Fourteen Rotan All-Star Players Selected, Tourney Begins July 15

The Rotan Little League All-Stars were selected last week by the 1983 players, coaches and managers and a total of 14 boys will be representing the Rotan All Stars in the area tournament set for July 15th at Hamlin.

The first-place Rebels landed the lions share of All-Star players on the roster with 6 making All-Star status and 2 being named alternates. The

Dr. Vick Burk Participates In Seminar

Vick Burk, a Rotan Veterinarian, participated in a Bovine Practice Seminar at Texas A&M University.

The June 25 seminar held at the Veterinary Teaching Hospital gave participants the opportunity to hear theologist Mark Spire of Kansas State University speak on replacement heifer management, breeding season evaluation and vaccination. Six other bovine practitioners also presented information during the seminar.

The program was sponsored by the College of Veterinary Medicine in cooperation with the Texas A&M Office of Continuing Education.

Rebel players named to All-Star posts included: Ricky Onofre, Carter Edmonson, Johnny Joe De Los Santos, Felix Yanez, Randal Tankersley and Blake Morrow. Rebels named as alternates were: James Gantt and Travis Whitley.

The Vets placed a total of 4 players on the All-Stars. They included: Kenneth Warren, Billy Wayne Speck, Shawn Finley and Lane Landes. Alternates are: Lynette McQueen. The Pirates and Yankees

Fisher County Appraisal Board To Meet

The members of the Fisher County Appraisal District will hold their July meeting on Monday, July 11th at 8:00 p.m., at the Hospitality Room of the Fisher County Courthouse.

The agenda includes (a) call to order (b) call of roll (c) approve minutes of June meeting (d) financial report (e) approve and payment of current bills (f) chief appraisers report (g) discuss proposed budget for 1984 (h) discuss chief appraiser and (i) hear from persons desiring to appear before the board.

each landed 2 players on the All Star team. Pirates included: Heath Dickson and Casey Green with alternates being Harlan

Grady, Lance Ragan, Sean Lee and Travis Hale. Yankee players making All-Star alternate status include: Jerry Carreon

and George Patterson. Yankee players making All-Star positions as alternates were Joe Paul Barrera, David Shipp and Glen Overby.

The Rotan All Stars will play the first game in the double elimination tournament on Friday night, July 15th against Snyder in Hamlin. Coaches and managers come from the Rebel team. They include Manuel Yanez, coach; Managers John Pearson, Lewis Yanez and Joe Morrow.

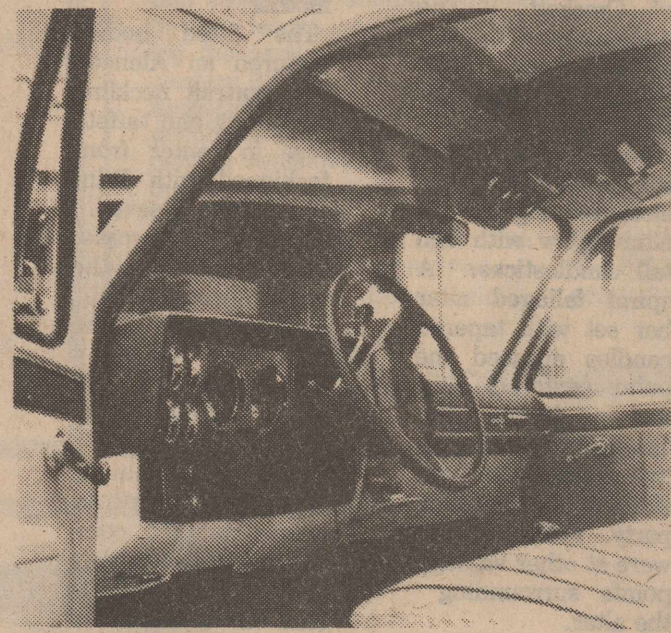

Moore Will Get VFW Citation

Daphene Moore of Roby, President of the VFW Ladies Auxiliary of Fisher County Post #5072, will be receiving special recognition on Sunday, July 10th after being selected as State Chairman of the Year for Texas Ladies Auxiliary Presidents.

She will be recognized during a special ceremony and dinner on Sunday with area VFW's and Ladies Auxiliaries from District 8 attending. District 8 includes the towns of Rotan, Roby, Snyder, Roscoe, Abilene, Eastland, Cisco, Ranger, Brownwood, Comanche, Anson, Stamford, Rising Star and Sweetwater.

In addition to a long list of former accomplishments, Mrs. Moore is being cited for being Texas State President of the VFW Ladies Cancer Society that has raised in excess of \$164,000.00 throughout Texas.

Registration begins at 11:00 a.m., Sunday, the recognition ceremony begins at 1:00 and dinner will be served beginning at 3:00 p.m.

ARRIVAL: The new Fisher County Hospital District ambulance was received on July 1st. Summers Ambulance Service of Duncanville, Texas refurbished the module and put it on a new chassis at a cost of approximately \$15,535.00. The old chassis was returned to Fisher County. Full project took approximately 6 weeks. New ambulance leaves the fleet with the new 1983 Chevrolet; a 1976 Ford Van and 1968 Cadillac both used as backup vehicles.

