CONSTRUCTION of the base for the paving of the City-County Airport is continuing by Mitchell County workmen this week. Weather permitting, the strip should be ready for hard surfacing in the near future. The paving of the airstrip is a joint project of the city and county. The county is doing initial work preparing the base and the city will then take over for the surfacing of the strip.

SMITH "FEELING GOOD"

Wounded Deputy Back Home From Hospital

Mitchell County Deputy Sheriff Forrest Smith has returned home from Hendricks Memorial Hospital in Abilene where he was transferred after being critically wounded Sept. 21 in a gun battle east of Colorado City.

The deputy came back to Colorado City by private car around 10 a.m. Wednesday following a stay of almost two weeks at the Abilene hospital where he underwent surgery and treatment for his wounds. Smith was reported to be "feeling well" after his arrival in Colorado City and is out of bed for short periods of time at his home.

The wounded deputy is expected to be "taking it very easy" for several weeks to come.

Reports on the Forrest Smith Fund, which was begun to aid the deputy's family financially, now list a total of over \$600. Contributions are still being accepted at the City

Labor Station Opens

An employment office to assist cotton farmers and workers in finding employees and employment has opened in Colorado City.

The employment station is located across from Lone Wolf Electric Co-op and will remain open during the harvest season.

Ray Pearce of Roscoe is heading the newly-opened station and is on hand to assist farmers and workers with farm labor problems. Pearce is engaged in farming in the Roscoe Area and is acquainted with many of the needs and problems of the area's farmers and farm laborers.

Lawson C. Burkhardt, manager of the Texas Employment Commission in Sweetwater, announced the opening of the Colorado City station. The farm labor station is operated independently of any other services given by the Texas Employment Commission in Colorado City.

Contest Deadline Set For Friday

Entry deadline for Ford's Punt, Pass and Kick Contest is set for Friday at Craddock Witten Ford, the local sponsor. The contest for boys eight to 13 is slated for 5 p.m. Saturday in Wolf Stadium under direction of CHS Coach Truman Nix and his staff. Approximately 60 entries are expected in the local contest.

National Bank in Colorado City, First State Bank in Lorraine and Planter's Gin in Westbrook.

It has been estimated that the medical expenses incurred during his stay in Abilene will be between \$3,500 and \$4,000. This, of course, does not include expenses during his stay in the local hospital following the shooting.

Smith has undergone three operations in the time since the shooting including one for the removal of his right eye. The deputy was shot just over the right eye and in the back by Carlos Perez who was later

Daniel Hardin Services Held

Services for Daniel W. Hardin, 42, were conducted at 4 p.m. Monday in Kiker and Son Chapel with the Rev. Carl Lee, pastor of Oak St. Baptist Church, officiating.

Rev. Lee was assisted by Rev. Prentiss Smith, pastor of Central Baptist Church. Burial was in Colorado City Cemetery.

Hardin died at 6:15 a.m. Sunday in the Veterans' Hospital at Big Spring following a long illness.

He was born April 12, 1923 in Comanche County and was a veteran of World War II.

Survivors are his mother, Mrs. Mattie Hardin of Colorado City; three sisters, Mrs. J. D. Boyd of Modesto, Calif., Mrs. Otis Free and Mrs. Jack Miller, both of Colorado City; and one brother, Robert D. Hardin of Colorado City.

Funeral services were held at 4 p.m. Monday at the home of Mrs. Powell, Hollis Howell, Bob Hall, Leroy Wingo, Aubrey Eelf and D. L. Dendy.

Farms Tour Set Friday

A farm tour is scheduled Friday morning at 8:30 a.m. to see projects completed by county farmers using Farmer's Home Administration loan funds.

John Russell, FHA's Mitchell County supervisor, will direct the tour expected to last approximately two hours.

Farms to be visited on the tour include:

the Pete Barkley farm where a new home has just been completed; the Royce Beights farm showing the treatment of systemic insecticides; and the farm of Gene Blassingame who has used broadcast trellis. Russell urged any interested persons to join the car tour starting at the FHA office Friday morning.

shot to death by Scurry County Deputy Sheriff Jess Minton who also met his death in the muddy maize field east of Colorado City.

A five man committee is serving as administrators of the fund that was started by friends over a week ago. Administrators serving on the committee include Rev. Carl Lee, District Judge Austin McCloud, Louis (Choppy) Rees, Herbert Mearse and Don Benson.

Correction

Through a misunderstanding between the Record and the SCS, the picture in the Sunday edition was published prematurely.

The information state that the landowner pictured was signing the 20,000th contract with the Great Plains Conservation Program.

The contract must be processed in Washington along with others being presented at this time before the actual 20,000th contract is determined. Thus, the contract in question may or may not be the 20,000th.

The local contract was signed by landowner Charles Dockrey.

Fire Helmets Given Today

Over 500 red fire helmets will be given to primary school students in Colorado City at 1 p.m. today in observance of Fire Prevention Week throughout the United States.

Members of the local fire department and the other two sponsors — Elliott-Godwin Insurance and Ratliff Insurance — will be on hand at the Primary School to pass out the colorful helmets.

The local fire truck will also be present to give complimentary rides to the first, second and third grade students.

Dan Majors Named Booster of the Week

Dan Majors was named "Booster of the Week" by the Colorado City Quarterback Club in their weekly meeting Tuesday night.

It was urged during the meeting that all fans going to out-of-town games purchase their tickets in Colorado City. Tickets bought here bring more money to the local school than those purchased out of town.

Tickets to all Wolf out-of-town games may be bought at the Colorado High business office or downtown at Landau's.

Mitchell Co. Fair Readies For October 14 Opening

NASA Exhibit To Be Shown

Final preparations are in progress for the annual Mitchell County Fair slated Oct. 14-16 in the county agricultural buildings west of Colorado City.

Assignment of concession spaces have been made and the layout of the fair is almost complete.

In a talk with Mrs. Don Gular, Chamber of Commerce manager, she noted the arrival of an educational exhibit on Aeronautics and Space Ad sent to the fair by the National Administration.

John Russell is serving as general chairman of the 1965 fair.

Entries in the various divisions of the fair will be accepted on Oct. 14 from 8 a.m. until 1 p.m. Judging of all exhibits entered will be conducted from 2 p.m. of the same day.

