THIS TIME CAPSULE, found during excavation for new housing project, was left for future generations by W.O. Jackson in 1947.

Man Discovers Time Capsule

A man before his time, W. O. Jackson, wanted the world to remember.

Loyd Mitchell of Colorado City was working at the construction site at the new housing projects at 5th and Pine Streets when he accidently discovered what proved to be a time capsule.

He was in the process of caving in an old storm cellar when he saw a small bottle fall out of one of the concrete blocks. He noticed what appeared to be a note inside the bottle and became curious.

He tried to remove the bottle cap but in the end it was necessary for him to break off the top.

Inside, he found a note which reads:

"Built by W.O. Jackson, Jan., 1947, doing the work was Green Delaney, Dean Phenix, Charles Newton Phenix, Mr. and Mrs. W.O. Jackson and W.O. Jr. While we were working on it we had nine inches of snow and weather seven below zero."

The note is dated Jan. 11, 1947.

"Mitchell recognized **the name Delaney and knew me," Don Delaney said.**

"He thought I might be interested in the finding and brought it to me," Delaney noted.

Green Delaney was Don Delaney's grandfather. He was also the grandfather of Mrs. A.M. Morris who was Katherine Delaney. He was the father of R.H. Delaney.

District Holds Meet

The District Eight Veterans of Foreign Wars Convention will conclude in Colorado City Sunday at Post 9178.

The convention will be highlighted by presentations by Department Commander Shelby Surratt and District Commander Tommy Bratton.

It began at 1 p.m. Saturday with registration and continued that afternoon with a hospitality hour and dance.

The convention continued Sunday with a coffee time at 8 a.m. There will be a memorial service at 9 a.m. and a business meeting at 10 a.m.

The event will conclude with a luncheon at noon.

About 300 people are expected to attend the convention.

Don Delaney is commander of Post 9178.

The VFW Ladies Auxiliary will have their

4-H Achievement Winners Honored

Casey Merket and Robie Raschke were named as the 1979 Gold Star boy and girl at the Annual Mitchell County 4-H Club Achievement Banquet Saturday night.

The event was held at the Colorado Middle School cafeteria. The master of ceremonies was Tony Turner.

Curley Hayes, representative from West Texas Utilities, was featured speaker at the banquet which had the theme of "Come Fill My Cup."

Merket, son of Mr. and Mrs. Kenneth Merket of Loraine has been a member of the Mitchell County 4-H Club for seven years.

He exhibited the grand champion steer at the State Fair of Texas in 1976 and has also completed projects in leadership and livestock judging.

Miss Raschke, daughter of Mr. and Mrs. Alton Raschke, has been in 4-H for four years. She has been active in both foods and nutrition project groups and in recreational activities.

In addition to the Gold Star Awards, many other awards were presented at the banquet and they are noted as follows:

The Achievement Awards sponsored by Ford Motor Company were presented to Barbara Heredia, Casey Merket, Marjori Maddox and Ginger Preston.

The Agricultural Award sponsored by International Harvester Company was presented to Tony Turner.

The Citizenship Award sponsored by Coca Cola Company was presented to Brad Fincher.

The Clothing Awards sponsored by Coats and Clark Incorporated were presented to Dawn Lemons, Melanie Rees, Melissa Clifton and Nikki Holman.

The Foods and Nutrition Awards sponsored by General Foods Cor-

Roundup Features Famed Artists' Work

Today (Sunday) is the final day of the Railhead Arts and Crafts Fair at the Mitchell County Fair Barn.

The gates will open at noon and run until six p.m. and a full slate of activities are planned.

The event is sponsored by the Colorado City Area Chamber of Commerce and the co-chairmen are Carolyn Smith and Pam Beasley.

More than 50 entries have been submitted from as far away as Clovis, N.M.

Some of the crafts entered include oil paintings, ceramics, silver articles, hand painted sand candles, china paintings, stuffed toys and jewelry articles.

In addition to the roundup, a jackpot team roping will be held at 1 p.m. This event will be at the Western Riding Arena adjacent to the Fair Barn.

The cost will be $16 per team for three head of livestock. The entry will be at the time of the

See ART Page 8

"HEY, NONE OF that now, it's just me," Barney Chashmas (Carl Beery Moore) pleads as he consoles Jeanette Fisher (Paula Chastain) in the upcoming playhouse production of "Last of the Red Hot Lovers." The production will be presented Nov. 7, 8 and 10 and again Nov. 14, 15 and 17. Curtain will rise at 8 p.m. nightly. Advance reservations for local residents may be made by calling the Colorado City Playhouse Thursday or Friday from 1-5 p.m.

Halloween Is Even Nearer

Halloween will be celebrated in Colorado City on October 30 rather than October 31.

This will be done to prevent conflict with Wednesday evening church goers.

School Superintendent Charlie Uselton made the suggestion and the Chamber of Commerce and city have joined in the effort to make this a safe and sane holiday.

Certain safety rules should be observed by all trick-or-treaters to help local authorities and to maintain personal safety.

Trick - or - treating should be done between the hours of 5-9 p.m. on Tuesday.

All treats should be taken home for inspection before they are eaten.

Only young goblins (13 or below) should be encouraged to go trick-or-treating.

Children should wear short, non-flammable costumes which are light in color. This will enable motorists to see children on the streets.

Flashlights should be carried after dark.

Hobgoblins should trick-or-treat only at homes with porch lights on.

"We are doubling all patrols on Tuesday and Wednesday in an effort to keep down vandalism. The school is also posting extra personnel for that reason," Assistant Police Chief Jerry Cowin said.

