Light Moisture Reported Here

Icy rain and drizzle failed to give much relief to Colorado City and area with the official rainfall coming to .24 inches, according to reports from the City Fire Station.

Rainfall reported Tuesday and Wednesday brings the monthly total to .34 inches.

Rainfall of .06 inches was reported Jan. 4 and .04 inches Jan. 19.

The light moisture will help wheat, rye and oats, said Jack Burkhalter, county agent.

He said it is ideal weather for winter irrigation because of the small evaporation loss but the moisture would not help field operations.

However, it will help preserve moisture already in the ground, said Burkhalter.

"Unless preventive measures are taken such as listing chiseling or flat breaking, a blowing problem might be created because the ground has been frozen and pulverized," Burkhalter said.

"We probably have more sur-

face moisture than this time last year but sub-soil moisture is less," he said.

Temperatures varied from 20 degrees Sunday to a high of 74 Monday. Temperatures from Saturday through Wednesday included:

M.E. Compton, 60 Years in County, Dies

Final Rites for Mahlon E. Compton, a resident of Mitchell County since 1897, were Wednesday afternoon in First Baptist Church in Lorraine.

Compton, a retired farmer of the Lorraine Community, died in Johnson Hospital Tuesday morning after a brief illness.

Rev. Bobby Rine, church pastor, officiated in funeral rites. He was assisted by A. C. Polk, minister of the Lorraine Church of Christ.

Burial was in the Colorado City Cemetery under the direction of Kiker and Son Funeral Home, with Masonic rites.

The 63-year-old man was born in Valley Mills Dec. 18, 1893, and was married to Lynn Shepherd Feb. 20, 1924, in Sweetwater. He was a member of the Lorraine Baptist Church and Masonic Lodge and a veteran of World War I.

He is survived by his wife; a daughter, Mrs. Lloyd Fruge of Corpus Christi; two sons, Jack Compton of Lorraine and Shep Compton of Midland; a brother, Carroll S. Compton of Memphis, Tex.; a sister, Mrs. Claude LeFevre of Colorado City and four grandchildren.

Pallbearers were Tommy Mathis, R. H. McDaniel, Howard Tartt, Woodrow Pratt, Kenneth Butler, A. K. McCarley Jr., E. C. Gale and A. R. Thompson.

Miss Harvey Returns From Atelier at Tech

Miss Elinor Harvey, Home Demonstration Agent, has returned from Texas Tech, Lubbock, where she attended workshops on basic clothing and new patterns comparison.

Dr. Graham Hard, extension specialist, conducted the workshop on basic clothing. Demonstrations were given on quick methods of sewing. The workshop was held Jan. 21-25.

The workshop on patterns comparison was held Jan. 28-30.

Comparisons were made of standardization of patterns.

"It was concluded that although manufacturers claim patterns are standardized, they actually are not," Miss Harvey said.

Most women can still use the same size pattern they used before standardization, she said.

CARBON MONOXIDE

Gas Fumes Blamed In Harbey Death

An inquest verdict of accidental death by carbon monoxide poisoning was given by Justice of Peace G. C. Lemmons in the death of Eugene Rufus Harbey, 57, who was found dead in a trailer on Cherry St. 10:50 a. m. Monday.

Discovery of the body came after Harbey's employer, T. J. Trice, foreman of Continental Oil-Cotton Company, asked police to check on Harbey.

Police officials said Trice told them that Harbey had never been late for work.

When police entered the trailer they found Harbey on his bed. Justice of Peace Lemmons said that the frozen body showed symptoms of carbon monoxide poisoning.

Lemons also said that a gas engine which apparently was used to generate heat and light could have caused the death.

Harbey was born in Colorado City Sept. 3, 1899. After several years ago.

He is survived by two brothers, George Harbey, Fort Bliss, and Claude Harbey, who is in the Navy.

Gravestone services will be conducted 11 a. m. Friday by the Rev. Don Hungerford of All Saints' Episcopal Church. Burial will be in Colorado City Cemetery.

Title Required In '57 Vehicle Registration

A certificate of title and current registration receipt will be necessary for vehicle registration which will begin Feb. 11, said Tom Glover, tax collector and assessor.

Vehicles registered out of state must apply for a Texas certificate of title before registering for 1957, Glover said.

Glover advises car owners who own vehicles with out-of-state certificates of title to check with the tax office now.

A physical inspection of vehicles not registered in Texas is required before license plates are issued, said Glover.

Poll Tax Falls Below 1956 Par

Poll taxes have been paid by 1620 Mitchell County residents for 1957 voting, reported Tom Glover, county tax collector and assessor, Thursday morning.

Last year 3039 paid poll tax compared with 2650 in 1953 and 1,728 in 1954, Glover said.

The tax office will remain open until late Thursday to accommodate the public," stated Glover.

Yeager Urges Cooperation In Air Rifle Curb

A warning against firing air rifles in the city limits was issued Thursday by Police Chief Leon Yeager.

He said that injuries recently have been inflicted by the discharge of air guns in Colorado City and wishes public attention called to article 480 of the criminal Code of Texas.

Any person who discharges any gun, pistol, air rifle or air pistol is subject to a fine not in excess of \$100, according to article 480.

Yeager also pointed out that the provisions are applicable to persons shooting across any public square, street, alley or within 100 yards of any business house.

Cooperation of parents in the matter is asked by Chief Yeager in curbing the air rifle menace.

Chapel Service Conducted for 'New' Miller

Funeral rites for John Newton (Office News) Miller of 221 Locust Street were conducted Monday afternoon in Kiker and Son Funeral Home Chapel.

