Sign-Up Near For '65 Feed Grain Program

Farmers will have an opportunity to sign up in the 1965 Feed Grain program early in February, according to Louie Kitchens, chairman, Agricultural Stabilization and Conservation, Briscoe County Committee.

During the signup period, winter wheat producers who signed up in the wheat program last fall may change their intentions, except that in winter wheat areas growers may not overproduce wheat and store it under bond unless they

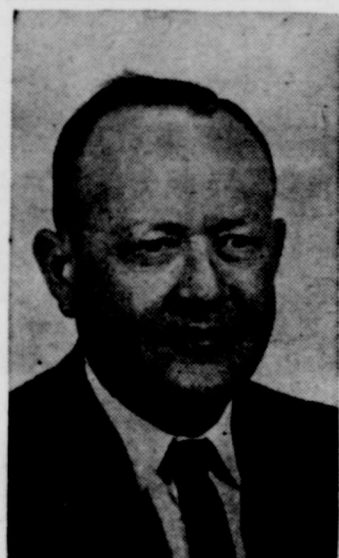

stated their intentions to do this at the time of the signup last fall. As in previous years, the Chairman explained, the feed grain program will be voluntary and each operator of farms growing one of the three feed grains covered by the program will make his own

decision about whether to take part. The program is available for corn, grain sorghum and barley.

Farmers who participate in the program will be eligible for diversion and price-support payments, and for price support loans on their entire 1965 production of the three grains. The price support payments will be made to participants whether the feed grain produced in 1965 is fed on the farm, sold, or placed under a price-support loan.

To take part in the feed grain program, the farmer will agree to take out of production and devote to an approved conservation use at least 20 percent of the total feed grain base. Maximum diversion is 50 percent of the base or 25 acres if this is larger. The reduction may be on any of the three acreages, and the diversion payment will be based on the crop diverted.

Diversion payments, if less than 40 percent of the base is actually diverted, will be made at one-fifth of the county support rate on the normal production for the first 20 percent diversion, and at one-half the support rate for the remaining percentage. If 40 percent or more of the base is diverted for payment, the higher rate will apply to all the acreage diverted.

HORACE M. LONG

Long Appointed To Represent Salvation Army

Horace M. Long of Amarillo has been appointed Service Unit field representative for Region V of the Salvation Army, replacing Gilbert L. Muddell, Jr., also of Amarillo. Mr. Muddell has been promoted to area supervisor, according to Dan Eddy of Dallas, Service Unit director for the Texas Division of the Salvation Army.

Both Mr. Long and Mr. Muddell will continue to make their homes in Amarillo, headquarters for Region V. The Texas Panhandle will be Mr. Long's territory, while Mr. Muddell will supervise Service Units from Ranger to El Paso, and from Dalhart to Mexico.

Mr. Long was stationed in Amarillo with the USAF Base Exchange from 1943 to 1964. Before his employment by the Salvation Army he was, for a time, Texas Highway Supervisor.

