Council Grants Alley Closing To Facilitate New Construction

The City Council agreed Monday night, April 2, to close the south part of the alley in the 1200 block between Childress and Bowie Streets to permit expansion of the Church of Christ buildings.

In return, the church will grant the city a permanent easement along the north side of its property for an alley way serving any through traffic that might need to use it.

D.C. Thomason and Dick Judd appeared before the council to make the request in behalf of the church.

It was brought out in the discussion that the Church of Christ is planning construction of a 40' x 70' building across the alley west of its church building. This is on property it has owned for several years.

The present and new buildings would be joined by a 24' covered breezeway,

and it is for this breezeway that the alley space is needed.

Additional plans for the new construction were not revealed at the council meeting.

The agreement for the alley closing and right of way granting will be drawn up to be signed by the city and the church.

The discussion of the junk car ordinance continued with two men who had appeared at the last meeting. Loys Johnson told the council he wants to repair his car when he can get the parts, and J.M. Romo appeared in behalf of his sons, Danny and Ramon, and said that they, too are working on the vehicles and want to put them in running condition.

The council granted an extension of time to June 4, and asked the men to get the vehicles in more presentable

condition if they are to sit out in view of the public.

City Manager Tiny Taylor said about 400 cars that could be considered junk vehicles were sitting around in town when the campaign began to eliminate junk cars.

County Judge Zook Thomas was appointed to

act for the city in bidding on lots at tax sales in which the high bid was less than the amount owed on the lots.

The council will hold a called meeting on Monday April 9 to canvass the April 7 election, and the council will not hold its regular April 16 meeting.

Tiny Tot Revue Slated April 17

The annual Tiny Tot Revue, spotlighting children up to 6 years of age in their Easter clothes, will be held Tuesday, April 17 at the high school auditorium beginning at 7 p.m.

The event is sponsored by the 1954 Study Club and proceeds will go to finance the club's community and

other special projects.

Mrs. Lynn Wright, club president, announced plans: enrollment for children will be on Monday, April 16 at 4 p.m. in the high school auditorium.

Garage Sale Aids Auxiliary

A big garage sale lasting three days will raise money to help Collingsworth General Hospital Auxiliary finance projects in the immediate future.

The garage sale will be held Thursday through Saturday noon at the old Strong Flower Shop, corner of 10th Street and East Avenue in space donated by City State Bank.

Hours will be from 1 to 5:30 p.m. Thursday, Friday from 8:30 to 5:30 and Saturday from 8:30 a.m. to 12 noon.

Sale items can be brought to the building Wednesday, April 11, from 2 to 5 p.m., and on Thursday from 9 a.m. until 12 noon.

Those who need to deliver something earlier can call Loretta Wright, 447-2077.

"It will be a big timesaver for us if the donor put a price on the items," Mrs. Wright said.

No clothes are to be included unless they are exceptionally nice baby

clothes, it was pointed out. "We will appreciate anything anyone has to give," Mrs. Wright continued.

"You are to check to see if your items have been sold, and if not they must be picked up by closing time, noon Saturday.

Mrs. Wright explained money received in the recent fund-raiser enabled the Hospital Auxiliary to complete the purchase of curtains for hospital patient and other rooms, and members are now ready to take on another project.

This will include recovering part of the chairs in the patient rooms and refinishing some furniture.

"We want the public to be aware of each of the carried out by the Auxiliary, and also we want you to know how we use the money which they make possible by their support of our fund-raisers and donations they give.

Hospital, School and City Elections Slated Saturday

Collingsworth County citizens will vote on officials and board members in from one to three elections each Saturday, April 7, they were reminded this week by spokesmen for the various legal entities.

These are Collingsworth General Hospital Board, City of Wellington, City of Dodson, Wellington Independent School District, Samnorwood Independent School District.

Additionally, any registered voters who may be living in the far northwest part of Collingsworth County in either the Shamrock or Lela Independent School Districts, can vote on the consolidation of those two districts.

