Justice Department approves county plan

The Mitchell County Commissioners' Court received notification on Tuesday that the U. S. Department of Justice has approved the court adopted redistricting plan.

The county was informed by a letter from Gerald W. Jones, Chief, Voting Section of the U. S. Department of Justice, notes that, "The Attorney General does not interpose any objection to the changes."

The redistricting plans for commissioner court and justice of the peace/constable districts, the realignment and redesignation of voting precincts, the establishment of an additional voting precinct and polling place, and a polling place change for Mitchell County were included in the court adopted plan which had been sent to the Department of Justice for clearance.

"We are very happy," said County Judge Ray Mayo, "to receive the departments approval. We feel it is fair and just, and provides a workable plan for Mitchell County."

The county received word of the redistricting plan approval from Greg Hudson of the firm Bickerstaff, Heath & Smiley, of Austin, who was retained by the county to assist in the preparation and submission of a redistricting plan to meet the Voting Rights Act guidelines.

"I am appreciative of the hard work you and the Commissioners' put into the process to ensure that the County's voters enjoy the protections afforded to them under the Voting Rights Act," said Hudson in a letter faxed to Mitchell County Judge Ray Mayo.

TAKING THE OATH: County Judge Ray Mayo, left, is shown as he administers the oath of office to newly appointed County Attorney Mark Piland on Tuesday, in the Commissioners' Courtroom of the Mitchell County Courthouse.

PILAND

The Commissioners' of the Mitchell County Court unanimously approved the appointment of Piland to fill the unexpired portion of County Attorney Clay Strange's term, whose resignation became effective on Jan. 3.

Piland told the commissioners' that he looked forward to working with them and that he would appreciate their insight into any lessons from the past which might help in the relationship between the County Attorney's office and the Commissioners' Court.

The commissioners' discussed the hot check fund with the appointee before making the motion to appoint Piland to the office.

The hot check fund is designed to be used at the discretion of the County Attorney, said Commissioner Bill Preston, and

can be used to relieve the work load of the office.

Preston noted that the court had been accused of not funding the hot check department to a greater extent and asked Piland if he felt he could work with the present system.

Noting that he did not have a working knowledge of the complete department before getting into the operation of the office, Piland said that he would make a "good-faith honest effort to build up the fund," so that the department could afford extra hours during the periods of peak work loads.

Piland has had his private law practice in Colorado City since April, 1990, which he plans to continue.

Prior to that time, he has practiced law with the firms of Thompson and Rees of Colorado City, and Nunn, Griggs, Jones and Sheridan of Sweetwater.

Piland received his bachelors degree at the University of Texas and his law degree from Texas Tech University.

He is a member of the First Baptist Church of Colorado City

-Senior Showmanship honors were presented to Randal Petty, representing the Westbrook FFA chapter.

-Junior Showmanship honors were presented to Jamie Ellis, representing the Colorado City FFA chapter.

-The award for the best bred pig in Mitchell County was presented to exhibitor Dwayne Riggs and breeders Wylie and Roy Stice.

The Livestock Show herdsman awards went to the following organizations:

-Steer Herdsman honors went to the Loraine FFA chapter.

-Swine Herdsman honors went to the Colorado FFA chapter.

-Lamb Herdsman honors went to

the Mitchell County 4-H organization.

Limmer noted that over \$16,000 in prize money was presented at the show.

Exhibitors represented at the Livestock Show were local students, grades 3-12, who are involved in either the Mitchell County 4-H Club, or are participants in the FFA (Future Farmers of America) organizations of the county's Independent School Districts -- Colorado City, Loraine

and Westbrook.

"The purpose of the show is to afford the 4-H and the FFA boys and girls of Mitchell County an opportunity to exhibit results of their feeding and breeding projects as carried on under the supervision of their advisors," said Limmer.

"In turn it is hoped that the show will create enough interest among the exhibitors to build a sound and diversified agricultural program for Mitchell County," he said.

PUBLIC NOTICE

A public hearing will be held on Monday, February 3, 1992 at 7:00 p.m. in City Hall, 180 West Third Street, Colorado City, Texas for the purpose of obtaining input from citizens concerning the possible adjustment of council member districts within the City of Colorado City.

