TENNIS CHAMPS

Wellington High School's tennis team won both boys and girls division at the district tennis tournament last week. Doubles teams on the back row, from left, are Lesa Powell and KayLynn Bartlett who won first, Todd Roberson and Mike Myrick who took second, and Lynn Bartlett and Jamie McKay who were first. Singles winners, front row, from left, are Dora Salinas, 2nd junior varsity, Brian Van Pel, 3rd varsity, Ashley Williams 1st junior varsity, Linda Lacy, 3rd varsity, Margo Duncan, 2nd varsity, Tommy Cochran 1st junior varsity and Derek Seal, 2nd junior varsity.

Tennis Regional Event Set

Nine members of Wellington's UIL District 2-2A championship teams advanced to the regional UIL playoffs which will be held in Lubbock later this month, Coach Ronny Williams has announced.

The girls regional tournament will be held Wednesday and Thursday, April 18 and 19. The boys regional is scheduled for May 1 and 2. The girls first place

doubles team includes Lesa Powell and KayLynn Bartlett. Margo Duncan second place winner in district girls singles competition, will play in that division, and Linda Lacy, who got third in girls singles qualified to go as the girls alternate.

Both boys doubles teams qualified to advance to regional; the first place Lynn Bartlett, Jamie McKay team and second place Todd

Roberson-Mike Myrick. Brian Van Pelt, who won third in boys singles, will go as an alternate.

This will be Lynn Bartlett's fourth year to qualify for the regional tournament, although it is his first on the doubles team, said Coach Williams.

Last year, Bartlett placed fourth in the regional singles.

McKay, a junior, is going

for the third successive year. Last year he teamed with Wade Williams, a senior, and they advanced to the quarter finals before losing out.

Coach Williams believes Bartlett-McKay should be one of the top 6 teams at Lubbock.

Lesla Powell is the only girl to have been to regional. She also played singles last year.

Cemetery Assn. Opens '84 Fund Drive Area-Wide

Wellington Cemetery Association opens its annual fund drive this week when more than 900 letters are mailed, asking support locally and throughout the U.S.

The letters go to those who own cemetery lots in one of the three Wellington cemeteries, who have family members buried in them or who wish to support their care.

There is no fund goal, but each person making a donation is asked to give generously.

It is pointed out that almost the entire funding of the cemetery care comes from these voluntary donations made once a year, said Larry Adams of Schooler Gordon Funeral Directors, who is working with the drive.

The only other sources of money to pay day to day expenses are memorial gifts not designated for other uses, the income from the Wellington Cemetery Association trust fund, and the sale of cemetery lots.

The cost of maintaining Fairview, North Fairview and Memorial Gardens cemeteries is increasing each year, it is emphasized. And each year, the income barely covers these expenses.

"We have the best-kept

cemeteries of any town in the area, and I have been in most of them. The cemetery association wants to keep them in this excellent condition," said Adams.

Older cemetery association supporters recall the weed-patch condition that was once the Wellington cemeteries and renew their efforts to maintain them in their present condition.

This is done with one paid employee, Jim Forrester, Wellington farmer who has the larger equipment needed to do the cemetery work and open graves.

The Cemetery Association provides for 40 hours per week of work at the three cemeteries, although Forrester donates considerably more time.

Added expense this year will be the purchase of three new mowers at a cost that at best will be around \$1,000, Adams said. Then there is the cost of herbicide to keep down weeds, and material to patch pot holes in the paved cemetery streets brought on by damage from last winter's zero weather.

No new projects are planned.

Adams explained that the Wellington Cemetery Association Perpetual Trust Fund derives most of its income from donations and memorial gifts, which are

designated by the donor for that purpose. This designation must be made before the money can be put in the trust fund.

Only the interest from this trust fund is available for day to day use.

Anyone concerned with the support of the Wellington cemeteries is urged to make a donation, regardless

of whether that person's name is on the mailing list. These may be addressed to: Wellington Cemetery Association

Million Dollar Sale Opens Mon.

An estimated \$1 million worth of farm equipment and even a few mules will go on the auction block at the 8th annual Wellington Spring Farm Equipment Auction. The sale begins Monday, April 16 and continues Tuesday and Wednesday beginning at 10 a.m. each day.

"This will be one of our largest sales ever here," E.S. Hale, Jr., who's organizing the sale for Cruce & Long Auctioneers of Plainview, said. "We're expecting a lot of out-of-state buyers and we think this will be a good sale."

The sale site is the

Farmers Coop Gin Yard, 1 mile east of Wellington on the Mangum Highway (FM 203).

Monday sale items include tractor and tool makeups, tanks, trailers and cotton trailers. Farm equipment and irrigation equipment will be sold on Tuesday. On Wednesday tractors, combines, trucks, trailers, pickups, boats, livestock equipment, hay equipment, cotton strippers and horses and mules will be sold.

All consignments must be on the sale site by 5 p.m. Sunday, April 15, Hale said.

Easter Cantata Planned April 15, 21

An Easter cantata, "Jesus of Nazareth" will be presented on two evenings during the Easter season, Sunday, April 15 in 1st Baptist Church, and Saturday, April 21, in 1st Methodist Church.

Ron Long, director, announced plans.

The April 15 performance will be a part of the annual community-wide Easter service sponsored by the Ministerial Alliance.

The time will be 6:30 p.m., said Long, music and youth director of 1st Baptist Church.

The 50-voice cantata choir will be made up of members of choirs from 1st Baptist Church, 1st United Methodist Church, the Assembly of God. Mrs. Lynn Emmert will be the pianist and Mrs. Truman Estes the organist. Soloist will be named.

Several other churches will dismiss their evening

services so members can hear the cantata which will include scripture narration, and thoughts relating to the life, death and resurrection of Christ.

This will be followed by the Easter sermon, preached by the Rev. Larry Boyd, pastor of the Assembly of God and president of the ministerial alliance.

The special offering will be taken for the Ministerial Alliance to cover its needs

and services. The service at 1st Baptist Church will be televised over the church channel.

The cantata only will be given in 1st United Methodist at 7 p.m. Saturday, April 21.

There will be rehearsals at 1st Baptist Church on April 11 and at 1st Methodist on April 18.

The public is invited to both these performances.

Winged Rockets to Dist. Apr. 17

On Tuesday, April 17, the entire team of Winged Rockets, plus a junior varsity team that could number as many as 20 thinclads will compete in the District 2-2A track meet in Shamrock, Coach Carl Taylor has announced.

This new JV team, not on the track for much of the season, is almost altogether boys who were in the off-season athletic program.

Taylor this week assessed the prospects of the varsity, which is capable of winning in a number of the events.

"The sprint relay team right now has the second best time in the district," says Taylor. "Panhandle has run the best time, 43.3 last week in Amarillo. The Rockets best time was at

Aspermont, 44 flat."

"In the 100 meter dash, three boys are capable of winning, Culpepper, Tad Smith of Panhandle and Roy Henderson of Memphis."

"All have lots of speed, and any of them is capable of winning," declares Taylor.

At 10.9, Culpepper has the best time.

"In the 200 meter dash, again three boys are capable of winning, Culpepper, Stacy Rusk of Panhandle who received a football scholarship from the University of Texas at Austin, and Henderson."

"In the high hurdles, Shamrock probably has the best high hurdler in the district now. Panhandle has a good high hurdler and

Kirby Pennon is capable or running with either of these two," the coach commented.

"In the 300 intermediate hurdles, Shamrock and Panhandle have good runners, but their times are not that much better than Kirby Pennon's."

"In the high jump, we should, if we jump like we have been with Joe Bill and Kirby, we should do well. And James Benton should do well in the long jump."

All of the Winged Rockets running this season has been on all-weather tracks, as only Wellington, Memphis and Clarendon still have dirt tracks.

Winged Rockets (varsity) who will make the trip are James Patterson, Dwayne

Culpepper, Joe Bill Munn, James Benton, Kirby Pennon, Jay Warrick, Shawn Davis, Lee Munyan and Kenny Peeks.

Junior varsity team selections are not complete, Taylor said.

FFA Team to State Contest

Two FFA range and pasture judging teams from Collingsworth County will represent Area I at the state contest to be held in Stephenville Thursday, April 19.

The teams qualified to

advance to state in the Area I contest held Saturday at West Texas State University, Canyon.

Samnorwood team was first, Miami 2nd and Wellington 3rd. These were the high three teams at the Greenbelt District Contest Tuesday, April 3 in Wellington, when Samnorwood was 1st, Wellington 2nd and Miami 3rd, with Miami participating as a visiting team.

High point individual at Canyon was Scot Martindale of Samnorwood; Jeff Powell of Wellington was 6th and Tony Kidd of Norwood, 8th.

On the Samnorwood teams are Martindale, Kidd, Stephanie Brandvik and Sandy Henard.

Wellington team members are Ronnie Ward, Kacy Davis, Powell and Mike Myrick.

The teams will be accompanied by their sponsor.

Jackson Heads 1984 Fair

Billy Jackson, resident manager of Lone Star Gas Co., will be the overall chairman of the 1984 Collingsworth County Fair and in the coming weeks will name department chairmen to assist him.

