first time the Lobos had taken the field together.

With an aggregation of thirty-three men to choose from, Manager Jodie Tate should experience no difficulty in selecting a squad to carry Lamesa's

Lamesa Caprookers Win From Midland

The Lamesa Caprookers, local colored ball team, won their opening game against Midland last Sunday in that city, by a score of 14 to 7. Highlight of the game was a homerun in the 8th inning by Jim Grant, local slugger. Rubeen Jones is manager of the local team. Announcements of future games will be given from time to time in the Courier.

R. B. Snell and Hilburn Gilliam of Texas University, Austin, spent the Easter holidays here with friends and relatives.

banner in the forthcoming West Texas-New Mexico title race, with credit to the town.

Although the Sunday game had little advance publicity, there were several hundred fans who braved the weather to see the locals in action for the first time.

The grandstand was still unfinished but it was to the stage where it was capable of being used for the opening tilt.

Special Offer To Readers Of The Courier

Valuable Coupon In This Issue Saves You Money!

Have you ever heard of a "Betty Lou" spoon? Whether you have or not—we believe every one of our readers will like one. They are very attractive and unusual. The handle is a beautiful image of the famous little star of the "Quaker Party" radio show. They are genuine Carlton silverplate, made by one of America's largest manufacturers of silverware, and full teaspoon size.

Because we believe every one of our readers would like one of these unusual spoons, we are cooperating with one of our national advertisers to bring all readers of the Courier an opportunity to get one of these free. All you have to do is cut out the coupon on a page of this issue and bring it to the office of this paper with one trade-mark from a large-size package of Quaker Oats, or two trade-marks from regular size

it. Use it to adorn your table or for a fine gift any child will love.

Remember this offer is limited to our readers. So cut out your coupon now and bring it in with a trade-mark from a Quaker Oats package, the large size, just as soon as you can and get your "Betty Lou" spoon free.

Miss Quixie Bee King of Canyon spent the Easter holidays here visiting her mother, Mrs. F. R. King.

Jack Hughes of Texas University, Austin, spent the Easter holidays here visiting with friends and relatives.

LADIES!

To the ladies of Lamesa and surrounding territory, we will offer next week the most interesting and unique contest you have ever had the opportunity of entering.

The first of a series of ads will run next week with complete details as to how you may win valuable prizes in this big Hummingbird Hosiery Contest.

Here' a Tip . . .

Unless you are familiar with the qualities that make Hummingbird the top quality line that it is, you have trouble winning . . . So take this tip and if you are not already wearing Hummingbirds, visit our store and get all the details about them . . . our salespeople will be glad to tell you, whether you buy or not.

The purpose of this contest is to acquaint the ladies of this territory with the superiority of these finer hose, and in order to do that we are willing to give these valuable prizes.

You'll find this one of the most thrilling, and yet easiest, contests you ever heard of . . . more especially if you know about Hummingbird Hosiery before you start.

Watch next week's paper for details and visit our store in the meantime and let us tell you the things you will need to know to win in this contest.

TAKE A TIP—If you have never worn Hummingbird Hose select a pair from our complete stock—wear them and you'll have all the answers—but you don't have to buy hose or anything else to win.

Davencrepes Humming Bird

with the Hidden Value Specifications wrap THAT TELLS YOU WHAT YOU SHOULD KNOW

Here's hosiery that tells you exactly how it is made, and why it is so sheer, yet wears so long. Come in and let us show you these stockings that speak for themselves—on our counter, on the leg.

\$326,196 In Hidden Taxes Annually For This Territory Paid

Families of Lamesa and vicinity pay \$326,196 in hidden taxes annually on their retail purchases alone, a survey by the National Consumers Tax Commission showed today.

This burden, the report stated, is paid as a concealed part of the price of food, clothing, fuel, medicine and other daily purchases.

The commission is a non-political organization of women combatting through local study groups "unnecessary taxes that penalize consumers by increasing the cost of living." Groups are active in more than 400 communities in the Texas drive, led by Mrs. Kenneth C. Frazier, of Dallas, NCTC president, and Mrs. Volney W. Taylor, of Brownsville, national committee member.

