Poacher Finds Venison High

A high speed chase, which topped 100 miles per hour at times, led to the arrest of a night hunter and a $300 fine Friday.

Game Warden Ronnie Aston reported he spotted a night hunter using a spotlight on a back road south of Loraine about 4 a.m. Friday.

He said as he approached the pickup the poacher was driving, the driver saw him and drove off at a high rate of speed.

The chase lasted only a matter of minutes, but covered a span of over 14 miles of gravel, paved and dirt roadways, Aston said.

In the end, Aston reported, the driver ran out of gasoline and was forced to surrender.

He was apprehended and taken before Justice of the Peace Henry Doss on charges of killing a deer at night and failure to stop and permit search.

An eight point buck was confiscated from the poacher.

"This deer season is very slow," Aston commented. "There are a lot of deer, but they are not moving around much."

To date, Aston indicated, he has made 17 cases for various violations including spotlighting, improper tagging and hunting without a license.

Aston reminded fur trappers that the season is open on fur bearers, but to take a fur bearer, it is necessary to purchase a license.

Licenses are available at Northwestern Fur Company, 241 Walnut.

Aston also reminded trappers who trap outside the county in which they reside that a hunting license is also necessary along with the trapper's license.

GAME WARDEN RONNIE ASTON confiscated this eight point buck from a night hunter Friday, after a high speed chase which covered a 14-mile area. The hunter was fined over $300 for hunting at night and failure to stop and permit search.

CITY WATER Superintendent Buzz Rich and his crews began a project Thursday which is designed to solve water pressure problems in the vicinity of 14th and Cypress Streets. A three foot section is being cut out of the old line and a five inch PVC main line will replace the existing two inch main line. A new valve is also being installed. Water pressure had dropped to a minimum in the area due to corroded lines.

Colorful History Creates Interest

J.W. Kling, representing Rogers Company of Pittsburgh, Penn., addressed a group of interested citizens Thursday evening in the City National Bank.

Purpose of the meeting was to formulate plans for a county-wide celebration of 100 years in the history of Colorado City and Mitchell County.

A group of seven persons consisting of Eddie Piland, chairman; Joe Kirschbaum; Mrs. C.C. Thompson; Mrs. Marion Bassham; Robert Hoback; Carl Beery Moore and Bobby Lemons were appointed to select a general chairman for the celebration.

Search for a general chairman will begin during a meeting of the selection committee scheduled for Tuesday morning at the Villa Restaurant.

The group will also act as advisors to the general chairman to aid in his selection of se-

Youth Art Work Display Readied

Several items of business were discussed during the regular meeting of the Advisory Council of the Wallace Center Wednesday evening at the center.

The council voted to deposit $177.11, profit from the county fair, to the fund designated for air conditioning the center.

This brings the total of the fund to $859.88.

It was the concensus of the council to continue with plans to build a gazebo, whether an incentive grant from Levi Strauss is given or not.

Notification of the decision on the grant will be received by Jan. 7.

Mrs. Ray Anne Carlock reported the posters in the school Art Poster Contest have all been picked up and will be displayed in the windows of the former Ben Franklin Store downtown.

Kelley Elementary School winners and Hutchinson School winners will receive first, second and third place prizes of $10, $5 and $3.

Winners will be announced at a later date.

The council discussed the Youth Roundball League games which will take place at the center beginning Jan. 1.

Applications are available at C.C. Athletics, Wallace Center and State Farm Insurance Office from Becky Manning.

City Crew To Feast On Turkey

The annual Christmas dinner for Colorado City employees, spouses or guests and retired employees will be Dec. 18 at 7 p.m. in the Civic Center.

A traditional Christmas dinner of turkey, dressing and all the trimmings will be served.

Musical entertainment for the evening will be provided by Ms. Verna West and Ms. Emily Collins of Snyder.

City Manager Brenda Tarter stated the event will be very informal and lots of fun and hopes everyone invited will make plans to attend.

Markley Hand-Picked As Assistant District Attorney

The new face seen around Mitchell County Courthouse is that of soon to be Assistant District Attorney Lonnie Markley.

Markley, who is currently holding the position of Assistant County Attorney in Nolan County, moved to Colorado City in August from Waco.

