"TEXAS' LAST FRONTIER"

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, NOVEMBER 16, 1950.

NUMBER 38

MISSING WHITEFACE BOY FOUND IN LUBBOCK BY MORTON MAN

The mystery of the disappearance of one of the two Whiteface youths who have been missing from their home for more than a month, was solved Monday night in Lubbock when Shirley N. Strickland was seen and recognized by Johnny Vandeventer of Morton. Vandeventer saw the youth walking near 19th street and stopped and asked if he were the Strickland boy. The youth denied this but Vandeventer, recognizing him from the picture which appeared in the Lubbock Sunday paper, told him to get in the car.

Vandeventer drove the boy to Levelland where he stopped and picked up two friends to ride to Morton. The Strickland boy protested that he didn't want to go home. Instead he wanted to go to Brownfield.

In Morton, Vandeventer turned the boy over to County Judge Glenn Thompson and Mr. Nath Crockett who took the youth to his home in Whiteface.

Just the day previous a Petersburg man told *Avalanche Journal* that he had seen the boy.

A total of \$102 as proceeds from the American Legion Auxiliary Poppy sale last Saturday will be turned over to state and county Child Welfare Rehabilitation funds. It was announced Monday by Poppy Chairman, Mrs. Jim Gast.

Mrs. Gast, assisted by Mrs. J. M. Waller and Miss Helen Butts pronounced the sale a huge success in view of the fact that few people were in Morton shopping during the Saturday holiday.

Selling the poppies were Evelyn Culpepper, Jackie Crowder, Bobbie Gast, Tiny Hefflin and little Mary Ann and Sammy Gast who did their selling together. All of these salesmen have been extended a round of thanks for helping make the sale such a success.

Poppies were handed out individually and then corsages made up of poppies were sold at the Legion-Auxiliary Barn Dance held on Friday evening.

Approximately a third of the proceeds go to the state fund for Child Welfare and the other two thirds are kept on hand by the local Auxiliary chapter. Any additional funds needed by the County may be obtained from the state fund.

Hospital Rumors Squelched By Business Manager

A few of the blatant rumors about untimely closing of West Plains Hospital were squelched this week by Artie Hicks, business manager of the present hospital lessee.

Mr. Hicks said, "the hospital and clinic is open for business as usual and will remain so until arrangements have been made for releasing of the hospital; he further stated, "we are offering service to the entire area and will continue to do so until we are relieved of our present responsibilities."

HUNTING NEAR MASON

L. B. Childs, Willard B. Cox, Buck Briley and Gene Huggins hunted this week in the hill country near Mason, Texas.

Miss Amelia Anthony, Girlstown Founder Speaks At Lions Meeting

Miss Amelia Anthony was guest speaker at the regular meeting of Morton Lions Club, Wednesday noon, November 8. She was introduced by Rev. C. C. Stephens. About 40 Lions were present.

Miss Anthony is the founder of Girlstown, Cochran County. The home was opened to underprivileged and neglected girls March 1949.

In opening her talk Miss Anthony said, "We depend upon the youth of our country to preserve our democratic ideals and principles. We operate Girlstown on this theory; believing that by teaching our girls these fundamental principles that they will be equipped mentally, physically and spiritually, to take their place in society when they go into the world from Girlstown."

Miss Anthony explained that problems arise in Girlstown, comparative with those encountered by parents in their own homes.

She said, "we use discipline such as taking away privileges. For instance the girls are permitted to attend a movie once a week and each one has an allowance of \$1.00 a week. When a girl misbehaves, movie privileges are withdrawn and if disobedience continues the allowance is withheld."

"Our girls are taught cleanliness, they are required to come to the table fully clothed and with hair combed. They are taught good manners, tidiness, good grooming and how to be ladies." She continued, "we do not permit our girls to wear shorts at anytime and if they do wear shirts and blue jeans, the shirts must be tucked in and pants legs worn down." Miss Anthony explained that the girls were taught to sew and very often made their own clothes but when they do buy ready made clothing they are permitted selection under adult supervision. She said, "Girlstown shopping is done in Lubbock and Levelland."

"We maintain a good library at Girlstown and girls are encouraged to read this material that has been approved by the State Board of Education." She mentioned that a good many girls, if left to their own devices would read only sex and otherwise low type reading matter.

"One of the requirements of girls at Girlstown, she said, is attending church services twice each Sunday, girls are permitted to attend the church of their choice." "They must keep their rooms in order, their persons tidy. Our aim is to teach them to be good mothers, good housewives and good help mates when they have left the home."

Miss Anthony stressed the importance of patience, understanding and cooperation between the public and Girlstown.

She said that in nearly every instance when a girl entered the home her first words were, "I hate." She emphasized the fact that Girlstown personnel attempt to replace this feeling with that of "love" but explained, "this takes time and much patience."

The girls attend public school in Whiteface.

Miss Anthony explained management of Girlstown and invited members to visit the home. She said the goal was for room for 500 girls by 1959. She solicited the aid of all saying, "it will take 20 years and five million dollars to complete the project."

Other visitors introduced were Bob Ziesenheim and Mrs. Carl England.

E. L. Willis was in charge of the meeting.

JOYCE RAMSEY CROWNED QUEEN FOR OUTSTANDING 4-H WORK

Joyce Ramsey, 15 year old daughter of Mr. and Mrs. S. A. Ramsey, was crowned 4-H queen, Monday evening, November 13th. This honor came to her for having won the county Gold Star Award.

The coronation was a part of the pageant presenting 4-H Club members that had done outstanding 4-H Club work. Mrs. P. E. Liles, County Council Chairman, crowned the queen.

R. E. Thompson, son of Judge

and Mrs. Glen Thompson, was crown bearer for the queen and Peggy Ramsey, little daughter of Mr. and Mrs. S. A. Ramsey and sister of Joyce, carried the medals and awards that were given to the queen.

Misses Ruth Williams and Katherine Flenor were narrators. They gave a brief history of each 4-H Club member. The member stepped forward at the conclusion of their story and were awarded their pins by the newly crowned queen.

Those receiving pins were: Joyce Ramsey, Patricia Masten, Ann Martin, Freda Chesshir, Betty Sullivan, Christine Wilson, Carolyn Moore, Alice Faye Thompson, Thomas Lynch and Sonny Boy Dewbre. Adult leaders receiving leadership pins were: Mrs. Glenn Thompson, Mrs. Cecil Masten and Mrs. G. W. Garrett.

Misses Anna Lois Alford and Patricia Nell Masten gave readings. Linda Stockdale was in charge of decorating and staging.

Mrs. Keith Kennedy furnished the music for the pageant. Mrs. Kennedy is the former Miss June Woods and a former 4-H Club girl. During her 4-H Club years she too received the Gold Star Award.

