

Annual hospital auxillary luncheon Monday

The Hospital Auxillary held their annual salad luncheon Monday, April 11 in the Christian Church fellowship hall.

New officers elected were president-Virginia Head; 1st vice president, Dorothy Haner; 2nd vice president, Virginia Trindle; secretary-Rosa Lee Butt; and treasurer, Barbara McClellan.

Betty Jean Davis is the outgoing president of the auxillary.

A report showed the Memorial Fund was \$2751.00 and the Operation Christmas Card Fund totaled \$3598.00 a new record for this fund which has been in existence for several years. Helen Etter headed the Christmas Card Fund.

Guests at the luncheon were Manor administrator, Ray Wasil; hospital administrator, Al LaRochelle, Jo Larson and Billy Miller.

The theme for the skit "Let Your Light So Shine". The skit was a scene in a hospital room with the patient Virginia "Tylenol" Trindle who was very ill. Two volunteers came in separately, the bad volunteer Lovely Linda Latta came in chewing gum, in high heels and was very noisy. She visited with the patient in a gossiping manner, talked about the staff, politics, religion, etc. She bumps the bed, adjusts blinds, rearranges room, etc. all on her own. She looks at the chart and discusses it with anyone, and is in the way of the staff after completing rounds of room, the second volunteer Barbara "Best" McClellan made a quiet entry, does not disturb the patient if

sleeping or receiving treatment. She has no gum, no excessive jewelry, comfortable quiet shoes. She is pleasant but not loud, visits with patient about general things, not about the staff or medical care. She is careful not to bump the bed and checks with head nurse before bringing juice, coffee, etc. If patient has other requests, she relays the message to the head nurse. She asks patient if there is anything else she can do for her. (water plants, write a letter, etc.) does these things only at patient request. She checks with staff to see if there is anything else they might assist with, be available but not in the way.

A good volunteer remembers anything she sees or hears while at the hospital should not be discussed anywhere else.

Projects the hospital auxillary has done besides their everyday service visiting patients is renovation of the kitchen where 4000 meals per month are prepared; and purchased a plasma freezer.

Members of this wonderful organization present at the luncheon were Maria Avila, Ethel Byers, Reba Hunter, Gwen Smith, Jo Larson, Linda Latta, June Jackson, Dorothy Haner, Estelle Jackson, Laura Mackie, Hazel Stumpf, Mary Cornelius, Myrt Bohanan, Jettie L. Davis, Helen Etter, Rosa Lee Butt, Maylynn Schubert, Elsie Mathews, Virginia Trindle, Edith Smith, Betty Davis, Barbara McClellan, Virginia Head, Clementine Renner, and guests Ray Wasil, Albert LaRochelle and Billy Miller.

The entire Hospital Auxillary of Hansford County are shown above with hospital administrator, Al RoChelle, and Manor administrator, Ray Wasil.

NEW HANSFORD HOSPITAL AUXILLARY OFFICERS are left to right, president, Virginia Head; 1st vice president, Dorothy Haner; 2nd vice president, Virginia Trindle; treasurer, Barbara McClellan and secretary, Rosa Lee Butt.

Commissioners make tax pact

At the regular meeting of the Hansford County commissioners court, action items beyond the routine transaction of county business, included a delinquent tax collection contract, a typewriter for the extension office, some equipment for the Texas Department of Public Safety office and designation of a hearing on revenue sharing use.

Commissioners agreed to enter into a contract with the Amarillo firm of Perdue, Brandon and Blair for the collection of delinquent county taxes. The firm is one of a number throughout the state specializing in this service to taxing entities.

Standard procedure is to perform the collection function

for a certain percentage where there is no litigation and to earn a greater percentage when the firm must go to court to collect on a case of tax delinquency.

The court authorized the purchase of a typewriter with a memory capacity for the extension department. It was a step to keep various county functions abreast the rapid move to an electronic state of business function.

This was not a "cold turkey" expense. The typewriter currently in use in the extension office will be moved to the DPS office solving an equipment request for that function.

As has been the custom in the past, the hearing for requests for revenue sharing money and the use to which it

will be put will be on the agenda of the next regular meeting of the Hansford County commissioners court.

That will be April 25.

Court sessions are required the second Monday of each month by statute. A second meeting on the fourth Monday is conducted by a majority of the commissioners courts in the state because of the fast pace of events in public affairs.

All meetings are open to the public. The commissioners court convenes at 10 a.m. on each designated court day.

Hospital News

Patients in Hansford Hospital are Alice Walker, Emily McCullough and daughter, Mildred Good and Elwanna Eaton.

Dismissed were Mary Ooly, Kayla Taylor, Wilma Clark, Goldie Killinsworth,

Sherry Fauske, Barbara Cook, Paul White, Elva Lee Barkley.

Cancer Society Memorial

Chairmen named

The 1983 American Cancer Society Memorial Chairmen for the Hansford Unit are Mrs. Jim (Arveta) Nobles for the Spearman area and Mrs. J.C. (Vivian) Harris for the Gruver area.

Memorials may be made at any time during the year with a card acknowledging your gift being sent.

Mrs. Nobles can be contacted at the First State Bank, Spearman, 659-2526 or 312 N. Hazelwood, Spearman, 659-3528; Mrs. Harris can be contacted at 507 King, Gruver, 733-2785.

New Greenhouse Grand Opening

"Spring has sprung; the grass is riz. I wonder where the flowers is!"

-This nursery couplet is appropriate amid the Spring snows of the High Plains where no yard or prairie flowers have blossomed, but...

A vast world of flowers and garden plants opens to the community at 8 a.m., Friday, April 15.

The occasion is the Grand Opening of the D&C Greenhouse, home-owned and operated by Danny and Cindy Howell.

The location is two miles west on the Gruver Highway and the Grand opening celebration will run three days: Friday and Saturday, 8 a.m. to 5 p.m. and Sunday, 1 to 5 p.m.

Featured will be flowers and garden plants including tomatoes, pepper, lettuce and strawberries-with Grand Opening specials on four-inch pots of Begonias and half-dozen tomato plants.

Danny and Cindy Howell urge you to visit their D&C Greenhouse for a real Spring experience-whether it is snowing or not.

Atencion, Gente!

ATENCION, GENTE!!

Ya va abrir!! La nueva tienda de plantas que se llama D&C Greenhouse, que esta 2 millas Oeste de Spearman en la carretera de Gruver. Van a tener una especial este Viernes, Sabado y Domingo los 15, 16 y 17 de Abril. Esta "tiendita" va estar abierta en el Viernes y Sabado a las 8 de la mañana hasta las 5 de la tarde. En el Domingo se va

abrir a la 1 de la tarde hasta las 5 de la tarde.

Aqui van a tener plantas de flores y de jardines, como tomates, chiles, lechuga y sresas.

Van a ver dos especiales, Begonias de 4 pulgadas a \$1.29, y 6 tomates por \$1.00. Si no tienen otras cosas que hacer, vallan para la D & C Greenhouse el Viernes, Sabado o Domingo!! No se les olvide!!

Brad Beedy's brother dies

Charles Randolph Beedy, 53, of Floydada died Sunday. He was the brother of Brad Beedy of Spearman.

Services were held at 2 p.m. Tuesday in First Baptist Church with Dr. Floyd C. Bradley, pastor, and the Rev. Jim Smith, pastor of First United Methodist Church officiating. Burial was in Floyd County Memorial Park Cemetery by Moore-Rose Funeral Home.

Mr. Beedy was born in Floyd County. He earned a bachelor of science degree from Texas Tech in 1951 and a master's degree in animal science from Texas A&M. He was a retired extension service agent, having served at Stinnett for many years. He was a member of the First Baptist Church.

Survivors include a son, Randy Beedy of Claude; a daughter, Cindy Mowden of Stinnett; his parents, Mr. and Mrs. Bill Beedy of Floydada; two brothers, Brad Beedy of Spearman and Eugene Beedy of Floydada; and three grandchildren.

Vera Harris services held

Vera Harris, 85, died Thursday at Hansford Manor.

Graveside services were held at 2 p.m. Saturday in Hansford Cemetery with the Rev. Albert Lindley, pastor of First United Methodist Church officiating. Arrangements were by Boswell Brothers Funeral Directors.

Mrs. Harris was born in Wilbarger and had moved to Spearman in 1972 from San Antonio. She was a retired seamstress and was a member of the Christian Church (Disciples of Christ) and the Eastern Star.

Survivors include a daughter, Altha Townsend of Spearman; a son, Lt. Col. Charles C. Smith of Orlando, Fla.; seven grandchildren; 14 great-grandchildren and a great-great-grandchild.

The family requests memorials be made to the Hansford Manor Nursing Home or to a favorite charity.

Dr. Tom Latta is new President of board

Dr. Tom Latta was named as the new president of the Spearman school board at their regular meeting last night (Monday). The board first canvassed the election, and named Tom Latta, Dennis Nelson and Charles Shieldknight as winners (all incumbents).

The re-organization of the board, included the new President, plus Jim Davis as vice president; Charles Shieldknight as secretary.

In other board action, the board accepted the resignation of Gary Rambo, Terry Coffee, and Pauline McGee.

Many sports fans have called concerning the naming of a new girls basketball coach, but we have no knowledge of a new coach being named for Spearman schools.

Police Report:

130 traffic citations in March

Incident Reports

While on routine patrol on March 29, 1983, an officer observed two pickups at a high rate of speed travelling South on a residential street. The officer pulled into pursuit of the two vehicles. The officer followed the vehicles until he observed a person exiting one of the vehicles. The officer called the subject back and asked for his Driver's License and identified the subject. The officer questioned the subject about the driver of the other vehicle. The subject refused any information. The subject was advised to be in the Police Department with the other subject at 11:30 p.m. the next day, but failed to appear. The officer filed several charges against the subject in Municipal Court.

On March 31, 1983, a Spearman resident telephoned to report that a travel trailer had been struck by an unknown vehicle and had been damaged. An officer was dispatched to investigate.