A 1980 graduate of Baylor University, Markley was hand-picked by District Attorney-elect Rusty Carroll to work as his assistant after he takes office in January.

When present District Attorney Frank Ginzel retires in January, Markley will move his office into the district attorney's office in the Mitchell County Courthouse.

"It has been the policy of the DA's Office to have one man in Sweetwater and one man in Colorado City, due to the case loads in the two counties. A man is not placed in Fisher County (the third county in the three county, 32nd Judicial District) because their case load does not warrant it," Markley said.

"The position of assistant county attorney in Nolan County was established to allow me to train directly with Carroll," Markley said.

"This allows me to gain knowledge in how he intends to prosecute a trial case, deal with defense attorneys and law enforcement agencies, as well as deal in general with criminal cases," Markley noted.

Markley and his wife, Maxine, and children, Jerod, 6, Jennifer, 4 and Justin, 2, reside at 1216 Pine Street.

"I was raised in Dimmitt, a city about the size of Colorado City, and am very pleased to have the opportunity to live in a town of this size.

"It's a good place to raise a family and I'm looking forward to establishing my law career here in Colorado City with the DA's Office," he said.

During his spare time, Markley and his family like to hunt and do woodwork.

Mrs. Markley is currently a Mary Kay Beauty Consultant here.

Markley noted he can be contacted in the DA's Office in Colorado City after the first of the year, except when in trial in other counties.

Smith Funeral Services Held Locally Friday

Forrest Smith, 62, of 906 East 14th Street, Colorado City, died of apparent gunshot wounds at 7 p.m. Tuesday in Borden County.

Smith, a life-long resident of Mitchell County, was fatally wounded by several shotgun blasts Tuesday after apparently being involved in an argument with A.B. Owens of Borden County, according to a report made by 132nd Judicial District Attorney Pete Green.

Green indicated he had not spoken with Owens, who is in intensive care at Cogdell Memorial Hospital in Snyder after undergoing six hours of surgery for knife wounds apparently received in a fight which followed the argument.

"I have little information on the affair at the moment," Green said.

He said Owens was living on the 9-R Ranch in Borden County and Smith was employed by the Shannon Ranch at the time of the incident.

He noted Mrs. Owens had reported she and her husband were at home watching television when Smith came in and accused her husband of stealing a pistol.

An argument broke out between the two men and Owens was cut while he still sat in the chair, Green said Mrs. Owens stated.

The struggle moved into the front yard of the home, at which time Owens was apparently stabbed repeatedly and Smith apparently received fatal shotgun wounds, Green said.

Mrs. Owens drove her husband to the hospital, Green noted.

Texas Ranger W.D. Vickers and Sheriff Norman Sneed are investigating the incident.

Services were held at the Oak Street Baptist Church with Rev. Harold Davis, pastor of the

County To Deliberate Offices

Mitchell County Commissioners will hold a special called meeting Monday at 9 a.m. in the county courthouse to discuss the designation of a location for the County Attorney's Office.

Commissioners discussed the relocation of the office during the regular monthly meeting Monday.

A motion was passed at that time not to leave his offices in the same location.

County Attorney Pat Barber is requesting his offices be relocated to the offices currently used by the district attorney.

Fact & Fiction

By Donna Watson

As the silver strains of Christmas music fill the airways and twinkling Christmas lights beckon from all points, I find myself slowly evolving from an embittered "Scrooge" into a light-hearted child.

The "Magic" of Christmas never ceases to amaze me. No matter how hard the year has been, at Christmastime I cannot help becoming involved in the spirit of the holiday season, in the newness of life and the wonder of God's Love.

This year, with all its ups and downs, has not been an easy one for many people.

Money has become increasingly tight, not only for those of us who work for wages, but also for those with the means to deal in the open money market.

At times like these, I am truly glad I chose to live in a small town where I am known and trusted on an individual basis.

Repeatedly, this season, I have heard citizens complain that there is nowhere to shop in this town and that, when they do shop here, they cannot find the items for which they are shopping.

Because I am proud of this "little town," I would like to see this way of life continue, so I decided to see if what these persons are saying is true.