Stores To Close Thursday, Nov. 23 For Thanksgiving

Most business firms in Morton will close for Thanksgiving next Thursday, November 23. Two days, November 22 and 30, were declared by Gov. Shivers, as days of Thanksgiving for the State but early reports from most businesses indicate that the fourth Thursday will be the one generally observed.

To date all firms contacted in Morton prefer to close next Thursday.

MORTONITES ATTEND LITTLEFIELD RECEPTION

Members of Morton Order of Eastern Star and Masonic order attended a reception Tuesday night in Littlefield, honoring Mrs. Pat Boone, associate Grand Matron. Those from Morton attending were Mr. and Mrs. Joe Gipson, Mr. and Mrs. C. A. Baird, Mrs. J. T. Porter, Mrs. Fred Morrison, Mrs. Virgil Riley and Mrs. P. B. Ramby, worthy matron of the local organization.

Bula FHA Chapter Sponsors Hobo Day

National FHA, Future Homemakers' Association Week, draws to a close Saturday with the Bula FHA chapter scheduling a Hobo Day.

Similar to a Hobo Day recently sponsored in Morton, the Bula girls will don work clothes and invade Morton and other territories nearby seeking odd jobs at fifty cents per hour. Headquarters for the girls in Headquarter will be at the home of Mrs. Wayne Alkey. Telephone calls to 3746 will bring girls to your home to do your odd jobs.

Cochran Lawyers Form Association

A Cochran County Bar Association has been formed this week according to Bob Ziesenheim, secretary of the group.

M. C. Ledbetter, County Attorney, has been selected as president of the association. Purpose of the group is to get together on any legal matters which might interest the group and to help out veterans needing small legal favors.

Naturally this does not mean executing an estate or any job of that stature. However the Association would give legal advice and perhaps draw up a will, if the need arose.

Cochran Youths Slated For Call

Three more Cochran county men are included in the latest list of prospective inductees released by the Muleshoe Selective service office.

The men, Charles Billy Payne and Troy Lee of Coon, of Morton, and Fred L. Best of Whiteface are slated for induction into the

Spoke to Lions

Robert W. Sisson, manager Veterans Administration, Lubbock, Texas. Mr. Sisson was guest speaker here Wednesday, November 15, at Lions Club.

Monday Night's Three Way Fair Features Awards

A P.T.A. sponsored Three Way Fair has been scheduled for next Monday night, November 20, at the Three Way School. It was announced this week. Proceeds from the fair are to go toward a library for the Three Way Schools.

P.T.A. sponsors have announced five booths for which entries will be accepted between the hours of 12 noon and 7:30 p.m. on Monday. Divisions listed are: Booth One, Cakes; Must be a two layer, iced with no decorations. Booth Two, Needlework; Fancy work, crochet, knitting, quilts, and bedspreads. Booth Three, Garden Club; blooming or non-blooming plants. Booth Four, Oddities; Ceramics, art, leather articles, metal work, old dolls.

A small fee will be charged for each entry with awards in the form of a cash prize for each winning entry.

Anyone interested in entering the fair or just looking for an evening of entertainment is cordially invited to attend the fair and help it a big success.

BABy GIRL FOR TAYLORS

Mr. and Mrs. Jack Taylor are parents of a baby girl, born Sunday in a Littlefield hospital. Mrs. Taylor is the former Dolores Wages. Mr. and Mrs. E. B. Wages are the maternal grandparents and Mrs. Lee Taylor the paternal grandmother.

ELMER AND ROY AKIN VISIT PARENTS HERE

Elmer and Roy Akin, both in the Army, visited here last week-end with their parents, Mr. and Mrs. Earl Akin and family. Elmer had received his overseas orders at the time he was home.

Program "Uneasy Near East" Given At Wesleyan Service Guild Meeting

Mrs. John W. Alford, program chairman of Wesleyan Service Guild's current study, gave the third in a series on the Near East at a meeting Monday night in the home of Mrs. P. B. Ramby. The subject discussed was "Uneasy Near East." Following the lesson several movies of the countries discussed were shown by Reagan D. Ormand. Mr. Ormand's films were made by him during War II while he was serving with the Army Air Corps.

Mrs. J. W. Askew played for the Guild ritual; Mrs. J. W. Hawthorne gave the devotional. A special vocal duet was presented by Mrs. C. M. Cravy and Mrs. Turner Beard with Mrs. Askew as accompanist.

It was announced during a business session that Guild members would serve Lions on Wednesday, December 13. Mrs. Lloyd C. Miller was in charge of the business meeting. Announcement was also made of a District Guild meeting being held this Sunday, November 19, in Lubbock.

Mrs. Ramby, assisted by her daughter, Barbara, served a refreshment plate to Mr. Ormand and Mesdames C. M. Cravy, J. W. Askew, R. D. Ormand, Fred Danforth, Raymond C. Ross, M. Turner Beard, Carl England, Orville Tilger, Arlee Barnard, Lloyd C. Miller, J. W. Alford, J. D. Hawthorne and two guests, Mrs. W.

HOUSE GUEST IN CHARLES GLENN HOME

Mrs. O. E. Stevenson who motored to Morton from Crane Tuesday, was a guest in the Charles Glenn home. She was a breakfast guest Wednesday morning of Mr. and Mrs. Albert Morrow. Before returning to her home Mrs. Stevenson visited in Sudan.

ATTEND METHODIST DISTRICT CONFERENCE

Rev. C. C. Stephens, Fred Stockdale and P. B. Ramby attended a Methodist District Conference in Tahoka, Tuesday, November 14.

Lighting - Decoration Plans Assure Christmas Spirit Here

Christmas lights will again be around Morton's square this holiday season. It was announced at Tuesday's meeting of Morton Chamber of Commerce.

Morton Lions Club annually sponsors the street lighting Christmas program with the Chamber of Commerce.

Mr. H. Rose was appointed by J. W. McDermott as chairman of the committee from C. of C. to attend to details of putting the lights and arranging a Christmas program or programs. Committee plans call for at least two and maybe two public programs during the season. The Chamber definitely decided to have a visit from Santa Claus in all probability there will be a brief musical program the night the lights are turned on. Mr. Carl England, was appointed chairman of the ladies committee to make arrangements for the distribution of the gifts to be distributed to the children by Santa Claus. Mrs. England will ask members of the women's clubs in Morton to assist with gift purchases and wrapping.

Christmas lights will be put during the week beginning Friday, November 27. The business discussed at Tuesday's meeting was financial condition of the Chamber. It was pointed out that meals for the directors meeting are paid for individually by each member and not from chamber funds.

Other item under discussion was that of inviting visitors, members or non-members of the Chamber of Commerce, attend the luncheons; it was pointed out that anyone is welcome to attend the meetings and during a visit; suggestions and criticism are welcomed by group.

