Witnesses Testify Yamashita Issued Orders 'To Wipe Out All Filipinos'

Accused Being Linked With Various Crimes

MANILA, Nov. 3—(AP)—Two witnesses testified today that Lt. Gen. Tomoyuki had issued orders to "wipe out all Filipinos" and had commended his brutal Japanese gendarmes for their "fine work."

In a stormy session and over the vigorous protests of defense counsel the witnesses asserted the former Japanese commander in the Philippines knew and approved his troops' brutalities, thus for the first time in the week-long trial offering testimony linking him directly with the crimes.

One of them, Narciso Lapus, former secretary of the exiled political General Artemio Ricarte, told the military commission that in conversation with Ricarte Yamashita affixed his order to wipe out all Filipinos.

A Japanese, Fermin Miyasaki, former interpreter at Japanese military police headquarters here, said the general had officially commended his police for their "fine work" in handling civilians hostile to his regime.

The witness said he saw at least 400 civilian suspects "handed" by the police. Most of them were beaten, he asserted, and many underwent the water torture or were suspended from the ceiling by their hands, which were tied behind their backs.

He said he daily and nightly heard the screams of men and women who

Indonesians Bear Japanese Arms in Bitter Clashes

BATAVIA, Nov. 3—(AP)—Indonesian troops up to 100,000 strong and bearing Japanese arms are marching and concentrating in Central Java, British pilots said today, while official tension heightened over the Dutch government's refusal to deal with President Soekarno of the "Indonesian Republic."

The British Fifth Indian division commanded by Maj. Gen. Eric Carden Mansergh began landing today at Soerabaja, scene of bitter clashes between Indian troops and Indonesians seeking independence from Dutch colonial rule. Mansergh's is the second British division to land in Java.

Although no new fighting was reported, the British described the situation at Magelang as "turbulent" and at the Soerabaja naval base as "tense." Indonesians were building road blocks in the Soerabaja area.

A British military intelligence report said an "unidentified" major general had appeared at Jogjakarta to "lead discipline and reorganize Indonesian youths" estimated to number approximately 100,000. The youths were said to possess captured Japanese arms and equipment, including machine guns, tanks, mortars, and armored cars.

Aerial reconnaissance disclosed Indonesian troops marching in the areas of Jogjakarta, Magelang and Soerakarta, three principal cities in Java.

Surplus at PAAF Will Go on Sale

Two sales of surplus property will be held at the Pampa army air field, the first of November 14, the second on November 17.

Bids must be received by 10:30 a.m. on the date of each of the sales at the office of the contracting officer, PAAF, and must be accompanied by certified check, bond, or postal money order made payable to the treasurer of the United States in the amount of at least 20 percent of the total sum of the bid.

If the bidder does not receive an award, or if the deposit exceeds the total sum bid on the items accepted by the government, the remittance or the excess will be promptly returned to the bidder or purchaser.

Bidders are invited and urged to inspect the property to be sold prior to submitting bids. Property will be available for inspection any weekday from 8:30 a.m. until 2:30 p.m. at the field.

Items on sale November 14 include automobile parts, electrical equipment, varieties of the larger types of household equipment, and items too numerous to mention.

Items on sale November 17 include many types of kitchen and athletic equipment and animal feed.

Chinese Civil War Spreading

U. S. Diplomats Alarmed Over New Fighting

By JOHN M. HIGHTOWER
WASHINGTON, Nov. 3—(AP)—United States diplomatic officials were reported alarmed tonight over the spreading civil strife in China.

They are fearful that American hopes for a strong China as an early stabilizing force in Asia may be upset.

They are also concerned that American marines and army forces there may become involved in the fighting between communists and government troops—without any intention on the part of the White House or state department that this should happen.

Despite these reported successes, communist sources here expressed fears that the government was about to strike with a heavy offensive to crush the reds and declared 800,000 nationalist troops had been massed in northern and east-central China.

A communist spokesman declared without confirmation elsewhere that fighting had spread to Manchuria, now being evacuated by Russian occupation forces.

K. C. Wu, Chungking minister of information, announced the new peace plan earlier in the day and

Phillips Chorus To Be Presented Here on Tuesday

The renowned Phillips Men's chorus will present a concert at 8 p. m. Tuesday at the junior high school auditorium under the sponsorship of the Gray district Boy Scouts.

A preview of the concert will be broadcast over station KPND at 5 p. m. Monday. Chorus members will also be interviewed during the 15-minute program.

Tuesday night the chorus will present spiritual, classical and semi-classical selections. Gordon Gilbert is the director of the chorus.

Tickets are on sale by the Boy Scouts. The scout who sells the most tickets will be awarded a ride in a PT-19; runners-up will receive awards of Boy Scout equipment.

The scouts will receive 40 percent of the proceeds of the program.

Local Scouts Collect 30 Tons Waste Paper

Summaries of the Boy Scouts General Eisenhower waste paper collection campaign were recently received at the local scout office.

Of the 488,000 tons of paper collected during the campaign, over 30 tons were collected by the scouts of Pampa. The quota for the scouts of the nation was 150,000 tons.

General Eisenhower medals were awarded to 220,000 scouts. Scouts of Gray district received 75 of the total.

Seven hundred cubs and scouts from 41,000 packs and troops were active in the campaign. Awards of the General Eisenhower medals were made in courts of honor and other special ceremonies.

Fire Chief Asks Help of Citizens

The Pampa fire department received an alarm yesterday afternoon, directing the trucks to "the Central church on Somerville."

The little truck went around corners on two wheels rushing to the spot. No fire.

Firemen had to stop, call back, trace the alarm, and get the proper address before locating the fire. It happened that little damage was caused when papers caught on fire in the Central Baptist church on the corner of Starkweather and Francis streets.

Fire Chief Ben White urges persons who turn in fire alarms to give both the name of the street and the number of the building. It is hard to locate a fire by its smoke before it causes considerable damage.

Pampa Youth Center Opens After Two Years of Community Planning; 598 Teen-Agers Register

Maturation of two years of planning by Pampa youths and adults to organize a youth center was seen Friday night with the opening of a hall by the American Legion and Veteran of Foreign Wars organizations.

Registration of youths totaled 598 at the opening night. It was conservatively estimated that 50-75 youths did not register.

Members of the Plainview football team, who stayed overnight in Pampa en route to the Berger game, were guests of the Pampa youths at the center. At least 60 adults dropped in to see what was

Telegram, Dictated by Goering, Invited Germans Into Austria

(Editor's Note: Germany's seizure of Austria in 1938 was arranged by high Nazi officials in telephone conversations. These conversations were recorded by the German air ministry and the recordings subsequently were recovered from the rubble of Berlin by Daniel De Luce of the Associated Press. He tells about them in a series of four stories, the first of which follows.)

By DANIEL DE LUCE
Copyright 1945, by the Associated Press

BERLIN, Nov. 3—(AP)—At 8:48 p.m. on March 11, 1938, Reich-Marshal Hermann Goering dictated the telegram the puppet Arthur Seyss-Inquart was to prepare inviting German armed forces into Austria.

Goering said the puppet would not even have to go through the formality of sending the telegram—he would merely have to acknowledge agreement with its contents.

"Tell him," said Goering in breathless haste to the German State Secretary Wilhelm Keppler, "it is not necessary that he send the telegram. He only has to say 'agreed!'"

Thus was arranged the pretext for the march of German troops into Austria, the act that led to the extinction of Austria as an independent state and its annexation on

Pampa C of C To Be Represented At WTCC Meeting

The Pampa chamber of commerce will be well represented at the 28th annual convention of the West Texas chamber of commerce which is to be held tomorrow in the WTCC auditorium at Abilene.

Pampa representatives are Roy Bourland, local director of the WTCC; Sherman White, county judge; Carl Benefiel, chairman of the chamber of commerce post-war planning committee; Irvin Cole, chairman of the Gray county agricultural board.

J. P. Smith, county agent; Quentin Williams, soil conservationist; Clyde Carruth, chairman of the chamber of commerce agricultural committee, and Red Wedgeworth, manager of the chamber of commerce.

E. W. Hardin of Amarillo, president of the WTCC, will preside at the meeting during which the WTCC referendum for establishing policies and conducting business will be given final consideration.

Preliminary balloting on the issues included in the referendum were held by local chambers of commerce last month.

The representatives of the chambers will be welcomed by Judge C. W. Caldwell of Abilene. Frank Kelly of Colorado City will be the chairman of the nominating committee.

The group will be entertained at noon luncheon at the Wooten hotel. Preliminary balloting on the issues included in the referendum were held by local chambers of commerce last month.

Nation's Idle Up To 269,000 Total

By The Associated Press
Nation's strike idle up 1,039 since yesterday to 269,000.

Major strike developments: Shipbuilding — 242-job "protest" work stoppage by 75,000-100,000 AFL union members in New Orleans threatened if congress refuses to investigate closing of three Higgins industries plants.

Transportation — Strike of AFL Greyhound bus drivers in 19 eastern states threatens to spread to nationwide walkout; strike of Oklahoma drivers called for midnight Saturday; presidents of two strike-bound Greyhound divisions decline government offer to meet with union in Washington.

Machinists — Six-day strike of machinists affecting 67,000 workers in 200 San Francisco bay area plants continues; labor management blame each other for deadlock.

Lumber — Settlement between union and CIO lumber workers and Big Fir operators termed by federal conciliators a "hopeful sign" toward ending 40-day strike of 60,000 AFL lumber workers in Pacific northwest.

Jewelry — 1,000 New York City diamond cutters, earning \$115 weekly, strike for 25 per cent wage increase, two-week vacation; union terms walkout "wildcat" strike.

ARRIVES IN PAMPA

T-Sgt. Oscar A. Klauench, brother of Fireman Klauench, arrived in Pampa yesterday morning, having received a discharge from the army at Fort Leonard Wood. Formerly of Lubbock, he plans to make his home in Pampa.

Klauench was in the service for 34 months, served overseas for 10 months, eight of which he spent in a German prison camp.

