

Cotton Farmers Need to Report 3-Year Record

All county committees in cotton producing counties are being called on to make a comprehensive review of all farm projected yields in the county since it is felt that the farm yield used in the past on a large number of farms probably doesn't represent the proper yield relationship between farms for 1970.

For this reason each cotton farmer is being asked to furnish his 1966, 1967 and 1968 production records for each farm he operates to the ASCS county office by Nov. 5, so the county committee will have the records available prior to the time the yield adjustment work begins.

Producers who have proven their yields in the last year or two only need to bring records for the year or years not included in the 3 year period

F. S. Little, 89, Dies Following Long Illness

F. S. Little, 89, died in Thomas Nursing Home early Sunday, Oct. 20, after a long illness.

Mr. Little had lived in the Wellington area 44 years, coming here from near Quanah. He was the last survivor of a family of eight brothers and sisters.

A native of Tennessee, he was born near Jasper Aug. 30, 1880. He was married to Miss Nola Wilkerson on Jan. 18, 1904 at Rhame. She preceded him in death July 31, 1954.

Funeral services for Mr. Little were conducted at 2 p.m. Monday in First Baptist Church with the Rev. Leroy Gaston officiating. Burial was in Fairview Cemetery under the direction of Kelso Funeral Home.

Survivors include two sisters-in-law, Mrs. Raymond Little of Quanah, and Mrs. C. G. Little of Wellington, seven nieces and six nephews.

More Pictures, Winners of Fair Next Week

More pictures and more winners in the Collingsworth County Fair will appear in next week's issue of The Wellington Leader.

The broad scope of the fair and the many winners who are named in it, has made it impossible to include all of these in one issue.

Tax Officials Meet Here

New Vehicle License Procedure Explained

Mrs. Rita Owens, the Collingsworth County Tax Assessor-Collector, was host Monday night, Oct. 20, to 40 other tax collectors and their deputies from neighboring counties for a meeting with representatives of the Motor Vehicle Division, the Texas Highway Department.

The purpose was to discuss the new automated 1970 vehicle registration renewal procedure which is to be initiated Feb. 1, 1970.

The Highway Department's 7 million vehicle records have been converted into an automated system with one of the major objectives being to reduce the long lines at the tax offices during the registration renewal period, February and March each year, Mrs. Owens said.

These converted records are now stored in the Texas High-

Irish Have "Fine Ball Club"

Rockets Meet Irish at Shamrock Friday

The Wellington Skyrocks will meet their traditional foe, the Shamrock Irish, Friday night, Oct. 24 at El Paso stadium.

In Rocketland, Shamrock is respected as having a fine ball club, and local fans who saw them lose to Childress last week report that they should have beaten the Bobcats.

The Irish had maintained a lead well into the game, then Childress got some breaks and dealt Shamrock its first defeat this season.

Shamrock is not a large club but they do have speed and they do have quickness, Coach Thayne Amonett reports.

In Sid Bond, Irish Coach Colie Huffman has the only big boy on the team—a 6 foot 5 inch, 265 pounder who is responsible for most of the Irish long and accurate punts.

There are several other Irish in the 175-178 pound bracket. Prior to the loss to Childress, Shamrock had been scored on only once this season, running up 146 points to that single touchdown by Quanah on Oct. 10.

Shamrock opened the season by blanking McLean 25-0, then Panhandle 14-0 and Erick 36-0. In the district opener, Shamrock won over Memphis 32-0

Meeting Called to Explain Job Corps Thursday

A meeting to explain in detail what the Job Corps is and what it has to offer the school drop-out will be held Thursday, Oct. 23, at 7:30 p.m. in the Community Action Center.

Mrs. James Sessions, director, is in charge of arrangements.

The meeting is primarily for boys and girls who have dropped out of school and for their parents. Mrs. Sessions said. Parents should be there, too, she emphasized.

A representative of the Texas Employment Commission will be here to make the explanations and answer questions.

Mrs. Sessions pointed out that the purpose of the Job Corps is to help young people who have not finished their formal education, and to train them in work that will qualify them to get and hold a job.

Collingsworth civic leaders and all others who are interested are invited to be present, although they may not have eligible children Mrs. Sessions continued.

Arthur Belew Dies Suddenly Sunday Morning

Arthur Belew, 58, died suddenly of a heart attack about 5:00 a.m. Sunday, Oct. 19. He was stricken ill at his home, 1310 Dallas Street, and was dead on arrival at St. Joseph's Hospital.

Mr. Belew was one of the first men in this area to go into the custom combine business, and continued to operate it until his death. He had worked northward in the wheat harvest this summer as he did each year.

Along with it, he was also a partner in a farm equipment business for a number of years.

Earlier, he farmed in the Loco community for many years.

Born Nov. 28, 1910, in Montague County, he was the son of G. D. Belew of Wellington and the late Mrs. Fannie Belew.

He came here, along with other members of his family, in 1931 from Grayson County.

Funeral services were conducted at 2:00 p.m. Tuesday at First Baptist Church, with the Rev. Leroy Gaston officiating. Burial was in Memorial Gardens under the direction of Kelso Funeral Home.