Miller, a long time resident of Mitchell County, died Saturday in the local hospital after a brief illness.

Rev. Bill Austin, pastor of Oak Street Baptist Church, officiated in final rites.

Burial was in the Colorado City Cemetery under the direction of Kiker and Son.

The 82-year-old man was born in Arkansas Dec. 31, 1874, and married Sarah Frances Rouse July 15, 1900 in Richland Springs. They came to Colorado City in 1905.

After coming here he worked for Roe's Lumber Yard and a wagon freight route from Colorado City to Snyder and Tahoka. He was associated with C. L. Gramble Sr. in cattle feeding and for sometime he was engaged in farming.

During World War I Miller was foreman of county roads.

He has owned various markets and grocery stores here. At the time of his death he had a wholesale fruit and vegetable business which he had owned for approximately 25 years.

Survivors include his wife; three daughters—Mrs. Jim Brown of Oakland, Cal., Mrs. Sam Spikes of Snyder and Mrs. Howard Rogers of Colorado City; two sons, Roy Miller of McCamey and Bill Miller of Colorado City.

One half brother, G. B. Weatherly of Ben Lomond, Cal., six grandchildren and two great-grandchildren.

Pallbearers were Bernie Grahe, Lon Strain Sr., Leonard Henderson, Paris Yarbrough, Curtis Shurtleff and Woodrow Wilson.

Grubbs to Leave For Capitol Post

Walter B. Grubbs, 35, former Colorado City mayor, has been named to the staff of Congressman George Mahon in Washington, D. C.

He and Mrs. Grubbs and their son, Gary, will leave here Saturday by auto for the capital.

However, Grubbs will not begin his duties on the congressman's staff probably until mid-February.

Grubbs, who served six years as city councilman before his resignation late in 1955, has been named to the staff of Congressman George Mahon in Washington, D. C.

In addition he has operated Hickory Street Drug here and been a member of the staff of KPARTV in Sweetwater.

Grubbs, a resident of Colorado City for 34 of his 35 years, has been a member of First Methodist Church, Chamber of Commerce, Lions and American Legion. He was a charter member of local Jaycees and Veterans of Foreign Wars.

Distinguished Service Award was the city's outstanding woman.

Fairview Rites Set Friday for Mrs. Jackson

Mrs. Emma Victoria Jackson, long time resident of the Cuthbert Community, died early Wednesday morning in her home.

Funeral for the 82-year-old woman will be conducted Friday afternoon at 2 o'clock at the Fairview Baptist Church.

Rev. Jim Fields of Courtney, former pastor of the church, will officiate in final rites. He will be assisted by Rev. A. A. Watson of Abilene, church pastor.

Burial will be in the Colorado City Cemetery under the direction of Kiker and Son Funeral Home.

Grandsons will be pallbearers. Mrs. Jackson was born in Foley, Ala., Jan. 5, 1875, and was married to B. W. Jackson. See RITES Pg. 7.

Mrs. McElhatten Hosts Brother of Arkansas

Homer Curlee of Bentonville, Ark. has been visiting his sister Mrs. S. M. McElhatten, Westbrook, en route to San Diego, Calif.

LINEMEN BATTLE ICE

Foul Weather Foils Utilities For Mitchell County Residents

Eeriezing rain and ice forming on utility lines roused linemen who worked night and day restoring facilities to Mitchell County residents.

The ice storm was described as the most severe in eight years.

Conflicts began late Saturday and continued through most of Monday and left several communities without electricity and communications for short periods.

M. M. Gideon of Texas Electric reported five breaks at Butler one at Westbrook and eight transformers out on the Cuthbert line which caused a four hour suspension of electricity.

Standard Oil's Butler Camp was also without lights for eight hours, Gideon said.

Forty-six Colorado City telephones were affected by ice on open wires, said John Robbins, wire chief for Southwestern Bell Telephone Company.

He said phone linemen had been working overtime restoring service to Mitchell County patrons. However, he continued, because of an audible alarm many wires were restored before the customers knew they were out.

The remote control unit for Colorado City's water pump was out of operation Sunday but was repaired by Sunday night.

Other lines falling on telephone wires caused grounding and shorting along with the ice problem, Robbins said.

Phone cables on the Snyder highway were anchored by tying the cables to rocks and reducing possibilities of discontinued service.

Work is still being done to restore service on long distance open wire lines.

"Jobs were performed by linemen under hazardous working conditions and fortunately no men were injured," Robbins said.

Lone Wolf Electric Cooperative reported five communities electrically isolated Monday morning.

Power was off at Valley View community and Longfellow extending into Nolan county; also all of Roscoe area east of the Lutheran church and north into Fisher county along with Baumann community, south of Lorraine.

"Most of our trouble came after ice started melting but conditions were restored to normal by 5 p. m. Monday. This ice storm was comparable to the one of 1919," said Rothwell.

Four Arrested For Gas Theft; Admit Charges

Four men have been arrested for siphoning gas out of trucks in and near Colorado City and are in jail charged with theft under five dollars.

Arrests were made by the police department and Constable Bill Owens.

Two Colorado City men admitted siphoning approximately five gallons of gas from a pickup truck Wednesday night. They also admitted taking gas from a truck south of Colorado City.

The duo admitted gas theft on previous occasions.

A Big Spring man and another Colorado City man also are involved in the gas theft.

Other business on the police docket included a pair of fender skirts reported stolen early in the week.

