Police Make Raids; Violators Arrested

Liquor raids Saturday in Olton resulted in the arrest of two subjects who were to appear in Littlefield Monday where charges were to be filed.

Three liquor control officers, Chief of Police Don Hatley, City Patrolman William Hammon and Deputy Elmer Hall led the raid and confiscated 200 cans of beer, two fifths of wine, 11 fifths of whiskey and two half-pints of whiskey. The liquor was taken to the Lamb County Court House as evidence.

During the time the raid was being conducted, officers Hatley, Hammons and Hall took into custody one subject who was in his vehicle in a drunken state. He was confined to the local jail and appeared before the judge Monday.

Late last week, officers Hatley and Hammons were called to investigate a house burglary in which two banks, supposedly containing some $250, were taken.

Investigation disclosed that entry into the house had to have been made by a key. One broken bank was discovered which was reported to have held approximately $200. No money was found. The second bank, a red and black piggy bank, was not found. Prints of bare feet were found outside the house. The case is still open.

Word was received Tuesday of a Pennsylvania car theft in which the suspect was believed to have come to Texas. Police Hatley and Hammon discovered the suspect in Olton and questioned him.

Confessing he had stolen the car and sold it enroute to Texas, the man was turned over to Pennsylvania police after a telephone call to Coleville, Pa. disclosed that warrants had been issued for the man.

Olton's Annual Invitational Basketball Tournament Scheduled

The Olton Invitational Basketball Tournament is ready to kick off its annual event with sixteen teams ready to scramble for the coveted Championship honors.

The first game will start at 9 A.M. Thursday, Dec. 16, and will feature a boys game between pre-tournament favorite Lubbock Roosevelt and Petersburg. Other strong teams entered in the boys division of the tournament, and which could be rated as favorites along with Lubbock Roosevelt, include the defending champion from last year Lockney and Grace Christian of Amarillo.

In the girls division of the tournament a host of strong teams make up their bracket, including pre-tournament favorite and last year's defending champion Abernathy, as well as teams from Lockney, Lubbock Cooper and Olton's Fillies.

Games will begin at 9 A.M. Thursday and Friday with a 12 o'clock time for the finals on Saturday. Price of admission will be $1.50 for adults and $.75 students.

OVER THE TOP AND MORE - Olton area United Way campaign for 1976, the first ever, exceeded the $8,500 goal. Campaign chairman Melvin Rape, assisted by Eugene Griffin, brings the signboard up to date, indicating the successful campaign.

United Way Campaign Goes Over $8500 Goal

Persons in the Olton Independent School District have made it possible for the newly organized United Way of Olton to not only meet its first year goal of $8500 but have sent the figure over the top.

Contributions and pledges have brought the total to $9,327.20 in this first year for a United Way campaign for this community. The successful drive will eliminate separate fund drives for the American Heart Association, American Cancer Society, Salvation Army, American Red Cross, Cystic Fibrosis Foundation, Caprock Council of Girl Scouts of America and Haynes District Boy Scouts of America.

Because of the goal's attainment, these organizations will receive contributions from the United Way of Olton in the amounts generally assessed as Olton's fair share goal. The area includes all of that within the boundry of Olton Independent School District.

Melvin Rape, United Way campaign chairman, expressed thanks this week to all who helped make this initial year a success. He especially offered appreciation to all who helped conduct the drive.

The sign board at the corner of the "square" was updated this week to help inform everyone that the 1976 goal had reached approximately 10 percent over the 100 percent hoped for total.

Homemakers Cookbook Second Printing Ready

Olton Young Homemakers have received a second printing of their popular cookbook of favorite recipes of area homemakers. The new supply has been made available in time for Christmas gifting.

Cookbooks are available at Northside Gift Shop, Mini Mall, Leon's Grocery, office of the Chamber of Commerce and Agriculture and The Olton Enterprise. They are still available at the original price of $4.50 per copy.

A list of corrections has been included in each new cookbook. In addition to some printed earlier this year, there have been one or two additional ones called to the attention of the group.

All known corrections are re-printed here for the benefit of persons who purchased copies of the first printing. Young Homemakers suggest this item be clipped and inserted in the cookbooks.

Page 84 - Caramel Nut Ice Cream by Mozelle Trotter: In directions, insert after the word "cool" the following: Beat 5 eggs until lemony. Gradually add 2 more cups sugar. Add to the carmelized mixture.

Page 98 - Coconut Cake by Mrs. Fred Hicks: Add 2½ cups flour.

