

Lodge Officials

Top officials of Mitchell Lodge 563 installed Friday evening in open ceremonies in Masonic Hall were, left to right, R. L. (Mike) Mable, senior warden, J. A. Sadler Jr., Worshipful Master, and L. L. (Buck) May, junior warden. The installation is the first to be conducted since recent renovation of lodge facility.

50 Years For Lee Masonic Award In Installation

An open installation in which J. A. Sadler Jr., became Worshipful Master of Mitchell Lodge 563 Friday night was highlighted by the presentation of 50-year service awards to J. Ralph Lee.

Lee, second Mason in present membership of Colorado Chapter to receive the awards, was presented by L. B. Elliott, former district deputy grand master, 37th district grand council, RASM.

In making the presentations of awards of Grand Royal Arch Chapter of Texas and Grand Council, Royal and Select Masters, of Texas Elliott cited Lee for his 50 years of service in each of five Masonic bodies that "it laid end to end would represent more than 250 years of Masonic Service."

The award recipient was described as a well-known and recognized leader in church and community activities.

Of all the business men in

Colorado City, Elliott said in tribute to the 50-year member, "I can not think of any other who has over the years more fully and completely held the admiration and respect of the community than you, and the several Masonic bodies to which you belong, are proud to speak of you as a member."

In final comments Elliott said, "I feel honored to have the opportunity to make these presentations to you, we respect you as a Christian gentleman, as a Mason, as a citizen and we know that so long as you live, you will continue to press forward in efforts to lift up the fallen and to render aid and give comfort and cheer to those in whom you come in contact."

Second member of the organization who has completed 50 years of service is Otto Jones who was present for the award presentation and installation.

Charles Godwin was installing

stalling marshal, for the installation, the first Masonic installation since the renovation of new lodge room.

Taking office with Sadler were R. L. Mable, senior warden, F. L. (Buck) May, junior warden, Charles M. Godwin, secretary, W. B. Crockett, treasurer,

Bo E. Boyd, senior deacon, Howard W. Hardcastle, junior deacon.

Also, Myrtle Jameson, senior steward, Charles Wood, junior steward, S. D. Tarver, tiller, and W. L. Boss, chaplain.

Rainbow girls served refreshments to approximately 75 guests and Masons following the evening program.

Local Lodge was chartered in December, 1862, with Joe Adair as first Worshipful Master. Mitchell Lodge is under jurisdiction of Grand Lodge of Texas in Waco. Masons here are part of 250,000 members in Texas. Hal Burnett of Alpine is Grand Master of Texas.

Wrecks Injure Two As Holiday Travel Nears

Two men were still hospitalized Wednesday after receiving injuries in separate highway accidents this week.

Herman Lewey Jr. of Colorado was transferred to John Sealy Hospital in Galveston Wednesday morning after being

taken from the critical list at Root Memorial Hospital.

Chuck Renfro of Westbrook is to be dismissed Thursday (today), according to attending physical, Dr. John Chinn.

Lewey was seriously injured in a one-car accident Sunday at 4:30 a. m. near west city limits on Interstate 20.

The 27-year-old man was driving a 1968 Chevrolet when he lost control of the vehicle. It overturned, completely de-

molishing the automobile, according to investigating officer, Herman Seale of Sweetwater.

He is to undergo treatment in the Maxillo-Facial Department of the Galveston Hospital. Dr. Chinn said he will possibly be a patient at John Sealy for several months.

His injuries included loss of vision in his right eye, his physician said, but his general condition was reportedly satisfactory Wednesday.

Frank Derogitis of Colorado City Flying Service flew Lewey and his mother, Mrs. Martha Lewey, to Galveston.

Renfro, constable at Westbrook, was driving a Matlock Oil Company gasoline truck Monday morning when he lost control of his vehicle on Interstate 20, 8.5 miles west of Westbrook.

Renfro was thrown clear of See WRECKS... Page 10

New line up of activities was completed this week as specific needs occurred for present enrollment.

Fourteen to 18-year-olds will not have planned programs for mornings in the re-vamped schedule, Mrs. Shambur said, but they are welcome to volunteer help with smaller children's activities.

