## ANSWERLINE

**Q.** What is Coach Tom Ramsey's record as head of the Colorado City Wolves?

**A.** Coach Tom Ramsey has accumulated a record of 73-48-3 in 12 seasons as head coach of the Colorado City Wolves to boost the coach's overall record to 95-58-4.

## BRIEFLY

### Fair Booth Rentals

Booth Rentals for the Mitchell County Fair which will be held on September 26, 27 and 28th can be made by calling the Chamber of Commerce at 728-3403.

### Rotary Dove Hunt

The Rotary Club of Colorado City will sponsor a dove hunt which will begin at 1 p.m. on Saturday, September 14.

Registration will be held at the Fort Wood Cafe with a cost for participation of \$25 per gun. (See coupon page 2).

For more information, contact club president Lynn Hargrove at 728-3722 (day) or 728-2018 (night), or any other Rotary Club member for details.

### Band Boosters to meet

The Colorado High School Band Boosters will meet at 5:30 p.m. on Wednesday, September 4 in the high school cafeteria.

The election of new officers will be held at the meeting. All parents of band members are urged to attend.

### Basketball Tournament

A women's basketball tournament will be sponsored by the Westbrook senior class and cheerleaders from 5-9 p.m. on Saturday, September 21, at the high school gym in Westbrook.

Cost for the tournament is \$75 per team.

For more information, contact Gayla Stone at 644-5271.

### Loraine PTO to meet

The Loraine Parent and Teacher Organization will meet at 7 p.m. on Thursday, September 5, in the school cafeteria to discuss our projects for the coming year.

Please come and share your ideas and help PTO have an even better year. Let's get involved and support our students, teachers and school!

### Post 9178 meeting

The Veterans of Foreign Wars Post 9178 and the Ladies Auxiliary will have a special joint meeting at 7 p.m. on Thursday, September 5.

The purpose will be to prepare for the special program with visitors of District 8, who will be attending the regular meeting on September 12.

### Loraine Band Boosters

The Loraine Band Booster Club will meet at 7 p.m. on Monday, September 9.

## Commissioners hear presentations

Commissioners' heard presentations on bullet-proof vests, walkie-talkies and pagers; discussed the investment of county funds and approved the payroll period at Tuesday's called meeting of the Mitchell County Court.

Sheriff Patrick Toombs presented representatives of Sam's Wholesale Club and Motorola radio systems at the meeting to discuss items which the department is considering purchasing in the near future.

Gregory Marrufo, Sam's

Wholesale representative of Abilene, brought samples of four types of law enforcement vests which can be purchased at the wholesale club.

The vests were made by US Armor of kelvar and represented different ballistic capabilities.

Prices on the vests ranged from \$199 for the basic 'The Enforcer,' which offers front and back coverage from the most common hand-guns, to \$349.

The more expensive model offered a higher ballistic rating -

meeting requirements of a 9 mm handgun - and more complete side panel coverage.

Marrufo said that hundreds of officers had been saved by using personal body armor.

Chris Howard, Motorola representative from Abilene, told commissioners' that he had been working with the Sheriff to make a long-range plan to update the radio systems used by the department.

The portable walkie-talkies that were presented to the court for consideration were Motorola type

MT1000 and cost \$779 or approximately \$100 more with an added pager option.

Howard said that these units are identical to those used by the Department of Public Safety officers.

Also discussed were pagers, which cost \$329 for a unit and charger.

County treasurer Ann Hallmark told commissioners' of an investment system called Tex-Pool that is operated by the Texas State

Treasury which might offer an alternative to the current investment system used by the county and create more of an investment on their funds.

She also presented the payroll in the amount of \$46,017.75 for the period of August 17-30 for approval.

In attendance at the called meeting were County Judge Ray Mayo and Commissioners Buddy Hertenberger, Ed Roach, Carl Guelker and Bill Preston.

## Wolves football season starts Friday

**COLORADO CITY WOLVES:** The Colorado High School varsity will be represented by, top row, left to right, Coach Chuck Claxton, Frank Briseno, Mike Dossey, James Franco, Bryan Ritchey, Shane Anderson, Ashley Walthall; third row, Mark Monroe, Joe Luera, Billy Joe Robinette, Johnny Martinez, Robert Sadler, Gene Rogers, Sonny Diaz, Jessie Gonzalez, Justin Sullivan, Coach Rick Robinson; second row, Head Coach Tom Ramsey, Chris Williams, Tracy Lentz, Jamie Rivera, Kevin Green, Mark Smith, Jeff Potter, Coach Jerold Epperson; front row, Kelly Ramsey, Doug Conner, Cade Proctor, David Castillo, Brandon Oden, Greg Parker and Coty Strain.

"We'll be ready for Ballinger," Coach Tom Ramsey said of the Colorado City Wolves after Friday night's scrimmage with Coahoma.

