SHANKS REPRESENT GOVERNOR

MAYOR DAVE SHANKS NAMED TO PREPARE PERRYTON'S APPLICATION FEDERAL RELIEF FUND

Mayor Dave Shanks has been designated by Wilbur C. Hawk, President of the West Texas Chamber of Commerce, to serve as Governor R. S. Sterling's representative in the preparation and submission of Perryton's application for funds out of the $300,000,000.00 provided by the Federal Emergency Relief and Construction Act of 1932.

The West Texas Chamber of Commerce has been charged by the Governor with the responsibility of naming the chairmen in each town and county in its territory and assembling the paplications from the towns. The directors of the affiliated towns have been named as chairmen. In unaffiliated towns, the Chamber has named others as chairmen.

Already application blanks and instructions have gone out to the two hundred towns, cities, and one hundred thirty counties in West Texas from the office of the West Texas Chamber of Commerce at Stamford. Assistance in making out the applications is to be given by the regional organization. General Manager D. A. Bandeen, at Stamford, will devote most of his time during the next two weeks in assisting towns and counties in that part of West Texas in making the applications. The same service will be given to the Panhandle-Plains cities by Assistant Manager Maury Hopkins at Plainview. Jack Hott, Manager of the Fort Worth Chamber of Commerce, will assist at Fort Worth, and Captain E. H. Simons, Manager of the El Paso Chamber of Commerce, in that part of the territory.

Applications for the relief must be made through the West Texas Chamber of Commerce and must be filed by October 13 in order to give the organization time to transmit them to the Governor before October 15.

The funds to be applied for now are for the months of October, November and December. The amount will be based upon the amounts that have been spent for relief and relief work by the respective applicant cities during the past twenty-one months, or since January 1, 1931.

Harvey W. Hill Dead

Established Newspaper In Beaver County At Gray Many Years Ago; An Old Timer

Harvey W. Hill, who established a newspaper at Gray, Oklahoma, many years ago, and helped to build that good little town on the flats between here and Perryton, Texas, and was known by every family in that part of Oklahoma, and in 1918 went to Crowley County, Colo., and bought a weekly, died last Saturday in Oklahoma City at the home of a daughter. Mr. Hill was about 70 years old, and had been active all his life, a greater part of the time being in the newspaper business. His paper was published in the office in Liberal and the entire edition was taken by Mr. Hill, who rode a horse to Ragsdale and mailed the paper to his subscribers. Later the town was established and the town moved into a good trading center. Many of the old time residents near Gray will learn with regret of his death.—Beaver Herald-Democrat.

RETURNS FROM AUSTIN

L. Rogers, Farnsworth, representative-elect from the 124th district, returned recently from two weeks at Austin where he attended the special session of the state legislature. B. L. made this trip to Austin at his own expense to "get wise" to the procedure down at the capitol so that he could better serve his constituents when he starts his work in the solon body.

5-6—Marlene Dietrich, Herbert Marshall and Cary Grant in "Blonde Venus".

Fire Call Monday

Short In Electric Cooling Mechanism Responsible For Monday Night Fire Call

A short circuit in the motor of the Frigidaire equipment at the Piggly Wiggly store resulted in a fire call being turned in Monday night at 11:15 o'clock. The motor was burned out but no other damage was done.

The fire department made a quick answer to the call but no blaze was discovered, however considerable damage was caused by the burning motor.

PAMPA SECONDS PLAY SATURDAY

GORILLAS PLAY RANGERS ON LOCAL FIELD SATURDAY AFTERNOON IN FIRST OF SEASON

Pampa Gorillas will play the Rangers on the local field Saturday afternoon, October 1, in the first football game of the season for both teams. The game is called for 3:00 o'clock.

The Gorillas, Pampa Harvesters second string, have a strong aggregation this season according to reports and will put up a much better game than the 39 to 0 defeat handed them by the Rangers last season.

Perryton fans are anxious to see Coach Keith's Rangers in action and although many saw the practice game with the local town team last week in which the Rangers administered a 13 to 6 drubbing, the supporters of the local high school team want to know how the boys will look against a team of their own class.

Large Crowd To Hear First Program Of Local Organization At Monday Meeting

The Perryton Parent-Teacher association had its first meeting at the school auditorium Monday evening, September 27, at 8:00 o'clock.

The high school band, under the direction of G. Ward Moody, gave four entertaining selections, which were greatly enjoyed. Mrs. W. B. LaMaster in her talk on "What Makes a Successful Association" brought out some very helpful points that we could use to good advantage.

Miss Helen Francis gave two readings, which made us realize how easily parents lose sight of the faults of their children through love. A group of Mother Singers gave two selections, "Annie Laurie" and "Sweet and Low". These singers are a special feature being sponsored by our association this year and we hope to make it a big success for we have many talented singers in our midst.

Mrs. D. A. Caldwell, our president, stressed membership in her talk. All are urged to pay their dues as soon as possible, but if you are not able to pay dues this year, please come to the meetings just the same. We need every patron of the school.

It was decided to have only one meeting a month this year and that meeting will be the last Monday evening of each month. The finance chairman, Mrs. R. T. Correll, reported plans were underway for the Parent-Teacher play, which will be given November 16 and 18.

Some very interesting programs are being planned for this years work and all patrons of the school are being urged to attend each meeting.

Male Chorus Organizes

Lions Club Chorus Will Hold First Meeting Of Fall Season Next Monday

The first meeting of the Lions Club Male chorus will be held next Monday evening, October 3, at 8:00 o'clock for the purpose of reorganizing the club. The meeting will be held in the music room at the high school building.

Director H. P. Lorenz will again have charge of the organization and another successful season is being planned. The chorus is sponsored by the local Lions club.

Mrs. J. M. Wood, who has been spending the summer in Perryton with her daughter, Mrs. Jack Allen, left Thursday for her home in Albany, Texas. Mr. and Mrs. Allen and children accompanied her to Amarillo, where she took the train.

Mr. and Mrs. Sam Hergert were Amarillo visitors Friday night and Saturday.

Registered Bulls Improve Texas Dairy Herds

One of the first daughters sired by a circle bull in Eastland county, Texas, is the heifer standing by her owner, Ross Laird, at right. She has proved to be one-third better than her mother, who stands at the left. The sire (in the center) is one of nine high production registered bulls introduced into nine bull circles in Eastland county by the county agent. Laird believes he will develop a very high milk producing herd in a few years at low cost by this method.

FORD OPEN AIR SALON COMING

DISPLAY WILL BE IN PERRYTON ALL DAY FRIDAY, OCTOBER 14; BIG AFFAIR

Ford open-air salon will be in Perryton soon, coming on Friday, October 14, for an all day engagement, opening at 9:00 o'clock in the morning and closing at 10:00 o'clock in the evening, according to R. C. Johnson, manager of the Johnson Motor company and Phil Kerr, zone manager for the Ford Motor company.

