

Kennedy Names Panel For Negotiations

Nehru Decides India Needs U. S. Weapons

By HENRY S. BRADSHAW
NEW DELHI, India (AP)—India turned to the United States today for weapons to fight the Communist Chinese and was assured they would be sent soon.

Prime Minister Nehru asked U.S. Ambassador John Kenneth Galbraith for the weapons and an American Embassy spokesman said Galbraith indicated they are coming.

Almost simultaneously an Indian spokesman announced the loss of Dhemchok, the farthest thrust the Chinese have made southward at the western end of the fighting front.

The spokesman estimated between 2,000 and 2,500 Indian soldiers are dead or missing since the Chinese launched their offensive Oct. 20 and added the Chinese are believed to have suffered much heavier casualties.

Reinforcements were being rushed to Se Pass to try to head off at least one 10,000-man Chinese division moving from the key northeast border town of Towang, last week.

Despite setbacks such as the loss of Dhemchok India refused offers of mediation of the undeclared war with China.

A Foreign Ministry spokesman said "no self-respecting country, and certainly not India with her love of freedom, can submit to Chinese aggression, whatever may be the consequences, nor can India allow China's occupation of Indian territory to be used as a bargaining counter for dictating to India a settlement of differences regarding the boundary on China's terms."

American infantry weapons for the Indian defenders in the Himalayas may begin arriving by air by the end of this week, it was understood.

The terms on which the weapons will be supplied were left open, a U.S. Embassy spokesman said. In the past India has insisted on paying for weapons but now there is no cash and a desperate need for arms.

A small shipment of British weapons has already arrived, France and Canada have also

been asked to supply arms. The feeling here is that only the United States can provide the amount of weapons needed.

Galbraith delivered to Nehru a letter from President Kennedy expressing sympathy for India in its present emergency and "something more tangible," the spokesman said. In response Nehru made the first direct request for American arms.

Details of weapons needed are now being discussed with Indian military men, the spokesman said.

If the line at Se Pass does not hold, the next stand for the beleaguered Indians probably would be at Bomdila, last important pass on the way to the Assam Plains.

A fair road connects Bomdila with the plains, enabling the Indian army to bring up light tanks and overcome a supply weakness partly responsible for some of the steady reverses of the nine-day-old border war.

Hard fighting also was indicated on the Ladakh front, some 850 miles westward along the jagged Himalayan frontier. The Indians said one post was lost there when the Chinese opened an attack around Dhemchok in overwhelming numbers with rapid-firing weapons.

The battleground there is nearly three miles high. Dhemchok is close to the undefined border of Kashmir, and the attack constitutes the farthest southward Chinese thrust in the western sector.

FATAL CRASH—Two men attach lines from a wrecker to a 1960 Cadillac which was involved in a two-car collision late Sunday east of Snyder. Mrs. Roy Lee Warren, 77, of Big Spring, a passenger in the Cadillac, was killed, and her husband was seriously injured. Johnny Harold Garner, 25, of Midland, driver of the other car involved, also was injured.

One Dead, Two Hurt In Highway Collision

One person was dead and two were hospitalized as the result of a near head-on collision Sunday night about 6 o'clock 5.3 miles east of Snyder on the Roby Highway.

Mrs. Neen Harris Warren, 77, was dead on arrival at Codell Hospital where she was taken by Bolger Ambulance Service. Her husband, Roy Lee Warren, was admitted to the hospital for treatment of a leg injury and severe head cuts. His condition this morning was described as "serious but not critical."

Mr. Warren is a former county clerk of Howard County. He presently lives in Big Spring on the Knott Route.

The 1960 Cadillac in which the Warrens were riding collided with a 1955 Pontiac driven by Johnny Harold Garner, 25, of Midland. He also was taken to Codell Hospital by Bolger Ambulance Service where his condition this morning was described as "good." He was said to be suffering from severe lacerations, but there were no broken bones. A black greyhound dog in the Garner car was killed in the collision.

The Warren car was traveling west at the time of the accident, and although reportedly en route from Wichita Falls to Midland at the time, the Garner car was traveling east. Witnesses reported that both cars swerved seconds before the impact. The cars met near the middle of the pavement.

No skid marks were visible, according to Wendell Rehm, Texas Highway Patrolman who investigated.

Funeral services for Mrs. Warren are pending at Bolger Funeral Home. In addition to her husband, she is survived by one son, Hal C. Farley of Dallas and one sister, Mrs. T. L. Lollar of Snyder.

he expects to remain in firm control of proceedings.

Questions grew complicated as the defense sought to determine whether prospective jurors, admitting they had heard and read about the Estes case, could reach a verdict based solely on evidence heard here and instructions from the court.

Dist. Atty. R. B. McGowan, 33, of Monahans, who heads the prosecution, objected repeatedly that the defense went too far in trying to prove bias based on prior information.

Judge Dunagan on several occasions asked jury panelists questions, observing that he wanted to be sure of their qualifications. Chief defense lawyer John C. Coffey, 64, of Austin interrupted at one point that "I object to the judge is taking in acting as the prosecutor in this case."

Overruling the objection, Judge Dunagan softly replied it was his responsibility to see that the law was made clear. He added: "I don't need you to tell me when it's time to run this court. I'm presiding over the court at all times."

Representing the state along with McGowan are Reeves County Atty. Douglas Glover of Pecos, Dist. Atty. Weldon Holcomb of Tyler, and Frank McFoney, who has become a special assistant to the state attorney general since the Korean War wound led to his release from the regular army.

Backing Coffey for the defense are his son, Hulse Coffey, also of Austin; John Dennison, a Pecos lawyer, and J. Byron Saunders, former state insurance commissioner who now practices law in Tyler.

McCloy To Head Group

WASHINGTON (AP)—President Kennedy set up a special three-man committee today to handle negotiations looking toward an end to the Cuban crisis.

Kennedy designated John J. McCloy, who he previously had appointed special assistant to U.N. Ambassador Adlai Stevenson during the period of the Cuban emergency, as chairman of the group.

The other members are Undersecretary of State George W. Ball and Deputy Secretary of Defense Roswell L. Gilpatrick.

White House press secretary Pierre Salinger described the group as "a coordinating committee to give full time and attention to the matters involved in the conclusion of the Cuban crisis."

He said the group would report directly to the President but act under the supervision of the three officials concerned. These are Secretary of State Dean Rusk, Secretary of Defense Robert S. McNamara, and Stevenson.

Ball and Gilpatrick left for New York after attending the daily meeting of the executive committee of the National Security Council this morning. McCloy already was in New York.

Salinger said the coordinating committee would function in New York.

The press secretary said it would be concerned with "implementing the letters of President Kennedy and Premier Khrushchev."

In these letters, exchanged over the weekend, Soviet Premier Khrushchev pledged dismantling of Soviet bases in Cuba and a halt to the delivery of offensive weapons to the Castro regime in return for an end to the U.S. blockade and a no-invasion pledge.

Khrushchev has dispatched Deputy Foreign Minister Vasily Kuznetsov to the United Nations to work with Acting Secretary-General Thant in dealing with the many details involved in a settlement.

Salinger said he had no information as to whether McCloy, Ball and Gilpatrick would accompany U Thant to Havana Tuesday to meet with Cuban Prime Minister Fidel Castro and devise methods of confirming that the Soviet offensive weapons are removed.

