## Charles Johnson Road-e-o Winner

Charles Allen Johnson was winner of the first place in the Road-e-o sponsored by the Aransas County Junior Chamber of Commerce this week, chalking up a score of 331 out of a possible 400 points.

Second place winner was William Lewis Kelly, with 294 points, and Georgia Ann Kresta was the top girl driver with a score of 291 points.

Johnson and Miss Kresta will represent the local Jaycees in the regional Road-e-o to be held in McAllen later this month.

Regional winners will be eligible to compete in the state Road-e-o with winners in this going to the national contests held in Washington, D.C. in August.

The national winner will receive a college scholarship and other prizes.

The Jaycee Safe Driving Road-e-o originated with a local club some years ago, and met with such success that it became one of the top projects of the National Junior Chamber of Commerce, and is sponsored jointly by that body, state and local Jaycees and the Chrysler Corporation.

This year marks the first year that the Aransas County Junior Chamber of Commerce has staged a Road-e-o, and much interest was generated among junior contestants. The Aransas County Schools were also most cooperative. For these reasons the local Jaycees plan to make a Safe Driving Road-e-o an annual event here.

## Ten Aransas County Citizens Paid Wrong Tax Collector And Can't Vote In 1960 Elections

Ten Aransas County citizens who paid poll tax this year will not be able to vote, all because they paid it to the wrong tax collector.

Basic cause of the whole hassle is the fact that Aransas Pass lies partly in San Patricio partly in Aransas counties, and these citizens (plus two others that discovered their mistake in time to do something about it) paid their taxes in San Patricio County, although their legal residence is in Aransas County.

The ten citizens so dis-franchised are Mr. and Mrs. Thomas Delgado, Mr. and Mrs. Don Fowler, Peter E. Greden, Jesus Resendez, John K. Rushing, Joseph Simmons, and Mr. and Mrs. Robert A. West.

Two who found out that they had made a mistake and bought new poll taxes in Aransas County while there was still time were Mr. and Mrs. G. M. Ford. They can vote and the others can't.

When the matter was brought to the attention of Aransas County Attorney Weldon Cabaniss, he immediately requested an opinion from Attorney General Will Wilson, stating that presumably such payments were made without knowledge of the error, and without fraudulent intent.

Payments were made to Mrs. Edna Davis, appointed by Davis Vickers, Tax Assessor-Collector for San Patricio County, as deputy tax collector for issuing poll taxes. In an affidavit taken before Wilson could render an opinion, she said:

"I was under the impression that I could issue poll tax receipts to all citizens of Aransas Pass otherwise qualified, and without regard as to whether residents of Aransas Pass or San Patricio County. I issued to persons who told me they lived in Aransas County as I thought I was authorized to do this. But I did not think that I was authorized to issue to applicants residing outside the city of Aransas Pass in either county, and I refused two applicants residing in Ingleside which is in San Patricio County about 5 miles southwest of Aransas Pass."

Vickers was not aware of this until after February 1, the deadline for purchasing poll taxes. Wilson, after considering all the facts, said:

"We are constrained to hold that these individuals did not make timely payment of the poll tax that was due Aransas County, and there is no way in which they may lawfully vote on the receipts issued by the San Patricio deputy, or by which the Tax Collector of Aransas County may now issue Aransas County receipts entitling them to vote in the 1960 elections."

He did not commit himself on whether the ten Aransas County citizens could get their money back from the San Patricio tax collector.

## LOCAL SCHOOLS TO GIVE T. B. PATCH TESTS

The three local P-TA's and the Mother's Club of Sacred Heart are sponsoring a tuberculin testing program of all students that are enrolled in the four schools.

Wednesday afternoon a pamphlet was given to all students entitled "A Message for Parents About Tuberculin Testing For Your Child." This pamphlet included questions and answers about T. B. and a parent's permission request blank that is to be signed by the student's parents and returned to the school on or before Monday, May 9, so that the child may participate in this testing program. The Testing program will begin on Monday morning and end on Friday of next week.

The patch test is painless and is similar to a bandage and should remain in contact, undisturbed for 48 hours, then the tape which holds the patch is remove. The reading is then made 48 hours after the removal of the tape.

The three P-TA's and the Mother's Club hope that all parents will have their children take advantage of this tuberculin testing program.

## 21 Candidates Pay \$3475 for Election

Heaviest Expenditures In Sheriff's Race, Lightest In That for Constable, Precinct 2, As May 7 Nears and Candidates Electioneer

Twenty one candidates have spent \$3,475.35, seeking five Aransas County offices, according to figures filed at the Courthouse.

All of them hope the voters will listen to their words of wisdom, look at their cards, scan their placards and sign boards, and then go to the polls and vote for them.

Individual expenditures run from as low as \$14.74 in the race for the constable's post to \$402.85 spent by a candidate for sheriff.

Heaviest spending was in the sheriff's race, where three people are running. Sheriff A. C. Shivers is asking re-election, and is opposed by Elva Mullinax and Roy Hinton.

Shivers lists his expenses as \$132.34 for the filing fee; \$86.77 for advertising, including cards,

placards and a notice in the Rockport Pilot; and \$40 in miscellaneous expense. His total was \$259.11, with no gifts or campaign contributions received.

Elva Mullinax spent \$132.35 for filing; advertising in the Rockport Pilot and the Aransas Pass Progress cost him \$71.05; a poll tax list set him back \$10 and gas and oil cost \$100, for a grand total of \$313.49. He received no contributions.

Roy Hinton spent a total of \$402.85, including \$132.34 for filing, \$15 for a poll tax list and a list of exempt voters; while advertising in the Rockport Pilot and Aransas Pass Progress, along with printing at the Coastal Printing Company accounted for \$225.50. He received contribution of \$165.

Next most expensive race per candidate was that for county attorney, to fill the vacancy that will be left when Weldon Cabaniss term expires this year. Running for the office are Ellis L. Clark, of Rockport, and Martin C. Haskett, of Aransas Pass.

Clark spent \$198.56 for filing, as did Haskett. Advertising in the Rockport Pilot and printing cost Clark \$43.45, and postage added \$47 to bring his total expense to \$289.01.

Haskett's other expenses, besides the filing fee, included \$32.05 for advertising in the Rockport Pilot; \$78.35 for the same purpose in the Aransas Pass Progress, and \$54.30 to Coastal Printing Company of Corpus Christi, for a total expenditure of \$363.26.

In the race for County Commissioner, Precinct One, there are three men.

W. B. Allen, the incumbent, spent \$72.75 for filing fees; \$46 for advertising and cards with the Rockport Pilot; \$10.50 with the Aransas Pass Progress; and \$39.00 for miscellaneous items, all of which totaled \$168.25.

C. J. Roy spent \$72.33 for filing; \$38.50 with the Rockport Pilot for notices and cards; \$15.00 with the Aransas Pass Progress for the same purpose; \$23.80 for postage. (Continued on page 8)

## First Methodists To Vote on New Educational Building

The congregation of the First Methodist Church will vote after the morning service of May 22 on adoption of plans for a new educational building and social hall, to be built on the site of the present Methodist Fellowship Hall.

The new building will be a 35 by 60 foot concrete block structure, with kitchen and other facilities needed for social gatherings.

Immediately behind this hall, on part of the grounds now occupied by the old church building, a new educational building, also of concrete and steel, will be built. This will be 20 feet wide by 120 feet long, and will contain eight class rooms which will serve nursery, primary, kindergarten, junior, intermediate, youth and two adult classes.

In addition to the class rooms, Rev. A. L. Bankert said, there will be an office and supply room for the church school superintendent.

Total cost of the two buildings is estimated at approximately \$35,000, the pastor said, and construction is slated to begin in the near future after the congregation votes on the plans.

The building committee is composed of Seth H. Steele, chairman, and he is assisted by Tom Dannelly as treasurer, W. B. Hamblin, Newell Boughton, E. T. White, Harry Wilson and J. D. Gray.

## Exploratory Fishing Planned

Two exploratory cruises by the U.S. Fish and Wildlife Service Vessel Oregon, along the Texas coast have been scheduled for August and October this year, according to Seton H. Thompson, regional director of the Service, whose headquarters are in St.

Petersburg, Florida.

In answer to a letter from the Industrial Committee of the Rockport Chamber of Commerce, asking for research on the Texas coast, aimed at bolstering the ailing fishing industry, he said:

"The considerable interest that has been shown in your area along the line of shrimp trawl 'Scrap' utilization has been brought to our attention several times.

"Although we hesitate to interrupt our current exploratory base in Pascagoula, we have scheduled two exploratory cruises of the Oregon devoted primarily to industrial fish trawling on the Texas coast for August and October of this year. In view of our other commitments and the limits of work one vessel can handle, this is as soon as we can get to your area."

Taking cognizance of the fact that the market for domestic fish meal has recently collapsed, due to Peruvian imports, Thompson continued:

"We suspect that some of the urgency has been removed for exploration of industrial type fish because of the recent collapse of the market for fish meal, the ultimate product produced from this type of fishing.

"Nevertheless, additional cruises to this area are tentatively planned for 1961, but sailing schedules have not been established as yet. We will attempt to make at least one series of exploratory drags in each season to delineate, if possible, any difference in availability of industrial fishes.