Billy Long Spends Night With Brother

Billy J. Long, Lorraine, spent Saturday night in Colorado City with his brother, Thomas Bob Long, while Mrs. Long and daughters were visiting relatives in Ft. Worth.

21 Pay Fines In JP Court

Traffic violators and drunks paid a heavy toll in Justice of Peace G. C. Lemmons' court this week.

Fines amounting to \$591.50 have been paid since Sunday, said Lemmons.

Fourteen speeders paid fines ranging from \$16.50 to \$31. One person was fined for failing to observe a stop sign.

Failure to appear in court cost five offenders \$25 each and a drunk was assessed \$11.50 and sentenced to 15 days in jail. One man charged with drunk and disturbance was fined \$89.50.

One charge of disturbance is awaiting trial, Lemmons said.

Committees Draw Up Objectives for 1957

Projects for the next 12 months were announced Thursday by Charles Root, chairman of the industrial development committee, and Glover Rader, chairman of merchants trade committee.

Seventeen projects were adopted by the two committees of a Chamber of Commerce.

The merchants committee, which handles promotions and events that lead to better business practices, decided upon 11 projects.

Foremost of these projects is a survey of the consumers of Colorado City to determine which services might best be added by merchants, and continued work with the city on adoption of a peddler and solicitation ordinance.

Other projects decided upon by the merchants committee include:

1. Sponsorship of cash and carry through 1957.
2. Continued work towards expansion of dollar days.
3. Continued observance of closing hours and holidays and continuation of the Christmas program including the visit of Santa Claus, community decorations and light-a-window contest.
4. Devise a method of warnings on shoplifters and hot-check writers.
5. Continuation of projects to increase goodwill among communities in the Colorado City trade area.
6. Conduction of clinics for merchants as they become available through the University of Texas.
7. Carry out other trade promotion that would be practical, timely or adaptable to the area situation.
8. Have a regular meeting of the committee on the second Tuesday of each month at 3:00 p. m.

MOVING TO AUSTIN

Bullock Appointed To Paroles Board

Pat Bullock, oil lease businessman and Colorado City civic leader, Friday will begin duties as member of State Board of Pardons and Paroles in Austin.

The former state senator was appointed to the three-member board by Chief Justice J. E. Hickman of Texas Supreme Court.

Hickman sent the appointment to the Senate last Friday for confirmation, but the governing body already had adjourned for the week end before the notification arrived.

And Bullock's appointment actually went to the Senate Monday.

Bullock went to Austin Tuesday preparatory to assuming his board position. Mrs. Bullock and their granddaughter, who is a senior in Colorado City High, will move to Austin after school graduation exercises this spring.

Term for the appointment is six years and salary is \$7,500 annually.

West Texas friends of the former senator have urged his appointment to the board during the last three months.

Bullock succeeds Thomas B. White, formerly of El Paso, who is retiring from the board after serving as chairman. He will join Jack Ross, formerly of Edinburg, and L. C. Harris, formerly of Stephenville, whose terms expire in 1959 and 1961, respectively.

The new board member served two years in the House before his election to the Senate in 1942, a position he held 10 years and two months until resigning in 1953.

Since his resignation he has been associated here with R. L. (Bob) May in oil lease and real estate business.

Earlier in his career Bullock was a school teacher for eight years in Scurry County, county school superintendent in Scurry for 10 years, director of rural schools for Texas Department of

Mrs. Bassham Dies at Home Of Daughter

Mrs. Ida Bassham, 83, died early Wednesday morning at the home of a son-in-law and daughter, Mr. and Mrs. Homer Hart, at 932 Pine Street.

Funeral service for Mrs. Bassham, who had been in ailing health for some time, was conducted Thursday afternoon at the Church of Christ at Fifth and Elm Streets.

Floyd J. Spivy, church minister, officiated in final rites.

Burial was in Colorado City Cemetery under the direction of Kiker and Son Funeral Home.

Mrs. Bassham, a member of the Church of Christ, was born in Arkansas Jan. 16, 1874, and was married to Henry L. Bassham about 60 years ago. Mr. Bassham preceded his wife in death in October 1933.

They moved to Colorado City in 1923.

She is survived by two sons, Eugene M. Bassham of Colorado City and Ralph Bassham of Lancaster, Cal.; four daughters, Mrs. Laidis Harris of Prater, N. M., Mrs. Bedford Dulin of Altus, Okla., Mrs. Harper Gary and Mrs. Hall of Colorado City; a sister, Mrs. Stella Nash of Wheeler, and a brother, W. E. Pettit of Corpus Christi; 15 grandchildren and eight great grandchildren.

Industrial Projects

Leading the industrial development committee projects is a four-point project. It provides for completion of files of information that are available for all industrial prospects whether they come to Colorado City or not which includes:

Establishing information on available sites for industrial expansion including acquisition of options on such sites where possible.

Preparation and conduction of a survey of available labor and wage scales.

Preparation of a survey of available raw materials.

A survey of all vacant buildings that might be utilized for small industry.

Other projects include:

1. A survey of merchants, manufacturers and wholesalers in Colorado City to determine products purchased for sale or manufacture that might be produced in Colorado City.
2. Promote use of Colorado City as a base for salesmen of industries that service this area.
3. An analysis of advertising media to determine which could be best adapted for advertisements of Colorado City to prospective industries.
4. Be prepared to meet wants and answer questions of any prospective industry.

NEW FORD PICKUP—It typifies revolutionary changes in new Ford trucks which Ford dealers will display Feb. 1. Full width styling has more than eye appeal. It widens the truck's load area by 20 inches and adds 25 per cent more load capacity than old-style models offer.

