Marshall and Robbie Daugherty of Nashville, Tenn., were staying in Bernard's Tourist Town Camp Ground east of Colorado City when a fire broke out in their motor home early Wednesday morning.

Daugherty, who is paralyzed on one side of his body, woke his wife between the hours of 4:30 and 5 a.m. and told her he smelled smoke. She opened the closet where the fire was and used the fire extinguisher but the flames became worse. She pulled her husband from the burning motor home and called for help.

Richard and Darlene Laubhan of Odessa, who were also staying in the camp ground, went to the aid of Mrs. Daugherty and alerted Mr. and Mrs. Dusty Rhodes, owners of Bernard's Tourist Town.

The Loraine Fire Department and the Loraine Emergency Unit were dispatched to the scene. Mr. and Mrs. Daugherty were both treated for smoke inhalation by the Emergency Unit. Mrs. Larry Winders brought the couple to Colorado City to see a doctor.

The fire was started by a converter in the closet. Mr. and Mrs. Daugherty are retired and this was the first time in 45 years they had gone anywhere together. They had been traveling the northern route and had visited with their daughter in Scottsdale, Ariz. and were on their way home to Nashville, Tenn. They had planned to go to Florida after Christmas.

The couple called their daughter in Arizona and she arrived at Bernard's at 2 a.m. Thursday to take them home with her.

Mrs. Jasper Woods, Mrs. Sherman Hart and Mrs. Dusty Rhodes gave the couple some clothes, as all of their things were destroyed in the blaze.

The couple said they would always remember the kind people in Texas.

Mrs. Rhodes commented that nothing like this had ever happened at the camp ground in its 16 year history.

five miles southeast of Colorado City, estimated that this year's crop is about 60 per cent completed as compared with about 90 per cent at this time last year.

However, Turner said that he believed the county's cotton crop should come to around 35,000-40,000 bales, a much higher estimate than he had made at one time.

The Mitchell County farmer also stated that from what he had seen of the crop, it was of a good grade. He went on to explain that he had seen less insect damage this year than in many years.

Turner said that he thought this was primarily because of a very hard, cold winter last year and a very hot, dry summer which killed most of the boll weevils.

He said that he expected to produce about 300 pounds of lint cotton per acre as compared with about 400 pounds last year.

Finally, Turner stated that he thought it would take three weeks of good weather to finish the harvest.

Ernest Walker, manager

of Farmers Gin, estimated that the county would produce about 41,000 bales with ginning about one third completed.

Johnny Hillhouse, Buford Co-op Gin manager, agreed that ginning was one third completed and estimated that 39,000 bales would be produced.

According to Doug Merchant, manager at Mitchell County Gin, 25 per cent of the cotton is now in and he predicted 35,000 bales would be produced.

Elmer Martin, a farmer, said that he expected the

county to produce more than 35,000 bales this year.

The 1977 crop amounted to 71,963 bales.

A check of area gins found most gin officials agreeing that it would take from three to four weeks of good weather to finish this year's harvest.

As of Friday afternoon, the eight area gins reported having ginned 9,878 bales with 2,210 on the yard. The figure is broken down as follows:

--Buford Co-op Gin, 720 bales, 60 on the yard.

--China Grove Co-op, 1,040 bales, 235 on the yard.

--Colorado Gin Company, 575 bales, 60 on the yard.

--Farmers Gin, 1,220 bales, 10 on the yard.

--Loraine Co-op Gin, 1,988 bales, 1,100 on the yard.

--Mitchell County Gin, 1,250 bales, 125 on the yard.

--Westbrook Gin, 985 bales, 20 on the yard.

--Producers Gin, 2,100 bales, 600 on the yard.

Acting Manager Is Hometown

Shifting from the position of city secretary of Colorado City to acting city manager was quite a change for Brenda Tarter.

And, it appears to be a change she is handling well.

After one week in the position of acting city manager, Mrs. Tarter has taken steps toward improving the financial situation of Colorado City.

For starters, Mrs. Tarter brought to light the fact that the City of Colorado City has a deficit totaling \$75,000, a fact that most were unaware of, including the city council.

"They were astounded," said Mrs. Tarter in regard to the reaction of the council when they were informed of the city's financial status.

Mrs. Tarter, who has been city secretary for 3½ years, began her duties as

acting city manager Monday. One of the first actions she took was to call a meeting of department heads. She informed them of the financial dilemma and instructed them to take measures to reduce spending.

By April 30, the city

must be in the black as required by the city charter and Mrs. Tarter noted that this would be done.

However, she said that the city would probably begin operations in the new fiscal year at a nominal rate.

"It will take a long period to become solvent," Mrs. Tarter said.

Regarding the announcement of Colorado City's deficit, Mrs. Tarter said that the people have been extremely supportive and cooperative.

In fact, Mrs. Tarter said that several people have telephoned her and written her letters to express their

Colorado City's varsity girls basketball team dropped two close encounters Thursday night and Friday morning to fall out of the Lone Wolf basketball tournament played here this weekend.

