'Everybody Benefits From Beautification Meeting'

BANQUET DECORATORS - - Unknown to these students in Mrs. Opal Little's Sixth Grade Class at Siebert Elementary School, was the fact that their Public School Week Patriotic Projects would also serve as table - top decorations at the Beautify Texas Council's meeting at Lone Cedar Country Club Thursday, and the students can take great pride in knowing that their contributions to the event were greatly appreciated and were among the top hit of the event, which was attended by people from throughout the state.

OLD FRIENDS UNITE Mr. And Mrs. Maurice Acers And Mrs. Marene Johnson Johnson

Mrs. Joseph Perkins And BTC President Don Wright

4 Honored At Eastland

Upwards of 300 people were inspired and motivated to put forth that extra effort, and four local women were honored for their contributions over the years to improving the quality of life, during two special days in Eastland County this week.

The event began Wednesday when Human-Dynamo Maurice Acers was guest speaker for the Civic League and Garden Club and presented certificates of recognition and achievement to Mrs. Jim Horton and Mrs. Austin McCloud.

Continuing Thursday, the Beautify Texas Council held the second of its five grass-roots seminars, with a morning coffee at the Women's Club and a luncheon at Lone Cedar Country Club were BTC President Don Wright presented certificates of recognition to Mrs. Marene Johnson-Johnson and Mrs. Joseph Perkins, for local, state and national contribution to the auality of life.

Delegations from throughout the 44-County Zone Six were on hand to hear top speakers and experts in many fields tell of the successes and advantages of working toward beautification. One of the most-often heard comment was the actual "dollars and cents" benefits of creating a more beautiful environment and improving the quality of life.

Mrs. Bill Leslie, president, presided at the Wednesday luncheon meeting of the Civic League where Mrs. McCloud, district Beautify Texas Council Governor, introduced Mr. Acers.

"I've come to praise Caesar," hesaid: "Caesar Lillian Horton, Caesar Emily Perkins, Caesar Marene Johnson-Johnson, Caesar Mary Ann McCloud, the Thursday Afternoon Club, the Civic League and Garden Club, and all the people of Eastland." Reviewing the 1974 successes in which Eastland was named a top winner in the state beautification effort, he pointed out that this was accomplished by all working together.

"Pride begats pride," he said. "What you did here helped Texas win all honors and sweep every catagories as it was named Keep American Beautiful winners. You people contributed to that."

Mr. Acers challenged Eastlanders to continue in their efforts because goals are being attained, litter is being reduced and progress is being made.

He especially singled out Mrs. Johnson-Johnson for praise, noting that their friendship goes back "many years" in which they've worked on worthwhile projects including United Fund and other humanitarian projects.

Thursday at the Women's Club Coffee Seminar Bill Colgrove, Dow Chemical Co. executive, reviewed the history of BTC, noting that it began in 1967 in preparation for the 1968 Hemisfair held in San Antonio. He told of all the firms and individuals who have pooled their efforts over the years to help earn top awards for Texas. He introduced Beautify Texas Council Presidesnt Don Wright who expalined the dollaars and cents sense of beautification. He complimented the Eastland effort and challenged better things for the future.

Ron Josselet of the Parks and Wildlife Dept. told of that agencies efforts and available help in establishing biking and hikingtrails, and a great deal of Eastland interest was evident, indicating that several may explore the possibility of checking with the department for guidance in establishing such facilities here.

Gov. McCloud then called on governors from the other districts to give reports of their successes and the some 100 in attendance heard from Vernon, Breckenridge, and an empassioned pleas from Hilton Howell of Waco, who closed the session on a most dynamic note urging an eager effort for beautification.

Motor-cading from the Women's Club to Lone Cedar, lead by Police Chief John Morren, the visitors and locals found a beautifully decorated hall and were served a banquet meal prior to hearing and seeing a most impressive film presentation by Tom Taylor, head of the state's Tourism Department. State Rep. Joe Hannaed Mr. Taylor, who later reported that "Texas Highways" will do a feature on the stamp mural.

The presentation showed what the Highway Dept. does and has done to encourage tourism. Plantings beside highways are not just a beautiful sight, but they are a real safety factor, he said. Most Texas tourism is by private auto, so the Highway Department has a most advantageous position in welcoming visitors and is do a pace-setting job. Most other states are patterning after Texas in highway beautification and roadside park facilities, he expalined.

Eastland merchants filled a souvenir bag and gave door prizes to visitors.

