

Mahon Discusses Problems of Soil Conservation

Washington—The work of the Soil Conservation Service in the 19th Congressional District was the subject of a conference last week between Congressman George Mahon and Mr. H. H. Finner, Amarillo, Regional Director of the Soil Conservation Service. Mr. Finner was in Washington for meetings with other Regional Directors and Administrative officials.

Mr. Finner outlined general phases of the work as it has been conducted so far. CCC Camps in Lamb County and in Dawson County have served as illustrative projects in the program throughout the past year. He discussed the effort which is being made to coordinate the work of the Soil Conservation Service and the Resettlement Administration.

The Congressman expressed commendation for the fine work which has been done under Mr. Finner's direction. He said: "I consider the conservation of our soil to be the most outstanding problem confronting our West Texas farmers. The potential value of the work which Mr. Finner is doing is inestimable. One of the chief virtues of the new farm bill adopted by Congress last week is that it will concentrate interest in the great national problem of soil conservation. Every effort to preserve the natural wealth which lies in our soil will meet with my complete cooperation."

Public Library Expected To Be Open Soon

Word comes to County Judge Philip Yonge and Mayor W. L. Marr that the public library will be opened as soon as the government project is approved at Washington.

Seeing the needs as well as the value of our public library being re-opened, W. L. Marr made a special trip to San Antonio to investigate causes of the case not being opened with other public interests. Immediately following, Judge Yonge followed up Mr. Marr's inquiries by putting in a new application with the government for librarians and was assured by Mrs. Taylor, State Supervisor, that within a short time Lamesa would receive sufficient aid that the library could be kept open regularly.

Junior Class Play To Be Given On March 17

The Junior Class of Lamesa High School will present "Seventeen" from Mark Twain's novel by that name, in the high school auditorium Tuesday evening, March 17, at 7:45.

The cast includes Kilmer Corbin as Mr. Baxter, the puzzled father of the would-be sophisticated Willie. This perfectly normal but sadly misunderstood youth is played by Richard Crawley. Ina Mae Bennett will be seen as Mrs. Baxter, the ever-understanding mother. Jeanette Bennett as Jane is the little sister of Willie as constant source of humiliation. Kathleen Webb as May Parcher, is the youthful hostess who has great difficulty in keeping all the young men from falling out with one another over the one and only Lola Pratt. Elmerine Barron as Lola is the object of the affections of Joe Bullit, played by Earl Jacobs, and Johnnie Watson played by Weldon Richardson. We must not forget to say something of the attention paid to the young lady by Hilburn Gilliam as George Cropper and Joe Morris as Wallie Banks. Such competition is almost unbearable to love-sick Willie Baxter. Hardin Eastwood takes the part of the exasperated and disgusted Mr. Parcher, father of May. While Tom Wilkes will be seen in his best role as Genesis, the colored man of all jobs.

What could be better than to give your Irish good nature freedom by joining the Junior Class in an evening of entertainment at "Seventeen" on March 17?

Teachers Receiving 'Songs Texas Sings' For Use in Schools

Dallas, Texas—"Songs Texas Sings," a 32-page book, is being sent this week to public school teachers of the state by the school division of the State Department of Publicity for Texas Centennial celebrations.

The book is designed to assist teachers in preparing school and community programs planned for Centennial activities. The 28 songs contained in it were chosen after conferring with music supervisors in Texas schools. The collection is representative not only of the songs of and about Texas but also of those songs of the nation and the South which are best known to Texans.

John A. Lomax, compiler of Texas folk lore, says in the preface, "Songs of these songs sprang out of the soil of the Southwest like prairie grass. No one knows the author of the music or the words. Texas has certainly the right to claim them as her own folk songs."

A reproduction of "Driving the Herd" by Frank Reaugh, Texas artist, appears on the inside of the cover. The picture has been nationally acclaimed as one of the outstanding paintings of the Texas range. The cover bears a photograph of the Texas capitol dome.

East-West Highway Boosters Meet At Snyder Wednesday

Members of Commissioners' Court and the highway committee of the Chamber of Commerce attended a convention of the East-West Highway Association in Snyder on Wednesday in the interest of Highway 15 to Hobbs, N. M.

The purpose of the meeting was to stimulate interest in the improvement and construction along the highway where work is needed. Delegates from all towns along the route, from the Louisiana line to Hobbs, had been invited. Figures show that this route between Ft. Worth and El Paso has 164 miles of concrete, 39 miles oil surface, 134 miles of graded road and 145 miles of unimproved road.

About fifty or seventy-five Lamesa citizens along with the band under the direction of Conway King represented Lamesa at this meeting. A very interesting and entertaining program had been planned for the day, and an old fashioned chuck wagon dinner was served at the noon hour.

Jud Watson Announces For City Commissioner

We are this week authorized to announce Jud Watson as candidate for the office of City Commissioner, subject to City Election in April. He needs no introduction in this vicinity as he has lived here for many years and has served the city one term as commissioner. He plans to see each voter personally before the election and will make his formal announcement in an early issue of the paper.

Citizens Urged To Secure Their Drivers' License Immediately

Only 2,530 driver's licenses had been issued at Tuesday noon of this week, with some 10,000 people in the county eligible to receive them. Due to the fact that automobile registration will be on hand within the next few days, driver's licenses will be issued only this week and next. Miss Willie Belle Cleveland, in charge of the issuance of these licenses urges all persons desiring them to come in at once and get them.

Teachers And Trustees Gather

The teachers and trustees of Dawson County met in an informal gathering at the Legion Hall Thursday evening, February 20. Mr. V. Z. Rogers, Superintendent of Lamesa Schools, led the group in the singing of several Texas songs. Mr. Rogers also favored the group with "Wagon Wheels" which he sang upon request. Mrs. H. V. Williams Jr., of Woody presented the Woody Choral Club in two numbers. After the musical numbers Mr. G. D. Holcomb, Deputy State Superintendent, addressed the group on school problems of current interest.

