Plymouth Shown Friday

New Plymouth for 1952 on display in dealer's showrooms throughout the United States on Friday, January 4. In Perryton, the new Plymouth is shown at the F. T. Holdrege Co., DeSoto-Plymouth Motor Co., Chrysler-Holdrege Co., Chrysler-Holdrege Co., Dodge-Holdrege Co., and the Chrysler-Holdrege Co.

A list of improvements—has been incorporated in the new Plymouth. The new engine, the brakes, the steering system, the chassis, the inside and outside of the car, the engine smoothness, the new combustion chamber, the new stronger and stiffer frame, the famous Safe-Ride has been made even more comfortable; and the car's interior is enhanced by numerous refinements.

The new hardtop club coupe, the new pace-setter in the new Plymouth line. There are many types available. See No. 1, Page 6

Opening Of Daugherty Co. Friday

A new Dodge-Plymouth in Perryton is the Daugherty Co., owned by Mr. and Mrs. Ed Daugherty, formerly of Gibbon Motor Co. from LeGibson and took over the business last week.

The opening of the new business is scheduled for Friday, January 4, with coffee and cake for all visitors. The 52 Plymouth will also be on display, along with two 1952 cars.

The Daugherty Co. will operate the station along with the Daugherty Co., he said. He will have a complete service for not only Dodge-Plymouth automobiles, but also for all other makes. The Daugherty Co. will continue to operate the McGibson Oil Co., dealing in gasoline, oil and butane.

s. Dietrich, Pioneer, Dies Dec. 21

Funeral services were held at Alden, Okla., for Mrs. S. Dietrich, a pioneer resident of Ochiltree county, who died in Dec. 21 in Oklahoma after a lingering illness.

Mrs. Dietrich came to Ochiltree county and lived here five years, moving to Springfield, later moving near Anna, Okla., where she lived until two years ago.

Mrs. Dietrich was the mother of G. M. Dietrich and Henry Fuller of Alden, Okla., and the sister of Mrs. S. Dietrich and Mrs. S. Dietrich of Spearman.

Funeral services were conducted by Rev. E. C. Murphy of the Methodist church, Alden.

The burial was in the Alden cemetery.

FIRST TO ARRIVE IN '52—Tiny Ann Lucile Francis, above, is Perryton's first presentation from the stork in 1952. She was born at 3:21 a. m. New Years morning at the Sanford Hospital. The proud parents are Mr. and Mrs. James H. Francis of Route 2 Perryton. She weighed in at 5 pounds, and attendants at the hospital say both she and the mother are doing fine. The grandparents are Mr. and Mrs. J. T. Francis, former residents here who now live at Eureka, Kansas, and Mrs. Rosa Belle Shaw also of Eureka. Mrs. O. T. Glasgow of Perryton is a great-grandmother of the new arrival.

Perryton Ends 1951 With Total Of 33 Fires; No Major Blazes

Perryton went through 1951 with a total of 33 fires, none of major proportions, and the total fire loss was only \$1,586.33, reports fire marshal Lester Norris. This is one of the best loss records in recent years.

The largest loss was on March 12, when an explosion and fire at the Liske Grain Co. elevator did \$696.33 damage to the doors and boot pit, Norris said.

During the year there were 12 grass fires, 3 automobile fires, and residence fires caused by smoking in bed, leaving kitchen stove burning too long, defective wiring, children playing with matches, window curtains too close to stoves, defective flues and pipe thawing.

The city fire department answered six calls in rural areas, and four of these resulted in considerable damage. The losses included a house at Huntoon burned to the ground, shed damage at the Weldon Wright home, a barn and hay loss at the Virgil Deviers farm, and an automobile

Mrs. Slavin Is Candidate For Treasurer

Authorization has been given the Herald to announce the candidacy of Mrs. Arthur Slavin for reelection to office of county treasurer. Mrs. Slavin is seeking her 10th term as county treasurer, subject to the action of the voters in the Democratic Primary scheduled for July 25 this year.

Mrs. Slavin has built up a record of accuracy and conscientious service during her years as county treasurer. All who have had occasion to use the facilities and records of the treasurers' office have always found the records of her office to be accurate and up-to-date.

The trust manifested by the voters has been greatly appreciated.

Church League Cage Play to Start Monday

Play in the basketball Church League, sponsored by the Ranger Club, will begin Monday night, Jan. 7, in the junior high school gymnasium. There are four teams entered, each with two teams entered.

Troy Sullivan is director of the league. Team managers are Bill Burton, Baptist; Marvin Genuchi and Jack M. Allen, Methodist; Bob Gibson, Christian; and Bill Holdeman, Mennonite.

The Pee Wee group is composed of boys in the 4th, 5th and 6th grades. The Junior group is composed of boys in the 7th, 8th and 9th grades who are 15 years of age or younger.

To be eligible to play, a boy must attend Sunday School of his choice the Sunday before the game. Boys who go to Sunday School are eligible.

BRAKE TESTER—Nope, it's not a gasoline pump that John Schollenbarger of the A&B Motor Co. is standing by. This is the new Weaver brake testing machine installed last week. It also checks front end alignment. An automobile is driven on the metal platform, the brakes are thrown on, and the tester shoots up four columns of red liquid in glass tubes, showing what each brake registers. This is one of the tests to be applied under the new Texas inspection law.

Only 983 Poll Taxes Are Paid In County

There had been only 983 poll taxes paid in Ochiltree county on Wednesday of this week, while the amount of county and state property taxes paid indicates that there should be at least 2,000 poll tax holders by now. Deadline for paying the poll tax is January 31, and 1952 is the big election year for city, county, state, school and national offices. Sheriff and tax collector Ray Phagan reminds taxpayers that the poll tax is not included in the property tax statements and must be paid separately.

King Farm Home Hit by Burglars

Burglars broke into the John King farm home, 16 miles south of Farnsworth and took a saddle, bridle, blanket and lariat rope, reports Sheriff Ray Phagan.

King said that the burglary occurred some time after Dec. 17, but was not discovered until Saturday, because the family had been gone.

The door was broken down to gain entrance to the house.

Phagan said that there were tire tracks around the house, but these are not definite clues, since there have been a number of hunters around the house in the past two weeks.

Rev. Bert Homer Resigns From Fellowship Church

Rev. Bert J. Homer, pastor of the Fellowship Baptist church since April 23, 1950, has resigned his pastorate to go to the Central Baptist church at Anthony, Kans. His resignation at the local church will not become effective until a new pastor is named by the congregation. Rev. Homer will preach his farewell sermon on Sunday, January 6.

Special services will be held at the Fellowship Baptist church on Friday, Saturday and Sunday, with Rev. Ralph Jason, associate pastor of the Temple Baptist church of Odessa in charge.