Among the dignitariesent were State Sen. Tom Creighton: Mary Kittel of Fort Worth, immediate past president of the National Council of State Garden Clubs; Beautify Texas Council Secretary Mary Ellen Shoop; BTC vice president Ann Buckner of Jacksonville; VP Ruth Strong of Longview Landscape Architect Craig Steffens of Austin; John Armistead, Texas Highway Dept.; Dist. Gov. Hilton Howell of Waco; Dist. Gov. Guy White; and Jeff Donaldson, travel development, Highway Dept.

Enthusiasm was rampant as visitors and locals shared idead and plans for projects, and a great number were joining the Beautify Texas Council to receive their mailings and be a part of the non-profit effort.

The award presented Mrs. Horton and Mrs. McCloud read:

"The Beautify Texas Council awards this certificate of recognition and achievement for contributing to theion and improvement in the quality of living in Eastland by devoting freely and unselfishly of time and energy toward making life more rewarding and pleasing in this community.

Mrs. Jim Horton, Acers, Mrs. Austin McCloud

Tid Bits by HVO

Dear Editor:

I want to thank you and the people of Eastland for the wonderful hospitality and many courtesies extended to all the participants of the Beautify Texas Council Zone 6 meeting.

Our members came from a broad area of the state and I feel their hearts were warmed and their spirits lifted by the reception they received.

I am very proud of the spirit of this town and so very grateful to have the privilege to live here.

Sincerely,
Mary Anne McCloud
District Governor
Beautify Texas Council

'THE ORCHID CORSAGE CAPER' or "It Cound Only Happen in Eastland". A number of Eastlanders decided that public thanks were in order to Mary Ann McCloud for her leadership in staging the Beautify Texas Council meeting here, and ordered a dozen roses to be secretly delivered to Lone Cedar Country Club, for presentation at the end of the event. Delivery got mixed and Club Manager Mrs. Culpepper could only shake her head and report that there was one orchid corsage in the frig, so during the main speech, Tidbits (only slightly panicked) slipped to the box, brought out the cellophane - wrapped orchid, and made the presentation, much to the surprise of Mrs. Mc and much to the pleasure of all Eastlanders who knew how hard she'd worked.

Afterwards it came out like this: Martha Graves of Cisco had worn the corsage, saw that there were no others, and at the club decided to just put it back into the sack and into the frig. "I certainly don't mind Mary Ann having it, but it's been worn, and the club women of Cisco gave it to me and I've got to have it or one like it for tonight. And we'd want to get Mary Ann a fresh one."

Mrs. Mc. could have said, but she didn't because she is a gracious lady,: "I'd have known that corsage anywhere. I've been with it all week." (It had been to the Wednesday Civic League luncheon, and to the coffee early Thursday.)

And so red - faced Tidbits confessed all to a most understanding Martha and Mrs. Mc., who later in the day did indeed receive her roses. Moral surely is: honesty is the best policy, and never has one corsage had so much good mileage.

Eastland High School science instructor Bill Boles and students Terry Bradley, Wayne Mercer, Clark Thompson and Mark Thompson, will be among the top science students and their teachers from Fort Worth area high schools who will attend Southwestern Bell Telephone Company's annual Science Recognition Day Program at the Hilton Inn, Downtown, Tuesday, March 16, at 4:30 p.m.

In keeping with the Bicentennial, Southwestern Bell Science Demonstrator Glenn Scott will take a brief look into our nation's past, and also give the audience a sneak preview of telecommunications equipment and techniques of the future in his talk "Of Milestones and Mice...and Fibers of the Future".

The year 1976 is significant, not only as the nation's two hundredth birthday, but it also marks the one hundredth anniversary of the invention of the telephone and the fiftieth year of Bell Laboratories.

The after dinner speaker will be Dr. Charles Aloisio Jr., supervisor of Bell Labs, Materials Engineering and Chemistry Department in Atlanta, Georgia.

County Livestock Show Gets Underway Thursday

Plans are being completed for next week's Eastland County Livestock Show. The show gets underway Thursday, March 18, and continues through Saturday, March 20.

John Kidd, President of the Eastland County Livestock Raisers Association, says all animals, except Rabbits must be entered on Thursday before 10:00 p.m. Steers, Hogs and Lambs will be weighed Thursday. Rabbits must be entered by noon on Friday.

The Association officers and directors plan and conduct the annual livestock show for the benefit of 4- H and FFA Youth of Eastland County. Premiums for the winners are provided by individuals and business people who purchase ads in the stock show catalogue.