The National Security Council's executive committee met for an hour today and will continue to convene daily at the White House for the time being, Salinger said.

Washington policymakers held hope—mixed with liberal doses of caution—that a breakthrough has been scored in the U.S.-Soviet confrontation that bordered on potential nuclear conflict.

Khrushchev's pledge was hailed in Western capitals as a stunning victory for the United States.

Informed sources said there were no deals or secret understandings between the Soviet leader's offer to dismantle the Cuban bases and return their rockets to the Soviet Union. The

only price he asked was a guarantee, which Kennedy gave, that the United States would not invade Cuba.

American diplomats focused on working out arrangements for U.N. inspection of the withdrawal from Cuba of the "grim weapons" which Khrushchev, under threat of forceful U.S. action, dramatically announced he would ship back to the Soviet Union.

U.N. Acting Secretary-General U Thant arranged to fly to Cuba Tuesday. The U.S. hope is that he can take with him a workable inspection plan to present to Prime Minister Fidel Castro.

Khrushchev sent Deputy Foreign Minister Vasily Kuznetsov to New York to negotiate. He said on his arrival Sunday night "we are sure peace can be achieved if all parties concerned will exercise good will and a reasonable approach."

Militarily, the U.S. Navy marked time while Soviet ships once headed for Cuba stayed from two to three days' sailing time away. The State Department announced that while the quarantine against offensive weapons shipments to Cuba continues, it expects no interceptions by the U.S. blockaders.

Washington authorities said they did not know at the moment whether the building of Soviet missile sites in Cuba—reported proceeding at a rapid pace Saturday—had stopped. They expected a speedy dispatch of a U.N. team to Cuba would help check that.

Removal of the rockets and jet bombers which the Soviet Union has been shipping to Cuba is the prime U.S. goal.

Khrushchev agreed to de-fuse the missile bases in a letter to Kennedy made public Sunday morning in Moscow. The Soviet leader said "the interests of peace" guided his decision.

Obviously eager to match his adversary's conciliatory tone, Kennedy stated in a public statement praising Khrushchev's decision as statesmanlike and as "an important and constructive contribution to peace."

In a quick reply to the premier, Kennedy said Khrushchev had made possible "a step back from danger."

This historic exchange climaxed a week of nerve-jangling events. The first momentous step was Kennedy's announcement Monday night that he was ordering a quarantine of offensive arms shipments to Cuba. If the Soviet Union refused to abide by the blockade the cold war could turn hot.

Khrushchev chose to back down. Red ships reported to be carrying offensive weapons to Cuba turned around. On Saturday he offered to eliminate Soviet nuclear missiles in Cuba if the United States would withdraw its missiles from Turkey. The president quickly rejected this proposal.

Storms Move To South, East Texas

Thunderstorms touched off by a cool front had moved into South and East Texas today.

A squall line moved through the Snyder area late Saturday and early Sunday, dumping 1.25 inches of rain which fell during a brilliant electrical display.

Violent thunderstorms were reported in some areas Sunday, as the storms moved south and east.

Rain-soaked highways were a contributing factor in three traffic accidents that claimed a total of eight lives.

An unconfirmed tornado smashed a barn, uprooted trees and moved a barn across a road south of Boerne. Approximately five inches of rain and hail accompanied the storm.

Two other South Texas areas were hit by violent storms. High winds whipped roofing from 60 units of New Braunfels motel. A plate glass window was blown out in the downtown area and trees were uprooted.

In East Texas, a school at Pittsburg suffered an estimated \$50,000 damage and the roofs of 40 homes were damaged by wind.

Heavy, choppy weather was forecast for Tuesday.

was reported at Canton.

Dallas reported 2.80 inches of rain for the 24 hours ending at 6 p.m. Monday. Fort Worth had 2.23, Wichita Falls 1.41, Abilene 1.41, Austin .86, and College Station .66 while lesser amounts were reported at Alpine, Amarillo, Childress, Houston, Junction and Waco. Palacios had approximately 3 inches and Beaumont an inch.

Thunderstorms continued along the coast and on the South Plains early Monday. Skies before dawn were clear in the Panhandle and Southwest Texas and partly cloudy to cloudy elsewhere.

Free-dawn temperatures ranged from 24 degrees at Dalhart to 72 at Amarillo and Lubbock to 66 degrees at Laredo.

The forecasts called for considerable cloudiness over the state Monday with widely scattered showers in the central and east portions and in East Texas Monday night. Slightly cooler temperatures were predicted for the state Tuesday night. Clear to partly choppy weather was forecast for Tuesday.

U Thant Planning Quick Cuban Trip

By WILLIAM N. OATIS
UNITED NATIONS, N.Y. (AP)—U.N. acting Secretary-General U Thant scheduled more talks with Soviet and U.S. officials today and made hurried plans for a trip to Cuba in an urgent effort to tie down a Soviet-American deal settling the Cuban crisis.

Thant was to confer separately with Soviet First Deputy Foreign Minister Vasily V. Kuznetsov, chief U.S. delegate Adlai E. Stevenson and Cuban chief delegate Mario Garcia-Inchausti.

The secretary-general and a dozen aides will fly to Havana Tuesday to begin arrangements for U.N. supervision of the withdrawal of Soviet missiles which premier Khrushchev and President Kennedy agreed to in an exchange of letters Sunday. Thant goes to Cuba at Prime Minister Fidel Castro's invitation.

Castro last Tuesday rejected U.N. observers in Cuba. It was assumed here Khrushchev's reversal of the Soviet position on the missile bases also reversed Castro's opposition to observers.

Kuznetsov arrived from Moscow Sunday night and told newsmen, "We are sure peace can be achieved if all parties concerned will exercise good will and a reasonable approach."

Stevenson saw Thant Sunday morning and received a letter from the secretary-general to Kennedy. Sunday night he delivered the President's reply.

The contents were kept secret. But after Stevenson's second call on Thant, a U.S. source said the central problem was that the United States still has no information that Soviet missile bases in Cuba were being dismantled as pledged by Khrushchev.

The source said the United States expected prompt action from the United Nations. Earlier, an informed diplomat reported that Stevenson told a meeting of Allied delegates Saturday the United States would bomb the missile bases unless their construction stopped soon and their dismantling was guaranteed.

UF's Merit Award Score

A number of Snyder and Scurry county organizations have already qualified for United Fund merit awards. The awards are presented to those groups which achieve at least 90 per cent participation by all employees with a total contribution equal to at least 50 per cent of one day's pay for all employees in that group.

Winners to date of this award in this year's United Fund drive have been:

Southwestern Bell Telephone Co. (Plant Dept.), and Communications Workers of America, Local 6002.

Feather Printing Company, Lincoln School and Cafeteria, City of Snyder, General Government Department, City of Snyder, Sanitation Department, Scurry County, District Attorney's Office.

Snyder Daily News.

United Fund Drive Chief Urges Push

In a meeting this morning with United Fund division chairmen, E. H. Williamson, general campaign chairman, asked them to meet with their team captains this afternoon and urge them to workers complete assignments by Tuesday afternoon. The next report meeting for the group is set for 3 p.m., Tuesday, at the Scurry County Boy's Club.

As an example of the work remaining to be done, Williamson cited the experience of the employe division. This division started to work with 180 firms to be called on. To date, 34 of the kits have been turned in with favorable results, as they show both an increase in participation and amount of giving over last year.