The salon will present a complete line of the fourteen new Ford body types of the Ford V-8. One of the features of the show is the arrangement that has been made for visitors to ride in and drive the cars shown in the display.

A cutaway chassis will also be on display, where visitors can examine every working part of the car and see how it functions. This specially prepared chassis was a regular car, run off the line and prepared by the students in the Ford trade school.

Five reels of talking pictures will be presented at the show, and in their wide variety of scenes, will take you all over the Ford plant and will likewise visit the mines and countries where the raw material used in the construction of the Ford is produced.

The open-air salon will be held on the lots across from the First National Bank, on Main street. A cordial invitation is extended to everyone in Perryton and this community to visit the display.

Mr. and Mrs. J. L. Dodson and son were in Amarillo last Wednesday attending the attractions at the Tri-State fair.

Virby Conley left Monday on a several day business trip at Oklahoma City. His father, J. N. Conley, accompanied him and will visit in the home of his son, C. N. Conley and family at Shawnee, Okla.

Girl Raises Champ Litter of Pigs

Vernon Wilks, a Plainview girl, can raise pigs in a big way. She brought the champion litter and the reserve champion to the 4-H club division of the Amarillo Tri-State fair last week. The above photo shows the champions with their youthful raiser, who won over 21 other contestants

TAXPAYERS TO MEET SATURDAY

REGULAR MEETING WILL BE HELD AT COURTHOUSE SATURDAY AFTERNOON

The regular monthly meeting of the Ochiltree County Taxpayers league will be held Saturday afternoon in the district court room at the courthouse here, according to L. H. Lance, president of the organization.

Several important business matters will be taken up before the open meeting of the league and a number of committee reports will be heard.

All members of the league and all taxpayers in the county whether members or not are requested and urged to be present at the meeting Saturday.

Lions Are Entertained

Interesting Program Presented At Weekly Meeting Of Local Service Club

The first program of a ten weeks contest was presented at the weekly meeting of the Lions club, Tuesday noon, and proved very interesting. The program was prepared by Lions Irvin Buchanan, Duane Roberts and W. B. Irvin.

Lions R. H. Prewitt, C. E. Woods and R. C. Johnson will act as the next committee in preparing the program for October 4.

According to the plans of the contest, the best program in the ten week campaign will be presented in a visiting tour of nearby clubs.

Mr. and Mrs. Jack Blakemore, Liberal, Kans., were dinner guests Monday with Mr. and Mrs. A. B. Hammon. Mr. Blakemore is a brother of Mrs. Hammon.

FIRST ISSUE OF EL SOMBRERO THIS WEEK

On another page of this weeks issue of the Herald will be found the first publication of El Sombrero for the 1932-33 school term.

El Sombrero is a page devoted to the news of the Perryton schools, prepared and edited by the Journalism club of the local high school. Clyde Cofer is editor-in-chief of El Sombrero this year, with Kathryn Orr as his assistant. A capable staff of reporters will assist in the publication of the page.

El Sombrero will be a regular feature of the Herald during the present school term. The boys and girls responsible for this splendid page are to be complimented on their fine work.

RAINS OF PAST WEEK .67 INCH

SHOWERS BENEFICIAL BUT HEAVY GENERAL RAIN IS NEEDED FOR PLANTING

Showers and drizzling rains of the past week have proved very beneficial to put fall season in the plowed wheat ground and although many have drilled or are drilling their land, a hard general rain is badly needed.

The fall during the past week totaled .67 of an inch and was divided over a five day period. The rainfall by days is as follows:

September 21	.12
September 22	.15
September 24	.20
September 25	.13
September 26	.07

Many parts of the Panhandle report much heavier fall than was received in Perryton. Some wheat drilled here before the recent rains is already up and is looking good but the larger acreage still remains unplanted and farmers are awaiting a general rain before planting.

Lew Wentz Wins Suit To Retain Place On Oklahoma State Highway Commission

Oklahoma City, Okla., Sept. 24—The claim of Lew Wentz, Ponca City oil millionaire, to the Republican seat on the Oklahoma highway commission was upheld by the state supreme court yesterday. Governor William H. Murray issued an executive order April 1 ousting Wentz and appointing Miss Maude Thomas of Beaver as his successor.

The opinion, written by Justice Robert Hefner of Ardmore, was concurred in by six other members of the court.

Miss Thomas was restrained by the court from interfering with Wentz's possession of the office and the clerk of the court was directed to issue a special mandate to the Oklahoma county district court, from which Wentz had appealed.

The decision immediately replaced the Ponca City oil man in the office from which Governor Murray ousted him.

J. W. Clark was the only dissenting justice. Justice Thomas H. Andrews was absent.

In holding Wentz entitled to the office, the court ruled, in effect, that Governor Murray's executive order of removal and that naming Miss Thomas to the place were void.

"In the absence of an expressed provision in the constitution to the contrary, the legislative restrictions upon the power of the governor to remove his appointees, who are not directly responsible to him for their acts, are valid when applied to one who holds a statutory office", the court stated.

Hold Public Auction

J. T. Claybrook Advertising Dairy Cattle Sale For Tuesday, October 4

J. T. Claybrook, who lives three miles south and one mile west of Trimmill's store in Beaver county, Okla., is advertising a public auction sale in this issue of the Herald.

Mr. Claybrook has twenty-two head of fine dairy stock that he is offering at his sale next Tuesday, October 4. Col. Ed Littleton will act as auctioneer and Bill Henline as clerk. The sale will start at 1:00 o'clock.

Mr. and Mrs. Paul Neighoff, Chicago, Ill., were in Perryton the first of the week visiting with their cousin, R. P. Hurn, and with Mr. and Mrs. W. C. Sanders.

CONTRACTS ON HIGHWAY NO. 4

THREE CONTRACTS AWARDED LAST WEEK ON STATE NO. 4 IN NORTH PANHANDLE

Three highway contracts were awarded last week on State Highway 4, according to the official records of the State Highway commission, representing an expenditure of $110,525.12.

Only one of the contracts was in Ochiltree county, calling for 6.747 miles of grading, drainage structures, caliche and limestone base courses. The contract was let to Davies & Son, Abilene, the same contractor now working on Highway 117 west of here. The amount of the contract was $54,223.80.

The second contract was in Hemphill and Lipscomb counties and called for 9.333 miles of grading and drainage structures from the Ochiltree county line to Horse creek bridge in Hemphill county. C. H. McClellan, Wichita Falls, was the successful bidder, the contract amount being $42,836.74. A 342 foot steel and concrete span on Highway 4 in Hemphill county was included in a third contract awarded to Buckner Brothers, Cleburne, the amount given being $13,464.58.

All of the contracts were awarded by the State Highway commission on Tuesday of last week.

