It's a woman's WHIRL

BY LAVON NIEMAN

From what Ellis Schmid tells me there have been very few Slatonites who have paid their poll taxes for 1966. Let this be a reminder to you to not let this important task slip by you before it is too late. The deadline is January 31.

This new year is going to be a year of politics, so you might as well resign yourselves to a flood of "I promises" and having your favorite program pre-empted on TV.

After watching all those bowl games on TV, we can't help but wonder just how those "stop action" and "instant replay" gimmicks are going to work for the candidates.

Just imagine the great horror of a candidate sticking his foot in his mouth and having to suffer through a replay.

POSEY NEWS

MRS. ANNA B. GENTRY

Family Has Seventh Child

I hope everyone has gotten back to normal after the holidays. I am about back in the same old routine.

I've about decided I may be wrong about an earlier prediction that we were going to experience a long hard winter, as it won't have much time to be long now, with spring months beginning in March.

BIRTHDAY PARTY
Relatives met at the home of Roland Schuette Saturday to help entertain his son, Daniel, with a birthday party. Those attending were Daniel and his wife, H. G. Schuette and three children of Slaton, Mr. and Mrs. Ed Maeker, Mr. and Mrs. Joe Moeller, and Mrs. Heddie Kelly, all of Posey, and Edward Maeker and family of Lubbock.

SEVENTH ADDITION
Mr. and Mrs. Walter Denzer are the proud parents of a new baby boy born Jan. 4. He is their seventh child. They have four girls and three boys now. Congratulations to the Denzers.

FARMERS BUSY
Farmers are very busy now chiseling their land. Then a little later they will go in and list it and get ready to start irrigating in the near future.

If it doesn't rain pretty soon, we are hoping cotton prices will be raised before another crop. If the price stays down, it will be hard for some farmers to stay in the farming profession. I believe farming is the backbone of the nation and without farmers things won't go so well.

LOCALS
Mrs. Ben Gebert had as her visitors this week her daughter, Mrs. Jimmie Martin, her husband and little daughter of Lubbock. The Earl Foresters and children and Mrs. Linda Forester of Buffalo Lakes were also guests.

Mr. and Mrs. Roy Poage are planning to leave Wednesday on a trip to Tucson, Ariz. On their way back they will stop by a few days at Ruidoso and do some skiing. We hope their trip will be a very enjoyable one.

Mr. and Mrs. Mert Gentry attended morning and night church services Sunday and a singing at the Church of God at Slaton, and then visited in the home of Mr. and Mrs. J. H. Sloan. Recent visitors in their home were Mr. and Mrs. Bert Darland of Morton, Mrs. Eunice Gentry of Slaton and her son Tom of Albuquerque, N. M., and the Sloans.

Mrs. Floyd Kitchens is continuing to improve after a very serious illness in November. She is able to be up and about.

T. A. Johnson has been on the sick list this week but managed to attend church Sunday.

Tigers At Post For 4-AA Opener Friday

Looking for this first outright district crown in recent years, the Slaton Tigers put all the cards on the table Friday night when District 4-AA action unfolded.

The Tigers travel to Post tomorrow night for the opener with the arch-rival Antelope. Tipoff for the varsity contest is 8 p.m. The girls varsity

play at 6:30 p.m.

All factors indicate a battle royale is in store for Coach Tommy Laceywell's quintet as it makes a bid for the loop championship. Post will be out to avenge a previous loss to the Tigers in the Idaho tournament. Slaton won by a narrow, 55-52, margin.

A second factor is the traditional rivalry between the two schools. The third, and probably the decisive factor, is that the two teams are rated as possible favorites to push Denver City off the district cage throne.

Slaton has an impressive, 15-1, won-loss record this season. The only defeat came at the hands of the Crosbyton Chiefs. However, the Tigers later avenged the loss on the home court.

Slaton is also fresh from a championship victory in the local tourney. The five were off Tuesday night in preparation for Friday's encounter.

A prime target of the Slaton defense will be controlling sharp-shooting Ronnie Pierce. The cager has averaged approximately 30 points per game and he scored 27 against Slaton.

Slaton also has its share of players who are capable of hitting in the double columns. Jack Mason is the team's leading scorer. Others expected to be among the starting quintet are Victor Cristan, John Henry Johnson, Orrin Smith and Richard Washington.

Mason, Smith and Johnson are the team's leading rebounders while Cristan is a defensive specialist and the playmaker. Reserve strength can be expected from sophomore Doyle Etheridge.

