Work Starts On Glider School

Final Graduation Exercises Held Sunday And Monday

The baccalaureate services for the 1942 graduating class of Lamesa high school was held at the First Methodist Church, Sunday evening at 8:30 o'clock, with O. H. Tabor, pastor of the Lamesa Church of Christ giving the baccalaureate sermon.

The Processional March was played by Mrs. Carl Rountree on the organ, with Rodney D. Glasscock, pastor of the Christian Church giving the invocation. "Gloria Patria" was given by the High School Chorus, directed by Miss Carolyn Seale. Rev. E. D. Landreth of the First Methodist Church, gave the scripture reading, followed by "In The Night Christ Came Walking" by the High School Chorus.

Mr. Tabor's sermon was followed by "Now Let Heaven and Earth Adore Thee" by the Chorus, with the benediction being pronounced by Rev. Glasscock. Mrs. Rountree was again at the organ for the recessional.

The Commencement Program was held Monday morning at 10:30 at the High School Auditorium. The Commencement program was as follows:

Processional, "Tanhausser March" Wagner, Mrs. A. G. Barnard; Invocation, Rev. W. E. Lee; Ensemble, Senior Band Members.

Salutatory Address, "Our Task of

(Continued on Back Page)

Oscar G. Kelley Asks For Office

The Courier has been authorized to announce the candidacy of Oscar G. Kelley for Commissioner of Precinct 3, Dawson County.

Mr. Kelley states that he desires to make the race for this important office on his own record, that he is qualified for the position by the experience he has had.

Mr. Kelley will make his formal statement at a later date, but in the meantime wishes to thank all the voters of Precinct 3 for their votes in the past, and wants to tell them that he will endeavor to see each voter personally between now and election day.

Subscribers Are Asked To Check Expiration Dates

Courier readers are asked to watch their expiration dates on their subscriptions in order that they not miss a single issue of their home town newspaper.

In other words, if the numbers following your name on your paper reads 6-42, that means that your subscription will expire on June 1, 1942, and that unless you renew your subscription will be stopped at that time.

The subscription price of the Courier is now $2.00 per year in Dawson, Martin, Gaines, Borden and Lynn counties, and $3.00 per year elsewhere.

Ration Stamp No. 2 Is Good Until May 30th

Stamp No. 2 in the first war ration book may be used up to and including May 30, members of the Dawson County Rationing Board have reminded the public.

The second stamp is good between May 17-30; No. 3, May 31-June 13; No. 4, June 14-June 27.

First stamp of the book, now covering only the sales of sugar, became void after midnight Saturday.

Grocers may not accept a ration stamp once the period for which it is designated is expired, the Ration Board pointed out.

March Of Time To Be Shown At Palace Theatre

The current issue of March of Time, "Far East Command" will be shown at the Palace Theatre, Lamesa, on Thursday and Friday, May 21 and 22.

This issue of March of Time pictorially presents events that are now rapidly developing in the Far East, a subject that is timely, realistic and thoroughly entertaining. It brings the thrills of the war to the American motion picture screen. Authentic battle scenes taken in the Malayan jungle, Singapore, and other theatres of war in the Pacific are breath-taking in their realism.

It shows the Japanese armies entraining in Japan for various assignments in the Pacific. It presents the obstacles facing the United Nations in protecting their vital life lines. How will the U. S. A. hit back at Japan — where are the Japs most vulnerable — and, can the fighting Anzacs hold New Zealand and Australia, are pertinent questions presented in this issue.

Golf Tournament At Country Club

Golfers of Lamesa began qualifying this week for the annual City Tournament to be conducted at the Lamesa Country Club within the next few weeks.

All golfers who expect to enter this tournament are requested to file their names with Mr. Frith at the Country Club, and to turn in their qualifying rounds between now and June 7. Match play will get under way as soon as possible after June 7.

The Country Club course is in tip-top shape for the tournament and it is expected that most of the golfers of the city will participate.

Mr. and Mrs. Walter Barfoot are visiting with friends and relatives in Phoenix, Arizona this week.