AT CRADDOCK-WITTEN

1957 Ford Truck Line Scheduled For Introductory Display Friday

Ford's new 1957 truck line, originally not scheduled for production until 1958, will be introduced by Craddock-Witten Friday, according to J. S. Jay, Craddock-Jr. Offering nearly 300 different models, the Ford line represents the biggest change in the history of the company.

The new Ford truck line features new "Styleside" pickup models with streamlined load area 25 per cent bigger than last year; a new series of six tilt-cab transport truck models which are the lowest priced in the industry; a new Ranchero model which combines passenger car styling and comfort with all-around-pickup utility; greater payload capacities in medium and heavy duty models; and an expanded parcel delivery series.

Engine power throughout the line has been raised an average of 8 per cent to help truck operators stay abreast of modern traffic flow. Engines have been redesigned for better breathing. They have a new rotor oil pump for more effective lubrication, a dry-type air filter that is more easily cleaned, new economical heavy-duty carburetors, and lighter flywheels to permit faster acceleration. Hydraulic clutches are

a new feature, standard for the whole line at no added cost.

Ford's largest selling truck, the F-100 pickup, has been radically changed to make it the best riding, most beautiful pickup in the industry.

The Styleside pickup, a brand new idea in light weight trucks, has cab contours carried straight through to the rear of the truck. The full width sheet metal outside the pickup bed is a welded structural part of the F-100, and standard equipment, providing not only greater strength but a body over five feet wide inside.

The new pickup is rated at a GVW of 5,000 pounds, and its load space has a capacity of 56.05 cubic feet, a marked increase over previous Ford models.

The Styleside pickup has a steel floor for durability, and for greater driver visibility has a wraparound rear window as optional equipment.

With the outside sheet metal, the full width of the truck, the load bed is 20 inches wider than the conventional pickup box. Tail lights are built into the rear of the box and the license plate is protected beneath the tail gate

in the center of the rear sill.

Styleside body features also are available on larger F-250 and F-350 express trucks.

Those who want a light truck with conventional pickup bed inside the rear wheel housings may buy the older style Ford pickup box with a wood floor in the load space.

The most original design in many years in the trucking industry is Ford's Ranchero, an entirely new idea in transportation.

The Ranchero has the driving comfort and styling of a passenger car with the working ability of a pickup truck. Built on a 116-inch wheelbase and with a capacity of 30.4 cubic feet, this practical vehicle has a double steel floor for added ruggedness. The driver compartment and controls are the same as those of a passenger car.

The Ranchero is ideal for those who require a vehicle for both work and social purpose. Although it has all the driving ease of a passenger car, the Ranchero can carry a payload of 1,190 pounds, which is more than most pickups are required to handle during normal working operations.

Race Launched For Selecting Mrs. America

Somewhere in Colorado City there may be a housewife destined to be crowned "Mrs. America 1958" with the mythical title of the "Nation's No. 1 Homemaker."

Mrs. America will be chosen primarily for her abilities as a homemaker and meal planner. She, of course, will be attractive, well-groomed and possess a pleasing personality and poise. After surviving regional and state eliminations she will travel with her husband to Fort Lauderdale, Florida, to compete for the Mrs. America crown where she will face champion homemakers from 47 other states and the District of Columbia.

Mrs. America could be here in Colorado City. She could be your next door neighbor. Or she could be you.

Of course the big prize of Mrs. America is highly desired but even a regional or state winner from Colorado City would bring fame and recognition to the town. Some town is going to furnish a winner. It might as well be Colorado City. Entry blanks are available at Lone Star Gas Co. according to Roy Porter, manager.

SUPERVISING POINT FOUR PROJECT

Local Driller Finds Hunt for Water Paying Off in Ethiopia

Search for water is an endless hunt the world over, not just here in West Texas.

And a Colorado City driller is a major reason why the search is a successful one in Ethiopia.

He is Leonard Taylor, who until August 1955 was an employe of S&J Drilling Company.

For the last 17 months Taylor has been a well-drilling instructor in Ethiopia for the U. S. government's Point Four Program.

His job for supervising drilling and maintenance of wells and equipment while Ethiopian workers learn basic principles of drilling will continue until next August.

Mr. and Mrs. Taylor, who lived here eight years before their foreign assignment, traveled by plane in 1955 to the North East Africa kingdom one of the oldest Christian nations in the world.

Mr. Taylor was assigned four months in Addis Ababa capital of Ethiopia, and then transferred to Asmara in Eritrea, an area stretching for 670 miles along the African coast of the Red Sea and a colony of Italy for 67 years before being placed by United Nations under Ethiopian administration in 1950.

Well drilling in Eritrea is under the supervision of the West Texan.

"We have spent 17 months here now," the Taylors wrote the Record, "with the exception of one month last September when Mrs. Taylor flew home to be with her mother, Mrs. H. C. Reese of Hobbs, N. M., while Mrs. Reese was in surgery.

"We plan to return to Colorado City in August 1957 and are looking forward to seeing our friends and neighbors.

"We still own our home at 907 E. 13th Street in Colorado City."

The Taylors have traveled over

most of Ethiopia, from the Indian Ocean to the Red Sea and Sudan border, viewing points of interest.

"We have a modern seven room house with roof patio, and garden," the couple report, "and really have enjoyed our stay here."

Temperature in the vicinity of Asmara ranges from 38 degrees in winter to 75 degrees in the summer. There is a three-month rainy season from June through August, according to the couple.