Legion District Meet

Eighteenth District Convention At Plainview, October 15-16; Moody Presides

Congressman Wright Patman, Legionnaire of Texarkana, and champion of the cause of the World War veterans in many legislative battles chief among which, of course, is the payment of the balance of the adjusted service certificates, has indicated that he will accept the invitation of officials of the 18th District and members of the Plainview post, which will be host to visiting Legionnaires at the 18th district convention October 15 and 16, to be in attendance and discuss his plans for continuing the fight for full payment.

The post at Plainview has been working on plans for entertaining the 18th District convention since early in June and while their entertainment program has not been announced, it is anticipated that those who attend this convention will not have a dull minute during the two days.

This will be the first convention for the 18th District under the administration of Commander Carl Nesbitt who has been especially invited to attend. Commander Nesbitt had not indicated that he would be in attendance but unless previous engagements interfere, it is anticipated that he too will be present to discuss the state and national program of the Legion for 1933.

G. Ward Moody of this city is commander of the 18th District and this will be the first convention in the district since he was elected at the state convention at Corpus Christi last August.

Scout Training Course

National Representative Here Two Days This Week To Hold Instruction Camp

Would you like to know what the Girl Scout program includes? Would you like to know how to organize a troop? Would you like to know how Girl Scouting benefits the community? Would you like to know how to be a good troop committee member so that your troop will have the proper backing? Would you like to know how to be an efficient captain or lieutenant?

This information and training will be given by Miss Alice Mulkey, a National Field Representative of the Girl Scouting movement who is to conduct a leaders training course Friday, September 30, at 2:30 o'clock and Saturday morning at 9:00 o'clock in the high school auditorium. Everyone over eighteen years of age is invited to come. There is no charge and no expense incurred.

Friday evening at 8:00 o'clock in the auditorium, all parents and friends of Scouts are invited to a short program prepared by the girls and to an informal reception.

T. W. Meade went to Amarillo Wednesday and is visiting in the home of his son, J. F. Meade and family.

Mr. and Mrs. Blansit Carter returned Sunday from a vacation in New Mexico. They returned by Amarillo and attended the Tri-State fair Saturday.

American Legion Auxiliary NEWS

Approximately 150 members were present at the last regular meeting of the Pierce Johnson Post and Unit No. 254, September 19, at which time a joint meeting and installation of officers was held. Meeting was called to order by Commander Horace Lackey, after the reading of the roll call for the Legion by Adjutant Ray Thomas, the minutes of last meeting were read and approved. A brief resume of the year's activities was given. Business matters were suspended until next regular meeting.

The meeting was then turned over to the Unit president, Mrs. Freeman Garrett. Minutes of last meeting were read by acting secretary, Miss Anna Lee Hodges, and a yearly report was given. A letter was read from our treasurer, Mrs. C. B. Rogers, expressing her regrets at being unable to attend the meeting to fill her chair in the installation ceremony and thanking the Auxiliary for flowers sent during her recent illness. Mrs. Rogers is an untiring worker for the organization and is filling the office as treasurer for the fifth consecutive year. Both the Legion and Auxiliary wish her a speedy recovery and hope to see her at the next meeting. There being no urgent business to dispose of the meeting was turned back to the commander, who in turn introduced G. Ward Moody, 18th District Commander. Mr. Moody very capably conducted the joint installation ceremony. The Legion and Auxiliary are very proud to have an officer of this rank as a member of our local organization and a resident of our city.

Immediately after new officers had taken their chairs an interesting program of music and talks was presented by members, with Mrs. G. Ward Moody, entertainment chairman, in charge. There are always a few unfailing artists that are more than willing to contribute their time and talent to each program, these were in evidence on this program, however, several members were absent on account of illness. The talks on "What the Legion and Auxiliary Mean to Me", by W. B. Irvin and Mrs. Jack Allen were very impressive and should make each member value their eligibility and membership more highly. Mrs. Moody is to be commended on the many interesting programs presented throughout the year.

Refreshments consisting of "Beaucoup" ice cream and cake were served by the Auxiliary, with Mrs. Harry Nail, refreshment chairman, in charge; which is always significant of many and plenty 'good eats'.

This meeting closed a most successful year for both the Legion and Auxiliary, as proven by their splendid annual reports. Retiring officers are to be congratulated on their untiring efforts and success for the year and a big hand and best wishes extended to the new officers.

JOHNSON HEADS AMERICAN VETS

MRS. S. A. BLACKBURN OF KENTUCKY IS NEW PRESIDENT OF AMERICAN LEGION AUXILIARY

Louis A. Johnson, an attorney of Clarksburg, W. Va., was elected national commander of the American Legion at the American Legion's fourteenth national convention at Portland, Oregon, on September 12-13-14-15. His election came on the first ballot and was made unanimous by the convention delegates.

Five national vice commanders were elected as follows:

Russell Meadows, Douglas, Ariz.
Robert D. Floy, Albion, Nebr.
William E. Easterwood, Jr., Dallas, Texas.
John J. Maloney, Portland, Maine.
Charles A. Mills, Miami, Fla.

The Rev. Irvin Q. Wood, of Pocatello, Idaho, Episcopalian minister, was elected national chaplain.

Appointment of a national adjutant, national treasurer, national judge advocate and national historian was postponed by the national executive committee until its November meeting. The committee met immediately following the close of the convention with a technical quorum present, but not a majority, and Commander Johnson asked that these appointments be deferred until the November meeting at national headquarters in Indianapolis. Dates for the executive committee meeting were set for November 14th and 15th and the annual conference of department adjutants and commanders in Indianapolis for November 16th, 17th and 18th.

Mrs. S. A. Blackburn, of Versailles, Ky., was unopposed for national president of the American Legion Auxiliary. Five new vice presidents were elected without opposition. They were: Mrs. Callie B. Helder, of Sherman, Ore., West Division; Mrs. Charles S. Schall, of West Haven, Conn., Eastern Division; Mrs. A. C. Corbin, of Poplar, Mont., Northwestern Division; Mrs. Roland B. Howell, of Thibodaux, La., Southern Division, and Mrs. O. H. Allbee, of Marshalltown, Iowa, Central Division.

The national executive committee of the Auxiliary elected Mrs. Malcolm Douglas, of Seattle, Wash., national historian, and reappointed the following national officers: Mrs. Gwendolyn Wiggin MacDowell, of Indianapolis, Ind., national secretary; Mrs. Cecelia Wenz, of Indianapolis, national treasurer, and Mrs. J. J. Doyle, of Toledo, Ohio, national chaplain. Mrs. Pat Allen, of Portland, Ore., was named American vice president of Fidac Auxiliary.