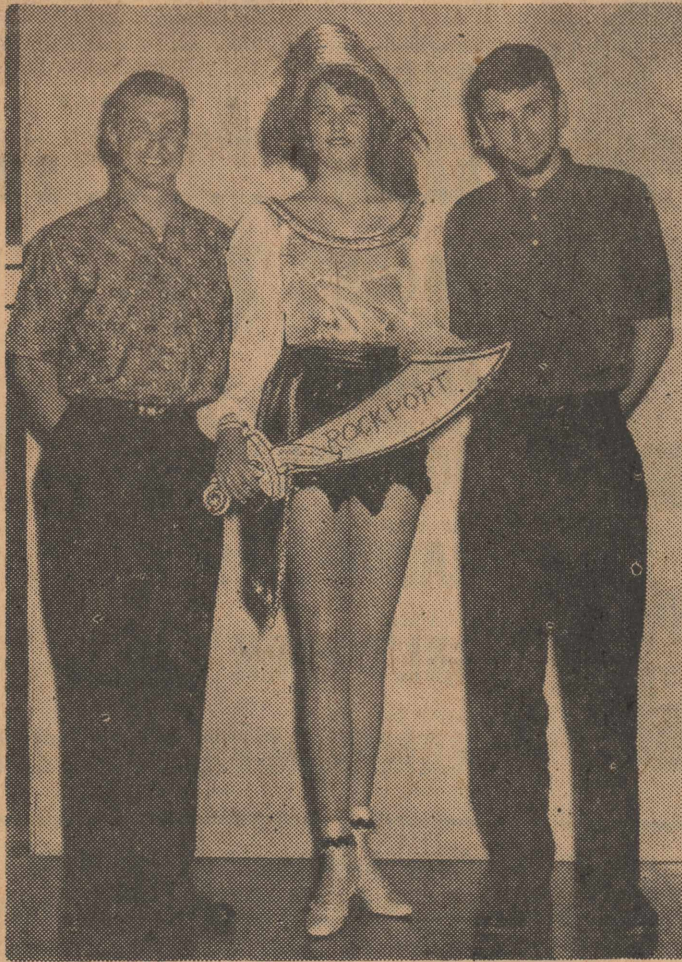

"This amount of work will provide only a preliminary picture, however. A truly satisfactory program would call for a series of year-round trawling operations, preferably repeated for two years. This would require chartering of another vessel which our current budget would not cover."

### BE CAREFUL, SNAKE SEASON BACK AGAIN

Austin.—Beware of snakes. This is the report coming from game wardens all over the State, according to the director of law enforcement of the Game and Fish Commission. With the advent of warm weather, the snake movement has begun throughout the State.

There are four kinds of poisonous snakes in Texas. They are the moccasin, copperhead, coral snake and the rattler. Naturally the moc-

casins are found around water; the copperheads like cool places around old rock piles, barns and stacks of old lumber; coral snakes also are found around old tree stumps, under vines and shrubs; the rattler will be found most any place. Many of them are killed crossing highways.

Because there are so many non-poisonous snakes many persons may take a chance. For instance, near Rockport last week a group of school children found a snake swimming along the beach. They stuffed it in a bag, believing it to be a harmless hognose. Later, however, it developed the snake was a massasauga rattler.

Many of the harmless snakes have value as mice catchers and should not be molested. In fact, the director warns, it is best to leave all snakes alone, except to kill off the poisonous ones.

Miss Betty Johnson of Rockport was center of attraction last Saturday when she participated in the Texas Pirate Queen Contest at Corpus Christi's Buccaneer Days Celebration. Miss Johnson is the daughter of Mr. and Mrs. H. C. Johnson and was sponsored in the contest by Chamber of Commerce.

Despite the adverse weather early in the celebration Buccaneer Days 1960, is the gayest and best attended in the history of the giant civic celebration, according to Glenn Alexander, president of the Buccaneer Commission.

Over 200,000 people watched the giant Illuminated Night Parade wind its way through the streets of downtown Corpus Christi after 9,000 had viewed it first hand at Buccaneer Stadium. The previous night, 2,500 applauded the selection of Miss Sandy Spickerman as Buccaneer Beauty Queen at the pageant held at Memorial Coliseum.

The Festival Carnival on the Bayfront continues to attract huge crowds and will be open daily through Sunday, May 8th.

An elaborate display of fireworks will paint Corpus Christi's bayfront, May 6th as the Buccaneer Days goes into its final weekend. The fireworks will be fired from barges anchored off the T-head are free to the public. They will be visible for several miles. A similar fireworks display will begin at 8:00 p.m. Saturday, May 7th.

Other Buccaneer Days events for this weekend include the continuation of the Squash Tournament at the YMCA and the Tennis Tournament at South Bluff Park. The Pro-amateur Golf Tournament will begin at 10:00 a.m. Sunday, May 8, at the Oso Municipal Golf Course.

## Texas College Trained Teachers In Short Supply

Austin.—In five years Texas has dropped from second to fifth place in the percentage of college trained teachers in its elementary schools, latest national rankings show.

Oklahoma now leads the nation with 99.6 of its elementary teachers having four or more years of college. Arizona, Florida, and New Mexico also leads Texas, which is fifth with 95.6 per cent.

Both the border states of Oklahoma and New Mexico, as well as nearby Arizona, have higher average teacher salaries than Texas.

In 1953-54 Texas was in second place. At that time, Arizona was first and Oklahoma was down in

seventh position.

By 1958-59, the latest figures available, Oklahoma had vaulted to first place on the strength of higher requirements and better salaries. Only 80 of Oklahoma's 21,400 teachers do not have at least a bachelor's degree.

In Texas, records of the Texas Education Agency reveal that 1,772 out of the 82,088 total public school personnel did not have a college diploma in 1958-59. The majority of those were in the grades one through eight, where 1,509 teachers out of 49,828 failed to have degrees.

National rankings deal only with elementary teachers and with those having four or more years of college preparation, irrespective of degrees.

## Mrs. Roy Hinton

Rockport, Texas

May 5, 1960

DEAR FRIENDS:

When I say Friends, I say it sincerely, because I have been associated with most of you and your families at one time or another. It may have been your son or daughter, our home has always been open to the young folks of Rockport-Fulton, including many school, Camp Fire, Girl Scout or Church young peoples parties and meetings have been held in our home. Or you may have at one time been one of the tourists to attend the parties, and have since moved here and are making Rockport-Fulton your home. We opened our house to you for two seasons for your entertainment before the Woman's Club was erected. Or maybe I have served on a drive with you, or a committee. We Hinton's, have always had the interest of Rockport-Fulton and achievement and progress foremost in our thoughts. One of the nice rewards comes to me now, when you young folks drop by to see me, and bring your little ones, and we begin a new generation in the very rooms you have in the past gathered in. That is why I feel we are friends, that you have had a chance to know us and our interests in our fellow man. On May 7th, the Democratic Election I would appreciate deeply your consideration for my husband ROY HINTON for SHERIFF. On May 9, we will have our 32nd wedding anniversary. I feel in that length of time I can recommend Roy. Should you give him the honor of serving you as your Sheriff, may I say, "from the home making department, you will always be welcome." It is our sincere hope you will go to the polls and cast your vote for ROY HINTON for SHERIFF. Thank you.

Respectfully,

BONNIE HINTON

# ROTARY LUNCHEON HEARS MEIGS AND ROATEN ON TRIP

William Meigs and Shelley Roaten told Rotarians assembled for their weekly luncheon Wednesday of their trip to the District meeting at Edinburg last week.

The club also made plans for reporting election returns Saturday night, and will move the big election board to the lawn in front of the courthouse where it will be kept up to date as rapidly as votes are counted on the May 7 primary.

Lonnie McLester, a high school senior, was guest of the club, and visiting Rotarians were Merritt Hulet, Saratoga Springs, N.Y.; Richard Hatch and Martin Haskett, Aransas Pass attorneys; Howard Hoersters, New Braunfels; and W. B. McLendon of Corpus Christi.

Homer Faber has as his guest Ensign Richard Dedard, of the Corpus Christi Naval Air Station.

## PIER TO BE CONSTRUCTED AT COPANO RIDGE

Dr. George Strickhausen, III, one of the developers of Copano Ridge, has applied to the U. S. Engineers for permission to install a fishing pier in connection with the development.

This pier runs for 600 feet out from the shore of Copano Bay, south of Lone Tree Point, and will be six feet wide, with 10 x 40 foot T-head on the channelward face of the wharf.

The wharf is seventy-five feet south and parallel to the recently-dredged channel leading into Salt Lake, and reaches water with a depth of approximately four feet.

## JUNIOR CLASS TAKES TRIP

The Junior Class will take their annual class trip to Buccaneer Days Friday afternoon.

The class will leave after lunch from the high school to journey to Corpus Christi, where they will be free to roam at will among the carnival and concessions.

They expect to be gone about six hours. Accompanying the class on the trip will be Guy Phillips and Mrs. Edith Cruser, the class sponsors.

John Bunyan's "Pilgrim's Progress" is said to be read more widely than any book in the English language, except the Bible.

# VOTE FOR BILL PATMAN TO REPRESENT *You* MR. FLY IS OBLIGATED TO OUTSIDE SPECIAL INTERESTS

INDEPENDENT NEWSPAPERS ALL SAY MR. FLY IS IN *Deep Trouble* — WHY?

Typical Comment  
AUSTIN AMERICAN  
April 22, 1960

BY KEN TOWERY  
The American Staff

EDNA — State Senator William S.

(Bill) Fly of Victoria is in deep trouble in his bid for re-election. Opposing Fly is young attorney Bill Patman, son of Congressman Wright Patman and son-in-law of the late State Senator Fred Mauritz of Ganado.