Tuesday and Friday nights are presently reserved as recreation and social fete for the older group. After July 17, the semi-weekly sessions will be Tuesday and Thursday nights.

Activities for morning recreation Monday through Friday include ring games and horse-shoes or softball for six to nine-year-olds from 8:45-9:45.

Table tennis, table games or needlework, supervised by Mrs. Ernest Biggers and Mrs. Henry Heredia, for 10-13-year-olds are set the same time.

Just Monkeying Around

BY LENA BAUMANN,
Record Editor.

There was monkey-business Monday at Colorado City Police Department.

But Dispatcher Gloria Erwin had a hard time convincing anyone.

That is, anyone except a few residents, plus Assistant Police Chief Dan Pfeuffer, plus Patrolman Pete Upshaw, plus Patrolman Jim Tatham.

It all began with a 12:45 p. m. call from Mrs. Will Womack of 736 Walnut Street, reporting a small blond monkey in her plum tree.

That put the monkey, so to speak, on the backs of Chief Jesse Browning's uniformed men.

And, by 2 p. m., Patrolman Latham reported the monkey shut up and secure under the home of County Judge and Mrs. Elmer Martin at 725 Elm Street.

All was quiet until 6:57 when Mrs. Perry Adams phoned police about a small monkey in her yard at 133 West 10th Street.

Assistant Chief Pfeuffer took the call and about 10 minutes later radioed for assistance from Patrolman Upshaw, requesting he come "armed with a banana". (Patrolman Upshaw didn't quite convince employees in a local grocery store as to why he wanted only one banana).

Then it was dead silence between the two policemen and headquarters.

Time came when night patrolmen L. C. Devorce and Nick Martinez, notifying headquarters they were ready to go on duty, guffawed when the dispatcher told them the

other two patrolmen were not on the trail of a monkey.

It was 8 p. m. before the assistant police chief, checked with headquarters again, with his monkey business. They were still chasing a monkey, now in the garage at the Wayne Dubose home next door to the Adamses, he said without the least hint of humor in his voice.

Twenty minutes later Mrs. Upshaw phoned headquarters after becoming concerned when her husband didn't come home for supper.

Ever try convincing a wife that her husband is out monkeying around, truthfully, that is?

By this late time Dispatcher Erwin had almost quit trying to convince anyone that monkey business is serious business.

A 10-24 call (all okay) from Pfeuffer at 8:29 p. m. meant that the monkey "was caught at 116 West 10th Street."

Now what does a patrolman do with a monkey that is running loose? It isn't in the manual but Asst. Chief Pfeuffer-orge to the occasion and took it home with him for safe keeping until the monkey's owner reported him lost.

That call came to police at 10:17 p. m. and the case was closed 18 minutes later when Tiger McMath, son of Superintendent and Mrs. James McMath, picked up his pet to take him home to 708 East Sixth.

By the way, Pfeuffer's sons, Jay, 5, and Dennis, 3, still think the "kitty" that peeped at them through the dime-size holes in the box daddy brought home was pretty.

Dispatcher Erwin hasn't even tried to convince them.

All-State Golfer Class B Honor To Hamilton

Tim Hamilton of Loraine has been named to the All-State Golf Team for Class B high schools.

Hamilton, son of Mr. and Mrs. Lynn Hamilton of Loraine, shares all-state honors with Keith McCutchen of Bronte, Gene Eakin of Leggett and Joe Strange of Abilene.

Winner in a recent Colorado City Jaycee golf tourney at Colorado Country Club, he will compete in the Jaycee state tournament July 15 in Hurlingham.

Hamilton, who has played golf since he was eight, won state honors as a freshman with a score of 152. That record still stands for Class B competition.

He was judged second in state as a sophomore but was beat out in regional meets the past two years.

The July tourney in Hurlingham will be his third entry in Jaycee sponsored competition. He placed third in his first try.

In addition to his golf achievement, Hamilton was named to Class B all-area second string basketball team this year and was an outstanding player for Loraine's district winning basketball team.

He played football and entered track events his first three years of high school.

