

DAWSON COUNTY COURIER

Volume 7

Lamesa, Dawson County, Texas, Thursday, August 26, 1937

Number 32

Dawson County And Plains Country Are Dripping Wet

Dawson county and the entire plains country have joined the ranks of the dripping wets as far as moisture is concerned. Rainfall averaging from 2 to 6 inches fell over Dawson county last week. Never before in the history of the county have conditions been more favorable than at the present time. Three or four weeks of sunshine is all that is necessary, barring insect damage, to place Dawson county in the middle of one of the largest harvest seasons of all times.

Estimates coming from conservative sources place the cotton yield as high as 75,000 bales this season with the possibility of making as high as 100,000. Reports indicate that the 1937 feed crop will surpass anything in the past for quality and production per acre. It is thought by informed persons that the abundance of moisture in this section will result in a better grade of cotton as well as staple.

According to the Lamesa Soil Conservation camp, who have rain gauges station at the named places the following rainfall was received in the different sections of the county:

Higginbotham, August 19, 29, 21.1937 3 1/2 inches; Stuart, August 19, 20 and 21, 2.6 inches; McWhorter, August 19, 20, 21, 5.75 inches; Echols, August 19, 20, 21, 2.75 inches.

Lamesa Baptist Ass'n Annual Meeting September 7-8

SECOND PRIZE

HOW EVERY FAMILY IN THE LAMESA TRADE TERRITORY COULD SAVE MONEY BY SUBSCRIBING TO THE DAWSON COUNTY COURIER—

Stop! Look! Listen! All ye ladies, housewives, I have learned through shopping the Courier way how to make a husband smile, instead of frown, when you give him the monthly grocery bill to pay.

Mrs. S. C. Medley, Route 2, Lamesa, Texas.

THIRD PRIZE

WHY WE SHOULD SUBSCRIBE TO THE DAWSON COUNTY COURIER

Why hesitate, the time will soon expire when the low price of 50 cents a year only, will bring bargain prices to your door regardless of the distance, for a few years.

Save time and money enough on one purchase to pay for Courier. Shop at Lamesa, the thriving town of the west.

Mrs. Earl Heald, Rt. 1, Ackerly, Texas.

FOURTH PRIZE

SHOPPING THE COURIER WAY

Our family trades the Courier way because the Courier gives sufficient and accurate accounts of the best sales.

Not only do we prosper by the ads but by the other interesting items in the paper.

No paper we take, takes the place of our home town paper, the Dawson County Courier.

THE "LAST ROUND UP"

FOUR MORE DAYS OF COURIER BARGAIN RATES

Friday, Saturday, Monday and Tuesday, August 27-28-30-31 will be the "LAST ROUND-UP" days for DAWSON COUNTY COURIER subscribers who intend to take advantage of the bargain rate now in force of 50 cents a year. Already hundreds of people in this trade territory have availed themselves of the money saving opportunity offered by the COURIER and renewed their subscriptions or had their names placed on our list for the first time. Many more are expected to take advantage of the bargain rate in the next few days.

SUBSCRIPTION PRICE WILL BE ADVANCED TO \$1.00 SEPTEMBER 1

Attention is called to the advance in price of the COURIER starting September 1. After this date the price will be advanced to \$1.00 a year and no longer will it be possible to subscribe for the COURIER for 50 cents a year. Regardless of what people might think, or rumors that are being circulated, there will be no 25 cents subscription campaign sponsored by the COURIER and those who are waiting for this to happen are doomed to disappointment. Again COURIER subscribers are urged to renew their subscriptions before it is too late to obtain the bargain rate.

Important Ordinances Passed by City Commission Tuesday

Three ordinances important to the City of Lamesa were passed at the regular meeting of the City Commission on Tuesday.

Mr. Pierson and Mr. Williams, with the milk division of the State Health Department, met with the commission and explained in detail the Milk Ordinance that is to be put into effect in Lamesa within the next six months.

Another ordinance passed at the Tuesday meeting has to do with car dealers of Lamesa. According to this ordinance it is now necessary for car dealers to get a permit and pay a \$25 tax and make a bond of \$5000 before doing business in the city of Lamesa.

A mad dog ordinance was also voted on by the Commission and passed at the Tuesday session. All dogs must be vaccinated. Mayor W. L. Marr stated this week. Each dog must have a metal tag on his collar showing that he has been vaccinated and owners must have a certificate to show that his dog has the proper vaccination. Fine for violation of this ordinance is not less than \$5.00 or over \$100. Dogs that run loose within the city will be killed if not showing that they have been vaccinated.

Dr. J. D. Standefor to Speak at McCarty Homecoming Sept. 3

Dr. J. D. Standefor, president of Hardin-Simmons of Abilene, will be the principal speaker at the Third Annual Homecoming at McCarty, which will be held in that community on Friday, September 3.