Purpose of the meetings was pointed out and members were urged that the cooperation of the entire community is needed to successfully promote any worthwhile project. It was generally agreed by members that the question under discussion be more effectively dealt with in open meetings than by

Roving Cowboys Prove Popular Entertainers

The Roving Cowboys, five piece string band of Levelland, furnished music for four hours of dancing Friday night at Veterans Hall.

This popular band, playing various types of music was roundly applauded following each number.

Mrs. Bill Proctor, vice-president of American Legion Auxiliary, highlighted the evening's entertainment by singing several popular numbers with the band. Mrs. Proctor also led an olio singing during intermission. Miss Helen Butts played piano accompaniment.

The hall, transformed into a barn for the occasion, was decorated with bales of hay, corn shocks, pumpkins and a complete set of harness, furnished by Mose Austin. Other decorations were loaned through courtesy of Willard Cox; Merlin and Vern Roberts. Mrs. H. B. Barker, Mrs. Bob Cross and Mrs. John L. McGee, composed the decorating committee.

Miss Helen Butts and Mrs. Edmund H. Irwin attended the cloak room. Mrs. Jim Gast and Mrs. J. M. Waller were in charge of the refreshment booth.

The dance was sponsored jointly by the American Legion and Auxiliary. Proceeds of the dance will be used in local welfare work by the sponsoring organizations.

Three Awards Offered In Annual Christmas Decorating Contest Here

The Christmas outdoor decorating contest is being sponsored this year by Cochran County Garden Club in cooperation with Morton Floral, Morton Florist and Ben Franklin Variety.

Any person living in Cochran County may enter the contest. It was announced by the sponsor. Purpose of the contest is to have a more beautiful community during the holiday season.

Awards will be provided as follows: one each from sponsoring Morton Floral, Morton Florist and Ben Franklin Variety.

There will be no entry fee; decoration blanks will be printed and distributed on November 30 and December 1 issues of Morton Tribune. Judging will be done on Friday, December 15. Winners announced in Morton Tribune on December 21; all will be the Christmas edition of the local paper. Sponsors of all enter the contest.

Awards will be given for the most effective overall outdoor decoration; most beautifully decorated outdoor tree; and prettiest window.

Decorations must be planned that they may be seen well from the street as judges will be permitted to leave their cars.

The first award will include \$10 in cash and merchandise in amount of \$15.00 from Morton Floral. Second award, \$5.00 cash and \$7.50 in merchandise.

Blaze Doused

Another grass fire, the result of a brush burning in Southeast Morton was quickly brought under control by Morton volunteers last Wednesday. The fire caused no damage. It was out at about 4:15 p.m. by the Keene Courts. It was kept under control by 4:30.

Homer Thompson, Cochran County Agent, Will Receive Nationwide Acclaim

Homer Thompson, Cochran county's agricultural agent will be honored along with six other Texans next week at the national convention of the County Agricultural Agents of the United States in Chicago.

Mr. Thompson was chosen one of seven Texas men to receive

the Distinguished service award in recognition of his 16 years of service in extension work. The convention will open at Chicago's famed Edgewater Beach Hotel on the 25th and will continue through the 29th of this month.

County Agent of this county since 1947, Homer already had 13 years of valuable training behind him as assistant county agent of Lubbock county and county agent of Garza county. He also spent 5 years in Military Government agricultural work during the 2nd World War and during that time he saw considerable service in Korea. He rose to the rank of captain while in the Army.

Homer is a graduate of Texas A. & M. and has completed advanced studies at Texas Technological College, Southern Methodist, The University of Virginia, and Yale University. On September 16, 1939 he was married to a Lubbock girl, the former Lillie May Morris.

Thompson's efforts have been credited with advancing farming methods and farmer-government cooperation over the state. It was this special talent he put to work for the military government appointed as agricultural problem specialist.

It was on July 1, 1934 that Homer first became associated with the A. & M. extension's service. He was an assistant in the cotton adjustment office at Scurry and Borden counties. After a brief interruption of his agricultural career, Homer returned to the extension service in the cotton adjustment office in Briscoe county. Homer was credited with being highly instrumental in halting an epidemic of hog cholera that had spread all over the county. For five years after that Homer was AAA Director in

To Be Honored

Homer E. Thompson

Barbara Ramby Elected President Of HE-LO-TRU

Barbara Ramby, 10 year old daughter of Mr. and Mrs. P. B. Ramby, was elected president of the HE-LO-TRU Camp Fire Girl group, at an organization meeting Tuesday, November 7, with Gwen Baker as hostess.

Other officers elected were Judy Blackley, vice-president; Mary Silhan, secretary; Gwen Baker, treasurer; and Ann Ross, reporter.

The Indian name selected by the girls means, "helpful, loving and truthful." Mrs. Lloyd C. Miller is the sponsor. Present for the initial meeting other than officers elected were Treva Jo Thompson, Donna Sue Burnett, Kay Doss, Jo Ann Hodge, Anna Sanders and Betty Carol Turney. The next meeting will be Tuesday, November 21.

PLEDGED RECENTLY

Two Morton boys, Wayman Marshall and Gerald Smith are among the 11 recently pledged to the Los Camaradas Club at Texas Technological College. It was revealed this week.

Marshall is the son of Mr. and Mrs. T. D. Marshall and Smith is the son of Mr. and Mrs. Truman Smith. The club is one of the most popular groups on the campus at Texas Tech.

Deaf Smith County and held posts in Lubbock and Garza counties.

At Lubbock Homer trained a 4-H club meat identification team for competition in the A. & M. contest and his group won that event and went on to place fourth in the nation, an honor of which Homer is justly proud. He also took a deep interest in the South Plains Junior Fat Stock Show and aided in the show's rapid growth.

Served in Garza County

Garza county, where he served as county agent from 1938 to 1941, benefited immeasurably from his efforts there through an accelerated program of range, land improvement, deferred grazing and overall improvement in the controlled use of available water. Trench silos, many of which still are in use today, were introduced during his tenure in Garza county.

In Garza county the agricultur-

alist introduced improved methods of crop rotation and seeding and growing of cultivated grasses.

A committee under his direction was responsible there for one of the first soil conservation districts, the Duck Creek Conservation district, which is still in existence.

During Thompson's three years in Garza county, over 50 per cent of the farmers were organized into one-variety cotton improvement associations. Free cotton classing and marketing news were made available to the growers by ginners in the area working in cooperation with the United States Department of Agriculture.

A large co-operative frozen food locker plant still operative in Post was made possible by Thompson who contacted over 200 families in the area to get the project organized.

Served in Korea

Thompson assumed his present post in Cochran County, July 1, 1947, following over five years of service with a unit of the Allied Military government. Part of his service was in Korea.

Since his return to domestic agricultural work, Thompson has backed a vigorous and far-reaching program for Cochran County.

Rodent control, bench levelling and perennial pastures and para-site and insect control on both crops and animals form a large part of the overall county program.