Page 103 - Wine Fruit Cake by Elsie Petty: Omit the orange glaze.

Page 154 - Orange Slice Cookies by Mrs. Earl Robertson: Add 2 cups powdered sugar to icing.

Persons who know of other corrections are asked to contact Mrs. Gary Turner, 285-2338.

Open House Invitation Extended To Olton

An invitation is extended to persons in the Olton area to attend open house Sunday afternoon, Dec. 12, at the newly expanded and remodeled Farmers State Bank of Hart.

Bank president James (Jim) Werner and other officers and directors extend a cordial "Come to see us" during the open house hours of 2 to 5 p.m.

The open house reception comes just two days short of the 19th anniversary of the institution's charter. Farmers State Bank was founded by Willis A. Hawkins Sr. and Paul Brooks, both of Hart, and the late T.B. Cox and O.D. Dinwiddie.

Expanded to include the building formerly occupied by Hart Cleaners, Farmers State Bank has now doubled its floor space to provide for more spacious customer service, ample working room in the bookkeeping department and sufficient storage space. In addition, their community room has again been made available for the needs of the community. Drive-in facilities were also improved.

In addition to Werner, other officers of the bank include Gene Huntsinger, executive vice president; Charles Richmond, vice president and cashier; Jonalyn Jones, assistant vice president and Laverne McLain, assistant cashier.

Janet Truelock is secretary. Tellers are Amelia Castillo, Paula Hankins, Deanna Heiman, Vickie Martinez and Suzan Sanders. Bookkeepers are Miss Hankins, Miss Heiman, Eloise Sarabia and Vicki Kendrick.

Personal Possessions May Be Engraved

Olton Volunteer Firemen co-sponsored a project with the local police department to mark possessions of area residents with an engraving tool. The report in last week's Enterprise failed to credit the Fire Department with the project.

Chief of Police Don Hatley this week reminded residents who still have items that they wish to have engraved with identifying marks that the service is available upon request. It is free of cost.

Persons having items they wish marked may call any Volunteer Fireman or contact City Hall.

WOULD YOU BELIEVE - Twyla Gary, sixth grade student and daughter of Mr. and Mrs. Bill Gary, misplaced her billfold recently in South Plains Mall, Lubbock. A diligent search and inquiry proved fruitless. She came home brokenhearted. The following day, in a phone call from Carol Ratliff, a Tahoka High School junior, Twyla was told where she could claim her property. Courtesy and honesty still exist . . . the $70 was still intact, but Twyla's watching her purse more carefully now. (Staff photo)

COW POKES — By Ace Reid

Aw this Mars don't look so good, it wont raise a cow to a thousand acres!

Dear Editor

Real Treat

Dear Sue,

It was a real treat for me to get to fly home to be with my classmates of 1951. I hate to admit that I did not recognize two of them but everyone in Olton that I met readily knew that little Mathis girl. I think it was the first time in 25 years that I was the only "kid" at home and received all the attention!

Please send me a color photo of the occasion but could you please send a 5 x 7 since my eyesight has grown a little dimmer these past years.

It was so nice of the hometown and those near Olton to prepare a nice coffee and brunch for us.

Sincerely,
Nellie Fern Baker
Brandon, Tex.

P.S. I did not receive a Nov. 28 paper. Did you close for Thanksgiving? I just picked up the 14th and reread it. You have two faithful readers . . . Helen Slack and I both read it from front to back including the want-ads!

My daughter and I both enjoy our Olton cookbook too.

May We Interrupt

Rex Boyles

We had a busy day. We just finished a good supper, and it is time to relax. We get all stretched out and propped up in our favorite chair.

Feeling all comfortable and contented, we lean back to watch a bit of T.V. and to enjoy a peaceful night at home.

Our programs along with their commercials blink "on and off" with the regularity with which they were scheduled. We begin to unwind. Our bodies begin to feel the effects of the busy day. The tired bones, the good food, the comfortable chair and the regular rhythm on the set begin to lull us to sleep. The eyelids begin to droop. The head begins to nod. The breathing gets regular and heavy, and just as we are about to drift off . . .

"WE INTERRUPT THIS PROGRAM TO BRING THIS SPECIAL NEWS BULLETIN." Immediately the head snaps up. The eyes open wide, and all of our attention if focused on that tube . . . expecting bad news!

Now that bulletin does not have to be bad news, but that is what we usually expect from any abrupt interruption. When the loud speaker interrupts us at a football game, telling us to call home, what do we expect? When a phone call wakes us up in the middle of the night, what do we expect? Telegrams, sirens, squealing tires, anything that breaks abruptly into our work . . . . we expect bad news.