NEW CHURCH FAMILY: The Foursquare Church of Rotan recently inducted Rev. David and Linda Geisin as new pastors of the church to replace Rev. Floyd and Jewel Bailey. The Geisins were evangelists in Abilene prior to accepting the Rotan church. They have two children, Glen and Connie.

CHEERLEADERS: The cheerleaders from Roby Junior High School were among more than 300 participants in the 1983 Big Country Cheerleader Camp held on the campus of Hardin-Simmons University in Abilene June 13-17. Pictured left to right are Kristy Martin, Stacy Terry, Jennifer Wright, Tammy Mauldin, Melodie Way, and Deena Williamson. The cheerleaders did very well at camp. They received 2 excellent ribbons and 3 superior ribbons during the week as well as a superior ribbon for their overall work during the camp. They also received a spirit stick to bring home. This is one of the camps highest honors.

Stenholm Discusses PIK Program

It's been called the salvation of American agriculture, and a boondoggle complicated enough to stump Rube Goldberg. It's been hailed as a money-saver, and assailed as the most expensive farm program in history. It's the Payment-in-Kind (PIK) program, and it has been the focus of agricultural policy since it was first proposed last fall.

At that time, it had become clear that something had to be done about the massive crop surpluses that were keeping farmers' prices low. Not only did these surpluses perpetuate the farm recession, they also made government price support costs skyrocket: from \$4 billion in 1981 to \$12 billion in 1982 to a projected \$21 billion in 1983.