Since his return to the county, the problem of irrigation has been given special attention. Wells have increased from 18

in number to 200, and that number is expected to double within the foreseeable future.

And with the increase in irrigation wells has come still another program designed to instruct the farmer in water application and distribution, and to familiarize him with new crops and fertilizers.

Club work, as always, has received Thompson's special attention, and the membership of the FFA and 4-H clubs has grown steadily. Twenty-eight calves were sold for \$12,000 following

the last combined 4-H-FFA club show in May of this year, and the businessmen of the county have joined to provide 15 registered Duroc gilts as gifts to club members each year for feeding.

A tremendous growth of farm organizations in Cochran county has been attributed to Thompson's efforts, with over 60 percent of the county's farmers at present members of the Farm Bureau. County Agent Thompson has had as his one major aim a desire to, as he puts it, "help the farmer to do better."

RECENTLY PROMOTED

One Morton youth, Herbert McCamish, is listed in the recent promotions list released by the Air Reserve Officer Training Corps at Texas Tech. McCamish has been promoted to the rank of Corporal along with 18 other students. The announcement came from the office of Lt. Col. Ollen Turner.

LEGAL NOTICE

NOTICE TO BIDDERS FOR
LEASE OF COUNTY HOSPITAL

Notice is hereby given that the Commissioners' Court of Cochran County, Texas, will meet in special session on November 24, 1950, at 2:00 o'clock p.m. in the Commissioners' Court Room at the Courthouse in Morton, Texas, for the purpose of receiving and considering bids for the lease of the County Hospital of said County. Such lease contract to begin on December 1, 1950, and to extend for a period of not more than five (5) years, but such contract may contain a provision that the lessee has an option to extend the same for an additional period of five (5) years at rentals and upon conditions to be mutually agreed upon by the lessee and the Commissioners' Court.

All bidders will be required to produce evidence satisfactory to the Commissioners' Court, in addition to their ability to pay such rental as bid, that they are competent and able to operate and maintain such hospital and all clinical equipment in connection therewith and to staff the same with doctors, nurses, and other necessary personnel as may be necessary to provide modern hospital facilities and to make the same available to the citizens of Cochran County and the public generally at reasonable and customary rates, and without any cost or expense to Cochran County for such maintenance and operation.

All bids for the lease rental of said hospital must be submitted in writing, and filed in the office of the County Auditor or County Judge of Cochran County, Texas, on or before November 23, 1950. The said Commissioners' Court reserves the right to reject any and all bids on finding that such are not to the best interest of said Cochran County and the citizens thereof.

This 8th day of November, 1950.
G. W. Thompson,
County Judge,
Cochran County, Texas.

Ask Your Gas Station Man!

**OLDSMOBILE'S "ROCKET" ENGINE RUNS
WITH SMOOTHNESS, POWER AND ECONOMY ON
GASOLINE AVAILABLE EVERYWHERE TODAY!**

Here's a question we'd like you to ask next time you drive in for gas: "What do you think of Oldsmobile's 'Rocket' Engine?" Chances are, the attendant will tell you that the "Rocket" tops its field in smoothness, quietness, and quick-acting power. He'll probably explain that the "Rocket's" high-compression design gives it that thrilling response. We're sure he'll tell you that the "Rocket" uses gasoline available everywhere today—and makes every gallon go a long way! Your gas station man knows his engines, and he knows motor car values, too. That's why we think he'll tell you: "Yes, sir, mister—Oldsmobile's a smart deal!"

BANKS & ROSS CO.

Talk From Around Here

By ART. N. WALL

Needed badly at Girlstown is a ditching machine. There is about five hundred feet of ditch to be dug from the girl's dormitory to the acceptance tank. Also we have some water line at Girlstown both to lay and cover. This five hundred feet of ditch though is for a sewer line that is yet to be laid. It would be good to have this sewer line laid and covered, also the water line, before the weather gets colder, as it is already pretty cold at this writing.

Something else needed at Girlstown is a telephone. Unless permission can be obtained to allow Girlstown to tie on to some near-by phone system, it will be awful expensive to build a telephone line to Girlstown. This has already been looked into and the cost is terrible high. Any neighborhood phone system is a privately owned phone system and usually owned by an oil company and it is very doubtful if any outside concern could tie on to this system.

In Good Housekeeping Magazine, either for January, February or March, I am not sure which edition, there will be an article

called, "Whiteface, the Town of the Month." Two reporters, Miss Katherine Hillier and Miss Katherine Best have been in this neighborhood getting material both from Girlstown and the Whiteface school for this article.

This community is trying once more for a mail route that would lead out from Whiteface towards Girlstown, then swing back west and pick up those families then gradually go north towards Whiteface. This route is badly needed.

In the mill again is talk of trying once more for a Whiteface Masonic lodge. Now it will be rougher then ever to get a meeting hall and far more expensive. We should have gone through with this when we had it going early last Spring. Anyhow if any masons in our community are interested in seeing what we can do on this let me know. Maybe we can meet just for a feed and a get-together.

Mr. Frank Ford's sixth grade in Whiteface school had a Halloween party at the school cafeteria and the kids really had a swell time.

Mrs. Orin Dennie showed me some table mats her 7th grade wove together from colored paper. They were used on the tables in the cafeteria on Halloween night.

Those boys in the Whiteface school Quarterback Club are doing a top rate job this year. Many fine things those members have done and just not only for the team. Men like this is what makes our community such a nice place to live in.

A stork shower was given for Mrs. Gerald L. Crupper on Nov. 2nd in the recreational hall at Stanolind Mallet "G" Camp. The future Mr. or Miss Crupper will be pretty well clothed if one can go by the many gifts Mrs. Crupper received.

Mrs. Charlie Coffman attended the Baptist Convention in Fort Worth this week of November 5th to 11th. Mrs. Coffman was first planning on attending the P. T. A. convention at Mineral Wells, Texas, but was relieved from this trip by Mrs. Martin of Whiteface who volunteered to attend the P. T. A. convention.

Now the son and I are batching. I am doing pretty good as a cook too, even though the biscuits did explode as I set them on the table. I do notice at meal time Tommie always asks when Mom will be home. I am sure it is not my cooking that makes him ask this though it is odd the dog will howl everytime I rake the scraps out to him.

I can't figure out how all those dishes get dirty so quick. I will try to use the same fork all the way from preparing a meal on up to eating it and I'll be darn, all of a sudden you can look around and find a dozen forks dirty. I believe one would be better off if you stored away somewhere all the dishes except those that you just need to get by on. Then you wouldn't be dirtying every dish.

What I want to know is when the wife is going to get back from the P. T. A. business in Mineral Wells.

