Shallowater Celebrates 'Big Killing'

Lubbock Officers Make Big "Clean Up" After Two Riot Calls Given

TELEPHONE 59 - Lubbock county sheriff's office, jingled noisily.

"Send your men over to Shallowater and hurry," an excited voice said into the phone. "But what's the matter, what's going on," officers questioned. "Can't tell you over the phone," the voice answered, "but hurry."

O. B. Conley, Joe Reiger, deputies, together with Burton S. Burks, assistant district attorney, clambered into a car armed with guns and started for Shallowater.

An hour later and the telephone rang again. Once again the voice demanded, "Send over some more men we have something we can't handle." Sheriff Wade Hardy and Chief of Police John Lemond, waited no longer.

Two emergency calls within an hour, one for additional men, was unusual. Through pouring down rain and over heavy roads the officers pushed their car.

Arriving at Shallowater a crowd of about fifty men were gathered near a gin. The officers drove up and a man stepped from the crowd—"Welcome fellows, was afraid you wouldn't get here in time. We've had a big killing and we wanted you in on it. Step around the corner."

And around the corner was piled high big spreads of barbecue, "son-of-a-gun," black coffee, and all the trimmings. "Just the thing," Chamberlain of Commerce celebrating the rain," was the explanation.

One-half inch rain covered practically all of Floyd county Wednesday night and Thursday morning. Grain men of that section say the wheat crop will be materially aided while farmers state that cotton and grain sorghums recently planted will also be benefited.

A report last night from Lamasa stated that Dawson county's first general rain of the year has been

R. S. Sterling New Candidate For Governor

Chairman Of Texas Highway Commission Enters Race On Democratic Ticket; Favors Support Of Schools

HOUSTON, May 29.—R. S. Sterling of Houston, chairman of the Texas Highway Commission and prominent in the business and civic life of Houston, today announced his candidacy for governor on the democratic ticket.

Mr. Sterling stressed the need for an administration of state affairs in keeping with the changing economic conditions of Texas. He declared in favor of a continuation of the policies of the present highway administration, which he said support of public schools and colleges, an adjustment of the state taxing system to lift the tax burden from people of limited means and strict enforcement of the prohibition act and state laws.

RESULTS RECORDED

Information About Lubbock's Market Week Asked

Advertising results are still being received from Lubbock's first market week program which was held in March, according to reports at offices of the local Chamber of Commerce.

Two inquiries from Chambers of Commerce of cities in other states were received yesterday regarding the method of handling the event used in Lubbock and of the results obtained. Jackson, Tenn., and Grants Pass, Ore., both seek information regarding the event. Besides these two inquiry cards have been received from cities in Texas and nearby states.

In each instance the local chamber has outlined the plans used here and listed the benefits which are derived from such an attraction. Another program probably will be held here in October.

New Orleans Retains Place With 451,634 Population

NEW ORLEANS, May 29. (AP)—New Orleans retained its place as the largest city of the South today by a report of the district census supervisor giving it a population of approximately 451,634.

The figure represented the total population with the exception of the small districts, which the supervisor estimated would swell the total by a few hundred.

State Highway Issue Holds Interest Of WTCC

Moody Favors Principles Of Proposed Plan

Delegates Are Urged To Take Stand For Or Against Proposal By Hamilton, Head Of Regional Organization

Opposition Voiced

Last Year's \$28,000 Deficit Replaced By \$16,000 Balance, President Points Out In Annual Address

ABILENE, May 29.—Brought to their attention from several sources, the proposed state highway bond issue today held the interest of delegates to the annual West Texas Chamber of Commerce convention. Governor Dan Moody in an address reaffirmed his endorsement of the principles which the bond issue assertedly would put into effect. W. R. Hamilton, president of the organization, urged all delegates to be ready to take a stand for or against the proposal.

Opposition voiced

A resolution reaffirming the West Texas body's previous approval of the proposition was passed by the work committee and will be presented to the convention. Senator Oliver C. Cunningham of Abilene served notice he would oppose it.

Governor Moody devoted practically all of his address today to the highway financing program. He said that the cost of the highway, rather than the nearby property owner, should pay for building state roads and mentioned the gasoline tax as an equitable way of obtaining funds. He declared counties should be reimbursed for money they have bonded themselves to spend on state roads, and said a state bond proposal should stipulate a reimbursement of counties for money they have agreed to spend and should provide for retirement of

Let's Not Forget Our Hallowed Dead!

While all the nation today pays tribute to the dead of American wars, Lubbock and its citizens will commemorate their memory in three services.

A mass will be held this morning at 9 o'clock at the local Catholic church and later today two services are to be held by the Allen Brothers post, American Legion.

Legionnaires are to assemble this afternoon at 8:30 o'clock on the north of the city hall in charge of Commander J. A. Raley Jr. A brief program is to be held at that time.

Following the program the veterans, all of them invited to take part, will go to the cemetery. Line of march into the cemetery will be colors and firing squads, Civil war veterans, Spanish-American war veterans, American Legion and Auxiliary, Boy Scouts and others. Post Adjutant Glen Hess will form the various organizations into a square around the grave which will be decorated symbolically for all the rest. Flowers will be deposited, followed by a rifle salute and sounding of taps.

Alleged Slayer Of Billingsley Is Charged With Robbery, Theft

Henry Ford Says Business, Industry Must Depend on Leadership of Men of Mature Years; Youngsters Praised

DETROIT, Mich., May 29.—(AP)—Henry Ford believes more than ever that business and industry must depend upon the leadership of men of mature years. He told the Associated Press today he had found no occasion to change his previously expressed opinion that if all the men of 55 years and older were removed from industry there would not be brains enough left to carry on.

"This is no reflection upon the youth of today," he said. "I think that while they are different, today's youngsters are a fine lot and they decidedly are not headed for perdition. Moreover, they have greater opportunities than the youth of 40 and 50 years ago."

Mr. Ford was asked whether he always had conceded the wisdom of age.

Arguments in Post Trial Start Today

(Special To The Avalanche)

POST, May 29.—Arguments in the case of Mrs. H. G. Wade of Southland, against John T. Hard, former owner of the Bank of Southland, will open Friday morning at 9 o'clock following reading of Judge Gordon B. McQuire's charge which is to be prepared tonight.

The case probably will go into the hands of the jury about 3 o'clock tomorrow afternoon. Testimony in the case was finished this afternoon and there was no night session, time being used for preparation of the charge.

Alleging that she lost \$500 through signing the bank, Mrs. Wade is seeking recovery of the money.

Distress, Hunger Calls in Floods

ALEXANDRIA, La., May 29. (AP)—Refugees huddled together in makeshift camps sent out calls of distress and hunger today from the flooded sections of Bossier, Red River and Natchitoches parishes in the Red river valley.

Red Cross workers were struggling to get provisions to the straggled natives crowded together on the small hills above water and had released \$12,000 in relief funds.

Blaise Gardner, a farmer of Bossier parish, told the Red Cross that near Plain Dealing at least fifteen families were in dire need of food and would face starvation unless immediate relief was sent.

