## 350,000 RETURNED TO PRIVATE EMPLOYMENT IN MONTH; REPORTING INDUSTRIES' PAYROLLS UP \$12,000,000

### Mrs. Solonia O'Dell Passed Away Tues.

Mrs. Solonia O'Dell, who has been a resident of Byers for a little more than a year, died at the home of her son, the Rev. Stewart O'Dell at four o'clock Tuesday evening. Mrs. O'Dell was born in Lawrenceburg, Tenn., April 22, 1851, the daughter of Dr. D. M. and Sarah Evans Stewart. She removed to Denton county Texas when in her early teens, and lived at Argyle until her marriage to Dr. Thos. O'Dell who practiced medicine in Gainesville, Norman, Okla., and other points in Texas. She had made her home at Lindale, Smith county, Texas for some fifteen years, preceding her removal to Byers. She had been a member of the Methodist church since childhood. She was the mother of two children, her daughter having died several years ago. She leaves a sister, Mrs. A. D. Miller and a brother, H. T. Stewart, both of Denton, Texas; and her son, Rev. Stewart O'Dell of Byers, pastor of the Byers, Methodist church.

### Last Rites for Mrs. Lawrence Tuesday

Funeral services for Mrs. J. B. Lawrence, 69, of Nocona, were conducted Tuesday afternoon at two o'clock at the First Methodist church with Rev. Stewart O'Dell and the pastor of the First Christian church at Nocona, officiating.

Mrs. Lawrence, who formerly lived here, died after several weeks illness. She is survived by one daughter, Mrs. Ruth Horn, of Nocona. A son, James Jones of Petrolia, died several years ago.

Interment was in the Byers cemetery.

### NOTICE!

The County Agent's office has been informed by the State Board that they are unable to issue certificates due producers from the 1934 pool, because they are unable to get certificate forms. They expect to receive these forms any day and promise to get our certificates to us as soon as possible. Producers should be able to get these certificates by November 15.

County Agent's Office.

### PARTY RETURNS FROM HUNT WITH EVIDENCE OF SUCCESS

Mr. and Mrs. Jim Maddox of Stanfield and Messrs. Bill Hughs and William Hawkins of Ringgold, returned Friday, November 1, from a two-weeks bear and deer hunt in New Mexico. Mr. Maddox killed a brown bear. While Mrs. Maddox, Mr. Hawkins and Mr. Hughs each killing a nice buck.

Dr. H. D. Vaughter, Harry and De Witt Hundley were in Ryan Sunday and visited Rev. C. M. Hundley who is in the hospital.

"During the month of September 350,000 men and women were returned to private employment in the reporting industries of the Nation," President Roosevelt announced in his radio broadcast on the 1935 Mobilization for Human Needs, "and the money in the weekly pay envelopes of these industries was \$12,000,000 greater than in the previous month of August. This means that the workers in these reporting industries had 12 millions more each week to spend for the necessities of life.

"Furthermore, these latest and continued gain mean that nearly 5,000,000 men and women have found employment in the reporting private industries since the low point of the depression in March, 1933, and during this same period there has been an increase of over \$104,000,000 per week in the payrolls of these particular reporting agencies." (Editor's note—The report of the National Industrial Conference Board, a private agency to which reports are made by the National Association of Manufacturers showed 388,000 reemployed in factories during September.)

"The September gain is the largest for any single month in the past year and a half," the President continued. "It brings back employment in these industries to the level of November, 1930, and it brings the payrolls back to the level of May, 1931.

"Recently I expressed the hope that private industry would strain every nerve to increase their pay rolls, increasing the number of those whom they employed, and thus take from the federal government and their local governments a great share of the burden of relief. The figures which I have cited lead me to a greater confidence that private industry is living up to my hope. We seem to be taking up the slack.

"Even those industries which were long backward in showing any signs of recovery are putting their best foot forward. The so-called heavy industries, for example, show encouraging signs of improvement. Employment in this so-called durable goods group is now 62 per cent higher than it was in the spring of 1933. Their weekly pay rolls are 139 per cent greater, and this represents a net increase in employment of 1,185,000 men and women and a rise of over \$40,000,000 in weekly pay rolls.

"I cite all these figures because they relate to that kind of employment for which the government has definite statistics. They do not apply to the many other forms of employment of which there is no adequate record. The small retail business and the farms of the Nation are not included in the totals of employment and of weekly wages which I have cited, but in their case, also, it is common knowledge that many thousands of additional men and women have been provided with work."