The convention approved a report of the committee on time and place of next convention which recommended that the 1933 national convention be held in Chicago. The dates of the convention will be set by the national executive committee. Several cities extended invitaltons for coming national conventions. The department of Florida renewed a former invitation to hold the 1934 convention in Miami. The Missouri department extended an invitation to hold the 1935 convention in St. Louis. California advised that Los Angeles was also seeking the 1935 convention. Paris Post 1, of the department of France, asked that the 1937 convention be held in Paris, and the department of Italy renewed an invitation to hold the 1937 convention in Rome.

FOOD SALE SATURDAY

The Beginners department of the Methodist Sunday school are sponsoring a food sale to be held Saturday, October 1, in the furniture department at the Plainview Hardware & Furniture company.

The proceeds are to be used to buy work tables for this department. So help this worthy cause and buy the goodies for your Sunday dinner with them.

W. B. LaMaster and sons, Walter and LeRoy, were in Amarillo Saturday for the football game between the Texas Aggies and Texas Tech, and they visited with Cyrus LaMaster, who is junior manager for the Texas Tech squad this year.

SIC 'EM BOWSER!

ADMINISTRATION OF PROPERTY TAX UNJUST

The assessment of property for the state ad valorem tax is made by locally elected county assessors. The work of these officers is not supervised by any state agency, and there is no state board of equalization. The inevitable result of such lack of system is that some counties bear a larger part of the burden of the state general property tax than they should while others escape with a payment of less than is just. The operation of the property tax is such that progressive counties using a high ratio of assessed to true value are discriminated against, whereas counties in which property is greatly undervalued are favored.

The replies of 167 county judges to a questionnaire sent out by the Tax Survey committee a few years ago showed that the assessment ratio for farm land varied from twenty per cent and under in ten counties to over ninety per cent in two counties. The remaining counties assessed property at figures intermediate between these, with 135 counties reporting assessment at from twenty-one per cent to fifty per cent. A more recent investigation revealed the fact that the per cent of assessed value to sale price of farm lands averaged 15.7 in Dallas county and 47.1 in Polk county. Similar variations exist between counties in the assessment of other classes of property. In 1926 the assessment of real and personal property for state purposes was reported to be twenty per cent of estimated true value of Dallas and seventy-five per cent in Galveston. Though the rate of the state levy per $1000 of assessed valuation was $7.70 in both these cities, the rate per $1000 of estimated true value was $1.54 in Dallas as compared with $5.78 in Galveston. Thus the burden of the state tax on property in Galveston was 3.75 times that on equally valuable property in Dallas. In 1929 real property was assessed for state purposes at thirty-five per cent in Houston and sixty-seven per cent in Waco. Enough examples have been cited and countless others could be added, to show that the state ad valorem tax imposes unequal burdens on the different counties. This will continue to be the case so long as the present system of administration is retained. It is simply out of the question to get at uniformly fair valuations of property for state purposes with 254 separate assessors appraising it according to local needs and local influences, and with 254 separate boards to equalize the value.

The following subjects will be discussed Sunday at the Methodist church: "Giving Faith a Sweat Bath" and "The Lure of Cheap Success", served with plenty of good music.

Milo Blodgett, prominent rancher of the southwest part of the county, is a patient at Mayo Brothers sanitarium at Rochester, Minn. Reports from there state that his condition is rather serious.

How Modern Women Lose Pounds of Fat Swiftly---Safely

Gain Physical Vigor—Youthfulness With Clear Skin and Vivacious Eyes That Sparkle With Glorious Health

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 4 weeks get on the scales and note how many pounds of fat have vanished.

Get a bottle of Kruschen Salts—the cost is trifling and it lasts 4 weeks. If even this first bottle doesn't convince you this the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

But be sure for your health's sake that you ask for and get Kruschen Salts. Get them at any drugstore in the world. I-2—Adv.

"I Like The Depression"

By The Late
Henry Ansley
"Jackass Of The Plains"

Mr. Ansley recalls that before PROSPERITY he was just one of the home-town boys who knew everybody and whom everybody knew. Even when he got drunk at the sheriff's convention and lost his job folks were mighty nice to him. PROSPERITY went to his head. Over night he became a Business Man, a Big Shot. He couldn't be bothered with the old folks, the boyhood pals, the friends of the family. They were old fogies. He and the upstarts knew all there was to know.

Then came the DEPRESSION, a pall over the land. Gloom clutched us. But Mr. Ansley says he likes the DEPRESSION.

It has brought real friends back to him and long forgotten neighborliness. It has taught him what a dollar is worth and that hard work, horse-sense and the Golden Rule are more valuable than a snowball in Hades. It has taught him how to use time comfortably. It has taught him a most amusing and delightful lot of things about Wives and other Women, about Farming, Clubs, Conventions, Politics, Dogs, Bosses, Parties and Entertainment, Clothes, Furniture, Home, Food, Health and Doctors, Families and Church.

Wyatt Williams Student Body Pres.

ELECTION HELD LAST THURSDAY

PAULINE LaMASTER NAMED VICE PRESIDENT WITH JANICE MURPHY SECRETARY

On Thursday, September 15, the students assembled in the study hall for the election of student body officers. Wyatt Williams was elected president for the year 1932-33 by a big majority. We are glad to see Wyatt in there, and we believe he will do his best as chairman of the student body. He was a very prominent student last year in Perryton High school. He took part in several of the leading special activities, and was one of the best tenors in Mr. Bush's glee club. We congratulate Wyatt and wish him the best of success as president of the student body this year.

Miss Pauline LaMaster, a very prominent Sophomore, was elected vice president, and Miss Janice Murphy, secretary and treasurer. Miss Murphy and Miss LaMaster are both very prominent students, and we are sure they will fill their offices the best they possibly can.

After these officers were elected a program committee was elected to prepare programs for ten-minute chapel on Tuesdays and Thursdays. Out of six nominations the three highest were Miss Margaret Rupprecht, Miss Kathryn Orr, and Jim Taylor. These students have been working on the programs and have already produced some very good talent in their programs. If you know of any talent in school that has not been discovered, this committee would certainly appreciate your telling them about it.

GRADE NEWS

Room 1A

Mrs. Irvin: Billy Ray, are you taking private lessons from Mr. Moody?

Billy Ray Thomas: No, Mam, I'm taking on the cornet.

They also chose black and gold as the class colors and "Learn It and Live It", for the class motto.

The Seventh grade has had perfect attendance three days in the last two weeks.

Norma Dillingham spent the week end at Woodward, Okla.

Jean Blue is visiting her father, P. A. Blue, at Amarillo.

Ada Mae Copeland was visited during the week-end by Mrs. Bean, one of her old school teachers.

George Prewitt is now working at the Perryton Drug company.

"EL SOMBRERO" FOR 1932-33

By W. B. Irvin

This week will bring the first copy of "El Sombrero" to you through the columns of the Ochiltree County Herald. The pupils of Perryton schools have thoroughly organized the staff of editors and reporters from all departments of the school. All of the school news should come to you each week and it is to be hoped that the paper will be interesting and carry to you, the essential news of our schools.