On Thursday, March 31, 1983, at approximately 10:05 p.m., an officer observed two vehicles travelling West on a residential street. The officer observed the vehicles run a stop. The officer pursued the vehicles and observed the first vehicle run another stop sign. The officer was able to stop the second vehicle. The subject driving the vehicle was identified and questioned about the offenses that had been committed. The subject was advised to meet the officer at the Police Department at 11:00 p.m. Upon arrival at the station the subject was issued a citation for running a stop sign. At this time, the subject identified the second subject and complaints were signed against both drivers.

On Friday, April 1, 1983, at approximately 5:22 a.m., an officer received a call from a dispatcher advising that a subject reported someone attempting to steal an automobile from a Spearman residence. The officer arrived at the scene and observed a vehicle with lights on and also heard the motor running. The officer approached the vehicle and observed a subject sitting in the driver's seat. The officer opened the passenger door and advised the subject to turn the motor off and exit the vehicle. The subject did as told and was taken to the patrol car. The subject displayed a Texas Driver's License upon request and was identified. The subject was placed under arrest and transported to the Spearman Police Department where he was processed. The subject was arrested for public intoxication and placed in the Hansford County Jail pending judicial action.

On Friday, April 1, 1983, at 2:11 p.m., this office received a telephone call reporting that a subject was striking his sister and mother. Prior to receiving this report, another family member had entered the Police Department to file a Reckless Destruction on the subject. Upon receiving the telephone call, officers went to the residence to arrest the subject, as requested by the other family members. The subject was placed under arrest for assault and reckless destruction of property. The officers transported the subject to the Hansford County Jail and booked him pending judicial proceedings.

On April 2, 1983, at approximately 12:45 a.m., while on routine patrol, an officer observed a vehicle committing a violation. While attempting to make the traffic stop, the officer observed the vehicle driving down the yellow double stripe on the highway. After making the stop, the officer observed that the subject was belligerent and very abusive. The subject was arrested and charged with Driving While Intoxicated and several traffic violations.

At approximately 1:35 a.m., April 4, 1983, this office received a call from the Hospital in reference to a subject who had apparently been in a knife fight. The victim was identified. An officer was dispatched to investigate. Upon arrival at the hospital, the officer was met by a family member who advised the officer that the injury had taken place while at a dance in Perryton earlier in the evening. While at the hospital, an officer from the Perryton Police Department met the Spearman officer. The case was turned over to the

Perryton Police and assistance was given by the Spearman Police for the follow-up on the case.

At approximately 11:05 p.m. on April 2, 1983, while on routine patrol, an officer observed a vehicle exhibiting exhibition of acceleration. The officer proceeded after the vehicle and stopped the vehicle. The driver was asked for identification and was identified. The officer could smell an odor of an alcoholic beverage coming from the vehicle. The officer had the subject step from the vehicle and proceeded to find several items of alcoholic beverages. The subject was advised to be in Municipal Court on Monday where he was being charged for Minor in Possession.

On April 6, 1983 at approximately 2:42 p.m., a Spearman resident advised this office that she had come home on Friday, February 25, 1983 and placed her wedding rings on a ring holder on the dresser. The following Monday, when she went back to put the rings on, she found them missing. The subject gave an officer a description of the rings. The

James Pierce in operetta "Die Fledermaus"

WTSU-Carefree life during the romantic era of the 19th century is seen in the operetta "Die Fledermaus" presented by the Opera/Musical Theatre Workshop at West Texas State University.

Performance dates are Friday and Saturday, April 22 and 23, at 8 p.m. in the Branding Iron Theatre in the Fine Arts Building. A special Sunday matinee will be April 24 at 2 p.m.

"Die Fledermaus," or the bat, was written by Johann Strauss and revolves around a plan by Dr. Falckner to obtain an elaborate revenge on Eisenstein for once leaving him after a party to walk home in broad daylight in fancy dress as a bat, said Burt Rosevear in music at WTSU and director of the operetta.

Cast members are Janie Sims, a junior music major from Amarillo, and Karen Skinner, a junior music major from Odessa, playing Adele, chambermaid to the Eisensteins; Cynthia Cole, a graduate music student from Amarillo, playing Rosalinda; Lee Lumley, a junior music education major from Houston, playing Alfred, a tenor; Robin Lee, a senior music major from Hobbs, N.M., playing Gabriel von Eisenstein, a wealthy banker; James Pierce, a junior music therapy major from Spearman, playing Dr. Blind, Eisenstein's lawyer.

Other members of the cast are Gerry Lewis, a junior music education major from Andrews, playing Dr. Falke, a friend of Eisenstein; Morgan Boardman, a junior music education major from Stratford, playing Frank, prison warden; Pamela Thrash, a senior voice performance major from Amarillo, playing Sally, Adele's sister; Tom Heard, a freshman theatre major from Austin, playing Ivan, major-domo of Orlofsky; Rebecca Resse, a music graduate student from Cuero, and Cloyce Beard, a senior voice performance major from Amarillo, playing Prince Orlofsky; and Dennis McMenamy, a graduate theatre student from St. Louis, Mo., playing Frosh, the jailer.

Chorus members include Kathleen Duke, a freshman voice major from Tulsa; Gina Gist, a sophomore voice performance major from Odessa; Robin Hoover, a sophomore computer information systems major from Canyon; Teresa King, a sophomore music therapy major from Midland; and Wes Naron, a sophomore radio-television major from Plainview.

"Die Fledermaus" is produced and directed by Rosevear; choreography and ballet sequences by Neil Hess, assistant professor of dance; scenography by James Kemmerling, assistant professor of speech; and music by the WTSU Orchestra directed by Dr. Gary Garner, professor of music.

The Opera/Musical Theatre Workshop is designed to provide academic credit for involvement in each sem-

investigation is continuing at this time.

For the Month of March 1983, the Spearman Police Department issued 130 traffic citations, 116 of those were moving citations and 14 were non-moving citations.

On Friday, April 8, 1983, this office received several citizen complaints in reference to a vehicle that had been driving recklessly. Two officers were dispatched to investigate. The officers observed the vehicle at the Mall Parking Lot and stopped the vehicle. The officers confiscated the alcoholic beverages that were found in the vehicle and instructed the subjects to return home, and to appear in Municipal Court on Monday, April 11th.

On Sunday, April 10, 1983, at approximately 2:50 p.m. an officer was dispatched to speak with a Spearman resident in reference to locating a lost dog. The officer arrived at the residence and spoke with the resident, who advised the officer that her dog was at another residence and had not returned home. The officer questioned the other individual involved, and was advised

ester's musical stage production. Credit is available for one or two hours and is graded on attendance and completion of work assignments in preparation for the productions.

Roles are assigned through an audition process at the beginning of each semester. This workshop is open to any WTSU student regardless of major or previous experience. Tickets are \$5 for general admission and \$2.50 for WTSU students, student groups with advanced reservations and members of Friends of the Fine Arts.

For more information, contact Rosevear at the music department or the BIT box office in the Fine Arts Building.

Stocker & Feeder Cattle Video Sale

Amarillo Livestock Video Auction will hold a stocker and feeder cattle video auction sale on Thursday, April 14, 1983. The sale will be held at the Amarillo Livestock Auction Company with satellite sales in Oklahoma City, Okla., Jackson, Miss., and Lake Placid, Fla. Preview of the cattle offered will start in each location at 8:00 a.m. Sale time is 11:00 a.m. central standard time.

Over 40,000 cattle are consigned to the sale. This includes 10,000 calves for summer delivery from Florida, feeder cattle from wheat pasture in the Texas Panhandle, Central Oklahoma and the Oklahoma Panhandle, feeder cattle from oat and wheat pasture in the Marlin and North Central Texas areas. Also included in the sale are yearlings from Alabama and California.

The sale ring at the Amarillo livestock Auction Co. has been remodeled to accommodate the two 40" tv sets which will be placed in the sale ring. The guard rails around the ring will be removed to allow excellent viewing of the cattle. In Oklahoma City, the sale will be held at the park suite hotel, in Jackson, Miss., at the Holiday Inn Downtown, and in Lake Placid, Fla., the Holiday Inn Country Club. The cattle will be shown on video tape at all locations while an accurate description of the cattle will be heard over the speakers. The auctioneer will be in Amarillo and will sell the cattle over speakers in each location where buyers will bid in the usual manner.

Many buyers representing feeders and cattlemen needing stocker cattle are expected to attend these innovative sales.

ON PAIN DRUG
NEW BRUNSWICK, N.J. - Five people have died from allergic reactions to the prescription pain-reliever ZOMAX, and the manufacturer said it was temporarily pulling the drug from the market.

that the dog had strayed up to his home, but that he had a dog similar to this one at one time and claimed the dog as his own. Both parties started arguing and the officer confiscated the animal. Later in the day, one of the individuals entered the Police Department and advised the officer that he could not produce evidence of ownership and that the other party could have the dog back and he would not pursue the matter any further.

Accident Reports
On Monday, March 28, 1983, at 3:05 p.m., the Animal Control Officer reported to this office that there had been a minor accident involving two vehicles at West Kenneth and Townsend Streets. There were no reported injuries. An officer was dispatched to investigate

and upon arrival, observed the two vehicles. The officer ascertained that one vehicle was West bound on Kenneth. The other vehicle was East bound on Kenneth. The West bound vehicle attempted to turn South onto Townsend in front of the East bound vehicle, causing it to strike the back right corner of the West bound vehicle. There were no injuries.

On Saturday, April 2, 1983, at 3:03 p.m., this office received a report of an accident at 700 S. Barkley and 7th Street. An officer was dispatched to investigate. The officer was advised that one vehicle was East bound on 7th St. and failed to stop at a stop sign and struck a North bound vehicle on Barkley St. The vehicle that ran the stop sign

166374
1-FLEX KMS-28 Sweep
Plow

The maker of the Retail
Installment Contracts and Se-
curity Agreements has de-
faulted in compliance with the
terms of said Retail Install-
ment Contracts, and Security
Contracts and Security Agree-
ments on account thereof, is
offering said property for sale
in accordance with the terms
of said Retail Installment
Contracts and Security Agree-
ments. John Deere Company
has the right to bid.

Now, therefore, notice is
hereby given that on the 18th
day of April 1983 at 11:00 a.m.
of said date, John Deere
Company will offer for sale at
Hansford Implement Co.,
Spearman, Texas, to the
highest bidder the above
described property.