"Every-day shoppers, whether they know it or not, carry a major share of the local, state and national tax burden," Mrs. Frazier said in the report. "Hidden taxes, increasing the cost of even the necessities of life, produce 63 per cent of all tax revenues. The taxes are levied first against producer, manufacturer, shipper and distributor and then passed on to consumers."

The report, which said NCTC study groups in 3,900 communities have added their forces to the crusade, pointed out that the local hidden tax figure concerns retail sales only and does not include many other taxes, hidden and direct, that families here have to pay.

The analysis, directed from the NCTC headquarters in Chicago, was based on total retail sales in Lamesa of \$2,091,000 as reported by the U. S. Bureau of the Census.

Dr. Cox Says:-

May first has been proclaimed May Day-Child Health Day nationally by President Franklin D. Roosevelt, and State-wide by Governor W. Lee O'Daniel. The State Department of Health has been designated as the official agency to head the activities in Texas.

Dr. Geo. W. Cox, State Health Officer, has stated that May Day is in reality an entire week's activity centered on the health and welfare of children. Every group in Texas interested in children will hold special meetings, clinics, and other projects to promote public consciousness of the development needs of childhood, so that everyone will realize that, "In the Health of its Children lies the Future of Texas."

Activities will vary in each community according to the existing problems and facilities. Many towns make this their chief activity of the year and schools, churches, luncheon clubs and women's clubs will have special programs. Merchants will use special window displays of children's clothes, toys and health aids, and carry special newspaper advertising.

This is a splendid time for parents to have their babies and children immunized against diphtheria, smallpox and typhoid fever. A thorough physical check-up is in order and should be followed by having corrections made of any physical defects. May Day gives you an opportunity to see that your child has a proper start along life's path and that proper safeguards are furnished him.

NOTICE TO DELINQUENT WATER USERS

During the years of the depression. The City Commission adopted an attitude of leniency in the matter of collecting water bills. Throughout the long period from 1930 to 1936, many worthy people were jobless and had no money with which to pay for the absolute necessities of life, to say nothing of other living expenses. City officials felt that those people were a part of our City just the same as we who were more fortunate, and, therefore, should not be deprived of water merely because they were unable to pay promptly. Hence they were allowed to run behind with their water accounts and asked to pay only as they were able.

The conditions prompting the above-

Delicious Quaker Oats Now Known to Be Rich in Vital Thiamin (Vitamin B₁)

Here's cheering news! Scientific research shows that Quaker Oats is a rich natural source of Thiamin, vital health food element that is necessary for growth and perfect health because it nourishes nerves, affecting almost every bodily function . . . helps you to feel, look, think your best. And Quaker's special 10-oven continuous roasting process steps up the fine whole-grain flavor of Quaker Oats . . . makes it more delicious than ever. Remember, too, that oatmeal is outstanding for other health essentials—high in proteins, food energy, valuable minerals. Easy to prepare. Highly digestible. Saves time, money. Start getting the benefits of Quaker Oats now. Get a big economical package at your grocer's today.

QUAKER OATS AMERICA'S FAVORITE THRIFTY BREAKFAST

mentioned policy have now passed on. Although we are not back to pre-depression circumstances, nevertheless most of us can pay our living expenses. In the opinion of the City Council, it is no longer necessary to carry water users for an indefinite period without proper payments being made or satisfactory arrangements to pay being agreed upon. After earnest consideration, the present City Commission has decided that all delinquent water accounts must be paid. You who are behind are respectfully requested to come to the water department by April 22 and either pay your account in full or make a substantial down payment and arrange to pay your current bill and a part of your delinquent balance each month.

any undue hardship on any one. Each and every delinquent water user may rest assured that he will be treated with all possible courtesy and consideration, and that the City Official will cooperate in any reasonable plan for paying his account. On the other hand, he will be treated with firmness up in full within not longer than and positively will be expected to pay a six-months period.

For the benefit of any delinquent customer whose circumstances will not permit his paying altogether with money, the city will be glad to give you any available work at the rate of \$2.00 per eight-hour day.

Signed:

Children's Tantrums Have Many Causes

Most children understand their parents better than their parents understand them, says Dosca Hale, specialist in child development and parent education with the Texas A. and M. College Extension Service.