It was concluded that if the trend could be maintained in this, and other divisions, and all divisions would complete their work this week, then the 1962 Scurry County United Fund would have achieved the enviable record of having raised the funds requested by the participating agencies in the allotted amount of time.

Those present at the meeting agreed that it should be re-emphasized that Scurry Countyans are not being asked to "give TO the United Fund," but, rather, they are being asked to "give THROUGH the United Fund" to the six participating agencies—Red Cross, Salvation Army, Scurry County Boy's Club, Boy Scouts, Girl Scouts, and USO.

"UF-6-SIX THIS FALL, SUPPORT THEM ALL!"

WEATHER

SNYDER TEMPERATURES: High Sunday 78 degrees, low 54 degrees; High Monday 72 degrees, low 54 degrees; High Tuesday 72 degrees, low 54 degrees.

TOP-HAT OF WHITE SNOW—A snow cap decorates this public phone booth on the Mall in Kalamazoo, Mich., after nearly 12 inches of early-season snow fell. Auto traffic in the city was snarled by the heavy snow, as the mercury dipped to 17 degrees. (AP Wirephoto)

SECOND CHLORINE TANK COMES UP OKAY—A second tank of deadly chlorine is shown being brought up by engineers from the Mississippi River near Natchez, Miss., without incident. The tank swung toward a waiting barge for a trip down river. Two more of the deadly chlorine filled tanks are to be removed from the river at an early date. (AP Wirephoto)

Tighter Controls On Imports Seen

By MAX B. SKELTON
DALLAS (AP) — The president of the Independent Petroleum Association of America (IPAA) said today he is confident oil imports controls will be strengthened.

T. L. Steele, Former PD Chief, Dies

BIG SPRING—Travis L. Steele, 56, veteran peace officer and former Snyder Police Chief, died here at 9:30 p.m. Sunday, apparently of a heart attack.

Mr. Steele had been ill for about two weeks, but had planned to resume work with the Big Spring Police Department this week.

Funeral services have been set for 2 p.m. Tuesday at the Fourteenth and Main Church of Christ with C. Dale Brooks, minister of the Pioneer Park Church of Christ in Lubbock officiating. He will be assisted by the minister of the local church, Curtis Campbell.

Burial will be in the City Cemetery following Masonic graveside rites. Nalley-Pickles Funeral Home is in charge of arrangements.

Mr. Steele was born Feb. 18, 1906 in Corsicana.

He resigned his position as Snyder Police Chief in June of 1955 because of a heart condition. He had been on the police force in Snyder during the oil boom days and later had served on the Big Spring police force before he became chief of the Snyder Police Department in 1955.

He is survived by his wife, Mrs. Ida Mae Steele of Big Spring; two sons, James Richard Steele of Richardson and H. Lee Steele of Midland; a step-son, Billy Cooke of Big Spring; step-daughters, Mrs. Delores McQuistan of Big Spring and Mrs. Sam Jones of Snyder; his mother, Mrs. Carrie Steele of Corsicana; four brothers, Raymond of Odessa, Homer of Odessa, Elery of Gladewater and Edward of Corsicana. Nine grandchildren also survive.

Balance Of Payments Deficit Up

By FRANK CORMIER
WASHINGTON (AP) — The U.S. balance of payments deficit registered a threefold increase in the July-September quarter, reaching an annual rate of \$2.8 billion.

The sharp step-up from the April-June rate of \$872 million was attributed largely to a quick reversal of the large flow of capital from Canada that helped reduce the U.S. payments deficit earlier in the year.

Although Treasury officials had said there was a third-quarter increase in the deficit, the first accounting came today in a report issued by the Federal Reserve Board.

The lead article in the October Federal Reserve Bulletin said the deficit rate in the first nine months of the year was about \$1.8 billion, based on preliminary estimates.

No third-quarter rate was given but the \$2.8-billion figure was easily calculated from what was known about capital movements earlier in the year.

The payments deficit represents the difference between the amount that Americans spend to send and invest abroad and the lesser amount received from foreign sources. Deficits give foreigners extra dollars which they may use to buy American goods.

On Thursday, the reserve board reported foreign purchases of an other \$50 million of gold, which reduced the U.S. supply to a new 23-year low of \$16 billion.

Despite the third-quarter setback in government efforts to reduce the payments deficit, officials said they remain optimistic that the long-standing problem can be solved in the next year or two.

AT ABWA—Mrs. Dewey Odom, center, presented an interesting program at the ABWA meeting recently. Pictured above with her are two members of the club, Mrs. Hazel Berry, left, and Mrs. Vondell King.

Tour Of Europe Related

The American Business Women's Association held their regular monthly meeting Thursday evening at the Martha Ann Woman's Club. Elizabeth Herring, president, served as hostess.

Delightful food was served to members and guests. Tommie Vandiver, Linda Leech, Roberta Taylor, Jan Roberts and Kaye Pope.

Inez Teaff introduced the speaker of the evening, Mrs. Ralph Odom, who took the group on an European tour with colored slides and orientation. Mrs. Odom was one of 120 persons from the U.S. taking the tour, including Dr. Leonard D. Peale.

The tour pilgrimage left New York on June 24, visiting London, Paris, Rome, Cairo, Beirut, Damascus, Jerusalem, Galilee in Israel, Athens, and Switzerland.

Some of the highlights of the tour were the beautiful Piazza, fountains and charming streets of the ancient and modern city of Rome. The fascinating highway of history along the River Nile in Cairo. The oldest continuously inhabited cities in the world, Damascus; visiting the tomb of John the Baptist, the city of Jerusalem, Dead Sea, Jordan River, Mount of Olives, Garden of Gethsemane, and many more Biblical places of interest in Tel Aviv, Athens and Geneva.

The group returned to the U.S. on July 28.

Union 4-H Club Meeting Held

The Union 4-H Club met at the community center Thursday with Rebecca Huddleston as hostess.

The program for group one was on making peanut butter cookies. Group two made yeast rolls.

Those present were: Barbara Tate, Alma Worley, Lou Alice Mathis, Regina Butler, Sherrell Mayfield, Jeannie Craig, Martha Stephens, Judy Tate, Sheila Prescott, Shirley Craig, Elaine McArthur, Janice Rhodes, Clara Ann Meadows, Susan Greenby, Rebecca Huddleston and two new members, Vickie Burney and Mary Rhinehart.

Science Program Heard By Altrurian Daughters

Mrs. Ophelia Blackard was hostess for the most recent meeting of Altrurian Daughters Study Club. She served dessert to 17 members, who then moved to the High School Science department.

Mrs. Charles Cooper was in charge of the program on "What's New in Science." She introduced Mrs. Rita Carter who presented the program. Mrs. Carter, High School science instructor, was assisted in several experiments by Jimmy Walker, a student.

Mrs. Carter said in part: "Today, 1962, we stand on a dizzy peak of scientific success, with a climb of astonishing and sometimes disastrous slope behind us. The rate at which science was advancing had already become astonishing as the 20th Century opened. From 1800 to 1930 scientists probed within the atom and worked out a neat picture of what they found."

