

Courier Announces Slogan Contest

George Mahon In Race For Congress

George Mahon of Colorado, Texas, is a candidate for Congress from the 19th District. At present he is serving his fourth term as district attorney of the 32nd District. He will be remembered as the prosecutor of the Parks wife drowning case at Sweetwater several months ago.

He is 33 years of age, a resident of Mitchell county; has lived in what is now this Congressional District for 26 years. Mahon made no extended statement for publication. He is a vigorous campaigner and hopes to meet most of the people in a more personal way. In his many public appearances he will meet the people and discuss the national issues.

County Health Nurse Getting Splendid Cooperation In County

Mrs. Howard Thruston, County Health Nurse, is meeting with splendid cooperation with teachers, trustees and parents of the rural schools in carrying out the immunizing program that has been outlined by the state in Dawson county.

At Woody, six miles north of Lamesa, the teachers, trustees and parents have met with Mrs. Thruston and outlined a plan whereby the school children of that community will get the benefit of typhoid, diphtheria and smallpox vaccinations at a minimum cost to the school board and parents. Monday the 26th Mrs. Thruston and a corps of physicians will hold their clinic and do this immunizing work at Woody. Other schools planning to take advantage of this work in the immediate future are Lamesa and McCarty.

All schools in the county may if they desire take advantage of this free work and they are urged to do so while the opportunity is here. The work is expected to continue only a few weeks and then it will be too late for schools to avail themselves of this work at the reduced cost it is now being given.

No one can measure the value of this work. One man said in discussing this work, "If a community has the misfortune of losing a child from one of these dreadful diseases, it will then wake up and see the need of protecting its children against them." Why wait until you have taken one of your children to the cemetery before you take action? Do it now and save thousands of dollars, lots of unnecessary suffering and possibly death. School boards and teachers should get in touch with Mrs. Thruston at once and arrange a clinic.

Round-Robin Debate Tournament Schedule

The schedule for the round-robin debate tournament for Dawson county is as follows:

First round, Monday, February 26: Boys: Eason, bye; Hancock vs. Woody; Fivemile vs. Lamesa. Girls: Fivemile, bye; Woody vs. Lamesa; Eason vs. Hancock. Second round: Wednesday, February 28: Boys: Hancock, bye; Fivemile vs. Eason; Lamesa vs. Woody. Girls: Woody, bye; Eason vs. Fivemile; Hancock vs. Lamesa. Third round, Monday, March 5: Boys: Fivemile, bye; Lamesa vs. Hancock; Woody vs. Eason. Girls: Eason vs. Lamesa vs. Fivemile; Hancock vs. Eason. Girls, Hancock vs. Lamesa vs. Eason; Fivemile vs. Woody. Fifth round, Friday, March 9: Boys: Woody, bye; Eason vs. Lamesa; Hancock vs. Fivemile. Girls: Lamesa vs. Fivemile vs. Hancock; Woody vs. Eason.

The question for debate is: Resolved, That the United States should adopt the essential features of the British system of radio-control and operation.

All contests are to start at 7:30 P. M. at the county court house. The public is invited to attend. There are no admission charges.

Merchants Back Trades Day Plan

The following merchants are square in behind the Lamesa Trades Day and First Monday: Hull's Cash Grocery, Davis Food Store, Wilkes Cash Grocery, Collins Dry Goods Company, Baldwin Dry Goods Co., Bryant-Link Co., Arnett Motor Co., Self Serving Grocery, Clark-McDonald Drug Co., Bryant Pharmacy, Taylor-McCall Drug, Allen Hardware, and Pierce's Toggery. Other stores may join this group since it is a volunteer matter and these named have joined a new move to instigate a new plan to keep the Trades Day going. The officers of the Trades Day Association state that the door is still open and will be open for any other merchant who desires to help promote trades day.

Ask the merchants about this plan. When in town drop in these stores and find out about the plan and what it is about. These Trades Days have been a big success and now, under the new plan they will be a greater success. Let every one boost the New Trades Day Plan in Lamesa.

Dawson County Interscholastic League To Meet March 17 and 24

The Executive Committee of the Dawson County Interscholastic League set the dates for the annual meeting for Dawson county schools on two Saturdays, March 17th for literary events and March 24th for athletic events.

The place of the meets will be the Lamesa public school buildings and other buildings which may be required.

It was noted that some events are to be conducted along new methods for this year. This is especially true in Story-Telling. The Committee issued a warning to all school principals and teachers that they read the rules and regulations carefully that they may have their pupils properly coached for the respective events.

The County Director announces the re-appointment of Miss Asalie Key, as director of Choral singing and Mr. G. M. Roberts as director of arithmetic. A director of One Act Plays will be announced soon. This is necessary because two schools are competing in the dramatic contests.

Individual winners in the various contests will be awarded certificates showing the event, number of points and place won.

The committee set the dead line date for entries as near the date of the meet as possible. Competing schools must have their entries in the possession of the Director General by Monday, March 12th and on the forms provided by the State office. This is absolutely necessary that the meet can be planned and rooms adequate to the needs may be secured in advance and that the program can be arranged.

J. G. Middlebrook Now With A. G. Waugh Co.

J. B. Middlebrook, formerly employed at the Lamesa Motor Co., is now connected with the A. G. Waugh Company located on North First St. Mr. Middlebrook has leased working space and equipment from A. G. Waugh and will do all kinds of automobile repair work.

Ladies Attend Meeting At Big Spring

Mesdames Arch Hefner, E. R. Yates, M. O. Grant, C. Baldwin, J. E. Barron, A. E. Jacobs, Webb Randle and R. R. Townsend accompanied a group of young people to Big Spring Saturday to represent Lamesa in the Baptist Association in a Stewardship declamation contest of District 8.

