Loraine taxes due

Loraine City Secretary Kaye Nell Cornutt wants to remind residents that city taxes will become delinquent on February 1 and urges all taxpayers to come in before the deadline in order to avoid paying penalty and interest.

Chess Club

There will be an organizational meeting at 7 p.m., Thursday, January 27 at the Wallace Center for the Chess Club. Anyone interested in playing chess, whether skillful or not, is invited to attend this meeting.

For more information, contact Bill Smith at 728-8494.

Taxes due

Rita Espinoza, tax assessor-collector for the City of Colorado City, reminds taxpayers that the 1982 taxes will become delinquent February 1, and urges all taxpayers to avoid having to pay penalty and interest by coming in before the February 1st deadline.

Coaches meeting

There will be a Coaches Meeting for those involved in the Youth Basketball program at 7 p.m. Tuesday, January 25 in the C. C. Thompson Room.

All the coaches are urged to attend because this is when they are drawing for teams and going over the rules and regulations.

Silver Leaf Ladies

The Silver Leaf Ladies Social Club will be meeting Tuesday, January 25 at 8 p.m. in the home of Bertha Lee Moore in Sweetwater.

During this meeting, new officers will be elected.

Landfill charges

City Manager Rick Crowley has announced that the city will begin charging for the use of the sanitary landfill on Monday, January 31.

The charge will be based on the amount of garbage with a minimum charge of \$1; a pickup load will be \$2, 2-4 cubic yards will be \$4, 5-8 cubic yards will be \$6, etc.

In order to keep a minimum amount of money at the landfill, Crowley said that tickets in \$10 and \$20 denominations could be purchased at city hall and these tickets will be punched for the amount.

Twirling meet

A twirling meet will be held for young ladies kindergarten through high school, Saturday, January 29 at the Colorado Middle School Gym.

Meeting announcements

Whenever your club or organization has a meeting coming up, call the RECORD office and we will announce it in Mitchell County Briefs. Our number is 728-3413.

Answerline

Answerline is a regular feature of the Colorado City RECORD. Readers with questions on any subject may write or telephone the RECORD with questions they would like to have answered. Letters must bear the reader's name, address and phone number for verification, although names will not be published. Mail inquiries to: Answerline, P.O. Box 92, Colorado City, Texas 79512.

(Q) Ask Lee Jones if we will ever get a rebate on windfall taxes deducted now.

(A) This question was asked in an earlier edition of the RECORD but we were unable to contact Jones at that time. However, we talked to Jones this week and he said he had just received an AP release stating that "The Supreme Court refused to hear the windfall profits tax (case) at this time."

Jones feels that when the Supreme Court does hear the case, they will find that windfall profits tax is unconstitutional as the district judge in Wyoming did.

According to Jones, the delay may have political connotations, as the government is "hard pressed for money and scared to death they're going to have to pay it back."

County Stock Show nears

Plans are well underway for the 46th Annual Mitchell County Livestock Show scheduled for this coming week-end.

Thursday, Friday and Saturday, January 27, 28 and 29 are dates set for this year's show.

Bob Benson, county extension agent expects a good turnout for this year's show. "We have a few more entries in the lamb division than we had last year," Benson said. "Steer entries will be about the same and we expect a small

drop in swine entries," he added.

The judging schedule will be as follows: Friday-1 p.m. lambs and steers; Saturday-9 a.m. judging of swine.

Officers for this year's show are President, George Walker; Vice-President, David

Stubblefield; Secretary, Jim Dockrey; Treasurer, Bobby Lemons; Cattle Superintendent, C. N. Stubblefield; Sheep Superintendent, Ronald Smith and Swine Superintendent, Aaron Carpenter.

4-H and FFA members from Westbrook,

Loraine and Colorado City will participate in this year's show. The purpose of the show is to afford the members an opportunity to exhibit results of their feeding and breeding projects.

The show is open to the public and there is no admission charge.

The Mitchell County Ag barn will again be the scene for the show.

Refreshments will be available to those wanting food and drinks. The concession stand will again be manned by the Mitchell County Home Extension Homemakers.

Water well planned at municipal airport

J. O. Dockrey, a member of the Mitchell County Airport Association, met with the city's Airport Board Tuesday night to request permission to drill a water well at the municipal airport northwest of the city.

Dockrey told the group that Marion Bassham had offered to do-

nate up to \$1,000 towards the project and they "agreed to accept

Council to meet Tuesday

There will be a called meeting of the Colorado City Council at 7 p.m. Tuesday, January 25 to take care of several items of business.

During the meeting, the council will consider a request from Joe Weaver to close an alley and discuss a revision of Civic Center fees.

Also on the agenda are authorization to advertise for bids for the closing of wells at the landfill and a request from the Colorado City Airport Board concerning the drilling of a water well at the airport.

There will also be a preliminary budget discussion, sewer treatment plant discussion and the City Manager's report.

Markley resigns from post

Lonnie Markley, assistant district attorney in Mitchell County, has announced that he is resigning from that office with the resignation to take effect January 31.

Markley cites "personal reasons and other opportunities" as his reasons for leaving Colorado City and moving to Amarillo.

"I feel like Colorado City is a good community," he said, "and one that I've certainly enjoyed serving."

New directors added at FNB

Jimmy Harrison

Bobby Kimmel

Two new directors were added to the board at the First National Bank's Annual Stockholders meeting Wednesday, January 19 in the Civic Center in Colorado City.