Neighbors Plant Crop For Friend

On Friday, May 8, neighbors of Mr. and Mrs. J. A. Hinson, who reside in the Midway community, came with tractors, planting and knifing three hundred acres of land for them. Mr. Hinson, due to illness has been unable to work, and these good neighbors knowing this came with seventeen tractors and did the work in just a few hours.

Men who helped with the work included: Percy Peterson, Elmo Murff, R. S. Stanfield, A. D. Crow, Clyde Gibson, J. D. White, Elmo Davis, A. S. Riddle, W. E. Love, Herman Petteway, Roy Love, L. I. Dean, Shelby Howell, Claude Jeter, Abner Spraberry, Ira Jeter and Claude Davis.

Neighbors Plant Crop Of J. B. Speck

(NOTE: Due to unforseen circumstances, the following article was omitted from last week's issue of the Courier. However such items as this are interesting news at any time, and we would like to express our appreciation to Ike Houston for bringing it in.)

On Saturday, May 9, fourteen neighbors of J. B. Speck, who lives along the line between Mullins and the old Shumake school district, five miles south of Midway, drove in and planted his crop, unexpectedly to Uncle Joe. Uncle Joe has been frequently referred to as one of the neatest farmers in this community and is noted as a man who is always up with his work with time to spare to carry on his life as a good samaritan of his neighborhood.

Uncle Joe has been handicapped by the poor health of his wife, Aunt Gussie, as she is known, for several months, then suddenly his

(Continued on Back Page)

ATTEND GRADUATION OF NEPHEW IN PHOENIX

Mr. and Mrs. Audrey Cox left Lamesa Sunday afternoon for Phoenix, Arizona, where they will attend the graduation of their nephew, Perry Cox, from the Air Corps Advanced Training School at Luke Field, near that city.

Perry, 21 years of age, is the son of Carl Cox of Lamesa, and will receive his pilots wings and commission as a second lieutenant in the Air Corps.

County Over Top In Navy Relief

J. H. Harp, Chairman of the Dawson County Navy Relief Society, reported Monday afternoon that this county had gone over the top in its drive to reach its goal of $480 for this worthy cause.

Mr. Harp states, however, that contributions will still be taken, and that although the county has reached the amount set by national sponsors, that the more money raised, the better for the cause.

All who have not contributed to this worthy cause are urged to do so at once. All funds raised will go to families of men in the Navy, Coast Guard and Marine Corps, who because of unavoidable circumstances find themselves in a destitute or needy condition.

Donations may still be mailed or handed to any of the committee members named in previous issues of this paper.

PROMOTED TO CORPORAL

The Courier has been informed that Pvt. William C. Tankersley of Lamesa has been promoted to the grade of Acting Corporal in the United States Army. Corporal Tankersley is a member of Co. D, 58th Q. M. Regt., Fort Lewis, Wash.

Parachutes require about 150 yards of silk.

Terms Reached With Land Owners Monday Morning

Final details for the building of a Glider Pilot Training School for Lamesa and Dawson County were worked out Monday morning, and unless some unforseen development arises, work will be underway on the school before the middle of the week.

Attorneys for the city and county, Judge and Mrs. G. G. Wright, owners of the land on which the school is to be located, as well as representatives of the Texas Company who hold a mineral lease on the property, conferred here Monday morning and reached a settlement before condemnation proceedings were brought. As finally worked out, the city and county agreed to purchase one section of land from the Wrights at $20 per acre, and to lease two other half-sections for five years with an option of renewing for another five years, at 50 cents per acre per year.

The Texas Company also came to a suitable agreement, and attorneys were busy Monday afternoon drawing up the final papers. It will be recalled that J. W. Small who had a grass lease on the land, settled with the city and county for a cash agreement last week.

As agreed in the contract the city of Lamesa is to bear 60 per cent of the cost of the land, with the county assuming the remaining 40 per cent. The section of land was purchased in fee title, which gives the city and county absolute ownership of the property.

According to the best information the Courier could get, surveyors are already at work on the property which is located about six or seven miles northeast of Lamesa, about a mile north of the Lamesa-Lubbock highway. It is also under-

(Continued on Back Page)

Dodgers Mark Up Seventh Straight Victory To Take Second Place In Standings

The Lamesa Dodgers of the West Texas-New Mexico Baseball League are definitely established in second place in the league standings, with only one game between them and the leaders, the Clovis Pioneers.