NOTICE OF PUBLIC HEARING SPEARMAN ZONING BOARD OF ADJUSTMENT

Notice is hereby given that the
Zoning Board of Adjustment
will hold a public hearing on
Monday, May 2, 1983, at 7:30
p.m. in the City Council
Chambers of temporary City
Hall located at 514 Collard.
The purpose of the public
hearing is to consider the
following zoning variances.

1. Request for a variance to
place a beauty shop on Lot 9,
Block 45, O.T.; 112 Archer,
City of Spearman, Hansford
County, Texas.

2. Request for a variance to
place a mobile home on Lot 11,
O.L. 26, Clark Subdivision;
322 S. Hazelwood, City of
Spearman, Hansford County,
Texas.
Any interested party may
attend the open meeting to
speak for or against the
proposed zoning variance. For
more information call
659-2524.

Cancer Crusade Appreciated

An attractive grandmother, Janet
Henry, has written a poem, "You Do
Make A Difference-Wherever You Are"
about her experience with cancer. In
1974 she became a cancer patient and
was given the opportunity to become the
first "study patient" in a new treatment
program.

**YOU DO MAKE A DIFFERENCE,
WHEREVER YOU ARE**

Who, me? Make a difference? But I'm
only one.
So much to be raised and so much to be
done.

Sure, I'm scared of cancer, like everyone
else.
But lately we've had to tighten our belts.
With college tuitions and youngsters to
feed.

We're up to our necks in immediate
need.

Perhaps in a year or two we can give
more--
I waved off the worker who called at my
door.

And then one bleak morning the answer
came back:

I was a victim of cancer's attack.

A gloomy prognosis, statistics that scare
But hope in a treatment for those who
would dare.

A new research project through funds
and through grants
Had opened the door to my own second
chance.

I talked with my family, I stopped by my
church
Then signed the consent forms for cancer
research.

Today I'm healthy, --"remission," I'm
told.

But who can deny that we are all "on
hold"?

So I took a risk, one potentially grave,
And what made it work was that so many
gave.

Gave time, skills, and money--each in his
own way

To bring us the victors we're sharing
today.

And now when a worker appears at my
door,

I think of the ones who have given
before.

An offer a thank-you I hope will go far.
You do make a difference--wherever you
are!

Reprinted from publication of the
American Cancer Society.

Give during the ACS 1983 Cancer
Crusade when a Hansford Unit volunteer
will be calling at your door--April 5th
through April 20th--give to live - you do
make a difference!

BIBLE VERSE

*"I am he that liveth,
and was dead; behold I
am Alive for evermore...
and have the keys to hell
and death."*

1. Who made the above
statement?
2. To whom was he
speaking?
3. Where was the author
at the time?
4. Where may this state-
ment be found?

This picture was taken at the recent Annual Moose Lodge Easter Egg Hunt held in Spearman over the Easter Holiday's.

A "Center Piece" by Alma Remy

Do you suppose spring has finally arrived? After 3 days of sunshine it almost seems possible but—the weatherman says we may have more of the white stuff yet. Anyway it is nice and it's any ones guess. Most of us are ready for sunshine and warm weather but will probably yell as loud as the hot weather too.

The center is buzzing with activity. Had a good work day last Thursday where a goodly number of ladies gathered for a day of Arts and Crafts and a noonday luncheon. If you haven't joined in yet—come on down, lots getting done, lots of fun and lots more to get done before Hansford Roundup Day's when the Bazaar will be held at the center and some lucky person will draw the lucky number for the beautiful handmade quilt. The quilting is super and you have to see this quilt to appreciate it—all done by the faithful volunteers who generously gave their time and talent getting it finished for this day.

Also—let us not forget to mention we will be giving away a decorated antique

trunk donated by Charlotte Ford for this occasion. It is people like Charlotte that make us realize what a caring community we live in—again people helping people as a community project. I might add here that tickets for the drawing may be picked up at the center, 1 ticket for a \$2.00 donation or 3 tickets for a \$5.00 donation. Remember it takes only one lucky ticket to win either coveted prize. Someone is going to be lucky! It could be you...

Exercise classes are Monday, Wednesday and Friday mornings at the center starting at 9:30 a.m. Anyone 55 years or over is welcome to join in.

The Annual Membership Meeting will be held at Golden Spread Center at 14 S. Haney on Sunday, April 24th starting at 2 p.m. All members are urged to be present.

Do come visit us at the center where the coffee pot is always on and you're welcome to sit and visit a spell. Ya'll come now! Hope to see you soon.

Alma Remy

Elkhart collector's show & sale set

A Collector's show and sale has been set for April 23 and 24 in City Hall in Elkhart, Kansas. There will be door prizes, refreshments, and a guard on duty. Items to be displayed will be antiques, bottles, insulators, glass, date nails, handicraft, baked items, and all collectibles.

You may buy, sell or trade at this show sponsored by Keyes Collector Club, Keyes, Okla. For reservations write Collector's Show, Box 45, Keyes, Okla. 73947 or Ph. 405-546-2941 or 4681.

Weight

Watchers Assc.

Anyone who is interested in having a Weight Watchers organization in Spearman should contact Glenna McMullan 9-2268 or Jan Dunn 9-S052. We must have 50 signatures of people who are interested in Weight Watchers before we can start a group here.

Anyone interested in becoming a clerk or Weigher should also call 9-2268.

CWF Meeting Held

The Christian Women's Fellowship met on April 6 at 7:30 p.m. in the Fellowship Hall. President, Stephanie Brock, presided over the business meeting. Janie Kunselman gave the opening prayer. The minutes were read and approved from the previous meeting. The treasurer, Dorothy Haner, gave a report. We decided to purchase 10 pre-cut children's clothing to sew for the assembly in June.

The CWF Spring Mini Retreat will be May 14 from 9:30 until 4:00 p.m. The theme is "Church Women-Who Are We? There will be seven sessions. 1. Prayer and Meditation. 2. What Happens When Women Pray. 3. Dealing with Grief. 4. Common Diaconate. 5. Marriage and the Home. 6. Christian Parenting. 7. Preview of CWF 1983-1984 Material. Different members were assigned special responsibilities.

The nomination committee for new officers consists of

Teresa Madison, Mary Brock, and Janie Kunselman.

We deliver Meals on Wheels during April.

Aerobic classes start on Wed., April 13 at 5:15-6:00 p.m. There will be another class on Fridays at 5:15-6:00 p.m.

Margarette Evans gave the program "Voices Around Jesus". Charlene Bryan gave the worship on "The Cross Is." Refreshments were served by Beth Phelps to Charlene Bryan, Dorothy Haner, Betty Davis, Teresa Madison, Gwen Smith, Ruth Bryan, Stephanie Brock, Margarette Evans, Janie Kunselman, Candy Boxwell, and Mary Brock.

Everyone is in favor of a large national income. The only differences arise in the ideas how it should be distributed.

Fingerprint

Gruver PTA is sponsoring a fingerprint program for all school age children on April 25 and 26. Purpose of the prints is to identify children in event of a disaster or abduction. Prints will not be used for any police file.

Youngsters will bring home notes from school on the 18th which must be returned by the 20th. If desired, 2 copies of the prints will be made. It is up to the parents as to whether to keep both copies at home or one in the school permanent file. No return will be considered as not wanting prints made. PTA members Peggy Barkley and Lee Harper attended a training session conducted by Diane Bosch of the Amarillo Police Department to learn how to do the fingerprinting.

Pre schoolers may be fingerprinted in the junior high foyer on April 27 if parents desire to have them made.

If you have any questions contact Peggy Barkley at 733-2918.

Harry Pryde, president, National Association of Home Builders:

"The rate of new homes sales recorded during February is further evidence that the housing recovery is picking up momentum with each passing month."

Town & Country Homemakers meet

The Town & Country Extension Homemakers met April 5, 1983 in the home of Lisa Pipkin. Roll call was answered to "if I had a hobby." Minutes of the last meeting were read and approved. One communication was read by Peggy Winegarner about the upcoming Hansford County Round-up. The treasurer's report was given by Penny Ralston.

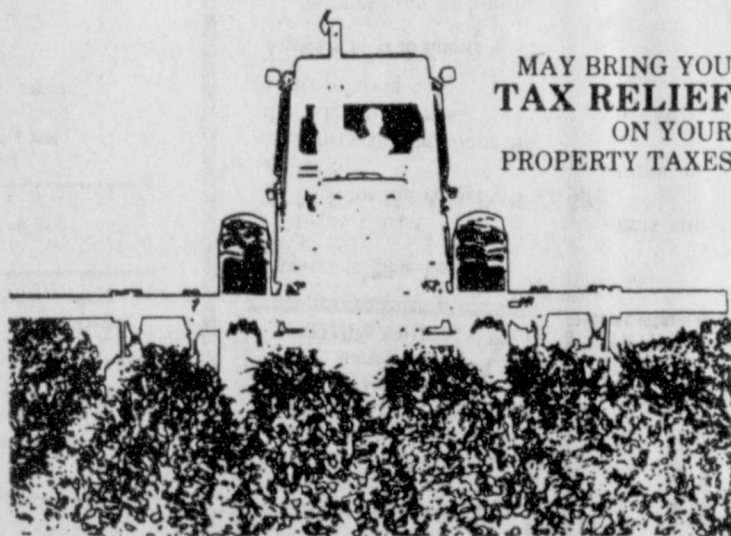

TEHA chairperson Delinda McLaughlin discussed the upcoming District Meeting to be held in Borger on April 12. Everyone is invited and urged to attend. A spring hamburger cookout has been planned by Pat Cudd. It is to be held on May 6 at the home of Pat Cudd. A new council delegate, Jeanie Laughlin, was elected. We were reminded that April is our month to clean the clubroom.

The minifest was discussed by Peggy. Food will be taken on a voluntary basis by club members.

County extension agent, Karen Harruff, is starting a basic sewing class which will be held at Kaleidoscope. Anyone interested is to let Karen know.

An enlightening program was given by Karen on pest control. The next meeting will be held on April 19 at the home of Paula Foster. Members present were: Joan Brown, Pat Cudd, Paula Foster, Denise Harbour, Cindy Holton, Janie Kunselman, Delinda McLaughlin, Jeanie Laughlin, Lisa Pipkin, Cora Queener, Penny Ralston, Lynna Renner, Debi Rogers, Dixie Smith, Connie Steger, Peggy Winegarner, and one guest: Karen Harruff.