Being a person who very seldom, if ever, goes shopping (I use the phone, order what I want by size and color, etc., and have it gift wrapped), I decided to shop and see.

First I selected three items for which to shop; a red 10-speed bicycle, a size 12 boy's sweater vest and a new pair of size six and one-half high heeled dress shoes.

First, I went to Abilene to several malls. I expended a tank of gasoline ($20), six hours and ate half of a moderately palatable meal at a restaurant, which shall remain anonymous, for a price that was too high.

I came home empty-handed, except for several extraneous items which I would not have purchased if I had not been shopping.

My next venture was to Sweetwater. I expended one-half tank of gas, shopped for another six hours, again ate a so-so meal and returned home with several items for which I did not go shopping.

This week, I shopped Colorado City and compared prices, quality, courtesy in employees and availability.

Even to my surprise, I must admit, I found all three items (I am convinced we had the only size 12 sweater vest in existence). I didn't buy the shoes, because I had already spent my allotted sum shopping and running back and forth.

The following morning, one person was released and the other, James Donald Yarbrough, 47, of Riverside. was held on charges of auto theft from Riverside.

Even more surprising, to me, was the fact that most of the smaller items I purchased out-of-town could also be found here and, in most cases, at a lesser price.

This may sound to you like a lot of "propaganda." You may have shopped for a particular item and not found it, but the thing I remember most is that I shopped in two other towns and did not find it either. There are times when certain items just cannot be found, it would seem.

I have also heard complaints that particular merchants will not order individual items for particular customers.

My investigation into this proved that items will be ordered, on a local basis, if they are available on the market and if it is economically feasible.

Out-of-town, I did not have as much luck when requesting a special order. A deposit is required in most instances and the stores would rather wait until they have a quantity to order. The exception to this is in the "Elite" shops which are normally beyond my price range.

Our local merchants chose to locate here and offer us their services and merchandise.

We should remember this and take advantage of it.

Eddie Piland stated, "This is a massive undertaking and will involve numerous people throughout the area during various stages of planning and producing a centennial production."

Rogers Company has maintained a record of successful promotions of this type for 70 years and guidelines proposed are geared for success in Mitchell County, he noted.

Approximate cost for the production is $10,500 and funds for the project will probably be generated through sales of stock, centennial momentoes and pageant admission charges, said Piland.

Piland also noted, "Mitchell County is rich in history and has had a tremendous impact on the building of this state."

"It is hoped that people throughout the county will be enthusiastic and become involved in this very important event," he added.

'Angels, Lambs, Ladybugs, & Fireflies' Will Be Presented At Calvary Baptist

Once again the children of Calvary Baptist Church will give their presentation of the "Christmas Story" as it is told in the Christmas musical, "Angels, Lambs, Ladybugs and Fireflies."

There will be two performances of the play, one tonight (Sunday) and one on Tuesday night. Both presentations will begin at 7 p.m. in the sanctuary of the church and there will be no admission charge.

This story is made unique when it is told as it is seen through the eyes of God's little creatures, stated Jaynee Grayson, director of the play. The concept is only made more interesting as the children are attired in creative colorful costumes made to fit the character they are portraying, added Mrs. Grayson.

Mrs. Grayson said everyone is invited to attend this special presentation and added that it will be an entertaining performance.

Children in the cast are Hud Hudson, Tammie Blair, Jeremy Strain, Dane Hoover, Carrie Blair, Caleb Grayson, Debbie Gardner, Jeremiah Wood, Michelle Mitchell, Cary Redwine, Rachel Grayson, Tracy Hoover, Candy Hudson, Tami Redwine and Angie Piccola.

Others are Evelyn Smith, Charlotte Grimes, Kim Bullock, Coley Ramage, James Turner, Jody Clark, Sharon Chambers, Kelly Clark, Courtney Hammond, Larami Cathey, Coty Strain, Sheila Cates, Linda Kaye Hudson, Barbie Chambers and Jim Davis.

PICTURED ABOVE ARE just a few of the "little creatures" along with Joseph (Jim Davis) and Mary (Barbie Chambers) as they rehearse for the Christmas play, "Angels, Lambs, Ladybugs and Fireflies" to be presented tonight and Tuesday night.