After 5 p.m. on the opening Thursday, all judging will be completed and the fair will be open to the public.

Hours for the fair on the Friday and Saturday of its run will be from 10 a.m. until 10 p.m.

Midway rides and attractions will be on the grounds during the fair.

Buddy Logsdon and J. D. Hill Jr. are directing the agricultural division in the Mitchell County Fair which includes cotton, grains and seeds, forage crops, sorghum heads, ear corn, fruits and nuts.

In the arts and crafts division headed by Mrs. C. Bruce Webb and George Womack, classes will be open for entry in water colors, oil paintings, handcraft and dry media.

In the horticulture division of the fair classes will include: hybrid tea, floribunda, grandiflora, hybrid tea climber, chrysanthemums, perennials, dahlias, annuals, lilies and other bulbs, shrubs, berried trees and house plants.

The entries in the horticulture divisions are to be judged on substance, color and brightness, size, condition, stem and form.

In charge of other fair committees will be: commercial booths, Jeff Taylor; carnival rides, James Hull; physical arrangements, Dale Mathis and Bob Rely; educational exhibits, Junior Sadler; and concessions, Don Benson.

Co-ordinators of the fair are Tommy Maricle and Idalia Wood.

Any Mitchell County resident interested in entering any division or class in the fair is urged to participate.

Entries Welcomed In Cooking Classes

Women's and Youth Divisions of Mitchell County Fair issued Wednesday a plea for entries in the cooking classes, with emphasis on cakes, cookies, and breads.

Mrs. Rex T. McKenney of Westbrook and Mrs. Harry Dockrey of Spade are co-chairmen of the Women's Divisions. Mrs. Bobby Nobles heads the Youth Division.

"Taking part in the competition will make the fair more fun for everybody," Mrs. McKenney said. "We hope to have a record-breaking number of entries."

Entries are to be taken to the exhibit site, Mitchell County Agricultural Building, West Highway 80 between 8 a.m. and 1 p.m. Thursday, Oct. 14, first day of the fair. Judging will take place between 2 and 5 p.m. Thursday.

Youth Division is open to girls between the ages of 9 through 13 and ages 14 through 18 through school. Mrs. Nobles, chairman, is stressing the fact that exhibits will not be limited to 4-H or FHA members. Classes are open to all girls and boys who want to try their luck with cookery or with handwork ribbons.

Another point to be remembered this year, said Mrs. McKenney, is that exhibits are to remain in the hall until 10 p.m. Saturday. All exhibits must be the work of the exhibitor and made within the last year. No article can be entered to compete for more than one ribbon.

Cakes and breads should be on thin boards or paper plates. All canned products must be in standard glass jars or standard glass labeled with specific name of the product. Perishable food must be wrapped in cellophane or Saran Wrap.

Rt. 3 Resident Wins Again

Mrs. Charles Williams, Rt. 3, took first prize of \$10 in the fifth COLORADO RECORD football contest.

Mrs. Williams, who had taken third place in the fourth contest, correctly named 23 out of 30 winners and had a key game score of Colorado City 14-Haskell 6.

Taking second place was Jerry Hardegree, 312 Cedar St., who chose 22 winners and a key game score of C-City 12-Haskell 0.

Fred McKay, 1405 Eastover, chose 21 winners and a key score of C-City 14-Haskell 13. Sixth contest entry blank appears on the football page of today's issue.

Dickson Fete Set For Sweetwater

State Rep. Temple Dickson of Sweetwater will be honored with an appreciation dinner in that city Oct. 20 at 7:30 p.m. in the Newman High School Cafeteria.

The legislator represents the 80th District in Texas comprised of Dickens, Mitchell, Fisher, King, Nolan and Stonewall counties.

Cain Rites On Tuesday

Last rites for Ignatius Cain, 85, were held in Kiker and Son Chapel at 2 p.m. Tuesday with Rev. Carl Lee, pastor of Oak St. Baptist, officiating.

Burial was in Colorado City Cemetery under direction of Kiker and Son.

Mr. Cain died Sunday in Stephenville following a short illness.

He was born Jan. 28, 1880, in Illinois and married Mrs. Ethel Taylor Sept. 19, 1935 in Stanton. The couple had lived in Stephenville the past eight years where he was a member of the First Baptist Church.

Survivors include his wife; a son, Ignatius (Bill) of Woodbridge, Va.; a stepson, Edward Taylor of San Angelo; three grandchildren; and 10 great-grandchildren.

Pallbearers were A. J. Mitchell, Jack Way, Ross Hargrove and George Tarter.

Zone 2 Landowners Elect A. K. McCarley

A. K. McCarley Jr. was elected as Zone Two representative to the Mitchell County Board of Supervisors for the soil conservation district.

McCarley, long active in soil conservation work, fills the spot previously held by Warren Anderson. McCarley was elected at a Tuesday night meeting of landowners in the Medallion Room.

Soon To Be Busy

IDLE COTTON TRAILERS are seen on a local gin lot awaiting the busy harvesting days that will come to Mitchell County in the near future. Gins over the county have been seeing some activity and some workers have observed harvesting cotton in certain areas of the county. Estimates

on the county's cotton crop continue to range from 30,000 up to 45,000. This will be a big increase over last year's crop that reached a total of only 24,000. The final output is of course subject to a great variation depending on weather, insects and other factors.

IN 8-6 DECISION

Hamlin Edges Wolf B-Team

Hamlin B-teamers outlasted Colorado City 8-6 in a defensive battle in Hamlin Thursday night.

After battling to a scoreless tie in the first half, Hamlin came back in the third period and put together a sustained touchdown drive and made the extra points to go ahead 8-0.

Colorado City attempted a comeback as Quarterback Riley Tilley connected on a scoring pass play with Halfback Ronnie Wilson covering 45 yards.

An end sweep failed in the crucial C-City try for the points after and Hamlin held onto their narrow margin to win.

The Colorado City team was slowed somewhat by the loss of two starters to injuries. The pair are Quarterback Rusty Steakley and Center Gerald Graves.

Halfback Johnny Lindsey led the C-City offensive attack against the Hamlin "11."