Something else Wednesday morning the eighth the alarm went off about four in the morning. I really howled about this wanting to know who set that alarm but the wife said she did, and that I was to drive her up to Whiteface to meet Mr. and Mrs. Fred Stockdale. As Mr. Stockdale was going to drive his wife and mine and Mrs. Martin over to Lubbock to catch a bus to Mineral Wells. Now what I want to know is who awoke Mr. Stockdale up at that ungodly hour. Then he complained about running late, said he could not find his hat. I have not caught up on my sleep yet and everyone knows that an oilfield pumper needs his sleep.

Don't Be A 'Doubting Thomas' After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B, B₂, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful.

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B, B₂, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.

Refreshments were served by the hostess to Mrs. M. C. Ledbetter. Mrs. Hume Russell, Mrs. E. L. Willis, Mrs. T. M. Tanner, Mrs. Neal Rose, Mrs. Ermon Miller, Miss Mabel Ann Manlev, Mrs. Carl Macon, Miss Lonora Jackson, Mrs. J. A. Gowdy, Mrs. Maude Davis, Mrs. Fred Danforth, Mrs. John Alford, the guests, president and reviewer.

Mary Keith, Pat Masten, Gilbert Wilson In Contest

Three young vegetable growers will represent Cochran County in the tenth annual \$6,000 production-marketing contest of the National Junior Vegetable Growers Association, it was announced here today by John Hutchinson, Department of Horticulture, Texas A. & M. College, and state NJVGA leader.

Local contestants, who are seeking the nation's junior vegetable growing championship and a share of the cash awards and scholarships provided by A & P Food Stores, are Mary H. Keith of Whiteface and Patricia Masten and Gilbert L. Wilson of Morton.

They will compete with other teen-aged tillers of the soil throughout the country.

The contest is really an educational program designed to help farm youths learn, use and develop new and more efficient methods of growing and selling vegetables. It offers a \$500 award for the national champion, four \$200 regional championships, thirty-three \$100 sectional championships and four state awards in each state. Winners are determined by a judging board of college professors and officials of the United States Department of agriculture. They will be announced during the NJVGA convention in New Orleans this December, where about 500 farm youths are expected to gather for the association's sixteenth annual meeting.

In naming local NJVGA contestants Hutchinson emphasized the program's value to Cochran County, where the sale of vegetable crops forms an important part of the county's income.

LETTERS To SANTA

Don't forget to write your letter to Santa Claus. Letters will be printed beginning next week in the order received.

Be sure to sign your full name.

MR. and MRS. J. B. KNOX spent last week-end at Seymour, Texas, as guests of his brother, S. S. Knox and family.

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B₁, B₂, Iron and Niacin Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B₁, B₂, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL relieves the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B₁, B₂, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B₁, B₂, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus

—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come In Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A 'Doubting Thomas'

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B₁, B₂, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful.

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B, B₂, Niacin and Iron. -- annegrams --

— by ann england —

Goodness—we had the best time Wednesday evening when several gals, Mary Cross, Josephine Spiller, Jewel Chesher, Isabel Proctor, Mrs. T. W. Roberts and Mrs. J. M. Waller, came over to Vagabond House.

We sat around the table making the most beautiful poppy corsages, drinking coffee and talking.

Sort of worked the thing on an assembly line theory. With Jewel actually making the corsages—all 30 of them. But while one clipped wire—another was opening the poppies, another wiring green leaves, while still another cut squares of maline, etcetera.

Mrs. T. M. Tanner told us Thursday that Mike Dawdy, a reservist, reported for duty in October, has been released and is now home again.

Understand Mr. Elmer Gardner is doing nicely following recent surgery at Temple, Texas, Mrs. G. accompanied him.

Roy and Dortha Weekes have spent some time lately with his 80-year-old mother in Abilene. The elder Mrs. Weekes has had several heart attacks within the past week or so.

Missed Murray Crone at Lions last Wednesday (first time we'd been in months). He explained that since his mother's acute illness the family had been trying to look after her and also his father who is not well and so all his off duty time from the post office had been used up.

Murray's sister from Seattle, Washington, came and has taken her parents home with her for the winter. Both Mr. and Mrs. C were much better when they left here for Seattle.

Little Michael Doss had the misfortune of catching a couple of fingers in one of the grocery wagons Thursday eve, pulling off two finger nails.

One of the prettiest little girls we nearly ever saw is the baby girl of the S. A. Ramseys.

Mrs. L. L. Morin was in Monday. Seems her son let his pony and saddle get away. They found the pony but are still looking for the saddle—it is a very good saddle she said and smaller than conventional western type. They would appreciate very much if the finder would notify them.

Linda Carol Buck is a great big girl now and goes to the grocery store all by herself.

Looks as if about half the people we know (females that is) are going to have babies pretty soon. A stark date for around December 1 hasn't stopped Shirley (Adams) Anglin.

Shirley and her Texas Tech husband live in Lubbock but she has been out here for some time helping at Dortha's Beauty Salon.

Understand Minnie Mildred Rhyme is considerably improved and the rumor is that their pre-Christmas gift will be twins.

You know western garb isn't bad at all. Mrs. Tubby Holloman and Mrs. J. T. Porter were both wearing blue denim skirts and boots at the barn dance Friday night and both looked real cute.

Helen Butts (our very efficient Auxiliary secretary) was wearing a square dance dress that was most becoming. Isabel Proctor also wore similar dress.

Every one seemed to have a mighty good time. Of course we developed a flock of fever blisters as we always do when we get in a dither about something.

We are terribly proud of the fine memorial service put on Armistice morning by Legion and V.F.W. Auxiliary members placed wreaths on the graves and we felt honored to have in the car with us Mrs. Ed Lytle, a gold star mother.

Rev. Stephens gave a beautiful talk at the cemetery. Too, we were pleased to see so many out for the service. The morning was bitterly cold but about 40 cars with from three to seven persons each were there.

Have you planned your outdoor Christmas decorating scheme yet? Better do so soon. This year there will not be an entry fee and we understand awards are going to be bigger. This is the contest sponsored annually by Cochran County Garden Club, Morton Floral, Morton Tribune and Ben Franklin. Entry blanks will appear soon in the Tribune.

Remind the small fry to get their Santa Claus letters in. We start printing them in next week's Tribune. Expect we look forward to the letters as much as anyone.

Overheard Van Greene telling this tale to the new lawyer:

"Last spring, a terrific sand and wind storm awakened an out of town guest in the middle of the night. The wind blew so hard, through a crack in the window sill, that the guest couldn't sleep. He stuffed his socks into the hole and the wind blew them right out. Finally, during a lull in the storm, he wedged both socks and his harmonica into the opening. He went back to sleep but during another gust of wind was awakened to hear beautiful music. When he could collect his senses, he realized that the harmonica was flawlessly playing, 'The Tempest'."

PLEDGED

Two Morton girls were listed among the more than 100 students recently pledged to local Greek sororities and fraternities according to Miss Florence Phillips, counselor of student affairs. Hell week initiation is now in progress.