This year's stock show catalogue is dedicated to the late Waverly Massengale, a long time supporter of the County livestock show and the youth of Eastland County. The catalogue came off the press about a month ago.

Grover Hallmark, Secretary of the Association, says approximately $1,800.00 will be awarded as prize money to County boys and girls.

About 325 animals have been entered in the show according to Bill Claborn, Superintendent of the show. The breakdown of animals in each division are as follows: 117 market hogs, 69 market lambs, 25 steers, 9 dairy heifers, 5 goats, 24 breeding beef, 31 breeding sheep, 20 breeding hogs and 25 rabbits.

Judging of the dairy animals will begin at 10:00 a.m. Friday. On Friday afternoon and evening the breeding swine, goats, breeding sheep, rabbits and market lambs will be judged. All market lambs will be judged. All beef cattle will be judged on Saturday morning.

The judges for the livestock show will be Lawrence Winkler - - beef cattle, Freddie Max Stewart - - breeding sheep and goats, Ken Pettit - - lambs, Larry Osburne - - swine, and Byron Wilson - - rabbits. The dairy judge is yet to be named.

The 4- H Adult Leaders Association will sponsor the concession stand which will be open Thursday evening at 5:00 p.m. They invite all visitors to visit the concession and to purchase meals while attending the stock show.

The exhibitors will also be competing for special awards. The Eastland Auction Co. will award three trophies for showmanship in the market classes. Eastland County Farm Bureau will sponsor showmanship trophies to the best showmen in the five breeding divisions. The showmanship trophies go to the exhibitors who do the best job of filling, grooming and showing their animals.

There will be four Herdsman awards given to the 4- H club or FFA Chapter who do the best job of keeping the stalls, pens and aisles clean, one for dairy, one for sheep, one for beef, and one for swine. The herdsman awards are given by the Eastland County Farmers Union.

The Mike Farnsworth Memorial Trophy will be presented to the owner of the Champion Angus Female by the Farnsworth Angus Ranch.

The W.S. Cattle Company will present a Trophy to the exhibitor of the champion steer.

A new trophy will be given to the most cooperative showman this year. It will be given by the Ferguson Time Shop of Cisco.

The show will end with the annual sale of animals at the Eastland Auction Company Saturday night. Steers, market hogs and lambs will be auctioned to merchants and individuals.

A drawing will be held for two halves of dressed beef at the livestock show auction, Saturday night. Two names will be drawn from the membership of the Eastland County Livestock Raisers Association.

Funeral Services For G.A. Mason Held March 10

Funeral services for G.A. Mason, 83, were held March 10, at Satterwhite Chapel of Grace in Breckenridge with Rev. Harry Grantz, pastor of the First Baptist Church officiating.

Burial was in the Breckenridge Cemetery under the direction of Satterwhite Funeral Home.

Mr. Mason died Monday morning of a heart attack while visiting a friend in Fort Worth.

He was born March 4, 1893, in Gorman, and married Mattie Jeanette Barnet in 1915 in Carbon. She died in 1947. He then married Lanora Hall in 1948 in Breckenridge. She died in 1970.

Mr. Mason farmed in Carbon for several years and was employed by the Swift Co. there. Later, he was an insurance salesman and was in the upholstery business.

He moved to Breckenridge from Mineola in 1968. He was a Methodist and member of the Carbon Masonic Lodge.

Survivors include a stepdaughter, Violet Brabham of Texarkana; a brother, Charlie C. of Electra; two sisters, Cora Roberts of Abilene and Lillie Boles of Lubbock; a half-sister, Eula Loftin of Fort Worth; four grandchildren; and five great-grandchildren.

A daughter, Norma Lee Robertson, died in 1975.

Pallbearers were Oran Bain, Mitchell Lee, Walter Smyrl, Russell Carter, Hank Satterwhite, and Jack Robertson.

Services For James Ramsey Held Saturday

James Edward Ramsey (Ed), 94, died Thursday, March 11, 1976, at 7:00 p.m. in the Eastland Memorial Hospital after a short illness. Services were held at 2:30 p.m. Saturday in the Arrington Funeral Home Chapel. Jack Lanham, former pastor of the Carbon Church of Christ, officiated.

Burial followed in the Pleasant Hill Cemetery.