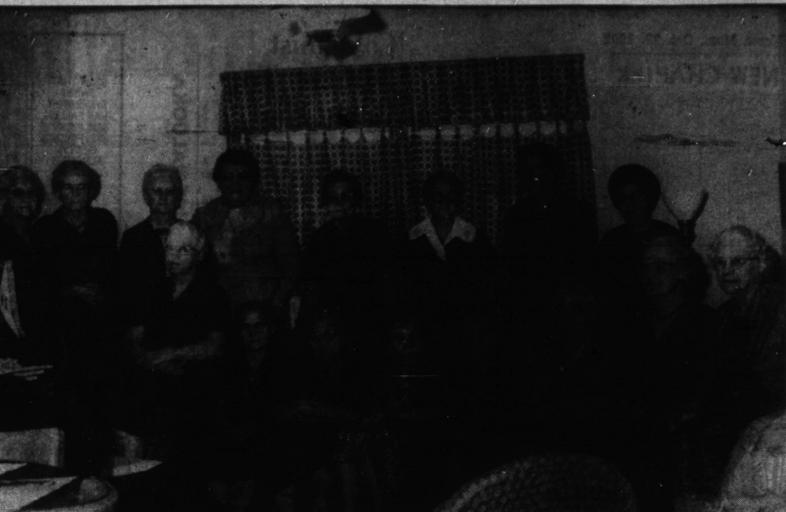

"But, with everything apparently in place, new discoveries suddenly burst forth under the pressure of war and the danger of war. The nuclear physicist suddenly became the giant of our times."

"What he has learned, and shared with the world, has changed all our lives beyond recognition. It forces us to live with the possibility of death either instant or long-drawn-out and horrible, at any moment. It also allows us to live with the dream of a golden age for our children and their children."

"Man's concept of truth is constantly changing and what we learned as truth in our college days is no longer truth today. Looking back over the last 25 years, the editors of Science Digest have compiled what, in their opinion, were the most vital scientific and technological developments of the period."

TOP TV TONIGHT

- 8:00 CBS "Danny Thomas"**—Guest star Bill Dana, as Jose Jimenez, the elevator operator in the apartment building where Danny lives, tricks Charley Halper into renting him his Copa Club for an unbelievably low figure. When Charley learns why Jose wants the club, it softens his attitude and he suddenly feels like a big man.
- "OTHER HIGHLIGHTS"**
8:30 ABC "The Cheyenne Show"—An Indian brings two sacks of gold to town, revealing the existence of a cache on the reservation, and arousing the interests of Charlie Feeney, Cheyenne and Sheriff Gilgore risk death when they enter the reservation to clean out prospectors.
- 8:30 NBC "It's a Man's World"—Wes and Irene, tired of watching their young friends live it up while they work endlessly at their chores, set out to win some time alone with each other. The couple are played by Glenn Corbett and Jan Morris. Harry Harvey Sr. is the role of Mr. Scott.
- 7:30 CBS "Lucy"—To eliminate the household hassle about who should mow the lawn, Lucy and Vivian buy a sheep to keep it trimmed. As an unsolicited service, the sheep bleats all night long, keeping the neighbors awake and generating vigorous complaints.
- 7:30 ABC "The Rifleman"—

CHURCH LADIES HONORED — This group of senior members of the Thirty-seventh Street Church of Christ were honored with a luncheon Friday at the home of Mrs. Jack Finley, 4012 Irving Street. The ladies whose ages are all over 60 ate lunch from individual tables decorated in the fall theme with miniature cornucopias filled with flowers centering each. Mrs. C. B. White was the eldest, she will be 89 in December. Pictured from left seated, Mmes. S. H. Knight, G. O. Wilson, Zeroh Milholland, J. N. Crews, C. B. White, H. R. Lieb, Lillian Hardy, R. L. Haynie, standing, A. J. Logan, J. D. Cozart, C. E. Trussell, Ann Wolfe of Columbia, Ohio, Geneva Thompson, Joe Hackworth, B. B. Reece and T. R. Martin.

Ira Carnival Set For Tuesday

The Ira P-TA carnival will be held Oct. 30. The luncheon will open at 5 p.m. They will serve chili, hot dogs, sandwiches, cake, pie, hot and cold drinks.

The gym will open at 6 p.m. with a bang. Each grade has a booth with all kinds of games to play with a variety of prizes. The booths will be open until 9 o'clock.

The coronation of King and Queen of high school and the Prince and Princess of grade school will be crowned at 9:30.

The public is cordially invited to attend and help their favorite class be the winner.

Miss Tankersley Plans December Wedding

Mr. and Mrs. C. L. Tankersley of Mertzon, have announced the engagement and approaching marriage of their daughter, Evelyn Annette, to Roy Williams, son of the Cecil Williams of Eldorado.

A December wedding is planned.

Miss Tankersley has been a teacher for several years in the Snyder Public School system and makes her home at 2308 Thirty-second Street.

DUNN NEWS

By ELWANDA STEWART

Recent guests of Mr. and Mrs. Grady White and Joyce included Mr. and Mrs. Foy White and son of Big Spring, Mr. and Mrs. Albert Joe Roemisch and children of Hermleigh, Mr. and Mrs. Johnny Bond and Mr. and Mrs. Ronney Autry of Snyder.

Mr. and Mrs. Royce Fambro of Abilene were weekend guests of Mr. and Mrs. L. A. Scott and Brownie. They accompanied the Scott family to Midland. Joe Scott has returned to active duty with the U.S. Army Medical Corps at El Paso, after a 30-day leave. He visited his parents, Mr. and Mrs. L. A. Scott and his grandmother, Mrs. G. N. Allen.

The members of Dunn Methodist Church observed Layman's Day Sunday with Russell Payne of Lakeview doing the speaking. After the morning services the group had a basket dinner at the community center.

Elthel Fernatter of Nashville, Ark. spent the past week visiting Mrs. Bettie Smith. The two ladies along with Mrs. Neal Payne, visited Mr. and Mrs. Diddy Smith in Welch recently. Mrs. L. E. Russell accompanied the group to Lamesa and visited Mrs. Mattie Wade.

Mrs. Bill Bayless, Susan, Bill and Cynthia of Odessa spent the weekend visiting Mr. and Mrs. Fred Cotton.

Mr. and Mrs. Hollis Russell of Amarillo visited his mother, Mrs. L. E. Russell Tuesday.

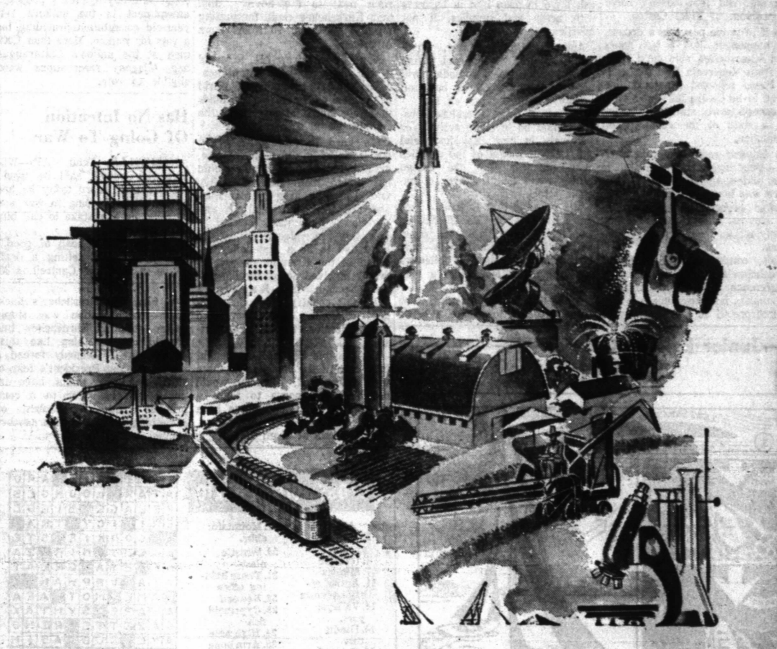

Mr. and Mrs. Fred Cary of Pampa spent the past weekend visiting Mr. and Mrs. Ollie Richardson. They also visited Mr. and Mrs. George Richardson in Snyder.