They soon learn the way to break down parental firmness, often by "throwing tantrums", and their methods vary with the parent. For instance, a child who knows that mother is worried about his health may, when balked, refuse food or sleep, hold his breath or knock his head against the

floor. Another, who knows that noise is father's weakness, may yell, scream, kick, pound or slam doors to get results.

Prevention is better than cure for tantrums of children. "Remove the causes before tempers and tantrums become a habit and a hindrance both to children and grown-ups," Miss Hale points out.

In early childhood, hunger and fatigue are the two main causes, and parents should establish regular times for eating, for naps, and for bedtimes, so that youngsters do not have a chance to become too tired or too hungry.

Tight clothing, or clothing that ham-

pers small children may also call forth temper; the remedy is clothes that are simple and easy to manage. Play clothes should allow free movement and activity.

The best way to prevent future outbursts is for parents to understand what causes them, and to help their child meet the difficulty. Miss Hale says. While they do not help him to learn, they must make sure that his temper tricks do not succeed.

Prize Offered For The Best Library

University of Texas students were recently given a chance to measure their libraries for special awards.

Sponsored by the Texas State Historical Association, the contest was opened to undergraduate students, offering prizes ranging down from \$25 for the best private collection of books.

The private library contests were inaugurated eight years ago at Swarthmore College, but this will be the first of its kind proposed in Texas. Dr. W. P. Webb, University historian and author, judge, declared.

A small specialized collection would be given preference over a large collection of books on general subjects, he said. Students were given until April 28 to file entries.

Delegates At State Fireman's Meet To Get Grapefruit

Weldon Lindsey, chief of the Lamesa Fire Department, is in receipt of information from the Lower Rio Grande Valley fire chiefs that each delegate to the State convention of the State Firemen's and Fire Marshals' Association of Texas, will be given some choice Valley grapefruit as he registers for the convention.

The annual convocation of firemen is attended by an average of 2500 delegates and visitors and is to be held in the Lower Rio Grande Valley, with headquarters at Harlingen, on June 13-14-15 of this year.

Chief Lindsey was advised that Valley firemen have selected several tons of choice Valley grapefruit which has been placed in cold storage and as each delegate registers he will be handed several of the famous fruit.

Because the Rio Grande Valley is so near the Gulf of Mexico, the cool seabreezes and opportunities for swimming and fishing are expected to cause many of the visiting firemen to take their families to make a summer vacation of the annual visit to the convention.

PERSONALS

Mr. and Mrs. Earl Johnson of Eunice, N. M., spent the week end here visiting in the home of his parents, Mr. and Mrs. Will Johnson.

Mr. and Mrs. L. F. Kennedy and Mr. and Mrs. C. O. Magee and children spent Saturday in Lubbock visiting in the home of Mr. and Mrs. A. Payne.

State's Greatest Resource Is Youth

The State's most profitable resource is its million and a quarter young boys and girls. Dr. Homer Price Rainey, president-elect of The University of Texas, declared before radio listeners in his address over Station WFAA, Dallas, recently.

For four years director of the American Youth Commission, he painted in dark colors the picture of Texas youth.

Forty per cent of Texas youth of high school age are not in school, he declared. Only one Texas youth in three is graduating from high school. Texas spends 25 per cent less per pupil than the national average.

Particularly urgent are the educational needs of rural youth, representing 56 per cent of Texas youth.

Of the 150,000 unemployed Texas youth, 40,000 are either in CCC camps, or on NYA or WPA projects—an average of less than one in four, Dr. Rainey pointed out.

"From 90 to 100 thousand Texas youth come upon the labor market every year," he continued. "The majority of them face periods of unemployment of from six to eighteen months. Such experiences place a heavy strain upon morale and may seriously impair a youth's employability."

He projected a three-fold community service for Texas youth, involving: a good program of educational and vocational guidance; appropriate and adequate vocational training; and a placement service.

Recreation is sadly lacking for Texas youth, the commission found. In the field of health, youth conditions are far from satisfactory.

"Almost any effort we can make would be justifiable if it contributed toward the removal of the employment hazard from the lives of our young people," he said.

KLONDIKE 4-H CLUB STUDIES MAKING OF DRESSES

"It is the way the dress is made for a small or large girl, that counts," said Miss Mattie Phenix, County Home Demonstration Agent, to the Klondike 4-H Club at the Home Economics Building, April 5, at 1:00 o'clock.