Public Notice

On October 4, 1991, Southwestern Bell Telephone Company (Southwestern Bell) filed an application with the Public Utility Commission of Texas (Commission) that proposes a new optional service called DigiLine™ Service. The application was assigned Docket No. 10655.

DigiLine Service uses a 144 Kbps facility, typically divided into two 64 Kbps B Channels and one 16 Kbps D Channel to provide access to and from the public-switched telephone network for circuit-switched voice communications. DigiLine Service also provides transmission of circuit-switched data and packet-switched data within the customer's service office area only. This service allows the simultaneous transmission of voice and data over a single residence or business telephone line from a serving office equipped for DigiLine Service.

The monthly recurring charges for DigiLine Service consist of three major rate elements: Basic Interface Facility (\$19.00); Basic Interface Equipment (\$12.00); and, an Integrated Services Network Component for each B Channel (rate varies from \$1.90 to \$7.25 per B Channel depending on the customer's class of service and location.) Other charges may also be applicable depending on the options requested by the customer.

DigiLine Service operates only with compatibly-equipped FCC Part 68 registered equipment. The service will be offered initially in the following exchanges and within the following serving offices:

Exchange	Serving Offices
Dallas	Fleetwood, Richardson, Riverside
Austin	Fireside
San Antonio	Capitol, Medical Center
Houston	Clay, Medical Center

DigiLine Service may be furnished in other serving offices in any of the above exchanges in combination with foreign serving office charges. In addition, DigiLine Service may be available in other exchanges upon a customer's bona fide request. A bona fide request is a written request for service. Upon receipt of the bona fide request, Southwestern Bell will conduct an economic analysis to determine the financial viability of offering the requested service.

Southwestern Bell expects DigiLine Service to generate first-year revenues of approximately \$236,000.

Persons who wish to intervene or otherwise participate in this docketed proceeding should notify the Commission as soon as possible, but not later than by February 10, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information also may be obtained by calling the Public Utility Commission Public Information Office at 512-458-0256. The telecommunications device for the deaf (TDD) number is 512-458-0221.

LORAINE PERSONALS

...BY LOIS PHILLIPS

Syble Walker, of Loraine will be flying to Odessa to visit her daughter and son-in-law Mary Love and Jack Allbright after being in Arlington with her other daughter and son-in-law Jean and Troy Kegans. She is much improved after her hospital stay while being in Arlington for the holidays. She hopes to be back in her Loraine home before long.

I don't know if Old Man Winter has come and brought our pretty snow or if it is just Christmas in January, anyway it was real pretty. Then some folks did have Christmas in January here in our own little town. The Tommy Green's and daughters had Sharon's parents, her brother and family and her little sister and her family last weekend and they really did have their belated Christmas, tree and all.

Garden Club invites entries in poster contest

The Colorado City Garden Club has announced that it is the local sponsor of the Smokey Bear and Woody Owl's 1992 Environmental Poster Contest and has invited everyone to enter.

Rules for the contest include:
--Posters will be based on an environmental or fire prevention theme and must use either Smokey Bear or Woody Owl in the picture.
--Participants are invited from the community-at-large, youth and senior citizens are especially invited. Posters are to be

Sharon's sister Shell got sick just before Christmas and had to have surgery so they just postponed the party, tree and all until Shell was able to come from Pecos so they had their Christmas. I am sure that was a very nice affair for everyone even tho' Sharon's girls had to wait along with everyone else in the Bill and Faye Scarbar family. I know it was fun.

I have just had some real good news from Jackie and Patsy Walker. They will be home today with a real good report on Patsy's health problems. A number of things have been ruled out and she will be doing much better now. She will have medication to help her recover along. Her doctor is real pleased that the problem is minor and not major. They are both feeling better now and will probably continue to improve. They did not find

anything major and that's what her family & friends needed to hear.

The Bernard Hackfelds wanted to tell me this week that their son Michael, has enrolled in San Angelo University to finish his college work. I really don't know how much he lacks but we are happy to tell you that he is back in school. It seems he could not finish his degree plan at Sul Ross in Alpine. They did not offer all the courses he needed for his degree. He says, he really likes Sul Ross and enjoyed his stay there. Best of luck Michael.

Nannie Hallmark said Edward Rosas came by the Loraine Manor the other day. She had the privilege of visiting with him. She had known him all his life and was happy to renew that friendship.