Jackson's appointment was announced by Tommy Hudson, C-C president, in the directors meeting Monday, April 9.

The chamber sponsors the fair each year.

Nick Gilley, a C-C director, discussed the leadership conference which he and Jackson attended in Canyon recently. It was sponsored by the West Texas Chamber of Commerce.

He told of ideas other chambers are using to improve their organizations,

and some things which local directors favor looking at for the Collingsworth Chamber to use.

Present were Hudson, Jerry Duncan, Walter Clement, Jackson, Gilley, Charles Britten, Dorothy McGill, Bill Hatch, Zeb Roberson, Yates Parker, Cliff Goss and Don Reeves, and Margaret Vines, secretary.

PUC Conducts Hearings on GTE Rate Request

The Public Utility Commission is conducting two public comment hearings on the \$84.8 million rate request by General Telephone Company of the Southwest.

The first hearing was in San Angelo on April 11 at the Convention Center, 500 Rio Concho Drive, from 2-5 p.m. and 6:30-8:00 p.m.

A second hearing is set in Garland on April 13 at the

City Council Chambers, 200 North 5th Street, from 2-5:00 p.m. and 6:30-9:00 p.m.

The local hearings give General Telephone customers a personal opportunity to express their opinions directly to the Commission without traveling to Austin.

Judge Jacqueline Holmes and Hearings Examiner Henry Card will conduct the meetings. Other Commission

staff members from the General Counsel and Consumer Affairs office, Engineering Division and Public Information will be in attendance.

Judge Holmes has set the hearing on the merits for 10 a.m., May 29 at the Commission offices in Austin. Intervenor are Texas Municipal League, AT&T

Tiny Tot Revue Set April 17

Plans are complete for the prettiest and most handsome of them all, the Tiny Tots, to go on stage in their annual revue Tuesday, April 17, Mrs. Lois Ratliff reminds, president of 1954 Study Club.

The time is 7 p.m. in the high school auditorium.

Enrollment will be Monday, April 16, at 4 p.m. in the high school auditorium, but mothers are told not to come until the enrollment hour, as it will interfere with the dismissal of high school classes.

Admission will be \$2 for adults and students 12 years and older, and \$1 for students under 12.

The enrollment fee is \$1 per child, and this includes the mother's ticket.

The west door of junior high school will be open at 6:15 p.m. for mothers who want to have pictures made of their children. This is not part of the Tiny Tot Revue, but is arranged for the convenience of parents.

This is the only fundraiser held by the 1954 Study Club each year,

explained Mrs. Lynn Wright.

"Most of our money is spent on local projects," she continued. "These are the hospital auxiliary, an elementary school reading program, a library project that includes both school and county libraries, the M.D. Anderson Hospital Walk-a-thon, Family Counseling Service, and the Satellite Center. Other local projects are picked up from time to time as they come along."

Projects of the federated clubs are the Vernon State Hospital, Girls Town and Boys Ranch and several Scholarship funds.

The 6 divisions are: babies under one year, one year, two, three, four, and combined five and six years.

Every child will receive a small gift and prizes will go to the boy and girl who wins in each age group.

Those wanting more information should call Mrs. A.J. Fires, chairman, 447-5474, co-ordinator, or Mrs. Ratliff, 447-2667.

Veterinary Hospital To Hold Open House Sunday Afternoon

Wellington Veterinary Hospital will hold an open house Sunday, April 15 from 1 to 5 p.m. at its newly remodeled and expanded facilities on the Dodson Highway.

"We want to invite everyone to come out Sunday afternoon and enjoy some refreshments with us and take a look at our new facilities," Mark Fires, D. V.M., said.

The remodeled facilities now include a new small animal treatment room, and new boarding, dipping and bathing facilities, and inside and outside runs for small animal boarding.

The new office area also includes a new medical record system for small animals and horses.

Also new are a dispensary

Alfalfa Assn. Meets April at Hollis

The 7th annual Harmon County Alfalfa Hay and Seed Association will be held at 7 p.m. Thursday, April 12, at the Joe B. Metcalf cafeteria at Hollis.

An informative production program has been planned with Bob Treadwell, Oklahoma State University area agronomist, Miles Karner, OSU area entomologist, and Dale Ringwald of the Oklahoma Crop Improvement Association participating in the program. Joe Garrison is the new president of the association. Board members will be elected to fill the expiring terms of Newell McDaniel and Burk Bullington.

Cattlemen Name Hollis

Colonel J.B. Hollis of Dodson was recently appointed to the executive board of Political Action Committee of the National Cattlemen's Association.

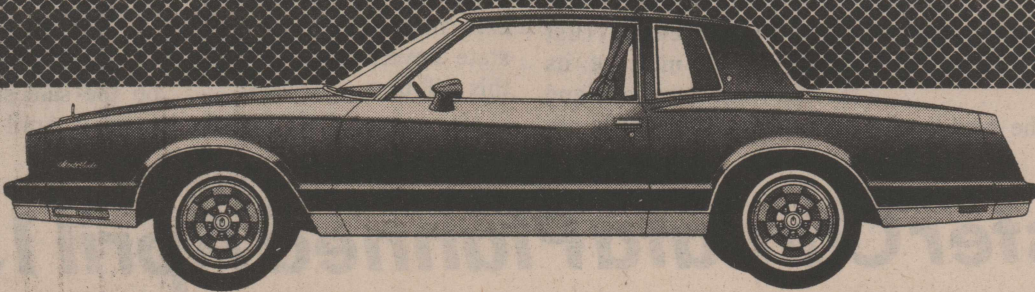

This committee is a voluntary, non-profit, non partisan organization formed in 1971 by a group of cattlemen associated with

the former American National Cattlemen's Association (ANCA) to insure cattle industry participation in the political process. With consolidation of ANCA and the National Livestock Feeders Association in 1977 to form the National Cattlemen's Association, Cattlemen's Action Legisla-

tive Fund was reorganized. It is now the association sponsored Political Action Committee for the cattle industry at the national level.

Colonel Hollis will represent a region consisting of Cattlemen's Associations from Arkansas, Oklahoma and Texas.

Scientists have discovered growth rings in dinosaur teeth that probably resulted from seasonal temperature changes.

Youth Rally at Abundant Life

A youth rally will be held at Abundant Life Fellowship Friday, April 13, at 7:30 p.m.

A puppet show, "Train Up a Child," will be featured. This relates to the life of the Prophet Samuel and is presented by a group of teen agers from the church.

Afterward, a pantomime will be given by Faith Baptist Church of Childress, with Faith Clown for young children, played by Christi Kaye of Childress.

Louie, a new friend of the

children at Abundant Life, will be present with his wit and songs. Louie is a puppet and is his manager is Ralph Pyeatt.

A short play, "At the Gate Beautiful," will be presented by the adults, directed by Mrs. Clinton Norman.

Obituaries

Wm. Radford Dies March 30 in California

William M. Radford, a 25-year resident of San Carlos, Calif. and an owner of a plastics company, died Friday, March 30, of a brief illness at Sequoia Hospital in Redwood City, Calif. He was 65.

Mr. Radford for 18 years had been an owner and operator of RAL Plastic Forming Inc. of San Carlos.

Mr. Radford was a member of the American Association of Retired Persons, Chapter 1224, of San Carlos, and of the Society of Plastic Engineers.

He was a U.S. Army veteran who served in the European Theater during World War II.

Mr. Radford is survived by his wife of 35 years, Ruth; his son, Mark Radford of San Carlos; a brother, Garland Radford of Downey, Calif.; and two sisters, Gladys Poling of Texas and Margaret Phillips of Missouri.

Funeral services were conducted at 11 a.m. Tuesday, April 3, at the White Oaks Chapel, 1696 El Camino Real, San Carlos. The Rev. Edward Ewart of Trinity Presbyterian Church officiated.

Interment followed at Alta

Mesa Memorial Park, Palo Alto, Calif.

Don Strickland Dies March 21 in Indiana

Don H. Strickland, 65, of New Harmony, Ind., died Wednesday, March 28, in Deaconess Hospital, Evansville, Ind.