That expectation is not so unusual. Centuries ago some shepherds felt the same way and expected the same thing. They were relaxing after a hard days work. They had settled down for the night to keep watch over their sheep, but God interrupted their night with a special announcement. They expected bad news, and "they were sore afraid" (Luke 2:9).

But this bulletin was far from being bad news. It was good news. It was the Good News. God interrupted their life to announce not judgment or damnation but deliverance and salvation.

"And the angel said unto them, Be not afraid; for behold, I bring you good tidings of great joy which shall be to all the people: for there is born to you this day in the city of David a Saviour, who is Christ the Lord." (Luke 2:10-11)

"The Saviour" . . . and that is good news for we need a saviour. The world needs a saviour for all men, having sinned, face the reward of their crimes, death. (Romans 3:23; 6:23). It is good news to know that this "Saviour" can do what we need him to do. "He is able to save to the uttermost them that draw near unto God through him . . ." (Hebrews 7:25). That is good news of great joy.

"The Christ" . . . and that is good news. To the Jews. To the Jews this Christ meant deliverance and victory. This Christ is God's annointed, His chosen, His king. The Christ was the fulfillment of God's many promises, and for us the knowledge of His Christ is good news, once again being assured that God is faithful to keep his promises.

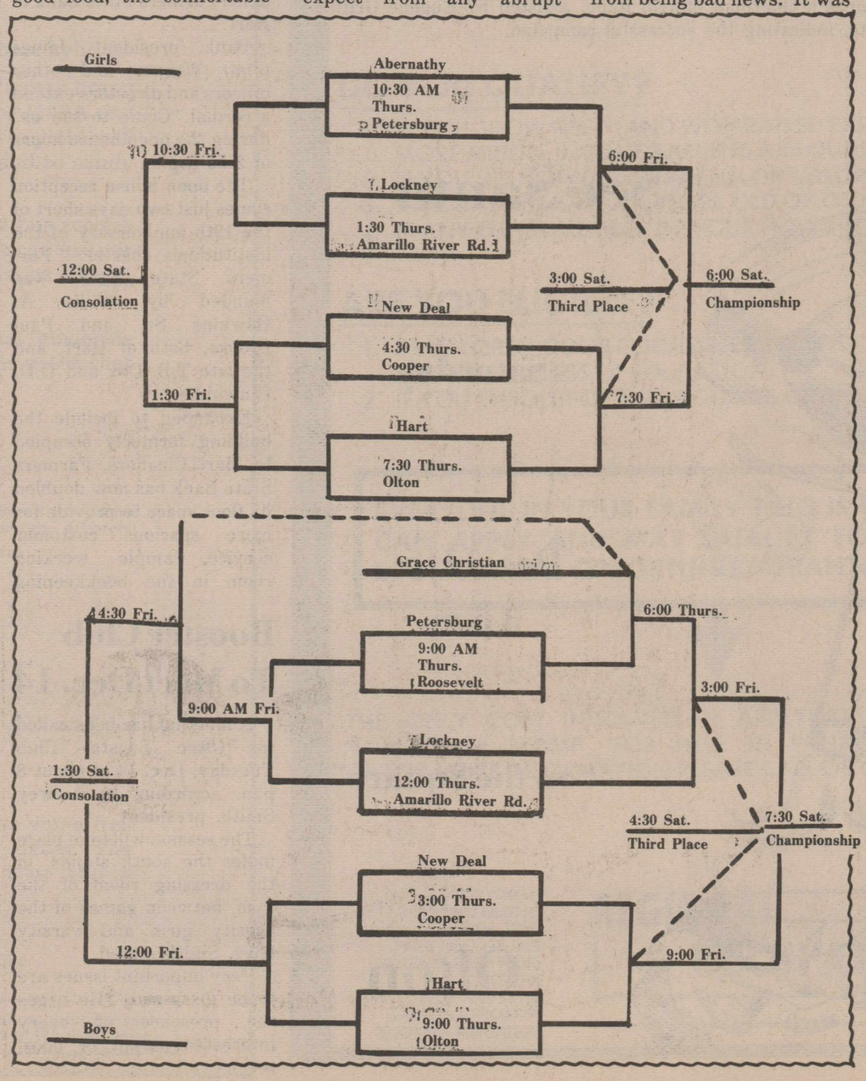

"The Lord" . . . and that is good news. He rules with the power of God over the wind and the seas, over the spirits and the demons, over the living and the dead, over the Church and the nations, over the world and the universe. (Ephesians 1:19-23; Colossians 1:15-18). He rules over all with a rod of iron (Psalms 2) with which he is able to bring judgment the disobedient and to deliver from trouble them that are his. (2 Thessalonians 1:7-9)

To those shepherds that must have been such good news, to know they now had a King that would not only protect them from their enemies but one who would deliver them from their bondage of death.