The program will start at one o'clock on Friday afternoon and will consist of play activities and also a short program given in the auditorium of the school. This program is especially for all residents of the McCarty community, ex-residents and professional men who have served the community in any way. Rev. Cecil Tune, pastor of the Methodist church at Stinnett, will address the afternoon group. Dinner will be served at the school building at six o'clock.

The evening's program is open to the general public and will begin at eight o'clock. At 8:15 Dr. Standefor will speak on education and its relation to crime. Dr. Standefor, as the public knows, is one of the best speakers in West Texas, and everyone in Dawson and surrounding counties are urged to be present for the evening program and hear what Dr. Standefor has to say.

C. O. STONE ILL

Lamesa friends of Mr. C. O. Stone, will be happy to learn of his improved condition in a Lubbock hospital where he is recovering from an operation. Mr. Stone was formerly secretary-treasurer of the Farm Loan Association of Lamesa.

V. O. BARRON AND FAMILY RETURN FROM TRIP

Mr. and Mrs. V. O. Barron and daughter Ethel and son Tom returned last Friday from a two week's trip to Louisiana and points in South Texas. Mr. Barron visited his birth place in Louisiana and many other points of interest. Approximately 2,000 miles were covered on the trip and nothing to compare with Dawson county for crons was encountered. Mr. Barron stated.

DAUGHTER OF MR. AND MRS. JOE ROACH DIES

Lidia Roach, infant daughter of Mr. and Mrs. Joe Roach, passed away on last Thursday at the family home one mile east of town. Funeral services were conducted at the cemetery at 2 p. m. Friday afternoon.

Mr. and Mrs. P. M. Ragsdale have returned from a visit in Crane.

Duff Brothers Doing A Good Job of Feeding Out Calves

L. A. Duff Jr., and H. T. Duff, age 14 and 12, sons of Mr. and Mrs. L. A. Duff who live in the Klondike community are doing a real job of calf feeding. The Duff boys secured two calves from the Slaughter and Higginbotham ranches some 14 months ago and have already won \$300.00 in prize money by their efforts. One of the calves has been on feed about 12 months and is estimated to weigh about 1200 pounds. The other one was run on the range for the first seven months and has been on feed for about the same length of time and weighs about 900 pounds. The calves have been gaining from 3 to 4 pounds daily on the special feed that is being used. Estimated worth of the calves on the Fort Worth market at the present time is around 13 cents per pound which would make the calves bring approximately \$275.

The Duff boys won prizes at the Lamesa fair last fall and also at the stock show held here in the spring. These boys are doing a wonderful work and are to be congratulated on the success with which their efforts have been rewarded.

Union School To Open August 30th

Union School, new consolidated district composed of Weaver, Ballard, and Higginbotham districts, will open on Monday, August 30th. Three new buses will pick up the pupils, delivering those in the seventh grade together with high school pupils to the old Weaver building and pupils of the first six grades to the Higginbotham building. School will be held in these two buildings until the new building is erected.

The faculty is composed of P. K. Humes, superintendent, Ray Culp, Millard Webb, Clifford Martin, Mrs. Lela Seale Gandy, Mrs. L. W. West, Mrs. Hattie Butcher, and one member to be selected immediately.

District Laymen's Meeting at McCarty

The District Laymen's Meeting of the Methodist Church will be held at McCarty on Sunday, August 29, with B. M. Haymes of O'Donnell in charge of the program, which will start at 3 o'clock in the afternoon.

This is the first time a district meeting has been held in the Lamesa circuit, and representatives are expected from all parts of this district, as well as from the First Church in Lamesa.

The club is sponsored and directed by Mrs. Weldon A. Lindsey.

BOBCAT ON DISPLAY AT SHOOK TIRE COMPANY

Last November, Frank Stanley, local manager for Shook Tire Co., killed a bobcat 20 miles northeast of Lamesa. These animals are rarely found in this section and the cat measured about 6 feet long and 2 feet high which is considerably larger than usually found in this country. The bobcat has been mounted and is now on display in the show room of Shook Tire Company.

Mr. and Mrs. A. M. Bennett visited in Midland Sunday.

New Oil Pool Indicated For Dawson County

Indicating a new oil pool for Dawson county, the E. L. Wilson et al No. 1 Scanlan Estate, section 83, block M, E. L. & R. R. survey, was bailed dry Wednesday, recovering 25 barrels of oil. It was then allowed to stand six hours, filling with 800 feet of oil, but the last time the bailer was run to a total depth of 4,954 feet a small amount of water showed in the bottom of the bailer. It has been shut down pending arrival of Wilson.