Ira McKee Held Here Charged in Murder Of Dawson Man

TWO additional charges against Ira McKee, being held in the Lubbock county jail in connection with the murder of W. R. Billingsley, Sparsburg merchant, were revealed late Thursday when officers from Breckenridge arrived in this city, carrying a bench warrant for the prisoner charging robbery with firearms and theft of an automobile.

The warrant was signed by Judge C. O. Hamlin, of the 90th judicial district, and asked for McKee's transfer to that city to face the two indictments.

The man is being held in the Lubbock jail for Dawson county authorities, his trial on a charge of murder having been set for June 16 in Lamasa.

McKee was arrested last week near Athens by Lubbock and Dawson county authorities, together with officers of that section. He is charged in connection with the fatal shooting of W. R. Billingsley at Sparsburg on May 1, as Billingsley attempted to prevent an alleged holdup of a filling station.

Dawson county authorities late yesterday were in communication with Stephens county officials and the prisoner is to remain in jail here until time for his Lamasa trial. Following the murder trial he will be taken to Stephens county to face the other charges.

RECORD VOTE CAST

BROWNSVILLE, May 29. (AP)—A record vote was cast today as citizens of Brownsville approved a \$1,500,000 bond issue for a deep water port. With only one small precinct missing tonight, the vote stood 2,805 for the bonds and 197 against, the largest vote ever cast in the history of the city.

Spur's Legion Holds Program

Hundred Attend Barbecue For Soldiers And Sailors Of World War; Lubbock Men On Program At Barbecue

(By Staff Correspondent)

SPUR, May 29.—More than 100 soldiers and sailors of World War attended the second annual barbecue here today.

Former soldiers from Lubbock, Stamford, Jaxton and Dickens were present in addition to those from Spur and some 300 persons partook of the hospitality of the local post.

Mayor Ned Hogan, welcomed the visitors and following invocation by Rev. C. W. Parmenter, himself a former soldier, the barbecue was served. Post members prepared and served the food.

Ukulele Girls Flay

Proceeding the program seven girls of the Spur high school, known as the Ukulele girls, gave an informal musical program. They also played during the formal program of the evening.

A "sing song," led by Claude James and assisted by two other singers and a fiddler and guitar player, was held. Old time war songs were featured.

Negro Gold Star Mothers Protest

WASHINGTON, May 29. (AP)—The policy of grouping all negro Gold Star mothers and widows making the pilgrimage to their sons' and husbands' graves on European battlefields will be continued by the war department, despite protests against race segregation.

Following announcement in New York that a petition protesting the arrangement had been sent President Hoover by a group of 55 negro mothers, Acting Secretary of War Davidson said it was necessary to split into several groups the mothers making the pilgrimage and that the racial grouping decided upon "after the most careful consideration of the interests of the pilgrims themselves" would be observed.

Doctor Leaps 15 Stories To Sudden Death

Dr. Clarence Moore Of Saint Jo Dies In Fall From Hotel At Dallas; Suicide Verdict Returned By Coroner

(By Associated Press)

DALLAS, May 29.—Dr. Clarence Moore, 50, of Saint Jo, a railroad staff physician, fell to his death today from a fifteenth story window of a downtown hotel. A verdict of "death by a suicidal fall" was returned at a coroner's inquest.

Scores of persons on the scene at the noon hour witnessed the fall. It was described by J. L. Downs, who had offices in a nearby building. Downs said he was gazing out of his window and saw a man open the screen of a window on the fifteenth floor of the hotel and climb out backward. He said the man clung to the ledge a moment or two and then fell. Mrs. E. J. Day of Eastland, who occupied the hotel room below, was startled by a scream and turned in time to see the man burble past her window. He clutched at the walls as he fell, she said. Two men were in conversation at a nearby spot where he struck the pavement.

At his home near Gainesville it was learned that Dr. Moore suffered a nervous breakdown several months ago, and that last Sunday his wife became alarmed at his absence and a searching party found him apparently dazed.

Dr. Moore was born and reared in Sherman, son of the late Dr. Moore, a dry goods merchant there, and grandson of Col. J. B. Shannon, a pioneer Grayson county farmer and stockman.

GUARDS WITHDRAWN

Action Of Mexican Students Against Americans Feared

MEXICO CITY, May 29. (AP)—Guards posted at the American school at the request of the school authorities who feared a demonstration by Mexican students in retaliation for the Harris immigration bill were withdrawn tonight.

Nothing occurred to justify the fears of violence expressed by the school authorities.

The Gestapo for police protection was made after Mexican authorities confiscated several hundred text books in geography and grammar from students of the school. The books were alleged to be derogatory to Mexico.

Tech Collegians Begin Homeward Trek As School Session Is Brought to End

TECH collegians are beginning a homeward trek. Attired in yellow and red slickers with their meaningless slogans and autographs from collar to hem, many of the boys and even girls could be seen yesterday directing luggage to bus and railroad stations.

With commutations completed, another year in Texas Tech's history has been passed and the outward flow of students once again is seen. Some leave by train, some by bus while many who do not have busy own cars will accompany parents, who have visited in the city during commencement week.

Typical of highway leading into and out of college towns could yesterday be seen brightly colored ovals as some of the more economical and adventure loving students sought to "highway" it back home.

Two bare-headed sons of Tech trudged north toward Plainville. "This college" was a congenial motorist hailed them. "Sure thing mister. How far you going?" was the quick response.

"Oh, quite a way."

"O. K., we've got you anywhere this side of Oklahoma City. Home town, and we've got it in the middle here and between Fred and Tom and started heading forward."

WASHINGTON, (AP)—Jewelry and dental waste furnish the world the largest supply of secondary gold and silverware, and photographic waste the largest amount of secondary silver. Secondary metals are those distinguished from metals derived directly from ores.

Statement Of Watson Causes Heated Debate

Republican Leader Imagines President Hoover Will Sign Tariff Bill; Claim Executive "Hungry For Power"

WASHINGTON, May 29. (AP)—A statement by Senator Watson of Indiana, the republican leader, that he "imagined" President Hoover would sign the tariff bill even though he preferred a different flexible provision climaxed a heated debate in the senate today over an earlier action by the conferees in revising the presidential rate-fixing clause.

The Indianan's assertion was in response to an inquiry by Senator Robinson of Arkansas, the democratic floor leader, and came after Senator Smoot, republican, Utah, had presented a new flexible clause broadening the president's powers and restricting those of the tariff commission as provided in the original conference draft.

"Hungry For Power" Declaring the president was "hungry for power," Senator Harrison, democrat, Mississippi, attacked the new provision.

Replying, Senator Watson said the democrats were responsible for the new proposal since one of their number had raised a point of order against the original compromise which would have restricted the president's power and which Mr. Hoover was ready to accept.

Asked by Senator Robinson if he thought the president would sign the bill with the new flexible clause, the Indianan replied he could not say whether the executive would sign or veto any measure "but I imagine he will sign this tariff bill."

The revised flexible clause, approved earlier in the day by the conferees, is patterned along the lines of the present law. Under it the president could take all the time he wanted to act on an increase or decrease in rates up to 50 per cent as recommended by the tariff commission and the rate would not become effective until the executive proclaimed it and 30 days grace were allowed.

To Take Up Report The report will be taken up Monday with prospects that the debate will last the remainder of next week.