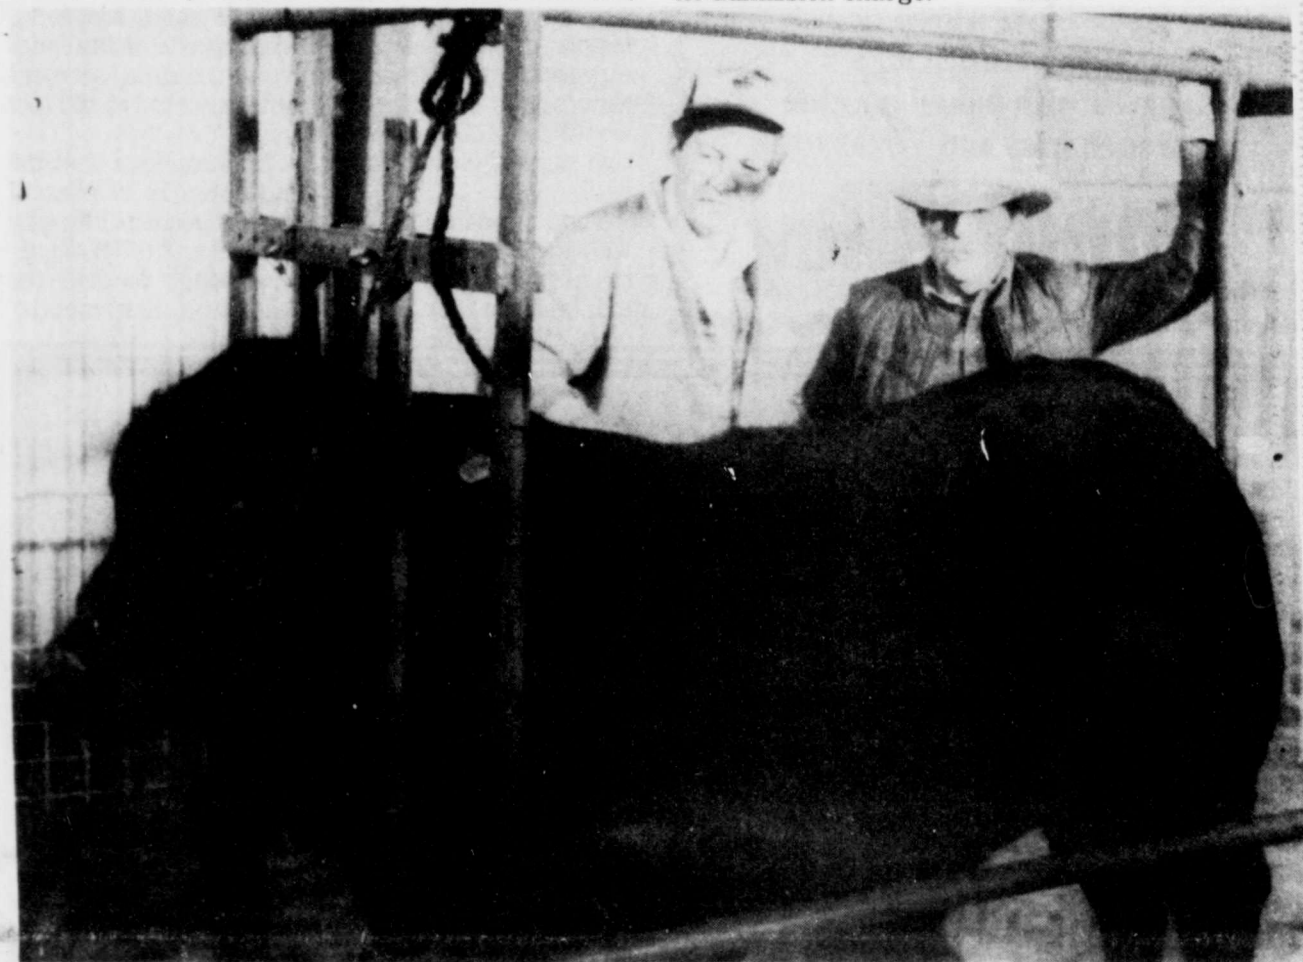

Director Bobby Kimmel is the owner of Colorado Lumber in Colorado City and part owner of Midwestern Vacuum Truck Company in Snyder. He has lived in Colorado City since 1959 and has been a member of the Lions Club. He and his wife, Margaret, belong to the First Baptist Church. They have three children who are married and a 10-year-old living at home.

Director Jimmy Harrison is both a contractor and farmer who was born and raised in Colorado City. He is a past president of the Lions

Club, past master of the Masonic Lodge, past director of the Chamber of Commerce and past chairman of the Mitchell Soil and Water Conservation District board. He is also a deacon in the First Baptist Church. He and his wife, Billie Margaret, have a son and a daughter who are both married.

During the meeting, the present officers of the Board of Directors were re-elected. They are: Max Shaw, president; Scott Smith, vice president; Leslie Williamson, vice president and cashier; Eddie Piland, secretary.

Shaw reported deposits of \$2,159,880 and that the bank, which opened on October 29, 1982, had started with capital assets of \$1,500,000.

BOB BENSON, county extension agent and Bill Preston of Loraine put the finishing touches on a steer in preparation for Mitchell Counties 46th Annual Livestock Show to be held next weekend at the ag barn.

PIK signup begins Monday

Signup begins Monday for the 1983 PIK (payment in kind) program.

In order to better make decisions about participation in the PIK program, and to help producers desiring information about it, a county-wide meeting has been set for 10 a.m. Wednesday in the C. C. Thompson meeting room at City National Bank annex.

Don Stewart, Mitchell County ASCS executive director, has scheduled the meeting in order to explain details of the PIK program and help farmers make decisions about signup.

Preliminary information indicates that at signup producers desiring to participate in the program will notate the percentage of their es-

tablished base they wish to divert.

Producers must participate in the previously announced 1983 acreage reduction programs in order to participate in the PIK plan. It has been called a "crop swap" plan because farmers will be given surplus crops back in exchange for reducing their crop this year. Commodities eligible for the program include wheat, corn, grain sorghum, cotton and rice.

At signup, a producer may submit a sealed bid to divert his entire base. Farmers would have to know the cost of production per acre and estimate the amount of money they might get from sale of the commodity in order to make an intelligent bid.

In an open public meeting on March 18, 1983, the county ASCS committee will accept or reject bids to divert entire bases.

Since announcement of the PIK plan, many local farmers have indicated they will simply wait for more information before deciding on their degree of participation in the program.

Some criticism has

been made of the idea, heard from ag related businesses such as feed and seed stores, implement and chemical companies, etc. because of the possible effects to the economy of planting only half a crop or less.

In a current newsletter to Mitchell County owners and operators, Stewart stated that the number of whole base

Rain & snow

The rainfall all over the county turned to sleet Thursday night and snow in the early hours of Friday morning while temperatures hovered just below and just above the freezing mark.

Colorado City got 2 inches of rain and 3

inches of snow; Loraine had 1.3 inches of rain and 2½ inches of snow; Westbrook reported 1 inch of rain and 3 inches of snow.

There were some reports of snow as deep as 6 inches southeast of Loraine.

\$15,000 winner at Safeway

Joan Bull, a math teacher at CISD is the happy winner of \$15,000. She was the lucky winner in the Safeway Stores, Inc., Jackpot Bingo drawing held last week.

"I still can't believe I won it," she said Thursday afternoon in a telephone conversation.

"I've entered contests all my life and have never won anything and I still find it hard to believe," she added.

Joan and her husband, Haskell (Hack) moved to Colorado City in August of 1982 from El Paso. They live on Rt. 3.

JOAN BULL (center), of Colorado City, receives a check in the amount of \$15,000 from Safeway Store Inc., District Manager W. C. Watts (left) and Randall Witte (right) manager of the local store. Bull was the lucky winner in Safeway Jackpot drawing held last week.