Following the program, group games directed by W. C. Huffaker Jr. were enjoyed. Refreshments of coffee, cookies and minis were served to over a hundred people.

A majority of the schools of the county were represented by both teachers and trustees.

Father Of Mrs. Morris Dies Sunday

Mrs. O. H. Morris received word Thursday night that her father, W. F. Duffey, who resided near Winnsboro, Texas, was seriously ill. Mr. and Mrs. Morris and daughter, Evelyn Rose, left immediately for that place.

Mr. Duffey passed away Sunday afternoon and the funeral services were held at the First Methodist church at Terryville Monday afternoon. He is survived by eleven children, all of whom were present for the funeral rites.

We extend sympathy to Mrs. Morris in her bereavement.

REPORT OF SCOUT TROOP 23

The Bat Patrol of this troop sponsored a very good treasure hunt Friday night. Different clues led us to the cotton compress where we found a box of candy waiting to be devoured by a group of tired and hungry boys. We later found a clue which led us back to the church house and there Scout Harold Williams found the personal prize which was an official first aid kit.

We then enjoyed some apples and cookies and later went home, tired, but we weren't hungry.

Scribe R. B. Snell.

Mediamas Carl Cox and Hardy Parker were Lubbock visitors last Friday.

Members Named In Interscholastic League

The official list of member schools in the University Interscholastic League for Dawson county has been received. The following are listed thereon for 1936: Ackerly High; Ackerly Elementary; Ballard; Bartlett; Fairview; Fivemile; Grandview; Hancock; Higginbotham; Key; Klondyke High; Klondyke Elementary; Lamesa High; Lamesa Elementary; Liberty; Lou; McCarty; Mt. Olive; Mullins; Munger; Natlie; O. K.; Randle; Richardson; Shumake; Sparenberg High; Sparenberg Elementary; Weaver; Wilson; Woody High and Woody Elementary.

It is noticed that some of the schools hold two memberships. These are the larger institutions and excepting the case of Lamesa High School, are class 'B' high schools because they are larger than the requirements for rural school classification and smaller than the required enrollment of 120 in high school grades which would advance the classification to class 'A' rating excepting for football.

The county executive committee has already announced the dates for the annual meet for March 20th and 21st at Lamesa Public School buildings.

The choral singing, one-act plays, debates and playground ball events will be held and dates for these are to be announced soon.

THREE DAWSON COUNTY SCHOOLS ENTER STATE ONE-ACT PLAY MEET

Three of the schools in Dawson County have met the necessary requirements for eligibility to enter the State One-Act play tournament. These schools are Klondyke, Lamesa and Sparenberg.

NOTICE TO SINGERS

The Sparenberg District Singing convention meets at Flower Grove in Martin County Sunday morning, March 8th, at 10:30 o'clock.

The Flower Grove people have prepared for this convention and are expecting a large crowd, so let's all go and make this a good singing. Don't forget to bring your lunch and song books.

ELDER C. E. CALLOWAY TO PREACH HERE SUNDAY

Elder C. E. Calloway will preach at the Primitive Baptist church here the 3rd Sunday of this month at the 11 o'clock hour. He will also preach at the Presbyterian church in Lamesa at 2:30 o'clock in the afternoon. All lovers of the course of Christ are invited to meet with us.

J. M. Russell.

Golden Tornadoes Make Enviale Six-Year Record

Some interesting facts which may be observed concerning the basketball teams of Lamesa High School during the past six years, which represents the time Lester Gregg has been coaching the local teams, are as follows: Won second place in the state two years; won third place in the state one year; won three Regional and three District Championships. During the six years the teams have played a total of 158 games, and have lost only 25. Seven of the games lost have been to college teams. In addition the local team has won nine games from college teams.

Very few schools, if any, can boast such record.

The team this year compared very favorably with the teams of the past three years, but it just seemed to be Lamesa time to take defeat at the District meet. It's impossible to win all the time.

This year's squad was composed of Eugene Boswell, Travis Kidd, Clois Bristo, Buck Hilburn, Jack Walker, Herman Sandel, Don Ross, Paris Nowell, Edwin Easterwood, Cecil Hill and Conley Hoffman.

Sandel, Nowell, Ross and Hill will return for another year.

H. L. Hohn Will Enter Race For Comm. Precinct 2

We have been authorized to announce H. L. Hohn as a candidate for the office of Commissioner for Precinct No. 2, subject to the action of the Democratic election in July.

Mr. Hohn needs no introduction to the people of his precinct, having made his home in this county for a number of years. He also served Precinct 2 as commissioner a few years ago. Mr. Hohn plans to see each voter personally before the coming election. He will make a formal statement to the people of Precinct 2 in the near future in this paper.

Two Members Of Biggerstaff Family Victims of Diphtheria

Wyndal Leon Biggerstaff, four-year-old son of Mr. and Mrs. E. Biggerstaff, who reside 13 miles northwest of Lamesa, died at their home last Wednesday, February 26, following an attack of diphtheria.

Funeral services were held Wednesday at 4:30 p. m. at the cemetery with Rev. Aslin officiating. He is survived by his parents, three brothers and three sisters.

Claudia Merle Biggerstaff, six-year-old daughter of Mr. and Mrs. E. Biggerstaff died Feb. 27, of diphtheria. Funeral services for her were held at 2 p. m. Saturday at the cemetery with Rev. Aslin officiating.

Borden County Cattle Decrease in 1934, Says Preliminary Census

Cattle of all ages declined almost 25 per cent in Borden county between April 1, 1930 and January 1, 1935, while horses declined 9 per cent and mules 35 per cent. So reveals the preliminary report of the farm census, completed last year by the Department of Commerce, Bureau of the Census.

