Dear Editor:

The Ex-Student Reunion was a fun time, especially for the honored classes. We still are missing local Ex-Students participation. The Ex-Students coming back are disappointed at not seeing the local Ex's from their class and other classes.

Deidee Aduddell Ziemann did a great job directing the events. She had very good help and donations too help end the event in the black. There were only 152 at the Banquet that was guaranteed for 175. We are thankful the Friday night Hamburgers and Ice Cream was well attended and financed the Banquet shortfall.

Sisty Flores Vincent directed a great lunch at SCOT Hall for the class of 1942 and about 40 Ex's and spouses that attended.

The open house at the School and the Museum were enjoyed by several. I still need addresses for the classes ending in 3 especially 1993.

Help me out please.

Walk Across Texas Contest Kickoff August 20

If Hank Williams could waltz across Texas for love, couldn't you and a group of friends walk across the Lone Star state for health?

Walk Across Texas is an eight-week program that will spark some friendly competition in Sherman County. Teams of eight will compete to see who can log the most miles walking, jogging, or even biking. The kickoff for Sherman County is August 20th.

Teams will keep track of their miles, which will be posted in the Extension Office and other places around the community, according to Susie Spurlock, Sherman County Extension Agent.

Many people are unaware of positive benefits of exercise. According to the American Heart Association, heart disease is the No. 1 problem in the United States. The risk of heart disease could be significantly reduced by regular exercise.

According to the Texas Department of Health, the positive effects of physical activity are not limited to lowering the risk of heart disease.

Not only does regular exercise help relieve stress and anxiety, "physically active people outlive inactive people," a TDH report stated.

"Participating in Walk Across Texas is not only a great way to get involved with our community, it's a healthy habit," Spurlock added.

To participate in Walk Across Texas, first get a team together. Biking and jogging teams are limited to four people. Choose a team captain and name your team. Fill out a registration form available at the Sherman County Extension Office, located in the Courthouse Annex at 701 N. Third Street.

"Competition kicks off at 7:30 p.m., Tuesday, August 20 at the Courthouse in Stratford. Come out and plan to have lots of fun."

For more information, call the Extension office at 366-2122. Great prizes will be awarded to those who reach the destination first; teams walking the most miles; teams returning the most completed registration forms; and teams who complete their mileage logs.

Extension educational programs serve people of all ages regardless of socioeconomic level, color, race, sex, religion, disability, or national origin.

Behold the turtle. He makes progress only when he sticks his neck out.

Lollies Lines

By Lorelyn Powers

In visiting over the past few weeks with folks who looked forward to the former column Timis Tidbits who wanted to know if I was going to continue the column to tell people who live in Stratford and Sherman County and the ones who take the Star in the far corners of this big wide world of the events of Stratford and Sherman County.

After much thinking the events of our town and county will be shared with folks far and near.

Our first events have already taken place and were enjoyed by those who attended. The first was SCOT's annual hamburger fry Thursday, July 25, 2002. We want to thank Ken Forthman who grills a great burger and for all who brought the trimming and desserts we enjoyed seeing Robert Lee and Lillie McAdams among regular Scotters.

The Dutch treat of the S.H.S. Reunion was a huge success-in all ways, we visited with students from near and far and the home folks were there in great numbers among family and friends gathered were Bill McMinn, Wanda Weller, Jeanie & Marion Brannan-Mae Plunk, Velma & Homer Blake. The Dave McReynolds family, Carrie Brown Austin and David Austin and Anna Lee, Caroline Austin, Sharon Wilson, Sharon Martenson, Ione Kendrick.

This weekend will also be a community gathering of all who will be joining in different events. Our Jamboree is this week-end and it is always a time to meet new people and visit with our neighbor.

Our students in public school will be getting into their school routine August 19, 2002.

One of churches in Stratford will be celebrating 100 years August 24-25, 2002. If one should have any memorabilia from First Baptist church history the church is ready for things to come together so everything will be organized for past and present members.

As we look out door's there is some wind and high cloud and temp is 83 degrees. Let everyone take care of ourselves and be patient and kind toward all.

Kerrick News

By Marylou McDaniel

There were 35 enjoying Sunday dinner at the Community Center. Tables were decorated with garden produce by Marjory Munden who suggested that those who wanted to take some home.

All have enjoyed the Sunday luncheons so much that they will be having them on the first and third Sundays at the Community Center. So, just bring a dish or two and enjoy. Will need some to act as hosts.