There will be voting boxes at both Shamrock and Lela. Polls will be open from 7 a.m. to 7 p.m. in all elections.

In all but one of these elections, incumbents are unopposed in their bid for re-election.

HOSPITAL DISTRICT

The only county-wide election is that to name directors of the Collingsworth County Hospital Board.

Four members are seeking re-election: Loretta Wright, Willie Faye Patrick, Robert Owens and Emory Ewing.

Ewing was appointed to fill an unexpired term which ends with this election. He is running for his first full term.

There will be four voting boxes:

Wellington Elementary School

Dodson American Legion Building

Samnorwood Gymnasium

Quail Booster Club Building.

Holdover board members are Ineva Bowen, Dr. J.M. Orr and Yates Parker.

CITY OF WELLINGTON

The City of Wellington election will be held in the Club Room of Bura Handley Community Center.

After this was announced as the location, the city council voted to move the election to the site of one of the other elections, believing two elections together would attract more voters. It was found this cannot be done legally after an election is called, and the polling place went back to its original site.

Four incumbents are running for re-election.

Gary Brewer, Lyndon Crelia and Willie Gragson are running for full two year terms. Milburn Derryberry is running for the one-year remaining on an unexpired term to which he was appointed.

Mayor Ralph Owens term does not expire until 1985, and the one holdover councilman is Sam McGill.

DODSON CITY COUNCIL

Three candidates for Dodson City Council are running for re-election: Herman Ward, Julian Castillo and Olan Farris. The term of Mayor Thurman Crowner has another year to run, and holdover council members are Tommy Hightower and Rayburn Hightower.

WELLINGTON ISD

Two members of Wellington Independent School District board ask re-election for three year terms.

They are Kirby Campbell, president of the Board, and John Barton.

There will be two voting places, Wellington Elementary School and Dodson American Legion Building.

Holdover school board members are Bill Spillman, Frances Schmidt, Reed Souder, Carroll Nunneley, and Dan Langford.

SAMNORWOOD ISD

Five candidates are unopposed in their races for election to the Samnorwood

Independent School District board.

Guy Brandvik is running for re-election.

Mrs. James Tarver, and Gary Wright were appointed to fill vacancies several months ago and are candidates for the remaind-

er of the unexpired term. Doug Seal and Doug Darrow are candidates to succeed two board members who did not run for re-election.

The election will be held in the Samnorwood Gym-

Ingram Top 2-2A Medalist

Playing on a cold, windy Clarendon Country Club Golf Course, Wellington's Heath Ingram was the top medalist player in the District 2-2A and qualified for regional competition, Eddie Hankins, high school golf coach, announced.

Ingram had a score of 80 in the second half of the UIL district golf tournament Monday, and with his first round score of 77 at Wellington a week ago, he had a combined low score of 157, 7 strokes under the second place.

"Heath played a whale of a game today. He turned in a good score. I think he will be a great representative for the district in the regional and I believe he could go all the way to the state," said Hankins.

Second place medalist was Darrel Cofer of Memphis, who turned in a score of 81 for a 164 total. He will also advance to the regional with Ingram.

Third was Scott Bobbitt from Memphis, who scored 88 in the second round for a combined score of 166. He is the alternate if one of the other two boys cannot go to the regional, this will be played in Lubbock the first week in May.

In boys team play, Memphis A was 1st; Panhandle A 2nd and Shamrock 3rd.

In girls team play, Panhandle A was 1st;

Freddie Chambers, Gary Gaynor, Rick Starr, Dave Callahan

Freddie is Goldbrick and Moving

Freddie Chambers music has made him a living legend in Wellington High School--a legend that still grows.

It was this music that followed him to college, to bands in Amarillo, until he and his wife, the former Rosie Garcia, left the Panhandle for Phoenix, Arizona.