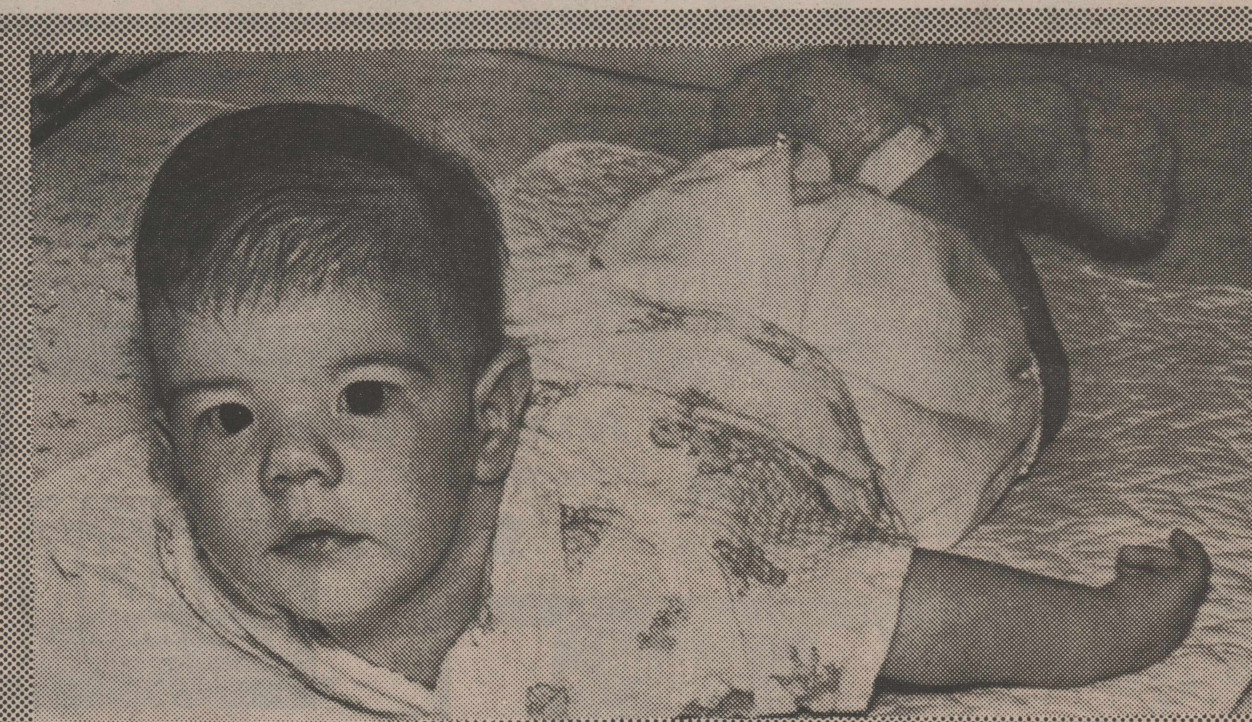

Funeral services were in Warry Funeral Home, New Harmony, March 31, with the Rev. Reno Demuth officiating. Burial was in Bethsaida Cemetery in Stewartsville, Ind.

He was retired from the oil business and farming.

Mr. Strickland was raised at Wellington, the son of the late Mr. and Mrs. E.M. Strickland. He left here in 1934 but returned often to visit.

Survivors are his wife, Eva Strickland; three daughters; three brothers, E.M. Strickland of Austin, Kenneth Strickland and Jimmy Strickland of Tulsa, and Jerry Strickland of Orange; three sisters, Gen-na Williams of Austin; Floy Poor and Murt Robinson of Baton Rouge, La. One sister, Imogene, preceded him in death.

He was an uncle of Mark Strickland of Wellington.

John Doe ?

During the last war Kilroy was the name of the man who had been there. John Doe, the encyclopedia tells us, is the name used in legal documents to describe a person whose real name is unknown.

You do not know the name of this darling baby, and his name may be unknown to us, but in his eyes dwell love and trust. His eyes are like doe-eyes. Yet the male deer is a young buck, rather than a doe, and he is known for his swift running and his ability to jump to high places.

Our prayer for this young man is this:

May the Lord *strengthen and stablish you*. Then as Isaiah says in the 6th verse of the 33rd Chapter, *wisdom and knowledge shall be the stability of thy times, and strength of salvation: the fear of the Lord is his treasure.*"

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Deer, Turkey Harvest Down

AUSTIN - Hunters harvested fewer deer and wild turkeys in Texas during the past hunting season, but Texas Parks and Wildlife Department officials believe

the decline was caused by lush range conditions rather than low deer and turkey populations.

Recently-completed surveys indicate hunters took approximately 318,300 white-tailed deer during the 1983 season, a six percent decline from 337,600 the year before; a total of 31,700

turkeys was harvested, down 42 percent

"There was a tremendous acorn crop everywhere, and this caused deer and turkeys to move around less for food during the hunting season," said Horace Gore, white-tailed deer program leader. "This was especially true in the Edwards Plateau, where a large portion of the statewide harvest occurs each year." Gore added that even though harvest declined statewide, it was higher than the 10-year average.

RANGE AND PASTURE TEAM

Samnorwood Range and Pasture Team won first at the Greenbelt District judging contest April 3. Members are Scot Martindale, left, and Sandy Henard. Absent were Stephanie Brandvik and Tony Kidd.

Linda Johnson Heads CF Drive

The Lone Star Chapter of the Cystic Fibrosis Foundation is delighted to announce the appointment of Linda Johnson as Spring Chairman of its 1984 Campaign in Wellington.

The Campaign will be held to provide the community with pertinent information about Cystic Fibrosis, the number one genetic killer of children and

young adults and to raise desperately needed funds to support research, education and care programs.

CF is difficult to diagnose and, at present, impossible to cure.

For more information about cystic fibrosis and how you can help in the fight to find a cure, please contact Mrs. Johnson, 447-5143.

Greenbelt District Winners Announced

Wellington, Samnorwood and Childress had first place teams in the annual Greenbelt District Future Farmers of America land and plant judging contests, Tuesday, April 3.

This is hosted annually by Salt Fork Soil and Water Conservation District.

Winning teams are qualified to compete in the Area I contest.

In the land judging contest, a Wellington FFA team was 1st with 559 points; Samnorwood 2nd with 479 and Paducah 3rd with 442.

High point individuals were 1st, Kendall Harris of Wellington, 223 points; 2nd, Mike Skelton of Wellington, 177; and 3rd, Ersilia Del Bosque of Samnorwood, 173 points.

The plant judging contest saw a Childress team win 1st with 1090 points; Samnorwood 2nd with 880 and Lakeview 3rd with 693.

The three high point individuals were members of the Childress team: 1st, Douglas McKeever, 381; 2nd, Sherri Whitten, 359; and 3rd, Sandra Crabtree, 350.

A third contest, held for the first time this year, was range and plant judging.

First place went to the Samnorwood team with 856

points; 2nd Wellington, 771; and third to Miami which was participating in the Greenbelt contest for the first time.

Miami was not officially competing, but was using this for practice only, as Miami is not a member of the Greenbelt FFA district.

The school was invited to return to future contests.

High point individuals were 1st, Scot Martindale, 310 points; 2nd, Sandy Henard, Samnorwood, 294; and 3rd, Ronnie Ward, Wellington, 275.

After the judging, con-

testants, their sponsors and their guests were served a hamburger feed prepared and served by directors of Salt Fork SWCD. Dan Henard, Jr., Cary Don Neeley, Earl Patterson, Rudie Tate and Tommy Lewis. Clarence Wilbur helped with the hamburger feed. The contest was put on by the SWCD directors and the staff of the SCS office.

The first self-winding clock dates back to 1783. The patents for it was awarded to Benjamin Hanks of Litchfield, Ct.

NOW'S THE TIME TO CALL YOUR AIR CONDITIONING SERVICEMAN

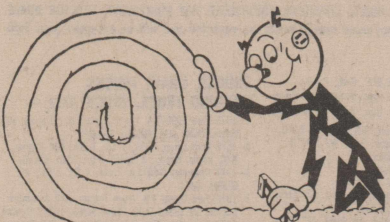

(Get a checkup before the heat's on.)

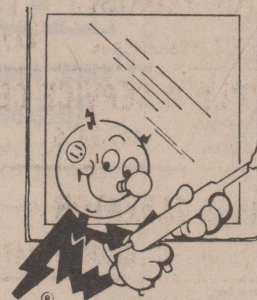

Right now your air conditioning serviceman can easily work your call into his schedule and get your unit ready to deliver dependable cooling through the summer ahead. We know that many people wait until the heat's on to install electric air conditioning or have their units serviced. Later on, your dealer or serviceman may have a waiting list.

PROPER INSULATION... Keeps in the Cool Air You've Paid For

Insulation comes in rolls, loose-fill or batts. Insulation is labeled with a R value showing its ability to resist heat. The better its insulating value, the higher the number. R values up to R 30 in the ceiling and R 18 in the walls are recommended for this area.

Check Caulking and Weatherstripping!

Check all windows and doors, install weatherstripping and caulking where needed. It will save on both heating and cooling costs. 1944 Quail Graduates Plan 40th Anniversary Reunion

The Quail High School Class of 1944 will celebrate the 40th anniversary of its graduation Saturday, April 21, in the Heritage Room of Wellington State Bank.

Reunion hours will be 1 to 4 p.m.

Jo Farmer Carson heads the arrangements committee and those helping her are class members still living in the area: Pauline Boyles Bias, Opal Peggram

Camp, Ross O'Hair, Frank Coleman, and Bob Sessions.

This reunion is held in conjunction with the annual Quail Ex-Students reunion which will meet at 5 p.m. at the Quail Booster Club Building for visiting with the banquet to follow.

The class of 1944 had 43 members at one time, but this was during World War II and some of the boys volunteered into the armed

forces while still in high school. There are 37 listed as graduates, but some of these boys received diplomas after they had entered military service.