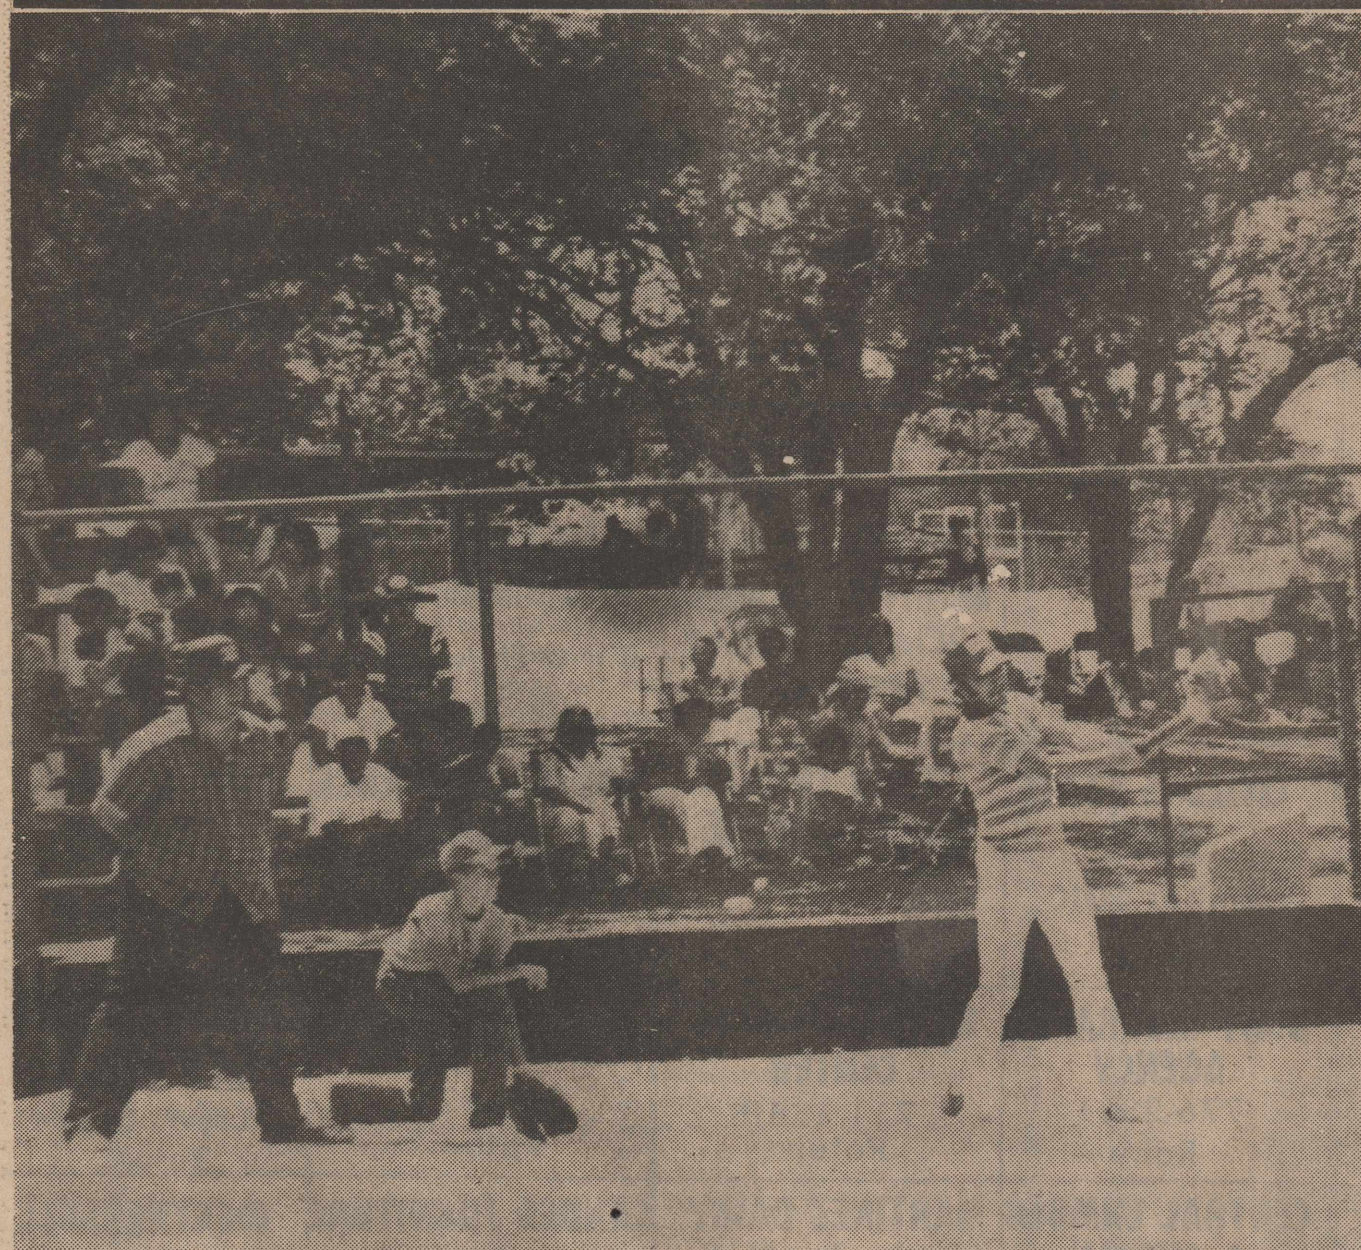

The Department of Agriculture designed and implemented PIK in a remarkably brief period. The program was not an initiative of the Congress, though many farm-state legislators welcomed PIK as "the only game in town." County ASCS workers burned the midnight oil to get the program details out and the paperwork done, and when the smoke cleared it turned out that far more farmers had decided to participate than anyone had thought likely. Producers who signed up for PIK agreed to take a large portion of their acreage out of production so surpluses would be drawn down; in return, they would receive surplus commodities from government and producer-held stockpiles.

Response was heavy. The latest USDA projections estimate that U. S. cotton production could be reduced by almost a third from last year, U.S. wheat production by a

fifth, and corn prices by two-fifths. These reductions are not expected to increase consumer food prices substantially, but they offer real hope of getting farm production back into balance and so are good news for most farmers.

But the heavy participation has caused another problem: Because the farmers who are entitled to PIK aren't necessarily the same ones who have the surplus grain, the government has had a hard time finding enough PIK commodities to go around. It has even required some farmers to "plant for PIK," that is, harvest their current crop, take a government-guaranteed price for it, and then sell it again on the open market.

PIK has caused some problems. After all, a program that helps raise grain farmers' prices will also have an adverse affect on livestock raisers and dairymen in the short run. Small agricultural businesses have also suffered from heavy PIK participation. Yet the program will likely achieve at least a "breathing space" for agriculture. And while farmers catch their breath, they should begin thinking about what comes next. Clearly, PIK is a short-term measure. Massive overproduction and equally massive taxpayer costs mean that something has to change in agricultural policy. Now is the time to begin deciding the directions for the future—to go beyond PIK and achieve a coherent and workable food and fiber policy for the rest of the 20th century and beyond.

PLAY BALL: The Jaycee sponsored community softball game last Saturday, July 2nd, provided good, clean, healthy recreation for approximately 100 Rotan residents and involved many more spectators. The first place trophy went to the Lobos while National Gypsum took second place. First United Methodist Church third place and Carrillo and Co. captured fourth. Consolation went

to the Cross Roads Baptist Church. Other teams participating included First Baptist Church, Warriors (First Baptist Youth) and the Gigs. Pictured above are (left to right) Umpire Curtis McQueen, Catcher for Warriors Rafe Hargrove, and batter for National Gypsum Ronnie Martin.

Dixie Westbrook, Greg Allen Exchange Vows

In a candlelight ceremony, solemnized at 7:30 P.M., Friday, June 17, Miss Dixie Suzanne Westbrook became the bride of Gregory Lyle Allen in the Overton Park United Methodist Church in Fort Worth. Paul Kelsey, minister of the Church of Christ in Denton, officiated for the double-ring ceremony.

The granddaughter

Beyer Receives Scholarship

Mechelle Beyer, daughter of Mr. and Mrs. John Beyer, granddaughter of Mr. and Mrs. Roy Eaton and great-granddaughter of Mrs. Lena Feagan, graduated from Santa Fe High School in Alta Loma, Texas May 26, 1983. She ranked 30th out of a class of 236. On May 24, 1983 she was awarded the American Business Women's Association Scholarship (Santa Fe Chapter) and a Vocational Scholarship from Santa Fe High School. She will be attending Hardin-Simmons University this fall to study Computer Science.

of Mr. and Mrs. Dave Posey of Rotan and great neice of Mr. and Mrs. S.R. Westbrook of Crockett, the bride is the daughter of Mrs. Lanny Jones of Fort Worth and the late Kent Westbrook of Crockett. The bridegroom is the son of Mr. and Mrs. William L. Allen of Denton.