Now Freddie is Goldbrick! An Arizona mainstay for the last two and one half years, Goldbrick is the

epitome of hard driving, high energy, foot stompin' Rock and Roll! As a matter of fact, if Funk and Wagnalls ever decided to put the term, 'Rock and Roll' in the dictionary, it would do well by putting Goldbrick's picture next to it," declare its members.

Goldbrick is comprised of four unique individuals who blend their talents, charisma and musical know-how together to delight their audience with a truly

one-of-a-kind listening and dancing experience," declare their regular listeners.

After all, what do you call a band that plays old rock and roll, soft ballads, 60's classics, rockabilly, originals--all to perfection while dancing and "carrying on" on stage? Just call it entertaining.

Goldbrick is Rick Starr (Lead vocals/guitar), Gary Gaynor (drums), Dave Callahan (Vocals/lead guitar) and Freddie Chambers (Vocals/bass)--each a talented individual who gets to show his stuff on stage.

Chambers, a rock bassist personified, seems to have a monopoly on the word "hyper." Whether on stage, off stage, on tables or on his back, Chamber puts out 120% every performance--night in and night out.

Goldbrick has played in numerous clubs throughout the Southwest, appeared as an opening act for various headliners, and has recorded and received airplay with an original tune "Blow Up The USSR"--the group's answer to the Russian downing of the Korean airliner. Sung to the tune of the Beatles' "Back in the USSR," "Blow Up" is "a

Methodist Church Slates Revival

Revival services at 1st United Methodist Church will begin Sunday, April 8, and end the following Sunday, April 15.

The Rev. Kerry Hurst, pastor of 1st United Methodist Church in Gruver will be preaching from Sunday morning through Thursday night, the Rev. Tom Thomson, pastor, announced.

On Friday evening, a concert will present David Dale, Lubbock singer and song writer. A service of sharing and praise is planned Saturday evening and Rev. Thomson will preach at the Sunday morning service to close the revival.

Services will be at 7 p.m. on Sunday, the opening night, and from Monday through Saturday, starting time will be 7:30.

A bible study will be conducted at noon from Monday through Thursday, said Rev. Thomson.

"People are invited to bring a sack lunch and we will share our sandwiches and the church will provide drinks.

"The whole community is invited to participate in these services," said the pastor.

There will be other features to the revival.

"We will have some lay people from surrounding areas here to give their testimony at some, but not all, the services," said Rev. Thomson. The junior high

puppet ministry will present their work, as well as the two children's choirs, directed by Mary Johnson and Sylvia Cummings."

Rev. Hurst comes originally from Lorenzo, where his father is still in the implement business. He attended Texas Tech University and graduated from McMurry College, Abilene and Asbury Theological Seminary at Wilmore, Ky.

He and his wife, Kim have three children, Kurt, Kassie and Kelcy. He was pastor of the Methodist churches at Eula near Abilene, and at Sudan before going to Gruver.

Dale, who will be presented in concert Friday, writes and presents his own music, which may be considered as contemporary gospel music.

The Saturday evening service of sharing and praise will include singing, sharing of experiences, and other forms of worship. This will be of an informal nature.

Rev. Thomson will preach Sunday morning to close the service.

Rockets to Compete at Aspermont

The Winged Rockets go to Aspermont for a one-day track meet Saturday, April 7, Coach Carl Taylor announced.

"We will probably see our stiffest competition so far," Taylor commented. "Hamlin will be running at Aspermont and they are supposed to have a good team. We ran better than we ever have when we won the Albany track meet, but most of the Aspermont teams will be very close to ours."

Taylor will take the 8 men on his varsity track team: Dwayne Culpepper, Joe Bill Munn, James Benton, Kirby Pennon, Jay Warrick, Shawn Davis, Lee Munyan and Kenny Peeks.