Fly is not only in trouble; he knows it and he admits it. In his six years in the Senate he has succeeded in making just about every group in the 12-county 18th Senatorial District mad at him. The area is actively opposing him, says Fly; the farmers are angry over some of his votes; organized labor is making sounds like it is

going with Patman; and school teachers are not exactly happy with him either.

★ ★ ★

NOT ONLY THAT, says Fly, "there are some people who are mad at me because I didn't say hello when I passed them on the street."

Fly is probably one of the most powerful figures in this State Legislature when it comes to finances. He was prominent in tax battles of the 56th Legislature, figuring in both appropriations and taxation. He is

chairman of the interim state tax study committee of the 56th Legislature and held a similar post during the life of the 55th session. It was an open secret that he was seriously considering a bid for the lieutenant governor's chair until Ben Ramsey made his decision to run again.

★ ★ ★

AS IS THE CASE in most local races, the issues of government are clouded with the issues of personalities. There can be little doubt that Patman is more "liberal" than Fly,

but the race here is hardly a clear cut liberal vs. conservative race. In fact, Patman is being backed by one of this district's most vocal conservatives.

To forestall charges that he is labor's candidate, Patman has stated publicly that he is opposed to any "weakening" of existing laws "protecting the individual workers against forced union membership." But Patman's biggest guns are reserved for what he calls Fly's special attention to "special interest" and his aloof attitude toward the voters of the 18th Senatorial District.

## Why MR. FLY IS IN DEEP TROUBLE

### "WATCHDOG OF TREASURY"

Since Mr. Fly first went to the Legislature, State spending has increased from \$319 million to \$1,200 million per year. He must have been a toothless watchdog to let spenders walk off with more than three times as much tax money as before.

### "LEADER", THE WRONG WAY

We agree with Mr. Fly that he is a "great leader." Where has he led us? Last year under his lead, the Legislature raised your taxes \$93 million a year, but the state now has an \$85 million deficit, and is writing hot checks, something which would put you or me in jail.

### "FRIEND" OF ECONOMY

Mr. Fly did economize on needy aged citizens. The State voted \$1,800,000 cost of living raise for them. Mr. Fly was chairman of the Senate committee which gave them NO raise. It also refused to make \$6,000,000 medical payments voted by Texans for aged, blind, disabled, etc.

### "HEAD" OF COMMITTEES

These are the Committees which kept the Legislature in session one regular and three special sessions last year... 201 days @ \$25 per day for Mr. Fly... still left major state problems unsolved.

### "POPULAR" IN SENATE

There are 30 other members of the State Senate. Of these, 3 signed a statement praising Mr. Fly. 27 Senators would not sign his political campaign brags.

### "HARD-WORKING" SENATOR

For whom? Not his district. He pleased the special interest lobbyists by working hard for them. They are now repaying his efforts by trying to get him re-elected.

### FLY IN OINTMENT

The same Mr. Fly who wouldn't give a cost-of-living increase to needy aged citizens was head of a Senate committee which voted the money and approved plans for a \$3,300,000 State Office Building, a marble palace for politicians, with marble-lined phone booths.

### IKE WOULD FIRE FLY

President Eisenhower recently fired a Federal Communications officer and refused to reappoint a Power Commissioner who took free plane rides at expense of corporations under their control (and the Victoria Advocate agreed such payola is wrong.)

### BUT ONLY YOU CAN FIRE HIM

Mr. Fly did exactly the same thing Ike objected to. He took a free ride to a birthday party in Tennessee with the Senate in session on a luxury plane of Texas Eastern Gas, with Austin's #1 lobbyist as host. What did he do on the Governor's effort to tax Texas Eastern? He fought it. Ike can't fire Fly but you can, May 7.

### "EXPERT" ON GOVERNMENT?

Mr. Fly has charged I would raise ad valorem taxes. All ad valorem taxes levied by the state are now at their constitutional limit. I could not raise them, if I want to. I don't.

### TRUTH ABOUT STATE SPENDING

As Texas grows, more state spending is inevitable. People making more money, and corporations making handsome profits do not mind spending part of gains on sound government. I want to invite more industry to our district, get bigger payrolls, better markets and take a little of the increase back for the economical operation of government.

### LEADING IN RIGHT DIRECTION

The Legislature is fast getting away from the people and into the hands of lobbyists for special interests, which don't care how much is spent as long as you pay for it. I welcome leadership, but shall never forget that it is a privilege I hold for your benefit.

### FOR COST OF LIVING AID

State aid for needy aged is not debatable. The public has authorized it, and the Senate is (or should be) the servant of the people. Same goes for aid for dependent children, needy blind and disabled, in state-ordered medical payments as well as aid. I'm for it: I'll vote for the money.

### NOTHING TO BRAG ABOUT

Each Senator automatically gets at least 10 committee assignments. If I ever boast of mine, it will be for doing a good, hard job for you. Committee assignments are more an obligation than an honor.

### SENATE POPULARITY

If, after serving six years, like Mr. Fly, I can't get more than 3 Senators to say a good word for me, I won't mention it. A man with only one-tenth Senate approval can't do much.

### HARD WORKING FOR YOU

My door will always be open to the people of my district. I am your representative, and unless I talk to or hear from you, I can't do a good job for you. You won't be second to Lobbyists.

### LET'S CUT OUT LUXURIES

Why do politicians need marble palaces when so many people paying for them live very modestly? We do need office space for economical operation of government, but it shouldn't be built with the bread of the poor. Regulation phone booths are good enough for you, and me. Why not Fly?

### FOR ONCE I AGREE WITH ADVOCATE

What the Victoria paper said against Power Commission free ride on gas company plane applies exactly to Mr. Fly's trip on another gas company plane. I'd like to quote the Advocate (which is not for me for Senator) as follows:

"They accepted the hospitality of a firm having much to gain from their agency. They thereby forfeited the appearance of impartiality, even if they managed to avoid feeling beholden for the free ride. And impartiality must be maintained in appearance, as well as in fact if the public is to have confidence..."

Mr. Fly went farther than impartiality. He fought against increasing taxes on the company which furnished his plane.

### AD VALOREM TAX ON WAY OUT

The State has already dropped the ad valorem tax for general fund revenue. It is a bad tax, as it is just as heavy on farms, ranches and homes during a depression as it is in prosperous years.

## CONSTRUCTIVE

Contrasting of ideas of candidates is constructive and necessary. It is the only way you can make a sound choice.

## SMEAR

If printing Mr. Fly's true record for this purpose is a smear, it's because it is that kind of record. He made it.

Your vote and support will be appreciated in the coming election on May 7.

If elected, I will devote the time necessary to the job, and will do my best to see that taxpayers get the most for their dollar.

The growth of Aransas County creates many problems.

We must cope with these and still strive to keep our county a desirable place to live.

Among the things needed are better mosquito control and drainage.

If elected as your commissioner representing Precinct 3, I will cooperate with city, county and civic organizations to the best of my ability for the benefit of everyone.

### Why MR. FLY IS IN DEEP TROUBLE

#### LOBBYIST CONTROL

Mr. Fly was on the committee that killed the lobby control bill in 1957. The Governor called a special session to force lobby control. Mr. Fly voted for motions which watered down the bill to register, not regulate lobbying.

#### LOBBYIST CONTROL

#### SOUND INSURANCE

You pay high premiums; you are entitled to insurance that pays off. Mr. Fly voted to cut the salaries of watchmen over Texas insurance in an effort to make them quit.

#### SOUND INSURANCE

#### HAVE YOU SEEN FLY IN PAST SIX YEARS?

For more than six years since you elected him to the Senate, Mr. Fly has brushed off his people who came to Austin, stayed with the rich crowd when home. Now he is making the rounds, mostly of "important people." Some times he can manage a grin. What do you think of people who are good only before Christmas (or election day)?

#### I'LL SEE YOU; KEEP YOU POSTED

#### RED FACED AND FOOT STOMPING

If you haven't seen Mr. Fly at the rallies, he gets red in the face, waves his fists, jumps up and down shouting insults at his opposition. He has not hesitated to bring my in-laws into the campaign, and he even criticizes my wife, the daughter of the late distinguished Senator Fred Mauritz, who served you so well.

#### WHY I WON'T DEBATE FLY

#### SALES TAX CLAIMS

Notice Mr. Fly doesn't say he is against a general sales tax. He just says we don't have one yet, in a cunningly worded advertisement intended to try to fool the people into thinking he has "saved" us from this unfair burden. He won't fool anybody who knows his record at Austin.

#### SALES TAX ANSWERS

### Why BILL PATMAN WILL REPRESENT US

A man would be more proud than wise not to give a hearing to legitimate representatives of business, ranching, farming, teaching, etc. I firmly oppose the kind of lobbying that seeks to control legislation through free plane rides, retainers, favors, and gifts. I'll have none of this. Read Fly's record.

If we have insurance that pays off, we must have the best supervisors money can buy. Why save a few thousands on salaries, get unqualified help, and as a consequence have insurance frauds rob people of millions?

No closed doors against people of District 18 for Bill Patman. I enjoy meeting my people. How can anybody know what they want unless he is willing to talk to folks from his district. I'll never let lobbyist or lobbyist into my office while people from District 18 sit in the reception room, waiting to talk to me.

I have shared the platform with Mr. Fly in many towns of this district. It doesn't bother me when he yells and hollers. He never yet has discussed an issue. I have refused to alter my long-prepared schedule to get down in the mud with him at times and places he wants to dictate. Would you? As for my wife, she's a better "man" than he is, any time, and she needs no defense.