Four and one-quarter miles west and slightly north of Ray Albaugh's No. 1 Robinson, discovery well of Dawson county, the No. 1 Scanlan encountered dark oil from 4,836 feet to 4,850 feet, with live oil from 4,902 feet to 4,909 feet and from 4,947 feet to 4,947. Carrying 250 feet of oil in the hole, the oil rose to 750 feet in one hour after logging the last show.

Plans for Scout Program Are Made

The Boy Scout district committee meeting at 5 o'clock on Monday afternoon made plans for the fall program and made special efforts for participation of three troops and a cub pack in the annual Panhandle South Plains Fair at Lubbock next month, according to W. K. Crawley, district chairman, who was in charge of the meeting.

Others attending the meeting were J. D. Dyer, A. G. Barnard, A. G. Beard, C. Cameron, C. Baldwin, Leslie Pratt and Earl M. McClure of Lubbock, executive of the South Plains Council.

Plans also were made for the court of honor at O'Donnell, September 3. Lamesa troops are planning to attend in a body, leaders state.

The scout finance committee set October 19, at the date for the financial drive. The next executive board meeting will be held on September 14 at the Hilton Hotel, Lubbock.

People Urged Not To Leave Cars Unlocked

Chief of Police, Jack Phinizy, is urging the citizenship of Lamesa and Dawson county, not to leave their cars unlocked on the streets of Lamesa, and especially urges people not to put packages in their cars and leave them with car doors unlocked.

Mr. Phinizy states that several hundred dollars worth of merchandise was stolen from cars last fall, and wishes to remind people bundles are not safe in unlocked cars on the streets at any time.

Rotarians To Have Chicken Barbecue

Friday evening, August 27, Lamesa Rotary Club will entertain their wives with a chicken barbecue on the lawn at the residence of Mr. and Mrs. J. H. Harp. Festivities will start at 7:30.

J. Ed McLaughlin of Ralls, District Governor, will be present to address the club on this occasion. The entire membership of the Lamesa Rotary Club is expected to be present.

Sparenberg Road to Receive Topping

In a letter received by Sam Richardson this month from Harry Hines, chairman of the State Highway Commission information regarding the topping of the Sparenberg farm to market road was made available. Mr. Hines was glad to pass on the information that the Sparenberg paving project had been approved along with other farm to market projects in Dawson county. Work will probably get underway on this project some time in September.

Noted Speaker At Local Churches Sunday

Josip Benjamin, a noted Persian Missionary will speak in Lamesa on Sunday morning and night, August 29, speaking in the morning at the First Methodist church, and Sunday night at the Presbyterian church.

The subject for the morning will be "Christ and Islam Religion in Persia" and the night subject "My Life and Experiences in Persia and Russia."

The public is invited to attend both of these services and hear this interesting speaker.

New City Water Well Completed This Week

The new city water well is being completed this week and will be put into operation for city use immediately. The well has been dug to a depth of 150 feet with a ten inch hole.

A ten horse power Pomona Centrifugal pump is being installed and will be run into the main lines through a sealed line.

Four Amendments Approved in County; Two Are Rejected

Endorsement of four proposed constitutional amendments and the rejection of two others was given by Dawson county voters here Monday in the most expensive election in some time, in so far as per vote cost was concerned.

With all votes from different boxes in the county in, only 268 were cast against an election cost of approximately \$321.61 to the county. Of voters approximately 77 were election officials who were required by their duties to be at the polling places.

Official totals for the county on the various proposals were:

For bank stockholder's liability amendment, 146; against, 83.

For aid to dependent children, 187; against, 71.

For abolishing the salary system of compensation for district, county and precinct officials and restoration of fee system, 108; against 125.

For amendment providing that property shall never be assessed for taxes at more than its fair cash market value, 164; against, 80.

For Harris county road financing plan, 81; against 129.

For aid to needy blind, 193; against, 65.

The number of persons voting in each of the voting boxes in the county were: Lamesa, Precinct 1, 15 votes; Precinct 2, 19 votes; Precinct 3, 23 votes; Precinct 4, 62 votes; Ackerly 8; Plainview 12; O. K. 8; Fairview 10; Key 11; Sunset 12; Lou 21; Sparenberg 13; Klondike 15; Hagin 4; Hancock 5; Patricia 9; O'Donnell 6; Munger 11; and Pride 4 votes.

Mr. McCollum will be in charge of registration. Examinations for admission into the eleventh grade will be held on Monday, September 5.

Donkey Softball Games Sept. 1-2

Thrills and spills, with laughs and moans are in store for the softball fans of this territory when four teams tangle in donkey softball games to be played on the local field, September 1 and 2.

The games will be played by the Cosden Oilers and Modern Dry Cleaners, and the Lions Club and Rotary.

Every player on the field will be mounted except the pitcher, catcher and batter, and when the batter hits the ball he must mount and run the bases. The donkeys are specially trained for this game, and have played over a hundred games already this year. Fans in this territory are urged to come out and watch the fun. A small admission fee will be charged, to come out and watch the fun.