The 18-year-old golfer ranked fourth in his graduating class this year at Loraine High School and was a member of National Honor Society, Future Teachers of America and Future Farmers of America.

He was voted class favorite in 1968-69 and most likely to succeed his senior year.

Sixth Inning Scoring Sends Braves Past Lions 8-5

Junior Teen-Age Braves went on a sixth inning warpath Monday night to ease the Lions 8-5.

Braves were scoreless through the fifth inning and chances looked slim for a victory over second place Lions.

After all Lions going into the sixth inning had a 5 point lead.

But bases loaded in that last inning as Bo Taylor and Peter Roenfeldt walked and Felix Franco singled. Taylor scored the Braves first run as Ronnie Lindsey hit a single.

From then on it was run after run until there were 8.

First and third inning for Braves batting was 3 up, 3 down situations. Second and fourth batting rounds were a little better with Pat Mundy getting a single in second and Taylor and Roenfeldt getting on bases with walks. Fifth inning improved, but still only six got to bat. Lindsey walked but was out on a fielder's choice hit by Brave pitcher, Danny Leonard.

Bases loaded as Felix Banks and Randy Erwin walked - but it was all over for that inning as Tim Bell flied out to center field.

Sixth inning began a different story as bases loaded with Taylor, Roenfeldt and Franco.

After the Braves first run by Taylor, Leonard singled scoring Roenfeldt and Franco. Banks got a base on balls loading bases again.