\$6,000 Bonds Sold In Victory Queen Contest at School

Students at the Junior high school have already bought, sold and solicited \$6,000 worth of stamps and bonds through the Victory Queen campaign which is sponsored by the Student Commission in support of the Victory Loan.

Additional impetus will be given the drive in a Victory Bond Assembly to which the public is invited.

The assembly will be held at 9:30 Thursday morning, November 3, on the stage of the Junior high school.

"We hope that everyone will attend our Victory Loan Assembly next Tuesday," stated Jimmy Campbell, mayor of the junior high school student commission, yesterday.

"This assembly will be a pretty important thing to Junior high. Classes will be dismissed all morning if it takes that long to sell bonds to everyone—and we hope it will."

"During this assembly we'll have short stunts or plays at certain intervals to break the monotony of just selling bonds."

"Students of Junior high are working hard to make this assembly a success, so if you possibly can, please plan to be there," Jimmy concluded.

Persons not having time to stay for the entire program may come and go at their pleasure. Voting for the Victory Queen will be handled according to grades. Purchasers of bonds and stamps will be given a voting power in proportion to their purchase.

Leading the Victory Queen candidates from the three grades is Phyllis Schiegg of the eighth grade, followed by Mary Ellen Hawkins of the seventh and Jacqueline Merchant of the sixth, respectively.

YANK ACCUSED

MONKEY BUSINESS

GRAND ISLAND, Neb. Nov. 3—(AP)—A friend of Okinawa sent "Tojo," a monkey, to Lt. Paul M. Landis of the Grand Island army air field.

Tojo's worst habits, Landis reports, are a thirst for bottled beer and a penchant for throwing the empty bottles at soldiers.

Both Sides Debate 4-Point Proposal

CHUNGKING, Nov. 3—(AP)—A North China provincial capital and a railway fell today to attacking Chinese communists, unofficial reports said, as Reds in Chungking received with skepticism a new four-point nationalist proposal to end the spreading civil warfare.

Unconfirmed reports said Kweisi, capital of the partly-industrialized inner Mongolian province of Suiyuan, fell to the overwhelming force of communists who opened the attack only yesterday.

These same reports said the vital railway city of Tating to the southwest also was overrun by the communists.

If true, the twin victories would greatly strengthen the communist position in Inner Mongolia and would hamper attempts by slender nationalist forces there to join up with fresh nationalist troops now pouring in by air to the Peiping-Tientsin zone.

These authorities, who cannot be identified further than as top advisers on Chinese affairs, appear to have credit with the line taken by the military officials—which is that there is no danger of involvement.

The ranking American military authority on China is Gen. George Wedemeyer, who recently conferred here with President Truman and Secretary of State Byrnes.

Wedemeyer said later, as reported in a dispatch from Chungking today, that his troops could help the Chinese government forces round up defeated Japanese without direct action against the Reds.

The diplomats argue that American involvement may result from drifting along with a policy which they say has been outdated by events.

This argument has been presented

General Li Has Headquarters in Peiping Palace

By JAMES D. WHITE
Associated Press Staff Writer
SAN FRANCISCO, Nov. 3—(AP)—There is a timeless quality about the red-painted walls of the winter palace in Peiping.

Once inside, one doesn't forget the misery and dread outside, but those distractions subside before the thousands of years of Chinese history which take life in this almost magic place.

The marble court is brilliant in the autumn sun. There is perfect proportion and balance in every eave and massive pillar, fashioned by long-dead architects. The place is quiet, and one can think—or dream.

General Li Tsung-jen, one of Chungking's top commanders in topsy-turvy North China, has his headquarters in this muted palace, and from its quiet perspective he spoke this week on the "civil war" between his government and the Chinese communists.

He said calmly, as one says things in that huge, hushed cluster of buildings:

"There may be a small war now in China between the central government and Chinese communists, but major differences can be decided by negotiations."

He pointed out, what everyone knows but often forgets, that the communists are outnumbered, or will be when American planes ferry enough central government troops to the right places. That the com-

House Group Plans Free Press Rider For All Aid Bills

WASHINGTON, Nov. 3—(AP)—A strong house group disclosed plans today to attach to every future bill for aid to foreign governments "free press" amendments similar to those put into an UNRRA appropriation measure this week.

Specifically the group proposes to restrict any foreign loans to nations which do not give United States reporters full access to news abroad.

The amendments, which are being introduced in a bill authorizing a new grant of \$1,350,000,000 to UNRRA. This is in addition to the \$550,000,000 fund to which the rider was attached.

In the offering are measures to authorize loans to Great Britain, Russia and other Allied nations, and to curtail the capital of the export-import bank.

Hanging fire in the house foreign affairs committee is a bill to repeal the Johnson act prohibiting loans to foreign government in default on past obligations to this country.

If the show of strength made on the UNRRA amendment means anything, the restrictions will be written into the other legislation. There were 183 votes for the UNRRA amendment and the total probably would have been higher if it had not been for the UNRRA bill, which is strictly a relief agency and should not be hampered in its operations.

Amazing Discovery in a Hearing Aid

A big improvement has been made in a hearing aid now welcomed by thousands. It is a new hearing aid that does not require separate battery pack, battery wire, battery case or garment to bulge or weigh you down. So small it fits in the palm of the hand. The tone is natural, noiseless, clear and powerful. So made that you can adjust it yourself to suit your hearing as your hearing changes. The makers of Belzone, Dept. 2514, 1450 W. 19th Street, Chicago 8, Ill., are so proud of their achievement that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. Surplus Horses, Mules Will Be Auctioned

Hamilton Morton, regional director, office of surplus property, department of commerce, announced today that 2500 head of horses and mules declared surplus to the needs of the army are to be sold at auction in El Reno, Oklahoma, November 15 and 16.

The sale includes 1300 pack mules, 200 draft mules, five to twelve years of age, in excellent condition, and 1000 healthy, high-spirited, riding horses, seven to twelve years of age. All horses and mules to be sold November 15 and 16 at El Reno auction have been vaccinated for ailments common to livestock.

The name of the auctioneer will be announced November 5.

For any further information contact sales division, office of surplus property, box 1407, Fort Worth, Texas.

ON TWO WEEK LEAVE SHAMROCK (Special)—Charles Lee Gragg, who is with the merchant marines, is at home on a two week leave. He had the misfortune to break his right arm recently. Gragg has been in service for about six months and has been in and out of Hawaii.

NEWS OF OUR MEN AND WOMEN IN UNIFORM

WILL BE HOME SOON
Theo Cummings, son of Mr. and Mrs. Clyde Cummings, Pampa, arrived in San Francisco Oct. 27 and is expected to receive a discharge soon. A brother, N. L. Cummings, discharged Sept. 19, is now employed in Los Angeles. He expects to be home at the time his brother arrives.

RECEIVES DISCHARGE
PT. DOUGLAS, Utah.—Discharged from the army under the adjusted service rating plan at the Fort Douglas separation center is T-Sgt. Harold L. Gregory whose parents, Mr. and Mrs. J. W. Gregory, live at Kellerville.

Incidental to his service he is authorized to wear the American Defense ribbon and Good Conduct medal.

Before entering the army March 18, 1941, Sgt. Gregory was employed as clerk for the Boviard Supply company of Pampa.

His wife, the former Doris Hills, has been making her home at Kellerville.

OUT OF UNIFORM

SHAMROCK (Special)—Harold Williams, son of Mr. and Mrs. Mill Williams, received his discharge from the U. S. army air corps Oct. 15 at Amarillo. Williams served six months overseas and has been stationed at Fort Worth for about three months.

IS DISCHARGED
SHAMROCK (Special)—Sgt. "Key" Sewell, U. S. army eighth air force, has recently received his discharge from service.

He entered service in Feb. 1943, left the States seven months later, and arrived in Scotland Nov. 1. He has 275 combat hours over enemy occupied Europe.

Sewell wears the presidential citation ribbon, good conduct medal and the European theater of operations ribbon studded with six battle stars. He took part in battles of Central Europe, Normandy, Southern and Northern France, the Ardennes and the Rhineland. He was overseas 20 months, returned to the States 12 days after Germany's surrender.

Sewell is a graduate of the Shamrock high school, played left half-back on the all-district football team in 1942, was basketball captain and a three-year letterman in track. He is planning to enter Colorado A. & M. college in January.

PHONES HOME

SHAMROCK, Nov. 3.—Major Kenneth Koger arrived in New York Friday night and phoned his parents, Mr. and Mrs. Earl Koger of his arrival. Major Koger will report to San Antonio before arriving in Shamrock.

RETURNS TO STATES

SHAMROCK (Special)—T-Sgt. G. B. Wright of Odessa, grandson of Mrs. J. W. Wright of Shamrock, has recently returned to the States from overseas, where he saw service in China, Burma and India. He wears the Distinguished Flying Cross, the Air Medal with oak leaf clusters, the Good Conduct medal, American and Asiatic theater ribbons and the bronze star.

CROSSAN AT BROOKES
Donald W. Crossan, son of Mr. and Mrs. E. C. Crossan, route 2, was among liberated prisoners of war to arrive at Brooke Convalescent hospital, Ft. Sam Houston.

Crossan served overseas with battery "E," 60th coast artillery anti-aircraft corps in the Asiatic Pacific theater of operations. He saw combat during the battle of Bataan and Corregidor, where he became a prisoner of the Japanese.

Crossan is entitled to wear the American Defense Ribbon with one star, Asiatic Pacific theater of operations ribbon with two battle stars, Philippine defense ribbon and one battle star, Purple Heart medal and Good Conduct medals. He entered the army Feb. 5, 1941.

After processing in the receiving company at the hospital, patients are assigned to various companies, depending upon the nature of their wounds or injuries where a company medical officer personally supervises their return to full health.

WITH AMPHIBIOUS UNIT
WAKAYAMA, HONSHU, Japan.—Warren A. Funderburk, Jr., SM 2-C, USNR, Phillips, Texas, is a member of an amphibious task force which put American occupation troops ashore here following the surrender of Japan.