Mr. and Mrs. W. A. Henderson spent Wednesday in Sunset.

## LITERARY DIGEST SECRET POLL BEING MADE TO DETERMINE POPULARITY OF PRESIDENT'S NEW DEAL PROGRAM

### REV. PAUL MARTIN RETURNS TO THIS DISTRICT AS ELDER

Greenville, Nov. 7.—The Rev. Paul E. Martin, who has been appointed presiding elder of the Wichita Falls district of the Methodist Episcopal church, South, after five years as pastor of Kavanaugh Methodist church here, is recognized as one of the outstanding ministers of the North Texas Conference. His new territory will not be strange to him as he came to this city from Iowa Park in the Wichita Falls district.

Not only members of his church, but citizens of Greenville and this section as a whole learned of his transfer with deep regret. He was universally admired in this section and had a large following who attended services at his church, yet were not members.

Rev. Mr. Martin was not only an outstanding minister, but was a leader in the civic life of Greenville and the entire community. He was a member of the Lions club and several times refused the presidency nomination, choosing to serve in other capacities. He supported every worthwhile move designed to bring about civic benefits, and on numerous occasions served on committees. He is a member of the board of trustees of Southern Methodist University.

Services of Rev. Mr. Martin as a lecturer were largely in demand in this section. During the summer of 1934 he made a tour of Europe and the Holy Land and took advantage of the opportunity to obtain movie scenes, using a camera presented him by members of his church and other friends. After his return he used these pictures in illustrated lectures.

Kavanaugh church made rapid strides while Rev. Mr. Martin was pastor. The membership, now totaling more than 1,000 was increased an average of 100 annually under his leadership and he was responsible for membership increases in other churches in this section where he conducted meetings. — Wichita Daily Times.

### LARGE CROWD ENJOYS FREE BARBECUE AND RODEO HERE

The free barbecue which was sponsored by the merchants of Byers under the direction of T. O. McMillan, was well attended Saturday. People from the surrounding communities attended the feast and then attended the rodeo in the afternoon.

A night performance was given. This event brought a large crowd to town which reminded older citizens of the town of the big trades day that was formerly sponsored by the merchants.

Let The Journal sell it for you!

Individual ballots have been mailed to voters of Henrietta and nearby communities in a new Literary Digest poll of 10,000,000 persons to ascertain the present popularity of the New Deal and should be distributed by the Post Office locally within a few days, according to advice today from the magazine's publishers.

The Texas returns in this new referendum will be tallied as a unit so they may be compared with the voting in other States, it is announced.

The voting of the post card ballots is secret as no signature or other identification is required and the return postage is paid by the magazine. To guard against tampering and counterfeiting a specially manufactured card board is used for printing the ballot, according to the sponsors of the poll and all spurious votes can be detected immediately and destroyed.

The ballot asks a yes or no answer to the question: "Do You NOW Approve the Acts and Policies of the Roosevelt 'New Deal' to date?"

A similar poll to the same 10,000,000 persons was conducted in the spring of 1934, following the first year of the Roosevelt Administration. Final returns then showed a vote of 61.5 per cent for the New Deal to 38.85 per cent against it.

Another question on the ballot in the coming referendum asks each voter how he voted in 1932 to ascertain if there has been any shift in political sentiment since the last Presidential Election.

Ballots are reported being mailed from the magazine's headquarters in New York at the rate of over 500,000 per day and will continue until every section of the country has been sent its proportionate share of the total being mailed.

Publication of the first tabulated returns is anticipated sometime in November.

The forthcoming balloting will be the eleventh national multi-million vote poll conducted by The Literary Digest besides several localized referendums which included the 1933 Mayoralty contest in New York City and the 1934 Gubernatorial election in California.

Seven of the eleven polls were held in advance of elections and each of the seven forecast the official outcome with a small margin of error, the magazine reports.

The Literary Digest states that just prior to the 1932 election it predicted Roosevelt would get 59.86 per cent of the popular vote in his campaign against Hoover. The official returns showed that the President received 59.14 per cent of the Roosevelt-Hoover vote revealing an error of 0.72 per cent in the magazine's forecast.