Rural School Inspector Praises County Schools

After visiting the schools of Dawson county in company with Mr. W. T. Webb, county superintendent, I find they are far above from what might be expected considering the drouth the county was in the past year. The attendance in the schools of Dawson county compares favorably with that of other South Plains counties which were favored with good crops during the past year. A good spirit among teachers, pupils, and trustees was everywhere in evidence. I am very grateful for the many courtesies and cooperation extended me by the teachers and trustees in the schools of Dawson county. I found an excellent quality of work prevailing in the schools in general throughout the county.

Mr. W. T. Webb, the Dawson county Superintendent, is to be especially commended for the splendid system of Rural Schools under his supervision.

G. D. Holbrook, Deputy State Superintendent.

Mr. and Mrs. Ross McDonald motored to Lorraine the past week end for Mrs. McDonald's mother, Mrs. J. R. Hastings who has been visiting relatives there.

TORNADOES TO PLAY HALE COUNTY CHAMPIONS IN LUBBOCK FRIDAY MORNING

Lamesa's Golden Tornado basketball team will get into action according to schedule against the Hale county champions at 11 o'clock Friday morning at the District Tournament at Lubbock. Below is the schedule of the first two rounds of the tournament and it will be noted that strong competition consisting of the best teams on the South Plains will be represented in this tournament. If the Tornadoes are good enough to eliminate Hale County champions then they will meet the winners of the Dickens and Lamb county game.

Coach Gregg and his charges are highly favored to win the district. The schedule follows:

First round:
9 A. M. Friday—Plainview vs. Garza champion at Tech gym.
10 A. M. Meadow vs. Crosbyton at Tech gym.
11 A. M. Lamesa vs. Hale champions at Tech gym.

12 noon. Dickens champions vs. Lamb champions at Tech gym.
1 P. M. Estacado vs. Gaines champions at Tech gym.
2 P. M. Hockley champion vs. Yoakum champion at Tech gym.
3 P. M. Lynn champion vs. Cochran champion at Tech gym.
4. Lubbock High-School vs. Floyd champion at Tech gym.
Second Round games:
4 P. M. Friday, Winner Meadow-Crosbyton vs. winner Plainview-Garza game at Lubbock high school gym.
5 P. M. Winner Lamesa-Hale game vs. winner Dickens-Lamb game at Lubbock High gym.
5 P. M. Winner Estacado-Gaines game vs. Winner Hockley-Yoakum game at Texas Tech gym.
9 P. M. Winner, Lynn-Cochran vs. winner Lubbock High-Floyd game at Texas Tech gym.

More Correspondents Wanted

Although we were well pleased with the response from correspondents over the county we would like to have a representative in every community in this trade territory. We added eight correspondents the past week. The offer of 50c per month with postage and stationery furnished still holds good. Come in today and see us about this offer. Don't forget that a correspondent will be entitled to enter the \$30.00 Slogan Contest starting this week. The following communities already have a representative: Fivemile, Loyola, Welch, McCarty, Midway, Ballard, Klondike and Plainview.

Young Democrats Meeting Postponed To February 26th

The meeting of the Young Democrats which was to be held on Monday evening February 12 has been postponed to Monday evening, February 26. The meeting will be held in the District Court room at the court house.

All candidates for Congress from this district have been invited to attend this meeting, and it is hoped that a large crowd of local Democrats will be out to hear these men speak.

Any Democrat of any age is eligible for membership, but only the ones aged 21 to 40 are eligible to hold office. At this meeting on this coming Monday evening permanent officers will be elected.

Mrs. Mack Noble and son of O'Donnell were here visiting last Friday.

\$30.00 In Cash Prizes Will Be Awarded Courier Subscribers

The Dawson County Courier is going to distribute \$30.00 in cash to its subscribers. \$20.00 will be the first or grand prize, \$5.00 for second prize, and five \$1.00 prizes.

Peter B. Kyne Knows the West He Depicts in

OUTLAWS OF EDEN

Peter B. Kyne, whose absorbing Western romance, "Outlaws of Eden," will be published in this paper as a serial, has no peer as a writer of romantic, stirring, swift-moving tales, and particularly of those dealing with the West. Every publisher considers himself fortunate when he is able to secure a Peter B. Kyne story for his readers.

Peter B. Kyne

The faithful characterization of all Peter B. Kyne fiction undoubtedly is due to the wonderfully varied career of the writer, a career which has brought him into close contact with all classes of people in many parts of the world. As a newspaper reporter and as a soldier, serving first in the Spanish-American war and later in the World war, he has had abundant opportunity to read human character under many conditions and in many environments. As a native son of California and long-time resident of the West, he has the background which enables him to write the particular type of Western tales of love and action for which he is famous.

"Outlaws of Eden" is a story of today and the scene is a California valley. Romance, gun-play, a spirited heroine, a two-fisted hero, a scheming villain, a battle over water-rights and a delightful, surprising ending form the ingredients of this dashing tale. It is told in the vivid and vigorous fashion characteristic of the author of "Money to Burn," "The Gringo Privateer," "Webster—Man's Man," "Jim the Conqueror" and other stories which have been big newspaper serial successes.

This story will start in next week's issue of the Courier. Subscribe now so as not to miss one episode of this thrill packed novel.

Ballard Community To Present Play

The Ballard community will present the play "The Gate to Happiness" Friday evening, March 2.