Joye Seaneey and Pat Weakes are being initiated into the Kappa Delta Alpha sorority.

 MORTON, TEXAS

Final Grid Game Matches Indians vs Antelopes at Post Tomorrow

Afternoon Battle Underway at 2

The Morton Indians play their first afternoon game and their final scheduled game of the season tomorrow afternoon as they engage the Post Antelopes.

Post will be depending on the strong right arm of its slingshot passing quarterback, Jack Kirkpatrick who is perhaps the most valuable player in the conference this season, bar none. Morton will depend a lot on the incentive of a higher position in the conference at stake to bring out plenty of fight in its team.

Kickoff time is scheduled for 2 p.m. with a complete play by play, broadcast of the game over radio station KLVY. It'll be Morton fans' last chance to see such stars as Waydell Hill, Johnny Green, Kenneth Wynn, Jackie Shipp, Bob Polvador, Fred Stockdale, Don Baldwin, Kenneth Wilson, Lewis Hodge, Harold Aston, Don Lindsey and Leon Mills in a Morton uniform.

Morton Girl Cagers Defeat Three Way Twice

The Morton High School girls basketball teams took another pair of victories last week, this time, from Three Way. Traveling to the Three Way gym, the "B" string romped to a 22 to 15 victory and the "A" string throttled the Eagles, 27 to 18.

The highlight of the evening was the double duty performance of Janette Waller whose 14 points paced the "B" string attack. The scrappy freshman then came back to add the spark that pulled the "A" string girls from behind in the second game.

Morton grabbed an early 5 to 2 lead at the end of the first quarter of the opener and was never headed. The margin blossomed to 9 to 5 at halftime. Three Way may have beat themselves in the final analysis. Morton's girls committed a total of 21 fouls to just 12 charged against the Eagles. But Three Way, evidently not sharp at the charity stripe, refused 15 free

throws, choosing instead to take the ball out of bounds and gamble for a two pointer. Of the seven they did attempt, they converted only one. Morton caged 2 of 9 free throw attempts and, oddly enough, it was Miss Waller, the deadeye from the field who had the most trouble hitting the gratis shots. She missed six out of six.

The "A" game was a much better battle at the outset with the scrappy Eagles taking advantage of some wild Indian passes to grab an early 8 to 4 lead. Morton closed the gap to 8 to 6 as the first quarter ended but after they had knotted the count 8 to 8, Miss Waller entered the game as a replacement for Janet Mills who was doing a good job but just couldn't get loose for any shots. With Glenda Kennedy doing the feeding and Janette Waller getting loose for shots, the Indians quickly racked up six points to take a 14 to 10

halftime lead.

They came back in the second half to raise it to 20 to 10 before a pair of Three Way goals shaved the margin to 6 points. 20 to 14 at the 3 quarter mark. In the final stanza, Morton grabbed a quick basket and then saw Three Way make a belated bid for victory with two late baskets to cut the lead to 22 to 18. Then Betty Doyle came through with two sleeper baskets and a free toss gave Morton a final 27 to 18 victory.

Again the Three Way team hurt its cause immeasurably by refusing all free throws. In fact, the only gift shot they took was an enforced shot on a double foul. All told they refused 11 shots at the hoop from the charity stripe. Morton cashed in three times from the white line.

Betty Doyle and Janette Waller tied for high scoring honors with 9 points each but two other girls turned in outstanding performances that can't be overlooked. First of all, it was Nell Brown on defense who completely bottled up a very good, and very clever Three Way center, Miss

Tyson. Nell dogged this high scorer all evening and the net result was that she was held to just six points.

Glenda Kennedy, undoubtedly the runningest girl on the squad deserves a plug for her spark. She was all over the court stealing passes and setting up a major share of the plays. In addition she found time out to drop in 7 points.

So, both the girls teams have two game winning streaks and let us take this opportunity of congratulating both on two fine ball games. Coach Marcum should be pretty proud.

Hadacol Word Spreads to Japan

Lafayette, Louisiana. — Senator Dudley J. LeBlanc, President of the LeBlanc Corporation, makers of Hadacol, has received further proof that word about his famous product really gets around. In a recent mail he found a Money Order and the following request: "I am an airman stationed in Japan and have been bothered a great deal by aches and pains and have tried everything for relief but nothing seems to help. Several of the airmen stationed here with me have recommended your product as a help so I have decided to try it and see if it will help."

Very truly yours, T. Sgt. Joseph C. McQuiston.

Letter from the Sergeant establishes new record for distance in requests for the famous product.

T. K. WILLIAMSON attended the Morton-Brownfield game in Brownfield last Friday night.

Levelland Victory Over Wildcats May Throw District Race Into Tie

A scant one half game margin in the District 4-A conference looked very slim this week to the Littlefield Wildcats as they were recovering from a 26 to 14 defeat at the hands of the Levelland Lobos.

The victory left Levelland the task of winning its remaining conference game with Tahoka to gain a share of the championship, assurance but also ended a long 23 game winning streak that gave them the state crown last year.

Post suffered its most bitter loss of the year despite the fact that they held Slaton to a 26 to 26 tie. The Tigers won the game on penetrations thus kept

the Antelopes from claiming a share of the conference crown. Morton tumbled to the bottom of the conference and only Friday victory over Post saved them from that position. Brownfield pulled ahead of Slaton and left the Tigers a sizeable percentage point lead over Indians.

Here are the standings:

Team	W	L
Littlefield	6	1
Levelland	5	1
Post	4	1
Tahoka	3	3
Brownfield	2	4
Muleshoe	1	4
Slaton	1	4
Morton	1	5

Indians Gamble Too Often; Drop 28 to 13 Game to Cubs

The Brownfield Cubs, scorned and pushed around all season long, earned a 28 to 13 victory over the Morton Indians last Friday by refusing to let the bitter cold get them down.

The Cubs seemed to find out early in the battle that the only way to keep warm on a frigid night is to keep moving. The Indians, except for spasmodic outbursts, never did understand this formula. The cold weather plagued them continuously.

The Swan brothers, Howard and Joe, were the Cub heroes Friday with Howard ripping off yardage through the Indian line

by simply ducking his head and bulling. Howard tallied a pair of touchdowns and also was the boy who caught Morton gambling once too often and threw them behind their own goal line for a safety.

Morton never did get a heavy offense rolling although Lanar Burns and Kirby Lackey pulled the Indians out of a 6 to 0 deficit with 25 seconds to go in the initial stanza when Lanar covered 27 yards on a jaunt and Lackey outraced the Cub left end for 16 yards and the Indians first score. When Waydell Hill booted the extra point it gave the In-

dians a 7 to 6 lead and they looked as though they might be going toward a victory. That didn't last long.

Just about five plays later Howard Swan again ripped a path through would be defenders for a 26 yard touchdown run. Dale Carey booted the point after and the score stood 13 to 7. Morton got the pigskin three more times in the first half and each time, lack of blocking kept them from going anywhere. They dug in to hold the Cubs until the half ran out and thus still stood in good position for a comeback.

