21 Lives Are Lost In State

Traffic Mishaps Claim Most Victims; Two Killed In South Plains Section

(By The Associated Press)

Twenty-one persons died violently in Texas over the week-end.

Traffic accidents claimed most lives. Shootings, stabbings and drownings accounted for the others.

Three Texans were killed late Sunday in a two-car collision one mile east of Elton, La. They were Girth Chamberlain, 40, Beaumont, and his two step-children, Dorothy Elizabeth, six, and Ronald Wesley Cumby, four. The children's mother was critically hurt.

Three persons were shot to death and two others critically wounded in gunplay shortly after midnight Saturday in and near Waco.

Francis E. Wetzel, 29, was mortally wounded outside a dance-hall in the county. Two others were critically wounded. Constable A. L. (Fate) Trollinger was charged with murder in Wetzel's death.

In Waco, Torivio Dominquez, 25, and D. C. Coleman, negro, were shot at a night spot. Police said they arrested one Latin-American and were looking for a second in connection with the shooting.

Three died in Dallas as the result of traffic mishaps. G. E. Dyer, about 50, Dallas, was killed Saturday night. Mrs. Carroll Tippetts, 42, Longview, died Sunday as the result of an accident a week ago. A man identified as G. Olivio Ovidio, Dallas, died Sunday as a result of a car-truck crash Saturday night.

A car overturned Sunday near Wichita Falls, taking the life of Mrs. Mary Lillian Moody, 19, Wichita Falls.

Ten-year-old Floyd Henderson drowned Saturday in the swimming pool at North Texas State college at Denton.

A man tentatively identified as Sebastine Salazar of Raymondville died Saturday in Austin. A murder charge was filed against Refugio Basquez.

At Dallas, a 14-year-old school girl was drowned Sunday at Lake Dallas. She was Diane Harris, daughter of Mrs. Francis Harris.

Coast guardsmen Sunday recovered the bodies of two men who were drowned Saturday in the Gulf. They were L. Dewitt Peyton, Jr., 27, Bentonia, Miss., and

CEREMONY MOVED TO AUDITORIUM

Graduates To Get Diplomas Tonight

Lubbock Senior High school's first planned outdoor graduation ceremony has been cancelled, Principal Floyd Honey announced this morning. The ceremony will instead be held in the high school auditorium at 8 o'clock tonight.

Heavy showers Sunday, measured at .81 of an inch at the U. S. weather bureau north of the city, and a forecast for continued low cloudiness and possible additional moisture this afternoon and tonight caused school officials this morning to move the ceremony indoors.

Rehearsal This Afternoon

All seniors were to meet at 2:30 o'clock this afternoon in the auditorium to rehearse for tonight's exercises. Graduates need not bring their caps and gowns to rehearsal, Honey said.

Dr. J. M. Lewis, pastor of the First Presbyterian church, delivered the commencement sermon to the 419 graduates Sunday afternoon at 2:30 o'clock in the auditorium, using as his theme a Biblical text from St. Matthew, "Son, Go Work Today in My Vineyard," stressing especially the vast present-day opportunity for service to humanity.

A student string trio composed of Ludonna Berry, Patsy Gibbs, and Patricia Anne Adams played Tschaikowsky's "None But the Lonely Heart," and the senior girls' chorus sang "How Lovely Are Thy Dwellings" (Littel-Samuelson) and "The Prayer Perfect" (Stevenson-Wilson).

Tickets Are Issued

Invocation was by Rev. Alsie H. Carleton, pastor of St. John's Methodist church, and benediction by Rev. Jeff D. Welch, pastor of the Central Baptist church.

As in past years only those parents and faculty members having tickets will be admitted for tonight's graduation exercises; however, Honey announced that others will be seated as space will allow. With a near-record aggregation of 419 seniors on the roll, and 1,000 tickets issued for the commencement services, a capacity crowd is expected to fill the auditorium, which has a maximum seating capacity of 1480.

Bill Tatum, president of the senior class, will act as master of ceremonies, and Fred Stanley will deliver the invocation. The "Americanism" theme of the student participation commencement will be carried out in a speech to be delivered in four parts by Anne Eskin, Bert Nelson, J. A. White and Wanda B. Smith.

Those to be honored tonight include Virginia Butler and Jack Alderson, LHS honor graduates for 1948, senior class officers, student council members, and 30 honor graduates. The list of honor graduates, longer than any previously recorded in the school's history, includes only those students who in their last two years in high school have made at least one A each semester, and have never received a grade below B for that period.

The Lubbock High school band will furnish music for the occasion, along with the senior mixed chorus and a student cornet trio composed of J. A. White, Kenneth Cox, Stuart Nichols and accompanist Patricia Anne Adams.

Honors will be presented by Mr. Honey the class of 1948 by Superintendent R. W. Matthews, and diplomas by Clyde G. Tatum, president of the board of education.

The 419 students on the graduation rolls include 50 in the January class, 318 in the May class and 51 in the July class. July graduates will participate in the exercises tonight; however, they will not be awarded diplomas. Honey stated that he expected approximately 20 of the January graduates to be present for tonight's recognition.

Floods Strike In Northwest

(By The Associated Press)

More rain was forecast today for the drenched Pacific northwest as dozens of rivers and streams continued to pour over their banks and flood major portions of the area.

A tug with two men aboard vanished in the swollen Columbia river yesterday but no other casualties were reported.

Rain Sets Record

The weather bureau at Spokane, Wash., said yesterday's steady rain brought the month's total to 4.55 inches, an all-time record for May. The previous high was 3.42 inches in 1906.

A 31-foot dike portecting 2500 acres of rich farm land at Bonner Ferry, Idaho, collapsed and two Canadian dams broke, pouring water into Grand Forks, B. C., to a depth of eight feet in places.

More than 200 Army engineers from Fort Lewis, Wash., were rushed to Bonners Ferry to aid in defending 40,000 acres against the raging Kootenai river.

Dynamite Is Used

Farmers and townspeople joined the soldiers in sandbagging other dikes. Dynamite was used to blast a bigger hole in the broken barrier to relieve pressure on other sections.

A major effort was being made last night to build up a dike protecting 4000 acres and it appear-

Israel Ready To End Fight In Holy Land

Bloody Battle For Jerusalem Raging; Shelling Is Heavy

(By The Associated Press)

Arab rejection of the U. N. cease fire order in Palestine was indicated today, although Syria asked a 36-hour delay until midnight Tuesday.

The Jews had accepted the order, provided the seven Arab countries arrayed against Israel also comply. The original deadline expired at noon (EST) (11 a. m. CST).