The troops were landed at this harbor on the southeastern coast of Honshu for the occupation of Japan's inland cities of Kobe and Osaka.

AWARDED BRONZE STAR
WITH TENTH CORPS AT KURE, Japan.—Technician Fourth Grade James S. Silcott, son of Mrs. Sue Silcott, 817 South Cuyler, has been awarded the Bronze Star medal for "meritorious achievement in connection with military operations against the enemy in Mindanao Philippine Islands, on June 29, 1945."

The medal was presented by Major General Franklin C. Sibert, Tenth Corps commander. T/4 Silcott, Corps of Engineers, is serving with a unit attached to Tenth Corps, which has been overseas 15 months in New Guinea, Leve and Mindanao islands of the Philippines, and now is part of the occupation force at Kure, one great Jap naval base.

USES Refers 225 Persons to Jobs During October

Of the 225 persons referred to positions during October in the local United States employment service office, 103 were veterans, said Margaret D. Brown, acting manager of the local office.

Approximately 200 servicemen received discharges during October, estimated Miss Wilkie Blakney, clerk of the county selective service board.

Seventy-five of the total 178 persons hired during October were veterans, finding employment particularly with the carbon black and oil plants, and with wholesale and retail companies. Fifty-nine veterans registered with USES during the past month, the majority of whom were classified as highly employable.

"Job opportunities are not as plentiful as they were a month ago," said Mrs. Brown, "due to the fact that so many veterans and war-workers have returned to this area."

Yesterday there were 110 persons registered for jobs, with 238 employment opportunities available according to USES records. Three are 43 local firms requesting manpower, two outside firms.

New Members Named To Wheeler County Selective Service Board

SHAMROCK, Nov. 3—Harl Etter of Shamrock and Cliff Weatherly of Wheeler are newly appointed members of the Wheeler County Selective Service board. They succeed Paul Boston of this city and Tom Britt of Wheeler, who resigned from the board immediately following V-Day.

Etter and Weatherly will serve on the three-member board along with D. A. Hunt, who has been a member of the group the past few months.

At the first meeting of the new group, held recently in Wheeler, Weatherly was elected chairman and Hunt as secretary.

The new board makes the following joint statement pertaining to the action they will take:

"It will be the policy of the board to perform its duty in accordance with the prescribed regulations governing the drafting of men for service or training. To the best of our ability, we shall endeavor, at all times, to comply with the governmental regulations, and at the same time, we shall keep in mind that we have been appointed for the specific purpose of performing as a draft board for the people.

"We shall endeavor to see that justice and fairness is applied in all cases, regardless. Since this is a 'thank you' job, we trust that the people will cooperate with us to the fullest extent.

"We have not, as yet, fixed a definite weekly meeting date, but this will be done in the very near future. It will be greatly appreciated if the people will keep in mind that the time of each board member is being given free of charge, and we feel that you will understand when we respectfully ask that you please take up very little, if any, of our time during business hours, but if you have any troubles, we invite you to come before the board and present your case. No action can be taken except by a quorum of the board.

"Of course, we know there will be exceptions to this rule but we are anxious to keep it at a minimum.

"We would like to take this opportunity to congratulate the outgoing board on its splendid work and unflinching loyalty. We only hope that we may be able to serve as well."

\$95,000 Quota Set For Wheeler County In Victory Loan Drive

SHAMROCK, Nov. 3—Monday marked the opening of the National Victory Loan.

"We contributed heavily and vitally to the defeat of our enemies with our purchase of bonds in war loan drives," said Bob Holt of Wheeler, county chairman. Now that we've won, we have to guard our defeated enemies, pay the bills for munitions, pay the most of caring for disabled and wounded veterans, pay veterans' benefits and keep the lid on inflation.

The government is asking the nation to purchase \$1,000,000,000 in bonds during the Victory Loan. Individuals are asked to buy \$4,000,000 worth.

Wheeler county's overall quota has been set at \$245,000. The "E" bond quota is \$150,000. Closing date for the drive is December 8, the day following the fourth anniversary of Pearl Harbor.

The local quota is \$95,000 less than the last war loan drive. Chairman Holt points out. The "E" bond quota is also \$95,000 less.

"It's our last one," said Holt, "and we want to do our part, just as Wheeler county always has made its quota in the war bond drives."

"The National quota is smaller than in the Mighty Seventh War Loan, which was \$14,000,000,000. The overall sum asked by the treasury for the vital peace-time program.

"Locally, the war finance committee has organized along the same lines as in the past loan drives," Holt said.

American System Of Broadcasting Has Anniversary

The climax of the twenty-fifth anniversary of the American system of broadcasting will be reached during the week of November 4 to 10—officially designated as National Radio week. KPDM, Pampa, will take part in the observance.

More than 250 companies in the radio manufacturing industry, members of the Radio Manufacturers association, and 25,000 radio dealers are joining with the National Association of Broadcasters, the five networks and 957 individual stations—also 61 FM and television stations—throughout the country in nationwide and local observance of National Radio week.

The nation's broadcasting industry and the Radio Manufacturers association, the organization of companies producing the equipment necessary for broadcasting and receiving, have designated National Radio week as a period in which to familiarize the public with the origin and growth of broadcasting as it is known today, its major role in the war, its part in guarding free speech, and the contribution it is making to the welfare of the nation and the individual citizen.

Texas Railroad Commission Head Urges Rejection of Anglo-American Oil Treaty

AUSTIN, Nov. 3.—(AP)—Emphatic rejection of the Anglo-American oil agreement, now before the United States senate, was urged today by Chairman Olin Culberson of the railroad commission, Texas' oil regulatory body.

Culberson said that copies of the agreement signed in London Sept. 24 differed from those originally distributed to the press in just one word which "changes the whole complexion of the agreement by exempting one of the chief British oil holdings, while subjecting all the resources of this country to international control and manipulation."

In a formal statement, the railroad commission chairman declared:

British territories are not included. Only those territories contained in a list exchanged with the United States government are affected. Burma and Kuwait on the Persian Gulf are omitted from the British list accompanying the treaty. It appears that Burma, future chief oil producer of the British empire, is exempted although through the text widely published in this country, the American people were led to believe that all British oil producing countries were to be included in the agreement.

63 Oil Wells Reported Completed During Week

AUSTIN, Nov. 3.—(AP)—A total of 63 oil well completions were reported to the railroad commission for the week ending Nov. 3, bringing the figure for the year thus far to 3,229.

This compares with 3,004 at the same time last year.

There were 14 gas well completions and three wildcats.

Drilling applications thus far this year were about the same as last year, the figures being 5,812 and 5,847 respectively.

The total average daily allowance for this week was 2,024,101 barrels, an increase of 215,352 barrels daily over last week.

\$3,000,000 Added To Texas U. Fund

AUSTIN, Texas, Nov. 3.—(AP)—The university permanent fund was \$3,173,700 richer today as a result of bonus payments on mineral leases on West Texas lands sold by the university board for lease at an auction yesterday.

The total bonus payments on 43,000 acres averaged \$73.82 per acre and in some respects surprised board members who had not anticipated a sale of such volume.

Four previous sales produced \$12,941,500 for the fund, an average of \$98.40 cents per acre.

The permanent fund is owned two-thirds by the University of Texas and one-third by Texas A. & M. college. Only the income from the fund is expended by the schools. The principal remains invested.

Yesterday's sale established one new record, a price of \$1,750 per acre for one tract, Tract 69, in Crane county, 320 acres, purchased by Atlantic Refining Co. for \$660,000.

Bidding was on the basis of cash bonus. Royalty was fixed at one-eighth and rental at 50 cents per acre per year.

Average sold was in Andrews, Winkler, Crane, Reagan, Crockett, Upton, Pecos and Ward counties.

There were seven notices of intention to drill filed with the local offices of the Texas railroad commission during the week ending Nov. 1, 1945.

Gasoline Tax Returns For Year Show Gain

(From Oil Weekly)

Gasoline tax collections for the current year topped the \$300 million mark in September with a total for the nine months of \$312,946,567, the Internal Revenue bureau has reported. The 1945 revenue was nearly \$98 million above that for the corresponding period last year, in which \$216,993,470 was had.

Receipts from the lubricating oil tax in the first three quarters of the year aggregated \$79,303,897 against \$45,215,496 in 1944, and pipe line transportation returned \$11,778,121 against \$12,146,690.

The September collections, reflecting the effects of the first few days of unrationed driving following the end of the war in August, were not at an unprecedented level, although they were considerably higher than those of the preceding month.

The month's collections were \$38,232,056 against \$32,808,044 in August and \$32,930,915 in September, 1944, but this figure had been exceeded as recently as July. Lubricating oil receipts were \$5,951,697 against \$6,213,730 in August and \$6,079,396 in September of last year and pipe line transportation paid

\$1,201,229 against \$1,288,774 in August and \$1,420,931 in September, 1944.

Loan Fund Set Up at TSCW by Jesse Jones

FORT WORTH, Nov. 3.—(AP)—Regents of Texas State College for Women today accepted a gift of \$50,000 from Mr. and Mrs. Jesse H. Jones of Houston and Washington, D. C., to be used for loans and scholarships to help worthy young women attend the Denton school.

Meeting at Hotel Texas, the regents passed a resolution of appreciation for the money, which will come from a corporate foundation established by Jones under Texas law some years ago for educational and philanthropic purposes, President Hubbard explains.

82,000 Witness Army-Notre Dame 6-6 Tie at Cleveland

Stalemate Is Delivered in Last Quarter

By GAYLE TALBOT
CLEVELAND, Nov. 3 (AP)—Navy's big but inept team came back from the shadow of defeat today to gain a 6-6 tie with Notre Dame on a 60-yard pass interception in the final period and remain shakily in the ranks of the undefeated.

The game ended on a high note of confusion, after the Irish in two plunges from the one-yard line had failed to score what would have been the winning touchdown. The great crowd of 82,000 did not know for several minutes after the contest ended whether it was a tie score or a Notre Dame victory. They didn't know until the Irish players, their shoulders dropping, quit arguing with the referee and started walking slowly from the field.