Pallbearers were W. R. Holland, Joe Sanders, Ernest Nunley, Charles Caison, Mearl Parker and Herschel Mayhugh. Honorary pallbearers were Roland Mayhugh, Tom Caldwell, Fred Cox, Cecil Lockhart, Bill Harbin, Howard Holton, Odas Benson and Gene Morrow.

Surviving Mr. Belew are his wife, Mrs. Mary Belew, five sons and five daughters: Kenneth Patterson and Alton Belew of Wellington, Leroy Belew of Pampa, Donnie Belew of White Deer, and Jerry Belew and Mrs. J. L. Jarvis of Gretna, La., Mrs. Doyle Winegeart of Oklahoma City, Mrs. Jimmy Langford and Miss Linda Belew of Wellington, and Miss Patricia Belew of Wichita, Kan.

Other survivors are his father, G. D. Belew of Wellington; five brothers: Herman Belew and T. P. Belew of Wellington, Grady Belew of Channing, Robert Belew and Weldon Belew of Oklahoma City; 24 grandchildren and one great-grandchild.

Groups Launch Hospital Fund Raising Campaign

A drive to raise funds for necessary replacement of equipment at St. Joseph's Hospital was announced jointly this week by a citizens group appointed to work with the hospital, the and St. Joseph's Hospital Auxiliary.

Sister Mary Perpetua, hos-

pital administrator, has been advised by the inspectors of the Texas State Department of Health that a major part of the heating system boiler will have to be replaced.

Thereupon the Hospital Board and the citizens group felt that it would be better to replace

the entire heating system with a new, modern combined heating-air conditioning unit to serve St. Joseph's.

The need to do this immediately brought the decision of the three groups to hold the drive now, and in doing so, to set up a plan that will serve as the base for continuing community support of St. Joseph's.

The goal for this year is \$20,000.

This money will be sought through the formation of "Clubs" for donors, a system that has worked successfully throughout the country.

There will be four clubs: —The Century Club for donors who give \$100 per year for five years.

—Half-Century Club for donors who give \$50 per year for five years.

—Quarter-Century Club for donors who give \$25 per year for five years.

—Golden Laurel Club for donors who desire to give more than \$100 per year.

Sister Perpetua explained that if desired the payments could be broken down into two, three or more payments per year.

A plaque for each club will be placed on the wall of the front corridor of the hospital and the donors' names will be on these plaques.

Monies from the Clubs will be placed in a separate fund to be used for hospital needs which are over and above ordinary expenses.

"If the donor project, through the clubs, is successful, no other civic community monies will be sought for by the hospital," said Sister Perpetua.

Income from the operation of the hospital will cover its ordinary expenses, but it will not cover the extraordinary expenses, such as replacement of the heating system, Sister Perpetua told a joint meeting of the Citizens Committee and the Hospital Trustees recently.

The Citizens Committee was selected in a public meeting held in the spring and consists of C. T. Hubbard, Mr. and Mrs.

Quails, Bobwhites to Open Against Flomot

The Quails and Bobwhites open season play against Flomot boys and girls at Quail Friday night, Oct. 24. Then on Tuesday, Oct. 28, the Quail teams will travel to Mobeetie, to meet opponents who already have played several games.

Quail will go into play with two inexperienced teams, Coach

Bill Wilson said. The Quails lost four starters by graduation, and the Bobwhites likewise will have only one returning starter.

Tommy Oatman is the only starter for the boys, Coach Wilson said, but some of last year's substitutes are looking good and indicate they will add considerable strength to the team, he said.

These include Darrell Feemster, Mark White, Julian Torrez, also two sophomores, Larson Peters and Jerry Barton.

The Quails are defending champions of District 4-B and closed out last year's play with a 24-12 record.

Marie McGill is the only returning starter for the girls, and this year's team will also include two juniors and three freshmen, with the rest of the girls being sophomores.

These will include Mallie McCann, also Brenda Childers, Sandra Sullivan, Sherri Canada, Karon Peters, Susan Langley and Janet Patterson.

The Flomot teams have already played one District 4-B team—Lakeview. The Flomot boys won that contest 84 to 62, but the girls team lost. The teams played again Tuesday night, Oct. 21.

North Fork Baptist Men to Meet at Norwood

North Fork Association Baptist Men will meet at the First Baptist Church at Samnorwood Thursday, Oct. 30, at 8 p.m., according to E. E. Darrow, president.

A personal testimony will be given by Bernis Stokes, to be followed by a message by Rev. W. N. Davis of 11th Street Baptist Church, Shamrock.

All Baptist Men and RA Boys are urged to attend.

Fellowship for Youth Set at City Church

A Youth Fellowship will be held Friday, Oct. 24 at 8 p.m. in the Fundamental Baptist Church.

Young people of four churches will participate, Clinton, Hobart and Elk City, Okla., and Wellington.

Each church will have a part on the program, with the Wellington group closing the session. Elvis Sain of Dodson will be the guest musician, singing and accompanying himself on the guitar. Sain has been presenting special music at the Fundamental Baptist Church in recent weeks.