"I would like to admonish all youngsters and their parents to observe pedestrian safety rules," he stated.

"Cross at corners, use sidewalks, not streets for walking and use reflective tape on costumes and bikes if possible," Cowin said.

Halloween Carnival Is At Kelley

Spooks will haunt the Kelley Elementary School Tuesday evening beginning at 5:30 p.m. when an evening of family fun begins.

The mothers of Kelley Elementary students have arranged fun, frights and fancies, not to mention fabulous foods for this festive occasion.

Spooks may feast on hot dogs, Frito pies, nachos and chili for a minimal fee, according to spokeswoman Nancy Bullock.

Booths will be set up along gloomy hallways and include, a haunted spook house, bingo, a dart throw, fishing well and a fancy cake walk.

Entry is free and game tickets are 25 cents each.

Food booths open for business at 5:30 p.m. and game booths open at 6 p.m. Doors swing closed at 8 p.m.

Loraine Tops Bale Count

Loraine cotton farmers have sprung into full gear and lead this week's bale count by a substantial margin.

Loraine Co-op Gin reports 1,897 bales ginned and 1,450 bales on the yard.

Producers Co-op Gin reports 662 bales ginned and 300 on the yard.

Farmers attribute the early ginning in Loraine to the extreme hot weather Oct. 14 followed by rain and 32 degree temperatures that evening.

Mitchell County Gin reports 598 bales ginned and 40 on the yard.

Westbrook Gin reports 416 bales ginned and 100 on the yard.

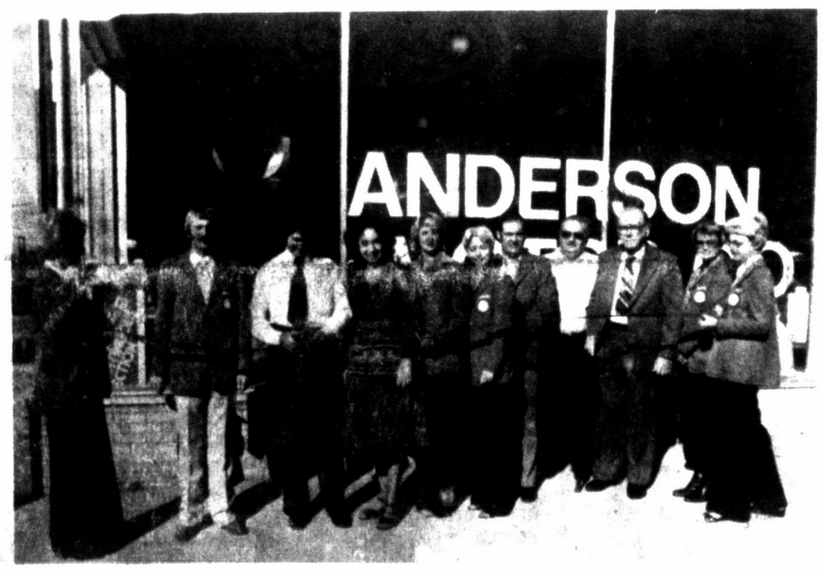

China Grove Co-op Gin reports 364 bales ginned and 60 on the yard.

Colorado Gin reports 248 bales ginned and 50 on the yard.

Farmers' Gin reports 194 bales ginned with two on the yard.

Buford Co-op reports 155 bales ginned and nine on the yard.

Area gins report good quality cotton and cotton market holding at 55-57 cents.

ANDERSON MOTOR CO.'S Grand Opening was held Thursday and Friday with everything getting underway with a ribbon cutting under the auspices of the Colorado City Chamber of Commerce Ambassador Club. Cutting the ribbon was firm owner Phillip Anderson with his wife, Martha, at his side. The Grand Opening also featured the showing of 1980 Chrysler products.

My World

By GARRY PEEBLES

I recently read a book entitled "A Shining Season" which I thought was very good. It is a true story of a young man named John Baker from Albuquerque, N.M.

It shows what a person can accomplish even when things aren't going very well for him and to say that things weren't going well for John Baker is an understatement.

In the Spring of 1969, Baker's future appeared to be as bright as anyone's could possibly be. He was 24 years old and had been a star miler and cross-country runner on the University of New Mexico Track Team.

At the time, he was ranked among the top ten milers in the world. He had high hopes of making the Olympic Team and going to Munich in 1972.

He had a job which he enjoyed, coaching youngsters at an elementary school in Albuquerque and he was also engaged to be married.

He was, in fact, a kind of hero in his hometown, an ideal.

His life began to change, however, when he blacked out while running at a lonely spot outside Albuquerque one afternoon.

He tried to pass it off and forget it but at the insistence of his family and friends he went to a doctor, who immediately ordered an operation and then another.

After the second operation, Baker was told he had six months. As expected, he was stunned at first but after awhile, however, he realized that the only future

Imminent Danger Ruling Is Denied

Some good news and some bad news came from City Hall this week.

The good news is that the city may continue to burn trash in the city dump, according to the Texas Air Control Board.

After state officials investigated the city dump in August, as a result of a complaint entered by a Mitchell County resident, City Manager Ray Mason applied to the Control Board for permission to burn.

"Our investigation and evaluation of information provided, indicates that are no practical alternatives to burning at this time," the TAC Board states in its letter of authorization.

Guidelines laid down by the board include: burning of trash once a month; burning only when the wind is from the South or Southeast; no burning of heavy oil, asphaltic matter or ve-

Time To Change Sunday

Clocks rolled back at midnight Saturday allowing the recapture of an hour lost last spring when clocks jumped forward.