Mr. and Mrs. James Chandler and Steven of Post visited Mr. and Mrs. Eunice Goodlett and children Sunday.

Mr. and Mrs. L. T. Nail and Jim visited Mr. and Mrs. Steve Nail and children in Snyder Sunday.

Mr. John Brown returned home Wednesday from a trip to East Texas to visit relatives. He was accompanied by his brother, Mr. Curtis Brown of Odessa.

Soviet Backdown Is Victory, But Doesn't Assure Peace

By JAMES MARLOW
Associated Press News—Premier Khrushchev's backdown on Cuba gives President Kennedy a victory but any appearance of peace is illusory and temporary, for Cuba and elsewhere.

Nevertheless, some of the Soviet and Cuban actions in this crisis look stupid if not nutty. The biggest unanswered question still is: Why did Khrushchev decide to put missile bases in Cuba in the first place?

He took the shock out of the crisis Sunday with his astonishingly mild agreement to pull his missiles out. But that doesn't solve the problem of Fidel Castro.

As if to prove peace is a dream, this happened: Just a few hours after Khrushchev said he'd backed up, from Venezuela The Associated Press reported saboteurs, believed to be Castro followers, blew up enough power stations to knock out a sixth of the country's oil production.

A Havana radio signal instructing Venezuelan Communists to take action against the oil fields there was heard by U.S. and Venezuelan government sources. Radio Havana was reported calling openly for an insurrection in Honduras.

This, coming on the heels of Khrushchev's protest against any interference with the Cuban people, makes no sense unless it can be interpreted as Castro's way of

showing that, even without Soviet missiles, he intends to be a menace.

From Miami The Associated Press reported Cuban exile leaders shrugged at Khrushchev's decision to withdraw the missiles and proceeded with their anti-Castro terrorism.

Revolutionary Council President Jose Miro Cardona said: "The council is continuing its struggle for overthrow of the Communist dictatorship."

Khrushchev, if only to avoid the demoralizing effect on other Latin-American Communists that abandoning Castro would mean, will have to keep him in business with arms and supplies, if not missiles.

And the United States, which has kept alive the hope of Cuban refugees that they someday will be able to throw Castro out, can hardly change course on that.

Sooner or later, therefore, Castro should be involved actively or passively in new explosions, and all the withdrawal of the missiles may mean is that the United States won't be in danger of nuclear attack.

It's possible that Castro—sold down the river by Khrushchev on the missiles, at least, to avoid war with the United States—may be bounced by his own followers in Cuba. That looks like a long shot now.

Meanwhile, the Russians, who were expected to create a crisis

Columnist Returns To Open Mail

By HAL BOYLE
NEW YORK (AP)—Things a columnist might never know if he didn't open his mail:

Americans, often denounced abroad as dollar mad, remain the world's most cheerful givers. Private philanthropy by individuals and foundations last year reached a record \$8.7 billion of which \$4.3 billion was donated to churches.

Dr. Jonathan B. Gill, Boston psychiatrist, observes that a race horse is an animal which can take thousands of people for a ride at the same time.

The first atomic-powered submarine, the USS Nautilus, has traveled over 60,000 miles in three years on just a few pounds of uranium which gave as much energy as three million gallons of oil.

Everybody complains about the high cost now of being ill. A hundred years ago St. Vincent's Hospital here stated this policy: "Terms for admission are \$3 a week."

"We spend half our lives unlearning the follies transmitted to us by our parents, and the other half transmitting our own follies to our offspring"—Isaac Goldberg.

Do you ever feel your one vote isn't important? California, Idaho, Texas, Oregon, and Washington became states by margins of a single vote in Congress.

Of the Pilgrims who came to America on the first voyage of the Mayflower and survived the first terrible winter, most lived to a ripe old age than did other members of the Pilgrim faith who remained in Holland and England.

One of three persons on earth worships Jesus Christ. A billion of the world's estimated three billion people belong to one of the 200 Christian sects.

"A true friend is one who laughs at your old jokes instead of chucking over your new misdeeds"—Catholic Digest.

It was Thomas Robert Dewar who said: "The road to success is filled with women pushing their husbands along."

Indian Women Not Allowed To Vote

RED HOUSE, N.Y. (AP)—For the third time since 1956, the women of the Seneca Nation of Indians have been denied the right to vote in tribal affairs.

Indian men, by a vote of 120-106, voted Saturday against a proposed amendment to the nation's 114-year-old constitution providing for a vote for women. More than 1,000 men at the nation's Cattaraugus and Allegany reservations were eligible to vote.

Has No Intention Of Going To War

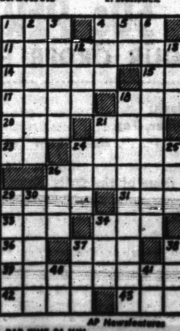

NASHVILLE, Tenn. (AP)—William R. Cantrell said he would tell his draft board today he has no intention of going to war and it would be a mistake to call him up.

"I'd do 'em a heap of good," he snorted after getting a draft notice in the mail. Cantrell is 36.

In view of Khrushchev's backdown—the operation was stupid unless possibly Khrushchev had banked on something like this: That even if Kennedy forced a showdown, the President's fear of starting a war might have induced him to agree to a compromise with Khrushchev of something else Khrushchev wanted badly.

Junior Editors Quiz on SAILING

QUESTION: How do sailboats sail into the wind?

ANSWER: The two boats in our picture can both sail up to the lighthouse, even though the wind is coming toward them. No boat can sail directly into the wind. However, a boat can sail at an angle of about 45 degrees from the wind's "eye." To get where the skippers want them to go these boats are sailing in zig zag courses, which is what sailors call "beating to windward." How can a boat sail against the wind at all? Because, as shown in the cross-section of an airplane wing (1), the air moves faster over the curved top, so there is less air pressure there. This allows the air pressure below to hold the plane up. Looking down — about (2) we see its sails are also curved. The little arrows on the left indicate air pressure built up in the direction of big arrow A. But the keel or center-board of the boat, deep in the water, prevents the boat from going in the direction of A. Instead the boat takes the path of least resistance, towards B.

ON YOU TO DO: Learn some sailor talk. Important is that dealing with the direction of the wind. Everything toward the wind is "to windward," such as a windward shore, the windward side of the boat. Things away from wind are to leeward, pronounced "loo-ay."

—Dennis

(Thomas Hayward of Alton, Ill. wins \$10 for this question. Mail yours on a postcard to Junior Editors in care of this newspaper, and you may win \$10 or the weekly grand prize of a set of Britannica Junior Encyclopedia.)