"And your feet shod with the preparation of the gospel of peace." Ephesians

These shoes fairly shine and sparkle and are ready to take their owner proudly any place. Society dictates that we should be well turned out and that our feet be shod with well-groomed footwear. The Bible tells us that we should be clad in the whole armour of God, and that our feet should be shod with the preparation of the gospel of peace. The gospel is this: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit." Romans 8:1

St. Peter advises, "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."

Come to church this week that you might learn of Him and that you might be prepared to give this good news of the gospel to others.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

COLLINGSWORTH COUNTY AGENT REPORT by DON REEVES

PLAN LANDSCAPE BEFORE BUILDING

Landscaping a new home is a major investment that, if properly done, will increase a value over the years.

As much attention and planning should be given to the outside environment as to the home interior. Between 10 and 20 percent of the combined cost of the house and lot should be invested to adequately landscape a new home.

Major items included in this cost are grading, drives, patios, retaining walls, fences, planting and professional services. Initial grading is probably the most important because it will establish the drainage pattern and provide adequate movement of excess water.

Ideally, the house and grounds should be planned as a unit before actual construction begins. With advance planning, the house can be designed and located to make maximum use of existing landscape features.

Existing vegetation, lay of the land, prevailing seasonal winds, views, shade,

distinctive existing features and building setback lines should all be considered and used to advantage when planning the landscape. Another consideration is the family's outdoor activities.

A landscape that accents a new home doesn't just happen; it must be planned. There is no substitute for adequate prior planning to eliminate many of the problems that often plague new homeowners.

COLLINGSWORTH COUNTY AGENT REPORT

by Nancy Janes

CHOLESTEROL

March 1 starts the kickoff of National Nutrition month which is sponsored by the American Dietetic Association. "Ideas for Reducing Cholesterol" was written to support their efforts as well as making Collingsworth County residents aware of their eating habits. In doing so, let's hope that a healthy diet becomes your way of life.

Cutting back on cholesterol doesn't require "giving up" anything. But it does mean "balancing" the fat and cholesterol content of meals and snacks.

More and more Americans are concerned about reports of medical studies linking the risk of heart attack to cholesterol consumption. However, the American Dietetic Association (ADA) advises against overreaction.

Removing dairy foods from your diet to prevent heart disease, for example, would only increase your chances for osteoporosis since dairy foods are a major source of calcium, says the ADA.

Instead, moderation, not elimination, of foods high in fat to reduce the cholesterol in your diet is encouraged.

Some obvious ways of cutting back on cholesterol

include choosing lowfat and nonfat dairy products, trimming fat from meat and avoiding fried foods, especially those breaded or batter-fried.

Here are some other ADA-recommended methods for cutting back on cholesterol that you may not know about:

..When possible, choose vegetable oils. Despite what the recipe says, use oil or margarine rather than shortening, lard or butter when baking.

..Use moderate amounts of salad dressings or try lemon juice with a variety of herbs and spices to season a salad.

..Use a blender to whip a plain lowfat yogurt or lowfat cottage cheese and substitute the whipped ingredient

for sour cream and mayonnaise.

..Try mozzarella cheese and other cheeses made from part skim milk, which are lower in fat and cholesterol than cheddar or Swiss.

..Use skim or lowfat milk in puddings, sauces, soups and baked products. It's a myth that whole milk is essential in recipes.

..Substitute egg whites for whole eggs, using two whites for every egg listed in a recipe. Egg yolks have a high cholesterol content, while the whites have no cholesterol at all. When making scrambled eggs, use only one yolk per serving and add a few whites to make the serving more generous.

LETTERS FROM THE PEOPLE

Dear Editor:

I was deeply saddened to hear of the death of Bonnie Willis. Ms. Willis ("Miss Willis" back then) was my second grade teacher at West Ward School, and I shall always remember her enthusiasm, cheerfulness, encouragement and obvious joy of teaching she exhibited while I was one of her pupils.

Her influence on me was significant in the following many years of my education

and training process. I feel fortunate to have been one of her students.