Defensive standouts for the local squad included John Hill, Dwain Currie, Riley Tilley, Allen Smith, Sammy Parham and Kenny Lightfoot.

The Wolf B-team battles Odessa Ector tonight at 7 p.m. in Odessa.

Guests of Mrs. C. J. Miller last weekend were Mr. and Mrs. Richard Miller and children of Midland.

Inside Sports

Tea Party Talk By J. T. King

J. T. King, gushing forth at a tea party for sports writers after the Tech victory over A&M, in his typical winning style (21-30-2), pushed out the following blurb: "If we had lost that game," he said, "we could not have beat Colorado City High next week."

We are sure that old J. T. didn't mean to get personal with the crack. However, what he meant to do and what he did are horses of a different color.

Instead of using an anonymous punching bag like 'Podunk Holler' or 'Sagebrush Flats,' he got very personal as far as I am concerned.

While J. T. was singing songs of "doing better things and having better days," it doesn't require the memory of an elephant to remember back when there was an eternal black cloud of defeat hanging over Jones Stadium and J. T.'s door was almost weekly draped in black.

Regarding J. T.'s blurb about Colorado City, Fort Worth Star-Telegram sports writer, Jim Trinkle said, "No one believed King purposely slapped at Colorado City High, which is an innocent bystander in this theme. He wasn't a mood to throw darts after Donnie Anderson had picked the Raiders up by their galluses and flung them ahead of the Aggies."

Well, J. T., while we were innocently standing by, we felt something of a kick in the seat by one of your victory gushes.

Also, on a given time and spot, Texas Tech might have had some trouble with the Wolves somewhere along the line.

Nuff sed.

The Mustangs from SMU finally went on the stampede last Saturday.

And they couldn't have picked a better time to do so than against No. 1 ranked Purdue. After only holding their own for the first two periods, the Mustangs rose up to smite the Boilermakers in spite of the seeming impossibility.

Saddest thing of the day was the fact that a mere 17,000 people were on hand to see the fireworks.

SMU Head Mentor Hayden Fry, speaking before a packed meeting of the Mustang Club Monday, said, "I'm glad to see all these people here today. I just wish we'd had this many at our game Saturday."

Reminiscing back to earlier days in his coaching career, Fry told the club, "I remember when I was coaching Odessa High, sometimes we'd draw 21,22,000 for a game."

Many people will probably be off for the next Mustang encounter, but if SMU fails to produce a victory, they'll be gone again.

Speaking on too-small crowds at grid contests, that was somewhat the situation in Wolf Stadium last Friday night as the Wolves put on a tremendous show of gridiron skill in whipping a talented and tough Haskell team.

To those of you in attendance... congratulations for the support... you all saw a fine football game played by the charges of Truman Nix and Ray Morgan.

To those of you absent... BE THERE NEXT TIME!!

Wolves Prepping For Tough Tigers

Colorado City's Wolves seek to make it two district wins in a row Friday night as they tangle with the tough Anson Tigers at 7:30 p.m.

In their last outing the Wolves outlasted a stout Haskell team 12-7 in the league opener for the squads.

The Wolves were rated underdogs in the opener by most predictions and more than likely will be cast in the same role Friday night against Anson.

From all indications, however, the Tigers and the Wolves are fairly evenly matched and a hard-fought football contest is expected to unfold.

Three Wolves will be slowed by injuries for the contest.

Topper Steakley, who has been a stout performer at center and defensive end for the Pack, suffered a bad ankle sprain in the Haskell game.

Reserve fullback Mike Garner also injured an ankle in Tuesday's workout.

Donnie Higginbotham, who has been nursing an injured ankle all season, burned his hand early in the week in a science lab accident.

Except for that trio, the Wolves should be in top condition for the Anson clash.

Coach Truman Nix reported the Wolves to have had "good workouts" during the week showing a lot of "fire and hustle."

Nix offered a special note of praise for Wolf Tackle Marvin Iglehart. "Marvin is the most improved player on the squad primarily through a tremendous amount of hustle," Nix said. "He has been the leader in the offensive line all year," the coach added.

The Wolf head mentor was also high in praise of Fullback David Way, who led the C-City ball-carrying contingent against Haskell.

"Way did a tremendous job up the middle against Haskell, and we hope he has another good night against Anson," Nix commented.

Nix stressed that Anson should field a better defensive line than Haskell, but that the overall Tiger squad would not be as fast as the previous week's opponent.

Gary Don Boyd, 156-pound fullback, and 200-pound tailback Daril Pineda, were cited by Nix as being the top backfield threats for Anson.

In the Anson offensive line, the Tigers sport a pair of big linemen in Willie Isbell, 220-pound center, and 200-pound tackle, Eddie Andrus.

In a telephone interview with the RECORD, Anson Head Coach Charley Davis said rain had forced him to stay inside Monday and Tuesday, but that he planned to hold a Wednesday workout come rain, sleet or snow.

Davis noted that injuries would slow the Tigers somewhat in the Friday night battle with the Wolves.

Key injury on the list was that of 217-pound center Isbell who suffered a knee injury in the Tigers' 20-3 loss to Winters last Friday night.

The Tigers are expected to run out of a "winged-T" formation and will primarily stick to a running attack. Anson attempts to run a "ball control" offense that has hurt the offensive attacks of teams this season.

Davis listed Boyd as the top performer in his backfield.

Defensively, the Tigers are expected to run a four man line similar to the type used by the Wolves. The Tigers will also play from a six-man set-up in some instances.

"Thinking back to last year's 6-0 win over the Wolves, Davis said it was a "very hard fought" game and that the

Tigers were "lucky to win."

The Tigers have taken three wins this season over Aspermont, 25-16; Albany, 8-6; and Cisco, 25-0. Their losses have been at the hands of AAA Coleman, 14-7; and Winters, 20-3.

Davis is expecting a tough game from the Wolves.

Offensive starters for the Wolves will be: right end, Larry Currie, 170; right tackle, Craig Bell, 160; right guard, Robert Stewart, 175; center, Stetson Cowan, 150; left guard, Robert Mathers, 180; left tackle, Marvin Iglehart, 190; left end Robert Jameson, 170; quarterback, Wayne Snowden, 175; left halfback, Donnie Higginbotham, 170; right halfback, Artie Butler, 135; fullback, David Way, 180.

