Dates Are Set For Chest X-ray

Dates have been set for another Chest X-ray Survey in Tahoka and O'Donnell as a result of a meeting held in the Municipal Building here Wednesday.

X-rays will be made in Tahoka on November 26 from 12:00 a. m. to 5 p. m. and on Nov. 27 from 8:30 a. m. to 5:30 p. m. according to Dr. Emil Prohl, local practitioner.

In O'Donnell the X-rays will be made on Nov. 30 from 8:30 a. m. until 5:30 p. m. Place for the tests has not yet been decided for either town.

Mr. Phillip Geuss, field representative for the Texas State Department of Health talked to about 20 citizens from various organizations and communities at the meeting. He said that the survey wants a minimum of 1000 people from 15 years and up each day to have their X-rays made. About four people per minute can be handled.

Dr. Prohl stated that the X-ray is intended for preventive measures in tuberculosis, lung infections, lung cancer, and certain heart diseases.

He pointed out that in last year's survey two lung tumors were discovered and have been corrected as a result.

Tuberculosis cost the taxpayer from \$7,000 to \$44,000 per patient, Dr. Prohl said, besides endangering others with the disease.

Persons of all races over 15 years of age are qualified to take the X-ray and the person does not have to undress to have the picture made.

A committee, headed by A. M. Bray of Tahoka as chairman, was selected to organize the campaign, to publicize it, and finally to get the public to take advantage of the survey.

John Ellis of O'Donnell is the vice chairman. Other members, which later more will be added, are Mrs. G. M. Stewart of Tahoka, Mrs. Luther Thomas, of Grassland, Mrs. Loyd McCormick, New Home, Mrs. Howard Cook, Wilson, and Mrs. Koninger, O'Donnell.

Every effort will be made, to make the campaign a success and everyone that can will be urged to have their chest X-rays made.

R. P. Drennon Buried Friday

R. P. Drennon, former minister of the Tahoka Church of Christ, died Wednesday of last week in Ft. Sumner, N. M., after a long illness with cancer of the stomach.

Bro. Drennon served as minister of the local church four or five years, and also served the O'Donnell Church for a year or two before going to New Mexico, where he served as minister of the Melrose and Fort Sumner churches. He had a host of friends wherever he went both in his own Church and among the people of other denominations.

Funeral services were held in the Melrose Church of Christ last Thursday, with Dean Brookshire of Dallas, formerly of Plainview and Lubbock, officiating. Burial was in Abilene on Friday.

Survivors include his wife; one son, Robert Drennon, of 3001 South Eighth, Abilene; one daughter, Martha, also of Abilene, whose last name The News was unable to obtain; and four grandchildren.

HOOD COUNTY REUNION WILL BE SUNDAY

Hood County Reunion will meet in the Mackenzie State Park in Lubbock, Sunday Sept. 26, near the barbecue pit. J. G. Hufsteler, president; Mrs. Mike Peverly secretary.

Lawrence Harvick is recovering from a case of pneumonia, and has been in Tahoka Hospital since Monday.

George Short, who recently underwent major surgery, continues to improve nicely.

Tahoka, O'Donnell Meet Here Tonight

Tahoka Bulldogs play host to the O'Donnell Eagles tonight at 8:00 on Kelley Field, the annual football battle in which past records of the two teams mean little.

Regardless of who wins, the game is more likely than not to be a very interesting affair. Bands of the two towns will put on a colorful half-time show.

Last week Tahoka won over Denver City 32 to 6, after having dropped its opener here to powerful Littlefield 28 to 13. Next week the Bulldogs entertain a strong Crane team, and then journey on successive week ends to Seminole and Brownfield before entering conference play.

O'Donnell lost its opener to Petersburg 26 to 0, and last Friday showed much improvement but still lost to the Post Antelope 33 to 7.

Coach Ed Robertson has a small crew at O'Donnell this year, but among them are some fine ball players.

Harold Sanders, 175-pound full back, is one of the better ball carriers of this area, and Wayne Mott, 140-pound tailback in the O'Donnell T-wing formation, is a speed-demon who can show his heels to nearly anyone when he gets in the open. The other backs do not seem to be so potent, but the Eagles have a pretty fair first string line.

Other starters include: Gerald Barton, 155, quarterback; Charles Gass, 135, wingback; Carl Jones, 145, center; Travis Pearce, 185, and Junior Decker, 145, guards; Bobby Sumrow, 150, and John Sprayberry, 160, tackles; and Johnny McLaurin, 160, and Coleman Baker, 155, ends.

Tahoka won over the Eagles 44 to 7 last year, and the visitors may be depended on to seek revenge tonight over the favored Bulldogs.

W. H. Musick Death Victim

W. H. Musick, 32, died in Tahoka Hospital at 2:00 p. m. last Friday from a combination of ailments. He entered the hospital a few days before his death with pneumonia, developed a kidney trouble, and other ailments.

Funeral services were conducted Sunday at 4:00 p. m. in the Assembly of God Church, with Rev. Henry C. Lonis of O'Donnell officiating. Burial was in Tahoka Cemetery under direction of the Stanley-Jones Funeral Home.

William Husterfer "H" Musick was born at Sulphur, Okla., on March 3, 1922. He came to Lynn county in 1934, and was married at Grassland April 20, 1946, to Miss Eva Dell Davis. He was a concrete contractor by trade.

Survivors include his wife; his mother, Mrs. E. O. Musick of Tahoka; a brother, R. W. of Baldwin ark, Calif.; three sisters, Mrs. Reba Evans of Salem, Ore., and Mrs. Lola Brown and Mrs. Zenobia Tuckness, both of Baldwin Park, Calif.

Cotton And Wheat Only Allotments

Word has been received at the Lynn County ACA office, according to Dee Green, that total allotments will not be established for 1955 crops.

This means that farmers in Lynn county will have allotments for cotton and wheat only.

Other crops such as grain sorghums, oats, barley, rye, etc., will not be affected by allotments and may be planted as desired.

Vaughn Steele, 11, son of Mr. and Mrs. Clarence Steele, underwent an appendectomy Tuesday at Tahoka Hospital.

Employment Man Stationed Here

Texas Employment Commission announces that J. C. Hoover of Amherst has been employed to work during the fall harvest with farmers and farm crews in Lynn county. He established an office in the east side of the court house basement Thursday of last week, Dayton Carrell, manager of the Lamesa TEC office states.

Farmers, crew leaders, and individual farm workers are urged to make their needs known to Mr. Hoover. He will take orders for workers and refer workers to employers. He will also refer crews to farmers in northwest Borden county.

Another Cub Meet Called

Formation of a Cub Scout Pack will be completed next Tuesday night at a meeting at Scout Hall to which all boys 8 to 11 years of age, together with their parents, are invited.

Fifteen boys and a number of adults attended the organization meeting Monday night in WOW Hall. The organization was sponsored by the Down Town Men's Sunday School Class, with Mitchell Williams heading the organization committee. Curt Wilcox of Lamesa, District Boy Scout Executive, met with the group.