The Fellowship Baptist church has made much progress under the pastorate of Rev. Homer. When he came here, the church had 23 members and no building.

Perryton Firemen At Canadian Fire

The Perryton fire department was one of three out-of-town departments assisting the Canadian firemen in fighting a \$75,000 blaze which destroyed the Trueblood Motor Co. in Canadian Wednesday night.

The fire started at 6:30 p. m. in the new brick building, and burned for three hours before being brought under control. Lost in the fire, in addition to the building and equipment, were three new automobiles and a new pickup.

Perryton Postal Receipts Show Decline During 1951

Business Up During Past Three Months

Decreased business activity in Perryton during 1951 is reflected in the yearly postal receipts released this week by postmaster Irvin Hergert. The Perryton post office showed a decline from 1950, and is further away from the receipts required for a first class office than in 1949.

Total postal receipts for 1951 totaled \$37,905.86, compared with \$38,835.31 in 1950 and \$39,562.07.

The last three months of 1951 showed an increase over 1950, but the increase in parcel post rates were largely responsible for the increase, Hergert said.

Postal receipts are considered a good barometer of business activity, and the yearly receipts reflect this. During June, July, August, which is normally a busy time for the post office, as well as for all business houses, the postal receipts slumped from previous years. Postal receipts picked up in the fall, indicating the income from the grain sorghum crop as well as the increase in parcel post rates.

Services Set Thursday for Tyson Black

Funeral services will be held this afternoon, Thursday, at 3 o'clock, for Tyson Black, a longtime resident of Perryton and Ochiltree county, who died early Wednesday morning in a local hospital. He had been in ill health for the past five years.

The services will be held at the Full Gospel church, with Rev. Robert Girouard of Salida, Colo., officiating.

Mr. Black was 56 years old and had lived in Ochiltree county since 1901. He was born March 29, 1895 in Stonewall county, Texas, to Mr. and Mrs. Albert Sydney Johnson Black.

He is survived by his wife, Mrs. Mattie Black; two sons, Edward Black, USAF, Enid, Okla., and Albert Lee Black, Perryton; four daughters, Mrs. Albert McGarraugh, Mrs. Russell Powell and Mrs. J. C. Hyatt, all of Perryton, and Mrs. Kenneth Collingsworth, Duncan, Okla.; five brothers, Harvey M. Black, Perryton.

Building Slumps In Perryton During Year

Building activity in Perryton showed a terrific drop from the pace of 1950, building permit records at the city hall reveal. In 1951, total building permits were \$106,760, compared with \$680,230 a year ago.

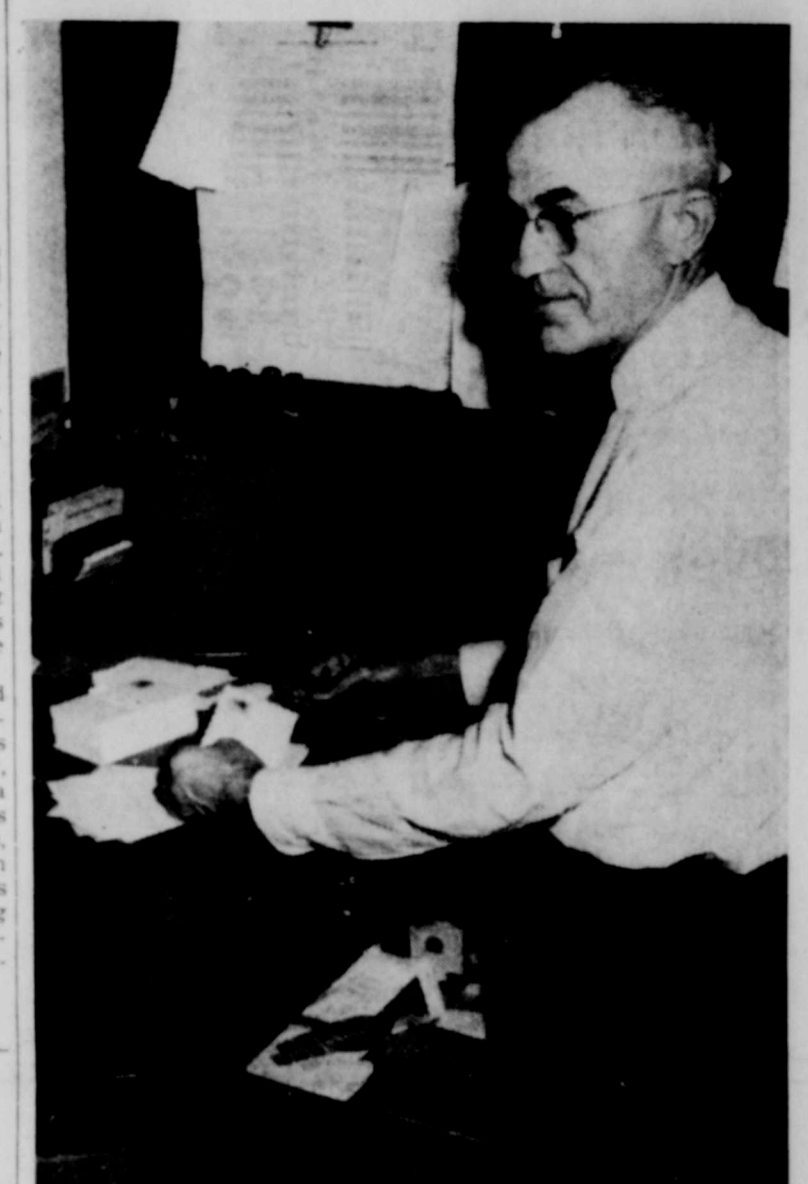

During 1951, there were permits taken out for two churches, six businesses, four residences, and 37 additions or remodeling jobs to homes.

This compared with 96 new homes and 15 business buildings built during 1950.

The new churches now under construction are the Primitive Baptist church, \$10,000, and the Lutheran Church, \$14,500.

Businesses that have been built or remodeled include the Rasnick ice house, Continental Oil Co. warehouse, Shamrock Oil Co. service station, Garland and Dent Motor Co. office, Northern Natural Gas Co. warehouse, and the R. B. Yoakley jewelry store front.

New residences are those of A. R. Macias, Joe Ware, A. R. Turner and Dr. Reese Nowlin.

HALE AND FAREWELL—Arvie Hale of the Perryton post office is bidding farewell to a long-time acquaintance, the 1 cent post card, which went out of date and became a 2 cent post card on January 1. The only trouble is that the local office had some 7,000 post cards on hand—of the 1 cent variety—and now Hale spends his spare time slapping a 1 cent stamp on the 1 cent post card to make them the new 2 cent model.