He was born October 1, 1881, in Newton County, Texas. He lived in and around Carbon for about 75 years where he was a farmer. He was a member of the Flatwood Church of Christ. On December 18, 1904, he married Rhoda Reeves in Romney.

Survivors include four sons, O.A. of Abilene, J.W. of Gorman, N.C. of Tucson, Arizona, and W.B. of Morence, Arizona; one daughter, Mozelle Hallmark of Carbon; 10 grandchildren and 14 great - grandchildren.

Vu-Born Baby

Dr. and Mrs. Bill Vermillion of Dallas announce the birth of their daughter, Bethann. She was born March 7, 1976, at 6:17 a.m. at the Eastland Memorial Hospital. She weighed 8 lbs., and 4 ozs., and was 22 inches long.

The couple also has a son, John Mark, two years old.

Maternal grandparents are Dr. and Mrs. M.A. Treadwell Jr., and paternal grandparents are Mr. and Mrs. R.T. Vermillion.

Friends Of Music Concert March 17

The Eastland Music Study Club announces its Fifth Friends of Music, Bicentennial Concert with the presentation of pianist, Laurene Peterson, in a recital at the Women's Club Wednesday, March 17, at 3:30, in Eastland.

Miss Peterson is a native of Houston, and is presently attending H - SU, where she is classified as a junior. An accomplished performer in her own right, Laurene has also been Stacy Blair's accompanist for two years. She also accompanied him at the 1975 Biennial Convention of the National Federation of Music Clubs in Atlanta, Georgia. She is a pupil of Dr. John Campbell and a former pupil of Ms. Lively.

The Wednesday afternoon program includes: French Suite No. 5 in G major - - Bach, Sonata op. 53 in C major - - Beethoven, Prelude op. 32 no. 9 in B minor, Prelude op. 32 no. 12 in G sharp minor - - Rachmaninov, and Jardin sous la pluie - - Debussy.

There will be a surprise number at the end of the recital, which is not listed. The composition is by a 20th century American composer who is so obscure that almost no one knows of either the composer or the piece. Miss Peterson will introduce this number before she performs it.

The Eastland Music Study Club members ask that the Friends of Music note the date and time of this concert and make plans to be present.

To Confer Degrees

Eastland Lodge No. 467, A.F. & A.M., will confer two Fellowcraft Mason's degrees Monday night, March 15, 1976. The Lodge will open at 7:30 p.m. All Masons are invited to attend.

Thoughts For Today

By Bobby Boudreaux

In a group discussion not too long ago, it was asked why people curse in conversation. It was noted with amazement that some cussers are successful, brilliant men, capable of good speech. Cussing is a habit one acquires to add impact to words. Those who lace language with profanity do it because they fear normal expression lacks strength to put a point across. There is no question that the cussing habit can be broken.

One man in the group told an interesting story. He related how, years ago, his three year old boy stumbled and stubbed his toe. The child let out with an explosive barrage of cussing which shocked his mother and dad. Before they could say anything, the child slyly sensed their shock. In the quick of a wink, he changed from sinner to saint and started to sing, "Jesus loves me, this I know, for the Bible tells me so." The fellow told how he and his wife, while shocked, had to inwardly chuckle over the surprisingly quick transition of the little rascal. Since habits are mostly formed by association or example, especially with impressionable youngsters, both parents decided then and there to never use even mild profanity ever again.

The son is now a grown man. He is a fine person and an interesting conversationalist. His parents are too. . .

Women's Bowling Tournament

The Eastland County Women's Bowling Association held its 15th annual tournament March 6th and 7th at the Fiesta Bowling Lanes in Eastland.

Mrs. J.D. Johnson President of the Assn., called on the Ranger Girl Scouts Troup 223 to present the colors: Carrying the United States Flag was Kay Thompson and carrying their Troop flag was Anita Fonville. The Color Guards were Gina Grumbles, Christy Thackerson, and Sheila McGuire. Sandy Parsons led the Audience in saying the "Pledge of Allegiance".

Mrs. Johnson read the Bowlers Proclamation which designated the week of March 6th through March 15th as Eastland County Women's Bowling Bicentennial week.

Little Miss Jayna Holloway, daughter of Mr. and Mrs. J.C. Holloway, Eastland, cut the ribbon to officially open the tournament. Mrs. Johnson welcomed the bowlers and reported that 16 teams, 36 doubles, 72 singles, and 68 all-events were entered. She thanked all who participated and helped to put on such a successful tournament, especially Sandra Holloway, Assn. Secretary-treasurer, who put endless hours in planning and conducting the tournament.

Mrs. Johnson called on Kay Thompson to retire the colors.

The Light Touch

By Clint Bray

What is it about human nature that makes it easier to break a commandment than a habit?

Well, there's one good thing to be said for inflation. It fills footballs.

The fellow who can't figure out what to do with a Sunday afternoon is often the same one who can't wait for retirement.

A cease-fire seems to be a condition in which people are still shooting at each other, but nobody notices.

The quickest way to become an old dog is to stop learning new tricks.

Carbon Bicentennial Committee Meets To Discuss Plans

The Carbon Bicentennial Committee met March 10. to discuss plans for coming celebration events.

The flag day celebration will take place May 14, 8 a.m. at the Carbon High School. Cleo Duncan will be in charge of the program.

A motion was made and approved to establish a Carbon Youth Fund. It is hoped this fund will grow large enough to enable us to build a tennis court. Anyone wishing to make a contribution may do so by contacting Ray Ishmael or Darlene Wood. We will need a lot of support for this project, but it can be done!

A flea market will be held June 12, on the Birdsong lot downtown Carbon. There will be a booth set up in the large tin Birdsong building with proceeds going to the Carbon Youth Fund. Cleo Duncan and Quona Newman will be in charge of this event.

The next meeting is scheduled for March 24, 8 p.m. at the Carbon Baptist Church. Plan to attend and get in on the support this community needs.

Party Held

Grace Harrelson was honored with a retirement party at the Vassarette of Munsingwear Plant Tuesday afternoon.

Mrs. Harrelson began her career with Vassarette more than 25 years ago on January 20, 1951, and retired on her 65th birthday. She was presented a plaque by Plant Manager Gene Johnson showing more than 25 years of dedicated service, and also received other gifts and a cake which read happy birthday and retirement, Grace. A number of retired employees also attended the party. Refreshments of drinks and cookies were served to all the plant employees at the party.

TEJAS 1876

Mar. 10-17, 1876.

NUECES COUNTY — The GAZETTE has learned that the gigantic efforts of Captain King to move 30,000 head of cattle to Kansas have met with severe reverses, caused by stampedes among his herds during the unpleasant weather.

GALVESTON — Gen. Tom Thumb and his little wife, together with Miss Minnie Warren and Major Newell, drew a good house last night at the Tremont Opera House. As usual, the little folks won liberal encomiums on their acting and vocalisms.

AUSTIN — Col. A. M. Hobby and J. W. Jennings have been selected as commissioners to represent the State of Texas at the Centennial Celebration to be held in Philadelphia.

CALDWELL COUNTY — A military company has been organized at Luling for the purpose of protecting the town from desperate characters, who fire into buildings and endanger the lives of peaceable citizens.

GALVESTON — The City Clerk is after the barbers, about 19 of them, for their occupation licenses, on which he allows no shaving.

ANDERSON COUNTY—A great amount of building is going on. Two-thirds of Palestine has been built in less than two years.

JUST A POTATO CHIP CAN? - - Not really, apparently. A county citizen found this device on a country road, brought it in and learned from law enforcement officials that it probably is a not - so - crude "pot - smoking device". The citizens wondered if maybe parents might ought to be concerned with what happens to otherwise innocent containers. A short length of copper tubing had been taped into the empty can.

Engagement Announced

Mrs. Eula Arrington Cauble would like to announce the engagement and upcoming marriage of her daughter, Lana Lee Arrington, to Johnnie Paul Grimes, son of Mrs. Johnnie Grimes.

The wedding will be June 15, at the First United Methodist Church in Eastland.

Tarleton-Stephenville Bicentennial Arts & Crafts Fair April 9-11

"A rich variety of music reflecting our American heritage will be available during the Tarleton-Stephenville Bicentennial Arts and Crafts Fair, April 9-11 in the Stephenville City Park", according to Mrs. Alice Jobe, daughter of Mr. and Mrs. Adrian Cushman of Eastland.

An invitational Bicentennial Band is only one of the musical highlights being coordinated by Mrs. Alice Jobe, co-director of the Tarleton-Stephenville Bicentennial Fair Committee.

Other musical performances will include bluegrass with Joe Bass and the Double Mountain Boys, country-western with Johnny Duncan, folksongs, square dances, American choral music performed by the Tarleton State University Chorus, gospel singing, the Senior Friendship Club Wicky Wacky Band, the Senior Citizens Center Dixie Land Band, and American band music.