The Dodgers have stretched their winning streak to seven games in the past few days, and have been getting both hitting and good pitching to run up the list of victories.

Last Thursday night the Dodgers ran up a new scoring record for the league when they pasted the Lubbock Hubbers 27 to 4. They followed this up with a 5 to 0 shutout of the hapless Hubbers Friday night, with Gene Costello limiting the opposition to a lone single.

Saturday night they went to Albuquerque to win their second straight shutout, 8 to 0, with Garloff holding the Dukes to five singles. Sunday they beat out the Albuquerque team for the second time, winning 3 to 2 with Kuehl being the winning pitcher.

Following two games in Clovis on Monday and Tuesday nights, the Dodgers will return home for a two game stand with the Big Spring Bombers, then go to Amarillo for two games, returning to play Clovis on May 24 and 25

One change was made in the league last week, when the Wichita Falls franchise was moved by Neal Rabe to Big Spring, where a group of fans purchased 51 per cent of the stock in the club. Thus the Wichita Falls Spudders now will operate out of Big Spring as the Bombers.

Net proceeds from the Friday night game in Lamesa were given to the Navy Relief Society, with a goodly sum being realized. Midway during the game, G. M. Roberts, principal of the Lamesa Elementary Schools, made a short address on the value of this cause, Owen Taylor led in singing "America" while a large flag was raised atop the flagpole in center field, and Sam Richardson led the crowd in repeating the Oath of Allegiance.

Classified Ad Gets Quick Results

Not too long ago a lady ran a small Classified in the Courier, advertising some good hens for sale.

The paper was distributed late Thursday afternoon. When the lady returned home from a shopping trip to town, she found a buyer waiting for her, and before night the chickens were sold.

Now that's a little fast, even for Courier Classifieds, but we are proud of the results these little wonder workers are getting. For the money invested, and the results obtained, we don't believe anyone could make a wiser investment. The small cost, sometimes amounting to no more than 25c, is the most economical way we know of advertising.

So if you have something to sell, trade or rent, want to buy or rent, have lost or found something, we advise using Courier Classifieds for best results.

Rules And Regulations Governing Motor Vehicles Explained To West Texans

Rules and regulations governing operation of practically all motor vehicles except passenger cars, affecting in one way or another close to 100 per cent of the American people, were explained in Lubbock Saturday in an open meeting by S. J. Cole, field manager of the Motor Transportation division of the Office of Defense Transportation.

Cole, with headquarters at Dallas, was connected with the Amarillo Chamber of Commerce for 13 years, and understands West Texas problems as concerns the new and national regulations that take effect on June 1. He is now on a tour of this part of the state explaining the setup.

Four General Orders

Four general orders have been issued by the Office of Defense transportation Cole told the group. These affect operation of every type of rubber-tired vehicle except passenger cars, from purely local deliveries to trans-continental common carrier freight service. Order No. 3 involves common carriers, order No. 4 contract carriers, order No. 5 over-the-road private carriers, and order No. 6 local delivery.

Explaining necessity of the regulations, Cole told the group that in 1941 approximately 700,000 new trucks were put in service in the United States, but that for the two-year period — 1942 and 1943— there will be available for all purposes only about 150,000 new trucks. Normal rate of depletion removes approximately 420,000 trucks from service each year Thus only about ten per cent replacement is possible, and it is obvious that we are faced with an ever diminishing amount of truck equipment and at the same time faced with the problem of transporting an ever-increasing volume of traffic.

Tires Are Real Bottleneck

Despite this great shortage of trucks, however, he said lack of tires has proved to be the real transportation bottleneck. Tires, he said, are much more critical than the vehicle itself. Best available information indicates that there will be less than one-third of the number of truck tires available for rationing this year than were sold during 1941. This will necessarily result in many trucks going out of service.

Cole said the ODT is counting on the common sense application of the orders by the public, feeling that each motor carrier knows best where most of his mileage reductions can be made, asking that they abide by the spirit of the orders in accomplishing maximum results.

The common carrier and contract carrier orders were mentioned only briefly, emphasis being placed on those affecting priate carrier and local deliveries.