For the Haskell team will be: left end, Mike Brown, 177; left tackle, Steve Lankford, 175; left guard, Jimmy Barfield, 160; center, Willie Isbell, 220; right guard, Don Jones, 160; right tackle, Eddie Andrus, 200; right end, Freddie Lollar, 145; quarterback, Craig Huber, 148; wingback, Mike Pursell, 165; tailback, Daril Pineda, 200; fullback, Gary Don Boyd, 156.

Defensively for the Wolves starters are: left guard, Ascension Bonilla, 205; left end, Jerry Franks, 180; right guard, Stewart; right end, Jameson; inside linebacker, Ronnie Lamb, 145; middle linebacker, Currie; inside linebacker, Way; cornerbacks, Doug and David Aycock; safeties, Larry Paul, 160, and Higginbotham.

On the Haskell defensive squad will be: right tackle, Barfield; right guard, Boyd; left guard, Jones; left tackle, Alvin Hinkle, 150; left linebacker, Andrew Garcia, 155; right linebacker, Lollar; middle linebacker, Pineda; monster man, Travis Cox, 119; right halfback, Butch Scott, 148; left halfback, Mike Story, 170; safety, Huber.

Frosh Whack Hamlin

Colorado City Frosh took their fourth straight football victory of the season besting Hamlin 13-6.

All the scoring was in the initial period as the C-City crew punched in for a pair of touchdowns.

The first came on a 25-yard option play by Randy Parker. Jamps Hill booted the extra point and the C-City team had an early 7-0 bulge.

Later, in the quarter Dan Steakley scampered 10 yards for the second Colorado City touchdown.

Hamlin scored their only TD in the first period also on a six-yard dive play.

That ended the scoring in the tilt as the freshmen held on for the win.

Parker turned in an outstanding performance in the C-City offensive attack along with Mike Maines and Richard Reynolds.

Defensively for the Colorado City squad, top jobs were credited to Leslie Ellis, John Molina, Dan Steakley, Maines and Paul.

Dove Season

The mourning dove season in the north zone of Texas and Mitchell County has been average to good, depending on weather and available food.

In the eastern part of Texas Parks and Wildlife Department game wardens are checking bags that are running about average for the early part of the season, but a little ahead of the last several years.

Average early kill reported by wardens is about six birds, but many hunters are bagging the limit of twelve.

Under Watchful Eyes

COACH TRUMAN NIX pays close attention to workout action of the Colorado City Wolves seen in practice Monday afternoon. The Wolves are preparing for their second district tilt of the season against the Anson Tigers at 7:30 p.m. Friday in Anson. The Wolves are thus far undefeated in league action.

C-City 7th Vaults Over Coahoma '11'

Colorado City 7th graders cal '11' as they swamped the walloped Coahoma 42-0 Thursday night in Coahoma for their second win of the season.

The C-City charges of Coach Richard Hinrnat had previously defeated Coahoma 16-0 in their season opener. The rivalry starts up again this afternoon at 4 p.m. in Wolf Stadium.

Five C-City players got into the scoring column for the four-year-11 run.

Steve Plunkett intercepted a Coahoma aerial and dashed 67 yards for the final Colorado City touchdown.

Vest, Brewton and Stone stood out in the local offensive attack along with Tommy Boyd and Joe Kirschbaum.

On defense for Colorado City, outstanding performances were turned in by Ray Sawyer, Charles Light, Cary May and Plunkett.

Stoney Stone scooted 30 yards for a touchdown and had two extra points to his credit.

Barney Brewton hauled in a pair of touchdown passes from Quarterback Steve Vest covering 40 and 30 yards.

Vest scored on a 7-yard run and made an extra point.

John Lelek hit paydirt on a four-yard run.

New Model for Chevrolet

Two of Chevrolet's newest addition for 1966 are the Caprice Custom Coupe (bottom) and the Chevelle Super Sport 396 Coupe (top). There are 48 other models in the Chevy line-up that is on display today at Jay Adams Chevrolet.

THURSDAY AT JAY ADAMS

New Chevrolet Offers More Variety, Safety

Varied safety and new styling features highlight the 1966 Chevrolets which move into the showrooms of Jay Adams Chevrolet in Colorado City today, Thursday, for their premier display.

And the '66 Chevrolets at Jay Adams have their greatest assortment of models in Chevrolet's 55-year history — 50 models in 6 passenger car lines.

Principal features include:

New Models — A Caprice top-of-the-line series with four prestige models is added to the top selling regular Chevrolets. A four-door hardtop joins the Chevelle line, plus a distinctive Super Sport 396 series.

Styling — The Chevy II redesigns since introduction in 1962 models. The Chevelle is restyled, there are design refinements in the Corvair and Corvair, and the regular Chevrolet has an even "bigger car" look.

Safety Features — Numerous safety features are made standard on all models, ranging from a padded instrument panel and padded sun visors to rear seat belts and backup lamps.

Mechanical Features — New engines include a 230-cubic inch I-6 and two 427-cubic inch V-8's. A new three-speed fully synchronized transmission is standard on all Chevrolet models.

Options — Offered for the first time in addition to the more than 100 options and accessories already available to Chevrolet buyers, are a single-dial automatic heating and air conditioning system, a bench front seat with center armrest, adjustable front seat headrests and tilt-telescoping steering.

Interiors — Restyled, high fashion interiors are featured in all models. Bucket seats in Chevrolet, Chevelle and Chevy II models are a new slim "Strato" design. Each of the 14 station wagons has an all vinyl interior.

Here are details on the six Chevrolet lines for 1966:

Regular Chevrolet — Headed by the luxury Caprice series, there are 19 models in five series. A color keyed paint stripe distinguishes the Caprice Custom coupe — which has a special roofline unique among all Chevrolet models — and the Caprice Custom sedan. The two Caprice Custom station wagons have walnut grained exterior trim. All Caprice models have high prestige interiors.

Structural improvements have been made in both chassis and body. New springs, shock absorbers and softer bushings and body mounts increase smoothness and quietness of ride. The 110-inch wheelbase is retained.