Going directly to the senate floor from the conference room, Senator Harrison launched into a lengthy denunciation of the new flexible clause.

Senator Watson denied the president wanted more power. He said in every talk he had had with Mr. Hoover on the flexible controversy the president emphasized the need for a non-partisan tariff commission with power to fix rates.

War Mothers Are On Homeward Trip

PARIS, May 29. (AP)—The first contingent of American Gold Star mothers and widows to visit France was homeward bound tonight, tired but content at having paid a poignant visit to the last resting places of their sons and husbands.

One hundred twenty-seven were in the group which sailed. Four were left behind, one because of illness. The other three will tour Europe. The second group, meanwhile, will conduct special memorial day services over soldier graves, while the third contingent today left Belgium for military ceremonies in France.

The mothers who sailed left Cherbourg on the President Harding tonight. Their departure was attended by no ceremony except their own tributes to the soil which holds their dead.

As the big liner lifted anchor and moved out to sea, the American women stood at the rail waving their hands and handkerchiefs. None regretted her tiring pilgrimage and all said they were going with their hearts contented. Some professed for themselves the excellent care their boys have had and always will have in their eternal repose.

The only event on the program of their homeward voyage was a special memorial day service at sea tomorrow.

Radio Station Is Ordered Off Air For Obscene Talk

WASHINGTON, May 29. (AP)—For the first time since its creation the Federal Radio Commission today ordered a station off the air for broadcasting obscene language.

KXVP of Portland, Oregon, was the station silenced, upon charges brought by the better business bureau and other organizations of the Oregon city. The commission in its decision found that the station, owned by W. B. Schaeffer, had permitted "consistent use of indecent, profane and objectionable who unbecomingly and unbecomingly language," by Robert G. Duncan, the republican nomination to congress in the recent primary.

The commission said Schaeffer "admitted himself that Duncan had attacked many citizens of Portland and had called them by such epithets as 'half-skunk,' 'yellow cow,' and 'reprobate.'"

"But" has been banned from motion picture theatres of Hyde Park, Kansas, city authorities having ruled that all doors must bear an illuminated sign reading "Way Out."

First of Gold Star Mothers at Tomb of France's Unknown

Here is the solemn ceremony in which the mothers of America's war dead paid reverent tribute to the unknown son of an unknown French mother at the Arc de Triomphe, in Paris. Mrs. Sarah Thompson of New York, selected to represent others of the first contingent of Gold Star Mothers to arrive in France, is shown as she stepped forward to place a wreath on the tomb of the French Unknown Soldier. Special police were detailed to preserve order during the rites in the Place de l'Étoile, which were attended by French and American military dignitaries and hundreds of private citizens.

Glenn H. Curtiss Will Retrace Flight Of Twenty Years Ago in Box Kite Ship Today at Controls of Luxurious Plane

ALBANY, N. Y., May 29. (AP)—Twenty years ago today, Glenn H. Curtiss made an "incredible" flight from Albany to New York City in an airplane which resembled a box kite. Tomorrow, at the controls of a luxurious 20 passenger plane, he will retrace that route.

By his flight 20 years ago, made in two hours and 22 minutes, Mr. Wright won a prize of \$10,000 posted by the New York World. In the big cabin plane tomorrow he will be flying for no prize but will make the trip probably in a little over an hour.

Created Excitement His first flight created much excitement with the New York Times running a special train over the New York Central tracks to keep pace with him and eager onlookers lining the river for miles.

In New York City, according to accounts at the time, the roof-tops were thronged with people. The World said "they saw Curtiss glide down the river like a fish, faster than any bird and with strength and equanimity comparable to that of an eagle."

William Howard Taft, then president, said: "This flight will live long in our memory as having been the greatest."

Although Mr. Curtiss made two stops on his first flight, one at Glens Falls near Poughkeepsie and the other at 214th street and Broadway, he will fly tomorrow without a stop from Albany to Governors Island, which he will circle before going to Valley Stream, L. I., to land at the Curtiss field. Three planes will accompany him. The first tomorrow will be one of the contrast. The bamboo has given away to featherweight metal and balsa wood, the rubberized

Suffering Of Nine Years Now Ended

Prominent Farmer's Wife Had Had Everything of Treatment She Could Hear of But Got No Relief Until She Took Argotane

"Argotane has really worked wonders in my wife's case," said H. J. Cape, residing on rural route 2, Lubbock, Texas, while in Bowen's Drug Store, Mr. Cape is one of the best known farmers in this entire section of Texas.

"For almost nine years," continued Mr. Cape, "my wife suffered with indigestion and dyspepsia, and during the past four months, especially after she had an attack of influenza she had been growing steadily weaker and hardly able to get around at all. She had tried everything imaginable, with no results until I got Argotane on the recommendation of a personal friend who had used it with good results. She had been suffering with very bad kidney trouble and since from the onset of her back and it was almost impossible for her to get a good night's sleep. We tried doctors, but she continued to suffer. Her stomach would cramp and shoot something awful after eating and she had severe headaches. Her nerves seemed to give way and she had been unable to get sufficient rest and sleep.

"But it is all different since she was induced to try Argotane, and after taking three bottles, I can truthfully say she feels better in every way than she has in at least nine years. Her sleep is sound and restful and it is such a relief to be able to eat what she wants without suffering those terrible pains afterward. We feel grateful and are only too glad to tell others about the medicine that has done so much for my wife."

Genuine Argotane may be purchased in Lubbock at the Bowen's Drug Store.

Presbyterians in Unification Move

DES MOINES, Ia., May 29. (AP)—Widely divergent views on the proposed merger of five Presbyterian denominations were aired at the seventh-annual general assembly of the United Presbyterian Church of North America today.

The assembly heard its ministers and elders praise and condemn the recommendation that the unification overtures be continued as urged by Dr. W. J. Reid of Pittsburgh, chairman of the inter-denominational committee.

It heard S. S. White of the Allegheny Presbytery blame a reported decrease in the church membership in the last year on talk of uniting with the South, the Dutch Reformed and the German Reformed Presbyterian churches.

Rioting Again Breaks Out In Communal Row

Many Hindus Arrested After Clashes At Dacca North Of Calcutta; Superintendent Of Police Injured

BOMBAY, May 29. (AP)—Communal rioting broke out again this morning at Dacca, 150 miles from Calcutta, and many Hindus were arrested. The superintendent of police, commanding Gurkha troops, was injured.

The situation in the city itself, torn several days by conflicts between Moslems and Hindus, was reported improved today, but there were indications trouble had spread to neighboring villages.

Today's rioting occurred in the Rair Bazar, western suburb of the city. Details were lacking.

Police Open Fire At Lilloah, also in the Calcutta area, police opened fire on a mob of 4,000 rioters, mostly railway workers of the East Indian workshops. Four were wounded.

The disturbance originated in the introduction of a new wage schedule for the East Indian company's employees. Before the police arrived the company office was besieged by the mob and several European officers were slightly injured.

Reinforcements under the district magistrate and the superintendent of police got the situation under control.

Procession Staged Bombay staged one of the most remarkable of the many processions in support of the civil disobedience campaign that has passed through its streets during some weeks.