Lloyd Gross of Elk City will be the speaker, according to Mrs. Earl Patterson, who is helping with plans.

Refreshments will be served at the end of the program.

Mrs. Martindale Thrown from Horse

Mrs. James Martindale of the Abra community suffered painful injuries Wednesday, Oct. 15, when she was thrown from a horse while helping her father, Hugh Grogan, round up cattle.

She was hospitalized at Shamrock for treatment of an acute neck sprain, acute lower back sprain and concussion, Mrs. Grogan said.

She was taken to Amarillo Tuesday to be checked by a specialist, and will be confined to her home for bed rest for about a week.

In Austin

Barber to Represent Youth at Conference

A Wellington youth, 19-year-old Glenn Curtis Barber, will represent the 26-county Panhandle area at the Governor's Conference on Youth Opportunity in Austin Friday and Saturday, Oct. 24 and 25.

He was selected as the youth representative by a group of teen-age boys and girls from a 2-county area of the Texas Panhandle Community Action Corporation at a meeting in Amarillo Saturday, Oct. 18, according to Mrs. James Sessions local Community Action director.

The second representative from Collingsworth County was Bessie Mae Sterling, 16, the daughter of Mr. and Mrs. Thomas Sterling. Barber is the son of Mrs. Gertrude Barber.

The theme of the Governor's conference will be "What can state government do to improve opportunities for young people," said Mrs. Sessions.

Some of the topics suggested for discussion are "Youth in the world today," "Career opportunities in state government," and "Possible obstacles to an adequate education and job opportunities for youth," she continued.

Cats Edge Skyrockets 21 to 20 Here Friday

By JACK FORD

In a thrill-packed football game the Seymour Panthers slipped by the Wellington Skyrockets 21 to 20 at Powell Field in Wellington Friday night, Oct. 17.

Again mistakes and penalties hurt the Rockets, and the Panthers were able to capitalize on them. However, at times the Rockets handled the heavier Panthers very well and kept the fans on both sides on the edge of their seats.

The Rockets led by Charles Mauldin, Bobby Saied, Nicky Watts, Larry Robinson, Ricky Nall, Danny Watts, Teddy McLain, Mark Killian, James Jones, Ted Harris, Reece Bowen, Danny West, Dallas Holland and Lester Robinson did a great job on both defense and offense considering the fine team the Panthers have. If the breaks had been with the Rockets just a little they could have won this game.

The Rockets lost the toss and were forced to kickoff to the Panthers. However, neither team was able to get in a scoring position in the first quarter.

Early in the second quarter the Rockets started to roll. They stopped the Panthers on the Rocket 44 yard line where they punted. The punt was taken by Danny West on the Rocket 10 and he started toward the Panther end of the field, with his blockers in front of him clearing his way, and ran 90 yards for the first touchdown of the game. The try for extra point failed.

The Panthers came right back and, with the help of a 15 yard penalty against the Rockets, drove 60 yards for their first touchdown. The try for one extra point was good. Panthers 7, Rockets 6 at the half.

Most of the third quarter was played in the Rocket end of the field, with the Rockets losing a good drive because of a fumble.

Late in this quarter the Panthers started a touchdown drive after blocking a Skyrocket punt. Starting on the Rocket 44 yard line, and again with the help of a Skyrocket penalty, the Panthers drove all the way for a touchdown. The try for extra point was good. Panthers 14, Rockets 6.

The Panthers scored again after recovering a Rocket fumble on the Rocket 36. They drove 36 yards in 10 plays to score their last touchdown. Try for extra point was good. Panthers 21, Rockets 6.

The fourth quarter the Rockets exploded. Putting the ball in play on their own 35, C. Mauldin rolled out and passed to Dallas Holland who made a great catch and carried the ball to the Panther 4. Larry Robinson picked up two yards on the next play and Charles Mauldin sneaked for the touchdown on the next play. The try for 2 extra points was good. Panthers 21, Rockets 14. The Rockets then tried an on-side kick which was recovered by Rocket Ted Harris on the Panther 35. With C. Mauldin passing and D. West and N. Watts running, they got the ball to the Panther 1 yard

line. Nicky Watts drove into the end zone for the last touchdown. The try for 2 extra points failed. Panthers 21, Rockets 20.

Penalties then played a big part in the Rocket game. Twice they stopped the Panthers' drives but penalties on the third down against the Rockets kept the Panthers going, and the Rockets could not get their hands on the ball again. The final score was Panthers 21, Rockets 20.

This Friday night, Oct. 24, the Rockets travel to Shamrock to meet the Irish. This should be the game of the season for the Rockets against their old rival of many years. The Irish are a strong team and will outweigh the Rockets, but the Rockets have the spirit to win this one and can with all you Rocket fans out to cheer them on. So will see you all in Irish-land Friday night.

Our 43rd Year of Ginning Service

We Are Ready To Serve You

We are pleased to announce to the cotton growers of this area that our new Continental Moss-Gordon Gin Plants are ready to take care of your cotton during the 69-70 ginning season. The Continental Moss-Gordon Gin Plant was selected for its efficiency and economy in order to gin your cotton better as well as faster, thereby enabling our members to realize more net return from their cotton crop.