Going into play Friday, Coach Gay Ivey's girls have an 8-3 record. Play resumes in Slaton at 6:30 Tuesday night when the Morton Indians invade the home gym for two boys games.

Teachers will be employed on a local basis. Teachers must have two or more years of college, and teaching positions will not be limited to Slaton faculty members. Applications are being accepted by Dr. Vardy now.

Dr. Vardy said a unique feature of the program is that the student is able to make progress at his own rate.

The program has been started in several major Texas cities. "In every case the demand has exceeded all expectations," Dr. Vardy said.

In December, the Slaton school board authorized the school to apply for the funds which were appropriated under the Economic Opportunity Act. However, the funds are administered by the state.

MRS. TOMMIE WILKE

Southland Cagers Hit 100

Hello to each of you. Another week has gone by, and let me tell you this, it was a very hectic week for me. I just hope this one is going to be a lot better, and I am sure that it will be. I have kinda been on the puny list, and when we don't feel well, things just don't look very bright, do they?

Mr. and Mrs. Tom Buchanan from Canyon ate dinner with Mr. and Mrs. Jack Hargrove recently. I haven't seen Tom and Ann in a year and I would like to have seen them. As you will remember, Tom was our coach here for a couple of years and we liked him very much.

Mr. and Mrs. J. L. Gary from Lubbock visited with Mr. and Mrs. Jack Hargrove recently.

Mr. and Mrs. Edmund Stolle from Corpus Christi visited in this community from Monday until Wednesday of last week. They visited relatives here and at Wilson and they took Mrs. Stolle's parents, Mr. and Mrs. Fred Steinhauser of Wilson, back to Corpus with them for a visit.

Mrs. Pauline Stewart fell a week ago last Sunday and broke her left arm. She was leaving her house for church and was walking across her yard when she fell. We wish her a speedy recovery.

Mr. and Mrs. Arno Albrecht from Corpus Christi visited with Mr. and Mrs. Leo Stolle recently. Also visiting the Stollers were Mr. and Mrs. Winifred Hallman and children from Lubbock and Mrs. Kendall Holcomb and baby from Odessa. Mrs. Kendall (Charlotte) is the daughter of Mr. and Mrs. Hallman.

Mrs. Arthur Stolle underwent major surgery at Mercy Hospital in Lubbock.

pital in Slaton Saturday morning. May God grant her a speedy recovery.

We would like to extend our deepest sympathies to Mr. and Mrs. Carl Wartes and family. Carl's mother died and was buried Sunday.

CALIFORNIA VISITORS
Cpl. and Mrs. James Dupleschain and twin sons from Camp Pendleton, Calif. visited with Mrs. Nellie Mathis on Thursday of last week. Mrs. Dupleschain is the niece of Mrs. Mathis. They spent the night in Slaton Wednesday with Mr. and Mrs. Walter Kellum and then came to Southland Thursday.

We would like to extend our sincere sympathies to Mrs. Lena Lieske and her family. Mrs. Lieske's sister, Mrs. Anderson of San Angelo, passed away Saturday and her funeral was held here at the Southland cemetery Monday.

Mr. and Mrs. Cecil Cummings from Buchanan Lake visited with Mr. and Mrs. Ed Cummings last week. Cecil used to be a barber at Post and then they retired and moved to Lake Buchanan. They just love it down there. They said the fishing was real good right now. So how's about it ---let's all get our fishing poles out of moth balls and go on down to Lake Buchanan and do a little fishing? Wouldn't that be nice?

Speaking of fishing, I talked to Mr. and Mrs. Clark Barton this afternoon and they were talking about going fishing pretty soon. At least they were wanting to go, and goodness sakes, I hope that they get to. Wish I could go with them!

MYERS IMPROVED
Mrs. Lucille Myers called me this morning and it was so good to talk to her once again. She has more or less been out of circulation around here since Ned had his terrible truck accident. She said he is getting along pretty good now, but still has a long way to go. He went to church here Sunday. Their

plans now are that Ned and family will move to Southland to live while Ned is recuperating.

Mr. and Mrs. Jack Myers had all their family home with them Sunday. Also visiting with the Myers was Mr. and Mrs. Alex Fry from Spur.

BRIDAL LUNCHEON
Mrs. Irby Boyd, Mrs. Ronnie Ragland and Mrs. Jack Myers honored Mrs. Sharon Ragland with a bridal luncheon on Saturday at Youngblood's at Lubbock. Twenty-one guests attended.

Mr. and Mrs. Dee Hodge went to Anson Sunday to visit with Carolyn Sue's father, Tom Kasinger.