About 50,000 persons, including 2,000 women, took part in it. Leaders carried portraits of Mahatma Gandhi and of various Parsee leaders arrested in the campaign against the salt law.

Such slogans as "No conference without Gandhi" and "No peace possible without Gandhi's cooperation" were borne on placards.

Dennis Lavender Wins West Texas Golf Championship

White Put Out On 12th Green In Final Tilt

Ahlens Sensation Disposes Of Dublin Youth In Easy Fashion To Win Seven Up And Six To Play

BROWNWOOD, May 29. (AP)—Taking the 36 hole final match on the thirteenth green, Dennis Lavender of Ahlens, 12th West Texas golf champion and 1928 state amateur king, won the 1932 West Texas championship today by defeating J. Dixon White of Dublin.

Lavender got away to a big lead on the morning round, when he shot near perfect golf, going five up on the first 18 holes. At the start of the second round he added the first two holes to his lead, the Dublin youth going out of bounds on the first hole and conceding the second hole after getting into trouble.

White called to take the third hole in the afternoon round with a birdie four but Lavender again went seven up by taking the fifth. They were tied on the seventh and eighth and halved the ninth, leaving White still seven down.

White took the tenth, halved the eleventh, and the match ended on the twelfth when White's putt for a possible par four stayed up. Lavender shot par four going out and only one over perfect figures when the match ended.

Their cards for the afternoon round: Out: Lavender 435 344 435-30 White 452 351 445-39 In: Lavender 445 344 445-30 White 445 344 445-30

Morris Wins Second S. E. Morris of Brownwood won the second title championship, defeating Normal Locks of Brownwood, 2 and 1. Ellis Cowden of Midland took the third title, defeating Walter Wain of Brownwood, 3 and 2. Lloyd French of Brownwood defeated Burt King of Stamford for the fourth title 3 and 4.

Lubbock's lone survivor in the West Texas golf tournament fell by the wayside in the finals here Thursday when W. F. Murphy, of Brownwood, defeated W. C. Jennings, of Lubbock, for the second flight consolation crown.

Tilden Still In Net Fight

Big Bill Is Lone American Left In Battle For French Men's Singles Title; Coen Is Defeated

BY THOMAS T. TOPPING Associated Press Staff Writer

WILBUR F. COEN, Tilden's youthful protege and eighth ranking player of the United States, fell before the veteran Italian Davis Cup hero, Baron Humbert De Morpurgo, in a fourth round match decided by scores of 6-3, 6-4, 6-1.

In the women's singles division, three Americans remained in the race at the same stage of proceedings as Elizabeth Ryan came through with a 6-1, 6-2 victory over Yvonne Barbiere of France to join her fellow-Californians, Mrs. Helen Wills Moody and Helen Jacobs among the last eight survivors.

The men's quarter-finals pit Tilden against Lylettion Rogers, the Irish giant; Jean Borotra, France, vs. J. Colin Gregory, England; E. F. James, Australia, vs. De Morpurgo, and Henri Cochet, France, against Harry Hopman, Australia.

Mrs. Moody next encounters Helena Rest of Germany while Miss Ryan is arrayed against another German finalist, Cecille Ausener. Miss Jacobs vs. Mrs. Phoebe Watson of England, finalist for the American championship last year, and Ella De Alvarez vs. Madame Simone Mathieu of France.

RETURNS TO FORMER JOB Lon Jourdet, who was named head basketball coach at Nichol, was to succeed Edward McNeill, who is a regular for three years on the Penn quinet and captain of the team in 1931-32. He formerly coached the Quaker cagers, resigning in 1929.

NEW YORK, May 29. (AP)—It was a big day for Walter Newman as he held San Antonio and drove in three runs with a well timed, two-bagger to provide the winning margin today for Beaumont. The score was 9 to 7. Newman was relieved by Mulshoe Tom Vaughn in the sixth inning when the Tribe clouted him for three hits to net two runs.

All-American Tiff Won by Jones on Home Hole

BY FRANK H. KING, Associated Press Writer

ST. ANDREWS, Scotland, May 29 (AP)—In a grim 18-hole all-American golf battle between the open and amateur champions of the United States, Bobby Jones this afternoon beat off a great rally by Jimmy Johnston to remain in the hunt for the British Amateur championship, Jones halved the home hole to win from Johnston, one up.

George Voigt who, like Jones, won two matches today, was the only other Walker Cup player from the United States to enter the last eight of the 270 competitors who started the championship play Monday.

Von Elm, Quibret Beaten George Von Elm and Francis Quibret were beaten in the morning's play. Von Elm in an upset which was one of the sensations of the day. The Hon. Michael Scott, 32 year old player, member of a famous Northumberland golfing family, got ahead of the former American champion and was never caught.

Quibret was a victim of a sturdier foe, Lester Hartley, who won another match in the afternoon and remained in the running.

Douglas Grant, another quarter-finalist, is a Californian, but he has lived long in London.

James Ray Mead Voigt and Jones and Voigt will meet in the semi-finals in the afternoon. Voigt today defeated William Campbell, four and two, in the fifth round, and W. L. Hope, two up, in the sixth. Jones' victor today were G. O. West, seven and six, and Johnston.

Grant, too, scored two victories, the first over Kenneth Grier and the second over Scott, conqueror of Von Elm. Grant and Scott, veterans, after their strenuous morning matches introduced a novel interval in the championship golf this afternoon when their match was delayed by the gallery following Jones and Johnston by stretching out on the grass near the seventh tee to sleep.

Golf gossip in St. Andrews tonight, and they talk of nothing else here, still centered on Jones' chances of winning the title he covets most. He faces more stiff opposition tomorrow. Eric Fiddian, boys' champion three years ago, is regarded as one of the best of the younger crop of British golfers.

If Jones defeats the younger, he has Voigt to face, and the New York has won hosts of admirers among Scottish critics. His stock went up today when he defeated Hope, a great match player, after losing the first three holes.

The first Shamrock entry for America's cup was beaten in 1899 by Columbia, American yacht.

games and the remainder as double headers and single games in the afternoon.

Stanford And U. S. C. Rivals In Track Meet

Two Coast Schools Are Favorites In I. C. A. A. A. Championship Meet At Cambridge Today And Saturday

CAMBRIDGE, Mass., May 29. (AP)—Though the cream of 34 college track teams has entered, this year's I. C. A. A. A. A. championship meet, which gets underway tomorrow at Harvard Stadium, appears due to result in a two-day duel between Southern California and Stanford for title honors.

Dean Cromwell's Trojans appeared to have a slight edge on the field tonight but his brilliant performers have to make but a few slips to pave the way for Stanford's fourth consecutive victory.

Stanford, with a sure 18 points in the shot and discus events, has many other potential point winners entered in other events and if some of the Eastern stars, especially the jumpers, are strong enough to take points away from Southern California, the Cardinals will finish on top of the long collegiate list with a few points to spare.

Trials in 11 of the 13 championship events will be put on tomorrow. These include the two sprints, both hurdle races, all of the weight events, the javelin throw and the quarter and half mile races.