"You can drive in three hours from Asmara to Massau on the Red Sea, where the temperature gets as high as 140 degrees," they wrote, "so you can see you can pick your temperature in Ethiopia."

Mr. Taylor is under contract with Oklahoma A&M College as well-drilling instructor. The college is furnishing, in this instance, the instructors under the U. S. Point Four contract with Ethiopia.

"The Point Four Program of well-drilling is doing a wonderful job here," the Taylors report, "because in lots of places the natives have to drive stock 40 miles to water.

"And they carry their own drinking water by donkey that far, too."

Percentage of wells drilled in the Ethiopian project has been about 80 per cent with water, the couple said.

Crane Funeral Conducted For Hall's Kin

Final rites were conducted recently in Crane for Bob Watson, 53, son of the late Mrs. R. W. Hall of Loraine.

Watson, a half brother of Price Hall of Loraine, died in the Crane home of daughter, Mrs. Martin Engram.

He had been seriously ill since last October but his condition improved and doctors advised him to visit in a different climate from his hometown, Worland, Wyo. And he arrived in Crane only three days before his death.

Watson, a former resident of this area, was born in Louisiana in 1903 and was married to Lucy Sullivan in Big Spring.

Conducting the funeral service in Crane was a brother-in-law, Rev. Walter Sullivan pastor in First Baptist Church in Ruidosa, N. M. Assisting was Rev. A. J. Whisman, pastor of First Baptist Church in Crane.

Survivors are the daughter, Mrs. Engram; a half sister, Mrs. W. E. Spencer of Dilhart; four half brothers—Price Hall of Loraine, Marvin Hall of Irving, Roy Hall of Midland and Ralph Hall of Worland, Wyo.; and four granddaughters.

Mr. and Mrs. Marvin Hall of Irving, Mr. and Mrs. W. E. Spencer of Dilhart visited in the Price Hall home at Loraine before continuing to Crane for the funeral.

Program Slated By Loraine FHA

LORAIN—Mrs. Dan Morgan, home economic teacher, announces that Future Homemakers of America will give a civil defense program at the next meeting of the North Loraine Home Demonstration Club, which will be Tuesday Feb. 5 in the home of Mrs. Ralph Lanford.

Raymond Holt, vocational agriculture teacher in the Loraine school, and two of his agriculture boys, Gary Mathis and Ronny Haley, attended the junior judging at the Southwestern Exposition and Fat Stock show in Fort Worth last Saturday.

Mr. Holt also announces that his boys will participate in the fat stock show, which will be held in Sweetwater, Thursday-Saturday, Jan. 31-Feb. 2.

Jimmy Smith, Wife Visit at Loraine

Mr. and Mrs. Jimmy Smith visited at Loraine with her parents, Mr. and Mrs. J. M. Templeton, Loraine, and at Roscoe with his parents, Mr. and Mrs. Jess Smith. They visited between semesters from Texas Tech, Lubbock.

FAMOUS Esso Extra

GASOLINE

gives extra anti-knock performance in modern engines

Modern cars, especially the 1957 models, have engines with high compression ratios.

Even at this altitude, these engines require the extra performance of Humble's famous Esso Extra gasoline.

It's the best premium gasoline you can buy... with extra anti-knock performance... extra power... extra protection against vapor lock... extra mileage... extra quick starting and warm-up.

Fill up with Esso Extra gasoline under your neighbor's Humble sign—it's famous for performance.

Prevent "the knock you cannot hear"—use famous Esso Extra gasoline.

Engineers call it "trace knock," a knock so faint that only a trained technician can hear it. But like all knocks, it robs your engine of power, forecasts engine damage. If yours is a modern car in any price class—especially if it's a 1957 model—prevent "trace knock" with Humble's famous Esso Extra gasoline.

OF FIRST BAPTIST CHURCH

11 Members Attend Meeting Of Ruth Sunday School Class

By MRS. ALTIS CLEMMER, Record Correspondent.
 WESTBROOK—A meeting of the Ruth Sunday School Class of the First Baptist Church was held recently at the home of Mrs. W. A. Bell. Prayer was led by Mrs. W. T. Brooks, class teacher.

Loraine Barber Sells Business After 45 Years
 LORAIN—Joe Bennett, a barber in Lorain the past 45 years, recently sold his shop to Wimberly Butler, who went to work with him in the Harry Hall Barber Shop in 1912. Bennett, who came to Lorain with his parents in 1906, barbered five years for Hall before buying the shop, he has been a barber since that time when he went into the business for himself in 1917.
 All these years his business has been on the same block in Lorain and most of that time in the present building.
 Butler, who also came to Lorain area in 1906, began his work as barber with Bennett in the Harry Hall Barber Shop in 1912. He later moved to Fort Stockton, but returned to Lorain five years ago, where he has barbered for Bennett since.

CORNER DRUG Monthly News
 A message from Henry Bilberry, 'Your Pharmacist'
 DO YOU KNOW that the average family is now spending a smaller percentage of their income for drugs than was necessary in past years. Despite the fact that some individual prescriptions containing the new antibiotics, etc., cost more, they actually help you to save money.
 THESE CURRENT GOVERNMENT STATISTICS may surprise you. The American people now have a total income of about 327 billion dollars annually, of which they spend the following—
 11.9 billion dollars on Recreation.
 8.8 billion dollars on Alcoholic beverages.
 5.3 billion dollars on Tobacco.
 2.8 billion dollars on Physician's Care.
 2.6 billion dollars on Hospital-Care.
 AND
 1.6 billion dollars on Hospital-Care.
 THERE ARE GOOD REASONS WHY the costs of medical care is proportionately so low. We now have specific drugs that can be more often depended upon to accomplish a definite result. They not only save more lives, but help you to get well so much more quickly that your physician makes fewer calls and you spend less time in bed.
 MODERN PRESCRIPTIONS save more lives and cost less per illness than ever before.