It's not Mr. Fly's fault we have no general sales tax. He's fought for it consistently at Austin, even to holding the last Legislature for three costly special sessions, to try to force a tax on poverty, instead of profits. I am against a general sales tax, have so stated, and I mean what I say.

### Womanless Wedding Presented Before Sell-Out Crowd

The Womanless wedding was presented at the High School Auditorium Saturday evening before a sell-out crowd, and the cast, all men, were just simply gorgeous as ladies(?) .

Vows were exchanged in a single-ring ceremony before an improvised altar, banked with ferns and white tapers, with two cathedral baskets holding white Easter lilies, ligustrum and fern.

The bride, Dave Segler, wore a dress of white peau de soie, with a rounded neckline and long sleeves. The skirt flowed into a court train. A tiara of net ruffles held her waist-length veil of illusion, which showed off her beautiful blonde hair to great advantage. She carried pale pink rosebuds centered with maline and white satin.

The groom, Frank Hunt, was handsome in a tuxedo, and wore a hibiscus boutonniere.

The maid of honor, Chester Johnson, was garbed in a flowing full-skirted gown of pink lace with matching bolero, and was beautiful and delicate in this with matching gloves and hat.

The Matron of Honor, J. D. Gray, wore a splashy voile print, with a picture hat, matching net elbow-length gloves and sneakers with orchid net bows completed his extremely chic outfit.

As bridesmaid, T. J. Johnson was gorgeous with blonde chignon side curls adorned with large pink roses. He wore a pink accordion printed formal with a bodice of entire sequins.

Gilbert Hill, usherette, waltzed up the aisle in a red taffeta for-

mal, floor length, with dark blonde curls cascading to his (or her) shoulders under a wide brimmed hat.

The bride's mother, Seth Steele, was almost overcome, and straightened all the curl out of her long hair with tears as she watched her little darling given into the care of a big brute of a man almost half her size. Steele carried two man-sized handkerchiefs, and was dressed in gray crepe, carried a bag with a beautiful sign stating that his hair was styled by Fulton Lumber Company, and is reported to have worn as matching accessories a pair of twelve gauge shot guns, one over each shoulder, tastefully embellished with black bows.

Ed Beasley, as the groom's aunt, wore a dark crepe dress with matching black hat and carried a white scarf; Dudley Bracht, another aunt, wore a white floor-length dress, had his hair in a chignon, and carried a big white Beaver picture hat.

Bob Gulik, solist, was tastefully arrayed in a beige ensemble, with hat and gloves to match.

Others of the wedding party were bridesmaids Ellis Clark, Leslie Cole, James Cruser, Bobby Morrison, Dick Picton, Martin Haskett, Jack McDavid, Harold Dick and Harold Beasley.

The preacher was Matt Scott; Frank Kresta was the bride's grandmother; Shelley Roaten was the mother of the groom; Bill Jones was one of the groom's aunts.

Bopey Cole took the part of the bride's sister, while Jimmy Lukehart posed as her baby. Usherettes were Hill, John Anderson, J. C. Gurley, and Walter Lassiter.

TV stars at the wedding were A. C. Shivers, as Matt Dillon;

Gary Smith as Chester; Jack McCready as Miss Kitty; Charles Schindler as Dinah Shore; Wayne Shults as Loretta Young; Tom Schmitt as Donna Reed; Dewey Isles as Kate Smith; Sergeant Lucky, who was the belle of the ball, as Ann Sothorn; Dave Little as Dale Evans; Dick Peyer as Betty Hutton; Bill Johnson as the ring bearer; flower girls Tommy Picton, Milton Court, Billy Johnson, and Hays Warden; Blackie Rouquette as the bride's father. After the ceremony the bride carried the groom off the stage.

### Seventh Grade Gives Texas History Play

Seventh graders from Aransas County Junior High School presented "The Spirit of Texas", a play dealing with Texas history for the eighth grade classes in Junior High and sixth grade classes from Rockport and Fulton Elementary schools.

Approximately seventy seventh-graders took part in the hour and fifteen minute program which was staged in the high school auditorium, which dealt with Texas from its earliest days until now.

Susan Ammintrout was master of ceremonies and the following students had other parts in the program:

Tommy Barkley, as Penwell, a school boy; Sallie McCord as his sister Annette; Jan Clark, an Indian; Sherry Brundrett, soloist presenting "Indian Love Call" accompanied by Sallie McCord; Shelley Roaten, who described the Indian tribes in Texas;

Carolyn Pena, who told of the six flags of Texas; Gary Stryker, Sylvia Sanchez, Tim Sanchez, Herbert Mills and John Weaver, who represented the flags of France, Spain, Mexico, Republic of Texas and the Stars and Stripes in that order;

Gerald Van Etten, who told of social life in early Texas; William Cutcher who represented San Antonio; Hugh Morrison, the Alamo; Charles Boone, San Jacinto; Mickey Gray, the Battle of San Jacinto. This was followed by the song "Come to My Bower."

Susie LeBlanc represented Austin; Jeannie Deiderich spoke on our state capitol; Mary Lou Johnson represented Rockport; Jimmy Seawright told of the size of Texas; Jerry Krogsgaard spoke on its rivers; Charles Picton on Texas education.

Joe Cavitt gave the history of the State Song, "Texas, Our Texas" which was sung by a chorus; Dillon Beasley gave the state motto; Tim McGlamery gave data on the state tree; Chris Sorenson on the state flag; Tommy Thompson on the state bird and Lola Lewis on the state flower.

Principal A. B. LeFevre and Mrs. Charlyne Hunt sponsored the program.

Ratliff, furniture store owner, who lives in Little Bay Shores, Bernie DeForest and Earl Ward, of Fulton, both of them interested in various enterprises along the waterfront; Bill Jones, Rockport, variety store owner, who lives in Little Bay Shores; Maurice W. Cochran, former city manager of Corpus Christi and local real estate dealer; and Raymond Owens, shrimp boat owner and member of the Aransas County Navigation Board.

In the county attorney's race, to fill the vacancy left this year when the term of Weldon Cabaniss expires, are Ellis L. Clark, Rockport attorney, and Martin C. Haskett, of Aransas Pass. This promises to be a hard-fought battle.

Also holding public interest is the three-way race for County Commissioner in Precinct 1, where incumbent W. B. Allen is opposed by C. J. Roy, a worker at the United Carbon Company's plant in southern Aransas County, and by Hollis Collum, ex-mayor of

Rockport, who operates an out-board motor repair business.

A new place to be filled this year is that of County Tax Assessor-Collector, created by vote last year. The place, formerly held by Sheriff A. C. Shivers was voted a separate office, and Mrs. Margaret Weber, long-time employee in the tax office is running for the position. She is opposed by R. Y. (Bob) Ayers, formerly tax assessor-collector for the Aransas County Independent School District, and Maynard A. Rowan, former tourist court owner.

Of lesser importance, but just as hardly fought, is the race for constable, Precinct 2, where the present incumbent, G. G. (Pop) Gilson is opposed by Assistant Fire Chief and local builder, Gilbert Hill, and by T. E. Minyard, truck driver.

For county chairman, and running unopposed, is Harold Howard store owner of Aransas Pass. Ernest Jones is running for Precinct Chairman in Precinct Three, and E. N. Adams for chairman of Precinct 4. No one is running for chairman of Precinct 2.

#### Aransas County Bond Sales Good

March E and H Savings Bonds sales in Aransas County totaled \$19,230 according to Fred Bracht, chairman of the county Savings Bonds committee.

Sales for the first three months of 1960 were \$27,632 which represents 62.7% of the county 1960 goal. First quarter sales in Texas were \$45,480,326 or 27.5% of its 1960 goal of \$165,500,000.

"Savings Bonds are an investment in the future. For years the Treasury Department sold bonds as a doorway to opportunity—a new home, college education, retirement, or some other dream of the future. But today the future itself is threatened. With the dawn of the missile age, the world is suddenly aware that one more war could be the last. The hope of the age is for peace—for some guarantee that there will be a future to look forward to. We must have "Peace Power"—the strength to keep the peace; the knowledge to make it lasting. Savings Bonds, in building economic stability, help strengthen America's peace power," James P. Stiles, Jr., National Director, said.

Calumet was the name of the ceremonial peace pipe used by North American Indians.

#### Public Hearing On Matagorda Bay Area Set May 18

Austin.—A public hearing on the proposals to close Matagorda Bay to netting will be held at Bay City, 7:30 p.m., May 18. This has been announced by Howard Dodgen, executive secretary of the Game and Fish Commission.

A group of citizens from the Bay City area last week called upon the Game and Fish Commission to close Matagorda Bay to commercial netters. They charged that commercial netters were depleting the supply of red fish and speckled trout in the east bay.

Opposition insisted that netting under the present set-up is not harming the fish population. It was explained to the group that a similar Commission order is in court to test the validity of the regulatory power of the Commission.

The hearing is being held to gather further information and to determine the sentiment of the residents of the area.

The public hearing at Bay City will be an open meeting, and a court reporter record will be made of the hearing for the consideration of the Commission when needed.

James A. Jarboe is in Washington this week.

#### Land Commissioner Bill Allcorn Winds Up Campaign

"It's no coincidence that the most positive gains in the Texas Land Program have come during my administration," said Land Commissioner Bill Allcorn as he wound up the final days of his campaign for re-election.