Satin pew bows and silk flowers lined the aisle leading to an altar aglow with two tall candlesticks. A spiral faliaged altar bar set with tapered candles encased the palm centered altar and a double ring candelabra with votive candles on both sides of the wedding party. Votive candles were at other vantage points surrounding the altar.

A nine piece orchestra and a twenty-one voice chorus presented nuptial selections including "Aire from Suite Three" by J.S. Bach, "Comfort Ye" from Handel's "Messiah", "The Bridal March" from Wagner's "Lohengrin" and a special song written for the ceremony by Gregory Allen and David Longran. All of the music was arranged by the groom.

Presented in marriage by her brother, Stacy Westbrook, also given in marriage by her mother. The bride was attired in a gown of white taffeta by her own design, created by her mother.

The fitted bodice featured an Alencon lace portrait neckline set off by one taffeta rose in center front fashioned with Princess Diana sleeves. Other taffeta roses, handmade by the bride, encircled the deep set ruffle of the skirt and chapel length train.

The bride's veil of illusion fell from a wreath of stephanotis and baby's breath to chapel length, completing the bride's silhouette. She carried a bouquet of stephanotis, English Ivy, gardenias, and baby's breath. Wearing her wedding dress

for something new, her birthstone ring for something blue, the bride wore her mother's bridal hoop slip and necklace for something old and borrowed.

The groom given in marriage by his parents wore a black cutaway with tails. William Broze of Chapel Hill, North Carolina, served as best man for the nuptial occasion. Groomsmen were Stephen Kelsey of Roanoke, the groom's brother-in-law, Michael Winkleman of Denton, Scott Hudson of Denton and Stacy Westbrook of Fort Worth. Each groomsmen escorted a bridesmaid to and from the altar.

Miss Kate Westbrook of Fort Worth, sister of the bride, attended the bride as maid of honor. Her

blue waltz length dress was made of taffeta, a modified fashion of the bride's dress. She carried a basket of mixed silk spring flowers, featuring the bride's chosen colors, the hues of the rainbow.

Bridal attendants were Linda Kelsey of Roanoke, sister of the groom, Ramsey of Irving, Julie Thompson of Fort Worth and Jamie Bell of Denton. The bridesmaids were attired in gowns identical to the maid of honor, in colors of orchid, green, yellow, and peach. Each carried a basket of flowers and wore ballet slippers matching her dress.

and Mrs. Tom Anderson and Mr. and Mrs.

Gordon Forehand.

For the wedding trip to Padre Island the bride wore a pink and white polka dot ensemble with a hat of natural straw with pink ribbon. Her other accessories were white and her corsage was a gardenia. The groom chose a navy and gray knit shirt with navy slacks.

After June 24th the newlyweds will be at home at 306 Fry #1 in Denton.

A 1980 graduate of Southwest High School in Fort Worth, Dixie is a Senior biology major at North Texas State University in Denton. Greg, a 1980 graduate of Denton High School and a Senior music major at North Texas, will continue his studies along with his wife at the University.

Prenuptial festivities honoring the couple included a bridal shower luncheon in Denton, a tupperware

CRUMBLING RUINS

These crumbling ruins of the ancient Temple of Jupiter at Baalbec in Syria, excite the wonder and command the admiration of modern architects and engineers.

With their primitive machines and methods, it must have required the labor of hundreds of thousands of men to mine these great stones, haul them from distant quarries, chisel them into beautiful designs and build them into this stately and imposing structure.

Religion has always inspired the best that was in man and called forth his noblest efforts—even when it was no more than blind faith in a pagan god.

In this modern and enlightened day, with our clearer understanding of the moral, ethical and spiritual character of God, religion is still the touchstone of human character, the inspiration of human action and the force behind man's highest achievements.

Every church and synagogue in the land is a shrine of God and every worshipper an heir to the eternal heritage of faith. Here the hopes and aspirations of mankind throughout the ages are brought to a rich fruition.

Alice Ballenger Encourages Ladies To Sew

Today's working woman has a dilemma--her busy lifestyle demands a well-rounded wardrobe, but her

paycheck is gobbled up by food, housing and transportation costs. Yet the working woman

can stick to her budget and also be well-dressed if she will sit down and sew. "Easy for them to say,"

says the working woman who hasn't thought about sewing since she made an apron in the seventh grade. And what about the working woman who owns a sewing machine, but doesn't think she has the ability or time to sew? Home sewing has changed greatly in recent years. Anyone who fumbled over the fundamentals so long ago should take a second look. Sewing today can be enjoyable, easy, efficient and economical. Fabric, pattern and notion companies have streamlined sewing to make it adaptable to busy working women. Fabric companies have concentrated on blending natural and man-made fibers into fabrics which

are easy to work with, care for and wear. Today's home sewer can choose natural fibers, such as silk or linen, or their fabric look-alikes in more economical man-made fibers or blends. Pattern companies have developed fashion patterns that can fit easily into an employed woman's schedule because the garments can be made in a few hours or in a week-end. Each pattern uses simplified construction, requires limited sewing time and creates a welcome addition to any wardrobe. Notion companies have created new sewing aids to help cut sewing time and make projects easier. For example:

excellent results.

Topstitch tape makes a perfect guide for perfect topstitching.