In the spring of 1932 a poll of the national sentiment on Prohibition forecast a popular vote of 75.5 per cent for repeal. Returns from the States' elections which brought about the demire of the Eighteenth Amendment in 1933 showed a com-

(Continued on Page Eight)

### Home Demonstration Clubs Notes

MISS MARGARET STEWART  
Home Demonstration Agent

#### A Garden in the Spring Through Fall

"Since the later part of February, we have been having vegetables from

the garden," says Mrs. Ted Streatly, Farm and Food Supply Demonstrator of the Joy Home Demonstration Club. "At this time from the garden we had asparagus, spinach and mustard, and it present we have growing in our

garden fourteen varieties of vegetables, namely: snap beans, blackeye peas, irish potatoes, peppers, cucumbers, turnips, mustard, okra, radishes, carrots, pumpkins, squashes, tomatoes, and winter onions. In the spring we had twenty-five varieties of vegetables in our garden. Besides the vegetables we have fruit, such as peaches, grapes, blackberries, dewberries and strawberries. The pantry is supplemented with pears and plums, which we exchange for the fruit, which we grow.

#### Candy School for Demonstrators

Saturday, November 2 at 2:00 at the Walker High school building a school on candies was conducted by Miss Margaret Stewart, County Home Demonstration Agent.

Candies made were: seafoam with its variations; fondant with its variations; chocolate surprises and crystallized fruits.

Those present were Mrs. Piott, Blue Grove; Miss Ruby Willingham, Halsell; Mrs. S. L. Russell and Mrs. Orville Nimmo, Neville; Mrs. A. S. Hodges, Deer Creek; Mesdames Frank Borgman, Boyles, and Ted Gray, New London; Mrs. Lawton Flinn, Miss Flinn and Miss Butler, Bellevue; Mrs. C. E. Witte and R. D. Wright, Cambridge; Mrs. Dave Utley and Mrs. W. E. Roberts, Ikard and Mrs. Goss and Paul Dowdy, Charlie.

A 4-H pantry containing 614 containers and 425 pounds of cured vegetables and valued at \$146.56 has been prepared by Mrs. Flinn of the Bellevue Home Demonstration Club. There are five in Mrs. Flinn's family. Her pantry contains leafy vegetables, starchy vegetables, other vegetables, tomatoes, fruits, sweet and sour pickles, relishes, meats, jelly, preserves, honey, dried beans, onions, potatoes and nuts.

Growing in Mrs. Flinn's garden this fall is tomatoes, peppers, carrots, peas, beets, turnips, mustard, lettuce and sweet potatoes. Carrots, turnips, beets and sweet potatoes will be stored for winter use; also the matured tomatoes will be wrapped and put away to ripen for later use.

Mrs. Flinn will have something fresh for her table the entire 12 months of the year because this fall she added a hotbed to her garden. In the hotbed this winter she will grow lettuce, mustard, spinach and radishes. Mrs. Flinn has improved her cellar by adding four feet of shelving, 1 inch by 12 inches at a cost of \$3.50. This shelving space accomodates the number of containers which she has at present.

#### Bellevue 4-H Club

The Bellevue 4-H Club girls met at their regular time November 1 with Miss Stewart. The house was called to order by Lois Whitwell, our Vice-President. The roll was called by our secretary, Gean Crutinger. The following officers were

elected: Garden Demonstrator, Gean McCraw; Clothing Demonstrator, Lois Whitwell. Miss Stewart made an interesting talk on "How to Make the History of Our Club Work," which we are to have by our next club meeting, November 11; also November 15 we are having an apron show. Each girl is to bring their apron. They will wear them and first, second, and third places will be awarded.

—Reporter.

### Number and Duration of Strikes Lowest In History of Country

During the first eight months of 1935, 529,800 men and women were involved in strikes in the United States, according to complete statistics of the U. S. Department of Labor. The average number of persons involved was 778, each of whom lost 14 working days. This is the best record in the history of industry in America since records have been kept. The peak number of strikes was in 1929 when 4,160,348 persons were involved in 2,665 strikes in industry.

"It is a significant fact that the duration of strikes is becoming very much shorter," said Assistant Secretary of Labor Edward F. McCarty concerning the announcement. As a result of the experience of industrialists and labor under NRA codes there has been a marked improvement in relationships between men and management.

McCarty said the collapse of the NRA "marked an increase in strikes against wage decreases."

"But with the exception of the recently adjusted coal strike, involving 400,000 miners and lasting only five days," he added, "there have been no strikes in 1935 comparable to the textile strike in September of 1934 which involved 376,000 or the general strike in San Francisco in July 1934 which involved nearly 100,000."