The pupils who work on the paper will receive a great deal of training that will be of value to them. It is to be handled by the students themselves who will work under faculty supervision.

It is said that our school section of the paper last year was above the average over the county. We hope to make this one even better if we can. Clyde Cofer is the editor and he has Miss Kathryn Orr to help him. They are both enthusiastic about the work. Let us all help them and do our best to help them have a successful year with "El Sombrero".

School news reflects the real school spirit and morale. We want the staff and the public to keep this in mind and to lend any help to the paper's success.

We wish to thank the Stewart Printing company for their courtesy in printing this special section for us.

TEN MINUTE CHAPEL

On Thursday, September 15, the students elected a program committee consisting of the following members: Margaret Rupprecht, Kathryn Orr, and Jim Taylor. These committee members with the student president, vice president, and secretary and treasurer have the responsibility of preparing the programs to be given twice a week. If you know of some good talent or someone who can perform, aid this group of leaders that you have selected by giving them the name of the performers and what they can do. The ten minute chapel can be one of the most looked forward to activity in the school if the well worn word of cooperation is exercised.

Tuesday, September 20, the first prepared program was given at the regular 8:50 to 9:00 o'clock chapel. When the first number was announced some new talent was revealed to the students and teachers. One seldom finds four brothers who can perform so well together as the Krause quartet. They sang "Be A Man". Frank Hibbs then played a selection upon his harmonica. Frank entertained on our programs several times last year and we enjoyed having him back again.

BE TRUE

By Evelyn Marie Dunn (Senior)

When souls are dark and there is
someone that's sad,
There is surely something wrong
somewhere;
And those that are good; must be
kind and be glad,
To help scatter sunshine here and
there.

When skies of grey are never blue,
And shadows of gloom play about
in your minds,
Help a friend along with his work,
and be true,
And you'll have many a cloud that
is silver lined.

If your lessons are hard, and you
don't understand,
And your hearts are heavy from
morn until night;
Ask a classmate to help you make
the grades that you've planned,
Then your hearts will feel lighter
and you'll keep on with your
fight.

At the end of the term, some night
in May,
You'll be glad that you've helped
others along,
You will always have friends, that
will help you along;
And teach you the right from a
wrong.

SPORTS

RANGERS TO PLAY GORILLAS SATURDAY

The first game of the season will be played Saturday, October 1, when the Perryton Rangers will play the Pampa Gorillas.

The Pampa Gorillas will send up a good squad this year. Last year the Rangers won from them 39-0. This year it will be a better game, as the Gorillas will try to avenge this defeat.

The Rangers are all in good shape with a few minor injuries and bruises. All the boys are thinking and talking about the game to be played Saturday. Whether or not the Gorillas can whip them remains to be seen.

CLUBS

Artcraft Club

The Artcraft club met in the Home Economics department, September 23, to elect club officers. Officers elected were: president, Joe Brown; vice president, Louise Pruitt; secretary, Kathleen Kelly; sargeant-at-arms, Hazel Croson; and reporter, Ninabeth Stapp. Miss Hutchison is sponsor of the club. Leta Mae Price was appointed chairman of the social committee.

The members debated concerning the work they should do this year. Quilting work, and tapestry painting were mentioned, although a decision has not yet been reached.

The Athletic Club

The Athletic club met Friday for the first time. Most of the time was spent in skull practice with the football squad. The coach asked the boys what play to pull, what a lineman should do at that particular play with so many yards to be gained, at a certain down, so many yards from the goal line. This requires thinking, and every member of the squad should know what to do. Most of the boys gave sensible answers to these questions.

The Current Event Club

The Current Event club met Friday, September 23, to choose candidates for club officers and to elect them.

The office holders for the 1932-33 club are as follows: Billy Monahan, president; Jack Basley, secretary and treasurer; and Burl Teague, reporter.

The purpose of the club is to read the papers and magazines, and to discuss what we have learned with others.

Dramatics Club

The first meeting of the Dramatics club, under the direction of Mrs. Manse Wood, met Friday, September 23, and election of officers was held. The following officers were elected: president, Arnold Krause; vice president, Goldie Jackson; secretary and reporter, Evelyn Dunn; and program committee, David Shanks, Ruth McCamey, and Audrey Sheeks.

David Shanks will have charge of the program next week and at that time a name will be selected for the club.

This year, we are aiming to make the Dramatics club, bigger and better than any other club in the Perryton schools.

The Tennis Club

The Tennis club met Friday, September 23, on the tennis courts. Most of the period was spent cutting the weeds on the courts, and preparing them for the caliche that will be put on them in a few days. There are many new members in the tennis club this year, and everyone is anxious to get started to playing tennis. With new courts and new tapes Mr. Haggard expects much interest to be taken in tennis this year.

Boxing and Wrestling Club

Our first meeting of the Boxing and Wrestling club met Friday, September 23, where business and dues were taken care of. Then the club elected its officials: president, Emile Withers; vice president, Jim Taylor; secretary and treasurer, Ray Phelps; sargeant-at-arms, Raymond Bennett; and reporter, Gilbert Welch.

The club this year has very good material and its vow is to make it the best club in school.

Junior High Athletic Club

The Athletic club of Junior High school under the sponsorship of E. D. Kelly met last Friday, September 23. The members were divided into teams. The captains are to meet within the next few days and prepare a set of rules of sportsmanship.

A great amount of interest is expected to arrive from the games played when each team meets the other for two consecutive Fridays each. The winner will be determined on a base of percentage.

RANGERS BEAT OUTLAW TEAM

DEFEAT CITY TEAM BY FINAL SCORE OF 13 TO 6 LAST FRIDAY AFTERNOON

The Rangers had a practice scrimmage Friday playing the town team. The Rangers were out weighed and playing against men with more experience, but beat them 13 to 6. The coach was on the field telling the boys a few points and showing them how their positions should be played.

In the first half the town team scored with a long pass from Tucker to Shockley. This caused the Rangers to fight harder and get their plays off quicker, and the half ended 6 to 6, Hull making a long end run for a touchdown.

At the half the coach told the boys a few things to do to strengthen their plays and they went in at the half a more determined bunch of boys. The coach started a few reserves at the half and they showed their ability to play football and to get in there and hustle.

In the last quarter the first team was sent back in and Morton caught a long pass for the Rangers and fell over the goal line for a touchdown.

COMMERCIAL NEWS

Most of the commercial classes are quite crowded this year, due to the fact that many of last year's graduates have returned for commercial work.

The fingers of our new typists are gradually being limbered each day, as the new keys are being learned.

The commercial law students get into some rather stiff arguments over the rightful ownership of certain articles.

The shorthand class is beginning to believe that Mr. Haggard just can't be pleased with the curves and circles they attempt to make. Oh, yes, and Mr. Haggard has started that old system of a test every week.