Land Productivity Valuation

MAY BRING YOU
TAX RELIEF
ON YOUR
PROPERTY TAXES

Under the Texas Property Tax Code, farmers and ranchers who qualify may have their agricultural land taxed on the basis of productivity rather than market value. Productivity valuation may lower the 1983 taxes on your agricultural or open-space land.

If you have never received open-space (1-d-1) valuation on your land, or if your land has been receiving agricultural (1-d) valuation, you must make application to the appraisal district office by May 2, 1983, to be entitled to tax relief this year.

If your land received open-space (1-d-1) valuation in 1982, there will be no requirement for you to reapply for 1983 in this appraisal district. Remember, however, that annual applications are required for agricultural (1-d) valuation.

For additional information, contact the appraisal district office at the address shown below.

Bridge Club

The Senior Bridge Club met Friday at the Golden Spread Center with Addie Novak as hostess.

After a round of bridge, delicious refreshments were served to members, Ora Sanders, Emma Seitz, Ruth Baker, Viola Graves, Alice Lackey, 2 guests, Myrtis Ball and Willie Wallis.

Alice Lackey had high score and Viola Graves had second high.

Arts & Crafts

Guild Meets

The Arts and Crafts Guild met Friday April 8th at the Cattleman's Restaurant. Mrs. Annie Allen was hostess. Members attending for an afternoon of china painting, visiting and delicious refreshments of pie and coffee, were hostess Mrs. Annie Allen, Deta Blodgett, Blanche Fuller, Margaret Gibner, Sada Hoskins, Lemmie Russell, Freda Sheets, Athalie Trayler, Ailene White, and Jewel Turner.

The next meeting will be April 15th in the home of Mrs. Margaret Gibner.

Jan & Jean Davis, Lana Paul,
Tiki Jackson & Shelly Cook qualify to Regionals

Lynxettes place 5th at District

The Spearman Lynxettes participated in the District Track Meet held at Canadian over the weekend-April 9. It was a beautiful day, but the Lynxettes could really not get it together. They still scored 74 points and placed 5th. The 1983 Champions are the Dalhart Wolverines with 168 points in the Meet, the Canadian Lady Wildcats are 2nd with a total of 132 points, Perryton was 3rd with 89 points and the River Road Lady Wildcats were right on Perryton's back, as they had 87 points. **NOTE FROM SPORTS DESK:** The following Lynxettes are the ones that placed. The Lynxettes that will go to the Regional Meet to be held April 23 at Lubbock, include Jan and Jean Davis, Shelly Cook, Lana Paul, Tiki Jackson--all are excellent girls!

Sharon Hudson of Dalhart was the winner with a time of 12.64. Christie Gilles of River Road was 2nd with a time of 13.24. Jan Davis wasn't far off as she placed 3rd with a time of 13.25, losing 2nd Place by .01 of a second. Jan is still the alternate in the 100 METER DASH, which means she will compete in this event if one of the other two get sick or whatever. **NOTE FROM SPORTS DESK:** This is one of the new events that Jan tried this year, the other is the LONG JUMP, where she also placed.

JEAN DAVIS then won 1st Place in her newest event of the year--the 200 METER DASH. Jean's winning time was 26.55, her most competitive opponent is Esther Martinez of Dalhart who happened to place 2nd in this particular event with a time of 27.44.

Then JAN came back later in the Meet and won Her Event--the 400 METER DASH with a time of 60.34. Mary Alice Parnell of Canadian was 2nd with a time of 61.95.

As in all Meets that Spearman and Dalhart were in, Jean Davis and Ester Martinez went at it head-to-head, both doing their best, and as usual, one winning one event, and the other winning the other event. In this case, Ester Martinez, the Dalhart gal, went on to win the 800 METER RUN with a time of 2:28.2. JEAN DAVIS was right there placing 2nd with a time of 2:34.1. So at the Regional Meet, Jean and Ester are going to go head to head to see which one will go to State in which event!!

SHELLY COOK did her best in the 1600 METER RUN, but barely came up short--placing 3rd. The winner in this event was Denise Melendez of Dalhart, her teammate Suzy Murphy placed 2nd, with times of 5:58.3 and 6:04.7--respectively. Shelly's time was 6:13.0. Shelly did a great job and will go as an Alternate, meaning that she will compete in this event if anything happens to the first and second place finishers!!

The LYNXETTES 400 METER RELAY TEAM OF LANA PAUL, JAN DAVIS, TIKI JACKSON and JEAN DAVIS went out and placed 2nd in the Relay race with a time of 51.50, the winning team of River Road had a time of 51.42. These girls will go to the Regionals to compete as District Representatives.

The 800 METER RELAY team of LEE BARNES, ANDI HAGER, KELLI CRAWFORD and SHELLY DUNNHOOD did a fine job placing 5th in this event. This means that they won't get to participate in the Regionals, but still they did a great job in the District Meet!!

The 1600 METER RELAY OF ANDI HAGER, CIRIA VELA, TRACI WHITE and SHELLY DUNNHOOD placed 5th, also. This, of course, meaning, that this team would not get to participate in the Regional Meet, but showed that they had a good team--and both these Relay teams are young. **NOTE FROM SPORTS DESK:** The 400 METER RELAY TEAM had 3 Seniors--Jan, Jean and Lana, Tiki was the lone Sophomore. The 800 METER RELAY TEAM had 2 Sophomores in Lee and Andi, 1 Junior--Kelli and 1 Freshman--Shelly. In the 1600 Meter Relay Team, the members have 2 Sophomores--Andi Hager and Ciria Vela, and 2 Freshman, Traci White and Shelly Dunnihoo!! So as

you can see the final two Relay teams will have all 8 girls coming back to compete in this same event this next year, with high hopes of improving for the new year!!

LANA PAUL then placed 3rd in the 100 LOW HURDLES with a time of 16.67--meaning that Lana will be an alternate in this event. The winner was Ricki Boone of Canadian with a time of 15.65. Shonda Schoon of River Road was 2nd with a time of 16.13.

JAN DAVIS then went on to place 6th in the LONG JUMP--one of Jan's new events.

KELLI CRAWFORD placed 5th in the TRIPLE JUMP and TIKI JACKSON placed 6th in the same event.

We extend our congratulations to the Lynxettes for

having a great young team, to Coach Ralph Newton for doing a great job coaching the young Lynxettes!!

NOTE FROM SPORTS DESK: The Lynxettes that will be participating in the Regional Track Meet to be held at Lubbock on Saturday, April 23, include JAN DAVIS, JEAN DAVIS, LANA PAUL, TIKI JACKSON with SHELLY COOK and LANA PAUL being alternates for the 1600 METER RUN and the 100 LOW HURDLES--respectively!!

These gals have a chance to making it to the State Track Meet on May 5-6-7, so y'all try and make it to the Regional and cheer on the Lynxettes to victory in each of their events!!

Terrific Tacos at Mini Fest, April 16th.

Area may lose 500 Phillips jobs

One area of Texas Panhandle economy is in another "heavy, heavy hangs over thy head!" game round with the fate of Phillips Petroleum's Copolymer, Philblack and Butadiene plants in the balance.

Some 500 head-of-family wage earners would be involved, about 30 of them commuting from Spearman regularly. Phillips -- the "66" company -- is planning a big sixty-sixth birthday celebration at Borger next June that just might be the occasion for blowing out the furnaces of the rubber chemical complex just west of that city.

Negotiations are underway between the company and the two unions involved regarding a "freeze" on wages with workers asked to forego a seven-and-one-half percent pay increase in their current contract. It is the second time the company has asked.

These workers and members of the area economy they help support, are finding it hard to understand the company's contention that these three plants are not profitable operations.

Phillips owns half interest in a Southern California basin oil lease worth a total of \$333.6-million with a 500-million barrel oil potential. Too, the company has reported saving the equivalent of some 95-million barrels of oil in the past decade of conservation.

Yet, last year, the company cut 14 percent of its employees -- about 6,000 workers -- industry-wide. Involved in this was the Solprene Division of the Borger Copolymer Plant affecting 150 workers.

Phillips President "Pete" Silas, in the area for a conservation seminar at Amarillo, cited some reasons: the world-wide oil glut, deepening

recession, carbon black as "an old, difficult business," thin margins in the highly competitive gasoline market and \$1-billion spent in modernizing the Borger and Sweeney refineries to handle high sulphur crude.

Silas also cited a problem with the California crude noting the Texas-California pipeline might have to be re-opened to get the crude to refineries. Since the company's first request to forego the contractual raise it has referred to possible drastic action. Workers think "drastic" means the company will close a large segment of the complex or all of it.

Silas sidestepped any questions concerning his talks with union officials.

Golden Gleams

When talking, be as brief as if you were making your will; the fewer the words the less litigation.

-Baltasar Gracian.

Who talks much must talk in vain.

Men like to talk of what they love.

-Thomas Fuller.

Women cure all their sorrows by talking.

-Jean Paul Richter.

Timely tip: eat less.

WHAT ARE HOMESTEAD EXEMPTIONS?

This public service message from the State Property Tax Board, local taxing authorities and this newspaper explains exemptions.

A homestead exemption is a reduction in the taxable value of your residence homestead. Various types of homestead exemptions are available in Texas and, if you qualify, they can reduce your total property tax bill. Read on for details.

What Exemptions Are Available?

School districts offer a residence homestead exemption to all homeowners and additional exemptions to persons who are disabled or over 65.

Counties offer homestead exemptions on their farm-to-market or flood control tax rate, and may offer optional exemptions to the disabled and elderly.

Cities and other taxing districts may offer optional exemptions for the disabled and elderly.

All local taxing units offer an exemption for certain disabled veterans on one designated property. Additionally, many taxing units offer a local option, percentage homestead exemption to resident homeowners.

How Do I Apply?

Applications for the disabled veterans' exemption must be filed annually with the county appraisal district office.

For other exemptions, if you received a residence homestead exemption on your present homestead in 1982, it will not be necessary for you to make a new application for 1983 in this appraisal district.