### METHODIST CONFERENCE IN SESSION AT BROWNWOOD

Beginning Wednesday, the Methodist Conference is in session at Brownwood, with Bishop H. A. Boaz, presiding.

Bishop Boaz, president of the Northwest and West Texas Conferences read the appointments at the close of the West Texas Conference at Wichita Falls. The sermon was delivered by Bishop A. Frank Smith, of Houston.

### STANDARD STATISTICS SURVEY SHOWS BEST OCT. IN 5 YEARS

Declaring the President's budget and tax message reassuring to busi-

ness, the summary of the general business situation issued by the Standard Statistics Co. of New York for the first week of October placed industrial production at 70 per cent of the 1926 standard. "This figure is the highest for any corresponding month since 1930 and represents an increase of 18 per cent over October, 1934," the report states.

Mr. and Mrs. M. E. Harrison and Mr. and Mrs. Tom Harrison spent Sunday in Llano, Texas.

Sam Baker Householder attended Texas-S. M. U. game at Dallas Saturday.

Rev. and Mrs. W. H. Duff are attending the Baptist Convention in Houston this week.

## SUNDAY SCHOOL TEACHERS IN REGULAR MONTHLY MEET

The teachers and Sunday School officers met Sunday afternoon in the regular monthly meeting at the church with W. S. Cummings, superintendent, presiding.

Miss Lorena Hopkins was elected as a teacher in the Young People's department and Mrs. Stewart O'Dell teacher of the Wesley Class. Mrs. Elmer Roberts was also elected secretary of the Wesley Class. Reports from the departments and officers were given.

The following were present: W. S. Cummings, Claude Harding, Rev. Stewart O'Dell, Dr. H. D. Vaughter, L. H. Hood, Mesdames Bertha Dunn, S. B. Householder, C. E. Harding, J. R. Cummings, H. D. Vaughter, Sr., Mollie Locke, Misses Ruby Taylor and Iula Yarbrough.

### W. M. U. MEETING

The W. M. U. of the First Baptist church met Monday afternoon in their regular weekly meeting.

Mrs. Ed Balch led the devotional lesson choosing I John 2:1-6 as her scripture lesson. Following the devotional Mrs. L. J. Curtis led the mission lesson which was taken from the magazine "Today's Supreme Challenge to the World."

A short business session preceded the lesson study presided over by Mrs. Ed Balch.

The following were present: Mesdames L. J. Curtis, Ed Balch, A. P. Bates, Hulse, A. W. Bussey, R. G. Seals, and Marshall.

### W. M. S. MEETING

The week of prayer was observed by the W. M. S. Monday in an all-day meeting at the Methodist church. The day was spent in a special mission program and in the afternoon a business meeting was held with Mrs. Byron Allen presiding.

At noon a covered dish luncheon was served to the members present which included Mesdames Allen, Susie Tucker, W. E. Dyer, S. B. Householder, D. W. Cooper, Bertha Dunn, C. E. Harding, and Miss Iula Yarbrough.

## Local and Personal

Mrs. Katherine Kafer of Hurnville, spent two weeks with her son, Fred Kafer and family.

Miss Madeline Harding and Hence Harding were in Wichita Falls Wednesday.

Mrs. Pat Sanders and son, and Mr. and Mrs. Bob Snodgrass and daughter of Oklahoma City, visited with Mr. and Mrs. W. J. Snodgrass and Mr. and Mrs. J. W. Wallace this week.

Mr. and Mrs. Ed Balch spent Sunday in Wichita Falls with Mrs. Balch's nephew who is seriously ill.

Word was received Tuesday of the death of Mrs. McAda at Mountain View, Okla., who formerly lived in Byers. Her daughter, Mrs. Red Braley and a brother, Mr. D. Hager, live here and attended the funeral.

Mesdames Agnes Lyon and Lizzie Caldwell are spending the week in Sayre, Oklahoma with relatives.

Miss Annsye June Oldfield of Wichita Falls, spent the week-end with her parents.

Misses Lovetta Balch, Hazel Parker and Loraine Lyon spent the week-end in Canyon and attended the homecoming at the W. T. S. T. college.

## Health Department Warns Public On Patent Medicines

Beware of patent medicines that make too extravagant claims as to its ability to cure diseases, is the warning issued by the Bureau of Food and Drugs of the State Department of Health. When purchasing such remedies be sure and read the label in order that you may know what you are getting.