Many Accomplishments Shown In Home Demonstration Report

A year-end review of home demonstration club accomplishments in Ochiltree county is contained in the annual report of Mrs. Mary W. Jones, agent, covering all phases of HD work.

The report covers the activities of the 11 home demonstration clubs, which have 187 members. Mrs. Jones conducted 190 demonstration meetings in the clubs last year to a total audience of 1,118 women.

Harlem Roadkings Meet Independents At Gym Tonight

Tonight the Harlem Roadkings negro wizards of the hardwood courts, meet the Perryton Independents at the high school gymnasium at 8:15 p. m.

Bobby Grund will show his 19th edition of the Roadkings as they display their new name after being called Grund's Trotters over a period of years. This will be the third year that Grund has brought the team to Perryton.

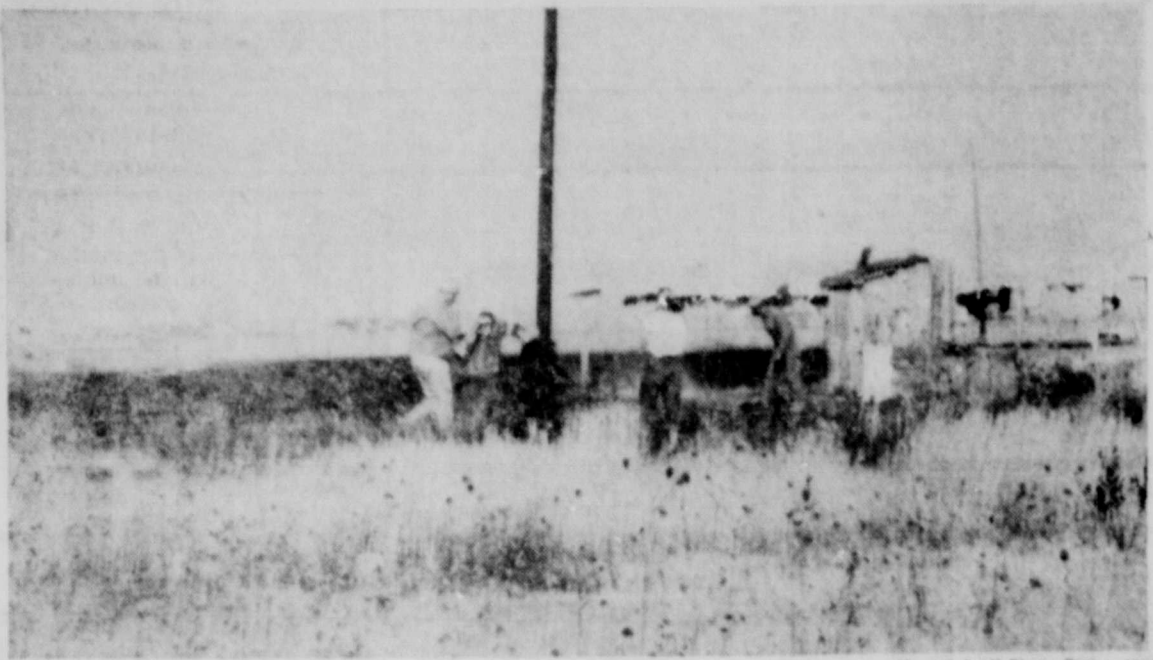

The talent remains the same as Cleo Johnson returns for his 12th season, and his nephew, Junior Johnson, rounds out the point making pair that led the scoring column last year.

Since 1933, the team has captured over 2,300 games while dropping only 150 against the top college, professional and independent teams in America, Canada and Mexico.

Cleo is one of the greatest dribblers in the game, and the whole team puts on an exhibition of a baseball battery on a basketball court as well as football formations. They even play cards while daring their opponents to score.

GRASS FIRE—One of the 33 fires that Perryton firemen investigated in 1951 was this one Saturday afternoon in north Perryton. The grass fire threatened to set fire to several houses before the firemen brought it under control. The alarm was turned in by Mrs. J. D. Eisenman, whose four small children reported it to her.

Mr. and Mrs. Darrell Cook left Monday for Albuquerque, N. M. after visiting over the Christmas holidays with his parents, Mr. and Mrs. Chas. Helton. Mr. Cook has been stationed on the U.S.S. Osbourne and has been transferred to a Naval Special Weapons school at Albuquerque.

THE TEXAS POLL Republicans May Carry Texas If Right Man Is Nominated

AUSTIN, Texas—Will Texas go Republican in 1952? Next Tuesday, January 1, the nation plunges into another presidential election year, with Texas already staked out as a key state in the coming battle. For the politicians have the feeling the state is ripe to rip the Democratic Party hold upon the "solid South."

All evidence on voter opinion which during 1951 has been collected by The Texas Poll on the possibility of the state swinging Republican for the second time in history has invariably pointed to one man, Eisenhower.

The general, a native of Denison, Texas, is vastly popular with the electorate, even when mentioned as the Republican nominee. In repeated "trial heats" against Harry S. Truman as the Democratic contender, Eisenhower has been on top approximately two to one.

All such measurements of political sentiment, of course, have had to assume that the president and the general would actually oppose each other. What is the true, grass-roots popularity of these men among Texans? And are there others the state would prefer to see as candidates?

To wind up the year, The Texas Poll has conducted a different type statewide survey which suggests no names to the voters, which in effect asks the electorate to "nominate" a man, regardless of party label. Eisenhower again leads, but in this case Truman is right behind him. The president, in fact, gets almost as much support as the

general, revealing him as hardly a has-been to be counted out of the race.

Furthermore, only 26 per cent spontaneously came forward with the name, "Eisenhower," a result that varies significantly from the majorities in the 50's and 60's that the general has received when Texas voters have been asked to choose between two specific names, Truman and Eisenhower. Like, we might say then, is widely popular when mentioned as a candidate, but he is not on the tip of most Texans' tongues as "the man" for president.

Interviewers asked a cross section of adults, "At this time, who is your choice for President of the United States?"

The results:

	Voters	Non-Voters	All
Eisenhower	26%	27%	26%
Truman	21	20	21
MacArthur	6	10	8
Taft	4	3	3
Warren	2	2	2
Stassen	1	1	1
Others (each less 1%)	4	1	3
No opinion	36	37	36
Total	100%	100%	100%

Enough to frighten Democratic Party chieftains is the array of Republicans chosen by traditionally Democratic Texans above. Truman was the only Democrat who received 1 per cent or more. Yet, counting Eisenhower as a Republican, GOP leaders received 39 per cent of the voters' support, nearly twice that given Truman, and more than the 36 per cent undecided.