Hogs increased 10 per cent, the report continues. The 1935 inventory of livestock showed 1,493 horses, 516 mules, 15,617 cattle, 568 hogs and 8,774 sheep.

Out of a total of approximately 44,500 acres of land intended for harvest in 1934, over 37,000 acres failed to produce a crop in Borden County, according to the bureau's figures. Crops were harvested in 1934 from only 7,109 acres as compared with 28,060 acres in 1929.

Compared with 1929, individual crop acreages were much smaller and the production considerably less. Grain sorghums were harvested from 1,286 acres in 1934, with a production of 5,332 bushels, compared with 3,234 acres and 15,725 bushels in 1929. Hay, and sorghums for forage acreage fell from 5,000 to 846 acres.

The farm census, of course, caught Borden as well as Dawson county at one of the lowest production points in the history of farming and ranching in this section. Figures compiled by the Bureau of Census concerning Dawson county were released last month.

Other interesting figures concerning Borden county are shown in the census figures as follows, with 1935 totals first and 1930 totals last:

Number of farms 301, 292. In 1935, 107 of these were operated by full owners; in 1930, only 75 by full owners.

Value of farms (lands and buildings) \$5,126,984, \$5,278,302.

All lands in farms, 612,887 acres, 458,014 acres.

Census Enumerator Appointed for Dawson

March is the month for taking the school census in each school district in Texas. Mrs. L. F. Gregg has been named to take the census for Lamesa Independent School District and will make her calls during the first part of the month if weather conditions permit.

It is an obligation on parents to have all children in school age which is from six to eighteen years enumerated. Co-operation with the enumerator by answering her knock at each home will aid materially in her work. Exact information concerning ages and birth-dates together with accurate street addresses is needed to make complete records.

The school district's apportionment from State funds depends upon the census and the omission of eligible names means a loss to the district. The enumerator desires help in locating all children of the ages indicated and especially those young children who will become six years of age on or before September first, 1936, who will be eligible for admission in the free public schools for the 1936-37 term.

Mrs. Ida Lee McDaniel Dies

Mrs. Ida Lee McDaniel, wife of J. M. McDaniel, who resides eight miles west of Lamesa, passed away at their home last Friday, February 28, at 10 A. M. Mrs. McDaniel was born in Coleman County, March 9, 1877 and was almost 59 years of age at the time of her death. She had been a member of the Methodist church for 30 years.

Funeral services were held at the First Methodist church in Lamesa Saturday, February 29, with Rev. M. M. Beavers, pastor of the church, officiating. Interment was in the Lamesa cemetery.

Survivors are her husband, four brothers, Will D. Rimes, Stonewall County; Wiley B. Rimes, Ark.; J. J. Rimes, San Saba; Chas. Rimes, Llano County; four sisters, Mrs. L. B. Ketchum, Stonewall County; Mrs. Eula Brown, San Saba; Mrs. Myrtle Hart, Stonewall County; Mrs. Jessie Hill, N. Y., and the following children: J. S. J. W., C. L. McDaniel, Mrs. Addie Ramsey, all of Dawson county; Mrs. Anna Mae Christman, Melrose, N. M., and Mrs. Amy Dawson, Lowell, Ariz.

Mrs. Allen's Mother Buried Sunday

Mrs. Ben F. Jones, 86 years of age, passed away at the family home in Taylor county last Wednesday evening at 9 o'clock, following a lengthy illness. Funeral services were held at the First Presbyterian church in Tuscola last Sunday with Rev. Serface, pastor of the Abilene Presbyterian church officiating. Interment was in the Buffalo Gap cemetery.

Mrs. Jones was a pioneer resident of Taylor county, having lived there since 1883. She is survived by four sons, three daughters, six grandsons, and six granddaughters, all of whom were present for the funeral services.

Mrs. Jones was the mother of Mrs. Guthrie Allen of Lamesa. She was called to her mother's bedside last Wednesday and was present when she passed away. Mr. and Mrs. Allen returned home Sunday.

Adult Education Grows In Interest

Six classes in Adult Education are meeting regularly in the First Baptist church, at the Baptist Mission and the CCC Camp.

Classes at the camp are held from 5:45 to 9 p. m. Mathematics, Agriculture, Soil Erosion and commercial courses are provided. Regular literary subjects are taught at the church, along with Economics and music.

Classes in reading, arithmetic, English, current events and sewing are taught from 2 to 5 p. m. at the Mission church.

All the classes are provided by the government for the entire public, without cost.

Teachers appreciate inquiries and will arrange classes for any desired subject, provided a sufficient number apply to constitute a class.

A special class is being organized for those who wish to take college correspondence under the instructions of a teacher. All who wish to enroll in this class are requested to meet in the county court room Saturday, March 7, at 3:30 p. m.

Good Crowd Enjoys Lion's Club Program

The Lions club met in regular session Wednesday noon of this week.

A very good program consisting of a song by Misses Marylene Bullard, Wilda Boldin, Jonelle Flanniken and Melvin Norris accompanied by Mrs. J. R. Flanniken, duet by A. G. Barnard and Dr. Price, reading by Miss Billie Ruth King "Praising Texas Pioneer Women" and several short talks by regular members was very much enjoyed by the club. An appreciation of Texas Pioneer's ideals was ably given by Mr. Bob Kirk.

Plans are under way for the Lion's Negro Minstrel to be held here soon.

SUPPER AT KEY SATURDAY NIGHT

Next Saturday night, March 1, there will be a combination pie, box and sock supper at the Key school house. This is being sponsored by the Boys' and Girls' Athletic Associations of the Key school and the proceeds will go to this organization. The girls and ladies may bring either a pie or a sock or box filled with good eats and the boys bring well filled pockets. A good time is promised to all who attend.