The United States appealed directly to the Arab countries to comply. Great Britain acted similarly.

Must Shelve Partition

An Arab League official in Cairo said the Arab countries are willing to stop shooting in Palestine only if the Jewish army is disbanded and partition shelved.

Faris El Khouri of Syria, only Arab on the U. N. security council, said at Lake Success the Arabs will stop fighting only if the provisional government of Israel ceases to function. Seven nearby Arab states are arrayed against the Jewish state.

Bloody Battle Goes On

The bloody, damaging battle for Jerusalem went on. The Trans-Jordan Arab legion, joined by a mobile Egyptian force, literally was trying to root the Jews from their tight little corner in the old walled city. The Arabs claimed the Jews were trapped; they preferred to use shellfire instead of a direct assault to enforce their will.

Guns aimed on Hebrew university were silent, while talks for the surrender of the Haganah defenders were reported underway.

A Jewish spokesman said the Jews were prepared to turn Jerusalem into another Stalingrad if need be to keep it out of Arab hands. An Associated Press report from behind Jewish positions said Arab firing was relentless but ineffective. Nevertheless, it said, the position of the Jews is precarious.

Rigid Censorship

The Israeli army imposed a rigid censorship. Irgun Zvai Lemui, once the Jewish underground, condemned British officers in the Trans-Jordan legion to death as "war criminals," meaning it intended to kill them if it caught them. It asked the Israeli government to ban British reporters as Arab spies.

Congress May Adjourn Late

WASHINGTON, May 24 (AP) — Prospects for Congress adjourning June 18, as planned, grew dimmer today.

Unless the lawmakers can avoid the usual session-end squabbles, it appeared that Congress will only recess for the Republican and Democratic national conventions, then come back to clean up the unfinished business.

"Must" Bills Faced

A stack of "must" bills made adjournment prospects uncertain.

Congress has sent President Truman only four of the more than a dozen appropriation bills. Among those remaining is the one providing the funds for the European recovery program. This is the most controversial of the lot. Until it is passed, the program is being financed out of Reconstruction Finance corporation funds.

In addition to the money bills, measured listed as "must" cover a wide range — draft, admission of displaced persons, tenure of atomic energy commissioners, the Mundt Nixon bill to curb Communists, and long-range housing.

Labor Laws Studied

Labor laws came up for scrutiny today. Few if any changes are expected this year.

The study is being made by a House-Senate "watchdog" committee set up under the Taft Hartley act.

A tariff battle that is expected to echo in the coming presidential

Suicide Pact Fails When Woman Misses

SALEM, Ore., May 24. (UP)—Mrs. Marie Eoff's poor marksmanship was credited today with thwarting a suicide pact she had with her husband.

Mrs. Eoff drove her car up next to the cell where her husband, Richard, was imprisoned and fired eight shots at him point-blank.

He remained at the bars while she reloaded. She fired six more shots. Bullets banged into an unoccupied car. Some hit the steel sill of the window. Others hammered futilely against the bars.

But none hit Eoff. Even when Mrs. Eoff turned the gun on herself a few minutes later, she was only wounded.

Eoff was jailed on a 10-year assault charge. Previously, he had been on parole from a life sentence in Missouri.

Heavy Showers Fall In Area

Lubbock Gets .81 Inch With More In Sight

Fading Crop Hopes Are Given Boost By Precipitation

By GORDON TOMPKINS
Journal Staff Writer

South Plains farmers scanned cloudy skies this morning and hoped for more of the heavy thundershowers that brought .81 inch of moisture to the thirsty Lubbock area from 6 a. m. Sunday to 6 a. m. today.

Light sprinkles fell intermittently after 2 o'clock Sunday afternoon, but heavier showers fell over a wide area beginning shortly before 6 p. m.

Light Shower Today

Promise of more precipitation was indicated by further light showers beginning at 9:30 o'clock this morning.

Reports received this morning from the Santa Fe dispatcher at Slaton indicated that the only communities to receive larger amounts of rainfall were Whiteface and Bledsoe in Cochran county, and Amherst in Lamb county. A preliminary survey showed the heaviest showers in Lamb, Hockley, Cochran and Lubbock counties.

Tpday's U. S. Weather Bureau forecast for Lubbock and the South Plains is for continued low cloudiness and possible additional scattered showers. Maximum temperature will be in the high 80's here today, officials predicted, with humidity remaining generally high throughout the day.

Will Help Planting

Rainfall north of Lubbock ranged from one-fourth to one-half inch; however, the precipitation indicated no general pattern of fall from Lubbock to Amarillo.

State experiment station officials three miles east of the city recorded a 24-hour rainfall of only .14. They said that heavy showers fell both a quarter mile west and east of the station.

Early indications were that the precipitation, which was intermittent but widespread, would be enough for many dry land farmers to plant on. An experiment station attendant estimated that most of the dry land farmers in the area needed approximately three-quarters of an inch of precipitation to plant their cotton. This being an amount sufficient to wet the ground to the required depth of 6 to 8 inches.

More Is Needed

Some areas of the South Plains received an insufficient amount of rain for planting, however, and officials pointed out that even

Texas Demos Draft Rules Of "War" For State Convention

(By The Associated Press)

BROWNWOOD, May 24.—The rules of war for a right to determine how the Texas Democratic convention will vote on three major points were ready for submission to factional caucuses today.

They were threshed out at an hour-long secret session last night of leaders of the three groups seeking to dominate tomorrow's state convention. These three groups are:

Groups In Dispute

1. The party organization headed by Gov. Beauford H. Jester and executive committee chairman Robert W. Calvert. They want the Texas delegation uninstructed as to candidates, instructed against President Truman's civil rights program.

2. The pro-Truman Democrats, led by Woodville Rogers of San Antonio. They want the delegation instructed for Truman.

3. The state's rights Democrats, headed by Merritt H. Gibson of Longview. They favor the southern revolt and want Texas Democrats to indicate in a referendum at the July primary whether their electors shall be bound to vote for the national party's nominees.

Angry Tones And Laughter

Loud talk, angry tones and some laughter were audible through the locked door to the room in which the conference was held. The conferees agreed only that they would make the fight as short as possible, limiting convention roll calls to a maximum of six. Roll calls take anywhere from an hour to an hour and a half.

The nine leaders—three representatives from each group—emphasized they could not bind their factions. The final decision on many points will not be worked out until tonight's caucuses.

Attending the conference for the party organization were Calvert, committee secretary Vann M. Kennedy of Corpus Christi, Neville Penrose of Fort Worth. For the Truman-wing, Rogers, Gordon Griffin of Brownwood, George Sergeant of Dallas. For the state's righters: Roy Sanderford of Belton, Palmer Bradley of Houston, Arch Rowan of Fort Worth.