Fires plague Mitchell County

Two fires were reported in the Mitchell County area Friday morning. The first blaze was a house fire called in at 1:50 a.m. in the Looney Community. The home belonged to Gary Gale and the blaze completely destroyed the home, according to Assistant Fire Chief Jack Green. Twenty-two firemen from the Colorado City Volunteer Fire Department, along with six fire trucks rushed to the scene of the blaze, battling freezing temperatures and snow-packed roads. Firemen fought the blaze until 4:30 a.m. There were no injuries,

and the fire department was able to save a mobile home located next door to the burning house. According to fire department personnel the possible cause of the fire was a frozen regulator on a butane tank. When the regulator froze it caused all of the pressure to be released inside the house. The second blaze was reported at the China Grove Gin located north of town. The call came in at 2 a.m., and the Scurry County Fire Department answered the alarm. According to Fireman Ronnie Clawson

the main office of the gin was burning rapidly when the fire department arrived.

The building and the records inside were completely destroyed. Clawson said the department emptied one

tank of water on the blaze, and had to leave because another fire was reported.

Hiway bids to be opened

The seal coating of nearly 140 miles of seven highways in nine area counties will be the subject of bids to be opened Jan. 20 by the State Department of Highway and Public Transportation (DHT). US 180 will be seal coated in Shackelford County from 0.5 mile west of Texas 351 to Albany, 7.8 miles; also in Shackelford, Texas 351 from US 180 southwest 0.5 miles. In Scurry County, US 180 will be seal coated

from Loop 401 in Snyder for 13.4 miles to the Fisher County line. A US 83 project will be from its north junction with US 380 in Stonewall County for 16.3 miles through Aspermont to Fisher County line; in Fisher County from the Stonewall County line to the Jaones County line, 1.6 miles, and in Jones County from the Fisher County line through Hamlin for 19.5 miles to the US 277 junction north of Anson. A US 380 project will

be from the Stonewall County line east 16.7 miles through Rule to the Haskell east city limits. A Texas 70 project will be from US 380 in Kent County southeast for 21.7 miles to 4.6 miles south of Rotan in Haskell County. Other projects include US 283 in Callahan County for 14.4 miles from 7.6 miles south of Baird to the Coleman County line, and Texas 208 in Mitchell County for 24.6 miles from the south frontage road of I-20 to the Coke County line.

The DHT engineer in charge of the projects will be Joe Higgins of Abilene.

PIK

From Page 1

bids accepted will depend on the supply-demand situation for each commodity, conditions in the community and other factors. "In no case would the amount diverted exceed 50 percent of the total base in the county," the letter states.

At sign up a producer will sign a contract. Then on March 11, after final regulations are set to be issued, the contract will be accepted by the ASCS office and become binding. A complication in this plan could occur if any changes are made in the regulations. Then, producers who have already signed contracts or submitted bids would be permitted to modify or revoke them.

Signup in the PIK program is set to end March 11.

THESE PICTURES taken on the W. W. Anderson Estate in 1982 show a very good fuel source for a prescribed burn. After burning this pasture last year a large percentage of the mesquite trees were suppressed. Mesquite up to 12 feet tall were suppressed so that in the spring no green leaves could be found on them and most of the limbs of these trees were dried and dead. Prescribed

burning can be a very useful tool in controlling competitive weeds and brush along with improving the quality of the grass for better utilization by livestock and wildlife. For information or assistance about prescribed burning, contact the Soil Conservation Service personnel in the G-Kell building.

Farmers Home Administration interest rates drop

Interest rates for loan programs of the U.S. Department of Agriculture's Farmers Home Administration dropped again on January 17, Secretary of Agriculture John R. Block announced.

"These lower interest rates, which apply to most loans made by the USDA Farm Credit Agency, will be of great benefit to the rural economy and particularly

for the nation's farmers who depend heavily on credit," Block said.

It is the third such reduction since October 1982 by the Agency, which makes farm, home and other loans to rural residents and communities who cannot get credit from private lenders.

Block said the reductions are possible because of a general move toward lower interest

rates across all sectors of the economy and because of lower costs of federal borrowing.

Interest rates for farm operating loans, used to finance annual cost of production, will drop from 11.5 to 10.25 percent.

Farm ownership rates will drop from 11.5 to 10.75 percent.

Interest rates for "limited resource" borrowers—those unable to

afford the full interest rate—will drop from 8.5 percent for operating loans to 7.25 percent. Limited resource farm ownership loans go from 5.75 to 5.25 percent.

The interest rate for actual loss loans due to natural disasters remain at eight percent for those farmers unable to get credit from private lenders. For farmers who can obtain natural disaster loans elsewhere but choose to deal with the Farmers Home Administration, the rate remains at 14.25 percent.

The interest rate for production loans to farmers who need financing above the actual loss and are unable to get credit elsewhere drops from 14 to 13 percent. The rate for real estate purposes remains at 13 percent.

Interest rates on long-term loans for soil and water conservation, grazing associations, irrigation and drainage and Indian land acquisition drop from the present 11.5 percent to 10.75 percent.

In housing, interest

rates for single family homes drop from 11.5 to 10.75 percent except for borrowers who can afford rates charged by the Department of Housing and Urban Development. Their rates remain at 12 percent.

Rural rental housing loan rates go from 11.5 to 10.75 percent.

On December 31, 1982,

rates for water-sewer and rural community facility loans were lowered. The "market" interest rate for those communities able to afford it went from 10.625 to 9.750 percent, and the "intermediate" rate dropped from 7.875 to 7.375 percent. The poverty-line interest rate remained at five percent.

THE DEFERRED ANNUITY OFFERS TAX DEFERRED SAVINGS! FROM SOUTHERN FARM BUREAU LIFE INSURANCE COMPANY

This table shows the interest rate you must earn in a traditional savings plan just to EQUAL the dollars you could accumulate through Southern Farm Bureau's Deferred Annuity:

To equal accumulation of Deferred Annuity interest rate of:	You must earn this rate in an "after-tax" savings plan

COULD YOU USE AN EXTRA \$540,585 WHEN YOU RETIRE?

THE NEW TAX-DEFERRED INDIVIDUAL RETIREMENT ACCOUNTS-IRAs.

That's a ridiculous question, of course. Because everyone could use an extra \$540,585 toward their retirement.

And now, with a tax deferred Individual Retirement Account (IRA) from our FULL SERVICE BANK, almost everyone can have an extra \$540,585. Even if you're already covered by a company pension plan.

To build such an impressive nest egg you'll need to save away \$2,000 a year—for 30 years—into your own high-yield retirement account.

Or as demonstrated in the box at right, you can deposit less than \$2,000 a year and still end up with a sizeable amount of cash.

You can even set up a convenient payment schedule. Making deposits by the week, by the month or whatever suits you best.