Long Staple Cotton

All Long Staple Cotton will be ginned on one side of the downtown plant.

Your Cotton is Insured

The Farmers Co-Op Gin has always maintained insurance to insure against loss by fire the cotton of its customers while in the process of being ginned.

But in recent years the Gin also carries a "floater" which insures the seed cotton of its customers from the field to the gin premises.

To afford this broad coverage the insurance company has stipulated that the customer must agree at the beginning of the season to have all of his cotton ginned at The Farmers Co-op Gin in Wellington.

Top Market Prices

As usual all class cards and press tickets will be kept for you at the gin office. We will market your cotton at the highest prices available in the area.

THANK YOU

At the beginning of the 43rd year of service to the cotton growers of this area, the officers, directors and employees of The Farmers Co-Op Gin in Wellington wish to express their sincere appreciation for the courtesy and cooperation we have received in the past. We pledge you a continuation of the same high class ginning service that has proved profitable for our members in other years. Come to see us.

Jan Blain, Larry Oswalt Marry in Home Ceremony on October 4

Mr. and Mrs. L. E. Ward are announcing the marriage of their daughter, Miss Jan Blain, to Larry Oswalt, the son of Mr. and Mrs. Lee Roy Oswalt of Hereford.

The ceremony took place in the home of the bride's parents at ten o'clock Saturday morning, October 4, with the Rev. Leroy Gaston officiating. Lighted candles in antique bronze holders decorated the fireplace, before which the wedding party stood.

Mr. Ward gave his daughter in marriage.

The bride wore a street-length dress of white re-embroidered lace, designed with an empire waist and A-line skirt, closed at the side with rhinestone buttons. A rippled chiffon collar accented the bodice, and formed the cuffs of the long, fitted sleeves. She carried a bouquet of white orchids and carnations. She carried the

wedding band belonging to her grandmother, the late Mrs. Ed Blain.

Miss Vikki Saunders was the bride's attendant. She wore a grey wool dress, made with long sleeves and a pleated skirt.

Lisa Nix, the bride's cousin, was the flower girl. Joe John Henard was the best man.

After the ceremony, the couple left on their wedding trip to points in Colorado and New Mexico, and since returning they are at home at 911 El Paso Street.

The bride was graduated from Wellington High School in 1968 and attended Texas Tech University and West Texas State University.

The bridegroom was graduated from high school in Roswell, New Mexico, and is now engaged in farming and ranching with Mr. Ward.

Coffee Honors Beverly Estes, Bride-elect of Charles Welch

Mrs. Betty Welch of Watanaga entertained with a coffee honoring Beverly Estes, the bride-elect of Charles Welch, in the home of Mrs. T. W. Devenport Saturday morning, October 18.

Arrangements of bronze and yellow chrysanthemums were used on the serving table and fall flowers were throughout the house.

Members of the house party were Mrs. Devenport, Mrs. Barbara Williamson, Mrs. E. W. Clement, Mrs. Gorman Owens, Mrs. Alvin Horton, Mrs. Pearl Aaron and Mrs. B. M. Sims.

The couple will be married November 15 at 10:00 a.m. in Eastern Hills Methodist Church in Fort Worth.

Guests called between 10:00 and 11:30 in the morning.

Guests played games, then the honoree opened her gifts. The hostess gift was a car seat.

The serving table was laid with a lace cloth and centered with a miniature baby buggy, filled with pink carnations. Blue accents completed the arrangement. Crystal appointments were used.

Approximately 35 friends called or sent gifts.

Mrs. Marjorie Anderson of Amarillo visited during the week end with her daughter and family, Mr. and Mrs. Jack Kopp, Brad and Catherine, and with other relatives and friends.

Visitors Saturday in the home of Mrs. Deanie Weddle, Tessa and David were Mrs. James Archer, James David and Shannon, and Roy Archer of Gould, Okla.

Weekend guests in the home of Mr. and Mrs. Buster Bounds were their daughter, Mr. and Mrs. Ernest McNabb, Angela and Quinton Lee of Amarillo.

Guests until Wednesday in the home of Mr. and Mrs. H. C. Templeton were Mr. and Mrs. Homer Willoughby of Greenville. They also visited other relatives while here.

Quail News

By Mrs. G. T. Stephens

• We received 1.2 inches of rain at Quail Friday night, Oct. 19. However, a number of farmers have started harvesting their peanut crop.

• Mrs. Ople White, who was a patient for several days in the Hall County Hospital at Memphis, came home Thursday, Oct. 16. At present her condition is still improving.

• Rev. C. W. Squyres of Lawton, Okla., is spending this week in the home of his daughter, Mr. and Mrs. W. A. Gollighugh and Dub.

• Mr. and Mrs. Ray Alston

moved here from Memphis over the week end. They bought the A. B. Boyett farm and moved there. Mr. Alston will be a bus driver and the assistant mechanic at the Quail School. They have four children of school age.