If you were 65 or disabled on January 1 and have not previously

filed for the over-65 or disability homestead exemption, you will need to make application this year.

Or, if you have never received a homestead exemption on your present home, an original application should be filed in 1983.

Applications should be made to the county appraisal district at the address shown below. Forms are available from the appraisal office.

Is There a Deadline?

For 1983, applications should be filed on or before May 2. While late applications for exemptions may be accepted in certain instances, you can fully protect your rights by applying before the May 2 rendition deadline.

The State Property Tax Board has a pamphlet, *Taxpayers' Rights, Remedies, Responsibilities*, to help you understand your local property taxes. Get a free copy at the appraisal district office or contact the State Property Tax Board in Austin.

Spearman, Texas 79081

District Pinewood Derby held Sunday

Chris Turner

On Sunday, April 10, Cub Scout Pack 578 of Spearman hosted the District Pinewood Derby at the Fire Station in Spearman. Every town in the district was represented by at least one boy which gave a field of forty eight contestants. Towns represented here this year included White Deer, Panhandle, Borger, Stinnett, Morse, Gruver and Spearman. Judges for the event were J.E. Blackburn, Verlan Winegarner, Don Maize, Rusty Tindell and Albert Avila. Out of all the towns represented, Spearman took the most awards. In overall appearance all five places were won by local boys. 1st place went to Brandon Babitzke, 2nd went to Chad Davis, 3rd went to Jason Riggs, 4th went to Steven Reynard, and 5th went to Jarret Swan.

In the race to find the fastest car out of all forty-eight, it was an exciting race down to the finish with 2 boys from Panhandle and 3 from Spearman taking honors. 1st went to Spencer Smith of Panhandle, 2nd went to Rob Dennis of Spearman, 3rd went to Lane McNeill of Panhandle, 4th went to Mac Sheppard of Spearman, 5th went to Chris Turner of Spearman.

Trophies were awarded to these boys by special guest Jim Geist of Borger.

Remember this is your Cooperative business so be sure and mark April 18 on your calendar.

Billie Jo Moore wins Sweepstakes

Billie Jo Moore

Classical guitarist to appear in Perryton

It was announced recently by the Tourism and Fine Arts Committee of the Ochiltree County Chamber of Commerce, that classical guitarist Hansford Johnson will make an appearance in Perryton. The concert will be held April 17th beginning at 2 p.m. that Sunday afternoon.

Mr. Johnson graduated from Amarillo High School in 1967. His educational experience has taken him to North Carolina School of the Arts, Wake Forest University, and he has earned a Master of

Music in guitar from Virginia Commonwealth University. He has served on the faculty of Virginia Commonwealth, and The Maher School of Music in Denver, and is presently on the music faculty of Amarillo College.

Prior to the April 17th concert Mr. Johnson will be giving assemblies for the Perryton Junior High, Central and South Elementary, plus a program for the Lions Club on Tuesday, April 12.

Billie Joanna Moore, 8 year old daughter of Terry and Sherry Moore, competed all day last Saturday in the Regional International Modeling and Talent Association event in Borger. Jo won a total of 17 trophies and again for the 2nd straight year in a row won the Grand Sweepstakes trophy. She was also 1st runnerup in the Cameo Girl Competition; she won Cameo last year also. This brings Jo a total of 52 trophies she has won since she started competing. She received special judges comments on 3 of her costumes. Her grandmother from Clarendon spent over 3 months sewing the sequins on and decorating these 3 alone. In Jo's modeling, a lot of her outfits were made for her by her seamstress, Mrs. Rosa Richerson. Her formal and pageant dress were specially made for her by Allen's of Amarillo. Jo will next reign over the April 30th Regional Cinderella Pageant to be held in Borger. She will return to State again in June. Her aunt, Carrie Shaw and her Godparents from Jordon, Montana were there to help Sherry with her Saturday.

Susan & Andrea Qualify to Regional Tennis

What a way to go!! **SUSAN DAVIS AND HER PARTNER, ANDREA MIREs** will be competing in the **Tennis Regional Meet at Lubbock this Saturday!!**

The Tennis Coach is John Roller. Susan and Andrea have had a great year, and this being Susan's final year at SHS, this is a great way to end her career. This being her first year going to Regionals-in Tennis!! These two gals started off their season great as they defeated lots of doubles teams from Stratford, Perryton, Dalhart, Canadian and so forth. They had a tremendous year, and now to top it off, at the District Meet, Susan and Andrea played the best tennis they knew how to play and came up with a trip to Lubbock and a great chance to go to State!!

Kelli Crawford, the best Singles gal in the District, was

defeated early in the competition and did not repeat as the District Champ or get to go to Regionals. It just wasn't Kelli's day, many great players have that. Bjorn Borg lost to Jimmy Connors in his final match of his career, had it been Bjorn's day, he could have defeated Jimmy by a 2-set margin, as could have Kelli!!

WE EXTEND OUR CONGRATULATIONS TO KELLI FOR HAVING A GREAT SEASON. WE ALSO, EXTEND OUR CONGRATULATIONS TO SUSAN DAVIS AND KELLI CRAWFORD FOR HAVING A GREAT SEASON IN THE DOUBLE'S COMPETITION AND FOR GETTING TO PARTICIPATE IN THE REGIONALS MATCH AT LUBBOCK. GOOD LUCK TO BOTH SUSAN AND ANDREA!!

7th Lynxettes place 4th

The 7th grade Lynxettes, coached by Richard Trantham, participated in the District Track Meet held at Canadian over the weekend-April 9. In beautiful weather!! The 7th Lynxettes finished 4th with a total of 68 points as a team!! They did an excellent job. Coach Trantham was really proud of them!! The 7th grade District Champion is Canadian with 138 points, Perryton was 2nd with a total of 124 points, Dalhart was 3rd with a total of 122 points, the 7th Lynxettes 4th with a total of 68 points and Giver Road 5th with 61 total points.

NOTE FROM SPORTS DESK: There were plenty of 7th Lynxettes that placed in the Meet and a couple of 7th Lynxettes that placed 1st!!

Sandy Hill competed in the 100 LOW HURDLES and came

out in 5th Place.

Then Julie Godfrey did her best and came out as the best 200 METER RUNNER as she won the event with a fine time.

Lori Eaton then went out and competed in the 800 METER RUN and placed 5th--doing a fine job in a very tough event. Lori then went on to compete in an even tougher event, the 1200 METER RUN, and she placed 6th--great job indeed.

The 400 RELAY EVENT was tough, and the 7th Lynxettes' team of Sarah Blackburn, Lynette Williams, Sandy Hill and Julie Godfrey, placed 5th, doing a fine job in a very fast relay.

Then the 7th Lynxettes' team members of the 800 RELAY TEAM of Connie Woolley, Julie Godfrey, Sarah Blackburn and Kari Schneider,

did a fine job placing 5th.

Then in the final Relay to be ran--the 1600 METER RELAY--the team of Sandy Hill, Connie Woolley, Sarah Blackburn and Lynette Williams--placed 4th--doing an even better job in a longer Relay!!

Mary Lou Baker placed 6th in the SHOT PUT.

And Sandy Hill won the HIGH JUMP--making her the best 7th grade girls' high jumper.

We extend our congratulations to all the 7th Lynxettes for having a great Season, athletic wise, and having a great Track Season--to each an and everyone!!

8th Lynxettes Are District Track Champs

"All bowed to the reigning Champions!" Yes, that is what happened at the District Girls Track Meet, as the 8th grade Lynxettes, as expected by all the home fans, won the District Championship with team members having a great day, and the opponents wanting to reach the peak that the 8th Lynxettes have had since they started competing!! NOTE FROM SPORTS DESK: The 8th Lynxettes--last year were 7th graders--won the District Championship in Basketball this year as 8th graders. Last year, when they were 7th graders, these same girls went out and won the 7th grade District Championship in Basketball and Track. This year, as 8th graders, the 8th Lynxettes had accomplished one of their goals--being the 8th grade Basketball District Champs!! Their other goal was to become the 8th grade District Track Champs--as of April 9, the 8th Lynxettes became the 8th Grade Girls District Track Champions!! They were very successful, usually placing consecutively in the same events--1st, 2nd and 3rd. Their coach is John Rolter. These 8th Lynxettes are powerful, as the 8th grade Perryton, Dalhart, River Road and Canadian girls figured out!!

Charlotte Brandt--who had been winning the 100 METER DASH all year long--went out in the District Meet and became the best 100 Meter runner by winning the event!! Crista Urban placed 3rd and Tammy Shields placed 4th in the 100 METER DASH!!

Then Jill McLain won the 100 LOW HURDLES--doing an excellent job, as Stacie Swan placed 2nd and Donna Pool placed 3rd in the event!! By the way, in the preliminaries, Jill won her heat with ease, Stacie won her heat with ease and Donna won her heat with ease, then the 3 8th grade Lynxettes had to go up against each other, face-to-face, with the results being as reported earlier in this story.

Melissa McLain won the 200 METER DASH--this event, Melissa had won in all the Track Meets she entered!! Kerri Ann Holt placed 3rd in the same event.

April Abston, barely lost 1st Place--placing 2nd in the 400 METER DASH--doing a great job. Neta Burger placed 5th in the same event.

Jennifer Yarbrough won 1st Place in the 800 METER RUN--Jennifer had either placed 2nd or won the 800 Meter Run, doing a great job in the District Meet. Cayla Eaton placed 3rd and Margaret

Espinosa placed 5th in this same event.

NOTE FROM SPORTS DESK: After Jennifer [Yarbrough] won the 800 METER RUN, she became very ill, and could not finish competing in her other event, the 1200, in which her teammates made up in the point-side of the coin. Kelli McWhirter won the 1200 METER RUN with a great time, Tammy Nollner placed 4th.

Then it was the Relay Teams to get to work--as y'all should recall, the 8th Lynxettes have powerful Relay teams, and they had won 1st Place in almost all of their Track Meets, this would be an excellent time to show what kind of teams they had for the District Meet. NOTE FROM SPORTS DESK: The 400 METER RELAY TEAM of the 8th Lynxettes did finish the race, but they were said not to have placed due to some small error in the 8th Lynxettes--they tried to start off too early, and were called out of position, would not place!! But still, the 400 METER RELAY TEAM is just as good as the rest, and that's a fact!!