"Since we took over the once scandal-ridden office three years ago, we have provided the state with its most accurate accounting of public domain in 121 years," he emphasized. "We have collected \$140,000,000.00 from our public school and college lands. Furthermore we have created a geological and petroleum engineering department which, when added to our other departments, provides the basis for the most modern Land Office in the United States. "The Land Department has," Allcorn repeated, "made greater gains for good and efficient operation in the past three years than it made in its first 121 years."

## EVERY DAY IS MOTHER'S DAY WITH ELECTRICITY AT HER SERVICE

Have you ever stopped to count up the work-saving ways electricity serves you around the house? Try it—and then guess how much time it would take you to do the same jobs *without* your electric service.

The time and energy you save are just part of the value you get in your electric service. When you think how *little* it costs, you'll agree that it's just about the best bargain you can find.

CENTRAL POWER AND LIGHT COMPANY

## Why MR. FLY IS IN DEEP TROUBLE

#### "FRIEND" OF TEACHERS

Teachers are the most popular people in Texas, around election time. Mr. Fly has been in the Legislature 12 years. If he is such a great friend of teachers, where's the evidence? Ask a teacher about Mr. Fly.

#### "FARMER-RANCHER FLY"

Ask a cattleman. Mr. Fly fought bills for healthy meat and milk. When he lost, he was head of the committee which would not adequately finance the program. He fought all important farm legislation. Ask a farmer who went to Austin.

#### AGAINST TAX ON WEALTH

Texas Eastern Gas made \$24,918,376 net profit last year. All 12 similar gas lines which buy cheap gas in Texas and sell high in other states made \$185,082,472 net profit, paid one-fourth of one per cent franchise tax, in Texas. Mr. Fly fought raising their taxes.

#### FOR TAX ON US

Instead, Mr. Fly wanted to raise the gas production tax to 8%, a tax on all owners of gas-producing land in this district, which is right at the top in gas production. All landowners in this district are potential gas producers.

## Why BILL PATMAN WILL REPRESENT US

#### I'LL GET EDUCATION FUNDS

Education is the development of our greatest resource, the minds of our children. Russia is creeping up in education. We can't regain ground with teachers on poor pay. I'll act; I'll vote the money. We need industry; also engineers and managers for it.

#### FOR THE FARMER-RANCHER

I live in a county where farming and ranching are the most important occupations to the most people. Both are hard jobs, distressed by surpluses and too-low prices. Farmers and ranchers need all the help they deserve, and I'm for them.

#### WEALTH BEST TAX BASE

Don't put me down as a sock-the-rich Senator. I won't be. But taxes must come from profits and not from bread, beams and overalls. They must be based on ability to pay. If long-line gas people would pay the state what they are wasting on lobbyists, free plane rides and campaign help for Mr. Fly, they could pay double in taxes and save.

#### PASS ALONG A LITTLE

Michigan has a special tax on Detroit-built cars bought in Texas. The severance beneficiary tax would fall largely on non-Texans using our gas. Mr. Fly fought it, and instead favored a gas production tax, which falls on our landowners and producers.

### Will Wilson Seeks Re-election Saturday

Attorney General Will Wilson will be on the Democratic Primary election ballot Saturday, May 7, as a candidate for re-election to the post in which he has distinguished himself as a vigorous law enforcement official and outstanding chief legal officer for the state of Texas.

Wilson has won nationwide recognition as Attorney General of Texas for his concerted and effective drives to rid the state of organized racketeering, loan sharks who prey on needy people, anti-trust or price fixing law violations and illegal medical practitioners.

Wilson declared it is his firm belief that a healthy climate for

the progress and prosperity of Texas can be maintained only through solid enforcement of the laws of Texas.

"In the Attorney Generals' race this year there is only one central issue involved — whether Texas shall continue to vigorous law enforcement," Will Wilson said this week.

"We have conducted our campaign for re-election on a high plane befitting the high office we seek. The organized forces of the loan sharks, racketeers, medical quacks and price-fixers we have fought so often in the courts the last three years are fighting us on every turn in the campaign. Reason: They will use any means to see us out of the Attorney General's Office.

"Our opposition, has conducted a campaign of vilification. They have offered no concrete platform for the betterment of our state, but have relied on name-calling and mudslinging and irresponsible charges instead as the basis for its campaign.

"We believe the people of Texas will give our law enforcement record an overwhelming vote of confidence on Saturday, May 7."

Wilson served two terms as District Attorney of Dallas County, six years as a member of the Supreme Court of Texas, before being elected Attorney General in 1956.

### Why MR. FLY IS IN DEEP TROUBLE

**WOULD DEFEAT OF FLY MAKE SENATE RADICAL? NO!**

He claims to be the #1 target of left-wingers and radicals. He claims there are 12 radicals and left-wingers already in the State Senate. I have challenged him to name one. He can't because his charge is bunk.

**HOW DO WE STAND ON UNION LABOR?**

Both of us are for the right to work law. Both oppose weakening of laws to protect workers against forced union membership. But Mr. Fly voted to shift the burden of state government to all working people. This is anti-working people, whether in, or (as a majority of our people are) out of unions.

**FLY'S CAMPAIGN EXPENSES**

One of the few ways Mr. Fly and Bill Patman are alike is that we both are using every medium to reach the voters, and it costs a lot. Mr. Fly is getting his support from special interests and their lobbyists. If he could be elected (he can't) Mr. Fly would be under many obligations.

**LOCAL OPTION**

Brewers and distillers and their agents have ordered those who sell beer and liquor to tell customers to vote for Mr. Fly to keep this district wet. Intended implication is that defeat of Mr. Fly would dry up this district. Wrong!

### Why BILL PATMAN WILL REPRESENT US

**BILL PATMAN OPPOSES RADICALISM**

I am not now, never have been and never shall be a left-winger or radical—either radical radical, radical conservative or radical liberal. A conservative can be so radical as to be a reactionary, opposing all progress; a radical liberal can defeat any progress. I am an independent.

**WE ALL WORK; I'M FOR ALL WORKERS**

My stand and Mr. Fly's are the same on existing labor laws. The real issue with working people, however, has little to do with these laws. A man favoring a general sales tax, which shifts the burden to all workers (as Mr. Fly does) is against working people. A man preferring to tax profits instead of bread, beans and overalls (as I do) is for the working people.

**MY CAMPAIGN EXPENSES**

We Patmans are spending our money in this race. When Bill Patman is elected, I won't owe a favor to any special interest or lobbyist. I'll be free to vote for those who elect me—the people of the 18th Senatorial District. Yes, my in-laws are for me. It would be bad if a man couldn't carry his own family.

**AGAINST BREWERS IN POLITICS**

I'd have to say I didn't believe in democracy if I said I didn't believe in local option. I believe in both. But I do not believe in brewers and distillers in politics. To them I say: stop your lies and take your hands off District 18 elections. You are interfering once too often.

VOTE For the Only Man Free to Serve You!

ORDER AND NOTICE OF  
VALIDATION SUIT

TO ALL PROPERTY OWNERS, TAXPAYERS, CITIZENS AND OTHERS HAVING OR CLAIMING ANY RIGHT, TITLE OR INTEREST IN ANY PROPERTY OR FUNDS TO BE AFFECTED BY THE ISSUANCE OF THE BONDS HEREINAFTER DESCRIBED OR AFFECTED IN ANY WAY THEREBY, THE ATTORNEY GENERAL OF TEXAS, AND THE CITY OF ARANSAS PASS, TEXAS:

The City of Aransas Pass, Tex-

as, Petitioner, has filed in this court and presented to me a petition alleging, among other things, that by ordinance passed on March 22, 1960, Petitioner authorized the issuance of bonds described as follows:

The bonds are called "City of Aransas Pass Harbor Revenue Bonds, Series 1960," are authorized in the amount of \$500,000.00, dated April 1, 1960. They are of the denomination of \$1,000.00 each, numbered from One (1) to Five Hundred (500), both inclusive, and bear interest at a rate or rates not exceeding six (6%) per cent per annum, payable October 1, 1960, and semi-annually thereafter on April 1st and October 1st of each year. Said bonds are due serially on April 1st of each of the years 1965 to 1985, both inclusive, and on April 1, 1990, and bonds numbered six (6) to five hundred (500), both inclusive, are optional for redemption prior to maturity on April 1, 1965, or on any interest payment date thereafter at prices and on conditions more fully set out in the bond ordinance. Reference is made to Exhibit A for a complete and detailed description of said bonds.

Said petition further alleges that the above described bonds are being issued for the purpose of securing funds with which to build, acquire, purchase, construct, enlarge, extend, repair and improve harbors, ports, or navigational facilities in connection therewith or any aids thereto.

The petition further alleges that said bonds are not payable from taxes but are payable from and secured by a first lien on and pledge of the net revenues of the Harbor Utility, consisting of all of the existing harbor facilities of said City of Aransas Pass, and all of the installations, improvements, projects and properties

which are being built, purchased, constructed, enlarged, extended, repaired, improved, replaced, developed, and financed by the proceeds of said bonds, and all additions thereto, as fully set forth in said Exhibit A.