Comptroller Bob Bullock announced he is sending a representative from his Abilene office to Snyder on Wednesday to assist local users of liquified gas in motor vehicles.

Bullock said Enforcement Officer Royce Manning will be at the Scurry County Courtroom, 3rd floor from 8:30 a.m. to 4 p.m.

"If you burn liquified gas in your pickup, truck or car, you must have a Prepaid Tax decal affixed to each vehicle that is equipped to burn liquified gas." The 1980 tax decal expires Dec. 31, 1980. 1981 Prepaid Tax decals must be affixed on the vehicles equipped to burn liquified gas on or before Jan. 1, 1981.

Team Is In Area Painting Curbs For Muscular Dystrophy Fund Drive

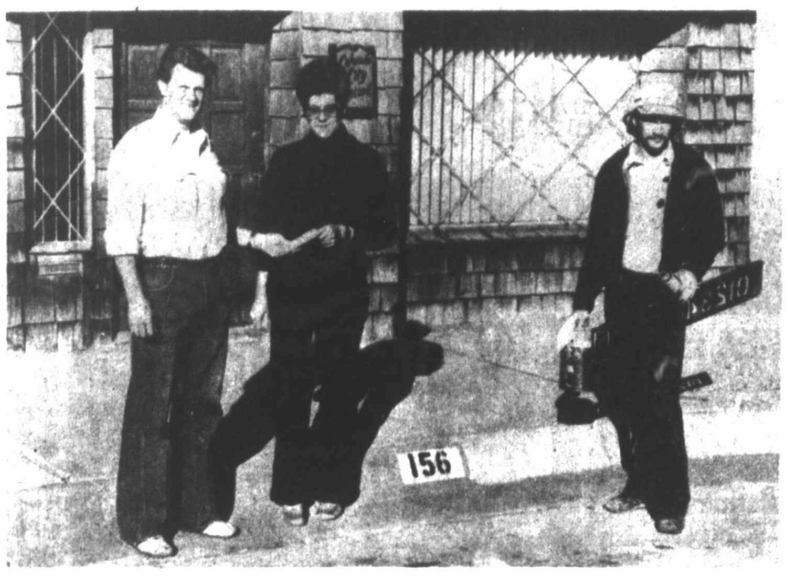

The entire city is getting a new look, especially at the curbs, stated Ruth Burnett, chairwoman of Muscular Dystrophy in Mitchell County.

House numbers are now being painted on the curbs throughout the city with black numbers against white background. Woody Woodward and his son, Mike, and sometimes their wives are the members of the team responsible for the fund raising project.

Woodward said that they have just finished the same project in Sweetwater and said the city officials there commented on how valuable it was to have the numbers in plain sight in emergency situations.

Woodward stated that they first leave an explanation card at each residential door and then they paint on the number and the next time you see the team, they will be by to collect a small donation which is contributed to the Muscular Dystrophy Association which is an organization for crippled children.

They will be in the neighborhood for a while and they will be around to your house, stated Woodward.

PICTURED ABOVE (left to right) are Woody Woodward; Mrs. Ruth Burnett, chairwoman of Muscular Dystrophy in Mitchell County, and Mike Woodward, the team that is presently in the Colorado City area painting house numbers on curbs for Muscular Dystrophy. Woodward presented Mrs. Burnett some of the donations already received for their work and they will continue for a while in this area.

Workday Slated

A workday has been scheduled for Thursday afternoon to set up the county agricultural barn in preparation for the 44th Annual Mitchell County 4-H and FFA Livestock Show, stated County Extension Agent Bob Benson.

All interested persons are asked to bring their rakes and shovels and come to the barn on Thursday afternoon.

The 1981 County Livestock Show is scheduled for Jan. 8, 9 and 10. Swine will be judged at 10 a.m. on Friday, Jan. 9 and steers and lambs at 10 a.m. Saturday, Jan. 10. The show is open to all Mitchell County 4-H and FFA members, stated Benson.

Water Carries 80% Of All Diseases

Clean water is important - 80 per cent of all diseases suffered by man are water-related, says the Agency for International Development.