Performance of the base six-cylinder engine is improved by increasing displacement from 230 to 260 inches. Six V-8's are available including the two new 427-cubic inch engines. Horsepower ranges from 155 to 425. Five basic transmissions are offered, including

ing Turbo Hydra-Matic continued for 1966. Styling refinements include new rock door handle body style points or sill and wheel opening moldings, new front panel emblem, fresh design of the rear grille and taillights.

Length and width of Chevrolets are increased approximately one-half inch while the wheelbase remains at 115 inches. Redesigned body panels and front end with wrap-around grille give a longer and lower silhouette. Rooflines are new for 2 and 4-door sedans.

Chevy II — The most complete change in exterior and interior appearance since its introduction in 1962 models is now new beauty to the seven models in three series of Chevy II.

Retaining its 110-inch wheelbase, the 1966 Chevy II is slightly lower and longer and more than 1.5 inches wider than previous models. There are new rooflines on all sedans and coupes.

Corvair — The smooth continental styling of Corvair is

There are seven models in three series — all either convertibles or 2 and 4-door hardtops. Wheelbase continues to be a highly maneuverable 108 inches.

America's only sports car continues its program of annual styling refinement with a new nameplate on the hood, body side trim, grille and wheel covers. There is a special high-domed hood on models with a 427-cubic inch engine.

There are two Sting Ray models — a convertible and a sport coupe — on a 98-inch wheelbase.

Combining passenger car luxury with durable commercial chassis components, this vehicle rounds out Chevrolet's product versatility.

JOY Class Has Supper

WESTBROOK — Members of the JOY Sunday School class of the First Baptist Church met Friday evening at 7:45 in the home of Mr. and Mrs. D. J. Barber for a salad supper.

Husbands of the members were invited guests.

During a business meeting officers were elected for the new church year which began the first Sunday in October. Mrs. Altis Clemmer was re-elected to serve as president. Serving with her will be Mrs. Emory Swartz, vice-president and Mrs. D. J. Barber who

was elected as secretary. Mrs. Hoyt Roberts will be hostess on October 25th when the class will have a Halloween social.

Attending Friday evening were Mr. and Mrs. B. D. Taylor, Mr. and Mrs. W. C. Hutcheson, Mr. and Mrs. Alvin Clemmer, Mr. and Mrs. Hoyt Roberts, Mr. and Mrs. Emory Swartz and the hosts, Mr. and Mrs. Barber. Mrs. Hutcheson is teacher and Mrs. Roberts associate teacher of the class.

NOW! '66 CHEVROLETS

Caprice Custom Coupe

NEW CAPRICE BY CHEVROLET

Custom Coupe, Sedan and two luxurious new Custom Wagons now. Liquid smooth ride. Power you can order just as

smooth and pin-drop quiet. Turbo-Jet V8 engines that go all the way up to 425 hp. Shimmering new interiors. The look of hand-rubbed walnut trim. Elegance everywhere. Made by Chevrolet, so you know what a beautiful value it must be.

IMPALA

NEW CHEVROLET JET-SMOOTHER

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thrifty Six at 155 hp, and goes on from there. Turbo-Jet V8's available at 325 hp, 390 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes. Model shown: Impala Super Sport Coupe.

NEW CHEVELLE SUPER SPORT 396

New 300's. New 300 Deluxe models. New Malibus. And two new Super Sport 396's—coupe and convertible—with engines that tell you exactly what kind of Chevilles they are. Both are available with 396-cu.-in. Turbo-Jet V8's, either 325 hp or 360 hp. And both come with special hood, grille, suspension, emblems, red stripe tires, floor-mounted shift. Twelve beautiful new Chevilles in all—and all as new inside as they are outside, headlamps to taillights.

Chevelle Super Sport 396 Coupe

Nova Super Sport Coupe

Corvair Sport Coupe

ALL NEW CHEVY II

It's so different, we should really call it the Chevy III. Roofs are swept way back on coupes. Fenders, grille, hood, taillights and bumpers are new on all seven models. Interiors are richer. Power available up to a 350-hp Turbo-Fire V8. You can even order headrests for the front seats and Mag-style wheel covers. What's the economical, dependable Chevy II coming to? A lot of smart '66 car buyers, we figure.

'66 CORVAIR UNIQUE

Still America's only rear-engine car. And with the special steering and suspension you can add, there's no better way to rid yourself of prematurely gray driving. Lots new, Corvair, like all the '66 Chevrolets, has a padded dash, seat belts front and back, new fully synchronized 3-speed, Corsas, Monzas, 500's. Get one. Stay young.

LEADER MRS. GARY

Self Culture Program Features 'Great Lives'

Mrs. L. A. Strain was hostess for a Friday afternoon meeting of Self Culture Club members, in Medallion Room at Lone Wolf Electric Cooperative building.

With Mrs. C. P. Gary as program director, members presented the first in their club year series of studies, "Fine Arts & Home Life," with the theme "Behold the Beautiful" and the subject for the day, "Through Great Lives."

Mrs. Wilfred Fox read a paper, "Eleanor Roosevelt," and reviewed "Eleanor Roosevelt, The Drama of Her Early Life and Marriage," by Archibald McLeish, as published in McCall's.

Mrs. Gary's topic for discussion was "George Washington Carver," great Negro scientist and educator.

Born the son of slaves, stolen with his young mother by night raiders after the Civil War, Carver became an artist, a musician, an agricultural scientist, a researcher of international fame, a great Christian and a widely respected humanitarian.

Carve, Mrs. Gary reminded club members, left a responsible post as member of the Iowa State faculty to go to Tuskegee Institute, after a plea from Booker T. Washington. He spent the rest of his

life at the Negro college in Alabama.

After his death, Carver's \$33,000 estate went to Tuskegee for research. His art collections, paintings, dyes and paints, wall boards, mats and rugs, vases he made from Alabama clay; 75 peanut products, 118 sweet potato products, many of the more than 300 products he made from peanuts, went into Tuskegee's museum, dedicated to Dr. Carver.

Miss Ruth Hightower, member of Self Culture Club, climaxed the program with a description of Tuskegee Institute and the museum, which she has visited.

Mrs. Earl Brown, president, conducted a short business session before the program.