Clean Record Of Loyalty

There has been considerable talk that the Truman faction would be willing to accept Fred Minor of Denton as temporary chairman because of his clean record of party loyalty, but Rogers said last night he could not answer a question as to whether this was true.

"I want to wait and see what the executive committee will recommend as to the convention's order of business," he said.

"Our only agreement was to make it a convention and not an endurance contest."

The test could come on the election of a permanent chairman, on the question of accepting district caucus recommendations for committee appointments, or on a vote nominating the national

Special Message Sent To Congress Today

Truman Urges Boost In Payroll Taxes As Part Of Social Security Expansion

(By The Associated Press)

WASHINGTON, May 24.—President Truman today recommended increases in payroll taxes as part of a broad expansion of the social security program.

In a special message to Congress, the President asked:

1. That the limit on earnings taxable under the social security law be raised from $2,000 to $4,800.

2. That the payroll tax be increased from 1 to 1½ per cent against employes and employers effective Jan. 1, 1949, instead of Jan. 1, 1950, as the law now provides.

The message called for these added benefits:

1. More adequate benefits under old age and survivors insurance, and liberalization of provisions so as to make persons earning under $40 a month eligible for benefits.

He said the present law denying benefits to any person earning $15 in any month works hardships.

2. Extended coverage for old age and survivors insurance by extending its protection "as rapidly as possible to the groups" now excluded.

3. Extension of coverage for unemployment insurance.

4. Insurance against loss of earnings due to illness or disability.

5. Improved public assistance

DAMAGED BUS REPORTED FOUND

Quiet Prevails In Local Bus Strike

By A. B. SLAGLE
Journal Staff Writer

Quiet settled over the strike-bound Texas, New Mexico and Oklahoma Coaches today as the bus company moved to replace striking drivers for resumption of schedules, and pickets continued to operate at the company's terminal here at Thirteenth and Ave. L.

Only one report of damage to equipment or new-driver personnel reached here, but one company official said the firm had received no notice of that.

Damaged Bus Found

The information came in an Associated Press dispatch from Wichita Falls saying that city police there yesterday found a damaged bus belonging to the TNM&O on an unattended lot near the bus station Saturday night.

The dispatch quoted the officers as saying the windshield, rear vision mirror and instrument panel of the bus had been shattered, and three tires deflated.

There was no other information, and TNM&O officials had indicated no plan of action toward reclaiming the bus for service immediately.

Prepare For Hearing

Meantime, both sides in the dispute were preparing for a hearing in 99th district court here Wednesday morning in which the company seeks to make permanent a temporary court order restraining striking workers from violence.

The court order resulted from a reported beating suffered by Hubert W. McElroy, Lubbock man who drove the first bus from the station here after regular drivers went out at 10:45 o'clock Friday night. McElroy said he was attacked by six men shortly after he alighted from the bus during a regular stop at Abernathy on the Amarillo run.

Union Denies Attack

Union officials, who have set up strike headquarters at Central Labor Temple, 2002 Ave. J, denied knowledge of the attack, or any other violence connected with the strike. They said such actions are in no way condoned by the grievance committee or by the union as a whole.

J. W. Thompson, representative of the Brotherhood of Railway Trainmen, with which the union drivers are affiliated, left Sunday for Kansas City to look after what he described as previously arranged duties that required his immediate attention.

Thompson said he would be subject to call at any time, and would return here as quickly as possible if need arises. He expressed the hope that the strike will

BERLIN, May 24 (AP) — U. S. officials warned German Communists today they face arrest if they campaign in the American zone for their "unification of Germany" plebiscite. The referendum has been banned in the U. S. hector.

Communists brought sound trucks into the U. S. zone yesterday and set up tables to take signatures on their petitions. Officials said they withdrew, however, after receiving the warnings.

Former Patient Returns For Sweetheart

Boy Kills Officer In Attempt To Free Girl From Hospital

(By The United Press)

MARSHALL, Mo., May 24—An 18-year-old youth was in police custody today after orally admitting the slaying of a deputy sheriff and wounding of two men during an attempt to free his sweetheart from a state school for feeble-minded.

Norman Lee Blodgett was arrested in Kansas City four hours after the shootings took place early yesterday morning.

Sgt. Leo Hoedl of the Kansas City police department said the youth, a former patient at the school here and at the state hospital for insane, Fulton, Mo., said he loved the girl and planned to marry her.

Deputy Sheriff J. O. Freeman, 50, of Marshall, was killed.

Dr. R. Q. Kelly, acting superintendent of the school said he recognized the youth when he appeared at the institution and knew him as a "bad actor."

Kelly said he and Lloyd Bennett, boys' supervisor, questioned Blodgett and Bennett said he could see a gun in the youth's pocket. Kelly called Freeman

Furr Store Is Hard Hit; Five Others Looted

Merchandise Also Missing; Thefts Increase Losses

By R. C. HANKINS
Journal Staff Writer

Furr Food store No. 16, at 2801 Twenty-sixth and five other places were burglarized over a weekend that, police said, produced total losses to businessmen of approximately $2,243 in money, $3,485 in checks and $119.50 in other properties.

Police also announced that thefts brought an additional $365.45 loss to the public.

Others Outside City

In the meantime, county officers were investigating additional burglaries outside Lubbock.

Two lumber yards were broken and entered at Shallowater, but nothing of value to the burglars was believed taken.

A safe was carried out of C. H. Brown Lumber company's office and opened on the back steps, sheriff's deputies were informed. Only papers were in the safe.

The other yard there, Higginbotham-Bartleit Lumber company, caid its safe was rifled but nothing was taken.

Hauled Safe Away

Two holes were chiseled in the roof of the big Furr store, through concrete almost four inches thick, and burglars let themselves down on a cold storage vault. They cut a concrete shell from around a safe, in which there was an estimated $2,000 in money and $3,488.77 in checks, and hauled the safe away. It had not been found today.

Two other places were entered through a roof, by way of a sliding skylight.

They, Lubbock Trading post and Grady Hill's cafe, are at 709 Broadway, and are separated only by a partition, police said.

Merchandise Missing

Taken from the trading post were $15 in "change" three pairs of Mexican cowboy boots valued at $17.50 each, three watches valued at $14 each, and rive rings valued at $5 each.

Hill said $28 in money was taken from his safe. A wrist watch was found under the skylight there. It was believed it may have come from the trading post next door.