POST GRADUATES

Of course you couldn't do without them. And they think so much of "Ole P. H. S." and its occupants that they just had to come back. Mr. Haggard, our commercial instructor, has informed the other teachers of the unoccupied time of the post graduates, therefore, keeping them busy and out of mischief. Teachers, if you have any typing, dittoing or what-not to be done, the post graduates are ever ready to help you.

SHIP AHOY!

All aboard, the "El Sombrero" has set sail on its second voyage. This particular ship made a successful voyage last year, giving it all the more opportunity to do so this time.

The captain, Editor-in-Chief Cofer, has been elected and the crew, the staff, of the vessel has been selected after much deliberation. Perhaps the captain, as well as the crew, are not your choice, but why not make a good passenger or reader by boosting them. Kindly suggestions are always appreciated and even helpful criticism is beneficial. Likely the staff shall need some.

If you ever have an excess of news, notify the captain. He can distribute it to the place on the ship where it is most needed. The El Sombrero is to sail for nine months until it sights a landing in May. Then perhaps it can say that it has had a good sail and the staff can quote words of Kipling, "We shall rest, and, faith, we shall need it—".

MORE WINNERS!

We have never found out exactly what kind of a machine Mrs. Wilson has to produce first class piano players. Mrs. Wilson, head of our piano department, is starting the year with better prospects for winners than ever before. It is not often that such musical talent is displayed at the very beginning of the year, as was shown by Alice Kuhn, Jeanette Slaughter, and Steryl George in our last chapel exercise. Alice represented the department well with a piano solo and there is no doubt that Steryl and Jeannette will overcome all competition in the duet division this year. We, of the El Sombrero, congratulate Mrs. Wilson on her success and hope that we may be able to print more news from her department.

Girl Scout News

Attention, Scouts! Friday night is rally night! Don't forget to come and bring your families. We're planning a grand time and we want all of you in on it.

Wednesday afternoon the Scouts gave a flag ceremony at the meeting of the Sorosis club. Opal Foglesong was color bearer and Ellen Huston and Delta Winfrey were color guards.

Miss Alice Mulkey from national headquartres will be here Friday and Saturday. Tell your sisters, mothers, friends, or anyone else who might be interested in taking training for scout leadership or in learning more about the Girl scouts.

The Senior High troop held its first regular meeting of the school year last Friday afternoon in the scout room and we had a wonderful meeting. We are planning on a great many more registered scouts in a very short time.

Plans were made for making baskets, rugs, tables, camp dishes, and other useful articles. The scouts will make these things for Christmas presents and for their own use.

After the business meeting, the scouts entertained themselves by learning a new song and singing old ones.

We are cleaning our rooms this week. Each patrol has a part, and if anyone does her part, we will hold our next meeting in freshly cleaned and rearranged rooms.

JOKES

Mrs. Wood: "What are three forms of expression by the verb?"

David S.: "Indicative, interrogative and imperative".

Mrs. Wood: "Give an example of each".

David S.: "Tom is sick"—pause—"Is Tom sick?"—longer pause—"Sic 'em Tom"!

Needed Knowledge

The telephone rang in the superintendent's office of the high school the other day.

"Is this Mr. Irvin?" asked a worried voice.

"Yes," replied Mr. Irvin, "what is it?"

"I'm calling up to find out if you have any classes at night that a father can attend to learn the slang of the day, so he will be able to understand what his children are talking about", replied the worried one.

Applying The Word

A little girl was out walking with her aunt when a man passing them raised his hat.

"Who was that, auntie?" she inquired.

"That's Mr. Brown, dear", was the reply; "he's the village undertaker".

"Oh, yes, I remember him now," said the child; "he undertook grannie."

PEP SQUAD

During the Pep Squad meeting which was held on Monday at 12:30 o'clock, the following officers were elected: Miss Eugenia Mitchell and Miss Mary Britton, sponsors; Pauline LaMaster, president; Janice Murphy and Nell Coffee, cheer leaders.

Everyone is urged to be in our Pep Squad as we will have a good football team to cheer.

CLASS NEWS

Freshman News

There are eighty-four Freshmen enrolled this year. The election of class officers was held in the auditorium, Friday afternoon, during club period. Miss Melton and Miss Wade are our sponsors. The following officers were elected: Elsie Lee Thornton, president; Anna Mae Klapp, vice president; George Andress, secretary and treasurer.

The president, vice president and secretary treasurer met with the sponsors Monday morning and appointed the following reporter and assistant reporters: Edna Brillhart, Kenneth Balzer, and Laura Belle James.

Several Eighth grade pupils attended the fair at Amarillo last week.

Sophomore News

Another school year has started,
Another task has begun;
Other folks may call it work.
We Sophomores term it fun.

A large, industrious, class of Sophomores were called to order for their frist meeting this year by Miss Manly. No one seemed the least down-hearted, and when mention was made for a president, loud and many were the calls for Ninabeth Stapp. Of course we elected her because we knew her ability in ruling. Opal Foglesong became our vice president, because she is tall enough to reach all the high points required for that office. Winnie Mae Isom, because of her good reputation, was elected as secretary and treasurer.

Due to the fact that such splendid order was kept during the elections, we decided we needed a police force. However, Willard Witt thought maybe he could manage alone, so he is our sargeant at arms.

You will have to admit that this is a good group of officers and to crown all, Miss Mitchell is our sponsor.

When our friends have all forsaken,
And our pride has had its fall;
Just remember that the Sophomores
Want to help you—one and all.

—Reporter.

JUNIOR CLASS

In the first Junior class meeting the following class officers were elected: class sponsor, Mrs. Manse Wood; president, George Nies; vice president, Leslie Littleton; secretary and treasurer, Floyd Hull; and reporter, Roy Sanford.

The Juniors of '32 and '33 are going to set an example for the future classes of P. H. S. This can be done only by the complete cooperation of the students and their parents. We feel that these class officers will do all in their power to make the Junior class one that the school will be proud of.

It has been the custom for several years that the Junior class give the Seniors a party on Hallowe'en night. The class has taken this subject into consideration at a class meeting and has decided to follow the custom by giving the Seniors a party which they will really enjoy. The party will probably be held in the gymnasium.

The Junior class realizes that a great number of responsibilities have been placed upon its shoulders. The aim of the class is to bear these responsibilities in such a manner as to set a record for future Junior classes of P. H. S. to endeavor to better.

EDITORIAL.

Last year the El Sombrero news was collected by the students of Perryton High school and published in the Ochiltree County Herald. The staff consisted of some very capable students who actually worked and spent much of their time making the paper a success. These students worked together, and believe me they got results. With Edwin Lawson as editor they produced the best account of school news that our school has ever known.