Wichita Falls-Irving Tilt Heads Up Slate

By The Associated Press
Wichita Falls, defending champion of Class AAAA and winner of 20 straight, plays its second game in search of a district title this week to headline action in the upper classes of schoolboy football.

The Coyotes, who started out last week with a 28-0 win over Fort Samuell might sew up the District 6 AAAA championship for practical purposes if the unbeaten, untied Dallas team can take out Dallas Jefferson Friday.

Professionals
Deal Amateurs
Sound Lashing

another unbeaten, untied team Friday.

Dumas, king of Class AAA, plays its second conference game with Littlefield. The Demons walloped Levelland 34-0 in their district start last week.

Pro Results

Professional Football Standing BY THE ASSOCIATED PRESS

National League
 Eastern Conference

DALLAS, Tex. (AP)—The pros' season of the amateur circuit is a Cup Matches like they've seldom ever been demolished.

The team captained by Byron Nelson virtually swept the singles matches Saturday and putting this into the victory 5-4.

On Saturday, the professionals compiled 104.5 points to 47 1/2 for the amon pros.

The pros won seven singles matches as Don January beat Kermit Case 2-1, Nelson edged John Paul Cain 2 and 1, Tom Burke took out Charles Cooper 1-up, Ross Collins whipped Frank Luke 2-up, Bobby Morris won over Kier 2-1 and 1, Doug Higgins beat Fred Mart 3 and 1, and Phil Bradley won over Richard Yates 3 and 2.

The amateurs won three with John Farquhar beating Dick Turner 2-up, Homero Blancas trimming Earl Stewart 2 and 1 and Ed House defeating Tod Menendez 2 and 1.

January and Blancas were five-under-par for low scores of the matches. Nelson, Stewart and Burke each was four under.

Brownwood plays a traditional game, tangling with Breckenridge. This time Brownwood will be the overwhelming favorite.

The feature game in conference warfare comes in Dist. 9 AAAA where Houston Jones meets Houston Bellaire. Both are undefeated in the district.

The AAAA schedule, with all games played at 11 a.m. on Saturday:

1. Thursday: Yates at P. Ross Burgess; 2. Friday: Ross Burgess at P. Case; 3. Friday: P. Case at P. Case; 4. Friday: P. Case at P. Case; 5. Friday: P. Case at P. Case; 6. Friday: P. Case at P. Here's how the nation's top ten college football teams fared in today's games:

1. Texas 5-0-1 tied Rice 14-14.
2. Alabama 5-0-1 beat Tulsa 35-0.
3. Northwestern (5-0) beat Notre Dame 35-6.
4. Southern California (5-0) beat Indiana 28-16.
5. Wisconsin (4-1) lost to Ohio State 14-7.
6. Louisiana State (5-0-1) beat Florida 20-0.
7. Mississippi (5-0) beat Vanderbilt 25-0.
8. Washington (4-0-2) tied Iowa 14-14.
9. Arkansas (5-1) beat Hardinhampton 49-7.
10. Michigan State (4-1) beat Illinois 35-6.

have gone this far playing teams that had them outmanned as they outweighed as much as 50 pounds to the man and come through with two victories—no one expects them to win, nobody will be surprised if they give Texas a tough battle.

As long as John Hughes, who has intercepted six passes and broken up scores of others and can make more tackles than any other two players, stays in shape and as long as sophomore Danny Thomas kicks the ball for an average of better-than-40 yards a play, it is not surprising that he plays it cool as a cucumber, then, Sorensen Methodist will have a chance of falling even with the likes of the nation's No. 1 team—Texas.

Hughes tried an end position as a freshman and never got high

Tittle Rifles Seven Scoring Strikes To Push Giants Home

BY JACK CLARY

Associated Press Sports Writer

Y. A. Tittle, a pin-point passer extraordinary, sent the title chances of the New York Giants soaring in the Eastern Division of the National Football League after his astounding lead-blocking performance that punctured the Washington Redskins' bubble.

Title, bald dean of the NFL's quarterbacks at a very young age, took apart the Redskins piece-by-piece Sunday with a display of aerial wizardry that equaled the fabled Sid Luckman's single-game record of seven touchdowns.

His efforts propelled the Giants to a resounding 69-34 victory over a previously unbeaten 'Skins.

The victory left New York with a 5-3 mark as the NFL season crossed the halfway point, but the Giants were still in second place in the Eastern Conference, behind Washington by only six percentage points.

In four, two one and have a pair of ties. That do not count in the final percentages.

The Giants, with Title's precision performances each week giving them added momentum, have the schedule on their side. Washington has lost three games so far again, has two games with the still-tough Pittsburgh Steelers, and one each with the Cleveland Browns, Baltimore Colts, Philadelphia Eagles and Dallas Cowboys. All but Philadelphia are rough and tumble clubs.

The Browns stayed in the Eastern Conference race by walloping Pittsburgh 41-14. Brown quarterback Jim Nincwicz suffered a sprained shoulder last week, kept him out for four weeks. Green Bay kept its unbeaten record spot in the Western Conference with a 17-0 victory over Baltimore. Detroit took over second place by edging the Chicago Bears, 11-8.

In other NFL games, the St. Louis Cards upset the Cowboys 29-24. The Minnesota Vikings surprised Philadelphia 27-10. The Los Angeles Rams (1-5) upset the San Francisco 49ers (3-4) 28-14.

In the American League, Dallas took over the Western division lead with a 21-7 triumph over Houston, which fell to second in the Eastern division; Buffalo sent Denver to second place in the West with a 45-36 surprise and New York all but eliminated two-time Western Division champ San Diego with a 23-3 victory.

Title, in his last year of pro football before retiring to devote full time to his San Francisco investment firm, said the Redskins pass defense a lesson they'll never forget. He completed 27 of 39 passes for 595 yards and hit end Joe Walton for three touchdowns, halfback Joe Morrison for two and nailed Ed Shoher and Frank Gifford for one each.

Shoher, still suffering the effects of a shoulder separation injury he sustained two weeks ago, was his chief target. He caught 11 passes for 189 yards.

After Redskins' quarterback Norm Snead hit Bobby Mitchell with the first of his four TD tosses Title warmed up and teamed with Morrison for two first-half throws that put the Giants ahead to stay. Snead had touchdown passes of 44 and 80 yards to Fred Davis, also converted wide receiver Dan and Steve Junker, and scored on a one-yard plunge.

Frank Ryan stepped in for Ninowski and threw a pair of scoring passes, one to fullback Jimmy Brown, who also scored on a one-yard plunge and gained 95 yards rushing. The Browns (4-3) rugged defense also held a hand in the rout. Linebacker Vince Veadar told during on a 21-yard run with a fumble, and styried Stealer (3-4) quarterback Bobby Layne throughout.

The Packers (7-0) also billied for their defense, which halted the Colts eight times in Green Bay territory. Packer fullback Jim Taylor broke open the game with a 44-yard touchdown pass to

17, 43 and 39 yards and defensive tackle Alex Karras added a safety when he tackled Chicago's Billy Wade trying to pass from the Bears end zone.

Quarterback Charley Johnson hid end Sonny Handic with touch-downs and a score. Quarterback and one of 10 to Bobby Joe Conrad to beat Dallas (5-3-1). Defensive back Larry Wilson added the clincher with a 57-yard return of an intercepted pass for the final score. Don Perkins, on a 33-yard run, Don Bishop's 62-yard run with a fumble, got McCoy 24, 10, 12-12, Team 3-10-12, Team 3-10-12.