• Lanny McGill, son of Mrs. Glin McGill, left Tuesday, Oct. 21, for Fort Ord, Calif., where he will take his basic Army training under the National Guard program. He volunteered recently for service. His mother and Mrs. R. E. McGowan accompanied him to Amarillo, and he flew from there with other recruits. Lanny graduated from Quail High School with the class of 1969.

• Mr. and Mrs. R. L. Boyett and family of Amarillo spent the week end with their parents, Mr. and Mrs. A. B. Boyett and helped them move to their home in Quail, located upstairs over the Snack Bar. Other guests in the Boyett home Monday night were another son, Rev. Jack Boyett and family, also of Amarillo. Last week was anniversary week for the A. B. Boyetts. Her birthday was Wednesday, Oct. 15, and their 43rd wedding anniversary was Thursday. They worked in their business, the Snack Bar, by way of celebration.

• Paul Gollighugh, son of Mr. and Mrs. W. A. Gollighugh, who is in the U.S. Army, is still stationed in Korea. He has been there since April. He would enjoy hearing from his friends at home. His address is:

Paul L. Gollighugh 460-62-4197
21st Finance Section (D)
Camp Humphreys
APO, San Francisco, Calif. 96371.

• Mr. and Mrs. Jimmy Rodgers of Amarillo visited with Mr. and Mrs. W. A. Gollighugh Sunday.

Sisters Meet for Reunion

Each year the sisters of Mrs. A. B. Clark hold a reunion, and this year's hosts were Mr. and Mrs. Everett Latham of Lubbock. The get-together was held at their cabin at Possum Kingdom Lake. The group gathered Wednesday, October 15, and remained until Sunday.

The sisters and their husbands included Mr. and Mrs. Clark, Mr. and Mrs. Earl Briscoe of Vernon, Mr. and Mrs. Frank Fletcher of Breckenridge, and the hosts, Mr. and Mrs. Latham. Also attending was the women's only cousin living in Texas, and her husband, Mr. and Mrs. H. L. Klinebrew of Athens.

Quail Friendship Club has Lunch

The Quail Friendship Club met in the home of Mrs. Boge White Thursday, October 16, for the monthly luncheon and business session.

Mrs. Mary Clay gave the club program and Mrs. Pat O'Hair the secretary's report. Visitors present were Mrs. Jennie Oatman, Mrs. Porter Arnold, and Mrs. Hallie May Prater of Atoka, Okla. Members attending were Mrs. Wilbur DePauw, Mrs. Tom Crabtree, Mrs. Herbert Field, Mrs. Orbie Hartman, Mrs. O'Hair, Mrs. John Bishop, Mrs. Clay, and the hostess, Mrs. White.

Norwood Meets Mobeetie There, Allison Here

The Samnorwood Eagles and Eaglettes will travel to Mobeetie Friday night, Oct. 24 for return games with that school, then meet the Allison teams at home Tuesday night, Oct. 28. Both games will start at 7 p.m.

On Friday, Oct. 31, Samnorwood will go to Briscoe.

The Eagles and Eaglettes won a double header over Mobeetie in the season's opener last week.

Both Briscoe and Allison have strong teams. The boys teams are slated to finish the district in No. 1 and No. 2 places, and it is a toss-up as to which will be on top.

Either Briscoe or Lefors is slated to win in the girls division.

The Samnorwood Eaglettes are the defending girls champion in District 4-B.

Samnorwood Junior High teams are scheduled to open their season against Lela at Lela Thursday night, Oct. 23. Their next game will be with Mobeetie Thursday, Oct. 30, at Mobeetie.

Kenneth Martindale is coaching the high school teams and Bill Shewmake the junior high teams.

Mr. and Mrs. Fred Hunter of Compton, Calif., Mrs. Molly Mainard of Truth or Consequences, N.M., and Mrs. Earl Williams of Amarillo all visited this past week in the home of their nephews, Mr. and Mrs. Earl Hunter and Mr. and Mrs. Emory Hunter.

Mrs. Bruce Hite visited her aunt, Mrs. Myrtle Reynolds in Plainview last Friday. Mrs. Reynolds broke her hip Oct. 15 and is recuperating in Plainview Hospital.

Visiting in the home of Mrs. Hattie Hornsby were Mrs. Juanita Hornsby of Amarillo and Mr. and Mrs. Howard Cowell of Dimmitt.

Wells & Wells Terrapin Wins

A terrapin sponsored by Wells and Wells won a leisurely Collingsworth County Fair terrapin race Saturday, Oct. 18 at Ellison Park.

The contest was under the direction of Wellington Jaycees.

Second place was won by a terrapin sponsored by Sam's Hardware, and the third place terrapin was entered by First Wellington Agency.

The affair took quite a while as the terrapins changed courses numerous times as they went toward the circle boundary that determined the winner.

Terrapins winning the five heats were entered by:

No. 1, Tank Forrester; No. 2, Wells and Wells; No. 3, Coca Cola Bottling Co.; No. 4, First Wellington Agency; and No. 5, Sam's Hardware.

Others sponsoring terrapins in the race were Dairy Mart, Wellington Flying Service, Penny Wise, Scott and Lee Grocery, Jerry Lee, Tiny's Auto Supply.