These games are being sponsored by the Lamesa Lions Club with the proceeds to go into the club activity fund used for the hospitalization and treatment of crippled and handicapped children. Admission to the games will be 15c and 25c.

HIGHWAY BAPTIST CHURCH

Our pastor, Evangelist Jno. R. Denning, has been invited to conduct an intensive evangelistic campaign for the Graham Baptist Church, of Los Angeles, California, and will leave next Monday for an absence of about twenty days in that city. It is therefore the desire of the pastor that the entire membership be present all services Sunday, and especially that the newly baptized converts be in the morning service. The sermon subject will be "Atonement". At the close of this service, the ordinance of the Lords Supper will be observed. At the night service, Rev. Denning will preach on "Historical Proofs of the Infallibility of the Bible". The regular young people's service will be held Saturday night at eight o'clock.

PROPOSED MILK ORDINANCE

An ordinance making the mandatory the grading and labeling of milk and milk products sold or offered for sale within the corporate limits of the city of Lamesa, Texas; providing for the issuing and revoking of permits for the sale of milk; authorizing and directing the City Health Officer to receive applications for, inspect dairies and milk plants and grant or revoke permits to persons, firms and corporations to sell or offer for sale graded milk and milk products within the city; adopting the provisions of Senate Bill 83 passed by the regular session of the 45th Legislature, 1937.

WHEREAS, the Regular Session of the 45th Legislature, 1937, passed an Act known as Senate Bill 83, relative to the grading and labeling of milk and milk products and authorizing the governing bodies of cities to make mandatory the grading and labeling of milk and milk products sold and offered for sale within the corporate limits of such cities, and

WHEREAS, it is necessary to regulate the sale of milk and milk products within the City of Lamesa, Texas, for the promotion of health, the governing body of said City desires to require permits for the sale of milk and milk products and to make mandatory the grading and labeling of milk and milk products sold and offered for sale within the city limits of the City of Lamesa, Texas, now therefore,

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF LAMESA, TEXAS:

Section 1. That hereafter it shall be unlawful for any person, firm or corporation to sell or offer for sale any milk or milk product within the corporate limits of the City of Lamesa, Texas, without such person, firm or corporation first making application to and receiving a permit from the City Health Officer to sell such milk or milk products. The City Health Officer shall issue or revoke such permits in accordance with the requirements and conditions hereinafter set forth; provided he may revoke or refuse to issue a permit, if in his judgment any milk is unfit for human consumption.

Section 2. The City Health Officer of the City of Lamesa, Texas, is hereby authorized and directed to receive applications for, and grant permits to persons, firms and corporations desiring to sell and offer for sale milk and milk products within the city; provided said health officer shall inspect the equipment and sanitation of the dairies and milk plants and grade the milk according to the provisions of Senate Bill 83, passed by the 45th Legislature, Regular Session, 1937, and in accordance with the rules and regulations promulgated by the State Health Officer pursuant thereto. The grading and labeling of milk and milk products sold and offered for sale within the corporate limits according to definition (P), Section 1, S. B. 83, for grades "A", "B", "C", and "D" raw milk and milk products, and definition (Q) for grades "A", "B" and "C" pasteurized milk and milk products, is hereby made mandatory.

Section 3. Any person, firm, corporation or association of persons who shall sell, offer for sale, or possess for the purpose of sale any milk within the City of Lamesa, Texas, without having a permit authorizing the sale of same, issued by the City Health Officer of the City of Lamesa, Texas, or who shall sell or possess for the purpose of sale any milk after a permit has been revoked or suspended shall be fined in a sum not exceeding One Hundred Dollars, and each separate sale, or possession for sale, shall constitute a separate offense.

Section 4. Where violations of this ordinance and the provisions of Senate Bill 83 are found, the City Health Officer, his agents or any other city officer, having jurisdiction, shall file complaint or complaints in some court of competent jurisdiction.

Passed and approved this 24 day of August, 1937.

W. L. MARR, Mayor.

ATTEST: B. D. Wiggins, City Secretary. (CORPORATE SEAL)

"TUNDRA" SPECTACULAR DRAMA OF MAJESTIC SCENIC BEAUTY AND ADVENTURE

"Tundra", the Dearholt and Stout production, visualizing the magnificently savage scenic wonders of the great Alaskan wilderness, as background for a thrill-drama that is 100 percent human interest and splendid

action will come to the Cole Theatre, Lamesa, starting midnight Saturday night, and running Sunday Monday, Tuesday and Wednesday.