MANAGER RESIGNS

Oklahoma City Pilot Stays With Club As Catcher

OKLAHOMA CITY, May 29. (AP)—Resignation of Joe Kelly as manager of the Oklahoma City Western league baseball club was announced late this afternoon by John Holland, president of the club.

Lou Brewer, shortstop, will be in charge of the club until a new manager is selected.

Holland gave no reason for Kelly's resignation.

Kelly was the second leader of the Indians this season. Pete Grotz resigned five days before the season opened because of ill health. Grotz still is with the team as a catcher, but has not appeared in the lineup.

GOLDEN BEARS INVADE EAST

Four University of California tennis players, with their coach, will invade the east this summer to play more than a dozen matches with middle western and eastern teams. The netmen will be gone more than a month.

KANSAS CITY, May 29. (AP)—The Kansas City American association club was out to the required player limit today by the sale of Pitcher George Murray to Dallas of the Texas league and the return of Charles Dorman, outfielder, to the Cleveland Americans.

Does 9.4, Too

The select group of sprinters who have done the century in 9.4 seconds was raised to four recently to include Hubert Meier, above, Iowa State speeder who won the Big Six Conference 100-yard dash championship in the sensational time of 9.2-5 seconds. The others are George Simpson, Cy Leland and Frank Wyckoff. Meier used starting blocks which means that his achievement probably will be overlooked by the A. A. P., as was Simpson's.

Reckless Band Starts Daring Grind At Ten

Eighteenth Renewal Of 500-Mile Race Attracts Largest Field Since 1911; Louis Meyer a Favorite

INDIANAPOLIS, May 29. (AP)—Men who dare death that may come with the snapping of a cotter pin again draw attention of the world's sportsmen and sports women to the 500 mile automobile race at Indianapolis.

As reckless a band of drivers as ever donned helmets and goggles will start in the eighteenth renewal of the international classic over the weather beaten, bumpy brick course at 10 o'clock (Central Standard Time), tomorrow morning.

Thirty-Eight Entered Thirty-eight drivers—the largest field since the first 500 mile race in 1911—will face the start, thinking not of the tragedies of other races, but of the \$115,000 prize money and the fame which go to the winner.

Numerous elements have been injected into tomorrow's race which, in the opinion of officials, will make it the most thrilling and interesting in years.

Mechanic Will Ride

The riding mechanic, who made drama in the early races and then was discarded, will be back, crammed into a narrow niche beside the driver in whose hands rests his safety. His share of the winnings, incidentally, will be between five and ten percent, but of that he cares little. He puts himself in the place of a student driver, who some day will be tooling his own mount.

Louis Meyer, a youth for all his number 3 on the new four with Captain C. T. "Pat" Road, crack Irish internationalist, as No. 2, Aiden Road, brother of Pat, will play back.

Captain Road is the only member of the team as originally picked who retained his place.

American polo circles are convinced that Britain's most serious bid for the international cup since the World war will come from the revamped lineup announced in London today.

Revamped Lineup For British Polo Team Announced

LONDON, May 29. (AP)—A dramatic shakeup in the ranks of the British four that will challenge at Meadowbrook in September for the International Polo cup surprised followers of the horsemen's game on both sides of the Atlantic today.

With only one exception, the entire team named by Captain Charles H. Tremayne was shelved in favor of a four generally considered the strongest to represent Great Britain since 1914, when the cup last rested on this side of the water.

Captain Tremayne not only displaced himself from the four expected to sail for the United States in the middle of July, but named as number 1 on his team Luis Lacey, Anglo-Argentine ace who ranks with Tommy Hitchcock, American captain, as the only 10 goal handiaps men in polo. Gerald Bolding, a dashing young player, was placed at

What we are selling is MILEAGE

It is easy to claim big mileage for any tire. To get it out of a tire is a different matter.

The Kelly Heavy-Duty pneumatic is one tire you can be sure will give mileage. We honestly believe there is not another tire of its type being built today that will stand up alongside it. We have watched enough heavy duty tires in service to know what the various makes will do, and we will back Kellys to beat any of them.

We could give you a long story about tire design, number of plies of cord, etc., but we don't believe you care about reading it. What you are buying, and what we are selling is MILEAGE.

That's why we sell Kelly-Springfields.

HOOKS AND SLIDES

BY WILLIAM BRADY

The Barrage of Ballyhoo

From the camp of Jack Sharkey at Orangeburg and Max Schmeling at Endicott, the big guns are booming. The ballyhoo is on and from now until June 12, when the two clash at Yankee stadium, the barrage will increase in intensity. Sharkey has become a savage wolf in his den. Plowing into sparring partners with a snarling ferocity, and all that, you know. One writer the other day had his "blue

eyes gleaming wickedly and his lips set in savage determination."

Blif, Bang, Boom!
Another writing of Jack's assault upon a sparring partner, says "for three minutes Jack flayed him, thumped him, rushed him from rope to rope, jabbing furious left hooks to the body."

We have also the spectacle of Johnny Buckley, the Screaming Squire's manager, shouting to him to please quit tearing the men to pieces. Upon which Sharkey tears out his rubber mouth-piece and snarls, "I'll do better if you leave me alone." Then, to top it all off, Sharkey, in fury, tells Buckley to "keep his mouth shut and pull the bell and he'll take care of the boxing," emphasizing his words with a blow on the back of the head which

sends Buckley's chin into his chest. Oh dear, oh dear!

Fear and Trembling

From Endicott came stories of sparring partners refusing to enter the ring with Schmeling after they had been abused in previous encounters. It seems Joe Jacobs had to go to New York every few days to dig up more brave men who would face the lethal punches of the German.

Another day all the newspapermen were assembled and a long distance call was put through to Max's mother in Germany. Max told her how he missed the sauerkraut, the way she used to fix it up. Very touching and all.

Over at Orangeburg, Benny Leonard tried to feint Jack Sharkey into a lead, but even the skill of the old lightweight master couldn't

make Sharkey step into a punch. Sharkey was prepared for everything Leonard tried. Wonderful!

Old Grouch-Face

Sharkey is grouchy with the photographers. Just why he should be grouchy with the photographers nobody knows. Maybe it's just his native ferocity. The camera boys ask him to pose, and he snarls, "You guys know I never pose when I'm sweating." A terrible man!

Both are terrible men, if all the stories from the training camps can be believed. But quite often it is the reporters who are terrible. After all, they are the boys who aim and fire the big guns of bally-hoo.

Duke university's baseball team was shut out the first time in three years when the Davidson college nine took a 5-0 decision.

Oil Capitalist Questioned In Slaying Probe

V. P. Lee Appears Voluntarily Before District Attorney In Connection With Death Of W. L. Edwards, Houston

HOUSTON, May 25 (P)—V. P. Lee, oil capitalist and member of the republican state executive committee, appeared voluntarily today before the district attorney for questioning in connection with the investigation of the slaying of W. L. Edwards, Houston aviator. Mr. Lee, District Attorney O'Brien Stevens said after the two hour conference, knew nothing of the killing.

Their discussion, Mr. Stevens added, centered around other matters, including a \$250,000 alienation of affections suit which Edwards had lodged against Lee some months before his death.