By MIKE RATHEN
Associated Press Sports Writer

Alabama, Northwestern and Southern California stood tree-top tall today as the unchallenged giants of the gridiron following a weekend in which three members of the nation's major college football elite ran into timber-trimming buzz-saws.

Texas, holder of the No. 1 ranking for two weeks, fell from the list of unbeaten and untied teams as did another member of the top ten in The Associated Press poll—Wisconsin—on a Saturday program that left only eight major teams with perfect records.

The Longhorns were tied 14-14 by winless Rice on a late pass from Randall Kerbow to Ron Graham and Kerbow's conversion. Wisconsin, No. 5, dropped a 14-7 decision to Ohio State's bounce-back Buckeyes and Washington, No. 4, was tied by Oregon 21-21.

Alabama's Crimson Tide (6-0) continued to roll, pushing past Tulsa 35-6, Northwestern's Big Ten leaders (5-0) smashed once-mighty Notre Dame 35-6 and Southern Cal (4-0) shipped Illinois 26-16. The triumphvirate was ranked 2-3-4 last week.

Five other teams remained undefeated and untied—Mississippi (5-0), Auburn (5-0), Nebraska (5-0), Dartmouth (5-0) and Ohio University (6-0)—while four teams have been tied but not beaten. On that list are Texas (5-0-1), Washington (4-0-2), Louisiana State (5-0-1), Missouri (5-0-1), and Bowling Green (6-0-1).

While teams, Northwestern and USC were parading their talents, a host of others were bucking for higher positions or beckoning for recognition among the elite.

LSU and Mississippi, Nov. 6 and 7, scored easily, the Tigers man-handled Florida 23-0 and Ole Miss clobbering Vanderbilt 35-0. Ninth-rated Arkansas walloped Hardin-Simmons 40-7, and No. 10 Michigan State defeated Indiana 26-9.

Auburn, clamoring for a spot in the top ten, used a last period field goal by Woody Woodcall for a 17-14 triumph over Clemson, Nebraska mauled Colorado 31-6, Missouri marched over Iowa State 21-6. Dartmouth drubbed Harvard 24-6 while allowing its first touchdown and Ohio U. trampled Buffalo 41-6. Bowling Green was tied by Miami of Ohio 24-24.

That set up some key conference clashes that likely will go far toward lining up the post-season bowl rosters and settling the top ten alignment. Here's a quick rundown of the conference races:

SOUTHEASTERN—Alabama leads with 4-0 record. Auburn, which meets the Crimson Tide Dec. 1, has a 3-0 mark along with Mississippi and LSU, who meet in a crucial game Saturday night at Baton Rouge, La.

SOUTHWEST—SMU, which beat Texas Tech 14-0 Saturday, on tap at 2-0 with Texas a notch below at 2-0-1. The leaders come together at Austin this weekend.

BIG TEN—Northwestern out front at 3-0 with Michigan State and Purdue a step back at 2-0.

UP AND OVER—Wisconsin Fullback Merritt Norvell (44) dives over the line for a first down in the second quarter of the Ohio State-Wisconsin game at Columbus, O. Ohio State center Bill Armstrong (53) rushes up to help make the stop despite a block by Wisconsin right end Ron Carlson (28). Identifiable Ohio State players in the background are right guard Ray Krstolic (61) and right end and Bill Spahr (82).

BIG EIGHT — Nebraska and Missouri at head of the class with 3-0 records. Oklahoma 2-0. The co-leaders collide Saturday at Lincoln, Neb.

BIG SIX — Southern Cal, Wash-

ASSOCIATED PRESS NEWS IN PICTURES

HIGH WORK—Steelworker climbs down from tower to catwalk after disconnecting cable-spinning equipment on new bridge spanning Firth of Forth in Scotland.

WOODEN FLEET—Four armed junks of the South Viet Nam wooden navy are pictured near Saigon. The 34-foot vessels are similar to those in a fleet of 300 being built for use against the Red guerrillas. There are 1,000 men working on the project.

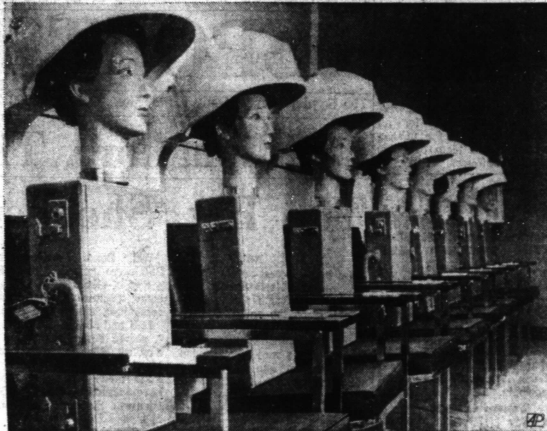

SMALL SCALE WORK—Miniatures in gold and jewels, representing old travel modes, are displayed by Millard Fillmore in Miami, Fla. Fillmore, a jeweler and descendant of the American President, spent over a thousand hours handcrafting them.

TOP PLOWMAN—Hans Sylling of Norway cuts a fine furrow as he competes in the World Plowing Championships at Dronten, Holland. He won the title.

POST CHANGE—James Wine, 44, has been named by the President to be U. S. ambassador to the Republic of the Ivory Coast. He now is envoy to Luxembourg.

PRACTICE LINEUP—When it comes to beauty training these dummies take the punishment of student hairdressers unflinchingly. The students at school of beauty culture in Decatur, Ill., practice daily twirling human hair on the false heads.

UNHAPPY MENTOR—Ohio State coach Woody Hayes throws up hands as his team fumbles near UCLA goal line in Los Angeles. UCLA upset Buckeyes, 5-2.

UP FOR VIEW—Spot, a newcomer to the Edinburgh zoo, comes up for introduction to cameraman. The elephant seal is the only one in captivity in British Isles.

PROGRESSIVE VIEW—Children gather near modern apartment in Moscow. Acute housing shortage exists in the Soviet capital. Soviet news sources indicate it will be at least six or seven years before every Russian family has its own apartment.

JURIST—Judge Elizabeth Lane, Britain's first woman county court judge, poses in robes and wig after being sworn in by Lord Chancellor of England in London.

TOPICAL ART—"Press Conference" is title of brass sculpture by Herman Periman of Washington, D.C. It's an abstract of President Kennedy, seal and gavel.

JUST OLD HAT—Members of the Texas Boys' Choir watch as experienced hat maker E. T. Farmer shapes up broad-brimmed hats of the youngsters at plant in Fort Worth. The boys will wear the authentic western hats during cross-country U. S. tour.

SMALL WORLD—Road sign near Waterford, Mo., indicates all these locales within the state. New-faith settlers apparently remembered their homelands.

SHARP OUTLOOK—Doreen, Deldre and Dawn form a mighty toothy trio in this snarling scene at the Whipsnade Zoo in Bedfordshire, England. The 16-month-old tiger triplets had just been separated from their mother, Cassie, a Bengal tigress.