The final period was a thriller. With the Irish holding stubbornly to a 6-0 lead gained on a seven-yard plunge by their stocky fullback, Frank Ruggiero, in the opening quarter, time appeared to be running out on the Middies.

Then, with seven minutes left, Frank Ducevich tried a pass to Bob Skoglund, Ramble end. Skoglund just touched the ball and knocked it squarely into the arms of Clyde Scott, Navy halfback from Shreveport, Ark., who raced 60 yards untouched for the tying score. Jack Currence's attempted placement for extra point went wide and the crowd settled back to see a deadlock.

The Irish, however, had different ideas, and with only one minute remaining they put on a sensational 70-yard drive that all but sank the future Admirals.

Army and Michigan won, too, the Cadets relaxing in a 54 to 0 rout of Villanova, and the Wolverines applying last-period pressure for three touchdowns and a 26 to 0 decision over Minnesota in their annual little brown jug clash that lured 85,132 fans to Ann Arbor.

Michigan's tardy punt-getting excursions, its second such closing gesture in two weeks, were copied by numerous others. Ohio State got 10 points after the intermission to edge past Northwestern, 16 to 7; Texas sneaked by Southern Methodist, 12 to 7; St. Mary's got hot in the third period to trim Southern California, 26 to 0; Duke trimmed Georgia Tech, 14 to 6 and four touchdowns were scored in the final 15 minutes as Nebraska triumphed for the first time in 1945, beating Kansas, 27 to 13.

Ohio State's triumph lifted the Buckeyes, defending champions higher in the big ten race that was further clarified by Minnesota's defeat and Wisconsin's 27 to 7 conquest of Iowa, Indiana and Purdue, the one-two clubs in the circuit, the Hoosiers drubbing Cornell college of Iowa, 46 to 6, and the Bollweavers polishing Pitt, 38 to 0. Illinois bowed to Great Lakes, 12 to 5.

INDIANA BEATS CORNELL
BLOOMINGTON, Ind., Nov. 3.—A powerful Indiana eleven today won 46 to 7. The undefeated Hoosiers scored in every period against the Iowa team which tallied in the closing minutes on a pass from Rega to Jacot.

Arkansas U. Falls 34 to 0; Texas A & M Hopes Are Up

By CARL BELL
FAYETTEVILLE, Ark., Nov. 3.—Preston Smith and Bob Goode staged a first-half scoring jamboree before 12,500 disappointed homecomers here this afternoon to wallop a befuddled University of Arkansas eleven, 34 to 0.

The tricky freshmen backs struck for 20 points in the first quarter to take all the life out of the surprised and ineffective Porkers. Each accounted for two touchdowns. The triumph shot A. and M.'s Southwest conference championship hopes soaring with two wins and one defeat and eliminated the once-favored Razorbacks from the running.

Coach Homer Norton's Aggies, many of whom were freshmen, bulldozed playing like seasoned veterans, capitalized on a break to open the scoring midway of the opening

Plainview Cops 21-to-7 Victory From Berger 11

By HAROLD V. RATLIFF
DALLAS, Nov. 3.—(P)—Texas bounced back with minutes to go today to topple Southern Methodist from the Southwest conference football leadership with Bob-Layne's pass to E. E. (Poppy) Blunt, second-string end, proving the pay-off punch in a dramatic 21-7 victory.

A capacity crowd of 23,000 went wild at the gallant come-back of a Texas team badly outplayed for three quarters and apparently on the way to elimination in the title race.

With just two minutes and twenty seconds remaining in the bitterly-fought game, Layne, who returned to his Alma Mater only four days ago, faded back and threw the ball to the giant Blunt who took it at the goal line and fell across.

The contest was a duel between two former merchant mariners, Layne, all-Southwest conference back at Texas last fall, and Doak Walker, all-State back at Highland Park high school here, were discharged from the service last Sunday at New Orleans. Although former teammates at Highland Park, whose coach was H. N. (Rusty) Russell, now assistant mentor at Southern Methodist, Layne chose to go to Texas. Walker cast his lot with S. M. U.

Layne's passing and running game Southern Methodist a 7-0 lead that stood up for three quarters. Walker made the touchdown on a 30-yard dash around right end in the second period. Pete Kotlarich converted Texas drew within one point of SMU two minutes and twenty-seven seconds after the final quarter opened. It came on a pass from Layne to Dale Schwartzkopf for 29 yards. Layne tried for the extra point and it was wild.

A few minutes later Layne intercepted a Walker pass to run to the Texas 24 and although a drive sparked by Layne was stopped on the Mustang one-yard line, it set up the winning touchdown. Howard Miley kicked out to Layne who fumbled but H. K. Allen recovered on the SMU 33. Two passes failed before Layne connected with Blunt for the score. Billy Andrews attempted to pass for the extra point but it was wild.

Southwest Conference Standings:

Team	W	L	T	Pct.
Texas Christian	2	1	0	.667
Texas A. & M.	2	1	0	.667
Texas	2	1	0	.667
Rice	1	1	0	.500
Southern Methodist	1	1	0	.500
Baylor	1	2	0	.333
Arkansas	1	3	0	.250

Jack Williams, 167-pound back, made the initial tally for Plainview in the second quarter from the 1-yard line after his teammates, Rudolph Hale and Jack Weldon, had taken turns bringing the pig-skin from Berger's 48.

Later in the same period, Williams passed to James Allen, a reserve, from Plainview's own 48 down to Berger's 22-yard line, where he subsequently took it over the pay-line. Williams accounted for both the extra points.

In the final period, Plainview scored again when end man, Bob Bogle, intercepted Milton Price's pass on the 50-yard line and ran untouched for the score. Williams was again used for the extra-pointing.

Berger's score came midway in the final frame when Price, a back, standing on his own 42, threw a long pass to Albert Hughes who ran down the sidelines 58 yards to score. Leroy Dunn accounted for the extra point.

Statistics: First downs, 9 each; yards gained by scrimmage, Berger 50, Plainview 178; passes attempted, Berger 228, Plainview 10; passes intercepted, Berger 9, Plainview 4; penalties, Berger 2 for 10 yards; Plainview, 3 for 35 yards.

White Deer Defeats Dumas Demons, 19-7

WHITE DEER, Nov. 3.—(Special)—The Bucks downed the Dumas Demons here Friday afternoon, 19 to 7, in their last non-conference game for the season.

Well into the second period, Thornburg ran 10 yards around left side of the Bucks' first center, then kicked the point to make the score 7 to 0.

The third quarter was scoreless, but early in the fourth Thornburg carried the ball almost to the goal line and Harvey went over, but the conversion failed, leaving the county, 13 to 0.

The Demons then began their march, picking up three first downs, with Myers and Carter carrying the ball. A pass from Carter to Hager put the ball within the 1-yard line, from where Carter pushed it over and Myers carried the oval on a lateral for the extra point.

In the last minute of the game, Thornburg intercepted a pass from Carter near the midfield, and Shurley dashed 35 yards to score the final tally of the game. Bernard's kick was no good, making the score, 19 to 7.

Cleburne, Goose Creek Lose Tilts

Port Arthur knocked down heralded Goose Creek 6-2 and Cleburne tied for first in a thrilling round of upsets in Texas schoolboy football Friday night.

Goose Creek's defeat shoved Galveston into undisputed first place in District 14 since Galveston downed South Park (Beaumont) 26-13. Cleburne fell before Temple 20-13 to leave Waco out in front in District 10. Waco was downing Corsicana 33-0.

Christi, rated the team for Austin to beat in the District 15 scramble, was defeated 21-9 by Brackenridge (San Antonio) to virtually push Austin into the District-15 championship.

Wichita Falls, which last week played mighty Highland Park (Dallas) to a 7-7 tie, did another turnaround, managing to beat Quanah only 7-0.

In District 3 Sweetwater eliminated Abilene 13-7, leaving the issue up to Sweetwater and Odessa. Other results Friday night:

Texan's Gelding Is Handicap Winner

CHICAGO, Nov. 3.—(P)—Grey Days, five-year-old gelding owned by H. H. Fausett of Longview, Texas, won the \$5,000 sportsman's handicap as the 16-day, fall meeting at Sportsman's Park ended today.

Jockey Dean Jessop rode Gray Days to a length and a half victory over B. H. Wise's Bushwhacker in the mile and sixteenth feature. Grey Days returned \$11.80, \$7.40 and \$5.20, while Bushwhacker paid \$13.20 and \$9.80. Compatriot was third, paying \$11.80. The time was 1:51 3/5 over a fast track.

Bluejackets Win

CHAMPAGNE, Ill., Nov. 3.—(P)—The Great Lakes Bluejackets made two quick thrushes in the first quarter, with Marion Motley being most of the ground-gaining and Frank Aschenbrenner the springing, to defeat Illinois, 12-6, today before a crowd of 14,569 in Memorial stadium. Gene Kwasniewski, third-string fullback, scored for Illinois in the final period.

Tech Falls in Mud

ATLANTA, Nov. 3.—(P)—Duke's Blue Devils lashed out twice today with deadly effect to defeat Georgia Tech in a mud battle 14-6, before a near sell-out crowd of 30,000.

Dramatic Finale Comes With Pass To 2nd-Stringer

Porker Captain To Go to La. Normal

FAYETTEVILLE, Ark., Nov. 3.—(P)—Ocie Richie, captain of the Arkansas university football team, withdrew from school here yesterday. Richie said he planned to return to Louisiana state normal.

Waxen Woodson Back at Abilene

ABILENE, Nov. 3.—(P)—Warren W. Woodson returned to Harper Simons University yesterday to direct the school's re-entry into intercollegiate athletics.

Athletic director and head coach of the Cowboys, Woodson was placed on inactive navy status last week at New Orleans.

Minnesota Falls

ANN ARBOR, Mich., Nov. 3.—(P)—Packing three touchdowns into the final period, Michigan bowled over Minnesota 26 to 0 here today in their little brown jug football battle before 85,132 fans, largest football crowd this year in the nation.