Government Will Pay Farmers For Last Year Contracts

College Station, Texas—With the passing of a recent appropriation bill signed by the President of the United States, Texas farmers are due to receive approximately \$17,500,000 to fulfill all old government obligations, according to E. N. Holmgren, administrative assistant of the AAA at College Station.

"Some payments should begin to arrive within the next 30 days," Holmgren announced.

"Obligations of the U. S. Government to Texas farmers consist of second cotton payments on the corn-hog contracts, the completion of rental and parity checks of cotton and the cotton adjustment payments," he said.

Holmgren went on to say that nearly all counties in the State have some second cotton rental and parity payments due and also that all counties have some cotton adjustment payments coming.

With the opening of action again and an appropriation of \$296,185,000, skeleton forces were put to work February 13 and 14 in College Station to push with all speed the paying up of government obligations to the farmers.

Information rushed to the field and county agents by E. N. Holmgren consisted of the statements: "All contracts and obligations made and complied with prior to January 6 will be paid."

"We are to proceed in liquidating all 1934 and 1935 cotton, corn-hog, and other contracts which were suspended or returned for correction."

Chester C. Davis, administrator of the Agricultural Adjustment Act in Washington, D. C., recently released this statement: "We will try to prevent delay in fulfilling obligations and in reimbursing those producers who carried out their agreements with the AAA in good faith."

Tom Cooksey Announces For Office of Sheriff

The Courier was this week authorized to announce Tom Cooksey as a candidate for the office of sheriff of Dawson County, subject to the action of the Democratic Primary in July.

Mr. Cooksey has been a resident of Dawson County since 1903, coming here before the county was organized, and has been a tax payer the greater part of his residence in the county. He is now 41 years old. He was elected to the office of sheriff in 1923, serving two years in this capacity. He feels that this past experience well qualifies him for the office he is now seeking.

For the last few years, Mr. Cooksey has resided in the Munger community but moved into Lamesa in March 1935 and has been employed as salesman at the Lamesa Motor Company since that time.

Mr. Cooksey will make his formal announcement in the near future in this paper.

Soil Conservation Service Plant Land With Native Grasses

H. H. Finner, regional Conservator, Soil Conservation Service, Region 6, the wind eroded area, reports that 48,000 pounds of grass seeds and 2,100 pounds of tree seeds were harvested during the past year in this region. Grass seed are to be used in seeding the cultivated lands which are to go back to native grasses. Tree seeds are being used in nursery plantings.

The Soil Conservation Service has collected a total of approximately 2,300,000 pounds of tree seeds and 700,000 pounds of grass seed in the United States. These seed are to be used in checking further soil losses on seriously eroded lands.

There is considerable acreage in the Dawson County area, SCS Camp, 16-T, on which the landowners are desirous in getting back to native grasses. They are very much interested in the program and the work the Soil Conservation Service is carrying on.

High School Team At Luncheon Club

The Luncheon Club had Coach Lester Gregg and members of the High School Basketball team as guests at the regular luncheon Tuesday.

V. Z. Rogers had charge of the program and introduced Louis Reed who spoke for the club its praise and appreciation for the splendid type athletic teams which have represented Lamesa High School during the past years. Especially did he commend the personnel of this year's basketball team.

F. T. McCollum gave some very interesting highlights on the N. E. A. meeting which he attended last week in St. Louis.

Louis Reed will have charge of the program for next week.

CENTENNIAL ASKS FOR OLD AND NEW BRANDS

Gus L. Ford, historical supervisor of the Cattle Brand Exhibit of the Texas Centennial has written the Courier asking assistance in securing brands used on ranches of this section in the early days and also the new ones used in later years. Any information furnished the Courier or sent to Mr. Ford at Dallas will be appreciated. The brand exhibit is expected to be one of the most complete ever assembled anywhere. Any history pertaining to the brands will also be appreciated.

A Word About-- CHICK STARTER

Chick Starting Mash—

—Is very important in the rearing of baby chicks, it must be pure and wholesome, containing no musty or rancid ingredients. It must be correctly balanced in proteins, carbohydrates, minerals and vitamins, to give the best results in livability and rapid growth. It should be fresh, because old or rancid feed will injure baby chicks.

Eureka Brand Chick Starter—

—Is manufactured in our own plant, mixed two to three times a week, therefore it is always fresh. We do not think you can buy a better starting mash at any price. We can save you money on your starting mash. All we ask is that you give it a trial.

Your State Capitol
BY TAYLOR HICKS

Where is the money coming from to pay the old-age pension? When will we get them, how much will they be and how long will they last? These are the questions most frequently asked all over the state. The law provides that the pensions must be paid by July 1, but more than likely those who qualify will be given at least part payment not later than June 1, which is 58 days before the first primary. We estimate that around 75,000 deserving aged citizens of the state will be ruled eligible to receive assistance. Based on this estimation of money now available, which is less and in consideration of the amount than a million dollars collected from liquor taxes during the last two months, we are unable to see how the old-age pension can be paid in full for more than two months or in several part payments before the next regular session of the legislature in January 1937.

The flu epidemic which has been hovering over the City of Austin has somewhat stilled the hustle and bustle of activity around the Capitol. The public schools have been closed and space has been at a premium at the local hospitals. Work has been slowed up in some state offices because of shortage of employees due to illness.

It is conceded by those in the know in politics that the race for the United States Senate four years from now has already begun. The beginning came out in the struggle between Gov. Allred and Senator Tom Connally over who should lead the Texas Delegation at the National Democratic Convention in Philadelphia this year. Those who have followed both aspirants realize that Senator Connally deserved the favor of the National or cause he has gone all the way down the line for the Administration. Senator Connally will be chairman of the Texas delegation of 46 members which will fight for the renomination of Roosevelt and Garner to the last man.