Mrs. Herbert Dunn and Daynee, Mrs. Earl Lancaster, Mrs. Jack Hargrove and Mrs. Weldon Callaway attended a bridal shower Saturday night for Miss Wanza Windham, bride-elect of Robert Mock. Later in the evening they went to Post to visit Mr. and Mrs. Hub Haire and see their new home.

Mr. and Mrs. Jack Hargrove and Joe Nell went to Crosbyton Tuesday to visit with Mrs. Lillie Hargrove, Mr. and Mrs. Leslie Hargrove and family, and Mr. and Mrs. Joe Hargrove.

Joe Nell Hargrove left Sunday for his home in Los Angeles, Calif. I know that Jack and Jean are sure going to miss him. He had been here for three weeks.

Mr. and Mrs. Bill Pendergrass and family from Brownfield visited with Pastor and Mrs. Tommy Wilson and daughter Sunday and attended services at the Methodist Church. After leaving here, the Pendergrasses went to Lubbock to attend a birthday party for their granddaughter.

The Southland Methodist Church reported a very good attendance Sunday.

Mr. and Mrs. Winston Lester and children will be moving from this community to their new home Friday of this week. Miss Dahlonna Winterrowd was at home for the weekend visiting with her parents, Mr. and Mrs. Paul Winterrowd. Dahlonna is a freshman at South Plains College at Levelland.

SCORE 100
Say, have you heard about that fantastic score our high school boys made in their basketball game with New Deal Friday night? They made 100 points! How about that? I didn't get to go to the game, but Edmund, Sherri and Darrell came home cloud nine! It has been a long time since this school has made a score like that. Several boys got banged up a bit! David Dabbs had to have four stitches over one eye and I think there were a few scraped knees and sore ribs. The girls didn't do quite as good, they lost their game.

Services Held For White, 76

Final rites were held at 3 p. m. Saturday for Alvin O. White, 76, who died Friday afternoon in Mercy Hospital after a long illness.

Counselor's Corner

Since a new semester is about here it might be well to take a look at what you have accomplished the first half of this school year. If you have maintained a consistent grade average and have passed your work as you wanted to then "hats off" to you.
 Many have claimed they want to accomplish more and wonder how they can eliminate getting behind. My only response to this is that if your work on a daily basis and set your sights on what you want to do, then work for it. You will find that you will have learned to work for it. You will find that you will have learned to work for it.
 School work is a daily process and if you do not have any assignments for a particular evening look over your notes or work that you have previously done. This gives your mind a refreshing receiver and the element of retention will increase.
 One thing that so many are weak in, apparently, is taking good notes. Actually in taking notes, you should start doing so, this will give you a good bird's eye view of what your teacher is saying. This will help you recall main ideas, and then relationships to the subject. You need not take every word down-just key names, and ideas.
 Review your notes daily and if need be, re-write your notes, many times you write fast and you forget what you put down. Look up words that you have misspelled and also phrases that are not clear--look these up in your text or ask your teacher about them. In taking notes use your own words whenever possible.
 Put your notes to one side of your notebook sheet whenever possible. Leave the other side for comments or questions that you may later have.
 Remember only jot down any phrases then go to your text and study from your notes. Don't cram or try to do your studying just the night before an examination.
 Since a new semester is beginning let yourself in for the best of this world--a good sound, education--which can be yours with just a little effort on your part.

Dear Uncle Larry,
 I am a Freshman and I have been very happy at SHS. Last week, a senior offered to sell me the school building for 75¢. I know I can trust this person because my friends and I have been paying him rent for our lockers.

Dear Trustful,
 Don't do it! I know a 5th grader who will swap West Ward for 5¢ and a licorice stick. (By the way, I can let you have an elevator pass for a 20 percent discount.)

Dear Uncle Larry,
 I was told that Mr. Powley chops up seniors who are "lagging" and feeds them to his piranha. Is this true?

Dear Afraid,
 This is preposterous. Actually, Mr. Carnes dissolves them in acid.

Dear Uncle Larry,
 I have been in band for 3 weeks now and I would like an afterschool job playing in a good band like the "Majestics". What do you think of this?

Dear Talented,
 I don't think that there is an opening with the Beatles but I hear that the "Majestics" Mr. Robertson's biology tests. Mr. Jackson was going to stop yelling "hey!" but it would have upset his vocabulary.

Area Residents' Relative Dies

Funeral services for Mrs. J. P. Anderson, 84, longtime resident of San Angelo, were held Monday at 2 p.m. at the funeral home of Johnson's Funeral Home of San Angelo.