Fusible mesh cut in strips for quick hemming, steam basting pockets before topstitching and fusing trim on clothes.

A blindstitch foot aids in machine stitching hems expertly.

Glue stick eliminates pinning and basting zippers, patch pockets and trims.

Erasable tracing paper, pens and pencils trace pattern markings on fabric; they disappear with water.

Fusible interfacing is quick to use and gives

A loop turner turns drawstrings right side out

quickly and easily.

Iron sold plates prevent scorching, shine and sticking while you are ironing. Many more useful time-savers are available. The

working woman who has stayed away from fabric and notion counters owes it to herself--and her budget--to discover what's new and take advantage of it.

The flower girl was Misti Pearman of Denton, her dress was a pink miniature version of the maid of honor. Bill Milton of Denton was the ring bearer wearing a black tuxedo, miniature version of the groomsmen.

Mother of the bride selected for her daughter's wedding a rose frost chiffon gown with matching jacket of lace. Mother of the groom chose a blue gown of quiana with an overlay of blue chiffon.

The Fellowship Hall of the church was the setting for the recep-

tion which immediately followed the wedding ceremony.

Three tables were draped with white satin and lace overlay gathered skirt. Silver appointments were used. White lattice screens and greenery created a background for the bride's table. The bride's cake was a four tiered with four satellite cakes, atopped with three satin wedding bells. The groom's cake was German chocolate.

Assisting with serving duties were Shelley Joiner of Fort Worth, step-sister of the bride, Melody Ballard and Debbie Mullins of Denton, Jerri Bradford of

Lewisville and Julie Posey of Rotan, cousin of the bride. Guests were registered by Jill Posey of Rotan and Merry Day Miller of Amarillo assisted in passing out rice roses. Both young ladies are cousins of the bride.

Members of the house party were Mrs. Carol Posey, Mr. and Mrs. Ted Posey, Mr. and Mrs. Charles Miller, Mr. shower, an evening display shower for couples, a bridesmaid luncheon at the Petroleum Club and the rehearsal dinner at Ruben's all in Fort Worth.

Among the out of town guests were Mr. and Mrs. Dave Posey, Mrs. Carol Posey, Robert, Julie, Jill and

school. Extra nice
yard. Priced to sell.

Anita Underhill, Jeff Posey Are United

Anita Rae Underhill and Jeffery Ted Posey were united in marriage Saturday at 7:00 P.M. in a candlelight ceremony at The First Baptist Church in Rotan. Wardell Haliburton, Church of Christ minister of Roby, led the couple in repeating double ring wedding vows.

The bride is the daughter of Mr. and Mrs. Charles Unerhill of Rotan and parents of the bridegroom are Mr. and Mrs. Ted Posey of Roby.

Vows were read on the alter which was centered with an arch adorned with greenery and blue satin bows. Flanking the center setting were arrangements of white flowers and large spiral candelabras.

Family pews were marked with blue satin bows.

Mrs. Jim Riggins, pianist from Uvalde, rendered nuptial selections and accompanied Mrs. Freddie Stuart, Britt Stuart, Mr. and Mrs. Brad Stuart, and Mr. and Mrs. Randall Smith as they sang "The Wedding Song", "The Twelfth of Never", "The Rose", "I Needed You".

Given in marriage by her father, the bride wore a gown of white sheer chiffon adorned with delicate lace trim and appliques. The empire bodice featured a sheer V yolk which was accented with lace appliques and pearls and framed with lace ruffling.

The skirt framed with wide ruffling edged in lace flowed into a chapel length train.

She wore a bridal hat of lace & pearls which held her fingertip veil of silk illusion.

She carried a lace fan topped with a cascade of blue and white flowers touched with baby breath and lily of the valley and showered with satin ribbons.

The brides matron of honor was her sister, Mrs. John Cox. She wore a blue carpet length gown accented with lace ruffling around the neck. It had a fitted bodice and wide ruffling on the skirt. She had baby's breath in her hair. She carried a nosegay of white & blue flowers.

Bridesmaids were Mrs. Jerry Boone, sister of the bride, Jill Posey and La Rae Smith. Flower Girls were Kelly McWilliams

and Tracy Posey, both nieces of the bridegroom.

The attendants wore gowns to match the matron of honor. Delana Long registered guests. Ringbearer was Chris Boone. He wore a light blue tuxedo.

Best man to the bridegroom was his brother, David and groomsmen were his brothers in Law Lance McWilliams, and Dale Putnam and his cousin Stacy Westbrook. They wore light blue tuxedos. Candles were lighted by Shannon Boone and Jerri Lynn Boone. They wore blue gowns identical to the brides attendants.

Guest were seated by John Cox of Rotan and David Underhill brother in law and brother of the bride also Weldon Hayes and Robert Posey.

Immediately following the ceremony a reception was held in fellowship hall of the church.

The brides table was laid with a white lace cloth over blue and centered with an arrangement of blue flowers and the three tiered wedding cake which was adorned with blue flowers. A silver punch bowl was used to serve punch. Crystal & silver appointments were used to serve cake, nuts, & mints, blue napkins were used.

The grooms table was laid with a white lace cloth, made by the grooms late great grandmother, over blue and centered with a windmill entwined with blue flowers. The rose bud rice bags made an arrangement for the table. The chocolate cake made by the grooms sister was served with coffee from a copper service.