IN OKLAHOMA CITY CATHEDRAL

Patricia Prichard Becomes Bride Of Robert Buchanan in Oklahoma

St. Paul's Episcopal Cathedral in Oklahoma City, Okla., Friday evening was setting for the marriage of Miss Patricia Ann Prichard and Robert Graham Buchanan.

The bride is the daughter of Mr. and Mrs. Neal B. Prichard of Oklahoma City, former Colorado City residents. Her father is vice president of Anderson Prichard and is a former superintendent of Col-Tex Refinery here.

Parents of the bridegroom are Mr. and Mrs. A. C. Buchanan of Oklahoma City.

The Very Rev. Blake B. Hammond read the ceremony before eight simulated popular trees of graduate heights accented with white calla lilies. White candles

holding cathedral candles were interspersed between the trees. Altar vases contained white calla lilies.

A white silk rope and cathedral candles lined the center aisle. The bride was given in marriage by her father.

She wore a gown of white silk chiffon velvet styled with princess lines. A motif of embroidered Alencon lace accented the bodice and lined the Sabrina neckline. The lace design was repeated at the hipline and extended into the skirt folds which swept into a chapel train.

Her finger-tip veil was held by a white velvet shell. She carried a colonial cascade of white anthurium.

Traditional wedding music was presented by Dubert Dennis, organist, and Dr. Paul Smith, vocalist.

Miss Jackie Buchanan, sister of the bridegroom, was maid of honor. Misses Marilyn Oldham of Tulsa, Suzy Bateman of Bartlesville, Alice Williams, Shirley Ann Dodson and Barbara Benham, cousin of the bride, of Oklahoma City, were bridesmaids.

Their cocktail-length dresses were of ballet blue chiffon styled with a draped neckline and back fly panel extending to the hemline. They carried cascade arrangements of white French lilies.

Jim Moore of Norman, was best man. Ushers were Jim Nowery of Shreveport, La., Dean Cosgrove of Tulsa; Joe Griffin

of Kansas City, Martin McElreath and Larry MacFarland of Oklahoma City.

Following the ceremony the couple was honored at a reception at the Oklahoma City Golf and Country Club.

For travel to Aspen, Colo., the bride wore a black sheer wool dress with black-sheared beaver collar and brief jacket of red wool.

The couple will reside in Norman following their honeymoon. Local residents attending the wedding and reception were Dr. and Mrs. W. S. (Bill) Rhode.

NOW... ENJOY FULLY-AUTOMATIC COMFORT WITH AN

ALL-ELECTRIC Heat Pump

The All-Year Air Conditioner that "thinks for itself"

- Maintains any selected temperature the year around - automatically
- Switches from heating to cooling or back again, as needed, without attention
- Eliminates seasonal startups and shutdowns of heating and cooling equipment... just set it and forget it!

Imagine a home in which the indoor temperature stays at the level you like best - from season to season, from day to day, even from hour to hour - all automatically - without lifting a finger.

That's the kind of automatic comfort you can enjoy with the All-Electric Heat Pump. Using only air and electricity, it both heats and cools from a single compact unit - switches automatically from heating to cooling or back again, as needed, to maintain perfect comfort the year around, regardless of weather changes.

With the Heat Pump, there's no manual start-up or shutdown of heating or cooling equipment... no discomfort from unseasonably warm or cold days. And because the Heat Pump is all-electric, it's clean, modern, convenient - an investment in better living that adds permanent value to your home.

For additional information, phone, write or come by for your copy of the free booklet, "Electric Heating Today". It tells about the Heat Pump and gives helpful information about all types of electric heating.

Mrs. W. W. Cooper and Mrs. Truman Bodine presented the program which highlighted a meeting of the Bedford-China Grove Home Demonstration Club Friday afternoon in the home of Mrs. Lawrence Feaster.

Mrs. Cooper directed a demonstration of living room lighting. Mrs. Bodine discussed upholstery.

During the business session the group voted to have a school on upholstery next month.

Mrs. Paul Mahurin was welcomed as a new member of the club. Mrs. Eelon Harrell was a guest for the afternoon.

Mrs. Warren Anderson directed the club song, opening the meeting.

Regular members attending were Mrs. Jim Nunn, Mrs. Jim Bodine, Mrs. Anderson, Mrs. Murrill Blassingame, Mrs. Cooper, Mrs. Ritchey, Mrs. Bodine, Mrs. W. P. Wiggins, Mrs. Irvia W. Grant and the hostess.

Next meeting will be in the home of Mrs. Artie Grant Feb. 9 at 2 p. m. Afternoon program will be about civil defense.

Mrs. R. P. Price reviewed the life of Lord Beaverbrook who has been more successful as a newspaper publisher in the last two generations than any other man alive.

Beaverbrook, who was born Max Aitken, is publisher of the British Daily Express, largest newspaper in the British Commonwealth. He also publishes the Sunday Express and the London Even Standard.

During World War II, the group heard Prime Minister Churchill appointed Beaverbrook as minister of aircraft production.

Mrs. Pritchett told the story of Arthur Hays Sulzberger, publisher and president of the New York Times.

She explained that the Times does not have a large circulation, but it is read by more important people and in more places than any other newspaper.