After the program, the hostess served a dessert course to Mrs. John Brown, Mrs. Earl Brown, Mrs. A. A. Herrington, Mrs. R. M. Reed, Mrs. Paul Beaman, Mrs. Sam Armstrong, Mrs. E. L. Tiller, Miss Hightower, Mrs. Gary and Mrs. Fox.

Mrs. Beaman will host the next club meeting, Friday, Oct. 15, when Mrs. Tom Grant will direct a program, "Through Etiquette," with Mrs. Strain and Mrs. Herrington taking part.

CONVERSATION CORNER

DR. JOYCE BROTHERS, probably the prettiest psychiatrist of the city, does a daily column now.

She offers counseling bits of advice, saying that it's perfectly normal for a child to hate his mama on occasion and that "guilt feelings" make people behave—or misbehave—like something awful.

Dr. Brothers, a beaming blond, can be as naive, some days, as if she didn't have all that education in psychology.

OTHER DAY, she came out explaining "four differences between the sexes — men and women, that is."

Women need more sleep than men, Dr. Brothers declared. So because a man feels abused if he has to get up first in the morning and get his own breakfast, it is a woman's obligation to get up first. And then to take a lovely little nap in the early afternoon.

She didn't say what to do with three wide-awake preschool children during the nap hour. Or how working wives were to manage it.

WOMEN, she thinks are better at lying than men — that is, if it comes easier for them. But, she adds, a man really accomplished and practiced at lying can outlie any number of women.

Contrary to popular belief, she says, men are more vengeful by nature than women, more apt to pack a grudge and try to get even.

Men and women are about the same "smart," even though they think differently, Dr. Brothers thinks. And in conclusion she vows that it's all right for a man to marry a woman smarter than he is.

NOW THERE, you have it. Another expert's summary of the four "psychological differences" between men and women.

Heck. There must be 400 other differences. Or maybe 4 million.

Women are better at words than men and far more talented at "tussing." A man is better at staying mad after his woman has blown her top.

Women are faster dressers than men — all those waiting for her jones notwithstanding. The average woman can get herself and three kids ready while he shaves and hunts his cuff links.

Women are better at sarcasm, sometimes a more crushing weapon than fists.

NEW PARENTS

China Grove Community Homes Entertain Guests

By MRS. N. F. HALL, Record Correspondent

CHINA GROVE — Mr. and Mrs. Hollis Mize Jr. are parents of a baby girl born to them Sept. 27, in Johnson Hospital at Lorraine.

The baby weighed 6 lbs. 11 ozs. at birth and has been named Sharon Naomi.

Mr. and Mrs. Jim Merket, formerly of China Grove and now of Lorraine, has been hospitalized in Johnson Hospital after a fall in which she suffered two broken ribs. Mr. and Mrs. Floyd Merket of China Grove visited her and Mr. Merket, recently.

Recent guests of Mr. and Mrs. Jess Brown were Mr. and Mrs. William Walker, Mr. and Mrs. Dan Hall of Stanton.

Miss Ella Lee Hickey of San Angelo visited Mrs. Clarence T. Merritt and Mrs. Sidney Williams, last weekend.

Mrs. Williams, accompanied by Mrs. N. F. Hall, attended Lum's Chapel service, Sunday evening in Lattifield, where Mr. Williams has been conducting song services for a revival.

Mr. and Mrs. Hollis Mize Sr. and son Tommy were guests at a barbeque in Big Spring, Saturday evening.

Mr. and Mrs. Rockey Allen and children of Big Spring were guests in the home of Mr. and Mrs. Leonard Allen.

Mr. and Mrs. Pete White and son Rayburn were in Lubbock this week where they visited the fair. They also visited Mr. and Mrs. Tommy Jones.

Recent guests in the White home at China Grove were Mr. and Mrs. Cecil Latham and children of Ira, Mr. and Mrs. Houston White of Snyder, Mrs. V. E. Duncan of Coahoma and John Wayne Newby of Colorado City.

Weekend guests in the N. F. Hall home were Jeff Mize of Big Spring; Wayne B. Mitchell and Miss Vicki Pender of Lubbock; Ronny Moseley of San Angelo; Mrs. D. L. Cotton, Mrs. Pete White, Mrs. Hollis Mize Sr. of China Grove; and Mrs. Billy Harlow of Colorado City.

Men are better at silence, often more deadly than a beating.

MEN are more sentimental but women are more likely to attach importance to special dates and anniversaries.

Men are specific worriers. They worry in round figures. Women do more abstract worrying along lines of war and disease and crime.

Men are better at working with an organization. Women work best alone. Organize a bunch of women and there is sure to be some fall-out.

Men are better at keeping secrets — because they probably don't know as many.

Men are better at remembering jokes and the World Series scores. Women are better at remembering names and what it was the preacher said last Sunday.

All in all, the sexes is pretty even. Main difference is that men are men. Which is why women keep on marrying them.

HEAR TELL, that Ed E. Williams, whose wife is named Minnie Belle, has accepted an invitation to be speaker for the Lorraine High School Homecoming events, Oct. 22-23.

Ed, a coach, then superintendent of Lorraine Schools, is also former CHS principal, and later superintendent, of Colorado City Schools. Mrs. Williams taught a private kindergarten here and then taught in public schools here for a number of years.

The couple live in Irving where she teaches and he is a principal.

DANNY MAJORS was around saying that he did a little one-man survey out at Mitchell County Cemetery this week. He was intrigued with several early-day stones, there for more than 80 years.

One, the biggest, bears the names **W. P. Patterson and John Swartz**, who died in 1882. Another has the name of **George W. Barnes**, who lived from 1804 until 1883. Two other stones also bear the 1883 date. They mark the resting places of **Lenora N. Anderson**, wife of B. J. Anderson, born in 1842, and **H. Hardecastle**, daughter of B. T. and S. S. Selman, age 31.

Mary Stoneham's tombstone, with the date 1904, has the inscription "She died as she lived, a Christian."

It's **Old Settlers Reunion** season and Danny got the research fever about those old markers . . . out there in the weed-covered strip.

SEEN LATELY: Harry Ratliff with a big envelope full of pictures of pioneer C-City, some made in the early eighties, others in the first decade of this century . . . **Ava Hardecastle** (Mrs. Howard) working in her yard . . . **Newby Pratt** at his lunch break . . . **Pearl Watson** (Mrs. Les) too.