WHAT A TAX-DEFERRED IRA COULD MEAN TO YOU

	\$500 INVESTMENT	\$1,000 INVESTMENT	\$2,000 INVESTMENT
Value of investment after 30 years	\$15,000	\$30,000	\$60,000
Value of investment after 30 years, plus interest	\$135,146	\$270,292	\$540,585

Note: This chart is intended to be an example of how regular deposits into an IRA can grow into a substantial sum. This is not a guarantee of interest rates or end financial results.

And because our retirement accounts are tax-deferred, you deduct your annual investment from your taxable income. So you'll pay no federal tax on an IRA until you start withdrawing funds (minimum age 59½).

Then, when you retire, you'll probably be in a lower tax bracket, paying lower taxes.

If you're intrigued with the thought of reducing your tax load while increasing your security, call or visit the professionals at our FULL SERVICE BANK for all the details.

They could help make your retirement much more enjoyable. About \$540,585 more enjoyable.

Wolves keep record perfect, down Coahoma

The Wolves varsity continue to stay on top of things in district 6AAA play as they downed the Coahoma Bulldogs 69-47 Tuesday night in Wolf Gym.

Playing in front of a highly enthusiastic crowd the Pack gained their second seemingly easy district win with their pressing, running type of game plan.

The Bulldogs hung close to the Wolves until midway through the second quarter, when the Wolf press caused four Bulldog turnovers which allowed the Wolves to jump to a 38-27 half-time lead.

In the third stanza the Wolves put the game out of reach as Stacey Tarter and Dennis Rivera combined for 17 of the Pack's third quarter points, and the Wolves held a comfortable 61-37 lead.

Tarter had another good game, as his close range jumpers netted him a season high of 25 points. In the final quarter Wolf coach Mike Hart emptied his bench as the Pack's running

game simply ran Coahoma down.

Tracy Tarter scored 11 points, and with his brother's help controlled the boards for the Wolves. Dennis Rivera scored 10 points. Others scoring were Don Randle, Chris McKinney and Tom Rees all with six. Doug Chitsey four, and Tim Beights one.

The Wolves district record stands at 2-0.

In junior varsity action, the Wolves rallied from a 30-29 third quarter deficit to nip the Bulldogs 42-40. Leading scorers for the Wolves were Armando Rivera 13, Yardy Powell 13, Larry Hamilton seven, Joey Ritchey five, and Perry Conner four.

Loraine 'Dogs keep rolling

The Loraine Bulldog boys and girls basketball teams held on to sole procession of third place in district 7A with victories over the Hermleigh Cardinals Tuesday night in Hermleigh.

The Bulldog boys evened their district slate to 2-2 with a 58-53 win over the Cardinals. The win leaves the Bulldogs behind front-runners Highland 4-0, and Roscoe 3-1. This is the same case in the girls race.

For the second game in a row the Bulldog win was anything from spectacular, and their performance left coach Ronald James somewhat disgruntled. "We played terrible, we have to gain mental toughness. We expect other teams to lay down for us like we are so great. We play hard against the tough teams, and the rest we just play good enough to win," commented James.

The Cardinals slowdown tempo type of game seemed to bother the Bulldogs, who are used to getting the ball up and down the court in a hurry.

"They were quicker than I thought they would be, it bothered us some when they slowed down the game. Most teams try to keep us from our running game," commented James.

Again junior postman James Griffin led the way for the 'Dogs by scoring 25 points and hauling down 13 rebounds. After leading 42-31 going into the final quarter, the Bulldogs had to hold off a Hermleigh rally in which the

To win basketball games consistently, a team must be able to convert its free throws, Tuesday night at Wolf Gym the Coahoma Bulldogs proved that theory true as they connected on 64 percent of their free throw attempts as they slipped by the Wolves 57-55 in district 6AAA action.

The visitors converted 21 of 33 charity at-

tempts, including six of eight in the last two minutes of the game. Bulldogs Vicki Buchanan and Jana Griffin sealed the Wolves doom as they converted five of the free throws.

The contest was action packed all the way, with both teams pressing and using a fast paced offense. The largest lead of the game came midway in the

third quarter when C-City opened up a 43-33 lead thanks to forward Tomika Randle. Randle has been silent for the past couple of games, but "busted loose" in the third quarter by scoring five consecutive baskets after the Pack trailed 30-28 at the half. Randle closed out a banner night with 15 points and 14 rebounds.

But it was outside shooting of the Bulldogs that carried them throughout the game. Griffin and Buchanan combined for 24 points, mostly from the outside. But guard Milessa Paige dented the Pack's zone time after time with her long range bombs. Miss Paige ended up as the game's leading scorer with 21 points.

C-City had some fire-

works of its own as Laura Baum gunned in 20 and Stacy Hamrick contributed 10 points and 12 rebounds.

The Pack took a 45-41 lead into the final quarter, but Coahoma battled back to take the lead 52-51 with just over two minutes remaining. The Bulldogs scored again on two free throws and a long range jumper by Buchanan. The Wolves came right back on a turn around jumper by Baum. Anita Silva sunk two big free throws and the Bulldog lead was 56-55 with :37 left.

Next Griffin was fouled and she sunk one free throw. Following that the Wolves had two chances to send the game into overtime, but shots by Randle and Baum would not fall as Coahoma hung on to a hard

earned victory.

The loss drops the Wolves district record

to 1-3 in district play. But Wolves coach George Martin says that his team will definitely bounce back in the second half. Also Martin and boys coach Mike Hart would like to thank all the fans that have been coming out and supporting Colorado City basketball.

In the girls junior varsity game the Pack upped their district record to 3-1 with a narrow 41-38 win.

Scoring for the Wolves were Linda Scott 15, Denise Jackson 13, Cres Aguilar 12 and Julie Waid two. Jackson grabbed 15 rebounds while Scott grabbed 10 and Sherry Fite seven rebounds.

'Cards scored 22 points.

Guard Aundra Rose poured in 13 points and added eight rebounds. Ruben Garcia contributed eight points, while Steve Morris crashed the boards for 12 car-

oms. It took the Loraine girls four minutes to get warmed up against the 'Cards, but after that the Bulldogs cruised to a 54-21 win.

The Bulldogs went scoreless for the opening four minutes, but rallied behind their one-two scoring punch of Leslie Rose and Janie Barrera who scored 23 and 16 respectively.

Leading 9-7 after the first quarter, the Bulldogs outdistanced the Cardinals 22-2 in the second quarter to secure the win.

The win pleased Bulldog coach Jimmy Fine. "They spread their offense out on us. When we figured out what they were doing we played good defensively. We rebounded well, (Stephanie McAdams 19, Leslie Rose 10) we really didn't run our pat-

terned offense that much, because we got a lot of steals and ran our fast break well," said Fine. Ballhawks Tency Deloera, Barrera and Julie Wells combined for 16 steals.