E. M. Graham was named the Cub Master, and the Down Town Class the sponsoring agent. Clint Walker is the institutional representative, and the Cub Pack Committee is composed of A. C. Weaver, Roger Bell, Wynne Collier, Maldon Leslie, and H. W. Carter.

All these men, together with all boys interested, are requested to attend next Tuesday night's meeting. This is the membership sign-up meeting, and it will also be necessary for mothers and dads of the boys to attend with them to sign membership blanks. The Cub Pack will also need some Den Mothers, Mr. Williams says.

New Deputy Sheriff Named For Wilson

Chas. J. Bullock is the new deputy sheriff at Wilson. Sheriff Norvell Redwine announces this week.

Mr. Bullock is from Levelland, and is a former sheriff of Hockley county. He has moved his family consisting of his wife and three sons to Wilson.

The new deputy went on the job Sept. 9, but he was officially appointed by the Commissioners Court last Friday.

Cotton Harvest Gains Impetus

Although not in full swing yet, cotton harvest has picked up considerably during the past week.

Five Tahoka gins reported a total of 691 bales had been ginned to noon Thursday, or 586 bales during the past seven days. Staple is unusually good, and much of the cotton is bringing 32 cents or more. Cottonseed, however, went down \$3.00 Wednesday, and now is selling for \$58.00 a ton.

More hands are arriving, cotton is beginning to open rapidly, and the season will be in full swing soon.

Rev. Heckmann Leaving Wilson

Rev. P. W. Heckmann, pastor of St. Paul's Lutheran Church of Wilson for the past seven years, next week will become the new pastor of Redeemer Lutheran Church of Odessa.

He will preach his farewell sermon at Wilson this Sunday, and will be inducted as the new pastor at Odessa on Sunday, Oct. 3. Reverend Heckmann says he is leaving Wilson with a great deal of regret, but that "he feels he has a greater opportunity for service at the larger church and field in Odessa."

The Pastor has done a fine work at Wilson, and a new \$60,000 building, one of the most beautiful small church edifices on the South Plains, was completed last year. The Odessa church is somewhat larger, and only has an Army barracks for a meeting place but offers a field for work and service.

Rev. and Mrs. Heckmann have three children, Judith, 7, Kenneth, 5, and Don, 2. He was born at Abilene, reared at Riesel, and attended, in succession, Concordia College of Austin, St. John's College of Winfield, Kan., and Concordia Seminary of St. Louis before becoming pastor at Wilson seven years ago.

Mary Jane McCord, 11, daughter of Mr. and Mrs. Rollin McCord, underwent an appendectomy at Tahoka Hospital Wednesday.

Traffic Signs Installed Here

Several new "stop" signs are being installed in the residence area of Tahoka as protection to school children and others, Police Chief Roy Hefner states.

He says people of the town have been very cooperative in the past and is sure most citizens will cooperate by observing these newly installed "stops."

Already installed are signs at the following intersections, all on streets near the schools.

A three-way sign at North Second and Taylor (O). Yield right-of-way sign at North Second and Wells (Q).

Stop sign at Lockwood and Taylor (O).

Stop sign at Lockwood and Kelsey (L).

Two yield right-of-way signs at South First and Kelsey (L). Others which will be installed in the near future are: Stop signs at North Second and Main, North Fourth and Main, and North Sixth and Main.

Fall Fatal To Lindsey Child

Little Minnie Ann Lindsey, age nine months, daughter of Mr. and Mrs. V. H. Lindsey of Brownwood, formerly of Tahoka, died about an hour after falling from a bed at Abilene last Thursday noon.

The baby's parents and grandmother, Mrs. Minnie Lindsey of Tahoka, were at Abilene by reason of the death Tuesday at 5 a. m. of Gordon Griffin, 52, whose funeral was held at that city Thursday afternoon with burial following in Tahoka Cemetery that afternoon.

The baby was on a bed at the home of Mrs. V. H. Lindsey's mother, Mrs. Laura Hill. While the adults were in another room, Minnie Ann fell from the bed, and suffered a skull fracture. She was rushed to a Lubbock hospital, where she was pronounced dead at about 1 or 1:30 p. m.

Funeral services were held at the First Baptist Church of Tahoka, with Rev. Clifford Harris officiating, at 3 p. m. Friday. Burial was in Tahoka Cemetery under direction of Stanley-Jones Funeral Home.

The parents left here about six years ago, but have been returning often to visit his mother, the namesake of the child.

Other survivors include two sisters, Mary Karen, 7, and Alice, 5; three brothers, Tommy, 4, H. P., 3, and Joe, 2.

Virgil Phipps Has First Yoakum Bale

Virgil Phipps, former Lynn county citizen now farming six miles west of Denver City, recently gained the first Yoakum county bale of cotton for 1954, and received a total of \$73.10 for it.

The bale weighed 485 pounds, sold for 41 cents a pound, was given a 5 cent bonus, and Denver City Lions Club raised a \$750.00 premium for the first bale.

Virgil is a brother of Buster Phipps of Wells. His parents are Mr. and Mrs. D. G. Phipps, now of San Antonio.

Congratulations:

Mr. and Mrs. J. R. Fillingim on the birth of a son weighing 9 pounds 4 ounces at 7:28 p. m. Sunday in Tahoka Hospital. Name Andy Bill.

Bryan Dunagan and wife of Dallas visited here Sunday and Monday with his uncle and aunt, Judge and Mrs. A. L. Dunagan.

Crowds were small and the exhibits were fewer than expected, but the quality of products shown was tops at the Lynn County Fair held here Wednesday and Thursday of this week.

Although there was never an unusually large crowd at the fair grounds, there was a steady stream of visitors, and all seemed amazed by the exhibits. Many of the entries will be carried to the Panhandle-South Plains Fair in Lubbock next week.

Judging was done Wednesday by O. L. Liner, county agent of Hale county, beef and swine; Miss Clara Pratt, Lubbock Home Demonstration agent; Miss Jessie Pierce, Garza Home Demonstration agent; and Miss Edith Hughes, Borden Home Demonstration agent.

Dixie took first place with its community exhibit of farm and garden products, while Joe Stokes was a close second with its exhibit.

Beef Cattle
Clarence Church of Wilson showed the grand champion bull, a Hereford; and V. P. Carter of Tahoka showed the champion female, also a Hereford.

Church was first with a cow over three years old, second with a female under two and over one, first with a female under one, and first with a male under two and over one.

Carter was first with his female under two and over one, and first with his male under one.

G. W. Duckett Is Buried At Slaton

George M. Duckett, 78, former Tahoka farmer, died at his home in Slaton Thursday of last week following an illness of eight months.

Mr. Duckett was known well in Lynn county, having farmed six and a half miles east a mile north of Tahoka from 1925 until 1944, when he retired and moved to Slaton.

He was born in Birmingham, Ala., Jan. 19, 1876, and came to Texas at the age of 14. He was married to Matilda Caroline Lett 58 years ago.

Funeral services were held Friday at 4:30 p. m. in Westview Baptist Church, Slaton, with Rev. Bryan Ross pastor, officiating, and burial followed in Englewood cemetery.