Unless I miss the boat completely, you and I are in the same boat as they were. We need that Saviour, God's chosen king, who is Lord of lords, and we have him.

So when God interrupted the program with a special announcement, those shepherds did not have to tremble at the expectation. They could rejoice at the salvation brought nigh by God's "only begotten son".

There will be no anxious waiting for us for he has already wrought great deliverance for all men, and he now lives to forgive those who obey. (Hebrews 5:8-9) That is good news . . . Rex

"Christmas Fantasy" A legendary doll house comes to sparkling life

The Christmas season celebrated in museums across the country, brings a rich panoply of holiday customs, traditions and dazzling beauty. One such display, a Christmas exhibition at The Museum of the City of New York, "A Party at the Stettheimers" was put together by John Noble, curator at the Museum. It was a labour of love and involvement for Mr. Noble who says the personality of the creator of the house "very clearly expressed itself" in determining what he could and could not do, in creating a Christmas fantasy in this unique doll house.

A different level of reality has been achieved and a set of dolls artfully designed to bring the house to sparkling life. It is the Stettheimers themselves, Florine and Ettie, Carrie and their mother, who are portrayed, and the house was decorated for Christmas as they might have done it in the mid-1920's, and peopled with some of their illustrious friends.

STETTHEIMER DOLL HOUSE decorated for Christmas. Mother and daughter at tea in the living room. Courtesy Museum of the City of New York.

The Stettheimer House was made during the 1920's by Carrie Walter Stettheimer, one of three fabulous sisters who, with their mother "ruled for almost a generation one of the acknowledged intellectual salons of our town." (Henry McBride).

Given to the museum 30 years ago, the doll house was the life-long project of this wealthy spinster. It has advanced decorating ideas, a miniature gallery, and as Mr. Noble suggests, almost ghostly glimpses into the life of the Stettheimer sisters.

Florine Stettheimer was a self-taught painter and stage designer whose works were exhibited at The Museum of Modern Art, in the 1940's after her death. Ettie Stettheimer wrote novels under the name of Henrie Waste. Carrie, long considered the least talented of the three sisters, created her fabulous doll house, putting together its elaborate furnishings herself. Carrie Stettheimer created a diminutive world not unlike the one in which she lived . . . one of embroidered bed sheets, bedrooms lined in chintz, luxurious draperies, crystal chandeliers.

STETTHEIMER DOLL HOUSE decorated for 1920's Christmas. Friends in and around the art gallery include Gaston Lachaise chatting with painter Marcel Duchamp, writer Henry McBride greeting Florine Stettheimer, Edward Steichen on the balcony photographing Elizabeth Duncan. Courtesy Museum of the City of New York.

Original petit point covers many of the chairs and also carpets the living room floor.

All the miniature pieces have been faithfully reproduced. There are tiny bottles atop a dressing table, a bathroom scale of minute proportions, dishes and cutlery of microdimensions, and would you believe, a working elevator!

In the nursery which is appropriately papered and furnished, there is a set of doll furniture that could fit in a nutshell.

The house was filled with dolls of the Stettheimers and their friends, by Mr. Noble. The dolls were modeled from Florine's paintings and dressed in authentic styles of the day. Among them are sculptor Gaston Lachaise, painter Marcel Duchamp, writer Henry McBride, photographer Edward Steichen, composer Virgil Thompson and other eminent personalities who frequented the salon. Some of the greatest literary and artistic figures of the 20's and 30's were part of the coterie attending the small formal dinner parties in the lavish apartment of Mrs. Stettheimer.

The most remarkable feature of the doll house is its art gallery containing what has proved to be a choice collection of works by important artists of the period, all created especially for this mini-mansion. Of the many small original masterpieces, perhaps the most celebrated are Marcel Duchamp's miniature version of his "Nude Descending a Staircase" and the alabaster "Venus" by Gaston Lachaise.

The festive doll house, with its glittering ephemeral decorations and its soign.ée occupants, show a glimpse of a lifestyle now almost lost, a glimpse of people who have become legends.

you can BANK on it!