Tony White, City State Bank, City Cafe, Warrick's, Inc., Seitz Garage, Carl's 66, Dixie Maid, Clark Chevrolet, Toggery and Wellington Travelers.

Dear Deck:

I read with interest the reference in your recent column concerning the athletic department of the University of Oklahoma.

I just wanted to set the record straight on why my alma mater gets so many football players as well as other students from your great State of Texas. It's because all of us are looking for the Promised Land and we have found it here in Okie Land.

The one thing that you failed to mention in your column, and I'm sure it was due strictly to an oversight on your part, was that the head football coach for UT just happens to be a native Oklahoman and was trained and schooled and received all his football knowledge at the University of Oklahoma.

I'm sure that you will have warmer feelings toward OU after being reminded of the most valuable contribution that we have made to UT and to Coach Royal's record each year in October.

Sincerely,
James N. Posey

A Newspaper Education

Do your children know what happened today? Do they just pick up the funnies and ignore the rest of the newspaper? Or did they read the front page news and perhaps some editorials?

A child of eight or nine can read well enough to scan the headlines and get the basics out of most newspaper stories. What he doesn't understand can be explained by parents or older brothers and sisters.

There are many benefits to newspaper reading for children. It increases vocabulary and helps him in school. And it will make him more aware of the world around him as he grows.

He can be asked his opinions on national matters—he's not too young to form opinions. The sooner he begins to read the front page the more involved he will become in reading.

Newspaper reading isn't difficult and makes an excellent textbook of vocabulary and current events. It's time he learned that there is more to news than comics and sports.

—The Columbia Missourian

Security?

Sometimes it seems that most Americans have turned into a mass of fidgety worriers. They see nothing but gloom on the horizon. But consider these facts, as dug up by Warner & Swasey of Cleveland, machinery manufacturers: — In 1914 an American worker had to work 6 hours and 44 minutes to earn enough to buy a shirt. Today he earns a better shirt in 1 hour and 49 minutes.—In 1914 he worked 1 hour and 37 minutes for a pound of butter; today, 19 minutes.—In 1914 1 hour and 14 minutes for a pound of bacon; today 22 minutes.—1914 12 hours 52 minutes for a good pair of men's shoes; today 6 hours 54 minutes.

List everything you eat, wear, use—the story is much the same. Better machines bought with savings, and better used, produce more at lower cost, and so give everyone a higher standard of living.

And what do we do with our leisure time? In spite of the fifth peddlers we read more good books, attend more concerts of serious music, spend more time in museums, donate more time as well as money to charity and education.

—Kilgore (Tex.) News-Herald

Taxes

In 1969, Americans will work two hours and 34 minutes of an eight-hour day to meet their tax liabilities. The Tax Foundation, Inc., estimates that will be eight minutes a day more than last year. It may be only eight minutes, but somehow it seems longer.

AUSTIN.—Texas Aeronautics Commission has expressed concern that the new federal aviation legislation may shut off its revenues for state airport building aid which now totals more than \$400,000 a year.

Proposed aircraft user charges would increase the general aviation fuel tax from 2¢ to 7¢ a gallon, levy a licensing fee of \$25 per aircraft plus 2¢ a pound for prop planes and 3½¢ a pound for jets, increase the passenger tax on airlines from 5¢ to 8¢, place a new 5¢ tax on cargo shipments and establish a \$3 per passenger tax on international travel.

Money would go to airport improvements and relief of congestion. Some \$180 million a year would aid large, airline-served terminals and \$25 million a year would be reserved for smaller airports like those helped by TAC funds. Based on population, Texas would get about \$18 million annually for larger airports and \$2.5 million for smaller ones.

Hitch, according to TAC Executive Director Charles Murphy, is this:

Federal act requires states to match aid funds on a 50-50 basis. At present, the source of funds TAC has for airport building is unclaimed refunds on the state's 5¢-a-gallon tax on aviation gasoline. Plane owners now leave some \$46,000 a month in the state till rather than go to the trouble of filling out forms for refunds. However, with stiff new federal charges, it is feared they will start applying for all refunds they can get, thus leaving TAC with an "empty bucket," as one commissioner said.

Murphy said a state jet fuel tax of 3¢ to 4¢ a gallon would be necessary to raise as much as \$2.5 million a year.

Meanwhile, TAC approved a \$324,500 construction aid program for the next year, including these projects:

Dalhart, Commerce, McLean, Hale Center, Haskell, Hemphill, Pleasanton and Vega, \$27,500 each; Taft, \$26,000; Bridgeport Giddings, Jackson County (Edna), Jasper, San Benito, Van Horn and Hearn, \$10,000 each; Shamrock, \$4,500 and Caldwell, \$4,000.

AG Opinions

Atty. Gen. Crawford Martin spelled out the duties of county commissioners, county election boards and sheriffs to determine the number of voting machines needed, provision and delivery of them to the polls for each election held at county expense.

In other new opinions, Martin held that: —Small claims court jurors must be paid the same (\$3-\$6 a day) as those serving in justice courts, with payment out of county jury fund.