Other places burglarized were: Lubbock Implement company at 1002 Ave. G, where Joe N. Nislar

Lubbock GOP Row In Court

Second round in the fight for leadership of Lubbock county's Republican delegation was being reeled off in a court hearing in Corpus Christi today, on the eve of the State Republican convention there Tuesday.

A temporary restraining order was granted by Judge Jack Pope of 94th district court Saturday morning, shortly after delegates started arriving for what is expected to be the biggest and most hotly-contested convention ever held by the Republican party in Texas.

Those Bringing Suit

Bringing the injunction suit, enjoining members of the State GOP executive committee from certifying a temporary roll call of delegates to the convention that omits their names were: John L. Vaughan, Mrs. John L. Vaughan, Frank A. Swan and A. E. Quest, all of Lubbock county; Sam Singleton of Lynn county, Paul Vincent of Hockley county, Mrs. Sadie Thomas of Crosby county and W. C. Briggs of Cottle county.

The suit was against R. B. Creager of Brownsville, Republican national committeeman for Texas; Carlos Watson of Brownsville, secretary of the state executive committee; Henry Zweifel of San Antonio, Eugene Nolte, jr., of San Antonio, M. S. McCorquodale of Houston and Frank A. Blenk, beckler of Travis county, state executive committee members; M. D. Temple, Mrs. M. D. Temple, Sam P. Camp, Mrs. Wright Kerr, all of Lubbock county; and the Republican State Executive Commission whose chairman is George C. Hopkins of Dallas, and whose secretary is Watson.

"Conspiracy" Charged

Saying that they were the "duly legally elected" Republican delegates and alternates from Lubbock, Lynn, Hockley, and Crosby counties, the petitioners claimed that the defendants "in defiance of the law and the action of the county conventions" are "conspiring" to have their names stricken from the temporary roll call of the convention and substituted by other persons who were not elected by the county conventions "but who were arbitrarily selected by the de-

W. T. RAYBON, of Lubbock had some business with executives of a number of big oil companies in Midland the other day and as a result came home with some interesting reports.

Stressing the boom which has enveloped Midland as the result of stepped-up oil activities, Mr. Raybon—who hadn't been in Midland for several years—said he was astounded at what he saw. Especially was he impressed by the two big new office buildings under construction there.

"One oil company executive," he said, "pointed to cramped quarters his concern is using in Midland, then asked me when Lubbock was going to get some office space. He said his company tried to come into Lubbock, looked over the situation, but could get little co-operation.

"In another office," Mr. Raybon continued, "one of the executives said his company would come into Lubbock—having large holdings near here—if it could get two floors of space in an office building."

* * *

Down here at The Avalanche-Journal we are completing a year-long expansion remodeling job, so all of us understand how much construction costs these days.

We realize that there are many difficulties, in addition to the financial, when it comes to building.

We know, too, that Stanolind is coming into Lubbock after months of efforts along that line, with a building being constructed for that company on Nineteenth street.

But in spite of the problems and the handicaps, we are of the opinion that Lubbock hasn't done and isn't doing as much as it can and should do to make it possible for the oil concerns to locate here.

* * *

SINCE Midland has been so successful along a line in which we are lagging, it might be a good idea if President Homer Grant of the chamber of commerce would appoint a committee to go down to Midland and study the situation there.

They can build buildings at Midland. Maybe we could, too, if we found out what the Midlanders are doing and have been doing for several years.

There's no use kidding ourselves. We can't get the oil company play that Midland gets, because of Midland's strategic location. One company, alone, is moving 300 families into Midland as soon as one of the office buildings, now under construction, is completed.

But we can do a better job than we've done—if we'll go to work on it.

"EVERYTHING comes to him who waits," the boys say and it must be true. We've been waiting—and not so patiently—for long years for Wilbert Lee O'Daniel to say or do something for the good of this state and he finally got around to doing so the other night. Part way, anyhow.

In announcing his "temporary retirement" from Texas politics, Wilbert Lee really gave Texas a break. It's too bad he didn't do the whole job and announce his permanent "retirement," but, of course, Wilbert Lee never has been known to be magnanimous and, anyhow, the voters will take care of the "permanent" angle if and when he ever tries to get elected to anything again.

* * *

We were intrigued—as we always are when Wilbert Lee's bombasticism leads him into the field of glittering generalities—when he said he thought he had "earned the right to retire for awhile from public service."

This is the first time we ever ran across anything indicating that Wilbert Lee has been in "public service." We always thought he was in Wilbert Lee's service and, of course, in the service of the great oil and financial interests of Texas whose Charlie McCarthy he long has been.

* * *

We salute Wilbert Lee's retirement from public life because we've always longed for it—ever since he first came out here with his guitar plunkers and yodelers and dodged questions on serious public issues by his happy shout of "Play, Leon."

Unknowingly, we've been abetting Wilbert Lee in his overpowering desire to get out of public life—we've been trying to help him out ever since he girded on his shining armor in the form of "professional politicians," than which there is no other quite so professional in these parts.

May 20, 1948, which was the date of Wilbert Lee's "retirement message," should go down with all the other great dates of Texas history—with Texas Independence Day, with Alamo Day and with San Jacinto Day—as one of the really wonderful dates in our state!

There are all sorts of hobbies including some with possible financial rewards, and in Lubbock there are followers of most, if not all of them.

Now a group of numismatists (coin collectors, in plain English) are wanting to organize an association here. The Plainsman wants to help them get in touch with others who might be interested in strange, and/or, rare coins.

Now living here are three coin collectors, all of whom are members of the American Numistmatists association. They are William Liddell, P. O. Box 643, Phone 7074; B. R. Brady, 1802 Texas avenue; and William C. Wood, P. O. Box 488.

Persons interested in joining a coin collecting club are invited to get in touch with either of these three gents.

"Stamp collecting has nothing to do with numismatics," says Collector Liddell. "But we'll welcome stamp collectors, too, if they want to come in."

RUSHTON CHESTER HANkins has been The Journal's police reporter for more years than he likes to admit. Unofficially, he has been connected with the Lubbock police department, the sheriff's office and other law enforcement agencies here longer than anyone else has had any sort of connection—official, or otherwise. Therefore, Mr. Hankins is a sort of an expert in police matters.

We were discussing with him the other day the ever-increasing wave of robberies and burglaries in Lubbock and over the South Plains and asked Mr. Hankins to run the matter down. He did, and here's what he found in a survey covering considerable territory:

"Despite the fact that burglary-theft-robbery figures are on the upsweep around here, this section is running behind most other sections of the U. S.

"The whole nation is experiencing the post-war era of lawlessness forecast several years ago by the FBI's Edgar Hoover and other authorities.