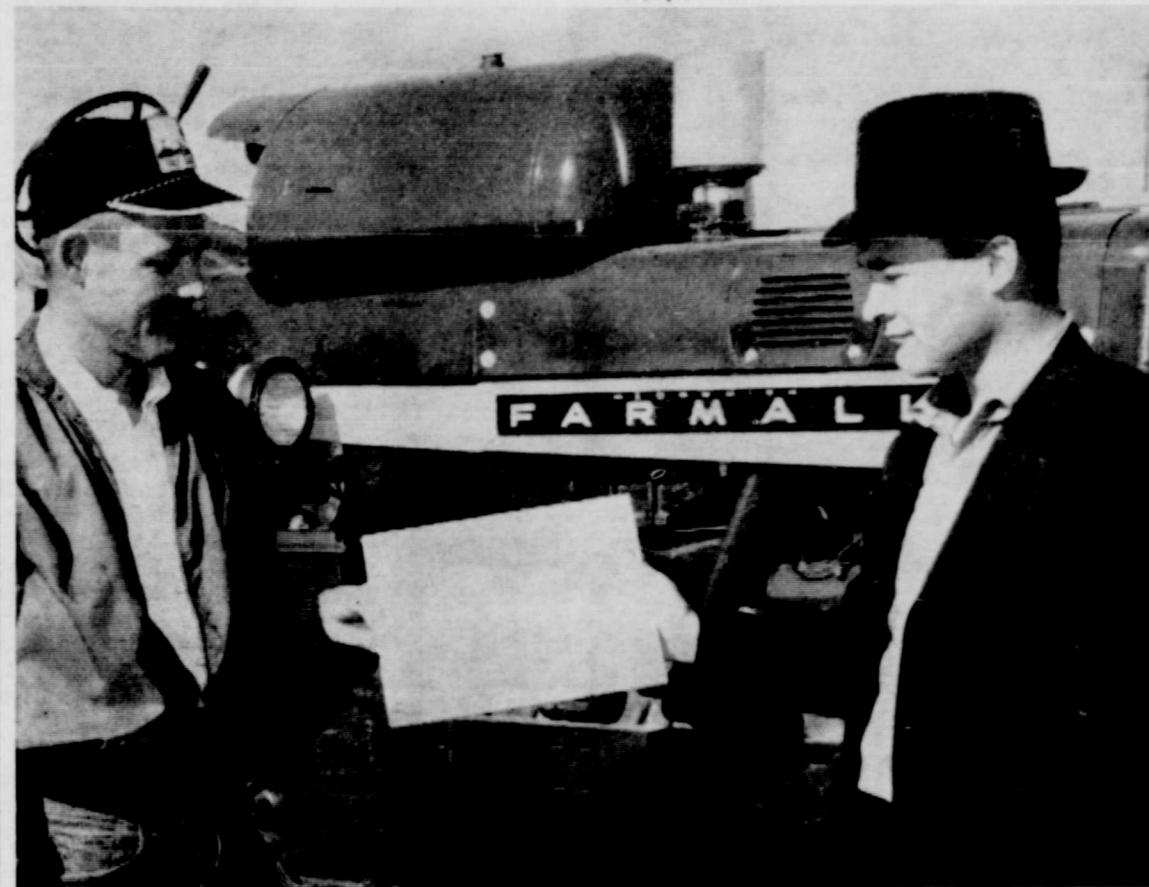

Deadline Nears For Filing Price-Support Applications

The Agricultural Stabilization and Conservation Service County Office has reminded farmers that the deadlines are drawing close for filing applications for price support on a number of 1964 crops. An approved application entitles a producer to receive price support through loans or purchases of the commodity by the Commodity Credit Corporation.

Chairman Louie Kitchens of the ASC County Committee said that January 31 is the official final date, but since January 31 falls on a Sunday, the effective deadline will be February 1, 1965. Crops include barley, corn, grain sorghum, oats, rye, soybeans and wheat.

Piano Recital Will Be Sunday Afternoon

The piano students of Mrs. J. E. Jowell will be presented in recital at 3:30 p.m. Sunday in the Silverton Methodist Church. All friends and relatives of the students are invited to attend.

Lubbock Youth Hurt In Fall Near Here

A 12-year-old Latin American boy, Baldo Gil Cortez, son of Mr. and Mrs. B. P. Cortez of Lubbock, was rushed to Lubbock's Methodist Hospital late Saturday afternoon after suffering head injuries and lacerations about 4:00 p.m. at Haynes Boy Scout Camp east of Silverton. The boy was injured when an embankment gave way, plunging him into a dry creek bed.

Cortez, attending a Scout outing at the camp, was standing about 10 or 12 feet behind the ledge when it caved in, according to O. C. Maples who accompanied the ambulance to the scene.

Dr. Robert Muckleroy, called to the Scout camp shortly after the accident, reported that he was aided by several Scouts in carrying the injured youth to the ambulance on a stretcher. "It took us almost an hour to get him back down," the doctor said.

Brucellosis Testing Starting Again

County Agent Leon Grosdidier has received notification that testing to recertify Briscoe County as a Type II Brucellosis Control Area will be started soon. This testing must be completed before June 22, 1965 for the county to retain its control area designation.

All herds that contained reactors or suspects in the original test must be tested in this recertification program.

There will be only one man drawing the blood samples, so it may be some time before some herds are reached. It is important that all cattle owners support this effort to free Texas of brucellosis and give the program officials their cooperation.

Approximately 65 herds are to be tested in Briscoe County in 1965.

The Rock Creek Club met Tuesday, January 19, in the home of Mildred McDaniel and spent the day quilting. Attending were Verma Allison, Ruby McWatters, Margie Turner, Annie Breedlove, Grace Bruton, Ruby Garvin, Florence Fitzgerald, Ruth West, Margaret Frizzell, Marie Garrison, Juanita Stephens, Nena Loudermilk and Elaine LaBaume. The next club meeting will be on Tuesday, February 2, in the home of Ruby McWatters.