Alabama Wins

LOUISVILLE, Ky., Nov. 3.—(P)—Alabama playing true to expectations, crushed a scrappy Tennessee team, 60-0, before 10,000 spectators here today.

Boilermakers Back

LAFAYETTE, Ind., Nov. 3.—(P)—The power-laden Purdue Boilermakers handed Pitt's Panthers a thorough 38-to-0 gridiron going-over today. Pitt never got closer than the Purdue 27 in losing its fifth decision in seven contests.

Army in Landslide

WEST POINT, N. Y., Nov. 3.—(P)—Army used its first team for only one period today in running up a 54-0 landslide victory over Villanova in their final home appearance of the season. Secretary of War Robert Patterson and Margaret Truman were among the 12,000 spectators who watched both Doc Blanchard and Glenn Davis score two touchdowns.

West Texas Defeats Dalhart Army Airbase

CANTON, Nov. 3.—(P)—West Texas Teachers college won its homecoming day football victory over Dalhart army airfield today, riding the airways to a 21-9 triumph.

Eck Hunter threw a 26-yard touchdown pass to Ben Leach in the second quarter and an eight-yard scoring pass to Billy Greenfield a few minutes later. H. Bledsoe and Hunter converted. In the final period, Greenfield passed to Leach 60 yards for the final score. Kenneth Glasgow converted.

Wisconsin 27, Iowa 7

IOWA CITY, Ia., Nov. 3.—(P)—Wisconsin, scoring two touchdowns in the fourth period, walloped Iowa 27 to 7 today for the Badgers' first western conference football victory in four starts. It was Iowa's fourth straight conference loss.

First for Nebraska

LINCOLN, Neb., Nov. 3.—(P)—Nebraska chalked up its first football victory of the season today, defeating Kansas 27-13 in a wild big six conference game that saw four touchdowns scored in the fourth period. Nebraska led 14-0 at the half.

Texas Christian Defeats Sooners At Norman, 13-7

NORMAN, Okla., Nov. 3.—(P)—Leon Joslin, Texas Christian's bundle of aerial football dynamite, blasted the University of Oklahoma sky high today with two touchdowns passes that gave the Horned Frogs a 13 to 7 victory.

Joslin, backed by a hard-charging, victoriously blocking line, lived up to a bundle of pre-game notices as he spearheaded an amazingly tricky TCU offense. He hit 6 of 10 passes for 69 yards.

Oklahoma, bottled up by the TCU line, showed only one sparkle of offensive power when it scored in the third period. Another touchdown on a 76 yard pass play in the second quarter from John West to Al Needs was called back because of a backfield in motion penalty.

The Christians recorded 14 first downs while holding Oklahoma to six and four of those were scored in the last half. TCU's rushing was almost double that of the Sooners, 190 yards to 105.

In the passing department, the Horned Frogs hit 8 of 12 passes for 115 yards while Oklahoma completed only three of seven for 10 yards.

Revival of Baseball League Being Sought In Meeting at Lubbock

Representatives of cities interested in the re-activation of the West Texas-New Mexico baseball league were scheduled to meet at the Hilton Hotel in Lubbock at 10 o'clock this morning.

Two Pampans, R. L. Edmondson and Scott Rafferty, are representing local interests at the meeting. In meetings held here it has been decided that Pampa could raise the money to start the ball club. Over 20 local business men have expressed their willingness to back the team financially.

Borger has already indicated that that city would back its team and that most of the other members of the old league have indicated the same thing.

When the league folded up in 1942 it was decided that it would be only on a temporary basis and that re-activation would be boomed as soon as the war was over.

Clubs in the league at that time were Pampa, Borger, Amarillo, Lubbock, Big Spring and Lamesa, Texas and Clovis and Albuquerque, New Mexico.

All of these cities have indicated that they would be interested in joining the league again. In addition, Abilene interests have also expressed a desire to join the new league.

Golf Tournament Will Sell Bonds

SAN FRANCISCO, Nov. 3.—(P)—The San Francisco open golf tournament, scheduled for Jan. 10-13, will be played as a \$25,000 war bonds event, \$5,000 more than originally planned. Of this amount, \$15,000 in bonds will be shared by the contestants and \$10,000 will be distributed as gate prizes for the spectators.

Decision to increase the value of the event was made by the California golf writers association, sponsored after a conference with race track operator William P. Kyme, who underwrote the tournament.

The tournament, abandoned several weeks ago by the local Junior Chamber of Commerce, was revived by the writers' association. The course on which it will be played will be named shortly.

Waco, Texas Defeats Baylor Bears

WACO, Texas, Nov. 3.—(P)—The Baylor Bears defeated the Southern Pirates from Georgetown 19 to 0, here today before a crowd of 3,500 that saw the scrappy Pirates, weakened by the loss of seven of their Navy trainee stars, force the Bears to show some of their best football to win.

Pitout to standstill in the first period, the Bears came back in the second period to score two touchdowns and add another in the final period. Sammy Pierce, Jack Price and Billy Kimbrough did the touchdowns for the Bears. Louis Leal missed two of his three tries for point after touchdown.

West Texas Defeats Dalhart Army Airbase

CANTON, Nov. 3.—(P)—West Texas Teachers college won its homecoming day football victory over Dalhart army airfield today, riding the airways to a 21-9 triumph.

Eck Hunter threw a 26-yard touchdown pass to Ben Leach in the second quarter and an eight-yard scoring pass to Billy Greenfield a few minutes later. H. Bledsoe and Hunter converted. In the final period, Greenfield passed to Leach 60 yards for the final score. Kenneth Glasgow converted.

WISCONSIN 27, IOWA 7

IOWA CITY, Ia., Nov. 3.—(P)—Wisconsin, scoring two touchdowns in the fourth period, walloped Iowa 27 to 7 today for the Badgers' first western conference football victory in four starts. It was Iowa's fourth straight conference loss.

FIRST FOR NEBRASKA

LINCOLN, Neb., Nov. 3.—(P)—Nebraska chalked up its first football victory of the season today, defeating Kansas 27-13 in a wild big six conference game that saw four touchdowns scored in the fourth period. Nebraska led 14-0 at the half.

Pirates Run Wild To Rout McLean

LEFORS, Nov. 3.—McLean's Tigers were completely helpless here last night as the rampaging LeFors Pirates pummeled them for a 67 to 0 win. It was LeFors' sixth victory in eight games. They lost to Wellington and tied Panhandle.

Diminutive Eugene Cooper led the scoring parade with three touchdowns and one extra point for 22 points. Wade Stracener, big fullback, followed up with two touchdowns and an extra point for 13 points. Ogden and Hughes had 12 points each and Sims had six.

LeFors rolled up 15 first downs to McLean's five and went for 45 yards rushing to McLean's 54. The Pirates tried eight passes and completed two while McLean attempted 22 passes and completed five. LeFors intercepted four passes.

The Pirates' next game is with the Lakeview Eagles. The game is to be played at LeFors next Friday.

Warriors Slash Kelton 46 to 6

MIAMI, Nov. 3.—Miami's Warriors, powers of Panhandle six-man football won their eighth consecutive game and the South Half title by defeating the Kelton Lions 46-6 Friday afternoon at Miami.

The undefeated Warriors scored in every period and were leading 26-0 at the half. Kelton pushed across their lone tally in the third period.

Miami took to the air to register most of the touchdowns. Feature of the game was a 70-yard touchdown dash by Dare Locke.

At the half-time period, Miss Jo Gill, junior, was crowned football queen before one of the largest crowds of the season. The pep squad, dressed in purple and gold, performed during the ceremonies.

Miami's next game will be with Pollett, Nov. 16, on a neutral field. The game will decide the district champion.

that centers were popular and that the public in general was pleased with them.

Adults representing various organizations on the advisory committee were Mrs. Frank Culberson, Mrs. Edgar Henshaw, Mrs. Dudley Steele, B. W. Lane and Lieb Langston.

Students talked about formulating a constitution for the center, and on the suggestion of the adult advisory committee, tried to find a building to be used as a meeting place. The only available was one which required too great an expense and a long-term lease.

Last year when school opened the National Honor society under the presidency of Jean Paxton, class of '45, called another meeting of the presidents of the high school clubs, formed a Youth council to draw up a constitution and determine membership fees necessary to operate a center.

An adult advisory committee was selected which had the authority to advise and suggest to the Youth council.

The advisory committee was composed of Miss Marie Stedji, Girl Scout executive; Hugo Olsen, Boy Scout executive; secretary; Mrs. James B. McClaine, Branch 10, sponsor of the National Honor society; Horace McBee, W. B. Weatherred and Lieb Langston.

A probable building was in view. The school board had intentions of building a new school bus barn, and the old one, ideally located, could be leased by the Youth center for one dollar a year, whenever the new barn could be built.

Miss Paxton and Lieb Langston appeared before local civic clubs soliciting their support and were assured by all groups of their support. An official of the Veterans security administration of Wichita Falls who had had long experience in recreation centers, was called to Pampa to speak to about 150 persons who were interested in establishing a center.

Shortly after the high school activity fund was pledged to support the center. Miss Paxton and Bonnie Nell McBee, also of the class of '45, worked tirelessly together with the Youth council on the proposed center which seemed about to materialize.

Elaborate plans for game, reading and dancing rooms were drawn. It was considered as well organized and the plans were approved by the adult advisory committee. The center was to be named the "Lariat."

But the old bus barn was not vacated. The school could not obtain priorities to build a new bus barn. With the closing of the Pampa army air field, the non-commissioned officers club was vacated, leaving a probable solution to the two year problem of establishing a center.

The American Legion and Veterans of Foreign Wars organizations sketched plans for a youth center to be housed in the former club. Initial plans were that the center would be open but one night a week. Later it was recommended that it be open several evenings a week.