Mrs. Price was leader for the afternoon study. Roll call was answered by each member naming a magazine publication.

During the business session, club members voted to send a box of Spanish publications, cards, magazines, quilt scraps and thread to the McKnight Sanatorium near San Angelo.

Those attending the meeting were Mrs. A. O. Hickman, Mrs. Pritchett, Mrs. W. R. Erulock, Mrs. W. W. Rhode, Mrs. Lee Lavender, Mrs. M. J. Dawson, Mrs. E. L. Dorn, Mrs. Price, Mrs. U. G. Hardison, Mrs. W. R. Martin, Mrs. W. L. Doss and the hostess, Mrs. Root.

MRS. CALVIN O. HALTOM, nee Barbara Combs.

Barbara Combs and Calvin Halton Exchange Vows in Church Rites

Miss Barbara Jean Combs of Lorraine last Sunday afternoon became the bride of Calvin O'Grady Halton of Colorado City in the First Baptist Church of Lorraine.

The bride is the daughter of Mr. and Mrs. H. S. Combs of 145 School Street in Lorraine. Halton is the son of Mr. and Mrs. E. O. Halton of First and Elm streets.

Rev. Doyle Combs, pastor of the First Baptist Church and brother of the bride, read the double ring ceremony at 3:30 o'clock.

Centering the church altar was an archway of lemon foliage and an emerald foliage tree. Each side of the arch was flanked by seven-branched candelabra and baskets of white gladioli.

The couple knelt on a white satin pillow. Vows were marked with white satin bows.

The bride, given in marriage by her father, wore a ballerina-length gown of Chantilly lace and nylon tulle over taffeta. The groom wore a tuxedo with a white shirt and a pink carnation corsage.

For travel the bride changed to a sky blue sheath dress with matching duster and hat trimmed in rhinestones. Her accessories were black.

Following their wedding trip, the couple will reside at 235 East 11th Street.

The bride finished Lorraine High School this month. She will receive her diploma during graduation exercises in May. She served as cheerleader the past two years and was named football sweetheart in 1956.

The bridegroom, a 1954 graduate of Colorado High School, is employed by Lone Star Gas Company.

Out-of-town wedding guests were present from Hodges, Colorado City, Midland and Brownwood.

Guests for the rehearsal dinner Saturday evening in the home of the bride's parents were members of the wedding party and Mr. and Mrs. Roy Linder.

PBX, referring to small switchboards, means Private Branch Exchange.

carried a nosegay of matching carnations.

Bridesmaids were Miss Maxie Sheppard, Miss Sarah Pratt and Miss Jennie Sue Butler of Lorraine.

They wore dresses of orchid crystalline styled identically to that of the maid of honor, and matching hats. They carried nosegays of orchid stained carnations.

Candles were lighted by Tommy Linnam and Gary Mathis of Lorraine.

Best man was James Hargrove of Colorado City. Groomsmen were Ralph Harris of Colorado City, Tommy Linnam and Gary Mathis, who also served as ushers.

Miss Linda Linder of Lorraine registered guests.

For her daughter's wedding Mrs. Combs wore a navy blue crepe dress, accented by white accessories and a pink carnation corsage.

Demonstrators, Committees Named for Club

meeting was changed from 2:30 p. m. to 9 a. m.

Roll call was answered by each member telling what she could do to help make the club better.

Program for the afternoon was a demonstration on lighting presented by Mrs. Cox.

Mrs. Cecil Ervin was welcomed as a guest for the meeting.

Members attending were Mrs. Bodine, Mrs. Pace, Mrs. W. C. Berry, Mrs. Womack, Mrs. E. T. Strain, Mrs. C. C. Berry, Mrs. J. L. Strain, Mrs. Cox, Mrs. Lon Strain and the hostess, Mrs. Morris.

Next meeting of the club will be Feb. 14 in the home of Mrs. Pace. Program will concern civil defense.

Demonstrators and standing committees for 1957 were appointed Thursday for the Fairview Home Demonstration Club.

Club president, Mrs. Ed Bodine, made the appointments during a regular meeting in the home of Mrs. Preston Morris.

Demonstration directors for the new year include Mrs. P. H. Pace and Mrs. J. C. Womack, clothing; Mrs. Bodine, orchard; Mrs. J. L. Strain and Mrs. Lon Strain, landscape, and Mrs. James Cox, housing.

Committee chairmen are Mrs. Cox, program; Mrs. E. T. Strain, finance; Mrs. Lon Strain, publicity; Mrs. C. C. Berry, expansion and education; Mrs. Pace, recreation; Mrs. Morris, marketing; and Mrs. Womack, civil defense.

Club members elected Mrs. Bodine as prospective delegate to the forthcoming district HD meeting to be conducted in Leveland.

White Bible Service Honors Sunday Bride

Mrs. Calvin Halton, the former Barbara Combs of Lorraine, was honored at a white Bible service Friday evening preceding her marriage Sunday afternoon.

Setting for the special service, sponsored by the Young Women's

Auxiliary of Lorraine's First Baptist Church, was the Valley View Community home of Mr. and Mrs. Kenneth Butler.

Miss Maxie Sheppard presented a solo, Miss Margaret Horton recited a poem.

Also on the evening's program was Miss Jennie Sue Butler, who presented an original poem.

Mrs. Bobby Rine, YWCA sponsor, read the devotion and presented a white Bible to the honoree.

Refreshments of Cokes, hot chocolate, spiced cup cake, Ritz cheese sandwiches and dill pickles were served to Misses Sue Narrell, Horton, Sheppard, Butler, the honoree, Mrs. Rine and the host, Mrs. Butler.