State party headquarters have been opened in Austin and will be run by Roy Miller of Houston, who we predict will be made National committeeman to succeed Garner unless an unexpected shakeup takes place at the state convention.

Why is a man running for office called a candidate? We have just learned the answer. In the days of ancient Rome a gentleman desiring a public office appeared in public places dressed in which was supposed to signify the purity of purpose in the candidates asking the people's support. Since the Latin word meaning white was "candidus" we inherit the word candidate. According to office-seekers' versions today as to the purity of purpose of opponents seeking the same positions, we wonder if the word candidate shouldn't be shelved along with other remnants of Roman Culture.

Recently upon the discovery of oil near Mt. Pleasant, Leon Harp, Securities Commissioner, left immediately for that vicinity so that he might be on hand for the protection of the investing public and the property owners of that district. Under the old Blue Sky law, which was without sufficient power to regulate the sale of securities, the peddler of worthless stocks found Texas a swindler's paradise as compared with his present predicament. He must now search for more fertile fields to exploit because the State Securities Division is on his trail.

METHODIST NOTES

Welch Circuit
We spent Sunday at Munger. Had another good day. The weather was fine and both services were delightful. About 65 were in attendance at Sunday school and more were present for the morning preaching hour. 85 were present for the BYPU services, although this organization is sponsored by the Baptist, people of all faiths are invited to come and worship with them. Next Sunday we will be in Welch. It was reported that the attendance here last Sunday was good and the Sunday school is taking on new life. We need you, you need us. Come and worship with us. Everyone get ready for the Fifth Sunday Institute at Hancock, March 29. J. G. Walker, P. C.

MCCARTY H. D. CLUB

The McCarty Home Demonstration Club met March 3, with eight old members, four visitors and three new members present. The program was based on the Centennial. All parts were well carried out with a full discussion of each. After the meeting was adjourned we were served delicious refreshments. We will meet again March 2. Reporter.

ATTENTION TEACHERS!

Will you not encourage your pupils to enter the Walter Woodul Historical Essay contest and be in line to win a state prize? The prizes are as follows: First prize, \$200; Second prize, \$100; third prize, \$50 and fourth prize \$25.

This contest will bring to light many facts relating to the history of our county. It will also tend to give to all a deeper appreciation of the courage and fortitude of those who have gone before us and laid the foundation for the great commonwealth that is now Dawson County.

Rules concerning the contest have been sent to the Superintendent of your school. All essays must be in the County Superintendent's office by April 1st. Mrs. Hardy Morgan, Chairman Essay Committee.

NOTICE OF MEETING

All local committeemen who served in the 1935 Reduction Program are urged to be present at a meeting Saturday, March 7, at 2:30 o'clock at the court house. It is a very important meeting and all committeemen are urged to be present.

ON TEXAS FARMS

Supplies of seeds of grasses and legumes are greater this year than ever before in the Nation's history. This contrasts sharply with the scarcity in 1934.

It is a good thing that there are plenty of these seeds available because putting land into pasture and meadow crops is becoming more and more popular these days.

Some of the more scientific folk are even becoming particular about inoculating the legume seeds they plant. It pays too.

Dr. J. F. Cox, chief of the replacement crops section of the AAA, says there is a sufficient supply of bluegrass seed and of red top seed to plant several times the usual acreage.

The available supply of timothy seed is larger than ever before recorded. Fairly large supplies, in excess of normal usage, are reported for orchard grass, rye grass, and meadow fescue.

The seed supply of brome grass and crested wheat grass adapted to Western and Northwestern conditions, is greatly increased over last year.

Alfalfa seed is reported plentiful. Red clover and alsike is below normal, but the seed of lespedeza—growing in popularity in the southern Corn belt and Northern Corn Belt—is available in large quantities.

Sudan grass—great favorite among

dairymen—shows the largest seed crops ever harvested.

Cowpeas and velvetbeans increased substantially with a supply on hand sufficient to plant an acreage of 50 percent larger than the 1935 acreage. Wholesale prices as reported by the Bureau of Agricultural Economics, are lower than last year, and lower than during the whole five years from 1929 to 1933.

WELCH H. D. CLUB MEETS

The Welch H. D. Club met Tuesday afternoon, Feb. 25, with Mrs. Harvey Burkett. Thirteen old members, two new members and two visitors were present. We are glad to report this good attendance.

The president, Mrs. Martin, made announcement of two committees recently appointed. Mrs. Hoyt Sires was appointed delegate to the Recreation course. Mrs. Fambrough gave a report of the council meeting. Also one foundation pattern was completed.

Delicious cake and hot chocolate was served to the guests.

The club meets on March 10 with Mrs. Riley Chaffin. Miss Phenix will be with us at this time. We extend a hearty welcome to visitors. The club will announce the date of their play, which they will present in the near future, soon.

PERSONALS

Miss Lillian Miller spent the weekend in Snyder visiting with Miss Acie Dell Morton.

Dick Collins, Texas Tech student, spent the week-end visiting relatives and friends in Lamesa.

Mrs. C. H. McIlroy arrived in Lamesa Sunday night for several days visit with relatives and friends.

Misses Louise Wright and Marion Lee Mason of Post visited in the Clyde Backenstoss home here last week-end.

Miss Prudence Grant left Tuesday of this week for California where she will be employed with the Union Circulation Company, headquarters in New York. She was employed with this company four and a half years

before coming to Lamesa where she has since that time been connected with the Lubbock papers. Miss Grant will be head of a group who will work the Western coast. We wish her much success in her new work.