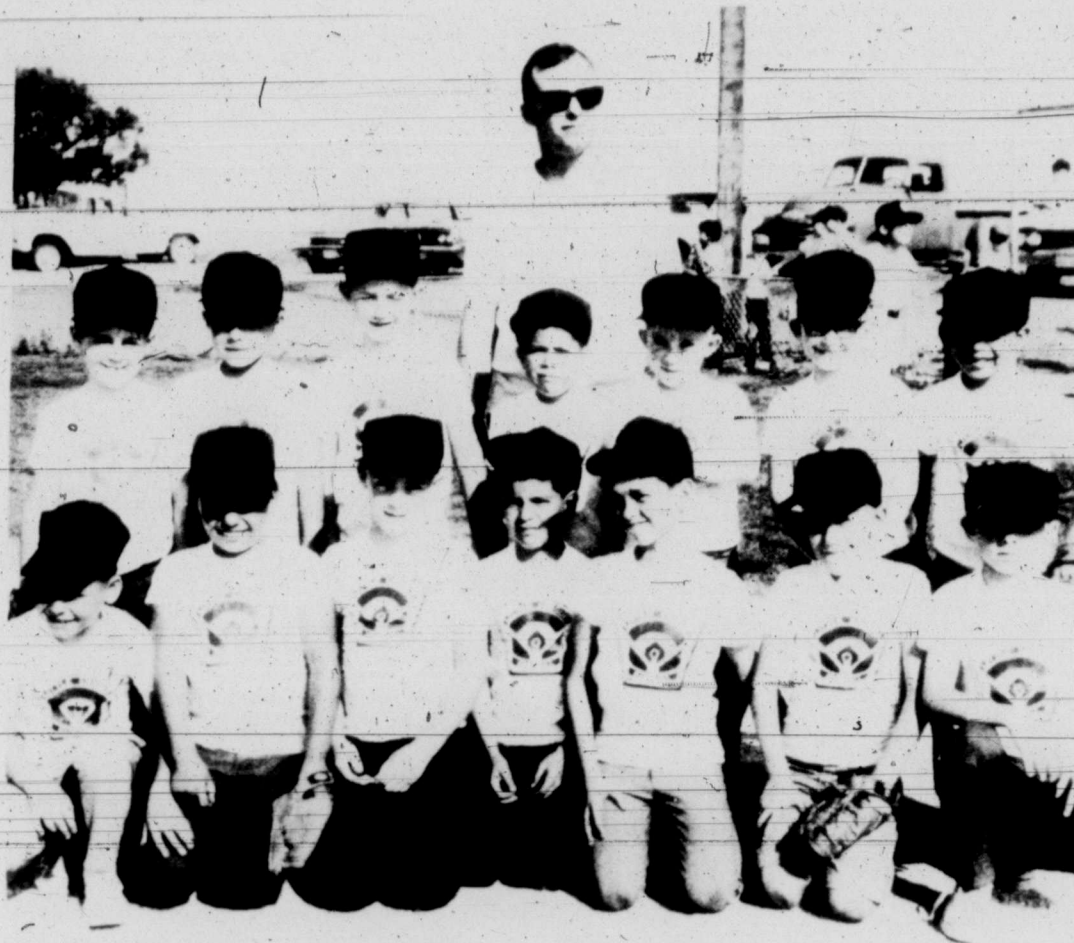

Randy Erwin doubled sending Lindsey and Leonard across home. Banks scored on Tim Bell's single. Erwin's run was counted as Taylor got on base with a Lion error, which left Bell on third.

Walks by Roenfeldt and Franco loaded bases again for the third time and another walk by Lindsey scored Bell for final tally.

Lions got off to a good start as they scored 2 runs in first inning.

Big Bruce Hill hit a triple and scored as Clayton Salmon singled. Salmon stole his way to third and crossed home bases as David Smith singled.

Larry Jackson tripled to begin Lions third round of batting but was put out after failing to touch second base. Melvin Jackson singled and Salmon walked, then Jackson scored as

Heroes. . A Must For Boys

Every boy has his heroes. You just don't grow up without 'em.

But who are they?

You can tell a lot about a boy. How he'll grow - the kind of man he will be - just by his heroes.

That's because a boy becomes a part of his heroes. He dreams. . . and plays and plans to be like them.

So, be careful where your boy finds his heroes.

Church is a fine source. The best.

A boy discovers the brave and the strong and the clean in Bible study and religious education. And from these great lives he learns their qualities for his own life.

Yes, indeed. Be careful about your boy and his heroes.

CONVERSATION CORNER

ONE THING which should console the young—and probably does not console the very young one—is being told that when you want what you want and don't get it, the day will come when you don't want what you wanted any more.

Column written by Earl Wilson puts it in a nutshell, or jam jar, with one of his remembered Quotes which goes: "By the time you grow tall enough to reach the jam shelf, the craving for jam has gone."

That's very true. There are examples enough in the experiences of just about everybody you know.

By THE TIME you can afford to buy a Shetland pony you'd look pretty silly riding one and wouldn't know what to do with one, anyhow.

By the time you are grown-up enough to wave a flame-colored feather fan, feather fans have gone out of style along with the way you tango.

By the time you get mature enough to go where you please, when you please, if you please, you'd rather stay home.

By the time you grow independent enough to sit up and read all night, you fall asleep in the easy chair right in the middle of the seventh chapter.

And by the time you can celebrate your birthday with a real "blast," you've stopped celebrating—or counting birthdays.

'T WAS EVER THUS. By the time you get to Phoenix, or Galveston, or Clouderoff, or Ruidoso, or St. Louis, you'd just as soon sit under the air-conditioner eating snacks from a TV tray.

There are, however, a few things, a few wants, and a few sweet memories you would still love to do again, want again, and live again.

Would like, for instance, to go back and re-live the old-fashioned Fourth of July as it is rarely celebrated any more.

THERE, too, you'd probably run into some complications. By the time you get big enough to drink all the strawberry soda pop you can hold, you'd rather have iced tea or something.

Fourth of July used to mean red soda pop as sure as Christmas used to mean stockings by the chimney.

Fourth of July used to mean reunions with basket picnics on the grounds for everybody. First ones remembered were always out at Jack's Creek, near Mexia where my brother and I were born.

FLAGS and red, white, and blue bunting were on the tem-

porary platform. There were bands playing "Three Cheers For The Red, White And Blue," speeches fired with patriotism.

There were mountains of fried chicken, boat rides, and sometimes merry-go-round rides before the speeches began.

By the time you get articulate enough to make a patriotic speech you may not have the breath to be long-winded because you're too short-winded to quote "When Freedom from her mountain heights," properly.