Mrs. Anderson died at St. John's Hospital in San Angelo at 9:30 p.m. Saturday. She was the widow of the late J. P. Anderson, well known San Angelo realtor and ranchman, who died in 1933.

Mrs. Anderson is survived by four brothers, including C. D. Stewart of Slaton; two sisters, including Mrs. Lena Lieske of Southland; a nephew, August Lieske of Southland; and three nieces of Slaton: Mrs. J. E. Buchanan, Arthur Stolle, and Bob Camden. She is also survived by other nieces and nephews.

Ministerial Alliance to pass an ordinance prohibiting Sunday funerals was rejected. The action came after a letter signed by three Slaton churches opposed the proposed ordinance. Two of the ministers—the Rev. Linam Prentice, Trinity Evangelical Methodist Church, and the Rev. H. E. Summar, Bible Baptist Church, appeared before the council. The letter was also signed by the minister and members of the Church of God.

The ministers said that each church should take care of its own situation. "We could advocate not conducting Sunday funerals in our own church," T. J. Wallace was reappointed to the Public Housing Board. Harold Tucker was appointed to the board to fill the expired term of H. E. Anderson.

Henry Bollinger appeared before the commission with a petition signed by 13 citizens protesting "a sore eye to the city." The property owners said they opposed a wrecking yard at 545 W. Scurry, owned by Blanton Payne.

Fire Chief Don Kendrick briefly discussed improvements at the fire station. The commission authorized the city to look into the needs and cost of needed repairs to the city-owned building.

Bennett Reeves, city engineer, said plans for the water and sewer improvements were ready. However, he explained to the council that there is a possibility of getting 50 percent of the project financed by federal funds.

The project is expected to cost \$130,000. The commission agreed to wait and see if Slaton is eligible for the grant.

The commission also authorized Reeves to look into the cost of excavating the E. Division lake.

A spot sign was approved on 7th street at Garza on a request by Commissioner Smith.

empty, they must register at an authorized poll tax paying place.

Persons 60 or older may also receive an exemption. To obtain the exemption from the \$1.75 poll tax, the persons must have reached age 60 before January of last year.

The Democratic Executive Committee of Texas has issued a political calendar and a digest of the election code. Among the dates issued are: Jan. 31--The last day for obtaining poll tax for use in 1966.

February --Commissioners' court appoints precinct election judges and alternates.

Feb. 7 -- Last day for candidates to apply to have names placed on the primary ballots.

Feb. 10 -- Last day for state chairman to file with secretary of state, and each county chairman with the county clerk of the county with a list of names of all candidates whose applications were filed before deadline.

Feb. 19--Last day for candidates to pay assessments to the county chairman.

March 7 -- Deadline to file application for place on primary ballot where there is not candidate for nomination due to death of one who had filed.

March 10--Deadline for tax collector to make statement to county clerks showing how many poll tax receipts have been issued and to whom.

March 21--Drawing for the order in which officers and names of candidates for all offices will be printed on the ballot.

March 31--Last day for tax collectors to prepare certified lists of qualified voters.

BANKER--

(Continued from Page 1)

These are the stories that audiences love. And these are the stories that bring laughs at gatherings of Women in Construction, PTA, Rotary, Lions, Jaycees, Tax Assessors-Collectors, Automobile Association, Women's Business, Bankers Association and Institutes, Kiwanis, Mothers Club, Export-Import, Church groups, Father-and-Son, and on and on.

"The vice president of Grand Prairie State Bank completed high school in Mineral Wells and after going to Allen Academy in Bryan, Texas, Tech in Lubbock. There he played football under Pete Cawthorn, making a Cotton Bowl appearance in 1939. He is a graduate of the Southwestern Graduate School of Banking, SMU, and served as president of Class III.

"He is a past president of the Grand Prairie Rotary Club; a Thirty-Second Degree Mason; a six-year member of the Grand Prairie Independent School Board. He has been chairman of the United Fund Drive, worked with Boy Scout Circle 10 Council, the Grand Prairie Chamber of Commerce, and served on the local equalization board.

"His speeches to banking organizations include those to American Institute of Banking, National Association of Auditor and Control, Texas Bankers Association Conference, Panhandle Bankers and Oklahoma Bankers Conference.

"In October 1962 he was invited by the Colorado Bankers Association to speak to their eight district meetings over a 12-day period.