Mrs. A. H. Merrick underwent an operation for ruptured appendix in a local hospital last Thursday night. She is getting along very nicely at this writing.

Mr. and Mrs. J. R. Drennon announce the arrival of a 7½ pound son born Feb. 22. He has been named Jerry Dale.

Georgia Whitaker, 3½ year old son of Mr. and Mrs. H. J. Whitaker, was operated for ruptured appendix in a local hospital Monday night. His condition is very satisfactory at this time. Miss Melfin Norris was a Lubbock visitor Friday afternoon.

KLONDIKE

Church services at the South Side church Sunday were well attended. Due to a throat irritation Rev. Whately was unable to preach here but Bro. Hill and Bro. John Cundiff of Lamesa preached for us at both morning and evening services.

Our revival meeting is in full swing. The service last night was attended by a larger crowd than was expected as the farmers are so busy with their work. Everyone has a special invitation to attend each night service and hear Bro. Cole of Lamesa preach.

MR. AND MRS. YATES ATTEND RECEPTION IN LUBBOCK TUES.

Mr. and Mrs. E. R. Yates motored to Lubbock Tuesday evening to attend a reception given by the Lubbock Music Club in the lounge of the Texas Tech Women's dormitory, honoring Hortense Ragland McInery of New York City. Miss McInery has achieved a fair degree of success on the New York stage and as a singer in the radio world. She is a former Lubbock resident and is visiting her mother, Mrs. W. N. Wood, who is a girlhood friend of Mrs. Yates.

MRS. HARDY MORGAN HONORED ON BIRTHDAY

Miss Maurine Morgan entertained on last Sunday with a surprise birthday dinner honoring her mother, Mrs. Hardy Morgan, at their ranch home south of Lamesa.

Much to the surprise of the honoree, upon arriving home from church services she was greeted by the guests and directed to the dining room where a wonderful array of gifts awaited her, expressing the love and appreciation of all. The table was beautifully centered with a low bowl of sweet-peas and maiden-hair fern, and a bountiful feast was served.

Guests for this enjoyable affair were: Messrs. and Mesdames R. E. Simpson and son, Homer, M. Q. Martin, W. K. Crawley, E. R. Yates, Nelson Cope and daughter Helen, P. H. Vaughn, John Hardy Morgan and son of Big Spring, R. R. Townsend, Misses Eleanor Ragle, Helen Masesgale, Leona Gelin, Florence Lawson and Foy Furell and the Morgan family.

NEW HOPE W. M. S. WILL MEET MONDAY

Mrs. Ralph Ranson will conduct the scripture lesson and devotional for the women of the New Hope Baptist W. M. S. Monday afternoon at 2 o'clock in the closing service of the week of prayer for Home Missions.

Mrs. Ben Dopson and Mrs. Harrell Duncan will quote from the early records of W. M. U. during the leadership of W. M. U. Armstrong. Mrs. Head will speak on work in Cuba, Mrs. W. R. Miller on mountain work and Mrs. W. T. Williams on work among the negroes.

Mrs. Hassie Lisenbee will tell of work among the deaf-mutes, and Mrs. Bill Lisenbee will report on Jewish work. Italian evangelism will be given by Mrs. Jack Mears and the work among Indians by Mrs. Bob Butcher and Mrs. Charlie Roberts.

Mrs. Tommy Hamilton will speak on the Mexican work, Miss Mary Bob Harrell on hospital visitation, and Miss Ruby Bruton will present the appeal of the Home Mission Board.

Ten High School girls and boys will give short talks on tithing illustrated with scripture passages. The service

will be climaxed with prayers for all phases of Home Mission work and the presentation of the offering.

J. W. THORP CELEBRATES EIGHTY-FIFTH BIRTHDAY

Last Monday, February 23, Messrs. W. D. E. B., G. W. Thorp and Mesdames Lizzie McClure and H. P. Thorp met in the home of the former, to celebrate the eighty-fifth birthday of their father, J. W. Thorp.

Twenty-one grandchildren, and eight great-grandchildren were present. Three children and several grandchildren were unable to be present. Other than the relatives, those present were: Uncle O. T. Smith, Miss Ruby Boyd, Cecil Reed and Grady McCall. 42 guests were present for the delicious birthday dinner that was served. A very enjoyable day was spent and the guests departed wishing for the honoree many more happy birthdays and that they could be present.

MR. AND MRS. GUTHRIE ALLEN CELEBRATE SILVER ANNIVERSARY

Friday, February 21, was the twenty-fifth wedding anniversary of Mr. and Mrs. Guthrie Allen. In honor of this occasion they entertained a number of friends in their home on North Katherine street.

All appointments were in silver. '84' was the entertainment for the evening and after a series of enjoyable games a delightful refreshment plate was passed to the guests.

Mr. and Mrs. Allen received a number of lovely gifts, among them was a 56 piece chest of Rogers silverware. Those present were Messrs. and Mesdames L. Berry, T. F. Tillman, Bill Roberts, Gus White, Jap Randal, Jessie Carol, Mrs. L. C. Steele, Misses Irene Wright, Willie Belle Cleveland, Olive Meadows and the host and hostess.

MISS MERLE SHIPP HONORED WITH SHOWER

Mesdames Butler McGe, Annie Crow, Henry Lindley and Miss Pauline Bulsterbaum were joint hostesses in a shower for Miss Merle Shipp, bride-elect of Mr. John I. Dean, at the An-

erican Legion hall Friday evening, February 28, at 8:30 o'clock.

After a short program consisting of songs by the Bulsterbaum sisters, a reading, "Three Wishes for a Bride", and tap dancing by Mary Francis Barnard, a gift-loaded C. C. C. truck, drawn by Dorothy Ruth Caldwell, was presented the bride. Many other beautiful gifts came into view when a draped flag of the U. S. was lowered. Coffee, cake and toasted nuts were served by Misses Minnie Cope, Opal McNew and Katie Lee Clement, dressed in C. C. C. uniforms, to the guests.