Survivors include the wife; four sons, Wesley of Ropesville, Leslie and Muri of Lubbock, and Harvey Lee of Tahoka; and five daughters, Mrs. Pearl Hurst of Waco, Mrs. T. T. Edwards of Lubbock, Mrs. Ray Odum, Mrs. Shewmake, and Mrs. E. D. Robinson, all of Slaton; three brothers, three sisters, 23 grandchildren, and 25 great grandchildren.

New Home Youth Sings At Rotary

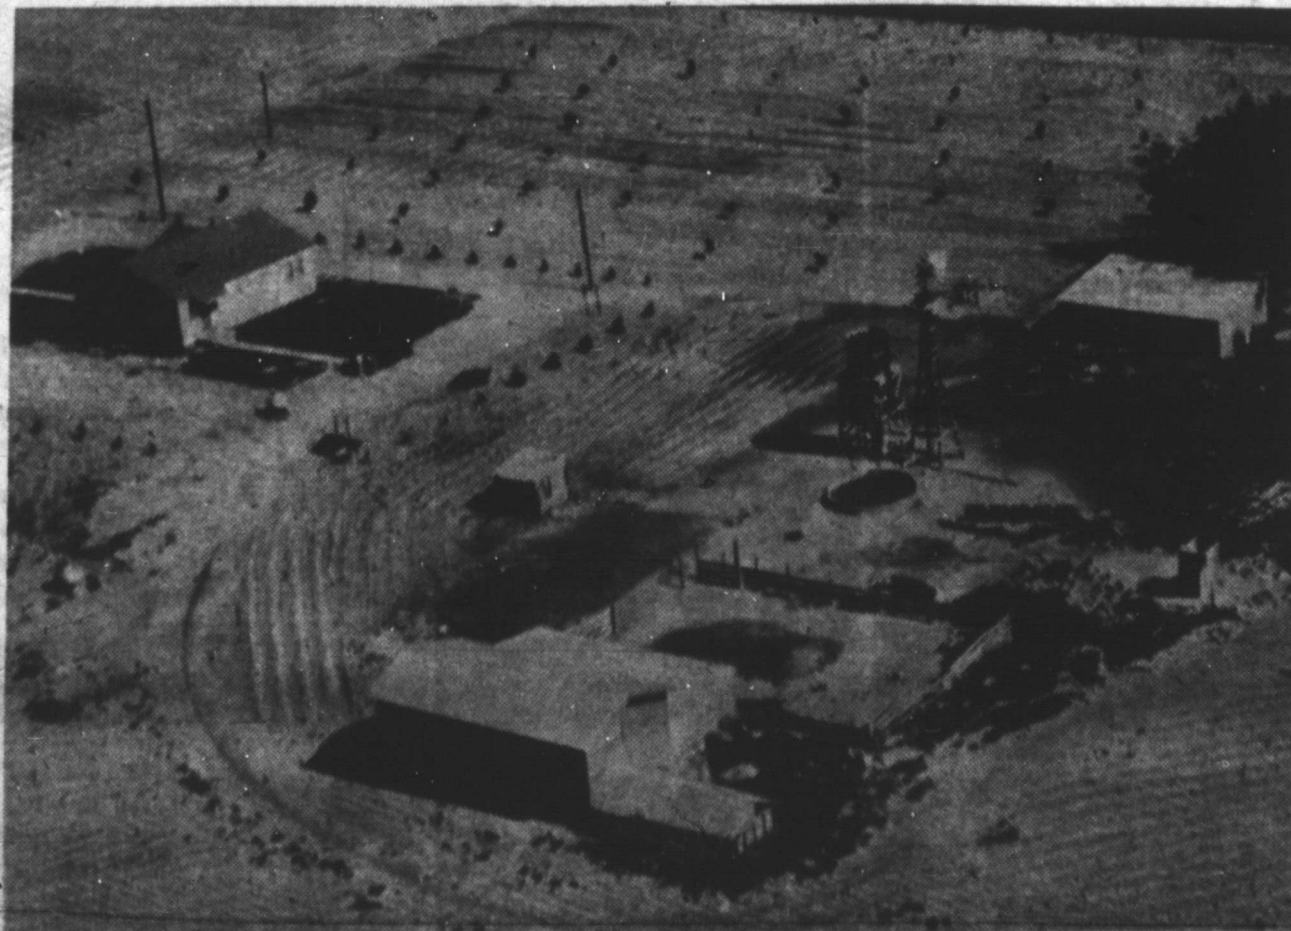

Clarence Nieman, age 10 son of Mr. and Mrs. Willie Nieman of Petty, furnished the program at Tahoka Rotary Club Thursday noon of last week. Clarence is a sixth grade student in New Home High School.

The young singer of popular songs was winner of the New Home Amateur contest a few months ago, and twice has appeared on Lubbock television programs.

A. W. McClellan accompanied him on the guitar. The program was arranged by O. C. Elliott.

Gary White, suffering from a heart attack and several light strokes, is holding his own at Tahoka Hospital.

President Eisenhower Says Nation Needs USO And Other UDF Services More Than Ever

"As I see it, the big thing that the United Defense Fund does is to keep the soldier abroad understanding that he is part of America, no matter where he comes from, what may be his city, what may be his race, or his religion—he still thinks, through this kind of effort, primarily of America, and of himself as an American," President Eisenhower says.

"Having moved from a fighting war to an armed peace, the nation has an even greater need for the United Defense Fund services than was the case during a fighting war. This paradoxical situation is not clearly understood by all our citizens. Obviously, if we are to maintain the United Defense Fund services, particularly those of the USO, on the high level needed to sustain the morale of the defense program, the understanding and support of the American people are vital."

United Defense Fund finances USO and four other defense-related national health and welfare agencies. UDF is supported through Community Chest or United Fund campaigns.

Baptist Men Elect Officers

New officers were elected Monday night at the monthly meeting of the Brotherhood of the First Baptist Church.

Durwood Howard was elected as the new president to succeed W. A. "Dub" Fulford; and Borden Davis was elected secretary and treasurer to succeed Troy Havins, after taking a lot of good-natured kidding about his honesty and reliability. Ray Adams is the new program chairman, succeeding Urban Brown; Terry Noble is enlistment vice president; Garland Pennington acting vice president; and Gordon Smith, pianist.

Rev. John Martin, pastor of Wilson Baptist Church, was the principal speaker at the meeting. The meal was served under the direction of Ed Hamilton and Turner Rogers.

Collier To Attend Drug Convention

Austin, Sept. 23—Texas Pharmaceutical Association's 2nd Vice President, Wynne Collier, and Mrs. Collier, Tahoka, will attend the 56th Annual Convention and Drug Show of the National Association of Retail Druggists at Sam Houston Coliseum in Houston, Texas, October 10-14.