There is bad news about Janice Boren Kirchoffner. About six years ago she broke a leg in a fall from a ladder. The day after being in Kerrick, a week ago Monday, she went to Oklahoma City to see daughter Sarah. As she was getting into the car, her leg made a crushing break up to the hip. She is in the Bone & Joint Hospital in Oklahoma City.

Nita Taylor and Buck Weaver attended the barbecue benefit for Ron Hiner Saturday in Boise City.

Terry & Barbara Schoonover went to the Elkhart, KS, Corn Feed Saturday night with Don & Susan Turner.

Last year during the first night's performance, the first cold front of the year arrived, and everyone 'froze to Death!' Maybe this year, this will not happen and each night will be a glorious Texas Panhandle evening. Make plans to join with your friends and neighbors for two evenings of fun and fellowship.

For more information please contact the Stratford Chamber of Commerce Office (366-2260) located in the City Hall building.

The Churches of Stratford Welcome You

Proving The Bible Is God's Word

Did you know the Bible regularly tops the best-seller list? More Bibles are sold each year than any other book. But the Bible remains one of the least read of all books. Why? Perhaps the Bible itself gives us the answer when it speaks of people who are "holding to a form of godliness, although they have denied its power" (2 Timothy 3:5). You see, many people these days are very religious. They may even go to church on special holidays. And they no doubt own a copy of the great symbol of religion, the Bible. But these same people seldom read their Bibles. And the reason is that they don't appreciate the Bible. For them the Bible seems foolish and irrelevant. Perhaps this is the case with you. When you read the Bible, there is no real joy or excitement. You probably have a form of religion but you have denied its power. The power of true religion is the power to change the human heart. And it is only when your heart and mind have been enlightened by the holy Spirit that you are really able to see the beauty of the Bible. And so if you own a Bible and do not read it and appreciate it, as you should, you need to experience the power of the Holy Spirit in your life. You need to turn go God and ask Him to forgive you of your sins on the basis of Christ's sacrifice on the cross. And you need to ask God to give you the fit of His Holy Spirit. Jesus asked, "How much more shall your heavenly father give the Holy Spirit to those who ask Him?" (Luke 11:13). Then when you read the Bible, you will see that it is literally God's word to you!

The Latest Scoop On Fanciful Ice Cream Desserts

(NAPS)—In many parts of the country, ice cream is synonymous with summer. It evokes memories of childhood and halcyon times of running through sprinklers, bare feet in the grass and watching sunsets. In many ways, ice cream lets you be a kid again.

To celebrate the kid in all of us, Blue Bunny offers two great ice cream recipes that prove there are more ways to enjoy ice cream than simply eating it out of a bowl.

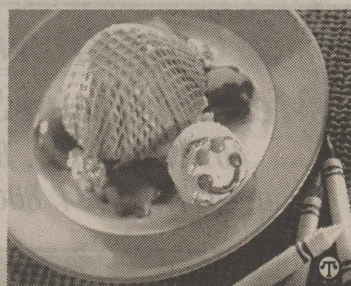

Turtle Sundae is a great project for kids and parents to prepare together—a creative, fanciful way for kids to be "ice cream chefs." Coconut Toffee Freeze is a cool and sophisticated conclusion for light summer dinners.

These recipes and others are available in the *Blue Bunny Ice Cream Recipe Book*. To request a copy, call (800) 942-3800 or go to www.bluebunny.com.

together milk and pudding mix for 2 minutes. Add ice cream and half of the whipped topping. Whisk, breaking up the ice cream, until blended. Pour into crust. Freeze at least 2 hours. Spread with remaining whipped topping and sprinkle with toffee bits.

Remove from freezer 10 minutes before serving. Cut into rectangles to serve. Freeze any leftovers.

Makes 15 servings.

TURTLE SUNDAE

4 (3½-inch) waffle bowls
5 cups Blue Bunny Premium Homemade Turtle Sundae Ice Cream
16 chocolate Turtle candies
Assorted candies, for facial features
1 package (1.5 oz.) chocolate-covered crisp wafer stick candy

Form 4 scoops of ice cream and set aside.

Fill each waffle bowl with remaining ice cream. Place each, ice cream side down, on an individual dessert plate.

Place each of the 4 ice cream scoops (that were set aside) against each waffle bowl to form the turtle's head.

Arrange 4 Turtle candies, partially covered under the bottom of each waffle bowl, to form the turtle's legs. Press assorted candy pieces into the ice cream scoops to form the turtle's eyes and mouth. Place one chocolate wafer stick partially under the waffle bowl to form the turtle's tail. Serve immediately.