During the past year the inspectors of the Department have condemned and destroyed many thousands of packages of patent medicines, totaling more than 30,000 pounds in weight. These drugs were condemned for a variety of reasons; chiefly due to untrue claims as to their value, old, worthless, and in some cases dangerous ingredients.

Some of the claims for remedies destroyed were so impossible that it is wondered that anyone would believe them. One medicine claimed that it would positively cure thirty-seven diseases, including hookworm in humans and screw worms in stock. Many people do believe these claims as it is estimated that many millions of dollars are spent each year in Texas for drugs that cannot do all that is claimed for them.

One dangerous drug that is being

sold for reducing weight is dinitrophenol. The fact is that many who are using this drug may be endangering their health and even their lives. The human machine is too complex to risk self medication. When something goes wrong with the human body and one does not feel well, he should see his family physician and then follow the advice he gives.

## Prairie Flower

### Party

Miss Naomi Kimbrough, teacher of the Featherston school entertained with a Hallowe'en party Thursday nite at the school house. A large number attended and everyone reported a nice time.

Mrs. W. O. Compton and granddaughter, Lena Mae Mason, Mrs. J. M. Curry and son, Jerry, visited school Thursday afternoon.

Mr. G. W. Allison was in Henrietta Wednesday.

Miss Odessa Compton visited in the school Monday.

Mr. and Mrs. George Kafer and family attended church in Henrietta Sunday.

Mr. and Mrs. J. M. Curry and son, Jerry, were the Wednesday dinner guests of Mr. and Mrs. W. O. Compton.

Mr. W. O. Compton was in Henrietta Tuesday.

Misses Eva and Odessa Compton attended a dance Saturday night in the home of Mr. and Mrs. Bob Burton.

Mr. Gus Goehring of the Cambridge community, and Miss Lily Compton visited the former's sister and family, Mr. and Mrs. Chris Bachman of Dean Dale, Sunday.

Mr. J. M. Curry was in Henrietta Saturday.

### Buffalo Springs News

#### Death

J. W. Dean, pioneer of Buffalo Springs, passed away at the home of his daughter in Claude, Texas, November 1, 1935. The body was returned to Buffalo Springs and laid to rest beside his wife who preceded him in death by 4 months and fourteen days.

#### Party

Mr. and Mrs. J. C. Fletcher entertained the young people with a Hallowe'en party Thursday night. Many games were played and all reported a nice time.

#### Personals

Mr. and Mrs. Ben Gill of Bellevue, spent the day Sunday with Mr. and Mrs. Ray Gill.

Mr. and Mrs. B. Robertson and children, Wanda and Bobbie, visited Mrs. Robertson's parents, Mr. and Mrs. Vaughn in Bellevue Sunday.

Mr. and Mrs. Joe Quisenberry spent the week-end with Mr. Quisenberry's father, Mr. Quisenberry at Harrel.

Mr. and Mrs. Fred Aulick, Mr. and

Mrs. Charlie Aulick of Bellevue, attended the funeral of Mr. Dean Sunday.

Those who attended the funeral from Henrietta were Mrs. Jean Callaway, Mr. and Mrs. Milton Brock and family and others.

Mr. Charlie Cozart left Friday to be with his wife who is ill at Charlie, Texas. Mrs. Cozart is a member of the school faculty of that place. We hope Mrs. Cozart is on the road to recovery when we hear from her again.

Mr. and Mrs. Allen Brock and Miss Fannie Reeder were visitors and shoppers in Bowie Tuesday.

Mr. and Mrs. J. Starnes who lived two miles south of Buffalo Springs have purchased the B. S. Howton place and moved to Buffalo Springs last week. We're glad to welcome these folks to our little town.

Mr. Wess Hillern who owns the gin at Buffalo Springs has returned to work after several weeks illness.

Mrs. Mattie Campbell and daughter are spending a week with her mother, Mrs. George McGown, and other relatives near Pleasant Valley. Mr. and Mrs. Pete Gill spent the

day Sunday with Mrs. Gill's sister, Mrs. Ollie Dutton, of Electra.

Miss Effie Hammons of Joy, spent a few days of last week here with Miss Mildred McKinney and Miss Joyce Cozart.

Mr. Oscar Sparks has returned home after spending several weeks in Chicago where he has been taking treatments. We're glad to report Mr. Sparks improving.

Miss Elizabeth Martin is spending a few days with her sister, Mrs. Mildred Browning at Joy.