Lawyers Along
The oil millionaire was accompanied to the criminal court building by two lawyers, George King and Wright Morrow. Mr. King appeared before the grand jury, which later adjourned for the week, at his own request. Mr. Morrow accompanied Mr. Lee in the conference with Stevens.

"We just came down here to give the district attorney any help we could in the matter," Morrow said when he left with his client. Lee made no statement.

"Mr. Lee appeared voluntarily as did his lawyers," Mr. Stevens said. "He answered all my questions fully. He had no knowledge of the killing, but gave me information about the litigation and other matters."

"I don't know yet whether what I learned will be of value in the investigation and don't know whether Mr. Lee will go before the grand jury. He might."

Killed May 18
Edwards was killed on the night of May 18, his body bearing signs from a shot gun fired at close range, was found underneath a large myrtle bush in a quiet residential section.

Sometime before he had told a number of persons here that he thought "imported gunmen" were coming here to "get him."

John Belois and Sam Ferrette, both fugitives, have been charged with the murder. Fry T. Wharton, who told police that his cousin, E. T. (Curly) Wharton, had helped "frame" Edwards so that liquor charges would be filed against him, has been charged with violation of the liquor laws, as has Curly Wharton, who is at large. Others in liquor complaints in connection with the investigation are C. H. Smith, Perkins Carrriere and Emilie and Clarence Orgeron, brothers.

Edwards was under a liquor charge at the time of his death. He had declared it a "frameup" and had preferred malicious prosecution charges.

Meanwhile Chief of Detective W. J. Kessler of Houston was in Wichita, Kas., today on the trail of Belois, Ferrette and Curly Wharton, believed to be using the name of William Johnson.

The Big Six

(By Associated Press)
Babe Herman batted his way back to the Big Six and National league leadership as he led the Robins to a victory over the Giants by getting two home runs and a single in four times at bat. The sport gave the Brooklyn Babe an average of .414. Sam Rice hit safely twice in five attempts and dropped to .410. The other national league members were idle while Al Simmons and Babe Ruth each dropped a point in the averages, getting one hit in three trips to the plate.

Admiralty Of Navy Defended By Republican

Senator Johnson, California, Takes All Responsibility For Calling Naval Leaders In Senate Investigation

WASHINGTON, May 25 (P)—The navy admiralty which testified against provisions of the London naval treaty before senate committees was defended from attacks in the press today by Senator Johnson, republican, California.

In a prepared statement Senator Johnson took the responsibility for calling the navy leaders and asserted "they have been true to the highest traditions of the American navy and deserve from all Americans only commendation and praise." He said they "dared to tell the truth about a political treaty behind which is such tremendous political power."

Senator Johnson's declaration came after the conclusion of the committee hearings. With the pact laid over for a special session, leaders indicated that no effort would be made to get it before the senate for a week or 10 days.

Rear Admiral S. S. Robison, superintendent of the Annapolis Naval Academy, was the last witness before the naval committee today with a reiteration of the assault on the treaty he made yesterday before the foreign relations committee in its closing hearing.

Senator Odde, republican, Nevada, one of the naval committee, announced at the conclusion that he was ready to propose some reservations to the pact but he did not disclose their nature.

Commission Enters Into Agreement With Mrs. Laura J. McCrummen For Purchase Of Park Site Here

The Lubbock city commission, continuing its program of city park beautification, yesterday entered into an agreement with Mrs. Laura J. McCrummen for purchase of a park site, measuring about 300 feet square, located in McCrummen's second addition. The action was taken upon recommendation of the park commission.

Announcement was made that purchase price was \$15,000. Bordered by 19th and 20th streets and Avenue T and U, the site is composed of lots 1, 2, 3, 4, 5 and the north half of lot 6, in block 7.

"Ideally located, the lots are between the Dupre school and the new senior high school, now under construction," said J. Bryan Miller, city manager. "The commission feels that this location can be converted into a beautiful park."

Six parks are now owned by the city, and with exception of the city park, located in northeast Lubbock, the sites are soon to be named by contest plan. The successful namers will receive prizes of \$5 each.

O'Donnell Youth Dies of Injuries in Collision with Teammate in Baseball Game; Funeral Services to Be Today

Funeral services for Guy Greenlee, 17, of the OK community, near O'Donnell, will be held this afternoon at 2:30 o'clock at the OK school house.

The youth, a pitcher for the OK baseball team, died yesterday morning at 7 o'clock in a local sanitarium following an accident which occurred Wednesday when he tried to catch a fly ball. An operation was performed at 3 a. m., yesterday in an effort to remove a blood clot.

Greenlee collided with Lloyd Jones, a teammate who was playing third base while the two were trying to catch a "pop-up." Jones' check home struck the temple of the pitcher.

He continued to pitch the remainder of the game, and his condition was not regarded as serious until a hemorrhage developed on his brain Wednesday night and he became unconscious.

Three brothers of the boy were playing on the team. They are Earl, right field; Cecil, shortstop, and L. C., catcher.

He is survived also by two other brothers, Herose and Roger; the parents, Mr. and Mrs. G. H. Greenlee; a sister, Doris, all of the OK community, and another sister, Mrs. Rita Bell Lee, of Bisbee, Ariz.

Old Settlers Second Annual Meet Planned

Celebration Of Pioneers To Be Held On Johnston Ranch July 3, 4 and 5; Program Is Being Arranged

(Special To The Avalanche) SLATON, May 29. — The second annual Old Settlers Reunion on the famous and picturesque Johnston Ranch, five miles north of Slaton, will be held on July 3, 4 and 5, this year, thus becoming a Fourth of July celebration besides a reunion of the old timers of West Texas, according to H. L. (Bud) Johnston, one of the ranch owners.

The first annual reunion on the ranch was held last year, attracting a total attendance of 10,000 people for three days. It was declared to have been the biggest event of its kind ever held in this section, considering it to be the first yearly meeting.

An elaborate program for the three days event this year is being arranged, including a big rodeo, all kinds of carnival and amusement attractions, together with numerous sports, music, public speaking, and prize contests. This announcement was made by Johnston, who is a former sheriff of Lubbock County.

His Ship Comes in Every Day

NEA Los Angeles Bureau. "Don't wait for your ships to come in—they'll come in all right if you keep sending them out," says Captain Robert Dollar, 86, multi-millionaire Pacific coast mariner, pictured here with Mrs. Dollar at the National Foreign Trade Convention in Los Angeles. Captain Dollar, who was the original for the fictional character "Cappy Ricks," knows what he's talking about, his far-flung banner floats at the masthead of 50 vessels sailing the seven seas and his ship comes in every day.

CHARGED WITH MURDER

TALLAHASSEE, Fla., May 29. (AP)—Mrs. W. C. Gunn of Oklawaha, today was lodged in jail here charged with the slaying of her husband, a 51 year old filling station operator,

as they were en route to Jacksonville, Ala., Monday night. Mrs. Gunn was held without bond.

The first sheet of paper is stated to have been made from the bark of a mulberry tree in the year 75.

Indianapolis Tops Seattle

Northern City Has Slight Population Lead Over Rival Western City; Close Race Staged For Twenty Years

WASHINGTON, May 25 (AP)—The census race among cities of the 100,000 class today showed Indianapolis slightly ahead of Seattle. Indianapolis, with a 15 per cent increase rate, was able to pass Seattle, though that city increased 14.8 per cent.