Mrs. Carson has heard from this group who plan to come to the reunion: Troy Gosnel of Graham, Elvie Robinson of El Paso, Johnny B. Neeley Handley of Sweetwater, Alpha Neeley Brock of Portales, N.M., Eugene Duggins East and Rexie Duggins Greer, both of Bridgeport, and Richard Gilbreth of Antonito, Color.

Mrs. Carson has heard from these class members who cannot come: Gene Harvey of Alaska, J.W. Emmert, Lorene Duckworth Adkins and Wauline Jones Speak, all living in California, Bill Dennis of Stamford, Alene Amerson Dollar of Denver, Colo.

Herman Moseley, still living in Wellington, was Quail high school principal in 1944 and plans to visit with the class; Noah Cunningham, now of Cleveland, was superintendent and Leitha Lowe Brownlow now of Amarillo was their typing teacher. Class sponsor was W.C. Barnett. Those working on the banquet have not heard from him since graduation.

"Any of those who attended the class but did not graduate is invited. Spouses are also invited," Mrs. Carson emphasized.

The mail fiddler crab has a huge front claw which he moves back and forth much like a fiddler moves his arm when playing a violin.

The system of weighing through balances was developed by the ancient Egyptians who used the method to weigh grain.

TWIN CALVES

The mother of these twin bull calves belongs to L.A. Davis, but grandson Gary Don Davis, 10, claims them all. The mother cow is about 9 years old, the calves were born three weeks ago. Gary Don is the son of Mr. and Mrs. Danny Davis.

COLLINGSWORTH COUNTY AGENT REPORT

by DON REEVES

INSECTICIDE EAR TAGS

Ear tags containing synthetic pyrethroid insecticides do a good job in controlling horn and ear ticks in cattle, and more and more cattlemen are using them.

These specially treated ear tags generally give good fly control throughout the spring and summer season. They can be used safely on cattle and calves, including lactating dairy animals.

Considering their convenience and long-lasting control of flies, ear tags are relatively inexpensive when compared to penning cattle and spraying them with an insecticide two or three times during the fly season.

Despite the effectiveness of these ear tags, some cases of horn fly resistance

to pyrethroid insecticides had been suspected. To avoid this possibility of increased resistant development for the upcoming fly season, several steps can be taken:

-Use tags on all animals according to label directions.

-Don't put ear tags on until shortly before fly season starts.

This is usually about April or May for most of Texas. Tagging time will correspond with the working of cattle in the spring.

-Always remove old ear tags when retagging cattle in the spring.

-Use alternate fly control methods from year to year, such as ear tags treated with insecticides which have a

Council Meets to Canvass City Election

Wellington City Council held a called meeting Monday, April 9, to canvass the April 7 city election.

No mistakes were found, and council members passed a resolution accepting the results.

None of the four councilmen seeking re-election had an opponent.

V.D. Hutchins who lives in northwest Wellington came before the council to ask that an old boxcar and items in it which were recently moved onto a lot across the street from the Hutchins home, be removed.

City Manager Glen Taylor said he would look into the situation.

Present at the meeting were Mayor Ralph Owens; councilmen Lyndon Crella, Willie Gragson, Sam McGill, Gary Brewer and Milburn Derryberry, City Manager Taylor, Nell McKinney, city secretary, and Hutchins.

different mode of action, forced-used dust bags or traditional sprays with alternate type insecticides.

Several different types of insecticide-treated ear tags are available to cattlemen and all do a good job in controlling flies. If you haven't used them in the past, this might be a good year to give them a try.

Whichever method you use, fly and ear tick control is important on cattle because it improves the animal's thrift, vigor, and performance.

The deer family includes about 60 species, ranging in size from the hugh Alaska Moose down to the Chilean pudu, which is almost as small as a rabbit.

Dodson News

By Wanda Hightower Cardwell

Dodson received one inch of moisture Friday evening and Saturday. Arnice Lewis, who farms land north of Dodson, reports 1.25 inch.

If any of you are hungry for fish, you need to see Kenneth and Winona Hudson. Kenneth caught a catfish at Lake Texoma on Beckham Creek that weighed 20 pounds on March 15.

Mr. and Mrs. Wallace Castle of Altus were guests of Mr. and Mrs. Kenneth Hudson Sunday.

Guests of Ruth and Herman Ward last week and weekend were Mrs. Ward's two sisters and her brother, Mrs. Deed Peckum of Albuquerque, N.M., Mrs. Ida Rutz of Amarillo and Charles Holdeman of Wheeler, and her niece, Mrs. Texann Scott of Louisiana.

Other guests in the Ward home were Mr. Ward's sister and her husband, Mr. and Mrs. Floyd Johnson of Pampa, also a friend, Mrs. Nellie Horton of Wheeler.

Gene and Ross Swift went to Aspermont Saturday to see their grandson, Jay Warrick, who participated in the track meet.

The Dodson City Election was held on Saturday. Julian Castillo, Olan Farris and Rayburn Hightower were re-elected to the City Council.

The 1934 Class of Dodson High School is planning a big day Saturday, April 21. Their activities for the day will begin with a brunch at 9 a.m. at Dodson Cafe. Members of the class who have confirmed their attendance at the brunch are Mable Clements, James Covey, Jack Miller, Ulnor Hart, Walter Camp and Albert Hudson.

Other class members who are expected are Bill Jarrell, Duane Wolf, Mildred Bennett and Ione Shanks.

Dovie Golden is one member of the class who has not been located. Walter

Fred Hill, another class member, is deceased. Guests of the 1934 class who plan to attend the brunch are Inez Clement, Mrs. James Covey, Mrs. Walter Camp, Mrs. Jack Miller, Mrs. Robbie Hart and Mrs. Albert Hudson.

Other than those still living in Dodson, Exes who have said they will be here are Peck and Catherine Covey, Sammie and Lucille Covey Motesenbocker, Lorene Beavers Wolf, Winford and Aline Covey, J.B. and Louise Killian, Truitt and Mary Alice Holland, Frank and Juanita Brannum Garrett, Loren Lennon, Fat Johnson, Fred Patterson, Maxine Ford Richardson, Maxine Ford, James and Joanna Bowling Farris, Arnice and Inez Lewis, Laura Helen Ford Vandivere and Wayne and Mayrene Wynn Darnell.

Lynvel, Lameda, Leslie and Larrie Black, who recently moved from Dodson to Wellington, will have an Open House Tuesday, April 17, from 7 to 9 p.m. They are living at 906 Floydada St.

Andy Seigrist preached at the Church of Christ Sunday. He and Roy Ginn directed the hymns. Guests were Lillie Ann Rogers, Mrs. Sandra Wheeler, Andy Seigrist and the grandchildren of Mr. and Mrs. Ginn.

Rev. C.M. Huff preached Sunday at the Church of the Nazarene.

Mrs. Georgia Owens received the distinguished Service Award of the Church Sunday morning. She received a corsage at the pre-Sunday-School hour. She gave interesting information concerning the early days of the Church in Dodson.

The choir and congregation sang her favorite hymns, which included "What a Friend," "I'll Meet You In the Morning," "The Last Mile of the Way," and "Rock of Ages."

Carter SS Class Has Breakfast

The members of Carter Sunday School Class of 1st United Methodist Church were entertained with a breakfast Sunday morning, April 8, in the Fellowship hall.

A meal of Scotch eggs, hot biscuits and fruits were served to these guests, Rev. Kerry Hurst, of Gruver and Rev. and Mrs. Tom Thomson with Carig, Jennifer and Megan and Billie Owens, and these class members:

Wayne and Jean Cudd, Louise and R.L. Mabery, Wandell and O.V. Johnson, Esta Glenn, Betty and J.M. Orr, Janell and Millard Brown, Jr.,

Evelyn and Lynn Carter, Frances and Buster Hughs, Mary Nell and John Holton, Barbara and Earl Lynn Bartlett, Ernestine and Wayne Cummings, Susan Cummings, and Fred and Odessa Covey.

After the breakfast, the group attended their Sunday School class and the Sunday morning worship service.

Several visitors attended the service.

Mrs. Pauline Lemons and her daughter, Mary Davidson, visited relatives in Hugo, Okla., recently. Mrs. Lemons returned home with her daughter to Amarillo. Last weekend Mrs. Lemons and her daughter, Linda of Childress, and her grandson, David, visited the Davidsons in Amarillo.

The Dodson Nazarene World Missionary Society met Tuesday, April 10, at the Dodson Cafe, Ellen Holder presided.

In Elizabethan England the spoon was such a prized rarity that people carried their own spoons to banquets.

Levi Lewis Honored With Party on Fourth Birthday

Levi Lewis celebrated his fourth birthday on Sunday, April 1. The party was held in the Heritage Room with Levi's mother, Mrs. Jerry Lewis as hostess.

A Smurf theme was used and on his birthday cake was "Happy Smurfdays, Levi."

Party guests played the Smurf game "Pin the Tail on Azarel." Cake and ice cream were served to all Levi's party friends, everyone sang "Happy Birthday," then Levi opened his presents.