This is a play with plenty of comedy and a good moral. The cast is composed of Jack Goodloe, Mrs. G. F. Ward, Mr. and Mrs. Aubrey White, Mr. and Mrs. Clarence Ward, J. C. Clearman, Hugh Lee Clearman, Ethel Agnew, and Verna White. There will be a small admission of 10c. The proceeds will be used toward repairs for the piano.

W. S. Jackson Passed Away Sunday

William S. Jackson, aged 58 years passed away at his home in the Higginbotham community on Sunday morning, February 18.

Funeral services were held at the Higginbotham Funeral home on Monday afternoon with Rev. E. R. Cole officiating. Burial was made in the local cemetery.

Library Receives Six Of The Latest Books

Six new books have been placed on the Rental Shelf at the Library. These books were chosen by a committee composed of Mrs. Philip Yonge, Mrs. W. A. Stephens, and F. T. McCollum. A fee of three cents per day will be charged on these books, and these fees will be used to buy good late books that will be placed on the shelf at regular intervals, thereby making it possible for library patrons to have access to many of the very best of the latest books.

The six books are:
 "Flush"—Virginia Woolf—a biography of Elizabeth Barrett Brownings dog, Flush, which brings the Brownings and Flush touchingly to life. The book is original and interesting because of its dog's eye view of the famous human romance which took place on Winipol Street.

"Second Spring"—Janet Beith—first novel by an unknown English girl and which won the Stokes \$20,000 award. It is a love story of the 19th century.

"The Fault of Angels"—Paul Horgan. A Harper prize novel, is the story of Henry Granson, an impersonal Philanthropist, whose background is the Eastmans School of Music of Rochester, N. Y.

"Time Forward"—Valentin Kaetov, an exciting book from Russia by the author of "The Embezzlers," "Time Forward" which is one day out of Russia's Five Year Plan, gives a vivid picture of the new Russia, and should go a long way toward showing the world that Russia is finding in cooperative work an equivalent of war.

"Life Begins at Forty"—Walter Pitkin.—Enlarges upon that beautiful philosophy from Rabbi Ben Ezra, but is more than philosophy. Mr. Pitkin not only philosophizes on the art of living, he also gets down to brass tacks and tells us how to live and like it, "and," says he, "life will really begin for you after forty, if you see your mind." Everyone should read this book whether his age is forty or twenty.

"Anne Sullivan Macy, the Story Behind Helen Keller."—Nella Brady. Anne Macy is the teacher who made Helen Keller's development possible. Here you have the almost incredible story of her life, and a clear picture of the beautiful relationship between Mrs. Macy and Helen.

District League Meet April 13th and 14th

Director General for this district, Dr. A. W. Evans of Texas Technological College, has announced that the District Meet will be held in Lubbock on April 13th and 14th, 1934. This dating is one week earlier than formerly was the case. This change is brought about by the fact that another meet has been arranged for which comes between the District and State meets. This new meet is the Regional Meet which will be held at Canyon, at West Texas State Teachers College on April 20th and 21st.

Lynn County 11th In 1933 Cotton Crop

Lynn county ranked 11th in cotton production in Texas for the year 1933 according to the semi-final report issued by the department of commerce for the census as taken January 16. The state was 27,000 bales ahead of the 1932 production at the corresponding date in 1932.

Twenty-three counties in Texas showed production of more than 50,000 bales, four of them on the South Plains.

Very little change is expected by cotton men in the next report, which will be issued in March. This will be the final report of the year.

Except for drouth, at least two, and possibly other counties would have been in the 50,000 bale class. Both Hockley and Dawson counties, usually well up among the leaders of the state, would have been in a higher bracket if rainfall had been more clement. Ellis county this year replaced Jones county as state leader.

Lynn county had 65,722 bales this year as compared with 53,043 last year.

Parent-Scout Banquet To Be Annual Affair

The Parent-Scout banquet held in the basement of the Methodist church Thursday night, February 15th was such a success that it was unanimously voted by all present to make it an annual affair. The mothers of the Scouts of Lamesa's three troops prepared the plates without cost, and the boys and visitors all declared it as fine as they had ever seen. It just could not have been better, they state.

After the eats a delightful program was given followed by an hour of jokes, challenges, "whoppers", etc. by both the sons and parents. Leslie C. Pratt gave a talk on the History of Origin and growth of Scouting. Tributes were given to "Our Sons" by L. F. Keisling, "To Our Dads" by Charles Baldwin Jr., to "Some of the Scout's Sweeties" by Donald Williams and "To Our Mothers" by J. D. Dyer. Philip Yonge and Louis B. Reed made short talks. Some of the boys seemed to think Mr. Reed's subject was rather "deep" for him to do justice to.

The dads found it rather taxing on themselves to be able to meet challenges and match witticisms with their Scout sons. All pronounced it a most enjoyable affair. It has been suggested that to be eligible to attend this annual banquet which will be held each year during Boy Scout anniversary week, parents and Scouts must have been present for at least two Courts of Honor programs during the year previous.

O'Donnell Wins Klondike Tournament

With thirteen very evenly matched contestants, the third annual senior boys basketball tournament of Klondike closed with a bang Saturday night, February 10 in a hotly contested game between the finalists, Woody of Dawson county, and O'Donnell of Lynn county. Greenlee, stellar center from O'Donnell led his team to a one point victory by sinking the sphere in the pay slot in the closing 30 seconds of play.

Key, after a strong first half lead easily won them consolations from Coach Greggs "Whirlwinds," though the latter battled bravely in the absence of their mentor, to uphold the prestige of the mighty "Tornadoes".

Public Enemy No. 1 Is Heart Disease

Austin, Texas, Feb. 21.—Public Enemy No. One is Heart Disease, according to Dr. John W. Brown, State Health Officer. This disease kills over 7200 people each year in Texas and the worst part of this is that the number is increasing each year.