The Coahoma Bulldogs, of District 6-2A, varsity outscored both of Colorado City's units in controlled scrimmage action held last Friday night at Wolf Stadium in Colorado City.

The Wolves first and second teams were both outscored by identical scores of 0-1 in the controlled situation.

The Colorado City junior varsity was outscored 1-2 in their scrimmage which was also held Friday.

"The play was a little inconsistent and lacked the level of aggressiveness that will be required during the season," Ramsey said.

"We played better - at a higher level - in the other controlled scrimmage against Winters," he noted, "but the team is on schedule and will be ready to face Ballinger."

The Wolves took possession first and marched down the field - in

part due to two breakaway runs down the sideline by senior Kevin Green - but the attack was ended with a drive stopping fumble.

Coahoma used a trap play to free running-back Shannon Smithie for an endzone scampering run during their first-stringers set of possessions.

The Wolves Johnny Martinez scored Colorado City's only quarterback sack in the scrimmage after the defensive line pushed Coahoma's quarterback, Grider Gordon, out of the pocket.

David Castillo also stood out in the Friday night action. The free-safety blocked a pass out of bounds - nearly making an interception - as the receiver took him deep down the left side of the field. On the very next play, Castillo made an interception on the same play being run down the right side of the field.

The second-string defensive unit also had a two play series that worked as the coaches always hope

See WOLVES, page 2

## Mitchell County Fair plans underway; ride tickets on sale

Preparations have been announced for the upcoming annual Mitchell County Fair which will be held September 26-28 in Colorado City.

The fair will be open from 6-10 p.m. on Thursday, September 26 and Friday, September 27 and from 10 a.m. until 10 p.m. on Saturday, September 28.

E & B Amusement will again be providing carnival entertainment for the fair.

Half-price ride tickets are available at the Chamber of Commerce office, 157 West Second Street, until Tuesday, September 24.

Tickets bought at the fair will cost \$1.20 each, but may be purchased at the Chamber for 60

cents or a book of 10 for \$6.00 during the special offer period.

The Chamber hours are Monday thru Friday, from 9 a.m. until 5 p.m.

The fair will be held at the county agriculture barns just west of downtown Colorado City on Highway 80.

Rosemary Davila urges all residents of Mitchell County to begin planning now for exhibits to be entered in the County Fair.

A complete list of categories and rules may be obtained from the Chamber office, Davila said.

Exhibits for judging are open only to Mitchell County residents and will be received between the hours of 7:30-noon and 1-6 p.m. on Thursday, September 26.

Booths for the Mitchell County Fair are available on a first come, first served, basis.

A fee of \$35 will be charged for an 8X8 booth and a \$57 fee for a 8X16 booth.

See FAIR, page 2

## Medicaid funding discussed

A contract dealing the medicaid funding for Valley Fair Lodge and a discussion on a security system for the Lodge, as well as an executive session was held at Tuesday's called meeting of the Mitchell County Hospital District.

Marsha Rickard, administrator of the Valley Fair Lodge, met with board members to present a revised nursing home contract to be entered into with the Texas Department of Human Services (TDH).

She noted that the contract was a new requirement for the nursing home which has risen out of new regulations.

The board designated chairman Marion Bassham and secretary Junior Smith to be representatives of the Hospital District to negotiate terms and conditions of the contract with the TDH.

It was noted that the contract must be sent to TDH and returned to the nursing home before September 12 in order to keep medicaid funding operating smoothly.

Rickard also told board members that she was beginning to check

See MEDICAID, page 2

**READY TO COOK:** Robert Bracy looks over the pit to be used Friday evening for the Kiwanis barbecue. The event will be hosted from 5-7:30 p.m. at the Kiwanis Barber Park before the Colorado City Wolves clash with the Ballinger Bearcats in the football season opener.

## Kiwanis barbecue Friday

A barbecue has been scheduled for 5-7:30 p.m. on Friday, September 6 by the Colorado City Kiwanis Club.

The event will serve as a pre-event gala as people turn their

attention to football.

The Colorado City Wolves will take on Ballinger to begin the 1991 football campaign at 8 p.m.

The Kiwanis Club will cook

See BARBECUE, page 2

## Reunion held

The Second Christian Family Reunion was held in Loraine Texas on August 31 and September 1, 1991 at the Senior Citizen Center.

There were 103 family members to attend. Some traveled a long distance. They came from:

Realto, CA; Dover, Ohio; Cleveland, Ohio; Indianapolis, IN; Long Beach, CA; Los Angeles, CA; San Antonio, TX; Sweetwater, Odessa, Ft. Worth, Borger, Amarillo, Andrews, Dallas, Abilene, Rosebud, Temple, Houston, and San Angelo, Texas.

The Family Reunion was hosted by Willie Rose and her family.