Small girls should use a simple pattern and also a material that is easily cleaned and easy to work with. Older girls may use a more difficult pattern and softer materials.

There were two new members and nineteen old members present.

What Size Farms Are Profitable?

If a farmer or ranchman knew ahead of time the ideal amount of land to operate, lots of trouble would be avoided. It would take a prophet to choose the correct size, but this is one of the questions farm men and women are trying to settle through land use planning committees.

W. E. Morgan, economist in agricultural planning with the Texas A. and M. College, who is directing the land use planning work, now underway in all counties in the state, says that there are many factors other than the number of acres that influence the success of a farm.

The profitable size is influenced by rainfall, soils, climate, type of enterprise, managerial ability of the operator, and labor available, so that what might be a whopping big farm in East Texas would be a very uneconomic sized farming unit in another part of the state.

Morgan believes that until there is some way of foreseeing prices for years ahead, there is not going to be any one correct answer to the question, "What is the best size for a farm in this locality?" Then, he points out, if

prices could be foretold there would be more profit in playing the market than in operating any farm regardless of size.

Nevertheless, the recommendations of the county planning groups, made on the basis of experience and long time observation of local conditions, are going to be lots of help in the future, the economist said.

Top 4-H Club Girls For Texas Announced

The five highest awards Texas 4-H club girls can earn go this year to Elizabeth Harrison, 18, Alvarado, Johnson county; Katherine Shaw, 16, Spring Creek, Parker county; Fay Croslin, 21, Howland, Lamar county; Juanita Mills, 17, Arlington, Tarrant county; and Mildred Henrichs, 19, Wharton, Wharton county.

Elizabeth Harrison, who attended the 1938 Washington National 4-H Encampment and whose clothing work won her statewide recognition last year, will receive the Texas Home Demonstration Association's college scholarship award.

Katherine Shaw and Fay Croslin will represent Texas 4-H club girls at the National 4-H Club encampment at Washington, D. C., in June. Willie Lee Ulich of Burleson county and Joe Doyle Lubbock county, have already been announced as the Washington representatives of Texas 4-H boys.

Mildred Henrichs and Juanita Mills will receive the Texas State Fair college scholarship awards.

The selections were made by the home demonstration staff of the Texas A. and M. College Extension Service, according to Onah Jacks, state girls' club agent. The girls' achievements in demonstrations, their leadership in club and community activities, and the influence of their demonstrations in the community were the main points considered, Miss Jacks said.

PATRICIA MISSIONARY SOCIETY MET APRIL 4TH

The Patricia Missionary Society met at the home of Mrs. C. E. Latson, Tuesday, April 4th, with eight members present.

After a short business session, a study course was begun "Invincible Advance." The Society meets each Tuesday at 2 o'clock at the church. All ladies are invited to attend.

KLONDIKE 4-H CLUB NOTICE

The Klondike 4-H Club will meet at the Klondike Home Economics building at 12:30, April 19. Mrs. Thorp, sponsor, will give a demonstration on being properly dressed and improving clothes closets.

Who knows most about Building cars?

Ford has built more than one-third of all the automobiles ever built in the world

Look at these FORD FEATURES

- **STYLE LEADERSHIP**—The luxury car in the low-price field.
- **V-TYPE 8-CYLINDER ENGINE**—Eight cylinders give smoothness. Small cylinders give economy.
- **HYDRAULIC BRAKES**—Easy-acting—quick, straight stops.
- **TRIPLE-CUSHIONED COMFORT**—New flexible roll-edge seat cushions, soft transverse springs, double-acting hydraulic shock absorbers.
- **STABILIZED CHASSIS**—No front-end bobbing or dipping. Level starts, level stops, level ride.
- **SCIENTIFIC SOUNDPROOFING**—Noises hushed for quiet ride.
- **LOW PRICES**—Advertised prices include many items of desirable equipment.

THERE are more Ford cars in use today than any other make. And there are more Ford V-8s than any other 8-cylinder car.

The 1939 Ford V-8 represents the broadest experience in building cars any manufacturer ever had. You will find values in it far beyond what any other maker can put into a car at the low Ford price.