Coach Debbie James' squad played Albany at 6 p.m. Friday and came out on the short end of a two point decision, losing 45-43. Anne Marcom led Colorado City with 15 points while Jessica Randle and Brenda Smith had eight each. Colorado City led 10-7 after the first period but trailed 24-20 at the half. The third quarter score was a 34-34 tie.

The loss to Albany pushed Colorado City into the consolation bracket. At 10 a.m. Friday they met Stanton and, despite a 26 point performance by Vikki Useton, fell again, 57-48. Anne Marcom was again in double figures with 13 points.

Colorado City and Stanton were tied, 8-8 after the first quarter but Coach James' squad fell behind 21-13 at the half and also trailed 38-26 after the third quarter buzzer.

Loraine Players Honored

Nine Loraine football players were placed on the all district team for class B recently.

Named all district were End Junior Martinez, Back Curtis Haden and Quarterback Casey Merket on offense.

Tackle Frankie Martinez and Back Manuel Munoz were all district on defense.

Receiving honorable mention on offense were Frankie Martinez, Rodney Taylor and Eddie Lujan.

Those receiving honorable mention on defense were Rodney Taylor, Curtis Haden, David Finley and Tony Williams.

The Bulldogs ended their season 5-5 and 3-2 in district. Coaches are Ken Lightfoot and Caddo Matthews.

Vet Warns Against Strychnine

Dr. J. D. Williams, local veterinarian, has issued a warning to residents on the use of strychnine to attempt to poison animals.

"If the dogs are bothering people, we have a dog warden who will pick the animals up," said Dr. Williams.

According to Dr. Williams, the main complaint of the use of strychnine is on Oak Street. In the past two weeks, there have been two cases of poisoned dogs in Colorado City.

Dr. Williams noted that the use of strychnine is a health hazard and he did not know where the people who use it were getting it.

"It's absolutely unlawful to have strychnine in your possession unless you sign for it," said Dr. Williams.

★ MANAGER, from page 1—

appreciation, including her former high school principal and teachers.

Mrs. Tarter said that the cooperative spirit might come from Colorado City being a small town.

"You know that small town people are good, but you don't know how good they are until you really need them," she said.

But dealing with Colorado City people is nothing new to Mrs. Tarter—she's practically a native.

Born in Snyder, Mrs. Tarter spent the first seven years of her life in Ira and then her family moved to Snyder. Next the family lived in Albany for a couple of years and then moved to Colorado City when Mrs. Tarter was in fourth grade. She's been here ever since.

The former Brenda Lewis, she was a 1962 graduate of Colorado High. Her husband, Joe, is also a native of Colorado City and is employed by Allied Chemical.

Mrs. Tarter's parents, Mr. and Mrs. J. M. "Buster" Lewis, live in Loraine and her brother, Laddie Lewis, also lives in Loraine.

Mr. and Mrs. Tarter are the parents of two daughters, Jan, who is 13 and a student at Middle School, and Holly, 9, who attends Hutchinson.

The family is a member of the 22nd and Austin Street Church of Christ. Mrs. Tarter is a member of the Zeta Delta Study Club.

Although Mrs. Tarter spends many hours taking care of city business, she still finds time for her hobbies, which include sewing, cooking, crafts and playing the guitar.

Until the council hires a new city manager, Mrs. Tarter will serve as acting manager.

Considering the professional manner in which Mrs. Tarter handled the

announcement of the city's financial shape, some people have expressed an interest in Mrs. Tarter assuming the position permanently.

However, there have been 11 applications filed for the manager position and Mrs. Tarter's is not among them.

But would Mrs. Tarter like the job permanently? She preferred not to comment.

What Is Christmas???

**Rev. Jim Hill
Pastor**

First Christian Church

Christmas is God walking down a celestial staircase as a little baby in a woman's arms.

Christmas is starlight dancing in a little girl's eyes as she looks forward to the fulfillment of a gentle and lovely Christmas wish.

Christmas is concern for the neglected and the poverty stricken of the community and the last minute search by busy people to see that no one has an empty Christmas.

Christmas is a candlelit altar with people coming and going in attitudes of prayer.

Christmas is red ribboned gifts. Christmas Trees, family gatherings, fruitcake and mistletoe.

Christmas is the birthday of the King of Kings and Lord of Lords. It is God's entrance into human history in the form of a person who would live and die as no man ever did.

It is the joyous assurance God has not left his universe but has entered into the experiences of humankind in order that they might understand him and he might be near them.

Christmas is the greatest truth of eternity and is the light that ultimately will dispel the darkness around the world -- Copied.

Earlier, mention was made of personal property coverage.

What is it?

This is variously referred to as "personal property," "unscheduled property," "household goods," or simply "contents." It means the possessions in your home, with very specific coverage limits on furs, jewelry, etc. These personal items are insured both in your home and when you travel, with limitations. Your home can be burglarized or your suitcase can be stolen at the airport. In either case, a homeowners or tenants policy protects you and your family. To determine the true value of personal property and to expedite payments of claims, you should make a complete inventory of personal property, including each item's cost and date of purchase. Color slides or photographs of the rooms and contents will also be helpful. Keep this inventory in a safe place along with other valuable documents. It will help validate your claim.