Makes 4 servings.

COCONUT TOFFEE FREEZE

1 cup flaked coconut
2 cups reduced-fat buttery round cracker crumbs (about 57 crackers)
¼ cup butter, melted
¼ cup unsweetened applesauce
3 cups low-fat milk
2 packages (4-serving size) instant coconut or vanilla pudding mix
1 quart Blue Bunny Fat Free No Sugar Added Caramel Toffee Crunch Ice Cream, softened
1 container (12 oz.) frozen lite whipped topping, thawed, divided
¼ cup chocolate covered toffee bits

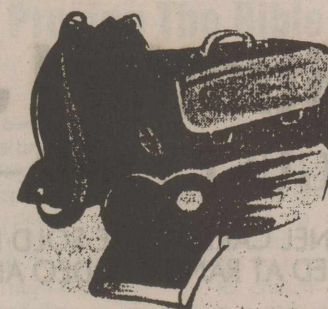

Place the coconut in a 13 x 9 x 2-inch baking pan. Bake at 350°F for 10-12 minutes or until golden; stirring often. Transfer to a medium bowl. Add cracker crumbs, butter and applesauce to coconut; mix well. Press into previously used baking pan. Bake mixture at 350°F for 11-13 minutes or until edges begin to brown. Cool.

Breast Cancer Screening Clinic

The Don and Sybil Harrington Cancer Center Comprehensive Breast Center will conduct a Breast Cancer Screening Clinic at Stratford Family Medical Clinic, 1220 Purnell in Stratford on August 13, 2002.

Breast cancer affects one in eight women. The key to winning the battle against cancer is early detection by having an annual breast exam, mammogram and performing a breast self-exam each month.

Participants will receive a low-cost screening mammogram. Each woman screened will receive a breast health risk appraisal and individual instruction by a registered nurse in breast self-examination. Funding is available through the Texas Department of Health for Texas residents who qualify for assistance. All exams are done by appointment only. Call 356-1905 or 1 (800) 377-4673 for more information.

Alfred E. Pronger Jr. was born June 14, 1920 on the Pronger Ranch. He is the son of Alfred E. Sr. and Ivie Pinkerton Pronger. Ivie was Old Timer Queen in 1964 and Alfred's Uncle Percy was the first King in 1960. Sister Doris Dyess was queen in 1999.

Other siblings were the late Polly Summerour, Penny Bennett and P.J. Jr. (Bunny).

The Edwin Pronger family moved their family from Sussex, England to Florida in 1886. Their two oldest sons left in 1890 for the west. In 1903 they came to Sherman County from Wichita County. They bought a four section claim south of Stratford. At one time the ranch was thirty sections and had one of the largest herds of registered Hereford cattle in the U.S.

Alfred attended Pronger School. There were from six to 12 students. He graduated from Stratford High School in 1938 and from Texas A & M in 1942. He has a Bachelor of Science and Animal Husbandry degree. The army sent him to Tyler for Commercial Communications College.

In the old days during the war, people would give rides in their cars, especially those in uniform. The story goes that Jimmie Ruth and a niece "picked up" Alfred and a friend and gave them a lift into town. The army sent him on to Fort Bliss, Camp Davis, N.C., and Orlando, FL. Then on to New Guinea and the Philippines. He considers himself lucky to have not been in combat, although he came close.

He came home and claimed Jimmie Ruth Herring as his bride on June 8, 1947. They have five children.

Jana retired this year as an agent with Texas Extension and makes her home in Borger.

Alfred E. III (Fred) is a partner in Pronger Brothers Ranch. He and his wife Marsha have two grown children, Janell 23 and husband Jason Miller live in Lubbock while Patrick, 21 lives in,

Jim and Helen married April 30, 1938 and went on their honeymoon with his brother Walker and his new bride Rose to Lake City, CO. Saved a little money that way! They camped out and took along cousin Jiggs Elms!

After living in Boise City for a while, they moved north of Stratford to a two-room house with no running water. They later bought land at \$12 an acre across the road. Daughter Mary Sue was born in 1942 in Boise City and still hasn't forgiven for not being born a Texan!

In 1948 they built their home in Stratford to make it easier for Mary Sue to go to school. Son Joe was born in 1950.

Mary Sue and Marvin Cotton live in Bettendorf, IA. They have three children. Susie and Dave Ring and eight year old Andy live in Atlanta, GA. Connie lives in the Quad Cities. Steve and Bobbie live at Davenport, IA. They have Emily, two, and a new baby, Sam, born last April.