Teachers can be very special people. They have the opportunity of having a very positive influence on the young by their caring and by their encouragement. Bonnie Willis, to me, was one of those very special people.

Sincerely,
V.C. Saied, MD

ed an 11-month moratorium on mergers involving the 50 largest oil companies.

Lloyd Bentsen, D, voted no. John tower, R, voted no.

FARM BILL The Senate passed, 78 for and 10 against, a bill to cut surpluses of several crops and expand credit programs that subsidize domestic farm operations and spur agricultural exports. The measure (HR 4072) was sent to conference with the House.

Senators voting yes supported the farm bill.

Bentsen voted yes. Tower voted yes.

COMPENSATE By a vote of 61 for and 34 against, the Senate tabled (killed) an amendment to compensate farmers who lost grain when the elevator storing it went bankrupt. Farmers in that predicament were to have received a payment-in-kind loan from government stocks, repayable over ten years. The amendment was offered to HR 4072 (above.)

Senators voting no wanted special compensation for farmers harmed by elevator bankruptcies.

Bentsen voted no. Tower votes yes.

90 Years Experience---

Three Hedley Teachers to Retire at End of School Year

Hedley School Board members elected the faculty and auxiliary school personnel for the 1984-85 year in their regular meeting, March 19.

Glyndol Holland, superin-

tendent, announced that three teachers are planning to retire at the end of the present school year. These

three will have had a total of 90 years teaching service.

They are Joyce Boliver, with 28 years of service as an

elementary teacher; Connie DeBord, with 28 years as

science teacher and 24 years as a school bus driver, and

Doyle Messer, with 34 years a vocational agriculture teacher.

Other personnel who have announced intentions of retiring are Sam and Flora Sanders, custodians. In addition, Sanders has been a school bus driver for 11 years.

Faculty members elected were Valinda Avey, home economics teacher; Evelyn Messer, English, business and drama instructor; Bryan

Hill, part time principal, teacher and coach; also

Jon Leggett, social studies and math teacher; Becky Hill, Chapter I and elementary teacher; Terry Collins, teacher and coach; Sharon Wheatly, resource teacher; Sheila Wade and Wilma Reynolds, both elementary teachers.

Supt. Holland said he will begin taking applications for custodian/bus driver; a bus driver and an elementary

teacher.

In other business, the board approved the establishment of a cheer leading program for Hedley High School.

The board also approved the 1984-85 school calendar and the textbook committee report.

A study will be conducted with the new curriculum bill as a guide to determine the staffing needs for the 1984-85 school year.

A scene from "Tales of the Snow"

Ministerial Alliance Plans "Tales of the Snow"

Tales of the Snow, a two hour motion picture shot in the Swiss Alps, will be shown at the High School Auditorium on Friday, April 6 at 7 p.m. Based on Patricia St. John's novel of the same name, the film is intended for all-family viewing.

It is sponsored by the Collingsworth County Ministerial Alliance and there will be advance sale tickets for \$1.00 per person available at many of the area churches.

The film's dramatic opening shows Lucien, a boy of 13, teasing Dani, a younger boy from the neighboring farm. Suddenly, the little

boy slips and falls off a cliff. Dani is seriously injured, and although it was an accident, his older sister, Annette, vows to make Lucien pay dearly for his involvement.

Annette's bitterness toward Lucien festers while she tells others in the small mountain village about the "accident", all along subtly suggesting that Lucien deliberately pushed her brother into the mountain.

This is a story of bitterness and community rejection that drives Lucien, the boy blamed for the accident, close to despair. He finds refuge with a

kind and wise old woodcutter, solace in the mountains and eventual acceptance by the injured child's sister, Annette.

The destructive powers of hatred and the desire for revenge are counterbalanced by forgiveness, and this is the theme of the film, which has won several major awards for excellence in family including a Golden Halo Award from the Southern California Motion Picture Council.