Order Nor 5—Private Carrier:

This order makes no distinction in commodities handled or in types of trucks involved, with a very few exemptions. Efforts have been made to show no favor or disfavor for any particular traffic. A private carrier is defined broadly as any person or firm operating a truck for hire that is not a common carrier or contract carrier.

Few Are Exempted

Trucks exempted from compliance with this order are: those used exclusively for explosives or dangerous articles, those controlled and operated by farmers in transporting agricultural products from or to farms, those used exclusively in maintenance of public utilities, or for public health and safety, those controlled or operated by the armed forces of the state or nation, and those coming within the definition of "special equipment."

Two primary rules were emphasized as required to be met by all other private carrier trucks: 1. The route used must not be over ten per cent longer than the most direct practical route. 2. Trucks in operation in over-the-road service (more than 15 miles) must be loaded to capacity at original point and be loaded to not less than 75 per cent capacity on the return trip. Or they may be loaded at origin 75 per cent and 100 per cent capacity on the return. No intermediate point at which a portion of the load has been discharged shall be deemed to be a point of origin. The point at which the last portion of the load was discharged shall be the point of beginning of the return trip. Trucks, however, can move empty from point of final discharge of load to a nearby point where traffic is available for loading, if such traffic cannot be transported by any other carrier under the return load provision.

Local Delivery

Order No. 6—Local delivery:

This order involves all rubber-tired vehicles, drawn by mechanical power or by horses, except a few exceptions. Local delivery is defined to mean delivery within any community, or between contiguous municipalities or communities, or adjacent to or a part of a community, in hauls which do not exceed 15 miles.

The load capacity or return load provisions are not in effect on local deliveries.

Principal provisions are: 1. Not more than one delivery in one day can be made to one person, except special deliveries which are defined as needs by hospitals, the armed forces and deliveries of medicine or other necessary supplies for protection in emergencies of the public health, life and safety. 2. Operators must reduce delivery mileage by 25 per cent compared with the same month of 1941.

Means Total Mileage

This latter provision means total mileage operated, since in the case of a fleet of trucks, some of the vehicles operated, may be taken out of service and those remaining allowed to absorb mileage of those removed.

Trucks in the local delivery classification exempted from compliance are: Construction and maintenance of communications, power and light, gas, water supply, sewage and garbage disposal, and sanitation services; those controlled or operated by the armed forces or state or nation; those controlled and operated for hauling farm supplies to or from farms; those engaged in pickup and delivery service for line-haul motor, rail express, air and water carriers, or for freight forwarders; and those operating by special permit from the ODT.

All others must abide rigidly by the order, Mr. Cole told the group, in spite of real or fancied hardships. He suggested that each industry should work out its own problems, perhaps working out some form of pool delivery, and thus avert possible unfair competition. He warned, however, that these should be submitted to the ODT for approval in order to avert any violation of the anti-trust laws.

Purpose Of Orders

The only purpose of the orders, he said, is to conserve tires and equipment. Thus, he said, the local delivery order involves service establishments as well as commodity delivery.

In answer to a question from the floor "Isn't the private carrier taken off the road?" by order No. 5, Cole remarked that "if it doesn't it won't accomplish the purpose of cutting down empty-returns by trucks.'

Can a bread truck haul bread to a town 30 miles out and return empty? another asked. The answer was No.

Another question brought the answer that if a truck cannot move a full shipment consigned to one place, in one load, other trips may be made and considered as one delivery.

Copies To Be Available

Many other questions came from the floor, but they were all answered from a literal interpretation of provisions of the orders as outlined above.

It was announced at the meeting that the Lubbock Chamber of Commerce will have available probably Monday mimeographed copies of the four orders, and that supplies of these copies will be sent to Chambers of Commerce over the South Plains for distribution. Those interested were asked to call at their nearest Chamber of Commerce for a copy of the order in which they are involved.

Dick Gilbert returned Friday from Dallas where he had spent several days attending to business and visiting with friends.

A. J. McDaniels of Abilene sspent the week end here visiting with his wife.

Mr. and Mrs. W. L. Boyd of Hamlin spent the week end here visiting with their son and wife, Mr. and Mrs. Wright Boyd.

Mr. and Mrs. Lloyd Cotten and Mr. and Mrs. Douglas Hill spent Sunday in Big Spring visiting with friends.