Theatre Party Fetes Sunday School Class

Members of the Cheerful Helpers Sunday School Class of First Baptist Church Monday evening were entertained at a theatre party.

Hostess for the evening was Mrs. Luther Coffman, class teacher.

In Parents' Homes

Mr. and Mrs. Doyle House and son, Bob, of Odessa visited last week end in the homes of their parents — Mr. and Mrs. Charles Williams of the Payne Community, Mr. and Mrs. O. R. House.

Here from College

Visiting here in the home of Mr. and Mrs. H. H. Gainey is their son, Hollis Gainey, a student at University of Texas in Austin.

WOLF B-TEAM WINS GAME

Sweetwater Cagers Edge Past C-City 66-59, in Rough Tilt

Sweetwater High Mustang cagers edged past Colorado High 66-59, here Tuesday night in a basketball game that resembled more a wrestling match. Tempers flared and fouls were called in the rough and tumble District 3-AAA game in Junior High Gym.

Colorado City connected on only 50 per cent of its fouls shots, dropping in 11 of 22 tries. If the Wolves had been more adept at the foul line, they might have walked off the floor victorious.

Lamesa Quint Here Friday

Lamesa High basketball team riding in second place in District 3-AAA, comes to Junior High Gym Friday night to battle the Colorado High Wolves.

Lamesa won by a handy score in the prior meeting between the two clubs at Lamesa.

The B-game begins at 6:30 p. m. and the A game at 8 p. m. Colorado High's game with Merkel, scheduled last Saturday, was cancelled and reset for Monday in Merkel.

Ahead 38-26 at halftime, the Mustangs continued to pepper the bucket with shots from all over the court during the third stanza.

Sammy Harvey, Douglas Wright and Johnny Craft did most of the damage for the Sweetwater crew during the third period while Wolves' Bob Caffey, Richard Compton and Don Black kept their team in the game.

Neither team was able to pull away in the third period with Sweetwater scoring 16 points to the Wolves' 15.

But Harvey, Wright and Craft all got as the proverbial firecracker-pounded in field goals to start the final quarter and send the Mustangs into a 17-point lead, 60-43.

But then the Wolves got hot with five minutes left in the game. Marion Flippin, 6-5 center, dropped in two crisp shots and Compton added a pair of free tosses for a 62-49 count.

Harvey added a goal for the Mustangs on a fast break but Caffey nullified that with a two-pointer.

With two minutes left in the game, Mustangs' 5-9 sophomore center James Parker let two free tosses through the basket for the final points made by the Sweetwater squad and a 66-53 score.

From that point on, it was all Colorado City.

Flippin used a jump shot for a basket and Richardson fired

in one from the base line to bring the Wolves closer, 66-55, but with only a matter of two minutes left on the clock.

Compton whirled through the Mustangs' zone defense for a basket and 66-57 score after the Wolves had retrieved a rebound off the Sweetwater board with one minute left.

Compton came through again with only seconds left with another basket.

Sweetwater froze the ball for the remaining few seconds as the Wolves tried frantically to gain possession.

Colorado City B-team won a highly-contested game in the opener, 48-46.

With the score 44-44, C-City forward Rex Mason dropped in a field goal with 20 seconds left on the clock to make the count 46-44.

Sweetwater scored to tie it up at 46-46.

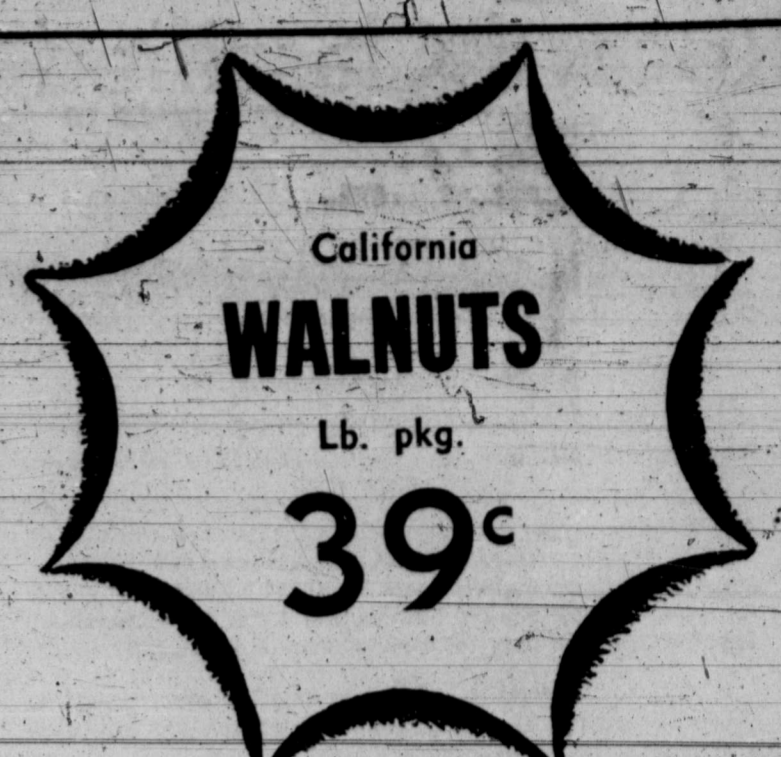

Truman Stinson came through for the little Wolves with a shot down the baseline to make the score 48-46.

A Sweetwater goal was scored, one second after the final buzzer sounded and the referees ruled it no good.