The post-mature child of the two years of community planning and activity is in its infancy. But Pampa now has a youth center on which the youth placed their stamp of approval on the opening night.

ment," said the majority report signed by all but Admiral Richardson. "Much difference of opinion was expressed as to the form it should take."

The majority report recommended the single department under one civilian secretary, with an air force ranking with the army and navy. In a dissenting opinion, Admiral Richardson said it was not "in the best interests of the nation" to set up a single agency.

The report noted that "unless an acceptable solution is developed by the armed services, congress may take the initiative and adopt its own bills for reorganization."

The listed these four points:

- 1. Both sides should order their troops to "stay put" and halt all attacks. 2. The communists should withdraw 10 kilometers (6.2 miles) from the railroads. 3. The government would consult communists before moving any troops along the railroads. 4. The peoples' political council should appoint a supervisory commission to investigate conditions along the railroads and report any violation by either side.

munists are outgunned, because generally they have only what they have captured from the Japanese. That they have no planes.

General Li's calmness is borne out in private advice from Shanghai which discounts the talk of full-scale civil war.

This "small war" is going on as central troops are flown back into red-held areas. Chungking is determined to keep on flying them in, in American planes. The reds appear determined to resist, but there is not yet anything on the record to show that either side wants the resulting local clashes to spread seriously.

Why, then, are the communists resisting — sometimes aggressively, it appears — when it seems obvious that the cards would be stacked against them in any all-out test of fighting strength?

The answer may be that in some spots they are not yet outgunned or outnumbered by central troops, and that in the meantime they seek to achieve every possible advantage in territory and geographic position for bargaining purposes later on when the central government's military position becomes no longer contestable.

HONORABLY DISCHARGED

Robert T. Seeds, son of Mrs. Robert Seeds, 712 W. Francis, arrived home yesterday, having been honorably discharged from the navy. Seeds was last stationed at Mechanicsburg, Pa., during the past two months. He enlisted in the navy October 27, 1942, and has spent the major period of service overseas.

His wife and daughter, Barbara Jean, have been living in Pampa since the first of August. They will continue to make their home in Pampa.

Texas Selected for Unusual Assignments

AUSTIN, Nov. 3.—Two university of Texas ex-students in military service have been selected for unusual assignments in architecture, according to word received here by Walter T. Rolfe, chairman of the department of architecture.

Richard N. Kuhlman, Austin architect stationed at Manila, has been called upon to assist President Osmena in the development of a master plan of major thoroughfares for metropolitan Manila, and Blair Reeves of Beaumont is one of few selected to attend a refresher school of architecture in London. Prof. Kuhlman has written Prof. Rolfe that he is to assist with the rehabilitation of damaged areas in the Philippines. Plans contain proposals for immediate construction, as well as for future needs, he said. Kuhlman received his bachelor degree for future needs, he said. Kuhlman received his bachelor degree in architecture in 1935, from the University of Texas. Blair Reeves was a student at the university in 1941-43, studying architecture.

New Rules Listed For Vets' Buying Surplus Properly

Highlights of new procedures and policies concerning veterans preference in the purchase of surplus government war property, machinery and equipment were received in a notice to the chamber of commerce.

A veteran eligible on terminal leave, final furlough or whose status has been changed from active to inactive, to purchase the property. He is also eligible without owning his own business, if the property desired is required as a condition of his employment.

The former \$2,500 limit, will be replaced with maximum and minimum limits as to value and quantity by the Smaller War Plants Coop. with the approval of the SPB.

Veterans preference follows immediately after priority rights of government agencies and state and local governments. Preference will be extended to one initial stock of property for resale by a veteran with or without processing or fabricating in the regular course of the business.

Veterans desiring agricultural equipment will apply only to the Smaller War Plants Coop. AAA certification is no longer required. Veterans may apply for purchase of surplus property to any SWPC office. The nearest office to Pampa is located at 324 Key Building, Oklahoma City.

The SWPC need not purchase for resale to a veteran, but instead will furnish the eligible veteran with a certificate for the particular item or items needed in his business or as a condition of his employment. Also, SWPC is no longer required to pass judgement on desirability of the veterans business or on his qualifications to make a probable success.

Disposal agencies ship, bill and collect direct from veterans. The price to a veteran by a disposal agency will not be greater than the lowest price offered to any trade level. By agreement with the veteran SWPC may act as his agent in purchasing property certified. Disposal agencies are authorized to extend credit on purchases by veterans and by agreement with SWPC may delegate to SWPC the functions of arranging credit, sales and collections. Further details may be secured at the chamber of commerce office in the city hall where applications are available.

Shamrock Schools Need Substitute Teachers

SHAMROCK, Nov. 3.—Elmer J. Moore, superintendent of the Shamrock schools, is making an urgent appeal for substitute teachers.

Supl. Moore declared that a vacancy existed somewhere in the system almost every day. He is making a plea to everyone who has the qualifications to call him at the Shamrock high school and be placed on the list of substitute teachers. There is also a vacancy on the high school faculty which has not been filled, in the resignation of Mrs. Jack Shull, as of November 9. Mrs. Shull is teacher of Junior and Senior high school English.

27 Passengers Of Crashed Plane Are Believed Safe

HONOLULU, Nov. 3.—(AP)—Twenty-seven passengers and crewmen of an army transport plane were forced down at sea 450 miles east of Honolulu today, but all may be safe aboard three life rafts seen in the area, the army transport command said this afternoon.

A search plane, one of 10 dispatched to attempt rescue, reported it had spotted the rafts shortly after 1 p.m. (5:30 p.m. central standard time) with persons aboard them.

The ATC said the rafts could accommodate the 21 passengers, including a civilian woman and a WAC, and six crewmen of the Liberator-type transport plane.

The transport was bound for the United States West Coast when it was forced down at 7:40 a.m. for more than four hours after it left Honolulu. The first rescue plane, which reached the scene an hour and a half later, radioed that the transport was still afloat and persons could be seen clinging to the wreckage.

The ATC did not disclose names of transport's passengers and crewmen, but it was believed they all were military personnel, except the civilian woman. There was no announcement as to the cause of the forced landing.

The transport plane went down only 50 miles from the regular route of patrol ships, but surface craft apparently had not reached the scene at the time of the radio report from the search plane.

Enough seaplanes have been dispatched to the area to accommodate 27 survivors, but rescue from the air will depend much upon condition of the sea, the ATC said.

Gray County Club Women To Hold Training School

A training school for all Gray County Home Demonstration club women, who appear on the November program, will be held at 2 p. m. Monday, under the direction of Miss Millicent Schaub, home demonstration agent, in her office. Purpose of the meeting is to help plan what women can do to help keep peace in the world, and to train women in methods of acquainting citizens of Gray county with issues involved in maintaining peace. Studies will be made of the "Six Pillars of Peace," and a report "Behind the Scenes in Washington," will be given. Other discussions will be on "What We Women Can Do to Take Our Place in Preserving This Peace," and parallel between the adoption of the Charter and peace. Strong points and limitations of international conferences which have been held, will also be discussed. The United States has more than 100 municipal police radio stations, 34 state police radio stations, and 34 state police radio services in operation.

Baker Pupils Have Halloween Party

Pupils of Mrs. J. L. Spencer's first grade at B. M. Baker school were entertained with a party one day this week. Games were played, and the pupils were seated at decorated tables with pumpkins and candles marking each plate. These were given by Mrs. W. E. Walter. Refreshments of cup cakes and orangeade were served to the room-mothers, Mrs. E. M. Culbertson, Mrs. Gene Bogue and Mrs. E. G. Mann. Favors were pumpkin shaped baskets of nuts and candy. Thirty-three pupils attended in costume.

Beta Sigma Phi Will Sponsor Contest Soon

"First Lady of the Year" in Pampa is to be chosen within the next few weeks. She will be selected by secret nominators, a committee of civic leaders, men and women, who will make the nominations and from this list will vote approval for the Pampa woman who deserves such recognition. This choice will be based on accomplishments in war service, cultural or civic work, home-making, business, or other outstanding community activity. Sponsoring the event is the Pampa chapter of Beta Sigma Phi, an international organization of women leaders, community by community, women who have contributed most to community development in one phase or another. Beta Sigma Phi members are not eligible for the award. In Pampa, the organization has one chapter, with a total membership of thirty-one. Internationally, the 1,700 chapters in the United States, Canada, Mexico, and the territories of Hawaii and Alaska have a membership exceeding 50,000. Beta Sigma Phi has many claims to recognition itself, in the war effort, and in cultural and community service. Its chapters in the United States, Hawaii, and Alaska sold more than 20 million dollars in bonds in the Seventh War Loan drive. Primarily concerned with cultural and social developments, the organization has aided in many other war efforts.

Engagement, Approaching Marriage Of Vernon Girl-Dr. Snell Is Told

Miss Kathryn King

Announcement has been made of the engagement and approaching marriage of Miss Kathryn King, daughter of Mr. and Mrs. B. S. King of Vernon, to Dr. George Snell of this city, son of Mr. and Mrs. G. A. Snell, also of Vernon. The vows will be read Nov. 11 at the home of the bride's parents with Dr. E. S. James, pastor of the Vernon First Baptist church, officiating. The bride's only attendant will be her sister, Mrs. W. E. Wright, and the bridegroom will be attended by H. D. Snell, Jr., Altus, Okla., as best man. The bride-elect was graduated from Vernon high school and attended East Texas State Teachers college, at Commerce for two years. She was a member of several organizations, including the Kappa Social club. Dr. Snell is a graduate of the Carnegie high school, Carnegie, Okla., and attended the Oklahoma Baptist university, at Shawnee, Okla., and the Baylor university, Waco. He received his degree in dentistry at Baylor Dental college, Dallas. He is a member of the Delta Sigma Delta fraternity. Dr. Snell served as a captain in the dental corps of the United States army for two years during which time he attended a medical field service school at Carlisle Barracks, Pa., and was stationed at Camps Berkeley, Polk and Bowie. He received his discharge last February, and is now practicing dentistry here.