Syble Walker is in Odessa with Jack and Mary Love Allbright for a few days, then she will be home. She is doing really good. We are happy for you and miss you.

Clara Butler is doing nicely and her son, who is doing good also or let's say holding his own.

I had the Mitchell County stock turned out very nicely. I believe all our Loraine kids won at least one place and we are real proud of them. Justin Herrington, I am real pleased with what the reporter had

Loraine basketball teams list last week's results

On Tuesday, January 14, 1992, the Loraine Junior Varsity played the Highland Junior Varsity and were defeated by the score of 35-34. The leading scorers for Loraine were S. Gutierrez, 14 points; D. Starling, 12 points; and J. Herrington, 4 points.

On the same night the Loraine Varsity team hosted the Highland High School and won their second district game by the score of 70-53.

to say about you; "the polite and softspoken Herrington will travel to Ft. Worth to show Bandit."

In my book that is a nice compliment. Bandit was also Grand Champion of the show.

Sheryl Webb's calf won Reserve Champion Steer, she calls him "Bear"; Russell Burt showed the best County bred steer. Justin also won Senior Beef Showmanship Award; Lauren Hackfeld won the Junior Beef Showmanship. They each received belt buckles.

Randi Herrington and Sheryl Webb both won places on their British Bred Cattle. They also won other prizes on other stock they showed.

Amber Blair of Loraine won second on showing some of her pigs, and I notice Amber also won other places as well. I hope I don't have a bunch of error's in this report. If I do, and have overlooked someone, let me say now that I am sorry. Everyone of you needs to be congratulated whether you won or lost. I know a lot of hard effort went into this year's work.

I would like to put in a good word for each contestant and his or her parents for doing this job in such a nice way. Also to the adults who also worked so hard to make this show a success. It takes lots of people all working hard to have things turn out right.

The leading scorers for the night were C. Phillips, 28 points; J. Lopez, 19 points; and C. Finley, 8 points.

On Thursday, January 16, 1992, the Loraine Junior High team traveled to Highland to participate in their Junior High tournament and played Blackwell in the first game, and came away with a victory of 53-14. The leading scorers in this game were A. Loy, 10 points; K. Moore, 9 points; T. Henderson, 9 points; and J. Lee, 6 points.

On Friday, the Loraine team played their second game and went against an experienced Roscoe team. They were defeated by the score of 46-30. The leading scorers were T. Henderson, 20 points; and B. Cooper, 4 points. The Loraine team was scheduled to play Highland for 3rd place on Saturday, but the tournament was cancelled due to bad weather. No date has been set for rescheduling of these games.

The next games for the Loraine Basketball teams are as follows:
Jan. 20 - Loraine Junior High travel to Trent. Games start at 6:00 P.M.

Jan. 21 - Loraine Junior Varsity travels to Blackwell. Game starts at 5:00 P.M.

Jan. 21 - Loraine Varsity travels to Blackwell for a District game. Games are at 6:30 P.M. for girls, and 8:00 P.M. for boys.

Jan. 24 - Loraine Varsity travels to Hermleigh for a District game. Girls starting at 6:30 P.M., and boys at 8:00 P.M.

LETTERS to the EDITOR

Dear Editor:

In the year '91 we received a letter in the mail from Brenda Hammond, city manager. The letter had said that the trash cans should be off the ground and in some kind of holder so that dogs couldn't tip them over. The trash cans or can should have lids on them, and no holes in the bottom. If not corrected in a certain amount of time the land owner can be fined if failed to be corrected. The letter was taken to the land owner. A stand was built and 2 new trash cans were bought. The alley is cleaned up, the cans are in the stand and guess what, the lids were always off after the trash men left. There is no gate for access to alley. Now the lids are tied up to where they can't be dropped.

The other day I took the trash out. One of the cans were smashed. I tried to straighten it out so the lid would fit on it. We

weren't the only ones that received a letter like this. Other people that received a letter we talked to.

Why should we try to keep the alley ways clean and looking good, if the trash department doesn't have enough respect to take care of our cans a little better. I know this little letter won't be printed, but frankly I don't give a damn and neither do the people who work for the city trash department.

Why care about the city,
Eddie Clark

Dear Editor:

Why are Colorado City, Loraine, and Westbrook seniors all graduating on the same night?

Mitchell County is small enough that each school could and should graduate on a different night.