ODDS AND ENDS ERROR CORRECTED

In my Odds and Ends Column this week I made an error which is relatively unimportant but which nevertheless I wish to correct, just to keep the record straight. I stated that Judge B. P. Maddox of Tahoka, is one of the men who served with Archie Parr for four years in the Senate of Texas. After my column was in print, I discovered the error. Judge Maddox did not serve in the Senate; he served in the House of Representatives for eight years most of which time was during Archie Parr's service in the Senate. I should have said that they served at the same time in the Legislature for six or eight years. I do not know the exact year in which Parr entered the Senate, but he and Maddox knew each other well for several years.—E. L. The Elder.

Lloyd McMillan, 56, is a patient in Tahoka Hospital for treatment of a heart condition.

F. H. Vahlsing, Inc., in Texas' Lower Rio Grande Valley, was the first concern to introduce the use of snow icing of vegetable.

Cakes of ice from the first commercial ice plant were four feet long, two feet wide and one inch thick.

Built by mission priests more than 200 years ago, a ditch in San Antonio still is used for irrigation.

Abigail Adams, wife of President Adams, is supposed to have hung the family wash in the White House.

Life expectancy at birth in the 17th Century was 18.2 years. In the 20th Century it is 58-60 years.

Godey's Lady's Book was the first women's magazine in the United States.

Trees are the oldest living things.

President Monroe was the last man in public life in this country to wear knee trousers.

Tahoka Future Farmers Elect

Tahoka Future Farmers of America have elected a new slate of officers for the new school year.

The new officers are: I. V. J. Melton, president; Robert Draper, vice-president; Elbert Roberts, secretary; Joe Dockery, treasurer; Bobby Williams, reporter; and Tommy Franklin, sentinel.

Sue Williams has been elected the FFA sweetheart. She will compete for District FFA sweetheart at the annual Dist banquet which will be held at Wellman on October 5.

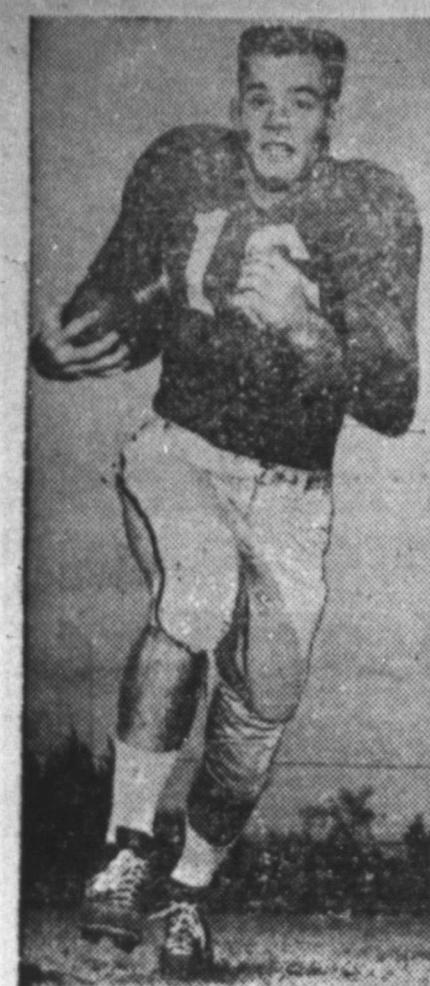

Committees have been appointed by the president, and a number of activities planned for the year.

The 8 members of the Tahoka Vocational Agriculture department and of the FFA chapter expect a big year in their agriculture and club work.

V. P. Carter and Lester Adams are teachers and advisors of the FFA boys.

Retiring officers include: L. W. Castleberry, president; Gary Watson, secretary; Jimmy Bragg, treasurer; Lyndell Wood, reporter; and Wendell Norman, sentinel. These boys are to be commended on a good job of directing the work of the FFA chapter last year, Mr. Adams says.

Queen Caroline, the wife of George IV, was known as the "Unhappy Queen of England."

Tech Will Play West Texas State

Lubbock, Sept. 23.—Texas Tech Red Raiders and West Texas State's Buffaloes hook up in their annual regional grid rivalry in Jones Stadium here Saturday night.

Despite Tech's 41-9 lacing of Texas A&M while West Texas was bowing to McMurry 19-18, Coach DeWitt Weaver is treating Frank Kimbrough's Buffs with great respect.

"There's always the chance of a let-down following the peak the Raiders attained against A&M," Weaver explains. "If we don't stay up or if the boys take the game lightly, we're in for an upset."

Tech scouts reported that West Texas looked considerable improved over 1953 and that it was a powerful McMurry team that took the Buffaloes' measure.

Making the Red Raiders' task more difficult is the fact that West Texas State—thanks to the arm of Borger's Bubba Hillman—is a passing team. Texas A&M attempted only two throws all night.

Cafeteria Menus For Next Week

School cafeteria menus for the next week follow:

Monday: Meat and cheese sandwiches, potato chips, pickles, lettuce, banana pudding, milk.

Tuesday: Lima beans, hominy, greens, cold slaw, fruit jello, milk and cornbread.

Wednesday: Hamburgers, onions, lettuce, tomatoes, potato chips, apricot cobbler, milk.

Thursday: Toasted weiners, English peas, sauer kraut, buttered carrots, hot rolls, honey, chocolate or plain milk.

Friday: Meat loaf, cream potatoes, salad, green beans, bread, milk, and ice cream.

V.F.W. Plans For Social Meeting

A regular meeting of V. F. W. Post No. 3905 was held Thursday, Sept. 16, at the Legion Hall. A large number of members were present, the largest for a business session in several years.

Plans were made to attend the District 7 School of Instruction to be held in Slaton Sept. 20. Several members are going according to N. T. Conner, Commander.

For the Social meeting which is to be Sept. 30, it was decided to hold an old-fashioned square dance. Deck Dunnagan, local caller, agreed to call all the dances and to give instructions in the enjoyable and old-fashioned square dances. It was also decided to have 42 games and to be open to friends as well as members of the local post.

It was noted that a Korean War Veteran Billy M. Draper has applied for membership with the Veterans of Foreign Wars.

McCLELLAN ATTENDING TELEPHONE SCHOOL

D. G. McClellan, who is plant manager for General Telephone in Tahoka, is in San Angelo this week attending a company school in basic installation and maintenance. He will be presented a Certificate of Award after completing the 40-hour course.

About 250 plant employees of the company are expected to take the course during the first 25 weeks it is taught in San Angelo.

James Russell Lowell was the first editor of Atlantic Monthly.

Speed-Shifters Contest Sunday

The Speed-Shifters, a new Tahoka automobile driver's club, will sponsor two events this week end which are open to the public.

Saturday night, they are holding a box supper at the Legion Hall, to which everyone is invited. Ladies are asked to bring boxes and the men to bid them in. Following the supper, there will be dancing.

Sunday afternoon, there will be a contest among members driving over a difficult obstacle course near here. Spectators are asked to meet at the Legion Hall at 2 p. m., where directions will be given to the course. Admission fee will be 50 cents per car to spectators. Plenty of thrills are promised for the money.

The club is organized for the purpose of promoting safe-driving among the young people, with penalties being provided for those who do not observe safe driving practices.

However, the members will get driving out of their system's on a designated course. The movement is proving popular over the nation, as it appeals to young drivers and helps promote safety at the same time.