This picture is the story of the gallant efforts of a lone physician whose little plane is wrecked while returning from a visit to a patient in an Eskimo village. Here is this heroic figure, hemmed in by dangers on all sides, yet facing death defiantly. You see him traversing mighty forests, beset by hordes of muskox, moose, caribou, you hear the wolf-cry in the shadows that tells that the pack are on the trail. Gorgeous sunsets, towering icebergs, avalanches of snow, frowning mountains, gaping canyons, burning forests furnish a wealth of scenic magnificence for backgrounds.

Del Cambre, S. M. U. football star of several years ago plays the lead, supported by Merrill McCormick, Earl Dwire, Wally Howe, Jack Santos, Fraser Acosta, Elsie Duran and Bertha Maldonado.

At the conclusion of the program the honoree was presented with many beautiful gifts by Jimmy Lee Cotten and Billy Taylor dressed as nurse and doctor, who came in carrying the gifts on a stretcher.

At the refreshment hour a delicious plate of angel food squares and punch were served. Plate favors were corsages of ping sweet peas. About thirty guests attended.

G. M. Jones Family Have Reunion Aug. 22

On Sunday, August 22, the family of Mr. and Mrs. G. M. Jones, who reside 12 miles northeast of Lamesa held a reunion at the family home it was the first time the entire family had been together in about 20 years.

In the forenoon, true to the teachings of this grand old couple, the family gathered in the home and offered songs of praise, prayer and exhortation. At noon, lunch was served, cafeteria style.

The sons and daughters, in the order of their age are as follows: Mrs. D. D. Dickenson, Tuscola; A. W. Jones, Elgin, Oklahoma; Mrs. R. C. Howard, Olney; H. Jones, Lamesa; Viola Jones, Beaumont; Mrs. Roy Foreman, Lamesa; Dr. C. E. Jones, Electra; Mrs. George Fillpot, Lamesa; and Mrs. Bert Stephens, Lamesa. Besides the old patriarchs, there were nine children, two or three grandchildren, two great grandchildren, and nine in-laws, making a total of forty-five present.

A great time was had and it is hoped that we might enjoy many more reunions in the future.—One of the family.

PHILCO KNOCKS 'EM COLD

NO RADIO MADE HAS BEEN ABLE TO WITHSTAND THE ONSLAUGHT THE PEOPLE HAVE GIVEN PHILCO THE WORLD OVER. IN THE PAST 12 MONTHS PHILCO HAS MADE AND SOLD OVER TWO MILLION (2,000,000) MORE THAN ANY OTHER FOUR RADIOS PUT TOGETHER. ISN'T THIS PROOF AS TO THE QUALITY AND SATISFACTION THEY GIVE THE WORLD OVER? LAST YEAR I GAVE A LIST OF THE PHILCO OWNERS OF THIS COUNTY, SOMETHING OVER 500; NOW I AM GIVING YOU THE NAMES OF THE ONES THAT HAVE BOUGHT SINCE THEN. THESE SETS HAVE BEEN BOUGHT SINCE AUGUST 1936. THEY CAME IN MY STORE AND BOUGHT THEM. I DIDN'T HAVE ANY ONE OUT WORKING.

THE NEW 1938 PHILCO is the greatest radio ever built. It's something new. It's got what no other has - it's got just what you want - it's got everything a RADIO could have. Come in and see them. Have the best made the same as your neighbor. In the long run they are fifty per cent cheaper than any other radio!

Cleve Austin Makes Main Talk At Rotary Meeting

The main feature of the program at the Rotary Club meeting last Friday was a talk by Cleve Austin, chairman of the Rotary Information Committee. Mr. Austin is one of the newer members of the club but judging from his talk, he is by no means the least informed. His knowledge of Rotary is a credit to any veteran.

Every member was agreeable surprised to have Elmo and Mrs. Wasson from Big Spring drop in for a visit. Mr. Wasson is president of the Big Spring club and is called by some the "Daddy" of the Lamesa organization. It will be remembered that Big Spring was the sponsor club of the Lamesa club and Mr. Wasson's leadership in this undertaking, was for him this time.

Swanson Hurt was pinch hitter for the humorist Clyde Branon. If brevity is the soul of wit, Swanson performed quite admirably. We'll be listening for you again, Swanson.

K. L. Riggs from Lubbock was a visitor and guest of Matt McCall.

Business of Friday's meeting consisted of accepting the challenge of the Tahoka club for an attendance contest and setting a meeting place for next Friday.

SHOOK TIRE COMPANY REPORTS RECORD DAY

Frank Stanley, manager for Shook Tire Company, reports that last Monday was a record day in volume of sales in their 3 1/2 years of business in Lamesa. "That Courier advertising is sure getting the job done," Mr. Stanley said. Shook Tire Company has been advertising regularly in the Courier for the last two months.

May Get Cotton Pickers Through U. S. Employment Service

A representative of the United States Employment Service has established offices in Lamesa this past week and will work with farmers of Dawson county in securing cotton pickers and other laborers.