Brownfield took the second half kickoff and roared to the Indian 6 yard line where they fumbled the ball to give Morton a break. The Indians promptly threw away the break by gambling on a slow moving handoff play deep in their own territory and Burns was nailed behind the goal for what proved the winning two points.

Several times the Indians received good breaks on pass interceptions by Kenneth Wilson and Mike Bolton but each time they didn't seem to know the combination for getting an offense rolling. Joe Swan tallied another touchdown for Brownfield as the fourth quarter opened and with the score standing 21 to 7, the officials began to feel that Morton was mistreating the Cubs. Four costly penalties were chalked up against the Indians in rapid order. When Coach Ranfelt went out to protest one decision, the Indians were promptly assessed 15 yards to their own 5 yard line with the Cubs in possession of the ball. Naturally, they found little trouble in scoring at the end of a 55 yard drive, of which 40 yards came by penalties.

Lackey came back to add the final Morton points with barely three minutes to play on a 2-yard buck. Hill's conversion was wide.

In the final analysis the Indians were outfought all the way. A total of 105 yards in penalties made their burden extremely hard but they never were in contention after the second Cub touchdown. A few less gambles in passes and on fourth down running attempts might have changed the verdict. Fortunately, only a scant handful of Morton fans were on hand to witness one of their most unhappy setbacks of the season.

Grade School Boys Turn to Basketball

The 8th grade gridders have completed their football season and have turned their attention to basketball. Their first net encounter is scheduled for Tuesday evening at the local gym.

CARSONS TO AMARILLO

Mrs. C. F. Carson and four members of Kermit Ladies Bowling team were Thursday night guests in the home of the former's son, Clyde F. Jr., and family. Friday morning the bowling team accompanied by the junior Mrs. Carson went to Amarillo where they entered a bowling tournament.

They were joined in Amarillo Saturday by Clyde Jr., and three children, Ronnie, Maisie and Margery.

The group returned to their various home Sunday.

Good Grooming- Important to Social Grace!

Self confidence in making business or social contacts comes with having confidence in your appearance! And good grooming starts with dependable cleaning. We are specialists at keeping clothes looking store-new.

WE KEEP LATE HOURS

Our business is keeping your machinery on the job, especially when you need it most. If that requires after-hours service, we'll give it gladly. If you can't reach us at our business phone, please call us at home.

WAYS TO AVOID FIELD DELAY

1. Lubricate machinery on regular schedule.
2. Tighten loose bolts and repair worn parts promptly.
3. Use only genuine A-C parts on all Allis-Chalmers machines.
4. Apply for inspection service well ahead of rush seasons.

THE GREAT Mid-Century U.S. ROYALS
THE ONLY Air-Ride IN THE WORLD

TIRE QUALITIES AND FEATURES NEVER KNOWN OR POSSIBLE BEFORE

- ★ Never Before, U. S. ROYAL TREAD AND TRACTION to sweep bite and hold in slippery weather where tires never held before!
- ★ Never Before, U. S. NYLON LIFETUBES for blowout protection. Life Protection far beyond all previous standards.
- ★ Never Before, MID-CENTURY PROTECTIVE CURB GUARD to end grinding curb scuff and abrasion safeguard the sidewalls of your tires.
- ★ With EVERLASTING WHITEWALLS, BLACKWALLS, to maintain the beauty of your tires.

YOURS, For Years instead of Months SAFETY and COMFORT

"CAN WE MAKE ENOUGH OF THEM?"

Never in our history has there been such demand as we have experienced for the Mid-Century ROYAL MASTER and the new U. S. NYLON LIFE-TUBE!

People have asked us whether we'll be able to make enough of them to go around.

The answer is—we have never been able to make enough of them. They have been "selling out" as fast as we could make them.

Of one thing you may be sure—we will

make all of them we can in keeping with all official limits on rubber supply.

OUR BEST ADVICE WOULD BE—keep in close touch with your own neighborhood U. S. Royal Dealer. He will do his utmost to give you these exclusive Master and Life-Tube qualities—never known or possible before.

He will see you safely and comfortably through the months and years ahead and we, of course, will do our utmost to help him.

Make Heat Serve You—Not Burn You

Prevention week has come and in many cases has been forgotten. But fire prevention is a year around job. It is that increases in importance with the advent of winter and the special dangers of heating.

In Morton three fires last week required the attention of the Morton Volunteer Fire Department. None of them caused extensive damage. None of them were directly the result of heating. They should merely be a warning.

The fighting facilities in Morton are much better than in many small towns. They are not, however good they are, good enough to allow carelessness. In Whiteface, just a few weeks ago, a storage elevator burned down. The fire wasn't noticed until late at night and was out of control before help could arrive.

Now that the first cold blasts of winter have hit Morton it would be wise to be doubly careful with heat. Use enough heat to keep warm but watch out for overheating. Try to place the heaters where small children cannot come into contact with them. Remember! Everytime our boys have to volunteer their help to put out a fire, the insurance premium goes up. That may not be all that goes up. Your home could go up in smoke.

Buy It In Morton

There is just a little plug for Christmas festivities and decorations. First let it be remembered that citizens will have a much better Christmas if they do their shopping in Morton. Why be going around and jostled in a town to do some shopping, when you can do right here at home?

In the second place, show the Christmas spirit by putting up decorations this year. The supply of decorations is a little better, so everyone can decorate inside and out in both their homes and places of business.

Let's make this Christmas a more decorative one. Remember too, in planning outdoor decorations there will be a contest sponsored again this year by the Cochran County Garden Club in cooperation with Morton Floral, Morton Tribune and Ben Franklin Variety Store.

Cooperation Paves The Way

The idea of the Bar Association is far more than a reason for getting together. It is the purpose of the Association to aid Servicemen who are in need of legal information and service. For the sake of goodwill—the goodwill of the individual lawyers and the profession—small legal favors are important.

It is to be admired that the lawyers of this County have seen fit to organize and work together rather than to work at odds and perhaps give the profession a black name.

FOR LOSS OF INCOME DUE TO ACCIDENT!

THE SELECT RISK ACCIDENT PLAN

What would happen if you get hurt tomorrow and are laid up with part or all of your income stopped? The Select Risk Accident Plan will provide you with income, pay hospital bills, ambulance, surgeon, pay on death, on loss of hands or eyes. Accidents happen every day. Talk this over with...

Looking Ahead

By George S. Benson
President, Harding College
Searcy, Arkansas.

A CHURCH SPEAKS OUT

Eighty-seven years ago Abraham Lincoln made the wise observation, "Let the people know the facts and the country will be saved." In any country whose pattern of life is created by the people themselves—as is our own—Lincoln's statement can be translated into action. In other words, a country endangered can be saved by the intelligent action of an informed people. But getting the facts to the people and having them accepted as a basis for action has become progressively more difficult through the years.