Saw **Katie Jackson** (Mrs. A. H.) and her sister who has been visiting here . . . **The Leslie Kelths** . . . **Bobby J. McMillan**, young pastor of St. Luke Methodist Church . . . **Oleta Hicklin**, Roof lab technologist, and wife of J. W.

OFF THE CUFF: **George Womack**, City National V.P., has finally gotten around to taking his 1965 vacation.

The L. K. Shaws and the Luke Longs went to Houston to take in the Astrodome, recently.

Among Texas Tech co-eds, this fall, are **Mary Ann Lipps**, **Sharon Montgomery**, **Neta Erwin** . . . **Terry Breedon's** at McMurry . . . **Kenneth Feaster** is in John Tarleton . . . **Johnny Tiller's** a student at **Harvey Mudd College** in Claremont, Calif . . . **Helen May** is in **WSTU** at Canyon. **Linda Ross**, too.

IN TOWN for a visit with old friends here and there, early this week, were the **Buck Boatrights**, now of Midland.

They are parents of **Joe Ed Boatright**, former ad man and sports writer for the Record. Joe Ed is now ace advertising man for the **Midland Reporter**.

He and his wife **Jean** are parents of two sons. **Randy** is now in Lee High School at Midland, as a ninth grade student. **Bryan** is 12.

Whoops! Once again, tempus fugit.

P.S. The **Buck Boatrights** have just completed building a brick cottage on the **Lake Brownwood** waterfront.

The two are great fishing fans. And they'll use their lake home for weekend outings and vacation times.

PROGRAM & COMMITTEES SET

Old-Timer Reunion Coming Up Oct. 14

Thursday of next week, Oct. 14, is Old Settlers Reunion day in Colorado City.

Set for the first day of the '65 Mitchell County Fair, the Reunion will begin with registration at 9 a.m. in the Historical Museum building (Hooker-Pond Legion Post) corner of 3rd and Chestnut Sts.

Adjournment is set for 12 noon. Refreshments will be served throughout the morning hours. The Reunion is open to new comers as well as old-timers. It is an "Everybody is invited" affair.

At 10 a.m. the program will get underway with Dr. Ralph Graham, pastor of First Christian Church and president of the Mitchell County Ministerial Alliance, to say the invocation. Porter Richardson will be master of ceremonies for the program hour.

District Judge Austin McCloud will then introduce the speaker for the day, Pat Bullock of Austin.

Bullock, a former citizen of Colorado City and a State Senator from this district for several terms, is now chairman of the Texas State Board of Pardons and Paroles. As a young man he was a school teacher in Mitchell County and later was executive vice-president of the Colorado City Chamber of Commerce.

Bullock's speech will be made in the form of a welcome address. Mayor of Colorado City, Dr. John H. Chimm, will speak the response, at 10:15 a.m.

At 10:30 there will be one minute of silent prayer for pioneers "who have answered the Last Roundup." Thirty minutes has been set aside, from 11 a.m. until 11:30 a.m. for the swapping of stories and anecdotes of the early days here.

Harry Ratliff will be in charge of the awards presentations at 11:30. Five plaques will be given in these categories: award for the oldest old-timer present; the oldest old-timer born in Mitchell County; the youngest old-timer born in the county; the old-timer who traveled the farthest distance to the Reunion; and the award to the couple married the longest with both man

and wife present.) At 11:45 pictures will be made of award winners and of other groups, families and individuals present.

Publicity committee for the event is made up of Ruth Coffey, Colorado City Record; Cliffon Burfield, Mitchell County News; and the staff at Radio Station KVMC.

Mrs. Oscar B. Price and **Mrs. Everett H. Winn** are chairman of arrangements for the Reunion.

Working with the two chairmen will be Miss Violet Moeser, chairman of registration; Mrs. Tom Barry, chairman of hostesses and the members of pioneer families to serve on the reception committee.

To assist Miss Moeser will be Mrs. Witt Hines, Mrs. Arlene Morris, Mrs. Steve Pond, Mrs. W. B. Crockett, Jr., Mrs. Verrett Stagner, Mrs. Irene Robertson, Mrs. Marie Wood and Miss Mary Duncan Hickman.

HOSTESSES with Mrs. Bar-

ry will be Mrs. H. P. Slagel, Miss Martha Earnest, Mrs. W. R. Motley, Sr., Mrs. Stewart Cooper, Miss Lottie Pritchett, Miss Cleo Pritchett, Mrs. Floyd Quinney, Mrs. Ross Daniels, Mrs. Oscar Majors, Mrs. Lois Prude Bennett, Mrs. Curtis Erwin, Sr., Mrs. Frank Lupton, Mrs. Otto Jones, Mrs. Sue Johnson, Mrs. R. S. Brennan Sr., Mrs. F. L. Terry, Mrs. Mary Lee Moore, Mrs. Joe Smoot, Mrs. Tom Morrison.

Also hostesses will be Mrs. W. H. Howell, Mrs. Hunter Looney, Mrs. E. O. Hudson, Mrs. W. H. Boney, Mrs. Irwin Plaster, Mrs. Manfred Hardecastle, Mrs. Charles Mann, Mrs. Clay Smith, Mrs. Bob Thompson, Mrs. Rube Hart, Miss Mabel Smith, Mrs. Edgar Majors; Mrs. John Mahon and Mrs. J. C. Hall of Lorraine.

Uncommonly good cooks use modern gas and the Burner-with-a-Brain

The automatic Burner-with-a-Brain holds temperatures exactly as you set them. Every pot and pan becomes an automatic appliance. Foods won't burn. Other unique advantages of a gas range: Cook 'n' Keep Oven — which cooks perfectly then holds foods serving-hot for hours without over-cooking; automatic roast thermometer; self-basting rotisserie; temperature-controlled griddle. And with touch-conscious gas you are in control always. (There are a 1001 different settings on a gas range.) Uncommonly good suggestion: see the modern gas ranges now on sale at your favorite Gas Appliance Dealers — or Lone Star Gas Super Chef Gas Range Sale

SUPPORT YOUR TEAM . . .

The Wolves are lookin' real good with two consecutive victories under their belt, but the schedule facing them is a tough one.

The Coaches and the team need the support of the townspeople — the kind of support only you and I can provide.