"We are gearing up for the second half of district play," said Fine. "We need to split with either Roscoe or Highland to have any chance for the playoffs."

Karate class offered

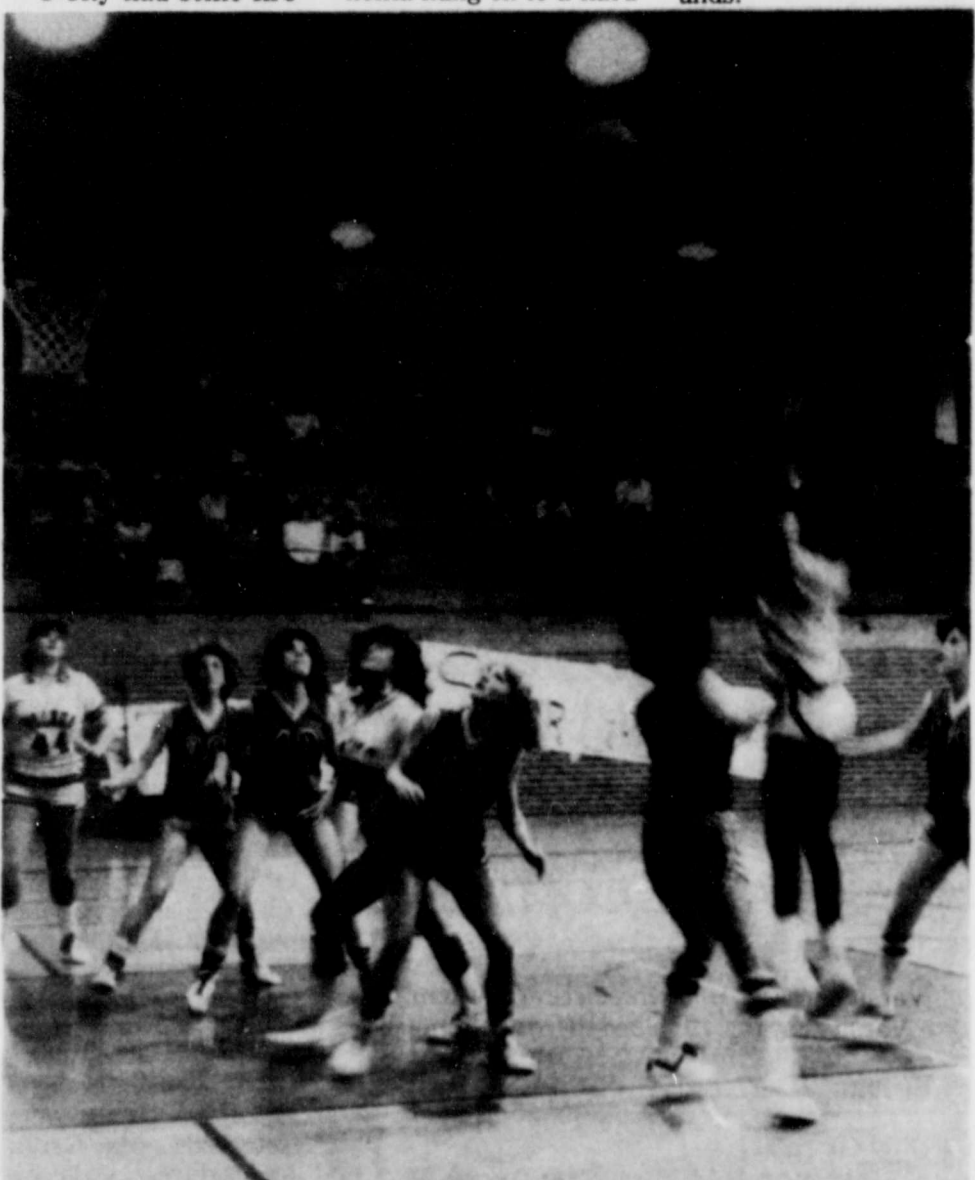

The Wallace Center is offering a new class in Karate (Tae Kwon Do) starting February 2. The class will meet twice each week, Monday and Wednesday nights from 7-9 p.m. Tuition for the class is \$30 per person. The class is for persons 5-6 years (mature) and over. A new class will start each month.

Tae Kwon Do is the martial art developed in Korea over a period covering 20 centuries or more. Seventh Degree Grand Master John Chu brought the art to the Texas Area in August, 1971.

Once an individual realizes that Tae Kwon Do is a multifaceted art, that person is well on their way to achieving the mental and physical harmony essential to qualify as an advanced student of this art.

Instructors for the course will be Steven and Ydalia Alcala. Steven holds a 2nd degree black belt and Ydalia holds a 1st degree black belt. Each person registering will become members of the World Tae Kwon Do Federation-John Chu's Southern Association.

Pre-registration is required. For more information you may call the Wallace Center 728-2392.

PUTTING IT UP—Wolves Forward Tomika Randle takes a jumper against Coahoma in first quarter action Friday night. Positioning for the rebound are Sonya Mercer (44) and Anita Silva.

Poor first quarter leads to Wildcat loss

BURNETT FOR TWO—Wildcat Sophomore Donald Burnett sinks two of his 20 points against Ira Friday night. Also involved in the action is Billy Sweek (53).

The Ira Bulldogs got the best of the Westbrook Wildcats basketball teams Tuesday night in Ira.

A poor first quarter spelled defeat for the Westbrook girls in a

32-27 loss to Ira. The Bulldogs jumped out to a 8-2 first quarter lead, and that was the margin of victory that the Bulldogs needed. "We did not function properly in the first quarter. Any-

time you can only score two points in the first quarter, you can't beat

people," commented Wildcat coach Keith Bundas. Poor free throw shooting (three of 10)

also hampered the Wild-

cats. In the second quarter, the 'Cats battled back as Elina Lopez hit three straight baskets, but that is about as much fire power as the visitors would generate. "We were not hitting our outside shots, we shot about 20 percent from the floor. We have to go out and try to improve in the second half," said Bundas.

Lynn Dawson led the Wildcat scoring with eight points, and Lopez chipped in six points. The Wildcats district record drops to 1-3.

The Ira boys blew a close game open in the final two minutes outscoring the 'Cats 12-2, to take a 49-33 win.

"In the final two minutes we had to get back in our press, and they

were too quick for us," said Wildcat Jerry Tucker. At the time the 'Cats had narrowed the lead to 37-31 thanks to the shooting of Donald Burnett, 20 points. Burnett ended up eight of 15 from the field, four of seven from the free throw line and 12 rebounds. Kelvin Poe added seven rebounds. "Kelvin Poe will do a good job filling in for Cantrell. As soon as he plays a little more he will contribute to our offensive attack," said Tucker. "Right now we are gaining the respect of all our opponents. Next year we will be contenders!" Westbrook district record drops to 1-3. The Wildcat J.V. boys' record drops to 1-3. Dwayne Hayes 26 and Nick Aucamp's 13 points.