Sixty guests registered in the bride-ship presided over by Miss Hazel Shipp. A number of gifts were sent by those who were unable to attend.

MRS. GORDON B. MCGUIRE, JR. ENTERTAINS WITH BRIDGE

Naming Mrs. Dee Burns of Lubbock, honoree, Mrs. Gordon B. McGuire, Jr., entertained in the Tom Burnside home last Tuesday with a bridge party.

Three tables of contract were to play during the afternoon. At the conclusion of the games Mrs. Little was awarded a lovely pottery plate for high score, Mesdames Campbell and Burns received the traveling silver prizes and Mrs. Burns was awarded a guest prize.

A delightful salad course was served to the honor guest and Mesdames Wallace, Harp, Campbell, Phinizy, Ross, Spyer, Burnside, Yonge, Lamb, Leslie, and the hostess.

Miss Ruby Bruton will teach the closing chapters of Aulick's "Who is My Neighbor", Sunday afternoon at 2 o'clock to the women of New Hope Baptist church. The first of the book was presented last Sunday by Miss Mary Harrel to an appreciative group as part of the observance of the week of prayer for home missions in the southern states, Cuba and the Canal Zone.

Miss Alene McClintock has been on the sick list for the past several days.

Miss Reba Broughton, student at Texas Tech, spent the week-end visiting her parents, and friends in Lamesa.

Lloyd Cotten was a Dallas visitor over the week-end.

MISS MERLE SHIPP BECOMES BRIDE OF JOHN I. DEAN

One of the most attractive and unusual weddings of the year was solemnized at the C. C. C. camp Saturday evening, February 29, at seven o'clock when Miss Merle Shipp became the bride of Mr. John I. Dean. The Welfare Building, in which the wed-

ding took place, was appropriately decorated with mountain cedar and white candles.

Preceding the ceremony, Misses Louise and Jearline Haney, nieces of the bride, sang "I Love You Truly". To the strains of the wedding march from Lohengrin played by Mrs. A. G. Barnard, Captain G. H. Barrett, District Chaplain in uniform, took his place under the cedar covered arch. The groom attended by Lt. Ira L. Cain, Jr., in uniform entered from the left and took his place in front of the arch. Mrs. Ira L. Cain, Jr. and Miss Pauline Bulsterbaum, attendants of the bride advanced up the center aisle of the hall. Last to enter was the bride upon the arm of her brother-in-law, Mr. A. D. Haney. In the soft candle light, Captain Garrett read an impressive ring ceremony.

The bride wore navy with white accessories, and carried a bouquet of sweetheart roses, baby's breath and orchid sweet peas.

After the wedding an informal reception was held. Misses Hazel Shipp, Margaret Owens, and Mildred Cooper dressed in lovely evening gowns served cake and punch to the guests.

Mrs. Dean is the daughter of Mrs. Maude Shipp of this city. She graduated from the local high school in 1929 and attended Baylor College for Women. She has been assistant to the County Superintendent for the past five years.

Mr. Dean is the son of Mr. and Mrs. John F. Dean of Berea, Kentucky. He attended Berea College and received his A. B. degree from that institution in 1932, and his Master of Education degree from University of Texas in 1935. Mr. Dean came to Texas in 1932 for a year of graduate study at the State University and returned in 1935 after a year's experience in administration of Adult Education in his home state. He received a position as principal of a high school at Fentress, Texas, and in August, 1935, was appointed as Educational Adviser in connection with the OCC program; his assignment brought him to Lamesa at that time.

MISS PRUDENCE GRANT HONORED AT FAREWELL PARTY

Last Thursday evening a group of friends of Miss Prudence Grant who left Friday of this week for California, gathered at the Burnside home on South Third street and when she returned with Mrs. Burnside from the show surprised her with a shower of lovely gifts. Among them were a lovely grey suit with all the accessories to match.

After the gifts were unwrapped and displayed for the guests to see, the group enjoyed an informal supper at the Cason Cafe.

PLAY AT GRANDVIEW FRIDAY NIGHT

There will be a play, entitled "Here Comes Charlie," held at the Grandview school house on this coming Friday night, March 6. Special musical numbers will be given between acts by Luther, Walter and Author Standerfer. The play will start at 7:30 p. m. Everybody has a special invitation to attend.

WOMAN'S STUDY CLUB HAD INTERESTING MEETING

A program of special interest was given by The Woman's Study Club last Friday on Texas Writers of Prose and Poetry.

The president, Mrs. Eugene Yates, conducted the regular business meeting. It was voted the Annual Tea to be given the 27th of March be a silver tea.

Mrs. W. L. Marr gave a very interesting talk on Texas Prose writers, reading excerpts from some of the leading authors of the past and present.

Mrs. Eugene Yates readings by Texas poets was appreciated very much. The next meeting of the Study Club

"HERE'S TRUE ECONOMY"

HIGHER COSDEN OCTANE

Whether you believe it or not, a high anti-knock gasoline is the MOST ECONOMICAL fuel you can use in your car or truck.

True, the first cost may be a few cents more... BUT... when you consider the wear and tear on your cylinders... slow pick-up... carbonized spark-plugs... loss of power and miles per gallon... an anti-knock gas will really SAVE YOU MONEY.

And the PEER of anti-knock gasolines... the gasoline that is refined to 70 OCTANE rating without the use of any adulterants or artificial stimulants is...

COSDEN HIGHER OCTANE GASOLINE

Watch for the Cosden Traffic Cop and the **COSDEN HIGHER OCTANE** sign... drive in and fill up the tank today and you'll really experience "true economy" in motor fuel.