The prayer of said petition is as follows:

"WHEREFORE, the Petitioner prays for a judgment declaring that the Petitioner has the authority to issue said bonds and that all proceedings and actions heretofore taken with reference to the issuance of said bonds and those hereafter to be taken as above alleged, are valid, binding, and legal and that said bonds when so delivered will be valid, binding and legal, and Chapter 30, Acts of the 43rd Legislature at its Fourth Called Session, 1934, as amended by Chapter 80, Acts of the 56th Legislature, at its Regular Session, 1959, (Article 1187e, V.T.C.S.), under which these bonds are issued is a general law of special application, is constitutional, and does not violate any provisions of the Constitution of the State of Texas, and especially does not violate Article III, Section 56, of the Constitution of Texas, and that this decree shall be forever binding and conclusive against the Petitioner and all other parties to this Cause, whether mentioned in and served with said notice of the proceedings, or included in the description 'all property owners, taxpayers, citizens and others having or claiming any rights, title or interest in any properties or funds to be affected by the issuance of the securities or affected in any way thereby', and that such judgment shall constitute a permanent injunction against the institution by any person of any action or proceedings contesting the validity of the bonds above described, or the validity of provisions made for the payment of the same or the interest thereon, or the validity or constitutionality of Chapter 30, Acts of the 43rd Legislature, Fourth Called Session, 1934, as amended by Chapter 80, Acts of the 56th Legislature, Regular Session, 1959, (Article 1187e, V.T.C.S.), or the applicability of said Acts to the issuance of the bonds, any or all of said bonds above described, or to the City of Aransas Pass, Texas, or its governing body.

"The Petitioner prays for such further and general relief to which it may be entitled and for the issuance of notice as required by law."

"Petitioner further prays for the issuance, publication and service of notice of this suit as is required by law."

Reference is made to said petition and the exhibit attached thereto for a complete statement

of the nature and purpose of said suit.

Said petition was filed on April 13, 1960, and is numbered 10750 on the docket of this court.

Therefore, you are required to appear at or before 10:00 o'clock, A.M., on the first Monday after the expiration of forty-two (42) days from the date of issue of this order, and show cause why the prayers of said petition should not be granted and the proceedings and the bonds validated and confirmed as therein prayed.

ISSUED THIS 14 day of April, 1960.

Aransas County

To the  
Voters of  
Aransas  
County

May 7th you go to the polls to vote for someone to be the first full-time Tax Assessor and Collector of this county.

When you voted last year to separate the Tax Assessor-Collector's office from that of the Sheriff's, by election this year, you had in mind electing someone to this newly created office who would render courteous and efficient service to everyone. It is my promise to you, if elected to this responsible office, to render that kind of service and at a minimum cost to all the Tax Payers.

My experience in public accounting and bookkeeping for the past 25 years, and my knowledge of all properties in this county, should qualify me to hold this very important office.

I am married, have three children, own my home in Rockport, and have lived in Aransas County for the past 15 years.

It was my intention to see each of you personally and discuss with you, my qualifications, but due to my temporary employment of six days a week on a construction project, it will be almost impossible to see everyone, however, if I do not see you between now and May 7th, I ask that you consider my qualifications and my pledge to you: if elected to the office of Tax Assessor-Collector of Aransas County.

### Senator Bill Fly Winds Up Hard-Hitting Election Campaign

Victoria, May 5.—State Senator William S. (Bill) Fly today brought his hard-hitting campaign for re-election to a rousing climax by asking the people of the 18th Senatorial District to "show those who would divide us that South Texas is not a fertile field for meanness."

Fly spent the last week of his campaign visiting every county in the 18th Senatorial District and Making a series of speeches on his senatorial service in the fields of education, agriculture, health, welfare, and finance.

"I am proud of my record as your senator and I am just as proud that I have conducted a clean, constructive campaign," Fly said.

Fly—frequently referred to as the watchdog of the state treasury—long has been an advocate of sound public spending and taxation policies.

"Our programs of health, education, welfare, and highways are growing and should continue to grow," Fly said.

"But the growth must be orderly. Particularly, we must find the means of financing these programs through sensible taxation."

Fly is a native of Victoria and a lifelong South Texan. He was graduated from the University of Texas Law School and served as a Navy pilot during World War II. He has engaged in the practice of law in Victoria since 1956.

### Does Anyone Know Anything About Mulberries?

Dan Kilgore, of Clarkwood, area historian, has uncovered a most interesting French manuscript, dealing with a landing by sailors on Live Oak Peninsula in 1720, or 240 years ago.

In this, Kilgore says, the statement is made that the Indians here used ropes made of mulberry bark.

He says: "Although I wasn't aware of it, I have discovered that there are a couple of species of mulberries native to South Texas. One is the Mexican mulberry and the other is the paper mulberry."

"I have located one of the latter here in Corpus Christi and I presume it is native. The way its bark strips, it might be used in making a rope."

"Can you tell me if there are any

native mulberry trees on Live Oak Point, and, if so, what species they are."

We are aware of only one mulberry here, that in the yard next to the Picton Lumber Company, but there may be others. If anyone knows of them, and will pass the information along to Jack Baughman, the news will be relayed to Mr. Kilgore, to help him in his research.

A representative of the Social Security Administration will be at the courthouse in Rockport on Thursday, May 12, at 9:00 a.m.

You may obtain information about your rights and duties under the Social Security Act. Eligible persons can secure assistance in applying for old-age, survivors, or disability insurance payments from the representative at that time.

## Patman's Campaign Has Been Deplorable

It is doubtful that there ever has been a political campaign so loaded with meanness and abuse as the one that has been waged across the 18th Senatorial District in recent weeks in a frantic attempt to defeat Bill Fly, a hard-working, conscientious public official.

There is no justification for such a campaign. But there are reasons, and those reasons are obvious. Bill Fly's opponent is an ambitious young man whose inexperience speaks louder than anything he might say in a constructive discussion. So, instead of speaking constructively, he had poured out torrents of accusations and abuse. These utterances attracted every ax-grinder and favor-seeker and free-spender against whom Bill Fly has held the line in behalf of the people of this district. They came like a swarm of locusts and joined in the cry.

The character of the campaign waged by Bill Fly's opponent had driven a deep wedge between the people of this Eighteenth Senatorial District. This situation cannot and must not continue. For the future of our area we must pull together. We must close the breach.

The time to start is Saturday. The place to start is at the polls. The way to start is by showing those who would divide us that such a campaign can never succeed in South Texas. There is more than a Senate seat at stake in this race. We must restore unity in this great district of ours. That, indeed, is more than ample reason to return Bill Fly to office as our state senator.

**THE BATTLE AGAINST  
RADICAL CONTROL  
OF YOUR STATE GOVERNMENT  
IS BEING FOUGHT  
RIGHT HERE**

This Eighteenth Senatorial District of ours is the battlefield. BILL FLY is the chief target of radicals and left-wingers everywhere in Texas. They know that if they can come into this district and get you to vote against BILL FLY and his constructive program they will have a rallying cry they can sound from one end of this state to the other.

Make no mistake about it. These people mean business. Right now the liberals need only four more seats in the Texas Senate to gain control and take this state on a free-spending hayride. There is no secret about their intentions. They intend to spend, spend, spend—and to pay the bill by heaping still higher taxes on your property and by saddling you with a personal state income tax.

BILL FLY has fought the good fight for you in Austin. Now it is your turn to fight for him and show these people we want no part of them or their kind of campaigning down here in South Texas.

BILL FLY has proved his honesty, his ability, and his forthrightness. As your Senator, he has faced every issue squarely and in the finest South Texas tradition. He has waged this campaign on the same high level. Look below at the factual comparison of BILL FLY's accomplishments and his opponent's campaign conversation. Look, too, at the comments by those people who have watched BILL FLY's work at close range. Then cast your vote for BILL FLY, the qualified candidate. You can count on BILL FLY for responsible government.

**BILL FLY OFFERS A SOUND, CONSTRUCTIVE RECORD**

**BILL FLY OFFERS FORTRIGHT, AGGRESSIVE ACTION.** He sponsored legislation providing for a basic study of the effectiveness of the program of education in our public schools, wrote the Texas water law of 1957, and sponsored the act that led to reorganization of the State Insurance Department.

**BILL FLY VOTES IN THE PEOPLE'S BEST INTEREST.** He supports, and has supported, higher salaries for school teachers, expansion of the teacher retirement program, larger appropriations for agriculture, and improvement of our state hospitals.

**BILL FLY OFFERS THIS DISTRICT THE KIND OF RECOGNITION THAT COUNTS.** He has served—and still serves—with distinction as chairman of the Senate Finance Committee and as a member of ten other Senate committees.

**BILL FLY OFFERS LEADERSHIP.** He is chairman of the Texas Commission on State and Local Tax Policy and of the Texas Educational Standards Commission.

**BILL FLY WORKS TIRELESSLY.** He served without pay on a research team that made an intensive study of advanced treatment for patients in mental hospitals in Illinois and Michigan. The result was an enlightened new program for Texas that offered new hope and useful lives to thousands of men and women.

**BILL FLY STANDS FIRM AGAINST RECKLESS SPENDING.** In Austin they call him the watchdog of the state treasury. It is one of the big reasons why Texans have not had a general sales tax and have not been saddled with a radical-inspired personal state income tax years ago.

**BILL FLY'S opponent, on the other hand, offers only extravagant plans for spending money.** He has not told you how he would get the funds to finance every program in sight and he has flatly refused to debate the issues of this race. He is so uninformed that he did not even know the length of the term of office he is seeking.

**WHAT THE PEOPLE OF  
TEXAS THINK OF BILL FLY**

"I will remember your help, suggestions, and guidance when the Gilmer-Aikin program was under consideration in the Legislature. You have continued as a friend and supporter of our public school education system . . ."