The brides mother wore a blue chiffon gown fashioned with a pleated skirt.

The grooms mother chose a dusty rose chiffon gown fashioned with a chiffon cape. They both wore white gardenia corsages.

For something new the bride had her wedding gown, something old was a penny in her shoe of her birthdate. Something borrowed was her slip, her Garter was used for something blue.

When the newlyweds departed on a wedding trip to Houston, the bride was wearing a royal blue street length frock with white accessories.

After July 9, the couple will be at home on Rt. 1, Roby, where the groom is

engaged in farming.

The bride is a 1982 graduate of Rotan High School and is employed at Fisher Co. Nursing Home.

A 1982 graduate of Rotan High School, the groom attended Western Texas College studying diesel mechanics.

A rehearsal dinner was hosted by the parents of the bridegroom at the Casa Morales Restaurant.

A Bridal Tea was hosted in the home of Mrs. Florence Wiley.

Well we sure got a good rain here this morning (Tuesday) and we measured about one and two tenths inches, so it was really a help on the little cotton. Before this morning, we had just been getting enough to wet the ground, and the high winds we have been having sure have been bad for that little cotton.

Mr. and Mrs. J.C. Cave returned home from Houston on Wednesday of last week, and their son, Jackie Cave, is really doing good after his heart

Brooke Warren Finalist In Miss Pageant

Brooke Warren, 4, daughter of Mr. and Mrs. Bobby Warren of Abilene, Texas has been selected as a finalist in the 1983 North Texas National Little Miss Pageant to be staged July 9 at Amarillo.

The pageant, for girls age 4 to 7, is the official state preliminary for the Texas National Little Miss Pageant, which will be presented in August at Irving.

The National Little Miss Pageant is affiliated with the Miss National Teen-Ager Pageant, now in its 12th year and nationally syndicated for television.

Winner of the North Texas pageant will receive a cash award, portrait, crown, banner, trophy and a sponsorship paid to the Texas National Little Miss Pageant in August.

Contestants will be judged on poise, personality and appearance.

Brooke is being sponsored by her grandparents, Mr. and Mrs. Kyle Moore of Roby and Mr. and Mrs. Robert Warren.

surgery. He got to return to his home in Farmington New Mexico, Thursday of last week, and is doing fine, but of course is going to have to take things pretty easy for a long while.

We hope that he will continue to improve. Mr. and Mrs. Billy Carter and boys from Brownwood have been here visiting with the J.C. Caves and with Mrs. Edd Carter in Roby. Saturday they all attended the 20th Re-Union of Loratta's class at Hobbs. There was a big crowd there, although some didn't get to come. They enjoyed visiting and had supper at Hobbs. The Carters returned to Brownwood Monday.

Rudolph Martinez's report from Lubbock, where he was taking some tests, was fairly good and they were real pleased. The Doctors there do not recommend any surgery so that is good news. Mr. and Mrs. Rudolph Martinez attended the 4th of July celebration in the park at Rotan on Saturday.

Mrs. James Sherill nd Mrs. J.W. Etheredge accompanied Mr. and Mrs. Lealon Wilburn to Lubbock on Thursday. Lealon Wilburn went for some tests and the reports were all good. We hope that he will continue to improve. Mr. and Mrs.

Hustlin' Round Hobbs

By Joy Walker

Randy Etheredge and the J.W. Etheredges all visited with the Lealon Wilburns for the 4th of July.

Mrs. Opal Phillips went to the home of Mr. and Mrs. C.J. Thornton for a cook-out celebrating the 4th. All of the Phillips, Porters and Hyers were there, so they really had a big crowd.

Mr. and Mrs. Neil Hyer and family from Andrews are here visiting with Mr. and Mrs. J.D. Kincaid; they have been on vacation and will be returning home today. Paul Elem and Anne Hyer from Seminole visited on Sunday and stayed until Monday with the J.D. Kincaids. Mr.

and Mrs. Windle Kincaid visited with them all on Sunday.

Melody and Mark spent the week-end visiting with us. They came on Friday and stayed until late Sunday evening. We attended the rodeo at Stamford on Friday night, and was it stormy all the way home, and some folks got a real good rain that night. We went back early Saturday morning and watched all the Slack Calf roping and Double Mugging; sure saw lots of good roping but it was so hot and the wind blew a gale all day. Sure was dusty, but its always that way at Stamford for the

rodeo. We attended the rodeo again that night, and really enjoyed it, although the wind was still blowing; don't think it ever quit for about three nights and days. we went back to Stamford early Sunday morning and Melody rode in the Jackpot Barrel race they had there. Mark was going to rope in the Jackpot Calf Roping, but the wind was so high and it was so dusty, you could hardly see, so we came on home after the barrel race. He was going to rope late Sunday night at Fort Worth, so hope that they got there in time.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective August 1, 1983, unless otherwise determined by the Commission.