Smurf frisbees and Smurf coloring books were given as party favors to these guests:

COLLINGSWORTH COUNTY AGENT REPORT

by Nancy Janes

OSTEOPOROSIS

Recent publicity about osteoporosis has left many women with questions about calcium in their diets, says Nancy Janes, Collingsworth County Extension home economist.

Osteoporosis is a degenerative disease that involves an abnormal loss of bone tissue and is linked to more than 200,000 hip fractures to older women each year.

It is normal for women past age 35 to begin losing some bone at a slow rate, but osteoporosis speeds that loss. After years of bone loss, an older woman may develop a "dowager's hump" or have a reduction in height.

Health and nutrition specialists with Texas A&M University's Agricultural Extension Service say certain groups of women are thought to be more at risk of developing osteoporosis.

...Women between the ages of 45 and 70. Women who have had their ovaries removed at a young age or who are past menopause.

...Women with calcium deficient diets.

...Thin women, especially those of small stature.

...Women who smoke cigarettes, do not exercise, or who drink alcohol to excess.

...Caucasian women.

...Any woman with a history of osteoporosis in her family.

...Women who have never been pregnant.

Some factors cannot be controlled. But most women can do something about

diet, exercise, smoking and drinking habits that may prevent or slow osteoporosis.

The calcium intake for most women over 25 is 500 milligrams a day. Yet the recommended daily allowance is 800 milligrams and some researchers suggest that this should be increased to 1,200 to 1,500 milligrams after menopause.

Drinking three 8-ounce glasses of milk each day would provide the equivalent of 1,500 milligrams of calcium.

You can substitute other dairy products as yogurt or cheese. Leafy green vegetables, canned sardines and kidney beans are also good sources of calcium.

To prevent weight gain, select low-fat or non-fat dairy products on the market.

Exercise is equally important since reduced physical activity can hasten bone loss. Almost any form of exercise, and especially walking, can help. Healthy women should exercise regularly and as vigorously as possible to maintain their bone mass.

Once osteoporosis is diagnosed a physician may treat the disease in several ways. These include, increasing calcium and vitamin D intake, recommending an exercise program or prescribing certain drugs.

Any woman who thinks she has osteoporosis should see her doctor.

Garden Club Selects Sanford Home as Beauty Stop for March

The home of Mr. and Mrs. Jack Sanford, 1707 Ellison, was chosen as the Beauty Stop for March by the Wellington Garden Club. Announcement was made when the club met Wednesday, April 4, in the Heritage Room.

Ann Fires and Willie B. Harwell were hostesses.

Three pine trees were planted for Texas Arbor Day by Lorene Hill and Lorene Jenkins. These were purchased at the District Conference in Lubbock.

Mrs. Jenkins gave the program, "Let's beat the litter monster."

"Texas is a place of special beauty, from border to border, a sweeping landscape of forest and meadow, mountains and prairie," Mrs. Jenkins told the group.

"But its beauty is marred by the trail of the dreaded litter monster, with a little effort from each of us we can fight against the ugliness it spreads along our highways."

"Fires are started by still-burning cigarettes or by sun shining through discarded glass bottles," she continued.

"Every year, more than 100,000 Americans are injured in accidents caused by cars swerving to avoid trash on the road. Thousands of these people will die."

"It's a vital concern to every Texan and it's time to do something about it. Litter is one legacy we don't want to leave for future generations, but once it reaches our highways, litter stays with us a long time. That's why your State Department of Highways and Public Transportation wants to stop litter at the source by creating public awareness and by encouraging personal responsibility," Mrs. Jenkins continued.

In conclusion, she said

Mrs. Guy Bumpas returned home Sunday after visiting for about 10 days in Roswell, N.M. with her daughter, Mrs. Jo Ann McKenzie and family.

Mr. and Mrs. A.L. Kitchens have received word that his sister, Mrs. John McGill of Denver, Colo., underwent major surgery recently. She is now at home and recovering. Mrs. McGill is the former Lovera Kitchens and the family home is 1606 South Downing Street, Denver, Colo. 80210.

Susan Lowe Delaney and Sean of Williston, N.D. visited two weeks recently here with her parents, Mr. and Mrs. Bill Lowe, and brother, Mr. and Mrs. Andy Lowe of Amarillo.

that in 1982, Texas taxpayers spent more than \$17 million in an effort to clean up litter, nearly 60% more than was spent in 1979, and an average increase of about 20 percent.

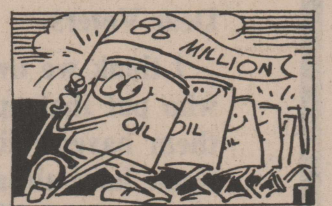

Afterward the club held a plant exchange and Mrs. Hill drew the door prize.

Mrs. Harwell read an article which incorporated old-time memories.

Mamie Terry, president, opened the business meeting, Marguerite Bartlett read the collect and roll call was answered with members telling garden tips.

Mrs. Terry then read "Rushed Spring."

Refreshments were served to Mrs. Bartlett, Mrs. Terry, Florence Caterlin, Florence DeArmond, Susie Crawford, Ruth Wyrick, Annie Caison, Mrs. Hill, Mrs. Jenkins, Beulla Clubb, Lois Ratliff, Ruby Harbin, Deloyce Savage, and the hostesses, Mrs. Fires and Mrs. Harwell.

That 86 million works out to a savings of about \$3 billion, estimates Combustion Engineering, Inc., a leader in energy technology worldwide.

Look at the Cost

State Comptroller Bob Bullock has an unpleasant habit of coming up with facts and figures that knock a lot of legislative plans into a cocked hat because in Texas our lawmakers have to be sure that the money is there or know where they will get it before legislation can be passed to spend it.

A number of spending proposals, based on the idea that Texas had a multi-million dollar surplus, had to be scrapped when Bullock issued a revised forecast of state finances, showing that Texas would not have much of a surplus and might have to find new sources or revenue in order to get by for the next biennium.

The Select Committee on Public Education, headed by H. Ross Perot and boosted by Governor Mark White, has come up with a number of plans for improving the status of public education in this state. The committee devoted their time to improving the program and let others worry about what it cost.

Well, Bob Bullock now says that Texans should be warned that the Perot recommendations are not going to be cheap and that if they want to adopt them, they are looking at a cost of more than \$19 billion over the next five years.

Major cost items among the dozen reforms recommended by the Perot committee were \$6 billion to reduce the size of elementary school classes and \$5.4 billion for a teacher's career ladder.

"Anybody who doesn't think education is number one in the Texas budget can look at these figures and think again," Bullock said, comparing the \$19 billion projection with today's \$15.5 billion budget for all state purposes.

Texans have been told that they would have to pay \$2.6 billion in state and local taxes in the first year to adopt the Perot reforms. But they need to know the projected cost over several years.

The price tag on the Perot proposals for five years is as follows:

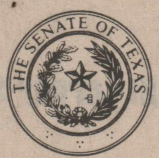

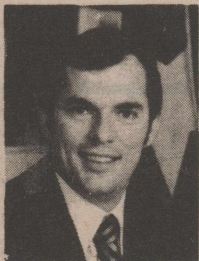

Lengthen school year to 185 days, \$558 million; Extend school day by two hours, \$1.9 billion; Full day kindergarten for 4 year olds, \$1.9 billion; Reduce class size grades 1-5 to 15 students, \$6.02 billion; Annual testing \$39 million; Pre-kindergarten for 4-year-olds, \$2.66 billion; 6 year textbook cycle, \$117 million; Parenthood education, \$4.9 million; Career ladder teacher compensation, \$5.4 billion; Stipends for upgrading teachers, \$3.5 million.

Now the people of Texas have seen the package and the cost of it. They must decide how much of it they want to buy.

Harold Hudson in The Perryton Herald

Senator Bill Sarpalius

Reports

AUSTIN — We are likely to see some important changes in the state's educational system in the near future. There are many who feel that the Texas system is in need of an overhaul and some who think that a radical departure from the current system would be beneficial. Over the last few weeks we have compared the Texas and U.S. systems to the educational efforts in other countries. During the next several weeks we will look closely at the recommendations of the Governor's Select Committee on Education and what its recommendations are for improving the state's educational

efforts. In some instances, we will attempt to analyze the program changes being recommended and comment on those proposals. The first area we should scrutinize is vocational education, which is taking a good portion of the criticism which has been leveled by the committee. The committee feels that vocational training should be sharply curtailed and monies now being used for these programs expended on the classical academic pursuits of students. Vocational training is a very necessary part of the education of young Texans.

THOMAS' ROLL CALL REPORT

Your Congressman's Votes Reported Each Week

WASHINGTON - Here's how area members of Congress were recorded on major roll call votes March 29 through April 4.

HOUSE

SPENDING By a vote of 288 for and 109 against, the House gave the Select Committee on Hunger a budget of \$449,250 for the remainder of 1984. This will cover salaries at an annual rate of \$32,000 for 15 professional staffers, as well as \$1,000 per member in travel expenses for domestic field hearings.

Members voting yes favored a \$449,250 budget for the Select Committee on Hunger.

Voting yes: Jack Hightower, D-13; Kika de la Garza, D-1

Voting no: Charles Stenholm, D-17.