Littering can be expensive

In addition to being unsightly and sometimes unsanitary, littering is against the law and, according to County Judge Bill Carter, the law is being enforced and violators are being prosecuted and fined. It is stated in the Texas Litter Abatement Act that a fine of not less than \$15 nor more than \$200 can be levied for disposing of "trash, junk, garbage, refuse, unsightly matter, or other solid waste on a public highway, right-of-way, other public or private property, or into inland or coastal water of Texas...."

The law also says that it is a violation if someone "dumps, deposits, or leaves refuse garbage, rubbish, or junk within 300 yards of a public highway in this state...."

A violation in this category is punishable by a fine of not less than \$50 nor more than \$400.

WOULD YOU LIKE FOR SOMEONE TO HOLD 10% OF YOUR INTEREST & INCOME?

It's going to happen and we think it's going to cost you a bundle!

Beginning in 1983, a new law requires withholding 10% of the taxable interest and dividends you receive from savings and loans, banks, credit unions, money market and other mutual funds, corporate stocks and bonds, and government obligations (including "E" bonds.)

Wait, there's more!

There will also be withholding from pension, profit sharing, annuity contracts, other deferred compensation plans and Individual Retirement Account disbursements (unless you take the time to request otherwise.)

Sure, some folks who meet specific age and income guidelines can receive exclusions from this law, but only if the proper forms are completed for each and every payer. In completing each form you will divulge information about your age and income you never had to give out before!

Plus, you'll lose the effective com-

pounding of the withheld interest. And, the added costs to the financial industry for administrating the plan will ultimately be passed on to the public.

In effect, this new law gives the federal government an interest-free loan with your money!

Makes you wonder...whatever happened to saving incentives?

If you agree...if you don't want your interest income reduced by this 10% plan, write your Senators and Congressman. Let them know how you feel. That this plan should be repealed.

IN THE NAME OF JESUS BOBBY CHANEY

Philippians 2:10 states that the name of Jesus is above every name, and at the name of Jesus every knee should bow: things in heaven, things in earth, and things under the earth.

The scripture teaches there is none other name under heaven given among men, whereby we must be saved. Salvation can not come through anyone else. Jesus said, "I am the way, the truth and the life; no man comes to the Father but by me." You can not know the power of God any other way. You have to come through the door. You can not come to God through any organization, works, goodness, name of a church, vows to the church or individual. You have to come through Jesus.

When we come to Jesus, we take on His identity. We identify with him, not the world. The first step in identifying with Jesus is being baptized in the name of Jesus. Romans 6:3-4 states that so many of us as were baptized into Jesus Christ were baptized unto his death. Therefore we are buried with him by baptism into his death; that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life. Colossians 2:12 explains we are buried with him in baptism, wherein you are risen with him through the faith of the operation of God, who hath raised him from the dead. In whose name we are baptized means that is to whom we belong. If we have been baptized into the churches name that is who we belong to. Many people will bring legalism, condemnation, and a curse by stating that you can not have salvation unless you come through them and their church. Paul points out in 1 Corinthians 1:11-15 there is contention in the church (which is not good) because some say, "I am of Paul; I am of Apollos; I am of Cephas; or I am of

Christ. Then he asked the questions. Is Christ divided? Was Paul crucified for you? Were you baptized in the name of Paul? We can ask the same thing today. Is Christ divided? Was the Church name crucified for you? Were you baptized into the name over the church door? Paul goes on and declares I thank God I baptized none of you but Crispus and Gaius lest you should say I baptized in my own name. Paul states in 1 Corinthians 3: that we are still carnal and can not receive spiritually if we walk in such division. We need to know we have put on Christ and not the organization.

Jesus says in John 17:26, "I have declared unto them Thy name (Jehovah-Lord), and will declare it to them, that the love wherewith thou has loved me may be in them, and I in them. If we have the authority of Jesus then we shall operate in the same love that the Father and Son had for one another, and Jesus will be in us, and we shall identify with Him.

Mark tells us in Mark 16 that the believer shall cast out devils; shall speak in new tongues; take up serpents; if they drink any thing deadly, it shall not hurt them, and they shall lay hands on the sick and they shall recover.

Hebrews 13:8 encourages in the fact that Jesus Christ is the same yesterday, today and forever. Acts 2:38 tells us in order to come into this relation of power and authority, we must repent and be baptized in the name of Jesus Christ for remission of sins, and you shall receive the Holy Ghost. It is for you! For verse 39 states for the promise is unto you, and it your children, and to all that are afar off, even as many as the Lord our God shall call. God is no respecter of persons. What he did for the apostles and the people then, he is doing today, you have not, because you ask not. When you ask it's not in faith, but for yourself to consume it in your own lust: says James 4:2-3.

Why don't you try the name of Jesus?

Cooking as a hobby agrees with Velma Bender

Cooking is more than just a household chore for Velma Bender. "That's one of my hobbies," she says. "I just like to cook."

Her cooking career started when she was quite young: "I was about 10 or 11 when I started cooking. From that I just went on cooking."

She continues, "I was always trying different things and I just got to where I liked to cook all time."

Mrs. Bender likes to try new recipes as well as the old tried-and-true ones, but she doesn't do it as often as she would like to. She notes, "I do collect recipes. I say I'm going to make something or say I'm going to use them, but a lot of times I never get back to them. Sometimes I do, though; I like to try new recipes."

She and her husband, DeWitt, have two sons and one daughter: Hilton lives in Sweetwater, Doris lives in Illinois and Robert lives here in Colorado City. They also have five grandchildren.

CHS to perform 1-act play

Students at Colorado High School will be performing an edited version of "The Crucible" in the UIL one-act play contest at Midland College on March 22, announced drama teacher Carl B. Moore.

"The Crucible," by Arthur Miller, was originally written as a four-act play and was first performed on Broadway in 1953; Moore said that Kitten Arthur, an English teacher at CHS, edited the play for the students to perform at competition.

Rehearsal for the play will begin on Monday, January 24, Moore said, adding that the following roles have been cast: Rev. Parris-Kerry Wright, Betty Parris-Kerry Spivey, Tituba-Carolyn Green, Abigail Williams-Pam Wilson, Thomas Putnam-Tom Reese, Ann Putnam-Naomi Mize, Mercy Lewis-Carmon Longley, Mary Warren-Yvonne Lujan, John Proctor-Stacy Tarter, Rev. Hale-Oren Upton, Rebecca Nurse-Julie Wade, Elizabeth Proctor-Cheryl Bradbury, Francis Nurse-Ronnie Womack, Marshall Herrick-Perry Conner, Duty Gov. Danforth-Tip Chaney.