A complete copy of the new rate schedule is on file with the Texas Public Utility Commission (PUC) at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

As a result of the settlement of a lawsuit brought by the U.S. Department of Justice against AT&T, Southwestern Bell, on January 1, 1984, (or as otherwise ordered by the United States District Court) will no longer be a part of the Bell System, but will be owned by public shareholders. Under the terms of the settlement, Southwestern Bell has identified 15 areas in the state within which it may provide service, and the federal court with jurisdiction of the settlement has tentatively approved these areas, called LATAs (Local Access and Transport Area). On or about January 1, 1984, Southwestern Bell can not provide service between these LATAs, and in addition, must transfer to AT&T customer premises equipment that it leases to customers.

Southwestern Bell has filed a proposed revised rate schedule with the PUC reflecting these changes. These rates would become effective August 1, 1983, if they are not suspended by the PUC; however, it is expected that they will be suspended and that the rates ultimately set by the PUC will become effective on or about January 1, 1984. If the rates were to become effective as filed, they would produce a 48.2% increase in Southwestern Bell's unadjusted test year revenues (or a 76.36% increase in Southwestern Bell's test year revenues adjusted to reflect the effect of Southwestern Bell's divestiture from AT&T). Any change in the rates for any interLATA services offered by AT&T or a subsidiary after January 1, 1984, could affect customers of Southwestern Bell Telephone Company.

Notice to Customers of Other Telephone Companies

While Southwestern Bell has proposed no increase in rates for intraLATA interexchange toll services, any change in those rates could also affect customers of other telephone companies. Southwestern Bell is proposing changes in the structure of the present private line and foreign exchange services. Changes in these rates may affect customers of other telephone companies. Any change in the rates for any interLATA services offered by AT&T or a subsidiary after January 1, 1984, could affect customers of other telephone companies.

PUBLIC NOTICE
In compliance with Sec. 43(a) of Art. 1446c, V.A.C.S., West Texas Utilities Company hereby publishes NOTICE that it has filed, on June 10, 1983, its Statement of Intent to make changes in its retail rates charged for electricity and services sold and rendered inside and outside municipal jurisdictions, such proposed changes to be effective July 16, 1983. Such Statement of Intent includes the proposed revisions of tariffs and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Company and the classes and numbers of utility customers affected. Systemwide retail adjusted annual revenues are expected to be increased 11.4 per cent by the new rates. Statements of Intent were filed with the Public Utility Commission of Texas and with the following municipalities:

Abilene	Haskell	Quanah

Couples Income At \$456.40 Can Qualify For SSI Income

An individual or couple can have some income and still be eligible for supplemental security income (SSI) payments, Glyn Hammons, Social Security district manager in Abilene, said recently. An individual can have countable income up to \$284.30 a month, while a couple can have up to \$426.40 a month. In July, these amounts will rise to \$304.30 and \$456.40. SSI provides a basic cash income to people 65 or over, or blind, or disabled who do not have much income and who do not own much real or personal property. "If a couple has been living apart for more than

6 months," Hammons said, "each person is treated as an individual, however, if they are living together and only one member qualifies for SSI, a portion of the other person's income is treated as if it were the eligible individual's."

Ammons Gets Law Degree Thanks Friends

located at 142 S. Pioneer. The telephone number is 698-1360. Jonasue Ammons, daughter of Mr. and Mrs. Johnnie Ammons, former Fisher County residents, received her law degree from the University of Houston, passed her bar exam and is currently a practicing attorney with the George Thompson and Associates Firm in Fort Worth. "I am very proud of my accomplishment, and strongly feel that the nurturing environment of Roby is, to a large part, responsible for helping me reach this goal. In law school I had to exercise the qualities of strength, determination, sacrifice and devotion of duty, and compassion for my fellow man. I saw these very qualities time after time in the people of Roby as I was growing up. Thank God for them, my success is their success", said Jonasue Ammons.

Shipp Family Holds Annual Reunion

The Shipp family reunion was held June 26th at the Pink Building in Roby Texas. There was a real nice turn out, with several coming home from out of state. Those attending were: Haines & Heraldis Shipp from Roswell, New Mexico; John & Virginia Shipp from Arnold, Missouri; Beverly Ontiveros and Veronica Herdricks, Kristy and Missy of Bakersfield, California; Sandy Fisher of San Angelo; Patricia Svetlik, Suzette Shipp, and Leroy (Ducky) and Dorothy Walden all of Midland; Harvey Lee, Betty, Colette, Paulette and Leann Shipp all of Brownwood; Joyce, Kathy and Danny Vaughn of Sonora; Lavern Young, Penny & Monty Mokszycki of Ft. Worth;

Dan, Geanenne & Dan Ryan Shipp of Potosi; Andy, Kevin & Karla Shipp of Sweetwater; Fern Shipp, Jimmy Vaughn, Harold, Bea and Denny Shipp, Irvin and Polly Strickland and granddaughter Joy of Kent County; Lois, Herbert, and Toby Moore, Vickie and Randy Etheredge, Sarah Shipp, Charles and Biddie Shipp, Callie Shipp, Herschel, Sue, and Buffy Shipp all of Rotan; Frances Morgan, Eugene, Buelene John and David Shipp of Roby. This reunion will be held next year at the Firemans Hall in Roby on the 4th Sunday of June. All friends and relatives are cordially invited to come over and join us.

Tax Planning by Richard Rodgers, CPA

Ten-Year (Clifford) Trusts

Here's a tax saving technique that's good for those with large investment income from stocks, bonds, real estate, etc. Properly used, it can make a big dent in the tax bill of the investor's family.

