New Students of Wellington Schools to Enroll August 14

Students entering the Wellington Schools for the first time--from kindergarten through seniors--will register Monday, August 14, at their respective schools. Classes will begin Monday, August 28.

Melvin Cardwell, high school principal, said that registration will be throughout the school day, beginning at 9:00 a.m. and continuing until 3:00 p.m.

He emphasized that students who pre-enrolled at the end of the last school year are not included in the Monday

registration.

"Last year's eighth grade students who will be entering High School were pre-enrolled and there is no need for them to come," Cardwell said.

Although there is no way of determining the number of new students in the Wellington schools, Cardwell said he expected "quite a few."

Required shots and vaccines were explained by Mrs. Larry Hammons, school nurse.

All children Entering Kindergarten must have had three DTP (diphtheria-tetanus-whooping cough) shots and

three oral polio shots since their fourth birthdays. They must have had measles and reubella vaccine since age 15 months.

All other students entering Wellington schools for the first time must have had their DTP and Polio shots since their fourth birthday and measles and rubella shots through age 11 years.

Both Cardwell and Mrs. Hammons emphasized that these requirements are a Texas State law and not a school regulation.

Children may receive these

vaccines without cost at the clinic to be held at the Community Action Center Monday, August 14, or they may receive them from their family physician as a private patient.

School vaccination records will be with Mrs. Tessie Burba at Community Action at the time of the free clinic. Doctors will have records of their patients shots.

Announcement of enrollment schedules will be made next week, Cardwell said.

Wellington Schools ended their 1977-78 school year with the highest enrollment in more

Plans Take Shape for 1978 Collingsworth County Fair

Billy Moseley, Collingsworth County Fair chairman, this week announced initial plans for the annual 2-day event Friday and Saturday, September 8 and 9.

The entire week of September 4 through 9 will be fair week, with Jest Carnival playing the entire time.

There will be a new carnival location, said Moseley. For greater convenience, it has been moved to the old Green Acres Golf Course, adjacent to Marian Airpark Swimming Pool and baseball field. It will be open each evening according to Virginia Wright, operator.

"This is one of the nicest groups in carnival business we have had here, and now we have a good, clean, pleasant location, which will be mowed and clean before fair time," he said.

John Alf Thomas, entertainment chairman, has lined up country and western entertainment with Friday and Saturday night performances set tentatively for the ball park with those attending being able to sit in the bleachers.

It is believed that the carnival and musical entertainment will be a boost for

both.

Additional information will be announced.

Sheriff John Rainey is the 1978 parade chairman and he will be assisted by his deputies.

Always the opening event of the Fair, the big parade, crowded with floats, bands, horses and riders, will roll onto the square at 10:00 a.m.

An effort will be made to slow the parade this year so that spectators can get a better look at the colorful and elaborate floats. The band is scheduled to stop at each corner of the courthouse square to play for a few minutes.

Exhibits in Bura Handley Community Center will open at 11:00 a.m.

The Kiwanis Club will hold its big barbecue in Ellison Park at noon. Also scheduled tentatively will be the Old Settlers Reunion, and plans for this will be announced later.

Livestock will highlight the Saturday events, said Moseley.

There will be a livestock show, including steers, which probably will not be judged, and horses, which will be

judged. The classes in both these divisions will be announced.

"We expect an unusually large baby animal or small animal show," said Moseley.

All livestock events will be at the FFA Show Barn at Amarillo and 7th Streets.

Most exhibits are due to be housed in the large and small auditoriums of the community building. "It will be designed more for browsing and visiting this year with food booths and lounge areas," explained the chairman. "We believe this will encourage people to come and stay longer and enjoy themselves more."

Agricultural exhibits will represent the Quail, Samnorwood, Dodson and Wellington communities, and it will be strictly Collingsworth County products, Moseley emphasized. Everything that is shown will be this year's products--produced or made since the 1977 fair.

Items displayed such as jellies, crafts, art, household items, baked goods, and a number of others will be available for sale after the fair has closed at 5:00 p.m., Moseley announced. "We are exploring the idea of a farmers

market," he added. It will be to the exhibitor whether he wants to sell the things he has exhibited or not."

Moseley acknowledged that the agricultural exhibits may be a little light in number this year, due to weather conditions. "We are a month away from the fair right now, and we will have to see what happens," he remarked.

Besides agricultural exhibits, there will be the women's division, girls division, crafts for all ages, and other groups.

As in the past, there will be an art exhibit with both adult and junior divisions. Classifications will include works in oils, water colors and sculpture.

Again, Wellington Garden Club will be in charge of the show, and a hobby and craft show is planned.

Moseley said that additional information will be announced on each of these divisions as plans are completed.

The Fair is sponsored each year by the Collingsworth Chamber of Commerce.

This year's event is planned to involve more people than in the past, participating in both

School Equalization Board Slates Meeting August 11

New construction has added \$325,430 to the tax valuations of the Wellington Independent

School District 1 for 1978, it was learned this week when the meeting of the board of equalization was announced.

This brings the district's total tax valuations to \$14,276,650, according to figures from the office of Mrs. Nita Brantley, tax assessor-collector.

A meeting of the board of equalization will be held Friday, August 11, at the high school building, according to Mrs. Brantley.

The board will be in session from 9:00 a.m. to 12:00 noon and from 1:00 to 5:00 p.m. Members are Dan Langford, Dan Henard, Jr., and Shelton Nunnelley.

All persons who wish to consult with the board on tax valuations set on their

property should meet with the board at those times.

It was pointed out that the additional tax valuations come from both business and residential new construction, and includes outbuildings such as garages, barns or other buildings as well as homes.

For many years, the county, city and school district have used the same valuations in assessing taxes. Valuations for tax purposes are 50 per cent of the real value.

Last year, valuations totaled \$13,951,220.

The City of Wellington has set its equalization board meeting for Tuesday, August 22, from 9:00 to 12:00 and 1:00 to 5:00 in the city council chambers of City Hall.

Scattered Rainfall Falls Over County

Scattered rain up to two inches fell in the county Friday August 4, boosting crops in those favored areas.

Wellington recorded only .4 to one-half inch.

Heaviest rain came in the Lutie area where two inches was measured. Sheriff John Rainey said he received 1.8 inches at his farm five miles east and one south of Lutie, and that, in general, more

moisture fell north of Salt Fork than south.

Gary Tarver, three miles east and two north of Lutie reported only .80 inch.

Paul Fielding of Quail recorded 1.50 inches, and at Marella, 7 miles north, one inch was reported.

Don Jones reported .50 inch in the Madge community, but at Dodson, no moisture fell.

Juveniles Must Be Licensed to Drive

A campaign against juveniles driving motor vehicles without a drivers license has been launched jointly by the Sheriff's Department and Department of Public Safety.

"We want to tell parents we are going to start holding spot drivers license checks," said a statement issued jointly Monday by Patrolmen John James and Herbie Duncan and Sheriff John Rainey.

"If kids are picked up without drivers license, they will be taken to the justice of the peace office where we will contact the parents. They will have to come down and get their children and the Department of Public Safety will issue a citation to the parents for letting the youngsters drive without a

valid license," the statement continued.

Both Rainey and James said they have received numerous complaints of juveniles driving without licenses.

Rainey said a parent can be fined from \$1.00 to \$200 depending on the circumstance plus costs of \$7.80.

The officers said the citation can be issued to either the father or mother, whichever comes for the youngster.

"We are trying to contro juvenile drivers, and this also applies to adults without drivers licenses, it was pointed out.

Rainey added that it appeared the law enforcement agencies will have to tighten up on speeders and reckless drivers also.

Lillie-Salt Fork-Marella Groups Hold Reunion Saturday and Sunday

The annual Three Community Reunion will be held Saturday night and Sunday, August 11 and 12, according to Raymond Horton, presi-

dent. A crowd of approximately 220 is expected.

Each year this brings together a large number of residents and former residents of the Salt Fork, Lillie and Marella communities northwest of Wellington, along with their families and friends.

This year's reunion will be held in Bura Handley Community Center.

Reunion visitors will begin gathering about 7:00 p.m. Saturday, and a salad supper will be served at 7:30. Each family attending is asked to bring salad.

There will be visiting through the evening.

First of the Sunday visitors will arrive about 9:30 and the crowd will continue to come

until noon.

A basket dinner will be served. Horton requests that each family bring enough food for its own members and its guests.

Because singing was a vital part of these communities from the time of their founding, singing will alternate with visiting throughout the day. Other entertainment will be presented by Mrs. Hattie Jones of Hereford, according to Horton.

During the afternoon, the oldest person attending and the one who travels the farthest to attend will be recognized.

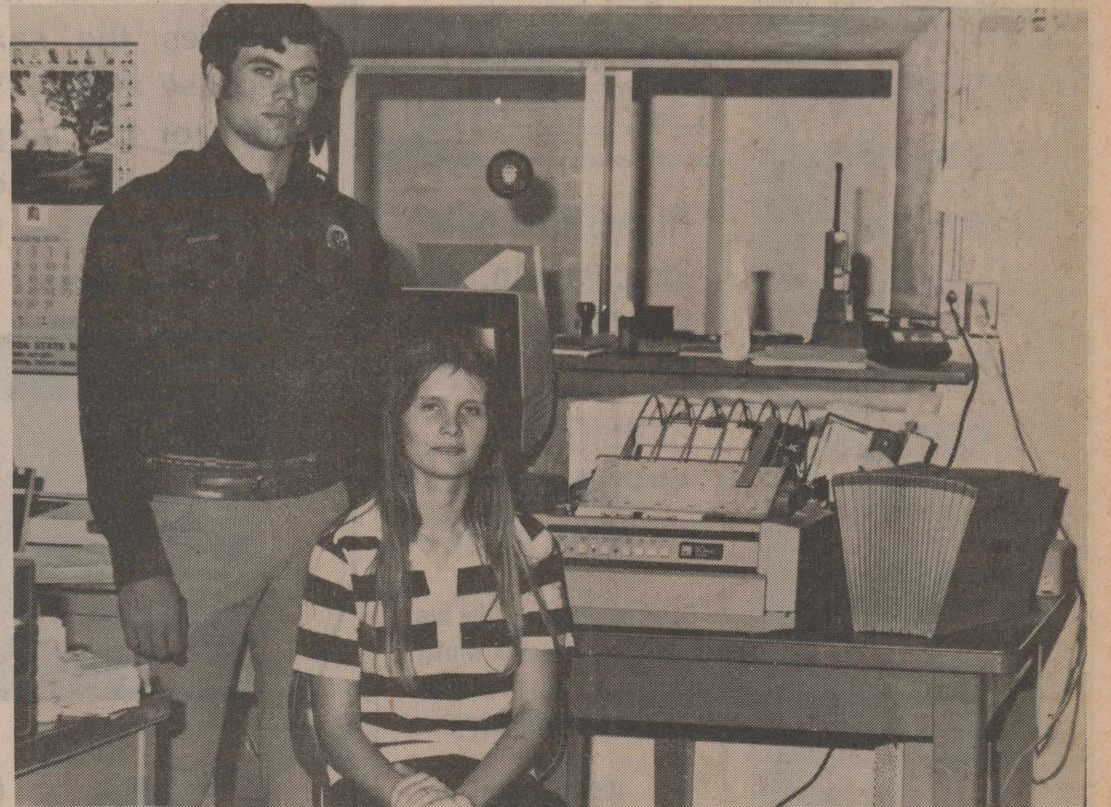

There will be a short business session concluding with the election of officers for

1979.

Serving the Three Community reunion this year, in addition to Horton, are Horace Hallmark of Hartshorn, Oklahoma, vice president; Mrs. Dollie Mae Wilson, secretary-treasurer; and Mrs. Rufus Sweat and Mrs. Isla Mae Morris, program chairmen.

"We urge everyone who has ever been a part of these three communities to attend and relive the many memories, both happy and sad, which we all have of them," said Horton. "They were a vital part of this county's life over a long period of years, and we want to keep their spirit alive."

Lillie community lies in the center of the county, with Salt Fork and Marella adjoining.

OFFICERS

This husband and wife team--Byron and Jayne Bell, were among the 10 law enforcement officers from over the Panhandle who completed the 240 hour basic law enforcement training course at Childress. Bell is a Collingsworth County Deputy Sheriff, Mrs. Bell is a dispatcher.

Residents Warned of Intenerant Salesmen

County Judge Zook Thomas this week warned residents of the area that more than the usual number of door to door salesmen and solicitors appear to be operating in the county at present.

"This has been called to my attention by a number of our people, and I strongly suggest that you do not let people you do not know in your houses and that you do not buy anything from anyone you don't know," Judge Thomas declared. "I have been told by some of our people that there have been instances of discourtesy toward those who do not wish to buy what is offered."

Ambulance Members Recertified

Another step in the continued upgrading of the Volunteer Ambulance Service came recently with recertification of a group of emergency medical technicians and emergency care attendants.

Upon completion of the 40-hour refresher course and testing by representatives of the Texas Department of Health, seven members were recertified as EMTs: Mrs. H.H. Bowen, King Bowen, Dennis Cudd, Johnny Brown, Mrs. Dee Burba, Zeldon Jenkins and Jim Sikes.

ECAs recertified were Mrs. Tom Anderson and David Peters.

Certified for the first time as ECAs were Mrs. David Peters and Mrs. Danny Gray.

Two EMTs who completed the course at Clarendon College were tested with the Wellington group, Philip Vargas of Clarendon and Danny Stewart of Turkey.

The course was offered through Frank Phillip College, Borger, and taught by the three Wellington instructors, Marshall Peters, Tom Anderson and Bob Watson.

Burba Attends Speech, Theatre Camp at WTSU

WTSU-Robert Burba is participating in the West Texas State University Speech and Theatre Camp.

From 1-5 p.m. on Aug. 10 and 8 a.m. to 5 p.m. on Aug. 11 a debate and public speaking tournament will be held in the Fine Arts Building and in the University Complex South. No admission will be charged, and the public may attend.

At 6:30 p.m. on Aug. 11, drama students will participate in scenes taken from major plays in the Branding Iron Theatre in the Fine Arts Building. Admission will be \$1 and can be paid at the door.

During the camp students learn theory and practice their delivery, said Guy P. Yates, director of the camp and WTSU assistant professor of speech.

"We are also helping them find fresh material," he said. "We are helping them to prepare for competition in the University Interscholastic League and in the Texas Forensics Association."

The campers work a 9 hour day from July 30 through August 11. Recreational activities such as picnic, an "innane" olympic tournament, and a trip to see "Texas" the outdoor musical in Palo Duro Canyon, are planned, said Yates.

Robert is the son of Mr. and Mrs. Dee Burba of Wellington.

A.G. Edwards & Sons, Inc.

Federal Reserve Board Chairman G. William Miller has had an uphill battle with his fellow governors over which way interest rates should go. Miller has been a proponent of lower interest rates. The majority of governors on the Fed have been staunch proponents of higher interest rates as a tool to slow down inflation. The question is: are higher interest rates slowing down the inflation rate?

There are two schools of thought. The most conservative approach to curing our inflation ills calls for much higher interest rates. The opposing view maintains that holding interest rates at too high a level for too long will cause the economy to "flip" and go into a major recession.

Thus far the higher interest rates don't seem to have had the desired effect. Our inflation rate is still headed higher and there seems to be no way of stopping it, short of going into a sharp recession or even a depression. Both of those alternatives are politically unattractive, even impossible.

The Federal Reserve Board has always followed a tradition of harmony so board members have been upset with all the

publicity about dissension and bickering. The need for unity in the Fed is even more important at this time because of the confusion in the Carter Administration and the opinions of leaders of foreign governments that the U.S. just can't seem to get it together.

The strength of the economy has been a blessing to the Fed. Despite sharply higher interest rates which have caused mortgage loan rates to hit 10%, the housing industry continues to boom. Savings flow has held up better than expected and the Administration leaders have withheld any loud criticism of the Fed up until now.

There is no question that Miller is the dominant personality on the Fed. Although there is plenty of opposing viewpoints to his monetary philosophy, the opposition has no real leader and the very nature of the Fed makes it unlikely that one will appear.

Henrys Honored at Rural Electric Meet

Rural electric leaders from across Texas last week honored George Henry, long-time Wellington resident now living in Floydada, for 34 years of service to rural electrification. Henry retired last November after a career with Greenbelt Electric Cooperative which included 23 years as manager of the 10-county system. He and his wife Juanita were guests of honor at a banquet in Dallas during the 38th Annual Meeting of the Association of Texas Electric Cooperatives which drew nearly 600 rural electric leaders and ladies from throughout the state.

Henry began his rural electric career in 1943 with Lighthouse Electric Cooperative in Floydada. He joined the Greenbelt Electric staff in

1945 and advanced to manager with the Wellington-based system he also held offices in Rotary Club, Chamber of Commerce, and Boy Scout organizations and in the statewide TEC association, including a term as vice-presi-

Michigan Company Acquires Interest in Amoco Lease

An assignment and agreement has been filed in the office of Helen Gollighugh, county-district clerk, between Amoco Production Company of Houston, assignor, and Michigan Oil Company, Alma, Michigan, assignee covering oil, gas and mineral leases on 41 tracts of land in Collingsworth and Childress counties held by Amoco.

This is a farmout contract and joint operating agreement, commonly known as a farmout agreement.

Two intentions to drill have been filed by Texas Petrotech, Inc., with the Texas Railroad Commission, announced about two weeks ago. One wildcat test is on the J.E. Forbis farm in the northwest quarter of section 27, block 10, and the other on the Jimmy Langford farm in the northwest quarter of section 13, block 10, just across the Childress county line.

Forty-one separate leases are involved in the Amoco-Michigan Oil transaction, 21 in Collingsworth and 20 along the north-east edge of Childress County.

The total acreage covered in this agreement was not given, as most of the tracts were listed as "all of lease."

These leases were taken by William R. Cone in 1974 and 1975 and later acquired by Amoco.

Collingsworth landowners included: Genevieve Williams and others, Emma Young, R.L. Mabery and wife, Lorraine Harwell, Thurman Crownover and wife, Edna Kesler and Lorraine Harwell, J.W. Mahan and wife, Ethel Pearl Harwell, Fred S. Covey and wife (two tracts), P.A. Wynn and others, John Eron Forbis and wife, four tracts, Zora Dial, Elbert Watts and wife, L.F. Watts and wife, (two tracts), A.L. Harper and wife, and Tiffin Young and wife.

Childress County land is owned by: Otis Payne and wife

(two tracts), Travis E. Payne and wife (two tracts), G.D. Payen and wife (two tracts), Ida Belle O'Brien and others, John Otis Payne and others, Louise T. Bouchelle and husband, E.D. Crawley and wife, Carthel G. Lewis and wife, C.A. Williams, R.E. Copeland, L.F. Watts and wife, Jimmy Langford and wife, C.L. Hunter and wife, Lester S. Hunter and wife, Carroll W. Watts and wife, and Olan R. Farris and wife.

These are only a portion of the leases taken by Cone at that time, as the total area extends from Highway 203 south almost to Red River in Childress County, and from Highway 83 east to the Oklahoma State Line.

Other oil, gas and mineral instruments filed included:

Special Warranty deed: Kewanee Oil Co., Tulsa, Okla., to Kewanee Industries, Inc., Tulsa: any and all property and property rights, real and personal, tangible and intangible, owned in Texas.

Trustee's mineral deed: Priscilla Baumgardner Jacobson and David Baumgardner, trustees of the Eva Lyle Godfrey Baumgardner inter vivos trust, to Haynes Madden Baumgardner: identical 3/40ths interest in oil, gas and mineral rights to section 61, block 14.

Free Vaccine Clinic August 14

A free clinic offering vaccines that give protection against several childhood diseases is scheduled for Monday, August 14, at the Community Action Center, 612 East Avenue. The time will be 1:30 to 4:00 p.m.

Protection is against polio, diphtheria, lock jaw, whooping cough, measles, rubella and mumps.

There will be no charge.

Trustee's mineral deed: Priscilla Baumgardner Jacobson and David Baumgardner, trustees of the Eva Lyle Godfrey Baumgardner inter vivos trust, to Barbara Baumgardner Gordon: identical 6/40ths interest in section 61, block 14.

Oil, gas and mineral lease: Gladys Boyett and husband, M.L. Boyett; Polly Jane Poling McGaugh and husband Cecil McGaugh; Charles M. Poling and wife, Christy Ann Poling; Lance R. Poling; Rodney P. Poling; Mildred Irma Donaldson and husband M. Don Donaldson; Margaret Jane and husband Jack Perry Jane; Billy Sebert and Ruth Johnson, to Gordon Kiddoo: SW/4 section 34, block 10.

BIRTHDAY CELEBRATION

Mrs. Waddell Bailey, who was honored Saturday, August 5, on her 85th birthday, had her four sons here for the celebration. From Left, they are Floyd Bailey, Albuquerque, N.M.; Joe Bailey, Dallas; Richard Bailey, Nocona; and Alfred Bailey, Casper, Wyoming.

Mrs. W.D. Bailey Honored at Reception on 85th Birthday

Mrs. W.D. (Ethel) Bailey, who first came to Collingsworth County 71 years ago, was honored on her 85th birthday with a reception held at her home, Saturday afternoon, August 5.

Here for the celebration were her four sons and three of her daughters-in-law, who were the hosts. These included Alfred Bailey of Casper, Wyoming, Mr. and Mrs. Floyd Bailey of Albuquerque, N.M., Mr. and Mrs. Richard Bailey of Nocona, and Mr. and Mrs. Joe Bailey of Dallas.

The reception table was laid with a white lace cloth, and the centerpiece was an arrangement of yellow roses, and chrysanthemums, with salmon carnations and baby's breath.

Crystal appointments were used, and the daughters-in-law alternated at the table.

The registration table, covered with a floor-length lace and linen cloth, held a picture of Mrs. Bailey, taken when she was 13 years of age.

Guests called between the hours of three and five. Mrs. Bailey was the former Ethel Mae McClure, daughter of the late Richard Jefferson and Indiana McCamey McClure. She was born at Bonita, August 5, 1893, and came with her family to Collingsworth County in December 1907, settling in the Bean Hill community.

Mrs. Bailey recalls that her father shipped everything the family had, including livestock, in one railroad car to Quanah, and they remained with relatives at Hollis until he could build a house.

She attended the Wellington schools, staying with a family in town one year. But

another year, she, along with other young people of the community rode into Wellington horseback to attend classes.

"She was married to Waddell D. Bailey, whose family came in 1898, on June 5, 1910.

"I was very young when I married, I lacked two months of being 17, but I haven't regretted a day of it," she said on her birthday anniversary.

At that time, Bailey's grandparents moved to town and the young couple moved into their ranch home. It burned in 1911, and they rebuilt the home in which they continued to live until 1944.

Mr. Bailey engaged in farming and ranching, and for a time they operated a dairy.

In 1944, the couple moved to Colorado Springs, Colo., and were living there when he died in 1950. Mrs. Bailey returned here in 1957.

She is an active member of First United Methodist Church.

Besides her four sons, Mrs. Bailey has 6 grandchildren and 9 great grandchildren.

Coming from out of town to join Mrs. Bailey on her birthday were two cousins, Mrs. Johnny Ponder and Mrs. Corda Dennis of Mangum, and a long-time friend, Mrs. Osa Black of Hollis.

Mrs. Vernell Qualls of Booker was here over the week end to visit her mother, Mr. and Mrs. Roy Jeffrey, Sr., and to attend the rodeo Saturday night. Her sons, Richard and Ruben, have been here two weeks visiting their grandparents and aunt, Mr. and Mrs. Allen Haven and Leigh.

Mr. and Mrs. D.R. McKinney spent last week in Ft. Worth with their daughter and family, Mr. and Mrs. Kenneth Davis and children.

King Descendants Gather For Two-Day Reunion Here

The descendants of the late James Haley and Nancy Jane (Ray) King met in the home of Mr. and Mrs. H.H. Bowen, 1104 Houston St. for their annual reunion, Saturday and Sunday August 5 and 6.

They began gathering Saturday morning and continued throughout the two days. Time was spent taking pictures, looking at pictures taken earlier and catching up on what every one is doing. The evening was climaxed with a barbeque in the back yard with everyone bringing salads and deserts.

Sunday morning breakfast was served to the out of town guest who just continued their visiting and reminiscing through the day. More guests arrived until there were 59 present. The noon meal was served about 1:00 o'clock with every one bringing food, after which the crowd began to break up.

Attending were: Joe and Dot King, Guymon, Okla.; A.J. Melker, Okla. City, Okla.; J.S. Melker, Fairview,

Okla.; Jim and Lois King, Bedford; Von and Opal Bowen, Bovina; Wayne and Vi King, Grand Prairie; T.A. and Pauline Nichols, Shamrock; Lisa and Tracy Ricker, Dayton, Md.; Brooks and Beatrice Campsey, Munday; Ed and Bea Nuss and Mae Hatch, Amarillo; Ollie Quisenberry and Jean Quisenberry Jones, Quanah; Maxine Fortenberry, Hattie and Lloyd Horton and Josie Chaney, Lubbock;

One-Year-Old Given Party

Crystal Kaye Patterson, daughter of Mr. and Mrs. Kenneth Patterson, was honored with a first birthday party Monday, July 17, in Ellison park.

Her mother was the hostess, and guests included members of the family.

Snow White and the Seven Dwarfs was used as the theme, and hot dogs, cake and ice cream were served.

Present were Mr. and Mrs. Alton Belew, and Wesley, Mr. and Mrs. Jimmy Langford, and Eddie, Mrs. Herman Belew, Mrs. Bill Langford, Mrs. Mike Belew, and Christopher, Mrs. Billy Langford and Maria, Mrs. Mary Belew, Mrs. Quinda Miller, Sherry, Mary, Terry, and Debra Winegeart, Mr. and Mrs. Jimmy Black, Shane and Michelle, James Patterson, and the hosts, Mr. and Mrs. Kenneth Patterson.

Guests of Mr. and Mrs. Dalton Vaughan last week were their daughter and family, Mr. and Mrs. Quentin Hancock, and Jill Vaughan of Lubbock. The entire group visited the Quartz Mountain Park during the week.

Wellington YH Installs New Officers at Dinner Meeting

Wellington Young Homemakers installed officers for the 1978-79 year Thursday, August 1, during a dinner meeting at Cherokee Inn Restaurant.

Mrs. Reed Souder is the new president, and taking office with her were Mrs. Don Hendrix, first vice president; Mrs. Joe Wood and Mrs. Gary Killian, second vice presidents; Mrs. Mike Barjenbruch, third vice president; Mrs. Ron Hill, secretary; Mrs. Redgie Souder, treasurer; Mrs. Dennis Cudd, parliamentarian.

Fund-raising projects were discussed, and it was announced that proceeds will go toward buying playground equipment for the elementary school.

The annual salad supper was announced for Tuesday, June 5, in Bura Handley Community Center.

All young women interested in becoming members of Young Homemakers are

Vinson Couple Honored Sunday On their 50th Anniversary

Mr. and Mrs. Jolly Bob Downs of the Vinson community celebrated their fiftieth wedding anniversary Sunday, August 6, in Hollis Civic Center.

The hosts were their children, Mrs. Harry L. (Doris) Stallings of Lancaster, Ohio; Jim Downs of Amarillo; Bob Downs of Briscoe; and Joe Downs of Tumon Guam.

One unusual feature of this anniversary celebration was the presence of the attendants at their wedding in 1928, Mrs. Thelma Hamilton Stillwell of Anaheim, Calif., and W.H. Overton of Vinson.

Guests were served from a table laid with an ivory lace cloth over yellow. The centerpiece was the anniversary cake, presented by Mr. Down's sister, Mrs. Fred Yarbrough of the Shinnery community.

It featured a fountain surrounded by yellow, bronze and gold carnations, leather leaf and baby's breath. Small cakes at each side bore the names of the couple, Lucille and Jolly. Crystal and silver appointments were used.

Another table which held the guests attention was laid with yellow net and felt cloths made by Mrs. Downs for her daughter, Mrs. Stallings, and daughter-in-law, Mrs. Jim Downs, several years ago. Flower arrangements coordinated with the cake's flowers of yellow spider mums and bronze chrysanthemums in crystal bowls.

A collage of old photos of family and friends were displayed, along with their wedding certificate, a road map of the couple's life together, made of cartoons drawn by their sons, Joe Downs and Jim Downs, a scrapbook prepared by their children featuring more photographs, birth announcements, and other items of interest shared by the family and friends. The book was prepared as a surprise for Mr. and Mrs. Downs.

The registry table was covered with an ivory lace cloth and held two long stemmed yellow roses in a crystal vase.

The grandchildren alternated at the register and tables, including Mr. and Mrs. Wesley Alderette of Dallas, Miss Sherree Stallings of Lancaster, Ohio, Mrs. Jimmy Stallings, of Marysville, Ohio, Bill Downs of San Diego, Monty Downs of Amarillo, and a friend, Harushi Ishida, an exchange student from Japan living with the Jim Downs family in Amarillo. Joining the family after the reception was another grandson, Jimmy Stallings, stationed with the army in Korea, and present also was their youngest

MR. AND MRS. JOLLY BOB DOWNS

grandchild, 22-months old David Downs of Briscoe.

Mr. Downs was born at Vinson, on the farm where the couple now lives, March 15, 1910. His parents, the late Mr. and Mrs. John R. Downs, filed on part of this land in the early 1900s. They had come from Sherman, but were originally from Alabama.

Mrs. Downs, the former Amy Lucille French, was born at Texola, February 27, 1910, the daughter of Mr. and Mrs. Daniel M. French. Shortly afterward they moved to Vinson and to land which Mrs. Downs' grandfather filed on before stathood. The couple owns this land also.

Mrs. Downs father was born in Jamaica, but lived a number of years in Scotland and England, before coming to the United States in 1888. He died in Hollis at the age of 97.

Mr. and Mrs. Downs have been farmers and ranchers through their married life, and he has also worked as a mechanic in both Wellington and Hollis, and he has engaged in custom combine work.

While they were growing up, the area where they lived was the Carl community, and both attended Carl School. It has now become the Vinson community.

Mrs. Downs has been a member of the Home Extension Club 49 years. It, too, has an interesting history, having been organized as the Carl Club, then it developed into the Independence Club, and for a number of years, it has been the Vinson Home Extension Club.

Both are active in First Baptist Church at Vinson. He is a deacon, and she has taught Sunday School class

many years. None of the couple's children have followed them into farming and ranching.

Mrs. Stallings works for Betol Research, one of the largest research companies of its type in the country, and her husband is pastor of First Baptist Church, Lancaster, Ohio.

Jim Downs is with the Helium facility at Amarillo while Bob Downs teaches at Briscoe and Joe Downs teaches in Tumon Guam.

Builders Have Luncheon

Members of Builders Sunday Class, First Baptist Church, held a luncheon, fellowship and business meeting Tuesday, August 1, in the church fellowship hall.

Mrs. J.F. Isaacs gave the invocation and afterwards the devotion; Mrs. L.A. Wall, outreach leader, presided and there were prayers by Mrs. P.E. Lowrie and Mrs. Jack Ball.

Visitors were Mrs. Violet Potter, Mrs. Bertha Williams and Mrs. Robert Barjenbruch. Members present were Mrs. Isaacs, Mrs. Noble Murray, Mrs. J.L. Hays, Mrs. Myrtie Morrow, Mrs. Ball, Mrs. Celia Johnson, Mrs. Donnie Huston, Mrs. Ruth Wyrick, Mrs. Alice Wall, Mrs. Lowrie and Mrs. Maude Vaughan.

Spending the weekend with Mrs. S.L. Lindsey were grandson and family, Mr. and Mrs. Ken Stafford and Son, Glen, of Uvalde.

Sharon Kay Pipins to Wed Michael Caywood August 26

Mrs. Ruth Pipins of Woodward, Oklahoma, is announcing the engagement of her daughter, Sharon Kay, to Michael Arlen Caywood, also of Woodward.

The bride-to-be is also the daughter of the late John Pipins and the family formerly lived in Wellington. Parents of the prospective bridegroom are Mr. and Mrs. Richard Hannah of Woodward.

The couple selected Saturday, August 26, as their wedding date and the

ceremony will be performed in First Christian Church, Woodward.

Miss Pipins attended Wellington schools through her sophomore year and was graduated from Pauls Valley, Oklahoma, high school in 1976. After attending a business college, she is now employed by TG&Y in Woodward.

A 1976 graduate of Woodward High School, Mr. Caywood is youth camp director at Boiling Springs State Park near Woodward.

Mrs. Bart Patterson Honored At Bridal Shower Saturday

Mrs. Bart Patterson of Stuart, Okla., was the honoree at a bridal shower given Saturday afternoon, August 5, in the Heritage Room.

She is the former Shonna Christian of Stuart, where her husband, formerly of Wellington, is a rancher.

Hostesses were Mrs. Allen Havens, Mrs. Pat Bouchelle, Mrs. Fred Cox, Mrs. J.D. Ward, Mrs. B.M. Sims, Mrs. Gene Hanna, Mrs. Ray Null, Mrs. Roy Jeffery, Sr., and Mrs. Quinton Brewer.

Mrs. Havens received the guests and presented them to Mrs. Bart Patterson; the mother of the bridegroom,

Mrs. Virgil Patterson, and his grandmother, Mrs. Georgia Bartlett.

Miss Kathy Patterson registered the guests at a table covered by a gold cloth with a white crochet overlay. It held an arrangement of yellow summer flowers.

After guests were shown the gifts displays, they were served from a table covered with a white lace cloth over blue. The centerpiece was an arrangement of blue flowers and crystal appointments were used. Mrs. Robert Blevins, Mrs. Jeffrey and Mrs. Null served.

Calling hours were three to five in the afternoon.

Sewing With Corduroy Easy

To sew with corduroy fabrics, use a size 11 (75) or 14 (90) needle and 8 to 10 stitches per inch.

Reduce pressure on the presser foot to prevent fabric layers from shifting, advises Beverly Rhoades, clothing specialist with the Texas Agricultural Extension Service The Texas A&M University System.

Personal

Visiting with Mr. and Mrs. Alvin Horton last week were their daughter-in-law and grandson, Mrs. John Alvin Horton and John Ed of Arlington. John Alvin came for a visit on the weekend and they returned home Sunday afternoon.

Mr. and Mrs. Zelbert Roberson of Selma, Calif., recently visited her father, Raymond Lee, her grandmother, Mrs. H.E. Lee. Others visiting were Mr. and Mrs. Clifton Lee of Amarillo, Mr. and Mrs. Denzil Ray of Childress, Mr. and Mrs. Bob Lee of Lubbock, Mr. and Mrs. Jerry Lee, and Mr. and Mrs. Walter Neely of Stratford.

Visiting Mr. and Mrs. Bob Watson over the weekend were his mother, Mrs. Vesta Watson of Canyon, and their daughter, Tanya Watson, a student in Northwest Texas School of Nursing, Amarillo. Angela Watson returned home with them to visit for a week.

Guests of Mrs. Fay Davis last weekend were her son and grandson, Jackie Davis and Dale of Mansfield, also a daughter, Mr. and Mrs. Jim Shaw of Arlington, and Tanya Simpson of Northfield.

Mr. and Mrs. Glenn Hairgrove and Rynda of Arlington were here over the week end to visit her parents, and sister, Mr. and Mrs. Virgil Estes and Miss Jan Estes. Their son, Craig Hairgrove, had been here two weeks and returned home with them.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams

TEXAS PRESS ASSOCIATION

AUSTIN — Southwestern Bell Telephone Company got only \$124 million of the \$214 million rate hike it requested through the Public Utility Commission.

PUC in a two-to-one decision cut the Bell request by \$89.8 million following a lengthy hearing and consideration.

Some phone bills in homes actually may be decreased as a result of the final PUC order.

The agency's order set up an experimental residential measured rate or "lifeline" service for 15 cities on an optional basis. The service is supposed to be available within six months of implementation of the order.

On customers' request the new rating plan reportedly could lower basic \$6.50 monthly bills to a bottom of \$4.20 in the Austin area, for example. The minimum-measured rate would vary from \$3.30 for one rate group to \$5 for the Houston metro area.

Commissioner Garrett Morris dissented from the final order, claiming Bell had been allowed unjustified tax revenues in the amount \$5.6 million and depreciation benefits of \$33 million. He said the rate boost should have been held to \$42.4 million.

Installation and service charges will rise substantially. Maximum residential installations will increase from \$30 to \$40.25.

Bell officials said they will decide this week whether to appeal the order.

Specialized services like PBX, Centrex, private lines and service charges will bear most of the increases to consumers.

Yantis Ousted

The State Senate, somewhat unhappily, rejected the appointment of Hugh Yantis as State Board of Insurance chairman.

Yantis was the most controversial appointee made by Gov. Dolph Briscoe since the 1977 legislative session. Sen. Lloyd Doggett of Austin invoked traditional "senatorial courtesy" which gives a senator effective veto power over appointment of a constituent. Senators voted 27-1 to turn down confirmation of Yantis, although several made clear they would have preferred to keep him on the job.

Sen. A.R. Schwartz of Galveston and Doggett also waged an effort to oust Texas Water Commission member Dorsey B. Hardeman, a former senator from San An-

gelo, but failed as Hardeman won confirmation 23-5.

Durwood Manford, who has served 17 years on the insurance board, was among a long list of appointees confirmed without opposition.

Conventions Set

Programs are shaping up for state conventions of Democrats and Republicans next month.

Republicans will meet first, September 9, in Dallas. Democrats will move into Fort Worth the following week, September 15-16.

Houston savings and loan executive Billy Goldberg is due to be named chairman of the State Democratic Executive Committee as the selection of gubernatorial nominee John Hill.

Ray Barnhart of Houston is expected to be re-elected as the state Republican chairman.

AG Opinions

Attorney General John Hill held unconstitutional a law permitting only nominal tax assessments on property owned by non-profit associations for use of their members.

In other recent opinions, Hill concluded:

—Lower Colorado River Authority may contract to permit use of a portion of its natural gas pipeline by a private entity. But the transaction would bring LCRA under regulation of the Railroad Commission as a natural gas utility.

—Bee County may spend Comprehensive Employment Training Act funds to contract with the County Community Action Agency for services that will carry out purposes of CETA. The county auditor is responsible for accounting for the funds and must follow procedures specified in the contract.

Transfer Approved

Gatesville State School for Boys will be transferred to the State Board of Corrections for use as an adult prison under a bill on Gov. Dolph Briscoe's desk.

The legislation was passed in the special session. Authorities said population at the youth correctional facility has dropped to only 400 from a peak of more than 1,000, while prisons are badly overcrowded.

Various units of the school will be turned over to the Texas Department of Corrections by Texas Youth Council within the next year.

Facts from a pro on driving to survive.

Q. I'm confused about four-way stops. How do you figure out who's supposed to go first?—A.M., Stafford

A. When two vehicles arrive at the same time at a four-way stop, the vehicle to your right should be allowed to go first. The law says you may proceed only when you can do so without interference or collision with other traffic. But

the best answer is common sense and communication: take turns and signal your intentions to the other guy with a wave of the hand or a nod.

Q. I'm never sure of the amount of air I should put in my tires. Any advice?—O.W., Rosebud

A. For the average passenger car, about 28-30 pounds per square inch (psi) is about right, although most owner's manuals recommend lower pressures. Tires have an operating range of pressures that extends over 10 to 15 psi. High pressure limitations can be determined by looking at the maximum recommended pressure the manufacturer stamps on the sidewall.

Combined Law Enforcement Must Be Considered for 1978-79

Later this month, the commissioners court and city council will consider funding of the Combined Law Enforcement Program for the next fiscal year.

This program, by which one law enforcement agency covers the entire county, is ending the third year of its operation, and it is acknowledged as one of the more successful combined programs of the state.

Certain changes will have to be made for the 1978-79 year. Funding from the Criminal Justice Council, through Panhandle Regional Planning Commission, has ended, as it was supposed to do. It was first set up as a two year program, then received an extension through the third year.

The county and city will now have to provide more money for its operation. How much and where it will come from will be one of the questions to be considered.

The county and city will how have to provide all funding of the operation. How much they will spend and where that money will come from are two of the questions to be considered.

It would be completely unrealistic to expect law enforcement to revert to its former status when Sheriff John Rainey and one deputy (sometimes no deputy at all) covered the county, and the city operated with one policeman, and sometimes none.

There is less crime in Collingsworth now than before the combined program was inaugurated, notwithstanding the rise in most types of crime through out the nation. This is another of the things we should consider.

Not only must we look at crime of various sorts by our own people, we must consider crimes committed by those who are from outside our county. We are especially vulnerable because we are a state-line county.

Texas law enforcement officials are doing what they can to prevent organized crime securing a foothold. Such crime comes in where a law enforcement is weakest.

Again, we must consider that Collingsworth and especially Wellington are growing, and growth calls for a law enforcement program that is equal to the need.

Tourist Business Brings Texas \$\$\$

Texas last year played host to an estimated 23.2 million visitors who spent a whopping \$4.3 billion during 1977, reports the State Department of Highways and Public Transportation.

The highway department report was prepared from figures provided by the Texas Tourist Development Agency. The figures represent a 10 percent increase in visitor volume and a 13 percent increase in spending over the previous year 1976.

In addition to the tremendous sums spent by tourists visiting the state, it is estimated that about \$171.5 million flowed into the state treasury as a result of state taxes paid by these same tourists.

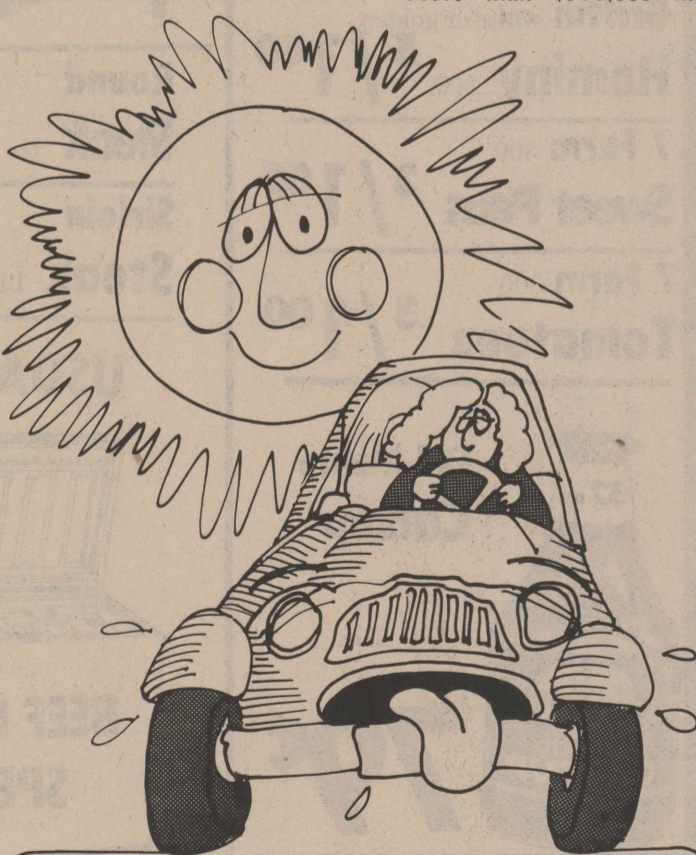

The estimate is made on the basis of U.S. Travel Data Center calculations that four percent of visitor spending in Texas goes for state taxes.

While the state has taken in some large sums of money from tourism, the state also has paid out money to stimulate tourist traffic to the state.

Last fiscal year the State invested \$2.4 million to help attract visitors. Dividing this figure into the \$104.6 million spent by the 61 percent of all visitors (the number estimated that came here strictly for vacation purposes), the state realized \$43.58 on each \$1 it spent "asking company to come calling," says the tourist development agency.

Cities also came into some large amounts of money collected from the hotel room tax of which a considerable amount was paid by tourists.

Pasture Improvement Better Investment Declares SCS

Pasture improvement may be a better investment on Collingsworth County farms than it has been in several years.

"Much of our pasture land has run down because fertilizer prices have risen while cattle prices have been low.

"But with the improved cattle price situation and investment in fertilizer, labor, and perhaps reseeding can

pay real dividends, in the form of increased beef production," says James Herring, local soil conservationist with the USDA Soil Conservation Service.

"We have an estimated 38,650 acres of pasture in Collingsworth County and proper fertilization and maintenance of these acres could increase farm income and our overall local economy."

He pointed out that in

addition to providing forage for cattle, improved pasture is an excellent conservation measure that controls erosion and sedimentation, improves water quality, and creates the natural beauty that we all enjoy.

"Recommendations differ according to soil tests, soil types, kind of pasture, condition of the grass, and other factors," Herring says.

NEW GRASS

J.D. Sheer, Soil Conservation Technician, SCS, Wellington, checks a new kind of pasture grass on Paul Schaub's farm 6 miles west of Lutie. The grass is Old World Bluestem, which has been under test here four years and appears to be well adapted for farms in Collingsworth County.

Laron Peters To Receive Master's Degree

Laron Peters of Quail is scheduled to graduate from West Texas State University at the commencement August 19.

Peters will receive a Master of Agriculture degree in agriculture.

The son of Mr. and Mrs. Richard Peters, he is a graduate of Quail High School.

Three hundred and fifty WTSU students are scheduled to graduate. The commencement will be in the Amarillo Civic Center Auditorium, beginning at 4:30 p.m. In its 69 years history, WTSU has bestowed bachelor's and masters degrees on almost 30,000 men and women.

LOCO HOME

Mrs. Paul Baker, (Elizabeth Adkins) holds the drawing she has made of the home her grandfather built in the Loco Community in 1903. Her parents, Mrs. M.L. Adkins and the late Mr. Adkins lived there while she was growing up. This and other pictures were displayed at the annual Loco-Arlie reunion Sunday, August 6.

One Hundred Reminisce At Loco-Arlie Reunion

Approximately 100 residents and former residents of the Loco and Arlie communities gathered Sunday, August 6, to visit, reminisce, and update themselves on happenings of the last year.

Gifts were presented to the oldest persons from each community. Mrs. Jess White, represented Loco, and Clyde Alexander, Arlie. She is 86 years of age, he will be 86 in a few weeks.

Honors for coming the greatest distance went to Jeff Calcote of Mulvane, formerly of Loco, and John Clark of Garland, who lived at Arlie.

A king and queen were selected from each community: Mrs. G.T. Austin, of Childress and Frank Hall of Pampa, representing Loco, and Mrs. White and Allen F. Hunt of Dallas, from Arlie. Mrs. White has lived in both communities.

Curtis Hall was master of ceremonies, and conducted the brief memorial service, when tribute was paid to Cecil Elbert of Lubbock, Cecil Masten, Gene Harrison of Amarillo, Roland Mayhugh, Anderson Mitchell, and Mrs. J.A. Killian.

Recognition was given to other groups: the Rev. John Stout was the only minister present; but there were four teachers or former teachers in those communities: Maurine Greer of Morton, Mrs. Edith Copeland Carter of Hollis, Miss Bonnie Willis and Bob Copeland.

Mrs. Austin was recognized as having been a former Store-keeper at Loco. Mr. Alexander remarked that his grandfather was one of the earliest storekeepers at Arlie, and Mrs. John Powell said her

mother, Mrs. Lena Smith, operated a store in that community many years, and her grandfather, Sam Arn, operated a blacksmith in the earliest period of the community.

Although Claude Savage did not live in either community, he was a rural mail carrier serving "just about everyone here at some time or other." The crowd agreed.

Present for the reunion was E.P. Salter of Mangum, who was born at Loco 89 years ago--in 1889.

During the brief business session, Mrs. John Wolf was re-elected reunion secretary. The 1979 reunion date was announced for the first Sunday in August. Hosts for that reunion will be named later.

Reunion visitors began arriving Sunday morning visiting, and a highlight was a box of old photographs which were available for looking.

Art relating to these communities is always a part of the reunions, and this year Mrs. Paul Baker (Elizabeth Adkins) had several drawings of homes of members of her family, including the original home of her grandfather, which was built at Loco in 1903 and still stands. For many years it was occupied by her parents, Mrs. M.L. Adkins and the late Mr. Adkins, and their children. Others were of the George Adkins and the Jack Brown homes.

An oil painting of the L.H. Wolf home south of Loco was done for John Wolf by his son-in-law, Kenneth Porter, now stationed with the Air Force in England.

Another oil painting was by the daughter of Mr. and Mrs. Lacy Boyd, of the home of

Mrs. Boyd's parents.

Those who registered for the reunion were Loyd Clark; Mr. and Mrs. Harold McGinnis, Mr. and Mrs. H.A. McGinnis and Leonard McGinnis of Amarillo; Floyd Clark; Pat and Louise Bouchelle; Bill and Ruby Harbin; Mrs. Jess White; Doris White;

Mrs. Lucy Hutchins, Mr. and Mrs. W.B. Minter of Lefors; Margaret Wolf Morris of Crosbyton; Mr. and Mrs. Frank Hall of Pampa; Mary Ann Clark; Edith Copeland Carter of Hollis; Wanda and Henry Wolf; T.P. Belew; E.P. Salter of Mangum, Okla.; Allen and Jennifer Havens and Leigh; Richard Falls of Booker;

Mrs. G.T. Austin of Childress, Mr. and Mrs. Harmon Lindley of Hereford; Mr. and Mrs. Guy Lindley, Mr. and Mrs. Loyd (Red) King; Sgt. J.C. Wolf, Ft. Sill, Okla.; Claude Savage, Bethine Adkins Wolf; Clyde and Tillie Alexander, Dodson; John H. and Jonnie Stout of Clarendon; John and Jewel Clark of Garland; Bonnie Willis; Mabel Forbis Emmert; J.V. Emmert;

Jaye Linn Greer, D'Ann Greer, Janna Greer and Tom and Maurine Greer of Morton; Pauline Patterson; Mrs. F.E. Woods of Childress; Jeff Calcote of Mulvane, Kansas; Milbrey and J.L. Woods of Sunray; Tommy Baker, James Baker, Lisa Baker and Mr. and Mrs. Paul Baker; Dayle Tipton of Amarillo;

W.T. Williams of Abilene; Curtis Hall, Mrs. Loyd Clark; Allen F. Hunt of Dallas; Lacy and Gertie Mae Boyd; Mrs. Earl Alexander, Mrs. R.R. Crawley, Bob Copeland, Goldie Wilson, Rosalie Robertson and Ruby Lockhart.

Band Practice to Begin August 14

Band practice for eighth graders and percussionists will start Monday, August 14, Jamie Larson, director, announced this week.

The eighth grade will practice at 7:00 p.m., and any other high school band members are invited to come by and help get the younger group started, Larson said.

Percussionists will practice at 9:30 a.m.

Full band rehearsals will start Monday, August 21, and all band members will be required to attend, according to the band director. Meeting time will be 7:00 p.m., and practices will run from two to

three hours.

That Skyrocket Band will make its first appearance at an open air concert Friday, August 25, in Ellison Park, starting at 8:00 p.m.

The Band Boosters will operate the concession stands. We'd like for everyone to come out and help the band start its 1978-79 year in a big way," said Larson.

Their next appearance comes when they lead the Fair Parade Friday, Sept. 8, and that night they will play at the Skyrocket 1978 opening game with Hollis at Powell Field. A pep rally is planned to be held sometime during this period.

Youth Reading Club Closes on August 15

The summer reading club for children, sponsored by the Collingsworth County Library has been extended until Tuesday, August 15, in order that all children may complete their books.

Leading in the number of books read this summer is Kim Castleberry, who has completed 72. Dana Thomas has read 51 and Jonny Settle 35.

Those who have read more than 20 include Kristy Settle 27; Leslie Hammons, Lyndy Forrester and Nicole Keller, 23 each; Johnny Branch and Suzanne Floyd, 21 each; Crystal Naylor and D'Nae Keller, 20 each;

Other members of the club are Dana Lacy Atkinson, Lois Jean Shannon, Heath Ingram, Andra Ingram, Shannon Hill, Lisa Powell, Leah Tunstall, Robi Lu Mabery, Leigh Ann Barton, Debora Barton, Sabrena Cummins, Jodie Lynn Blacksher, DeJon Lindsey, Jay Anders, Gwendy Kerlee, Hattie Jo Blacksher, Julie Caldwell, Kevin Kerlee, Lindy Thomas, Michael Roy Tho-

mas, Lolly Campbell, Karen Mote, Jenifer LaRosa, Lesa White, Jeff Powell, Hope Thomas, Betty Vernon, Toni Bell, Carrie Langford, and Billy Stanley.

Mrs. Clara Mote, librarian, reminded the children if they have failed to list in their folders any books they have read, this should be done so they can receive credit.

She urged the public to come by the library and see the books that have been added to the shelves recently. "It is almost time for another annual report to see what we have done this year. We have received the last of the promotional articles purchases with \$300 from state sources. These have been printed in The Wellington Leader.

The Amarillo Library has a large Mexican American Collection, and we can secure any of those. Those interested in reading any of these books should check with us and we will be glad to get them.

Christian Center Youths Hold Meeting

The Dodson Christian Center youths held a car wash Friday and Saturday in Dodson, which netted them \$60.

This will be used to cover expenses for that group to attend the stock car races at Altus Speedway Saturday, August 12, according to Linda Swearingen, a member.

Youth meetings are held each Friday night at 7:00 p.m. Robert Francis, president, was in charge of the meeting and the secretary's report was given by Holly Hall and the treasurer's report by Tresa Stewart.

The leader, Miss Swearingen was the speaker.

Attending were Robert Francis, Pat Drew of Hollis, who is vice-president; Holly Hall, Tresa Stewart, Frances Wiles, Irma Drew of Hollis, Leonor Pena, Cindy Jean Sonne, Preston Russell, and these visitors, Amy Cuevas, Kevin Cuevas and Mary Drew of Hollis.

New members from 11 years through the teens are welcome, the officers said.

The next car wash will be Friday and Saturday, August 11 and 12.

VFW-Auxiliary Win Awards at Convention

Glynn Moore Post No. 6439, Veterans of Foreign Wars, and its Auxiliary brought home honors from the District 13 convention held Saturday and Sunday, August 5 and 6 in Littlefield.

The VFW post was recognized by the other posts in the district as an outstanding post in every phase of its activities and projects. It retained the McBroom travel award for the fourth consecutive quarterly convention, which commander Tony Stephens said came through the hard work of a few devoted members.

The Auxiliary received a trophy from the Department of Texas as the first in the district to make its membership quota; a citation of merit for American projects from the Department of Texas and a national award for member-

Winners Announced in Second Annual Rodeo

Overall winners of the two-nights second annual Wellington Rodeo were announced, through the Chamber of Commerce, with out of town rodeo cowboys taking the major portion of the honors.

Both the sponsor, the Chamber of Commerce, and Bill Halliday of Elida, N.M., the producer, were pleased with results, which brought

ship. Stephens announced a social meeting in the VFW dining room Tuesday, August 15. All VFW and Auxiliary members are urged to attend. There will be a covered dish dinner.

The commander again requested that persons having VFW wheel chairs to contact him in order that he may determine where these chairs are.

Large crowds also attended both the Friday night and Saturday night rodeo dances at the National Guard Armory.

Comptroller's Representative Here Aug. 16

AUSTIN--State Comptroller Bob Bullock announced he is sending a representative from his Amarillo Field Office to Wellington on Wednesday, August 16, 1978 to assist local taxpayers and answer questions about State Taxes.

Bullock said Enforcement Officer Mort Watson will meet with local taxpayers at the County Courthouse in Collingsworth County from 10:00 A.M. until 2:00 P.M.

No Injuries Reported in Two Accidents

There were no injuries in two motor vehicle accidents which occurred within an hour and a half Friday, August 4.

First of these occurred at 9:15 a.m. 20.6 miles north of Wellington on Highway US 83, according to Trooper John James.

Both vehicles were south-bound when the late model car driven by Thomas Austin, 77, of Wheeler ran into the rear of a 1973 pickup driven by Roland Elrod of Elk City, James reported. Both men

were alone.

There was considerable damage to the front of the Wheeler car, he said. Austin was cited for failure to control speed, James said.

The second accident occurred at the intersection of Highway 83 and 8th Street when a 1973 car driven by Bernice Brown of Arlie Route, Dodson, traveling north on US 83, attempted to make a left turn onto 8th. It was struck by a 1966 car driven by William Eoff of Shamrock, traveling north on the wrong side of a divided highway, was attempting to get back into the right lane of traffic, the patrolman

reported.

Both vehicles came to rest in the northbound lane of traffic. James explained that the Eoff car was in the turn lane, which is to be for turning only. Eoff was cited for traveling on the wrong side of a divided highway.

Minor damage was reported to both vehicles.

Patrolman Herbie Duncan headed both investigations.

County Shares Oil, Gas Economic Boost

The multi-billion dollars boost that oil and gas industry operations gave to the Texas economy in 1977 was shared by the citizens of Collingsworth County.

The marketed value of petroleum production in the county has been calculated at \$4.7-million in an economic activity profile of the state's top producing counties prepared by the Dallas-based Texas Mid-Continent Oil & Gas Association.

"Texas' oil and gas industry remains the cornerstone of the economy of the state and of many of its counties," said the Association's president, H.B. (Hank) Harkins, Alice, independent producer and drilling company executive.

"It is imperative that the state maintain taxing and regulatory policies which will encourage the growth of this industry."

Collingsworth was one of 201 counties last year which produced petroleum with a marketed value of \$100,000 or more. The county ranked 164th in the estimated total value of petroleum produced. The Association has computed that some \$200,000 came from the production of 22,100 barrels of crude oil, with approximately \$4.5-million attributed to an output of five-million MCF of natural gas. Payments last year to

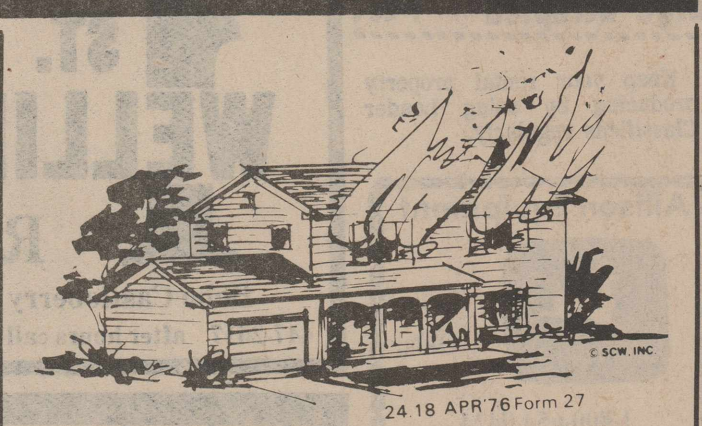

owners of royalty in the county were calculated at \$585,100.

While paying local, county and state property taxes, producers in the county also helped support state government through production tax payments estimated at \$345,300. This included \$9,200 from crude oil output, \$336,100 from natural gas.