While it must be admitted that the deaths attributed to heart ailments are increasing, the fact remains that when a person complains of his heart, organic heart disease frequently exists. Organic heart disease causes shortness of breath, swelling of hands and feet and a cough. Usually these signs do not convey to the patient's mind even the suggestion that he has heart disease.

So-called functional heart disease is usually traced to these sources, namely, nervousness, infections from another part of the body such as teeth or tonsils, to a disturbed function of the thyroid gland, to influenza and so on; and to the effects of the excessive use of tobacco, coffee or tea.

In cases where there is a disturbed heart action due to focal infection the source of which is located, the infective cause when possible is removed, as in the case of diseased tonsils and teeth. The heart, possessing remarkable recuperative ability, once the poisoning agent is definitely eliminated, in time becomes normal once again.

Good professional advice and a strict heeding of it are the only things to worry about either in functional or organic heart disease. It is a well established fact that the great number of those who know they have a heart condition usually die from some other cause.

South Plains Reduction Shows Great Decline

Reports from 14 South Plains counties over the week end indicate that the cotton acreage reduction campaign in this section is considerably below that of last year.

Here is a table showing figures on which the above statements are based:

...BUT WHICH IS THE SAFEST TIRE?

THIS TIRE REMOVES ALL DOUBT OF SAFETY

THE TIRE WITH NO WEAK SPOTS

Seiberling has struck aside all claims about tire safety—built for the first time by a new exclusive process—tires with NO WEAK SPOTS—tires that are single units of live rubber and live cotton. All tires must be vulcanized. Other manufacturers place the tire in an oven-like mold, subject it to dry, scorching heat for from forty to 120 minutes. Seiberling vulcanizes tires in a gentle steam bath, cures them perfectly, evenly—safeguards against weak spots—builds a tire far safer—a tire which will deliver from 10% to 30% greater mileage. See these new Vapor Cured Seiberlings—they cost no more.

FIVE MILE

By Ona Belle Jones

Jake Sealey who has been on a visit to East Texas returned Wednesday. We are very glad to have him back with us again.

Melba Cowger visited Meta Vee and Georgie Salline McGahey last Thursday.

We had a Valentine box Wednesday afternoon at the Fivemile school house. We had several visitors. Everyone enjoyed themselves.

Mrs. W. J. Barron has been sick but is improving at this writing.

Several of the Fivemile people enjoyed the basketball tournament at Lamesa Friday and Saturday.

Next Sunday is preaching day at Five Mile church house. Rev. J. J.

Gentry will fill his regular appointment Sunday morning and Sunday night. There is also BYPU every Sunday night at the church house.

The farmers of Five Mile have been thrashing a great lot of feed the past few weeks.

There was a large crowd of young people at the party at Hick Scotts Saturday night.

Mrs. Honeycutt visited Mrs. Jones last Friday afternoon.

Melba Cowger and her grandmother visited Mrs. Bee O'Neil last Wednesday.

PLAINVIEW

Our school is progressing nicely with Miss Lorene Fletcher as principal and Mrs. Floie Tankesley as primary teacher.

A play here Friday night was enjoyed by a large crowd. The title of the play was "The Girl Who Forgot."

Mr. Heard is not doing any good, and was carried back to a sanitarium in Lubbock Saturday.

Mrs. Glispie has returned from the hospital and is some better.

Mrs. Robert Walker was on the sick list last week but is better at this writing.

There are some cases of measles in our community, although they don't seem to be hurting anyone very much.

Miss Nora Mae Smith of Wichita Falls and Mrs. M. J. Smith of Lamesa visited Mr. and Mrs. E. Q. Smith last week.

J. C. Riley was transacting business in Lamesa Saturday.

Mr. Star and family went to Lamesa Saturday.

Some of the men in this community are working on the road.

It is still dry in this part of the country. Some farmers are plowing. We sure had a sandstorm Saturday night.

Mr. and Mrs. Collet of near Key were visiting Mr. and Mrs. J. C. Riley here last week.

There is quite a bit of moving around here. We welcome all of our new neighbors.

Mr. Star has moved to the Twest place vacated by V. L. Smith.

Mr. and Mrs. Robert Walker have moved to the place formerly occupied by Mr. Bert Holman.

LOYOLA

By Mrs. Lola B. Duke

The Loyola "outside" basket ball team entered the tournament at Klondike and played Friday night and Saturday. Our boys didn't win the tournament but they did real playing and we are proud of their efforts.

Miss Geta and Billy Robinett of Calgary are visiting their sister Mrs. H. A. Duke this week.

Mrs. Reuben Knight of Hobbs, N. M., was visiting in our community Sunday.

Miss Letha Marie Lawson is ill. We hope she will soon be back in school.

Elmo Davis of Three League is visiting his brother Howard Davis and wife this week.

Twenty-five youngsters from Ackery attended the party at Mrs. Lola Duke's Saturday night.

George Lee, Hubert Benton and

Tommie Duke made a business trip to Fort Worth last week.

Earnest Sykes and family have moved to Stanton. We hate to lose them from our community.

Mrs. Lola Duke, Miss Herma, Mr. and Mrs. Elmo Duke attended a banquet in Lubbock last Monday night given in honor of Captain and Mrs. W. T. Wilson.

Mrs. T. E. McReynolds and Mrs. Lois Milstead of near Patricia were called to the bedside of Mrs. Milstead's grandmother in Sweetwater.

We would like very much to have a rain in our community in order that we can start some early gardens.