There are some notable reasons for this. The Communists' barrage of propaganda falsehoods hasn't converted many Americans to the hammer and sickle banner but it has served to confuse facts with falsehoods. The avowed American Socialists, with their frankly presented collectivist theory of government ownership and operation of production and distribution facilities, have not gotten far in recruiting party members. But by using half-truths, emotional appeal and personal charm, their spell-binders have invaded among the young.

Materialism Is Powerful

A third collectivist movement which has been at work in the arena of American political thought for about 15 years has done the most damage. In some quarters it has succeeded in creating actual hostility toward facts, a militant refusal to accept the truth. Its leaders are the economic "planners," or more correctly described as "disguised Socialists." They are working for bit by bit transformation of our government and way of life. Their brand of disguised Socialism—like every other brand—requires a big, all-powerful government and regimentation of the people.

They are trying to persuade us that in exchange for various material benefits from the government—such as subsidies, money grants and special privilege (all at taxpayers' expense)—we should not hesitate to give up a little bit of freedom here and there. This is the same materialism, basically, that motivates Communism and Socialism. Make no mistake, it is powerful! It clashes head-on with the spiritual values in Christianity, yet it has won enough naked physical force, in Russia and her satellites, to have already conquered and enslaved a third of the world's population.

Historic Facts

One reason why it has been slowed down in America is the inescapable fact of our unmatched living standard, created not by government but by a free, self-reliant people. Another reason is the Christian origin of America: our founding fathers held spiritual freedom above material well-being; and General Washington's men at Valley Forge starved, bled and died so that we, their beneficiaries would not be regimented by government.

The religious people of America form a powerful bulwark against the political materialism which promises benefits for votes and then creates a government that first enslaves the people, Church people generally are aware of the menace—when they stop to think—but public recognition of it by a large nationwide denomination strikes a telling blow. It is heartening, therefore, to read the recent pronouncement of the General Assembly of the Presbyterian Church (North) entitled "Collectivism in American Life." It states in part:

MULESHOE VISITORS HERE

Mr. and Mrs. English Cox and daughter, Minnie Ola, of Muleshoe visited in Morton over the week-end with the W. B. Cox, L. B. Childs, and E. L. Cox families.

MISS ALLENE CURRY of Levelland was a week-end guest in the home of Mr. and Mrs. Carl England.

Carol Baldridge Is Whiteface F.H.A. Sweetheart

Carol Gene Baldridge was elected as the F.H.A. Girl's sweetheart. Darwood Marshall was elected as F.H.A. beau. These two will be crowned at an F.H.A. meeting Thursday night.

Jean Brown, Donna Roulain, Judy Carter, Darla Oats, and Miss Russell journeyed to Olney, Texas, over the weekend. They left Friday, Nov. 3, at noon and returned Saturday night. They stayed in the Hamilton Hotel.

At the Area Meeting they were given baby orchids, of which they were very proud.

The Area Meeting was very interesting and enjoyable, and the girls gained quite a lot from the meeting.

The next Area Meeting will be held in Levelland, Texas.

LEGAL NOTICE

NOTICE OF THE TIME AND PLACE FOR A HEARING BY THE COMMISSIONERS' COURT OF COCHRAN COUNTY, TEXAS, TO CONSIDER THE QUESTION OF LEASING THE COUNTY HOSPITAL OF SAID COUNTY.

TO THE QUALIFIED ELECTORS OF COCHRAN COUNTY, TEXAS, AND ALL OTHER PERSONS WHO MAY BE INTERESTED IN THE QUESTION OF LEASING THE COUNTY HOSPITAL OF SAID COUNTY:

WHEREAS, the Commissioners' Court of Cochran County, Texas, did on November 7, 1950, find and determine that it is to the best interest of said county to lease the county hospital of such county by an order of said Court entered in the minutes of said Court, as authorized by the 51st Legislature of the State of Texas, Acts of 1949, Chapter 125, Page 225; and

WHEREAS, said order entered in the minutes of said Court provides that the time and place at which such question will be heard and considered by the Commissioners' Court is fixed at 10:00 o'clock, a.m. on November 24, 1950, in the Commissioners' Court Room in the Courthouse at Morton, Texas, which date is not less than 15 nor more than 30 days from the date of such order; and

WHEREAS, such order provides that the County Clerk of Cochran County, Texas, shall forthwith issue a notice of such time and place of hearing as provided by the Acts of 1949, 51st Legislature;

THEREFORE, all qualified electors of Cochran County, Texas, and all other persons who may be interested in the question of the leasing of such County Hospital are hereby notified that such question will be heard and determined by the Commissioners' Court of Cochran County, Texas, at 10:00 o'clock a.m. on November 24, 1950, in the Commissioners' Court Room at the Courthouse in Morton, Texas, at which time and place you may appear and contend for or protest the proposed leasing of the County Hospital.

Witness My Hand and Official Seal, this 8th day of November, 1950.

(SEAL)
T. W. PIERCE,
County Clerk,
Cochran County, Texas.

Tech Engineering Dept. Accredited

Lubbock, Texas—Dysart E. Holcomb, Dean of Engineering at Texas Technological College, has announced that two more departments have been fully accredited.

Approval was granted by the Engineer's Council for Professional Development.

The two departments are textile engineering option curriculum and industrial engineering curriculum. In 1937, civil, electrical and mechanical engineering departments were rated by the Council.

This approval is of great benefit to both the students and to the school. The Council is the main accrediting agency for all engineering schools. Students graduating from the approved institutions do not have to take an examination to secure the license required to practice engineering work.

Inspection of the two departments was made in February and included the qualifications of the staff, equipment, enrollment and financial support.

Giant Homecoming Honoring Texan

A mile-long parade, speeches by high Legion Officials and appearances by State Officials will spark the giant homecoming celebration Saturday, November 25, for Bill Elkins, Department Commander, in his Killeen, Texas home.

Killeen, in the approximate center of the great state of Texas, will swell like a balloon when thousands of Legionnaires and others from all over the state will crowd into the city to welcome home the Department Commander, Bill Elkins. All Legionnaires, Post, District and Department Officers are invited to attend. Homecoming day activities are of National interest and expected to attract between five and six thousand Legionnaires and friends of the Legion. The program will get under way Saturday morning with registration of all visitors. In the afternoon there will be an enormous parade at 2 p.m. followed by speeches by Bill McCraw, former Department Commander and other Legion Officials. A barbecue will be held in the late afternoon. The homecoming will be climaxed by a big dance Saturday night.

Dudley Hunter of Killeen, Texas, is general Chairman of the homecoming celebration. All Posts are urged to bring their Post Colors for the parade. Parade Chairman Harvey Bacon promises the largest, most elaborate parade ever held in central Texas.