Stadium next Friday night at 8 p.m. to face Ballinger in a non-district clash which will mark the beginning of the 1991 football season.

## Open house planned at Wallace Center

"YOU CAN" is a special project of the Wallace Community Education Center.

Open House for Fall Registration will be held Monday night, September 9, 1991, from 6:00-8:00 p.m. This is for anyone who is interested in attending classes for GED, Basic Adult Education or English Second Language. This will give you an opportunity to meet and visit with the instructors and learn more about the classes. The program is for persons 17 and over. Daytime classes will be scheduled at a later time if enough students register. All classes are free and are held on an on-going basis in Room 7 at Wallace Center each Monday night from 6:00-10:00 p.m. Registration may be made at any time during the year. Instructors are Bob Reily, Orphie Conner and Diana Castro. Daytime instructor will be Jane Horton.

Many people living in Mitchell County dropped out of school in years past and now discover that they are shut out of better jobs and make less money than the High School Graduates. The GED can be a stepping stone to a better job, a better education, and the feeling of accomplishment that comes with a diploma. In competition for jobs, better educated persons are hired first. Employers are urged to sponsor their employees and encourage them to sign up for the GED and other educational opportunities offered at the Wallace Community Education Center.

There are no specific requirements as to how long you study each night, or even how often you come. Every subject is individualized and adapted to your needs. You can prepare for your tests as rapidly as you desire or take whatever time is necessary. It is up to you but remember "YOU CAN" do it. Why not start now?

For further information, call Wallace Community Education Center 728-2392.

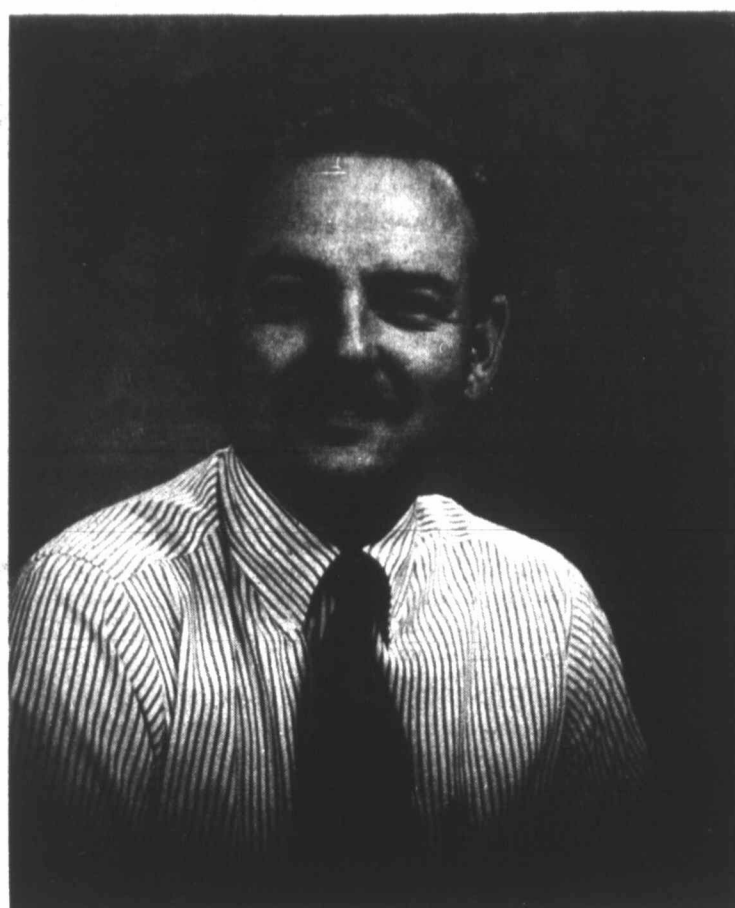

## MEDICAID

FROM PAGE 1

into security/monitoring systems which can be used for the patients safety.

The board also met in executive session with Dr. Dee Roach, but took no action during the open session.

Board chairman Marion Basham and directors Kay McCarley, Jr., Virgil Stone, Sybil Stevens, Jay Craddock and Gene Parker were in attendance at the called meeting. Junior Smith was absent.

**DOCTOR HONORED:** Dr. Dee Roach will be honored as the 'Physician of the Year' by the Loraine Nursing Home at a come-and-go reception from 1:30-2:30 p.m. on Sunday, September 8, at the C.C. Thompson Room in Colorado City. The public is invited to attend the reception, honoring Dr. Roach for his dedicated service to the community and the surrounding area, which will be hosted by the staff and residents of the Loraine Nursing home.