Mr. and Mrs. H. A. Duke and Misses Geta and Billie Robinett visited Reuben Knight and family near Hobbs, N. M. Thursday and Friday.

Floyd Haney of Liberty spent Saturday night with Lewis Stennett.

Miss Mabel Wiggins visited in the Medford home Sunday afternoon.

Mr. and Mrs. K. B. Williams who reside at the Koger ranch headquarters are to move this week to the south part of the ranch.

Miss Montez Corbit who is attending school in Lamesa visited her parents Mr. and Mrs. H. H. Corbit over the week end.

WELCH

The Baptist church at Lou have changed their regular preaching day from the first to the third Sunday of each month. Come out to hear Rev. Corbin preach.

Oscar Johnson is putting in a blacksmith shop at Lou.

F. J. Meers will soon have the post office nicely equipped at Welch.

Welch is getting to be a lively little town, but I expect we will let Lamesa keep the court house a while longer.

Say did you see any real estate go through Lamesa Saturday night and Sunday? A lot of ours left this community for parts unknown.

It is still too dry to do good work, therefore there is very little farming going on at present.

Some few farmers are getting ready for the corn and hog reduction sign-up.

KLONDIKE

By Odie Harris

Many of the community attended the last basket ball tournament of the year last Friday and Saturday in the local gym which was sponsored by independent teams of the county. The local team won by a close score.

Mrs. Bailey Anderson formerly employed at the Green Hut Cafe is now working at the Cason Cafe. Miss Beverly Wells of O'Donnell was visiting friends here Monday.

PIONEER CITIZEN IS HONORED WITH BIRTHDAY DINNER THURSDAY

On Thursday, February 15, Mr. and Mrs. J. H. Barron entertained a number of friends with a turkey dinner honoring Mrs. D. W. Adams who celebrated her seventy-eighth birthday. The dining room was attractively decorated with ferns and pot plants, but the dining table creaking under its load of good eats with a great birthday cake standing in the center outshone the floral decorations.

The guests were Mr. and Mrs. Hardy Parker, Mr. and Mrs. Billie Baker, Mr. and Mrs. Audrey Cox, Mrs. John Cason, Mr. Buddy Fowler, Mr. Clyde Adams, and the honoree.

After dinner the men departed for their several places of business with many good wishes to Grandmother Adams for many more happy birthdays, but the women remained to enjoy a pleasant talk of old times around the cheery fireside. And who can better tell of the bygone days of life spent on the prairie than Grandmother Adams since she has spent the last forty-three years on the Plains?

The Courier joins in with her many more friends in wishing her many more happy birthdays.

CHEVROLET ANNOUNCES

a revolutionary new line of low-priced trucks

Bigger, huskier models feature an entirely new engine, giving increased power on less fuel than ever!

THE 1934 line of Chevrolet trucks—truck-built for truck service all the way through—feature the *Blue-Flame engine*—a great new development that will be welcomed by every truck buyer in America. Here are the remarkable facts: The new Chevrolet trucks are even bigger than last year's models—bigger in bodies, with stronger, heavier frames, huskier transmissions and rear axles, and larger brakes. They will deliver more power. They will haul bigger loads than ever. Yet, thanks to the new Blue-Flame engine, operating costs are actually lower than before—and that means the lowest in the hauling field. The net result of all these improvements is a line of trucks like no others on the market—the first to offer such a combination of big capacity, great power and unequalled economy. OUTLAWS of EDEN

A colorful Western romance of today

This is the story of a young man and a young girl who took the law into their own hands. It was in the blood of both. Their cattle-baron families had never invoked any other justice except the six-shooter. For seventy years the Hensleys and the Kershaws had waged a bloody feud for the possession of Eden Valley, in California. Now Nate, the last of the Hensleys, and black-haired Lorraine (otherwise Lorry), the remaining Kershaw, were fighting again for their beloved heritage, but this time together.

For a serpent had come into Eden to nest on the Valley lands. He knew how irrigation projects and power developments could be manipulated for unholy profits. He fought in a new way with guile and mob propaganda and twisted legalities. So Lorry and Nate went to war for what belonged to them, in ways of their own—including the ancestral six-shooter. Meanwhile they fell in love.

There followed such matching of wits, such taking of chances, such two-fisted battling of high courage against deceit and trickery as Peter B. Kyne can picture inimitably.

Watch for the first installment of this stirring Western tale by one of the country's best known authors

To the Voters of the City of Lamesa

In placing my name before the voters of the City of Lamesa as candidate for City Commissioner I wish to call attention to some pertinent facts. I have lived in Lamesa and Dawson county at various times since the town was organized. I have resided here continually since 1911, and I have never before asked for public office.

My many years of business relations with the people of this city and county, I feel, places me in a position to know the most urgent needs and desires of the citizenship. My many years of business experience has qualified me to transact the city's business in a business like manner. I am running my own race, paying my own expenses, and I am in no manner obligated to any clique, clan or organization. I have no promises to make other than to conduct a clean campaign and to render the people of this city fair, square, honest, con-

scientious services after I have been entrusted to this office. These services are to cost you no more than if they were rendered by one less competent.

In answer to many requests, I will say that I favor making a study of the sewage disposal system and handling it as nearly as possible to the best interest of the city as a whole. In that, as in other problems of the city, I shall strive to serve the people in a manner most consistent with the city's economic condition and at the same time keep in mind the health, comfort and happiness of the people. I propose no high-powered schemes of doing anything but I shall strive daily to represent the people fairly and honestly.

I hope to see each voter personally but until I am able to make these personal contacts, I ask you to consider this as an earnest solicitation of your vote and influence. They will be highly appreciated.

