## Otwell Brothers Home, Sing April 21 In Tulia

The Otwell Brothers of the Lawrence Welk Show will appear at the Tulia High School Auditorium, Friday, April 21 at 8 p.m. The performance is sponsored by the Tulia Lion's Club and the proceeds will benefit the Tulia Fire Department in paying for the "Hurst Jaws of Life", the Tulia Girl Scouts, and other Lion's club projects. Admission will be \$3

for adults; \$2 for all students. Preschoolers will be admitted free.

David and Roger, sons of Mr. and Mrs. O.B. Otwell, have

been closely associated with members of the Tulia Lion's Club for several years.

The brothers are home for a short visit with their family after finishing a southern tour

with the Welk show which included 14 cities in the southern states, including Fort Worth and Austin.

The boys will return to California April 27 to prepare for a three week engagement at Lake Tahoe, June 21 through July 12. Next on the agenda will be a show by the twins alone in Massachusetts. They will then prepare for a northern tour.

Advance tickets will be available from Lions Club and fire department members. Tickets will go on sale at the gate one hour before show time. The doors will open one-half hour before show time for those attending to find a seat. Tulia Fire Department will also have the Hurst Jaws of Life set up for display and will be available to tell how this piece of emergency equipment can save lives.

Hart residents will remember the Otwell brothers from former benefit appearances here, with two other young men, as "The Americans." One local performance was sponsored by Hart Volunteer Firemen.

SHARON WEAVER

## Cook of the Week

A teacher by day and a student by night is an apt description of Sharon Weaver. Working with kindergarten boys and girls, Sharon's students did not speak English when school started at Hart Elementary. They have been learning since that time and have reached a stage where they can communicate in English.

Sharon worked with pre-school age children and did substitute teaching before coming to Hart at the beginning of this school year. A native of Cotton Center, she had attended West Texas State University.

Enrolled now in night classes at WT, she will attend summer school to better prepare herself for her work as a teacher.

Sharon is the mother of a son, Todd, nine years old, and a daughter, Ann, six. They attend First United Methodist Church.

When there's time for hobbies, Sharon likes to sew and paint. She has traveled a lot and lived in Taiwan and the Philippine Islands. She has been to Germany, Austria, Korea, Thailand, Japan and Hong Kong. Hong Kong was perhaps her favorite, she says, because she had been gone from home so long that its Westernization made it seem a lot like America. She found the food there delicious.