We have a fine team, one that is exciting to watch in every game. Of course it almost makes one shudder to look at the schedule of games coming up. But we know the coaches and the Wolves are going to be out there giving a hundred percent effort for the team, the school and the town.

Let's you and I give a hundred percent too by being in the stands at all the remaining games cheering the Wolves to victory.

Judith Ann Philbrick Weds Floyd Ritchey

Miss Judith Ann Philbrick became the bride of Floyd Lee Ritchey in a candlelight ceremony, Saturday evening, September 25, in the Church of Christ at Fort Stockton with Eddie Johnston, minister, officiating.

The bride's parents are Mr. and Mrs. J. M. Philbrick of Fort Stockton. Parents of the bridegroom are Mr. and Mrs. Floyd Ritchey of Westbrook. The couple will live at 131 East 6th St. in Colorado City where the groom is employed by the Texas State Highway Department.

The couple exchanged wedding vows beneath an archway, flanked by tall baskets of pink and white gladioluses. Altar background was formed by candelabra holding white tapers.

Candles were lighted by Johnny Ritchey, brother of the groom, and by Karen Willis of Morton.

Given in marriage by her father, the bride wore a formal gown of white Chantilly and nylon lace fashioned with a Southern Belle skirt and a

fitted bodice. The scalloped neckline was enhanced with seed pearls and sequins. Long fitted sleeves tapered to points over her hands. The bridal veil of silk illusion was arranged from a crown of lace, crystal and pearls. Flowers for the bride were roses and carnations in pink and white, showered with pink rosebuds and love knots.

Maid of honor was Miss Betty Jo Wallace of El Paso. She wore a street-length dress of pink embroidered taffeta with moulded bodice and scalloped neckline. She carried a single, long-stemmed pink rose.

Charlie Ritchey, brother of the groom, attended him as best man. Usher's were Dick Smallwood, cousin of the bride, and Loyd Raschke, both of Fort Stockton.

Parents of the bride entertained with a wedding reception after the ceremony. Fort travel the bride wore a three piece suit of coral profile boucle. She is a May graduate of Fort Stockton High School. Mr. Ritchey is a graduate of Westbrook High School.

Bonneville Hardtop

This 1966 Bonneville hardtop coupe again represents the styling and engineering advances offered by Pontiac in its 1966 line of automobiles, which go on display today, Thursday, at Walker Motor Co. in Loraine.

FOR MITCHELL COUNTY

Walker Motor Shows New Pontiac Models

Pontiac Motor Division's 1966 models with extensive advancements in automotive styling, engineering, safety from the Tempest to the Grand Prix — go on display today, Thursday, at Walker Motor Co. in Loraine.

The entire Tempest line has been redesigned, expanded by the addition of five new models including a new GT0 series, and for the first time in an American passenger car, an overhead camshaft six-cylinder engine is offered as standard equipment on all Tempest models except the GT0.

A new series, the 2 Plus 2 with two models, and a new Star Chief Executive sports coupe has been added to the Pontiac line-up and all models including the Grand Prix, incorporated both refinements in profile and complete changes in the front and rear.

The Catalina, 2 Plus 2 and Grand Prix have an overall length of 214.8 inches, 0.2 inches longer than last year, and a wheel base of 121 inches. The Star Chief Executive and Bonneville measure 221.8 inches overall, a 0.1-inch increase and their wheelbases are 124 inches. All Tempest models are one-half inch longer overall, measuring 206.1 inches and have a 115-inch wheelbase.

Pontiac has increased the number of models from 26 last year to 33 in 1966.

The Tempest series includes a sports coupe, four-door sedan and station wagon.

In addition to the four-door hardtop, which is new this year, a sports coupe, four-door sedan, hardtop coupe, convertible and station wagon are available in the Tempest Custom.

A LeMans four-door hardtop is also new for 1966 and it joins a sports coupe, hardtop coupe and convertible in that series.

The new GT0 series includes a sports coupe, hardtop coupe and convertible.

The Catalina series has a two and four-door sedan, a hardtop coupe four-door hardtop, convertible and both a two-seat and three-seat station wagon.

The new 2 Plus 2 series offers a hardtop coupe and a convertible.

A four-door sedan, four-door hardtop and a new model, a two-door hardtop coupe are available in the Star Chief Executive series.

A Bonneville hardtop coupe, four-door hardtop, convertible and station wagon are offered in that series and the Grand Prix hardtop coupe has Pontiac's new crest.

The 1966 Pontiacs have been selected for a lower silhouette and wider appearance while maintaining the look of power and prestige identified with Pontiac.

Split grille and long lean directional nose theme continues to dominate the front end look. Twin horizontal air intake openings on either side of the central nose are finished with bright bezels. New distinctive nameplates blend with the new long, low side appearance.

From the back, long horizontal twin tail lamps are double chrome framed and ported in to the rear sheet metal. Bright faceted letters spell Pontiac in the wide central panel.

The 2 Plus 2, now a separate Pontiac series, takes on more individual identity in 1966. The front and rear are easily identified with the bright red 2 Plus 2 emblem on hood and deck while the side will carry a very narrow stainless molding just below the lower body line.

To go with its new name there is Executive block lettering on the front fender side replacing the Star Chief script and a cluster of three horizontal star ornaments on the rear quarter fender.

The styling treatment of the Bonneville thin and lengthens the side appearance and a new Bonneville crest appears on the long rear fender. The rear end is completely new with the emphasis on body sculpturing. Three bulb tail lamps are on either side with the winged Bonneville crest in the center.

Business hasn't been too good today. But in a minute someone will come along for a shine. Johnny will have a dime, bright and inviting, lying in his palm.

What's he going to do with that dime? As he sits in the sun, visions dance in his mind. He could buy candy, ice cream, a new magazine. He could even save it for Sunday School... but then what good could a dime do.

Suddenly Johnny remembered a Sunday School lesson. Jesus had told how precious was the penny offering of a poor widow.

Next Sunday Johnny proudly dropped his dime in the offering plate. Johnny's gift wasn't very much. It won't do a great deal to help the Church meet its financial needs. The important thing is: *It helped Johnny!* Going to Sunday School has put him on the road to becoming a real Christian businessman.