The 800 METER RELAY Team of Charlotte Brandt, Jill McLain, Ronda Gibson and Carrie Ann Guthrie, went out and proved to the other District teams just why they had won the other Meets--because they were good, too good for the rest of the field to try and participate. Then the 1600 METER RELAY Team went out and showed the other District teams, why they had been winning the Track Meets also, because they, too, were good, very good, good enough to win all the time!! The team members include Kerri Ann Holt, Donna Pool, Jill and Melissa McLain.

Once again, the 8th Lady Lynx had 3 consecutive places, Jill McLain placed 1st, Ronda Gibson placed 2nd and Kerri Ann Holt was 3rd in the TRIPLE JUMP!! Excellent job by the girls.

The 8th Lynxettes were finished with consecutive placings, as they did it again in the LONG JUMP--Charlotte Brandt won the event, Kerri Ann Holt was 2nd and Carrie Ann Guthrie was 3rd!!

The 8th Lynxettes then came up with the third 3-consecutive placings for the Meet-in-a-row, this time in the HIGH JUMP, Jill McLain placed 1st, Melissa McLain placed 2nd and Ronda Gibson placed 3rd.

Carrie Ann Guthrie placed 2nd in the SHOT PUT, with Michele Savage placing 6th. Carrie Ann then went on to win the DISCUS, with Rocio Rosales placing 3rd and Michele placing 5th!!

So the 8th Lynxettes finished their Jr. High Career with fine style, having 2 great years as SJHS Lynxettes. They are the 1981-82 7th grade District Girls Basketball and Track Champions; and the 1982-83 8th grade District Girls Basketball and Track Champions!! They had an excellent junior high career, with no regrets, except maybe that they would have preferred to be undefeated champions in basketball, and having sixteen 1st Places out of sixteen events!! Other than that these girls have been a great asset to the Spearman Junior High School!!

We extend our congratulations to the 45 8th grade Lynxettes that participated in Basketball and Track, and for doing a great job--staying on their toes to keep the District Championship in Spearman, where it belongs!!

Tall vegetation conserves moisture

"Strips of tall vegetation such as milo, haygrazer or perennial grasses will help keep snow where it fell and conserve soil moisture," says Royce Siebman of the Soil Conservation Service who assists landusers in the Hansford Soil & Water Conservation District.

In blowing snows such as we had this winter, wind strips would have worked to reduce drifting snow. The strips will protect about 330 feet on the leeward side. For best results the strips should be at least 17 foot wide. The strips should be parallel to the major wind direction. In Hansford County winter snows are usually out of the north, while spring and summer winds are out of the southwest. Strips running east and west will catch snow in the winter as well as help prevent wind erosion in the spring and summer. Strips planted to milo or haygrazer will easily rotate with wheat. Cattle grazing these strips in conjunction with wheat would get the needed fiber for their diet and eliminate the need for haying. Perennial grass strips could be sowed to grasses which have a high demand for seed. The farmer could supplement his income by selling grass seed.

In snows such as we had this winter, strips might have paid for themselves with conserving soil moisture alone. Protection from spring and summer winds would have been an extra advantage.

Terribly

It has been discovered that in giving till it hurts some people are extremely sensitive to pain.

-Star, Montreal.

Terrific Tacos at Mini Fest, April 16th.

Lynx Place 6th

The Spearman Lynx, coached by Rickey Smith, placed 6th with a total of 44 points in the Perryton Sports Festival. It was a Track Meet for Varsity Boys. The winner of the Meet was Perryton with a total of 137 points. Guymon was 2nd with 134 points, Gruver had 48 points for 4th place, in 5th Place was Boys Ranch with 45, Sanford-Fritch had 34 points for 7th Place, Canadian had 10 points for 8th Place and in 9th Place was Booker with 3 points.

MARK GUTHRIE placed 2nd in the SHOT PUT throwing the Shot 49-2 1/4. MARK is a JUNIOR. The winner was Craig of Guymon with a throw of 52-11 1/2.

STEVE BURKE, a great Sophomore, won the DISCUS with a throw of 135-0, Craig of Guymon was second with a throw of 129-8.

SCOTT DUNLAP placed 2nd in the HIGH JUMP--the first time this year that Scott has been beaten in this event, this time it was Davis of Guymon who was the winner with a jump of 6-10, breaking the old record of 6-9 by Sooter of Perryton. Scott's jump was 6-4.

JEFF POOL placed 3rd in the POLE VAULT with a jump of 10-6. The winner was Garcia of Guymon with a jump of 12-0, Anderson, also of Guymon, was 2nd with a jump of 11-0.

LOUIS NOVA placed 3rd in the 3200 METER RUN with a time of 10:54.44, the winner was Payne of Sanford-Fritch with a time of 10:35.39.

The Lynx did a fine job, BYRON SUTTERFIELD got hurt in his event, and could not compete in the Finals, in which he could have helped by winning both of his events!!

This Saturday, April 23, the Boys will compete in the District Meet to be held at Boys Ranch, don't y'all miss it!!

Senator Bill Sarpalius Reports

AUSTIN - Dear friends: The 68th Legislature is facing many important issues which could affect us for many years to come. Our major concern is how each piece of legislation will directly or indirectly affect you, the people of District 31. It is very important that you express your views on any or all of the issues facing the Texas Legislature. This questionnaire gives you the opportunity to let us know how you feel about pending legislation. Your involvement is vital to help make Texas a better place to live. We would appreciate your taking a minute to fill out this survey and mail it to Senator Bill Sarpalius, P. O. Box 12068, Austin, Texas 78711.

DO YOU FAVOR?

	YES	NO	UN- DECIDED
1. Providing a salary increase for teachers	☐	☐	☐
2. Increasing student tuition at state colleges and universities	☐	☐	☐

COMMENTS

Texas A&M chemist patents device to extract oil from pits

COLLEGE STATION — A Texas A&M University chemist has patented a device he says will extract water clean enough to drink, and thousands of dollars of petroleum from oil field waste pits now regarded as environmental hazards.

Dr. Rod O'Connor said the patent has been assigned to ROME Environmental Research and Development Inc., a College Station firm formed to develop and market the device.

O'Connor, director of Texas A&M's first-year chemistry program, worked with several other people after hours and on weekends to perfect the system.

The first mobile model, housed inside a 16-foot trailer and capable of processing about 50 barrels of waste fluid a day, will soon be field-tested by a Louisiana waste treatment company, he said. A 40-foot unit could handle about 10,000 barrels of waste a day.

Are You? . . .

- Getting low gains on wheat pasture.
- Running short on wheat pasture.
- Having high death losses due to bloat or wheat poisoning.

Would you like to turn losses into profits?

Here's How . . .

Grow 'em in our growing yard where a high roughage, high protein, low grain ration will give you the best possible rate of gain at the lowest cost per pound of gain. Turn a losing situation into profits by growing to a higher weight and selling at a different time. Avoid the glut caused by cattle of the same weight and grade coming off wheat at the same time and flooding the market.

We Can Give You . . .

Consistent gains despite bad weather. Average daily gains in our lots during the worse weather was 1.26 pounds per day. Very low cost gains . . . comparable to wheat pasture and may be much lower when all the costs and risks are calculated.

Why such good gains at such low cost?

A blended, high forage ration (at least 2 forages for fast growth - not fat. Harvestore processed alfalfa (20% protein). Low amount of milo and molasses mix - 1/2 to 1 pound per 100 pounds of body weight to achieve maximum growth with lowest cost ration and highest dry matter intake.

ABILENE CHRISTIAN UNIVERSITY WINS LONE STAR CONFERENCE TITLE!!—Pictured is the ACU Basketball Team with Coach Burl McCoy holding the

Lone Star Conference Trophy which they won in Nacogdoches. Callie Barkley (#31) is a native of Gruver, Texas, and the daughter of Mr. and Mrs. Dayton Barkley.

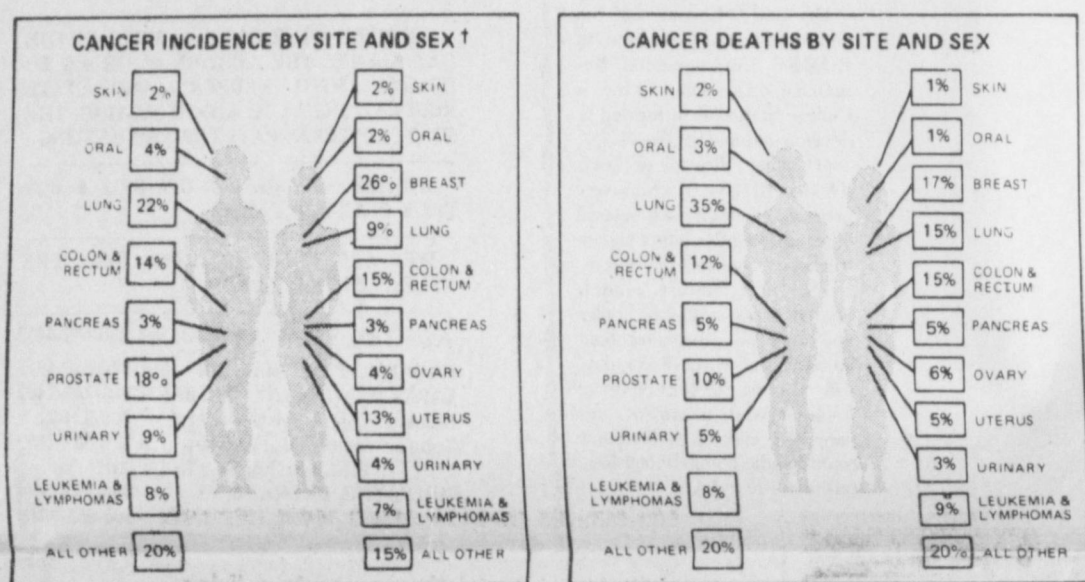

Artichokes have powerful sweetening effect but they don't sweeten like sugar. Artichokes alter the chemical environment of the tongue—not the substance to be sweetened.