Miss Marie Yates of Lubbock spent the week end here visiting with her parents, Mr. and Mrs. W. M. Yates.

Mr. and Mrs. Guy Speck of Carlsbad, New Mexico, spent Friday here visiting with friends.

CALIFORNIA SUN MAKES BEES LAZY

SANTA BARBARA, Calif. (AP)—With 32 years' experience in bee culture, C. Elmer Morgan finds that his charges grow lazy in the warm California summer. So he has developed a system of shipping them north to Brooks, Alberta, Canada, each year in wire cages that can be handled in railway express cars. When ready to start home, Morgan has a honey yield far above normal.

PUBLIC WEIGHER, PREC. 1:
Mrs. G. W. Wyatt (re-election)

Bake with Sirup

There may be a sugar problem, but the boys at camp still get their cookies and Dad his favorite chocolate cake. The wise homemaker uses such alternates as honey and corn sirup to make these tempting desserts which brighten up her table.

For best results use carefully tested recipes, like those given below, since the substitution usually cannot be made directly.

CHOCOLATE HONEY BITS

½ cup shortening; 1 egg, well beaten; 1 cup sifted all-purpose flour; 1½ teaspoons baking powder; ¼ teaspoon salt; ½ teaspoon cinnamon; ½ teaspoon allspice; ⅓ cup honey; 2 tablespoons water; 1 cup semi-sweet chocolate bits; ½ cup chopped nutmeats or raisins, optional.

1. Sift flour, baking powder, salt and spices. 2. Cream shortening; add beaten egg; combine thoroughly. 3. Combine honey and water. 4. Add sifted dry ingredients, alternately with honey mixture, to creamed mixture, blending well. 5. Stir in chocolate bits and nutmeats, if used. 6. Drop dough from teaspoon onto lightly greased and floured cookie sheet or pan. 7. Bake in moderate oven (375°F.) about 15 minutes until delicately browned. Makes 3 to 4 dozen cookies.

NOTE: ¾ cup corn sirup may be used in place of honey, but omit water and increase flour to 1½ cups and baking powder to 2 teaspoons.

ORANGE CAKE

½ cup shortening; ¾ cup dark corn sirup; 2¼ cups sifted cake flour; 2¼ teaspoons baking powder; ¼ teaspoon salt; 2 eggs, unbeaten; grated rind of one orange; ⅓ cup orange juice.

1. Sift flour, baking powder and salt. 2. Cream shortening; add corn sirup gradually, combining thoroughly. 3. Add ¼ of flour mixture, then add eggs singly, blending well after each addition. 4. Add rest of flour mixture alternately with orange juice. Mix in grated orange rind. 5. Bake in 2 greased and floured 8-inch layer tins at 375°F. for about 35 minutes. When cooled, frost with Jiffy Fudge Frosting.

JIFFY FUDGE FROSTING

Melt 1 cup semi-sweet chocolate bits in top of double boiler over hot water. Add 1 tablespoon butter. Combine well. Spread frosting over cake. Sprinkle with nuts or cocoanut if desired.

High School Boys May Enlist As Reserve Cadets

Major Roy P. Ward of Randolph Field, visited this area Monday to address school officials regarding the new plan for securing adequate man power for the United States Air Service. Supt. V. Z. Rogers attended the meeting.

High school graduates between the ages of 18 and 26 are offered the opportunity of enlisting in the Army Air Force Reserve and continuing education until qualified to enter training for Commissions in this branch of military service. Physical examinations and screen tests are to be given candidates at Texas Technological College beginning on May 15th and lasting through Saturday, May 16th with Major Ward in charge.

Messrs Rogers and McCollum of Lamesa High School have consented to serve as Faculty Air Force Advisors and Dawson County men who are now or soon to be high school graduates and who are interested in becoming Aviation Cadets with a view to eventually receiving commissions in the United States Air Force may confer with these faculty representatives before the date of examinations.

The members of the Air Force Reserve are expected to continue their education.