Clocks were set at central daylight savings time and the sun rose officially about 7:53 a.m. and set at about 6:59 p.m.

With the time change to central standard time clocks fell back an hour [illegible] will rise about 6:53 a.m. and set about 5:59 p.m.

Election Issues Are Argued Pro And Con

The West Texas Chamber of Commerce Board of Directors has furnished the news media with pro and con analysis of the Constitutional Amendments to be voted on November 6.

They are as follows:

The proposed amendment authorizing the legislature to provide terms of office of notaries public of not less than two years and not more than four years would provide that the secretary of state appoint notaries for the state instead of the present appointment for each county.

Arguments **For** include extending the term of office from two to four years and appointing notaries for the state instead of for each county. This will reduce government personnel and cost.

Also, in county clerks' offices processing notary applications and renewals is time-consuming and costly.

Arguments **Against** include convenience and personal contact found in county clerks' offices would be lost and the proposed amendment would increase state control over a function that has been handled successfully at the local level.

The proposed amendment authorizing the legislative review of state agency rulemaking could prescribe conditions for agency rules to take effect and could provide for suspension, repeal, or expiration of existing rules. The law would provide for implementation of this authority by delegating powers to one or both houses or to committees. The proposed amendment expressly recognizes that this scheme would be an exception to the separation of powers doctrine.

Arguments **For** the amendment include the provision of close and continuing supervision needed by the state bureaucracy in order to make it more responsive to the people and, if legislative committees are given the responsibility of continuing re-

Holmans Journey To Simsbury

Mr. and Mrs. T.L. Holman have returned after a two week visit with their son and wife, Bob and Jackie Holman and their sons, Robert and Scott in Simsbury, Conn. The enjoyable visit was interspersed with sightseeing in that area.

They visited that inspiring Wadsworth Atheneum museum in Hartford where 30,000 objects of art were displayed, ranging from ancient Egypt artifacts to contemporary sculpture, European paintings and other sculpture. Green, Roman and early Christian bronzes, medieval artifacts,

French paintings of the 19th century with an American collection ranging from the earliest New England portrait known (that of 1644) and the 17th century furniture were other objects displayed. English and American silver and a collection of Meissen porcelain were also displayed.

Mrs. Holman and Jackie visited Newport, R.I. traveling by chartered bus. Old mansions built in 1748-1902 were toured. These were called summer homes of millionaires, one being the summer home of Cornelius Vanderbilt. "It would be impossible to describe the beauty," stated Mrs. Holman.

"The drive along the Atlantic Ocean was an unexpected pleasure, one I had never dreamed to see," Mrs. Holman said. "The guide was born and reared in Newport and knew just what to point out and describe, one being the church where Jackie and President Kennedy were married. The guide was very humorous and made the trip very pleasant," she added.

As they journeyed attending fairs, craft shows and other sights, the scenery seemed more beautiful than the trip before. They journeyed into Vermont to see the autumn leaves. They stopped at Stockbridge, Mass., and visited theStockbridge Historical museum which is the permanent home of original paintings of Norman Rockwell. The paintings are housed in a two story building called "The Old Corner House." Every wall of both floors were covered with his paintings with the guide pointing out interesting details. The guide stated that all of Rockwell's models were people he knew in Stockbridge, relatives or interesting persons he thought might be a subject.

From there they traveled to Bennington, Vermont. The Bennington museum is one of America's outstanding museums and the famous Bennington flag is on display, as are Grandma Moses paintings and school house museum.

They enjoyed the drive there and back viewing the leaves at their peak in fall colors. The Holmans agreed that area was a wonderful place for a vacation and sightseeing.

Arriving in Dallas, they visited with their daughter, Donna and also visited the State Fair.

McCollum Entered For Howard College Queen

Melinda McCollum, daughter of Mr. and Mrs. Weldon McCollum, formerly of Loraine, is one of 15 contestants vying for the Miss Howard College title, according to Terry Newman, Dean of Students at Howard College.

Miss McCollum, a 19-year-old green-eyed blonde, is a sophomore at Howard College and is majoring in nursing. She is currently a member of the HC Nursing Association and the Texas Student Nursing Association.

She lists her hobbies as water skiing, tennis, swimming and listening to music.

The pageant, which is sponsored by the Student Government Association, will be held at 7:30 p.m., Monday in the Howard College Auditorium.

Tickets may be purchased at the door, beginning the night of the pageant. Prices are $2.50 for adults and $1 for all students and children.

This year's theme is "The Main Event," modeled after the movie of the same name, starring Barbara Streisand and Ryan O'Neal.

Other contestants are: Laura Ward, Big Spring; Diana Dominguez, Big Spring; Debbie Puga, Big Spring; Renee' Kelley, Marble Falls and Kirona Montgomery, Longview.

Also entered are: Sharon Smith, Big Spring; Jan Hoover, Big Spring; Debbie Thompson, Big Spring; Debra Woods, Big Spring, Pam Mitchell, Tularosa, N.M.; Susan Parsons, Lamesa; Laura Caudill, Big Spring and Pattie Keune, Lamesa.

Melinda McCollum

Jaybirds Run Past Loraine

Jayton picked up two TDs in the first quarter against Loraine Friday night and went on from there to a 51-0 win.

The Jaybirds added four touchdowns in the second period and one each in the third and fourth to grind out the win over Loraine which had net rushing yardage of minus 4.

Loraine is now 3-5 for the season and 0-3 in District. They will next play Roby at 7:30 p.m. Friday in Roby.