Accredited by the American College of Radiology

## BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

Monday, September 16th  
Mitchell County Hospital  
1543 Chestnut  
Colorado City, Texas

A Service of  
Transamerican Diagnostic Services  
(Providing Mammography Services for over 5 years)

CALL 728-3431 FOR APPOINTMENT

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97 percent five year survival rate and a 90 percent 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

## Guidelines For Screening Mammography Established by the American Cancer Society.

- I. 35-40 years of age - One baseline mammogram.
- II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
- III. 50 years of age and over - Annual physical examination and annual mammogram.
- IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$65.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

## LETTER TO THE EDITOR

Dear Editor:

Concerning the proof of insurance before renewing inspection stickers, car tags and drivers license. Suppose an individual does not own a car but wants to keep their drivers license current, for job requirements or any number of reasons they wouldn't want their license to expire. What then? No car-no insurance-no license?

Also a word of warning from one who learned the hard way. Don't ever cancel your car insurance. My car was broke down and had been for months. Due to financial embarrassment I was unable to have it repaired. When the insurance renewal was due, I dropped my insurance. I couldn't see or afford to pay insurance on a car that was just sitting in my yard looking sad. Several months later

as a birthday gift a dear friend had it repaired for me. I went to get the insurance started again and because I hadn't had insurance on it for the past few months, I was placed in the high risk pool. Where it should cost me \$120 every six months it now cost me \$240 every six months. I have a perfect driving record, took defensive driving (work requirement) and have never in all the years I've paid on car insurance collected on it, but because I cancelled I am placed in the same group of individuals such as teenagers, (I'm 40+) reckless drivers, speeders, etc. The only reason the insurance company could give me was that's just their "policy". I was assured that each year that I did not have any violations I would be bumped up a peg until I arrived to the status

where I in actuality am now, my premiums would cost less. That's a drastic penalty for not having any insurance on a car that won't run.

I'm all for car insurance, but the insurance companies make lawbreakers out of otherwise law abiding citizens by making it financially impossible for them to pay for it. I truly believe they take advantage of the fact that we are

required by law to have insurance and milk us for all they can and pass it off as "policy".

So a word from the wise. If you only own one car and it's a piece of junk sitting in your yard, unable to be driven, don't try to save up to get it repaired, just make sure you keep the insurance up on it. I wish I had. Thanks for letting me sound off.

Sue Thurman

**NEW DOCTOR:** Dr. Allen Anderson, an Ear, Nose and Throat specialist from San Angelo, began a once-a-month practise at Mitchell County Hospital on Tuesday. He is shown examining an x-ray during the course of his first day on the job at the local hospital.

# CHIEF LONE WOLF

It would be difficult to imagine any man who had more impact on Colorado City than Dr. P.C. Coleman. Many of his accomplishments are a matter of record.

But, to really know Dr. Coleman, the man, we're indebted to his granddaughter, Mrs. Eleanor Wheeler, who so graciously recalled some of her favorite stories about the pioneer physician.

She says he was a good businessman, but "very tight" with his money. "He didn't believe in splurging," is the way Mrs. Wheeler put it. A case in point; "Because he was a physician for the Texas and Pacific Railroad, he got to ride trains free, unless he wanted a pullman," Mrs. Wheeler recalls. (On a trip from Dallas to Colorado City, the pullman would have cost Dr. Coleman \$3).

"So he always rode in the chair car so he could ride for nothing. And granddad didn't believe in tipping either," she adds.

Dr. Coleman had a good sense of humor.

"He was a lover of horses," Mrs. Wheeler relates. "And he had a horse named 'Tom'. Granddad told me I couldn't ride him, but one time I did anyway."

Later, when the two of them were behind the house looking at the corral, Eleanor asked her grandfather if she might ride of 'Tom.

"It seems to me you already have," he replied dryly.

During World War I Dr. Coleman was a great supporter of the War Bond program. In fact, he won a ride in an airplane for buying so many war bonds.

"He wouldn't get in it" (the plane), Mrs. Wheeler says. She was about 12 years old at the time. "So he let me take the ride instead."

In our first installment we wrote that Dr. Coleman is credited with delivering between 2,000 and 5,000 babies. A typical situation occurred when the Coleman's took a vacation to Hawaii. Little Eleanor went along with her grandparents.

"When the boat docked," she recalls, "we had a tremendous welcome. We thought it was for the whole boat. The editor of the newspaper met us and personally gave us a welcome."

"When I saw your name on the boat's manifest," he told Dr. Coleman, "I wanted to come down and specially greet you. You brought me into this world."

Like most men who give so much to their communities, Dr. Coleman was blessed with a wife who also dedicated herself to Colorado City.

Lucy Ham, a dark haired, blue eyed beauty from East Texas, had come to the frontier town during the summer of 1884 to visit friends. When she boarded the train in the fall to go back to Tyler, she and P.C. Coleman were close friends.

They were married in Tyler on April 21, 1885. Settling down in Colorado City, she helped organize the towns first kindergarten. She also became the first president of Colorado's oldest study club, the Standard.