Note that the differences between voters and non-voters are only slight; so there will probably be little shift in the pattern of voter opinion with the addition of more people to the voters' ranks by the time poll tax payment time comes to an end in January.

This survey it should be understood reflects candidate popularity more than party popularity. In the end, both the men who run and the parties behind them will be factors in winning votes. Especially in a state like Texas, party loyalty will have a strong influence on the voter when election day arrives and he has to make a final decision in the voting booth. The large undecided segment of more than a third of the voters, and the fact that this is a measurement of opinion as of now, only underline that the state is yet to be won and foreshadow the struggle that is sure to come.

BALKO News

Carolyn McGlamery

The Balko basketball teams scored a double header over the Hooker teams in the games played at the Balko gymnasium.

Monday night December 31.

The Balko girls basketball team won a 27-25 score, while the boys won with three men scoring 9 points each and the final score being Hooker 21-Balko 43.

The girls basketball game was a thriller all the way with the score being tied most of the time. During the last few minutes of the game, Hooker took the lead, but was soon tied when Ollenburger dropped a free shot. Just before the final whistle, Pugh landed a field goal, breaking the tie by two points.

In the second game the Balko boys met the Hooker five and for the first quarter the scoring was close. During the second quarter the Balko Bisons took a long lead which they kept throughout the game.

Rev. and Mrs. John Whipple and children returned Saturday night from Joplin, Mo., where they had gone to visit during the Christmas holidays.

Mrs. Virgie Kerns and son Roy enjoyed Christmas dinner at the home of Mr. and Mrs. Harrison Bennet of Garden City, Kansas. Mrs. Kerns and Mrs. Bennet are sisters.

Plymouth's Cranbrook Four-Door Sedan for

Here's the new Plymouth for 1952, a more beautiful, smoother operating, easier riding, safer car. It features 46 important improvements. There is new beauty in the car's road-hugging, sweeping color harmony perfection in the new interiors, which are Tone-Tailored with quality fabrics. Interiors blend beautifully with the exterior colors. The car has all the features for comfort, economy, durability which have become traditional with Plymouth. Shown above is the new four-door Cranbrook.

Smooth, Easy Performance Featured in New Plymouth

The new Plymouth for 1952 will go on display in dealer showrooms throughout the United States, Friday, January 4.

A long list of improvements—46 in all—has been incorporated in the engine, the brakes, the electrical system, the chassis, and to the inside and outside of the body.

The new car, according to D. S. Eddins, president of Plymouth, has been improved and refined to provide "the most gentle ride, the smoothest engine performance and the greatest safety ever built into a car for the lowest price field."

Exceptional engine smoothness is produced through a newly designed combustion chamber; brakes are stronger and longer-lasting; Plymouth's famous Safety-Flow ride has been made even more comfortable by improvements in the springing and to the Oriflow shock absorbers; and the car's beauty is enhanced by numerous styling refinements.

The Plymouth has a road-hugging, sweeping appearance, accentuated by changes in the external adornment. A new luxurious standard for interiors is attained with the high quality upholstery fabrics in harmonious colors which blend beautifully with the instrument and door panels.

The smart hardtop club coupe, the Belvedere, is the pace-setter in the lowest price field with its new concepts in styling and beauty. The car has glistening, lively two-tone colors which set it apart and give it the continental look. The color used on the roof follows the Belvedere's streamlined contours around the spacious rear window and down over the rear deck. Sparkling chrome molding outlines the top and carries back to separate the two colors at their junction at the rear quarter-panel. Interior of the Belvedere is luxurious, with colorful quality fabrics and vinyl blended in perfect harmony with the shades used on the exterior. Long-wearing carpeting—also in complementary colors—rounds out the ensemble. The following color combinations are available for the Belvedere: Suede Tan with Sable Bronze top; Belmont Blue Polychromatic with Sterling Grey top; Mint Green with Black top.

Passenger and driver comfort has been increased with improvements to Plymouth's "Safety-Flow" ride. New cushioning-type ports in the Oriflow shock absorbers, increased travel in the front springs and a new interliner for the rear springs provide quieter operation, reduced

There are ten body types in the new Plymouth line, available in an array of eight regular, and two special sparkling new colors. The traditional interior roominess and the many "high-priced car" features for which Plymouth has been distinctive have been retained throughout the new line.

SMOOTH PERFORMANCE

A new, smoother flow of power results from the newly designed combustion chamber in Plymouth's famous floating power engine. The six-cylinder, 97 horsepower engine has a 7 to 1 compression ratio. Longer life for both the main and rod bearings is achieved through an improved type of base metal.

To further insure smoothness of performance and faster getaway, several refinements in the new Synchro-Silent transmission make it faster, easier shifting, and more rapid and positive engagement of gears. The rear axle is improved, and there are provisions which permit more accurate gear and bearing adjustments.

Operating temperatures up to an additional eight degrees without the hazard of losing water or anti-freeze result from further improvements to the pressure-vent radiator cap, which provides a pressurized cooling system.

STURDY BRAKES

The traditionally sturdy Safe-Guard Hydraulic brakes have been given greater ease of operation, and much longer life. New Cyclebond brake linings provide greater braking area and longer braking life. There are heavier backing plates on both the front and rear brakes; an improved drum design on the front brakes for smoother operation and better cooling; an easier operating brake pedal return spring; and a redesigned steering knuckle to provide more positive protection from road splash.

Passenger and driver comfort has been increased with improvements to Plymouth's "Safety-Flow" ride. New cushioning-type ports in the Oriflow shock absorbers, increased travel in the front springs and a new interliner for the rear springs provide quieter operation, reduced

steering wheel shock and an improved ride. Quicker starting is assured by the "Thru" anti-kickout starter, the foremost of the electrical changes in the car. Greater visibility in driving conditions is ten per cent increase of the electrical shield wipers.

Notice

This will announce to the public that I have sold the Daugherty Motor Co. to Glen McGibson. I have been in the Dodge business and know along with "folks" that he has the best Dodge agency in this town before long. Mrs. J. R. Stump

Now that Christmas is over, we are ready on New Year's day to turn over a new leaf and resolve—what shall it be? What's the use. Resolutions are never kept, anyway.

The Christmas activities and doing hurried shopping are a thing of the past. Everyone in

our community is taking a deep breath and trying to get back to normal.

Among those who enjoyed the traditional family gatherings were the Elledges, who had all their children and families home for a huge dinner Christmas day. Jack and his family of Pueblo, Don and family of Pampa and Bonnie and family enjoyed the occasion. Others enjoying the dinner were Mr. and Mrs. Harry

Miller and Mr. and Mrs. Ray Burger, all of Pampa.