Olton State Bank

Generally there are two ways for you to save money with a bank. Most common is the standard or passbook savings account. Also available, at most banks, is the certificate of deposit . . . commonly called a CD. Each has its advantages.

Flexibility is the number one good point of the regular savings account. It is extremely simple to move money in and out of the account . . . or it can be moved directly to a checking account with very little trouble. The disadvantage is that the money earns less interest than with a CD.

Here are the reasons for the difference. With a certificate of deposit the customer is, in effect, agreeing to leave the money in the account for a specific period of time . . . anywhere from 30 days to ten years at some banks. With a regular savings account, the bank doesn't know how long the money in the account will be available for the bank to lend to borrowers. With a CD, the bank knows what will be available and for how long . . . therefore, the interest paid on CDs can be higher. Generally, the longer the CD, the higher the interest paid to the customer.

Substantial penalties are charged if the money in a CD account is withdrawn prior to the maturity of the certificate.

Standefer - Hubbard Vows Pledged Dec. 4

Jimmy David Standefer of Stanton and Miss Sue Ann Hubbard of Odessa pledged marriage vows Saturday afternoon, Dec. 4, in the home of Minister and Mrs. Raymon Carson.

Officiating the double ring ceremony was Minister Carson, Evangelist of the Reorganized Church of Jesus Christ of Latter Day Saints.

Mr. and Mrs. Jack Hubbard of Odessa are parents of the bride. The bridegroom is son of Mr. and Mrs. Marvin Standefer of Stanton.

Harold Carson Recognized By MTNA

Harold Dean Carson has again achieved professional recognition by the Music Teachers National Association (MTNA) as a teacher of piano.

Harold Dean Carson was recommended by the Texas Music Teachers Association to the Music Teachers National Association Certification Board on the basis of outstanding achievement and high professional standards in the field of music pedagogy. This includes musical competence, consistent and continuing in-service training, and successful teaching experience.

The MTNA Certification Plan, adopted in 1967, is a national standard for the evaluation and recognition of qualified independent music teachers. Continuing education, performance, and professional involvement are significant features of this certification program.

MTNA was founded in 1876 and was the first professional music association in the United States. It has a membership of over 14,000, representing music teachers in studios, conservatories, music schools, private schools, and institutions of higher learning. The primary goal is to raise the level of musical performance, understanding and teaching in America.

Carson, who teaches piano in private classes in the city also presents the McClintock Piano Course for adults at Tolzien Music center in Amarillo.

He serves as Minister of Music for Paramount Community Church in Amarillo.

CORNER CATCHER

The only center pivot in the world that hits the corners.

In a typical quarter section where a regular center pivot is irrigating 132 acres, you can now do about 150 acres. But the new Valley Corner System isn't limited to squares. Irrigate both ends of a rectangle. Irrigate odd shaped pieces of land too. It's the answer to getting valuable productive land that's been wasted, back under center pivot irrigation.

For flood irrigators, it's also the answer to automatic water and labor saving center pivot, without wasting valuable acres. No monitoring, no labor problems, no night work. But you have all the advantages of precise irrigation and fertilizer application through the system, that produces higher yields than ever before. It's a simple concept; precise in operation and engineered with quality of all Valley-built Center Pivots. VALLEY.

MRS. BOBBY WILLIAMS

Cook Of The Week

Sharing recipes this week is a busy young homemaker and mother, Mrs. Bobby Williams.

Keeping up with her family, Carol says, leaves her little time for hobbies but she confesses she has "never been good with my hands" and thus doesn't miss not having time for handcraft pastimes.

Carol and Bobby are parents of two daughters and two sons. Cindy is 13; Christi, 12; Kevin, 10 and Craig, four. The family moved to Olton a little more than three years ago from Hale Center. Bobby has been farming for Floyd Prentice almost three years.

The Williamses met in Littlefield. Bobby had attended school at Spade; Carol attended schools in Brownfield where she lived most of her life before her marriage.

Members of Hillcrest Temple Church, Carol is secretary and treasurer of Women's Aglow. She had been teaching a children's Sunday School class but is now a student rather than teacher.

Carol says she prefers the "quick and easy" foods and the Strawberry Pound Cake is a bit more trouble than she usually likes but its taste and appearance is worth the effort. Her family particularly likes the chicken enchiladas and the sugar cookies are very much a family favorite.