Health Fair Is Slated

There will be a Health Fair '79 at the Nolan County Coliseum annex on Nov. 6 beginning at 9 a.m. until 4 p.m.

There will be free health screening tests, informative displays and something for everyone.

The Commendation Of God's Love.

Rev. Fred Smith
Pastor
Plainview Baptist Church

"God commendeth His love toward us, in that, while we were yet sinners, Christ died for us." Romans 5:8.

1. We need God's love because we were weak.

"For when we were yet without strength, in due time Christ died for the ungodly." We were like weak babies wandering in a vast wilderness. God knew that we would soon die without help so He sent His only Son to love us. He wanted to take all people in His arms and love them. Unfortunately, some would not come to His loving arms. The people of the beloved city of God refused to come and Jesus said, "O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathered her chickens under her wings, and ye would not." (Matt. 23:37).

2. We needed God's love because we were wicked. "Christ died for the ungodly."

We had by our own free will and choosing deliberately disobeyed God. Paul had stated this truth earlier in his epistle to the Romans, "There is none righteous, no, not one: There is none that understandeth, there is none that seeketh after God. They are all gone out of the way, they are together become unprofitable; there is none that doesth good, no, not one." (Rom. 3:10-12). Oh yes, like those of old, our tongues are full of deceit, our lips are full of poison and our feet are swift to shed blood. We are a miserable lot, but this is all the more reason for love.

3. God gave us the love we needed through His Son.

God recommended His Son as our great lover. I have often thrilled at the stories of great love. I like to read of the love which drew Robert Browning to Elizabeth Barret. I rejoice in the love which an Indian Prince had for his maiden lover and built for her the great Taj-Mahal. To me there is something so poignant in John Greenleaf Whittier's poem, 'Schoolday', "The grasses on her grave have forty years been growing...How few there are who hate to go above him because they love you."

FHAOfficers Are Elected At Colorado

The FHA Senior Chapter of Colorado High have elected officers for this year with Rosie Badillo serving as president.

Other officers are Venita Johnson, vice president; Katie Kidd, secretary; Patty Arispe, treasurer; Emma Jackson, reporter and Rachael Leigon.

Chapter members will be working on a project for UNICEF during Halloween. They will have an information and donation booth at the Kelley Carnival with balloons for the children. On Wed. from 5-6 p.m., they will be "Trick or Treating" for UNICEF in various neighborhoods and also at high school that day. The UNICEF Project is in keeping with the International Year of the Child.

The chapter members recently had a Mexican Supper in the Homemaking Dept. and have also completed successful sale of Home Economics Teachers Cookbooks. Venita Johnson was high salesperson and will receive a complimentary Pizza Party at the Pizza Hut. Mrs. Marion Craddock is advisor for the Senior Chapter.

The chapter had a float in the Homecoming Parade as another annual activity.

From WORLD, Page 1

plans that he had time for were to work with the youngsters that he had been coaching at Aspen Elementary School.

He plunged into the job with everything he had. Throughout his career, up to that time, he had always made an effort to involve all of the youngsters in sports, not simply the ones who had outstanding potential to begin with. Now he made a special effort to seek out the youngsters who were awkward, shy, small or perhaps had a disability to involve them in some way in his sports program.

A boy who had a lung aliment that kept him from running became his "Assistant Track Coach" and helped with younger kids. Another youngster became his "Foul Line Supervisor" and another his "Chief Equipment Watcher."

In addition, Baker rewarded his kids for their efforts. His rewards were nothing but homemade rosettes made of cardboard and ribbon but, because they came from a coach they respected, the prizes became a sought after thing at the school. They were awarded to "Winners" and "Tryers" alike.

And so the school year went with Baker seeking out the kids who needed him, even though his suffering was increasing.

Probably the most remarkable thing about the man was that he was able to keep going and living an almost normal life despite his agony, long after most people would have caved in. During his college track days he had developed an incredible power of concentration, an ablity to hone in on one single objective, to defeat his competitors to the exclusion of everything else that might enter his mind.

It had been the secret of his successes as an athlete because he wasn't especially gifted. He now used this ability to keep himself going, to concentrate on whatever he was doing and make his pain bearable.

By January 1970, his six months were up but ignoring that fact, he took on another responsibility, coaching a girl's track team named the Duke City Dashers.

As with his elementary school coaching, he made every effort to involve as many youngsters as possible. He had two goals for the team, "(1) Every girl from the swiftest to the slowest would have equal status with her teammates and (2) membership on the team would be fun."

The workouts were fun and the team began to make plans to go to a National AAU meet in St. Louis in November.

In July, 1970, Baker finally collapsed and almost died but, to his family's and friends' amazement, he rallied, came out of the hospital and began teaching again in September.

By now, however, he knew his days were definitely numbered and he poured his last strength into his coaching job at the school and with the girls' track team.

Finally on Thanksgiving Day 1970, a year after his six months were supposed to have been up, he died as the Duke City Dashers were leaving for their track meet in St. Louis.

The school where he taught was renamed and is today "John Baker Elementary School."

Woods Are To Celebrate 50th Anniversary

Mr. and Mrs. W.E. Wood will celebrate their 50th wedding anniversary Nov. 4 from 2-4 p.m. in the Medallion Room of Lone Wolf Electric.

Pearl Robertson and W.E. Wood met at Hannah School in Jones County and were married on Nov. 9, 1929 in Rochester at the Methodist parsonage.

The couple had lived in Tahoka and Lorenzo before moving to Colorado City in January of 1939.

They have one son, Charles, of Colorado City and three grandchildren.

They farm ten miles south of Colorado City.