Ford performance, traditional for a generation, has reached new heights in the 1939 V-8.

And now Ford style leadership is equally outstanding. "The smartest cars on the road" is the way owners describe their new Fords. Smartest in action. Smartest in appearance. Leaders, as they deserve to be.

FORD V-8

APRIL IS FORD INVITATION MONTH! Your Ford dealer invites you to drive America's most modern low-priced car. Make a date for a new experience.

Gamma Alpha Honors Pledges With Breakfast

Sunday morning at 9:30 members of the Gamma Alpha Chapter of the Beta Sigma Phi honored the pledges with an annual breakfast at the Green Hut Cafe.

After the delicious breakfast the group attended Easter Services at the First Baptist Church where they sat in a group.

Guests attending were Miss Evelyn Barron of Pampa, Miss Virginia Sharp and Mrs. Rupert Austin.

Members attending were Misses Melvin Norris, Jesse Norris, Edna Bedwell, Myrtle Henderson, Betty Bratcher, Katie Lee Clements, Gertrude Day, Lenora Barron, Mrs. Connelly Baldwin, Mrs. J. H. Harp and Mrs. Louis B. Reed.

Audrey Fay Sellers Honored On 5th Birthday

Mrs. R. R. Sellers honored her daughter, Audrey Fay, on her fifth birthday Friday afternoon with a birthday party at their home.

Various games were played and an Easter Egg Hunt was enjoyed during the afternoon.

Angel Food cake and ice cream were served to Kay Collins, Nancy Scott, Jorine Blakey, Donal Ross McQueen, Dona Louise Richardson, Margaret Lou Powell, Sidney Reynolds, Winifred Sellers, Jo Ann Boone, Katherine Baldwin, Jane Taylor, and the honoree.

VICTORY BIBLE CLASS HAS CHICKEN BARBECUE

On last Thursday evening the members of the Victory Bible Class of the First Baptist Church were entertained with a chicken barbecue at the Country Club at eight o'clock.

After the barbecue a short program was rendered. Owen Taylor and his barber shop quartet gave a couple of selections. Elmer Barron gave an interesting talk, and Mrs. W. J. Beckham gave several accordion selections. After the program games of forty-two were enjoyed.

Fifty-four men attended this barbecue while 60 were present Sunday morning for Sunday school.

Mrs. W. V. P. Baker Hostess To Pioneer Club Tuesday

Mrs. W. V. P. Baker was hostess to members and guests of the Pioneer Club, Tuesday afternoon at her home on South Sixth.

Games of "84" were enjoyed during the afternoon.

At the conclusion of the games pie and coffee were served to Mesdames D. S. Day, Joe Barron, N. E. Bartlett, Dixie Kilgore, A. H. Smith, Erwin Bailey, John Cason, and the hostess Mrs. Baker.

"World Peace" Topic At P. T. A. Meeting Thursday

The P. T. A. met in their regular monthly meeting last Thursday evening at the high school.

A good crowd attended this meeting at which "World Peace" was discussed. The program for the evening was as follows:

Leader, Mrs. J. D. Dyer; P. T. A. Prayer; Group Singing, Mrs. Weldon Lindsey, directing; Poem, "Some Common Ground," Miss Marguerite Flanken; "All Forces Responsible for Teaching World Peace," Dean J. M. Gordon, Texas Technological College, Lubbock; Male quartet, Owen Taylor, A. J. McDaniel, Tom Barron and E. M. Moore; Benediction, Rev. E. F. Cole.

There is only one more meeting of the P. T. A. this year. It will be held May 4, which is Music Week.

EASTER SERVICES FEATURED IN LAMESA CHURCHES

Special Easter programs, services, and Cantatas were held at Lamesa churches, Sunday morning and evening in observance of Easter in Lamesa.

The Young People's B. T. U. of the First Baptist Church held a sunrise Easter service at the Caprock, Sunday morning. About fifty attended this service which opened at 5:30 that morning. Opening the service the group sang "Rock of Ages" which was followed by the quartet who sang "Shall I Crucify My Savior." Mrs. R. F. Nix brought a message which was very impressive and beautiful. Closing this services the benediction was said by Wright Boyd. The group returned to town about 7:30.