Farmers of this territory may get in touch with the employment service by calling at the county judge's office in the court house. A representative of the service stated this week that they wished to cooperate with the farmers in every way and asked that farmers call on them and list their tentative labor needs as soon as possible so that plenty of time will be had to secure pickers.

This employment service is offered to farmers without cost, and is sponsored by the government so that no shortage of labor will exist in any county in Texas. The service is organized in every state, so if one state does not have the labor that they need, laborers can be hired from other sections.

All farmers who desire to use this service have to do is to call at their office, which will probably be located at the county agent's office within a short time, and list how many pickers they need and the type. Either white labor or Mexicans can be secured. From a week to ten days is needed to get the pickers here after the farmers make a request.

The employment representative states that local labor will be placed on the local farms first, and after all people wanting jobs have them, workers will be brought in from other localities.

A number of farmers in Dawson county have already contacted these employment service men and listed their need for pickers, and others who need pickers are urged to take advantage of this free service.

Cosden Oilers Win Softball Play-off

The Cosden Oilers this week showed themselves as the champions of the Dawson County Softball League when they won the play-off tournament with three victories and no losses.

The first four teams of the league were in the playoff. Cosden defeating the Modern Dry Cleaners and the CCC team defeating Wilson in the first round. In the second round Wilson defeated the Cleaners and Cosden eked out a 2-1 victory over the CCC in nine innings. The CCC team then defeated Wilson again to play for the title and this game was played Wednesday night with Cosden winning a hard fought game 6 to 5.

The CCC boys won the regular league play with a record of 13 wins and no defeats with Cosden coming in second with 12 victories and 1 defeat. This week end and next week a tournament is being held at the local softball field, with eight of the best teams in Dawson and surrounding counties entered. Admission will be charged to these games as the League is still in debt for balls used during the season.

Teams definitely entered in the tournament are Cosden, CCC, Wilson, Modern Dry Cleaners, Punkin Center and the Lamesa Mysteries, with a team from Hobbs, Post, and Tahoka tentatively agreeing to enter.

Cub Scouts Are Reorganized Monday

Members of Cub Pack No. 17 and their parents enjoyed a picnic at the City Park on Monday evening.

Numerous games were played under the direction of the den chiefs who are J. D. Dyer Jr., Ralph Burleson and Clayton Barkhurst.

After the picnic supper, a business session was held and reregistering of the pack was arranged.

The following men were named as pack committeemen: Dr. J. M. Harrington, chairman; Bob Kirk, Russell Clark, G. M. Roberts, Dr. McIlroy, J. D. Dyer. This committee will meet at an early date and select a cub master to succeed Charles Dial.

Boys wishing to join the cub scouts should see J. D. Dyer for application blanks.

Marie Duff wins Prize for Club Work

Miss Marie Duff, daughter of Mr. and Mrs. L. A. Duff of the Klondike community and bedroom demonstrator for her 4-H club was awarded first place in the county for bedroom improvement. She won a trip to A & M College on July 1st, and won first place in the district later in July. For all of these honors she received a check for \$5.00.

Miss Duff improved her bedroom at a cost of \$15.65, making it from an unattractive room to a very attractive room using blue wall paper and brown furniture.

A complete report telling how she improved her bedroom will be carried in next week's Courier.

B. B. Crimm to Conduct Revival Meeting Here

B. B. Crimm, cowboy preacher will conduct a city and county-wide revival in Lamesa, starting on Monday night, August 30. The services will be held under a big tent. There will be two services daily, at 10 a. m. and 8 p. m.

He will be assisted by H. M. Powell, singer, and Jewel Spencer, Indian pianist. The public is cordially invited to attend all services.

\$152 Stolen from Trousers Pocket

Charles H. Collins, who live in the Glenn Cope home, reports the loss of \$152 Wednesday night or early Thursday morning, when it was stolen from the pocket of his trousers while he was asleep. The money along with a belt was taken from the trousers and the trousers left in the front of the house.

Mr. Collins who was sleeping in the rear of the house, thought he heard someone inside the house between four and five o'clock but paid no attention to the noise thinking that it was one of the children.

Buildings Moved from Post Office Site

Workmen have been busy this week moving the buildings from the post office site on the Skinner lot at the southwest corner of North First and Houston streets. Through a business deal completed last week the owners of the property were paid in full and permission was obtained for removing the buildings. The work is expected to be completed this week and the contractor for the new Federal building will probably begin work in the near future.

FIRST BAPTIST CHURCH NOTES

Brother Cole, the pastor, preached his eighth anniversary sermon last Sunday morning, using as his subject "The Kind of a Church I Would Like To Be Pastor Of". The night service was in charge of Educational Director C. I. Darling and three laymen discussed "The Kind of a Preacher I Would Want as My Pastor."