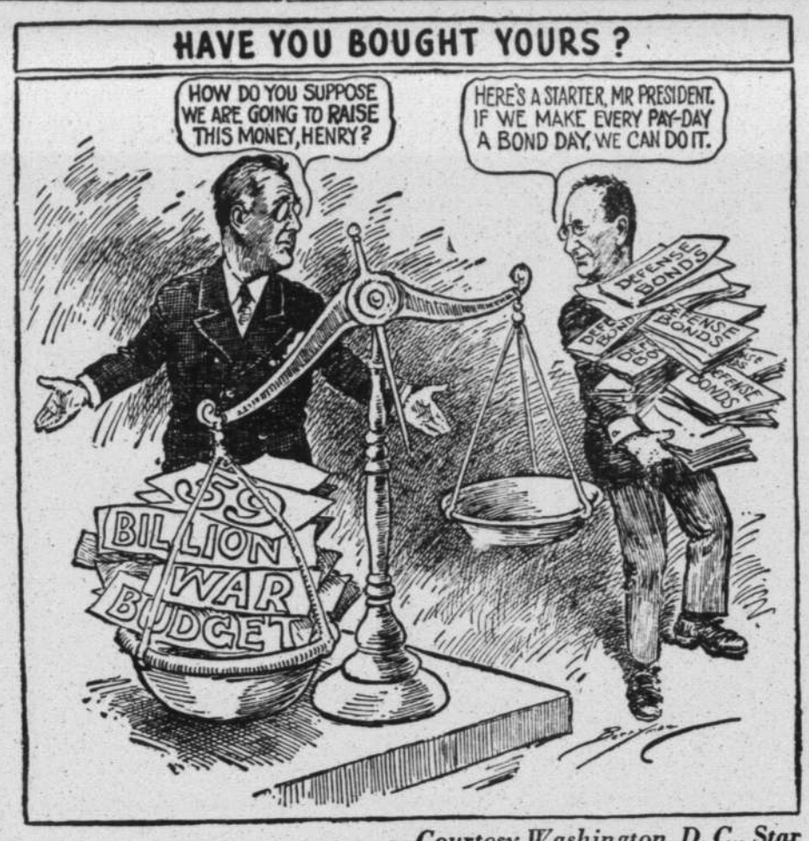

Parental consent in writing to enlist in the Air Force Reserve is required of all men not yet twenty-one years of age.

CURFEW CALLS CHICKS TO BED

CLAY CENTER, Kas. (AP) — Harlan Perrill had trouble getting his baby chicks to sleep until he tried the curfew method, using his son's French horn. The chicks perversely insisted upon staying up until dark instead of going to bed at 8 p. m. (war time) as Perrill wanted them to do. But he noticed that they always dashed for the brooder house when a train whistled nearby. So, at 8 p. m. he blew a couple of toots on the French horn; the chicks headed for the roost and Perrill nonchalantly locked them in.

AND THAT AIN'T HAY!

LONDON (AP) — Horses sell for as much as $4,500 in some parts of Holland, according to Vrij Nederland, Free Dutch newspaper published in London.

CALISTHENICS? SHE'LL SING INSTEAD

PITTSBURGH (AP) — The spartan life is a fine one for building up a soldier's muscles, but as a pick-up for morale, Gertrude Niesen, well-known singer, thinks calisthenics will never take the place of a blonde entertainer with a nice smile and a throaty voice.

"Give then a good entertainer and their spirit goes sky high," she says. "Give them a steady diet of sitting up exercises by some top sergeant and—(she shrugs) — nothing happens!"

On board Navy ships an attendant stands guard constantly over a coffee pot to see that it is kept hot.

Mrs. Ralph M. Black, of O'Donnell, spent Tuesday in Lamesa visiting with friends.

Only 150 Federal Land Bank borrowers out of 68,000 lost their farms during the first 11 months of 1941.

"We, the people of the United States in order to form a more perfect union," . . . George Washington was a well educated man—but high school students of today are presented with vaster fields of learning than were available to anyone in Washington's time. But Washington was great then—and would be great today—because he could think, perceive, evaluate and act! He learned more from life than he did from books. So did Abraham Lincoln . . . a great man without formal education. So can today's graduates . . . that from which they graduate—a school—is intended to prepare them for learning from life.