The G. A. Burger home was the scene for a dinner Christmas day. Those present were the El-don Gurleys, the David Burgers, Laverne Burger from McPherson College at McPherson, Kansas. Mrs. D. B. Stump and Maud, the Allen Dennisons, Grandpa Burger, Sam Stump and the hosts. This same group enjoyed an evening in the home of Mrs. D. B. Stump.

The Jr. Dunninghams and Carmen spent Christmas day with relatives in Shattuck, Okla.

Mrs. Harry Bishop entertained with two lovely dinners. On Monday, December 4, she honored Mr. and Mrs. Dillard Keim of Bassett, Nebr. and Mr. and Mrs. Buster Keim and family of Spearman with a dinner. On Christmas day, Mr. and Mrs. Albert Thorne and family of Canadian were dinner honorees.

Holiday guests in the home of the J. R. Stumps Christmas day were Mr. and Mrs. Ted Thompson and Carol of Pueblo and J. V. Stump.

Rita Crain spent the holidays with her parents, Mr. and Mrs. Orville Crain.

Mr. and Mrs. Dean Leighnor were holiday visitors at Cabool, Mo. where they visited her parents, Mr. and Mrs. Lester Stump.

School opened Wednesday, January 3, following the Christmas holidays. Such a confusion for the first period or more with every child telling what he got for Christmas in a voice pitched to the highest key.

Mr. and Mrs. H. N. Elledge visited Monday in Pampa.

Rev. Alvin Klotz left Friday for Bartlesville, Okla. to attend a Youth Rally. Shirley and Nancy Simpson visited with Mrs. Klotz while Alvin was gone. He returned Sunday.

The attendance at Sunday School last Sunday was only forty-four as some of the community are still on their Christmas vacations.

Judy Stump spent Sunday night with Glenda Butt.

Sunday afternoon callers in the J. V. Stump home were Mr. and Mrs. Bill Wright and Mr. and Mrs. J. R. Stump and Sandra.

Happy New Year! May this new year bring happiness, prosperity and peace of mind to all of you.

Man Jailed On Check Charge

Paul Gaunder of Perryton was arrested Friday night and has been charged with felony swindling by worthless check. Sheriff Ray Phagan said that Gaunder is charged with giving a check for \$900 to Lee Kuder of Dumas in payment for Christmas trees which Gaunder bought just before Christmas.

Bond has been set at \$1,000, and Gaunder had been unable to post bond Wednesday afternoon. He has been lodged in the local jail, waiting action by the Ochiltree grand jury.

The National Collegiate AA will hold its 46th annual convention in Cincinnati, Jan. 9 thru 12. Football, undoubtedly, will be the main topic of discussion.

The weather has been changeable lately. Saturday and Sunday were warm and very windy with some blowing dust.

From most reports everyone enjoyed a fine Christmas vacation with much visiting and plenty to eat.

Gordon Baines of the U. S. Air Force, stationed at Wichita Falls, spent a few days visiting his father, Carl Baines and grandmother, Mrs. Mable Barnes and brother, Chester Barnes. He also called on several of his friends and former schoolmates.

Mr. and Mrs. Emmitt Nichols, Bill, Elta Mae and Patsy went to Pampa Christmas day and attended a family dinner at the home of Mr. Nichols' sister, Mrs. Marshall Brooks. They were accompanied by Mr. and Mrs. R. C. Nichols of Perryton, parents of Mr. Nichols.

Mr. and Mrs. George Kirton spent Christmas in Woodward, Okla. with Mrs. Kirton's mother.

Mr. and Mrs. Frank Duff and son Forest were among a group of relatives at a family dinner in Beaver at F. D. Kuykendall, Mr. and Mrs. Ralph Freeman, Mr. and Mrs. Merrel Kuykendall of Turpin, Mr. and Mrs. Heiman Scheuchzer, Brenda and Linky of Gateway, Oregon; Mr. and Mrs. Lloyd Kuykendall and son of Bigger, Ark., and Mr. and Mrs. Deland Kuykendall of Guymon were the other guests.

Jerry Williamson spent part of the Christmas vacation with relatives in Guymon.

Mr. and Mrs. Jim Smith of Turpin visited Wednesday evening with Mr. and Mrs. W. H. Williams.

Mr. and Mrs. John H. Davis entertained with a family dinner and gift exchange on Sunday, December 23, for Mr. and Mrs. Harry Sawyer, Dottie Lou and H. L. George Rennick and Miss Alma Davis of Liberal, Kansas; Mr. and Mrs. T. C. Braidwood and Tommy, Mr. and Mrs. Walter Hyatt and Carolyn of Beaver; Mrs. Lyle Peck and Sandra Sue of Hugoton, Kansas; Mr. and Mrs. Lester Jantzen of Goodwell, Okla.; Mr. and Mrs. C. E. Veterans Forum

Q. I'm a World War II veteran
back on active duty. I was
granted a waiver so I wouldn't
have to pay my National Service
Life Insurance premiums. I'm
due to get out of service again,
and I want to know what to do
in order to keep my insurance in
force.

A. Simply start paying your
usual premiums to the Veterans
Administration, Washington 25,
D. C., within 120 days after your
release from active service. But
don't wait until the last minute,
or you'll be taking a chance of
missing the deadline and hav-
ing your policy lapse.

Q. I've been on active duty for
the past two years, and I under-
stand I'm soon to be discharged.
I've never had National Service
Life Insurance and I'm not dis-
abled. How do I go about getting
the new form of GI insurance
after I get out?

A. Apply in writing to the Vet-
erans Administration, Washing-
ton 25, D. C., with 120 days after
your release from active duty,
and pay the required first prem-
iums. You won't be required to
take a physical examination.

Q. Whom may I name as a ben-
eficiary for the new form of
term insurance available to Kor-
ean veterans?

A. You may name any person
or persons, firm or corporation,
or your estate as your benefi-
ciary or beneficiaries.

Q. If I carry the term insur-
ance available to Korean veter-
ans, will I be paid a dividend,
the same as veterans who hold
NSLI?

A. No. The insurance will not
earn dividends. On the other
hand, its premium rates for most
ages are the lowest of any GI
insurance authorized by Con-
gress.

Q. I have a permanent National
Service Life Insurance policy.
While on active duty in Korea,
I was granted a waiver on
part of the premium but was
told to keep on paying the full
premium anyhow. What is VA
going to do about the waived
portion that I paid, now that I've
been released?

A. VA will refund the waived
portion in a lump sum. The
money you receive will be the
portion of the premium that was
waived, with interest, for the en-
tire period that the waiver was
in force.

Q. I surrendered my permanent
National Service Life Insurance
policy for cash when I
went on active duty recently. I
am about to be discharged, and
I would like to know how to get
my policy back.