People with waterborne diseases occupy half the hospital beds in the world and 25,000 people die daily from such diseases. In 1979, more than six million children under the age of five from underdeveloped countries died from waterborne diseases.

MY MONEY'S GOOD ANY PLACE!

So true! You have so many choices when it comes to places to shop and you, the customer, can make any choice you wish. You're the boss! If you've had a bad experience in a large store where the service is poor (or even non-existent) you can take your hard-earned money and find the same merchandise and services elsewhere.

Local business firms recognize the fact that you have a choice, and they're willing to work harder to get you to shop in their stores and then hold your patronage. Try them. You'll save money, your own personal energy, gasoline and learn again just how satisfying local shopping can be.

No need to roam... the best shopping's here at home!

Merkel To Join District 7-AAA In Spring Events

University Interscholastic League District 7-AAA, of which Colorado City is a member, has a new member as of Wednesday.

A meeting to discuss the proposal of a new member was held in Abilene Wednesday.

Merkel will participate in all Spring events, including literary.

Due to an error, Merkel was assigned to AA for the 1980-81 and 1981-82 school years in all activities.

It was reported to the UIL Office by the Superintendent of Merkel Schools Bill Everett in late October that incorrect figures may have been turned in to the UIL.

Until that time, no one had questioned Merkel's assignment to conference AA.

The first written notice from the district was received in the UIL Office on Nov. 24

Participating high schools are divided into conferences for a two year period.

The average membership of 1977-78 and 1978-79 will be used to assign schools for the next two year period of 1980-81 and 1981-82 school years.

When an error is detected, the school shall be changed to the correct conference as quickly as possible in activities that do not cause extreme contract and scheduling problems as stated by UIL rules.

A ruling for the solution is; Merkel is to be assigned to AA in football for the 1981-82 season. They are to be assigned to AAA in basketball for the 1980-81 and 1981-82 seasons. In all Spring activities and music, Merkel will be assigned in AAA for the remainder of the year and for 1981-82.

Stamford made a motion that all of the attending schools at the executive committee Wednesday accept Merkel for Spring events.

The motion was seconded by Merkel and the motion was passed unanimously by the five schools attending.

The five schools in District 7-AAA are Breckenridge, Colorado City, Stamford, Clyde and Abilene Wiley. Merkel makes the sixth member of the district.

Abilene Christian High School was affected more by the decision than any other team.

They will be scratched from several of the District 7-AAA schedules in order for Merkel to be a part of the district.

Superintendent of Colorado Independent School District Charlie Uselton moved that a letter be written to Executive Director Bill Forney of the UIL, questioning the timing of the problems caused by the lateness of consumating this new alignment.

The letter will in fact be sent to Mr. Forney.

UIL was informed of the situation in October, nothing was done about the change until the first of December.

"We would like to send this letter to express our concern," said Uselton.

"Merkel has an excellent girls' basketball team," said Uselton, "but they have lost at least one game that I know of. They could easily effect the outcome of our district."

"I personally feel that they should stay in AA until 1981 football season comes to an end," said Uselton. "There is not much difference in their enrollment and the enrollment of the other schools that are in their district."

Breckenridge is in charge of the literary events and will host the Spring meet on April 11 in Breckenridge.

The one-act play is set to be held at McMurry College in Abilene on March 27.

Abilene Wiley volunteered to be responsible for golf and track meets.

The district track meets will be held in Sweetwater.

Wiley will host the girls' meet on April 10 and the boys' the following week, April 16.

Golf and tennis will be held in Abilene. Dates are not yet set, but will depend on availability of facilities.

The Fourth Annual Wallace Center Volleyball Tournament will be held Jan. 9 and 10 in the Wallace Center Gym.

Teams must consist of six players (any group, company or club may make a team and have as many teams as desired as long as each one pays the initial team fee).

All teams must be mixed (men and women). There must be at least three women on the court at all times.

Entrants can be a member of only one team.

The tournament is a double match elimination. A match will be two out of three games (15 points).

All calls by referees are final, no protests may be made.

Games will be played on Jan. 9 and 10 (Friday and Saturday).

Awards will be presented to first and second places including eight individual trophies, with a team trophy and ribbons presented to the third place winners.

Proceeds will go into a fund for cooling units in the Wallace Center gym.