All friends of the couple are invited to join the celebration on Nov. 4.

Halloween At Library

The Mitchell County Public Library, 340 Oak Street, and the Colorado City Optimist Club will celebrate Halloween with a balloon launch at the library at 5 p.m. Wednesday.

Kids of all ages are invited and welcome.

UNICEF Fund Drive

All youth can be identified by the orange UNICEF collection cartons.

A dinner for this group will be hosted at the First Presbyterian Church fellowship hall.

There will be a number of young people "Trick or Treating" for UNICEF Sunday evening from several church groups.

These youth will be representing the First United Methodist Church, St. Luke's United Methodist, the Inter-Denominational Youth Fellowship of the All Saints Episcopal Church, First Christian and the First Presbyterian Church.

They will be trick or treating throughout the city from 5-7 p.m. Sunday, according to Monte Jones, rector of the All Saints Episcopal Church.

Marsha Moore Is Queen

The TOPS TX 691 met Monday evening with two new members joining the club. New members were Mrs. Wilma Womack and Mrs. Mary Arellano.

Marsha Moore was Queen for the evening having lost the most weight.

Mattie Hines is the KOPS of our club.

Marsha Moore presented the "Subject of Weight Loss" to the club.

Those present were Dottie Acuff, Frances Brooks, Geneva Bynum, Vera Carrol, Sue Shurtleff, Mattie Hines, Louise Logsdon, Mrs. Linda Marion, Joyce Vaughn, Elna Adams, Gloria Erwin, Mary Rivera, Marsha Moore, Wilma Womack, Mary Arellano and Lillian Vest.

Commissioners Meet Monday

Mitchell County Commissioners will meet in a special session Monday at 9 a.m. in the County Courthouse to finalize the county revenue sharing budget.

Several local organizations made additional requests during the last regular commissioners meeting.

Commissioners will decide if funds are available for any of these requests during Monday's meeting.

Church News

The Baptist Women and the Baptist Young Women are sponsoring a Prayer Retreat for the women of the church.

November 3 is the time scheduled for the retreat and it will take place at the West Texas Ranch for Christ. The group will leave at 9 a.m. and return to the church at 4 p.m. Transportation will be provided.

A registration fee of $2 will be required to help defray the expenses to the ranch. Reservations must be in by Wednesday, Oct. 31.

Please give your reservation slip and $2 to Cecile Hubbard, Janis Inman, Kay Fite or Jean Hardee.

xxx

Youth of the First United Methodist Church are hosting a Halloween Carnival to be held from 7-9 p.m. Halloween night in the fellowship hall at the church with all proceeds from the carnival to be used for mission week.

Booths at the carnival will include Go Fishing, Bobbing for Apples, Wet Sponge Toss, Coin Toss, Ring Toss, Sharing the Balloon and Balloons and Darts. There will also be a Spook House.

Concessions will include popcorn, popcorn balls and punch.

"We hope everyone will come to the carnival Halloween night and help us support mission work by joining in the fun," said Marie Helm, Youth Director.

FFA Students To State Fair

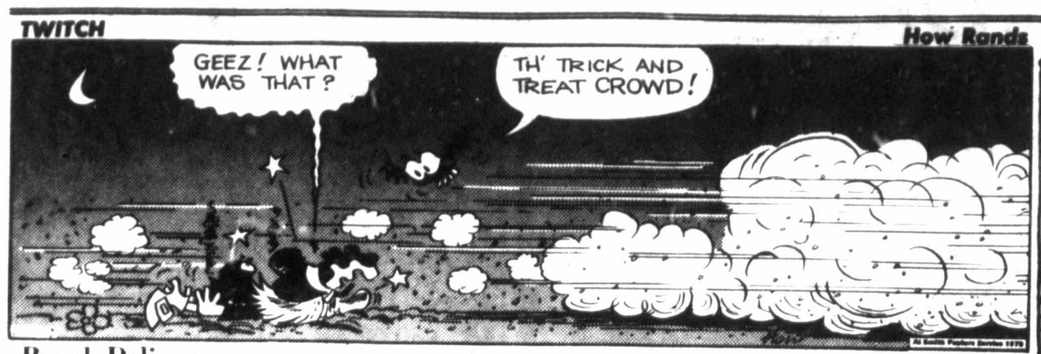

Several Loraine FFA students took livestock to the State Fair in Dallas recently and brought back several ribbons.

Grey Oliver won second place in the Heavyweight Steer division. This is second behind the Grand Champion.

Melanie Oliver won 14th place in the Middleweight Steer division. Sherri Webb won sixth place in the middleweight Crossbred Swine and eighth place in the Heavyweight Hampshire.

Cheerleader Conference Set

Cheerleader squads from West Texas high schools and junior high schools are invited to enter the West Texas Cheerleader Championship competition at Western Texas College on Nov. 3.

The competition is sponsored by the All-Star Cheerleader Conference and will begin at 8:30 a.m. in the WTC gym. The squads will be judged on introduction of cheers, jumps and mounts, enthusiam, voice projection and articulation, arm motion control, squad precision and unity, and appearance.

The All-Star Cheerleader Conference conducts cheerleader workshops and camps throughout the United States each year, including a summer camp at Western Texas College. It will sponsor a North Texas Championship at Dallas Baptist College on Oct. 27 and a South Texas Championship in Houston on Dec. 1.

Details about the competition may be obtained by contacting Mrs. Mickey Baird, Student Activities Director, at Western Texas College or by calling her office at AC 915 573-8511.