Group members of "Renaissance Man" will spend 31 vacation days visiting England, France, Italy, Holland, Switzerland, Yugoslavia, Germany, and Greece. The highlight is a seven day Mediterranean cruise through the Greek Islands aboard the Italian ship Romanza. Ports of call include Corfu, Crete, Rhodes, Piraeus, and Athens.

A professional guide-lecturer leads sight-seeing tours to the major points of interest in each city: to Buckingham Palace, the Tower of London, and Windsor Castle in London; Notre Dame, the Louvre, the Champs Elysees, and Palace of Versailles in Paris; the Colosseum and the Forum in Rome.

In Amsterdam, Holland, participants will see some of the great art works by Vermeer and Rembrandt at the Rijksmuseum.

Travel in Germany includes a cruise past fortress-castles on the Rhine steamer and an opportunity to explore the maze of underground tunnels at the Salt Mines in Berchtesgaden. Students will visit the Minoan excavations, the Temple of Zeus, The Arch of Hadrian and the Acropolis in Greece.

Switzerland offers a spectacular ride on a cable car to the Diablerets Glacier where year-round skiing is available.

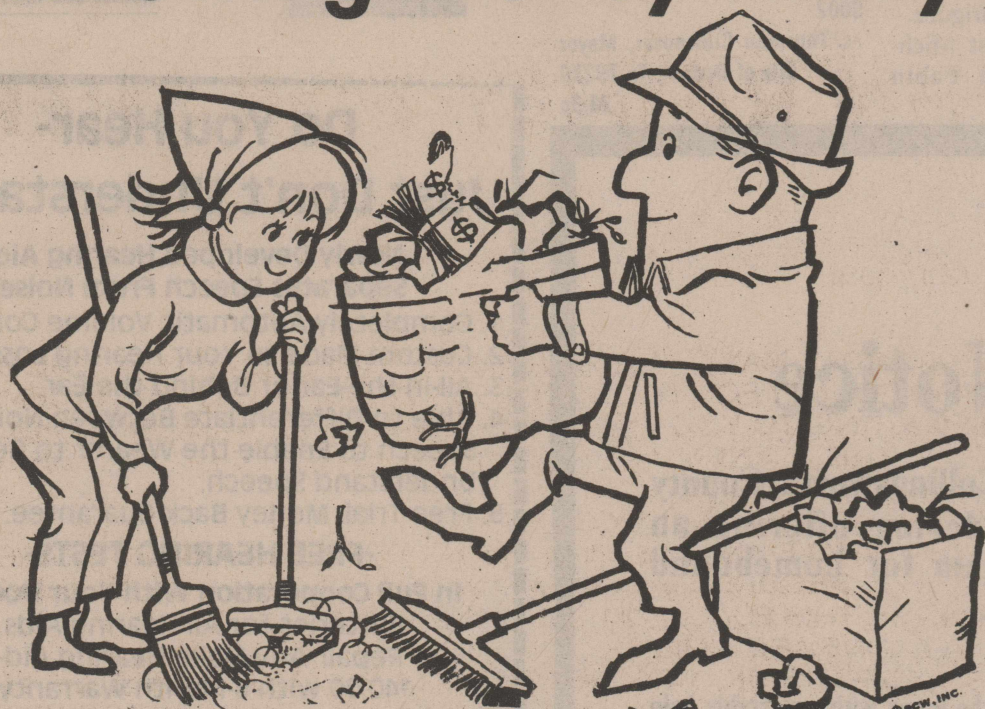

Pisa, Florence, Munich, Salzburg, Venice, and Assisi are also included in the itinerary. Students will see at least one play at a theater in London's West End and attend an opera under the open sky in the setting of the ancient Baths of Caracalla, with the largest stage in the world.

The proposed project will consist of constructing adequate drainage structures, placing a base course and providing a surface treatment. The pavement will consist of two 10-foot driving lanes. The minimum right of way width will be 100 feet and will require right of way in addition to that in the present county road. Also, the maps and drawings showing the proposed location and design have been placed on file with the Collingsworth County Judge.