Her recollections of Colorado in the 1880's were that of the quintessential booming cattletown. Saloons were lighted by oil lamps, pianos could be heard by passers-by and oil burning street lights flickered above the dirt streets.

P.C. and Lucy Coleman were married 47 years and were the parents of three children. For 49 years Dr. Coleman was a driving force in the civic, religious and educational development of Colorado City and West Texas.

The cities' first citizen was stricken with cancer and after a lingering illness, died on October 24, 1932 at the age of 79. He had just returned to Colorado City, from Baylor Hospital in Dallas, where he had been treated for several weeks.

On the day of his funeral, all stores, shops, offices and public schools were closed during the services. Rites were held in the First Presbyterian Church where the pastor, the Reverend W.M. Elliott, paid tribute to Dr. Coleman by saying "a great Oak has fallen."

Dr. Coleman was also eulogized by Dr. T.S. Clyce, President of Austin College, ("Dr. Coleman was a mountain peak among his fellows") and by Dr. J.M. Gordon of Texas Tech ("One of the state's greatest leaders has fallen").

The legendary leader was buried in the I.O.O.F. Cemetery, now a section of the Colorado City cemetery. His beloved Lucy died June 11, 1945 at the age of 90. She lies next to him.

A picture of Dr. Coleman is prominently displayed in Colorado City's "Heart of West Texas" museum. Which is only fitting.

The building was formerly the Coleman home.

## BIRTHS

Henry and Donnelle Sosa of Colorado City would like to announce the birth of their son, Henry S. Sosa, Jr. He was born August 28, 1991 at 8:15 am. He weighed 6 lbs. 14 oz. and was 18 inches long.

## Public Notice

On June 28, 1991, Southwestern Bell Telephone Company (Southwestern Bell) filed an application with the Public Utility Commission of Texas (Commission) to add a new optional service offering for business Private Branch Exchange (PBX) Trunk customers called Digital Loop Service. The application has been assigned Docket No. 10461.

Digital Loop Service provides digital transmission of circuit switched voice and data communications between the customer's premises and the central office. This service allows the customer to use a 1.544 Mbps facility capable of delivering up to 24 line terminations. Southwestern Bell will provide Digital Loop Service within the customer's serving central office where facilities are available.

If approved by the Commission, the rates for the Digital Loop Service facilities will be \$445 per month for each digital transmission loop arrangement which provides a capacity of up to 24 line terminations, plus \$3 per month for each line termination and \$9 per month for each channel termination. The proposed rate for the unlimited use of the central office varies from \$12.25 up to \$18.90 per month for each line termination depending on the rate group classification, determined by the customer's location. Southwestern Bell estimates revenue of \$2.1 million from this offering during the first year.

As proposed by Southwestern Bell, customers who currently receive digital loop compatibility through facilities installed under a special construction agreement will have the option to receive their current digital loop arrangements pursuant to the Digital Loop Service Tariff or continue to pay their current charges until they make a change of location or account. Any increase in the number of line terminations to a customer's current digital transmission loop arrangement will be provided pursuant to the proposed Digital Loop Service Tariff; however, the customer will continue to have the option of paying current charges for the existing digital transmission loop capacity. Southwestern Bell's proposal to "grandfather" existing digital loop facility arrangements is subject to review and approval by the Commission.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible, but not later than October 15, 1991. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. The telecommunications device for the deaf (TDD) number is (512) 458-0221.

## LORAIN INDEPENDENT SCHOOL DISTRICT NOTICE OF COMPARABLE TAX RATES AND REVENUES

The Legislature has enacted a statute on school funding to comply with a court mandate enforcing the state constitution. Under prior statutes (S.B. 1) the tax rate for last year provides \$5285. per student in state and local revenues. Under this statute (S.B. 351) that same rate now provides \$6251. per student in state and local revenues.

State Law only requires a minimum tax rate of \$.72 for county education districts. State law does not require a school district to adopt additional taxes. Neither does state law require a school district adopt a tax rate that maximizes the receipt of state funds.

The Board of Trustees of Loraine Independent School District hereby gives notice it is considering the adoption of a tax rate of \$.67 that will provide \$6137. per student in state and local revenues.

# LORAIN PERSONALS

We had a mini holiday this weekend. I hope everyone was ready to go this morning whatever your job is.

Iris Preston is home from a visit with her son and his family Harold, Susan and boys. She also visited her sister, Tommie Jean and her husband.

David and Ruth Collier of Odessa, Brenda Jamerson and Misty Young also of Odessa attended church at the First Baptist Church in Loraine Sunday morning. Afterward they visited with old friends. David was raised in the Bauman Community. I believe his wife came from the Champion community.

We sure got a shock last week around town. Auther Zungia got transferred to Laredo and of course the bank lost our Jennifer Hackfeld Zungia from their work crew.