Riding Club Elects New Officers

Silverton Riding Club met on Thursday, January 21, in the Production Credit community room and elected new officers.

Jim Brooks was re-elected as president; Shafe Tipton is the new vice president; Mrs. Shafe Tipton is secretary; Mrs. Bryant Eddleman is reporter; Linda Scott is queen; Jack Loudermilk is parade marshal; and Glen Lindsey, Norman Strange, Eddie Edwards and Bryant Eddleman are directors.

A chicken supper was enjoyed. If anyone is interested in joining the riding club, please contact a member of the club or be at the next meeting which will be the third Monday night in February.

Of the 523 hogs entered, there were 75 Poland Chinas, 31 Spotted Poland Chinas, 140 Durocs, 141 Hampshires, 37 Chester Whites, 23 Berkshires and 58 cross breeds.

Friday Is Round-Up Day For Next Year's First Grade Pupils

Scholastic census is being taken during the month of January covering children born on or after September 1, 1947 to August 31, 1949.

If your family has not been contacted and asked to fill out the census report, please contact the school office before January 31, 1965.

Children (all races) who will be starting to school in September, 1965 are invited to come to school Friday, January 29, for a "Round-up Day." Parents are asked to report to the first grade rooms at 12:30 p.m. that day to pick up the children and be given advice as to getting the children ready to begin school in September.

The students in the first grade this year will not come to school on January 29, said Superintendent J. S. Hinds.

All parents who have birth certificates for next year's beginners should bring them along when you come to get the children at 12:30. If you do not have a birth certificate, begin now, in order that it may be presented when the child enters next September.

A child must be six years of age before September 1, 1965, in order to enter school on that date.

Mr. and Mrs. Jon LaBaume were in Knox City to assist his brother, Mr. and Mrs. Don LaBaume and Randall, in moving to Stephenville over the weekend. They visited other relatives while in Stephenville.

REMOVE WARTS!

Amazing Compound Dissolves Common Warts Away

Without Cutting or Burning
Doctors warn picking or scratching at warts may cause bleeding, spreading. Now amazing Compound W* penetrates into warts, destroys their cells, actually melts warts away without cutting or burning. Painless, colorless Compound W, used as directed, removes common warts safely, effectively, leaves no ugly scars.

Shrinks Hemorrhoids Without Surgery Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.

COMMUNICATIONS Your Tool for Progress

Old Mother Hubbard never had it so good

A bare cupboard in her day posed quite a problem. But the modern homemaker has many advantages — wonderful food stores, fast transportation, and communications. Food stores in several towns we serve use modern communications to help housewives shop and to increase food sales. They record daily specials on our ELECTRONIC SECRETARY® phone answering unit. A shopper telephones and receives the list of specials automatically through electronics. For full information about how our many communications services can be your Tool for Progress, please call our Business Office.

GREG TOWE and MARTHA MILLS
Elected Most Athletic Boy and Girl of S.H.S.

GREG TOWE, MARTHA MILLS ELECTED MOST ATHLETIC IN SILVERTON HIGH

Two weeks ago each class nominated a boy and girl for Most Athletic. Margaret Minyard and Martha Mills were nominated by the classes, and Greg Towe received the nomination of all four classes, being unanimously elected.

The Singing Owlets

As Coach Thornburg walked into the girls' dressing room preceding their Springlake game, he asked them how they felt. Mert said, "I Feel Fine," but in the background Jeanne was overheard to say, "I'm Going Out Of My Head" to which Tena replied "Amen."

As the referee's whistle blew to start the game, the girls asked, "What Now?" In reply the coach said, "Do What You Do, Do Well." Upon being fouled, Donna began to wonder if the referee was a "Blind Man." The coach told Donna to "Walk Away" and "Smile."

At the end of the first quarter Pat told the coach she was guarding the "Jolly Green Giant." The coach said, "Pretend You Don't See Her" to which Pat answered, "There's Always Something There To Remind Me."

After Brenda was knocked down in the second quarter she asked Margaret to "Come See About Me." Margaret replied, "I Can't Stop" now but "I'll Be There." She told Brenda she'd be okay, but Brenda said, "Sometimes I Wonder."

During the half the coach told his girls, "Hold What You've Got" but "Time Is On My Side." As play resumed, Ruth Ann was fouled by "Guess Who?" Ruth Ann sobbed "I'm Gonna Be Strong" but the coach called her to the bench and put Dianne in, telling her to "Run, Run, Run!"