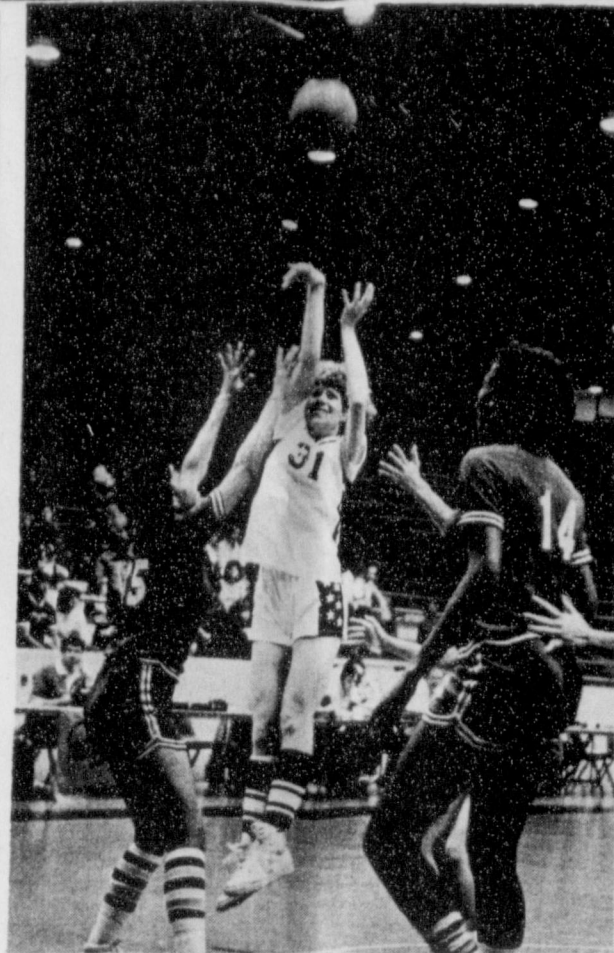

It is estimated that the bow and arrow have been with us for 50,000 years.

1983 ESTIMATES

†Excluding non-melanoma skin cancer and carcinoma in situ.

ACU LADY WILDCATS UPSET TEXAS A&I IN FINALS—Abilene Christian University's Wildcat basketball team upset highly-touted Texas A&I 60 to 62 in the finals of the Lone Star Conference Tourney. Shown above is Callie Barkley, #31 [Gruver High School native] as she puts in two more points!!

Handbook helps advisers counsel work bound students

COLLEGE STATION — Some high school counselors are themselves in need of counseling when it comes to helping students who are not interested in going to college, says a psychologist who has co-authored a handbook for counselors.

"The High School Student in the Working World" gives counselors tips on how to help students decide if college is for them and then tells counselors how to help students get a job, handle the first day at work and develop good habits to help them keep the job.

"We want the counselors to help the kids determine whether or not they want to go to college," said Dr. Christopher Borman, head of Texas A&M University's Educational Psychology Department and one of four Texas A&M faculty members who developed the handbook.

The handbook, published by the Texas Education Agency, has been distributed to every junior high and high school in Texas.

Borman said it is important for parents as well as counselors to realize that young people can be successful without going through four years of college. Training programs through the armed forces, vocational schools, community colleges and apprenticeship programs can lead to equally or more lucrative careers, he said.

Some studies have shown that people working at home put in 20 percent more time than those working at the office.

The Consumer Alert

by Jim Mattox
Attorney General

AUSTIN—With spring and summer coming up, homeowners are busy working on their lawns themselves, while others will turn to "professionals" on yard care services.

There are many reputable professional companies that can do a great service for you. The consumer has to be careful and contract with companies that guarantee their work and provide good service.

Consumers who are considering such services can choose those companies that specialize in jobs such as lawn maintenance, tree trimming, lawn and tree spraying, and landscaping among others. Some offer total care services with year-round maintenance or one-time service.

Whatever service is selected, consumers should investigate carefully before committing themselves to a contract for work, or paying in advance for a job.

Consumers should decide what lawn services they want performed and get at least three estimates from companies or individuals. Try to obtain information from your friends and relatives who have had these services, and check with your local Better Business Bureau and the Attorney General's Office.

Perhaps by the time you find out the service is unsatisfactory, your check for services rendered has been cashed and that is the last you hear of the door-to-door lawn specialists. If you have a consumer problem, contact the Better Business Bureau or the Attorney General's Office nearest you.

PEOPLE WHO CARE ABOUT PEOPLE

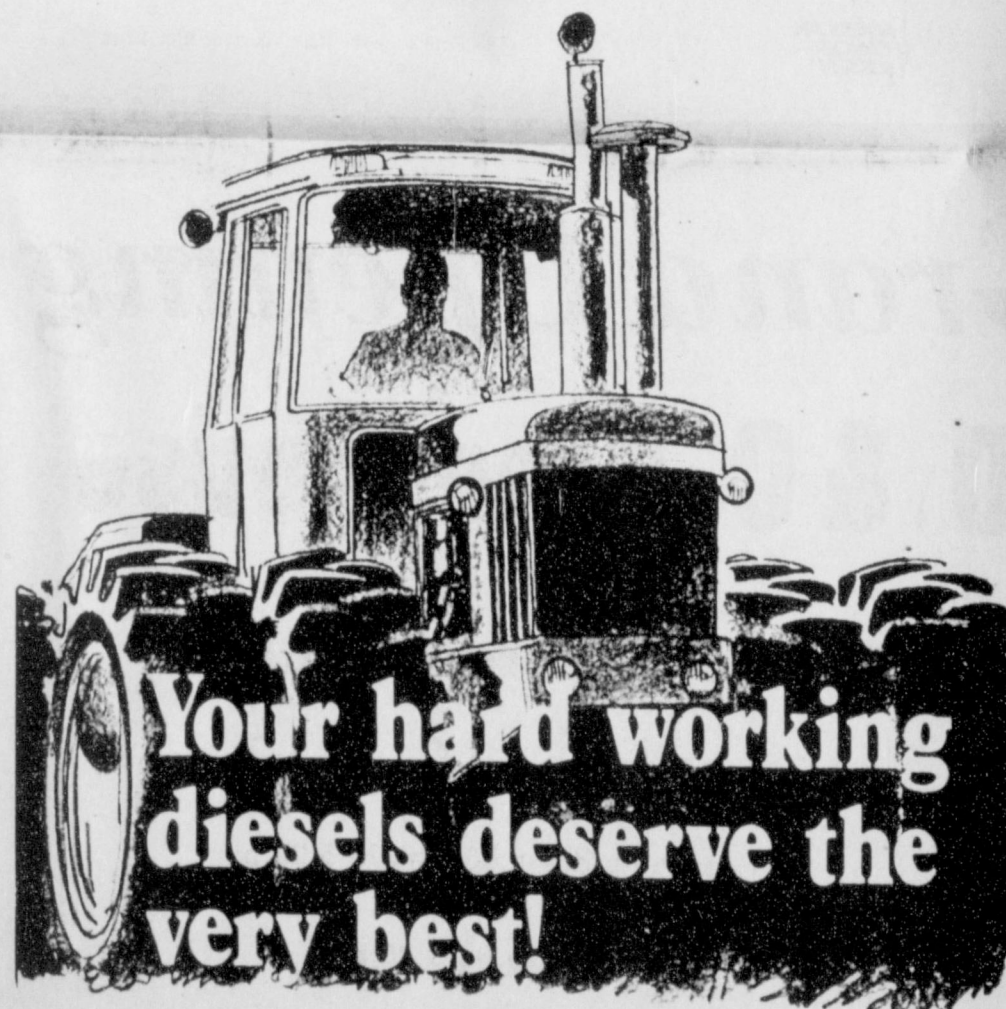

A new concept in caring is now available in Perryton. It's Home Health Care, a service which will mean a great deal to you if you are ill, disabled, or home-bound.

In the comfort of your own home, we can bring you a professional medical care program that is designed just for you; a program customized to your needs by your own attending physician and our expert health care team.

Home Health Care helps you make it on your own. It provides the registered nurses, physical therapists, speech pathologists and nursing assistants you need to get the right kind of meals, medical attention, therapy and exercise.

For more information, we invite you to call the Director of Home Health Services, Elizabeth Hodges, R.N., (806) 435-3674. Home Health Care is a service we truly believe in because it can and does enhance the human dignity of the people we care for.

Your hard working diesels deserve the very best!

COOP GHP Ruby Premium Diesel Fuel

CO-OP GHP Ruby Premium Diesel Fuel is the high-quality fuel with many controlled features needed for today's diesel engines. Most of today's diesels are turbocharged and putting out more power than ever before. That's why they need what our GHP Ruby Premium Diesel Fuel has:

- High cetane quality for quick starts, fast warm-up and smooth operation
- Controlled viscosity for low injector wear through proper lubrication
- Low sulfur to reduce deposits and corrosion and to prolong engine lubricant life
- Good stability for longer storage life
- GHP additive to keep injectors clean longer, ensuring proper spray pattern, injection pressures and maximum power.

Call us today for fast on-your-farm delivery.

DAR Good Citizens to be honored

The 1983 Good Citizens of the Daughters of the American Revolution will be honored with a reception at the Dalhart XII Museum on Sunday April 17 at 3 p.m.

The Good Citizens were chosen by their schools in the Fall of 1982, and the Molino de Viento Chapter of the DAR are inviting friends, relatives and well-wishers of the honorees to the reception. Also, anyone who is interested in becoming a member of the DAR is welcome to come and get acquainted.

The qualities that make up a DAR Good Citizen--Dependa-

bility, Service, Leadership and Patriotism--have been exemplified in the 1983 Good Citizen Winners.

Paula Kay Kelly of Hartley High School is the daughter of Mr. and Mrs. Billy Kelly of Gruver. Paula has had her Junior and Senior and Senior High School work at Hartley. Last summer, her parents moved to Gruver to operate the Foodliner Supermarket, and Paula lives in Hartley with her Grandmother to complete her Senior work. She is a member of the National Honor Society and is listed in Who's Who Among American High

School Students. She was president of her Junior Class and is currently president of her Senior Class. Paula is editor of the annual, The Tiger, and is vice-president of the Student Senate. She is working to organize a Blood Drive for the National Honor Society. She tutors two young boys after school and helps care for the nursery children at her church.