Political Ads

For candidates announcing for public office in the 1966 political elections, the following charges will be made by The Slatonite for editorial treatment of the announcements:

A charge of \$30 will be made for precinct, county, district or state offices. This will cover one formal announcement story with a picture of the candidate. In addition the candidate's name will be carried each week in The Slatonite's "political calendar" until the May 7 first primary.

Harley Castleberry, Tommy Davis, Jay Gray, Cecil Griffin, Dick Hartman, Leroy Holt, Jim Hughes, David Hughes, M. H. Lasater, D. B. Kiser, Don Kendrick, Carroll McDonald, Bill Smith, Steve Smith, Travis Taylor, Ed Williams.

Terms of Banks, Gray, Hartman, Hughes, and Kendrick expire this year.

Feasting with Herring to give the Slaton banquet audience a double treat of entertainment will be Lamesa's "Ambassadors of Good Will"--the Slumtown Symfunny.

Another banker will be in the spotlight with this group, since bandleader Richard Crawley is president of the First National Bank of Lamesa. The accent will be on "fun" rather than finance, however, when the two bankers step into their second jobs.

Also included in the Slumtown band is a former Slaton man, Bill Butler. The Lamesa band, which started as a small combo for the Lions Club, has grown in numbers and popularity over West Texas. The group represented Texas Lions at the Lions International Convention in Los Angeles last year.

Junior Stock Show Planning

Announcing plans for the annual Slaton Junior Livestock Show, vocational ag teachers Don Mitchell and Ed Gilliam appeared on the program for the Slaton Lions Club Tuesday.

Mitchell said plans were well underway for the show, including solicitations for sponsors of the annual event. The show is set for Feb. 19. He expressed appreciation to Slaton merchants for their participation in conducting the show.

He also praised the program for teaching boys "responsibility" while raising and attending to their show projects. Gilliam explained briefly the goals of the vocational ag program at Slaton High.

Club President Jim Benton III presided over the meeting. During a business session, the Lions voted to contribute \$20 to the stock show, \$10 to the March of Dimes drive, and \$25 to sponsor a Cub Scout den.

Community Clubhouse.

The big question might be "where do we go from here?" Johnson said as he explained the drastically different cotton program scheduled for 1966.

Discussing the possible effect of the program on farmers and the business community, Johnson said cotton officials predict there will be 20 to 25 percent fewer bales ginned in the area this year due to the payments for reduced planting.

He also said the program might be felt more in the business community, since a government check does not generate the wealth that production of a bale does. He thinks the majority of farmers believe it will be to their advantage to reduce planting by the full 35 percent.

Johnson said it was "urgent" that the area increases its sales on the domestic market. There is a need to "tailor" the production for mill needs, he added.

"Maybe in the future we will have a choice...there is no real choice now on whether to participate in the program or not," he stated.

Johnson was introduced by program chairman Bentley Page. Each Rotarian introduced his former guest or guests.

ROOSEVELT NEWS

MRS. DORIS THOMAS

4-H's Place At Odessa

Hasn't it been nice and quiet around the house this week now that the children have gotten back to school? However, the basketball games are just about as bad, as far as keeping things ready to be on the go at a moment's notice.

Four of the five 4H club members at Roosevelt placed in the Sandhill Hereford and Quarter Horse Show in Odessa last week.

Bobby Rush placed 3rd with his steer, Flipper; 4th, with Israel; 6th with Tom B; 7th with Jeep. Max Thomas placed 15th with his steer, Jay; Pam Mims placed 18th with Patches; Brady Mims placed 25th with Joe Boy. Phyllis Thomas didn't place with her steer, Salty.

I understand in this show, just placing means that you have one of the best animals in the State of Texas in the division that you show in.

Our teams didn't do too well this past week in their games. The girls did win their game Friday night but it was by the skin of my chinny-chin-chin.

The Jr. Hi teams lost out on Friday in the Rallstournament.

There is to be a Jr Hi tournament at Roosevelt this week end and we sure hope that our teams come out on top this time. May I say thanks to those who called in your news this week. I will be listening for the phone to ring more next week.

Mrs. Vic Rallsback has been to Brownfield to visit her sister, Mrs. Bessie Saunders. She also visited in Ropes with Mrs. Sid Price.

Mrs. Burl Rallsback has been in Sweetwater visiting with her sister, Mrs. Velma Roberts. She also visited with an aunt, Sarah Breeden, who is in a nursing home there.

Mrs. J. B. Meadow is out of the hospital and is feeling pretty good again.

Mrs. Bertsey Bilberry's father is in the hospital, very ill.