The local club now has 26 members. Officers are: Dale Gandy, president; Charles Hyles, vice president; Jimmy Uzzle, treasurer; Jack Roseberry, reporter; and Shirley Young, sergeant-at-arms.

Natives of Monte Carlo are not permitted to gamble at the casino.

Methodists At Brownfield Meet

Twelve Tahoka Methodists attended a meeting in Brownfield Monday night of the district pastors and laymen on "Stewardship of Possessions" at the First Methodist Church of Brownfield.

Rev. Vernon Henderson, district superintendent, was the principal speaker.

Those present from Tahoka were: Mr. and Mrs. A. M. Bray, Mr. and Mrs. H. W. Carter, Clint Walker, J. O. Allen, John Slover, Maurice Huffaker, Harold Green, Ira Joe Hart, Otis Spears, and Rev. J. B. Stewart.

The local pastor and laymen expect to attend a temperance meeting at the Levelland First Methodist Church next Monday from 2 to 5 p. m. Others will also attend an Educational Rally at the same church Monday night at 7:00 o'clock.

Youth Meeting Is Held Here

Eighty-five young people attended the Sub-District Youth meeting in the First Methodist Church here Monday night.

Rev. J. E. Shewbert, superintendent of the Lubbock district, talked to the youths on "Attendance."

The Greatest Gasoline Development in 31 Years

New Conoco Super Gasoline with TCP*

Boosts power as much as 15%!

Increases spark-plug life up to 150%!

Gives you extra gas mileage, too!

Here's the most revolutionary advance in motor fuels since the introduction of tetraethyl lead in 1922—new Conoco Super Gasoline with TCP, brought to you by special arrangement with Shell Oil Company. TCP is Shell's trademark for the remarkable additive first developed for aviation fuels.

Now you can actually enjoy the benefits of an engine tune-up—just by changing to new Conoco Super Gasoline. Chances are, by the time you've finished your second tankful, you'll feel the increase in power. And you'll keep that extra power just as long as you use Conoco Super.

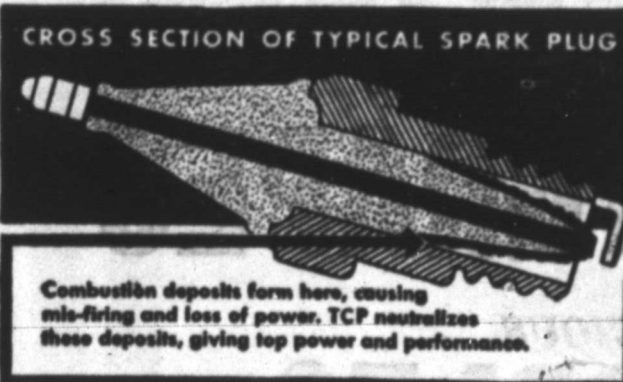

For Conoco Super with TCP is a new kind of gasoline. It overcomes the greatest single cause of power loss affecting most of the cars on the road today. Now, you can enjoy all the power that was built into your car.

Why you need

Conoco Super Gasoline with TCP

In the average automobile, the by-products of fuel combustion constantly build up deposits on spark plugs and in combustion chambers. These deposits can "cheat" you of power in two ways. First, they actually short-circuit your spark plugs. This causes mis-firing. Second, deposits in the combustion chamber get red hot and cause the fuel to ignite before it should. This is called pre-ignition or "wild ping." The effect of fouled spark plugs and pre-ignition is a loss in power and a waste of gasoline.

*Trademark owned and patent applied for by Shell Oil Company

How TCP works

TCP is a special chemical additive which is added to Conoco Super Gasoline. It was specifically developed to overcome the loss of power and fuel caused by combustion deposits. TCP neutralizes harmful deposits on spark plugs—your plugs spark as they should. It prevents deposits in the combustion chambers from causing pre-ignition—"wild ping" is controlled. Thus, every time you fill up with new Conoco Super, it's like getting your spark plugs cleaned and your engine tuned-up.

TCP helps your car, whether new or old

If you are driving a new car, with a high-compression engine, you need Conoco Super Gasoline to keep your car delivering all the power that was built into it. It will actually increase spark-plug life up to 150%. If you drive an older car, with tens of thousands of miles on the speedometer, Conoco Super can restore much of the "new car" performance and power you've been missing.

Yes, a great new era in motoring is here for you. Drive into your Conoco station today and fill your tank with new Conoco Super Gasoline with TCP. You'll feel the difference by the second tankful!

Now—at your Conoco dealer!

Bulldogs Win Over Denver City 32 to 6

Tahoka Bulldogs showed a lot of possibilities last Friday night when they defeated the Denver City Mustangs in that city's new stadium 32 to 6.

As usual, the Mustangs proved to be a tough outfit in spite of the fact that Tahoka outclassed them. DC, regional champion in Class A in 1952, is in the process of rebuilding and may prove even tougher in the future.

The Bulldogs showed great improvement over the week before, when they lost to Littlefield 23 to 13, but still have some mistakes to correct.

Coaches Bill Haralson and Dean Wright were fairly well pleased, however, and just about cleaned the bench in the game.

Bulldog misuses probably prevented the score running higher. Once in the second quarter, Tahoka lost the ball on a fumble on second down on DC's four yard line. In the third, they lost the ball on downs on the Mustang's one, and in the fourth lost the ball on the DC 15 on a third down and one to go for a first.

But, the Bulldogs played heads-up, aggressive ball most of the way. Much of the time tackling was sharp and down-field block-

ing deadly. Also, many of the reserves got some valuable game experience.

First Quarter

I. V. J. Melton, fullback for Tahoka kicked-off short. The ball was touched by a DE player, and Tahoka's McMillan pounced on it at the DC 44. But the ball on the 40 with the Bulldogs unable to gain. DC made one first down, then lost the ball on a fumble at the DC 40, Lineman Stanley Stone covering. Halfback Jerry Williams, who looked like his old self in this game, made six; Melton, playing a new position to him, made six, and two plays later, Quarterback Gordon Smith, who played a great game, passed to Williams who went 26 yards for the first TD. Melton's place kick missed.

It was then that Denver City looked its best. Mike Tinley brought the kick-off from the 10 to the 36. Two plays made nothing, then Quarterback Don Biggie passed in the flat to Halfback Bo Nicholson, who went 40 yards to Tahoka's 28. Ken Good collaborated with Tinley in carrying the ball to Tahoka's 1, from which point Tinley bucked over for the TD to tie the score. Tinley failed to run the ball for the conversion. Center Garland Huddleston was injured on the play and left the game for a while.

Tahoka bounced right back. Jerry Williams took the kick-off on the 15 and ran all the way to the DC 28, but had stepped on the sideline at the 48. Smith passed to End Carlton Bell for 16 yards, then Halfback Tommy Franklin, who also played fine ball, made two first downs on runs of 13 and 11 yards, and on the next play Williams went 7 yards to score again. Melton's kick was good, and Tahoka led 13-7 at the quarter.