B&PW Clubs Attend Sweetwater Meeting

There were several members of the Loraine Business and Professional Women's Club attending the dinner meeting of the Sweetwater Business and Professional Women's Club in conjunction with National B&PW Week Tuesday evening in the Sweetwater Country Club.

Mrs. Arnell Smith of the Colorado City club presented a program on "The Meaning of Our Emblem" and Dora Gray, of the San Angelo Club, presented a program on "Why E.R.A.?"

Those attending from the Loraine Club were Louise Taylor, Adaline Witta, Wanza Graham, Pam Butler, Ann Preston, Juanice Butler, Penny Mitchell, Helen Williams, Doris Henderson, Ruby Lee Small, Mabel Givens, Martha Espinoza, Nettie Crownover, Margaret Brame, Gladys Hart and guest Liz Alvarez.

Is now the time to buy land?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

Why insurance on your home?

There are four main reasons for insuring your home:

1. Your equity. You need protection for your cash investment in the property.

2. The mortgage. To protect its loan to you, a leading institution requires insurance to cover the amount of the mortgage it has on your property.

3. Your possessions. You should protect from loss all your furniture, appliances, clothing, tools, and equipment for entertainment, sports and hobbies.

4. Your liability. You need adequate protection against possible lawsuits growing out of accidents or property damage caused by either your own negligence or that of a member of your family.

Your home may be the largest single investment you will make in your lifetime. When the value of your possessions is added, the amount becomes even more sizable. Insurance can protect you from loss all or any part of your investment.

From LAW, Page 1

view of agency rulemaking, it is likely the legislature will learn to be more careful and precise in the way it delegates power to agencies.

Also the legislature should review rules because they have the effect of laws. Just as the governor's veto is a necessary check on the powers of the legislature, legislative review can serve as a check on the executive branch.

Arguments **Against** included the amendment which would infringe upon one of the fundamental principles, the separation of powers. If the legislative comittees get involved in day-to-day process of agency rulemaking, special interest groups will have one more chance to impose their will on the public.

Also people have consistently rejected attempts to expand the time the legislature is in session. This amendment could mean the session lasts on a year-round basis.

Another argument against it is the legislative committee and staff members who would review agency rules do not have the same level of expertise and understanding as do agency officials. Legislative committee review could postpone the effectiveness of important and immediately needed regulations.

The proposed amendment authorizing $10 million in general obligation bonds, administered by the commissioner of agriculture without appropriation, to be used to guarantee loans for the purchase of farm and ranch land; for acquiring mortgages or deeds of trust on lands purchased under a guaranteed loan; to advance to the borrower a percentage of the principal and interest due on a guaranteed loan would also provide for investment of the bond proceeds. It would place a first call on the treasury for repayment of the bonds.

Arguments **For** the amendment include the proposal would aid young men and women who have been unable to begin in the farm and ranch business because of the high price. The amendment has built-in safeguards as to who is eligible for loans. Risks to the state are minimal and land speculators and large corporations will not benefit. The proposal has been modeled after a successful Minnesota program.

Also large corporations are gaining control of more and more agricultural land in the state. This program enables individuals to begin to operate economically efficiently and competitively on farms or ranches.

Arguments **Against** include a state guaranteed program financed by bonds means the state is borrowing money and assuming risk of default for loans made by private lenders. Not only is this government interference with the traditionally free market place, but it is also an unreasonable assumption of risk without tangible benefit. If the presently unstable economic conditions were to worsen, the taxpayer would bear the cost of the defaulted loans.

Even with no or few defaults, the program is not without cost to the taxpayer. The costs of administering the program through the commissioner of agriculture are paid from appropriated funds. The guarantees may create higher land prices.

Also the number of individual farms and ranches has dropped by 50 per cent since 1940; there are no proven ill effects from the decline. Farms have become fewer, larger and more expensive to operate, but have also become far more productive.

The payment adjustments provided for under the proposed amendment and the enabling legislation are, in effect, loans to individual borrowers. The state therefore, is not only assuming the risk of a private lender on the purchase money-loan, but is is also assuming the risk of making an indirect loan to the borrower.

PUBLIC NOTICE

Pursuant to TEX. REV. CIV. STAT. ANN. art. 1446c §43(1975), Lone Star Gas Company hereby gives NOTICE of the Company's intent to implement a new schedule of rates effective on the latter of December 3, 1979 or such other date as new rates become effective in the City of Colorado City to be charged for natural gas service to residential and commercial customers in the environs areas (outside incorporated limits of City of Colorado City). The rate schedule is expected to furnish a 10 % increase in the Company's gross revenues in the environs of City of Colorado City.

A Statement of Intent has been filed with the Railroad Commission of Texas and is available for inspection at the Company's business office located at 257 E. 2nd, Colorado City

Any affected person desiring to contest such changes in rates can file a complaint with the Director of the Gas Utilities Division, Railroad Commission of Texas, P. O. Drawer 12967, Capitol Station, Austin, Texas, 78711.

The Colorado junior varsity and freshman football squads traveled to Crane Thursday and both teams ran into one of those nights when nothing goes right.

The junior varsity team lost 20-12 in a strange contest.

Victor Jackson went 60 yards for the Wolves' first TD in the first quarter.

On the kickoff after Jackson's TD, a Crane runningback took the ball and ran it all the way back for a score.

Not to be outdone, Jackson then took the kickoff for Colorado and also ran it all the way back, some 70 yards, for the second Wolves' TD.

The Wolves weren't able to score again, However, they did have two touchdowns called back and Coach Mike Hart stated that the team played well and hard.