The event is sponsored by the Thursday night volleyball group.

Entries may be picked up from and returned to Lulu Turner at 968 E. 16th Street in Colorado City.

Back row members are Cristina Vasquez, Julie Wells, Hortencia DeLoera, Janie Barrera, Mitzi Hallmark, Melissa Clifton, Kathy Wright and Coach Jim Fine.

SPORTS ACTION

Wolves' junior varsity boys' basketball team defeated Stanton 41-34 Tuesday.

Scores by quarters are: first, 11-4; second, 20-15; third, 32-25 and fourth, 41-34, with Colorado City leading throughout the ball game.

xxx

Wolves' varsity boys' basketball team was defeated by Stanton 58-72 Tuesday.

"Stanton had four people in double figures," said Boys' Basketball Coach Mike Hart. "They were strong, quick and unfortunately tall. They were the best team we have faced this year and I hope this will be the best team we have to face."

"We stayed within 10 points most of the time," said Hart.

Scores by quarters were: first, 17-14; second, 38-30; third, 57-45 and fourth, 72-58, with Stanton leading throughout the game.

High pointer for the game was Doug Johnson with 17 points. Others scoring in the game were Dwight Staats, 15; Victor Jackson, 10; Randy Uselton, six; Mark Carter, six and Jeff Hammond and Mike Scott with two each.

Johnson and Uselton each had nine rebounds. Carter and Jackson each had seven rebounds for the game.

"We are making progress," said Hart. "We are much better than we were against Coahoma."

"I am especially proud of the bench people, Mike Scott, Jeff Hammond and Dwight Staats," said Hart. "They came off the bench and really aided the team."

xxx

Wolves' varsity girls' basketball team was defeated by Stanton 35-42 Tuesday.

High pointer for the game was Karla Herm with 14 points. Others scoring in the game were Tracey Gassiot, eight; Angi Neff, five and Darlene Mitchell and Tomika Randle, each with four.

A total of 15 interceptions were made by Colorado City in the Stanton game. Kim Feaster, Herm, Neff and Randle each made three, D. Mitchell had two and Ausbie made one.

Feaster had three assists and Neff had one.

Girls with rebounds are as follows: Herm, six; Neff and Gassiott, four; Saressa Mitchell, three; D. Mitchell, two and Feaster, one.

The Wolves made five of 12 shots in the first quarter for 42 per cent. In the second quarter, the team made zero of 14 for zero per cent. In the third quarter, seven of 19 shots were successful for 36 per cent and finally in the fourth quarter four out of 16 were completed for 25 per cent.

A total percentage for the team was 16 of 61 tries for 27 per cent.

xxx

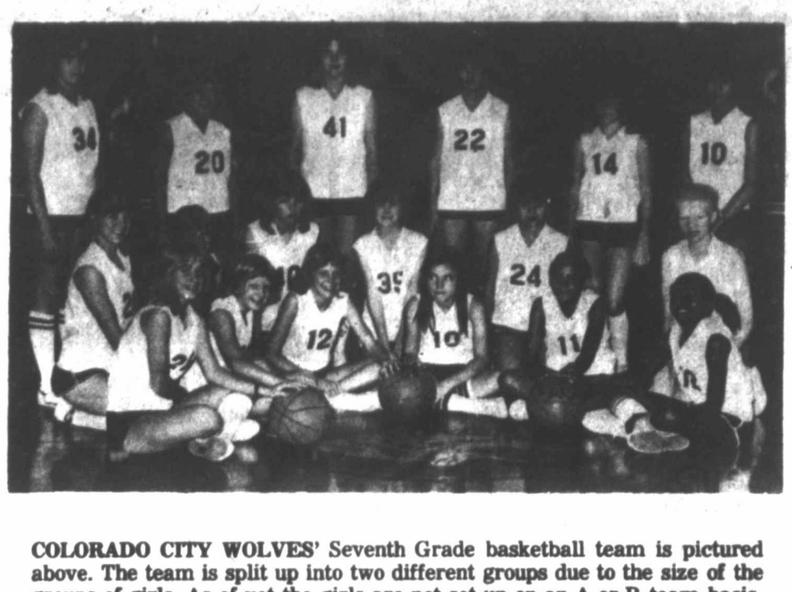

"There was an overall improvement in the ball team Tuesday night," said Junior Varsity Girls' Basketball Coach Laura Wiley, as her team was defeated 24-38 by Stanton Tuesday.