Not voting: Kent Hance, D-19.

CREDIT CARDS The House passed, 355 for and 34 against, a bill (HR 5026) to prohibit merchants from charging extra for credit card purchases. This re-imposes a ban that had expired Feb. 27. The bill, which was sent to the Senate, outlaws credit card surcharges until June, 1985.

Members voting yes want to ban credit card surcharges.

Voting yes: Hightower, De la Garza.

Voting no: Stenholm.

Not voting: Hance.

SENATE

COMBAT The Senate rejected, 23 for and 72 against, an amendment requiring congressional approval before a president can send U.S. combat forces to El Salvador or Nicaragua. The measure sought to go beyond the War Powers Act, which delays congressional votes on the deployment of combat troops until at least 60 days after they have gone to war.

Senators voting yes favored prior congressional approval of any decision to send combat forces to El Salvador or Nicaragua.

Lloyd Bentsen, D, voted no. John Tower, R, voted no.

CHURCHWOMEN

By a vote of 54 for and 39 against, the Senate tabled (killed) an amendment to penalize the government of El Salvador for its failure to prosecute the case of four American churchwomen who were murdered there in December, 1980.

Senators voting yes opposed this method of resolving the case of the slain U.S. churchwomen.

Bentsen voted yes. Tower voted yes.

NICARAGUA The Senate rejected, 30 for and 61 against, an amendment to delete \$21 million earmarked for continuing the CIA-run "secret war" against the Sandinista regime in Nicaragua. The measure was offered to H Res 492 (above).

Senators voting yes were

opposed to U.S. backing of anti-Sandinista guerillas. Bentsen voted no. Tower voted no.

WASHINGTON - Constituents wondering where their House members stand on key budget issues such as taxation, military and social spending, and cutting the national deficit were presented with plenty of answers in floor voting that occurred late in the week ending April 6.

The House conducted a series of roll-call votes that shaped the congressional budget blueprint for fiscal 1985, which begins Oct. 1, and later years. Although the master plan is non-binding it will directly influence spending and taxation decisions made by individual committees and the full House during the remainder of 1984 and beyond.

In fiscal terms, the House here are capsule descriptions of four key budget votes, along with the yeas and nays cast by area House members:

JONES By a vote of 250 for and 168 against, the House approved and sent to the Senate the budget blueprint (H Con Res 280) favored by the Democratic leadership and introduced by Budget Committee Chairman Jim Jones, D-Okla.

Voting yes: Jack Hightower, D-13; Kika De la Garza, D-15; Charles Stenholm, D-17.

Not voting: Kent Hance, D-19.

LATTA The House rejected, 107 for and 311 against, the GOP budget plan introduced by Rep. Delbert Latta, R-Ohio, and favored by the White House. Its cut in the rate of growth for defense spending was less than half that of the Jones plan, and its domestic spending cut was at least sevenfold that of the Jones budget. Totals in the Latta and Jones plans were roughly the same with respect to tax hikes, deficit projections and overall outlays.

Voting yes: Hightower, De la Garza, Stenholm.

Not voting: Hance.

McHUGH The House rejected, 132 for and 284 against, the Democratic Study Group budget offered by Rep. Matthew McHugh, D-N.Y. Sponsored mostly by liberals, it called for reducing the deficit by \$261.5 billion over three years. That figure dwarfed the Jones and Latta deficit cuts and was to have been achieved largely by massive reductions in defense spending and much higher taxes than Jones and Latta proposed. Much of the tax revenue was to have been gained by repealing parts of President Reagan's supply-side tax program.

Voting yes: Hightower, De la Garza, Stenholm.

Not voting: Hance.

MacKAY By a vote of 108 for and 310 against, the House rejected a budget plan sponsored by Florida Democrats Buddy MacKay and Bill Nelson. It allowed spending for defense, social programs and other non-entitlement categories to rise only at the rate of inflation.

School Board Zaps Most of Perot's Recommendations

Wellington School Board took a look at the most controversial changes proposed by H. Ross Perot's Select Committee on Public Education and disagreed with most of the proposals.

The board voted on several of the proposals at regular board meeting Monday, April 9. On two issues, competency testing for teachers and responsibility for evaluation of teachers being shared by

administrators and other teachers, the polling left tie votes.

On the other issues discussed Monday, which were just a few of the proposals made by the Select Committee, a majority of the board agreed although there was dissent by at least one board member on several issues.

The board submitted the following recommendations to a statewide poll:

1. Favor an elected State Board of Education.
2. Favor the UIL as presently structured.
3. Oppose mandating Board Member Training.
4. Oppose removal of special state financial support for vocational courses.
5. Oppose full day kindergarten and pre-kindergarten for children age 4.
6. Approve annual achievement tests with 100% state funding.
7. Oppose extended school day and extended school year.
8. Oppose abandonment of current personnel unit system or salary schedule as mechanisms for delivering state dollars to school districts.
9. Oppose common calendar with starting of school after Labor Day.
10. Oppose vesting consolidation determination solely with the Texas Education Agency.

In another matter before

the school board, the board postponed a decision on whether or not to join the county in buying lots at Sheriff's sales. The state district judge has ruled that lots cannot be sold to private party for less than the amount of taxes against the property. However, one of the taxing entities involved, or the taxing entities together can buy the lots for nominal fee and re-sell them. The county has proposed joint purchases by the taxing entities.

The board also canvassed the recent election and swore in re-elected members Kirby Campbell and John Barton. Campbell was re-elected board president, Barton was re-elected vice president, and Carroll Nunnolley was re-elected secretary.

Present were board members Dan Langford, Frances Schmidt, Reed Souder, John Barton, Kirby Campbell and Carroll Nunnolley. Bill Spillman was absent.

Texas Child Abuse Prevention Week

Texas Governor Mark White has proclaimed the month of April "Child Abuse Prevention Month," with special emphasis on April 8-14 to promote community awareness on this serious problem.

The Texas Council of Child Welfare Boards and County Child Welfare Boards are co-operating.

Members of the Collingsworth County board are Bill Spillman, Charlene Poteet, Bob Allen, Helen Pryor, John R. Henard, Jr., Joe F. Knoll, Bill Lowe, Dudley Coleman and Judge Zook Thomas.

"Child abuse and neglect is a complex problem which may be transmitted from one generation to the next," Gov. White noted in his official memorandum.

"The most successful

prevention and treatment of child abuse is provided before a child is seriously or permanently harmed.

"Preventative and corrective measures provide the child's parents with the strength to make the child's own home a safe and healthy environment," Gov. White continued.

Dear Voters:

I think we owe at least a card of thanks to those folks who put that open letter in the paper last week. Most of them haven't lived here in something like thirty years. Some have already retired and I doubt if any of them ever will make Collingsworth County their home again. Yet they spent their time and money just to help their county cousins vote in this little local election. I'll bet last year's cotton sack against a quarter that two thirds of them don't know both candidates.

I'm not trying to get voters for either man because I'm not that smart. Usually I'm for the loser before the term is over. As Dad used to say, "Advice is to give, not to take. Most time it's worth about what it cost."

TO THE PEOPLE OF COLLINGSWORTH COUNTY

We the employees of the Sheriff's Department wish to express our appreciation for the outstanding job Kenneth Maxwell has done as Sheriff of Collingsworth County.

Sheriff Kenneth Maxwell has demonstrated an ability to quickly analyze and solve complex problems with sound judgement; creativity and resourcefulness. His high standards and unmitigating pride have been the driving force which enabled this department to distinguish itself in all activities in which it has participated. Sheriff Kenneth Maxwell has organized a reserve force for the sole purpose to help the people of this county. He has 4 wheel drive vehicles on standby to evacuate personnel who live in off the highway home. He also has a patrol car in the school zone daily. All personnel who work for Kenneth Maxwell know their mission is to protect and prevent the loss of cherished item which you have and are to be passed down to your children.

Sheriff Kenneth Maxwell's job performance has far exceeded the level expected of him as sheriff. His character, professionalism, integrity and loyalty have gained him the respect and admiration of both his subordinates and the public. His excellent leadership ability has proven to be of immeasurable value to this county in meeting the many complex leadership challenges and administrative problems affecting Collingsworth County today.

We the employees of the Sheriff's Department also know that some people are against Kenneth Maxwell for Sheriff because he has impartially enforced the law without regard for position or kinship of the offender. That's his job. But we cannot believe that the responsible people of our county will fail to vote for Kenneth Maxwell for Sheriff.

It is without reservation that we the employees of the Sheriff's Department strongly endorse his candidacy for County Sheriff of Collingsworth County.

Election Turnout Exceeds Prediction

A larger vote than was expected turned out for the city, school and hospital board elections held Saturday, April 7.

A write-in campaign developed in the Samnorwood School board election, but the write-in candidate did not receive enough votes to win a place.

The four incumbents were returned to the Hedley school board. There were two other candidates.

HOSPITAL BOARD

The four candidates for re-election to Collingsworth General Hospital Board were:

Loretta Wright received a total of 244 votes. Her count by boxes was Wellington 95; Dodson 17, Samnorwood 116; and Quail 16.