"Law enforcement agencies over the nation are generally undermanned and without sufficient technical and experienced officers. This is true in Lubbock and this area."

All this doesn't make our situation any better, but if "misery loves company," we've got plenty of company to love!

BY DREW PEARSON: REPUBLICANS MAY ENTER THIRD PARTY CANDIDATES FOR WALLACE

GOP Solons Talk Conscription Over Bacon, Eggs

WASHINGTON.—Three prominent Republicans discussed a substitute for conscription the other morning over their bacon and eggs. They were: House Speaker Joe Martin, West Virginia's Congressman Mel Snyder and New Jersey's Congressman Frank Mathews.

PEARSON

Snyder and Mathews argued that defense dollars could be better spent to strengthen the National Guard and reserve. The speaker gave his blessing to the idea, but suggested also using a limited draft to prod recalcitrants into the National Guard and the reserve.

"We already have a backlog of 10 to 12 million battle-trained veterans," Snyder pointed out. "Compulsory training would just increase the backlog."

What the country needs, urged the West Virginia Republican, is not a big draft but an efficient reserve program. America already has plenty of civilian minute-men, but lacks a program to keep them up to date and on their toes. Under peacetime conscription, masses of young men would simply march through the military mill and follow the steps of the wartime veterans back into civilian life—with no place to keep their military skills sharpened.

Rep. Snyder agreed that fresh blood must be brought into the program, but insisted that the best way to train recruits was through the National Guard and reserve. For a fraction of the cost of universal military training, the same number of young men could drill once a week and familiarize themselves with the latest weapons, with specialized courses to train technical personnel.

Congressman Mathews agreed. He even suggested that military training be added to the curriculum of the public schools. But Speaker Martin and Snyder did not agree.

* * *

Possible GOP Program

The speaker favored a modified form of the draft, and, in the end, Snyder summed up a compromise program as follows: 1. Require all men between 18 and 30 to register; 2. Stockpile strategic materials; 3. Give the President authority to conscript men for the armed services up to the authorized level, making certain that the ceiling is held down.

"I can go along with that," agreed Martin.

As a final caution, he added: "We have to watch our defense program to keep it within the means of the country to support."

Note—After V-J day, a far-reaching reserve program was drawn up by representatives of the regular Army, the reserve and National Guard. Although this was approved by then Chief of Staff George Marshall and Secretary of War Robert Patterson, it has been wantonly neglected.

A total of 630,000 enlisted men signed up for the reserve, but the Army hasn't even bothered to get in touch with them. As a result, more than 500,000 are expected to drop out this year. In addition, 278,000 officers signed up for the reserve, but the Army has assigned only 38,000 to units. The others are merely marking time.

The conclusion seems inescapable that the reason for this gross neglect is that the Army wanted to build up its military might with peacetime conscription rather than use less glamorous manpower already available.

IF Henry Wallace neglects to enter a 3rd-party candidate for Congress in any industrial area, the Republican party will do it for him. This was the boast the other day of Cal Johnson, former Republican Congressman from Illinois.

Speaking privately to friends, Johnson suggested that stooges could be induced to run on the 3rd-party ticket for a $500 fee. On the strength of the national Wallace movement, they would cut heavily into the Democratic vote, he predicted.

After word of this private conversation got around, Johnson hastily explained that he was not speaking official Republican strategy. He admitted, however, that it wasn't such a bad idea.

More Troops To Alaska

Reports of troop movements to Alaska have been officially dismissed by the Army as "routine." Real truth, however, is that they are not routine. Of late the Army has kept only service troops in Alaska, but it's now reinforcing them with about 14,000 combat troops.

Though this is significant, actually it's about as effective as a good-sized Boy Scout troop on our only frontier which faces Russia. Limited housing facilities in Alaska, however, will not accommodate more.

STORY behind the unrelenting drive to settle the railroad dispute is that both sides are geting jittery about nationalization of the industry.

This is no longer the bugaboo it used to be. Inside fact is that management and labor spokesmen are worried over sentiment in Congress to leave the railroads under permanent federal control if the government has to seize them every time a work stoppage threatens. Three times in five years—1943, 1946 and 1948—the government has taken over the industry to avert a nation-wide transportation tieup and some Congressmen are getting fed up with the seizure formula.

Both the carriers and the unions fear the results of nationalization. The industry would be run as a government agency, as the post office department, with no more taxpayer subsidies to guarantee profits, and the profits, if any, going to the U. S. Treasury. Management chiefs would become salaried, federal employees, subject to approval by Congress.

On the other hand, the railway brotherhoods would be reduced to the status of civil service unions, with their right to strike automatically revoked, since the Taft-Hartley act forbids strikes against the government.

Most lobbyists work undercover. Not many ever write books about their work. One exception to the rule is Dorothy Detzer, long-time lobbyist for peace, who has just written a book "Appointment on the Hill" . . . Miss Detzer had more to do with putting across the Senate munitions probe and passing the Army embargo bill than anyone else in the U. S. A. The Senate munitions hearings showed how U. S. munitions firms sold arms to the Nazis—a dress rehearsal for a policy already beginning today . . . Eleven colleges have picked Senator Arthur Vandenberg as their candidate for President at mock conventions, in spite of letters from the Senator discouraging them . . . Barbara Ann Scott, Canadian queen of the amateur skating world, will be crowned queen of the Junior Chamber of Commerce by John Ben Shepperd in Philadelphia, June 3. . . . Youell L. Mershon, about 27, pleaded guilty Saturday of liquor law violation and was fined $100 and costs, it was announced.

soon be settled.

Bus company officials said today schedules are gradually being resumed with new drivers, but they still would indicate no time they thought resumption of full operations might be possible. Some schedules were dispatched late yesterday and today to Clovis and Big Spring for the first time since the strike started.

They did not set out the number of schedules in operation, nor the percentage. The strike involved 72 drivers on the 90 daily schedules in and out of here.

The strikers are demanding a half-cent increase in pay for all classifications of drivers. Men with three years or more experience would be increased from five cents a mile to five and one-half cents. The scale graduates downward from there, depending on experience and class of operation. The company has what is described in the working contract as class A and class B operations.

Six Points Are Listed

These were the six points the conferees agreed might demand a roll call vote:

1. If the executive committee report provides that the temporary chairman may appoint three members at large on each convention committee, a motion to strike that portion of the report would call for a record vote.

2. If two or more individuals are nominated from the floor for national committee man or woman.

3. If any group wants a record vote on permanent chairman.

4. On the question of whether delegates shall be uninstructed as to candidates, or instructed for Truman's re-nomination.

5. On the question of whether there shall be a July referendum on binding presidential electors to vote for the national party's nominees.