City Council of Clubs Meets for Varied Program

Many items of business were cleared on the floor at the session of the Council of Clubs held Thursday morning with the president, Mrs. Roy Chisum, presiding. OPA officials explained the functions and need of volunteer OPA workers in Pampa. The Council, which had previously referred the matter to the clubs voted to cooperate with the local War Price and Rationing board, and will provide some volunteers for the required work. Following the presentation of the organization and setup of the teenage center as planned by the American Legion and Veterans of Foreign Wars organizations, explained by Harold Wright, chairman of the movement, the Council expressed its desire to cooperate with the sponsors of the center. Four club representatives were appointed. See CLUBS, Page 10

Local Nurses Are Asked To Donate Needed Articles

Attention of graduate nurses of Pampa and vicinity is called to the fact that nurses at occupied zones have contacted the Graduate Nurses association of America, requesting articles of clothing which they cannot obtain where they are located. Their need for usable, if not new uniforms, shoes, white hose safety pins, buttons and shoe strings, or anything that nurses can use is desperate. It has been emphasized. Nurses who will donate any of these things are asked to contact Mrs. Floyd Ward, telephone 1296, or Mrs. C. F. Branson, 2284-J, and they will pick up the articles.

Junior Red Cross Begins Membership Enrollment in All Pampa Schools

By MRS. H. H. HAHN The Junior Red Cross movement is one of the most important phases of Red Cross service. Upon the nation's youth will fall the task of keeping alive the humanitarian principles that characterize the American Red Cross. Civilization cannot afford to let any nation permit its children to become imbued with a passion for war. The Junior Red Cross is an excellent organization to work toward this end throughout the world. Last week from public schools in Pampa, Lefors, Hopkins, and the parochial school 248 gift boxes were sent to children in distant lands. Contents of the boxes included such useful articles as sewing kits, pencils, color books, stockings, wash cloths, soap, crayons, pocket combs, handkerchiefs. Each classroom has the opportunity to participate in the gifts, as the children bring the various gift articles. The boxes are furnished by the National Red Cross and are filled in the school under the direction of the teachers. Mrs. Charlotte Calvert had charge of filling the boxes in the LeFors school; A. W. Wakefield in Hopkins; Mrs. E. C. Stapp in Pampa high school; Miss Roy Riley in Junior high; Mrs. A. L. Jones in Baker; Miss Billie Rosson in Horace Mann; Mrs. John Plaster in Woodrow Wilson; Miss Mollie Bird Ritchey in Sam Houston; Mrs. Russell West of Junior high served as chairman of packing and shipping. "Filling and sending gift boxes is one of the ways of developing the wider international interest necessary for the post-war world," H. A. Yoder, chairman of Junior Red Cross for the local chapter, declared. "On November 1, Junior Red Cross enrollment began. In the past, schools have been 100 per cent in enrollment, and we anticipate a repetition of this fine record this year. Gift boxes which our children fill for boys and girls of other lands represent to them not only our youth but our country as well." Miss Lillian Mullinax is chairman of membership enrollment for the Junior Red Cross. She describes a Junior Red Cross project of long standing which is looming as more and more important in the post-war program: the ideal of "one world" along with international peace organizations. It is a large order, but in their own sphere, pastepots and penholders can serve the ideal. International school correspondence, the planned exchange of albums and letter-boosters between children in the United States and children in other countries are included in the project. The end of the war has not lessened the responsibilities of the Pampa Red Cross chapter's production corps toward meeting the needs of servicemen in hospitals overseas and in this country, on hospital ships, in occupation armies or the needs of civilian war relief. Mrs. E. J. Epps, chairman of the production corps, said today. In an appeal for volunteers to continue their efforts and for new workers to aid them, Mrs. Epps said See RED CROSS, Page 12

Clubs

Continued from Page 9 pointed by Mrs. Chisum to serve as chairman of hostesses at the center during the coming week.

Monday the Twentieth Century Culture club will provide hostesses, chaired by Mrs. W. B. Weatherred. Similarly, Tuesday, the Parents and Teachers association, Mrs. H. M. Stokes; Thursday, the Twentieth Century club, Mrs. Loyd Stallings; and Friday, the Business and Professional Women's club, Mrs. Tommie Stone.

The Foreign Relief board quota of cutting and sewing 120 girls capes, 240 small boys overalls and 120 snowsuits, was presented by Mrs. G. E. High, chairman of the volunteer services of the Red Cross. Individual clubs will vote on the acceptance of the quota.

Need for filling of the quota was stated through illustrations by various groups of hostesses, one member exemplifying the need by stating that a local family had sent \$500 to relatives in Poland. The cash was worth three pairs of shoes.

If the Council votes to accept the quota, which they will not do unless it foresees the means by which it can be filled, work will start January 1, after the present Red Cross hospital production is cleared.

Mrs. Williams also read a letter from City Manager Garland Franks stating the changes made in the remodeling of the city kitchens and dining room, and extending appreciation of the cooperation of the Council of Clubs with the city. It was brought out that the Little Theater group had chosen to leave the stage as it is.

The need for a spring house cleaning of the club rooms was brought to the attention of the Council members. Carpets, drapes and furniture were stressed as requiring cleaning; the making of slip covers was recommended and the reconditioning of lamps, tables and chairs was reported as necessary.

The Council unanimously voted to recommend a spring house cleaning of the club rooms to their respective clubs. Members of the building and returning committees will report to the Council the expense entailed if the rooms are to be cleaned. Members of the committee are Mrs. George Frauff, chairman; Mrs. Loyd Stallings, Mrs. C. V. Whitson, Mrs. Raymond Harrah and Mrs. Tommie Stone.

Parent-Teacher City Council Hears Reports

Mrs. H. M. Stokes, president, conducted the meeting of the City Council of Parents and Teachers when they met in regular session Thursday afternoon at the Junior high school. Thirty-three persons attended, and reports from the various schools were given, telling of the year's activities in detail.

During the short business session, the resignation of Mrs. Tom Perkins, treasurer, was accepted, and Mrs. P. D. Ferguson was elected to fill the vacancy. Mrs. R. C. Grider was named publicity chairman to succeed Mrs. W. B. Franklin, resigned.

A number of delegates will attend the State convention to be held in San Antonio, Nov. 14 and 15.

The Pampa Youth Center, which opened Friday night, was discussed by H. A. Wright, who asked for the cooperation of the Parent-Teacher association in making the project a success.

The program was presented by Hopkins school, with Mrs. R. W. Orr, directing. Huelyn Laycock, county superintendent of schools, discussed "When and How to Say No."

B. M. Baker school will present the program at the next meeting, Dec. 6, at 2 p. m.

James Roosevelt Has No Ambitions In Political Field

BEVERLY HILLS, Calif., Nov. 3. — James Roosevelt, eldest son of the late President, says he has no political ambitions at present.

Questioned in a news conference about rumors he might be a candidate for governor or state senator, Roosevelt said "political responsibility should never be undertaken without careful and conscientious preparation. Obviously I have not had the opportunity in recent months for such preparation."

Roosevelt was placed on inactive status as a colonel last August by the marine corps after a medical examination showed combat fatigue had aggravated a recurrent stomach condition. He had been in service nearly five years. Roosevelt is 38.

He said he and his wife were anticipating the birth of their first child next week. They were married here in April, 1941. She is the former Romelle Theresa Schneider.

Lost Puppy Finally Gets Home to Owner

LOUISVILLE, Ky., Nov. 3. — (AP) — Snafu, wire-haired terrier puppy finally reached his three-year-old mistress, Judy Thompson, yesterday after a long and tiresome trip from Munich, Germany.

S/Sgt. Karl Rudolph started from Munich with Snafu as a present to niece Judy. He stuffed Snafu in a battle jacket when boarding the boat home and landed him safely in the United States. But the black and white puppy got lost in Trenton, N. J.

A friendly baggage master at Trenton, noting the identification and address tag on the dog's neck, later expressed the pup to Louisville. Shortly after Snafu's arrival here he ran away, but was recaptured and united with his mistress.

Sgt. Rudolph bought Snafu from a doctor in Munich for a carton of cigarettes.

Mrs. Margaret Cagle Dies at Shamrock Home

SHAMROCK, Nov. 3. — Funeral services are pending for Mrs. Margaret Minerva Ray Cagle who passed away at her home, 411 North Choctaw street, at 5:40 o'clock Tuesday afternoon.

Last rites will be conducted at the First Methodist church, the time to be announced later, with Rev. Marvin B. Norwood, pastor, in charge, assisted by Rev. Charles Lawler.

Interment will be in the Shamrock cemetery with Clay Funeral home in charge of arrangements.

Mrs. Cagle's death followed a lengthy illness. She had been in ill health for the past four years and had been confined to her bed for the past 10 months.

The 67-year-old woman had lived in the Shamrock vicinity most of the time during the past 21 years, having moved here from Electrica. She was born at Wayland, Stephens county, Texas, on April 2, 1878. She was married to W. L. Cagle at Brownwood on August 5, 1895.

Mrs. Cagle was the mother of nine children, five of whom preceded her in death.

Survivors include the widower of Shamrock, three daughters and one son: Mrs. Lyndee Young, Vallejo, Calif.; Mrs. Opa Harris, Pampa; Mrs. Juanita Hastings, Compton, Calif.; and James T. Cagle, New Mexico.

Mrs. Cagle was a member of the Methodist church of this city.

Red Cross

Continued from Page 9
 that production needs now are in requests for kit bags and in the hospital quota. fracture pillows and covers for them; women's bath robes; bed socks for men and women; bed-side bags; hot-water bottle covers; "Only 197 kit bags remain of our quota," Mrs. Epps stated. "We are eager to complete these before the end of the year, because we have been asked to help out in foreign war relief after January 1, 1946. We need both cutters and stitchers, and we want to know whether workers will help before accepting a quota for foreign war relief."

On October 30 a shipment of 546 infant's gertudes, 22 sweaters, and 7 mufflers went on its way from the production rooms. Previously 260

gertudes had been shipped, making a total of 806. Of the 851 garments in the quota only 75 remain to be turned in. Mrs. Epps wishes to express the sincere appreciation of her corps for the splendid assistance given by local women in completing the gertudes on time.