Second Quarter

Mustang End Jimmy Faulkenbury brought the kick-off to the 42, and the Mustangs drove on to Tahoka's 27, where Tahoka's steady Tackle Duane McMillan stopped the drive on fourth down. Tahoka appeared to be gone again. Halfback Ted Pridmore gained six on two runs. Smith went to the Tahoka 36, and then made a first on the 40. Smith got away on a beautiful 24 yard gallop to the DC 36. Pridmore made 1, Melton 4, Blair 11, and Melton 5 but DC covered a fumble on the DC 4.

Three DC plays made 4 yards to the 8, and Nicholson kicked short to the DC 20. Four plays later, Smith passed to Pridmore for 10 yards and a score. Melton's kick was good again, and the Bulldogs led 20 to 6. The half ended two plays after the kick-off, when Guy Witt tackled Biggie for a 1 yard loss.

Bands Perform

Bands of both schools performed on the gridiron at halftime. Opening the second half, Smith took the kick off on his own 18 and put on an amazing bit of

broken field running, with some perfect blocking, key blocks being thrown by Tackle Jimmy Williams and Melton, and went 82 yards to the goal line. However, the play was called back because some Tahoka boys were lined up offside.

Smith again took the kick-off from the 10 to the 30, ran the ball for 2, then Melton carried for 3, and Smith again broke loose, and with some more good blocking went 58 yards and fell down from complete exhaustion on the DC 7. (He had carried the ball 182 yards on four plays.) On the next play, Melton broke loose through right tackle and scored untouched. His kick was no good, but Tahoka led 26 to 6.

Denver City brought the ball on successive first downs, aided by a Tahoka penalty to the Tahoka 34, but the ball went over on a fourth down loss to the 39 yard line.

Pridmore, Blair, and Williams alternated in carrying the ball to DC's 15, from which point, Williams went the remaining 15 to score his third touchdown of the game.

A few plays later, he intercepted a pass on the DC 45 and ran the ball back to the 30. Tahoka moved on to the 9, but were held for downs one yard short of the goal.

Fourth Quarter

With Tahoka reserves on the field, the Mustangs made six of their first downs in the final quarter and threatened to score once when they moved to Tahoka's 9, but lost 14 on an attempted lateral to end the threat. Once in the fourth, Tahoka threatened again when the Bulldogs carried to the 15 to lose the ball on a fumble. Near game's end, Franklin made a nice 23 yard run, and Bell caught another pass for 16 yards, and the game ended with Tahoka in possession on the Mustang 28.

Huddleston played his usual good game, and Frankie Jones looked good at defensive end. Ware High was tough on defense, and Guy Witt played one of his better games. Don Reed, Ronnie Brooks, Stone, McMillan and rugger Jimmy Williams carried most of the tackle and guard duty capably. Bobby Paris and Larry Simmons did good relief work in the line, also. Bell looked sharp at snagging passes, and L. W. Castleberry, at the other end, also is showing steady improvement. Junior Pitts, out for football little more than a week, saw action for the first time.

The coaches have six good backs although light one's in Smith, Melton, Jerry Williams, Tommy Franklin, Pridmore, and Donald Blair.

Wilson Mustangs Take Petersburg

Wilson Mustangs, looking better each week, were playing the Post Antelope B team at Wilson Thursday night. This is the first home tussle for the Mustangs. Wilson plays at Frenship next Friday night.

Last Friday night, Coach Ralph Huntington's boys staged a mild upset by taking Petersburg to the tune of 19 to 13 in a game played at Petersburg.

In the most spectacular play of the game, Wilson's right halfback, Jimmy Schneider, ran 51 yards to score. Javan Schneider, end, took a short pass for another TD, and Quarterback Gene Bruedigam went 12 yards for the third.

Touchdowns for Petersburg were on a 76 yard run by Fullback Jackie Young and a 30-yard pass taken by Edward Thompson, right halfback.

EASTERN STAR

Tahoka Chapter of Eastern Star will meet next Monday night at 8:00 p. m. All members are urged to be present, and visitors are welcome.—Opal Hines, W. M.; Jeannine Jones, Secretary.

Church Honors Local Faculty

Tahoka teachers and their families were guests of honor at the family night dinner and program at the First Methodist Church Wednesday night.

Dr. Chess Lovern, new pastor of First Church, Lubbock, was the principal speaker, and brought a very fitting and interesting address on the importance of the school and the churches working together.

He was introduced by A. M. Bray, with whom he attended SMU and played football.

Other entertainment included a quartet by Ira Joe Hart, Floyd Tubbs, Otis Spears, and Myron Gilstrap. A duet number was presented by Mrs. Gwynn Patterson and Mrs. Harold Green. Mitchell Williams served as master of ceremonies.

Preceding the program, a dinner was served in Fellowship Hall to between 250 and 300 people.

QUARTERLY CONFERENCE AT GRASSLAND CHURCH

Rev. Vernon Henderson, district superintendent, will preach at the 11 o'clock hour Sunday and conduct the annual quarterly conference at 1:30 p. m. at the Grassland Methodist Church this coming Sunday.

Rev. H. C. Mayo is pastor of the Church.

GETS HAND CUT

P. D. McMillan came near losing a hand early Tuesday morning when he got his fingers badly lacerated in gin saws at West Point gin. Buddy Bragg brought him to the doctor.

G. A. Tanner and wife of Ardmore, Okla., spent the week end here with his brother, E. J. Tanner.

Condensed milk was invented by a Texan, Gail Borden.

Wayman Smith Farm Is An Outstanding Rural Home

Mr. and Mrs. Wayman Smith are the owners of last week's mystery farm. It is located a mile and a half east of New Home.

Twenty-eight News readers correctly identified the place, Mrs. C. B. Nowlin of Lakeview and Elmer Rice of Wilson coming in a dead heat for the first. Mrs. Hazel Stevens of Tahoka was the first town reader to identify the picture.

Others were: Ross Smith, L. A. Forsythe, Roy Nettles, O. W. Folis, Laird Simpson, Dan Cowan, Mrs. Wayman Smith, Dick Turner, Mrs. Clifton Clem, Charles Armontrout, Garland Peek, L. C. Unfred, E. R. Blakney, Mrs. Fred Roper, Mrs. Lloyd McCormick, V. M. Harrison, Dale Thuren, Mrs. Will Harris, Mrs. Wade Holland, O. P. Hemmeline, Larry Edwards, Clarence Holtclaw, Edwina Overstreet, Ed Folis, and S. C. Ashcraft. Six missed their guesses.

Wayman Smith is "almost" a native of Lynn county. He was born in Jones county in 1904, and came here in 1904 with his parents, Mr. and Mrs. J. H. Smith, who still reside at New Home. Mrs. Smith, the former Alice Gray, came to Wilson in 1915 with her parents, Mr. and Mrs. J. L. Gray, who moved to Joe Stokes in 1917. They were married at New Home in 1924 by the late Rev. W. H. Izard, Baptist preacher.

The Smiths have two sons, Gene who farms with his dad, and Don,

a geologist now located at Amarillo. N. M. Both are married. Gene has a son, Mark, age two and a half; and Don has a boy, age two, and a girl, Ann, age five months.