W. R. (Shorty) DIXON.

D. M. Campbell Announces For Justice of the Peace

In announcing my candidacy for Precinct 1, subject to the Democratic office of Justice of the Peace of the election in July, I have this to say: I have lived in Dawson county for the past 9 years and know practically all the voters in this precinct, but intend to see each one personally before the election.

I feel that I am well qualified for the office. I finished high school and attended Millsap College, at Jackson, Mississippi for one year. I taught in the public schools under a first grade certificate for six years.

I have had four years previous experience as Justice of the Peace at Collins, Mississippi, and again say that I feel fully qualified to fill this place.

If elected I will promise to make you one of the very best officers I can, treating all alike.

Respectfully,

D. M. CAMPBELL.

CARD OF THANKS

We wish to express our appreciation for the many kind deeds, words of sympathy, and beautiful floral offerings, during the sad hours of our sorrow, when God called our loved one home, where there is no sorrow. Although we cannot understand what God in his wisdom sees best to do, we know it is his will, yet our hearts are heavy we cannot bring him back, but we can go to him.

May God's richest blessings be with each one who did their best to help us bear our grief.

Bill Introduced To Get the Government To Get Behind Bonds

In a letter to Carl Rountree, this week, the Hon. Tom Connally, our Senator at Washington, inclosed a proposed bill that will get the government behind the bonds that it proposes to issue to urban home owners—to save their homes. All are familiar with the old set up. The interest was guaranteed by the government but not the principal. A low rate of interest was also proposed and one could hardly blame the loan companies for not agreeing to take these bonds. If Connally's bill passes, and it is believed it will, the government will be squarely behind these bonds and thousands of distressed property owners in this country will get relief.

Connally is also the daddy of the President's monetary program now in effect. He has always been squarely behind the president on all his proposals and in fact has much influence in Washington. He is a real statesman. It will be remembered he spoke to our high school graduates last year.

Lamesa Wins County Basketball Honors

The annual Dawson county basketball tournament under Interscholastic League auspices was held in Lamesa last Friday and Saturday to determine the Dawson county district contestants.

Lamesa was victorious in the tournament and will represent the county at Lubbock next Friday and Saturday in an attempt to successfully defend the district championship won at last year's tournament. Lamesa's game with Woody which had won over the Class B Schools. Woody Ackerly, McCarty, and Higginbotham were winners of the Class B, first, second, third and fourth places respectively and were awarded appropriate certificates for their team members.

Shumake was the only school of rural classification which appeared. The tournament was not largely attended as was formerly the case because most of the teams preferred to attend a later tournament.

Coach Gregg's Golden Tornados will be the team the other county winners will be gunning for in this weeks tournament and the sledding is likely to be rough.

Biggest Sandstorm Of Season Saturday

A fairly high wind accompanied by stinging sand Saturday morning, had developed by nightfall into what could be described as the grandpa of all sandstorms. If it wasn't grandpa himself it was grandpa's brother.

Instead of dying down toward evening as West Texas sandstorms usually do, this one increased to a velocity, according to reports from the weather station, to approximately 40 miles per hour. All loose objects were moved southeast, and the size of the objects didn't make much difference. One lady found her copper wash boiler some six blocks from home, a number of small sheds and outhouses were either blown down or completely wrecked. Traffic was seriously impeded during the evening as car lights could not penetrate the murk of the flying sand and dust. One citizen—gifted with a fairly good imagination—affirmed and maintained that clouds the size of his fist were carried out of a freshly plowed field clear across the highway. However, that was Saturday night, and maybe he was still feeling the effects of—oh well, the Saturday bath.

However, housewives could find nothing funny Sunday morning when they woke to gritty kitchens and sand covered furniture. Seriously, the old-timers place Saturday's storm among the worst we have had in this immediate territory for several years, and everyone agrees that it was bad enough.

So far as we have heard, there was very little property damage, and as vegetation has not yet begun to green up, little harm was done. The young wheat was somewhat burned, but according to farmers was up high enough that it could withstand the wind and sand very well.

A decided drop in temperature accompanied the wind with frozen pipes Sunday night for the second time this winter.

INCOME MAN COMING

For the convenience of those persons who are required by law to file Federal Income Tax Returns H. C. Broadus, a deputy collector will be at the Dal-Paso Hotel on March 5, 1934 to assist taxpayers in filing their returns. No charge will be made for this service. The matter of filing income tax returns should be given immediate attention by all taxpayers who are due to file returns to avoid penalty and interest. Calendar year 1933 returns shall be filed not later than March 15, 1934, with the collector of internal-revenue for the district in which the taxpayer resides or has his principal place of business.

Mrs. Gus Bagdale, and daughter, Doris, Mrs. Murray McWhorter and Mrs. Busby were Lubbock visitors Saturday.

QUESTIONS AND ANSWERS ON CORN-HOG CONTRACTS AS EXPLAINED BY A & M E. S.

Question: Is a producer who owns, operates or controls more than one farming unit required to sign contracts covering all farming units?

Answer: No. He may sign a contract or contracts for one or more farming units, but no more than one farming unit may be covered by any one contract. He agrees, however: (a) Not to increase in 1934 the aggregate corn acreage on the land not under contract above the aggregate acreage for 1932-33 on such land; (b) Not to increase the aggregate of 1934 litters and the aggregate of hogs produced for market therefrom on land not under contract, owned and operated by him (which shall include control exercised under a stock-share agreement) over the respective aggregate annual averages for 1932-33 for such land.

Question: Can all of the corn acreage reduction payments be obtained by a landlord who reserves a part of the corn acreage and then rents the balance of the farm in 1934, but did not follow such a procedure in 1933?