—Alligators are now under the control of the state as protected wildlife species.

—Legislative act providing for the method of school board elections in counties of 8,605 to 8,615 population is unconstitutional since the population base is unreasonable.

—A former legislator with

eight or more years service who now is a state employee can become a member of the "elective class" under the employees retirement system without working five consecutive years at an appointive job.

—Grand and petit jurors selected for Jim Hogg County by the 49th judicial district court and for Duval and Starr counties by the 79th district court are legally-selected jurors for the new 229th judicial district court from Sept. 1 to commencement of the new term.

Courts Speak

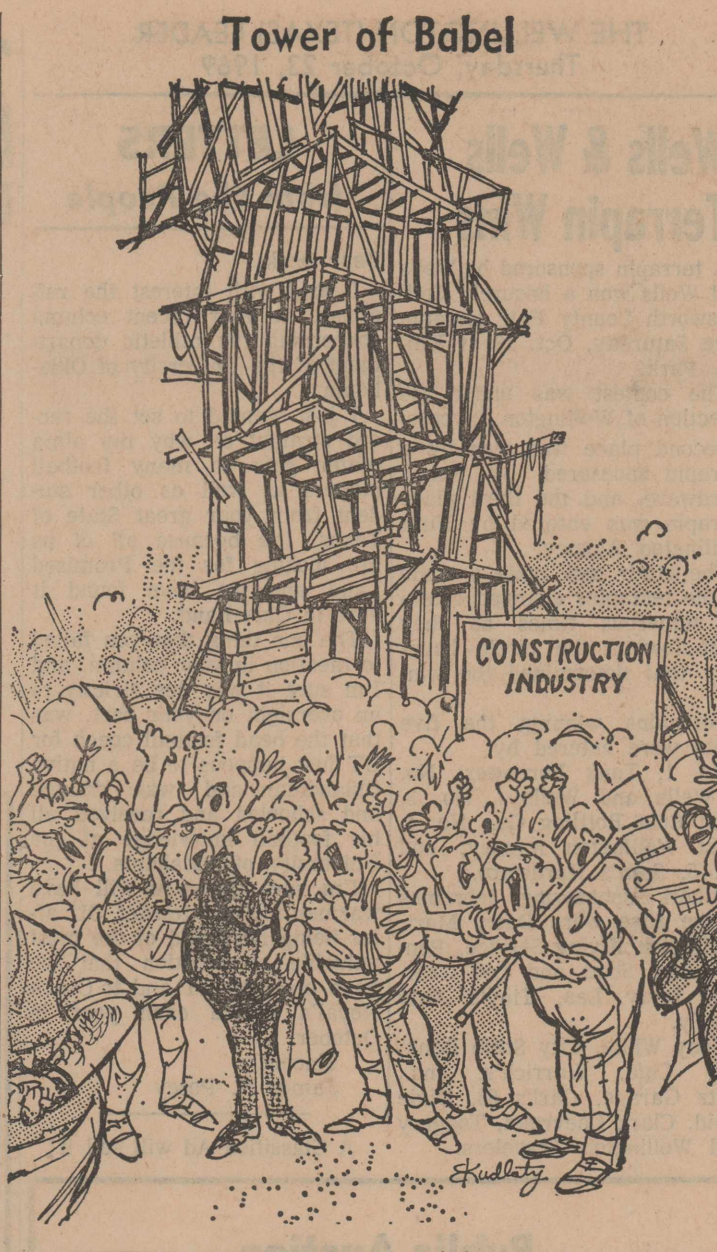

Supreme Court set hearing for Nov. 26 on the appeal of Air Southwest Company for commuter air routes between Dallas-Fort Worth, Houston and San Antonio.

High court scheduled oral arguments for Dec. 3 in the case against the Dallas transit system brought by the widow, mother and daughter of a bus passenger who was killed Dec. 18, 1965, by a drunk who boarded the bus. At issue is whether the driver was negligent in allowing the drunk to board the bus.

Tyler Court of Civil Appeals order dismissing the sanity case of Dr. Harold Eidinoff of El Paso, who was freed from Rusk State Hospital earlier this year, was affirmed by the State Supreme Court.

Court of Criminal Appeals heard arguments on Houston black militant Lee Otis Johnson's appeal from a 30-year sentence for giving a marijuana cigarette to a police undercover man.

State filed suit to enjoin Air

East Air Lines Inc., and Central Texas Airlines Inc., from conducting air carrier operations without certificates.

Drinking Hours Extended

A dozen counties and 19 cities have adopted the new 2 a.m. drinking curfew approved by the last Legislature on a local option basis.

Included are Harris, Dallas, Bexar, Tarrant, El Paso, Potter, Bandera, Bell, Aransas, Wilson, Galveston, and Fort Bend counties; Corpus Christi, Aransas Pass, Rosenberg, Temple, Texas City, Denison, Poth, Boerne, Post, Kemah, Pharr, Galveston, Rockport, Bandera,

CROSSROADS REPORT

Main pitch of the anti-war protesters these days is the demand that President Nixon get busy and bring all of our armed forces home right away.