Mrs. Jobe, Tarleton Professor of English, is currently organizing an invitational Bicentennial Band, composed of outstanding band members from area high schools. This band will perform at 2:00 Saturday, April 10, at the Fair in the Stephenville City Park. Their concert will include "Selections From '1776', For Concert Band, Grundman's "American Folk Rhapsody", and Sousa marches including "The Stars and Stripes Forever".

Born in Kansas City, Mrs. Jobe spent her childhood in Overland Park, Kansas. She graduated as an honors student at Eastland High School in Eastland, where her parents still live. Her mother is a librarian at the Public Library and a member of the Methodist Church Choir.

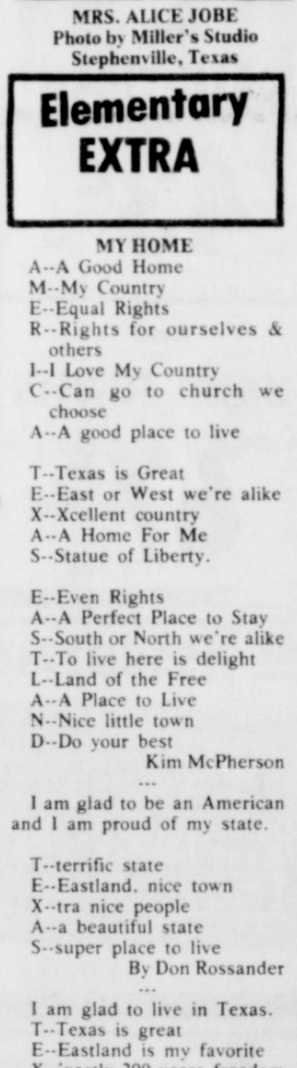

"We are fortunate to have someone with Dr. Jobe's musical expertise to coordinate our musical entertainment for the Fair", Dr. Sue McGinity, Tarleton State University Bicentennial Chairman, stated.

During high school days, Mrs. Jobe was a member of the All State Band, All State Orchestra, and a Jazz Band of the school winning first place in state competition.

She was also a member of the Longhorn Band as an undergraduate at the University of Texas at Austin.

For the past five years Mrs. Jobe has been an active member of Schola Cantorum of Texas, which is conducted by Dr. Gary Ebensberger of the University of Texas at Arlington. She has also served on the Board of Directors of Schola Cantorum.

Musical entertainment will begin on Friday evening, April 9, at 5:30 with a bluegrass show and western dance to kick off the Bicentennial celebration. Saturday, April 10, beginning at

LeFan Preaches 25 Years In One Church

JAMES LeFAN

James LeFan has been preaching for 25 years in Temple with the Western Hills Church of Christ.

It's hard to stay in one place 25 years. You have to study, you have to be understanding. You have to weather many a storm. You have to love deeply. But that's what it takes to build. And James LeFan has proved himself to be a master craftsman as a church builder. His preaching, conduct, attitudes and disposition are exemplary. With comfortable assurance we point young preachers to him as a pattern worthy of copying. (Taken from February 29, 1976, issue of Broadway Bulletin.)

Mr. LeFan is married to the former Jackie Lusk, daughter of Mrs. Zelma Lusk and the late Jack Lusk of Eastland. The LeFans have three children: Mike of the home, Loris (Mrs. Bob Bermer) of Temple, and Kevin of Abilene. They also have one granddaughter, Jamia Beth Bermer of Temple.

Eastland Gains 9 New Families

Maybelle Trout, Eastland Receptionist, welcomed nine families to Eastland in February.

From Puerto Rico are Mr. and Mrs. Norman E. Brigandi and two boys, ages 6 and 8. The family is residing at 309 S. Oak. He is in the service and she is a lab technician in the Eastland Memorial Hospital.

Mr. and Mrs. Randy J. Flint are from Corpus Christi and live at the Sabine Terrace Apartments. He is employed at the Texas Department of Public Safety.

Residing at 203 S. Walnut are Mr. and Mrs. Jimmy D. Eppison of Borger. He is employed at Taylor Center.

Retired are Mr. and Mrs. Clarence D. Bloomer of Sacramento, California. They are residing at 205 S. Walnut.

Mr. Jamey W. Williamson of Comanche is employed by Thrift Mart and is a student at CJC. He lives at the Olden Trailer Park.

Living at 715 S. Dixie are Mr. and Mrs. Theron Paul Leggett of Paris. He is employed by the U.S. Soil Conservation Service.