Their close standings through three successive censuses taking are: Indianapolis, 1920, 362,527; 1920, 4,194; 1910, 232,650. Seattle, 1920, 2,426; 1920, 315,312; 1910, 297,194. Back in 1900, Indianapolis was five as big as Seattle, the score standing 169,164 to 30,871. The west coast city took a sudden spurt and outdistanced the Indiana rival in a single spectacular leap. Now Indianapolis has won back the lead by 101 persons.

Pittsburgh, Pa., reporting 644,795, a 7.5 per cent increase, kept its proportions with Baltimore, just 7.6 per cent increase. Pittsburgh dove her, which reported 789,211, was the ninth city, Baltimore eighth in the 1920 census. At her heels, however, the Pennsylvania metropolis found San Francisco, which came climbing up to 825,974 with a 23.5 per cent increase rate. Last census Los Angeles held that spot just behind Pittsburgh, but has not yet reported.

MACDONALD WINS

Labor Government Victorious Over Opposition

LONDON, May 25 (AP)—The labor government of Ramsay MacDonald tonight withered another attempt by the opposition to upset it. The labor opponents failed by 29 votes to pass a motion calling for reduction of the salary of J. H. Thomas Lord Privy Seal, and unofficial minister of unemployment. The vote was 270 against to 241 for the motion, which was introduced to obtain debate on England's unemployment problem.

It was the second time the question had exercised the house of commons in two weeks. On the first division the government won by a majority of only 15.

TAKES OWN LIFE

Heels Of Woman's Slippers Used In Suicide

ALVARADO, May 25 (AP)—The pointed heels of a pair of woman's slippers and the weight of two bed posts were used early today by Frank R. Daniel, 38, Mustang, Okla., to take his life while stopping as a guest at the rooming house of Taylor Burroughs.

Lying on the floor partly clad, the heel of each slipper in his mouth and the bed posts supporting the weight of the bed against the shoes, the body of Daniel was found by the rooming house owner, Justice of the Peace John Freestridge returned a verdict of self-administered death by strangulation.

FIRE ON OUTLAWS

MANILA, May 25 (AP)—The Philippine constabulary today fired 200 shells from a mortar gun upon a Moro fort in Lanao province, island of Mindanao, without dislodging the outlaws who had defied the troops since May 7. At nightfall the constabulary retreated to Davao, fearing a night attack in the dense woods if they remained.

AMERICANS KILLED

Two Women Meet Death In Car Accident In Italy

FLORENCE, Italy, May 25 (AP)—Miss Helen Gee, 22, an American girl whose home is in Denver, Colo., and Miss Ruth Henderson, 32, a Canadian nurse, employed in the John Hopkins hospital, Baltimore, Maryland, were killed today in an automobile accident near Ronta, 48 miles from here.

The automobile in which the two women were traveling collided with an automobile driven by Pietro Chiarizzo of Rome who was proceeding toward Rome. The automobile of the Americans left the road and plunged 250 feet down a ravine. Chiarizzo summoned assistance and climbed down into the ravine where he found the women dead. They had been touring Italy.

EIGHT DIE IN CLASHES

SENATE FEARS SECRET VOTE NOW

BY CHARLES F. STEWART

WASHINGTON, May 29.—Abandonment of the senate's good old custom of considering certain sorts of its business in secret has made more difference than even experienced politicians expected.

It is easy to see how publicity (or the contrary) might effect the senator's balloting on a presidential appointment.

Now, under the old system, when the senate passed on presidential appointments in secret, it was impossible for the voters to know with certainty, how any given senator cast his ballot.

Must it not have been a temptation to a senator to vote as the president wanted him to vote? One way, an executive appointment, but that they could not conclusively pin it on him if he voted otherwise, whereas the president wanted him to vote in just the contrary direction, could ascertain exactly how that senator did vote.

GAINS OF SCIENTIFIC MEDICINE SHOWN BY STUDY OF BLOOD

BY DR. MORRIS FISHER

The average person considers blood as merely a fluid which pours out of the skin when a cut is made. To the physician, the blood is one of the important tissues in the body. It is concerned largely with feeding the body cells, and enabling them to overcome attacks of disease, and with transporting vital substances about the body.

The blood flows anywhere from one-thirteenth to one-twentieth of the total body weight. There are from 4,500,000 to 5,000,000 red blood cells in each cubic millimeter of blood, so that the total number of red blood cells is tremendous. There are anywhere from 1,000 to 10,000 white blood cells in the same amount of normal blood.

It is not surprising to thoughtful persons that many men and women break mentally under the strain of present-day business and social life. Only the mentally hardy can long stand up under the pressure which this generation imposes upon the nervous system.

Impending Double Holiday In New York Causes Sessions To Lag Thursday; Rains In West Lead To Some Buying

NEW ORLEANS, May 29 (AP)—Cotton was very quiet today, the impending double holiday in New York causing a general indisposition to trade except in covering or evening up of commitments. The rains in the west and the forecast for more general rains led to some buying of new crop months and October was relatively firmer than July, showing a gain over the previous close of 10 points whereas July gained only 5 points. A private estimate made by the decrease in acreage 3.3 per cent. The general market closed steady at net advances of 6 to 7 points. July closed at 15.85, October at 14.80 and December at 14.90, or 6 to 7 points net higher for the week.

General List Only Firm In Dull Session

Exchange Closed For Week-End After Worrying Through A Typically Dull Pre-Holiday Market Thursday

NEW YORK, May 29 (AP)—The stock market was a dull session today after worrying through a pre-holiday season. Buying of the merchandising, food and specialty shares enlivened the late proceedings and brought out some of the largest net gains of the week, the tone of the general list, with the exception of the rails, was only firm.

Saunders, Spur attorney expressed the appreciation of the legionnaires for the large attendance and for the out of town delegations. Alfred Scott, young Lubbock attorney and active leader in the Lubbock post responded. Charles Whiteacre, former post commander at Lubbock, then introduced the visitors from his city. After the introduction several were called upon for talks.

ADVERTISE ROAD WORK

Three Million Dollars Worth Of Projects Included

AUSTIN, May 29 (AP)—Three million dollars worth of highway construction work was advertised today for letting by the state highway commission at its regular monthly meeting June 23 and 24. Thirty-eight miles of concrete pavement, 77 miles of rock asphalt and surface treatment and 78 miles of grading and drainage structures in 18 counties were to be contracted.

Graf Zeppelin Is Making Progress

(Continued from Page One)

MIAMI, Fla., May 29 (AP)—The Graf Zeppelin was over Barbados Pass steering a northwest course for Havana at 2:10 a. m. (G. M. T.) (8:10 p. m. C. S. T.) according to a radio message received by Pan-American Airways here tonight.

Local Markets

These prices are furnished by the following Lubbock firms: Poultry—Lubbock Poultry and Egg company; Dairy Products—Bell Ice Cream company and S. S. Minster; Cereals; Grain—S. E. Co. Grain and Seed company, and Cotton—Bleeker Cotton company. Prices subject to change during day.