The object of the El Sombrero is to let the readers know exactly what is going on in our school, and if any one has any criticism or suggestion to make we will appreciate them very much. We believe that with the cooperation of the student body we can make just as big a success as was made last year or even bigger. We have some very capable and willing staff members and I am sure they will do their best to make the El Sombrero a "howling hit".

The student body wishes to thank Mr. Stewart for giving us a section of the Ochiltree County Herald to be used for this purpose.

Seniors Organize

During the club period on Friday, September 16, the Senior class elected officers for the year 1932-33. Miss Mary Britton was unanimously re-elected sponsor. The other elected officers are: president, Tom Johnson; vice president, Drew Ellis; secretary and treasurer, Esther Lewis; and reporter, Margaret Rupprecht.

The president appointed Wyatt Williams, Kathryn Orr, Kathleen Kelly, Arnold Krause, and Ava Dunlavy to act as a committee to select a motto and colors for the class.

TOM MIX PLAYS ROLE IN FLASHY WESTERN

There was breathless suspense behind the scenes of Universal's "Rider Of Death Valley" as well as within a single scene, when Tom Mix, the Western star, took his .38 rifle in hand to do a feat of amazing shooting. The picture will be shown at the Ellis Theatre on Friday and Saturday.

The scene called upon Mix to shoot continuously, six inches close to the head of a fellow-actor, Edward Peale, until he confessed to a dastardly crime of the story.

A renowned marksman, Mix concluded the last shot but one inch and a half from Peale's skull, by actual measure, and Director Ben Stoloff and his staff sighed with genuine relief at the finish.

"THE NIGHT OF JUNE 13" TWISTED DRAMA

A large cast, headed by Clive Brook, Lila Lee, Charlie Ruggles, Gene Raymond, Frances Dee, Mary Boland, and Adrianne Allen, is featured in "The Night of June 13", screen drama which opens at the Ellis Theatre next Monday and Tuesday.

Action of the picture is set in a block of four adjoining house in a suburb of a large city, where four families live their own lives in their own manners until they suddenly discover that they are closely bound to each other.

This realization develops when Miss Allen, Brook's wife, suspecting him of an affair with Miss Lee, commits suicide. Brook, to protect Miss Lee, makes no protest when authorities charge him with murder, and Miss Lee, who has disappeared for the sake of his domestic peace, is too far away to aid him.

Then each of the neighbors, to cover up some petty deficiency of his own, testifies at his trial in a manner damaging to him. A dramatic climax straightens affairs out.

FEW FATALITIES IN AIR TRANSPORTATION

Of the 248,954 passengers carried on American operated air lines during the first six months of the year, only sixteen were killed in accidents and ten other were injured, none seriously, according to figures compiled by the aeronautics branch of the Department of Commerce and just released.

The planes of the thirty-eight companies flew a total of 24,668,414 miles and were involved in eleven accidents from which a fatality resulted to either pilot or passenger. The planes flew an average of 2,242,583 miles per fatal accident. Of the eleven accidents having fatalities, the fatalities were confined to pilots in five instances and included passengers in the other six.

During this period passenger traffic increased 55,000 over that of the same period of the preceding year.

WE CAN UNITE ON THIS

At least one act of the State Democratic convention at Lubbock deserves universal commendation. It adopted a resolution endorsing the proposed amendment to the state constitution authorizing state participation in a formal celebration of the Centennial of Texas independence in 1936, which will be voted on at the November election. Texans seem to be divided about fifty-fifty over the Ferguson-Sterling controversy, but they ought to be well-night unanimous on the question of the Centennial.

Texas is receiving a lot of questionable advertising right now because of the gubernatorial squabble. But really it is not likely to do us any permanent injury. In the long run it will all be ironed out, and long before the Centennial year we shall have forgotten it, and our neighbors of other states will have forgotten it also. Meantime, the Centennial is something we can agree upon, something we can work toward in unity. And it is something we can tell the people of other states about, and ask them to join in celebrating.

So while the air is surcharged with feeling over the election, let us keep the Centennial amendment in mind. Whatever else happens in November, let us make certain that it is adopted by an overwhelming vote.—Texas Weekly.

APPOINT COMMITTEE FOR 18TH DISTRICT

Marvin Jones, Clark Mullican of Lubbock and Mrs. W. J. Todd, of Canadian, will be members of the State Advisory committee from the 18th Congressional district for the Texas Democratic campaign.

This committee has fifty-four members. It will act in an advisory capacity to Texas Democratic headquarters, and will co-operate extensively with the executive committees that are in charge of the Democratic campaign in the various congressionaly districts, it was announced Thursday by Roy Miller and Senator Margie Neal, directing the Democratic National campaign in Texas.

The advisory committee is made up of three members from each of the eighteen districts. One of these three is the district's representative in Congress.

In a statement issued in connection with the announcement, Mr Miller and Senator Neal said they were pleased to be able to announce the acceptance of Mr. Jones, Mr. Mullican and Mrs. Todd. "They will be of great assistance to Senator Neal and myself, in coordinating the activities our party is engaging in in Texas. They will also lend their assistance to the executive committee headed by Robert E. Underwood, in charge of the campaign in the 18th district".

Rapid progress is being made in building up an aggressive state-wide organization that will insure a decisive Democratic victory in November, Mr. Miller said.

"We are receiving much favorable comment on our plan, which places the responsibility for each congressional district on a committee made up of active Democrats who live within the district. They in turn are organizing the counties by precincts, with county chairmen responsible to them for bringing out the vote". The Texas finance committee, headed by Frank Scofield, is making plans, Mr. Miller said, to use this set-up for distributing the Roosevelt-Garner medallions, the sale of which is being largely depended on to raise the Texas quota for the national campaign. Solicitation of funds from larger contribution will be handled through the district committees. Upon completion of the organizations there will be fifty thousand Democrats actively at work for the ticket, Mr. Miller concluded.

MISS MARY ASTOR HEADS "THOSE WE LOVE" CAST

Mary Astor, who recently became the mother of a girl, returns to the screen in a featured role in "Those We Love", a World Wide production based on the stage play by S. K. Lauren and George Abbott. It will be seen at the Ellis Theatre on Sunday.

In addition to Miss Astor, the roster of players includes such popular favorites as Kenneth MacKenna, Lilyan Tashman, Hale Hamilton, Tommy Conlon, Virginia Sale, Forrester Harvey and many others.

The story, an unusual angle on the triangular theme, is a domestic drama. Its central situation concerns the near-tragedy that results when a husband tells a white lie—a totally unnecessary one—to cover an innocent situation. F. Hugh Herbert provided the screen adaptation and Robert Florey is credited with the direction.

JIMMIE ALLRED GIVES ADVICE AND FINANCES

When the Texas Democratic headquarters wanted some legal advice the other day they asked Attorney General James V. Allred for his opinion on the matter. He promptly complied, and with his opinion he enclosed, instead of a bill for legal services, a contribution of $100 toward Texas' quota of $100,000 for the Democratic National campaign.