By the time you know all the words to Star Spangled Banner, the bands may be playing "Battle Hymn of the Republic."

And by the time you grow careful enough to light your own fireworks it's against the law within the city limits.

EVEN SO, there are ways to have a gay Fourth, a thoughtful Fourth, an appreciative Fourth, a patriotic Fourth, if you please.

It is a good day to re-read the Declaration of Independence of July 4, 1776, to engrave upon the heart again "We hold these truths to be self-evident, that all men are created equal. . . The Constitution with its preamble beginning "We, the People of the United States," and its Amendments, first ten of which we call the Bill of Rights.

It might be a good day, too, for recalling the old lines spoken to Congress in 1872, "Our country, right or wrong. When right, to be kept right; when wrong to be put right."

HAPPY glorious Fourth to you wherever you may be! Join and Helen Reeves think maybe they'll be in Amarillo to see daughter Donna, her husband Jerry Jameson, and the three Jameson children.

There is a new baby at the Jameson house, a little girl born June 6 and named Kendra. Her brothers are Stefan and Jayson. Paternal grandparents are Myrtle and Wyone Jameson. Wyone, who kept the boys while Donna went to the hospital, came home with the mumps which the grandsons took just before the birth of their little sister.

EXPECTED for the weekend of the Fourth in the home of Eleanor Jeffries are her step-son William M. Cash, his wife, and their five children Frank, Kathy, Chuck, Scott and Giff who live in Garland.

Ann Randle Davis, just back from Estes Park, Colorado, for a vacation with her parents Bill and Josie Randle and children Randle and Jill, will visit her aunt in Tulsa, Oklahoma, and her cousin in Stillwater during the holidays.

Ralph Lee's daughter Iva Helen Lee, his attorney son Rodney, Rod's wife Sara, and their children Rebecca, Ralph Norman, and Curtis all of Waco, spent last weekend visiting him and Sara's mother Mrs. J. D. Norman who lives in Loraine.

Harry Wilkinson, Shell engineer living for now in the Hague, spent several days last week with his brother Ben Wilkinson and Ben's wife Mildred. Harry's daughter Linda, whose mother was the late Mickey Wilkinson, is visiting Mickey's mother and family in Pahuska, Oklahoma, until the American school begins again in the Hague.

HEAR TELL that our Udel Moore, Jr., son of the late Udel Moore and Mrs. Emmie Moore, won the Democratic Party Primary election as candidate for the office of county judge in El Paso. He is nephew of Dick Hickman, former Police Chief here.

Udel, an attorney, is the LBMG (local boy makes good) for now. His wife Barbara and children Mark, Susan, and Christi, visited C-City last weekend and are visiting her parents, Mike and Susie Smith in Gatesville this weekend.

Hear, too, that Earl Brock has moved his new mobile home

and family to Oklahoma—or is it Kansas?

SEEN LATELYS this time were Mary Jo and Aubrey Self sharing a lunch table with Rosella and H. P. Ball. Mary Jo's mother Mrs. Sophia Oliver was dining with Bonnie Burt, Bonnie's brother Travis Daugherty and his wife.

Linda and Jim Mauldin and their children were a noontime foursome. Bill Martin, his wife Ann (Boffin) and brother Bob Martin made up a threesome. Saw Tom Rees of the LTNS (long time no see) department. Ditto "Happy" Williams, wife of J. D. Nelda Garrett.

Swapped hello's with Mrs. Pent Hines of Westbrook. Dewey Davis. Joyce Wilkerson. Mabel Kelley. Margaret Costin. The Dennis Waldings. B. D. Mason. Dorthea (Mrs. Paul) Hunter whose son Glenn Hunter is working in Lubbock for the summer college vacation. E. M. Owen talking a fishing trip vacation planned later for trout streams in Colorado.

HEARD a once familiar voice and turned to greet Sara Carter Smith and her sister Inez Hook. Sara, her husband Cecil Smith, and two of their daughters,

Cindy and Cheryl, were here for a short visit with home town relatives. They live in California.

46 Texans can live.

46 Texans can live through this Fourth of July weekend. They should live. They deserve to be alive Monday after a relaxing holiday. But according to estimates based on previous holidays in Texas, 46 Texans will die.