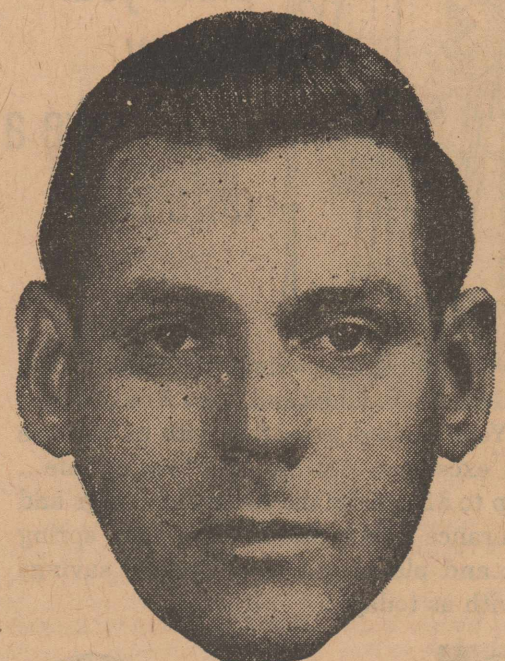

**CLAUDE GILMER**  
Co-Author of the

MRS. L. KARCHER, LaGrange, Texas

**'You can't miss' when you use  
Gladola Hard Wheat Flour,  
says Mrs. L. Karcher**

Flaky, pecan-filled "Sweetheart Crescents"—delicious enough to turn any man's head—have won the \$100 top prize for May in Gladola's yeast bread Baking-Recipe-of-the-Month contest.

The honored homemaker is Mrs. L. Karcher, Route 1, LaGrange, Texas. She is donating half her cash award to the Ladies Aid of Trinity Hill Lutheran Church in LaGrange.

**Depends on Gladola**

Mrs. Karcher is the wife of a semi-retired Lutheran minister. With one son, two daughters and nine grandchildren, she's been kept "mighty busy" through the years meeting a steady demand for her tempting yeast bread creations.

"I love to bake, especially with yeast," she says. "I don't consider myself a particularly good cook, but when you use a good recipe and Gladola Hard Wheat Flour you can't miss. I always use Gladola because I can depend on it."

**Tip to Teen-agers**

Mrs. Karcher hopes today's young women, while still in their teens, will learn the most important lesson of all in yeast bread baking—the right flour to start with.

"All-purpose flour has its place, of course, but not in yeast dough. You want dough with lots of 'life' to it—strong and springy. Smooth to the touch, too, not starchy and sticky. You can try and try, but you'll never get yeast dough like that with an all-purpose flour."

GLADIOLA SPECIAL  
HARD WHEAT FLOUR

**'Wonderfully Satisfying'**

"With Gladola Special, it's no trick at all. The way your dough performs in the oven, the way it holds that good yeast flavor, will always be a wonderfully satisfying experience."

"Speaking of teen-agers," Mrs. Karcher adds, "I hope we'll soon see one winning a \$100 prize in the Gladola recipe contest. It would make us grandmothers feel good to know that the new generation is discovering the fun of old-time yeast bread baking."

**11 CASH PRIZES EVERY MONTH**  
Here are easy contest rules

1. This monthly contest is Gladola's way of stimulating the exchange of good yeast bread recipe ideas between you and your neighbors here in the Home Baking Heart of Texas. Anyone may enter except employees (and their families) of Fant Milling Co., its affiliated companies and its advertising agency.
2. Write down your favorite yeast bread recipe using Gladola Special Hard Wheat Flour. List all ingredients, then explain briefly each step in the procedure.
3. Cut off the strip that says "Gladola Special Hard Wheat Flour" from the folder enclosed in every bag. Send it — with your recipe — to Glad Times, Sherman, Texas.
4. Send in as many yeast bread recipes as you wish. Mail each recipe in a separate envelope, enclosing a Gladola strip as explained in Rule No. 3.
5. Each month's recipes are judged separately, with an independent graduate home economist as the final judge. Recipes received in May will be eligible for prizes to be announced in August.
6. For the outstanding recipe received each month, Gladola will pay \$100. Half the prize money—\$50—goes to the winner. The remaining \$50 goes to the church of her choice as her special contribution.
7. Ten other yeast bread recipes will be chosen each month for \$10 Honorable Mention prizes.
8. All recipes submitted become the property of Fant Milling Company, Sherman, Texas, with full publication rights. Recipes cannot be returned.

- |                                                   |                            |
|---------------------------------------------------|----------------------------|
| 4 cups sifted Gladola Special<br>Hard Wheat Flour | 1/2 cup thick sour cream   |
| 1/2 teaspoon salt                                 | 1 teaspoon vanilla         |
| 1 cup margarine or butter                         | 1 cake compressed yeast or |
| 3 egg yolks                                       | 1 package active dry yeast |

Sift flour, measure and sift again with salt. Cut in margarine until the size of small peas. Combine egg yolks, sour cream and vanilla; add yeast and mix well. Add liquids to dry ingredients, stir to form a dough. Divide dough into 8 portions. On sugared surface, roll each into an 8-inch circle 1/8 inch thick. Cut into 8 wedges. Spread with Pecan Filling (below). Roll each wedge, starting with the wide edge. Place on greased baking sheet, point side down, form into a crescent. Bake (do not allow to rise) in a moderate oven (350°) 25 to 30 minutes until lightly browned. Makes 64 pastries.

**PECAN FILLING:** Beat 3 egg whites until stiff enough to form peaks. Stir in 1 cup sugar, 1/4 cup ground nutmeats and 1 teaspoon vanilla.

### "Bill Patman Caravan" Visits Rockport

A "Bill Patman Caravan" of over fifty people in fourteen cars made a whirlwind tour through towns in the 18th Senatorial District on Saturday, April 30th. The itinerary included stops at Tivoli, Refugio, Woodsboro, Sinton, Mathis, Edroy, Odem, Taft, Gregory, Aransas Pass, Rockport, and Port Lavaca, and covered approximately three-hundred miles.

As the "impressive Caravan" drove into towns, a loud speaker identified the group as "folks from Victoria and Jackson Counties, who have come here to tell you why we think Bill Patman would make an outstanding Senator for District 18."

Patman commented: "I am particularly proud of this wonderful tribute by my home-county and Victoria County friends, and feel it is especially impressive in that nearly every walk of life is represented. Here with me today are bankers, farmers, teachers, housewives and businessmen. I am proud and grateful to have such diversified support."

"I am for cost-of-living old age help, and believe we should invest our money in people's needs, instead of in \$3,000,000 palaces for State employees that have marble telephone booths and door fixtures that cost \$36.00 a piece."

"I am for attracting more business to Texas," Patman said. "I

pledge my whole-hearted support to the Texas Industrial Commission, whose project is to attract at least one new industry to every county in Texas every year."

"The tax question is, of course the most crucial one in the coming session of the Legislature. I am against the general sales tax, but because too many of our Senators in Austin are not looking for the right answers. They are looking for answers that will satisfy the lobbyists and put the burden on the people back home."

Patman commented to by-standers that he was making it a point to speak in nearly every town in the 18th District, in order to bring the real issues to the voters. He said: "The voters are entitled to hear the real issues, unobscured by a smoke-screen of mud-slinging and personal attacks. It will be my aim to let every voter hear my constructive platform, during the last week of this campaign."

### Rep John Young of Corpus Christi Gets \$100 Million Improvements For His District

IN HIS TWO terms—the second one is only one half over—Young had acquired, either by himself or by helping others, improvements for his 19-county district totaling nearly \$100 million.

These are hard capital improvements that will serve the people for half a century. Items include bridges, highways, reclamation projects, flood control dams, dredged harbors and straightened canals, armories and post office buildings.

The total does not include any of the varying and recurring government service or military spending in the district.

What you have is a pretty solid return on the tax dollars invested by the estimated half million people who live in the counties ranging from Comal to San Antonio.

How has he managed to siphon back so much of the tax money? Work, fellow delegation members say. He is labeled the hardest and most district-minded man on the delegation.

"The way I figure," Young says, "is to stay here and work during session, and when it ends go home and work."

The results of the program show.

It is fitting that Congressman John Young's picture should appear on the cover this year, because he has represented his district, including Refugio County, well in matters of waterways and water resources.

### NO STAMP—NO VOTE SAYS WILSON

A person who refuses to allow the election judge to stamp "Democrat" on his poll tax receipt will not be eligible to vote in the Democratic primary Saturday. Atty. Gen. Will Wilson ruled Monday.

An interpretation of the new law providing for stamping of the poll tax receipt to show party affiliation was requested by County Atty. Cecil M. Pruett of Hutchinson County. Pruett said various persons in his county had stated they were going to vote in the Democratic primary but would refuse to have their poll tax receipt stamped "Democrat."

Pruett raised the question whether there is a conflict between the party affiliation law and a statute providing a penalty of up to \$500 fine if an election judge refused to permit a voter to vote.

The attorney general's ruling held that it is mandatory that a voter allow the stamping of his poll tax receipt, exemption certificate or affidavit of loss. If the voter refuses to allow the stamping of party affiliation, the election judge would not be in viola-

tion of the law requiring him to let eligible voters vote, said Wilson.

# MAYNARD A. ROWAN

For  
**TAX  
ASSESSOR  
and  
COLLECTOR**

It has become imperative, due to the many questions asked during my campaign for the office of TAX ASSESSOR-COLLECTOR, to inform you of some of my qualifications.

I attended the University of Texas from 1929 to 1934.