Jennifer is the daughter of Raymond and Betty Hackfeld. She and Auther have lived here ever since they were married, well really Jennifer was born and raised here. We hate to give them up but it is an honor to be promoted. They are both members of our church where they both sing in our choir. "Hope you both love it & keep loving each other."

We lost another lovely young lady two weeks ago. Alisha Finley moved to Wiley with her father, Gary Finley. She has enrolled in the Wiley schools I understand. We sure hope she likes it there and does

well in her move. She is such a lovely young lady.

"Alisha be happy with your new life and we know you will be. We all love you dearly."

I saw in the paper where the PTO Club would organize probably next week. I hope all parents will be interested enough to join as this is a good way to help out at school.

The Booster Club will meet Tuesday at 7 pm at the school cafeteria. Their new President is George Lee Jr. Donnie Phillips is vice-president and Faye Lee is secretary-treasurer and Jose Shy is publicity chairman.

If you don't know Mr. and Mrs. Shy you should meet them. They really are hard workers as far as our school goes. We appreciate them.

Saw the Pastor and his wife pulling grassburrs out of that big yard of theirs. If they didn't get better results than I did, they'll be back at it in a week or two.

I took my husband to see a doctor last week and ran into Adam Merkets wife working as receptionist. We were happy to visit with her. We also liked Dr. Mac. He was real nice and friendly.

Shelli Webb has enrolled at Western Texas College in Snyder. She drives to and from Snyder in a car pool with kids from Colorado City.

I think we have already told you that Sherri Webb lives in Stephenville and goes to school

there.

Sherill Robin has been busy with her calves this summer. She has won Grand Champion a few times this summer and a lot of other honors which I will tell you about when I learn more about it.

We have had 2 practice scrimmages and haven't done so well, I am told. I hope you guys will try to do better so we won't come out on the bottom. I feel sure you will be much improved this Friday. We are pulling for each and everyone of you.

We watched a lot of the telethon Sunday night and Monday. I don't need to watch but a short while before I get put in my place. I soon find out I am in real good health when I watch those lovely little kids with all their problems. I have to say over and over, "Thank you God for the good health of my own children and grandchildren, also my neighbors kids. I don't think we have a crippled child in town, do we?"

Maybe you already know about Harold Ray Preston's new job but you can always skip this if you happened to have already read it. This is another story of a local boy making good. Dr. Hall, president of H.S.U. has announced that Harold Preston, currently vice-president for financial affairs at Howard Payne University in Brownwood, would assume this position at H.S.U. on October 1, 1991.

The Preston's live in Brownwood at the present time.

...BY LOIS PHILLIPS

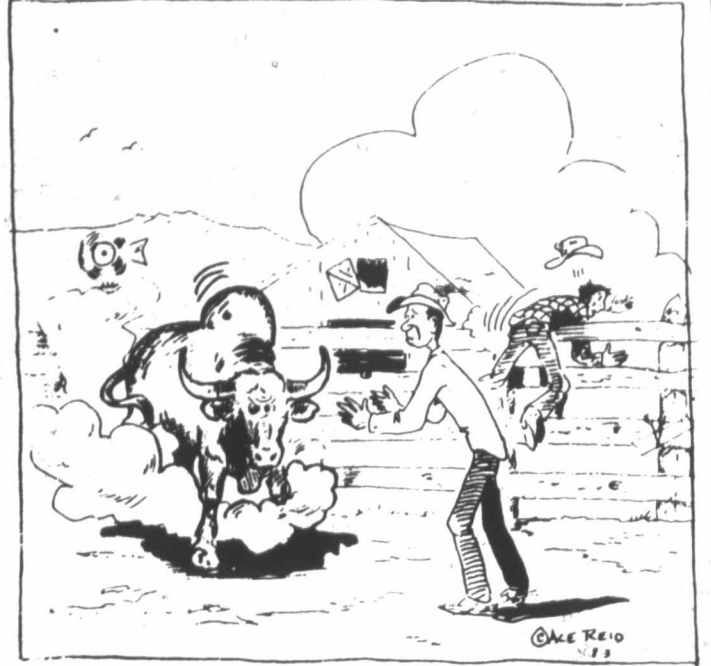

They will move to Abilene after their younger son, Ben, finishes high school at Brownwood. Their oldest son is a second year student at Baylor University in Waco. I almost forgot this part of it. Harold Ray is married to Susan Terry, daughter of Dr. Joe Terry of Loraine and the late Lou Terry. She is an RN. May I add that Susan is a lovely person. She is also a graduate of Loraine High School. Dr. Joe and Lou moved here with a beautiful red haired baby girl and here they made their home where they raised six children. Dr. Terry still lives at their home in southeast Loraine. Lou was also an RN and a good one I'd say.