By placing the investments in a ten-year (Clifford) trust, the income produced becomes taxable to the beneficiary of the trust, rather than to the original owner. After a period of more than ten years, the trust automatically dissolves and the property reverts to the original owner.

Consider this example: You support your elderly mother at a cost of \$15,000 a year. As a 50% bracket taxpayer, you must earn twice that amount in order to have \$15,000 after-tax dollars to give to your mother. Instead, suppose that you set up a ten-year trust and place in it enough stocks, bonds, etc. to produce \$17,500 of income annually. The income will be taxed to your mother at a lower bracket; she'll pay about \$2,500 in taxes and have \$15,000 left for her support. You will have moved \$17,500 of income from a high bracket taxpayer to a lower bracket, and instead of your paying \$8,750 on that income, your mother will pay only \$2,500, a savings to the family unit of \$6,250.

Should your mother die during this period, the trust automatically ends and any accumulated income is taxed to her estate. If any assets are sold by the trustee, you must report the gain or loss on your tax return.

Be aware that a reportable gift occurs when you transfer the assets to the trust.

A ten-year trust is not to be entered into inadvisedly, so professional guidance is an absolute must. But structured properly, this device can produce significant tax savings.

Roby Class 1958 Holds Reunion

The Roby graduating class of 1958 met Saturday, July 2 at the Fireman's Hall in Roby. We had a great time going over old pictures and school moments. Then we spent some time catching up on all the happenings in the last 25 years.

Those attending the reunion were: Janell Kemp Hausenfluke and her husband Billy from Eldorado; Pat & Marie Wilburn and children of Carlsbad, New Mexico; Louise Green Woodruff and son Bill of Lovington, New Mexico; Coavert Lynn & Linda Hale of Euless, Texas; Don and Linda Newhouse of Abilene; Doyle and Nancy Rasco of Busby; Betty Lou Neighbors Doan husband Joe of Snyder; Wyman and Vernell Early of Harlingen; Leon and Martha Donham, Beth and Bonnie; Jimmy and Peggy Driver all of Sweetwater; Buster, Fran and Tammie Brown of Denton; Billy Mac and Mary Moore of Huntville; Jean Armstrong Lindsey and husband Tommy of Colorado City; Jane Etheredge Branson, Julie and Jill; Jonnie Terry Hoodenpyle and Jerry; Olen D. and Sandra Dennis; Buelene Kiker Shipp, Eugene, John and David; Tommie Jack and Carole Stuart and their children Sharron, Mac, Belynda Katrina and Cary Rains; Gary, Debbie and Mikya Dickson, all of Roby.

Mrs. Louise White, our third grade homeroom teacher, was an honored

guest at the reunion. We were so proud to have her come by to visit.

Other special guests were Mrs. Richard Green of Sylvester, Mrs. B.B. Etheredge, Mrs. Coy

Stuart, and Mr. and Mrs. Garland Moore of Roby.

Everyone had a really good time and we were already discussing the next homecoming before we broke up the meeting.

Public Notice

At the request of the Office of the General Counsel of the Public Utility Commission, the Commission has established Docket No. 5113 to inquire into pressing issues involving the entire telephone industry in Texas. Docket No. 5113 will deal with many issues resulting from the impending divestiture of American Telephone and Telegraph Company and Southwestern Bell Telephone Company. Some of those issues include establishing the service areas of Southwestern Bell after divestiture and assessing the impact on other telephone companies in Texas of current settlement arrangements between Southwestern Bell and those companies. Additionally, Docket No. 5113 will deal with the issues arising from the Federal Communications Commission's

Final Order in Docket 78-72 (the Access Charge Docket) as they impact all telephone companies. It is anticipated that Docket No. 5113 will be evidentiary in nature. **RATES FOR SOUTHWESTERN BELL MAY BE DETERMINED BY THE COMMISSION IN OR AS A RESULT OF THIS PROCEEDING.** Interested parties seeking further information or desiring to participate in Docket No. 5113 are advised to write to Rhonda Colbert Ryan, Secretary and Director of Hearings, Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757 or telephone the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or 458-0227, or (512) 458-0221 TTY for the deaf.

EVEN WHEN YOU'RE AWAY...YOUR HOME KEEPS RUNNING

You may naturally expect your home to use less electricity while you're away for a week or more. The reduction may not be as great as you think, however. That's because there are many factors that can affect your usage: weather conditions, billing periods and even vacation preparation.

1. Very hot weather before you leave and after you return means increased use of air conditioning; this makes it difficult to compare your bill with a previous month of milder weather.

2. Hot weather causes your refrigerator, air conditioner, and other appliances to run longer, particularly if your home air conditioning is turned off while you are away.

3. If the time you're away falls within two billing periods, the reduction you expect will be split between two bills.

4. If you didn't turn off your electric hot water heater before you left, it continued to keep your water hot 24 hours a day, even though you weren't there.

5. And don't forget...when getting ready for a vacation, you often use more electricity than usual for cleaning, washing, drying, ironing, cooking and general preparations. The same is true about your return.

Check your meter.

If you learn to read your own meter, you can find out just how much electricity was used while you were gone. And, you'll see just how much energy you're using during the summer, the heaviest electricity consuming season, with your air conditioning operating most of the time.