Mr. and Mrs. C. I. Darling will leave Monday to attend the Southwestern Meeting of Educational Directors at Fort Worth. They will return next Thursday or Friday.

J. Elmer Barron, Sunday School Superintendent, announces that C. I.

Darling will be in direct charge of the adult department of the Sunday school at least temporarily. A good department assembly program has been planned for the adults next Sunday morning. The men are asked to meet in the auditorium promptly at 9:45.

The B. T. U.'s will meet in unions promptly at 7:15 next Sunday evening, going to the auditorium at 8:15 for a brief assembly program. There were 62 present last Sunday — 18 seniors, 16 juniors, 10 adults, and one general officer. A primary union is to be organized next Sunday for children of ages 4 through 8. Mrs. Hattie Butcher will be the leader and Mrs. S. C. Albertson will assist.

Mrs. M. C. Snell who has been visiting for three weeks has returned and will resume her duties as superintendent of the Primary Sunday school

department. Mrs. L. F. Gregg has been at the bedside of her little son, Stephen Lester, for three weeks but she was able to return to her intermediate class last Sunday. Mr. and Mrs. O. B. Norman and Miss Helen have been visiting in Colorado but returned last week. Brother Cole will be in his pulpit at both services next Sunday. We are sorry to lose Mrs. L. P. Stark as teacher of the Business Women's Bible Class. Mr. and Mrs. Stark are moving to Midland. Mrs. Dr. Nix's sister, Mrs. Houston, who is visiting Mrs. Nix, supplied for Mrs. Owen Taylor as teacher in the Gleaners Class Sunday. Miss Pauline Bulsterbaum taught Mrs. M. C. Lindsey's class, the Philathea. Mr. and Mrs. Grover Black of Louisiana have been visiting with Rev. and Mrs. E. F. Cole. Brother Cole is conducting a revival meeting at McCarty this week but will return for his own services Sunday.

IN THE Firestone Standard Tire, you get extra value in the form of extra safety. It costs more money to build a safer tire. But Firestone can build a first-quality tire made of top grade materials and sell it for less money, because Firestone controls rubber and cotton supplies at their sources, manufactures with greater efficiency and distributes at lower cost.

YOU GET EXTRA PROTECTION AGAINST BLOWOUTS — eight extra pounds of rubber are added to every 100 pounds of cord by the Firestone patented Gum-Dipping process. By this process every fiber of every cord in every ply is saturated with liquid rubber. This counteracts dangerous internal friction and heat that ordinarily cause blowouts.

YOU GET EXTRA PROTECTION AGAINST PUNCTURES — because under the tread are two extra layers of Gum-Dipped cords. YOU GET EXTRA PROTECTION AGAINST SKIDDING — because the tread is scientifically designed.

YOU GET LONGER NON-SKID MILEAGE because of the extra tough, long-wearing tread.

You need all of these features to make your car tire safe on your week-end or vacation trip. Firestone gives them to you at lower cost. Join the Firestone SAVE A LIFE Campaign today by equipping your car with a set of new Firestone Standard Tires — today's top tire value.

DON'T RISK YOUR LIFE ON SMOOTH WORN TIRES! DO YOU KNOW THAT last year highway accidents cost the lives of more than 38,000 men, women and children? That a million more were injured? THAT more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to smooth, worn, unsafe tires?

At right is section cut from a new Firestone Tire. Note the thick, non-skid protection against skidding, blowouts and punctures. Come in and see a demonstration.

At left is a section cut from a smooth, worn tire, with non-skid protection worn off. Tires in this condition are liable to punctures, blowouts and skidding.

THE REST OF THE RECORD

By James V. Alford
Governor of Texas

This week demonstrated again the wisdom of taking the unrestrained power of pardon out of the hands of the Governor and placing it in the hands of a non-political board.

Upon my return from Mexico I found four men condemned to die in the electric chair. Under the old system, the Governor, with all his other cares and responsibilities, would have had to pass on these cases. It simply wasn't fair to compel him to submit to the tearful appeals of wives, mothers, relatives and friends. Although he might have a Legislature on his

hands, although he might have sickness in his home or several other trying ordeals, he was placed in the position of weighing the life of a man and almost standing outside the death chamber watching the condemned man pace back and forth waiting for the deadly hour of twelve o'clock and the last walk to the little green chamber. I don't think I ever slept a wink on the night any man was compelled to pay the penalty.

Now it's different. Before the Governor can commute a death penalty, or grant clemency of any kind, it has to be recommended by the Board of Pardons. The Governor can refuse to follow the Board if it recommends clemency, but cannot grant any whatever unless the Board recommends it.

There are three members of the Board. Only one is appointed by the

Governor, and the others by the Supreme Court and Court of Criminal Appeals. The members of the Board have several investigators and, of course, no other responsibilities than looking into clemency cases. In this manner both the convicts and the public get a better deal than under the old system where the Governor was charged with all the responsibility in addition to his other duties.

I am proud of this great reform. We are not having any complaints about wholesale abuses of the pardon power. It is all based now on merit, and unquestionably everyone is much better satisfied.

Naturally I have been quite busy catching up with my correspondence after a two weeks vacation. However, on Friday of last week I flew down to Palacios on the Gulf Coast to review the 36th Division of the Texas National Guard in camp there. Texans generally probably do not realize what a wonderful organization of fine young men this is. Unquestionably we have one of the best National Guard units in the nation. Nearly 8,000 men train intensively at Palacios each summer for two weeks. This is in addition to their regular drills and parades back home. They are well equipped, well officered, and as fine soldiers as any I saw during the World War.

The total cost for military defense in Texas which is borne by the Federal Government approximates more than a million dollars annually. The National Guard has in its possession more than four and a half million dollars of Federal property, guns, uniforms and equipment. Its payroll, including both men and officers from the highest to the lowest military grade while large in the aggregate, averages only \$83.50 per capita per year. Their time is given free as a patriotic duty.

In addition to the 36th Division we have what is known as the 56th Cavalry Brigade, about 1100 in number who train for two weeks each year at Mineral Wells. As Commander-in-Chief of the Texas militia I always visit these two camps. It was a great joy to me upon my recent visit to Mineral Wells to hear one of the Federal army officers praise the Cavalry brigade. He said that we had as good, if not the best, in the nation.

Of course, we don't want war, and I pray God we may always be spared what is going on in Europe. It has been the policy of the State, however, to maintain a regular militia from the beginning. The wisdom of this was demonstrated in the World War when our National Guard was the first nucleus around which our defense was built.

It is heartening to know that if a war emergency should arise, our guard is manned, officered, equipped, trained and ready for immediate service.

Of course, as most everyone knows, soldiers don't have much use for a sailor. I was in the Navy during the World War, and I had quite a bit of fun out of some of the National Guard officers by reminding them that their Commander-in-Chief was once a sailor!

I wasn't greatly surprised to find upon my return from Mexico that the politicians have been "buzzing" quite a bit. It is my understanding that State Superintendent of Education L. A. Woods has been running around over the State making speeches condemning me for cutting the ad valorem property tax rate to the lowest it has been in some twenty years. I think this gentleman will find out next summer that the public won't approve of his making political speeches on State traveling expenses.

METHODIST NOTES
WELCH CHARGE

So busy last week did not get notes in. Have two weeks to report.

Closed Bartlett meeting Sunday night. Had a good meeting there. Only one conversion but all Christian people attending were revived. Never enjoyed a week better. Every courtesy, kindness and hospitality was shown. We find Bartlett citizenship among the best.

Brother Pearce began the meeting at Welch the night we closed at Bartlett. The week has been a joyous one. Threatening clouds in the evening cut our attendance down, though well attended. His messages were enjoyed by all. Six offering themselves for membership on profession of faith, and one by certificate. One baby baptised. Sunday night the attendance was the largest.

Everybody seems to be pleased with our new church. It is easy to speak and sing in. If you have not seen it, come and see it, we are finishing it up immediately. Have you had your part in it.

Eradication of Syphilis Major Health Problem

Austin, August 24.—"The eradication of syphilis is today's major health problem and our children will hold us accountable if we fail to control syphilis within this generation," said Dr. Geo. W. Cox, State Health Officer.

Since inauguration of the national campaign, the public has been made aware of the truth about syphilis. While the vast importance of syphilis in general has been stressed, further emphasis needs to be placed on hereditary or prenatal syphilis, one of the most readily preventable types of the disease. Prenatal syphilis is an innocently contracted form, transmitted by an infected expectant mother to her unborn child. The disease in the child

can be prevented in almost every instance, provided the mother receives proper treatment during pregnancy. Syphilis in a sense is chivalrous; it deals more kindly with women than with men. The early signs of infection are usually not manifest in women; this is especially true during pregnancy. Blood tests, therefore, are all the more essential in the early recognition of syphilis in women.

It has been determined that syphilis affects approximately two to three and a half percent of the white children attending hospital clinics. People should appreciate also the fact that many cases of syphilis are contracted innocently in marriage and before birth. Syphilis in itself is not a disgrace. Disgrace lies rather in the failure of people to take advantage of modern medical science and in failure to assure an equal chance in life for all Texas children.

To eradicate prenatal syphilis and thereby give the newborn child its rightful heritage of a sound mind and a sound body, health authorities urge the observance of the following measures: (1) blood tests for syphilis, affecting both parties who contemplate marriage; (2) a blood test for syphilis on every expectant mother; and (3) thorough treatment if necessary for the benefit of both mother and child.