Buddy Holloway received a concussion during the contest. He was taken to the hospital in Crane and was treated and released with no serious injury reported.

Coach Rick Robinson's freshman lost their game by the score of 13-8 and they also had two TDs called back.

The only Wolves' TD allowed to stand came on a pass play from Richard Ligon to Stacey Tarter.

The Wolves were victimized during both contests by many penalties for which there appeared to be no reason for the referee's call.

xxx

The Colorado eighth grade Wolves lost to Crane by the score of 2-0 Thursday and it wasn't baseball they were playing, it was football.

Coach Raymond Zamarippa stated "It was simply a hard defensive battle and a heart breaker to lose."

The Wolves did cross the goalline once on a 65 yard pass play from Dennis Rivera to Manuel Molina but it was called back because of a penalty.

Rivera also had an interception on the Colorado two yard line that stopped a drive for Crane.

Crane had their only score on a safety in the second half.

xxx

Coach Ronnie Gainey's seventh grade Wolves' football team played one of their best games of the season Thursday against Crane but were victimized by a last ditch drive and came out on the short end of a 12-6 score.

The game was tied 6-6 with only 45 seconds left when a Golden Crane runningback rambled over from the eight yard line for the deciding touchdown.

The Wolves scored their lone TD in the second quarter when Billy Jackson took a punt return and went 80 yards for the score.

Gainey noted that Doug Chitsey at quarterback and Jackson at runningback played well on offense and Jay Piland at defensive end and Robert Dominquez at linebacker were the steller performers on defense.

Bulldogs Drop Wolves 33-9

A time bomb went off in the face of the Colorado City Wolves Friday night, toppling them from their "king of the hill" posture which they have maintained for three years in District 6-AA football, two of those years as district champion.

That time bomb was in the form of the Stamford Bulldogs, a team with a reputation of not scoring until the cond half.

The fuse on the time bomb burned until the fourth quarter Friday night before a large crowd. It was a game that was a must win situation for the Wolves or they faced elimination from the district race as they had already suffered one defeat in loop play.

Going into the fourth quarter, the Wolves led 9-6 but in quick succession, Stamford tallied four times and the Bulldogs left town howling about a 33-9 win.

The district race now boils down to two teams, Stamford and Wylie, both undefeated in district play. Wylie downed Winters easily Friday night by the score of 27-6. Wylie and Stamford face each other in a showdown next Friday.

Wolves Coach Tom Ramsey felt going into Friday nights game that Stamford was the best team in the district. However, Wylie has the fewest stumbling blocks in front of them as Wylie has played all of the contenders, except for Stamford, and won while Stamford has not yet played pre-season favorite Coahoma.

For the Wolves, the rest of the season means a fight to avoid Colorado City's first losing season in five years. The Wolves have won two games, lost four and tied one and still have Coahoma, Winters and Merkel to play.

Friday night's game started with Stamford getting the kick-off but neither team could move the ball. On Stamford's second possession, they failed to move the ball and on fourth down, the snap from center to punter was centered over the kicker's head and went out of the end zone for a safety, giving the Wolves a 2-0 lead with 5:35 left in the first quarter.

Wolves got the ball on the free kick after the safety and a good return by Doug Johnson set the

Tips On How To Cook Carp

The following is a recipe given by B.B. Hardee in conjunction with the Carp Fishing Tourney now underway at Fisher Park.

Build a fire outside. Nail a five pound or larger carp on a board and drive this board into the ground by the fire.

After about an hour take the carp off of the board, throw the carp away and eat the board.

Of course this was a joke and Hardee gave another recipe which he whole-heartedly vouches for.

Because a carp is a very bloody fish, hang the carp by its tail and remove the head. Allow the fish to bleed, then skin it.

There are two strips of dark meat down each side of the carp. Remove these strips before filleting the remainder.

Place these fillets in a pressure cooker until tender.

Flake fish and add salt, pepper, onion and an egg and form into carp patties. Roll these in cracker meal and fry in teaspoon of grease.

"This recipe really works and carp is an edible fish," Hardee stated.

Westbrook Girls To Open Season

The Westbrook High School girls' basketball team will open their 1979-80 season Thursday against Paint Rock in Westbrook.

Coach Bill May has all of his players returning from last year's squad that finished second in district with an 11-3 record.

This season, District 10-B will be divided into zones and the district champion will be decided in a tournament after regular season play ends.

In the district tourney, the team finishing first during the regular season in each zone will play the second place season finisher from the other zone. The winners of those games will then play for the district title.

Ira, Loraine and Highland will be competing in Westbrook's zone.

Westbrook will have four Seniors returning and they will be Teresa Dorn, Rosemary Lopez, Jana Shackelford and Lisa Anderson.

The Juniors coming back will be Sharla Rollins and Beth Geiger. Pat Harris, Debbie Parrish and Rosie Vigil will be the returning Sophomores and Teresa Wimberley, Christi Vanderpool and Lynn Anderson will be the incoming Freshmen.

Westbrook's Junior High girls' team will also open play against Paint Rock Thursday. May stated that he has 11 seventh and eighth grade girls out for the team.

The Westbrook Junior High boys' team will open their season Nov. 5 on the road against McCaulley and the Westbrook varsity boys' team will open Nov. 6 against Eula in Eula.

hicle tires; burning from 9 a.m.-5 p.m.; the disposal site must comply with rules and regulations of Texas Department of Health; burning must not create a nuisance condition; an attendant must be on duty during burning and the Abilene Regional Office must be notified of all burning.

"Where possible we urge Colorado City to provide access by the public prior to burning so that material can be removed for firewood," the statement continues.