There are 360 acres in the Wayman Smith home place, on which there are two irrigation wells. He owns another 200 acres nearby and also rents a section of land. His farms are terraced and contoured, and he carries out practical conservation practices.

He also raises some livestock. Right now he has 11 steers.

Mr. Smith bought his home place from Mrs. J. M. Herron. Whose husband put the land in cultivation in 1917. The modern home was erected in 1950.

The present farm owner is a member of the Baptist Church, New Home Civic Club, and takes an active part in many community and county affairs. His hobby is fishing.

CARD OF THANKS

Words cannot express our appreciation for the fund contributed to us by the people of this area as the result of our husband and father losing his life in the line of duty as a peace officer. Your kindness and friendship and help will ever be remembered by us. May God bless each of you, is our prayer.—Mrs. Frank Henderson and family.

Scout Districts Are Combined

The Tejas District and the Quannah Parker District of the South Plains Council, Boy Scouts of America, met together at the First Methodist Church in Brownfield Tuesday evening, September 14 and joined together as one district, selecting the name of Quannah Parker as their new district name.

The new Quannah Parker District covers Terry County, Yoakum County, Gaines County, and all of Lynn County except New Home and Wilson communities.

Mr. Joe T. Solon, president of the South Plains Council, presided at the meeting. Scouters from Lamesa, Brownfield, Tahoka, Seagraves, and Denver City were in attendance.

Mr. R. B. Woodward, chairman of the Nomination Committee, composed of John Agee of Lamesa, A. V. Barnes of Tahoka, Cecil Hill of Brownfield, Clyde Wyatt of Seagraves, submitted the name of Mr. C. W. Tarter, Superintendent of Schools in Lamesa, for nomination as District Chairman. Mr. Tarter was unanimously elected to the office of District Chairman. Mr. Tarter graciously accepted and told the group he would select his six operating committee chairmen during the next few days.

The new District has a total of 7 Cub Packs and 252 Cub Scouts, 16 Scout Troops with 532 Boy Scouts, one Explorer Post with 14 Explorers—a total of 24 Units, 798 boy members, and 223 adult Scouters.

The District is served by the

South Plains Council, Boy Scouts of America, through Mr. Curt Wilcox, District Executive, living in Lamesa.

The lowest denomination coin in England is the farthing—one fourth of a penny.

Ernest West Moves To Clovis Church

Ernest West, former minister of the Tahoka Church of Christ is the new minister of the 16th and 17th Church of Christ in Clovis, New Mexico.

He has until recently been serving in a similar capacity at a Church in Roswell, moving there from Brownfield. West recently conducted a Gospel meeting for the Tahoka Church.

Two Men Fined On Liquor Charges

Two O'Donnell men were assessed fines of \$500.00 and costs each in County Court Monday on liquor law violations on pleas of guilty.

Baldemar Orosco was charged with the illegal sale of beer, and Delfino G. Hernandez was charged with possession of beer for the purpose of sale. Both arrests were made Saturday.

You'll always be glad you bought a Chevrolet

(and now's a great time to buy one)

Isn't it great to hum along the highway in a car fresh out of the showroom? But how long will that new car pride and pleasure last? This is why it lasts longer if you buy a new Chevrolet . . . and why right now is such a smart time to buy one.

You'll stay proud of Chevrolet's lasting good looks. You won't find another low-priced car with the look of quality you see in Chevrolet. And if you like Chevrolet's looks now, you'll like its looks always. For there's fine design in those clean and smoothly curved lines (nothing "boxy" about Chevrolet!). Fine design like this, you know, always wears well—never really goes out of style.

You'll enjoy exclusive features for finer motoring. Chevrolet quality runs deep. There's more

pride for you in the only low-priced car with the finer materials and workmanship of Body by Fisher. There's more fun for you in the highest-compression power of any leading low-priced car. (Higher compression means more ginger in the going and more miles out of the gas.) There's more safety for you in the biggest brakes and the only full-length box-girder frame in the low-price field. And there's more comfort for you in Chevrolet's smoother, softer Unitized Knee-Action ride. Down to the last detail, Chevrolet's more finely built . . . it's even the only car in its field with Safety Plate Glass in all windows of sedans and coupes!

You save when you buy and when you trade. Even so, Chevrolet is priced below all other lines of cars. (That's possible because Chev-

rolet builds the most, and can build 'em better to sell for less.) And at trade-in time, you'll be ahead again from Chevrolet's traditionally higher resale value.

You'll get a special deal right now!

Right now, we're in a position to give you the deal of the year on a new Chevrolet. Come in and let us show you how much you'll gain by buying now!

Now's the time to buy!
Get our big deal! Enjoy a new . . .

ODDS AND ENDS

(BY E. L. THE ELDER)

I promised last week that I would get around to the First Duke of Duval this week, but before I do that I want to say a few more words about the Fergusons. While I never voted for Jim Ferguson in any of the many contests in which he engaged, yet I am frank to say that he was one of the shrewdest politicians and one of the most effective campaign speakers I have ever known. I could not keep from admiring his resourcefulness in meeting on the stump the many charges brought against him and in turning them effectively in many cases against his accusers. Texas has produced few "stump speakers" equal to Jim Ferguson. One of the races which he made was as a candidate for the United States Senate on the American Party ticket—a party he created and nurtured himself.

Mrs. Ferguson was a good woman but of course she was always under Jim Ferguson's thumb politically and did just about whatever he wanted her to do. I guess that it is true that the elder Archie Parr supported Jim Ferguson in all of the latter's political ambitions and activities. It would have been surprising if he hadn't.

But if Mr. Walker thinks that the Elder Parr's support of Fer-

a little. Jim Ferguson made his first race for Governor in 1914. His opponent was Tom Ball of Houston. He defeated Ball by a vote of 237,062 for Ferguson to a vote of 191,558 for Ball, a clear majority of 45,504 for the Bell county man. I guess that Archie Parr did cast every vote in Duval county that he could control for Jim Ferguson with out taking the precaution of costing them according to election laws. Why didn't Tom Ball then contest the election? Because according to the United States census in 1910, the total population of Duval county was only 8,964. If Archie Parr had cast the vote of every man, woman, child and baby in Duval county for Tom Ball and had cast not a single vote for Jim Ferguson, still the Tom Ball vote in Duval county would scarcely have made a dent on the Jim Ferguson majority in the state as a whole.

Ball saw that a contest over the few votes that Archie Parr had cast in that election for Jim Ferguson would be fruitless and foolish.

Now, I have not been able to find in all the election returns printed in the Texas Almanac that I still have in my possession a single instance, with one alleged exception, in which the votes cast or counted from Duval and Jim Wells counties combined, were sufficient in number to have changed the result in any state wide race. But because of that one exception, and because of the murderous assaults which have been made in recent years by the Parr followers on law-abiding citizens, it is high time that the power of the Parrs and their pistoleros should be crushed.