At this service it was voted to hold a Sunrise Easter Service every year at this time.

Delphians To Enjoy Texas Day Program

"Texas" is to be the subject of the Delphian Club program on April 18, with Mrs. W. P. Arriett as leader. Roll Call will be "A noted Living Texan," and various numbers on the program will emphasize the Texas theme.

Miss Mary Louise McDonald of Lubbock, the great-great-granddaughter of General Sam Houston, is to be the guest speaker for the evening.

In honor of Miss McDonald there will be an informal reception at the club house immediately after the program. Every Delphian is urged to attend and bring a guest to this meeting.

Ault and Lambeth Are Hostesses To Thursday Forty-Two Club

Last Thursday afternoon Mrs. C. E. Ault and Mrs. O. Lambeth were hostesses to members and guests of the Thursday Forty-Two Club at the home of Mrs. O. Lambeth.

Games of forty-two were enjoyed during the afternoon. At the conclusion of the games, ice cream and cake were served to Mesdames W. V. P. Baker, D. S. Day, Joe Barron, R. J. Boardman, Lee Billingsley, Ross Gibson, A. M. Bennett, A. H. Smith, E. A. Elland, Walter Jones and the hostesses Mrs. Ault and Mrs. Lambeth.

Lamesa Girls Honored At Texas Tech

Elna Warner, Estelle White, and Lottie Mozelle Self, arts and sciences students at Texas Technological College, have qualified for membership in the Freshman Honor Society. They are daughters of Mr. and Mrs. S. D. Warner, Mr. and Mrs. R. R. White and Mr. and Mrs. J. N. Self of Lamesa.

Sponsored by Forum, honorary organization, and the Association of Women Students, the Freshman Honor Society requires a B- average.

Seminole Will Be Host To Workers Conference Of Lamesa Ass'n. Thursday

Seminole, April 12 (Special) The Seminole Baptist church will entertain the Lamesa Association Workers Conference which is to convene here on Thursday, April 20. The local pastor, Rev. O. C. Curtis, will preside at the meeting. The meeting, which had been scheduled for Thursday, April 13, was moved up to April 20 on account of the meeting of the Baptist State Sunday School Convention at Waco at that time.

The good road east, occasioned by the completion of Highway 15 to the Dawson county line is expected to draw a large attendance from that section of the association, which is composed of Dawson, Gaines, Borden and Andrews counties.

The following program has been arranged for the day: The general theme for the day will be "Evangelism." At the meeting the District Missionary, Rev. J. J. Strickland, will hold a conference on the subject of "Evangelism" looking forward to the Southern Baptist evangelistic campaign to be held throughout the South during the coming summer.

Morning Program

10:00 Song and Praise, led by Rev. Fellow Wright.

10:15—The Doctrine of Sin, Missionary J. J. Strickland.

10:45—Hell, What Is It? Rev. J. J. Gentry.

11:15—Morning Sermon, "God So Loved", Rev. E. F. Cole.

12:15—Noon lunch, served by the Seminole Baptist Women.

Afternoon Program

1:30—Board and W. M. U. Meetings

BARRETT GETS RESULTS

Last week J. M. Barrett, well known retired farmer in Lamesa, placed a small classified ad in the Courier advertising a house for rent. The paper came out Friday morning and the house was rented before night, Friday.

"I had five or six answers to the ad Friday alone," said Mr. Barrett, "and more have been coming all the week. I certainly got the desired results from this ad."

Mr. Barrett, like thousands of other citizens of Lamesa and surrounding territory, learned that the easiest way to tell the people of anything they have to sell or rent is through the classified columns of the Courier.

The cost is small, most ads running the minimum of 25c per week, and the results obtained are absolutely phenomenal.

You will find that for the quickest turn-over possible as well as the quickest results, you can't beat the classified ads in the Courier.

2:30—The Plan of Salvation, Rev. John W. Williams, pastor of the Hobbs Baptist Church.

Mrs. Maurice Snell is visiting with her parents in Dumas this week.

JAMES A. FOX IS ILL HERE

Friends of James A. Fox, whom many will recall as working each day at the relief office in the basement of the Church of Christ, will regret to learn of his serious illness. While he worked in the relief office in the daytime, he accepted a position with Arnett Motor Company at night. The two jobs were too much for his health and he has been forced to bed.