### 82% of Installments On All Farm Loans Have Been Duly Paid

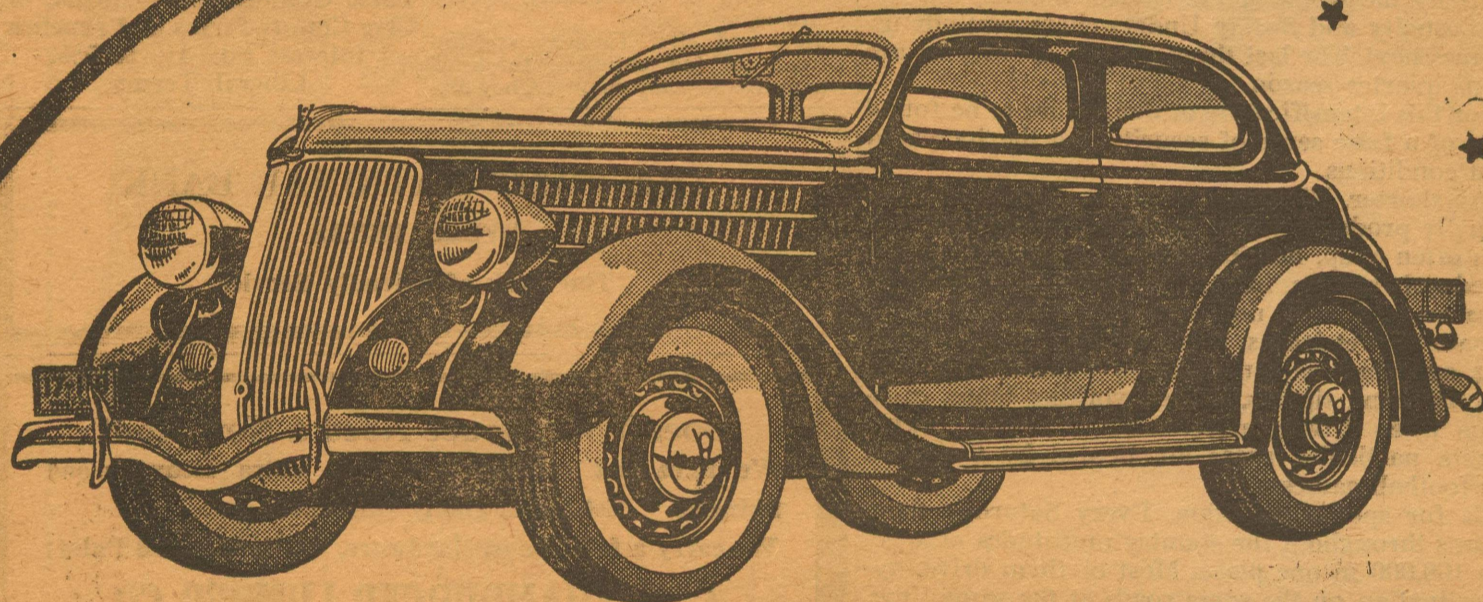

Reports submitted at a mid-October session in Washington of the 12 Federal land bank presidents, showed that in six land bank districts not badly affected by last year's drought more than 90 per cent of all matured installments on land bank commissioner's loans had been paid up to September 1 and the av-

erage for the country as a whole was 82 per cent.

Land Bank Commissioner Albert S. Goss stated that although the affects of the greatest drought in the country's history have acted as a deterrent to general improvement, "there is now ample feed in practically every section of the country."

"In September," his statement continued, "emergency requests to the Farm Credit Administration from farmers threatened with foreclosure dropped below 100 per week. That is the lowest level since these requests started to come in during September, 1933. Practically all of the recent requests are for refinancing at the lower rate of 4 per cent now available on new loans."

Mr. and Mrs. H. D. Stine, Mrs. Ona Hopkins and Mr. J. M. W. Reid attended the funeral of Lake Audrain at Rick Springs Saturday afternoon. Mr. Audrain, who formerly lived in Byers, died after several years of illness. Interment was in Hope cemetery at Henrietta.

"If the people who use our cars every day are not praising them, it matters little what we may say. The last word *must be spoken by the car itself.*"

{FROM AN ADVERTISEMENT SIGNED BY HENRY FORD IN JULY, 1933}

## AGAIN, A NEW AND MORE BEAUTIFUL FORD V-8

# Speaks for Itself

MORE than two million Ford V-8's, in America alone are now in the hands of drivers. These owners have heard, from the car itself, a clear story of motoring value and pleasure that far outstrips all previous achievements in low priced cars.