Answer: No. Such renting would be a breach of the contract.

Question: If the producer is buying or renting a farm under an agreement or lease providing for payment in a fixed amount of a commodity, will the seller or landlord get a share of the payments under the contract?

Answer: No.

Question: Can a 4-H Club member receive a separate payment on his pigs?

Answer: No; this would not be possible as all pigs have to be included in the total numbers reported for the farm.

Sanitary Campaign Progressing Nicely

Question: Is the landlord who rents land under a share lease liable for the tenant's violation of the contract?

Answer: He is liable for violations of the contract on land owned or controlled by him on which are located contracted areas, and for hog production only if receiving a share of the hog reduction payment.

Question: What is the penalty if the producer has marketed before or holds for future marketing on the date of proof of compliance a number of hogs in excess of the number to which he has agreed to reduce hogs produced for market in 1934?

Answer: There may be deducted from the total hog reduction payment an amount of \$20 per head on each or any of the hogs in excess of the number allowed under the contract.

Question: If the number of pigs in the litters farrowed or to be farrowed is or may be above the number of hogs allowed for marketing, what can the producer do?

Answer: Among other things the producer may: (a) Reduce the number of fall litters; (b) Take the \$20 deduction per head for the surplus pigs on hand at the time of inspection; (c) Kill the weak or runty pigs to within the approximate number.

GOLF CLUB MEETING FRIDAY NIGHT

There will be a meeting of the local Golf Club on Friday night, February 23, at the West Texas Gas office. All members are urged to be present.

Jim Ellen Wells of O'Donnell visited Vanabel Clark here during the past week end.

Misses Alice Busby and Irma D. Palmer of O'Donnell were shopping in Lamesa Saturday.

Sanitary Campaign Progressing Nicely

The sanitary campaign which has been under way for the past few weeks is progressing in a very satisfactory manner, according to Mr. E. H. Lee, County Sanitary Supervisor. He said that most of the communities and schools have entered enthusiastically into the program and that a large number of the homes have ordered sanitary pit privies.

Installations have been made in the Munger, Five-Mile, Sparenberg, Ballard and Lamesa communities. People who have not visited one of these demonstrations and placed their order with the County Sanitary Supervisor are urged to do so at once.

It is expected that this campaign will greatly lower the incidence of typhoid fever as well as reduce the 2500 cases of dysentery, diarrhea, and enteritis that occurred in the state last year.

The cost for a sanitary pit privy is \$5.00. If this cost is prohibitive and a person desires a cheaper construction, they should see Mr. Lee to determine whether or not some substitution can be made in the original plans. It has been found that those constructed in compliance with the specifications of the State Department of Health are cheapest in the long run.

CORRECTION

Our attention has been called to last week's Courier where we stated Olon Earnest Seeker Re-election as Commissioner for Precinct 3. This should have been Mr. Earnest Seeker re-election as Commissioner for Precinct 1. We are very sorry this mistake was made and are glad to make this correction.

Stewardship Contest At Big Spring

The Woman's Missionary Union of Lamesa Baptist Association was creditably represented at Big Spring Saturday in the district Stewardship Declamation contests.

After local church eliminations those representing the Association were Katie Lee Randle, Sunbeam, Elmerine Barron, Junior Girls, Charles Jacobs, Junior boys, and Melba Fisher, Intermediate Girls. The first three named represented the First Baptist church, Lamesa, and Melba Fisher represented the Sparenberg church. Katie Lee Randle was awarded first place for Sunbeam in the district, Elmerine Barron and Charles Jacobs were awarded second

places and Melba Fisher was awarded first place in the district. Texas Baptist Convention has sponsored this contest for three years, and Lamesa Association has for two years led in the work along with other districts, in receiving first and second places. Bible were used as awards.

Local H. S. Girls Given Chance To Win Scholarships

University scholarships will be the goal of high school girls of this city who compete in a nation-wide essay contest just announced in detail to local teachers of home economics.

This educational project known as the national meat story contest, has been conducted annually since 1924 under the supervision of teachers in hundreds of high schools throughout the country, according to the National Livestock and Meat Board, its sponsor.

National, sectional and state winners are selected each year. Miss Merle Green, a Levelland girl, was the state champion of Texas last year. Contestants have until March 15 to get their essays in. These essays, judging from past years, will cover a wide range of subjects such as, meat in the balanced diet, the preparation of meat, meat in the economy budget, the importance of the live-stock and meat industry, etc.

Selection of the winning essays will be in the hands of a committee of eminent home economics authorities whose names will be made public at a little later date, according to the announcement. Dr. Louise Stanley, chief of the federal bureau of home economics, headed this committee last year.

Teachers say they have found this type of competition of value not only for the scholarships it affords but also for the training it provides in the interest of better home-making in the future, according to the Board.

The organization sponsoring this annual contest represents the entire livestock and meat industry. It is interested in extensive research in the subject of meat, working closely with leading colleges and the U. S. Department of Agriculture. The essay

Lamesa High School Offering Commercial Courses to Adults

Lamesa High School has taken advantage of the Federal and State educational provisions for offering commercial courses to adults now employed who wish to improve themselves educationally for their present work or for future employment. This was made possible by the local schools having the necessary room and equipment and by the fact that the commercial teacher, Miss Barnes, had previously had the required training and experience both in business circles and in teaching to enable her to obtain the special certificate required for teaching these courses.

Owing to the nature of the student body in these classes which meet beginning at 7:30 P. M., the plan is modified individual instruction thus enabling pupils to make progress more rapidly or more slowly, depending upon pupil effort and ability or time to devote to the respective subjects.