A. You have two courses of ac-
tion, but in either case you must
act within 120 days of your sep-
aration from active service: (1)
you may apply to VA in Wash-
ington, D. C., for a new perma-
nent policy of the same plan and
not in excess of the amount of
the surrendered policy, and pay
the required premium, or (2) you

may reinstate your surrendered
permanent plan by paying the
required reserve and the current
month's premium. Your nearest
VA office can give you further
details.

I have a term NSLI policy on
which the premiums were waiv-
ed during my military duty.
What do I do to keep it in force
after I am released from service?

A. You should resume pay-
ments of the required premiums
to the VA in Washington, D. C.,
within 120 days after your re-
lease from active duty. Your best
bet is to make the first payment
as soon as possible.

Buck Holman Of Booker Dies

Buck Holman, 39, who had
lived in Booker for 25 years, died
Tuesday afternoon of a heart
attack which struck him at a-
bout 6:30 p. m. while he was
driving his truck down Booker's
Main street to the depot.

He delivered the mail each
day from the railroad to the post
office, and was on his way to
meet the train for the load of
mail when the attack struck. He
was found slumped over the
steering wheel of his truck.

Funeral services will be held
at the Methodist church in Book-
er, either Friday or Saturday,
the date not yet determined
pending word from relatives in
California.

He is survived by his mother,
Mrs. Emma Holman of Booker,
and three brothers, G. L. Hol-
man, Booker, T. W. Holman, Am-
arillo, and Bill Holman, Artesia,
Calif.

Mrs. Laura Danford of Spring-

Political Announcements

The Ochiltree County Herald
is authorized to announce the
following as candidates for
nomination, subject to the ac-
tion of the voters in the Demo-
cratic Primary to be held July
26, 1952:

For County Treasurer:

Rangers Win Over Guymon

In the final pre-Christmas bas-
ketball game, the Rangers trim-
med Guymon, 32-27, while the
Ranger B team lost by a 40-21
score at Guymon Dec. 27.

The Rangers were scheduled
to meet the Shamrock Irish on
Jan. 1, but the game was post-
poned until February because
the Shamrock coaches attended
the Cotton Bowl football game,
coach James Peterson said.

At Guymon, the Perryton B
team were behind, 24-9, at the
half, and could never catch up.
Landrum Osborne made 7 points
for the Rangers, while Dick Haar
and Donald Cooper each had 5
points.

In the A team game, the Ran-
gers held a 19-12 halftime lead
and kept out front until the final
whistle, when the game ended
32-27.

Charles Pattison was high
point man, with 10, followed by
Bill Johnson with 9, Laurel Lov-
ett with 7 and B. R. Fletcher with
6.

1886, they came to Ochiltree county. They were one of the pioneer families of this county.

On January 1, 1890, Martha Walstad married R. K. Fuller and to this union three children were born. Mr. Fuller died in 1895.

On June 22, 1897, Martha Fuller and C. A. Dietrich were married and six children were born to this union. In 1901, the family moved to Colorado, near Springfield, later going to Oklahoma, near Anadarko, where they lived until about two years ago when Mrs. Dietrich moved to Oklahoma City on account of ill health. Mr. Dietrich died on November 3, 1939.

She became a member of the Methodist church in girlhood and was a devout Christian.

Survivors are four daughters, Mrs. Christella Siple, Lamar, Colo., Mrs. Martha McCullough, Paradise, Calif., Mrs. Blanche Schmidt, Sterling, Calif., Mrs. Elsie Jones, Ft. Cobb, Okla., five sons, Henry Fuller, Perryton, Rock Fuller, Steamboat Springs, Colo., Charles Dietrich, Ft. The county baking contest was held Sept. 14 and Dixie McGarrah won first place. She represented the county at the Tri-State Baking Contest in Amarillo.

The girls won seven blue and nine red ribbons on their canned foods at the Achievement Day in September. They won three blue and one red ribbon on foods at the Tri-State Fair in Amarillo.

Clothing

Clothing was one of the major demonstrations in the county and the club demonstrators attended a two-day training school conducted by the agent in February.

The county HD clubs have made 839 garments this year and have remodeled 446 garments.

The women gave a style show and modeled dresses at the 4-H Club Dress Revue in March.

Clothing booths were displayed by five clubs at the Achievement Day.

Foods

Although foods was not a major demonstration, the agent gave two method demonstrations to each club. One was "The Market Basket" and the other "Buying Canned Foods."

The Black club won second place on their booth at the Achievement Day with a foods exhibit, which was "The Nutritive Value of an Egg."

Family Life

Family Life Education was studied during three months this year.

The clubs do a good job of planning and supervising children during the club meetings. Much indoor and outdoor play equipment has been placed in the homes by the parents of small children.

The HD clubs sponsored two county wide recreation programs during the year, one from Boys Ranch and the other an entertainment for 4-H girls and boys and the parents.

In August, the recreation chairman from each club planned a county-wide picnic, which was held at the county park. Each club provided entertainment on the program.

Community recreation nights are held at McMillen, Waka, Taz and Nott.

Seven clubs built floats for the Perryton Celebration parade, and enlisted the help of their husbands, making it a recreation night. The clubs won first, second and third places this year in the parade.

Dr. Grace Sloan Overton, Family Life Consultant of the Hogg Foundation in Austin, appeared in the county, speaking to the school students, civic clubs, and at a county-wide public meeting.

The average attendance at county council meetings is 22, and there are 11 clubs, with a membership of 187 represented on the council. The annual luncheon was held in December, when new officers were installed.

The council planned and conducted a county-wide tour in July, when eight homes were

visited.

There were 35 county members attending the district THDA convention at Dalhart in April.

The County Chorus, composed of 22 members from the 11 clubs, sang at the district meeting, the annual Farm Bureau meeting in Amarillo, and at the County 4-H Dress Revue in Perryton. Thirteen members of the chorus went to College Station and sang in the pageant, "Wheel of Progress."

The Perryton office should pass the \$40,000 required for first class status during 1952, Hergert believes. This is not because of an increase in customers, but because of the increased postal rates on post cards, registered mail, insured mail, second and third class mailings.

The yearly receipts, from 1941 through 1951, are:

1941	\$17,373.18
1942	18,039.99
1943	20,148.06
1944	25,181.62
1945	27,489.90
1946	25,970.50

Schools other than these four listed may play with any other team he chooses.

Officials for the games will be volunteers from the Ranger Club or others interested in helping the youngsters have clean fun in basketball, Sullivan said.

The junior high gymnasium will be opened at 6:45 p. m. on game nights and the Pee Wee games begin at 7 p. m. The Junior games will follow the Pee Wee games.

The Christian and Mennonite teams will open league play Monday night. The complete schedule calls for games through January and February, with the finals or all-star game scheduled the last week in February.