CHICKEN ENCHILADAS
1 c chicken broth
1 c cream of mushroom soup
1 c cream of chicken soup
1 c chopped chillies
¼ c chopped onion
dash or two Tabasco sauce
1 T chili powder
1 chicken, boiled and chopped
Frito Corn Chips
8 oz cheese

Mix first 7 ingredients. Line pan with Frito Corn Chips and chicken, spoon mixture over chicken and Frito Corn Chips. Sprinkle with cheese. Put another layer Frito Corn Chips, chicken, sauce and cheese. Bake in hot oven until cheese melts.

STRAWBERRY NUT POUND CAKE
1 c shortening
2 c sugar
4 lge eggs
1 t butter flavoring
1 t vanilla
1½ t red food color
½ t strawberry extract
⅔ c buttermilk
3 c sifted flour
½ t salt
½ t baking powder
1 t soda
⅓ c strawberries, drained
½ c chopped pecans

Preheat oven to 325°. Cream shortening and sugar. Beat in eggs one at a time. Add vanilla, butter flavoring, red color and strawberry extract to buttermilk. Blend well and set aside. Sift flour, salt, baking powder, and soda together. Add to batter alternately with buttermilk mixture. Fold in strawberries and pecans. Blend well. Pour into a 10 in. bundt or stem pan, that has been greased and dusted with flour. Bake at 350° for one hour and 20 min. or until toothpick inserted in center comes out clean. Do not over bake. Remove cake from pan while still hot. Brush on glaze with pastry brush, covering top and sides.

GLAZE
1 c sugar
½ c strawberry juice from chopped strawberries
¼ c pecans
½ t vanilla
½ t butter flavoring
½ t strawberry extract

Combine ingredients (except pecans) in saucepan. Bring slowly to a boil, stirring constantly. Boil one min. Apply to cake while still hot. Sprinkle pecans.

SUGAR COOKIES
1¼ c sugar
⅔ c Crisco
2 eggs
1 T milk
1 t vanilla
3 c sifted flour
2 t baking powder
1 t salt

Cream sugar, Crisco, eggs, milk and vanilla. Combine flour, baking powder and salt. Blend into egg mixture. You can roll these out and cut with a cookie cutter or as I do just take by teaspoonfuls and roll into a ball. Press down with a fork dipped in sugar. Bake at 375° for 8 to 10 min.

For variety I sometimes add chopped pecans, chocolate chips, raisins or M & M candies. Use your own imagination and make your own cookies. The children really love them.

Carson To Speak At Meeting

Harold Dean Carson will be guest speaker at the Dec. 14th meeting of Women Aglow Fellowship. The meeting, to be held in the home of Mrs. Raymond Powers, is slated for 1 p.m.

Following the program, members will work on Christmas projects and enjoy a fellowship hour. An invitation is extended to all interested women.

RECENT VISITS

Mr. and Mrs. Joe Chester visited recently with his uncle and aunt, Mr. and Mrs. Willis Brewer and with a friend, Mrs. Viola Davis, all of Weaver. They also visited with Mrs. Lena Williams of Amarillo, who was visiting in Weaver.

RETURNS HOME

Mrs. E.E. Givens has been home some two weeks after an extended period of time in Lubbock Methodist Hospital.

FROM SUNRAY

Mr. and Mrs. Oscar Huckabee of Sunray stayed Tuesday night with his brother and sister-in-law, Mr. and Mrs. J.E. Huckabee. Wednesday morning the visitors called in the home of a brother and his wife, Mr. and Mrs. E.S. Huckabee.

Irish Minister Guest Speaker

Nat Cooper of Lubbock, originally of Belfast, Northern Ireland, was guest speaker at Teachers Appreciation Banquet served Sunday evening in Fellowship Hall of Main Street Church of Christ.

Theme of Minister Cooper's address was "Jesus The Teacher". Points emphasized were that Jesus taught in the simplicity of His life, in His sorrow and in His victory.

Tables were decorated in colors of red and green. At each plate were a miniature profile of a child's face and a poem concerning children.

Jacob Winkler Was Honored

Little Master Jacob Winkler, son of Rev. and Mrs. Ron Winkler, was honored Tuesday evening with a layette party in the PCA community room.

Hostesses for the occasion were members of Women's Aglow Fellowship.

The party table, draped with a white lace cloth, was centered with a pot of Swedish ivy tied with blue ribbon. Wooden blocks completed the decor.

Sweet breads and percolator punch were served.

Young Matrons Tour Gallery

Young Homemakers visited Ethan Allen Gallery, Tuesday Dec. 7.

During the tour in Concord House, Lubbock, club members saw a film presentation of different eras of traditional and early American furniture.