PUBLIC NOTICE

CUSTOMER NOTIFICATION
HIGH NITRATE
Dear Dodson Water Customer:

The City of Dodson, Texas has been notified by the Texas Department of Health that the water being supplied by our system exceeds the maximum constituent level for Nitrate specified by the Department's "Drinking Water Standards" which were promulgated as required by the "Safe Drinking Water Act"; Public Law 93-523 (U.S.)

The limit is set at 10 milligrams of Nitrate (as nitrogen) per liter of water. The amount of Nitrate (as nitrogen) in the water we supply was reported to be 14.0 mg/l milligrams per liter.

Adults and children over the age of 6 months need not be concerned about drinking water from the tap. An excess Nitrate intake by an infant under the age of 6 months may reduce its available oxygen supply and possibly produce "blue baby" symptoms. Parents are advised to find other sources of drinking water, such as bottled water, for their infants under 6 months of age. All doctors and hospitals in the area have been notified of this situation.

PLEASE BE ADVISED THAT BOILING YOUR WATER WILL NOT REMOVE NITRATE. EXCESSIVE BOILING WILL ACTUALLY INCREASE ITS CONCENTRATION.

The City of Dodson, Texas has applied to the Texas Department of Health for an exemption from the Nitrate requirement while we search for alternate sources of supply and investigate available treatment techniques which would lower the Nitrate to an acceptable level. In the meantime, please follow the precautions mentioned.

Public Notice

The Board of Directors of Collingsworth County Hospital District is considering offering an emergency response program for homebound elderly and disabled residents.

The program consists of three parts:

- (1) Electronic equipment located in the home with a portable help button used to summon emergency assistance.
- (2) An emergency response center located at Collingsworth General Hospital.
- (3) Family members and other people who have agreed to respond to calls for help. They're sent immediately in the event of any emergency.

This emergency response system is designed for the homebound elderly and disabled persons to help them live independently.

To help determine community need and interest there will be a presentation by Rhonda Hermanski, of Life Line Inc., at the Senior Citizen's Center on April 12 at 3 p.m. The hospital needs to know how many people in the community would be willing to enroll in this program before purchasing the required equipment.

If an emergency response program such as this is of interest to you, your family or someone you know, please attend this meeting. If unable to attend, please contact Perry Foster at Collingsworth General Hospital for further information.

Winged Rockets Win Albany Meet

Wellington's Winged Rockets won the Albany Track Meet Friday and Saturday, March 30-31 with an 80 point total. Eastland was second with 70 points; Reagan County High School at Big Lake was third with 55 points.

This was the first meet championship for Coach Carl Taylor's varsity team, which competed with 15 other boys teams from Class 3A and 2A. Each of the other had from 15 to 20 members.

Individual winners from Wellington were:

100 meter dash, 1st, Dwayne Culpepper Time 11.07; 3rd, Joe Bill Munn,

11.35; 110 High hurdles, 1st Kirby Pennon, 15.5. 200 dash: 1st, Culpepper, 23.4

300 intermediate hurdles, 4th Pennon, 42.8. Long jump: 2nd, James Benton, 18'8".

High jump: 1st Joe Bill Munn, 6'4" and 4th, Kirby Pennon, 6' even.

Other Skyrockets competing were Jay Warrick and Shawn Davis in the 400 meter dash; James Patterson, 100 and 200 dashes; Lee Munyan, 200 dash; Kenny Peeks, shot put.

"These boys, even though they didn't win, did well. Jay won his heat in the

100; Patterson ran the 100 and 200 and ran them well for a freshman. Lee Munyan, a junior in the 200 dash, is in his first year to run track," said Taylor.

"I thought the boys overall did well. Everybody competed real well. It is the first track meet they have won this year and as far as

getting out there and competing, we did get out and compete," declared Coach Taylor.