Sel-employed are Mr. and Mrs. Billy T. England of Houston. They have one son age 7 and live at 717 S. Dixie

Student at CJC is Mr . Jerry Neal Lester of Comanche. He is residing at the Olden Trailer Park.

Formerly of Cottondale, Arizona, are Mr. and Mrs. Bobby A. Hallum and four boys ages 5, 11, 12, and 16. They are residing at 307 E. Plummer. He is employed at Swinson's Garage.

MV HD Club Holds Meet

Fourteen ladies were present Wednesday afternoon at the club house when Mrs. Ora Roberts called the Morton Valley H.D. Club to order.

We were glad to welcome Mrs. Merle Level as a new member.

Mrs. Paul Hodge led us in the opening exercise.

Mrs. Bessie Peeples read from the 15th chapter of Luke for the devotional.

Emily Hartsell gave the council report. She told us the dedication, luncheon and tea all went over real nice, she reported we may go to Granbury and see the old homes on our spring tour.

Berneice Tankersley and Polly Smith turned in their birthday dollar to the treasurer.

Berneice Tankersley gave a wonder program on "To Look Your Best." She passed out patterns for several kinds of scarves and accessories.

Roll call was answered with "What I Plan To Show At Achievement Day".

Refreshments of sandwiches, coffee, cookies, and nuts were served to Mrs. Polly Smith, Mrs. Paul Hodge, Bessie Peeples, Leta Brockman, Belma Pounds, Bertha Harrison, Emily Hartsell, Evie Blair, Ora Roberts, Ada Tankersley, Berneice Tankersley, Ruby Bond, and Merle Level by Flora Kincaid, hostess for the day.

The next meeting will be March 24, with Bessie Peeples as hostess.

HECE Course Reports Success

BY RONNIE MASTON
HECE Reporter

The Home Economics Cooperative Education Classes at Eastland High School are in their second year and are reporting that the new course has had such success and has received much interest from both the student body and townspeople alike.

This is a work-study program which is designed to introduce students to the job world and to equip them with salable skills. The course is available to junior and senior students who are rated average or above in academic standings. A student may participate in the work-study program one or two years and receives six units a year toward graduation requirements on the new quarter system.

This new course, HECE, is a vocational program under the direction of the high school home economics department. Mrs. R.P. Haun is the teacher-coordinator. Last year, the first year, there were 12 students who completed the year's training. This year there are ten students enrolled in the course--four seniors and six juniors. Five of these students are boys and five are girls.

Students in the program are enrolled in their regular academic courses required for graduation as well as class of Home Economics designed to coordinate the classroom work with the on-the-job training. The students are required to work a minimum of fifteen hours a week on an approved job along with their regular school activities. Because of the work requirements these students are released from school each day at noon to report to their respective jobs under the supervision of their employers.

Members of the Home Economics Cooperative Education Classes (HECE) belong to a nationally affiliated organization known as HERO (Home Economics Related Occupations). The purpose of the organization is to provide students with opportunities to participate in service projects similar to the way business people participate in civic organizations. Community and school service projects that the organization has participated in this year have been: (1) the decorating of a display case in the high school at Thanksgiving; (2) the preparation of all the cookies and fruit breads served at the December open house at the high school agriculture department; (3) the cleaning and rearranging of the backstage dressing rooms and the faculty work room at the high school; and (4) the preparation and serving of all the refreshments served at the recent Public Shool Week Open House.

Each week the HERO chapter would like to feature one of the students enrolled in the HECE program and this week we are presenting Curtis Bulgerin.

Curtis Bulgerin, 17, son of Dr. and Mrs. H.J. Bulgerin of 1800 West Plummer, is employed at Central Drug Company under the supervision of Don Stoner. Curtis works as a helper in the pharmacy department filing and recording prescriptions and answering the telephone. He helps stock the store with new items, assists customers and occasionally delivers prescriptions.

Curtis is a junior at Eastland High School and is a member of the Student Council, Vice-President of the HERO Chapter, treasurer of the Spanish Club, a member of the National Beta Club, and was on the "A" average honor roll the last six weeks. Also, he has played tennis at EHS for two years. After graduation next year, Curtis plans to enter Texas Tech University at Lubbock, Texas, and major in finance.

Shawn Alsup, son of Mr. and Mrs. Herman Alsup; and Clinton Easter, son of Jimmy and Carolyn Easter, proudly display their fossil and rock collection they displayed in Brownwood Saturday at the Scout - O - Rama.