Frank Gipson and children visited Christmas day with Mr. Gipson's parents, Mr. and Mrs. R. S. Gipson of Crosbyton. Mr. and Mrs. Gipson accompanied their son and grandchildren home for a visit.

Special Week at People's Chapel

The People's Chapel announces a special week of consecration and prayer for January 6-13. Evangelist and Mrs. Calvin Cook will conduct the services, which will begin at 7:30 o'clock each night. Everyone is invited to attend.

One of the features of the meeting will be the personal testimony and life story of the late famous evangelist B. B. Crimm. This testimony is recorded as it was preached in the union revival in Perryton in 1949.

All the friends and admirers of Mr. Crimm are urged to hear the life story of the fiery evangelist again, Rev. Cook said. The Crimm testimony will be given on Monday night, Jan. 7.

Macias Buys Cabinet Shop

A. R. Macias, local contractor, announced today the purchase of the Perryton Cabinet Shop from Jimmie Watters and Jona Janzen. The shop is located at 218 North Main.

Macias said that Wesley Spencer would be in charge of the shop.

Offices of the A. R. Macias Construction company will be moved to the shop building.

Services 11 a. m. each Sunday
Public Cordially Invited

God's perfection and His invariable love for His image and likeness, man, is stressed in the Lesson-Sermon entitled "God" to be read in all Christian Science churches on Sunday, January 6. The Golden Text states simply, "As for God, his way is perfect" (II Samuel 22:31).

From the King James Version of the Bible will be read this reference: "Acquaint now thyself with him, and be at peace; thereby good shall come unto thee" (Job 22:21).

This correlative passage from the Christian Science textbook will also be read: "Unless the harmony and immortality of man are becoming more apparent, we are not gaining the true idea of God; and the body will reflect what governs it, whether it be Truth or error, understanding or belief, Spirit or matter. Therefore 'acquaint now thyself with Him, and be at peace.'" (Science and Health with Key to the Scriptures, by Mary Baker Eddy, page 324).

Mr. and Mrs. I. W. Sollock of Kress visited during Christmas with her parents, Mr. and Mrs. L. L. Swink.

When the first surveys were made of Mt. Everest in 1852 the surveyors called it Peak XV.

What Shall We Write?

THE pen is yours! The Light has been kindled for your eyes! The clean white page awaits your writing! Every day comes to us from God just like that. This is your day; write in it and make what ever record you will. Perhaps no one will read it but you, that is, today. But every day's writing becomes a permanent record of our living for that day. Shall we write a sentence of praise to God for the many blessings He has sent with the twenty-four hours? Shall we write some words of cheer and of comfort and of inspiration for a weary or discouraged soul? Shall we write a good story of our own life as it moves with integrity and trust and genuine goodness? *What shall we write today?*

BUT God makes you new every day. Your life starts the day as unspoiled as the sky above you. How wonderful that the Creator, ever at work in kindness and wisdom, makes us over every night! He takes us at the end of the day, worn and exhausted and perhaps discouraged. But the morning brings a rested body, a refreshed mind, and a courageous spirit . . . a clean sheet upon which to write. This is the miracle of the night . . . the miracle of God. On this personality that I call myself some others will also write. Into whose hands will I pass the pen this day, as I invite them to write in my autobiography of character and of memory? We should allow only the trustworthy and the reverent and the wise and good to take the pen from our hand, to write upon our mind and soul what may abide there forever? Attend your church and write as you will.

How Do You Deal With Bandits?

The \$120,000 ransom paid by the United States to the release of four American airmen forced down in Communist territory was paid, so they say, because the United States no longer has the power to force their release by any other means.

If so, we're in worse shape than we realize.

If there is no other way to stop imprisonment of Americans in Communist countries, then that leaves the way wide open for the Communist satellites to finance their national budget.

It is the same sort of shameful deal that caused American businessman Robert Vogler to spend 18 months in a Hungarian jail. He detailed his experiences in a recent series in the Saturday Evening Post and said that he was forced by scientific torture to confess all sorts of crimes of which he was not guilty.

The United States has paid millions for Vogler's release, but on the day of his release, the American Associated Press correspondent Bill Ottis, was imprisoned in Czechoslovakia on the grounds that he was a "capitalist spy." There has been no word from him since.

There are 33 Americans in Chinese Communist prisons, in addition to the thousands of American GIs in Korean prison camps. The possibilities of ransoms are endless. Will we continue to pay?

Is the only way to deal with this sort of situation the one that calls for the payment of ransom. Or, as Martin Dies said recently, have the Communists gain such a foothold in our government that the deals with Communist countries are made as a sort of calculated long range plan?

Everyone knows that payment of blackmail never ends. Will we continue to lay down and roll over for the two-by-four Communist satellites regimes?

Accident Prevention

ZURICH, Switzerland (AP)—A Swiss traffic policeman has invented a device which, he says, could prevent 80 per cent of all traffic accidents.

Jakob Gossweiler, an inventor who is assigned to the Zurich Police Department's traffic division as a technical expert, said that if his combination brake and accelerator pedal had been used in the United States the past 50 years 800,000 lives would have been saved.

Under Gossweiler's system of a combined brake and accelerator pedal, one pushes down with

his heel to provide more gas and with the ball of his foot to apply the brakes. The foot is, therefore, always in braking position. Furthermore, pressure on the brake pedal automatically cuts off the gasoline so there is no possibility of "stepping on the wrong pedal."

Hurn's

From the SIDELINE with HAROLD HUDSON

It was a stinker—1951, we mean.

There were all kinds of stinks raised during 1951—the RFC scandal, the mink coats, the basketball bribes, the income tax pay-offs, the payoffs to Hungarians for releasing American fliers—all in all, the year 1951 will be remembered about as much for its stink as for anything else.

Still, on the national level, there has been a few rays of hope during 1951. The American people, shocked by the corruption of the administration, may take steps to clean house during 1952, the national election year.

One of the most significant stories of 1951 has rated no headlines. That story is the tireless manner in which our free press has hammered day after day, chapter by chapter, shocking facts about the incompetence and corruption of countless public officials to say nothing of the bureaucratic spending of tax funds where waste and payoffs have become a byword.

Never in the history of this country has a free press stood more solidly between private citizens and oppression. This is borne out by the efforts of public officials to throttle it during the year.

The compulsory automobile inspection, required by all Texas car owners before they can get their 1952 license plates, is sure to result in repair bills for many. In Dallas, where they have been inspecting automobiles for several weeks now, the average is one of five cars that fails to pass the test.

In Perryton, it may be a higher percentage of failure than that. The A & B Motor Co., which has been approved as an official inspection station, set up their new brake testing machine last week and tried it out with alarming results. They ran three used cars over the machine and none passed.