They were given a guided tour of the store, along with helpful suggestions in furniture buying.

Making the trip and sharing a Dutch treat luncheon were Mmes. Kathy Britton, Jeana Ferguson, Judy Redinger, Quenette Collins, Paulette Turner, Junette Noack and Becky Smith.

TO HEREFORD

Mrs. Jake Mitchell and Mrs. Elizabeth Kelley were in Hereford Monday.

Notice Of Hearing

"NOTICE OF HEARING ON SPECIAL BENEFITS TO BE RECEIVED FROM PROPOSED STREET IMPROVEMENTS AND ON OTHER MATTERS WITH REFERENCE THERETO, WHICH HEARING IS TO BE HELD IN THE OLTON COMMUNITY AND AGRICULTURE CENTER OF THE CITY OF OLTON, TEXAS, BEGINNING AT 7:00 O'CLOCK P.M. ON THE 20TH DAY OF DECEMBER, 1976.

TO ALL OWNERS AND TO ALL PERSONS OWNING OR CLAIMING ANY INTEREST IN OR LIEN UPON ANY PROPERTY ABUTTING THE STREETS AND AVENUES OR PORTIONS THEREOF OF THE CITY OF OLTON, TEXAS, HEREINAFTER NAMED, WITHIN THE LIMITS HEREINAFTER SET FORTH, AND TO ALL OTHER INTERESTED PARTIES AND TO THEIR AGENTS AND ATTORNEYS:

You are hereby notified that the City Council of the City of Olton, Texas, has determined the necessity for and ordered the improvement of certain streets and avenues or portions thereof hereinafter described within the limits hereinafter defined, the nature of which improvements is hereinafter generally set forth; and that the City of Olton has approved and adopted the estimate, statement and report of the City's Engineer and has taken other proceedings with reference to the making of such improvements are of record in the Minutes of the City Council of the the City of Olton and has by ordinance ordered that a hearing be held, and notice thereof, given, NOW THEREFORE, PURSUANT TO SAID PROCEEDINGS AND SUCH ORDINANCE,

NOTICE IS HEREBY GIVEN:

I

That a hearing shall be given to the owners and to all persons owning or claiming any interest in or lien upon any property abutting the streets and avenues or portions thereof of the City of Olton, Texas, hereinafter named, within the limits hereinafter set out, and to all other interested parties, including their agents and attorneys, before the City Council of the City of Olton, Texas, which hearing shall begin on the 20th day of December, 1976, at 7:00 o'clock P.M. and shall be held in the Olton Community and Agriculture Center of Olton, Texas, at which hearing all of said owners and other interested parties, their agents or attorneys shall have the right to be heard on any matter as to which hearing is a constitutional prerequisite to the validity of any assessment sought to be imposed and to contest the amounts of the proposed assessments, the lien and the liability thereof, the special benefits to the abutting properties and the owners thereof by means of the improvements for which all of such assessments are to be levied, the accuracy, sufficiency, regularity and validity of the proceedings and contracts in connection with such improvements and proposed assessments, or concerning any matter or thing connected therewith. The said hearing may be continued from time to time and day to day until a fair opportunity for hearing has been afforded to all desiring to contest the said assessments or proceedings, and the City Council shall have the power to and shall correct any errors, inaccuracies, irregularities and invalidities, and shall determine the amount of assessments and all other incidental matters and shall have the power by ordinance to close such hearing, and by the same or by a later ordinance or ordinances to levy such assessments before, during or after the construction of such improvements, but no part of any assessment against abutting properties shall be made to mature prior to acceptance by the City by ordinance of the improvements abutting the property for which the assessment is levied. It shall not be necessary to levy all of the assessments at one time or by a single ordinance, and said hearing may be closed as to each portion of a street and/or avenue constituting a unit of improvement (as such units are designated below), after a fair opportunity for hearing has been afforded to all desiring to contest the assessments proposed to be levied against the owners and their properties abutting on the portion of each such street and avenue constituting a unit of improvement; and the City Council shall then have the power to levy such assessments against such abutting properties and against the owners thereof, as provided herein and in the prior proceedings of the City Council herein referred to. No assessment will be made against any abutting property or the owner thereof in excess of the special benefits to such property and its owner in the enhanced value thereof by means of such improvements as determined at such hearing. All of such owners, claimants and other interested parties, their agents or attorneys, are hereby referred for further information to the proceedings with reference to said improvements on file and/or of record with the City Secretary of the City of Olton and particularly to the estimate of the City's Engineer, and to the proposed assessment roll wherein the exact amount proposed to be assessed against each abutting property and the owner thereof is set forth; said City's Engineer's estimate and said proposed assessment roll being on file in the office of the City Secretary.