"Jimmy Allred is one in a thousand", said Frank Scofield, finance director for Texas. "What I want him to be is one of a thousand, and my worries will be over".

Oh, yes, the opinion rendered was to the effect that none of the Federal statutes prevent a Democratic nominee from contributing to his party's national campaign fund.

PROGRAM At The ELLIS THEATRE

Friday-Saturday, Sept. 30-Oct. 1

TOM MIX and his wonder horse "Tony" with Claudia Dell, Zasu Pitts and Andy Devine in—

"Rider Of Death Valley"

Hear him . . . see him . . . in the most exciting picture of his brilliant career . . . crammed with drama, thrills and action. The greatest of all Western stars . . . in the fastest, most exciting picture you have ever seen. It's two-fisted entertainment.

Sunday Only, October 2

Mary Astor, Lilyan Tashman and Kenneth MacKenna in—

"Those We Love"

Their happiness was a treasure her charm had failed to buy—but imperfect understanding left a loophole; and the shadow of the other woman rose between them, only to fall, if not completely vanish.

Monday-Tuesday, October 3-4

Clive Brook, Lila Lee, Charlie Ruggles, Gene Raymond, Frances Dee, Mary Boland and Adrainne Allen in—

"The Night Of June 13"

What will people say? What will the neighbors think? What will his wife do? Where is this respected business man heading as he shocks a convention-bound suburb and defies a jealous woman by falling in love with the girl next door? What was it that happened on the night of June 13 that changed a dozen lives on the street "where nothing ever happened!"

Wednesday-Thursday, Oct. 5-6

Marlene Dietrich with Herbert Marshall and Cary Grant in—

"Blonde Venus"

She loved two men—one devotedly, the other madly! Dietrich playing an American woman for the first time! A woman who risked everything for what she believed was happiness . . . and found it gloriously and glamorously!

Standing In The Soup Line

Human beings are strange creatures. Their ways are past understanding. People whose cheeks would burn with shame at receiving charity in things material stand in the soup line of the church and receive her benefits and never feel the least bit ashamed.

In an article under the heading "Why I Go To Church" Bruce Barton tells about a real estate agent taking him over the city and pointing out different institutions and telling why an investment there was a good investment. He was shown the schools, the fire station, the police station and then the church. He was convinced that his money would be well invested in a home for there were pleasant surrounding; it had a good school; it had police and fire protection; and it had a church. These assets made the property valuable.

He paid his taxes for the support of the school and the police and fire departments. But he contributed nothing to the support of the church either by his personal presence and interest or by contributions. He began to think. These were his conclusions. "Your property is a better investment because the church is here representing as it does, respect for law and decency and faith.

"If death or trouble comes to your home you will not refuse to call on the preacher and he will not refuse to come. You take all these benefits—and you are contributing nothing".

Bruce Barton confessed that he grew ashamed of taking so much and of giving nothing at all—of standing in the church's soup line.

There are many others who call themselves the best people in the community but who are really getting something for nothing at the expense of the church. People standing in the soup line. Say Brother! Are you in the soup line? Are you a giver or a receiver? Do you contribute to receive or just to sponge on the church?

LUTHERAN CHURCH NOTES

The Guiding Star

When a mariner has lost his path upon the lone and trackless ocean, when his vessel is tossed by the angry winds and waves, when no shore appears in sight and no compass can fix his location, if he can succeed in discovering one particular star, the pole-star, he can secure his bearings. To such a storm-beaten mariner man may be compared. Seated in a frail canoe, he is being irresistibly carried forward on the whirling current of the stearm of time; the shore from which he set out in infancy is long faded out of sight; no map tells of the location of the land whither he is steering on the broad expanse of time; yet if he can focus his telescope, the telescope of Christian faith, upon one bright light, the guiding pole-star, then no matter how fiercely the winds and waves of life's storm may rage, he has a definite aim, a safe and solid mooring, and can continue his route with cheerfulness and confidence of heart. That star, the Unchangeable One, is Jesus Christ, the Savior.

In the eleventh chapter of Hebrews we read: "By faith Moses, when he was come of years, refused to be called the son of Pharaoh's daughter; choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season; esteeming the reproach of Christ greather riches than the treasures in Egypt: for he had respect unto the recompence of the reward." Based on this text the subject of our sermon Sunday morning at 10 o'clock will be, "The Christian's Choice". Sunday school and Adult Bible class meet after the morning service. The quarterly voter's meeting will be held at 2:30 in the afternoon. Choir rehearsal at 4:00 p. m.

H. W. Hartenberger, pastor.

CHRISTIAN SCIENCE

The subject of the lesson-sermon was "Reality" in all Church of Christ, Scientist, Sunday, September 25.

Psalms 90:2 furnished the golden text: "From everlasting to everlasting, thou art God".

The following passage from the Bible (John 8:32) was included in the lesson-sermon: "And ye shall know the truth, and the truth shall make you free."

Embraced in the service was also the following citation from the textbook of Christian Science, "Science and Health with Key to the Scriptures", by Mary Baker Eddy—page 418:

"Truth is affirmative, and confers harmony. All metaphysical logic is inspired by this simple rule of Truth, which governs all reality. By the truthful arguments you employ, and especially by the spirit of Truth and Love which you entertain, you will heal the sick".

Parent-Teachers Meet

Farnsworth Organization Holds First Meeting Last Wednesday; Program Postponed

The frist meeting of the Farnsworth Parent-Teacher association was held last Wednesday night and a large crowd was in attendance, considering the threatening weather.

After a short business session, the meeting was turned over to a social affair with contest games and refreshments. The program that was arranged for the evening was postponed until the next meeting of the association.

SEVEN KINDS OF BLONDES FOR GENTLEMEN TO PREFER

Gentlement have their choice of seven varieties of blondes to prefer.

Cary Grant, who plays opposite Marlene Dietrich in "Blonde Venus", coming to the Ellis Theatre October 5-6, makes that statement on the basis of none-too-serious research on the problem.

Grant subdivides the seven classes of blondes into two major divisions—legitimate and every-day.

"In the legitimate division," he explains, "there are golden blondes, titian blondes, platinum blondes, and ash blondes.

"In the every-day division there are only three—dish-water blondes, peroxide blondes, and the well-known dizzy blondes".

"What size shirt will shrink to 15½?"

"Well, sir, here's a 17 that will eventually shrink to 15½—seldom misses by more than an inch. Then here's a 16½ that many of our 15½ customers buy. But if I were you, I'd take this 15½ Arrow Shirt—it will stay size 15½ forever."

. . .

Is that true? It certainly is! Our Arrow Shirts are Sanforized-Shrunk—if one ever shrinks, we'll give y[ou] a new shirt free. Come and see the shirt that st[ays] your size forever.