H.P.U. president Don Newbury says Harold is the guy who helped H.P.U. out of their financial dilemma and got it back on its feet. President Newbury says he never had a better friend than Harold Ray nor had he ever known a finer Christian.

Harold Ray's mother is Iris Riden Preston and his father was the late Ray Preston. "Good luck to the young Preston's as they change jobs. We are proud of you and love you." I think his title will be vice-president for financial affairs. Dr. Lanny seems well pleased with the choice.

Hello Opal Hart Coles. Just thought I'd say I think of you often. Why don't you let us hear from you now and then. Those of us who are still around would like to know what goes on in your life.

Hi Jo Ed and Coldewey. I think of you often also.

"Jist stand steady til' he makes the first move!"

First State Bank knows farming and ranching are tough! You never know how things are going to work out! We'll be here to lend a hand in good times and bad!

# NEWS FROM...

## LORAIN NURSING HOME

August was fundraising month for us. We had a car wash, sold homemade burritos and raffled off a home interior picture on August 3rd. We did really well on all three. The winner of the picture was Rosa Rosas of Loraine. The Nursing Home thanks everyone that helped out in anyway. On the 16th, we had a bake sale and that was also a success. All the money raised goes for the residents Christmas presents.

Some of the residents enjoyed going over to Kristi Lee to play in a Dominoe Tournament on July 31st. Bernice McDaniel from Loraine Nursing Home and her partner from Kristi Lee came in first place. Bernice brought the Dominoe trophy home. Everyone was proud of all our residents that participated in the tournament.

Those attending were Bernice McDaniel, Herman McDaniel, Robert Schroeder, Edna Fowler and Vera Mae Robinson. We also participated in Snyder's Dominoe tournament on August 28th. We brought back the trophy as Effie Stevens and Robert Schroeder came in first place. They were proud to bring back the trophy. Others going and doing good also were Clara Butler, Lynne Compton, Bernice

McDaniel and Edna Fowler. They have really enjoyed getting together and meeting other people from around. In September we will go to Valley Fair Lodge.

Residents having birthdays this month were Bernice McDaniel, Effie Stevens, Clara Butler, Nina Self and Ellen MacFarland. Staff members were Rachel Moreno, Etta Williams, and Jackie Kimbrell.

Vickie Edwards was chosen as employee of the month. Vickie works in the kitchen. She has been employed for 1 year.

We have three new residents. They are Phyllis Baker from Sweetwater, Florence Ellyson from Loraine and David Hoinsberger from Sweetwater. Mrs. Jewel Yonger is in the hospital at

Midland Memorial and we sure do miss her, but we are all praying for her recovery and that she will be back with us soon.

Niki Key and Julie Sanchez are our new employees. Sandra Osbourne a RN/DON finished her week training seminar in Austin the 1st week of August. Topics covered were Dietary requirements, Infection Control in the Nursing Home, and

Medicare Coverage OSHA safety and health provisions.

**reach more than

## VA reduces loan rate

In response to changes in current market conditions, the Department of Veterans Affairs (VA) is reducing its maximum loan interest rate for home loan guaranties from 9.5 percent to 9 percent, effective August 12, 1991.

This change, the third this year, marks a turnaround in the credit market conditions which caused VA to raise the rate from 9 to 9.5 percent as recently as June 17.

Reducing the rate means the monthly payment on the typical VA loan of \$80,000 would be \$28.99 smaller, from \$672.69 to \$643.70. This represents potential savings to the borrower of more than \$10,000 over the life of a 30-year loan.

Also effective August 12, VA will decrease by one-half percentage point the maximum rates for Graduated Payment Mortgages to 9.25 percent, home improvement loans to 10.5 percent, manufactured home loans to 11.5 percent, manufactured home lot-only loans to 11 percent, and manufactured home and lot loans to 11 percent.

In the fiscal year that ended September 30, 1990, VA guaranteed more than 196,500 home loans totaling \$15.8 billion.

## Cancer detection unit to make visit

According to the American Cancer Society, one out of every ten women in the United States will develop breast cancer sometime during her lifetime. Every year over 37,000 women die as a result of breast cancer.

According to a spokesman from the regional breast care center at Women's and Children's hospital in Odessa, Texas "The death rate from breast cancer could be drastically reduced if women would have mammograms done before a problem exists." By using modern state of the art x-ray equipment breast cancers can be found when

they are about the size of a grain of rice and well before the cancer can be felt. A woman who is diagnosed with breast cancer at this early stage has a 90%-97% survival rate.

In an effort to find cancers at the earliest possible stage and prevent unnecessary deaths, a mobile breast cancer detection unit will be made available to local women on Monday, September 16th.

The mobile unit will be parked at Mitchell County Hospital, 1543 Chestnut, Colorado City, Texas. Appointments may be made by calling 728-3431 Ext. 222.