Willie Faye Patrick total 237; boxes: Well. 93, Dod.

17, Nwd. 112; Quail 15. Emory Ewing: total 235; Well. 96; Dod. 17; Nwd 106; Quail 16.

Robert Owens, total 233; Well. 90; Dod. 17, Nwd. 111; Quail 15.

CITY COUNCIL

No places were contested in the Wellington city council race.

Lyndon Crelia received 74 votes; Gary Brewer 73, Willie Gragson 71, all for regular two year terms.

Running for the one-year unexpired term, Milburn Derryberry received 67 votes.

Eighty-two votes were cast.

WELLINGTON SCHOOL

The two candidates for re-election to the Wellington School board were unopposed.

John Barton received a total of 113 votes and Kirby

Campbell had 104 votes in the combined Wellington and Dodson voting boxes.

Campbell received 89 votes at Wellington and 15 at Dodson; Barton had 97 votes in Wellington and 16 in Dodson.

SAMNORWOOD SCHOOL

A write-in campaign developed in the Samnorwood school trustee election, with Joel Rainey receiving 39 votes. This was not enough to elect him.

Six others received one vote each.

Gary Wright, seeking a one-year term, received 111 votes; Jimmie Tarver, candidate for a two-year term, polled 110 votes; Guy

Brandvik, running for re-election for a three-year term, got 96 votes.

Doug Darrow and Doug Seale each received 91 votes for three year terms, in

which they were seeking to succeed two board members who did not run for re-election.

The election was canvassed in the regular board meeting Monday night.

HEDLEY SCHOOL BOARD

The four incumbents were returned to office in the Hedley School Board election.

Ben Carson polled 141 votes; Cheryl Wiggins 125; Bob White 114 and Henry Stephens 95.

The other two candidates were Kay Talley, 76 votes and Kenneth Word 67.

There is one unexpired term on the board, and the four successful candidates will draw to determine who will fill this one-year term. The other three will fill regular three-year terms. A total of 190 votes were cast.

in the evening had a 12 course Cantonese dinner. We were served such things as crow with its head and feet still on, also frog soup, bird nest soup, and a whole roasted pig with the eyes, tail and snout, and many others.

We traveled back to Hong Kong by train. Again, we were guarded and searched and inventory taken before we were allowed to leave. If you lost any jewelry and did not report it immediately, they could keep you indefinitely. As we were leaving, we rode through rice paddies.

Back in Hong Kong, we were entertained with a farwell Orient cocktail reception and the Colonial Ball banquet suitable for even the legendary Tai Pans of Hong Kong's past. The Children's choir and the Royal Hong Kong Police Band provided entertainment and an orchestra provided music for dinner and dancing.

A typhoon was coming in as we started for the airport on Oct. 13. Ten typhoon signals are hoisted as these storms of the Far East approach land. No. 3 was going up and flights were being cancelled. Our flight was delayed an hour. As we taxied down the runway, the 8th signal was hoisted. Our other group left 3 hours later, the last flight out, as the 10th signal was being hoisted.

Jr. High Track Team to District

Wellington teams will compete in the Junior high District 2-2A track meet in Shamrock Tuesday, April 17, Coach Tom Johnson has announced.

The 8th grade 400 meter relay team probably has the fastest time so far in the district, he said.

Additionally, the mile relay team is among the best two or three in the district.

Wellington, Memphis and Panhandle should be in contention for the district championship, Johnson believes.

Members of the 8th grade team and their events, as they are tentatively assigned, include:

400 and 1600 meter relays:

James McIntosh, Tony Leamon, Alex Johnson and Arthur Pennon. They will also be in individual events. McIntosh will be in the

At the International date line, we regained the day we had lost.

We found the money exchange rate interesting. On the day we reached Los Angeles, the rate was \$8.30 Hong Kong dollars to \$1 American. It changed hourly.

Hong Kong is advertised as one of the most exciting cities on earth. It is picturesque, its harbor, porting hundreds of ocean liners, junks and sampans beneath a montage of modern high rise buildings, shadowing revered Buddhist shrines. We learned that in Hong Kong families are limited to two children; in Red China only one, and strict rules and penalties enforce this. The leaders of the nation intend to reduce their population by 800 million by the year 2000. In Hong Kong there is no welfare, social security or pension plans. If you don't work, you don't eat. Old people are taken care of by their family.

This trip was an experience of a lifetime, but we do truly appreciate our country a lot more than we did. We take a lot for granted that we should stop and thank the Lord for. One thing is our freedom, which by our standards China does not have. To them, they are free.

100 meter dash; Leamon and Pennon in the 400 dash; Johnson and James Reynolds 200 dash; Daryon Brown, hurdles; Shawn Cobb, 400 dash; Danny Davis, mile run; Raul Torrez shot put and discus; Marvin Brown, shot put;

Wes Anders and George Reynolds, discus; McIntosh and Pennon, high jump; McIntosh, Johnson and Curtis Nash, long jump; Nash 100 and 200 dash; Tommy Joe Chambers, both hurdles.

Johnson said other assignments of boys and positions will be made between now and meet time.

Seventh grade athletes will also be in the Shamrock District meet.

In the 400 meter relay will be Marvin Lynch, Shane Black, Thomas Crytser and Carter Nash. The mile relay will include Kelly Forrester, Shane Black, Nash and Crytser.

Black will be in the hurdles, Crytser the 100 meter dash; Nash the 200 dash; Lynch the mile run and probably Forrester in the 400 dash.

Rex Henard will be in the 100 meter hurdles, Terrance Bookman the 300 meter hurdles, Kevin Kerlee and

Winged Rockets 2nd at Aspermont

Coach Carl Taylor's Winged Rockets won second place overall in the Aspermont invitational track meet Saturday, April 7 with 58 points.

The Hamlin team was first with 61 points and Munday was third with 53.

Wellington's sprint relay team was first with time of 44 flat, their best ever.

Jim Forrester 400 meter dash.

There probably will be other assignments before the district meet, Johnson added.

Members were Joe Bill Munn, James Benton, Kirby Pennon and Dwayne Culpepper.

Culpepper was third in the 100 meter dash at 10.9 and second in the 200 meter dash with a time of 22.4

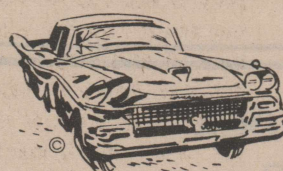

Pennons was 3rd in the High Hurdles with a time of 15.5.

Pennon and Munn tied for first in the high jump with a height of 6'2"

China Remains a World Apart

This is the second of two articles by Barbara Vines Parker telling of the trip she and her husband, James, took to China.

On Oct. 11, we arose very early to begin our trip to Canton and attended an orientation breakfast where we were given our special name tags, airline tickets, numbers and visas. Our numbers and name tags were to be worn at all times.

We were to sleep with them on us. We then departed the hotel for our overnight trip into China by chartered plane. The CAAC Airlines came into Hong Kong for us, as other airlines cannot fly into Canton.

Upon our arrival, we passed through a very, very strict customs and immigration inspection. They counted all jewelry and an inventory was made of

cameras, watches, etc.

All jewelry worn in had to be worn out. We could take only overnight bags. We were the only ones at the airport and men with machine guns guarded our plane.

We stepped off the plane into a world you wouldn't believe. A land of poverty that makes the U.S. A. look rich, and a land of bicycles for transportation.

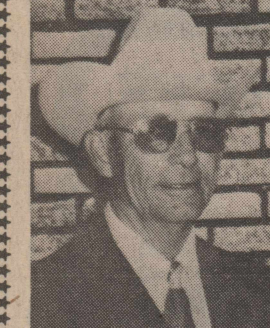

The only motorized vehicles were government vehicles. It takes a person 5 years to get a license to ride a bicycle, we were told. It costs two yen a year for the license.

We were taken sightseeing by motorcoach. Enroute, we saw a gold Pagoda and were served our first meal in the People's Republic of China at the White Swan Hotel, where we were to stay.

We toured a jade factory, the Friendship Store, where we were allowed to shop, saw open food markets and

WELLINGTON EX-STUDENTS

With the growing interest in the 1984 Wellington Ex-Students reunion, association officials are hearing more and more: "But I didn't know anything about the reunions. 'Why was I never contacted,' or 'Why didn't I get a notice.'"

"Much of the time it was because we had never received that ex-student's name and address," says Louise Lancaster Peters, secretary.

"This is often an ex-student who did not graduate here, although the persons may have spent almost all the school years in Wellington."

It is emphasized that the ex-students reunion is for everyone who ever went to school here, as well as for the former teachers.

"If you know of a former student who did not graduate, but whom you believe would be interested in being placed on our mailing list, with correct address, let us know."

"If you are one of these unlisted ex-students, send us your name and address, and the class you wish to be identified with," Mrs. Peters urged.

Fifteen classes will be involved in the class reunions at the Ex-Students reunion.

These will cover both Friday and Saturday, Aug. 3-4.

Here is a list of class reunions with contact person or chairman. More detailed information will be in the upcoming Ex-Student newsletter.