I have a senior in Colorado City, and a nephew in Westbrook. So I am limited to going to Colorado City's graduation. My parent's have two grandson's graduating; one from Colorado City and one from Westbrook. To make it fair, they are not going to either graduation. How do you tell your grandchildren why one was chosen over the other. HOW WOULD YOU TELL YOUR GRANDCHILDREN?

A large percent of the students from Colorado City, Loraine, and Westbrook have known each other for most of their lives. Graduation is a time for recognition of accomplishments of the past thirteen years for these students and within this small community all friends should be able to participate in congratulating this accomplishment by attending each graduation of these three schools.

I understand that Colorado City Seniors have already ordered their invitations. I appeal to you, the community and the school board to please take the steps needed to reschedule graduation exercise for Loraine and Westbrook so that we can all join in this very important time in our children's lives and have the opportunity to show them our support as they take the step across the stage toward their next goal.

Sincerely,

Donna Ginkinger

Colorado City High School Parent

CHIEF LONE WOLF

We get letters. We love to get letters. Sometimes the message carries a correction, to a previous Lone Wolf column, other times we get tips on future stories. And, every once in a while, we get a nice stroll down "memory lane" like the one we recently received from Ray B. Hood, of San Diego, California.

Ray grew up in the Spade community and while he's now a "transplanted Texan," he still has vivid memories of his boyhood days in Mitchell County. Take it away Ray.

"I remember that a trip to town (Colorado, before the word 'City' was added), was a real occasion, usually taking place on Saturday," he writes.

"Many of the farmers used a wagon and team of horses to carry their families to town. There were several rather large trees near the railway depot, and the horses, still in harness, stood in the shade there while the farmers took care of their business.

"A trip to town in a wagon was an all-day affair....some of those farmers lived fifteen miles away. The Spade ranch, some 15 miles south of town, was posted against fishing and hunting, but the cowboys always turned a blind eye to the groups of boys who went there to fish in Beale Creek, and in the manmade lakes on the ranch.

"My friends were Luke and Dale Northcutt, Wyatt and Velbert Moore, Joe Ed Richards, and Doyle McCullough, all of the Spade community. We hunted and fished (and stole watermelons) all over that part of the county. Many of our hunting and fishing expeditions took place at night, and, if we caught some fish or managed to get a couple of squirrels, we didn't hesitate to knock on any door and borrow a frying pan and some salt and lard with which to cook our catch.

"And we were never turned down, even when we woke people up in the wee hours. I often think that we were much more fortunate than we understood at the time; it was a great way for boys to grow up. Everyone knew everyone in that community, and we had a hundred baby sitters without ever realizing it.

"A real red letter day at Spade was the occasion on which James V. Allred, Governor of Texas, paid us a visit, in the early 1930's. (I'm unsure of the exact date). The Spade Ranch furnished a steer for the barbecue, and there was a real crowd at the Spade school. My dad was the man who persuaded Governor Allred to make the trip.

"Wages were low, though I don't remember that we considered them unfair at the time. I hoed a lot of cotton for one dollar per day, and I picked a lot of cotton for one penny per pound. Occasionally, I managed to work for a few days for County Road Maintenance, which paid the princely sum of \$1.60 per day for shoveling gravel. This, I might add, was high finance.

"Bread was ten cents a loaf. A movie cost a dime, so did a hamburger. (A big hamburger).

"Dick Hickman was Chief of Police in Colorado and I remember that we held him in awe. He wore a brown suit and a peaked campaign hat like those worn by pre-world war II soldiers.

"There was very little crime in the area. I remember that we never bothered to lock the house when we went visiting, and I don't remember hearing about any theft around Spade, except, of course for watermelons.

"I remember my youth in rural Mitchell County and a great deal of pleasure. My friends and I thoroughly enjoyed ourselves. We didn't have television, but we certainly had no lack of entertainment. Hunting, fishing, and night games of "Capture the Flag," are more fun than television can ever be."

A letter from Ray B. Hood, 950 Ninth Avenue, San Diego, California, 92101. Thanks for the letter Ray. You've really captured the feeling of growing up in Mitchell County. Hope you didn't mind our using it in the column. And anyone else who would like to share memories with us, just drop a line, in care of the Record.

By the way, reckon who holds the record for stealing watermelons in Mitchell County? Nominations are now in order.