Shawn's fossil is an ammonite several thousand years old and was found here in Eastland.

Clinton's collection was one of the finest collections presented in Brownwood.

Both collections will be on display at the April Pack meeting for the Scouts and parents. The meeting is scheduled for Sunday, March 28, at 2 p.m.

FUNERAL HOME
306 W. PLUMMER • EASTLAND • PH. 629-1726

Dear friends,

There is no one prescribed form for a funeral. You and your clergyman, if you have one, and we as your funeral director, will arrange the kind of service that best meets your needs.

Today, there is seldom use of mourning clothes by members of the family. They usually wear the type of clothing they would wear to a funeral other than the one they are arranging.

Respectfully,

Dale O. Bakker

FCC Inspectors Warn Illegal CB'ers

Federal Communication Commission has advised DPS that FCC inspectors are attempting to make cases against CB Radio operators who give Smoky reports without also using proper Call Letters. Their procedure is to drive in the area where police vehicles are using radar and detect illegal CB operators. The illegal operators are later contacted by FCC inspectors and, in some cases, are sent notices of liability for fines ranging from $50 on first offense to $100 to $500 for subsequent violations. While DPS personnel will not be actively working in this FCC effort, Highway Patrol Troopers may occasionally be approached by FCC Inspectors who will be working in this area.

Charges Filed

Charges of attempted murder were filed Thursday against John Kenneth Odlozelik, 41, of Rising Star as a result of an alleged attempt on his wife's life.

Investigating officers said the shooting was the result of a family argument which left Odlozelik requiring medical attention before being brought to Eastland, where he remained in jail under $50,000 bond Thursday night.

The shots allegedly were fired around midnight Wednesday at a Rising Star truck stop.

SCHOOL NEWS BY AMY O'BRIEN

MRS. TURNER GRADE 3

Last week really seemed like a fun week because we did so much craft. But this week we will have to work hard. We are back on our regular schedule now, with lessons in reading, spelling, English, arithmetic, and social studies. In social studies we are learning about communities and how communities get along. Monday we will start unit 4, called Maps and Globes.

It was cold Monday and we didn't go outside. We saw a film called Texas Today's Fun Tier. We really did enjoy it. We are still having fun at P.E. We play Slaughter Ball. The school year has gone by quickly. Soon it will be spring then it will be time for school to be out. That's what everyone has been waiting for. SUMMER will be here soon. Mrs. Turner is a very nice teacher and we like her very much. We also like our librarians Kim McPherson and Jon Carter. We all thank them very much. The helpers this week are Cheryl Martin and Dwight Kinnaird. The good citizens are Candi Creecy and Rudy Gonzales.

MRS. GREEN FOURTH GRADE

We have been busy this week. We had all our subjects. In English we are studying the suffixs er and less. We started adjectives Wednesday.

We are studying unit 28 in spelling. We have only 8 more units in our spelling books.

In Math we are studying both double multiplication and two step division.

In science we put a balloon on a bottle and put the bottle in some warm water, the balloon went up. This shows when air is heated it expands.

In social studies we are studying the Aymara Indians. It is fun.

We're reading about the dinosaurs.

Mrs. Green is teaching us to cut letters out of construction paper.

Your friend,
Carolyn Foster

SIXTH GRADE

This week we have been playing slaughter ball in P.E. We have been studying about fractions in math. Wednesday we saw a film about Indian tribes. We had to match up 15 questions in health about this unit and in spelling we are going to have a trial test Thursday. Friday we are going to have a final test. This week is national nutrition week.

Some important things to know (and teach your kids) about power lines.

The most important thing to know and remember about power lines is that they have enough voltage to cause a serious shock.

If your children want to fly kites, be sure they fly them in an open area well away from any overhead power lines. And never try to rescue a kite from a power line or pole. Call us instead.

do the job on a windy day. And if you drop the antenna, let it fall, because it may touch a line on the way down. If your antenna comes to rest on a power line, don't touch it. Call us immediately.

Whenever you're working with long metal objects such as ladders, pipes, gutters or tree trimmers with metal poles, be sure to stay clear of power lines.

Caution the kids about climbing in trees next to power lines. Tell them never to touch the lines under any circumstances.

If you're installing a new television or CB antenna, be sure enough distance is allowed so that even a falling antenna would miss the power line. Don't try to

We hope you'll follow these safety rules around your house and neighborhood. They're very important.