## Wolves speed, experience should aid them against Ballinger Bearcats

It's not hard to figure out that the team wearing red and black this Friday night is going to win, since both teams will wear the same colors.

The Colorado City Wolves will match their speed and experience against the strength and size of the Ballinger Bearcats in the season opener, with the kick-off slated for 8 p.m.

The Bearcats have represented District 7-3A in the playoffs in 8 out of the last 9 seasons and are coming off an 11-1 record last year. Pre-season predictions have dropped them to as low as fourth in their district for this year.

Those predictions - of the Bearcats fall - come from Ballinger having a new coach and an inexperienced team.

Coach Glenn Jones will have his work cut out for him as the team has only one returning starter, offensive tackle Carlos Garcia.

Last year, Ballinger's junior varsity team had a record of 8-1 with standouts including quarterback Grider Gordon and running backs Jason Martinez and Eric Sensabaugh who have now moved up to the varsity.

The other thing that Ballinger doesn't have is speed, which the Wolves are loaded with this year.

Coach Tom Ramsy will lead the Wolfpack into the second year of a District 6-3A schedule, coming off a record of 4-5-1.

The Wolves will have an edge in the experience department at both the head coach and players positions to rely on in overcoming the Bearcat attack.

# SUPER SIZZLING PAINT SALE

## POLYFLEX LATEX HOUSE PAINT

\$16<sup>39</sup> GAL

## LEGAL

**LORAINIE INDEPENDENT SCHOOL DISTRICT BUDGET HEARING**

The President of the Board of Trustees of the Loraine Independent School District, pursuant to Section 23.45 of the Texas Education Code and Article 29e, V.A.T.S. has called a meeting of the Board of Trustees for the purpose of adopting an official budget for the 1991-92 fiscal year of the district, that shall cover all revenues and setting of a tax rate.

The meeting will be held Thursday, September 12, 1991 at 7:30 p.m. in the Loraine School Cafeteria. Any taxpayer of the District may be present and participate in the hearing.

On June 1st the City of Loraine water supply collected water samples for coliform analyses. Results indicated the presence of coliform bacteria. Water supply officials were directed to collect five routine samples the following month. Five routine monthly samples were not collected.

If you have questions regarding this matter, you may contact Joe Espinoza at 915-737-2222.

# COOK'S CORNER

SUDA HOCK

Suda Hock and her husband, Wright, came to the Spade Ranch in 1938, August 15th. They moved away twice and the last time they came back was on December 6, 1948. She says "ranch life has been and still is the best."

They were married in 1933 and that was when she started cooking. She learned how to cook by trying recipes with lots of failure and some turning out the way she wanted them to.

The brownie recipe is one of her favorite recipes and was given to her by Miss Nan Chappell (now deceased). She is also sharing a recipe for a "Plain Cake" and "Wrights Son of a Gun Stew" with the readers of the Record.

## WRIGHTS SON OF A GUN STEW

One of Wright's favorite recipes is this stew recipe that we are sharing with you. It's always a big hit here on the ranch.

Equal parts of:

Sweet bread  
Marrow gut  
Liver  
Heart  
Beef tongue  
Lean Meat  
Small onion

Put ingredients in a pot with water and simmer several hours. Add a little garlic salt and salt and pepper to taste.

This is a cowboys recipe and had many names. Wright entered this in cooking at the ranch rodeo in Wichita Falls in 1985 and won a first. If you don't know who made it don't eat it!

## PLAIN CAKE

2 1/4 cups flour  
1 tsp. salt  
1 tsp. baking powder  
2/3 cups Crisco and 1 1/4 cups sugar (cream)  
3 eggs

1 T. lemon juice

2/3 cups milk

Add lemon juice and milk to creamed shortening and sugar. Add dry ingredients which have been sifted together, slowly. Add eggs one at a time, beat after each egg one minute. Pour into greased and floured bundt pan and bake at 300° for one hour and 10 minutes.

September 8-11, 1991

Sun.: Bible study, 9:45 a.m.

Worship, 10:45 a.m. & 6:30 p.m.

Weekdays: 10:00 a.m. & 7:30 p.m.

Presented by the  
CHURCH OF CHRIST

22nd and Austin Streets  
Colorado City, Texas

\*\*\*\*\*

Our plea is for a return to undenominational New Testament Christianity. Come join us in a study of God's truth that can make us free from sin (John 8:32), and bring us to pure first century Christianity, which is pleasing to our God.

2 cups sugar

1/2 cup cocoa

1 cup butter

4 eggs

2 tsp. vanilla

1 tsp. salt

1 1/2 cups flour

1 cup nuts

Cream the first 3 ingredients. Add eggs one at a time beating after each egg. Add flour and nuts. Cook 35 minutes at 350°.