Mr. Fox, who is a young man with a wife and two children, was ambitious to better care for his little family, and took on too much work and too many hours.

He will be confined to his home for the next several days and his friends are asked to visit him and lend him the cheer that is needed for a quicker recovery.

Brown's Laundry Is Celebrating First Birthday

Brown's Steam and Helpy Selfy Laundry are this week celebrating their First Anniversary in business in Lamesa.

They have made tremendous progress and shown a marked growth in the short space of twelve months.

Just a few weeks ago they completed the installation of thirteen new Maytags to care for their growing business. They have also just completed the installation of a water heater and boiler of the very latest type. With this new type heater, all noise is eliminated and the roar that is so prevalent in most businesses of this kind is entirely lacking since this new equipment has been installed. They are also assured plenty of hot soft water with this new set-up.

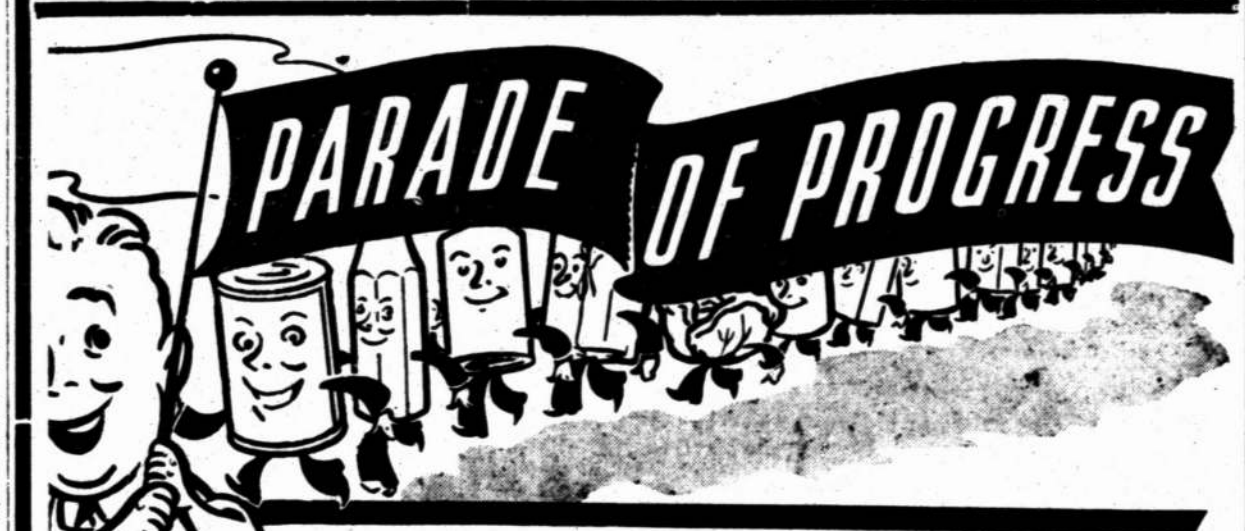

Your attention is called to their ad in this issue of the Courier.

Dude Gaines of Simmons University spent the Easter holidays here visiting with friends and relatives.

Misses Lois Thorp, Madge McLendon, Ruth Merrick, Mary Louise Tinkler, Viola Thurston and Mrs. Ola Tinkler made a business trip to Lubbock Monday.

Only Two Days

Only two days remain in which you may take advantage of the free health clinic which closes Saturday night. Unless you have already done so, we urge you to take advantage of this opportunity. We are having a highly trained Technician assist us during this period. If you are in doubt concerning your health and would like to know your state of physical condition, call at our office for an examination while the Technician is here to lend his experience in diagnosing difficult cases.

Electrical equipment has been installed to make exact health tests. The Ellis machine, which is being demonstrated in the state for the first time, is being featured. This machine measures disease and the severity of infection. All tests are made visible to the patient and the readings are as authentic as a clinical thermometer.