The Cosden Traffic Cop sez:
Watch railroad crossings carefully—remember, any time may be train time and the right-of-way belongs to the train—DON'T TRY TO BEAT THE TRAIN TO THE CROSSING—you can lose this sort of a race only once.

FARM NOTES

4-H CLUB WORK

Clubs for boys work have been organized at Woody, Ballard and O. K. schools. The boys at these schools will have projects or demonstrations, with calves, baby beef, Jersey calves, pigs, country, cotton, grain sorghum, and one boy will have a demonstration in water melon growing.

There are forty-three boys enrolled in the three clubs. This is only a beginning in club work. The boys clubs will be organized in all communities that want the club work. Dawson county will have some calves ready to take to the Midland Fair and to the Centennial Fair at Dallas.

There will be a number of free trips offered to boys who complete the club work in the county. Boys who use crops as demonstrations will be required to grow at least four acres of crops, and pay the customary rent from the crops, they will keep records on each of the demonstrations. Some of the boys who have livestock projects will also grow a feed crop with which to feed the animal or other livestock that they may have.

As soon as the agent can get around to all the schools who want club work clubs will be organized.

TERRACING DEMONSTRATIONS

The agent with the help of Mr. V.

O. Young, assistant, has conducted some seven terracing demonstrations in the county during the month of February at which there were eighty-six farmers and boys out to learn the ways of running terrace lines or contouring lines. There has been over 3600 acres or lines run by the agent and those who have learned to run the lines from the demonstrations during the month.

DEFERRED PAYMENTS ON CONTRACTS

Mr. C. H. Newcomer, of the state office, checked the contracts in the hog reduction program here, Tuesday of the week. There were thirty-six contracts that were not acceptable due to the producers not fulfilling the obligations. Mr. Newcomer stated that these contracts were not eligible to receive the payments due, and that those who have complied with their contracts would be paid, but could not give any information as to when the checks would come in.

There is this information available that all cotton contract signers who fulfilled their contracts would be paid off, as well as the payments due on the parity, and bale tags that were sold. We do not have any information as to when these obligations will be paid however we have been assured that they will be paid.

Let's Talk About Clothes

Dehlon, Tex.—The new spring footwear is arousing all kinds of enthusiasm, and the patent leathers are getting the lion's share of praise. Every woman has slid her feet into shiny patent shoes on a rainy day, saying a word of thanks for the inventor of such easy-to-keep-clean, as well as neat, footwear.

Patent and bright colored patents are the latest gash in styles. Most of these colors appear in ankle strap sandals and are ideal for spring and summer wear. They are cleverly designed to keep the slenderizing lines of the feet—they feature high heels and criss-crossed straps that show just a bit of the toe section.

Two and three toned affairs and similar stunning creations that show plenty of imagination will give the exacting shoe collector the most versatile and complete collections from which to choose. The snappy new 'Tists' are proudly worn by girls at Texas State College for Women (CIA). They are in diagonal white pique, and are made so that you can have them dyed—just what you want to team with your dark clothes that are trimmed with white pique.

Another big excitement is the gabardine shoe. Its supersmart with shiny patent trim, and is seen along the boulevard with the fashionable mannish suits. All the smartest shoes are made with scuffless heels, the prize winning invention for women skivers and for acting feet.

Square toes and square cut heels have been smoothed down after the previous showings, and the lines are not so extreme and they do take inches off the length of the foot. Rusty suedes, combinations of three and sometimes four colored suedes, British calf brown sport oxfords trimmed with avery, come in the stubby toes and square cut heel effects.

Health Department Warns Against Colds

Austin, Texas—"Keep your body in good condition," advised Dr. John W. Brown, State Health Officer. While colds, influenza, and pneumonia are different conditions, all three may be brought on or made worse by lowered bodily resistance, and all three may often be prevented in the same ways.

When these communicable diseases are prevalent, avoid crowds as much as possible and plan our work and re-

creation so that you will not overtax your strength and get tired out. Be sure that the room where you are is always well ventilated. Drink plenty of water and don't let your system get clogged up.

Sufficient rest, cleanliness of hands, mouth and teeth, fresh air while at work and at sleep, regulation of meals and bodily functions, wholesome food and freedom from anxiety will increase bodily resistance and avoid contracting the disease.

One attack of cold or influenza does not as a rule confer immunity. Individuals have been known to have several attacks during an epidemic. Segregation of the patient is desirable to avoid giving the disease to others.

If you develop symptoms of cold or influenza, consult your physician early and follow his instructions.

Chevrolet's Policy Of Junking Cars An Aid To Safety

The wholesale removal of unsafe cars from the streets and highways of the country, under the junking plan inaugurated January 1 by the Chevrolet Motor Co. has elicited from W. H. Cameron, managing director of the National Safety Council, a telegram of commendation to M. E. Coyle, president and general manager of the Chevrolet.

"I have just been advised that thousands of obsolete and unsafe automobiles have already been removed from highways as result of your million-dollar fund for the junking of old cars through your dealer organization," said Mr. Cameron's telegram. "The payment for each car junked in this manner is a real contribution to the cause of highway safety. Eleven per cent of the automobiles in use today are eight years old or more, and fifty seven per cent have been in use at least five years. This very definite contribution on your part should hasten the day of greater motoring comfort for all. Congratulations, and best wishes for continued success of the plan."

Advices from Chevrolet indicate that January saw the junking of thousands of dangerously old cars whose further operation constituted a hazard to their owners and the public at large. So thoroughly successful was the campaign that it is being continued thru February.

Mr. and Mrs. E. A. Conley and family were Big Spring visitors Sunday.

Mr. and Mrs. W. J. Stanfield spent Sunday in Big Spring visiting with her brother, G. P. Taster, and family.