6. If the convention committees on delegates and electors refuse to accept delegates and electors nominated by district caucuses, a record vote by delepations may be demanded.

A flash flood battered Kimberley, B. C., and carried shacks and garages down the center of that Canadian mining town.

As many as 450 families were reported homeless in north central Idaho where at least one community was without communications. A dozen families at Kooskia, Idaho, spent the night in churches and four houses with all the furnishings were swept away.

All telephone communications with Stites, Idaho, was broken off yesterday and men on horseback were reported to have left to seek aid.

Portions of western Montana were also inundated by muddy water and highway travel was interrupted by flash floods and rock slides.

Three Fined Here After Disturbance

Three Lubbock young men who made a nuisance of themselve by shooting firecrackers and making their cars backfire at 4 o'clock in the morning were arrested early Sunday and required to pay fine of $25 each for disturbance.

Perhaps they don't know even yet how lucky they were that they were nabbed before they made another run through 1900-block Ave. W.

A former Army sergeant, aroused like several others who telephoned police that their rest was being disturbed, armed himself and squatted in his front yard to wait.

He told a neighbor he knew how to stop such shenanigans.

One of the men, 20, lives in 1700-block Twenty-seventh. The others, 19 and 21, brothers, live in 1600-block Twenty-third, police said.

Police arrested a negro suspect who admitted that he struck Joyce Johnson, a negro woman, on the head with a pop bottle. She was treated for a cut. The suspect, Johnny Kirby, 39, was charged in county court with aggravated assault.

Police said there were 16 collisions of automobiles over the weekend and that 17 charges were filed.

None was reported injured in any of the mishaps.

Wheat closed ¾ to 1 cent lower, July $2.33¾-$2.34, corn was ¾-1½ lower, July $2.12⅝-$2.13⅛, oats were ⅛ lower to ⅝ higher, July 90 ⅜-91.

L. C. Edwards of 1108½ Broadway returned Sunday night from Houston where he had been for a week at the bedside of his brother, Cecil Edwards, 50, of Douglas, Ariz., who is in Houston Memorial hospital recuperating from an operation performed Wednesday. Edwards reported this morning that his brother is getting along "as well as can be expected," and said that he would probably be in the hospital an additional week, following which he will recuperate at the home of a sister, Mrs. Virgil Barnett of Houston.

Approximately 150 retail and wholesale grocerymen and their families refused to let thundershowers cancel their opportunity to eat barbecued chicken at an outing they had set for 6 p. m. Food for the "picnic," which was held as the climax to a membership drive of the Lubbock Independent Retail Grocery association, was furnished gratis by 16 local grocery wholesalers.

Lubbock County Welfare council, at a semi-monthly luncheon conducted at noon in the Hilton Chimayo room, voted to suspend luncheons during June, July and August. MRS. ERA MANNING

SAYS RETONGA GAVE HER GREATER RELIEF THAN ALL OTHER MEDICINES

Gas On Stomach, Muscular Aches And Pains, Sluggish Elimination, Weakened Feeling, All Promptly Relieved, Says Mrs. Era Manning In Discussing Her Own Case

"A good friend personally recommended Retonga to me and I can say that she did not praise this fine medicine half strong enough," gladly states Mrs. Era Manning, respected resident of 408 Barrera St., San Antonio, Tex. The mother of seven children, Mrs. Manning is a member of the Baptist Church. She gratefully continues:

"If meal time had never come it would have been all the same to me. I had no appetite and soft foods and soup were all I could force down to keep me going. What food I did manage to eat seemed to sour in my stomach and burn inside me like acid. I suffered so much distress day and night from gas on my stomach and bloating that sometimes I could hardly get my breath, especially at night. I thought I was at the end of my row I felt so weakened and worn-out. My shoulder and arm muscles pained and ached something awful and I had to take strong purgatives to relieve my sluggish bowels. My whole body seemed full of toxic poisons.

"The very first bottle of Retonga gave me more relief than all other medicines I have tried. I have a grand appetite now and can once more enjoy solid foods and anything I want to eat. I no longer suffer distress from sour stomach and acid indigestion or take those harsh purgatives. I sleep good at nights now and feel refreshed when I get up, and my housework is a pleasure instead of a drag. I work all day and still feel good. No one can be more thankful than I am for Retonga and I hope that every one who suffers as I have will know about Retonga."

The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. If the first bottle fails to bring you relief, your money will be cheerfully refunded. You can get Retonga at all good drug stores. Adv.

Pampa Gains Half Game As Hubbers And Borger Divide

Texas League Teams In Rut

By HAROLD V. RATLIFF
Associated Press Sports Editor

The Texas league is in a rut. A whole day passed without any kind of change in the standings.

The reason was that all the teams that might have profited by victories proceeded to lose.

Fort Worth's pace-setting Cats didn't need it but they licked Dallas 3-2 yesterday. Tulsa couldn't take advantage of the situation. The Oilers could have moved into fourth place ahead of Dallas but they ran into a battle of home runs with Oklahoma City and took the count 12-7.

Cellar Dwellers Lose

Chris Van Cuyk allowed Dallas only six hits while winning his fourth game of the season. Dallas' runs were unearned but Chris missed his fourth shut-out because of it. Walt Rogers and Walt Fiala mixed singles with two bases on balls for Fort Worth's three runs in the fifth.

Second-place San Antonio sent Procopio Herrera to the mound and he won his third game on a five-hitter. It was seven straight for the Missions over Beaumont this year. They clouted two Shipper hurlers for 10 hits.

Houston Beats Sports

Third-place Houston had to come from behind to beat Shreveport with war veteran John Grodzicki going to the relief of Pete Mazar and turning back to Sports after they had tallied three runs in the second frame.

Five home runs punctuated a slugging battle at Oklahoma City with the Indians getting three of them and Tulsa two. John Hernandez furnished the pay-off punch—a three-run homer in the seventh that put Oklahoma City ahead to stay. The two teams pounded 22 hits—12 by the Indians.

Tulsa and Oklahoma City play at Oklahoma City again tonight but the other clubs change stands with Fort Worth at Dallas, San Antonio at Houston and Shreveport at Beaumont.

LONGVIEW GETS MORTON

LONGVIEW, May 24 (AP)—Outfielder James (Lew) Morton has been purchased from Birmingham of the Southern association by the Longview Texans, leaders of the Lone Star league baseball race.

Pitching took the limelight briefly again in the West Texas-New Mexico League yesterday, with three of the five games showing more than passable mound work.