Unemployed persons 18 years of age or over may be admitted to these classes with the provision that 50 per cent of the class membership must be employed for part of full time. These provisions are not subject to change or modification by local school officials.

These classes are intended to continue until June 31st, 1934 and then if interest justifies, arrangements will be made for beginning another school year for these self improvement classes.

Instruction is now being given in Typewriting, Stenography, and book-keeping.

O. E. Witte of the OK community who has been ill for the last few weeks, has recovered and is able to be up again.

DISTRICT SUPERINTENDENT AT NAZARENE CHURCH

Rev. V. B. Atteberry of Abilene, District Superintendent of the Nazarene church will be at the local church on Friday night, Feb. 23.

This is Rev. Atteberry's first visit since the assembly last fall. Every body has a special invitation to come out and hear his sermon.

Mr. and Mrs. Ralph Stuart and son R. A. spent the past week end in Merkel. Mrs. Stuart's father, Mr. Christopher, returned home with them for a visit.

HERBERT SMITH

(The Clothing Merchant) SAYS—

"Too Many Overlook Value in Clothes And Gas"

HERBERT SMITH, the clothing merchant, found for a long time that price and style interested his customers more than actual value. No matter how fine a piece of material went into a suit of clothes, some people expected him to sell at shoddy prices. Today, Mr. Smith notices a change in the buying attitude of his customers. They ask, "How much wool is in it—will it wear—does it hold its press?" They have discovered that the biggest bargains are found when buying on value, as well as price and style.

Mr. Smith once complained about the price of gas, but his business has shown him a new principle that applies to gas also. Now he realizes that fair compensation is necessary for the fine gas service he is receiving. And he is willing to pay for it because he has seen the value of gas with other fuels and finds it worth every penny he spends. He has seen the highest amount that ever has been asked of him. Few people who read this advertisement are in the clothing business, but many of you can appreciate conclusions reached by Mr. Smith. The new attitude of his customers will enable him to give better service and to hold his position as a stable factor in the community.

Estimate 31,000 Farmers To Sign Corn-Hog Contracts

County agents have estimated that about 31,000 farmers would eventually sign contracts to reduce corn acreage 20 per cent, or hog litters and market hogs by 25 per cent, or both, in Texas. Should this estimate prove correct, and if the average reductions made by farmers who already have signed hold good for all signers Texas would cut out one-third of a million acres of corn this year, and reduce hog marketing by about 400,000 head. This should in no way cripple the living-at-home movement, it is said. For this reducing farmers will be paid 30 cents per bushel for the average corn production on these retired acres, and \$15 per head for the hogs taken from the market.

Little Eva Mae Wilson underwent an operation in a local hospital here last week. She is the daughter of C. E. Wilson. It is reported that she is doing nicely.

Basketball Team Has Imposing Record

An imposing record and one that will make fans sit up and take notice as well as all opponents, is the one hung up by the local high school basketball team under the coaching of coach L. F. Gregg. Here it is:

Played 21 games; lost 2 (one to Simmons Freshmen and one to Big Spring Steers). Scored in all games 963 points to opponents 432.

This team has had little trouble winning against the opposition and to date no team has scored more than 37 points against the locals. This was in the last Bronte game last Saturday evening. The locals in this game scored 54 points.

Now this team embarks for the real contest—real in the sense that if they win—and all predict they will—and then to the regional meet and then to the state—in the district basketball tournament this week end at Lubbock when some sixteen of the best teams in this section meet to vie for the district title.

Coach Gregg's charges who will make this trip are Britt, Gresham, Sturdivant, Costin, Smith, Echols, Cox, Meyers, Johnson, and Jordan. The Tornadoes go into the District meet a little handicapped in as much

as in the last Bronte game both Sturdivant and Smith sprained their ankles and of course will not be wholly well for these contests. They are able however to start in these games and will contribute as much as they can to the success of the team. Much strength lies in the fact that Gregg's reserve strength is strong.

OFFICIAL LIST OF SCHOOLS IN INTERSCHOLASTIC LEAGUE IN DAWSON COUNTY

An official list of Interscholastic League members for Dawson county was received by Director V. Z. Rogers this week. The list contains the names of the following schools:

Ackerly Elementary, Ackerly High, Ballard Elementary, Ballard High, Bartlett, Eason, Fairview Elementary, Fivemile, Hancock Elementary, Higginbotham, Key Elementary, Klondike Elementary, Klondike High, Lakeview Elementary, Lakeview High, Liberty, Lou, McCarty Elementary, McCarty High, Mullins Elementary, Mt. Olive, Munger, Natilee, Randle, Richardson, Shumake, Weaver Elementary, Wilson Elementary, Woody Elementary, Woody High.

Mr. Rogers states that the list as received and as printed above lists some of the schools as they were formerly classified instead of according to the new method, but that there is time to correct any errors.

Mrs. W. H. Bennett Announces for Office Of County Clerk

Mrs. W. H. Bennett has this week authorized the Courier to place her name in the political column as a candidate for the office of County Clerk, subject to the action of the Democratic Primary in July.

Mrs. Bennett is the wife of the late Dr. W. H. Bennett, who was associated with Dr. J. C. Loveless in the Loveless and Bennett Hospital until the time of his death. Dr. Bennett had practiced medicine in Lamesa for many years.

Mrs. Bennett promises if elected conscientious and faithful service in fulfilling the duties of County Clerk and asks the support of Dawson county voters in July.

March Is Month For Taking School Census

The month of March has been designated as the time for taking the scholastic census in this county. All supplies have been received by the county superintendent and will be distributed among the different census takers over the county in time that the work may start by the first of March.