"These girls have a desire to be better as the final score proves 38-24," said Wiley. "These girls prevented a fast court break all game long. This phase of the game of basketball has been scoring an average of 40 points for our opponents, but the girls have learned how to defense the fast court break."

"Hollie Taplin ripped the cords for eight points," said Wiley. "Kerry Spivey and Pam Wilson had the most rebounds for the J.V. team. The shooting ability of each girl has improved; therefore more points were on the board for us this time."

Taplin was high pointer for the game with eight points. Others scoring were Spivey, five; Michelle Franco, four; Wilson, three and Carolyn Green and Rachael Lujan, with two points each.

Scores by quarters are: first, 10-6; second, 16-14; third, 27-14 and fourth 38-24. Colorado City was ahead in the first quarter, but fell behind in the second and stayed behind the remainder of the game.

COLORADO CITY WOLVES' Seventh Grade basketball team is pictured above. The team is split up into two different groups due to the size of the groups of girls. As of yet the girls are not set up on an A or B team basis. Members on the front row (left to right) are Ashly Weaver, Missy Neff, Sherry Fite, Jody Huff, Denise Jackson and Yolanda Lee. Middle row members are Heidi Ehret, Michelle Haggerton, Diane Gregory, Nikki Stewart, Melinda Martinez and Sandra Williams. Back row members are Tina Upton, Lisa Martinez, Shannon Perkin, Melissa Blackstock, Cheryl Bentley and Janie DeLoera.

ABOVE IS THE REMAINDER of the Seventh Grade basketball team. Girls on the front row (left to right) are Rhonda Barber, Dolores Molina, Leanne Acuff, Shanna Biggs, Julie McPhaul and Cindi Calloway. Middle row members are Yvonne Lujan, Stacy Clemmer, Julie Crawford, Angela Selvera, Yvette Camp and Lisa Alvarez. Back row members are Sandra Espinoza, Jana Northcutt, Margie Gonzales, Amy Franco, Melanie Rees and Mary Lou Mendez.

Public Notice

PUBLIC NOTICE

During the month of October, 1980, the City of Colorado City supplied water that exceeded the Texas Department of Health's "Drinking Water Standards," which were promulgated as required by the "Safe Drinking Water Act," Public law 93-523 (USA), for turbidity.

The presence of excessive turbidity or cloudiness in drinking water may interfere with the effectiveness of disinfection of the water.

In October, during the time of the heavy rains filling Lake Colorado City, our turbidity did exceed the requirement level.

The problem has been corrected and we are in compliance with the regulations.

Buford Rich, Jr.
Water Superintendent

XXX

On December 8, 1980, the Mitchell County Commissioners Court amended the Rules and Regulations governing the water and shorelines of Lake Colorado City which were approved on October 25, 1975, to include the following:

Containers which have contained pesticides, herbicides or any other type of chemical which may be toxic, corrosive, flammable or otherwise dangerous to human health or the environment, shall not be used as floats or for any other purpose in or near Lake Colorado City and Lake Champion. These containers may be disposed of in accordance with regulations of the Texas Department of Health, the Texas Department of Water Resources, the Texas Department of Agriculture and the United States Environmental Protection Agency. At this time, this disposal procedure includes rinsing and crushing the container so it can not be reused, followed by disposal in accordance with the Rules and Regulations prescribed by the Texas Department of Health.

PENALTY: Any person, group, company, association or corporation violating any of the provisions of these Regulations shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be fined in an amount not exceeding two hundred dollars ($200.00).

The foregoing Rules and Regulations are being published once a week for two consecutive weeks in the Colorado City RECORD, a newspaper affording general circulation in the area where Lake Colorado City and Lake Champion are located, and the same will become effective January 1, 1981. The full text of said Rules and Regulations are on file in the office of the Mitchell County Clerk, Mitchell County Courthouse, Colorado City, Texas, where same may be read by any interested persons.