1928-29 - (55th anniversary for 1929) Aug. 4 Luncheon, Thelma Masten Curry.

1932-33-34 (50th anniversary) Friday evening, Aug. 3 Corky Cudd Bowen.

1944 - Friday evening, Aug. 3, Betty Godbey Tipton, Route 1 Quail and Louis Graham.

1946 - Friday evening, Saturday. Morene Amerson Childers, David Baumgardner.

1954 - (30th anniversary) Saturday. Donald Green, Edmond, Okla., Delores Ward Patterson, Genevieve Bartlett Patterson.

1959 - (25th anniversary) Friday evening, Charlesreen Motsenbocker Bolton, Johnny Nash.

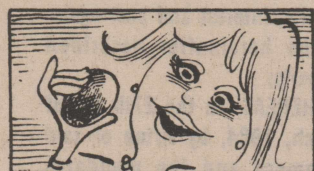

1964 - (20th anniversary) Friday night, Saturday noon, Anne Henard Langford.

1969 - Friday night, Connie Hughes Feemster.

1974 - Friday, Aug. 3, Dickie Johnson, Cheryl Spillman Tarver.

1979 - Saturday night, Aug. 4, Darla Seitz Riley.

PUBLIC NOTICE

CUSTOMER NOTIFICATION HIGH NITRATE

Dear Dodson Water Customer:

The City of Dodson, Texas has been notified by the Texas Department of Health that the water being supplied by our system exceeds the maximum consistent level for Nitrate specified by the Department's "Drinking Water Standards" which were promulgated as required by the "Safe Drinking Water Act"; Public Law 93-523 (U.S.)

The limit is set at 10 milligrams of Nitrate (as nitrogen) per liter of water. The amount of Nitrate (as nitrogen) in the water we supply was reported to be 14.0 mg/l milligrams per liter.

Adults and children over the age of 6 months need not be concerned about drinking water from the tap. An excess Nitrate intake by an infant under the age of 6 months may reduce its available oxygen supply and possibly produce "blue baby" symptoms. Parents are advised to find other sources of drinking water, such as bottled water, for their infants under 6 months of age. All doctors and hospitals in the area have been notified of this situation.

PLEASE BE ADVISED THAT BOILING YOUR WATER WILL NOT REMOVE NITRATE. EXCESSIVE BOILING WILL ACTUALLY INCREASE ITS CONCENTRATION.

The City of Dodson, Texas has applied to the Texas Department of Health for an exemption from the Nitrate

requirement while we search for alternate sources of supply and investigate available treatment techniques which would lower the Nitrate to an acceptable level. In the meantime, please follow the precautions mentioned.

I Saw...

by Virginia Robey

The W. R. Breedings, who went to Harlingen Christmas, are back and were telling of the weather. On one of our cooler days recently, they had 106 degree weather—it broke the record. Plants, so heavily damaged during the mid-winter freeze, are beginning to green up, they said.

Another Samnorwood couple has gone to the Gulf Coast area, but more permanently. John and Myrtle Stages are living at Rockport. When the Ashplant at Shamrock closed, John, who had worked there a good many years, chose to remain with Ashland and transferred to its plant at Aransas Pass.

VFW-Auxiliary Social Slated

The V.F.W. and Auxiliary social is April 17 at 7:30 p.m. at the Post Home. All members and their families are invited to attend and bring a covered dish. "Enjoy the good food and fellowship," say the hosts, who are Jack and Mary Sanford, Gene and Mary Morrow and Don and Laverne Jones.

CJC Presents Butterfly on April 16

"The Butterfly," the drama Clarendon College presented for both Wellington and Samnorwood Schools, will make its final appearance on its home stage Monday, April 16. Curtain time is 8 p.m. at the Clarendon College Theatre. Leslie Schnauffer is director. Wellington's Lisa Hartman appears in the leading role of the Butterfly. "The Butterfly" is a wonderfully magical fairy tale of a beautiful butterfly, a handsome honeybee, a wicked spider, a fabulous fly, a lightning bug, a lady bug and two little beetles, and of course, a grasshopper," said Ms. Schnauffer.

May Arts-Crafts Show Will Benefit Satellite Center

May Spring Festival, an arts and craft show will be held Saturday and Sunday, May 5-6, to benefit Wellington Satellite Center, Toni Wright, director, announced.

The show will be in the National Guard Armory. Saturday hours will be 10 a.m. to 5 p.m. and Sunday 12:30 to 5.

Wellington and Panhandle area collectors, artists and craftsmen will exhibit such items as

paintings, ceramics, needlework, woodcraft, and handmade clothes for Barbie dolls.

Collectable will include coins, jewelry, guns, knives, and antiques. The deadline for pre-registration of exhibitors is Monday, April 23.

Exhibit space 8'x10' and two chairs are available at \$10 for one day and \$15 for two. Electric outlets and tables are available for an added charge.

Make Reservations for Quail Banquet

Donald Langley has reminded all former students of Quail school of the annual banquet and reunion to be held Saturday, April 21, in the Booster Club Building, the site of the old school.

Jackson to Head Rodeo Association

Billy Jackson was elected president of the Wellington Rodeo Association during the annual meeting held March 27.

He succeeds Jeff Langford.

Elected with Jackson were Eddie Joe Blacksher, vice president and Walter Clements, treasurer.

Brenda Ferguson was re-elected secretary. The group discussed plans for the annual rodeo to be held in late August.

A country and western dance was set for Saturday, April 28, at the National Guard Armory, with music by the Sniders. This is one of a series of dances being held through the year to help pay rodeo expenses.

Quanah Golf Tourney Set

Quanah Country Club will hold its Men's Lowball Partnership tournament Saturday and Sunday, May 5 and 6, with tee time 8 a.m. and 1:30 p.m. This will be on a first-serve basis and those wanting to play should call May 4 from 4 to 7, 817-663-2069.

Langley, treasurer of the ex-student's association, reminded that "anyone who has ever been associated with the Quail school is invited, whether he graduated there or not."

The banquet will begin at 7 p.m., but the building will be open at 5 p.m. for visiting.

Those planning to attend should make reservations no later than Monday, April 16 so the officers may have some idea of the number who will be at the banquet. However, those unable to make reservations, should come anyway.

"Tickets are \$7 each," said Langley, "and you pay for your tickets at the door."

Reservations should be sent to Avyrrilla White, Rt. 1, Box 122, Quail, Texas 79251 or Barbara Duncan, 1400 Childress St., Wellington, Texas 79095.

The meal will be catered by Hens and Fens of Lubbock. "You will be served chicken or fish, or both, and this is an 'all-you-can-eat; event,'" said Langley.

Mrs. White, president of the Quail Ex-Students this year, will be master of ceremonies.

Seven graduating classes are planning class reunions, and graduates of these classes are being contacted by those planning the various reunions. No invitations have been sent to those living locally, but anyone living away from here who is not contacted should come anyway, Langley pointed out.

Deadline for Employers SS Set April 30

April 30 is the deadline for employers who must report on Social Security and withheld federal income taxes for the first quarter of 1984. If the quarterly tax due (less any deposit made during the quarter) is \$500 or more, the unpaid tax must be deposited.

This deadline does not apply to employers who make timely deposits of the full amount of tax due in Federal Reserve or approved commercial banks.

1954: Jimmy Langford of Wellington and Wayne Lacy of Huntsville.

Each exhibitor is asked to give an item which will be used in the hourly giveaways.

The Wellington Satellite Center is a non-profit organization providing mentally retarded adults with vocational training," said Toni Wright, director.

"We are partially state funded and partly funded through the local projects. The funds from the art show will be used to pay utility bills at the center."

These classes and the people in charge are:

Annual Cub Scout Circus on April 19

The annual Cub Scout Circus will be held Thursday, April 19, at the National Guard Armory from 6 to 9 p.m.

Admission will be 25 cents at the door.

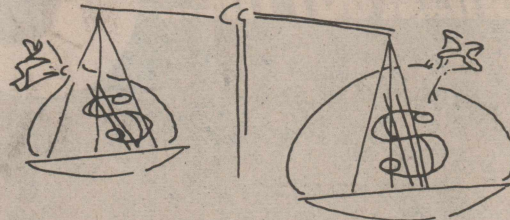

Two stuffed animals will be given away during the circus.

There will be lots of games and food plus a side show performed by the Cub Scouts themselves.

"Bring the family and enjoy an evening of fun, games and food," says the Cubs.

Not all species of fireflies produce light.

The first woman to serve as a state senator was Martha Hughes Cannon, elected in Utah in 1896.

All IRA's are not created equally

Every financial institution's IRA starts with the same basic idea—putting away dollars for retirement. All let you reduce your taxable income by up to \$2,000. And all let your money grow tax-deferred—no taxes until you begin receiving the funds. There the similarities end. Let me show you an IRA that stands head and shoulders above the rest. The Flexible Premium No-Load II annuity from Jackson National Life of Texas can offer:

- One of the highest interest rates available
- Current interest guaranteed through the end of the calendar year
- No sales charge
- A guaranteed lifetime retirement income