The one case to which I refer, Mr. Walker, is the one which you mentioned briefly and rather sarcastically, the contest between Governor Coke Stevenson and Congressman Lyndon Johnson for a Texas seat in the U. S. Senate. And now since you have mentioned that matter in the vague manner that you have, let's get down to a straight-forward recital of the facts in the case. I want to make it plain, however, that it is

not a question as to which one of the two men was the better material for the United States Senate, but it is a question as to whether we should insist on adherence to honesty in elections or should condone trickery and fraud.

I insist that the facts in the case prove to any intelligent person that fraud was committed. I do not contend that Lyndon Johnson himself instigated or encouraged the Parrs to practice a fraud. He probably knew nothing about it prior to its actual commission. I do feel however that when he found out that a fraud had been committed he should have repudiated it and refused to accept an office which virtually was handed to him through fraud.

Here is your vague statement on which I wish to elaborate: "During his (Coke Stevenson's) last term as governor, George (Parr) wanted an appointment for a friend on the Duval area. Coke said NO! Then the lid flew off. You know the results. Lyndon Johnson carried the Duval area almost solid. Up to that good hour you had never heard a howl or any call for an investigation. You were a publisher at the time. Did you ever raise your voice against it? But now you are ready to speak out: Corruption, Corruption!" etc.

Now, Mr. Walker, I will answer you frankly. I am sure that at the time of the perpetration of this fraud, I did not speak out through this paper as sternly as I should have spoken, because I did not know all the facts.

But I remember very distinctly that like thousands of other people in Texas I was shocked and incensed when it was made known that an election box had disappeared when Governor Coke Stevenson was insisting on a recount of the votes in that certain box. I learned still more about the fraud recently when the Saturday Evening Post, which I think is one of the most reliable magazines published, opened up and gave us a pretty complete story of the Parr dynasty, including this Senatorial election fraud. I guess you have read that you did not tell the whole truth and

not even the main truth respecting the fraudulent act. Maybe you did not wish to ask for the necessary space in THE NEWS to tell it, but here it is: I quote from the Post.

"In 1948, however, Mr. Parr's bloc vote ceased to be a matter of jest" the Post writer stated. Up to that time, Mr. Walker, the Parr bloc vote had been a matter of jest, for while evidently it was illegal, it had never changed the result of any state-wide election, hence folks could joke and laugh about it. "In that year," the Post continues, "Former Governor Coke Stevenson for five days basked in the happy conviction that he had defeated Congressman Lyndon Johnson for the United States Senate. In the closest senatorial race in the nation's history, when the final returns were in, it appeared that Mr. Stevenson was the victor by a thin margin of 112 votes out of nearly a million cast. Then, on the sixth day, Precinct 13, a Parr stronghold in Jim Wells county, sent in an amended return reporting 203 additional votes—201 of them were for Johnson, 2 for Stevenson. This gave Johnson a plurality of 87 votes, the Senate seat which he now holds, and the nickname of 'Landslide Lyndon.' . . . Stevenson's angry charges of fraud were never carried to a final decision, due to the fact that the vote lists mysteriously disappeared."

This voting box from Precinct No. 13 in Jim Wells county has never been found, Mr. Walker, but its reported 203 additional votes as reported by the Parr supporters, were included in the count of the Democratic primary election and changed the result from a majority of 112 votes for Stevenson to a majority of 87 votes for Lyndon Johnson. Lyndon Johnson holds his seat in the Senate by the grace—or the fraud—of George Parr, the Duke

Odds & Ends

(Continued)

Well, it was the very next year, 1949 when a radio announcer was shot down and killed on the streets of Alice, county seat of Jim Wells county, by Sam Smithwick, a deputy sheriff, who owed his appointment to this same George Parr, for criticisms of the George Parr regime in Duval and Jim Wells counties. Smithwick was indicted for the murder, and the case was transferred to Bell county for trial. It was District Attorney James K. Evetts, a nephew of my first wife, whose duty it became to prosecute the case, and some supposed stooge of the Parr gang waylaid and tried to kill him while the case was on trial.

Three years later a few Parr hoodlums formed a conspiracy to murder Jacob S. Floyd, a reputable lawyer of Alice, Jim Wells county, for opposing the George Parr regime and for becoming a leader of the Freedom Party, which had been organized to combat the power of the Parr forces, lured him from his home in order to murder him, but one of the gang killed his son by mistake. That crook fled to Mexico and is still in hiding some where in that country, safe from the arm of Texas law.

Do you still think, Mr. Walker, that I should quit "howling?"

You have the privilege of lambasting those who howl, but as for me, I only regret that I didn't begin earlier, both in 1949, and in the recent campaign in this state for the governorship.

I have a lot of Duval county election returns as gleaned from the Texas Almanac, which I can put in print in this column whenever it may become necessary or desirable. Yours for better

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get *sure* but *gentle* relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

Olivers Home From Lake; Built Camp For Donald Caudle

Mr. and Mrs. Billy Joe Oliver returned home Sunday from Lake Whitney, where they have lived the past five months while building a fishing camp for Donald Caudle, formerly of New Home.

Billy Joe says Donald has a very nice camp located on King Creek, on the west side of the lake. He has five double units, 10 cabins, a nice home, a store and tackle shop, bait facilities, dock and boats, and motors. The cabins are modern in every respect and have air conditioning, electric refrigerators, and cooking facilities.

Caudle formerly farmed south of New Home.

Billy Joe says Donald is well pleased, has an excellent location and his camp is full much of the time. He even finds time to do a little fishing.

Oliver brought home 35 or 40 pounds of crappie. At the time he left, he says he had the second best crappie fishing record on the lake.

Gulf announces a completely new and different gasoline!

► Now—Gulf refines out the "dirty-burning tail-end" of gasoline—the No. 1 trouble-maker in high-compression engines. Result: a cleaner-burning super-fuel that gives you thousands of extra miles of full engine power... free from knock or pre-ignition.

Proof:

Instead of trying to fight trouble-making deposits with so-called "miracle-additives"—inside your engine—Gulf believes in preventing them from forming in the first place.
That's why Gulf, in making new Super-

Refined NO-NOX, refines out the carbon-forming, "dirty-burning tail-end"—more than a cupful in every gallon. Look at the plates the Gulf scientist is holding in the unretouched photo above and see what a difference Gulf super refining makes!

Starting with your first tankful, this new, super-refined, super-powered fuel will give you these immediate and lasting benefits:

- **More complete engine protection** than so-called "miracle-additive" gasolines. See laboratory test proof at left.
- **Extra gas mileage** in the kind of short-trip, stop-and-go driving motorists do most.
- **No knock, no pre-ignition.** Because the anti-knock power of new Gulf NO-NOX has been stepped up to an all-time high.
- **Stall-proof smoothness**—no more worries about carburetor icing in chilly weather, or vapor lock on warm days. Instant starts, too—and fast, fuel-saving warm-up.

That's why new Super-Refined Gulf NO-NOX gives your engine more power-with-protection than you've ever known. See proof below...

Road tests show: New Gulf No-Nox actually makes cars perform better than new... even after 15,000 miles!

Under all conditions—Gulf test cars showed: Higher-than-new horsepower! Better-than-new on gasoline mileage! And not a single trace of carbon knock or pre-ignition at any time.