Paula has a special interest in children with family problems and learning disabilities, and plans on majoring in psychology at West Texas State University. She hopes to become a counselor for teenage drug abusers.

Janet Pleyer, daughter of Mr. and Mrs. Stanley Pleyer is a Stratford High School Senior. She is in the Gifted and Talented Program and has been active in the Stratford Elk's Band, being Drum

Major, on the Band Council, and competing successfully in UIL competition in music and newswriting. She is an expert seamstress and has been president of her local chapter of the Future Homemakers of America. A faithful member of the First Baptist Church of Stratford, Janet is a pianist as well as being a participant and leader in the youth programs. She responds to community activities, offering musical entertainment. She plays the piano, trombone, baritone, accordion, and organ. Janet is listed in Who's Who Among American High School Students, Distinguished American High School Students and was selected Miss Congeniality in the Miss Stratford Contest.

Janet's plans are to enter West Texas State University as a secondary education major with a music minor. Sometime in the future, she

would like to open a shop of her own, as a seamstress.

Lester James Haddan, a Dumas High School senior, is the son of Mr. and Mrs. W.E. Higley. His high school activities include the Demon Band, Musical Orchestras for Chorus Presentations, French Club, Art Club, Great Books Club, Math-Science Club, U.I.L. Calculator and Science contests, and the Gifted and Talented Seminar Program. Jimmy is also a member of Who's Who Among American High School Students and The National Honor Society. Last year, Jimmy was chosen to attend the Twenty-Second Texas Energy Science Symposium. He also was selected to be a member of the American Youth Texas Band and Chorus which toured Germany, Switzerland, France, Belgium and Holland, performing in good-will concerts in these countries.

Jimmy's plans for the future are to attend Texas A & M University, majoring in aerospace engineering.

Denver McMurry of Dalhart High School, is the son of Mr. and Mrs. Bill McMurry. During his high school years, Denver has been voted as one who is Most Likely to Succeed. He has won awards in English, Geometry, Chemistry, Algebra I and II. He has had the High Point Grade Average in his Junior and Senior years, and has won the Extemper of the Year and Feeding of the Five Thousand Awards. He takes an active part in school and community affairs, and is an active member of the Dalhart Church of Christ. His high school counselor, Jay Wilson, has said that Denver has demonstrated outstanding leadership qualities in all the activities he participates in and that he shows great loyalty to all these various functions.

Denver plans to attend Texas Tech and major in either Forestry or Computer Programming.

Pre-Civil War politics detailed in new book

COLLEGE STATION — Fresh appraisals of the turbulent two decades preceding the Civil War are presented in a new book just published by the Texas A&M University Press.

"Essays on American Antebellum Politics, 1840-1860" offers six original essays dealing with the centrality of the party system in the era's politics and the importance of ethnic and cultural issues on the conflict. Edited by University of Texas at Arlington history professors Stephen Maizlish and John Kushma, the book contains 230 pages and sells for \$19.50.

Modern postage stamps came into use in 1840.

Exhaust pollution not major threat at busy intersections

COLLEGE STATION — Auto exhaust pollution at busy intersections does not present as much threat to pedestrians and motorists as has been popularly believed.

In a study for the Texas Department of Highways and Public Transportation and Federal Highways Administration, Texas A&M University engineers measured air quality at intersections in Houston and near the university campus in College Station during peak traffic.

"We found that concentrations were lower than would be expected," said Dr. Jerry Bullin, principal investigator on the project. "We learned that a large part of the exhaust material is going up rather than out to the side."

When You're Ready to Improve Your Home, Take Advantage of Our Real Estate Loans

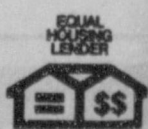

You may be ready to add a room, remodel a kitchen, convert the garage to a living area, even build a new patio, fence and add a sprinkler.

When you need financing for major improvements around the house, see Roy Lynn Stollings or Roxie Stewart at First National Bank. Even if you still owe on your home loan, we can help.

Put your plans together, select a building contractor, then talk with us right away — before you begin construction work.

This is the best year ever to make your home more enjoyable, while building materials and financing costs are favorable.

Take advantage of home improvement loans at First Place.

TV COMMENTARY

By Bente Christensen

DAN Rather now has the best evening news program on the commercial networks. CBS' news editors and news-gathering organization have long been the best.

WHEN Rather replaced Walter Cronkite he suffered by contrast, and he brought with him to CBS a smart-Aleck reputation, which according to Brewer's Dictionary of phrases, translates as a conceited know-it-all.

CBS' top rating was definitely in jeopardy and CBS executives knew it. They spent heavily at the time, boosting Rather with ads and commercials. They changed the format of their news show. So did Rather.

HAD NBC and ABC been ready to seize the lead, this was their chance. But they didn't, though for a time Roger Mudd and Tom Brokaw were the best on the commercial tube for news.

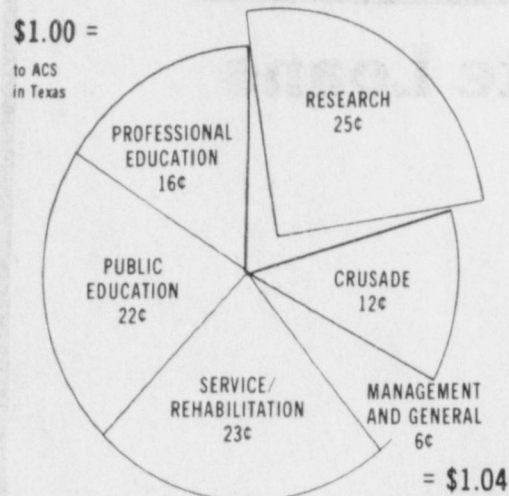

OF late, CBS has pulled away again, not so far in viewer ratings yet though back in the lead. But in news coverage, in the number of stories covered each night—and most importantly, in the split between feature hash and real news, CBS is now far in front.

ON a recent test night CBS carried about twice as many news stories as ABC, the worst offender with its features rather than news. ABC pioneered that approach on the morning news and parleyed the same philosophy into a number-one viewer rating two years ago.

BUT that formula doesn't work for the evening news. Most people tune in to the evening news for news, not features. That's what they still get on CBS, to a lesser extent on NBC, and to a poor degree on ABC.

"A man who has work that suits him and a wife whom he loves has squared his accounts with life." Hegel

The ears of corn we eat today were, in their wild form hundreds of years ago, only an inch or so long.

The human tongue tastes bitter things with the taste buds toward the back. Salty and pungent flavors are tasted in the middle of the tongue, and sweet flavors at the tip.

Sharing of wealth viewed as oppression by weak nations

COLLEGE STATION — Americans can't help weak nations by sharing their wealth because too often others see the generosity as oppression, said a leading Texas business leader and engineer during a two-day program on world hunger at Texas A&M University.

"It's been said that power corrupts, but it's equally important to realize that weakness corrupts too," said H. B. "Pat" Zachry, a distinguished alumnus of Texas A&M and head of a worldwide engineering firm that bears his name. The conference was sponsored by the U.S. Agency for International Development's (AID) Board for International Food and Agricultural Development.

The solution for helping the underprivileged is to help provide them the necessary political background in which to live, to teach them to work and then cease all gifts, Zachry said.

Problems plaguing engineering schools hamper accreditation

COLLEGE STATION — A critical shortage of engineering faculty, obsolete laboratory equipment and inadequate operating funds are beginning to be reflected in accreditation problems for many engineering programs, according to the Accreditation Board for Engineers and Technology (ABET).

"The crisis is affecting quality," Dr. Robert Page, dean of the nation's largest engineering

school at Texas A&M University and an early leader in calling the crisis to the attention of government, industry and academia, said recently.

A report by ABET, the nationally recognized body for accredited engineering programs, states that from 1980 to 1981, 31 percent fewer engineering programs were given full-term, six-year accreditation.

Increasing student/faculty ratios, low faculty salaries, faculty shortages, inadequate operating funds and serious laboratory equipment obsolescence were all cited as accreditation problems in many engineering schools, said the ABET study.

Tradition of deception will influence arms reduction talks

COLLEGE STATION — The Russians' tradition of deception — with roots predating the 1917 Revolution and shadows as far back as the fight against Napoleon — will color agreements coming from the START arms reduction talks in Geneva, suggests a Texas A&M University military historian.

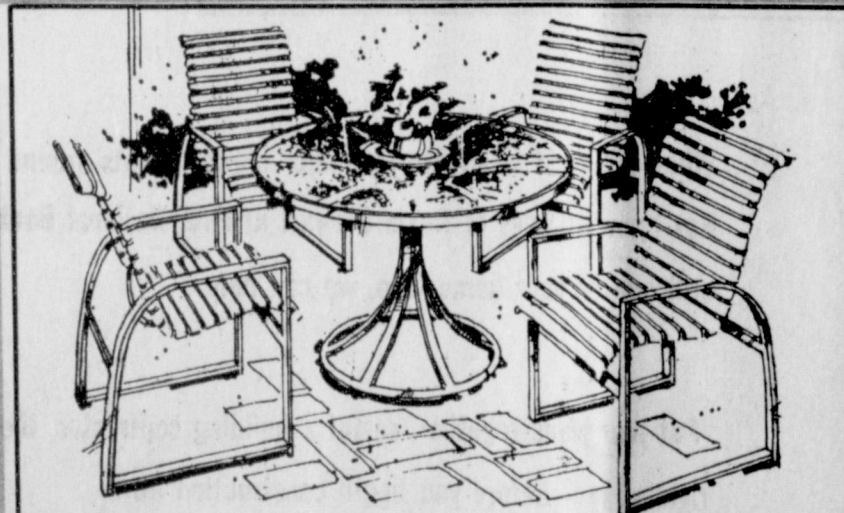

The Soviets even have a special word for this phenomenon: "maskirovka," a complex term embracing camouflage, concealment, deception and disinformation, the planting of lies or half-truths, says history professor Dr. Roger Beaumont.

A study of "maskirovka" by Beaumont is being published by the Center for Strategic Technology, a defense think tank operated through the Texas Engineering Experiment Station (TEES), a statewide research arm of the Texas A&M University System.