World conditions necessitate and produce action and reaction, defense and offense, war and peace, prosperity and depression. Great problems lie before the graduates of 1942. To some, further preparation is necessary before tackling them . . . others find themselves on the long road that leads to future responsibility . . . in business . . . in government . . . in social activities.. There's a challenge for every student . . . a problem to be solved . . . mistakes to be corrected . . . errors to be avoided. There's something that needs licking . . . something that only one person can lick. It may be a personal problem . . . . but each personal problem affects a national problem—this is a big country.

Annual Junior-Senior Banquet Given Friday Evening At M. E. Church

The outstanding social function honoring the seniors of '41-'42 was the annual Junior and Senior Banquet held Friday evening at the First Methodist Church with members of the Junior class as hosts.

Tables, beautifully decorated, held place cards for nearly one hundred and fifty guests. High school colors of black and gold, were carried out in the program and place cards. Sprays of roses and larkspurs down the center of the tables also aided in the decorations.

The following program was given during the evening: Toastmistress, Betty Renner; grand march was given by Mrs. A. G. Barnard, "The Star Spangled Banner" led by Supt. V. Z. Rogers. Invocation was given by Supt V. Z. Rogers; welcome, Betty Renner; response, Owen Taylar, Jr.; trio, Frances Bartlett, Doris Ragsdale, June Winner, directed by Miss Carolyn Seale; "How It All Started," Billie White; introduction of speaker by Principal, F. T. McCollum.

The guest speaker, was Rev. H. G. Gantz of Lubbock who gave a most interesting and educational address.

Special guests for the occasion were members of the faculty. Sponsors of the Junior class are Miss Wood and D. W. Ogletree.

Following the banquet a dance was held for members of the Junior and Senior classes at the Municipal Building, at the City Park.

MEMORIAL SERVICE HELD BY O. E. S. THURSDAY EVENING

The Eastern Stars, Lamesa Chapter, held a memorial service Thursday evening at their regular meeting for Mrs. J. J. Lindsey and Henry Price, both members of the O. E. S., who passed away this year.

A candle light ceremony was held with the following taking part: Mrs. Walter Jones, Worthy Matron; Mrs. Gus White Associate Matron; Mrs. Vernon Bryant, Conductress; Mrs. Oliver Cates, Associate Conductress; Mrs. Irene Bearden, Marshall; Mrs. Glenn Esmond, Chaplen; and the five star points, Mrs. A. B. Carpenter, Willie Belle Cleveland, Mrs. A. A. Watson, Mrs. Charnell Jobe and Miss Olive Meadows. A poem, written by Mrs. Sam Albertson, in honor of Mother Lindsey, was also read.

After the ceremony ice cream and cakes were served to about forty guests.

MRS. RALPH STUART HOSTESS TO 42 CLUB THURSDAY

Mrs. Ralph Stuart entertained for members and guests of the Thursday 42 Club Thursday afternoon at the Lamesa Country Club.

The Club house was most attractively decorated with large bouquets of spring flowers. After the games a delicious salad course was served to the guests.

Those attending were Mesdames M. E. Boren, Lee Billingsley, Ross Broadman, M. E. Smart, Dee Hull, A. H. Smith, Ray Williams, Irvin Wright, Ross Gibson, Bill White and Lanan Bissett.

MRS. W. B. COLLINS HOSTESS AT PARTY FRIDAY AFTERNOON

Mrs. W. B. Collins entertained Friday afternoon with two tables of Forty-Two for Mrs. Matilda Mangan of Lake Charles, La., who is visiting here with her daughter, Mrs. F. T. McCollum.

Vari-colored spring flowers decorated the entertaining rooms. At the conclusion of the games strawberry short cake and iced tea was served to the guests.

Those attending were Mesdames Matilda Mangan, R. E. Simpson, M. Q. Martin, C. A. Eiland, J. L. Sypert, E. R. Yates, W. K. Crawley, Mrs. F. T. McCollum was a tea guest.

MARRIAGE LICENSE

W. H. Butcher and Mrs. Maggie Hubbard, May 16.

Mr. and Mrs. Clyde Snow visited Mrs. Snow's parents, Mr. and Mrs. Jeff Pittman Sunday.

Several of the community gave Mr. Dean Fleming a forty-two party last Thursday, before he left for camp.