The stage manager will be Stacey Hamrick and the alternate will be Staci Wood, Moore said. The play is set in Salem, Mass. at the time of the witch trials, but Moore noted that the action centers, not around the trials, but around what brought the trials about and how people are so willing to believe the worst about other people.

Moore also said that the play is based on actual happenings and that the names of the characters are the names of the real people involved.

Tips cited for purchasing motor vehicle

GOING OUT OF BUSINESS

Everything in store must go

The following article is a public service by the Colorado City RECORD newspaper through the cooperation of Rusty Carroll, District Attorney and The Prosecutor Council.

Examine Vehicle Title Before Buying

Although there are criminal penalties which attach upon conviction for delivery of improper title to vehicles, under certain circumstances, it is obviously better to avoid the problems in the first place.

There are some very simple precautions which can be taken by the consumer to avoid problems in this area. An individual should never purchase any motor vehicle, boat, or mobile home unless the seller is able to produce a certificate of title at the time of the transaction showing title to the property to be in the seller.

In examining the title certificate, the buyer should:

(1) be sure the seller

is listed as the owner of the vehicle on the face of the certificate;

(2) look at the title to determine whether there are any existing liens recorded against the vehicle. If the prospective purchaser has any questions about the condition of the title, any and all doubt should be resolved before entering into the transaction.

If a vehicle is going to be paid off over time, the buyer should insist on having the title recorded in his or her name, protecting the seller by recording a lien in his or her favor on the title. People often attempt a shortcut where the buyer allows the seller to hold onto the title certificate while payments are being made. Later, when the purchase price has been paid fully, and the seller is unable to convey clear title to the property, the purchaser may discover that he has bought not only a vehicle, but a lawsuit as well, if he is ever to be able to obtain clear title.

Always keep in mind that when you buy any motor vehicle or mobile home you are purchasing not only a tangible item, but a title to that property as well, with the title being fully as important as the property itself. Without clear title to a vehicle it will be impossible for the purchaser to obtain a certificate of title, and without such a certificate, one is unable to obtain license plates for the vehicle and the consumer may find that he is unable to ever resell the vehicle.

Oftentimes, the deal which seems "Too good to be true" may turn out to be just that—the bargain price being due to the fact that the seller does not hold clear title to the vehicle. The time to be concerned about the title is before the money changes hands—afterwards it may be too late. Where

a seller is unable to convey clear title as promised, it may be possible for the buyer to maintain a deceptive trade practices action against the seller. But, since sellers are sometimes difficult to find after the sale, this may not always be a satisfactory remedy.

This is an area, like so many others, where an ounce of prevention is

worth a pound of cure. The buyer can best protect himself by being an intelligent consumer—asking questions where any discrepancies

exist in the title, and only relying on representations made by a seller when they are in writing. Verbal promises made at the time of sale often turn out to be worthless.

Many questions concerning titles and title registration can be answered by the county tax assessor-collector's office. Other inquiries should be directed to the individual's private lawyer.

First annual Rattlesnake Run scheduled for March 13

The first annual Sweetwater Rattlesnake Run is scheduled for Sunday, March 13, 1983 in conjunction with the world's largest rattlesnake roundup in Sweetwater. The 10 kilometer and two-mile fun run-walk is presented by the Sweetwater Mercantile Co., 100 McCaulley St. in Sweetwater to benefit the Sweetwater Municipal Auditorium restoration project.

Entry deadline is March 1 for those who would like their packet and Rattlesnake Run T-shirt mailed to them for eight dollars. Through March 12 entrants may register for the race and pick up their packets and T-shirts for seven dollars at the Sweetwater Mercantile Co. An

entry fee of 10 dollars will be charged on race day. Packet pick up and registration on race day will be at the Sweetwater Municipal Auditorium, Fourth and Locust Streets in Sweetwater beginning at 9 a.m.

The 10 Kilometer race begins at 10 a.m. with the two mile fun run-walk following at 10:30 a.m.

Both runs loop around and through city streets past the Nolan County Coliseum, site of the 25th Annual Sweetwater Jaycees Rattlesnake Roundup. The course is generally flat to rolling terrain and takes runners past West Texas' largest gun and coin show, a carnival, a flea market and the Rattlesnake Queen Contest.

Last year more than 10,000 visitors attended the three-day Rattlesnake celebration, when bounty hunters brought more than 4,000 writhing pounds of the area's deadly diamondbacks to be exhibited, milked, fried and eaten.

First, second and third place finishers will be awarded in each of the five age divisions: men and women separately, ages 18 and younger, 19-29, 30-39, 40-49 and 50 and older. Certificates of completion will be awarded to all finishers.

Official entry forms and more information may be obtained from the Sweetwater Mercantile Co., or write to Sweetwater Rattlesnake Run, P.O. Box 1081, Sweetwater, Texas 79556. In Abilene, contact your local sporting goods store or call Media Design and Marketing, Inc., (915) 698-7004 and ask for Monica Hart.

Indictment clarified

When the list of indictments that had been handed down by the grand jury in Mitchell County was published in the January 16 edition of the RECORD, it listed Richard Chambers as being indicted for the theft of western boots valued at more than \$200.

The Chambers named in the indictment is a resident of Big Spring and, according to Mitchell County Sheriff Wendell Bryant, is currently being held in the Howard County jail. He is not the Richard Chambers who lives in Snyder and is the son of Robert and Helen Chambers.

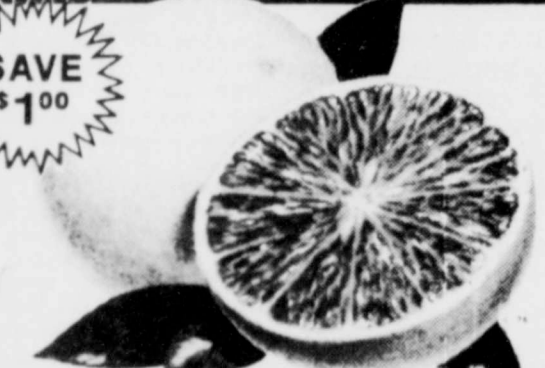

Name

omitted

In the article in the January 20 edition of the RECORD on the Honor Society that has been formed in Lorraine, Jana Britton's name was omitted. She is also a member of the Honor Society.

Letters to the Editor

Dear Editor:

Last night at the Western Texas College basketball games, highlights of the evening were performances by your flag drill team and featured twirler. When spontaneous applause erupts several times during a performance, one knows that exceptional

performances are being made.

These youngsters represented you well at "Colorado City Night." So did members of the faculty and administration, and close to a 100 other individuals who came to represent Colorado City at the game. Included were Mr.