They then ran two brand new cars over it, and one passed. This indicates that Texas is going to have some mighty safe automobiles, mechanically, on the highways during 1952. Now if Homer Garrison can figure out some way to eliminate unsafe drivers, we're going to be all right.

During the windy, dusty days we've enjoyed during the week, we had occasion to remark, upon several occasions, about the invigorating effect the vitamin K in the air was having upon us. Strange to relate, several people didn't even know what vitamin K is, indicating that they have a short memory or are newcomers to the Panhandle.

For it was the Tactless Texan, or Gene Hove of the Amarillo Globe-News, who coined the vitamin K label for the dust in the air, and claimed that the Plains girls legs were more shapely during the dust bowl 1930's, because of the vitamin K they got, and because they developed leg muscles fighting the wind each day.

Actually, we never heard any medical substantiation of vitamin K, but it made good reading in Tack's column, and

Plymouth's Cranbrook Four-Door Sedan for '52

Here's the new Plymouth for 1952, a more beautiful, smoother operating, easier riding, safer car which features 46 important improvements. There is new beauty in the car's road-hugging, sweeping appearance, and color harmony in the new interiors, which are Tone-Tailored with quality fabrics. The luxurious interiors blend beautifully with the exterior colors. The car has all the features for comfort, economy, safety and durability which have become traditional with Plymouth. Shown above is the new four-door Cranbrook sedan.

Wolf Creek Philosopher Didn't Finish His Work Last Year

(Ed. note: The Wolf Creek Philosopher seems to be starting the new year off about like he wound up the old one, his letter this week reveals.)

Dear editor:

While it doesn't seem possible that 1951 is over, why thunder I haven't even got started on some

the phrase was one of common usage a few years ago.

Although it has been over two years since Texans paid their poll tax with their state and county property taxes, lots of people are still slow to catch on. At the sheriff's office, they say that every day or so someone wanders in to pay their poll tax, claiming that they thought the poll tax was added in with the other taxes.

This indicates that there are at least several hundred who think they have their poll tax paid, but don't. Since the deadline for paying the poll tax is January 31, this date will undoubtedly pass without many poll taxes being paid, and the big election date in July will find these people standing idly by while the rest of the population goes to the polls and votes.

Actually, it is a problem to remind people to pay their poll tax and become eligible voters. As of this week, only 983 poll taxes have been paid in Ochiltree county, when there should be around 2,000, judging from the number that have paid their other county and state taxes.

A Sunday School class was composed of three-year-olds. The teacher asked the tots: "Do any of you remember who St. Matthew was?" No answer. Well, does anyone remember who St. Mark was?" Still no answer.

"Surely, some of you must remember who Peter was?" The little faces were full of interest, but the room still remained quiet. Finally a tiny voice came from the back of the room: "I tink he was a wab-bit."

a bearin either.

I don't know what's comin in 1952 but whatever it is I'll be ready for it, on account of I ain't expectin too much. The world has probably had bigger crises

Ask Me About My Business
CECIL DODD

I know it's customary to look back over the year and pick out the things you should have done better and resolve to do a better job in the comin year, but a new year never has affected me that way, 1951 suited me fine, there wasn't a thing in it, so far as life out here is concerned, that I'd done different if it involved work, and I have an idea 1952 is going to be the same way, so far as I'm concerned.

For example, I could have farmed a whole lot better this past year, but the same thing would apply to every other year you could mention and farmin harder just never has been one of my main goals. A man who sets out every year to work harder than he did the year before is headin for an explosion.

In fact, I guess I'm one of the few people who lives up to their New Year's resolutions, as I always put mine on a practical basis. It's based on human nature, I take into account what my capabilities are and then arrange to stay within em. This way you don't set the world on fire but then you don't burn out

than the ones it's got now and probably had worse people elected to handle em, but I notice it's the world that survives, the crises and office-holders that pass away.

From the midst of my bind-weeds and goatheads and tumbleweeds out here on my farm on Wolf Creek, I expect to have as much fun watchin 1952 as I did 1951.

Yours faithfully,
J. A.

Man With a Cloak Tells Odd Story of Ten Year Death Watch

People who wait ten years for a rich man to die, a French girl as lovely as a romantic young poet—the leading characters in the new drama, "The Man With a Cloak," which comes to the theatre on Sunday and Jan. 6-7.

Joseph Cotten plays the old man, giving a stirring performance.

'Pickup' Shows Unusual Drama of Marriage, Murder

"Pickup" is an off-the-beaten-track drama that reveals the low-down on a come-on girl, starring Beverly Michaels, Hugo Haas, Allan Nixon and Howland Chamberlin.

The picture comes to the Ellis on Friday and Saturday. The story of "Pickup" is a simple and human one. Haas, a lonely, middle-aged railroad worker, goes into town to pick up a puppy for companionship. Instead he picks up Miss Michaels, a beautiful but conniving come-on girl without a cent to her name. Discovering that the man has some savings, the girl marries him. Nixon, who acts as Haas' relief in his isolated railroad post, falls in love with Miss Michaels. In order to be rid of Haas and to get possession of his money she attempts to persuade him to murder the man. The climax comes when Haas, supposed to be deaf, overhears the two plotting to get rid of him.

Dramatic Story Of Detective Told In Film

The dramatic story of a big city detective, sans hokum and loaded with frank realism, is told in "Detective Story," starring Kirk Douglas, Eleanor Parker, William Bendix and Cathy O'Donnell.

The picture comes to the Ellis on Tuesday-Thursday, January 8-10.

The story is about Detective Jim McLeod, portrayed by Douglas, who is a relentless officer who hates crime and criminals, and admits no middle ground between good and bad.

While desperately trying to pin a conviction on an unlicensed doctor who victimizes girls in trouble, he discovers that his wife has had professional dealings with the unsavory medico while keeping company with a small time gambler.

Torn between love for his wife and outrage at her guilt, McLeod resorts to violence in an episode that threatens his marriage and his job, then learns the folly of an uncompromising moral code in the explosive climax.

Stan Musial of the Cardinals now leads Ted Williams in the lifetime averages of the active major leaguers, 347 to 346.

Beauty that lasts

PRIMAVERA
DINETTE

These striking, new dinettes combine beauty with durability and maintenance. The legs and chair back supports are fine wood veneers, heat and pressure. The genuine MICALITE laminated table top reproduces the delicately grained appearance of beautiful prima vera.

Primavera Dinettes are made to take plenty of rugged use. An occasional once-over with a damp cloth keeps the dinette clean. Extension table measures 35"x48" closed and 35"x60" with chairs available in Aqua, Jonquil, Sepia, and Poinsettia Duran.