Rotarians Hear Report On District Convention

The Rotary Club met last Friday in regular meeting at the Plaza Hotel. Miss Lucille Skewes of the National Girl Scout Staff spoke to the group on organizing girl scout troops in Lamesa.

Joe Pierce and F. T. McCollum gave reports on the District Rotary convention which was held in Wichita Falls last week. They stated that some 450 Rotarians and Rotary Anns were in attendance for the two days.

The address of welcome was given Monday morning by C. C. McDonald, Wichita Falls attorney. The response was given by R. B. Bryant of Stamford, past district governor.

Cal Farley, District Governor introduced a number of past district governors, including O. B. Sellers, Fort Worth; Edd Estes, Wichita Falls, and Hiram Arrant, Abilene.

Charles E. Paxton of Sweetwater was nominated for district governor without opposition and Abilene was chosen as the 1943 meeting place.

Paxton was formally elected Monday night at the Governor's banquet concluding the two-day meeting.

Speakers Monday included Edward F. McFadden of Hope, Ark., representative of Rotary International, and Frank Wemple of Midland.

J. B. Teal Is Buried Monday

Funeral services were held Monday afternoon at 3 o'clock for J. B. Teal, 74, who passed away at his home Sunday, May 17. Funeral services were held at the Higginbotham Funeral Home, with Rev. W. E. Lee officiating.

Survivors include six children, L. E. of Lamesa, J. L. of Lubbock, L. H. of Lamesa, P. L. of Seagraves, Mrs. Roy Coconougher of Andrews, Mrs. W. R. Knoles of Idalou; four brothers, L. M. Teal of Munroe, John Teal of Booz, Ala., W. T. Teal of Levelland, J. R. of Rockwood and four grandchildren.

Hal Collier of San Angelo spent the week end here visiting with friends.

MANAGER OF RANCH

D. Burns, former Lamesan, and for several years fieldman for the West Texas Cotton Oil Co., at San Angelo, has been named manager of the Pitchfork Ranch in Dickens and King Counties, east of Dickens. A 1916 graduate of Texas A. & M. College, Burns married a Lamesa girl.

stood that grubbers were to start work Monday afternoon clearing the land and getting it ready for immediate use.

Word from the contractors who are to build the school is that they will have a crew in Lamesa Wednesday, and that they will start to work Thursday morning if possible.

John Wilson, who is an operator of a CPT school and a glider unit at La Porte, Ill., has been designated by the War Department to construct the school in Lamesa, where only commissioned pilots will be trained.

The school will train about 125 student glider pilots at a time, with approximately 100 other men to be in the ground crews and to serve as instructors. The cost of the school is estimated to be between $250,000 and $500,000.

Mr. and Mrs. L. F. Wade of Jayton spent the week end in Lamesa visiting with their sons, Mr. and Mrs. Robt. Wade and Tom Wade.

Mrs. Ben Cason and children, Cynthia, and Benny Sanford, and Annie Knipp, are visiting relatives in Waxahachie this week.

Graduates—

(Continued from Front Page)

Tomorrow," Frances McCollum.

Solo, "If I Could Tell You," Friestone, Betty Houston.

Address, 'America and Education," Pat Ryan.

"By the Bend of the River," Senior Girls Sextet.

Valedictory Address, "American Ideals," Mary Lu Murray.

F. T. McCollum, principal of the High School awarded the diplomas, while Superintendent V. Z. Rogers made the presentation of scholarships and other honors.

The benediction was pronounced by L. L. Lawrence, and Mrs. A. G. Barnard played as the recessional "March from Aida" by Verdi.

Eighty-nine boys and girls were members of this graduation class.

Jimmie J. Baldwin, Winona Ball, Evelyn Barnard, Mary Frances Barnard, Helen Barron, Ina Ruth Barron, J. C. Barron, T. J. Barrow, Betty Billingsley, Cecil Blair, Bobbie Bockman, James Boone, Ivan Bullard, Harold Caldwell, Anita Carlisle, Velta Childers, Gerald Costin, Claudie Mae Covey, Jana Ruth Cox, Imogene Crow, H. W. Cutler, Earlyne Davis, Margaret Davis, Norma Denson, Lacell Doss, Bruce Fields.