Mac Morris, President of the School Board, and Mrs. Charles Uselton, Superintendent of Schools.

We know that these folks are committed to seeing a whole passle of games at home, and their coming over here for this activity was even doubly pleasing.

You have grand schools in Colorado City, staffed by great people under the direction of Mr. Uselton.

Come back to see us! Sincerely, Don Newbury

Dear Mr. Plagens, There could hardly be a less desirable way to increase federal tax revenues than the scheme to withhold income tax on interest and dividend income.

This scheme is unnecessary and will result in only a minimal increase in revenues. It will also alienate and infuriate the millions of honest taxpayers who will have to put up with it.

Yet unless the new Congress takes immediate action, this ill-advised program will go into effect on July 1, 1983.

In the past, Congress has had the good sense to respond to aroused public opinion and kill similar schemes. This one got through last year because with no warning, it was tacked onto the general tax bill—and killing it would have meant killing the overall measure.

The Treasury itself admits that the vast majority of people report their interest and dividend income. The

cheaters can be caught through more efficient use of the existing computerized Form 1099 system, such as requiring full information reporting on the more than \$250 billion outstanding U.S. Treasury and U.S. agency obligations not counting E-bonds.

This makes a lot more sense than forcing virtually all interest and dividend-paying banks, savings institutions, corporations, mutual funds and brokerage houses to become tax collectors. (The plan also covers U.S. government securities, including E-bonds.)

Perhaps worst of all is the mass confusion this scheme will create. Withholding will be optional with the payer if payments total less than \$150 per year. For most investments tax will be withheld from each payment, but withholding could be once-a-year on passbook and checkbook-type accounts.

It goes without saying that a scheme as all-encompassing as this one also has many built-in inequities, and that they will fall hardest on those who can least afford it. There is certain to be a lot of over-withholding—and in some cases people entitled to refunds may neglect to file for them.

An exemption system is provided for people 65 and older who did not

pay more than \$1,500 in taxes in the previous year (\$2,500 for joint returns) and for anyone who paid \$600 or less (\$1,000 for joint returns). But to get exemptions people would have to file with each interest and dividend-paying source, disclosing private details about their incomes and, for senior citizens, their age.

Because it is based on the previous year's tax, the exemption system is also unfair to people whose incomes drop in the current year—people who have retired, for instance, or who have lost their jobs or other sources of income.

There's still time for Congress to give this incredibly ill-advised scheme quick and decent burial. Those who agree that saddling millions of honest taxpayers with this complicated and cumbersome system is the worst possible way to boost tax revenues, should let their U.S. Senators and Representatives in Congress know—and do it now! Write to:

Congressman Charles Stenholm, 17th District, 1232 Longworth, Office Building, Washington, D.C. 20510; Senator John Tower, 142 Russell Office Bldg., Washington, D.C. 20510; and Senator Lloyd Bentsen, 204 Russell Office Bldg., Washington, D.C. 20510.

S. T. Jack Hollis

PAT MCKINNEY recently received a plaque in recognition of 35 years of outstanding service to the Colorado City Volunteer Fire Department. McKinney is presently a training officer with the Fire Department and he served as fire chief for many years.

The American farmer builds two things better than anyone else in the world. He builds the next generation, passing along a special kind of wisdom... respect for the soil, honesty, independence, and faith in the future. And he builds his land, leaving it better than he found it. That kind of building usually requires borrowed long-term capital. That's where we can help.

Dear Customer,

IF THE FEDERAL GOVERNMENT HAS ITS WAY, 10% OF YOUR INTEREST AND DIVIDEND INCOME WILL BE WITHHELD FROM YOU NEXT YEAR!!!

The United States Congress recently passed a law that will adversely affect you and most other savers in the nation. Under this law, all financial institutions will be required to automatically withhold 10% of the interest and dividends earned by their customers and transmit this amount to the IRS.

THIS LAW IS WRONG FOR THE FOLLOWING REASONS:

- 1) WITHHOLDING WILL CUT THE AMOUNT OF CASH YOU HAVE AVAILABLE DURING THE YEAR FROM YOUR INTEREST INCOME.
- 2) THE AMOUNT WITHHELD MAY NOT BE CORRECT FOR YOUR TAX BRACKET. IF OVERWITHOLDING OCCURS, YOU WILL HAVE TO FILE FOR A TAX REFUND TO GET BACK YOUR OWN MONEY.
- 3) YOUR TOTAL INTEREST EARNINGS WILL BE REDUCED BECAUSE OF LESS INCOME FROM REINVESTMENT AND COMPOUNDING.
- 4) ELDERLY PERSONS AND LOW INCOME INDIVIDUALS (INCLUDING CHILDREN) WILL HAVE TO FILE AN EXEMPTION CERTIFICATE FOR EACH AND EVERY ACCOUNT THEY HAVE IN ORDER TO AVOID WITHHOLDING. IF THE EXEMPTION IS NOT FILED IN TIME, A TAX RETURN MUST BE FILED THE NEXT YEAR - OR THE WITHHELD MONEY WILL BE FORFEITED TO THE GOVERNMENT.

UNLESS CONGRESS ACTS TO STOP THE WITHHOLDING RULE, IT WILL GO INTO EFFECT ON JULY 1, 1983. FIRST STATE BANK IS WORKING TO DO AWAY WITH THE RULE, BUT WE NEED YOUR HELP. IT'S YOUR MONEY.

Please note the names and addresses of our Representatives. We recommend that you write, call or detach the message below to convey to your Representative your support in repealing this law.

Congressman Charles Stenholm 17th District, 1232 Longworth Office Building Washington, D.C. 20510	Senator John Tower 142 Russell Office Bldg. Washington, D.C. 20510	Senator Lloyd Bentsen 204 Russell Office Bldg. Washington, D.C. 20510

Nolan County

college rodeo

to be held

The first intercollegiate ranch rodeo ever will be held in the Nolan County Coliseum, February 4 and 5.

The event, sponsored by the Livestock and Ranch Operation Program at TST-Sweetwater, will bring together teams from all over Texas, New Mexico and Oklahoma. Performances are 7:30 p.m. nightly with prize money given to the winning teams.

The events in a ranch rodeo are different from those in standard rodeo. Teams will be judged in wild cow milking, team penning, team branding and in wild horse racing. A remuda race, in which one team member must rope his partner's horse out of a herd and lead it back to be saddled, and double mugging (two-man calf roping) are also among the planned events.

A country-western dance in the Coliseum Annex will follow the last performance on Saturday. Dance tickets are \$3 and the dance is scheduled from 9 p.m. to 1 a.m.

Ticket prices are \$3 for adults and \$1.50 for children under 12. The public is cordially invited to attend.