"This will give us a lot of momentum for the UIL District 2-2A track meet that is coming up in two weeks. I'm just proud of the kids and the way they competed."

Bartlett-McKay Advance to Finals

Tennis and girls track teams participated in the Amarillo relays Friday and Saturday, March 30 and 31.

The boys doubles tennis team of Lynn Bartlett and Jamie McKay advanced to the finals in the A division, farther than any other tennis team has gone in the Amarillo event since Coach Ronny Williams took over that sport in WHS, he said.

Bartlett-McKay defeated Bailey and Lunberg of Stratford 6-1, 6-1 in the first match, and Sadler-Dinzer from Slaton 6-0, 6-1 in the second. They took the third match 6-0, 6-1 from Ruds-Floyd of Booker.

The Wellington team won the semi-finals from Hargrove and Bruce of Perryton 6-2, 6-3, before losing to Johnson and Clary of Happy 6-2, 6-3.

Wellington's other boys doubles team of Todd Roberson and Mike Myrick lost their first match to Johnson and Clark of Happy 6-0, 6-2.

In the boys singles, A division, Derek Seal lost his first match to Mace Middleton of Happy 6-0, 6-1 and Abel Villanueva defeated Scott Chandler of Sanford-Fritch 6-4, 7-6. Villanueva lost his next match to Jerry Reyes of Memphis 6-0, 6-1.

In the girls singles, Linda Lacy beat Dena Shelton of Sanford-Fritch 6-3, 6-2 then lost to Holly Lovett of Perryton 6-2, 6-2.

Margo Duncan, Wellington's No. 1 seed in the girls division, beat LaDonna Gentry of Dalhart 6-1, 6-2 in then won over Kellie Crawford of Spearman 6-4, 6-3. Margo lost in the semi-finals to Catherine Farris of Memphis 6-4, 7-5.

The girls doubles team of Vanda Wood-Lori Lacy lost their first match to Devonna Latham-Jamie Brown of River Road 6-2, 5-7, 5-7.

KayLynn Bartlett and Lesa Powell beat Andrea Myers and Carrie Guthrie of Spearman 6-1, 6-1, then lost to Leona Gerber-Ramona Heiman of Nazareth 6-1, 6-1.

In B Division (Junior Varsity) Ashley Williams won the first round of the girls singles, then lost in the quarter finals.

Dora Salinas won her first two matches, then lost in the quarter finals.

Brian Van Pelt lost his

first match of the boys singles and Kelly Goforth won his first match and lost the second.

There were no boys doubles contestants.

"The kids played a little better than they had been, but didn't play good enough against these larger schools to win their divisions," said Coach Williams.

GIRLS TRACK

Trena Archie placed second in the high jump, girls division of the Amarillo Relays Saturday, March 31 with 4'10".

The WHS four-girl team of Trena, Holly Wilson, Leslie Hammons and Rita Lewis participated in both the 400 meter and 800 meter relays.

Holly and Lesley participated in the triple jump, Holly in the 200 meter dash, Rita in the long jump, Coach Dale Morris said.

Real Estate Transactions

Priscilla Chase Sullivan, independently and as independent executor of the estate of James W. Sullivan, deceased, to Harold Clifton Goss and wife, Dona Jo: lots 13, 14, 15, blk 171, Wellington.

Tennis Team to District

The Skyrocket Tennis team, with three invitational championships behind it, will go into the District 2-2A meet Thursday and Friday, April 5 and 6 in Quanah. Wellington and Memphis players are expected to dominate that tournament.

After winning the Vernon, Quanah and WHS invitational the Wellington team confronted opponents from 3A and 4A classifications in Amarillo over last week and failed to take hoped-for honors.

Coach Ronny Williams announced the team:

In A Division (Varsity) Kelly Goforth and Brian Van Pelt will enter the boys singles; while Lynn Bartlett-Jamie McKay and Todd Roberson-Mike Myrick will be in the doubles. Abel Villanueva is the alternate.