This is the same demand that the Viet Cong and the North Vietnamese have been making for some time, but the home front demanders could be running some personal risk.

After all, these men have got in Vietnam have been trained to hunt out the enemy and kill same. Back home they'll find him easier, as he marches the streets with signs to identify him, proclaims himself on TV and in the halls of Congress and the pulpits.

Rocket B Drops Game to Irish B on Friday

The winless Skyrrocket B team lost to the Shamrock B 28 to 6 at El Paso Stadium Thursday night, Oct. 17. Wellington played a good first half, both offensively and defensively, and the game was tied 6-6 at half time.

The Rockets' only score came on a sweep around left end, with Denny Carter blocking and Jay Thomas going for the touchdown.

Shamrock took the second half kickoff and drove down the field for 60 yards for the go-ahead touchdown. The Wellington boys seemed to give up after that and Shamrock was able to score two more touchdowns before the game ended.

Coach James Stavenhagen expressed disappointment in the team, adding that "they haven't played up to their capabilities during any game this year."

"I hope they will become a little more enthused about the game, because this will be necessary if we have any hopes of winning or of having good ball

PLOWDOWN NITROMITE THIS FALL

If the big rains come again next Spring, you're safe — with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last-minute rush.

Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.

The clincher is at harvest: if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE. Shamrock's fine brand of anhydrous ammonia — 82% nitrogen for bigger, high-protein yields.

Fight back. Fight for your share of the big profits next year. PLOWDOWN NITROMITE THIS FALL.

Financial Facts

CATTLE TERMS

Did you know that cattle are responsible for many of the financial terms we use today?

In many cultures, cows are valuable possessions because of their many uses. Often, they are one of the staples of a country's economy.

In several early cultures cattle was even a form of money. The word "capital" comes from the Latin "caput", meaning "head". When the word originated the number of head of cattle was how much money or capital a man possessed.

The word "fee" comes from the German word "vieh", which also means cattle.

Often we talk of a man's "pecuniary" or financial condition.

"Pecuniary" comes from the Latin "pecus", which as you can guess, means cattle.

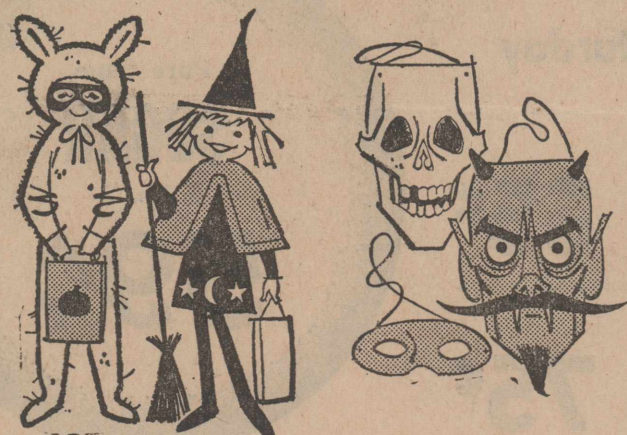

Even in early America, taxes were often paid in cattle. It might be interesting if someone tried that today.

BASIS FOR LEGEND

The manatee served as a basis for the many mermaid legends. Seen from afar by imaginative sailors, it was mistaken for a human fish. Although the manatee is a mammal, it lives in the water and cannot move on land.

County Stallion Wins Quarter Horse Show

A Collingsworth County Quarter Horse stallion, Sonny Wahlke, owned by Billy and Gano Wilson, was named the grand champion stallion of the Collingsworth County AQHA Quarter Horse Show Saturday, Oct. 18.

The Grand Champion mare was Sparky's Double, owned by the Hays Ranch of Snyder, Texas, and shown by Betty Bailey of Pampa.

The Champion gelding was Dustardi Dean, owned and shown by one of the youngest exhibitors in the open show, teen-age Sherry Grant of Amarillo.

The reserve champion mare was Glass Prize, owned by Gayle Poyner of Amarillo; the reserve champion stallion, Eddie Ricky, owned by Eddie Wilson of Crawford, Okla.; and the reserve gelding, Joyce Button, owned by Mrs. A. N. Jones of Vinson.

H. L. Akin of Frederick, Okla., show judge, praised it as a nice, fast-moving show and he commented on the high quality of the entries.

Several factors cut the number of entries, said Richard Nall, superintendent. One was that this show is being held at the same time as the State Fair. Bad weather Friday and a forecast of rain and cold for Saturday, that did not materialize, kept several exhibitors at home who would have been here otherwise, he said.

For the first time in the Collingsworth County event, an American Quarter Horse Approved Youth Activity Horse Show was held for boys and girls under 18 years of age, and these events immediately followed the open show.

Several boys and girls participated in both events.

In this show, the youngsters compete for points and adhere to regulations just as do adult Quarter Horse exhibitors.

The final event was a junior grade performance show for boys and girls, most of them from Collingsworth County, who use grade horses rather than registered horses.

V. K. Orr, Jr., was arena steward, and Mrs. Kirby Campbell was the secretary.

Winners were:
