(By Associated Press)
ST. LOUIS, SENEAGAL, West Africa, May 12.—The first attempt at regular all-air mail service from Paris to Buenos Aires was started this morning by Jean Mermoz, veteran French aviator.

His crew was composed of M. D'Abry, navigator, and M. Guimic, radio operator. The plane, carrying 100 gallons of gasoline, weighed 11,000 pounds at the start.

Vote Of Confidence In Each Case Unanimous; Bishops Cannon, Dubose Are Named In Other Complaints

(By Associated Press)
DALLAS, May 12.—Four of the 13 bishops of the Methodist Episcopal church, South, in general conference had their character "passed" by the Episcopacy committee, meaning that complaints brought against them had not been substantiated.

The bishops exonerated of any wrongdoing reflecting on their office of the church were Bishop W. A. Candler of Atlanta, Ga., Bishop Collins Denny of Richmond, Va., Bishop Edwin D. Mouson of Charlotte, N. C., and Bishop John M. Moore of Dallas.

Bishops Mouson and Moore had been accused by Dr. Herbert G. Smith of Washington, Ga., of unwarranted political activities in the 1928 presidential election. Others named in Dr. Smith's complaint were Bishop James Cannon of Washington, D. C., and Bishop H. M. Dubose of Nashville, Tenn.

J. M. Turrell, of Ocala, Fla., chairman of the committee, said the vote of confidence in each case was unanimous.

Constitution Faces Precarious Future

DALLAS, May 12.—A precarious future for the proposed constitution for the Methodist Episcopal church, South, as foreseen today as a bare majority continued its drive at the quadrennial conference to obtain approval of the document, section by section.

The adoption of the constitution was doubtful since before it can be made a part of the church law, the constitution must obtain a two-thirds majority of the voting delegates.

The commission which wrote the document withdrew its support after Dr. G. C. French, Denton, Tex., who earlier in the day sponsored a move to criticize the proposed constitution, successfully put through an amendment to fix their term of office.

Business Like W. T. C. C. Meet Lubbock's Aim

Committee Would Eliminate "Hip-Hip Hooray" Spirit Of Delegation; Attempt To Ban Entertainment Features

The Lubbock delegation to the West Texas Chamber of Commerce convention at Abilene, May 29, 30 and 31, will be a quiet business like group, without even a trace of "hip-hip hooray" spirit, even though Lubbock is inviting the delegates at the convention to vote to bring the 1931 convention to Lubbock, if the recommendations of the steering committee for the trip are approved by the board of directors of the Lubbock Chamber of Commerce and Board of City Development.

Ask 25 Delegates
The committee passed by a unanimous vote, a motion that a maximum of 25 business men be sent to Abilene to seek the convention. This action was taken after several members of the committee had expressed the opinion that one hundred Lubbock people could be sent to the convention if the committee should make such an appeal.

Another motion was passed by a unanimous vote, that the committee recommend to the Board of City Development that Lubbock invite the convention, provided that it be a business meeting, to cost an estimated maximum of \$3,000, and request the board to insure the committee what action to take toward carrying out the recommendations.

Would Ban Contests
The committee favored eliminating the band contest in connection with the West Texas Chamber of Commerce, as well as the pageant and other entertaining features that tend to distract from the accomplishments of the convention.

Members of the committee pointed out time and time again in the committee meeting that a small

Texas Aggies Take Southwest Track And Field Meet

Match Play Starts Today In Lubbock County Club Open Tourney

HOOKS AND SLIDES

by WILLIAM BRAUCHER

The Sports Parade

The world is in the midst of a sports parade stupendous in scope. The big events of the outdoor season are crowding in so rapidly that the sports editor is at his wit's end for space.

The big golf matches are getting under way in England, with an American team pitted against the English for the Walker Cup. Then come the British Open and Amateur affairs, in which the world will be watching Bobby Jones, American-born, and the English for the championship at Formby. These events will be ended with just time for the contestants to hop back to the United States for the national championships.

Speed Artists Set New Marks In Annual Go

Meet Held Under Worst Conditions In History; Cy Leland Wins 220 But Is Beaten In Century

COLLEGE STATION, May 12 (AP)—Texas Agricultural and Mechanical college easily won the sixteenth annual track and field meet of the Southwest conference here today.

Although the University of Texas had been picked to give the Aggies a close battle and possibly to take the championship, the Red and White of A. and M. was to the victors in the start and long before the meet had ended was conceded victory.

Longhorns Second

Texas University finished second, Rice Institute third and Baylor University fourth. The point standing was A. and M. 51 2-3; Texas 32 2-3; Rice 31 1-2; Baylor 21 1-6; Arkansas 10; Texas Christian University 10; Southern Methodist University 8.

Willis of Rice with 10 was high point man. He swept to victory in the mile and two mile runs. Five men tied for second honors. They were Cy Leland of T. C. U., Claude Bracy of Rice, Harlan of A. and M., Jacob of A. and M. and Hammond of S. M. U.

Three conference records were broken, new marks being set in the 100 yard dash, the 220 yard dash, and the pole vault.

Speed Artists Shine

The two great sprint artists of the southwest, Leland and Bracy, lived up to expectations, despite the fact that the track was one of the poorest in the history of Southwest conference meets as a result of continued and heavy rains. Leland set a new mark of 20.9 seconds in the 100 yard dash, bettering the old record of 21.1 seconds set by both of them in 1928. Bracy cleared the bar in the pole vault at 13 feet and 1-2 inch. The former record was 12 feet 11-1/2 inches by Hammond of the University of Texas in 1927.

Rain Slows Meet

The meet was held under the most adverse conditions in the history of the conference, in the opinion of veteran coaches who had seen them all. After preliminary had been held on Friday, the finals Saturday were postponed until today in the hope of better weather. This morning, however, rain began falling heavily and by noon the track was standing in water and the field events were deep in mud.

As a result, the field events were held for the most part under the concrete stadium and the track events were run with the athletes splashing through mud and water in considerable quantities of the track condition, the times of Leland and Bracy in their events were sensational.

The work of Bracy and Leland easily proved the high lights of the day, although other performances, in view of the weather, were noteworthy. In the 100 yard dash Bracy got away to a much better start than his competitors and at the end of 20 yards was four feet in front of Leland, 900 feet and 200 yards down the track. In the last 50 yards, Leland made a gallant effort to close up the gap but Bracy's early advantage proved too much. At the finish, Bracy was perhaps 8 feet in front of Leland.

Leland Sets Mark

In the 220 yard dash, Leland got a better start and quickly took a small lead over Bracy. Almost side by side the two raced down the track but Leland's stamina over the greater distance stood him in. The win by three yards.

The Aggies won largely as a result of their well balanced squad, in the 120 yard high hurdles, the Aggies took first, second and third for 10 points. In the two mile run, the Aggies annexed second, third and fourth places.

The championship was the second straight for the Aggies. Texas also won second last year. The summaries:

100 yards—Mitchell, Baylor, first; Farnor, A. and M., second; Creighton, Arkansas, third; McChney, A. and M., fourth. Distance, 131 feet, 3 inches.

120 yard high hurdles—Harlan, A. and M., first; Sloomb, A. and M., second; Rice, A. and M., third; Henry, Texas, fourth. Time 15.5.

800 yard run—Jackson, Arkansas, first; Schiller, Texas, second; Arnold, Rice, third; Mims, A. and M., fourth. Time 2 minutes 12 seconds.

220 yard dash—Leland, T. C. U., first; Bracy, Rice, second; Ghedard, Baylor, third; Wilkey, Texas, fourth. Time 20.9 seconds.

(New conference record)

Javelin—Hammond, S. M. U., first; Hodges, Texas, second; Floyd, A. and M., third; Baldry, Rice, fourth. Distance 192 feet 3-5/8 inches.

220 yard low hurdles—Sloomb, A. and M., first; Harlan, A. and M., second; Henry, Texas, third; Oliver, T. C. U., fourth. Time 24.3.

Two mile run—Willis, Rice, first; Winders, A. and M., second; Smith, A. and M., third; Perkins, A. and M., fourth. Time 10 minutes 11.9 seconds.

Pole vault—Stieler, A. and M., first; Baldry, Rice, second; Parka, Baylor, and Hopkins, tied for third.

Weak Hitter Helps Drive Washington Club To Top

WASHINGTON, May 12 (AP)—Joe Cronin, who has been shuttled from the majors and back again since 1925, is one of the vital reasons for the success of the Washington club during the early games of the current season.

Indeed, Bob Shawkey, Yankee, manager thinks Cronin practically is the reason Shawkey, however, possibly was slightly prejudiced at the time of the opinion, because Cronin had just lined out a double, triple and homer to bog the Yankees down still deeper in the second division.

Cronin never a 300 hitter in the majors, or in few minor leagues, was coming through with such timely hits all season. His all time major league batting average is only .268, but this year he is hitting better and placing the blows where they count most.

Cronin, who plays shortstop, is 3 feet 11-1/2 inches tall, and weighs 165 pounds. He is 37 years old. He was drafted by the Washington Senators in 1925. Cronin was drafted by the Pittsburgh Pirates in 1925 with Pittsburgh. After being farmed to the low ranking minors, he was brought back by the club, and finally disposed of to the Kansas City Blues in 1928. Washington purchased his contract, July of that year.

Galloping Red Sox Halted By Browns, 3 To 2

BOSTON, May 12 (AP)—It took the St. Louis Browns ten innings to halt the winning streak of the galloping Red Sox today, the westerners winning the last game of the series 3 to 2. Heinie Wagner's boys had won five games in a row and Lisenbee secured bent on making it six until the St. Louis bats began to rattle in the tenth.

The winning run was scored on Blue's single, Manush's double and Kress's sacrifice fly. Previous to this Lisenbee had held the Browns to four hits.

FROM TEE TO GREEN

BY ROY GROVE
Central Press Golf Writer

MacDonald Smith is considered one of the greatest stylists in golf. His form is commonly known as the Old St. Andrews school. That form is identified on the tee by his rather flat swing, with plenty of power.

The fitness of his game is in his delicate approach shots and his work on the green. The accuracy with which he can place an approach shot and line up a putt is uncanny when Smith has the real feel of his club.

First of all, you will note in the illustration, that Smith is well balanced, both his feet are equalized, and that his arms are well into his sides, which leaves the wrists to do the work.

His head and eyes are directly over the ball, which gives him an excellent perspective of the hole without moving the head too far to the left in lining up the shot. He never looks up until the ball is in the hole or close to the rim. He never watches the progress of the ball in its line of flight.

There are three important points, as brought out by Smith in his putting, aside from the ease with which he swings back. First, as in (C) balance yourself well, this is done by relaxing a bit with the knees, then get your arms and hand well in to your sides as demonstrated in (B). Do not make the mistake of leaning too far forward as shown in (A).

Sixty-Four Golfers Qualify For Tournament Here; First Round Matches Carded Today

Approximately 64 golfers will tee off today in first round matches of Lubbock County club's open tournament, divided into four flights yesterday following a large influx of qualifiers Sunday on the club links north of the city.

Addition of 26 more entries Sunday brought the total number of contestants to 64 and caused the addition of an extra flight. Original plans had called for three flights of 16 players each but when the official card was drawn up yesterday, enough golfers were found to fill four full flights.

Large Turnout Sunday

Sunday's large turnout was accompanied by perfect golf weather. The Country club links were literally swarming with players and a number of low scores were turned in for the day.

Admits Giving Cannon Money

New York Capitalist Tells Of Donating \$172,800 In Fight Against Alfred Smith For Presidency

WASHINGTON, May 12 (AP)—E. C. Jameson, New York capitalist, told the senate lobby committee today he had contributed \$172,800 of his personal funds, including \$65,300 to Bishop James Cannon, to oppose Alfred E. Smith for the presidency in 1928.

The witness, a lawyer and head of a New York insurance company, testified he favored the 18th amendment and was glad to support it with money.

Reported \$172,800

The New Yorker was called after testimony by Representative Tinkham, republican, Massachusetts, (that he (Jameson) had contributed \$65,300 to Cannon but that the bishop had reported receipt of only \$172,800.

Jameson's testimony of the committee, read a telegram from Cannon to Jameson which suggested that the report should say that \$172,800 was paid the "headquarters committee" Anti-Smith democrats and that \$48,000 was paid the "Virginia committee Anti-Smith democrats."

Cannon was chairman of the Virginia Anti-Smith committee in 1928.

Baseball Records Tremble As Giants Beat Cubs In Slugging, 14-12; Bucs Down Dodgers

CHICAGO, May 12 (AP)—Baseball records of years standing trembled today as the New York Giants slugged out a 14 to 12 victory over the Chicago Cubs.

The Cubs equalled the record made by Pittsburgh in 1894, when they clubbed out four home runs in the seventh inning. Heathcote, Beck, Wilson and Grimm hit for circuit drives during the wild inning, the first two getting their second homers of the game.

The nine home runs collected by the two teams fell one short of the record set by the Cardinals and Phillies in 1923. The Cubs also lacked one home run of equalling the record made by one team in 5 games, which they clubbed out their six circuit drives. Leach, Ott and Benton contributed the Giants four-base hits.

Is A Standard Of Service That Will Stand The Test Of Time

It has been the policy of these laundries since their inception to give a service that will stand unquestioned, a service that will please. Consequently, we have invested our money in plants, machinery and equipment to handle the work in the most efficient possible way. Each laundry is in competition with the other, and the managers are held responsible for production. It is not difficult to keep these plants busy if the service rendered by them is so good it becomes a necessity. We strive for a service at all times, that will stand the test of time.

Bean Declares Chest Fund Is Not Adequate

Increased Financial Burden Of County Cited In Statement Of Judge; Budgets Are Proving Too Low

Judge Robert H. Bean yesterday in a statement made public declared that in the face of increasing financial burden upon the county, financial budgets of the Lubbock Community Chest are greatly inadequate for the work which should be done in this city. Approximately \$5,000 annually is spent by Lubbock county alone as a pauper fund, and this measure of donations for charity has continued unabated since organization of the chest, which received in a campaign several months ago \$26,000 in cash and pledges, he said.

Spent \$701.87 in April. The county appropriated \$701.87 for charity during April alone.

"At least \$15,000 is needed annually to facilitate proper handling of charitable problems," said Judge Bean. "Of the \$26,000 subscribed to the Community Chest, only \$7,000 has been budgeted to the Red Cross and the Salvation Army, which are the only participating agencies. I believe, which are charitable in their programs."

"I sincerely hope that the central organization will budget more for charity next year. There are numerous donations made by the county—and where the need is obvious— which should be handled by the participating bodies of the chest fund."

They're Glad To Give A Statement

"Just A Few Bottles Of Argotane Has Restored My Wife To Health," Says Lubbock Man

"After I spent a lot of money for medicines and treatments for my wife without it doing her any good, it sure does seem wonderful to me that just two bottles of Argotane has restored her to health again," is a remarkable statement made a few days ago by W. E. Foster of rural route 6, Lubbock, Texas. Mr. Foster is very well known here in this section and is employed at the Junction Service Station.

"Several years ago," he continued, "my wife's health failed, she lost her appetite, and before I realized it, she has gotten so bad she was in danger of complete breakdown. What little she forced herself to eat disagreed with her and she suffered agonies from the gas that rose from the undigested food in her stomach. She was badly constipated and suffered from such terrible headaches that her nervous system went all to pieces and she couldn't sleep hardly at all at nights. She worried over her condition and actually grew dependent. Her liver and kidneys bothered her an awful lot, and she would have severe pains in her side and back, and was very bilious and dizzy at times, she could hardly stand up without falling.

"Nothing we did for her seemed to help her at all, but she just got worse instead of better. A friend recommended Argotane to her and persuaded her to try it. Soon after she took the first bottle I noticed that she was picking up and getting to be more talkative, and she has continued to improve ever since. She eats anything she wants now and it agrees with her. She is always in a good humor now. She sleeps fine every night and in fact, all of her troubles have been completely relieved. She is entirely like a different person. We are glad to do what we can for Argotane, for both of us are thankful for her health."

Genuine Argotane may be purchased in Lubbock at the Women's Drug Store. Adv.

CHARGED WITH THEFT

Lynn County Man Is Arrested At Plainview Saturday

Sam Belyew, resident of Lynn county, was arrested in Plainview Saturday afternoon and lodged in the Hale county jail on charges of theft in Lubbock county, according to information received here last night at the local sheriff's department.

Belyew is wanted in this county for a series of thefts said to have been committed on farm houses in Hale, Crosby, Floyd and Lubbock counties.

A brother, Dave Belyew, was arrested in this city several weeks ago and charged with theft in connection with the same deceptions. The two are alleged to have stolen farm machinery, cotton seed and other articles from several farms.