Worked for the home office of a large Life Insurance Company and was promoted from file clerk to Assistant Manager of the Conservation and Renewal Department, to Manager of the Loan Department, given a college course in actuarial mathematics, then to sales.

Executive for a nation-wide Loan and Finance Company.

Assistant Civilian Chief-Clerk at Headquarters, San Antonio Air Service Command.

Selected to assist Major General McMullen in establishing the Third Air Service Area Command at MacDill Field, Tampa, Florida.

Commissioned and sent to Warner Robins Air Technical Service Command as Assistant Adjutant General and then Adjutant General with over 200 civilian office employees under my direct supervision.

Commanding Officer of a high priority Air Service Group attached to our First Jet Fighter Group.

During our fourteen years in Rockport we have built and operated a tourist court, owned and operated a trailer park, and have had the experience of owning and operating a shrimp boat.

My experience has been mostly in executive administrative, and personnel work and not only clerical. We now have some important and good clerks in the office. We need a TAX ASSESSOR-COLLECTOR who will properly administer the duties required, and prevent a recurrence of having to spend \$25,000.00 of OUR tax money to have someone else assess what should be done by YOUR Tax Assessor-Collector.

We SELECTED this county to be our home after having been over most of these United States, and with your permission and VOTE, I would appreciate remaining here among friends with my wife and children and being your TAX ASSESSOR-COLLECTOR.

## Women of Presbyterian Church Held Birthday Party

The Women of the First Presbyterian Church held their annual birthday party at the home of Mr. and Mrs. Volney Cavitt. Co-hostesses with Mrs. Cavitt were Mrs. Byron Bushart, Mrs. Ted Atwood, Mrs. S. F. Jackson, and Mrs. J. H. Schleider.

Guests were welcomed by Mrs. Ray Holley and Miss Lillian Fahr and directed to the guest book over which Mrs. O. W. Brymer presided.

Mrs. Cecil Lang led in prayer. Music was furnished by Joe Cavitt.

During the brief business session, new officers were presented. These are Mrs. A. L. Bachman, president; Mrs. O. W. Brymer, secretary; and Mrs. Pat Greene, historian.

Appointive chairmen included Mrs. Clifton Tidd, world missions; Mrs. Cecil Lang, spiritual growth; Mrs. Gene Byrd, general fund agencies; and Mrs. Charles Roe, Jr., Christian education.

These officers will be installed later in the year.

Refreshments were served from

a table covered with white de-mask, laid with gleaming silver, with a sparkling chrysal punch bowl at one end, a beautifully decorated cake at the other, and centered by a replica of the new building planned for Stillman College, the Presbyterian College for Negroes in Tuscaloosa, Alabama.

The 1966 birthday donation is to be used for construction of new dormitories, class rooms, offices, library, and laboratory for Stillman College. These needs were uniquely set forth in an interesting skit entitled "Space." Those taking part were Mrs. Pat Smith, Mrs. J. W. Ingersoll, Mrs. Gene Byrd, Mrs. James F. Jackson and Mrs. John E. Coats.

## Texas Democrats Are Urged to Vote

National Democratic Committeeman Byron Skelton today urged Texas Democrats to vote Saturday and attend their precinct convention to safeguard their opportunity of voting in November for Senator Lyndon Johnson for President.

Skelton said there are daily indications that Senator Johnson is moving out in front nationally.

"Support in an overwhelming majority of Texas' precincts will give Senator Johnson a tremendous boost nationally," Skelton said. "Texas represents a wide diversity of Democrats, including urban, rural, conservatives, moderates and liberals. Support of even modest majority of precincts representing this diversity would demonstrate Senator Johnson's wide vote-pulling appeal in the Presidential race."

"To vote for Senator Johnson for President in November, we must first secure his nomination," Skelton added. "Our Texas delegation must be dedicated Johnson supporters who will work energetically and unceasingly for his nomination."

"To make sure this is the kind of delegation we have, every individual Democratic voter of us should go to our precinct convention and urge support for Senator Johnson by resolution and instruction of delegates to the county conventions."

From the Johnson for President Headquarters in Austin, Executive Director Larry Blackmon reminded voters that the law this year is different. To attend the precinct convention the voter must first have voted in the primary. A stamped poll tax receipt or exemption certificate is the best evidence of having voted and should be presented at the precinct convention, Blackmon said.

## Letter of Thanks

Dear Residents of Aransas County:

I wish to thank the residents of Aransas County for the courteous manner in which they received me on the street and in their homes during the past few weeks. It has been an interesting and enjoyable experience to discuss the many subjects involved and to observe the great interest displayed in our local government.

I especially wish to thank the ladies who so graciously interrupted their many household duties to talk to me; the owners of business establishments who allowed my cards to be displayed, and the individuals who, through their efforts and influence, aided in my campaign for the office of TAX ASSESSOR-COLLECTOR of our county.

Much to my regret many of you were not at home when I called. If you found my card in your door it was put there by me.

Yours very truly,

## TSTA Holds Installation For Officers

The Aransas County Chapter of the Texas State Teachers' Association had their annual banquet and installation of officers in the high school cafeteria.

Special guests for the meeting were members of the Aransas County School Board and their wives. Superintendent J. D. Gray presented service pins to a number of the teachers and other school employees.

Those receiving pins for five years of service in Aransas County schools were Lula Clymore, Mrs. Hoover, Mrs. Anna Pritchett, Mrs. Mary Hippard, and Miss Marie Vidaurri, Mrs. Garvin Mitchell, Mrs. James Cruser, Mrs. Jack Horton, Glenn Martin, and Gerald Owens.

secretary; Mrs. Edna Snyder, treasurer.

Following the installation of officers, several musical numbers were presented by a ladies quartette, composed of Mrs. Yvonne Leonard, Miss Marie Vidaurri, Mrs. Shirley Browning, and Miss Jean Venable.

## MICHAEL EATON HONORED WITH BIRTHDAY PARTY

Michael Eric Eaton was honored with a party on his fourth birthday, Saturday, April 30, at the home of his parents.

After games were played and prized awarded, refreshments of cake, punch and ice cream were served to Mr. and Mrs. Johnny Wright and daughters, Patsy Jo, Wanda Carroll and Martha Nell; Mrs. Charles McLead and daughter Charlene; Mrs. Alton Evans and son Wade and daughter Bonifay; Mrs. Donnie Fields and daughters Cindy and Robin; Mrs. J. E. Fields and daughter, Alice Faye; and Mrs. Joe Hoehne, of Runge.

The birthday cake was made in the shape of a sailboat.

## Calvert Is Only Candidate With Court Experience

One of the important races to be decided in Saturday's election will be for Chief Justice of the Texas Supreme Court.

Associate Justice Robert W. Calvert of Hill County is one of the two candidates for this position.

Judge Calvert has been on the Supreme Court since 1950, and is the only member of the court who is a candidate to succeed the present chief justice, who is retiring, and is the only candidate for chief justice with Supreme Court experience.

"Judge Calvert has served with great distinction as associate justice for almost ten years," Gaynor Kendall of Austin, state campaign manager, said. "He therefore knows from actual experience the additional administrative duties which he must assume as chief justice, and he has demonstrated by his service with the other judges his ability to furnish the leadership the court requires."

## Mrs. Steele's Class Stages "Trip to Hawaii"

Concluding their study of our newest state, Mrs. Dean Steele's fifth graders staged "A Trip to Hawaii" at her home.

Each guest wore leis that they had made in class; the girls wore hula skirts and the boys were in colorful Hawaiian attire. Palm leaves and coconuts furnished the decorations.

The luau was greatly enjoyed by everyone present.

The table was centered with pineapples and coconuts on a bed of tropical flowers. Fish nets and fish were used to complete the table setting. Room mothers were all dressed in native dress.

Assisting Mrs. Steele were Mrs. Don Henderson, Mrs. C. E. Nickerson, Mrs. Roy Hinton, Mrs. Jerald Brundrett, Mrs. Jack Hagar, Mrs. W. C. Stevenson, and Mrs. Charles Roe, Jr.

## PUBLIC ASKED FOR VIEWS ON DOVE SEASON

Austin.—South Texans want a longer or a delayed dove season this year, according to Ben F. Vaughan, Jr., member of the Game and Fish Commission.

At the last meeting of the Commission in Austin, Mr. Vaughan pointed to conditions in South Texas during the past open seasons, and urged the Commission to suggest to the U. S. Fish and Wildlife Service that different dates be adopted.

Others present at the meeting said that North Texas also would be interested in an extension of the dove season.

As a result, Howard Dodgen, executive secretary of the Commission, said that a study would be made and facts presented to the Fish and Wildlife Service,

which finally sets the migratory bird seasons. Dodgen urged persons interested in both the North and South Texas zones to write their ideas to the Commission in Austin. He also is asking for a report which will be based on nest and bird counts.

Last season, North Zone hunters shot doves from Sept. 1 to Oct. 20. South Zone hunters had from Oct. 1 to Nov. 19, excepting in the whitewing territory, where the season closed Nov. 16, because they were permitted to kill mourning doves three days during the whitewing season in mid-September.

The bag limit last year on mourning doves was 10 per day and 20 in possession.

Harvard University was established at Cambridge, Mass., in 1636.

## Voters of Precinct 1 and 1-A

I have been your Commissioner for several years and in that time I have tried to discharge my duties to the best of my ability. Each year, each precinct has a set amount of money to spend, and I have tried to place the work where it would serve the most and not any one individual.

Again, I ask you for your support and vote in Saturday's election.