There was one minute on the clock as the coach yelled, "Use Your Head," girls, "Do It Right!" As Donna sank a long shot, the team was behind her with just "One More Time" and we can "Live It Up," "Right Or Wrong?" "It's All Over" now, but don't feel badly because "Everything's Alright."

From Kathy

We, as students, are now on the stepping stones of life. Even though some are just freshmen, it will not be long until we are beginning a life for ourselves. Now is the time when we should begin thinking about this life and how to prepare for it. We should decide now what course we want to take and what occupation we wish to follow.

Twelve years ago we didn't think much about what we would do after we were seniors. During the elementary and junior high years, we thought only about how nice it would be not to have to study. This is true even today, but we have also begun to think about what is to happen to us after our high school years. Many of us plan to attend college or some other institution where we might obtain training for the field in which we are interested. Many girls will be getting married. The finishing of high school is just the start in our preparation for life. Many students believe that this is all that is needed. It is a proven fact, however, that a college graduate earns much more than does a high school graduate.

We are just now beginning our own lives. In the past we have had someone to push and pull for us, but now we will be responsible for our lives. If we fail we will have done it to ourselves. We will have no one to lay the blame on. This can be a wonderful life if we do our best to make it one. Why not begin now.

Lynn: What's the car of tomorrow going to look like?
Dwin: All I wonder is what my car payment of tomorrow is going to look like.

Student Council News

The Student Council discussed the election of next year's Student Council officers. It was decided to have the election on February 17.

The Council also discussed the plans for TWIRP Week. It was decided that no Dating Licenses would be required this year, and an all-school party will be held February 11 in the gym.

The Student Council urges anyone who would give the next A.F.S. student a home to make application now.

One of the earliest methods of memory training was devised by the Greek poet Simonides. According to his plan, the mind was imagined as forming a building divided and subdivided into parts; mental pictures of things committed to memory were to be imaginatively placed in the different parts of the building. From this system is said to have come the phrases, "In the first place," "In the second place," etc.

THE AWFUL (GOOD) COMMA!

Does a comma make a difference? Try reading aloud the following paragraph, pausing for single commas only.

"He was an old and experienced man, in vice and wickedness," he was never found, in opposing the works of iniquity, he strives hard, to build up Satan's kingdom, he lends no aid, to the support of the Gospel, he contributes largely, to the evil adversary, he pays no attention, to good advice, he pays great heed, to the Devil, he will never go, to Heaven, he must go, where he will receive his just reward."

Now go back and read it again pausing for double commas only.

CAMELLIA COMER IS THE BETTY CROCKER HOMEMAKER OF TOMORROW

Camellia Comer has been named Silverton's 1965 Betty Crocker Homemaker of Tomorrow. She scored highest on a written home-making examination taken by the Senior girls on December 1, and is now eligible for state and national honors.

Test papers of all the school Homemakers of Tomorrow in the state are currently being judged. The state's highest-ranking girl

will receive a \$1,500 scholarship from General Mills, Inc., sponsor of the annual Betty Crocker Search for the American Homemaker of Tomorrow, with the state runner-up awarded a \$500 educational grant.

In addition, the school of the State Homemaker of Tomorrow will receive a complete set of the Encyclopaedia Britannica from Encyclopaedia Britannica, Inc.

Seniors of the Week

DIANNE DAVIS

Dianne Davis is a blue-eyed, brown-haired senior. She stands 5'5" tall and likes to travel. Her favorite food is broiled steak. Dianne plans to attend West Texas State University, where she plans to major in business.

Dianne is a four-year member of the Pep Squad and of the Future Homemakers of America. In F.H.A. she was parliamentary her sophomore year, reporter her junior year, and is vice president this year. She has been historian of the Future Teachers of America since its organization during her sophomore year. She has been a member of the National Honor Society since her sophomore year, serving as secretary her junior year and president this year. Dianne is also president of the Future Business Leaders of America this year. She has been in F.B.L.A. since 1962.

Her freshman year, Dianne was a member of the Choral Club, and that same year she received a National Education Development Test certificate. She was a reporter for the OWL'S HOOT and a candidate for Student of the Month of February her junior year. Dianne entered the district competition in Interscholastic League Typing her sophomore year and has been on the honor roll all four years.

Dianne has actively participated in basketball and in 4-H Club work for four years. In 4-H she was secretary of both the County Council and her club her freshman year. She was County Chairman, reporter for her club and Gold Star girl her sophomore year. She was reporter for the County-Wide 4-H Club her junior year and is reporter for the County Council this year.