Remember all those scuffs (convalescent slippers to the uninitiated) that were made in the production department this year? To be exact—335 pairs of them. Mrs. J. B. White executive secretary of the Pampa chapter, believes this to be the largest number of scuffs made by a chapter of comparable size in the entire Midwestern Area. Last year chapters in the Midwestern Area of Red Cross produced 170,000 scuffs. It can be seen by these figures that our share is always large, anticipating our rather large normal quotas to continue, we must keep our present volunteers on the job and recruit additional workers.

Volunteers who wish to complete hours of service or who wish to increase their present number will be able to qualify for special insignia

for "meritorious personal service." Red ribbon bars will be given to volunteers with 12 months' service. To the bars will be added silver stripes denoting one or more units of 900 hours' service, and gold stripes denoting 5,000 hours. Volunteers with a minimum of 200 hours will receive certificates signed in facsimile by President Truman and National Red Cross Chairman Basil O'Connor. All certificate holders may wear the new insignia, in the form of pins for women and buttons for men, which will bear the inscription "World War II" below the familiar red cross.

"The gold stripe for record service will be given to a number of long-time volunteers here," said Aubrey Steele, chairman of the Pampa chapter. "Many others will qualify for the silver stripe for 500 hours or more."

Mr. Steele explained that the hours, recognized for the period beginning January 1, 1940, and ending with the fiscal close of the war, to be determined by presidential proclamation or congressional action, represent service in all branches in which this chapter has participated.

Addressing more than four million volunteers enrolled during the course of the war, Chairman O'Connor recently said, "Because of the inherent intangible factors constituting Red Cross service, medals and other decorations are not awarded except to those who died in service. But volunteers whose contributions added so much to American morale may be proud to accept these insignia as their form of service pins."

High seas boxes for men who will be at sea during the Christmas season were sent from Pampa before the October 15 deadline, according

to Mrs. W. R. Campbell. "One hundred and twenty-five boxes were sent from Pampa and a total of two hundred and forty from the Eastern sub-district of the North Plains Camp and Hospital Council," Mrs. Campbell reported.

Mrs. W. J. Haley served as chairman of the committee to expedite the shipment. Miss Maurine Jones also was most helpful in selecting the gifts to go into the boxes, in finding the boxes, helping to pack and wrap a large number of them.

These high seas boxes contained toilet articles, pocket games, hard candy, combs, nail file, pocket-size books, and comfort articles, such as camphor ice.

"Have you ever been hungry? Do you enjoy eating? Are you trying to gain or lose weight? Do the children eat the food you prepare? Nutrition is in the news, and Miss Clara Brown, chairman of nutrition has let us in on some exciting plans.

On November 15 Miss Louise Garrett, assistant to the director of nutrition service for the American Red Cross, Midwestern area, is to visit Pampa. Plans are for her to speak to the High school future homemakers at 1:30 p. m. on Thursday, November 15. On Friday afternoon at 2:00 p. m. a tea in the City club rooms has been arranged at which time Miss Garrett will speak "on some phase of nutrition."

"Miss Garrett is a native of Pittsburgh, Texas," Miss Brown reports. "She received both her bachelor of arts and her master of arts degrees from the Texas State college for women, Denton, Texas."

Miss Garrett travels extensively throughout Texas and New Mexico, advising nutrition committees of Red Cross chapters on the organization and expansion of local program activities. Her previous Red Cross experience was as volunteer instructor of nutrition classes in the Dallas, Texas, chapter. She was a teacher in Dallas for seven years and previously taught in Palestine, Texas. She joined the Red Cross national staff in January, 1945.

Solon Asks Surplus Guns for All Vets

WASHINGTON, Nov. 3.—(AP)—When the army and navy dispose of surplus shotguns they have on hand, says Senator Wherry (R-Nebr.), they should be offered to enlisted men and civilians as well as to officers. He introduced a bill which would eliminate an existing statute under

The Nebraskan said the army and navy had large stores of shotguns and shells which had been kept on hand for target practice. The equipment is not being declared surplus.

SUCCESS AT LAST
 DENVER, Nov. 3.—(AP)—For months Irving Linder, building agent, had tried without luck to sell a large heating radiator. Now he's rid of it. He reported to police that someone stole it.

Health and Liberty are Priceless!

Don't Lose Them!

THE PRICELESS HERITAGE OF THE AMERICAN PEOPLE

In this nation there are vital issues which transcend all partisanship. The American people have a Priceless Heritage. It is not shared by the people of any other nation. It belongs exclusively to the people of the United States.

This inheritance sets the American people apart from all other peoples in the world. It has given us advantages so great that most minds fail to comprehend them. This heritage stems from a tradition and sensing of freedom which antedates by centuries

WHY AMERICAN MEDICINE IS BEST IN WORLD

In the short span of one hundred fifty years American Medicine has moved forward to a position of universally recognized world leadership. It has provided a more effective and a more widely and evenly distributed medical care than ever has been made available anywhere at any time. If analyzed and understood, the achievement is without parallel in the history of the progress of mankind.

In the successful treatment and cure of disease, medical care must be considered as having two separate yet closely related parts:

First: There is disease—disease as such. There are many diseases. Each disease is ceaselessly, relentlessly seeking a human body to destroy. And each disease affects each human body in a different way.

KEEP YOUR DOCTOR A FREE MAN!

The doctor is a human being, a person—a personality. His tradition, knowledge and experience make him more sure and more confident than his fellowmen. The new Wagner-Murray-Dingell Bill now before Congress would rob him of his freedom of action

the establishment of this nation and the adopting of its written Constitution. Its tangible expression is embodied in the Private Enterprise System. The essential to its preservation is the sanctity of the human personality—the supremacy of the individual and the subordination of the State.

This priceless inheritance is now being dangerously menaced by moves to turn over to the Federal Government the task of providing medical care for all the people.

Second: There is the patient—a human being—who, by accident, misfortune or coincidence, contracts a disease.

American Medicine has conquered many diseases—controls many others. However, the basic factor responsible for the unequalled effectiveness of the practicing physician is that the whole of his effort always is concentrated on treating and curing the patient—the human being who is sick. Incidentally, only, is he concerned with conquering the disease. The basic tenet of American medicine is that where there is a sick patient—a life is the issue. It matters not whether prince or pauper is involved. The one concern is that of saving the human life which is in jeopardy. The task is exclusively a matter between the patient, the doctor, and their God.

and decision and make him subordinate and subservient to the bureaucrat. Bureaucratic direction would destroy the intangible, indefinable essence that is the secret of the American doctor's effectiveness.

UPTON CLOSE:

Most Dangerous Situation Right Now Is in China

The most dangerous situation in the world is in China. The communist high strategy board picked it with a purpose and with their kind of wisdom.

USE 666

Cold Preparations Liquid, Tablets, Salve, Nose Drops Use Only as Directed

China is another Franco, they were taken back for only a moment. They checked with Moscow and this time found that they were not being thrown to the wolves, as sometimes happens to communists, but rather that they were being used as pointers to hold the bird until the gunners arrived.

China is now the most critical scene in the world because:

(1) The one great overhanging menace to humanity today is the clash between ambitions and plans and prejudices of Russian and Anglo-Saxon leaders. President Truman implied as much in his call for a large, permanent military force and his confession that world peace is very doubtful.

(2) The acute scene of clash between Russia and the English-speaking powers has moved from Greece to China.

(3) The Red push in Greece was stopped by British tanks and troops.

(4) It will now be stopped in China only if United States support—arms, planes and troops—are provided to Chiang Kai-shek. But

if they are Russia will turn back on us President Truman's declaration that liberated nations must be self-governing and choose their own rulers without military support or political interference.

(5) The Kremlin has been stalling on world policies—sending out rumors that Stalin is ill or that Russia likes Truman's self-determination of nations declaration.

Here is how we are caught. In China, as anywhere else—including our own country—the militant side wins over the majority side. Chiang Kai-shek's strong hand and the corruption and ineptitude of his officials have been resented during the fourteen years of China's sorrow since Japan jumped Manchuria (1931). But however they have been resented, the Chiang Kai-shek regime has been preferred, and doubtless is now preferred by the great majority of Chinese people.

But if you were to leave China quite alone from the outside world—both Anglo-Saxons and Russians were to remain utterly aloof—the communists would win. The reason is that the communists are organized and militant, and use methods which other people are not organized to use, or not militant and ruthless enough to use.

Here is the fallacy of the reasoning of our pundits, such as Walter Lippmann, about communist blocs in Russia's various border countries. He and others say: "It is beginning to be evident that the Red army lacks discipline over its troops" which are looting in occupied areas; that those areas are

turning against Russian control; that the communist ideology is losing its popularity among them; that they are turning to the right. Hence we can be patient and let things work themselves out.

It is the strong stand by the United States, such as Winston Churchill made about Greece—and "The devil take whoever wants to call it fascism"—would hold the line there. The communists love to try out our lines, wise Stalin calls off the attempt. In favor of a try somewhere else. (So far, at least.)

But we have either got to make a strong stand, regardless of dirty names which the United States will be called by communists and "liberals", or we have got to get out of the picture entirely and let Asia have her fling under Red Russian leadership—and tyranny. Both Europeans and Asiatics would learn in time that their saviors were worse than their present devils. It's a tough lesson, of course.

Maybe America, too, will have to learn it!

Mrs. Martha Jane Hill Dies at Home of Son

SHAMROCK, Nov. 3.—Mrs. Martha Jane Hill, a resident of Shamrock for the past two and a half years, passed away at the home of her son, William Lee Walker, at the Consolidated Compressor Station west of Lela at 8 o'clock last Thursday evening.

The 75-year-old woman had been ill only two days. Funeral services were conducted from the Clay Funeral Chapel at 2:30 o'clock Sunday afternoon, with Rev. Marvin B. Norwood, pastor of the First Methodist church, in charge.