Markets At A Glance

NEW YORK—Stocks firm; Worthington Pump attained new high mark. Bonds steady in featureless trading. Corn steady; Vacuum Oil 1/2 more than 3 points. Foreign exchanges irregular; Shanghai declines sharply. Cotton steady; unfavorable weather forecast. Sugar steady; better spot demand. Coffee steady; pre-holiday covering. CHICAGO—Wheat, corn, cat. the irregular. Hogs steady to lower.

Old Age

(Continued from Page One) The best executives—I mean they are well fitted to carry out the plans of an organization, but the best plans originate in older heads. The best part of the young executive's experience may be the way he is held back by the wiser plans of older heads. Then comes the time when the young executive is ready to do the best part of the young executive's experience may be the way he is held back by the wiser plans of older heads.

General Rains

(Continued from Page One) falling slowly for the past two days, with all sections being covered. A slow steady rain fell yesterday morning over Terry county, apparently covering the entire territory. Reports received by telephone and in person from the north and west revealed 82 of an inch at Crosbyton, the same at Dickens, 1-2 inch at Spur, one inch at Lorenzo and Ralls, 1-4 inch at Abernathy, 3/8 inch at Plainview, 3/8 at Stanton, 25 at Levelland, 25 at Littlefield.

W. T. C. C. Meet

(Continued from Page One) bonds through the gasoline tax. Deficit Wiped Out. President Hamilton, in his annual address, said the \$28,000 deficit facing the chamber at the El Paso convention last fall had been wiped out and replaced by a \$16,000 balance. He urged the West Texas chamber to request a law permitting oil operators in any pool to enter into an agreement concerning when they would drill and how far apart they would place their wells. Representatives of the Midland Chamber of Commerce have said they would oppose this resolution, contending that such a law would favor the major companies.

Demand Dull and Narrow on Cattle

PORT WORTH, May 29 (AP)—(U. S. D. A.)—Port Worth packers were not obliged to purchase cattle for immediate slaughter today, as packing house killing gangs will be idle tomorrow and demand proved dull and narrow for practically all classes. Slaughter yearlings settled by declines of about 3c and the market for slaughter steers, butcher cows and low cutters ruled barely steady. Several loads of medium grade slaughter steers sold at 90 to 92 1/2 and some package lots of good fed steers sold up to 10.50. Well finished yearlings in carlots brought 11.00 to 11.40 and off quality sorts of butcher heifers were scattered around 7.00 to 8.00.

Wheat Prices Are Highly Irregular

CHICAGO, May 29 (AP)—End of the month deliveries of wheat on a big scale handicapped higher prices today. Quoting questions were irregular, ranging from 7-8c down to 1-2c gain. Corn closed 1-8 to 1-4c off to 5-8c up, oats unchanged to 3-8c higher, and provisions unchanged to 3c decline. Despite the size of today's deliveries, the disturbing character of much of the crop news served to keep the market too sided. In addition, extensive spreading operations between Chicago and Liverpool appeared to be in progress. Giving considerable momentum at times to wheat price rallies were reports that domestic wheat prospects west and southwest are becoming more favorable as harvest time draws near. Complaints that wheat shows a thin stand were especially mentioned as applying to sections all the way from Nebraska to Texas inclusive. Besides root rot was reported as widely prevalent in Oklahoma and Texas, and that there were many places in Illinois and Indiana was going backward.

Crowd Of Men Fail To Lynch Alleged Yegg

Suspect In Bank Robbery Is Recaptured By Sheriff And Posse After Being Taken By Band Of Seventy-Five

ELK POINT, S. D., May 29. (AP)—A crowd of 75 men failed last night in an attempt to lynch John W. Elliott, held for the robbery of the First National bank last Monday. Elliott was being returned from Sioux City, Ia., where he was arrested yesterday. When Sheriff N. C. Cloern reached the jail with his prisoner, he was met by the crowd which overpowered him and carried Elliott away in an automobile. The sheriff and several deputies pursued, overtook the fleeing machines and recaptured Elliott. There was no display of firearms, but the officers used their fists before regaining custody of the prisoner.

Elliott was placed in a cell under guard of six of his men and 10 citizens who were made special deputies. Elliott was identified as the bandit who escaped with \$1,551 in currency from the bank, by E. W. Freeman, president and M. E. Johnson, cashier, making the identification. They declared that a .38 calibre nickel plated revolver found in a closet at the Elliott home in Sioux City was the one with which the robber had forced them into a vault as he obtained the cash. The prisoner professed innocence.

FINAL TRIBUTE PAID

Firemen Honor Victim In Fire At Oklahoma City

OKLAHOMA CITY, May 29. (AP)—Oklahoma City firemen paid their last respects today to R. A. (Dick) Mason, killed Tuesday in the fire that destroyed the Coliseum with a toll of at least four other lives. Mason's body lay in state at central fire station, and all firemen not on duty were to form a guard of honor at his funeral services this afternoon.

Where New York Building Crash Killed Two and Injured Score

Here is the jumble of wreckage in which two men died and a score were injured when a building under construction collapsed in New York. Tall girders are shown tilted in the air at crazy angles—one is slanted obliquely against the walls of an adjoining factory—after the steel framework of the four-story structure had crumbled and crashed, trapping some of the workmen underneath. An investigation of the accident was ordered.

Hold Services For Mrs. Hill

Final Rites Said Thursday Afternoon At Bynum Bros. Funeral Home For Lubbock Woman; Dies Of Injuries

Funeral services were held yesterday afternoon at 2:30 o'clock at Bynum Brothers funeral chapel for Mrs. Mattie Hill, 69, with Elder John T. Smith, minister of the Church of Christ, officiating.

Mrs. Hill died Wednesday afternoon at 2:30 o'clock at the home of her daughter, Mrs. Walter Evans, 1902 Ninth street, following complications which arose after she had broken her hip seven months ago in a fall.

Survivors are the husband, Robert Hill, and the daughter, Mrs. Evans both of this city, and a sister, Mrs. L. A. Brown, of Lamesa.

AVIATRIX IN CRASH

Miss Amy Johnson Not Hurt As Plane Cracks Up

BRISBANE, Queensland, May 29. (AP)—Miss Amy Johnson, who flew from England to Australia without a mishap of consequence, cracked up her plane at Eagle Farm aerodrome this afternoon while en route from Port Darwin, North Australia, to Sydney. She was not injured.

The plane, carried by cross winds over the edge of the aerodrome, hit a fence and turned turtle. Miss Johnson was thrown clear of the machine, but beyond a shaking up was not hurt.

The propeller of the machine snapped off and both its wings crumpled, but the under-carriage was not damaged. It will be repaired as quickly as possible to enable her to continue her flight to the Southern states.

ACCEPT LEGION PLANS

Sufficient Funds Available To Start New Home

At a meeting held yesterday plans for the new \$12,000 American Legion home in this city were accepted by the local post and have been turned over to J. B. Maxey, contractor, for the start toward construction. Peters, Strange & Bradshaw, architects, has donated their services as has Mr. Maxey. Although all funds subscribed in the recent \$12,000 drive of the Legionnaires have not been paid in, sufficient money is available to start the program, J. A. Haler, post commander, announced.