You Can't Tell A Rattler's Age By It's Rattles

"You can count a rattler's rattles till you're black in the face," Texas Memorial Museum curators contend, "and you still can't tell its exact age."
"For every three rattles, add a year to the reptile's age," agrees Texas tradition.
The issue came when the recently opened museum, on the University of Texas campus, launched its first exhibit in a projected "wild-life" display, placing a live four-foot, diamondback rattlesnake in a museum display case. "Shortly after the snake's birth," Carl Chelf, anthropology curator, explained, "a horny button appears on the tip of its tail. That's followed by approximately three rattles each year. But the rattles and even the button itself are often knocked off in the tail's violent agitation—which produces the rattling."
If you find the button missing, as you often do, Chelf contended, then you have no gauge of the snake's age at all.

Youth Illiteracy In State Alarming

"Physical illiteracy" confronts the youth of America as a result of mechanized labor and living, James E. Rogers, director of the National Physical Education Service, warned Austin physical education teachers recently.
Speaking on the University of Texas campus, the national health director advocated a "new physical education" to keep pace with America's "new education."
"Young Americans need to learn the art of relaxation as a means of relieving the great tension to which they are subjected," Mrs. Rogers stated.

NOTICE TO BIDDERS

Sealed bids will be received by the Board of Trustees, Flower Grove Consolidated School District, Martin County, Texas, until 2 p. m. Saturday, April 29, 1939, for the furnishing of all material and labor necessary to construct a school building of brick, tile and concrete construction, according to plans and specifications prepared by Haynes and Strange, Architects, 511 Myrick Building, Lubbock, Texas.

Plans and specifications may be procured from the architects by depositing with them a check in the amount of \$10.00 which will be returned to all bidders actually bidding upon the work. Each bid must be accompanied by a certified check on bidders bond made payable to E. M. Cave, President, Board of Trustees, Flower Grove School District, in the amount of Five (5%) per cent of the bid as a guarantee that the bidder, if awarded the work, will enter into contract and furnish a surety bond in the amount of 100% of the bid within ten days after being awarded the contract.

The owner reserves the right to accept any or reject all bids and waive any informalities.

NOLAN CHAPEL

We really had a nice day at Nolan Chapel Sunday. Were so glad to have so many new people there. Won't you come back.

Brother Thompson preached for us, an inspiring Easter sermon that was enjoyed by all present.

We have such a nice large community we want our Sunday school to grow till we reach the one hundred mark, and by your help and cooperation we can. There are a lot of people that we want that live near the church that have children who should be in Sunday school. We would be happy to have them. We still missed some of our regular members Sunday.

LOCAL MERCHANT MAKES PLEA TO HELP CUT ACCIDENT TOLL

Lamesa Tire & Battery Inc., Joins Nation-wide Drive To Make Motorists More Safety-Minded Than Ever

By JACK McLAUGHLIN, President, Lamesa Tire & Battery, Inc.

"It is all very well to promote safety on a nation-wide scale, but when all is said and done, safety, like charity, begins at home. Real safety starts when the motorists in the community make up their minds to do just a little bit more than is demanded of them to make our streets and highways safer for the other fellow. If we do, we'll be only too happy to 'lose a minute and save a life'; we'll be glad to 'step on our speed urge instead of our gas pedal'; we'll wholeheartedly agree that 'children should be seen, not hurt!'"

"Next to driving courtesy in accident prevention is well-conditioned equipment. Last year tread-bare tires were responsible for thousands of life-endangering skids. Wet, slippery pavements, a sudden jamming on of brakes, and away goes the car—completely out of control!"

"These are things that can be avoided. A visit to the service station will quickly fix any mechanical defects. And as for skid protection, the new Goodrich Silvertown will give you the quickest non-skid stops you've ever had on any road. That's because this new kind of tire automatically sweeps wet roads dry—so dry that you can actually light a match on its track. And whether roads are wet or dry, Silvertowns at all times give you that other great life saver—Golden Ply blow-out protection."

"Remember, too, the tube of an automobile tire is just as important to you as the tire itself. A good tube and a good tire mean long uninterrupted safety, service and economy. That's why we recommend that you equip your Silvertowns with Goodrich Seal-o-matics—the tubes that 'never let you down' because they self-seal punctures as you ride. For safety tomorrow get this 'perfect' Goodrich motoring combination today."

Hundreds of local accidents that happened during the past year could have been avoided by safer driving and safer equipment.