II.

The nature of the improvements for which assessments are proposed to be levied and to which this notice relates is the filling, grading, raising, paving or repaving said streets and avenues or portions thereof in a permanent manner, and by the construction or reconstruction and the realigning of curbs and gutters where there are no existing curbs and gutters which can be utilized in whole or in part in the opinion of the City Engineer and by reconstructing and realigning existing curbs and gutters which can be utilized in whole or in part in the opinion of the City Engineer, and by the construction of such other necessary incidentals and appurtenances as the City's Engineer has found to be necessary or advisable, all as shown by the plans and specifications of the City's Engineer, and by widening where necessary so as to attain the paved width from back of curb which is set out below, said paving to consist of the construction of an adequate asphaltic wearing surface on an adequate base, the exact nature of such improvements being more particularly shown in the plans and specifications which are on file in the office of the City Secretary of the City of Olton, Texas.

III.

The streets and avenues or portions thereof to be improved within the limits fixed by the City Council are listed below as they have been divided by the City Council into separate and distinct improvement units. There is stated in connection with the listing of each street and avenue or portion thereof within the limits herein defined constituting each improvement unit the estimated amount or amounts per front foot to be assessed against the owner or owners of properties abutting such street and avenue or portion thereof and against such properties, the estimated total cost of the improvements as to each improvement unit.

There is included in the estimated amount to be assessed against abutting properties and the owners thereof a proportionate part of all costs incidental to the construction of the improvements.

The designation of such streets and avenues or portions thereof and such other information is as follows:

STAGGERED MATURITY MAKES SENSE

STAGGERED MATURITY is making sense to a lot of corn farmers in this area. They have already bought more of Pioneer Hi-Bred's staggered maturity varieties than ever before . . . by almost 100%. They will be planting three hybrids with different maturities, a short season, a medium maturity and a later maturity. Here's why it makes so much sense:

1. **Provides insurance against weather and disease.**
2. **Spreads critical irrigation times.**
3. **Allows you to harvest each at optimum times.**
4. **Uses equipment and labor more efficiently.**

On the basis of performance data gathered over several years, our agronomists have selected three hybrids for each area. The selection takes into account soil types, weather patterns, the prevalent cultural practices, water availability and disease and insect problems by area. We are recommending these three hybrids for this area:

A SHORT SEASON PROFIT PRODUCER

3780 is a short-season variety that really proved itself in 1976. It is approximately 14 days earlier than 3369A, but doesn't concede profit for its earliness. It may yield a little less than the later hybrids, but costs less to grow.

THE MOST FAMOUS MEDIUM MATURITY

3369A is a medium-maturity corn that has been setting yield records around the Southwest for a number of years. It is planted on more acres than any other hybrid, and with good reason . . . profits in good years and bad.

LATER MATURITY FOR RECORD YIELDS

3305 makes use of our long growing season to produce more corn. It will normally harvest five days later than 3369A. It is a tall hybrid with the ability to stand well. Its upright leaves make for easy combining.

SUBSTITUTING

Under certain circumstances it may be necessary or desirable to make substitutions for these hybrids.

In fields in which head smut has been observed, for instance, it is recommended that Pioneer brand 3306 be substituted for 3369A. It has the same maturity and many of the other characteristics of 3369A and additionally offers strong resistance to head smut. Like 3369A, it has demonstrated its ability to yield well under the wide variety of weather conditions this area experiences. 3306 is especially well adapted to sandy soils.

If a substitute for 3305 is required, Pioneer brand 3195 is recommended. This hybrid has record-breaking yield potential on good land and high fertility at medium plant population. Like 3305, it can use our long growing season to increase yield and bushel weight. Roots, stalks, and stay-green characteristics allow it to stand in the field until the combine gets there.

Since 3780 is a near perfect hybrid for the STAGGERED MATURITY program, has at least moderate resistance to most of the diseases that attack corn in this area and is in good supply, it is not anticipated that a substitute for this hybrid will be required.

Your Pioneer seed dealer can still order these hybrids, but talk to him soon. He will give you a free booklet describing recommended planting times, relative silking, maturity and harvesting dates. The STAGGERED MATURITY corn growing program is aimed at giving you the most profit possible from your land in 1977 whether it turns out to be a good year or bad.