Joe and Cathy live in Stratford. Their son Jordan was 8th grade Salutatorian as had been his grandmother Helen. They tragically lost son Erich last year.

Jim died in 1996. They had been married 58 years.

Queen Helen is a busy lady taking classes in cooking, sewing, tole painting, stained glass, basketry and bridge. She keeps a beautiful backyard and is a member of ACBL Iris Society. She was charter president of GFWC/Prospectus Study Club and is a Life Member, Past Matron of Stratford Chapter 960, Order of the Eastern Star, a member of SCOT and Country Club. Helen belongs to First Baptist Church and Lois Sunday School Class. She has been a Sunday School teacher approximately 20 years.

Helen is currently having fun painting on rocks, gardening and playing bridge, and reading.

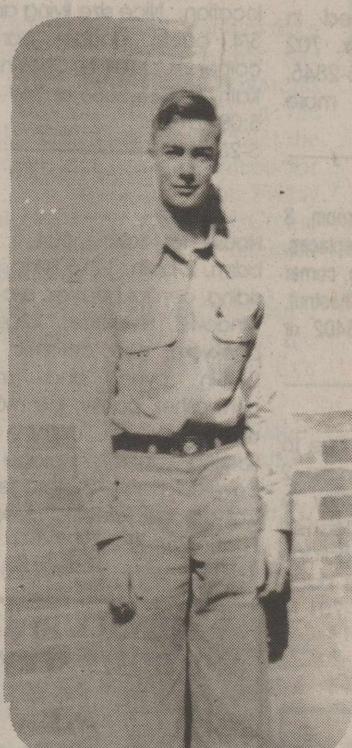

Helen has enjoyed traveling to England, Germany, France, Austria, Hawaii, Switzerland, Italy, Mexico, and the USA.

When asked if there was anything she wanted to say, it was "Enjoy your children".

GFWC/Prospectus Study Club is happy to welcome Helen Taylor as 2002 Old Timer Queen.

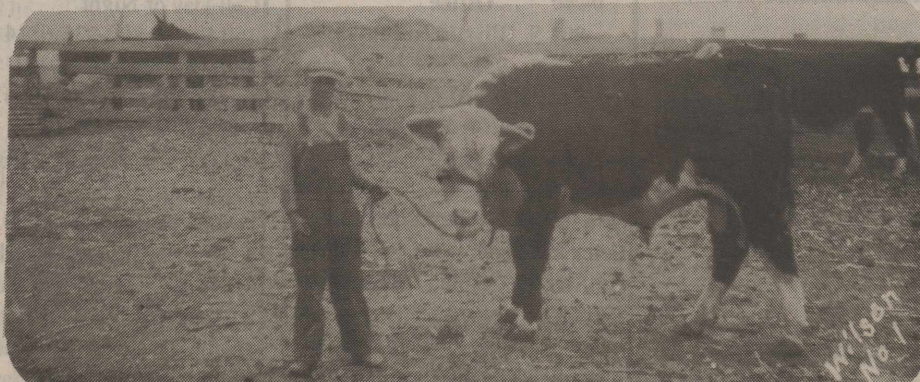

Queen Helen with her siblings. The men, from left, are Ross, Don, Vergil, Jeff and Kenneth. The ladies are Ruth Frantz, Helen, Nellie George, Betty Maness, Phyllis Wells. Picture taken at Camp Billy Joe in 1996.

Property Tax Rates

This notice concerns 2002 property tax rates for listed entities. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties listed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:
Last year's operating taxes
+ Last year's debt taxes
= Last year's total taxes
÷ Last year's tax base
= Last year's total tax rate

This year's effective tax rate:
Last year's adjusted taxes
(after subtracting taxes on lost property)
÷ This year's adjusted tax base
(after subtracting value of new property)
= This year's effective tax rate

× 1.03 = maximum rate unless unit publishes notices and holds hearing

This year's rollback tax rate:
Last year's adjusted operating taxes
(after subtracting taxes on lost property)
÷ This year's adjusted tax base
= This year's effective operating rate
× 1.08 = this year's maximum operating rate
+ This year's debt rate
= This year's rollback rate

STATEMENT OF INCREASE/DECREASE
If the listed unit adopts a 2002 tax rate equal to the effective rate of per \$100 of value, taxes would increase compared to 2001 taxes by

SCHEDULE A - UNENCUMBERED FUND BALANCES
Maintenance and Operation
Interest and Sinking

SCHEDULE B - 2002 DEBT SERVICE