Now, the 1936 Ford V-8 speaks for itself . . . new beauty of line; new, brighter colors; easier steering and gear-shifting; super-safety breaks. We urge you to get this car's story from the driver's seat—to know at first hand its V-8 performance—its luxury-car comfort and roominess.

Let the last word about the 1936 Ford V-8 "be spoken by the car itself." Make arrangements today through:—

## FOOTBALL AND FALL TRAFFIC

Do you know what is the most dangerous driving period of the year? The statistical truth is that we are now in that part of the year most fraught with peril to the motorist and the pedestrian.

October is usually the worst of the twelve months, the National Bureau of Casualty and Surety Underwriters reminds us, and November comes next. The last three months of the year are the most dangerous quarter season.

The reasons for this intensification of danger are to be found in the combination of a false sense of security and the increased hazards of natural conditions.

The days grow shorter. Nightfall, notorious for its accident possibilities, gradually produces yearly peaks between 5 and 9 p. m. The weather is often crisp, bracing, ideal for driving and the roads are crowded—always an important element in accident frequency. A number of subtle, unobtrusive causes contribute. The skidding menace of wet leaves, roads slippery with frost in the early morning, car windows shut in chilly weather with consequent failure to use hand signals, longer working hours causing greater fatigue when driving after dark, week-end concentration of traffic in particular areas augmented by the great crowds driving to football games.

This last calls for special attention. Every Saturday there converge in stadiums throughout the country multitudes of spectators, sometimes 100,000 in one place. Most of them drive, approaching their destination on the same roads at the same time. Such conditions breed accidents, and if the accident peril is imminent before the game it is doubly so afterward. Then the thousands of automobiles choke every radiating highway, all in a hurry to get away and get home. The reaction setting in after the excitement of the game reduces driving alertness. Add to all this the likelihood that many drivers are under the influence of alcohol and the situation is distinctly menacing.

There are occasions for great care in driving. Usually the roads leading from the stadiums are lined with police, stationed to get you there and away as quickly and safely as possible. Co-operate with them, lest what starts as fun ends in tragedy.

## IS THE DEPRESSION OVER?

The depression may not be over, but, in a survey of Clay county the average farmer and citizen seems to be so far ahead of what he was last year that the thought of depression is very disgusting. As one merchant puts it, the farmer that last year had only a bare existence, this year has already bought a good used car, some new furniture and can come around and fill up the old bus and say, "Write out a check for five." This looks very encouraging and to say the least is evidence that the period of fear is over.

Another evidence that the condition of the country is far better than a few years ago is that many new and more expensive cars are being bought and by the way "paid for." In years gone by many well-to-do merchants that were put down by the depression could buy a car and agree to pay for it when business was better, even though they had extensive holdings and the seller was assured of his money.

"We are coming back more solidly than ever before because we have planned it that way. And don't let anyone tell you differently."—President Roosevelt.

## OUT OF THE EXPERIMENTAL STAGE

The farm co-operatives have passed out of the experimental stage. They have become as essential to modern agriculture as the plow.

They have demonstrated that only through co-operation can supply be adjusted to demand—that only through co-operation can the farmer obtain a fairer share of the final selling price of what he produces—that only through co-operation can scientific farming be extended to millions of farms, making smaller acreage produce better, more profitable crops.

The establishment of the first co-operative marked one of the greatest days since the dawn of history—though few realized it at the time. The co-operative ideal is the most dominant characteristic of farm activity today.

The doctor is a good barometer of the times and strange as it seems the doctor is the first one that a hard-hit citizen fails to pay and the last to make a payment to. Doctors report that in the last six months collections have been far above the average of the last few years.

## Golden Anniversary Celebrated by Rev. and Mrs. Tannery

Rev. and Mrs. L. F. Tannery of Lubbock, formerly of Clay county, will celebrate their golden wedding anniversary Friday, November 8.

Rev. Tannery, who is a Methodist minister, was pastor at Blue Grove and Vashti in this county twenty years ago.

Rev. and Mrs. Tannery are the parents of ten children, three of whom live in Clay county. They are

Mrs. Oscar Callaway of Henrietta, Mrs. Lawson Pennington of Blue Grove, and Mrs. Roy Howard of Vashti.

Their many old time friends offer congratulations and wish them many more years of happiness together.