EXPERIENCE AND CARE both go into the finishing of every garment cleaned at Zenith Cleaners. Mrs. N. E. Duncan is shown applying the finishing touches with a hand iron after the regular silk finishing process. This extra effort guarantees customer satisfaction. With fall in the air, it's time to prepare those winter clothes. If they were properly cleaned before storage, all they will need to make them fresh and ready for the season is a professional pressing job.

Columnist Finds Clothes, Like People, Need Help

By SALLY BAXTER
The trouble with watching all those medics on TV is that I get all the symptoms. When Dr. Kildare looks out of the screen and says, "possible peritonitis..." clutch my side. When Dr. Casey, in a low voice that belies his calm, says "epidemic proportions..."

GOP May Turn To One-Party Theme

By JACK BELL
WASHINGTON (AP)—Republicans may turn to the one-party government theme pounded by former President Dwight D. Eisenhower as a substitute for the Cuban issue in the congressional campaign.
The prospect that Soviet Premier Khrushchev will comply with President Kennedy's demand for withdrawal of Soviet missiles and the dismantling of launching pads on the island deprived GOP candidates of an issue many of them had hoped would spell victory in

Panel Resumes Probe Today

DALLAS (AP)—The House General Investigating Committee resumed its probe of slant drilling of oil wells today with County Judge Earl Sharp of Gregg County expected to be a key witness.
The committee scheduled an executive session this morning with the public hearing planned for 1 p.m.
State Rep. Bill Hollowell of Grand Saline said Sharp would take the stand to tell what he knows about the directional drilling of oil wells.
A prominent witness in previous hearings—State Dist. Judge David Moore of Longview—had been expected to testify again. But he said today that he did not plan to appear.
Some oil industry observers say the slant wells, which take oil from beneath the land of neighbors, will become a billion-dollar scandal. Already there have been countless charges and several indictments. Suits involving slanted wells run into the many millions. Judge Sharp and some associates face a \$1 million civil suit, filed in Austin, charging they operated a slant well in the Hawkins oil field from September 1959 to last June when the well was plugged despite railroad commission orders to the contrary.
Besides Sharp, Rep. Hollowell said about five other witnesses were expected to testify.

Castro Sabotage Campaign Is Eyed

By PAUL FINCH
CARACAS, Venezuela (AP)—U.S. diplomats are alerting Latin American governments against an expected continent-wide Castro sabotage campaign believed launched Sunday with bombings that knocked out one-sixth of Venezuela's oil production.
Authoritative sources in Washington said Cuban Prime Minister Fidel Castro gave the signal for general terrorist action in Latin America with the American-operated oil fields in Venezuela a prime target. Saboteurs dynamited four power stations of the Creole Petroleum Corp. at Lake Maracaibo, which holds beneath its waters one of the world's richest oil stores. The lake, roughly 75 miles wide and 130 miles long, lies about 300 miles west of Caracas.
The bombers struck shortly after midnight Saturday a few hours after President Romulo Betancourt ordered mobilization of the armed forces to counter what he called the threat to Venezuela of "the reservoir of Soviet nuclear rockets in Cuba."
U.S. officials were reported reminding Latin Americans that while a settlement may now be in sight to dismantle the Soviet missile sites, the long-range problem of dealing with Castro in this hemisphere will remain.
Venezuela blamed the oil field bombing on "Communists." Two suspects were hauled out of the debris-strewn waters of Lake Maracaibo after the blasts destroyed transformer stations of Creole Petroleum, a subsidiary of Standard Oil of New Jersey.
Police said one of the blasts apparently blew up the saboteurs' boat, killing one of the bombers. One of the suspects was so badly burned he was blind.
A Creole spokesman said the entire Tijuana oil field in the lake was rendered inoperable. He estimated it would take about a month to get the field back to its daily production of 525,000 barrels. Other sources said it might take as long as three months.
Informants said the government faces a serious loss of foreign exchange earned from oil royalties. Venezuela collects about 70 per cent of the \$1.3 million daily revenue from the country's oil production, the third largest in the world.
The government rushed a marine battalion to Lake Maracaibo to reinforce guards on the oil installations. Betancourt and his Cabinet met in emergency session to plan stricter security measures.

Prison Rodeo Has 29,000 At Closing

HUNTSVILLE, Tex. (AP)—The 1962 Texas Prison Rodeo held its closing performance Sunday before 29,000 persons.
Honored guests were television star Dan Blocker of the Bonanza Show and Richard Harmon, a Houston sales manager for an automobile company.
Blocker made a humorous talk which inmates heavily applauded when he said his old football coach, Paul Pierce of Sam Houston State College, warned him once that he would "end up in Huntsville."
Prison Board Chairman H. H. Coffield of Rockdale praised Harmon for the work his company has done helping to rehabilitate inmates of the state's prison system.
Linda Loftis of Fort Worth, Miss. Texas 1961, was another guest. She sang the national anthem.
In the non-inmate girls' barrel race, the best time was made by Flossy Forgeron of College Station with a time of 18.6 seconds. Nelda Patton of Midlothian was second with 18.9 seconds. Third place honors went to Marilyn Arthur of Moscow, 19.1 seconds.
The best calf roping time, another non-inmate event, was made by Jimmy De Voka of Houston, whose time was 20 seconds.
The crowd also applauded the various inmate contests and the performances of several inmate entertainment groups. Candy Barr, a former Dallas night club entertainer, featured with Gorie Girls, drew a big ovation from the inmate stand following her rendition of a blues number.
At least 10 inmate contestants took hard falls as prison-produced bucking broncos and wild Brahman bulls scattered tough riders to the ground.
Coffield reported that around 91,000 persons attended the 1962 series of the prison rodeo which he said was a "good record."
He said net proceeds from ticket sales are earmarked for the prison inmate treatment program designed to give inmates rehabilitation services not furnished by the state.

Looking Back

10 Years Ago
From The Snyder Daily News
Oct. 29, 1952
Lawrence Dumas, Snyder attorney, has been chosen chairman of the Scurry County Library Committee which will head the drive for the building of a new library for county use here.

Reception Set To Honor Rathbone

Scurry Concert Association members were reminded today of the reception set for Tuesday afternoon honoring Basil Rathbone.
The reception will be held between 4 p.m. and 5 p.m. at Martha Ann Woman's Club. All members of SCA are invited.
Mr. Rathbone will appear at 8 o'clock tomorrow night on the first SCA presentation of the season at the high school auditorium.

Cub Scout Pack 34 To Meet Tuesday

Cub Scout Pack No. 34 will meet at 7:30 p.m. Tuesday at Central Elementary School.
All members of the pack and their parents and anyone else interested in the Cub Scout program, have been invited to attend.

Fear Death Toll In Storm To Rise

BANGKOK, Thailand (AP)—Officials fear the death toll from last week's Hurricane Harriet may rise to nearly 1,000 in flooded areas of southern Thailand.
Six hundred bodies already have been reported recovered, and press reports said it was believed hundreds of others were being washed out to sea.
As many as 40,000 homes were destroyed in one of the three provinces hardest hit by the storm last Thursday and Friday.

Mrs. Roosevelt Is Still Seriously Ill

NEW YORK (AP)—A spokesman for the family says Mrs. Franklin D. Roosevelt continues to be seriously ill and "the outlook for the future is still uncertain."
"Unfortunately," the spokesman said Sunday, "she has not responded to treatment as well as it was hoped she would."
The former First Lady, 78, has been under treatment for anemia and a lung infection.