This year, Dianne was chosen by the faculty to be Personality Queen and D.A.R. Girl. Last summer, she attended a Citizenship Seminar sponsored by the Farm Bureau. She was nominated for Friendliest Girl this year.

JOE BOB WATSON

Joe Bob Watson is a brown-eyed, brown-haired 5'8" senior who enjoys eating roast beef and working. He was born May 2, 1947, and plans to attend college to major in agriculture.

Joe Bob has been an active member of the Future Farmers of America for four years. His freshman and sophomore years, he earned a trip to the National Convention in Kansas City. He took part in both the State Land Judging Contest and the National Land Judging Contest his junior year. He was F. F. A. reporter his junior year and is treasurer this year.

Junior Play Is To Be January 30

The Junior Class of Silverton High School will present a three act mystery, "Somebody Screamed," Saturday, January 30, at 7 p.m. in the school auditorium.

The cast of characters is: Orlin Grabbe as Bryan Williams, an active boy about 15 or 16, who is interested in everything. Ronnie Drewry plays Jack Douglas, Bryan's friend, though a bit more sluggish and inactive.

Elaine Boyles as Mrs. Erma Douglas, Jack's mother, a bright competent woman of middle-age. Linda Fisch plays Aunt Hilma Douglas, Jack's fluttery, nervous elderly aunt who behaves girlishly.

Paula Turner as Miss Delaney, the severe proprietor of the Delaney Tourist Home.

Ruth Ann Minyard plays Maxine Kline, a pretty 16-year-old whose usual good nature is eclipsed by fear.

Johnny McGavock portrays Maxine's younger brother, Paul Kline. Joe Self plays Edward Elliot, Paul and Maxine's well-dressed middle-aged uncle, who is charming when he wants to be.

Nena McDaniel as Dawn Adams, a rather timid soul in her early twenties, nice looking and well-groomed.

Darrell Long plays Dawn's young husband, Hank Adams, handsome and happy-go-lucky, on the surface, at least.

Monty Smith plays The Stranger, a ghost who speaks in a low voice.

An evening of entertainment is promised if you attend this exciting and ghostly play. Admission is 75 cents for adults and 50 cents for children. All proceeds will be used for the annual Junior Senior Banquet.

the National Honor Society. He has been, since his sophomore year, a member of the Future Business Leaders of America.

Rocky has been on the honor roll his freshman, junior and senior years. During his sophomore year he was a reporter for the OWL'S HOOT. He was a member of the One-Act Play cast his junior year. In Interscholastic League competition, Rocky placed second and third in math as a freshman.

Rocky is reporter for the S.H.S. this year. He has been a member since his sophomore year, and played basketball and football for four years. He has run track for three years.

Rocky was elected to Who's Who his freshman year and again his junior year. He was a candidate for Best Dressed Boy his freshman year.

These four seniors will be honor graduates of Silverton High School. One of the four will be valedictorian of the graduating class.

ART BY STEPHENS, BIONDI, DE CICCIO

DON'T YOU READ BEFORE YOU BUY?

And don't you sometimes re-read, study, compare, figure, clip, save, and show to friends? When you're on the brink of buying, aren't you hungry for facts, features, dimensions, styles, colors, capacities, prices?

Print advertising puts people who are close to a purchase close to the kind of information they demand. Newspapers, magazines and brochures let them linger with your message for as long as they like.

Print imparts important details, allows for colorful presentations, makes lasting impressions, takes people straight to the point-of purchase. If you've something to sell, it will pay you to promote it reg-

ularly in print—where ready-to-buy people can keep their eyes on it, get their hands on it, make the most of it. Print makes *sense* because print makes *sales*.

CARDS OF THANKS

My appreciation and thanks to
everyone for the kindness shown
me during my recent stay in the
hospital. For all the gifts, cards
and flowers and especially do I
thank you for the kind deeds
shown my family with food and
kind words at this time and again
during our bereavement at the
passing of Elbert's mother. Thank
you for all this and the prayers.
May God bless each one of you.
Juanita Stephens

Thank you for all the flowers,
cards and help during the time I
have been in the hospital and at
home. Your friendship and kind-
ness are appreciated more than
words can express.
Kenneth Garvin

Words are inadequate to express
my thanks and appreciation for the
cards, gifts, and mostly the visits
during my stay in the hospital.
Especially do I thank the boys
who took me to the hospital and
Dr. Muckleroy who was so kind
and so much help during the time.
My deepest thanks again.
Jerry Stephens