The Governor's Office and the Texas Department of Public Safety have urged motorists to DRIVE FRIENDLY. This means obeying state and local traffic laws, planning your travel so you won't

have to rush, avoiding driving and drinking. In other words, maintain a friendly driving attitude toward the other families who are also enjoying this holiday.

Most of the six million Texas drivers will be on the road at some time this holiday. If every driver makes an effort, 46 Texans can live. This weekend DRIVE FRIENDLY.

Six-month anti-perspirant: Gas air conditioning.

It's a long, hot time from April to October. And that's no time to sweat out air conditioning breakdowns.

But, unless you have gas air conditioning, you may not know it's the one you can count on.

Gas air conditioning has fewer moving parts. So little can go wrong. And repair bills can't pile up.

Special low summer gas air conditioning rates also help you keep your cool.

Spence Reservoir Open For Fishing

Even though shallow water
may make the new E. V. Spence
Reservoir near Robert Lee
somewhat hazardous, the lake
has officially opened for fish-
ing.

The lake is home for 34,500
striped bass stocked by the
Texas Parks and Wildlife De-
partment a year ago.

While strippers are still too
small to catch, H. S. School-
ing, administrative assistant for
the Colorado River Municipal
Water District, says large-
mouth bass in the three-to-
four-pound class are in the
newly impounded waters, and
both channel catfish and flat-
head catfish from six to eight
pounds have been reported.

The lake also has white bass,
crappie and sunfish.

Permits to fish are manda-
tory and may be secured from
lake patrolmen and some con-
cessions. Schooling also ur-
ges anglers to respect private prop-
erty and launch boats only at
Water District ramps. Per-
mits from nearby J. E. Thomas
Lake will be honored.

Texas Parks and Wildlife De-
partment biologists say striped
bass, resembling the common
white bass, are not large enough
to interest the fishermen at
this time. Growth from the
fingerling-sized saltwater spe-
cies has been slow. Opening the
lake to public fishing is an
endeavor to remove some large

service road overturning in a

He received multiple abra-
sions and lacerations on his
face and a fractured left collar
bone.

Highway Patrolman Jim
Mauldin credited the wreck vic-
tim's life with being thrown
from the totally demolished
truck.

Local highway enforcement
officers Wednesday joined
Colonel Wilson E. Speir, di-
rector of Texas Department of
Public Safety, cautioned moter-
ists that traffic accidents during
the holiday week end may claim
as many as 46 lives in Texas.

The DPS director listed the
chief factors contributing to
traffic crashes as speed, too
fast for conditions, driving
while drinking and driving on
wrong side of the road, often
as a result of fatigue.

Speir warned that all avail-
able highway patrolmen will
be on duty during the holiday
period from 6 p. m. Thurs-
day to midnight Sunday augmen-
ted by uniformed officers from
other DPS services. Also, the
DPS will conduct its "Operation
Motorcade" program of
tabulating and announcing traf-
fic accidents three times daily
in an effort to bring about
increased awareness of the
added dangers of holiday travel.

In addition to Department of
Public Safety efforts, trained
truck and bus industry safety
men will take to the roads to
participate in an unique Holiday
Road Patrol.

Some 45-50 road patrol cars
manned by experienced mem-
bers of the Texas Council of
Safety Supervisors will be on
highways to aid motorists in
trouble. The program is spon-
sored by Texas Motor Trans-
portation Association, a state-
wide organization representing
the motor carrier industry.

A SPECIAL DAY

Most of us will be relaxing Saturday in our Fourth of July holiday. We will go our separate ways, no doubt, into whatever paths of recreation, visiting, resting we like.

That's well and good. We need time to catch our breath every now and then.

Let's hope, though, we also realize that 4th of July is more than firecrackers, more than a day for a picnic and fun.

It's our Day of Independence. Our freedom.

We seem to have plenty of time these days for finding fault... for criticizing... for griping about government and governmental policies.

Let's find a bit of time... Saturday... to offer thanks for all the blessings we have with our freedom and so many millions don't have.