The bad news is there will be no governmental financial assistance in replacing the bridge washed out on Front Street during the eight inch rains June 4.

"I requested funds from the department of Housing and Urban Development on October 8 under an imminent threat grant program," Mason stated.

"They replied that the situation poses problems within the community but is not a unique occurrence within the state and does not constitute an imminent threat to health or safety," Mason noted.

"This determination does not rule out applying for funds under the Small Cities Program," he said.

"I will submit for a Community Development Block Grant but I think the chances are slim that we will be accepted," Mason said.

Currently the city has no funds available to make repairs or replacement on the bridge, Mason said.

"A six inch water main by the bridge was also washed away during the rains and we are in the process of trying to repair this damage now," Mason noted.

Mason has also issued a letter to HUD to question the delay in answering the city's request for funds to renovate the Baker Hotel.

"There is some question about the amount to be charged for rent. I think the developer stated he required something like $150 per month and the government would allow only $120 per month," Mason said.

"There is also some question as to tax relief for the developer. In larger towns, it is common practice to establish a set amount of tax free time after construction to help defray immediate costs," City Secretary Brenda Tarter stated.

"This would necessitate an official act by the council," she noted.

H.R. "Ramey" Jameson
XXX
City of Loraine, P.O. Box 7, Loraine, Texas 79532, has applied to the Texas Department of Water Resources for renewal of Permit No. 10430, which authorizes a discharge of treated domestic sewage effluent at a volume not to exceed 50,000 gallons per day average from the sewage treatment facilities located northwest of Loraine about three-fourths (¾) mile north of the western intersection of FM Road 316 and IH-20 in Mitchell County, Texas. The expiration of the existing permit is February 25, 1980. It is proposed that the expiration date be specified as midnight, five years after the date of Commission approval. Since the facility regulated by the permit is an oxidation pond plant, the applicant has also requested that the permit be amended consistent with current oxidation pond effluent standards in Texas Department of Water Resources' Rules 156.18.05.001.-.004. The requested amendment would increase the presently authorized 30-day average total suspended solids limitations from 30 milligrams per liter to 90 milligrams per liter and would delete chlorination requirements. All other permit limitations and conditions, including the currently authorized discharge volume and pattern and place of discharge, would not be changed by the amendment. The effluent is discharged into an unnamed tributary of and thence into the North Fork of Champion Creek, thence through Champion Creek Reservoir to Champion Creek, thence to the Colorado River.

LEGAL AUTHORITY: Section 26.028 of the Texas Water Code, as amended, and Chapter 25 of the Rules of the Texas Department of Water Resources.
No public hearing shall be held on this application unless an affected person who has received notice of the application has requested a public hearing. Any such request for a public hearing shall be in writing and contain (1) the name, mailing address, and phone number of the person making the request; (2) a brief factual statement of the nature of the interest of the requester and an explanation of how that interest would be affected by the proposed action; and (3) the names and addresses of all persons whom the requester represents. If the Commission determines that the request sets out legal or factual questions within the jurisdiction of the Commission and relevant to the waste discharge permit decision, the Commission shall conduct a public hearing, after the issuance of proper and timely notice of the hearing. If no sufficient request for hearing is received within 45 days of the date of publication of the notice concerning the application, the permit will be submitted to the Commission for final decision on the application. Further information concerning any aspect of the application may be obtained by writing Larry R. Soward, Assistant Chief Hearings Examiner, Texas Water Commission, P.O. Box 13087, Capitol Station, Austin, Texas 78711, Telephone (512) 475-1311.
Issued this 24th day of October, 1979.

Mary Ann Hefner,
Chief Clerk
Texas Water Commission

Nov. — Baton Twirling

★ GAME, From Page 9

Wolves up in business at the Bulldog 28. From there, the Wolves marched in quickly, with the score coming on a 15-yard pass from Quarterback Chuck Claxton to Johnson. Britt Chaney added the point after to make the score 9-0 with 4:35 left in the first quarter.

Stamford had a scoring opportunity on the Wolves next possession when Claxton was sacked and fumbled, giving the Bulldogs the ball on the Wolves 18. Four plays later, the Wolves took over on their own 17 wen Colorado City's defense proved too tough to penetrate for Stamford.

Three possessions later, the Wolves moved deep into Bulldog country but the scoring threat was daunted when an errant Claxton pass fell into enemy hands in the Stamford end zone.

Late in the second quarter, Stamford got the ball and moved quickly downfield to score with the final 15 yards coming on a draw play to Edward Gardner who went in untouched. A try for two points failed, with the Wolves still leading 9-6

Early in the fourth quarter, Stamford got the ball on the Wolves' 45 after a short punt. On fourth and two from the 37, Gardner went around his right end to score and Bart Rosenquist added the extra point to make the score 13-9 with 10:40 left in the game.

The Wolves got the ball on their own 20 and marched downfield but were stopped on a pass interception at the Bulldog' 18. On the next play, Gardner swept through the Wolves right side for 82 yards and six points with Rosenquist tacking on the PAT. The score was 20-9 with 5:48 left in the game.

On the Wolves next possession at their own 20, an errant pass was intercepted at Colorado City's 33. Again Stamford scored, this time on a pass from Quarterback Mike Cox to Rocky Lewis and Rosenquist added the extra point. The score was 27-9 with 4:44 left in the contest.

Stamford got the ball back on their own 36 when a Wolves drive failed and moved downfield to score with the tally coming on a pass from Rosenquist to Lewis covering 30 yards. Try for extra point failed, leaving the score 33-9 with six seconds to go in the contest.