Pampa gained half a game in the pennant race over the second place Lubbock Hubbers, the Oilers swamping the tailend Clovis Pioneers 15-6. Lubbock and Borger spent three hours and 13 minutes scrapping for runnerup in the league and, when it was all over, they had to be content with an even split. Borger won the first 3-0 and the Hubbers annexed the second 6-2. Amarillo whitewashed Lamesa, 5-0 and Albuquerque made it a three-way tie for fourth by licking Abilene 7-5.

Good Pitching Here

The best pitched game of the day as in Lubbock, where Lefty Sid Jamison allowed only five hits over the seven-inning stretch to gain the first blanking job for a Gasser hurler in over two years. The Hubbers threatened twice, but left men stranded in the face of what sometimes was brilliant pitching.

Bob Clodfelter, who has a one-hit shutout this season, was the loser, although he matched Jamison pitch for pitch until the sixth. In that frame, the Gassers put together three consecutive doubles and a single to get four of their seven hits and all of their runs.

The second best game, also a whitewash, was hurled by Joe Budy of Amarillo's Gold Sox. He let the Lamesa Loboes down on six hits, one a double by Tony Fiarito, to earn the first shutout of the year for Amarillo.

Alexander Beats Borger

The third neat bit of tossing was done by Marvin Alexander who, with only two days of rest, proceeded to slam the door in the face of the Borger Gassers. Alexander whiffed seven and allowed only five hits in beating the third place club 6-2.

The Hubbers banged Jack Crowe for three hits and three runs in the first inning, an error allowing the first run to cross the plate. Another trio of tallies came across in the fifth to sew up the victory and give the Hubbers a clean split for the day's work. Catcher Floyd Walker bashed two doubles and a single in three trips to lead the Hubber batting attack.

Duke Win In Ninth

The Albuquerque Dukes, determined to stay in the chase, pounded over four runs in the ninth inning at Abilene to send the Blue Sox reeling down to defeat.

Tonight at 8:15, the Gassers conclude their three-day visit to Rosenthal Field with a single game against the Hubbers. Lefty Clayton Fries, who has won six without defeat and who held the Hubbers to four hits in his first appearance here this season, may start for Borger. Manager Jackie Sullivan said that Robert "Red" Ramsey was his choice to protect the one-game lead.

Between . . . The Lines

— By JOE KELLY —

By the time the majority of baseball fans probably have heard what a fine night Bill Serena had Saturday. Bill didn't do much. He only hit two home runs and a double, driving in three runs and scoring the fourth run himself. That's all. His first homer came with no one on base; his second came with one man on; and his double preceded a single on which he scored. That gives a pretty good idea of why Dallas has been carrying him, even though he wasn't hitting hard enough to break a pane of glass. He isn't through by a far-stretch of the imagination.

• • •

We joined some 1,200 fans in going a little hysterical Saturday night. You won't see many clutch home runs such as Jackie Sullivan powered over the leftfield fence. His Hubbers were trailing the powerful Borger Gassers by one run and the tying run for Lubbock was dying on second base. Two men were out and Bob Glass had two strikes on Jackie, when he connected solidly. He said in the dressing room after the game—he was pretty pleased—that he didn't think he had hit a homer and the pitch he swung on appeared to be a straight fast ball.

• • •

Maybe you fans at the game noticed the smoke-stained bat Jackie has been using against Borger. That's quite a story. Seems Gordon Nell, the home run hitting outfielder for Borger, suggested a trade of bats with Jackie and the latter assented. Nell had the willow specially treated and even went so far as to have "Sullivan" burned into the wood. You can imagine the unhappiness of the Borgers when Nell's home run bat spilled over a home run to beat them. Nell got even Sunday, though. He had two doubles in three trips and his second two-bagger drove in what proved to be the winning run.

• • •

We'd like to pause a minute to pay tribute to a quiet, unassuming little man who certainly has been the biggest kind of help to the Hubbers. That's Jackie Wilcox, the diminutive little flash at shortstop. Wilcox isn't hitting like most of the Hubbers, but his play at shortstop is cutting off a lot of runs, and helping to win games that way is important. Yesterday he started two double plays, the last one of which choked off a Borger rally in the top of the seventh. He also made a beautiful catch on a wind-blown fly that he just barely reached after running from his position past the third-base foul line. Jackie certainly is giving the Hubbers the protection they need at short.

• • •

In line with what we were saying in Sunday's column, we'd like to add this. Special nights haven't started in Lubbock yet, but if and when they do, we'd suggest that the player being honored be given the night off and allowed to sit in the stands watching the game. He could be showered with the same attention without pressure being on him. Moreover, the rest might do him good and he could return the next night to play even better ball. It's merely a suggestion and we feel certain that nothing will be done about it. Fans will keep right on giving players nights and players will go right on playing.

• • •

To get off baseball for a minute, the golfing picture in Lubbock certainly is bright these days. Both the Lubbock Country club and the Meadowbrook Publinx club are offering plenty of fine links entertainment for their new members. Tournament is following tournament and the golfer who is unable to enter one may be able to make the other. Such forceful leadership cannot help but make the local golf picture even better. The continued golf program is one of the principal reasons why Texas and the Southwest is beginning to recognize the importance of golf in West Texas.

• • •

THE ROUNDUP: They collected $58.10 for Frank Cobo Saturday night after he hit his home run . . . And how much they picked up for Jackie Sullivan's we don't know . . . Wilcox needs a place to live and the Hubbers are offering a season's pass to the first person to locate him . . . Ken Holton has gone to Altus, Okla., where he will be assistant golf pro to a brother. Another brother, A. B. Holton, is one of the Meadowbrook Publinx club's better linksman . . . Today's bouquet of sour grapes, garlic and persimmons goes to the District I-AA committee with our acid compliments . . . The Hubbers now have won nine and lost nine at home, but sport nine wins against five losses on the road.

Durocher, McCarthy Sizzle On Managerial "Hot Seat"

By JOE REICHLER
Associated Press Sports Writer

The managerial "hot seat" was sizzling today under Leo Durocher of the Brooklyn Dodgers and Joe McCarthy of the Boston Red Sox.

Durocher's Dodgers struck rock bottom yesterday with a resounding crash that could be heard all around Brooklyn from Coney Island to the Gowanus canal. They not only lost their eighth straight when they bowed to Cincinnati's Reds 6-5, but sank into the National league's cellar.

McCarthy's Red Sox were only a shade better off. A stunning double defeat dealt them by the tail-end Chicago White Sox dropped them into seventh place, only four lengths out of the American league's basement.

Won Pennant Last Year

What makes the present plight of Durocher and McCarthy most unenviable is the fact that both found themselves on the spot at the outset of the campaign. Durocher, after a year's absence at the special request of Commissioner A. B. Chandler, took over a team which had won the National league pennant in 1947. He was figured to finish no worse than second.

Even more was expected from McCarthy, who had come out of retirement to direct the Red Sox. A mid-winter spending bee by owner Tom Yawkey which brought such established stars as Vern Stephens, Stan Spence, Jack Kramer and Ellis Kinder to Boston, caused the experts to make the Red Sox pre-season favorites. Dubious persons who never gave McCarthy full credit for the Yankees' amazing success when Marse Joe managed the all-conquering New York teams, sat back with a "now we'll see" attitude.

Misfortune Strikes

Misfortune struck McCarthy from the start. Tex Hughson, most reliable pitcher of Boston's pennant winning 1946 team, found that a pair of operations during the winter did not restore the old effectiveness to his pitching arm and he was shunted to the minors. Mickey Harris, another arm case, wilted after a good start. And Dave Ferriss, with no arm trouble to plague him, just hasn't had it thus far. Therein lies the principal reason for Boston's decline.

Pitching also has been Durocher's chief headache. Staffed by only eight pitchers including one on the hospital list, Durocher simply has had nobody he could depend upon to complete a game, let alone win it. Of the Dodgers' 29 games, only six have been route-going affairs.

Joe Hatten of Brooklyn couldn't hold onto a 5-0 lead yesterday as the Cincinnati Reds stormed from behind to kayo the California southpaw, and went on to hang the defeat upon rookie Erv Palica. An eight inning home run by Grady Hatton broke up a 5-5 tie. The win moved the Reds out of the cellar, eight percentage points in front of Brooklyn.

Pitching couldn't be blamed for the Red Sox' double dousing yesterday as late rallies gave the White Sox two 4-3 triumphs. Bob Kennedy's ninth inning single off Earl Johnson scored pitcher Joe Haynes with the winning run in the first game. Joe Dobson's wild pitch enabled Don Kolloway to score the winning run in the 10th inning of the second game. Haynes and Earl Harrist were the winning pitchers.

A record breaking Cleveland crowd of 78,431 saw Joe Di Maggio steal the thunder from its home town hero, Bob Feller, as the Yankees and Indians divided a double header. Di Maggie blasted three homers, his eighth, ninith and tenth of the season, to account for all his team's runs as the Yanks defeated Feller, 6-5, in the first game. With Don Black hurling Cleveland took the finale, 5-1. Ken Keltner, major league home run leader, hammered his 13th in the opener.

Athletics Win

Dick Fowler and Rookie Lou Brissie pitched the Philadelphia Athletics to within a half-game of the American league leading Indians by twirling 7-3 and 8-1 victories over the Browns in St. Louis.

Virgil Trucks walked pinch hitter Early Wynn with the bases loaded and two out in the ninth inning to force in Gil Coan with the run that gave Walter Masterson and the Washington Senators a 1-0 triumph over the Tigers in Detroit. Washington made only four hits to six for Detroit.

The National league leading St. Louis Cardinals pounded six Philadelphia pitchers for 31 hits to win a doubleheader from the Phillies, 18-3 and 4-1. Scoring in every inning but one, the Cards collected 17 hits in setting a season scoring high in the opener.

Larry Jansen pitched a four-hitter to notch his fifth victory of the season as the New York Giants defeated the Pittsburgh Pirates, 2-1, at the Polo grounds. Despite the victory, the Giants dropped a halfgame to trail the Cards by three.

The Braves moved into a third place tie with Pittsburgh by downing the Chicago Cubs twice in Boston, 8-5 and 12-4.

Sullivan And Other Hubbers To Help

Junior Baseball School Set At Chapman Field This Week

A junior baseball school for boys eight through 15 will be conducted Wednesday and Thursday at the Chapman field diamond, officials of the American Legion, sponsoring organization, have announced, with Hubber Manager Jackie Sullivan as the head instructor.

Sullivan will be assisted by other members of the Hubber team and will give the youngsters instruction in all phases of play.

A class for boys eight through 11 will be held at the diamond from 10 to 12 o'clock each morning, with the class for boys 12-15 slated from 2 to 4 o'clock each afternoon.

No advance registration or application will be necessary, officials emphasized, the boys will just have to report to the diamond at the times assigned.

Tryouts for the American Legion team which will represent Lubbock in the district, regional and state competition will be conducted at 6 p. m. Tuesday, Wednesday and Thursday at Chapman field, with a group of approximately 18 of the top candidates to be selected for the squad. The remainder of the boys will be divided into four teams for league play and will provide personnel for a Legion "second team."

To be eligible for the first Legion team a boy must be at least 14 years old, but must not have reached his seventeenth birthday prior to Jan. 1. All candidates must have their birth certificates.

Coach Fred Taylor of the Lubbock High diamond squad will serve as head mentor of the Legion nine this summer, officials announced.

Seagraves Noses Out Denver City

SEAGRAVES, May 24 (Special)—Five snappy double plays, and tight pitching in the clutches highlighted an Oil Belt league game here Sunday afternoon when Seagraves nosed out Denver City 3 to 1.

Putsy Gentry, Seagraves manager and left fielder, started two of this city's four double plays, one on a spectacular shoestring catch that broke up a Denver City rally in the seventh.

R. D. Prather and Cyclone Jones of Denver City each hit triples for the only extra base hits of the game.

The line score:

Denver City	000 000 100—1	5	6

The world's champion doubles shooter hit 193x200 in the doubles, missed eight out of 400 in the 16-yard and dropped 23 out of 650 in the handicap from the 24-yard line.

Braun also won the professional 100 16-yard target fire with 196. He hit 100 on Saturday and missed four on Sunday. Mason was the runner-up with 195, shooting 96 Saturday and 99 Sunday.

Lubbock Man Best Of Day

Arthur J. Johnson, Lubbock, turned in the best shooting of the day when he cracked 97 in the 100-target handicap.

In the professional handicap, Mason won the Texas title with 94. Buster Spencer, Waco, hit 91.

John Loffland, jr., Fort Worth won the Texas state doubles championship with 97.

Big State Leaders All Win Twin Bills

(By The Associated Press)

The big boys of the Big State league don't believe in giving their pooer brethren a chance for advancement.

Yesterday they didn't even allow a crumb as leading Waco strapped Texarkana twice, 10-3 and 9-8; second - place Austin whipped Paris two times, 7-4 and 3-0; third-place Greenville jabbed Gainesville 6-4, and fourth-place Sherman-Denison walloped Wichita Falls twice, 8-0 and -5.

Today there's a rift of three games between the first and second division.
